

Vesti s seje gl. odbora SNPJ

Letošnja članska kampanja naše jednote. Glavni odbor SNPJ se je krepko izjavil za združenje jednot in zvez. Razširjen radio-program ob 35-letnici SNPJ. Jednota je spet prispevala \$100 za španske reveže in gl. odbor je poslal telegram prezentu Rooseveltu, naj se humanitarno zavzame za ograženje jetnike.

Letna seja gl. odbora SNPJ je trajala tri dni, 9., 10. in 11. februarja v jednotnih dvoranah v Chicagu. Navzoči so bili vsi davni odborniki.

Najvažnejša zadeva je bila članska kampanja ob petintridesetnici SNPJ za oba članska oddelka jednote. Kampanja je pričela 1. aprila t. l. in traja do konca leta. Podrobnosti glede nagrahd in drugega v tej kampanji bodo uradno objavljene v ratku. V zvezi s to kampanjo bodo tudi članski shodi počeli, na katerih bodo nastopili gl. odborniki kot govorniki.

V zvezi s 35-letnico SNPJ bo uradjan tudi radioprogram, ki je razširjen v tem ali onem obreju po vsej Ameriki za vse članstvo naše jednote; ta radioprogram, ki bo kulturne vsebine, bo oddajan v Chicagu sredi meseca aprila, ko bo članska federacija SNPJ priredila prvo ročno petintridesetnico SNPJ. Radioprogram je v skrbi eksekutivne SNPJ.

Drugi važen sklep na tej seji je bil soglasna izjava glavnega odbora SNPJ za združenje vseh članskih naprednih jednot in v Ameriki. Glavni odbor izjavlja, da je iskreno pripravljen vsak čas na pogajanja s katerimi jednoti ali zvezami, ki pomažejo resno voljo za združitev.

Glede atletike pri SNPJ je bila sprejeta večja reforma. Atletično gibanje se razdeli na distrikte (vzhod, srednji zahod in zahod) in atletiškemu odboru je dodanih pet članov iz odbora za sodelovanje. Fred Jalgaj, John Klanšek, Donald Lotrich, Fred A. Vider in John Olip so bili izvoljeni v tam.

Prestopanje v nova razreda mrtinskega zavarovanja E je podaljšano za nedoločen čas, sklenjeno je pa bilo, da je enkrat prestopiti v razred E ali D, ne more več prestopiti nazaj v razrede A, B ali C.

Nadalje je bilo sklenjeno, da spet prispeva \$100 za španske reveže, begune iz republike, ki trpe pomanjkanje hrane, oblike in zdravil; dalje je bil sprejet in poslan predsedniku Rooseveltu (prav tako zdravstveni tajnik in senatorji iz Illinois) telegram z celom, naj ameriška vlada, ki je pokazala veliko humanitarnost glede masnih beguncov iz Semelje in Avstrije, vloži zdaj svoj vpliv tudi za španske ujetnike iz republiških armad, ki so bodo izpostavljeni barbarskim perzekucijam in ekskurzijam. Sprejet je tudi bilo, da gl. predsednik ponovno apeira na društva SNPJ, naj po vsej moči se prispevajo za člane, ki so se umaknile čez mejo in katerih pomanjkanje in trpenje bo zdaj večje kot je bilo v času vojne.

Iz poročil gl. izvršnih odborov je razvidno, da je leta 1938 pristopilo čez 3000 novih članov v SNPJ, v istem času je v občini oddelkih umrlo 346 članov in črtnih je bilo 1472 članov.

V oddelku odraslih je umrlo zadnjem letu 331 članov in sedno je izplačala \$247,500 v mrtinah. Največ članov je umrlo za srčno hibro (72), ravnatelj (60) jetiko (34), in za življino (34).

Italija, Rusija podpisali pakt

Pogodba velja
za eno leto

New York. — (The New York Leader.) — Trgovinska pogodba med fašistično Italijo in Sovjetsko unijo je bila podpisana 7. februarja in velja za eno leto. Uradna vest pojasnjuje, da nova pogodba uključuje več protokolov in gospodarskih dogovorov, na podlagi katerih so bila likvidirana sporna vprašanja, ki so v letu 1937 pretrgala trgovinske vezi med Italijo in Sovjetsko unijo. Na temelju te pogodbe bo Italija dobivala iz Rusije v glavnem surovine (olje, rudo, žita itd.), Rusija pa bo dobivala iz Italije motorje in druge stroje, južno sadje, oliveno olje itd. — Istočasno poročajo iz Bruslja, Belgija, da se trgovinski odnosa med nacijsko Nemčijo in sovjetskim režimom vedno bolj razširjajo in utrujejo.

Naciji zahtevajo \$100,000,000 od židov

Odškodnina za umor
nemškega diplomeata

Berlin, 14. februar. — Nemški židje bodo morali jutri plačati drugi obrok v vsoti \$100,000,000 v nacijsko blagajno kot del odškodnine za umor Ernsta von Rotha, tajnika nemškega poslaništva v Parizu. Rotha je pred nekaj mesecih ustrelil neki poljski žid in Hitlerjeva vlada je naložila židom kazen v vsoti \$400,000,000.

Prvi obrok v vsoti \$100,000,000 so nemški židje plačali Hitlerjevi vladam v zadnjem decembetu. Ker židje niso imeli tolike vsoote v gotovini, so morali zastaviti svoje imetje in vrednostne papirje. Drugi obrok bodo plačali na sličen način.

Senatni odsek podprt Rooseveltu

Washington, D. C., 14. februar. — Rooseveltova administracija je izvojevala zmago včeraj, ko je senatni odsek za militaristične zadeve odglasoval z enajstimi proti petim glasovom, da ostanejo pogajanja med Rooseveltom in francosko vladom tajna. Pogajanja so se nanašala na francosko naročila ameriških bojnih letal. Nasprotniki so očitali Rooseveltu, da je sklenil dogovor s francosko vladom kajrib opoziciji članov vrhovnega štaba armade in vojnega tajnika.

V istem času je SNPJ izplačala vsoto \$38,522.50 za 566 slučajev operacij in \$8,325.00 za 34 slučajev telesnih odškodnin. Največ operacij (150) je bilo na vnetem slepčiu in (104) na killi.

Skupna vsota izplačane bolniške podpore vseh treh razredov v letu 1938 pa znaša \$359,081.89.

Vsa druga poročila in zaključki bodo objavljeni v uradnem zapisniku.

FILIPINSKI PRED- SEDNIK PONUDIL ZAVETJE ŽIDOM

Amerika lahko sprejme
30,000 begunov
letno

RAZPRAVA O HIT- LERJEVEM NAČRTU

London, 14. februar. — Manuel Quezon, predsednik Filipinskega otočja, je informiral londonski odbor za begunce, da se lahko več tisoč nemških židov izseli na otok Mindanao. Njegovo ponudbo je prečital na seji odbora George Rublee, Američan in načelnik odbora, ki je obenem nazzanil svojo resignacijo. Odbor je takoj izvolil naslednika. Ta je Anglež Herbert Emerson, pomozni vrhovni komisar za begunce in drugi v tej kampanji bodo uradno objavljene v teki.

Rublee je dejal, da je sprejel pozicijo načelnika odbora za begunce le začasno, ko je podal o-vastavo. Članom odbora je nato predložil resignacijo načelnika Hitlerjeva načrta glede izselitve židov iz Nemčije. Ta med drugim določa takojšnjo izselitev 150,000 do 200,000 židov iz Nemčije in ustavnitev posebne sklade za finančiranje izseljevanja iz imetja nemških židov. Hitler je dalje obljubil, da bodo nacijske avtoritete odnehalne v gonji proti starim židom v času izvajanja načrta izselitve.

Quezonovo ponudbo je predložil članom odbora za begunce Myron C. Taylor, američki representant v odboru, ki ga tvorijo predstavniki 32 držav. V tej je rečeno, da je predsednik Filipinskega otočja pripravljen dati zavetje židom letno. Taylor je v svojem govoru poudarjal, da tuje države lahko najdejo prostor v svojih mejah za vse begunce iz Nemčije, ne da bi morale radikalno spremeniti svojih imigracijskih zakonov. Samo Združene države lahko sprejmejo 30,000 nemških begunov letno.

Dr. Max Urena, representant dominikanske republike, je izjavil, da njegova država lahko sprejme 10,000 beguncev pod gotovimi pogoji, representant Avstralije pa je ponudil zavetje 15,000 beguncem. Razprava o Hitlerjevem načrtu se bo danes nadaljevala.

Japonci bombardirajo kitajski otok

Ameriška ladja
odplula proti otoku

Sanghaj, 14. februar. — Ameriški rušilec John D. Edwards je včeraj odplovil iz Hongkonga proti otoku Hainanu, ko so pričela prihajati poročila, da japonske bojne ladje obstrelijo otok. Francoske bojne ladje so tudi dospele v bližino otoka. Japonska okupacija ogroža pomorsko zvezo med Francijo in Indokino, francosko kolonijo, kakor tudi zvezo med Hongkongom, angleško kolonijo, in Singapورom. Francoska vlada je že naslovila ostre protest Tokiju proti okupaciji otoka.

Brandeis resigniral

V pismu Rooseveltu
ne omenja vzroka

Washington, D. C., 14. februar. — Louis D. Brandeis, član federalnega vrhovnega sodišča, je včeraj predložil resignacijo in v pismu predsedniku Rooseveltu izrazil željo, da resignacija takoj stopi v veljavno. V pismu ne omenja vzroka in njegova žena je rekla reporterjem, da ne bo Brandeis podal nobene izjave.

Resignacija ni prišla nepriznana. Brandeis je star 82 let in član vrhovnega sodišča je bil 23 let. Za člana ga je imenoval predsednik Wilson l. 1916. Počela, da bo kmalu resigniral zaradi slabega zdravja, so krožila več tednov. Nedavno je dejal, da je pripravljen sodelovati v globanju v prid židovskim beguncom, ki morajo iskati novo domovino na Madrid.

Brandeis je bil znan kot najbolj liberalen član vrhovnega sodišča. Rojen je bil l. 1856 v Louisville, Ky., kjer je pojavil pravne in ljudske osnovne šole. Pozneje je študiral pravo na univerzi v Dresdenu, Nemčija, in na univerzi Harvard. Odvetniški poklic je izvrseval najprej v St. Louisu, Mo., potem pa v Bostonu, Mass., dokler ga ni Wilson imenoval za člana vrhovnega sodišča.

Njegov naslednik bo najbrž Harold M. Stephens iz Utaha, član federalnega prizivnega sodišča v federalnem distriktu. Drugi možni kandidat je senator L. B. Schwellenbach iz Washingtona, federalni solicitor R. H. Jackson, federalni sodnik William Denman in San Francisco in Robert M. Hutchins, predsednik češke univerze. Odkar je bil znaten kot najbolj liberalen član vrhovnega sodišča v Barcelono, je zdaj spet v Madridu, starem glavnem mestu Španije. Vladna proklamacija naglaša, "da je zdaj pred nam odločitev, ali naj se vsi rešimo ali pa podležemo v borbi."

Perpignan, Francija, 14. februar. — Polkovnik Marquez, poveljnik enajste lojalistične armade "pozabljenih mož", je včeraj s svojimi četami prekoračil mejo pri Prata-de-Molli in stopil na francosko ozemlje. Naznani je, da mu ostanki lojalistične armade v Kataloniji sledijo in da bodo kmalu vsi militsenki, ki so obiskali fašistične naskoke na svoje pozicije v pirenejskem gorovju, v Francijo. Pred umikom so lojalisti uničili vse skladiste munitione in orožja.

Burgos, Španija, 14. februar. — V prizakovanju popolne zmage v španski civilni vojni je fašistični režim včeraj uveljavil odredbo, ki določa stroge kazni za osebe v podjarmiljenih krajih, ki bi se upirale rebelem. Te med drugim določajo izgubo državljanstva in izgon, razpust vseh političnih strank in konfiskacijo premoženja. Ustanovljeni bodo posebni tribunali, ki bodo določali civilni status oseb v podjarmiljenih krajih.

Madrid, 14. februar. — Fašistični topovi bombardirajo Madrid. Glavna tarča obstrelijanja je bil južni del mesta, kamor je priletelo okrog 150 krogov v štirih urah bombardiranja. Porušenih je bilo več hiš in kroglo so ubile in ranile veliko število ljudi.

Fašistični letali so v istem času vrgli čez sto bomb na Alcantaro, star 69 let in doma iz Zdene vasi pri Dobrem polju. V Ameriki je bil 33 let in tu zapušča sina in hčer.

Washington, D. C., 14. februar. — Senator Elbert D. Thomas, demokrat iz Utaha in član senatnega odseka za zunanje zadeve, je včeraj predložil načrt glede amendiranja neutralnostnega zakona. Ta naj bi bil v smislu načrta amandiran tako, da bi imel predsednik popolno oblast v dolgoletju, katera država je zagotovila v nadaljevanju, katera država je zagotovila v nadaljevanju.

Praga, 14. februar. — Člani češke vlade so bili presenečeni, ko so bili ponovno posvarjeni pred zatiranjem nemške manjšine. Svarilo je naslovil vladni Ernst Kundt, desna roka Konrada Henleina, ki je vodil agitacijo za priključitev Sudetaka k Nemčiji pred razkoskanjem češke republike. Kundt trdi, da Čehi še vedno zatirajo Nemce, ki so še ostali v republiku, zaen po jih Palos.

Glasovi iz naselbin

O 35-letnici društva Naprej št. 5

Cleveland, O. — Marca meseca leta 1904, torej pred 35 leti, se je v naši slovenski metropoli zbrala skupina zavednih, naprednih mož ter ustanovila na principih svobodomiselnstva podporno društvo, kateremu je dala ime "Naprej". Društvo je dobitilo številko 5 od ob istem času ustanovljajoče se svobodomiselne slovenske podporne organizacije, naše Slovenske narodne podporne jednotne.

Zgodovina našega društva je bila obširnejše opisana v našem glasilu leta 1934, ko je naše društvo obhajalo 30-letnico obstoja, in to zunaj na prostem na znani Pintarjevi farmi. Naše društvo je bilo ves čas obstoja vedno v prvih vrstah za obrambo ali izboljšanje delavskih razmer in vedno za unijsko delovanje. To pokaže tudi dejstvo, da je takoj ob ustanovitvi, torej pred 35 leti, dalo tiskati kuverte v unijski tiskarni. Ena teh kuvert je še v arhivu in nosi unijski "label" št. 231. Pa tudi drugače je vedno podpiralo delavsko gibanje in dramata ter pevsko društva in druge kulturne ustanove.

Bilo je tudi pionir za gradnjo SND. Ima za \$16,970 delnic te-
ga SND in za \$50 delnic Slovenske zadružne zveze. Ob ustanovitvi angleško poslujučega društva Comrades št. 566, kateremu je bilo takoreč krtstni boter, mu je darovalo za \$200 delnic SND. Edino društvo Carniola Tent št. 1288 T. M. ima za dober tisoč več delnic kot naše, ki je torej drugi najmočnejši delničar tega zares narodnega podjetja. Principiom svobodomiselne ideje in unijskemu delavskemu pokretu je ostalo zvest in je vedno podpiralo vse na predne kulturne ustanove, kot S. N. čitalnico, S. D. čitalnico, Cankarjevo ustanovo, Prosvetno matico JSZ, Slovensko mladinsko šolo SND in Jugoslovansko šolo moderne umetnosti, kot tudi pevske zbrane in dramatska društva, in sicer slednje z oglasi in nakupom vstopnic. Tudi delavskie liste kot Prosveslo in Proletar je podpiralo, istotako delavskie organizacije ali skupine. Tudi za osvobojenega delavskoga boritelja Toma Mooneyja je dalo večkrat denarno podporo.

nih zabave, zlasti ne za mladino, bo igral znani Jankovichev orkester. (Seve, to ni orkester našega znanega večnega popotnika Antonia Jankovica, dasi je ime silčno.)

Naše društvo prireja le pomembnejše prireditve, kot so proslave obletnic ali kaj podobnega, zato se članstvo ne more pritoževati, ako se tu in tam za kakovo proslavo obdavči z malim zneskom, dasi je v tej krizi maršček tudi mal znesek težko plačati. Za to proslavo smo vašega člana obdavčili z nakupom pivskih listkov za 50c, kateri so obenem vstopnica za člane našega društva. Za drugo članstvo in ostalo občinstvo je vstopnina nizka, samo 25c. Vsem društvi SNPJ in drugim sorodnim društvom smo poslali pismena vabilna in se nadejamo, da nas članstvo v kolikor možno veliki številu poseti in se z nami vred zbabava.

Torej v nedeljo, 19. marca, vsi v S. N. dom na proslavo 35-letnice našega društva. Na svidetje in bratski pozdrav.

Filmske slike SNPJ v Brooklynu

New York, N. Y. — Kakor je že bilo poročano, priredi društvo All Americans št. 580 SNPJ svojo letno veselico v nedeljo, dne 26. februarja v Slovenskem avditoriju v Brooklynu na 283 Irving ave., vogal Bleeker st. Na tej veselicu se bodo predvajale filmske slike SNPJ, o katerih se je že mnogo pisalo v Prosveslo. Sporočeno mi je tudi bilo od merodajne strani, da so te slike res zanimive, ako so pravilno predvajane in če je njih pomen pravilno pojasnjen. Upam, da smo pri našem društvu za oboje dobro preskrbeli. Dobili smo operatorko z dobrim projektorjem, kar pa je potrebno pojasnila in razlage, se bo to storilo v obeh jezikih, tako da bodo slike razumljive starim in mladim.

Program se prične točno ob 4. popoldne. Datum, kakor že omenjeno, bo nedelja, dne 26. februarja 40c.

Naši domači talenti se pridno vežbajo, da bodo zavabili poseinke z dvema komedijama. Vsak človek rad včasni vidi kako šaljivo odrsko predstavo, tako seveda tudi slike na platu. Mi Slovenci imamo seveda najrajskaj kaj domačega, ker domača stvar najboljše upa. Prepričana sem, da se bodo naši igrači in igralci dobro potrudili, da vas zavajajo in spravijo v smeh. "Nič resnega za enkrat", pravijo, a če bo šlo, zna priti na oder še kaj resnično dramskega. Zato pa jih dajmo vspodbude z veliko udeležbo!

Na programu bo tudi govornik in govornice, namreč br. Frank Kerec in Anna P. Krasna. Torej tudi v govorništvu kar domača roba — po domače bomo povедali malo resnega in malo žaljivega, pa bo šlo, tako da si boste take govornice šeleli spet

slišati. Torej na veselo svidetje 26. februarja.

Anna Krasna, 580.

Pustna veselica v La Sallu

La Salle, Ill. — Pri nas se še nekaj gibljenja, največ pri klubih. Pevski zbor Soča se pridno pripravlja za koncert, ki ga prirede pevsko društvo spomladi v Milwaukee. Tudi gospodinjski klub SND ima na programu dramatsko predstavo, ki se bo vršila okrog velike noči.

Prihodnja naša priredba pa bo maškeradna veselica na pustni torek zvečer, katero priredi gospodarski klub SND. To bo semeha in zabave za stare in mlade. Vstopnina bo nizka. Vabiljeni ste vse iz La Salla in okolice. Pridite v maskah, ki bodo deležne lepih daril.

Pismo iz stare domovine

St. Rupert. — Slučajno sem dobil v roke vaš list Prosveslo z dne 13. julija 1938, v katerem sem videl svojo sliko in sliko mojega prijatelja Valentina Urbasa. Zelo sem bil razočaran, ko sem prebral članek pod sliko, obenem pa me je tudi veselilo, da se me še spominjajo po 30 letih.

Blagovolite vzeti na znanje, da se živim. Res je, da sem bil leta 1914 vpoklican v svetovno vojno in odkorakal s prvo kompanijo na galilejski fronto, kjer sem bil že meseca oktobra 1914 težko ranjen. Ko sem ozdravljen, nisem bil več sposoben za službo na fronti. Pridržali so me v zaledju za pomočna dela, največ sem bil pri zrakoplovnih arzenalih za ordinanca. V vojni uniformi sem ostal do 1918.

Ko sem prišel domov, nas je čakalo mnogo dela, ker bilo je vse polno gospodarskih potreb. Izvršeno je bilo vse posessivo, bodisi malo ali veliko. Kaj stori, da povzdignemo gospodarstvo? Premisljeval sem, kaj bi meni in mojim sosedom najprej pomagalo do izboljšanja našega položaja. Naš kraj namreč leži dve uri od najbližjega mesta. Organiziral sem mlekarško zadrugo in sedežem v St. Rupertu. Tako smo lahko vnovčili mleko po ugodni ceni.

Prišla pa je kriza, tista huda mora in nam razdelila našo zadrugo, kar še danes vse občutimo. In dasi je kriza sedaj že nekoliko popustila, vendar še vse zelo občutimo to udarec v naši stari domovini. Med tem časom sem se mnogokrat spomnil Amerike in tam živečih prijateljev in znanec. Veseli me, da SNPJ v tako velikem obsegu napreduje. Zelim ji mnogo vztrajnih pionirjev in graditeljev. Isto želim tudi društva SNPJ v Darraghu in v Herminiju, Pa., ter pozdravljam vse člane, posebno pa mojega prijatelja Urbana Valentina, kateremu tudi čestitam k njegovemu 30-letnici kot ustavnemu tega društva. Ob tej priliki pa bi bil tudi hvaležen, če bi se katero teh društvu moglo v gmotnem oziru spomniti svojega nekdanjega tajnika (v Herminiju) in svojega predsednika (v Darraghu). Z bratskim pozdravom,

Karl Mačkovsek.

Drobil iz Detroitja

Detroit, Mich. — Kaj je z akcijo za zadružno prodajalno? Ali bo čisto zaspala? Bilo je toliko navdušenja, da se mi je zdaleko predobro in skoraj nisem mogel verjeti, da se bo uresničilo. Imeli smo veliko časa za premislejanje in kmalu ga bomo zopet imeli, da bomo zopet priceli z delom tam, kjer smo prenehali. Ker je bilo že dosti pojasnjevanja, kaj zadružništvo pomeni, se danes omejim samo na opomin, da bo treba nadaljevati z započetim delom za uresničenje zadružne ideje. Torej strinjam svoje sile in naprej z delom.

Boj v UAW se nadaljuje mrzljivo. Vsaka frakcija si lasti včino. Ako bo resnica zmaga, bo Homer Martin poražen in vrzen na smetišče kot največji demagog in delavski zavajalec v zgodovini delavskega gibanja. Ako bi se članstvo UAW zavedalo svoje dolžnosti, bi bil Martin že davno na smetišču. Ker pa ni toliko izobraženo, da bi moglo trenutno razsojati, je razcepjeno. Najbolj na umu udarjena skupina predstavljeni bodo tudi še dveči ustanovni člani, ki so: Anton Bobek, Frank Cerne, Josip Kalar, Frank Radelj, Jos. Žeke in Jos. Pajk — slednji je član društva 158 v Euclidu.

Po končanem programu bodo servirana okusna jedila in pičača. Za pičač, brez katerega ne spet

terega podpira vsa reakcija. Na svoji strani ima radio, časopisje (tudi nekaterje slovenske liste), General Motor, Ford, Harry Bennett, "father" Coughlin in pridigarje vseh vrst, ki molijo za njegovo zmago. Toda vse to mu ne bo nič pomagalo, če se bodo avtini delaveci zavedali, da ne more biti dober za nje, ajo je dober za vse prej navedene sovražnike delavstva.

Br. Molek je zapisal, da mora zdrženje priti od zgoraj. Ce je to resnica, potem ne bomo nujno kdaj zdrženi. Takšen voditelj se še ni rodil, ki bi rad zapustil topel urad in šel brusiti pete na mrzlo cesto. Skoraj slherni voditelj, ki se je povzpel do kakšnega urada, misli, da se je z njim oženil. Včasih se pripeti kakšna razporoka, toda to se zgodi le redko. Da združenja bo priredil takrat, ko se delavci izobrazijo in povedo svojim voditeljem, da jih imajo zato, ker se sami v velikih skupinah ne morejo pogajati z delodajalcem. Bodoli voditelji bodo v resnicu služabniki delavcev. Plačani bodo toliko kakor najbolj izuren delavec v tovarnah ali kjer koli. To bi moral biti vsakemu umljivo; saj nimajo večjih želodev kakor jih imamo drugi navadni delavci. Enakopravnost bo morala biti tudi v plačah; ako ne bo, bomo vedno sužnji. Po znam rojake, ki so mnenja, da moramo voditelje dobro plačati, drugače nas prodajo. Jaz pa mislim, nisem bil več sposoben za službo na fronti. Pridržali so me v zaledju za pomočna dela, največ sem bil pri zrakoplovnih arzenalih za ordinanca. V vojni uniformi sem ostal do 1918.

Ko sem prišel domov, nas je čakalo mnogo dela, ker bilo je vse polno gospodarskih potreb. Izvršeno je bilo vse posessivo, bodisi malo ali veliko. Kaj stori, da povzdignemo gospodarstvo?

Premisljeval sem, kaj bi meni in mojim sosedom najprej pomagalo do izboljšanja našega položaja. Naš kraj namreč leži dve uri od najbližjega mesta. Organiziral sem mlekarško zadrugo in sedežem v St. Rupertu. Tako smo lahko vnovčili mleko po ugodni ceni.

Priljubljeni tajnik, kar je vse zelo občutimo to udarec v naši stari domovini. Med tem časom sem se mnogokrat spomnil Amerike in tam živečih prijateljev in znanec. Veseli me, da SNPJ v tako velikem obsegu napreduje. Zelim ji mnogo vztrajnih pionirjev in graditeljev. Isto želim tudi društva SNPJ v Darraghu in v Herminiju, Pa., ter pozdravljam vse člane, posebno pa mojega prijatelja Urbana Valentina, kateremu tudi čestitam k njegovemu 30-letnici kot ustavnemu tega društva. Ob tej priliki pa bi bil tudi hvaležen, če bi se katero teh društvu moglo v gmotnem oziru spomniti svojega nekdanjega tajnika (v Herminiju) in svojega predsednika (v Darraghu). Z bratskim pozdravom,

Karl Mačkovsek.

Drobil iz Detroitja

Detroit, Mich. — Kaj je z akcijo za zadružno prodajalno? Ali bo čisto zaspala? Bilo je toliko navdušenja, da se mi je zdaleko predobro in skoraj nisem mogel verjeti, da se bo uresničilo. Imeli smo veliko časa za premislejanje in kmalu ga bomo zopet imeli, da bomo zopet priceli z delom tam, kjer smo prenehali. Ker je bilo že dosti pojasnjevanja, kaj zadružništvo pomeni, se danes omejim samo na opomin, da bo treba nadaljevati z započetim delom za uresničenje zadružne ideje. Torej strinjam svoje sile in naprej z delom.

Boj v UAW se nadaljuje mrzljivo. Vsaka frakcija si lasti včino. Ako bo resnica zmaga, bo Homer Martin poražen in vrzen na smetišče kot največji demagog in delavski zavajalec v zgodovini delavskega gibanja. Ako bi se članstvo UAW zavedalo svoje dolžnosti, bi bil Martin že davno na smetišču. Ker pa ni toliko izobraženo, da bi moglo trenutno razsojati, je razcepjeno. Najbolj na umu udarjena skupina predstavljeni bodo tudi še dveči ustanovni člani, ki so: Anton Bobek, Frank Cerne, Josip Kalar, Frank Radelj, Jos. Žeke in Jos. Pajk — slednji je član društva 158 v Euclidu.

Po končanem programu bodo servirana okusna jedila in pičača. Za pičač, brez katerega ne spet

brane in poleg tega so bili pa vsi 'stari mački' — sigurni v naših prilagodbenih kretanjih in mimiki, nekateri kar z lastno tehniko. Oceno ne bom pisal, ker sem sam sodeloval v igri, toda kdor bi se je lotil, bi imel težko nalogu."

Iz tega Česnovega odlomka vidimo, da nas je čaka imeniten večer. Ta priredba se bo vrnila v soboto namesto v nedeljo po popoldne, ker se morajo v nedeljo Detroitem vrnilti domov, da bodo šli v pondeljek lahko na delo. V tej igri bodo sodelovali večnamenski isti igralci, kateri smo pred nekaj leti videli v češki dvorani Sokol Havliček, namreč ob priliki zadnjega zborja JSZ v Chicagu. Takrat so se fino postavili, ob teji priliki se bodo morali rešiti. Poleg tega bomo sprejeli v društvo štiri člane s pristopnimi listi od društva št. 76. K nam bodo prestolone, ker je pri omenjenem društvu premalo članov, da bi še mogli imeti seje. Dobrodoši v našo sredo! Torej ne pozabite priti na sejo na omenjeni dan!

Frank Jugg, začasnji tajnik.

Mineral, Kans. — Opazjam vse člane društva št. 19 SNPJ, da se udeležite redne društvene seje, ki se bo vrnila dne 19. februarja ob 10. dopoldne. Na dnevnem redu imamo več važnih stvari, katere moramo rešiti. Poleg tega bomo sprejeli v društvo štiri člane s pristopnimi listi od društva št. 76. Sheldon, Wis. — Nič rad ne pišem, rajši berem. Ker se pa nihče od tukaj noče oglašiti v Prosveti, se bom pa jaz, da bo javnost vedela, da tukajšnji Slovenci še živimo. Res je, da se še precej dobro držimo pri živiljenju.

Zadnje leto smo še precej dobro napredovali na društvenem polju klub slabim časom. Ko bi dobili malo več za naše pridelki, ali pa ako bi lani toliko ne trpečali radi deževja, bi bilo jahko še dosti bolje. V Mladinski oddelku našega društva smo dobili 45 novih članov, v odraslih pa 13, skupaj 58 novih članov. Ob novem letu 1938 je naše društvo štele 44 članov v obeh oddelkih, sedaj pa 101, eden pa je vzel prestopni list.

Dostikrat sem premisljeval, kako bi se dalo dobiti več članov. Tudi na sejah je bilo že veliko govorjenja o pridobivanju novih članov, toda nikdo se ni hotel v resnicu pobrigiti in pričeti z agitacijo. Ko sem parkrat videl v Prosveti, da so se nekatera društva v resnicu dobro pobrigala za nove člane, sem si mislil: bom pa še poskusil dobiti vsaj pet novih članov. Ampak, ko sem imel to število, sem še dolbil appetit in sem delal kar naprej. Ker sem v jeseni imel več časa, sem šel od hiše do hiše, kjer sem vedel, da imajo otroke. Ko sem jih imel za eno karo, sem jih v soboto, ko ni bilo šole, peljal k zdravniku v 17 milijih oddaljeno mestece Ladysmith. Obljubljenih imam še precej več.

Naša jednota je ob svojih 35 letih še vedno mlada in krepka — še vedno raste — še vedno je sposobna, da se razširi in zajame tisoče in tisoče mladih rojakov, ki so danes še zunaj nje.

Naša jednota se lahko ponaša, da je — čeprav deset let mlajša od najstarejših slovenskih podporne organizacije v Ameriki — dosegla rekord med vsemi organizacijami naše narodnosti v tej deželi; dosegla je najvišji rekord v članstvu, premoženju, izplačanji podporah in drugih pomožnih akcijah in dosegla je najvišji rekord s svojim kulturnim delom. Na ta rekord je lahko ponosen vsak zaveden član SNPJ.

Ta veličastni rekord SNPJ je treba spet poudarjati na letosnjih društvenih in federalnih proslavah jednotne petintridesetletnice. Povedeti je treba vsemu našemu svetu, kaj smo storili v 35 letih in kaj lahko še zmoremo — kaj še moramo storiti in doseči, če hočemo, da bo SNPJ vedno mlada in energična.

Prva proslava petintridesetletnice SNPJ bo 16. aprila v Chicagu. Priredi jo čikaška federacija SNPJ in obeta se dostojen program. Pričakovati je, da se naše članstvo iz Chicaga in okolice v polnem številu te proslave in s tem poveliča rojstni dan svoje velike jednote. Druge proslave, ki bodo sledile drugod po tej deželi — dolga vrsta jih bo — morajo takisto poveličati čast SNPJ.

Poleg poudarjanja veličastnega rekorda SNPJ moramo v vsakem jubilejnem letu tudi poskrbeti, da znova vzplameni spomin na ustanovitelje naše jednote. Saj vsak zaveden član lahko ve, da brez trudopolnega dela, ki so ga vložili očetje naše jednote — Konda, Medica, Stonič in morda dva tucata drugih — bi ne bilo naše organizacije, vsaj še tako zgodaj ne.

Na veliko delo teh mož ne smemo nikdar pozabiti! Živa slika, predstavljajoča dvanaestorico pionirjev na prvem zborovanju, bi bila zelo primerna na vseh letosnjih proslavah rojstnega dneva SNPJ. In vsako društvo SNPJ bi moral imeti na steni svojih zborovnih prostorov sliko teh pionirjev.

Dne 5. aprila 1939 izide slavnostna številka Prosvete k petintridesetletnici SNPJ na šestnajstih straneh. V tej številki bo med drugim tudi slika prve konvencije SNPJ v velikosti originalne fotografije, to je čez vso stran list. Lepšega spomenika pionirjem naše jednote še nismo imeli kot bo ta slika!

Dalje bo v slavnostni številki Prosvete objavljena igra v enem deljanju, ki se nanaša na ustanovitev SNPJ in bo prverna za letoleta in bodoče proslave jednotnega jubileja. V tej igri nastopajo štiri osebe in uprizoritev ne traže več ko pol ure. Društva in federacije, ki žele imeti to igro pred objavo, lahko dobre oditse žej.

Letošnja obletnica SNPJ pa ne bo razglašana samo s proslavami, marveč tudi s člansko kampanjo za oba članska oddelka. Natanki podatki letošnje jubilejne kampanje so — ali bodo — objavljeni na drugem mestu, mi pa lahko rečemo, da pogoj za temovalec so ugodni in tudi prilike letos ne bodo slabe.

Oficijelno ni določene nobene kvote, toda kovo si lahko določijo člani sami, ki pojdejo spet v kampanjo. Lanskot leta, ko je bila mladinska kampanja ob 25-letnici mladinskega oddelka SNPJ, je bila neoficijelna kvota 2500 otrok — in ta kvota je bila dosežena in sijajno nadkriljena ob enajst ure kampanje.

Ali ni prav tako primerno, da letošnja jubilejna kampanja prinese naši jednoti ob 35-letnici jednote — 3500 novih članov v oba oddelka? In najmanjšega razloga ni, da jih toliko ne bobil, če spet zavrhamo rokave in gremo na delo.

Pred nami so torej zaposlitveni meseci, to

viška in bi takoj dobili boljšo ceno za naše mleko. Ne vem, zakaj še Fordu in drugim avtom magnatom ne priporočajo, kadar imajo preveč avtov in jih ne morejo prodati za ceno, katero zahtevajo, naj jih pojedо sami ali pa na drugačen način uničijo in spravijo s poti. S tem bi se hitro iznebili "surplusa".

Se o jednotinah slikah v Minn.

Kitzville, Minn. — Tudi jaz sem skrbel po svojih najboljših močeh, da je bil program ob prički predvajanja slik SNPJ dobro izvajan. Zahvalim se br. Klunu iz Chisholma za vse informacije in odredbe, prav tako tudi Louisu Turku, ki je iz Chisholma pripeljal gl. predsednika Vincenta Cainkarja in Franka Kluna.

Naš program se je vrnil v šolskem auditoriju dne 27. januarja. Pričel se je točno ob 7. uri, toda dvorana je bila zasedena že pol ure pred določenim časom. Udeležba je bila tako velika, da tretjina ljudi ni mogla videti vseh slik, ker je bil prostor premajhen. Nam je žal, da nismo mogli vsem ustreči. Zatorej ne boste užaljeni, bo pa drugič preostala prostora, ko bo dvorana prenovljena.

Program je vodil br. Charles Kerzie, tajnik društva 161, ki je omenil, da SNPJ letos praznuje 35-letnico, društvo pa 30-letnico. Igral je orkester Bill Ruparja. Mala Nusic in njen brat sta zapela par pesmi, mala Stephie Pipan, članica mlađinskega oddelka društva 161, pa je br. Cainkar podarila lep šopek rož kot priznanje za njegov 20-letno predsedništvo SNPJ. Br. Cainkar je napravil govor v angleščini in slovenščini in na občinstvo naredil velik vtis. Po njegovem govoru so se zacele predvajati slike. Seveda vsem ni bilo mogoče videti svojega rojstnega kraja, zato pa je br. Cainkar obljudil, da se bo s slikami nadaljeval in da bodo prihodnjo sezono še lepe.

Po tem programu se je razvila ples ob zvokih Ruparjevega orkestra. Vse je bilo tako veselo, da smo moral podaljšati čas za eno uro. Tudi br. Cainkar je precej dolgo zabaval med namimi in je imel vsakdo priliko se znaniti se z njim. Pozno večer so se zopet odpeljali nazaj v Chisholm, drugo jutro pa naprej v Duluth.

Tudi jaz se lepo zahvaljujem gl. odboru, ki nam je poslal br. Cainkarja, kakor tudi njemu samemu za njegov govor. Hvala tudi društvenim komitejem, ki so tako pridno prodajali vstopnice v korist društvene blagajne. Hvala tudi društvu 123 SNPJ iz Letonije, od kjer so se udeležili naše prirede v tako velikem številu. Prav tako tudi Ruparjevi godbi in Mali Nusic ter njenemu bartu za lepo petje, predvsem pa občinstvu za tako velik poset.

Charles Kerzie, tajnik.

Uspore veselica

Jenners, Pa. — Zadnja veselica našega društva Hrib št. 503 SNPJ je bila prav dobro obiskana. Skoraj bi bili morali s Poljsko dvorano napraviti po ribnisko, kar smo sicer poskušali, da delajo kar hočejo, ker oni imajo moč, ker so organizirani, farmerji pa ne. Ako bi bili farmerji tako dobro združeni kakor so dearni mogoci, potem bi tudi mi lahko dobili pravilno ceno za naše pridelke in za naše delo.

V Prosveti sem tudi čital par dopisov, v katerih je dopisnik tožil čez našo mladino, če da se ne zanima za društva in SNPJ. Pred par leti bi mu tudi jaz pritrdiril, sedaj pa ne. Tudi pri nas se mladina ni zanimala ne za sejne, še manj pa, da bi kateri plačeval svoj asesment, čeprav je imel denar. Tako mi je moj starejši sin enkrat povедal, ko sem mu rekel, da bi lahko plačal vsaj svoj društveni a s e a m e n t ker vidim, da ima nobenega "surplusa" ali pre-

vede.

Charles Kerzie, tajnik.

Se o slikah v Minnesoti

Buhl, Minn. — Ob času predvajanja jednotinah slik v naši naselbi se je vreme še dosti postavilo, da ni bilo preveč mraza in torej br. Cainkarju ni bilo treba nabaviti si sibirskie kučme. Udeležba je bila tudi pri nas precej povoljna, upoštevajoč, da je naša naselbina bolj majhna. Br. Cainkar je napravil dober vtis na občinstvo s svojim govorom, v katerem je orisal koristi, ki jih ima članstvo pri SNPJ. Pozival je, naj se zavarujejo pri jednoti, ker bodo zavarovani pri varni in dobrni organizaciji. Deležen je bil velike aplavz.

Kar se tiče slik, so tudi zanimive in so občinstvu ugajale. Sestra Mary Markovich, blagajnica društva 314, je povabila br. Cainkarja in člane našega društva na majno zabavo po končnem programu.

VITAMINI

Pozimi in spomladi se razne bolezni v zimnem pasu pojavljajo pogosteje kot v drugih letnih dobah. To pa vsledi pomanjkanju soličnih žarkov in vsled zavživanja večjih količin mesa in močnejše hrane ter vsled bivanja v zaprtih prostorih. Da se more naše telo uspešno boriti proti zimskim boleznim, so mu potrebne vitaminiske snovi, ki ohranjajo zdravje. Vitamin "A" se nahaja v naravnih hrani, ki je potreba pri graditvi telesnih tkiv. Pomanjkanje vitaminov povzroča vrsto bolezni in znižuje našo odporno silo. Največ vitaminov vsebuje hrana, ki se lahko doleti in jeseni.

Pomanjkanje vitamina "A" povzroča zgube, slab tek, nizko odpornost, slabo rast, suho kožo in podvrženje boleznim dihalnih orgnov, zlasti jetiki. Vitamin "A" se nahaja v precejšnjih količinah v oranžnem soku, ananah (pineapple), breskvah, marelicah, artičokih, rumeni koruzi, pšeničnih otrobih, pšeničnih klicah, melonah in kokosovih orehih. Dalje v ameriškem siru, kravjem mleku, evaporizirani mleku, ribjem olju, rumenjakih, sladoledu, sočivju, zelenjavji, školjkah, suhih češnjah, špinaci, paradižnikih, banah, zelju, solati, smetani in korenju.

Pomanjkanje vitaminov "B" in "B-1" povzroča šibkost, želodne in žlezne nerede, razdražljivost in krče. In dobrinah količinah se ta dva vitaminata nahajata v jabolkah, ananah, grahu, rozinah, stročjem fižolu, karfioli, zeleni, sladkem krompirju, paradižnikih, rumenjakih, kravjem mleku, rižu, pšeničnih otrobih, ledvicah in raznih orehih, največ pa v špargljih, korenju, zelju, vodni kreši, oranžnem in limoninem soku, špinaci, paradižnikih, sladoledu, govejji in jančji masti, smetani, ribjem olju in pa v solinčnih in ultravioletičnih žarkov. Vitamin "B" se nahaja v zelenih listih in v celem žitu, dalje in koruznem olju, solati in olju iz pšeničnih klic.

Pomanjkanje vitaminov "B", "D" in "E" povzroča mehke skelepe, zastavijo rast, slabo odporno silo, krvavjenje čeljusti, želodne nerednosti, glavobol, neplodljivost, gnitje zob, mehke kosti in nervoznost. Ti trije vitaminai se nahajajo v precejšnjih meri v grahu, jabolkah, ananah, grahu, rozinah, stročjem fižolu, malinah, rubarbri, repi, čebuli, melonah, školjkah, rdečih jagodah, korenju, sladkem krompirju, belem krompirju, jetrih, pisi, zelju, vodni kreši, oranžnem in limoninem soku, špinaci, paradižnikih, zeleni, sladoledu, govejji in jančji masti, smetani, ribjem olju in pa v solinčnih in ultravioletičnih žarkov. Vitamin "E" se nahaja v zelenih listih in v celem žitu, dalje in koruznem olju, solati in olju iz pšeničnih klic.

Pomanjkanje vitamina "G" povzroča želodne nerednosti, šibkost, izgubo teže, slabljenje centralnega živčnega sistema itd. Ta vitamin se nahaja v precejšnjih količinah v špargljih, govedini, pisi, zelju, paradižnikih, korenju, karfioli, vodni kreši, sladoledu, solati, hruškah, grahu, špinaci, repi in teletini. V razmeroma večjih množinah pa v jajcih, ledvicah, jetrih, mleku in v solinčnih in ultravioletičnih žarkov. Supreme Board Proceedings

This Year's Membership Campaign; Supreme Board Strongly Supports Merger with Other Fraternals; Nationwide Radio Program in Observance of SNPJ's 35th Year; Society Again Contributes \$100 to Spanish Cause; Supreme Board Sends Telegram to President Roosevelt Urging Him to Use His Influence in Aiding Loyalist Prisoners in Spain

The Supreme Board of the SNPJ met at its annual session Feb. 9, 10 and 11 at Society Headquarters in Chicago. In attendance were all board members.

The most important decision concerned the membership campaign for both departments in celebration of the 35th anniversary of the Society. The campaign opens April 1 and will close at the end of the year. The prizes offered and other details about the campaign will be officially announced soon. It is planned also to hold membership mass meetings throughout the country at which board members will be the speakers.

In connection with the 35th anniversary of the SNPJ a nationwide radio program will be sponsored over a national network for all the members; this radio program, cultural in content, will be broadcast from Chicago in the middle of April, when the Chicago SNPJ Federation will sponsor the first celebration of the Society's jubilee. Arrangements for the radio program are in the hands of the Executive Committee of the SNPJ.

Another important decision of the meeting was the unanimous endorsement of the idea of merging all Slovene progressive fraternals in America. The Supreme Board is ready to sincerely enter into negotiations at any time with any kindred fraternal organization which shows its willingness for a merger.

In regard to SNPJ athletics, a broader reform was enacted. The athletic movement is to be divided into three districts (Eastern, Midwestern and Western) and five members were added to the Athletic Board from among the Supreme Board members for greater cooperation. Fred Malgai, John Klansek, Donald J. Lotrich, Fred A. Vider, and John Olip were elected to serve in this capacity.

The period of transferring from the mortuary class to insurance E and D has been extended indefinitely, but it was decided that a member who transfers into class E or D, can-

not transfer back into classes A, B or C.

The Society contributed \$100 for Spanish victims who are in need of food, clothing and medical assistance. Further, it was unanimously decided to send a telegram to President Roosevelt (also to the Secretary of State and the two Illinois Senators) appealing to the American Government which has shown great humanitarian interest in the mass expulsions of refugees from Germany and Austria, to exercise its influence also in the case of Spanish refugees and prisoners of the republican army who are and will be exposed to barbaric persecutions and executions. It was also decided that the Supreme President appeals anew to the SNPJ lodges contribute according to their ability for the Spanish victims of fascism, especially for those who sought refuge across the border and whose suffering and want will now be greater than it was during the war.

It is evident from the reports submitted by the members of the Supreme Executive Committee that during 1938 a total number of 3000 new members were admitted into the SNPJ; in the same period 346 adult and juvenile members died, and 1472 were cancelled.

Last year a total number of 331 adult members died and the Society paid \$247,500 in death benefits. Causes of deaths were 72 from heart failure; cancer, 60; tuberculosis, 34, and pneumonia, 34.

In the same period the SNPJ paid out \$38,522.50 for 566 cases of operations and \$8,325.00 for 34 cases of physical disability. The greatest number of operations (150) were appendectomies and (104) for rupture.

The total amount of paid sick benefit in all three classes in 1938 was \$359,081.89.

Other reports and decisions will be published in the official minutes.

Keystoners Join District Federation

Planning Another Dance Late in April

SHARON-FARRELL, PA.—Our SNPJ English Speaking Lodge, "The Keystoners," No. 755, held their regular monthly meeting at the Slovene Home on February 5.

Perhaps it was that "touch" of spring in the air, or some other very welcome sign that prompted our members to come out of hibernation after the recent snows, and attend the meeting. Whatever the cause, let us keep up this spirit, Keystoners, and attend every meeting so that we can do justice to the problems that come up before us.

After several months of investigating and talking things over, the Keystoners have taken another step toward the strengthening of our lodges and increasing our realm of activities. At this meeting we have definitely decided to join the Penn-Ohi Federation of the SNPJ.

The ever-present problem of paying dues on time has also been given some consideration. We have come to the conclusion that each member who does not pay his dues, or cannot pay his dues, should get in touch with the Secretary, immediately, upon receipt of a card from him. Together they

will work out a plan that will enable the member to have his dues paid. We feel that if all the members will cooperate with such a plan, much unnecessary bookkeeping and burdensome work will be eliminated.

The Senior Lodge, SNPJ 262, is sponsoring a much talked about "movie" on March 6, at the Slovene Home in Sharon. This movie should be of special interest to all members of our lodge, since it not only portrays many picturesque scenes and life in Yugoslavia, but also for its educational value. A moderate admission price will be charged.

I wish at this time to extend the thanks of the Keystoners to all the fellow lodges and organizations for their cooperation in helping to make our last affair a grand success, and we hope to return these favors in the best manner possible. Although we haven't decided definitely as yet, we are planning to hold our next dance on April 29.

A last reminder—our next meeting is on March 5 and the movies in the evening of March 5.

Vermilion Lodge Give Benefit Dance

OGLESBY, ILL.—Saturday, February 18, marks the day of the dance given for Mrs. Bernice Snyder, a member of this lodge, who has been ill in a sanitarium for more than a year. Final arrangements for this dance are to be made at a special meeting held on Thursday, February 16. All members are asked to be present. Tickets are to be turned in and various other matters are to be discussed. Music will be furnished by Mack's orchestra of Deupe and refreshments will be sold.

Here's hoping the weatherman keeps away his drenching rains, his cold blasts and his snows, and leaves an evening fine for dancing—February 18. MARY SKOPORC, Secretary.

N.Y. All-Americans' to Have Gala Affair

BROOKLYN, N. Y.—Recently, an affair was held for the benefit of the proposed action to unite all Slovene groups of Greater New York into a cooperative organization. It was my mission to attend this affair and invite those present to the gala affair sponsored by our Lodge 580 on Feb. 26, but I developed a head cold instead and stayed at home. I hope that someone else attended and fulfilled my mission. In spite of that, I'll try to do my duty by inviting them through this dopsie:

Lodge All Americans, SNPJ 580, is sponsoring an affair Sunday, Feb. 26, at which the SNPJ films will be the main feature. Explanations to different scenes will be in English and Slovene. The program starts at 4 p. m. Admission is 40c. Place, Slovene Auditorium, 253 Irving ave., Brooklyn.

The members of our lodge are busy rehearsing the two one-act plays to be given that afternoon, one in Slovene and one in English. This will be another outstanding feature on the program. The speakers will be Mr. Frank Kerze and yours truly. Following the program there will be dancing. All Americans wish to see you there one and all.

ANNA KLASNA, Lodge 580.

Integrity Broadcast

CHICAGO, ILL.—All Integrity members did not turn in their 11th anniversary dance tickets. Please do so at once as we need them for our final report. I hope you will cooperate in this matter.

Do not overlook your dues when they are due because the Secretary will not help anybody with dues. You are risking your own benefits by not paying your dues on time.

1939 will be Integrity's victory year. We are not asleep—we are working 100% for the SNPJ. More coworkers we can use in our work, so come and give us a hand.

MICHAEL FLEISCHHACKER.

Verona News, Views

VERONA, PA.—The carload of Veronians who traveled to the Keystoners' dance at Sharon report a grand time. H. Rupert certainly keeps his promises. So to the Keystoners and their generous hospitality, a heap of "thanks."

Where are you going on Sat., Feb. 18? To the National Home, of course. Why? To help celebrate the weddin' of our Sec'y, Joe Stefancic, and Ann Yugovich. And, remember, all the Veronians are cordially invited. The groom has been too busy to do personal invitin', so I'm doing the old boy a favor. Remember, you've been "asked!"

Preceeding this gala event will be the regular meeting of the Veronians, Fri. nite, Feb. 17, at 7:30. Your presence requested!

The Veronettes' Dance, which was postponed, will be held on Sat., April 22. CATHERINE ZOLET, 680.

MOHAWK LODGE

LA SALLE, ILL.—On Friday, Feb. 17, the SNPJ Day Committee will convene at a special session to make final arrangements for the SNPJ Day celebration in Sept. The forming of a Juvenile circle and district federation will be considered. This Sat., Feb. 18, the Oglesby Lodge Vermillion is sponsoring a benefit dance for one of their members who is convalescing at a hospital. It's our duty to help make this affair a success. All those planning to go to the Midwest Meet Feb. 25-26 to Milwaukee by bus, kindly have your round trip fare (\$3.25) in the hands of the committee Feb. 18.

Comments on This and That

By IVAN MOLEK, Editor

Mutual Good—A Corroboration—Our Political Policy Still Holds Good

A slight criticism leveled against the "spendthrifts" in the SNPJ athletic units in general will undoubtedly do some good to all concerned. Nothing is better than a healthy criticism appearing from time to time when things become too strained.

First, there are critical voices from the senior lodges and federations telling us that ES lodge athletes are bent on spending the athletic fund without regard to the Society's benefit in increased membership, and at the same time urging the Supreme Executive Committee to tighten the purse for these "spendthrifts," while, secondly, the Main Office has let it known that, in many cases, the senior lodges are eagerly elbowing to the "fleshpot"—before it is empty!—to get a share for promoting their own ballina games and such. Truly, the old folks are becoming sports-conscious! All this because there is a goodly sum of money available.

Now, things are sprouting evenly and they tend to cancel each other—for our mutual good. It will be—and it must be—more and more realized that SNPJ athletics are not an end in itself, but only one of the means to make the Society still bigger and better! *

A short time ago, in discussion about fraternal merger problems, we pointed out the case of a small society just being merged with a major society without any difficulty AFTER the secretary of a smaller organization had been assured a permanent job in the office of the other organization.

The secretary in question (Mr. Jos. Chesarek, of the Slovene-Croatian Union, Calumet, Mich., the other society being the Croatian Fraternal Union, of Pittsburgh, Pa.) now writes in his organ agreeing that we are entirely right. In other words, he indirectly points to himself as proof of our contention. Whether any merger action of this character is beneficial to the members involved, whether it is democratic or even ethical, is beside the point. The leaders must be satisfied first—and there you are!

To those SNPJ fraternals in hilly Pennsy who are criticizing us for the standpoint thus expressed—whether they saw the obvious satire in it or not—we recommend the admission by Mr. Chesarek for study.

An earnest warning to Bro. Louis Jartz of Cleveland, is necessary. His jibes in the Prosvesna pertaining to a sad plight of Socialist wing politics in this country are premature—at least as far as our policy is concerned.

All, or at least part, of the jam those groups find themselves in (in a bad fix, as Bro. Jartz sees them) is of their own making; it came about as this Editor predicted some two years ago. As for the American Labor party in New York, the situation is not as dark as he would make us believe. True, there were some unholly compromises, but this was a far cry from the disgraceful opportunism the Stalinists indulged in all over the country and are still indulging in without sense of shame.

We still firmly believe in the advent of a genuine Labor party, and the policy of this paper, as laid down at the last SNPJ convention, still holds good.

SNPJ Lodges Ljubljana-Golden Eagles Hold Combined 'Dance-Movie' March 4

GIRARD, OHIO.—March 4 is a Red Letter Day for this vicinity for two very obvious reasons—both of which occur during the same evening. The young and old lodges, jointly, have selected that date for their Dance-Movie feature and although it may not be a tremendous success financially because of a low cost plan, it is sincerely hoped that the affair may more firmly join the bonds of fraternalism between the two.

Let us explain the low cost plan. The committee, composed of members from both organizations, felt that they had something interesting and informative to offer to the general public and rather than keep the people away by an excessive price, they decided that a low price would enable many more to see the pictures of their homeland. The pictures are in such demand between the two.

With Frank Yankovich's orchestra and the "movies" lodges Ljubljana-Golden Eagles feel that they are giving a first quality product at firesale prices. The older folks should be notified immediately of our program. We would hate to see them disappointed simply because someone failed to approach them at any stated time.

This is not just an ordinary dance, although one does follow immediately after the pictures. Many of the older folks will be interested in the scenes which they left years ago. Many of these have not had the opportunity to pay a return visit "back home" they will get a great deal of satisfaction from the comparison of the "old" and the "new." Perhaps they got a scattered description from some relative or friend who had the good fortune to see again the land of his birth. Perhaps he was fortunate enough to listen to Bro. Frank Zaita's colorful description of modern Europe. But that was for the ears and much left for the imagination. These pictures are for the eyes—something that can be stored away in your memory to be called upon whenever needed. Then, too, it is quite possible that the pictures will include flashes of our conventions, SNPJ Days and such.

Both the dance and the "movie" will require but one-fourth of your dollar—just twenty-five (25c) cents. It is not unusual to charge thirty-five cents for an admission ticket, but this time you get two for the price of one and we can assure you that this has not been done at the risk of reducing

quality. The lodges have something educational to offer and they want you to take advantage of it.

Tickets have been generously distributed—now we must look for customers and at 25c we should have lots of them. The Ukrainian hall, W. Rayen ave., in Youngstown, is large and it will require much effort on the part of the salesmen to see that all seats are occupied. Get situated by 7 o'clock.

Revelettes

AMBRIDGE, PA.—Revelettes held their meeting on Feb. 9, and most of the girls attended. Where were Teeny, Marge P., Mitzi, Agnes, Zora, Jewel and Mary S. on meeting nite?

You missed the fun. Discussion brought up a Swimming Private Party on Feb. 17, at 6:30 p. m. sharp for the girls. So let's get a crowd and have lot of fun. (Gertie will be teacher, at least she is the one who taught most of the girls at Spec's.)

New members were proposed. Everybody had a good time at the Revelettes' Dance and the committee thanks all the girls who helped them. After the meeting a Valentine Gathering was held. Every girl received valentines. Boy! and were they good! Nobody won the "Mystery Box"—it was wrapped with a pretty white ribbon on the table. Next meeting will be held on March 9. Girls are anxious to initiate the new members. Remember how you were initiated?

Pennsy Pioneers Form Circle, Present

Play and Continue Membership Campaign

STRABANE, PA.—Well, it happened just as we said it would.

What happened? Oh, we mean that the first JUVENILE CIRCLE in Strabane has been formed. At the regular monthly meeting of the Pioneers it was unanimously decided that our lodge would help organize a Juvenile Circle. Frances Podboy, Mildred Batista, August Podboy and Sam Rotella have been elected as advisers for the Circle. By the time this article is published the Circle will have had its first meeting.

We are certainly glad to be able to form this Juvenile organization for Strabane. For a number of years, the juveniles have been sadly neglected and we hope that by organizing this Juvenile Circle we can interest the young members of our organization in SNPJ affairs.

The hit of the week at the Club is Wayne King's renditions of "Josephine" and "Annabelle." We wonder why Mr. Kerr does not sing Josephine Gromovsek to sing a solo on Feb. 28. We have heard many favorable comments on her voice.

PIONEER PIPS. We've been wondering why almost all of our new members have been of the male species. At this writing the men in the adult department outnumber the ladies two to one. How about building up the female membership? Congratulations to Mr. and Mrs. Frank Roman upon the birth of a daughter.

'Keystone Trojans' Announce 2 Dances

BROUGHTON, PA.—February is the shortest month of the year, but we will help to make it longer by holding two consecutive dances this time. The first dance on the list is a Masquerade Dance held on Feb. 18 at the local Slovene hall, sponsored by the Slovene Club, which I am sure everyone will enjoy. The music will be furnished by the Five Bergant Sisters who will entertain you throughout the evening. All are invited to come and enjoy the dancing. But the Slovene Club is giving still another form of enjoyment, and that is cash awards amounting to ten dollars which will make the winners very happy.

The one dance will not complete the merriment of the month but there will also be a dance the following Saturday, Feb. 25, at the local Slovene hall and will be under the auspices of the Keystone Trojans. It will also be a Masquerade Dance and we hope many will be there to make the evening a joyous one, and we hope a great many will come masked. Dancing will begin at 8 o'clock and the music will be furnished by none other than the well known Paul Dolinar and his orchestra with his fine music, Slovene and American. That is not all; we, too, will give away ten dollars in cash awards. The admission is 25¢ unmasked and masked 35¢.

So mark your calendar and be sure to be at the Slovene hall, Broughton, Feb. 18 and Feb. 25. We'll be looking for you. WILLIAM FARONE, Lodge 709.

COMMODORES' LODGE LOG

CLEVELAND, OHIO.—Once again we ease into port long enough to drop anchor and let you know what's doing aboard the Good Ship Commodore.

Our main thought in landing is to add to our crew, seeing that we were almost caught shorthanded in the '38 venture on SNPJ Seas. It will not be very difficult to listen to our urgings this year, because dear members, we really have inducements! In sports you can offer them our bowling team of which we are plenty proud. Captained by the keen-eyed Victor Zietz who is aided and abetted by such keepers as Rudy Konchan, George Picha, V. Schuster, and Eddie Zietz, our team is fast gaining recognition in Cleveland bowling circles.

Leading the Cleveland SNPJ Bowling League, and intending to stay there, they didn't think anything of coppering 6th place in a recent open tournament of 120 teams. Why, except for a few misses they would have taken first. "Tough going," is all they say, "so we'll just have to take first in the SNPJ National Tournament in place of that!" Not to mention what they intend to do in the American Bowling Congress that is starting in town very soon. But we can't expect our "Champs," as we are calling them already, to win all the meets. A little moral support does not guarantee victories, but it certainly helps a great deal . . . so Brothers and Sisters, let's all meet at the St. Clair-Eddy alleys at 12320 St. Clair avenue at 3 p. m. Sunday afternoons to show our team we're behind them. An added request is to ask you to show your cooperation in SNPJ doings, by coming to the big Bowling League Dance which will be held at the Slovene Auditorium on 64th and St. Clair avenue, Feb. 25, 1939.

Then again, you have this to offer your prospective members . . . A fine Baseball Team, in which this writer predicts "an up and comin' ball player can step into fast company (meaning, the Equestrian League) with the Commodores. A fine opportunity to make contacts that would probably help him advance and gain at least recognition or a reputation in this baseball world of ours."

This year at the helm, we have as President, Cam Zarnick, who in being a Supreme Board Member, is ably fitted for his new Captainship. Joe Stefanik as Vice President who will always be ready to take over command. As Secretary, Joseph Konchan who has taken unto himself a wife, namely, Eileen McLean, and the secretaryship which combined will be some job—if you ask me! Theresa Schwartz, our amiable Recording Secretary, is still keeping minutes. And Marie Zietz, who graciously accepted the job of keeping the boys (Treasures) to you folks.

NOTICE: Members, remember—our monthly meeting will be at Sachsenheim's February 17. To make it more convenient for you and the Secretary why not pay your assessments at the meeting. Refreshments will be served by our new committee, Theresa and Joe Stefanik, who has in mind a bill of fare that will please one's palate. So be there and don't spare the clynders!

NEWS THAT IS GOOD NEWS: Mary Picha is up and around again after a throat ailment that had poor hubby worried.

Wolverine 'Operative' Accompanies

Snow-Train and Relates the Story

DETROIT.—Not being able to accompany the Wolverines on their Snow-train Excursion of Feb. 5, but keeping with our accustomed manner of acquainting the SNPJ members (those who may read our column) with the doings of the Wolverines, we dispatched our trusted Operative No. 61 to gather a few facts regarding the trip.

The affair was a grand success, and—but maybe we had better quote a few excerpts from No. 61's report, such as: "Yes, the Wolverines again displayed their personality. They showed not only the Wolverines and their guests a good time, but practically each and everyone on all of the fourteen cars.

It didn't take long for Rudy Kluevcevsk and his accordion to acquaint the people with the fact that, "We are the SNPJ Wolverines," the Wolverines accompanying by singing. As Rudy, playing the Slovene polkas and waltzes, toured the entire train with a crowd always at his heels, he must have felt like the veritable Pied Piper of Hamlin.

A spirit of cooperation was displayed by the Michigan Central R. R. in placing the "Bar Car" right next to the Wolverine car. Possibly, they remembered the last Grayling trip made by the Wolves.

At Grayling, the train was met by a band and the Grayling "Winter Queen with her Maids in Waiting." It didn't take long for Henry Bozich to line up these pretty girls and announce that a Fox-Movietone cameraman was on hand. And as such, Lefty Kovac lost no time in taking their pictures. On seeing these pictures, we imagine that there will be many more Wolverine fellows taking this trip next year.

After four hours of skiing, tobogganing, ice skating, etc., we finally boarded the train for home, tired, but happy.

And so another day was put away in memories, ones that are pleasant and one wants to remember—and for the present hope that each and every gathering will be just as good or better!

Dog-gone it, after reading this report, we are inclined to regret not having gone on this Snow-train Excursion. But, unfortunately, we are one of those timid souls who thinks a fifteen minute sojourn out-of-doors cleaning snow from the sidewalk is tempting nature to do her worst!

Stuff 'n' Stuff: It is with extreme pleasure that we announce that the Wolverines will hold another of their famous parties sometime in March-time and place to be announced later.

On Feb. 17, at the Slovene Workers' Home, 437 S. Livernois, there will be a meeting to reorganize the West Side Singing Club. At the last Wolverine meeting, many of our members expressed a desire to join this club, and we hope they will be present on the 17th at 7:30 p. m. . . Condolences to Mr. and Mrs. Martin Klaridge on the death of their newborn baby. We hope to see Kay up and around soon . . . Vincent Bosich, cousin of Henry, is creating quite a name for himself this winter as an ice skater. It seems that he has "cleaned up" in practically every skating meet he has entered this winter. On Feb. 11 and 12, he raced at Saranac, New York; we hope you came out on top, Vince . . . We would advise the Jolly Allis members to take a good look at the Jolly-Allis-Wolverine Softball trophy. According to all reports emanating from that fair city, they won't be able to muster up enough men in defense of the trophy next year—what with four or five of their players being intensely interested in arch-

ery—that is to say, the little fellow with the bow and arrow seems to be getting in some mighty good licks out there. Bart, alone, seems to stay sane and healthy, as he always seems to be above par. Or is that his golf score?

Seniors to Cooperate with Luzerne ES Lodge

LUZERNE, PA.—The English Speaking Lodge, SNPJ 720, was organized several years ago and the members at the beginning were quite active. But because of the economic recession their continued success was impaired and their progress retarded. Some were in favor of dissolving and transferring to the Senior Lodge 204. Late, however, the members are showing new life and interest in their lodge.

The Senior members of Lodge 204, in the past, have overlooked the importance of the English Speaking Lodge. But this question was recently taken up and a very serious discussion resulted. It was decided to render all and any support to bring the Lodge 720 into an active functioning.

It was stated that it will be the ES group who will go out among the younger generation and bring new members of all nationalities into the SNPJ fold.

The Senior members elected a committee of three members who will be responsible to put their wishes into practical use. The members of Lodge 720 welcomed this committee enthusiastically and accepted their offer to help the ESL with unanimous approval. It was then decided to hold the regular monthly meeting of February 19 at 10 a. m. in the Firemen's hall in Luzerne. On this date definite plans for a membership drive and participation—in the 35th anniversary of the SNPJ will be made.

In Miners Mills, Pa., Lodge 432 held its regular meeting on Feb. 6 in the home of Bro. Vincent Starazar. The meeting was well attended especially by the younger members who are taking an active part in the lodge activities, such as holding offices and serving on committees. The Lodge is planning a card party to be held in the near future. Brothers Frank Balash and Frank Vrataric, who attended the meeting as Federation representatives, were given a hearty welcome. The Lodge unanimously decided to affiliate with the Federation. The Lodge accepted three new juvenile members.

Women's Club Dance Is Success; 2 Future Dates

MIDWAY, PA.—The Women's Club (Gospodinjski Odsek) of Midway wish to express their sincere appreciation to all who attended our initial dance Feb. 4 and all others who took great interest in the affair. We will do everything possible to reciprocate. We also appreciate the willingness of our members both in assisting and disposing of the tickets.

Our organization has set two future dates for dances to be held in our SNPJ hall. The first is June 17 and the second Oct. 28. Kindly remember these dates when planning dances in your community.

Spirit-O-Grams

By Whoosit

ST. LOUIS, MO.—Our regular monthly meeting was held Friday, Feb. 16. The attendance was fair in spite of the severe cold weather which we enjoyed that night, or did we enjoy it? I didn't mind it; did you? Shame on you kids that stayed at home because the air outside was just a little icy.

The new officers are taking up their duties just like old veterans. We are glad to see them take their duties so seriously. I don't mean by this that they are a bunch of sour pussies. I just mean that they are right there on the job and want to make good.

Oh, my goodness, here I go, just rattling away and keeping you in suspense about the all important topic of the day, and that is the Big Doings in Livingston, Ill. Ahoy there, Livingston, take note! We will be there to help make the Big Event still bigger.

Spirits please notice: If you have no way of going out to Livingston Sunday, February 19, call on Mrs. Theresa Speck of Planinski Raj. There will be a special bus going to Livingston and there is still room for several more. So hurry and make your reservation now!

Brother Petrovic of Planinski Raj attended our meeting. He gave us a talk which we all enjoyed. We were glad to have him visit us and we sincerely hope that he enjoyed our meeting. We are always glad to have

Juvenile Circles

CIRCLE JUNIOR ALL STARS

MILWAUKEE, WIS.—Our Feb. 4th meeting was held at Ripple's hall at which our new officers were in charge and conducted the meeting in a very efficient manner. We had our usual discussions about circle activities, and after the meeting we had refreshments and dancing.

Thirteen boys from our basketball team received their jackets on Feb. 9, Boy! they are the best looking jackets I've ever seen. The sleeves are orange and the rest is green. On the back are the letters "S.N.P.J." and in the front is a basketball with the name "Junior All Stars" sown in. Each boy has the name of some SNPJ lodge on his jacket.

We are planning ahead for our baseball team in the summer. All the boys that wish to play should notify Leonard Alpern. We want as many boys as possible out for baseball so that we can have a good team.

Incidentally, we wish to extend our greetings to all the other circles. We hope that we may be able to arrange some baseball games with juvenile circle teams from La Salle, Waukegan, Detroit, Chicago, and Cleveland. We would be very glad to have games with any of these cities if it is possible to arrange it.

We wish to thank the Senior lodges, who helped to buy our jackets.

We also want to thank the Senior committee who represented the Federation; Leo Schweiger, our manager, Leonard Alpern, our instructor, and also Jenny Shular, our circle instructor who has helped us in many ways, both financially and morally. Without their support, we couldn't have reached the point which we have.

Brother V. Grill will, most likely, be a candidate for political office this coming year. Tony Kianer was instrumental in arranging a lecture by Dr. Pajus on the political situation in Yugoslavia. To me the lecture was pretty good, but there are other schools of thought. Dr. Pajus is a local instructor in international political science. He favors a democratic front against the dictators. A NEW CIRCLE IN LA SALLE?

LA SALLE, ILL.—The SNPJ Day committee composed of local and nearby lodge representatives will hold a meeting Friday, Feb. 17, to make arrangements for the SNPJ Day on Labor day. Also, held over for this meeting will be a formation of a Juvenile Circle. These matters are of vital importance and we wish that all lodge representatives are present. It is possible that the formation of an Illinois Valley SNPJ Federation will also be undertaken.

FIRST JUVENILE CIRCLE IN STRABANE

STRABANE, PA.—It did happen here! The first Juvenile Circle in Strabane has been formed. Advisers for the Circle are Frances Podboy; Mildred Batista, August Podboy, and Sam Rotella. The first Circle meeting has been scheduled to take place last weekend. We sincerely hope and trust that by organizing this Juvenile Circle we can interest our young members in the SNPJ affairs. We have said before and we say now—that there is no better way to interest the young people in lodge affairs than a Juvenile Circle. So—let's go!

Young American

News

DETROIT, MICH.—At our last Entertainment committee meeting we had a very active session, and it seems that the Young Americans are on the "up and up" class again. The attendance was almost 100%. The committee arranged two affairs and are planning a huge celebration for sometime in April. The first affair will be held Friday, Feb. 17, which will be in the order of a Valentine Bingo Party. The prizes will be valentine boxes of candy and assortment of prizes useful for your home. The admission will be free, so there isn't any excuse of you not being there; if you don't care to play bingo, you can just "hang" around and dance after bingo is over.

March 4, a Get-Together Party is planned. The admission will be \$1 for men and 25 cents for women. This includes your eats and drinks. A popular orchestra is being contracted, so get your tickets from any Y. A. bazaar. Both of these affairs are being held at the SND hall, 17153 John R. st.

In recent weekly Prosvetas I've read articles mentioning that some of our members in the Society take athletics as a primary interest and not our lodges and the Society. That may be true in some instances, but I can say for the Young American athletes, that they would drop any of their athletic endeavors, in case it would interfere with any lodge doing or any duty that they have to perform for our lodge or the Society. It was also mentioned that athletics have

at all. The vocal talents of the S. S. (Silver Star) boys and girls were portrayed in the singing of "Moje dekije je sla-a-sa-do" and other Slovene melodies.

A remark was heard by this scribe that the Silver Stars of today are not the boosters of yesterday. Come forward, folks, and show them that you are just as capable of putting the S. S. lodge on top!—Frankie, forget the pretty blondes for a little while and do a little lodge boosting when you're out attending those lodge affairs.

Forest City ES Lodge Appoints New Secretary

FOREST CITY, PA.—At the regular monthly meeting of Lodge 666, Feb. 5, we have appointed a new Secretary, Bro. Frank Tomazin, who will take over the duties of secretary's office. I have resigned the position due to the fact that it interferes with my work. The new Lodge Secretary has more time, is located in a better place and can do the job more efficiently.

His address is: Frank J. Tomazin, 242 Hudson st., Forest City, Pa., Box 872.

Here and There

With Comrades

CLEVELAND, O.—This is the first barrage of publicity that is supposed to be forthcoming about the Comrades' dance to be held next month on Saturday eve, March 11. The doors will be open at eight o'clock, and dancing will continue until the usual hour of closing. We have engaged the very popular Frankie Yankovich's orchestra for this dance. It happens that this is the Thirteenth Anniversary of the Comrades, and thirteen members of the entertainment committee were present, so it was decided to call our dance "The Lucky Thirteenth Anniversary Dance." By a secret scheme of ours, we decided to make the jinx number thirteen lucky to those who come to our dance by rewarding them with something that is also supposed to be a secret.

Frank Modie, the political boss of his precinct, can cook, and clean house, and take care of babies—he's just simply swell. The John Rebels are a picture of domestic felicity. MIDWEST ATHLETIC LEAGUE

CHICAGO.—All SNPJ members in the Midwest area are cordially invited to participate in the coming Bowling Tournament that will be held in Milwaukee Feb. 25-26 under the direction of the active Badgers.

You are assured of good hospitality while you are in Milwaukee. The only thing we must give them is the needed cooperation which is the most essential thing in making all affairs successful.

This tournament is one of the major doings of the Midwest Athletic League, and the future of the Midwest League depends on the activities such as the present one. So reserve those dates.

All bowlers are asked to conduct themselves in the proper way so that the tournament will be over in good order and according to the Badger's schedule. For further information get in touch with Bro. Leo Schweiger at 1025 S. 8th st., Milwaukee, Wis., Secretary of the Badgers.

The following members were elected officers for 1939 to conduct the affairs of the Midwest Athletic League:

Adolph Yersin, Pres., Jolly Allis Lodge; Emil Hrast, Vice-Pres., Pioneer Lodge; Michael Fleischhacker, Sec'y, Integrity Lodge; Louis Baffet, Treas., Integrity Lodge.

We hope to have some cooperation as the past officers had. Good work of all the lodges will boost the League bigger and better.

MICHAEL FLEISCHHACKER, Sec'y, SNPJ Midwest Athletic League, 1642 N. Fairfield ave., Chicago, Ill.

MIDWEST BOWLING NEWS

MILWAUKEE, WIS.—The stage is all set! The entries of the participating lodges have been received by the committee in charge. The bowlers are all training in earnest for the ANNUAL MIDWEST S. N. P. J. BOWLING TOURNAMENT to be held in Milwaukee on the 25th and 26th of this month. In other words, that's next week Sat. and Sunday, so get out your traveling bags, and set your plans for an early start toward Milwaukee so as to be here in plenty of time for the festivities.

In all probability, the tournament will be the success that we expected it to be, although the team entries did not reach the number that we had contemplated. But regardless of the number of teams entered, whether it be 30 or 50, I know that those bowlers who are taking part in the competition, are not going into the affair with an idea that they will walk away with big cash prizes, but the spirit and for the purpose that this tournament is based on.

As you all know the Supreme Board favors us each year with some financial aid towards the success of the tournament, so naturally they expect us in some way to retaliate. In our belief the tournament acts as a good advertising medium for the organization. So as long as we see this or any other affair in that light, I'm certain that it will be favorable to the Supreme Board members and they will stand back of us in the future.

At this point I want to remind all secretaries of the lodges to be sure that all bowlers will have an Insignia of the SNPJ on their shirt or uniform. If your lodge doesn't have the markers as yet, you can secure them from headquarters in Chicago. But order them immediately so as to have them in time for the tournament. By having each and every bowler wearing one of these markers, is one way of saying 'thanks' to the Supreme Board for their cooperation. So let's not come to the tournament to gain personal glory, but to create more spirit and fraternalism in the SNPJ.

Up to this time there are still some lodges that have not sent in their entry fee with the blank returns. We should like to request that this be taken care of as soon as possible, as this is necessary to take care of the final arrangements and draw up the prize list, etc. We are happy to notice that the La Salle Mohawks are to be represented in full number. We also invite all others.

"New York All-Americans" Present Annual Program

BROOKLYN, N. Y.—On Sunday, Feb. 26, at 4 p. m. SNPJ Lodge 586 "All Americans" will present their annual entertainment at the Slovene Auditorium, 255 Irving avenue, Brooklyn. Two one-act comedies will be enacted. The cast in "Hannah Gives Notice" consists of Anna Kochevar as Aunt Julia, Jean Schneider as Isabella, Cecilia Arshen as Sallie, and Barbara Arshen as Hannah. The cast in the Slovene comedy, "Trije Brooklyndani v Ljubljani," includes Joseph Zagari, Felix Kranarwich Sr., Emil Domini, Frank Haste, John Bergine, Walter Kochevar and Jean Schneider. Anna P. Kraus and Frank Kerze will be the speakers. The SNPJ films of Yugoslavia will be shown. Admission adults, 40c; children, 20c. Cordial invitation is extended to all.

er lodges to do likewise, because we are sure you will not regret your visit here. Also there will be ample lodging for all that attend.

Badger News

Tomorrow night (Friday) is Badger meeting time again. What say we get a nice big attendance, and see what is in store for us? As you know it's our Annual Valentine Meeting, so get out your pennies, boys, and loosen up with a nice big valentine for that red-headed blond. There will be a big box in the corner so let's see if we can fill it up.

The executive board is in charge of the entertainment and refreshments this month, and that's another reason for attending the meeting. Up to this time we don't know what will be served for lunch, but we have a little idea. I saw Leo and the boys out with nets on Feb. 2, evidently looking for the groundhogs that were to appear that day. Oh, well, hamburgers go good any time.

This coming Saturday, Feb. 18, Lodge 16 is having a Domaca Zabava. I'm sure the Badgers will be well represented as usual.

In conjunction with the annual SNPJ Midwest Bowling Tournament we are sponsoring a dance at the So. Side Turn hall (upper) on Sat., Feb. 25. We have acquired the music of Max and his Merry-Makers for the occasion. He and his band certainly ned no introduction in and around Milwaukee.

And on Sunday, Feb. 26, we will wind up our affair with a farewell celebration at Sostarich's hall. Plate lunch will be served to the bowlers and visitors after the tournament. Bro. Frank Juvan was operated last week at St. Mary's hospital. He will be back home within a few days, and will welcome any visitor.

Our social committee has been rapidly making plans for our first big dance of this season, which is to be held on February 25 at the Sagan Slovenia hall. Music by Stan Vinton. There will be plenty of refreshments. Come on all you neighboring lodges, accept this invitation and be guests of the Jolly Jrs. on February 25.

The bowlers are having a grand time, meeting and bowling each Wednesday night at 7:30. There are 4 teams, 6 persons per team, altho there are

some low and high bowlers, they are evenly divided, which makes it quite interesting. This arrangement gives each team a fair chance for first place.

I wonder why Ramers never "bawls" his team out; Jackie doesn't take bowling lessons from Antonia; Knock has no more flats; Ann tips the pin boys; George and Marg quit bowling; Sophie and Mary made a bet; why you can't all manage to attend our skating party on Feb. 17 and the dance on Feb. 25? I. WONDER.

Loyalite News, Views

CLEVELAND, O.—We came, we saw—but who conquered? I could never say. Even I swung once and if I damaged a Ty Power I certainly am sorry. You Barbertonites have something in that Finny Baker. And that bachelor from Pennsy. Shucks, I never could win anything. It was swell being there amongst all you SNPJers from Girard and Strabane and we hope to see you all in such gay spirits at a Cleveland affair soon.

To the Buckeyes and "Oh," congratulations on a grand success and thanks for the grand hospitality. Only it's too bad that both the boys' and girls' teams, were beaten by our team. I hope some day you come around and skin their hides.

Meeting. Last Wednesday evening we held our February meeting in the Slovenia hall—kitchen. Mind you, they put us in the kitchen and we went out the back door. We should have had a farwaring and we would have brought along some wittles. Next month, send us an announcement. A new member in the ranks of the Loyalties is Rudy Agnich, as was Henry Minsek last month. On the sick list are Charles Drasler, Justine Girod, and our Prexy, Frank Zadell. On to a speedy recovery. Be on your toes for the date of our Spring Dance. Frank Valencheck was not around to win the award so if you are feeling lucky March 8, drop around for the meeting.

Dances. On February 25, the SNPJ Bowling League rings up the curtain on their first affair at the Slovenia National hall on St. Clair. Music will be furnished by Ed Simms and his boys and admission is only 35c. Come forth, Loyalties, do your share.

Another dance or dances to be mentioned are the weekly dances given every Friday evening by the Young Slovenes of the Slovenia hall on Holmes ave. Frankie Yankovic's orchestra furnishes the music and admission is only 15c.

Bowling. The SNPJ Bowling League is still at its best and it looks more promising in the way of promoting the Tournament in May. You had better start marking your calendar for May 6 and 7, out-of-towners. I'm out, too (off turn), publicizing this fact with such capable scribes as E. Zeitz and J. Aynik making up the P. C. of the League.

Picking them up in Barberton. Did you see that lady floating around with a BeBe? Gayle asks, "Where is my bruiser?" I found No. 47 behind the bar and he didn't dance. Wasn't I unfortunate? Shorty had No. 13 and he looked it. Eagle ducks around the back door so he doesn't have to bartend. One Barberton asset: You can make Andy and t'Stanley dance. Seitz campaigning for councilman, Aynik selling tickets. L. boys are going to send fan mail to B. Girls.

The 'Miracle' Men

ALIQUIPPA, PA.—I dare say that Adolf Hitler probably draws larger audiences than does President Roosevelt or the world series. But so far as business and finances are concerned the speech was a dud. Financiers and industrialists have become increasingly alarmed over the possible contents of Hitler's speech.

Some of them saw another crisis like that of Munich approaching. Their fears were translated into hesitant business and declining security.

When they saw no warlike gestures there was an immediate feeling of relief. The stock market after sagging for three weeks, turned around abruptly and staged its best advance of the year to date. In his speech, Hitler looked upon the result of his six years in power and called it a miracle. It is a miracle. It is a miracle that Hitler could do what he has done with the German nation, having started only with a prejudice against Jews. It is a miracle that he could have gathered up a gang of young roughnecks and, by beating people with clubs, have made the whole nation stand aside for him while he climbed into the driver's seat.

The Young Americans were very successful in the last Juvenile campaign (thanks to our late Sec'y and Bro. Wm. Travnik)² and I can say that they will also be successful in our next campaign planned by our Society in celebration of the 35th year of the SNPJ.

Jolly Allis

Lodge No. 686

WEST ALLIS, WIS.—The Feb. meeting is gone, but the entertainment committee consisting of Sisters Frances Knafelc and Albina Smith made sure we wouldn't forget it very soon. Those valentine dolls sure surprised everyone and they all wanted an extra one to take home to Junior or the Missus. It was a long, tedious job to make the dolls and the girls deserve everyone's thanks. Welcome to the new transfer member, Elsie Saye, and the new member, Ruth Albrecht. May your stay with us be a long and pleasant one.

The big news of the evening was the announcement of a sleigh ride party to be held Fri. nite, Feb. 17, at the Brown Deer Park. So those of you who haven't already signed to go should register immediately. Besides the two hour sleigh ride we have planned to take over the club house afterward and our squeeze box artists have promised to bring the music makers out with them so a hilarious evening is in store. Be sure to get in on the fun; see the Sec'y now.

The date for our next dance is May 13. Everyone should help to make this affair a success.

With the primary elections coming up don't forget we have a young West Allis Slovene running for Police Judge. Fred Glojek is the only Slovene lawyer practicing in West Allis and is deserving of all the support you can give him.

Don't forget your date with the Badgers the 25th and 26th of this month. The Badgers are host to the Midwest Bowling tournament. The major events will be held at the Marion Recreation Bowling alleys on Sat. afternoon. Sat. night, there will be a dance at the Turn hall, and Sun., the five men teams hold the spotlight. Let's all plan to attend.

It is very important that all members pay their dues on time. Too many members seem to have a lapse in memory as to the correct time to pay.

Above all, do not feel content with the thought that you are a very good friend of the Sec'y and that surely he won't suspend you. You must remember that if you do not pay your dues on time the Sec'y must either suspend you or pay your dues out of his own resources which aren't plentiful enough to take care of all those who failed to pay their dues on time last month.

So long! THE OLD MAN OF THE MOUNTAIN.

F. C. Dance Is Huge Social Success

JOHNSTOWN, PA.—What a night, what a night! Lodge Friendly City has had to date the largest SNPJ dance ever to be held in the Conemaugh hall. The throng assembled together with the lodge members, had the Friendly City spirit, which made the dance a huge social success. Many thanks to the ever so many different lodges for their whole-hearted cooperation, especially the out-of-town fellows from Universal (Comets 715) and the Harmarville Ramblers 713 for their extra BIG POOSH in making this a special night of merry-making. All of you fellows will go down in F. C.'s history as a darn good bunch of sports. We expect to see you all soon.

As for Joe Korac and his music, along with the Radio announcer, Lou Klosin, the grand turnout certainly speaks for itself. The Korac Sisters were greatly applauded—the music lovers certainly gave credit where credit was due.
