OSIČNE ARMADE BEZE V LIBIJI

Washington, D. C., 23. dec.—Vojni department je danes namanil, da so se nadaljnje japonske čete izkrcale na obrežju severno od Manile na Filipinskih otokih. Veliko število bombnikov je protektiralo čete.

Manila, Filipini, 23. dec.—Počilo iz Dagupana, luke ob zálivu Lingayen, pravi, da so bili trije japonski vojaški transportri potopljeni in več poškodovani. Koliko japonskih vojakov je izkrcalo na obrežju tega zaliva, ni znano.

General Douglas MacArthur, vrhovni poveljnik ameriške oborožene sile na Filipinskih otokih, je izjavil, da je situacija pod kontrolo. Ameriške in filipinske čete svoje pozicije severno od Damortisa kljub ljudstvu naskokom sovražnika.

Cungking, Kitajska, 23. dec.—Glavni stan kitajske armade na fronti pri Kantonu poroča, da so Anglezi pognali del japonske armade, ki se je izkrcala v Hongkongu, v beg. Japonci ne izkazujo nobenega uspeha v operacijah proti britski oboroženi sili v zadnjih 24 urah.

Kitajske čete nasakujejo japonske vojaške pozicije pri Sunmuncu, da zmanjajo japonski pritisk na Hongkong. Več tisoč Japoncev je padlo v bitkah s Kitajci.

Rangoon, Burma, 23. dec.—Angleški letaliči so metali bombe na japonska vojaška letališča v vzhodnem delu Siana. Ta je bil prvi napad na japonsko oboroženo silo, ki se nahaja tam. Bombe so razbile več letal na tleh in skladišču olja. Vsa angleška letala so se srečno vrnila v svoja oporišča po napadu.

Kairo, Egipt, 23. dec.—Britiske čete so prodile 150 milij dalec v ofenzivi v Libiji. Osična vojaška posadka pri El Abiaru je bila združljena. Osične armade pod poveljstvom nemškega generala Erwina Rommela beže proti Agedabiji.

Federalne čete se umaknile

Hillman obdolžil
stavkarje neštejalnosti

San Francisco, Cal., 23. dec.—Federalne čete so bile potegnjene do ladjiščev Todd California Shipbuilding Co., katere so stražile. Stavko, ki je deloma paraliziral obrat v teh ladjiščevih, je oklicala unija United Welders, Cutters & Helpers valed jurisdikcijskega spora z unijami Ameriške delavske federacije. Naznanih prav, da bodo čete ponovno zastražile ladjiščev, če se bo pojavila nevarnost nemirov.

Sidney Hillman, sodirektor vrada za produkcijo bojne opreme, je okral stavkarje in jih obdolžil neštejalnosti napram vlad in ameriškemu ljudstvu. "Zdaj, ko čovrnjak potaplja ameriške ladje in parnike, je stavka demonstracija neštejalnosti," je dejal.

Hillman je takoj odgovoril Ralph Sheafe, vodja stavkarjev. Dejal je, da so lojalni vlad, nočejo pa se pokoriti raketirjem, ki kontrolirajo unije ADF.

Slovenski narodni kongres odložen!

Državni departement v Washingtonu ne odobrava političnih gibanj ameriških državljanov v prid tujezemskim državam

Cikaški eksekutivni odsek pripravljalnega odbora za sklicanje slovenskega narodnega kongresa v Ameriki v prid naši stari domovini—odsek sestavljajo Leo Jurjevec, predsednik, Frank Zaitz, odbornik in Ivan Molek, tajnik—je na svoji seji dne 17. decembra soglasno zaključil, da predloži štirim zunanjim članom pripravljalnega odbora—ki so Joseph Zalar in Frank J. Wedic v Jolietu, Marie Pristand in Sheboyanu in Janko N. Rogelj v Clevelandu—sledče:

1) Slovenski narodni kongres v Ameriki, ki je bil sklical na 12. februarja 1942, naj se odloži za nedoločen čas, dokler ne pridejo druge razmere.

2) Pripravljalni odbor SNK naj ostane, pasiven seveda, da lahko obnovi delo za sklicanje kongresa, kadar pride čas za to.

Razlog za ta predlog je izjava državnega departmента v Washingtonu, D. C., ki je bila objavljena takoj po napovedi vojne osišča in katera se v jedru glasi, da vlada Združenih držav ne vidi rada na svojih teh političnih gibanj, ki imajo za svoj cilj osvoboditev ali one države in inozemstvu in pri katerih sodelujejo ali jih celo vodijo ameriški državljanji, ker to cepi lojalnost prizadetih državljanov. Z drugimi besedami: ameriška vlada hoče, da so zdaj, ko je vojna, vsa dejana in nehanja državljanov usmerjena na akcije za zmago Združenih držav, ne pa na politične akcije, ki se ne tičejo težje.

Zunanjih članov pripravljalnega odbora so—nekateri telefonično in drugi pismeno—soglasno odobrili omenjeni predlog, ki je bil s tem sprejet.

Razume se, da bodo člani pripravljalnega odbora pravočasno informirali svoje organizacije, da ni bilo druge poti kot odložiti kongres.

Pravilno je, da naša javnost izjave, kaj je eksekutivni odsek SNK delal v dobrem mesecu—od 15. novembra do 17. decembra 1941—svoje aktivnosti.

Odsek je v tem času imel šest sej in je formalno povabil osem najstevnikov slovenskih centraliziranih organizacij v Združenih državah na nameravani kongres; od teh je deset podpornih jednot in zvez, osem pa je političnih in kulturnih organizacij, kakor se same označujejo. Poleg teh je bilo povabilo pripravljeno še za tri druge organizacije, a je čakalo zaradi pomanjkanja naslova. Povabljenih bi bilo torej skupaj 21 organizacij.

Sledče centralizirane podporne organizacije so bile povabljeni s pravico, da lahko posljejo na svoje stroške vse svoje glavne odbornike po sklepu cikaške sklicateljske konference z dne 15. novembra t. l.: Ameriška bratska zveza, Društvo sv. Družine, Jugoslovanska podpora zveza Sloga, Kranjsko-slovenska katoliška jednota, Progresivne Slovenke, Slovenska dobrodelna zveza, Slovenska narodna podpora jednota, Slovenska moška zveza, Slovenska ženska zveza in Zapadna slovenska zveza.

Sledče centralizirane politične in kulturne organizacije so bile povabljeni s pravico do dveh delegatov na svoje stroške: Baragova zveza, Čankarjeva ustanova, Jugoslovanski kulturni vrt (Cleveland), Jugoslovanska socialistična zveza, Prosvetna matica, Zveza društev Najsvetjejšega imena (Cleveland), Zveza kulturnih društev SDD (Cleveland) in Zveza slovenskih domov v Ohiu.

Sledče tri organizacije bi bile še povabljeni: Ameriško-jugoslovanska zveza v Minnesoti (politična), Franciškanski komisariat in Zveza slovenskih župnij.

Ako je še katera druga slovenska centralizirana politična ali kulturna organizacija v Ameriki, nam njeni ime in naslov doslej še nista znana.

Sklenjeno je bilo, da politične in kulturne organizacije z oddajenim sedežem lahko pooblastijo svoja dva člana v Chicagu ali okoliš kot zastopnika, če si hočejo prihraniti na stroških.

Vse povabljeni organizacije so imeli čas do 1. januarja 1942, da postavijo svoje delegate in sporče njih imena tajništvu SNK, ako se odzovejo povabilu. Prva in edina organizacija, ki je to storila do 17. decembra, ko je bil kongres odložen, je Zapadna slovenska zveza. Ta organizacija je imenoval tri člane svojega glavnega komiteja za udeležitev kongresa.

Pozamezniki—"pisatelji, časnikarji in drugi intelektualci" po sklepu sklicateljske konference—bi bili povabljeni v prvi polovici januarja. V ta namen je odsek že sestavil seznam in imel je že okrog 50 imen na listi.

Kongres bi se bil vršil v hotelu Morrison, W. Madison in S. Clark st., v čikaškem downtownu, ki nam je obljudil zborovalno dvorano brezplačno, če se priglasi neko število (najmanj menda 50) delegatov za stanovanje v tem hotelu v teknu zborovanja.

Bilo je priljivo korespondiranje z zunanjimi člani pripravljalnega odbora SNK, ki so zahtevali pojasnila glede tega in onega v zvezi z vabljencem, pa tudi z drugimi rojaki, ki so se zanimali za storitev in hoteli so vedeti to in ono. Vsem tem je tajnik točno in natančno odgovoril; prav tako predsednik.

Poleg tega se je odsek že bavil s sporedom in dnevnim redom kongresa, ki ga je imel predložiti zborovalec v potrditev ali revizio. V načrtu so bili najmanj trije referenti, toda referenti še niso bili določeni.

Vsi stroški tajništva—pisemski papir, koverte in poština—so v tem času znašali \$10.73. Drugih stroškov še ni bilo. Prostor za odsekove seje je Slovenski delavski center, 2301 So. Lawndale Ave, poklonil brezplačno.

Izvršni odsek SNPJ je na svoji seji dne 17. decembra sklenil: Ker je SNPJ sprožila gibanje za slovenski narodni kongres, se čuti moralo obvezana, da pokrije te stroške. S tem je vse poravnano.

tajnik pripravljalnega odbora SNK.

Managua, Nikaragva, 23. dec.—Predsednik Eduardo Somoza je odredil zasego premoženja Nemcov, Italijanov in Japonev. To vključuje plantaze, trgovine, tiskarnice in druge lastnine.

DISKUZIJE O POSPEŠITVI PRODUKCIJE OROŽJA

Predstavniki unij održili Thomasov predlog

VPRĀŠANJE ZAPRTE DELAVNICE

Washington, D. C., 23. dec.—Industrijska konferenca, katero je sklical predsednik Roosevelt z namenom, da osvoji program glede pospešitve producije bojne opreme, je v načelu odobrila predlog senatorja Elberta D. Thomasa, ki zastopa vlado. Ta določa sporazum med delavci in delodajalcem, da ne bo stavk in izporov, dokler bo trajala vojna, da se vse sporne zadeve izvršava na mireni način in da predsednik Roosevelt ustanovi posebno agenturo, ki bo skrbela za neprerwan obrat vojnih industrij.

Delavske unije imajo dvanajst zastopnikov na konferenci in delodajalcem isto število. Med zastopniki delavcev je šest vodiljev unij Ameriške delavske federacije in šest vodiljev Kongresne industrijske organizacije.

George Meany, tajnik-blagajnik ADF, je takoj odobril Thomasov predlog v imenu svoje grupe. Predstavniki delodajalcem so po posvetovanju informirali delavsko grupo, da bodo sprejeli predlog le pod pogojem, da bo stranka v vseh ozirih podpirala ameriške vojne napore in predsednik Rooseveltova agencija v področju delavcev, ki jo imenuje predsednik Roosevelt.

Senator Thomas je naglasil, da njegov predlog ne bi oviral kampanje delavskih unij glede zaprtje delavnic. Kakšno oblast naj bi imela Rooseveltova agencija, on ni povedal.

Zastopniki delavcev in delodajalcov zborujejo že tri dni v uradu direktorjev federalnega rezervnega sistema. Marriner Eccles, načelnik odbora direktorjev, jih je sinoči informiral, da bodo morali zapustiti urad, nakar je bilo naznanjeno, da se bo konferenca nadaljevala v prostorjih delavskega departmanta.

Delavski pododbor, katerega tvorijo Philip Murray, predsednik CIO, John L. Lewis, predsednik rudarske unije UMW, Matthew Woll, podpredsednik ADF in George Meany, so izjavili, da ne bodo odobrili nobenega kompromisa glede zaprtje delavnic. Meany je pridobil Williamom Greene, predsedniku ADF, na svojo stran, čeprav je prej naznani, da se njegova organizacija ne bo borila za zaprtje delavnic, dokler bo trajala vojna.

Influenca

V sedanji svetovni vojni je zdravje posameznika in njegove okolice zelo važen faktor ter se smatra kot sredstvo za izvajanje vojne.

Znano je, da so razsajale velike epidemije influenze že od šestnajstega stoletja. V preteklem stoletju smo imeli kar štiri takte epidemije zaporedno. Najhujša epidemija influenze pa se je pojavila v jeseni leta 1918 proti koncu zadnje svetovne vojne, ko je influenza zahtevala nič manj kot 20 milijonov žrtev. Sploh je ta epidemija pokončala več človeških življenj kot jih je padlo na bojiščih.

Bolezni influenze je okuženje, je načeljiva bolezen, čije znaki se pojavijo naglo. Bolnik občuti bolećine po vsem telesu, zlasti pa v glavi in hrbtni. Pojavijo se mizličasti občutki, vročina, slabost, hriavost, kaše, želodčni neredi in bljuvanje. Dalje se pojaviti huda žeja in bolnik zgubi teč, jekiz postane bledosiv, a ne razkav. Naslednji dan postane bolnik slabši in navadno se pojavi huda vročina.

Smrtni slučaji vseled napada influenze so redki, ako se ne pridražijo druge bolezni in ako so postopki zdravljenja pravilni. Glavna nevarnost v slučaju influenze so njene komplikacije, zlasti pljučnica in okuženje s streptokokškim bacili, kakršno se je pojavilo v epidemiji leta 1918. Proti influenci in nobenih specifičnih ali točnih zdravil, zato obstoji glavni postopek zdravljenja v tem, da se pokliče domačega zdravnika, ki bo odredil skrbno in pravilno ravnanje, da se ohrani življenje. Čim se pojavijo prvi znaki influenze, mora bolnik takoj v posteljo. V postelji mora ostati toliko časa, da izginejo vsi znaki ali simptoni influenze. Šele ko je vročina popolnoma ponehala, sme po treh ali štirih dneh vstati. Bolnik ne sme niti vstati, da bi šel na stranišče, ako je vročina nad stoto stopnj. Skratka, v postelji mora ostati tako dolgo, dokler ne postane njegova temperatura zopet normalna. Popolen početek v postelji namreč predpiše nevarnost okuženja in komplikacij, poleg tega pa se tuji odstrani nevarnost, da se bolezen ponovi.

Važno je, da je bolniška soba dobro prezačena, paziti pa je treba, da ni bolnik izpostavljen prepohom. Bolnik se često zelo poti, zlasti pa tedaj, ko vročina pojenja. Zelo važno je, da se prepreči prehlad. Potrebna je pogosta menjava posteljnine. Bolnika se otira z gorko-brisačo in se ga nahitro otre s svežilnim alkoholom.

Hrana naj bo krepilna in lahko prebavljiva. Bolnik naj zavzema razne mlečne prizprave, mlečno juho, jajčno juho, oranžni sok, mesno juho in mleko. Pozneje se doda mehka hrana: jajca, prepečene (toast), mleko, kustardi, oštirige, koruzne in žitne izdelke (cereals), junket in sladoled, končno pa splošna navadna hrana.

Bolnik naj piše večje količine tekočin, približno po en pozarec vode na uro ali več, ako tako želi. Paziti je treba na redno stolico s takimi odvajjalnimi sredstvi kot so citrasta magnesija, kalomej in klistiranje. Proti glavobolu, bolečinam v hrbtni in splošnim bolečinam po telesu predpiše zdravila domači zdravnik. Čim se bolniku vraca zdravje, se mu dajo razne to-

Bolnik, ki trpi na influenci, se mora izolirati, da se prepreči razširjenje bolezni. Če pa je bolezen razširjena, naj se zdrava oseba da cepiti s pripravnim cipilom serumu ali vaksino. Zavziva naj večje količine vitamino in drugih krepilnih pripomočkov, da se odporna sila poveča. Giblje naj se na svežem zraku in naj telovadi dnevno. Kopije naj se pogosto in vsako kopelj naj zaključi z mrzlo phro. Vesel božič in srečno novo leto!

Božični in novoletni prazniki so tuk pred nami in kakor običajno vsako leto ob tem času, se ljudstvo tudi topot vneto pripravlja za obhajanje teh praznikov. Božični prazniki veljajo že dolga stoletja kot najvažnejši prazniki v letu in udomačila se je navada, da se ob tem času znanci in prijatelji pozdravljajo z znamenitimi "vesel božič" ter si izmenjavajo razna darila. Zadnje je v Zedinjenih državah še posebno prominentno, najbrž zato, ker je v deželi največ bogastva in je tako obdarovanje drug drugega z materialnimi dobrinami toliko bolj omogočeno.

Naj je bo kakor hoče, lepa navada, da se v tem času veselo pozdravljamo in svojo dobro voljo izražamo z darili, ni radi božiča v verskem smislu, kakor ni praznovanje samo krščanskega izvora, temveč je bilo vse to v navadi med raznimi ljudstvi davno pred krščanstvom in je menda tako staro, kakor je star človeški rod. Narodi so se že v pradavnih časih veseli dobe, ko se spet začne bližati sonce in so na poseben način častili prihod novega leta v upanju, da jim bo bolj naklonjeno in prineslo več srečnega življenja kot jim je staro, revna, tlačena ljudstva vseh vekov pa so v svojem trpljenju vedno pricakovala nekako rešitev. In ko je pridružil krščanstvo, je to osvojilo in prikrojilo po svoje.

Vodeča misel slavljenja božiča na kakršnikoli že način je vedno bila radostna pesem "mir ljudem na zemlji". V tej tradiciji se ljudje je še danes zbirajo okoli okinčanega božičnega drevesca in svoje utroke poskušajo razveseliti z darilci, kakršna pač zmoroje, da tako vsej enkrat v letu skupno izvajajo mir in se radujejo v sredi živahnih, veselih kramljajočih otrok.

Kljub vsem prisrčnim željam pa še ni miru. Človeška lakomnost in nevedna sta temu kriva. Nekoliko brezvestnih prefrigancev je s pomočjo laži ter pod kinko učenih fraz vedno znalo zastupiti možgane preprostih ljudi in cesto celih narodov. Ljudje bolnih domišljij in sebičnih stremljene so postavljali za voditelje, povilejali sami sebe, širili sovraštvo do drugih, opevali ljudsko klanje z junaštvom itd. In tako še cesto tudi pod kinko krščanstva sledila divjaška nasilja, krvave vojne, opustošenja, podjarmljevanje in neredko tudi ubijanje bratov. Človeška zgodovina je polna takih dogodkov, in čim bolj je človeštvo napredovalo v znanosti in odkritvani prirodnih tajnosti, tem strašnejša so postajala ljudska klanja.

Bolj kot kdaj prej v zgodovini človeštva bi bil pravi mir na mestu za te praznike. Kajti na svetu je naravnega bogastva dovolj in manost je v tem času že toliko napredovala, da more s pomočjo delavnih rok in brez posebnih težav vse to spremeniti v užitnine, ki bi zadostovale za srečo in blagostanje vseh ljudi ter bi nam lahko še veliko preostajalo. Ampak namesto miru imamo grozno svetovno klanje, v katerega je za ta božič pritegnjena tudi Amerika in vprito vsega tega pač ne moremo božičnih in novoletnih praznikov topot obhajati v resnično veselju razpoloženju. Marsikom, ki ima člana svoje družine v armadi ali mornarici, bo skajeno veselje, vse pa moramo več ali manj misiliti z globokim čustvovanjem na fante pri vojakih, ki so poklicani, da se borijo za svobodo in demokracijo ter doprinesajo za to našo sveto stvar tudi živiljske izte, če je treba.

Da—miru se pripoveduje in izkoriscano človeštvo ga željno pricakuje že od pamtevka. Toda tako prepotrebnega miru še sedaj ni in ga tudi ne bo vse dodelj, dokler bo delavska masa slepo verjetna, da to pride s kakim čudežem in dokler se toliko ne usposobi, da si bo lepe reči znala pristoriti sama.

Na obzoru pa so se začeli kazati bolj razveseljivi znaki, zlasti od kar so v vojnem vrtincu tudi Zedinjene države, ki so napovedale smrt fašizmu in nacizmu ter trinogom in zatiralcem vseke vrste. Mi trdno verujemo v popolno zmagajo ameriške demokracije nad totalitarizmom in avtokracijo ter da bo naša armada izvajala resnični mir in pravo svobodo ne samo ameriškim državljanom, temveč državljanom v ljudstvu vsega sveta. In dolžnost članov SNPJ je, da damo našemu izbornemu predsedniku Rooseveltu in njegovi vladi v teh prizadevanjih vso mogočno oporo in pomoč, zaenam pa pridno delamo in agitiramo za našo dobro jednoto, da bo tudi v novem letu lepo uspevala in dobro napredovala. Bodimo lojalni svoji novi, dragi domovini ter zaenam zvesti idealom in principom SNPJ, ki so principi resničnega braštvja in vodijo v pravi mir in svobodo ter boljšo in svetlejšo bodočnost človeštva.

V imenu tega vam, bratje in sestre: VESELI BOŽIČ IN SREČNO NOVO LETO!—
V. CAINKAR, gl. predsednik.

osebah in akcijah, ki se nanašajo na Jugoslavijo.

Ameriško časopisje, in tudi naš urednik Ivan Molek, skorodno pišejo: "Amerika, Anglia, Kitajska in Rusija . ." Zakaj postavljati Rusijo na zadnje mesto, ko ji faktično pripada prvo mesto? Pisce bi pisal takole: Amerika, Rusija, Kitajska — Anglijo bi pa postavil na zadnje mesto. Zakaj? Vsak otrok ve za odgovor! Angleži so se v tej vojni do danes izkazali presenetljivo slabo. Izgubili so skorodno vse bitke, dasiravno so najbolj bogati in jih Amerika najbolj zlagala z vojnim in drugim materialom. Človek res ne ve, kaj bi dejal o njih . . .

Dr. Arch še ni nastopil službe gl. zdravnika SNPJ, a že leta prikrito pušice od raznih strani. Toda doktor je močan po postavi in očet desetih otrok in bo znal odbijati pušice.

Rusija! Ta daje po Hitlerjevem repu! Ali se še spominjate, kako so prerokovali "slavni" generali in druge vojaške "avtoritete", da bo Hitler pokončal Rusijo v nekaj tednih? In ravno tista Rusija danes brani takoreč ves demokratični svet!

V Franciji in drugod so izdaljale "apizali" z ministrskimi stolčki, v Rusiji so jih pa postrelili. Tako pravijo razni ugledni poznavalci ruskih in svetovnih razmer. Med njimi so John Gunther, slavni ameriški reporter, ki je spisal knjige "Inside of Europe", "Inside of Asia" in "Inside of Latin America", bivši ameriški poslanik v Rusiji Joseph Davies, Walter Duranty in mnogi drugi.

Dogodki zadnjih dni tem jasne kažejo, da je predsednik Roosevelt velik človek. Nobenega socialistu ni treba biti sram, ako občuduje predsednika Roosevelta. Tudi njegova žena Eleanora je izredna žena, da malo takih!

Japonska je napadla Združene države. Japonski narod v Ameriki je še sedaj veliko trpel, a sedaj bo še bolj. Meni stoji pred očmi tisti japonski mladenič, ki ga je Louis Adamic opisal v knjigi "From Many Lands".

Božični prazniki . . . Če se človek zamisli v dogodke po svetu, jih ne more biti vesel.

Federacije SNPJ

Zapisnik minnesotske federacije

Eveleth, Minn.—Zapisnik seje minnesotske federacije društev SNPJ, katera se je vrila dne 26. oktobra v Evelethu. Predsednik Frank Erzar odpre sejo ob 1. uri popoldne. Za reditev imenuje brata Franka Svetlin.

Citajo se društvene številke, na katerih je 37 zastopnikov. Predlagano in sprejet, da so vsi zastopniki pravomočni. Prečitan je zapisnik zadnje seje in sprejet. Ker ni bil tajnik brat Pirtz navzoč na zadnji seji, apelira, da se prečita zapisnik zadnje seje iz Buhla, kar se zgodi in po malih razpravi se zapisnik sprejme kot citan. Predsednik brat Erzar prečita pismo, datirano dne 17. maja t.l., katerega je prejel od brata Johna Kobija, v katerem izreka zahvalo za dar (fountain pen) od naše federacije kot priznanje za njegov delo. Vzeto na znanje.

Nadalje poročajo odborniki federacije, kar se vzame na znanje. Sledijo zastopniki poročajo:

Brat Joseph Vodovnik za društvo 110 in izroči vsoto \$5 za federalno blagajno. Sestra Johana Petrich, tajnica društva 322, poroča, da so izgubili eno članico, agitirajo vedno in povsod za SNPJ in izroči vsoto \$3 za federalno. Zastopnik društva 20 poroča za njih društvo ter izroči vsoto \$3. Za društvo 69 poroča brat Setnikar, kateri omenja, da je njih društvo pridobil precej novih članov v tem letu, poskušali bomo se v bodočem, zavajajmo rokave ter pojdi na agitacijo, da smo tudi v Minnesoti napredovali. Končno pa minnesotska delegacija ni bila tako natančna.

Ann Beniger, dramatična sopiranistinja iz Chicaga, je predvsem tednomela na Cankarjevi spominski proslavi v Clevelandu. Žela je prisrčen aplavz. Clevelandčani niso verjeli, da je tako imenitna pevka, dokler je niso sami slišali. Miss Beniger poseduje vse, kar potrebuje prvovrstna pevka. Uprati je, da se bo povzpela še na slavne odreske deske. Toda, zavzeti si bi moral za njo!

Fr. Zalts je včasih pisal bolj zanimive komentarje v Proletarju, katerega je uredničnik. Včasih je komentiral o tem in onem, da nes pa večinoma samo o raznih katerimi našimi na vrhu, po-

čim več novih članov SNPJ." V zadnjem letu so izgubili enega člena. Sestra Johana Ozanich poroča za društvo 130, da so izgubili dve članici. Brat Anton Blatnik poroča za društvo 205, tudi tam so izgubili enega pionira. Za društvo 268 poroča brat John Teran, ki pravi, da je njih delegat brat Joseph Koleč podal spisano poročilo o zadnji konvenciji, za kar mu je članstvo dalo priznanje. Pri njih društvo delujejo složno. Nadalje priporoča, da se vrši druga seja naše federacije po 7 letih zopet na Elyju. Ker je umrl član William Spolarich.

Resignacija brata Antonia Ssterleja ml., blagajnika federacije, kateri se sedaj nahaja v Milwaukeeju, se vzame na znanje; denar je pravilno izročen v naše federacije. Opomba: Vozni stroški ne smejo presegati vsote, katero računajo na busih.

Računi so odobreni: za brata Francka Erzara (3 seje) \$4.50, za tajnika brata And. Pirtza za dve seji \$5.

Resignacija brata Antonia Ssterleja ml., blagajnika federacije, kateri se sedaj nahaja v Milwaukeeju, se vzame na znanje; denar je pravilno izročen v naše federacije. Opomba: Vozni stroški ne smejo presegati vsote, katero računajo na busih.

Brat John Kobi, predsednik, da delegacija ni bila zmožna in njegov kritik v splošnem je fundamentalna. Vpraša, zakaj ni vzel delegacijo ali manjšinska priziva? Zavarovani imamo v skladu za \$2 bolniške podpore 8000 članov, kateri smo prizadeti. Drugo je sport, za katerega je delegacija toliko dovolila. Dobro je, če pomagamo mladini, ali ne s tako ogromno vsoto. Nadalje pravi, da bo pripravil inicijativo glede \$2 bolniškega skladka.

Brat John Teran je mnenja, da člani, zavarovani za \$1 bolniške podpore, nimajo pravice odločati za člane, kateri so zavarovani za \$2 v bolniškem skladu. Brat And. Žagar pojasni, da imamo pravico kritizirati, vprašanje pa ostane, če smo na mestu. Brat Frank Klin pojasni, da še nismo v nevarnosti glede tega skladka, če hoče članstvo plačevati 20c vec asesmenta na mesec. Brat Vodovnik predlagal zaključek debate. Govorijo še priglašeni.

Sestra Ursula Ambrozich, delegatinja 12. konvencije SNPJ, odgovarja približno sledi: Silišali smo različne kritike od strani zastopnikov. Cudim se vam, posebno pa bratu Kobiemu, ker pride s tako kritiko. Vem, da razume parlamentarni red in kako se vodijo konvencije, in delegacija se je ravnala po takem redu. Konvencija je nepravilno dobre zaključke in mogoče tudi pomepite, katere se pa lahko pravijo na drugačen način in ne s kritiziranjem.

Brat Jacob Kunselj sugestira, da naj naše federacija osovoj načrt, da pridobimo nad 400 članov do prihodnje konvencije, da gremo združeni pri vseh društvenih in političnih organizacijah, ker je sestra Ambrozich podpredsednica naše federacije. Predlagam, da se vse zastopnike društva povabimo na prost lunch v spodnjih prostorih naše dvorane.

V odboru za leto 1942 so sledi: John Kobi, predsednik (Duluth), Ivana Zobitz, podpredsednica (Chis. Hill), Andrew Pirtz, tajnik (Ely), Jacob Setnikar, blagajnik (Eveleth), Frank Klin, zapisnikar (Chisholm); nadzorni odbor: Nick Borovac, predsednik (Duluth), Andrew Zagar (Gilbert), Ann Kral (Eveleth).

Frank Ersar, predsednik, J. A. Ambrosič, zapisnikar.

Seja bridgeporiske federacije

Bridgeport, C. — Prideljna seja naše okrožne federacije S. N. P. J. se vrši v nedeljo, 28. decembra na Boydsvillu, pricetek o dveh popoldne. Ta seja bo zelo važna.

Sklapala bo tudi o tretjem ohajskem dnevu SNPJ, ki se bo vrnil v Bridgeportu 4. julija 1942. Vabljeni so vse zastopniki društiev, da se gotovo udeležite te seje. Na dnevnem redu bodo tudi poročila delegatov zadnje konvencije.

Mary Kroflich, zapisnikarica.

Seja antracitne federacije

Wilkes Barre, Pa. — Vsem zastopnikom federacije društev SNPJ na antracitnem polju se naznana, da se vrši prihodnja federacijska seja v nedeljo, 4. januarja, v Luzernu. Vrši se torej prvo nedeljo v januarju, ne zadnjo, ker je bilo v zapisniku. Prosimo, da to naznanno upoštevate in se udeležite seje 4. januarja.

John Kogoj, predsednik, Mike Bizjak, tajnik.

Seja tako nespametna, da bi vprašali za nekaj, kar ne bi mogli pravilno preskrbeti, to je vse, kar se se na konvencijah potrebuje. Mestni in živalski odbori so nam obljudili, da bodo dali lepe in prostorne dvoranе, in katerih se ne bo treba presediti. Nadalje se tudi obdržati društvene blagajne.

J. Homez, tajnik.

Greenaboro, Pa. — Pozivam člane društva 101 SNPJ, da se v polnem številu udeležite prihodnje seje 4. januarja točno ob 2. popoldne v gledališču Greensboro. Kakor vam je zna-

la, Dolžnost nas vseh je, da se želimo združiti s naslednjim društvom 494 in obdržati samo eno društvo. Razlog je, ker sta obe društvi majhni in skoraj ne pride toliko članov na sejo, da bi mogli odprieti. Drugo je, ker nimamo prostora za zborovanje. Pridite torej vse na skupno sejo obeh društev, da določimo, kje bomo v bodočih zborovali in tudi moramo izvoliti odbor za 1942.

AMERIKA MORA BITI

ZDAJ PRVA!

Dejstvo, da je bil slovenski narodni kongres odložen za nedoločen čas, je razumljivo samo po sebi.

Amerika je danes v vojni, v največji in najhujši vojni vseh časov človeške zgodovine—in prva ter glavna dolžnost vseh ameriških državljanov zdaj je, da se zanimajo najprvo za svoj obstanek in za svojo zmago.

V času, ko je SNPJ na svoji zadnji konvenciji v Pittsburghu sprejela resolucijo z obljubo, da bo pomagala naši starci domovini do svobode v okviru demokratične jugoslovenske ali širše federacije, so bile Združene države še v stanju vsaj navidezno miru. Nihče ni pričakoval, da pride čez tri mesece vojna v Ameriko kar čez noč.

Resolucija je bila na mestu. Velika večina naših članov je bila že takrat opredeljena glede evropskega konflikta: postavila se je na stran demokracij, na stran zunanje politike predsednika Roosevelt in proti totalitarnemu diktatorju. Resolucija je bila izraz mišljena in teženje velike večine.

Takrat je bila Amerika še razdeljena na dva tabora, ki sta se prepirala okoli vprašanja: Ali pojdemo v vojno ali ne? Več milijonov Američanov je bilo še vedno tako naivnih, da so verjeli, da si Amerika lahko sama voli mir ali vojno.

Mi nismo verjeli tega, smo pa upali, da se vstop Amerike v vojno zavleče vsaj do prihodnjih pomladih ali poletja—da namreč ne bo prej tako velike provokacije s strani osišča za napoved vojne.

V tem času bi bili mi lahko razvili močno politično akcijo v prid Sloveniji in Jugoslaviji. Pravimo: lahko—klub vsem oviram in težavam, ki so se pojavljale. Če je enkrat v večjem številu ameriških Slovencev, svobodomiselnih in katoliških, dovolj determinacije za skupno politično akcijo v prid starim domovinam, morajo biti ovire odstranjene, pa naj so še tako velike.

• • •

Odločile so višje sile, napram katerim smo mi nič.

Odločil je gangeški štab v Berlinu, ki je v štiri in dvajsetih urah razkazil vro onih naivnih Američanov, verujočih, da le Amerika lahko odloči, ali hoče in ali vojno—in jih prebudil v realnost, da odločitev ni naša. Odločitev je prišla iz Berlina in razbojniški japonski napad na Havajske in Filipinske otroke je podučil naivne Američane, da Amerika se lahko odloči le za eno od dvojega: vojno ali kapitulacija!

Amerika je sprejela vojno. Kapitulacije ne bo nikdar!

Odločitev je prišla naglo, sko-

ro kakor bliskovito. Prišla je prav tako bliskovito, kakor je prišel napad japonskih razbojnikov.

Kaj to pomeni za Ameriko, kaj to pomeni za nas, ki živimo v Ameriki in smo njeni državljanji, o tem pišemo v Prosveti vsak dan od dneva odločitve, od 8. decembra 1941.

Amerika hoče od nas, da vseh svojih državljanov, da za časa te vojne prenehamo z medsebojnimi, notranjimi boji, da ne oviramo drug drugega in ne nagašamo politično, ekonomsko in drugače drug drugemu, da odložimo vse one probleme, ki se lahko odlože, na poznejše.

Prav za prav ni treba, da bi nam Amerika to povedala. Odrasli, dozoreli in resni ljudje, možje in žene, morajo to sami vedeti!

Sami se moramo zavestati, da demokracija Amerike smo mi vse ljudje—in če hočemo, da bo ameriška demokracija zmagovala v tej vojni, moramo zmogati mi vse—da pa moremo zmogati, moramo vse delati za zmago.

Zmaga Amerike mora biti zdaj vse naše delo in vsa naša skrb.

Zmaga Amerike pomeni tudi zmago Anglije, zmago Rusije in zmago vseh, ki so bili in so še v vojni z nacifašističnim osiščem.

Zmaga Amerike pomeni tudi zmago Slovenije in Jugoslavije!

Brez skupne zmage Amerike, Anglike in Rusije ne bo osvoboditve in demokracije za našo staro domovino, ne za Evropo, ne za ves svet—ne bo več svobode in demokracije niti za Ameriko!

Le dobro premislite te besede.

Amerika se je odločila za vojno, ker noče kapitulirati—in v tej vojni mora zmagati za vso keno. To je zdaj edina pot, drugega izhoda iz te vojne ni.

Koliko časa bo vojna trajala, ne vemo, niti ni važno. Lahko traja leto dni, lahko dve leti, lahko še več.

Gotovo je pa to, da bo naša zmaga na vidišku nekaj mesecev pred koncem vojne. In takrat bomo vedeli, da gre naše delo za zmago h koncu. Takrat bomo lahko spet začeli delati—da se pravim pomagati—na vprašanju, kakšna naj bo bodočnost naše stare domovine. Nihče nam ne bo zameril tega in nihče nam ne bo oviral pri tem.

Slutimo celo to, da mir ne pride bliskovito čez noč kot je prišla vojna; mir bo prihajal počasi. Medtem, ko bo Amerika nasičevala, oblačila in medicinalno izstradano, nago in bolno prebivalstvo evropskih dežel po sklenitvi premirja, bo dovolj časa za razmišljanje o mirovnih načrtih.

Naloge zmagovalnih demokracij najprej bo, da pospravi evropske razvaline in z okupacijo načifašističnih držav pomesti ostanki načifašistične kuge. To bo vzel precej časa.

Slutimo tudi to, da se bodoči mir ne bo sklepal po peščici državnikov pri zelenih mizah in za zaprtimi vrati kot je bila vprašana navada v preteklosti; slutimo, da se bo mir sklepal javno, zelo počasi in zelo previdno. Časa bo torej dosti.

Pred nami je zdaj samo ena dolžnost: zmaga!

To je zdaj prvo in najbolj važno.

Vse drugo je manj važno v tem momentu.

Jednotni problemi

West Allia, Wis. — Pazno sledujem članke glavnega tajnika SNPJ, ki so vredni, da jih vse člani naše jednote čitajo in o njih razmišljajo. Posebno pa se strinjam z njegovimi nasveti v št. 240 glede sestavljanja in spreminjanja pravil.

Že pred več leti sem opazoval konvencijo neke večje organizacije kot je naša jednota. Zal, da ne vem, kako stroški so imeli, znano pa mi je, da so zborovali nekako tako kot priporoča naš glavni tajnik. Tri dni pred konvencijo je namreč prišlo skupaj okrog 40 delegatov in glavnih odbornikov, da so uredili pravila, četrti dan pa so vlasti pripravili vseh 30.000 gostov in delegatov, ki so pravila potrdili, katere je prej pripravil omenjeni odbor. Potem so imeli parado po mestu in nato odšli domov.

Če bi nas enkrat pamet srečala in minila lakomnost po delegatski časti in mastnih dnevnicah, potem bi lahko računali na kako boljšo pomoč za naše stare člane in pionirje jednote. Kot sem že omenil, jaz veliko več pričakujem od bodočega glavnega odbora, kot pa je storila zadnja konvencija. Pa tudi uslužbeni boci so naši bratje in ne hlapci, ki jih je preveč iz enega kraja.

Če bi nas enkrat pamet srečala in minila lakomnost po delegatski časti in mastnih dnevnicah, potem bi lahko računali na kako boljšo pomoč za naše stare člane in pionirje jednote. Kot sem že omenil, jaz veliko več pričakujem od bodočega glavnega odbora, kot pa je storila zadnja konvencija. Pa tudi uslužbeni boci so naši bratje in ne hlapci, ki jih je preveč iz enega kraja.

Sprejem tiste delegacije in gostov so po mestu pripravljali že par dni naprej. Že saj sem prispeval štiri dolarje za napis "dobro došli" — prodal pa sem za en dolar vrednost. Po pari so delegacije in gostje odšli, mi smo pa ostali razočarani.

Kot je bilo nam povедano, so imeli dnevnice po pet dolarjev na dan le tisti delegacije, ki so zborovali tri dni pred konvencijo, če je sestavljali pravila, očitali delegatom, to je onim, ki so prišli, da potrdijo pravila, so društva plačala dnevnice, vozne stroške pa so moralri trpeti sami.

Vzrok, da to pišem, je to, ker se nekateri člani spotiskajo in mečejo gl. odbornikom polena pod noge. Bratje in sestre, kdor je že bil na konvencijah JSZ in SNPJ, bo priznal, da se ta zborovanja ločijo kot noč od dneva. Napetost, ki je vladala na 12 konvenciji, je pokazala, da se ne da nič izboljšati, če je delegacija prevleka. In zadnja konvencija je bila prevleka.

Petelinca pevskega zabora

Library, Pa.—Pred nami je slavnostni dan pevskega zabora Bleeda, ki bo praznoval svojo petletnico v nedeljo, 28. dec., s koncertom in šalogniro "Gospa Kordula". Upamo, da bo ta dan naša dvorana zopet enkrat nabito polna.

Kdor še ni imel prilike slišati dobro znanega pevskega zabora Rožmarinna iz Ambridgea, bo imel priliko na našem koncertu, prav tako tudi naš novi kvartet, ki bo nastopil prvič z nekaj domačimi pesnicami. In kot omenjeno, bo podana tudi šalognira "Gospa Kordula".

Preprican sem, da bo na tej naši prireditvi dovolj užitka in zabave za stare in mlade. Po programu bo igrala za ples Dolarjevo godbo, kateri smo naši narodni, da mora igrati same polke in valčke. Žejljno pričakujemo naših starih znancev iz Canonsburga, Bridgevillea, Moon Runa, Pittsburgha, Harwicka, Universiteta Hacketta in drugih. Saj se nismo videli že dolgo. Zatorej pokažite, da ste za to, da naša slovenska pesem še doni in se razlega po tej naši novi domovini. Pricetek programa ob 6. zvečer. Vabljeni so tudi vsi rojaki in rojakinje iz mesta in okolice na udobje. Odbor je pridno na delu z raznimi pripravami za ta večer, da bo mogoče vsem v popolnem zadovoljstvu postreži. Lahko je vsakdan zagotovljeno, da bo našo konvencijo značilno v razburjenih časih in nihče ne ve, kaj nam prinese jutrišnji dan in bodoči novo leto, ker vznemirjen je ves svet. Vzlic temu se pa ljudstvo obiskuje drugačna v raznimi voščili in darili za božič in novo leto kot poprej v preteklosti, ne glede na to, kaj se godi med nami.

Ninth Yearly SNPJ Duckpin Tourney Jan. 1

Sports a Necessity in Time of War

The SNPJ and its official organ Prosveta point with pride to their past record in carrying out the organization's mission and pursuing a course in defense of the principles of democracy at all times.

Our Society and its official organ have staunchly supported the national administration in its policy against the aggressors from the very beginning of the present world conflict.

And it is gratifying to know that American workers everywhere, responding to the war emergency, promptly pledged their unqualified support to the government to prosecute an all-out war against the invaders. Our entire membership joins in this by pledging its undivided support to speed the production of munitions of all kinds necessary to victory.

While we are so engaged in making our efforts as effective as possible, we realize also the necessity of healthful recreation. We know that sports and social activities are essential to good morale, and that it is desirable to continue our various activities along this line in so far as they will aid our common cause.

The ninth annual National SNPJ Duckpin Tournament, sponsored by the SNPJ Federation of English Speaking Lodges of Western Pennsylvania, will again be held at Carrick, a suburb of Pittsburgh, on January 1, 1942.

This will be the fourth consecutive year that the tournament will take place in Carrick at Stanley's Parlors where twenty-eight alleys are at the disposal of our bowlers. The event, held annually on New Year's Day, attracts large numbers of members, teams and visitors. For this year's tournament the committee in charge reports a record number of entries, most of them from Pennsylvania and nearby states.

Our members of Western Pennsylvania have repeatedly demonstrated that they can produce large scale events to the benefit of the organization. Their yearly Pennsylvania SNPJ Day celebrations as well as their sectional and national events sponsored in different communities there, have always held the attention of the SNPJ world and have been an inspiration to our members everywhere.

This year as in all previous years, our contestants will again vie for a number of prizes in teams, doubles and singles. The event is open to all members.

Also like all previous New Year's Day tournaments, this year's contest will be climaxed by a dance at the Slovene Hall in Carrick, which is about five miles from Carrick.

We extend the season's greetings to all who will be gathered there as well as to our members everywhere!

The Commodores' Log

CLEVELAND, O.—Season's greetings to all our fellow Slovenes who are peace-loving people. But in this turmoil of war everyone will stand shoulder to shoulder with Uncle Sam and all his followers since the necessity demands, and fight for right with might.

A small example of this freedom for which we are fighting can be taken from our December meeting. We had our yearly elections and elected whomever we thought capable of holding office, and not just anyone that some dictator sent to rule and regulate our small groups as "he" designates. Don't worry, we're not going to let that happen here! But now to the business of the moment which is big business to us.

Although President Frank Zvanut tried to decline the nomination for a second term, he could not overrule the enthusiastic comments of the members. Some of which I mention here. . . You have made a lot of friends in just one year. Take another term and make many more and then some." Another comment on his status in the Lodge's estimation was: We finally have a leader at the

helm at the "Good Ship Commodore," who has put it on an even keel and has given us a signal straight ahead and no stopping. Which we intend to do by putting our best foot forward and making our first attempt of the new year a big success.

And we do mean big, because it is

nothing but our largest Social Gathering since the organization of our Lodge. In a few words our anniversary dance on Feb. 8. This year it will be held at the Slovene National Home at 64th and St. Clair Ave. The music will be furnished by Trebar's very fine orchestra. There's no need of telling you that there will be fun galore-ious. But I must say, be sure to attend and therefore have no later regrets. From reports by Bros. Zarnick there will be a large number of traveling SNPJs in attendance, and the surprise visit of all will come later.

Well, I'll be darned, election news was sidetracked for a moment, but who can blame us for our enthusiasm. Let's try again! The vice presidency was taken by Jos Konchan by a small margin. As secretary we have Sister Marie Zietz who is so capable that it looks like she will just have to keep her job for life. The Treasury shall be guarded by Tony Papas who shall, I'm sure, handle the job with ease.

Sister Anna Zarnick retained her post as recording secretary.

The Auditing board headed by Bro. Bodnik consists of Eileen Konchan and Tony Papas.

The report of the Bowling committee was rather short but snappy. The Lodge was informed that the Harvard Lumber Co. is backing its team, and that the team is determined to get back into first place.

Now back to the surprise aforementioned. Brother Zarnick is in hopes of having our Mayor, Frank Lausche, attend our dance. We also hope to see his "right hand" man, "Lindy" Lokar, also there. "Lindy," by the way, was the organizer of Lodge Commodores and many other SNPJ English Speaking Lodges that needed a guiding hand to start them on the right road to fraternalism.

And now with a "Don't forget the Commodores on Feb. 8, I'll say. We'll be seeing you."

RUDY SUPANIC, Lodge 758.

Forward, Loyalites!

CLEVELAND, O.—It was with deep regret that we learned the date of the next Ohio SNPJ Day celebration. The Loyalty Field Day has traditionally been held on the Fourth of July for several years now; in fact, the grounds are rented a year ahead of the date. The SNPJ farm in Cleveland is an extremely popular place and allows for no change in that date at all since the weeks ends for the entire year are already reserved.

Exactly a week after last year's Ohio SNPJ Day was held, the Loyalties published an announcement to remind all SNPJs that the Loyalty Field Day was a traditional affair held annually. The cooperation of the Ohio SNPJ Federations was asked. We are sorry that the Federations did not deem it necessary to consider this request not only because it tends to harm both events, but also because the Loyalties regret sincerely their inability to participate in an affair which should be boosted especially by all Ohio SNPJ lodges.

Although the Loyalties were represented at the YA-Wolverine dance Dec. 13, the weather kept the scribes of this column right here in Cleveland. However, we hope to be Detroit bound for the next Young American or Wolverine dance. Incidentally, we'd like to congratulate Blondie Obramovic and Anne Stengel on their engagement. Among the YA's who will be home for the holidays is Emil Istnick who has made South Dakota his headquarters for the past few weeks.

The Loyalty annual elections resulted in the following officers: President, Frank Cheligo; Marty Paul, Vice-President; "Doc" Gregorci, Recording Secretary; Tony Kastelic, Financial Secretary; Louise Zupon, Treasurer; Sergeant-at-Arms, Louis Zadell. Federation representatives are Frank Cheligo and Dorothy Rossa. Stan Zupon and Louis Zadell are representatives for Cleveland Athletic Federation. Farm Board representatives are Tony Kastelic and Dorothy Rossa.

A vote of thanks is due the old officers, especially Ex-Pres "Doc" Gregorci who has served the Loyalties for several years. Congratulations to the new officers. We wish you a very successful year during 1942. Upon you rest the tasks of initiating and carrying through most of the ideas and suggestions which will put the Loyalties on the map. We hope that each officer will consider it his duty to read the by-laws and acquaint himself with his own particular duties. Although it is necessary that each member of an organization cooperates in order that the lodge may progress, yet it is far more essential that the officers unite all their efforts to doing their very best for the Lodge.

We'd like at this time to congratulate the Loyalties on having elected as their leader for 1942 the man who is most capable of holding that job. Few lodges are blessed with having at their head a member who is so deeply interested in his lodge as is Frank Cheligo. Regardless of whether he held an office or not, Frank has worked incessantly and fervently for the Loyalties. We are sure that during the coming year, the Loyalties, under "Chili's" leadership, will climb to new and greater heights.

My co-scribe, Rosemary, and I as well as all the Loyalties extend to all SNPJ members not only in Cleveland, but to our friends in Detroit, Girard, Struthers, Pa., Barberston and many other places our most sincere wishes for a very Merry Christmas.

DOROTHY ROSSA, 590.

Hoosier Pals Asked to Pay Dues by Dec. 26

INDIANAPOLIS, IND.—All members of the Hoosier Pals Lodge 230 of the former SSPZ are asked to cooperate with the Secretary and pay their dues by the 26th day of December.

Now back to the surprise aforementioned. Brother Zarnick is in hopes of having our Mayor, Frank Lausche, attend our dance. We also hope to see his "right hand" man, "Lindy" Lokar, also there. "Lindy," by the way, was the organizer of Lodge Commodores and many other SNPJ English Speaking Lodges that needed a guiding hand to start them on the right road to fraternalism.

And now with a "Don't forget the Commodores on Feb. 8, I'll say. We'll be seeing you."

JOE KONCHAN, Lodge 742.

Jan. 1—Ninth Annual National SNPJ Duckpin Tournament and Dance on New Year's Day. Tournament will be held at the Stanley Parlors, Carrick (Pittsburgh), and dance will be held at the Slovene Hall, Library.

Comets' News

This is your reminder of how you are to spend New Year's Eve. Remember that it is at the New Year's Eve Dance of the COMETS Lodge 715, at the Slovene Hall, Universal, December 31st, America's traditional night of nights to raise "whoopie".

will be celebrated in grand style with the COMETS as your hosts,

hosts to hundreds of our SNPJ members and friends.

What the lodge members fail to do to make a good time for you, Martin Kukovich and his orchestra will provide. Theirs is the kind of music you'll want to hear; it's the kind you'll want to dance to again and again. Keep the date in mind with the COMETS and KUKOVICH; come early and stay late. Everything and everyone will be there.

The sad news that our Daily Prosveta carried last Friday was the death of a man we were pleased to know. It told of the death of an active SNPJ pioneer member and our Supreme Treasurer, Brother John Vogrich. Our Society as well as his friends and his relatives will miss a great man, and the COMETS Lodge joins in expressing sympathy to his family.

And to our officers, committees, and all members of the Slovene National Benefit Society, the COMETS

Auditing Committee, Emily Kral, Lillian Beanko and Louise Furno.

News and Views

On November 30 we attended the silver wedding anniversary of Andrew and Frances Berginc of Harmarville, held at the American Legion Hall in Oakmont. A good time was provided for all the guests, most of whom are SNPJ members.

Congratulations and best wishes for further success to this couple. And in no less measure, our greetings to Mr. and Mrs. Grum, who celebrated their 40th wedding anniversary in Detroit recently, and to the engagement of Lillian Grum and Robert Travnik.

The officers elected for the year of 1942 are: President, Adolph Slapnik; Vice President, John Bobek; Recording Secretary, Helen Dermott; Financial Secretary, Ann Stremlin; Treasurer, Frances Dermott. Auditing Committee, Emily Kral, Lillian Beanko and Louise Furno.

Here and There

Dec. 25 night will probably find a few of the J. Z. Jrs. at the Pioneers' Dance in Strabane.

Dec. 28th is the day set aside for the senior folks. There will be a Slovene play enacted by characters like—Angelina Ocepek, Jessie Rupnik, Josephine Prijatil, Louise Franck and several others. The Rosmarin and Bled Singing Clubs will be on hand with a few vocal selections.

Following the program there will be dancing to Paul Dolinar's orchestra.

Dec. 31st, Universal bound is what few of the boys are planning.

Jan. 1st, Bowling Tournament and Dance. Until then—so long.

My Week

By Louis Beniger

It is correctly said that hysteria never won a war! Therefore, we must not repeat the bitter experience we had with hysteria in the last war, but instead we must "keep our shirts on" and work for our ultimate victory calmly, determinedly and persistently!

However, we see that a number of mistakes have already made the people jittery in several coast cities. A fake alarm, for instance, was sounded along the East Coast soon after the attack on Pearl Harbor. Hundreds of thousands of school children were sent scurrying to their homes. This is exactly what the fifth column propaganda seeks to accomplish—panic and hysteria.

No one will deny the wisdom of preparing for any eventuality. Well organized precautionary work is necessary and must be carried out by the authorities to reduce casualties in the event of an air raid. However, work of this kind, if in the wrong hands, may easily become dangerous.

In any event the authorities should take the people into their confidence and tell them what is planned. No one should be permitted to take the situation into his own hands without proper authority. Because it could happen that some unscrupulous person, anxious to promote disorder, would do more damage than an enemy attack. While it is true that our cities on the East and West coasts are much more vulnerable, precautionary measures should be taken everywhere.

According to recent Gallup Poll, the people of the United States, and particularly workers, are more than willing to roll up their sleeves and speed up production of warplanes, tanks, guns, ships and other material essential to victory. In a nationwide survey just completed by the American Institute of Public Opinion, it was revealed that 85% of workers in defense industry are ready to work an extra eight hours a week in order to speed up production.

While we grownups will hardly be able to celebrate the holiday season with the usual carefree gayety, the children, bless them, are as happy as ever. I watched them at the SNPJ Hall last Sunday at the Federation's annual Christmas party. They were so pleased with everything—the little ones with Santa Claus, the in-betweens with their gifts, the older ones with the music and youthful dancing partners. It was all gay and heartwarming as usual. May our next year's party be no different.

John Vogrich

Brother John Vogrich, Supreme Treasurer of the SNPJ and former Supreme President of the Society (1915 to 1918), who died on Friday, December 19, after a long illness.

Brother Vogrich was born in Masore near Cerkne in Primorje and at the time of his death was 65 years old. He was the organizer of SNPJ lodge Triglav No. 2 in La Salle, Ill., where he lived for many years. He became Supreme Treasurer in 1920, which position he held until his death. He was a member of SNPJ lodge 131.

Brother Vogrich was active in fraternal and labor circles from early manhood. He won the respect, the confidence and the affection of the members of the SNPJ through the efficient and friendly conduct of his offices. His temperament and his genuine concern for the welfare of the Society were outstanding qualities which made him a valued and trusted official who will be sadly missed.

He is survived by his widow, a son, three daughters and other relatives who mourn him, along with the entire membership of our organization. His name is added to those other SNPJ pioneers who have passed on, whose noble purpose and accomplishments we are dedicated to preserve and continue.

Jolly Allis Lodge

WEST ALLIS, WIS.—The season's greetings are extended to all of our friends.

Officers of Lodge 686 for the next year are: John Gole, pres.; Youst Yannik, V. pres.; Mary Perity, sec'y; George (13th time) Goran, treas.; Josephine Musich, rec. sec'y. Congratulations to them. I am sure we all wish them success in their jobs.

The meeting night has been changed to the third Monday of the month. The hall will still be open. Your monthly assessments will be five cents a month more next year due to the lack of funds in the treasury.

We are anxious to keep in touch with our members in the armed forces. Please send the sec'y your address when you are stationed as the lodge will see that you are remembered.

We will hold a dance on Feb. 14, 1942, at the Labor Hall, So. 64th and W. Nat'l Ave. This dance is being held to honor all former residents of the Minnesota Range who are at the present residing in this territory. Appropriate plans are being formulated and will be announced in later issues of the Prosveta.

Over the Back Fence: A little belated but not too late to wish happiness to our last four entrants into the matrimonial status of life—John Gole and Jean Segees are now Mr. and Mrs., and the mate's of Julia Lencheck and Vince Stiglich, I am sorry, I do not know.

It's a long time since Vince (We Got It) Podlogar put in an appearance but it seems as though he wants to make up for lost time as he volunteered to be co-chairman of the dance committee.

The boys at the dance committee meeting were having a friendly game of blackjack until Emil (21) Terskan joined in—from that time on it became a rout.

Bill (Five Deer) Bernik wanted to show the boys how he did it but there seems to be a difference between the woods and electric rifle range. The sights must have been off.

Sorry, readers, but Xmas has the best of me, and I got to "cut."

Badgerland News

MILWAUKEE, WIS.—As 1941 draws to a close, we can look back on one of our most successful years. Our membership has shown a steady increase, and though conditions may be a little tougher in 1942, the Badgers will once again come through with colors flying high.

The following officers will serve us for 1942: President, John Obluck; Vice President, Frank Ermenc; Secretary, Leo Schweiger; Treasurer, Frank Obluck; Recording Secretary, Olga Golob; Sgt-at-Arms, Stanley Sedmak; Auditing committee, Len Alpern Jr., Augustine Zoril and Anton Obluck.

Augustine Zoril will continue as sick committee chairman. The delegates to the SNPJ Federation will be: Frank Ermenc, Matt Smole, Len Alpern, Jessie Chuck, Frank Bolka and Leo Schweiger. Stanley Sedmak and Rudie Pugel will represent the Badgers in the Midwest Athletic League and Leo Schweiger, John Obluck, Matt Smole, Joe Wene and Frank Obluck will act as our Slovenski Dom delegates.

Our December meeting was well attended and the entertainment committee that took charge after the meeting did itself honor. Two transfer members, Matt Smole from Lodge 16 and Rose Flesik from Ashland, Wisconsin; and two new members, Mary Evanich and Mary Lucrelli, were accepted.

Mr. and Mrs. Frank Klancar are the proud parents of a baby girl. Congratulations. Mr. and Mrs. Marco Schappack are spending the holidays in Virginia, Minnesota.

The juvenile Christmas party was a huge success. The hall was packed with the young SNPJ members and their doting parents. A two hour program by the Juvenile Circle started the festivities. Santa Claus then distributed the Christmas packages. After this the grownups took over and long after the little ones were safely tucked in bed, the merry making continued. A good time was had by all.

After years of talking about it, Milwaukee may finally have its Slovenski Dom. Without a dissenting vote the Slovenski Dom shareholders decided to buy the S. S. Turn Hall. An option has been taken on the building, which, by the way, has been vastly improved in the past year. All that is needed now is money. A soliciting campaign will soon be under way to raise enough for at least the down payment. The Badgers are buying four more shares. Remember that all moneys collected are put into a trust fund, and if the purchase of the home is not accomplished within a specified time, all money collected will be returned.

On January 17, the athletic group of the Badgers will hold a dance at the Harmony Hall. Everybody is invited. FRANK OBLUCK, 584.

Influenza (La Grippe) or "Flu"

During the present world war, individual and community health are important factors to be considered in aiding to win the war.

Great "flu" epidemics have been reported since the sixteenth century. There were four from their succeeding epidemics during the last century. The epidemic in the fall of 1918 during the last world war was the most severe in history, with a death toll of 20,000,000 persons. The "flu" epidemic took more lives than were lost in action during the war.

Influenza is an infectious, contagious disease based on symptoms of sudden onset with aching pain throughout the body, especially severe in the head and back, chills or chilly sensation with fever, weakness, hoarseness, cough, occasionally nausea with vomiting. A terrible thirst is present and the appetite is reduced. The tongue is coated but not furred. This coating is white or light gray.

The following day the patient is worse; a high fever is usually present by this time. Death from uncomplicated influenza is rare if it is treated properly. The marked danger of influenza is its complications, such as pneumonia, or streptococcus infection, as it was in the last epidemic of 1918.

There are no specific drugs for the treatment of influenza, but careful and prompt treatment with proper management by the family physician may be life saving. The patient should be put to bed immediately on the first appearance of symptoms and kept there until he has been free of symptoms and without fever for at least three to four days. Bathroom privileges must be denied if the fever is over 100 degrees, but it is best to remain in bed until the temperature is normal. Absolute bed rest not only seems to reduce the severity of the infection and its complications, but remissions are also less likely to occur.

Plenty of fresh air should be admitted to the sick room, but the patient must be carefully protected against drafts. A "flu" patient often sweats freely, especially as the fever goes down. It is of great importance to prevent chilling. Frequent changes of bed linens are required. The patient should be rubbed with a warm towel and given a quick refreshing alcohol rub.

The diet should be nourishing and easily digested. This diet should consist of milk, or the various milk combinations, cream soups, gruels, egg-nogs, orange juice, custards and meat broth. Later one may gradually add soft foods, such as eggs, milk, toast, oysters, cereals, jellies, custard, milk-toast and ice cream, and finally return to the ordinary diet.

The patient should take large amounts of fluids, about one glass of water every hour, or more if desired when awake. The bowels must be kept well open with such laxatives as magnesium citrate, calomel, and enemas. For headache, backache and generalized aching pains, medicine should be prescribed by the family physician. As the patient convalesces, iron tonics, vitamins and nourishing foods should be given.

Complete isolation of a "flu" patient is necessary to prevent the spread of influenza. While the disease is prevalent, the well person should be inoculated with a mixed serum or vaccine and take large amounts of vitamins and iron tonics to build up the resistance. He should breath plenty of fresh air, exercise

and have a good night's sleep.

With the Ladies' League at SWH Recreation

CLEVELAND, O.—A milestone of

progress was passed by Theresa Jeric, when she bowled a series of 566. This breaks the SNPJ all-time record of 555 held by Jo Laskar.

Theresa made her series by

bowlings of 204, 206 and 156.

The other good bowler of that day

was Jean Beljan with 512 series.

She had games of 164-189-159.

Comrades No. 2 takes second place, followed by Strugglers No. 1. Theresa made her series by bowlings of 204, 206 and 156. The other good bowler of that day was Jean Beljan with 512 series.
