"Ameriški moloh"

Pretekli teden je poročalo časopisje, in zgodilo se je tudi v Zedinjene države. V enem samem dnevu je dospelo na naslov federalne rezervne banke v New Yorku za \$94,000,000 vrednosti zlata, kar se dosedaj še nikdar prej zgodilo ni.

Od lanskega oktobra pa vse do 31. marca je bilo importiranega v Zedinjene države za \$500,000,000 vrednosti zlata. Ameriške zakladnice postajajo skoro dnevno bolj z zlatom obložene.

Dočim pa povprečni ameriški državljani ne razume, zakaj dobiva Amerika toliko zlata v svoje shrambe, pa to dobro vedo bankirji in uradniki Zedinjenih držav. Zlato, poslano v Ameriko, predstavlja vrednost evropskega kapitala.

Evropsko zlato ni bilo poslano v Zedinjene države v zameno za ameriški dolar ali pa kot na rok dolgovi, ki jih dolguje Evropa Zedinjenim državam.

Toda o tem so popolnoma drugačnega mnenja voditelji nemških financ, njim na čelu dr. Funk, ki je predsednik nemške državne banke. On vidi v tem zbiranju zlata v Ameriki ameriško lakomnost po denarju in trdi, da namerava Amerika izstradati vse ostale dežele sveta, kar se tiče njih zlatih zalog.

Pred par dnevi je dr. Funk izjavil sledeče: "Ali bo Amerika začela z novim plesom okoli zlatega teleta? Ali bo svet v resnici padel kot žrtev ameriškega moloha?"

Toda kaj pa pravi dr. Funk k dejstvu, da je Nemčija zaplenila Židom do dva tisoč milijonov vrednosti v zlatu, ne da bi bila za ta svoj zločin komu odgovorna?

Kaj pravite!

Anglija se je močno uprla s hrptom in zavpila Hitlerju: do tu, in nič dalje! Pri vsem tem je pa čudno to, da Anglija ni tega rekla tedaj, ko je Hitler marširal v Češko.

Oni dan je namignila clevelandska mestna administracija, naj hišni posestniki, katerih hiše so v slabem stanju, iste takoj prebarvajo.

Barbičev France sili našega urednika, da bi šla s harmoniko na medveda, da bo on (Barbič) godel, urednik pa z medvedom plesal.

Rev. Matt. Jager:

Ne zamudite!

Ne zamudite si ogledati duhovni igri "Slehernik" in "Uslišana," ki ju bomo ponovili pojutrišnjem, na velikonočni ponedeljek 10. aprila, v šoli sv. Vida ob 8. uri zvečer.

Igra "Slehernik" je polna prekrasnih nauk in večnih resnic, ki so podane na čisto svojiski, nenavadnem načinu.

K temu pa so seveda prav mnogo pripomogli igralci, ki so storili, kar največ so mogli. Naj posebej omenim vsaj enega, glavnega, ki je predstavljal Slehernika, Daniel Postotnika.

Tudi vsi drugi igralci so se potrudili, kar največ so se mogli. To spričevalo jim dam z mirno vestjo, ne samo zato, da je to reklama za igro, ampak zato, ker je to resnica in jim bo to v spodbudo za nadaljno njihovo delo na polju dramatičnega.

Zares bi bilo škoda, da ne bi te lepe igre "Slehernika" videlo čim več ljudi. Ta igra vas notranje obogati.

In druga igra "Uslišana" je pa kakor prijetna stvarca za konec, kakor je sedaj o veliki noči potica po vsaki jedi.

Torej ne pozabite priti na sejo v ponedeljek 10. aprila.

Louise Zidanić, predsednica 8905 Rosewood Ave.

"Planina" priredi koncert

Maple Hts, O. — Malokdaj se vidi kak dopis iz te naše slovenske naselbine.

Zato pridite v ponedeljek in še enkrat napolnite dvorano, kakor so jo prvič! Zares, verujte: več kakor iz denarnih razlogov ponavljamo ti dve igri iz tega razloga, da bi ti dve igri čim več ljudi obogatili, da bi čim več ljudi videlo lepoto teh dveh iger: "Slehernika" in "Uslišana."

Predstava se začne točno ob 8. uri zvečer in traja obe igri! — natančno dve uri, ne več.

Naznanilo članicam pod št. 47 SZZ

Najprej želim vsem veselje velikonočne praznike, da bi jih v zdravju in božjem blagoslovu praznovali.

Dne 6. maja bo vprizorjena v 3DD na Prince Ave. smešna igra "Trije bratje se ženijo."

Dne 11. maja je odločen in že naročen avtobus, da se peljemo v Marysville na izlet.

Ni pa rečeno, da moramo biti samo članice naše podružnice. Prav dobrodošle so tudi druge, če ste članice ali ne.

Opozarjam vas tudi že sedaj, da imamo sklep, da se korporativno udeležimo slavnosti razvija in blagoslovitve zastave našega sosednega društva Naš dom št. 50 SDZ in sicer dne 23. aprila ob dveh popoldne.

Maple Hts, O. — Malokdaj se vidi kak dopis iz te naše slovenske naselbine.

Rad bi videl, da bi to metodo rabil Tone tudi poleti pri balinjah. Potem bom trdno prepričan, da bo ta tvoja metoda dala našim boljšim polovicam trdno spanje in nobena ne bo gledala na uro, kadar bomo prišli domov.

jim mora dati priznanje za težki delavski boj, katerega so premagali in pokazali solidarnost delavstva v splošnem.

Slovenskih družin je tukaj okrog 60 in vedno se še kateri priideli, po večini iz Clevelanda.

Vabim vas, da pridete iz bližnjih naselbin, da vsaj za malo časa pozabite na vsakdanje skrbi pri lepi pesmi.

Pridite v nedeljo v S. N. Dom!

V nedeljo bo zadnja predstava dramskega društva "Ivan Cankar."

Med dejanji bo govoril naš pesnik Ivan Zorman, in naš najodličnejši Slovenec, rojen tam, pisatelj Louis Adamič, katerega pozna vsa ameriška javnost.

Vstopnina je samo 25 centov. Vabljeni ste, da pridete, saj je preostanek namenjen za postavitev spomenika pokojnemu pisatelju Ivanu Lahu na ljubljanskem pokopališču.

Publicijski odbor.

V Maple Heights se dobro držimo

Maple Hts, O. — Vedno gledam, kdaj se bo pojavil kak dopis iz naše naselbine v cenjenem listu Ameriški Domovini, toda zaman.

Maple Hts, O. — Malokdaj se vidi kak dopis iz te naše slovenske naselbine.

Rad bi videl, da bi to metodo rabil Tone tudi poleti pri balinjah.

Po dolgem zimskem času smo vendar učakali to ljubo pomlad. Na okno nam že trka ptiček mlad ter nam kliče: pomlad je zunaj tvojih vrat. . .

vendar učakali to ljubo pomlad. Na okno nam že trka ptiček mlad ter nam kliče: pomlad je zunaj tvojih vrat. . .

Tudi pevsko društvo "Planina" se pridno pripravlja na spomladanski koncert, ki se vrši na belo nedeljo zvečer, to je na 16. aprila v SND, Maple Hts.

IZ DOMOVINE

—Na meji ustreljen. V Prekmurju ob nemški meji bujno cvete tihotapstvo.

Iz Bele Krajine se poroča, da je umrl na Vrtači pri Semeču znani veleposestnik Janko Ogulin, star 74 let.

—V Vojniku je umrla Marija Grasselli roj. Kref, soproga trgovca in posestnika.

—V Ljubljani je umrla Rozalija Wisijan roj. Moder, vdova po sedlarskem molohu posestniku.
