KANDIDAT THOMAS IN RASKOBOWA DELAVSKA POLITIKA

Raskobova kompanija kaže javno neprijazno lico organizacemu delavstvu. Vasi tekstilni delavci na jugu sramotna pega za Ameriko.

Atlanta, Ga. — Delavska politika General Motor kompanije v tem mestu je dala Norman Thomasu, predsedniškemu kandidatu socialistične stranke, priliko in dokaze, da je lahko demokratično stranko kritizovati kot zagovornico in predstavnico odprte delavnice.

Raskobova kompanija je izbrala neunijskega podjetnika, kateremu je poverila gradnjo tovarne za izdelovanje avtomobilov Chevroletovega sistema v Atlanti. Ta neunijski stavbenik je določil, da morajo stavbni delavci delati po deset ur na dan.

Thomas je govoril v auditoriju Delavskega tempelja, ki je bil nabit do zadnjega kotička. Očrtal je Hooverja in Smitha kot predstavnika in zastopnika velebiznega. Socialistični predsedniški kandidat je rekel, da Smithov javno lastniški program glede Boulder Dam in Muscle Shoals vseeno prepušča razvoj električne sile privatnemu monopolu, dokler niso volilne žice za transmisijo električne sile javna lgida lastnina.

Zgodaj zjutraj se je Thomas v družbi svojih prijateljev peljal skozi vasi, v katerih stanujejo tekstilni delavci s svojimi družinami. Kasneje je Charles Solomon, divsi newyorskogeslavinski poslanec dejal, da se to vasi sramotna pega za Ameriko, ko je govoril na shodu volilcev.

Stavka španskih stav-

bincev končala z zmago

Aretiranih je bilo več ko štiri sto stavkarjev. Vladni pritisk ni mogel prepričiti delavsko zmago.

Sevilja, Španska.

Stavbni delavi so stavkali skozi pet in dvajset dni in so izvojovali boljšo mezdjo in priznanje organizacije. Večina teh stavbni delavcev je zaposlenih na poslopijih, ki jih grade za ameriško-špansko razstavo, ki se vrši na pripravljanje španske vlade.

Komaj je stavka pričela,

je vlada pritiskala, da se delavci vrnejo na delo, ne da bi kaj dogejelo.

V mesto je bilo nagano vojaštvo, kar da je treba odbiti sovražen napad na mesto. Aretiranih je bilo nad štiristo stavbni delavcev, že v prvih dveh dnevi stavke. In ko se je vršila delavska demonstracija, je policija streljala na delavce. To je bilo prilivanje olja v ogenj in je imelo za posledico, da so vsi delavci v mestu zastavili. Delo je pustilo do štirideset tisoč delavcev. Policija se je upehala in spreviščeli so tudi pri vladu, da z nasiljem ne pripravijo delavcev, da se vrnejo na delo.

Stavka je nastala, ko so pod-

jetniki hoteli snizili postopečno

New York. — Kampanjski odbor socialistične stranke naznana, da bo predsedniški kandidat Norman Thomas govoril za vso Ameriko 18. oktobra zvečer. Stranka je za ta večer izposlovala spojive (hookup) 23 glavnih radiostaj po vseh Združenih državah, tako da bo Thomasov govor lahko slišati od New Yorka do San Francisca. Poročne padajo, razporočne se mnogo

Nove industrijske razmere ubijajo družinsko življenje.

Chicago. — Na podlagi uradne statistike, ki izvira iz trgovskega departmanta, je število porok v državi Illinois v letu 1928 padlo, istočasno pa je porastlo število razporok. Številke kažejo, da je bilo v prešnjem letu 14,25 razporok, kar pomeni, da se je lani poročilo 2307 parov manj kot v prejšnjem letu.

Istočasno so zakonske ločitve razibile 14,984 družin, medtem ko je bilo v prejšnjem letu 14,25 razporok, kar pomeni, da so razporoke porastle v enem letu za 859 ali šest odstotkov.

V Chicagu je bilo lani 38,823 porok in 8810 razporok, v letu 1926 pa 40,816 porok in 8365 razporok. Poročne so torej padle za 1493 in razporoke porastle za 445.

Mussolini podpira Ameriko glede mornaričnega pakta.

Rim, 9. okt. — Mussolini je včeraj informiral Anglijo in Francijo, da se Italija pridružuje Združenim državam v zadnji redukciji bojnih ladij. Italija je proti mornaričnemu paktu Anglije in Francije.

"Grof Zeppelin" odpluje danes.

Berlin, 9. okt. — Novi nemški transatlantski zrakoplov "Grof Zeppelin" odpluje jutri zjutraj proti Ameriki, če bo vreme tako ugodno kot je danes. Plovba v Ameriko bo trajala 50 ur v lepem vremenu ali 80, če bo viharo.

Kanadanci smejo delati v Detroitu.

Detroit, Mich. — Vrhovno zvezno sodišče je 8. t. m. določilo tujerodnim kanadskim državljanom v Windsorju in drugih mestih ob meji, da lahko dnevno hodijo čez mejo na delo v Detroit. Lokalne zvezne oblasti so doslej ovirale kanadskih delavcev z zahtevo naselniškega vizuma.

Viljem morda obiše Afriko.

London. — "Daily Mail" počita, da bo bivši nemški cesar Viljem obiskal južno Afriko, akoma ne bo nasprotovanja od bivših zaveznikov. Njegov odvetnik je pred kratkim izposloval vrnitev njegovih posestev v Afriko, ki so bile po vojni konfiscirane.

Selvija, Španska. — Stavbni delavi so stavkali skozi pet in dvajset dni in so izvojovali boljšo mezdjo in priznanje organizacije. Večina teh stavbni delavcev je zaposlenih na poslopijih, ki jih grade za ameriško-špansko razstavo, ki se vrši na pripravljanje španske vlade.

ŠPIJONI NA DELU MED PLETENINARSKIMI DELAVCI

Zdaj je dokazana stvar, da so delavci vohuni v službi pleteninarskih tovarnarjev.

New York, N. Y. — Bodite tako prijazni, da vrnete navodila zopet nazaj v to pisarno, ko so si užili svojem namenu, se citata vrstica v vseh navodilih, ki jih izhajajo delavci vohuni, ki delajo pod eno ali drugo krimko proti organizaciji pleteninarskih delavcev American Federation of Full Fashioned Hosiery Workers v Readingu, Pa.

Ti vohuni so na placilni listi vohunske agencije, ki šteje svojim klijentom tovarne Berkshire Knitting Mills kompanije, Noe Equal Hosiery korporacije in David Lupton's Sons družbe v Philadelphia in še nekatere druge kompanije. Take instrukcije je odvzela policija nekemu provokatorju, ki ga je aretilala v Readingu in je bila stavka pri Noe Equal kompaniji. Vohuni so imeli odposlati svoja spisana poročila na adreso: Box 793, Philadelphia, Pa.

Od vohuna štev. 81 v tovarni Berkshire Knitting kompanije se je zahtevalo, da izvršuje svoja opazovanja toliko časa in o teh opazovanjih poroča pismeno, da se Berkshire kompanija prepravi, da agencija izvršuje zanj delo, ki ga opravljajo. KONCERT

Pevskega društva
"SLOVAN"

Little Falls v državi
New York

Malo Slovencev v Ameriki ve za to našo naselbino, dasiravno ni najmanjša med naselbinami ter ima zanimivosti, po katerih prekaša marsikatero večjo naselbino na zahodu. V naselbinem sem bil le kratko dobo, zato ne morem podati dolgega opisa; povem pa, da so postrežljivi naši člani storili vse, da sem tudi v tej kratki dobi dobil dokaj jasno sliko Little Fallsa in našega prebivalstva v njem.

Little Falls je zgrajen v skloviti dolini reke Mohawk, katera s kanalom veže Buffalo z New Yorkom; to je, jezero Erie z reko Hudson. Kanal z reko vred je doig okoli 420 milij in Little Falls, ki je skorat nastaneno v sredini med Buffalom in New Yorkom, vidi ves prevoz vlačnih ladij, kajti vse se ustavi ravno ob vzniku mesteca z najvišjo zatvorico na svetu. Ladje z vzhoda pripeljejo pred ogromno steno, katera se počasi odpre, da jih sprejme. Ko se za njimi zopet zagnrejo ogromne zatvornice, se vlivata voda v zatočito cementirano kotanje. Do dvajset minut vzame, da se zatvornice napolnijo do višine, kar nad zatvornočem; nato se odpro gornja vrata in ladje plavajo dalej. Z vrha zatvornice se v vrtoglav globini vidijo kolo-barji zeleni reke; kolika je višina zatvornice, ne vem povedati, lahko pa bi pojasnil naš mladi član SNPJ, ki opravlja svojo službo pri zatvornici.

Uljudni člani in odborniki našega društva št. 282 SNPJ so me z zatvornice odpeljali na skalne višine navpično nad kanalom, na legendarni "Lover's Leap," s katerega sta se zagnala indijanska zaljubljence, da si končata nesrečno jubezen. Vlak zavazi tik pod nas, ali dvoturne tračnice se skrijejo pod navpičnim skalovjem. Pod nami so čiste vode kanala, katerega dno se pa ne vidi. Sredi njega stoji nad vodo skalni zob, a dalje za nasipom pada med skalovjem kaskade neregulirane reke Mohawk. Nad strmlim bregovjem škriljevca in prepereli skal se razprostira Little Falls, licheni mestece med visokim drevjem, izza katerega pokukavajo stolpiči in tupatam prešerni stanovanje premožnejših. Na dnu doline pa so tovarne. Sobrat mi razkazuje, kje dela on, kje dela tajnik ali predsednik in kje dela načelnik Slovencev. Veliko tovaren je zaprtil in opuščen; če bi se delo odprlo, bi dobitilo posla v tem lepem kraju veliko ljudi.

Odpeljimo se z vrha Lover's Leapa, na katerem se je nastanil s svojo družino naš sobrat Peter, kaj je prevezel precejšnjem domovanju od preminulega in samotarskega slovinčarja. Mi-mo Slovenskega doma se peljemo in vstopimo. Dom izgleda kakor gruča poslopj skupaj; po svoji moći so rojaki sodelovali, gradili in dodelovali ter imajo v resnicu lep domači in skupni hram. Na drugi strani kanala, v neposredni bližini zatvornice, pa je dom našega društva št. 282 SNPJ. Tudi lepo urejeni prostori, nekak klub s precejšnjim dvorano, na koga je članstvo jednotno lahko ponosno.

Vozimo se skozi trgovski del Little Fallsa. Skorat vsega ima malo industrijsko mesto, ali vendar, kadar se hočojo bolj postaviti, gredo ljudje odtod v bližino Utico, mestu stotisoč prebivalcev. Na gornji strani so rezidence. Tod prebivajo v prvi vrsti premožnejši sloji, a tudi naših Slovencev je precej naseljenih vmes, daši so po ogromni večini le delavelci in je premožnih kaj malo med njimi. Mične domove imajo, moram priznati, vrtovi so starokrajski in tudi notranjščina v precejšnjem meri: pomagali so si pa s pridnim delom, da po snagi in lepem redu lahko tekmujejo z drugim prebivalstvom. Dasi so Slovenci teža kraja že precej časa iz domo-

vine, so ohranili dokaj domačega. Mogoče ni preveč, če rečem, da so vsaj nekateri ohranili, kar je dobrega iz domovine in skušajo spojiti s tem, kar najdejo dobrega tu. Stanovanja in vrtovi, naši naselniški in celo njihov gorovica, vse izdaja to. Ljudje so poameričanajo, sprejemajo ameriške običaje, toda poameričani se ne bodo, vsaj ti ne, ki so prišli iz domovine in tudi njihovi sinovi in hčere še ne bodo popolni Amerikanici.

Nekaj značilnega med našim prebivalstvom v Little Fallsu je prijateljstvo, katero vrlada med njimi. O sporih, ki skodujejo skupnemu delovanju v mnogih naselbinah, v tem mestu skoraj ne more biti govora. Ljudje se vzamejo skupaj; niso preprenati, ne za eno ne za drugo stran, prav gotovo pa so pripravljeni sodelovati pri slovenskih rečeh. Cerkve nimajo, političnega kluba tudi ne, imajo pa dokaj močna podporni društva, katera jim služijo še za kaj drugega kot samo za podporo. Vsaj o društvu št. 282 se lahko tako reče. Organizirani so po večini vsi, le redko se najde kak posameznik, ki ni v društvu in še tak se načadno drži izven organizacije, ker je prisiljen.

Stevilo našega prebivalstva v Little Fallsu ni veliko. Rojaki so mi povedali, da je vseh okoli šest sto. Vendar so s složnim delom vzdol razmeram, ki niso baš izvrstne, ustvarili precej trdnja društva in imajo vsaj dva domova. Marsikatero večja naselbina se s tem ne more ponatisati. Pričakovati je tudi, da se bo naša mladina v Little Fallsu začela brinuti za naše stvari, posebno ker so ji starejši naselniški naklonjeni ter so pripravljeni sodelovati, če si ustavnovijo društvo. Nekaj mladih se je že na mojem sestanku med njimi izrazilo, da bodo delali za ustanovljenje avtočega društva pri S. N. P. J. Šli bodo med druge, so rekli, in nabrali jih bodo zadostno število, da se organizirajo in tako pripravijo vso slovensko mladino v Little Fallsu, da se bo začela zanimati za našo organizacijo. Zdaj se ne briga in je kakor izgubljena. Zeleti je, da bi tudi vsi starši šli na roke mladini in da bi našo društvo že pri prihodnji seji napravilo kak zaključek, po katerem pospešijo organiziranje med mladimi. Andrej Kobal.

VESTI IZ NASELBIN

25 letnica društva št. 1 SNPJ.

Chicago, Ill. — Ako se človek malo ozre okrog sebe, vidi česa je narava zmožna s pomočjo človeka, kajti sama narava brez človeškega umna je le nedovršeno delo. Ako pa človek pomaga naravi, je stvar bolj dovršljena. Ako vzamemo malo hrance in ga vasejemo, bo iz tega semena zrastlo mogočno drevo, ako bomo pazili nanj dokler je še mlado in šibko, da ga ne pomandra kakšna katastrofa. Gotovo, če vsejemo same na neročitvijo tla in ob nepravem času in ne pa pazimo nanj ko vkljije, da ga ne uničijo elementarne nezgode, tedaj ne bo uspešno in ne bo obrodilo sadu.

Pred potinjavajstvimi isti so Slovenij v Chicagu bili tudi dobro sejalci. Sli so in vsejali so same, iz katerega je vzrastlo veliko in krasno ter močno drevo. Razume se, da so ti sejalci pravgotov s skrbjo pazili na rastoče drevesce, da je zrastlo takto veliko in košato, da je razprostrio svoje plodonosne veje po vseh državah Unije.

Vsled tega razvoja in uspešnega delovanja smo doživeli potinjavajstveno prvega društva naše jednote, društva Slavije št. 1 Slovenske narodne podporne jednote, ki je sklenilo prirediti slavnostno veselico ravno ob 25 letnici avtojava obstanka. Ne smemo pozabiti, da je društvo Slavija starejše kot SNPJ, torej je društvo Slavija, na katero se je zidala naše jednota; je kakor fundament Slovenske narodne podporne jednote. Radi tega dejstva društvo Slavija št. 1 SNPJ vabi vse ostale slovenske društva v okolici Chicaga in sploh člane vseh podpornih organizacij, kakor tudi nečlane, da se udeležite to slavnostne prireditve, da vidite delo ob bližnjem.

Slavnostna prireditve se bo vršila v nedeljo 28. oktobra v dvorani SNPJ, začetek točno ob 3. popoldne. Veliko društvo se je odzvalo našemu vabilu, da se udeleži korporativno. Vsako društvo bo imelo priliko dati svojega govornika, ki bo reprezentiral svoje društvo. Poleg tega bosta peli dve slov. pevski društvi, in pa vidi boste naše prve sejalce, katerih ni vsak dan prilika videti in ki so še širje med nami pri društvu. Ti so: Joseph Wershay, še krepljak in tajnik društva Slavije, John Stonich, prvi predsednik jednote, ki je ustavnitelj društva št. 1; on se vedno prihaja na seje redno in deluje za organizacijo. Nikar ne zamudite te prireditve, ker program bo bogat in zanimiv, da takšnega še nobeno drugo društvo SNPJ ni imelo. Zabave bo tudi veliko, tako za plešalce, kakor tudi za lačne in žejne.

Vsi na slavnostno prireditve društva št. 1 SNPJ v nedeljo 28. oktobra!

Ohiojska konferenca JSZ.

Cleveland, Ohio. — Prihodno nedeljo, kot je bilo že poročano, se vrši prihodnje zborovanje Ohiojske konferenca JSZ v Slovenskem delavskem domu v Collinwoodu. Zborovanje prične ob deveti uri dopoldne v malih dvorani. Na zastopnike, kar velja tudi v splošnem, se apelira, da so točni.

V prvem pozivu za konferenco je bilo tudi omenjeno, da se na prevečer vrši zabava in shod. Radi gotovih okoliščin se je to običajno priredbo za enkrat sklenilo opustiti, kar bo pojasnjeno na zborovanju. Počasno je tudi bilo, da se bo zborovanje bavilo s tekočo politično kampanjo v splošnem in posebno še v kolikor se kampanja tice nas Slovencev. Opazajo se gotovi tendencijozni pojavi, posebno v clevelandski naselbinai, v amer neaktivnosti, katero je treba poskušati obrniti v amer. ki bo prisnala več življenja v naše gibanje. Bo to toraj nekako "stock-taking" zborovanje, katero naj bi nam omogočilo pogled v našo bodočnost. Se morebiti giasi nekoliko ambiciozno. Apelira se še posebno na vse člane socialistične stranke

in tudi na vse socialistične mišleče delavstvo izven stranke v naselbinai, da se zborovanja govor udeleže.

Anton Garden,
taj. Ohjske konference.

Kampanjski shod.

Cleveland, O. — V petek, 12. okt. dobimo v Cleveland že spet govornika in boritelj za delavsko pravico. Dne 22. sept. smo imeli Norman Thomasa, predsednika kandidata soc. stranke, to pot pa pride Daniel W. Hoan, župan mesta Milwaukee. Wis. Govoril bo v Workmen Center dvorani na 147. cesti in Kinsman Rd. ob 8. zvečer.

Kaj je Hoan, ni potreba sebe pisati, ker vsak, kdo čita delavsko časopisje lahko ve, posebno pa oni, ki so žili v Milwaukeeju. Ker se bližajo volitve, je potrebno, da imamo več shodov, da ljudstvo zve, kaj se godi v kapitalistični družbi, da bo znao odločevati koga voliti prihodnjega novembra. — Enkrat ta mesec pride tudi James H. Maurer, podpredsednik kancljatocelitnega društva, ki je sklenil podprtje slavnostno veselico ravno ob 25 letnici avtojava obstanka. Ne smemo pozabiti, da je društvo Slavija starejše kot SNPJ, torej je društvo Slavija, na katero se je zidala naše jednota; je kakor fundament Slovenske narodne podporne jednote. All že imate vstopnico za "Kamnolom"?

Chicago, Ill. — Otvoritev letnje igralske sezone klubu št. 1 JSZ bo v nedeljo 21. oktobra v dvorani CSPS. Dramski odsek vprizori drama "Kamnolom", katero je spisal slovenskim delavcem dobropoznan pisatelj Tone Seiškar, ki je vzel za snov te drame resnično dogodek iz delavskega življenja v starem kraju. Drama se odigra v delavski družini, kó ni izkoriscan od priganjačev samo mož, ampak postane žrtv tudi njegova žem.

Slovenci imamo zelo redko kdaj prilike videti na odru drame povzeti iz življenja slovenskih delavcev. V pretekli sezoni smo videli Molekovo dramo "Poročna noč", ki je povzeta iz življenja slovenskih delavcev v Ameriki. In sedaj imamo pa priliko videti drama, povzeto iz življenja slovenskih delavcev v starem kraju. Tako pretresujoče drame že dolgo nismo imeli na slovenskem odu.

Vet čisti prebiteit te prireditve je določen v stavbinski sklad JSZ, da si nabavi svoje lastne prostore, katere rabi tako zelo. Klub bi lahko imel imel ved predavanj, diskuzij, shodov, itd. Svoje prostore rabimo za vaje dramskega in pevskega odseka kluba, in ako bi imeli primerne prostore vedno na razpolago, bi imeli boljše prireditve. Rabimo svoje prostore za knjižnico in čitalnico, ker klub ima lepo zbirko vaskovršnih zabavnih in podučnih knjig v slovenskem in angleškem jeziku. Ako se zavzemamo vse, imeli bomo primerno poslopje, ki bo odgovarjalo potrebam JSZ in klubu ter Slovencem sploh v Chicagu.

Stavbinski odbor izdaja tudi delnice, katere so po \$25 in apelira se na vse Slovence v Chicagu, ki so nekoliko bolj "petični", da jih kupijo, in tako počnejo, da so v resnici napredku pri pomagajo k napredku Slovencev kadarkoli je potreba. Ako bo imela JSZ svoje prostore, v katerih se bodo redno vršila predavanja, diskuzije in podobno, bo to veliko pripomoglo k splošnemu napredku v kulturnem oziru vseh Slovencev v Chicagu. Taki prostori so najbolj potrebeni naši odrasljaci in mladini, da bo imela svoje zbirališče, ker dosedaj ga nima in edino zbirališče, ki ga ima, so "Pool Rooms", kjer se zbirajo vaskovršni elementi, ki niso kaj dobro ne vplivajo na milde fante. — Rojaki, premislite dobro to, in potem se pa zglastite v upravnosti Proletarca in vse mite vsaj vsak po eno delino doma JSZ. Denar je ravno tam, da se pričnejo vse naseljene Slovenči v Ameri-

ki, je bil v Ameriki uveden že angleški jezik in za to logično ni pričakovati, da se bodo Američani učili slovenski, ampak se morajo angleškega jezika nevesti izseljeniki nčiti angleškega ali ameriškega jezika, kot mu pravijo Američani.

Amerika se torej ne da primjerjati s slovenskimi pokrajinami v Italiji. Taka primera je napačna. V slovenskih pokrajih pod Italijo bi se moral Italijani učiti slovenščine, ker so tam Slovenci kompaktno naseljeni kot narod, ako bi v Italiji vladala pravica mestu fašistovskega nasilja.

Slovenski in angleško govorečih društev sploh nimamo. To je bilo pojasnjeno že v uredniškem članku. Imamo pa slovensko in angleško poslujoča društva, to je društva, ki poslujejo v angleškem ali pa v slovenskem jeziku. V društvenih Slovenske narodne podporne jednote, lahko vsak izreče svoje misli v slovenskem, hrvaškem, srbskem, angleškem jeziku ali pa v katerem drugem jeziku, v katerem ga dani na seji razumejo. Jezikovnih prepirov dozajd se ni bilo pred društvenimi razsodili in tudi ne pred glavnim porotnim odborom.

Isti odbor apelira na rojake v domovini, da tudi tam store kolikor je pač mogoče, da se bo lahko zapisalo: To je delo vsega zavednega slovenskega delavskega naroda. Torej vasi na delo in delo bo uspešno; ako hoče imeti narod resnični simbol svojega veľikega pisatelja, se mora žrtvovati, kajti pokojni Cankar nam je dal vse — svoje življenje. — Anton Jurca.

V tem članku želim opozoriti čitatelje na par dejstev, ki se tečejo vsega članstva naše prijedeljene Slovenske narodne podporne jednote. Vprašati vas želim, ali ste kdaj pomisili, če je pravilno in koristno, da se ustanavlja angleško govoreča društva? In če prija ta nov sistem našim društvom, katerih je še slovenski?

Slovenske bratsko podporne jednote je bila ustanovljena leta 1904 in inkorporirana leta 1907. Njen namen je bil, da se pomaga članom v času potrebe in da se člane izobražuje v vseh pogledih na boljše spoznavanje življenja. Se do pred leti se je to vse lepo vršilo, sedaj pa izgleda, da se bo stvar predrugačila, vsaj do gotove meje. Prej so bili otroci slovenskih staršev vsi pri enem društvu in vse se je razumelo v slovenščini, sedaj pa transferirajo iz slovenskih v angleško govoreča društva.

Zakaj bi potem Slovenska narodna podpora jednota ne sprejemala v Ameriki rojene jugoslovanske mladine pod svoje krilje in jim dovolila poslovati v onem jeziku, v katerem so vajeni se izražati in misliti, kako že delajo druge bratake podporne jugoslovenske organizacije? Mar za to, da bi propadla?

Kdor ne živi v prepriju s svojim razumom, ta si gotovo sam ne koplje svojega groba.

Delinicarjem Zadrugi.

Johnstown, Pa. — Dolžnikom bivše Slovenske Zadruge na Moxhamu, Pa., naznanim, da sem bil izvoljen izbrirati vse dolge, takajoče se Zadruge, na seji delnicarjev dne 30. sept. 1928.

Apeliram na vse tiste, kateri dolgovate Zadrugi, da poravnate svoj del v napredku Zadruge na Moxhamu, Pa., naznanim, da sem bil izvoljen izbrirati vse dolge, takajoče se Zadruge, na seji delnicarjev dne 30. sept. 1928.

Ako se zavzemamo vse, imeli bomo primerno poslopje, ki bo odgovarjalo potrebam JSZ in klubu ter S. N. domu.

Frank Koretz, collector, 516 Linden Ave., Johnstown, Pa.

Veselica za Cankarjev spomenik.

Detroit, Mich. — Pred par tedni sem pisal v Prosveti, kaj in kdo je bil naš pokojni Ivan Cankar, ter o nameri, da se ureši naš cilj, in želite, da prideš do gmotnih sredstev, da poskrbeli za Cankarjev spomenik. Ako se zavzemamo vse, imeli bomo primerno poslopje, ki bo odgovarjalo potrebam JSZ in klubu ter S. N. domu.

Sedaj pa dragi čitatelji, upam, da ste mre razumeli, in se enkrat povdardjam: Podpirajmo slovensko govoreča društva in dolge angleškimi!

Anton Turk,
član društva št. 540.

Pojašnilo. Slovenci niso kompaktno kot narod naseljeni v Ameriki. Tudi niso bili ti skoz stoletja naseljeni, preden so pričeli prihajati prvi angleški kolonisti v Ameriko. Ko so se pričeli naseljevati Slovenči v Ameri-

ki, je bil v Ameriki uveden že angleški jezik in za to logično ni pričakovati, da se bodo Američani učili slovenski, ampak se morajo angleškega jezika nevesti izseljeniki nčiti angleškega ali ameriškega jezika, kot mu pravijo Američani.

Tu je tudi dokaz, da de-

troitska naselbina bo storila svojo moralno in gmotno dolžnost.

Skupni odbor ima tudi v načrtu prireditev enkrat v februarju 1929. To bo namreč koncert z igro, delo Ivana Cankarja, "Hlapec Jernej" in njeva pravica.

Amerika se torej ne da pri-

merjati s slovenskimi pokrajini v Italiji. Taka primera je napačna.

V slovenskih pokrajih pod Italijo bi se moral Italijani učiti slovenščine, ker so tam Slovenci kompaktno naseljeni kot narod, ako bi v Italiji vladala pravica mestu fašistovskega nasilja.

vzamejo korake za gmotna sredstva, da bomo našemu velikemu pokojnemu Ivani Cankarju poskrbeli. Imao je pravico, da bo v Ameriki vladala pravica mestu fašistovskega nasilja.

The Young S.N.P.J.

Editorially Speaking

Anniversaries.

With a definite certitude we are rightfully accustomed to annually celebrate anniversaries of various subordinate branches of the Slovene national benefit society, and to fittingly observe such occasions that stand as milestones in the progress of our Society. Soon the Pioneer's lodge, harbinger of the Young SNPJ movement, and the first to be organized, will commemorate its third birthday; other similar celebrations will take place by other lodges in order organized. In celebrating our lodges' anniversaries, a proper zest should be implanted in them, so that further progress and achievements will be sought and worked for among the respective members of each particular lodge.

Next year, in April, twenty-five years will have elapsed since our organization was given a start that has kept it growing until today we see it as one of the leaders in the fraternal benefit field. From the first, this organization has been the chief foundation stone, coupled with good work for its members. Thousands of dollars have been collected from the membership and distributed among the sick and needy members and their beneficiaries who have come to revere the name under which our pioneers began our work of help and uplift, and under which we are today doing business on a very large scale. Therefore, the Society's 25th anniversary should be joyfully celebrated by all the subordinate branches.

Today we see that from a struggling little group of true fraternalists the Slovene national benefit society has reached a position in the fraternal benefit world that compels admiration. For twenty-five years our organization has been doing a great and noble work recognized by friend and foe. It has withstood all attacks of puerile and false prophecies only because it was built on a healthy and solid foundation of true fraternal spirit and mutual help.

The Slovene national benefit society, as stated, will soon celebrate its twenty-fifth anniversary. Twenty-five years of struggle are incorporated in this organization, twenty-five years of progress and enlightenment, during which the hard knocks were painfully plentiful. But an indomitable will fortified by a faithful organization could not be halted. The organization has risen, and it has, we can truthfully say—rocketed upward. It has done great service among Slovene settlers in this country, it is doing a great and expedient work now, and is offering an opportunity to all young Slovenes in America today. Avail yourselves of this opportunity and become a member of one of its lodges, so that we can together celebrate its twenty-fifth anniversary.

STOP! LOOK! LISTEN!

Milwaukee, Wis.—Stop at Turner Hall Saturday evening, November 3rd. Look—Badgers having a monte Calico dance. Listen—Oh, boy, it's the Badgers' Revelers. At last it's here—the realization of our dreams—the event of the season is here and you can't afford to miss it. A good old-fashioned calico dance. Think of it, why, it's incredulous but true. The dance will linger in your memory forever. Wait until you glimpse at our novel souvenirs which will be appreciated by all. And lo and behold! Turners is transfigured into a fairyland of dreams where lights are low, romance lurks everywhere, moonlight waltzes are in demand, and everyone is marveling at the glory of it all.

There is no need to tell you about the music. I suppose we all know the Badger Revelers are incomparable and on that night of nights the music will be SUPERB! To top it all off, we'll have some delicious sandwiches in preparation for you lest you get hungry.

I expect you all to be there to verify all my previous statements.

The whispering campaign for a SNPJ bank in Cleveland is gaining momentum. Everywhere the idea is meeting the approval of the members. Yes, ye need an SNPJ bank in which the stockholders shall be only the members of the SNPJ, the subordinate lodges of the SNPJ, and the SNPJ itself. The Slovenes in America must realize that if they desire that their race has prestige in America, they must co-operate to build up the American commonwealth. They must accept the responsibilities of commercial and industrial management. They must help their own people to gain fame in those fields of human endeavor. They must organize their credit as effectively as they have organized their race into fraternal societies. Money talks in America. When the Slovenes will organize their credit resources through an SNPJ bank, then they will become known and they will have prestige in America as their money will then talk, and it will speak effectively.

LIBERTY LODGE NO. 642.

Sharon, Pa.—Hello, everybody!

Just getting over our first dance which we held Sat., Sept. 29, and which was another success for us.

We did not expect to make a great deal when we planned the dance, all we wanted was for everyone to have a good time, and I am sure those that were there did and those that missed it surely missed something.

Music was by the well known Hojer Quartet played as you like it.

We expected to see more of the older members, but there was a small turnout from our senior Lodge No. 31 and a much smaller one of the older folks from our neighbor Lodge at Farrell; not one, except the girls who are always on hand for any of our affairs. We take our hats off to you, girl! Wish you could join us.

If the older lodges don't help the younger ones, how can they expect us to attend their dances? I think these lodges being so close together should help one another instead of knocking each other. I think we all could have bigger and better times together, so why not help one another?—We had with us a very nice crowd from The Golden Eagles Lodge of Girard, Ohio; we all hope they enjoyed themselves. We'll see you again, Girard!

STALWARTS—ATTENTION!

Kenosha, Wis.—All Stalwarts are requested to attend the monthly meeting to be held at Robsall's hall Oct. 12, 1928. Many important discussions will be on hand. After the meeting a social hour, given by the Athletic Dept., with the help of some real Stalwart girls, in celebration of the Stalwart's victory in the Midwest League. There will be dancing and refreshments will be served. Waukegan, Milwaukee and Chicago are invited to attend.

Now a word about basketball. We've read Bro. Spiech's article in last week's edition, and are very much in favor of it. Let's have a league organized in basketball, just as we had in baseball.

Publicity Committee.

MARK 'EM UP!

Collinwood—Loyalites are on the map again. We have won the championship of SNPJ Baseball league in Cleveland, and I hope we will go to Chicago soon and win a good game there, so we can have a good start next year. We'll have Buckeyes, Zippers, and all other SNPJ lodges to have ball teams and good roosters. Come out and win your own game.

Don't forget the Loyalites' Dance Oct. 14, for it will be a knockout.

Notice, Loyalites: All members are requested to be present. We were very disappointed because of the very few members who were present at our last meeting. Let's all try and be out.

Fraternally yours,

Publicity Committee.

Topics of the Week

"One thousand guests at the Pageant of the SNPJ lodges in 1929," should be the slogan of the Cleveland's Federation of American-speaking subordinate lodges of the SNPJ. It can be done if all the American-speaking lodges of Cleveland co-operate and make the American-Slovenes Pilgrimage and Homecoming day to America's Ljubljana a real social event. The pageant of the lodges should provide entertainment for young and old. A campaign should be made to enlist the services and talents of any American or Slovene speaking lodge of the SNPJ which desires to participate in such a program. The program could cover a multitude of events, races, athletic stunts, acts, and even singing. Wouldn't it be grand to listen to a few quartettes, each giving the Slovene version of "Sweet Adeline," or listen to some "Harmonica Joe," blowing the tunes of days gone by? Wouldn't it be great to really find out for ourselves who can entertain the best youths or the elders?

Cleveland should give the out-of-town guests at least six months time to prepare for such a pageant. Chicago alone could send over one hundred guests to such an event. As such a trip would cost each Chicagoan about fifteen dollars, the Chicago lodges could devise a plan, where each member who signs up to go would deposit monthly with his secretary two dollars and a half for a period of six months. Through such a plan many more persons could be induced to go, as the cost of the trip is spread over a period of six months. Chicago could charter at least two special cars, or perhaps even a train, and provide comfortable travel and good enjoyment to its members. More distant lodges could work out similar plans. Cleveland, you can have one thousand guests in 1929 if you get busy immediately, and make a gorgeous event from the Pageant of the Lodges.

The whispering campaign for a SNPJ bank in Cleveland is gaining momentum. Everywhere the idea is meeting the approval of the members. Yes, ye need an SNPJ bank in which the stockholders shall be only the members of the SNPJ, the subordinate lodges of the SNPJ, and the SNPJ itself.

We did not expect to make a great deal when we planned the dance, all we wanted was for everyone to have a good time, and I am sure those that were there did and those that missed it surely missed something.

Music was by the well known Hojer Quartet played as you like it.

We expected to see more of the older members, but there was a small turnout from our senior Lodge No. 31 and a much smaller one of the older folks from our neighbor Lodge at Farrell; not one, except the girls who are always on hand for any of our affairs. We take our hats off to you, girl! Wish you could join us.

If the older lodges don't help the younger ones, how can they expect us to attend their dances? I think these lodges being so close together should help one another instead of knocking each other. I think we all could have bigger and better times together, so why not help one another?—We had with us a very nice crowd from The Golden Eagles Lodge of Girard, Ohio; we all hope they enjoyed themselves. We'll see you again, Girard!

STALWARTS—ATTENTION!

Kenosha, Wis.—All Stalwarts are requested to attend the monthly meeting to be held at Robsall's hall Oct. 12, 1928. Many important discussions will be on hand. After the meeting a social hour, given by the Athletic Dept., with the help of some real Stalwart girls, in celebration of the Stalwart's victory in the Midwest League. There will be dancing and refreshments will be served. Waukegan, Milwaukee and Chicago are invited to attend.

Now a word about basketball. We've read Bro. Spiech's article in last week's edition, and are very much in favor of it. Let's have a league organized in basketball, just as we had in baseball.

MARK 'EM UP!

Collinwood—Loyalites are on the map again. We have won the championship of SNPJ Baseball league in Cleveland, and I hope we will go to Chicago soon and win a good game there, so we can have a good start next year. We'll have Buckeyes, Zippers, and all other SNPJ lodges to have ball teams and good roosters. Come out and win your own game.

Don't forget the Loyalites' Dance Oct. 14, for it will be a knockout.

Notice, Loyalites: All members are requested to be present. We were very disappointed because of the very few members who were present at our last meeting. Let's all try and be out.

Fraternally yours,

Publicity Committee.

NOTICE

English-speaking Lodge Movement: Its Future

Milwaukee.—Now that the English-speaking movement within the SNPJ has graduated from its infancy, and that it has adjusted itself to the conditions best suitable for its sound progress, it befits us to study the situation, and after getting a thorough understanding of it, to try and eliminate the conditions that may tend to, in any way, retard the progress towards the designated goal.

I am absolutely positive that some of the present policies that have been adopted as a way to attain the desired goal, are in reality very harmful to the lodges that foster them, and to the SNPJ. Still, there are others that should be perpetuated. Therefore, it is the purpose of this article to diagnose the results of the last few years, and to give my humble but sincere viewpoint on this subject.

In order to explain myself so that you readers will understand me, I will reach back to the time when there were as yet no English-speaking lodges.

The idea for this article was furnished by one of the English-speaking lodges which proposed a conference of all English-speaking lodges to formulate the desired demands that should be made at the next convention for the purpose of acquiring for the English lodges whatever these lodges think that they have rightly coming.

The suggestion is not so very bad, as I doubt the validity of such action. I don't think that it will be adopted. And it is also my view that it would be the wrong thing to do, because it's about time that the membership of these English lodges would be forced to take under discussion things that are important in making possible the sound progress of our organization.

The SNPJ was founded by and now is an exclusively workingmen's organization. That being a fact, it is also true that the policies of the SNPJ were planned so as to conform with the necessity of combatting the injustices perpetrated on us by the present social and economic system and its instigators, the capitalists.

Up and until the organization of English-speaking lodges, the incentive for the organization of a lodge to belong to the SNPJ used to be the necessity of protection, especially in times of misfortune, such as sickness or death, and, also, to be in an organization that would teach us and show us a better way of withstanding the uncompromising onslaughts of the greedy and heartless lords of capital, who have persistently bled the already downtrodden masses of workers, and who have always refused them those necessities that make life worth living.

Therefore, the incentive that made the Slovenes flock in under the folds of the SNPJ was the realization that they must be in an organization that will protect them in times of need, and that will educate them in the ways of bettering their living conditions.

The success of the SNPJ proves that the policies of this organization were absolutely correct, and it was hoped that we would proceed along the same lines, until the ideal and was realized. Then came the organizing of English-speaking lodges, which, indeed, was very logical and practical under the present conditions, and to a great extent it is a success.

But I must disapprove of the tactics

that the leaders of this movement are employing in order to make it prosper. And I also condone the Supreme board for the lack of foresight, to see the end towards which we are so aimlessly coming, and which is radically deviated from the original purpose of our organization. I will try to prove my statement, but I will not mention certain things which may tend to hurt someone's personal feelings.

Remember, the early bird gets the worm.

Rudolph Grodelj,

just a member of the Loyalites.

LOYALITES' YEE OLDE JANE AND RUBE DANCE.

Date—October 14th, 1928; Place—15810 Holmes Avenue; Time—8:00 p. m.; Costumes—Overalls and Aprons; Music—Ardacian Melody Pi-lots, the celebrated jazz artists.

Cleveland.—I desire to extend an invitation to the Strugglers, Comrades, Progressives, New Eras and our ever loyal Buckeyes and Zippers to attend our second anniversary affair which is going to be a "Jane and Rube" dance.

This dance, up until the present time, has been unheard of and to enlighten you I wish to advise the fellow to wear overalls, if possible, and the girls aprons. These costumes will blend in nicely with the scenery and decorations of the hall. You who have already attended our dances, know that the Loyalites CAN show you a good time and that as usual, we have something up our sleeves.

What more details are necessary than have been given to assure you that we should put a limit to them. I am speaking from experience, and I am stating facts

when I say that they have done more harm than good to our organization.

You may counter with the successes of the last few years, and I must agree that it has so far been a success. But let us see just what kind of a success it is. What have we to show for all of these successes? Have we in reality done anything that would be called a worthy achievement? Or have we just passed our time away these last three years without doing something really worthy and good? I would like to be shown where the last assertion is not true.

And, furthermore, I notice that the Supreme board is planning to organize a standing committee on athletics. But has the Supreme board in mind also the plan to start teaching the English-speaking membership the purpose, the principles, and the ideals of our organization? Don't you think that we must not depend solely upon athletics and sports, in order to hold these lodges together in the future? At least that is my idea and I have acquired it from past experience. I could state some of the reasons herein, but it would hurt some individuals, so I suggest that the Supreme board should investigate this matter fully before undertaking any further action on perpetuating athletics and other sports.

I wish to state plainly the reason for being against the proposition of calling a special conference of English-speaking lodges, so that no one will have to guess just why I am against it. My view is that the membership at large of these lodges must, first of all, show a much greater understanding of the SNPJ as a fraternal organization. It is not asking any too much of them, because the issues that will be discussed at the next convention will effect the whole organization and not only the English-speaking lodges.

Fraternally yours,
Joseph Radel Jr.

REMINDER.

Collinwood.—Brothers and Sisters of the SNPJ:—It's something very unusual to see an article from me in a paper, but at the present I just could not help telling you that I met a few members of the SNPJ from Chicago.

Bro. Kobal and I seemed to be very friendly at the dance given by the SNPJ lodges of Collinwood. The dance was held (also a speech given by Brother Kobal) in the Slovenia Home on Holmes Ave. I'm very sorry to say that the Strugglers could not find one or two members to help us in this affair, because they were included in it. I heard quite a bit that Strugglers have a very large number of members, but the way it looks, they haven't.

Brothers and Sisters, I know you hear quite a bit about Loyalites and other SNPJ lodges of Collinwood (which hold their meetings in the S. H. on Holmes Ave.) that we are church members, etc., because the Home and the church are on the same street. But, if we were church members we could not be members of the SNPJ, because the SNPJ and the church don't sympathize. (Of course, there are some that only go to church for pleasure, business etc.)

Don't forget, Brothers and Sisters, that LOYALITES have a meeting every second Wednesday of the month where every SNPJ member is welcome, and in case you have something against our members (within the by-laws of SNPJ), come to the meeting personally, so that there won't be any grudge against anybody, because LOYALITES are friendly with the members of the SNPJ, and about others we don't care.

One more thing, Brothers and Sisters, we (LOYALITES) are holding our second anniversary dance Oct. 14, 28, in the S. H. on Holmes Ave. Everyone that comes is promised a very pleasant evening.

Remember, the early bird gets the worm.

Excursion to Yugoslavia

I don't know how many of our members are aware of the fact that a campaign of contest is now in progress which has to do with the 1930 excursion to Yugoslavia. I don't think that I have seen a single comment relative to it on the part of any contributor to this page, outside of the Excursion Bureau itself. Therefore, I feel that publication of the rules and prizes at this time will not be amiss.

The campaign for new members and new subscribers to our publications started on May 1, 1928, and will close on April 30, 1930. An exceptionally long period, as you see, with exceptionally worth while prizes.

The First Prize, for the SNPJ member receiving the largest number of credits in accordance with the rules below: FREE OCEAN FARE FROM NEW YORK TO EUROPEAN PORT AND BACK (ROUND TRIP).

Second Prize, for the next highest number of credits: FREE OCEAN FARE FROM NEW YORK TO EUROPEAN PORT AND FREE FARE FROM PORT OF DEBARKATION TO LJUBLJANA (ONE WAY ONLY).

Third Prize, for the next highest: FREE OCEAN FARE FROM NEW YORK TO EUROPEAN PORT (ONE WAY ONLY).

In case of a tie, two or more having the same number of credits for one of the prizes, they shall receive the same prize.

CRICKET DANCE.

Detroit.—"Young Americans" are first out in this opening season for indoor entertainments. Admission tickets are selling like hot cakes.

The entertainment committee is putting this "Cricket Dance" up as something new and peppy for young Slovenes here in Detroit.

Just ask Bro. Lee Dollar, who suggested this new good time for all of us young and old, and I can assure you what his reply will be: "My good Brothers and Sisters and Friends, it's a real party." That's him. Or Ask Bro. Rugele. Don't you know him? He is very hard worker on this committee. You know what he said. "I'm going to sell 50 tickets." Ask Bro. Fab. Babich—75 tickets, Bro. Nataša—50, Bro. Benedict and Bro. Andy Grum, also, Bro. Vozel and Sis. Elsie Green. Bro. Vozel said, "I want 50 tickets and then some." Sis. Kenech and Sis. Strelar are also at your service for the tickets. You don't have to wink with your eye to them; they'll quickly know that you want tickets for Cricket Dance.

There will be a prize awarded to Brother or Sister selling the most tickets, and a good one, too. Bro. Homzak sent me the following note:

"Rossanova's orchestra will play from 7 to 12." And how! "Nuff sed.

With each admission will be given two (2) gifts, which are almost worth of the admission ticket. —Lodge of Young Americans No. 564, SNPJ, membership today is 150 strong and is going to show you a pleasant good time—to the readers of Prosleta, lodges and friends of the SNPJ. LOYALITES' YEE OLDE JANE AND RUBE DANCE.

Date—October 14th, 1928; Place—15810 Holmes Avenue; Time—8:00 p. m.; Costumes—Overalls and Aprons; Music—Ardacian Melody Pi-lots, the celebrated jazz artists.

A Night in October

Waukegan.—The baseball season is over with now and the excitement has somewhat died down. True, there are other sports in line for the winter season, but right now our aim is to replenish our fortress, the treasury. The upkeep of the summer's activities involved quite an expense and our limited pecuniary means were well nigh exhausted.

To make a long story short: we are holding a dance Saturday, October 18th, at the Slovenia National Home which, we hope, will rejuvenate crippled condition to an extent. You are all most cordially invited. Be sure to come bright and early so that you will not miss anything and stay late so that you will get all that's coming to you.

Novelties by the feet and yards are ready to be disposed of. Barrels and bushels of fun have been stored away for the day. Pounds of klobase to make the evening complete—and potato, of course.

Pretty, winsome gals will prove their culinary skill (and we guarantee there will be no indigestion).

We're going to try to create an autumnal atmosphere—you know what I mean—golden brown leaves, misty golden lights, the moon stealing in through—and then some irresistible music—a lilting waltz or—oh boy! It's going to be a perfect night in dreamland—and all for 50 cents. Don't miss the bargain!

Mary Zeissik.

BADGERS' GALA CALICO DANCE.

Milwaukee.—Just to show you that the Badgers are not really asleep, they are giving one of the most surprising and one of the biggest dances of the season. It is not just an ordinary dance; something unusual. With the willing hand of the committee who have full charge of this gala affair, we are bound to make a success, just as we have been in all our preceding dances. And most of all, we will be successful in showing you what a "real time" is.

Our Calico Dance is just absolutely incomparable, to say it in a mild way, and I'm sure you'll enjoy the Calico souvenirs you will get.
