Žalostne zgodbe o veselih Kraševcih

(Nadaljevanje)

Barska dekleta (prosim, da se razumemo—barske pupe; na Barki ni deklet, so samo pupe) so že po naravi čudovito zala bitja, najbrž zato, ker dihaajo čisti zrak in pijejo "tako vodo." V vsakdanjem življenju se nič več in nič manj ne zaljšajo kot katerikoli druge pupe na našem Krasu. Toda na shod, ljubi moji, to je povsem drugačna reč. Tisti dan pa mora zares vsaka biti kakor rosna kapljica, kakor da bi v enem samem dnevu zravela, cvetlica vseh cvetic. Veste, kaj se to pravi—cvetlica vseh cvetic in kraljica vseh kraljic?

Kako bi mogli to vedeti—treba je, da pridete na Barko, ko bo barski shod, pa boste sami videli. In če vam ne boste od tistega dne dalje divjali kakor prazna lokomotiva, sploh nimate srca v prsih, marveč le kepo skisanega ledu. Za barski shod si preskrbi pupa novo obleko in, če more, ne eno, ampak več. Tekom tega dneva se vsaka enkrat, dvakrat, trikrat ali celo štirikrat preobleče, da prezrači svoje mladostno telesce in da vsem pokaže, da ni kar tako.

Na barski shod merijo barske kuharice štruklje s komolci. Ali naj postavijo pred gosta štrukelj, ki je le dvajset ali trideset centimetrov dolg? Nak, to ne gre, hiša bi bila za vse večne čase v sramoti. Štrukelj mora biti vsaj komolec dolg in mora biti tudi pristen štrukelj, ne pa le kak zavit mlinec. Mora biti napovnjem z vsemi dobrotami, ki so na razpolago.

Poleg štrukljev vam bodo Barčani na svojem shod opstregli tudi s kuhano gnjatjo, ali, kakor se to slovensko reče, s kuhanim pršutom. Brkinski pršut, to vam je zares jed za bogove! Kaj bodo pavovi jeziki in ruski kavijar, barski pršut pokusite pa boste vedeli, kaj se pravi "koša vol dir!" Po pršutu vam bodo postavili na mizo, ne kranjske, pač pa barske klobase. Služile vam bodo namesto zobotrebcev. Barske klobase so ponosne na svoj sloves in se "kranjskih" ne prestrašijo niti na veliki petek, ko najbolj mirujejo. DaD je barski shod hudo nesrečen dan za mlade petelinčke, je resnica, znana že vsemu vesoljstvu.

Ne morem vam naprej naštevati. Ali mislite, da z lahkoto pišem te stavke? Kako naj pišem, ko pa imam polna usta slin! In da bom z ozirom na svoj in vaš duševni mir to stvar najprej zaključil, izjavljam slovesno, da se bo z barskega opasila v polnem zadovoljstvu vračal vsak gost, pa naj je prej trpel za najhujšim maratonskim tekom. K zadovoljstvu mu bo mnogo pripomogla tudi vremščina—navidezno pohlevno, a sila zavratno vince, ki je v teh krajih doma.

In z barskim shodom, s tem viškom barske slave, se bomo poslovili od Barke in njenih znamenitosti. Marsikaj dobrega smo še pustili v njenih živih škrabah; še je nekaj prelestnih dobrot in še nekaj dni se bodo z njimi sladkali domači in domačim najbližnji. Potem bo življenje znova zavozilo na stari suhoparni tir vsakdanjosti. Barska dekleta bodo še tedne dolgo šepetala, "kako lepo je bilo," in bodo s tihim hrepenenjem gledala v koledar, da vidijo, koliko dni manjka še do prihodnje "zadnje nedelje v avgustu."

Pređen se ločimo, (upam, da smo še prijatelji,) dovolite mi, da vas opozorim še na nekaj, kar je nepopisno važnosti. Ne zame,

tekel v pičlih petih minutah. Če se bo kdo na Barki zakasnil in ga bo to dejstvo močno "grimalo," naj kar mirne duše spregovori besedo "karavada." Naj le ima sedemnajst sort revmatizma v sebi, dirjal bo proti domu, kakor bi ga veter nesel. Spoznal bo potem, da je tudi on doka prispeval k smotru moderne tehnike, ki se trudi, da bi skrajšala svetovne razdalje.

To so—v kolikor se Barke tiče—moje poslednje resne besede. Prosim čitatelje, naj ne tožijo preveč za časom, ki sem jim ga bil z Barko ukradel. Barčanov samih se ne bojim prehudo. Neka let se jih bom izogibal, kasneje me pa ne bodo več poznali, ker si bom pustil rasti brke.

Jutri se pa vidimo v Vremenski dolini.

VREMSKA DOLINA

Ko sem včeraj prišel z Barke malce "prehladen" (dober tropinovec imajo Barčani!), sem dobil doma drobno pisemce rožnate barve in po vijolicah je dišalo. Zraven je bil majhen podgovat zavojček z mojim naslovom in rdečim napisom "Ne metati! Nevarno!"

Najprej sem odprl ovojnico pisma. Pogledam vsebino—lepa, odločna moška pisava; zgoraj na vrhu vtisnjena zlata krona, spodaj na dnu dvorni pečat. Podpis: švicarski prestolonaslednik princ Cicihaj! Sakrabort nazaj!

Besedilo je bilo v esperantu. Ne bom ga prevajal. Dovolj je, da povem na kratko, o čem govori. Najprej trdi princ, da švicarsčine

gotovo ne znam, esperanto pa razumejo vsi ljudje na svetu razen gluhomih. Švicarska tajna služba mu je sproti poročala vse, kar sem pripovedoval o Barki. Spoznal da je, pravi, da sem edini na svetu, ki zna še govoriti resnico. Pričakuje pa, tako trdi, da bom gotovo povedal kaj tudi o Vremski dolini, ki jo baje dobro pozna, saj je nekoč v mladih letih prodajal v njej švicarske fige. Kot skromno priznanje za moje barske zasluge, mi v posebnem zavojčku pošilja dragocen umotvor dunajskih umetnikov—lepo tobačno pipo iz morske pene. To pipo mu je bil podaril njegov birmanski boter pokojni Franc Jožef Prvi namesto orgljic in ure. Ker on, princ, tobaka ne kadi, marveč čika, mi prav rad odstopi pipo v blag spomin.

Skrbno sem odprl zavojček in res je bila notri mlečno bela fajfa iz morske pene, lepo "štikana," z medenastimi obročki in z ustnikom iz najfinejše kravje rogovine.

Kaj sem hotel, nabasal sem pipo z makedonskim tobakom, zapalil, puhnil pet oblakov dima v zrak in se lotil Vrem.

Vreme! Vremeska fara! Vremeska dolina! To vam je prekrasen kraj. Sto in sto ljudi je že reklo, da je to pravi kraški paradiz. Tudi jaz sem tega mnenja. Pri nas rastejo paradizniki! V poletnem času je po naših rebreh polno kač, ki se plazijo po trebuhu in ne hodi po vseh štirih, kot so hodile pred izvirnim grehom. Na Škofljah imamo še zdaj Adama, ki hodi podnevi v Adamovi obleki, ponoči pa ne, ker se sleče, ko gre spat. V mlinu pri Fužinarjevih komandira mala Evica, ki se ji bodo kmalu oči odprle. Če greste v poletju na sprehod po naši Reki, boste morda naleteli na kako prelestno bitje, ki bo čofotalo po vodi v Evinem kostumu. Pametno je, da takrat obrnete svoje kostanjeve oči v drugo stran, (kar je sicer težko, pa vendar izvedljivo), in pospešite korak. Dalje imamo v Vremski dolini mnogo jabolok, ki so vsem

proti Adamom in Evam strogo prepovedana. S tatinskim Adamom, pa naj bo oblečen, ali do vratu bos, ima kaj kmalu opravka naša ljudska milica.

Vreme! Kje so te Vreme in kaj so te Vreme? To je nekaj štirinajških kilometrov velika kotlina, ki kakor velikanski voz predstavlja spodnji konec Reške doline.

Ček na \$57,584,150

Conrad Hilton, največji hotelski magnat sveta, je kupil deset hotelov Statler. Eden od teh hotelov je tudi v Clevelandu. Izstavil je ček glaseč se na \$57,584,150. Pravi, da gre za ček, ki se je glasil na eno najvišjih vsot ameriškega "businessa."

Conrad Hilton, ki je zrastle iz skromnih razmer, je sedaj lastnik 27 hotelov v Ameriki in v tujini, razpolaša s 27,000 sobami, ima pri tem posla s 13 bankami, ima pa daljne investicije, da se zida nova vrsta hotelov, ne samo v Ameriki, marveč v državah Južne Amerike ter Srednje vzhoda.

Conrad Hilton je star 66 let. Njegov oče je v San Antonio, N. M. imel skromno hišo, kamor je sprejmal najemnike na hrano in stanovanje. Is teh skromnih razmer je zrastle sin Conrad, ki je danes največji hotelski bogataš, ne samo v Ameriki, marveč tudi na svetu.

ZIVELI BOMO STO LET

V Clevelandu zborujejo zdravniki, zobozdravniki, lekarnarji in tovarnarji, ki dobavljajo le-

karnam zdravila. Na tem zborovanju se je trdilo, da je pričakovati v bližnji bodočnosti, da bo zdravniška veda premagala tudi dvoje najbolj zavratnih boleznih — raka in srčne bolezni. Amerikanci so tako na tem, da bodo podaljšali povprečno življenjsko starost, ki je v Ameriki okrog 70 let, na 100 let.

Med 162,000,000 Amerikanci, je že danes 12,000,000 takih, ki so stari nad 65 let. V kratkem času se bo to število povišalo na 20,000,000!

Do visoke starosti mnogo pripomore tako imenovana preventivna medicina.

Iranski petrolej

TEHERAN, 28. oktobra — Potem, ko je iranski parlament odobril pogodbo o izrabi iranskega petroleja, se je istočasno določilo, da bo začel iranski petrolej pritatki na svetovni trg to soboto, 30. oktobra. Iranski petrolej je bil iz svetovnega trga izključen za dobo treh let.

Angloiranska petrolejska družba je bila nacionalizirana, Angličani pa iz Irana izgnani. Delo je v resnici počivalo, ko pa je prejšnji predsednik vlade Mossadegh skušal spraviti petrolej na zunanji trg, so mu angleške oblasti zagrozile, da bodo vsako tako petrolejsko ladjo zaplenile.

Koncert Mladinskega pevskega zbora

CLEVELAND, Ohio — Ali se še spominjate, koliko je bilo pred 20 leti zanimanja za mladinske pevske zборе? Žal, da je izmed teh samo eden ostal pri življenju. To je Mladinski zbor pri Slovenskem delavskem domu na Waterloo Rd. Dosti dela in potrpljenja je bilo v teh letih, pa vendar nas veseli, da smo obdržali ta zbor pri življenju. Večkrat je bilo slišati, "oh, saj ne bo dolgo, ko bo tudi ta zadnji zbor šel."

Zahvala gre vsem starim odbornikom in vam, ki ste znali tako dobro vozariti in se ogibati stvari, ki bi bile v škodo zboru. Po številu je bilo več naših rojakov in rojakinj, ki so se trudili, a jaz se jih ne morem vseh spominjati, zato jih ne bom imenoval, razen par, kateri so pri zboru od začetka. To so John in Mary Terlep, Anton in Kati Artel ter pokojni Joseph Zele, ki je bil pravi oče temu zboru. Mr. Terlep je bil predsednik, Mrs. Artel pa blagajničarka.

Upam, da bo sedanji odbor hodil po isti poti in znal premagati vse zapreke, ki bi bile na poti, da bi se zbor obdržalo še nadaljnjih 20 let. To seveda ni mogoče brez vaše pomoči, ker pri zboru so stroški in če ni dvorana polna, ko je kakšna pri-

dite, ni denarja in ne veselja do učenja.

Ta naš Mladinski pevski zbor obhaja svojo 20-letnico obstoja v nedeljo, 7. novembra v Slovenskem delavskem domu, Waterloo Rd. Naučili so se mali peveci več lepih slovenskih pesmi, čeprav z velikim trudom, ker povečini so otroci staršev, ki so tu rojeni in sami težko govorijo slovenščino. Pevovodja je zelo potrpežljiv in priazen z malčki, ki ga ljubijo in poslušajo ter z veseljem hodijo k vajam.

V imenu zbora apeliram na vso cenjeno javnost, da napolni dvorano ob 20-letnici Mladinskega pevskega zbora v Slovenskem

delavskem domu na Waterloo Rd. Dajte malčkom veselje, da se bodo še naprej učili slovenskih pesmi. Po koncertu bo večerja v spodnji dvorani kot po navadi in tudi dobra godba — Tomšič-Pavli, ki bo igrala slovenske polke in valčke.

Na svidenje! Jerry Pike.

STORY OF "MIGNON"

Mignon, daughter of nobleman Lothario, was captured by a tribe of gypsies, for years the father, impersonating a wandering minstrel, searched for his child throughout Europe. His long, frantic search and sorrow caused him to lose his memory.

First Act

Lothario enters a German tavern where a happy group of natives and actors are gathered. A tribe of gypsies soon enters. Giarno, leader of the gypsy band commands Mignon to perform the entertaining egg dance. Her refusal angers the gypsy leader and he attempts to strike her. Lothario hastens to protect her. Wilhelm Meister, a young university student on tour, rushes to her rescue with a drawn pistol. When questioned about her origin, Mignon reveals little of her past. In the aria "Knowest thou that fair land?" she recalls being captured by gypsies and taken

from her homeland—a land of warm sunshine and blue skies where a palace awaits her. Wilhelm concludes that it is Italy.

Wilhelm arranges terms with the gypsy leader and buys Mignon her freedom. The grateful Mignon wishes to accompany Wilhelm on his tours. After much controversy, Wilhelm surrenders to Mignon's decision.

The crowd is impressed with Wilhelm's good deed—especially the beautiful Philina. Wilhelm too had noticed the lovely actress and enthusiastically he accepts her invitation to join the actors as a poet and follow her to Baron de Rosenberg's castle. Mignon momentarily flares up in jealous anger!

Second Act

Scene I

In the castle's luxurious boudoir, Philina is dressing for her evening appearance. Wilhelm and Mignon enter the room. Overwhelmed by Philina's beauty, Wilhelm watches the coquettish Philina while Mignon curls up near the fireplace and fakes sleep. When the lovers

leave, the tormented Mignon dresses into one of Philina's gowns hoping that she too could capture Wilhelm's eyes.

Wilhelm returns only to tell her that it is most uncomfortable for him to have her near him at all times. When Philina returns she mocks Mignon. Furiously the crying Mignon rips the lace from the gown and shamefully runs into the dressing room and returns garbed in her shabby gypsy clothing. Laertes, costumed as "Theseus," announces that their performance for the baron, "A Midsummer Night's Dream," is about to begin. All leave. Mignon in a burst of jealous fury cries out, "That Philina, I hate her!"

Scene 2

In the park near a small lake outside the baron's castle, Mignon is contemplating suicide. Lothario comes upon the scene and changes her mind. Together they discuss their sorrow and loneliness. Mignon expresses revenge. She wishes lightning would set the castle on fire where Philina is enjoying such a tremendous success.

As the guests and actors leave the castle, they urge Philina to once more sing the beautiful aria "I am Titania." Lothario decides to avenge Mignon and departs to set the castle on fire.

Philina asks Mignon to get her Wilhelm's bouquet of flowers. Mignon leaves for the castle and soon huge flames sweep the castle's walls. Wilhelm realizes Mignon is now in the castle and

dashes in to rescue the unconscious girl. Clutched in her hand is the withered bouquet.

Third Act

Wilhelm has brought Mignon and Lothario to the Cipriani castle in Italy to help Mignon in her recovery. Lothario's memory returns as he finds himself in familiar surroundings but his sorrow persists because he has not found his long lost child whom he called Sperata. He shows Mignon trinkets, jewels and a prayer book belonging to his daughter. She slowly recognizes these articles and by memory repeats a prayer found in the prayer book. Lothario recognizes Mignon as his daughter. Mignon rushes into an adjoining room and a moment later reappears crying out that she has seen

Za javni biznes v javnosti

Kako si morejo državljani tega naselja pridobiti nazaj dostojanstvo, učinkovitost in spoštovanje v uradu okrajnega avditorja? To je eden največjih problemov—in ena najvažnejših prilik—za volilce v okraju Cuyahoga v novembru.

Mož, ki je odgovoren za nerednosti, je sedanji okrajni avditor.

Dokler ni on pred štirimi leti prevzel ta urad, se je delo okrajnega avditorja (ki odloča koliko je vaše posestvo vredno, in tako tudi kako veliki bodo vaši davki), vodilo na odprt, bizniški način.

Predno je on zavzel urad, se ni ničesar skrivalo pred ljudstvom. Nič se ni mešalo biznesu javnosti z privatnim biznesom avditorja. Ni bilo brezobzirnega politikovanja.

Dokler ni on zavzel urad, je ta okraj užival sloves širom dežele za izvrstno delo in način, ki ga je okrajni avditor vršil.

Vse to je bilo predno je sedanji kandidat, ki ponovno kandidira, prevzel urad.

Prvi korak, da se počisti te nerednosti, je torej, izvolitev dobrega moža.

The Press priporoča izvolitev Charles P. Masterson.

On je pošten, rojen je bil pred 49 leti na zapadni strani mesta, izhaja iz delovne in spoštovane družine.

On je biznesman. On se posebno spozna na in razume zemljiški biznes.

In znanje zemljiškega posla, in zemljišč, je podlaga za delo okrajnega avditorja. Poleg njegove lastne izkušnje na tem polju, se je vpisal v poseben tečaj na kolegiju za ocenjevanje zemljišč.

To je res prav dobro ozadje. Ampak kaj ima za nuditi sigurnega, da bo uradu okrajnega avditorja vrnil zaupanje, ki ga je imel do pred tem?

Predvsem, on nudi čisto nov postopek.

Odprta vrata ob vsakemu času, naprimer.

To pomeni, da je biznes javnosti zopet v javnosti.

Nobenih posebnih predpravic. Nobenih tajnih ocenitev.

On nudi povratek k najboljšim principom civilne službe.

Nobenega odplačevanja mešetarjem katerekoli stranke, ali obeh strank, kot je sedaj.

Nobenih 2% ali 3% "asesmentov" na delavce v uradu.

On nudi enako ocenitev na vsa zemljišča.

On nudi enako upoštevanje vseh ocenitev, in vseh prošnji, najsi bo od posameznikov ali korporacij.

On nudi pošteno, zmožno administracijo.

Za okrajnega avditorja, ki je vreden spoštovanja kot v preteklosti, volite za Charles P. Masterson.

WHAT JUDGES ARE YOU GOING TO VOTE FOR?

Dear Editor:

In the first place it is the clear duty of every citizen to vote. If you do not vote, then you have no right to complain about the government or judges elected.

Since laymen who are not lawyers have very little contact with judges, they do not have the opportunity to find out for themselves which of the judicial candidates are best qualified by legal ability, knowledge and experience, and are persons of unquestioned personal integrity, to do credit to the judiciary of the State of Ohio and County of Cuyahoga.

As a lawyer, I am vitally and sincerely interested in the election of judges of the highest calibre to the Ohio Supreme Court, the Common Pleas Court and the Probate Court of Cuyahoga County.

Therefore, by way of civic contribution to a better quality and higher character of the judiciary for the state and county, I sincerely recommend and earnestly urge the election of the following candidates to the judicial offices to which they aspire:

Supreme Court of Ohio: Term beginning Jan. 1, 1955 Henry A. Middleton; Unexpired term ending Dec. 1, 1956 John H. Lamneck.

Cuyahoga County Common Pleas Court: Term beginning Jan. 1, 1955 Edward Blythin; Term beginning Jan. 5, 1955 John J. Mahon; Unexpired Term ending Jan. 2, 1957 William K. Thomas.

Cuyahoga County Probate Court: Term beginning Jan. 1, 1955 Frank J. Merrick.

The wedding of Miss Carolyn Babik of Detroit, Mich., and Mr. Frank Tusek, son of Mr. and Mrs. Frank Tusek Sr. of 1162 E. 61 St., took place last Saturday in Detroit. The couple will make their home in Cleveland.

EUROPEAN FESTIVAL

Polka dancing and refreshments will follow from 10:30 until midnight. Tickets will be available at the door.

This event will bring together 200 residents of the neighborhood, representatives of the many and varied nationality groups whose culture enriches and adds zest to the unique character of Cleveland.

LIBRARY MEETING

The regular meeting of the Slovenian Library will be held Sunday at 2 p. m. in the Slov. Nat'l Home, 6419 St. Clair Ave. Anyone interested in the Slovenian Library is invited to attend.

For the judges who have no opposition it is not necessary to make further recommendation.

You never know when you may become involved in litigation. The judge or judges who will decide your case will be the ones elected by those who vote.

In closing, let me repeat: IF YOU DO NOT VOTE, THEN YOU HAVE NO RIGHT TO COMPLAIN OR GRIPE.

Sincerely yours,
Jos. A. Krizman.

After a prolonged illness, Louis Simoncic, well-known orchestra leader in Cleveland and in recent years in California, died Wednesday morning at the home of his daughter Mrs. Diane Gabriel.

At the time of his death, Mr. Simoncic was 50 years old. As a young chap of 16 he came to America in 1920 from Dolenjsko, Slovenia (Yugoslavia). The family lived for a few years in Maple Heights, Ohio, moving to San Gabriel, Calif., about seven years ago.
