

### VESTI IZ SLOVENIJE

**DEKANA ŽAGARJA** v Idri- li so ponovno zaprli. Ne vedo niti domači kje je.

**NA SV. GORI PRI GORICI** so razstrelili spomenik padlim junakom in vojakom iz prve svetovne vojne.

**UBOGA TETA.** — Pismo pove takole: V naši vasi je Petračeva Mana prav reva. V ponedeljek so jo prevedeli. Na hiši prezeba, večkrat je lačna. Pravijo, da ji nečakinja Katra enkrat na dan nese gori hrane, pa je Katra če radi tega večkrat tepena. To je v pismu. Čudno so razmere v kmečki družini, ki tako ravna s staro teto, skoro nerazumljive. Bolj so pa razumljive, če povemo, da se to godi na rojstnem domu velikega moža sedanje komunistične vlade Slovenije, ministra Pfeiferja. Bolna žena je teta ministrova, Katra pa njegova sestra, ki pa še ni prekušena s komunistično vzgojo. Po komunističnem nauku je teta, ki ni več sposobna za delo in povrh še bolna, narodna škoda. Taki čim prej umrjo, tem bolje. Minister Pfeifer je pa dober komunist in skrbi, da se komunistični nauk izvaja povsod, tudi v njegovi rojstni hiši na njegovi teti Mani.

**ZADNJA ŠTEVILKA.** — V Spittalu je izšla zadnja številka lista, ki so ga doslej izdajali taboriščniki: Domači glasovi. Začela je izhajati Slovenija v Monakovem v Nemčiji in bodo ljudje sedaj ta list naročili. Več jih pa tudi čita Ameriško Domovino. V zadnji številki list sporoča: V preteklem letu se je izselilo v Argentino iz taborišča 617 Slovencev, v Kanado 534, v Brazilijo 54, v Ekvador pa ena družina. Bilo 80 rojstev med nami. Večino imajo fantki. Prišlo je namreč na svet 54 dečkov in 26 deklic. Da se bo naš begunski rod še množil, za to bo poskrbelo 68 novih zakonskih parov. Smrt je bolj pogosto segala med nas kot poprej. Bilo je 19 smrtnih slučajev. Štirje so bili otroci manj kot leto dni stari. V taborišču je bilo razdeljenih v preteklem letu 244.420 sv. obhajil. Nekdo je rekel, da v tem oziru begunci v Spittalu odtehtajo skoro za polovico krške škofije. Takoj po novem letu pa je odšel doslej največji transport iz Spittala. Bilo je 533 Slovencev, ki so se poslovlili od našega lešenega mesta.

**SREDNJE ŠOLE SO V SLOVENIJI** letos zelo polne. V Kranju ima vrvi razred 12 vspretnic. Sedaj pa čistijo in pravijo, da bodo polovico otrok pometal ven.

**Tri na dan** Kitajski komunisti so pač komunisti, vendar ne priznajo vzhodne komande v Moskvi in je ne bodo nikoli.

Kitajski komunisti vedo, da morajo dati deželi novo življenje, če se hočejo ohraniti na vladi. Glavni pogoji za podvig so stroji.

Strojev jim pa ne more dati Moskva, ampak samo — Amerika. Zato bo imela Amerika na Kitajskem več besede kot pa Moskva.

**DRŽAVLJANSKO VOJNO** pričakuje ljudje na poletje. Spor med Titovi in kominformisti se namreč neverjetno postruje in slednji vendarle stalno pridobivajo. Ni namreč mogoče med pravimi komunisti vzdržati vere, da je kdo "pravi," če ni v popolni zvezi z Moskvjo, pa tudi ne vere, da se bo v sporu z Moskvjo kak komunističen režim mogel držati.

**Dr. Vladko Maček o hrvatski državi**

V hrvatskih listih v Ameriki je Dr. Vladko Maček, predsednik hrvatske kmetijske stranke objavil članek, v katerem povesuje mnenje o državi in posebej o hrvatski državi. Dr. Maček pravi med drugim:

Pred 170 leti, ko so predniki sedanjih državljanzov Amerike napravili sklep, da se odcepijo od Velike Britanije, ki je bila njih rodna zemlja, so to storili na osnovi deklaracije o neodvisnosti. V to deklaracijo so vključili sledeče misli, ki bi jih mora upoštevati vsak, ki se hoče iskreno boriti za svobodo svojega naroda. Misli so te:

1. Vsi ljudje so rojeni enaki. Bog in da ljudem gotovo pravice, ki jim jih nihče ne more nikoli odvzeti. Glavne med temi pravicami so pravica na življenje, pravica do svobode in pravica biti srečen.

2. V ta namen, da je mogoče zaščititi in ocvatiti ljudi in te njihove pravice, nastajajo in se ustvarjajo države in v ta namen postavljajo ljudje svoje vlade. Te vlade imajo vso oblast od naroda, ki jih je postavil.

Tem svobodoljubnim Amerikancem torej ni bilo do tega, da bi postavili pravilo: "Za državo najprej in pred vsem," ampak so na prvo mesto postavili pravico človeka in državo samo kot sredstvo, ki naj ščiti ljudske pravice.

To in samo to je pravilno razumevanje svobodne narodne države. Kaj mi pomaga država, čeprav bi se imenovala neodvisna ali republika, če tudi bi se v njej vile še tako dolge hrvatske zastave, bilo da so čiste ali pa da imajo pripet U kot znamenje ustaštva ali pa rdečo zvezdo kot znamenje komunistične diktature, če pa v tej državi niso zavarovane najosnovnejše pravice ljudstva. Čemu naj mi bo država, v kateri me mort vsak pogladi brez odgovornosti dvigniti sredi noči iz postelje in me odvreči v neko taborišče ali pa me pobiti par korakov od doma. Ne, take države nam ni treba, pa če ima še tako zveneče ime. Ne more je zeleti nihče, ki ima še kaj zdravega razuma in poštenja v sreju.

Da, mi hočemo državo, ali državo, ki temelji na načelih velikega Washingtona in Jeffersona in na naukih, ki so nam jih dali naši veliki učitelji Anton in Štefan Radič.

**Novi tajnik za vojako**

Washington. — Curtis E. Calder predsednik Elctric Bond & Share Comp. bo postal tajnik za armado kot naslednik Kennetha C. Royala. Dosedanji pomočnik tajnika Gordon Gray bo postal podtajnik.

### Rogelj pravi da je v Sloveniji pomanjkanje

**O politiki ni govoril — Ljudje n' majo in trdo delajo**

John N. Rogelj, vidna osebnost SANS-a, ki ga je najvišji državni pravdnik označil za subverzivno organizacijo, je bil na obisku v Jugoslaviji in posebno pri svojcih v Sloveniji. Vrnil se je srečno v Cleveland in povedal, da je šel samo v Primsko pri Kranju k svojim sorodnikom. V Ljubljani sta se srečala seveda z Louis Adamičem. Rogelj je povedal, da je v Sloveniji prav gotovo hudo pomanjkanje, da pa še stvar vendar vidno popravlja. Rekel je, da so mu uradniki Rdečega križa povedali, da zelo manjka opreme za otroške bolnice. Pravi dalje, da je videl veliko novih industrijskih zgradb, da je svobodno govoril z ljudmi, da pa ni hotel razgovarjati političnih stvari. Njegov splošen utis je ta, da tam ljudje zelo veliko in trdo delajo, da jim manjka mnogo potrebnega, vendar, da mnogi med njimi upajo, da se bo vse to zboljšalo.

G. Rogelj, ki mora uživati veliko naklonjenost Titovega režima in ki je za jugoslovanske komuniste že toliko izbrusil pete in jezik, gotovo ne more reči kaj več o škodi jugoslovanskih komunističnih gospodarjev. Da je še vedno v milosti tam, kaže že dejstvo, da je lahko šel tja in se vrnil brez zadržka, kar navadnim zemljanom titovsko carstvo ne dovoljuje. Pa so že gornje besede takega moža kot je Rogelj že tudi dovoljno potrdilo, da jugoslovanski komunistični režim v četrtem letu po vojni, ko so si že Italija, Avstrija in Nemčija pomagale na noge, še vedno ni uredil osnovnih stvari vsakdanjega življenja. Če bi bil pa Rogelj v Sloveniji pred štirimi leti, bi bil videl, da so takrat, po vseh vojnih nesrečah in stiskah, imeli ljudje več obleke, hrane in vsakdanjih potrebščin, da so bili bolj zdravi in bolje izgledali, kakor pa danes po štirih letih slavnega Titovega režima.

**Mr. John Sullivan odstopil kot tajnik za mornarico**

Washington. — Tajnik za mornarico je odstopil. Pravijo, da je z odstopom hotel protestirati, ker tajnik za državno brambo Johnson ni pustil graditi gigantskega nosilca avijonov, ki ga mornarica smatra, da je neobhodno potreben. V razmisli pa je najbrže Mr. Sullivan samo uporabil to neprijetno priliko, da se je znebil tajništva, ki ga je že davno želel zapustiti. Predsednik je sprejel odstop na znanje z obžalovanjem, da mora izgubiti tako poštvalnega in sposobnega sodelavca.

**Tudi Betlehem prosi za mednarodno upravo**

Rim. — Župan mesta Betlehema se je obrnil na komisijo Zveze Narodov s prošnjo, da bi tudi Betlehem bil mednarodno mesto v Palestini. Vatikanski krogi naglašajo, da je predlog Svetega Očeta, da naj bodo vsa sveta mesta v Palestini izvzeta iz izključno judovske administracije in oblasti, pri sprejetju v Palestini z velikim veseljem in odobravanjem.

### Shanghai pričakuje komunistično vojsko

Komandant izdal stroge odredbe in zaprl komuniste. — Hoče braniti mesto.

Shanghai, Kitajska. — Nacionalistična vojska komanda v mestu Shanghai ne namerava prepustiti mesta kar mirnim potem. Kljub temu, da se komunistična zmogovita armada bliža mestu z dveh strani, vojaški komandant pripravlja obrambo in izdaja odredbe, ki kažejo, da resno misli mesto braniti. Sedaj je izdal povelje, da se aretirajo vsi znani voditelji komunistov v mestu, je odredil strogo preiskavo med levičarskimi študenti, vpeljal cenzuro časopisja in zagrozil s smrtnimi kaznimi časniki, ki bi hujškali ali vnašali zmedo med prebivalstvo. Hoče preprečiti komunistične opere in nered, ko se bi bližala komunist. vojska. Hoče poleg tega preprečiti, da bi komunisti dobili vojni material in preprečili redno evakuacijo narodne vojske. Skratka, vojna komanda hoče, da izvrši obrambo in morebitni umik v redu in po vojaških predpisih. Poleg tega noče, da bi komunistične bande ropale in plenile še predno prve redne komunistične oblasti v mestu do moči in uprave.

Columbus. — Ohajska legislatura je sprejela zakon o varnosti v rudnikih. Zakon so izdelali strokovnjaki rudniških podjetij in rudarskih unij, ga predložili in zagovarjali soglasno. Legislatura in uprava države Ohio sta dodali še nekatere varnostne in sanitetne odredbe. Sedaj pravijo, da je zakon tako izvršen, da ko bo rudarstvo organizirano po tem zakonu, bo imela država Ohio najvarnejše in najboljše organizirane rudnike in premogovnike v celi Ameriki. Za zakon so glasovali vsi člani legislature.

Banditi so ubili vdovo pokojnega predsednika Mrs. Aurora Quezon, ki bi morala odkriti spominsko ploščo svojemu pokojnemu možu, njeno hčerko in zeta. Poleg tega je bilo ubitih še 11 drugih oseb, ki so spremljali predsednikovo vdovo k slovesnosti.

### Oster nastop med Britanci in Rusi v Berlinu

Angleži so nastopili s silo in grozili z orožjem — Rusi so hoteli ovirati angleško plostvo po mestnih kanalih.

Berlin, Nemčija. — Prišlo je do zanimivega spora med britansko vojaško komisijo in Rusi, ki imajo po starih berlinskih dogovorih kontrolno nad vodnimi kanali. Rusi so zaustavili ladje, ki so po mestnih kanalih prevažale hrano in drugi material z aerodromov po mestu. Britanski komandant je enostavno ukazal, da so čete njegovih policistov zasedle kontrolne zavornice v britanskem sektorju in prisilile Ruse, da so se udali. Angleži so rekli, da bodo odslej sami nadzirali kanale v svojem sektorju in v naprej obljubili, da bodo pustili svobodno plostvo vsem ladjam, tudi ruskim. Ne puste pa, da bi ruski kontrolni organi plostvo njihovih ladij karkoli ovirali. Ruski komandant je končno odločil, da bo do nadaljnjega dovolil svobodno plostvo vsem ladjam, kakor so zahtevali Britanci. Ko je bilo javljeno, je angleška policija odstopila in so Rusi zopet prevzeli kontrolo kanalov. V tem slučaju so Angleži prvi zagrozili Rusom, da bodo uporabili tudi orožje, če ne bodo mogli drugače izsiliti pravičnega postopanja ruskih kontrolnih organov.

## Znanost in umetnost v službi komunizma

En razlog, zakaj je komunizem tako uspešno prodiral tako daleč po svetu, je v tem, da je znal izkoristiti vsako priliko in se poslužiti vsakega sredstva za svojo propagando. Med drugimi sredstvi se komunizem posebno rad poslužuje znanosti in umetnosti. Kakor se zdi čudno, da se komunizem, ki se proglašča predvsem za družabno in politično gibanje, zanima tudi za to polje človeškega udejstvovanja, vendar ni dvoma, da se je od vsega početka poslužil tudi znanosti in umetnosti za svojo propagando in se ju poslužuje še danes.

Od vsega početka je komunizem skušal dati svojim teorijam znanstveno podlago. Marks in drugi očetje tega gibanja so skušali predstaviti svoje nazore o razrednem boju in o diktaturi proletariata kot nujno posledico večnega razvoja, ki mu je neizbežno podvržena vsa človeška družba ali celo vse stvari na svetu. Svoje teorije so skušali podpreti z dokazi iz zgodovine. Vsakdo, ki bi bral marksistične teorije, naj bi potemtakem prišel do zaključka, da svet sploh ne bi mogel biti urejen drugače kot po komunistično. Zmaga komunizma naj bi bila torej nekaj, kar nujno mora priti. Če pa komunizem na vsak način mora zmagati, zakaj se mu še upirati?

Isto znanstveno lice si komunizem hoče nadeti še danes. Če kdo prebira komunistični tisk v Rusiji in kjerkoli drugod, bo skoro na vsaki strani srečal besedo "znanost" ali "znanstven". Skratka, vse, kar ni komunistično, ni znanstveno, to se pravi ni trdno, ni res, se bo prej ali slej zrušilo, ker je pogrešeno samo v sebi in se samo s silo še drži pokonci. Posebno se komunizem trudi, da bi ovrgel vsako versko prepričanje kot nekaj, kar se ne da spraviti v sklad z zdravlo človeško pametjo in še manj z modernim znanstvenim napredkom. A tudi v drugih ozirih bi človek po bahanju sodobnega komunističnega tiska skoraj moral reči, da je prava znanost doma le v Rusiji, da so bili Rusi prvi na vseh poljih moderne tehnike, da ima znanost le v Rusiji tako svobodo, kot jo mora imeti, če hoče priti kam naprej.

Pravtako se je komunizem posluževal umetnosti v svoje propagandne namene. Očetje in propagatorji komunizma so znali skriti svoje ideje v leposlovna dela, da bi se tako nič hudega sluteči čitatelj polagoma z lepo besedo nasrkal tudi komunističnega strupa. Posebno temeljite zglede tovrstne komunistične propagande smo imeli pred vojno v naši stari domovini Sloveniji, kjer je bila javna komunistična propaganda zakonito zabranjena. Značilno je, da danes te vrste literari in umetniki sede na mehkih minister-skih stolčkih. Komunizem je znal preliti svoje teorije tudi v verze in jim dati melodije, ki naj bi razvnele široke množice in jim zameglile trezno mišljenje. Med Titovimi partizani v Sloveniji so se znašli tudi poklicni pesniki in skladatelji, ki so ustvarili t. zv. partizanske himne, ki se jih še danes morajo učiti otroci po šolah v Sloveniji. Tako naj bi po zamisli komunističnih propagatorjev komunistična vera prešla tudi v narodno pesem, da bo tako bolj zagotovo prekrvasila narodovo mišljenje in čutenje. Končno se je komunizem v svoje propagandne namene znal poslužiti tudi upodabljalajoče umetnosti. Tudi slika in kip naj bi pridigala narodu komunistične nauke in povečevala komunistično državo. Ni komunistične parade brez velikih slik "priljubljenih" voditeljev ljudskih množic, takih kot Stalina, Lenina in Tita (v Jugoslaviji) in njim podobnih. In niso redki umetniki v naši stari domovini, ki so kot umetniki priznanja vredni, a žal so zadnja leta prodali svojo umetnost "za skledo leče" vsemogočni komunistični državi.

Se posebno prepričevalen primer za to, kako dobro se komunizem zna poslužiti znanosti in umetnosti v svoje propagandne namene, so t. zv. "mednarodne mirovne konference znanstvenikov in umetnikov," ki smo jim pričla v teh dneh. Ena se je nedavno vršila v New Yorku, druga se te dni vrši v Parizu, kake nove se bodo pa gotovo še organizirale, ko bo dana prilika. Kajti te vrste konference so najbolj visoko letuča propaganda komunizma, kot smo se mogli prepričati, če smo sledili konferenci v New Yorku. Kajti koncem koncev so vse dolge "govorance" izzvenele v en sam in edini napev: Slava Sovjetski Rusiji, ki edina more in hoče ustvariti trajen mir na svetu! Smrt ameriškega kapitalizmu, ki hoče zanteti novo in še strašnejšo vojno!

Četudi so morda med udeleženci teh konferenc znanstveniki in umetniki, ki so v dobri veri, vendar je treba reči, da je v vsem tem velika ironija. Kdor trezno presoja komunizem in kdor ima nekaj pojma o tem, kaj je prava znanost in resnična umetnost, bo moral reči, da komunizem zatira svobodo človekovega mišljenja in udejstvovanja tudi na znanstvenem in umetnostnem polju. Ne bomo rekli, da

komunizem pomeni smrt za vsako znanost in umetnost. Ravno nasprotno, nekatere stroke znanosti, posebno tehniko, komunizem naravnost obožuje. Tudi bi bilo pretirano reči, da po komunističnih državah ni nobene umetnosti več. Saj se celo razpisujejo nagrade za kaka umetniška dela.

Toda treba je reči, in tako bo vsakdo, ki pozna komunizem tudi rekel, da komunizem pomeni smrt za svobodno znanost in svobodno umetnost. V komunistični državi ni prostora za znanstvenike, ki bi si drznili reči ali zapisati kaj, kar ne bi bilo v skladu z marksističnimi teorijami ali ne bi bilo všeč rdečim diktatorjem. V komunistični državi se tudi najvišje znanstvene ustanove, kot n. pr. akademije znanosti, morajo hlapčevsko vdano klanjati svojim gospodarjem in jim ponižno podeljevati častne naslove, dasi jih na noben način niso zaslužili. V komunistični državi umetnost ne sme hoditi svoja lastna pota, ne sme svobodno stremeti za tem, da bi spravila na papir ali na platno, v zvoke ali v marmor to, kar človeški duh zmore najlepšega, ampak se mora pokoriti ukazom države in upodabljati to, kar more služiti namenom diktatorjev. Umetnik v komunistični državi ne more svobodno presojati, kaj je lepo, ampak mora s skrbnim očesom gledati tudi in celo predvsem na to, kaj je všeč državi, oziroma bolje, tistemu, ki ima v rokah krmi-lo države. V komunistični državi ni več prostora za svobodno šolstvo, kjer bi se mladina mogla seznaniti s pravo znanostjo in umetnostjo. V komunistični državi je mogoča le šola, kjer se mladini pred vsem drugim vceplja marksistično mišljenje, in se ji podaja le znanost, ki je v skladu s komunističnimi teorijami. Tako se zgodi, da je ta mladina vzgojena enostransko in v marsikakem pogledu zelo površno. A komunizem ravno tako hoče imeti.

## Newburške novice

Ali se ni zima zmuzala letos skoraj neopaženo? V nedeljo je že prvi maj. Če bo večnost tako hitro tekla, jo bo zmanjkalo.

Torej prvi maj je v nedeljo, to se pravi šmarnice se bodo pričele. Šmarnice bomo imeli vsak večer o pol 8 (7:30) v slovenskem jeziku razen ob torkih, ko se vrši novena na čast Matere božje vedne pomoči y angleškem.

Prihajate k šmarnicam. Imamo veliko vzorka za prošnje k Mariji. Svetovni mir, mir po družinah in pa spreobrnitev mlačnih in odpadlih kristjanov. Šmarnice, za tudi sme na sebi lepe in tolažljive, ko slišimo lepe zglede, v katerih je Marija pomagala.

V nedeljo se vrši tudi venčanje Marijine podobe. To bodo izvršili šolski otroci dočim bodo dekleta društva Sodality vprizorile "Živ rožni venec." Pa tudi pevci pod vodstvom Miss Marion Mauer se že pripravljajo za krasne Marijine pesmi, katerih imamo Slovenci nič koliko.

Mala Rose Marie Jankowski je prišla zadnje nedeljo prvič v cerkev v spremstvu Tony in Jennie Valencić. Mati je iz hiše enega cerkvenih odbornikov, Frank Valencića.

Isti čas se je priklopil naši fari tudi James Dale Pavlin, sinko August Pavlinove družine. Botra sta mu John Pavlin in Dorothy Šega.

Tretji novi faran pa je William Joseph Kurtinaitis, katerega mati je Mathilda rojena Fabjan. Botra sta Felix Kurtinaitis in Julia Fabjan.

Naše čestitke mladim in njihovim staršem.

Nekdo pravi: "Več ti bo zaleglo, če malo počakaš in napraviš mreže za ribji lov, kot pa da hitiš k vodi in si rib poželiš." Po našem bi dejali pripravi se.

V tistih časih je bilo, ko so na Angleškem katoličane zelo zapostavljali in jih radi smešili radi verskega prepričanja. Father Thomas poznani dominikanski pridigar je sedel v železniškem vozu, v katerem je bil tudi neki "smarty," ki se je hotel šaliti z duhovnikom in ga postaviti v zasmeh.

"Ali ste že slišali, Mr. priest," je gobeždal, da je "hudič umrl." Father Thomas naredi žalosten obraz in odgovori: "O vi uboga sirota. Tukaj imate šest penin-gov, da boste lažje prenašali izgubo tako dragrega sorodnika."

Ves voz se je zasmeljal, pa le na račun "smartyja."

"Krava z dvema gospodarji bo dostikrat lačna," pravi neki modri, ki ve.

Nekateri ljudje se hvalijo: "Saj nimam greha. Ne kradem, ne ubijam, nikogar ne sovražim, kaj pa še več hočeš?"

Čudno, da se dobijo ljudje, ki hočejo biti do vseh drugih pravični, le do Boga ne. Ako vse druge zapovedi spolnuješ, zanemariš pa svojo dolžnost do Boga, to se pravi, ne greš ob nedeljah k maši, ti vse skupaj ne bo koristilo in pogubljen boš. Človekova prva dolžnost v tem življenju je Boga ljubiti in Boga častiti zadoštno pa moreš edino le po njegovem Sinu Jezusu Kristusu, ki se daruje pri vs. maši.

Naš šmarčni oltar bo tudi letos krasno ozaljšan. Pa veste, kdo bo preskrbel za vse cvetličice? Mary Hrovat, po domače Šlosarjeva mati. Skrbeti za majniški oltar skozi ves majnik stane precejšnjo vsoto. Zato smo globoko hvaležni Mrs. Hrovat in upamo, da ji Marija izprosi vse kar si želi.

Eddie Maher je bil newyorški policaj. Njegova služba je bila, da je promet dirigiral na križišču. Nekega dne ga zadene krogla iz revolverja nekega blazneža in ga podere v smrtnem boju na tla. Pobrali so ga in odpeljali v bolnico, toda Eddie Maher je bil preko vsake pomoči, bil je mrtev.

Ko so mu potegnili rokavico iz leve roke, je padel iz rokavice rožni venec. Kedo pravi, da dandanes nimamo svetinskih življenj na svetu?

Ali ste slišali o tistem ribiču iz Bleda, ki je šel skrivaj ribe lovit v blejsko jezero?

Well, celo noč je lovil pa je zjutraj prazen prišel domov. "Ali res nisi prav nič ujel," je žalostno spraševala žena moža. "I tak, saj ti povem, da ni nič. Odkar je Jugoslavija osvobojena, niti ribe ne upajo odpreti svojih ust."

Prezvišeni škof Dr. Rožman so odšli zopet misijonarit. To pot bodo oznanjali resnice sv. vere po severni Minnesoti. Kdor bo poslušal se ne bo kesal. Njih besede so resne in prepričevalne, pa tudi tolažilne.

Čas za olepsavo okoli doma je tu. Če bomo držali svoje domove v dobrem stanu in okoli hiš nasade in trate, si nekteri mestni škripci ne bodo drznili priti med nas s takimi idejami kot je takozvani "Free Way." Dreveje, grmičevje in trate pa

delajo okolico tudi bolj zdravo. Vsaka ura dela pomladi se sto-krat izplača v poletni krasoti.

"Kako pa izhajate z Sovjeti zdaj, odkar ste v njihovi zvezi," je vprašal Amerikanec nekega Poljaka.

"Prav dobro," je bil odgovor. "Mi jim pošiljamo pšenico, oni pa od nas jemljejo premog."

Father Baznik nas je iznenadil s kartico, na kateri je že imel par japonskih besedi. Nam se je sicer videla ta šrifta, kot bi bil kak petelin korakal čez razglednico. Father Baznik se je tega najbrže nadejal in zato nam je pojasnil kaj pomenijo te čačke. Kar malo bojimo se, da bo Father Baznik začel pisati svoja pisma v japonščini. Če se to zgodi, bomo pretrgali z njim vse diplomatske odnose, al kako bi rekli.

Neki duhovnik piše: "V naši šoli je bila deklica, katera je začela bolehati in noben zdravnik ji ni mogel pomagati." Končno je sirotica popolnoma oslepele, tako da smo začeli iskati šolo za slepe. Njena mati pa je imela veliko zaupanje v Marijino priprošnjo in zato sta začeli z nje-no hčerko dvetdnevnicu Mariji na čast. Ta pobožnost bi se imela končati ravno na Marijin rojstni dan. Prav tisti dan, ko je deklica molila rožni venec, pa so se ji na enkrat odprle oči. Zdravniki ne vedo razloga za to čudežno spregledanje. Deklica je zdaj ena najboljših učenk v šoli." Tako je. Pa telesna slepota ni tako huda in nevarna, kot duševna. Če imate otroka, ki je duševno slep in živi tja v en dan, zatecite se k Mariji z zaupanjem. Ne bo zaman.

## To in ono iz La Salle

La Salle, Ill.—Zopet se oglašam in vam povem vsem naročnikom Ameriške Domovine to, da smo imeli veliki teden precej hladno vreme. V petek smo dobili celo malo snega in veliko soboto pa je proti večeru postalo zopet malo toplje. Veliko noč smo praznovali v cerkvi sv. Roka nadvse slovesno. Naši zvonarji so imenitno prikavali na veliko soboto in nedeljo pri vstajenju. To delo so opravili L. Ahčin, Joe Strukel in Anton Strukel Cerkveni zbor pa je (po številu 18) zelo veličastno prepeval vesele velikonočne pesmi, kakor tudi latinsko sv. mašo zjutraj ob petih. Domači župnik, Rev. Kosanović pa je imel prav lep slovenski nagovor na vse vernike o vstalen Zvečičarju in sicer pri veliki sv. maši zjutraj ob petih. "Vsem, ki ste kaj pomagali pri okrašenju cerkve za ta veliki praznik, najprisrejšnja hvala; posebno pa hvala našim č. šolskim sestram. Prav tako lepa hvala Mr. Joe Piletiću, kakor tudi ženam, ki so se potrudile, da so cerkev za veliki teden lepo počistile. Lepa hvala tudi organistu Mr. Mil'venu Jordan, ki je pevski zbor tako lepo pripravil za veliko noč, za ta veliki praznik našega Gospoda

In seveda najlepša hvala tudi vsem pevcem z organistom vred, saj vaš glas je bilo slišati več milij daleč od nas, da so ljudje kar strmeli. Čast vam pevci in le še tako naprej za čast božjo.

Dan 19. aprila pa bomo Slovenci in Slovenke zapisali v velike bukve zgodovine. Zakaj? Zato, ker je bil ta dan izvoljen Slovenec za župana našega mesta in to je naš Mr. Matt Bilt-hauer. Že lansko leto je prav malo manjkalo, pa bi bil zmagal, zato pa so se sedaj ljudje skorajžili in Matta izvolili za župana mesta La Salle s 3,748 glasovi. To je torej prvi Slove-nec tukaj, ki ga je doletela ta čast in vsi Slovenci tukaj smo silno veseli, da je Mr. Bilt-hauer naš "major". Na mestu so

## NAŠA MICKA IMA TUD BESEDO

"Ali naj grem s tabo?" sem se mu ponudila, ko se je odpravil v mesto na ta veliki ofic. "Sur," se je namrdnil on, kakor sem vedela, da se bo, "zgrabil se bom, če bom šel sam." Saj veste, da me je skrbelo, kaj je z njim, da ga ženejo v mesto na pregledovanje. Saj sem neumna če se ponujam, ko bi mogla že vedeti iz preteklosti, da je on ob takih prilikah siten kot breja mačka. Nisem se pozabila, kako je bilo takrat, ko sem ga šla iskat, takrat, ko je bil dal grablje popraviti. Vedel je, da ne bo mogel govoriti in mi je naročil, da naj pridem ponj ob določeni uri.

Pa sem šla. Ravno iz poslopja je stopil, ko sem prihitela nekoliko pozna. Že to je bila ena točka proti meni. Druga je bila pa ta, ker nisem takoj najela taksija. Vprašala sem ga, če naj mar pokličem taksij. On je

prav iskrene čestitke. (Tem čestitkam ze pridružuje tudi naše uredništvo. Op. ured.) Želim Ti tudi vsi, da bi vodil ta urad po pravi poti, ki bo v korist mestu La Salle in nam vsem, ki tukaj živimo, v kar naj Ti Bog pomaga, kajti delo je veliko in skrb za 4 leta.

V tretji vardi pa smo dobili za aldermana Mr. John Hrovata, ki je tudi izvoljen za 4 leta in sicer z 289 glasovi. Torej imamo zdaj kar dva Slovence v mestni zbornici. Želimo jima obilo uspeha pri mestni upravi. Oba pa se vsem volicem prav lepo zahvalujeta za oddane glasove.

Prav vljudno pa ste vabljeni za 8. maja, da pridete doli v Slovenski narodni dom, kjer se bo vršila slavnost dr. Triglav št. 2 SNPJ. Takrat bo med nami tudi slavni pevski zbor: Prešeren iz Chicaga, Ill., ki nam bo podal lep pevski koncert v proslavo 45 letnice obstoja društva. Prav prijazno ste vabljeni vsi Slovenci iz vseh bližnjih mest, da prihitite ta dan v La Salle.

Imamo tudi več bolnikov, katerim pa želimo, da se jim čimprej vrne ljubo zdravje. Po-zdravljeni,

Poročevalac.

## Iz vaj za pisanje

Iz šolskega zvezka Minke: "V naši družini smo tri osebe: moj oče, moja mati in jaz. Jaz sem najmlajša."

pa samo nekaj mahal z rokami in kazal na usta, kot bi požrl vroč krmopir in ne bi mogel do sape. Pa grdo me je gledal, kakopak, pa ko mu nisem niti besedice žalnega rekla. Pa sva šla doli po cesti drug poleg drugega. Vedela sem, da nekaj ni prav, pa kaj, ko ni rekel ne take ne take. Samo usta je skupaj tiščal in z očmi nekaj iskal okrog sebe. Končno stopi za neko telegraf štango, izpljune nekaj prgišč krvi, potem pa zavpije: "Pa kaj bova zdaj pa po mestu ves dan špincirala. Zakaj pa nisi privlekla s seboj taksija?" K vsej sreči mu je zopet nova kri ustavila nadaljno kričanje. Tisti dan je bilo tako fletno, ko se mu je vedno nabirala kri v ustih, da res ni mogel do prave besede, kakor bi bil rad po svojih občutkih.

Zato tudi zdaj nisem preveč silila z njim v mesto. Kar sama z doktorjem naj opravita. "Saj boš morda kmalu nazaj," sem kar tako iz navade pripomnila, ko si je tlačil cigarete v žep za popotnico. Tudi na oni svet ne bo šel brez cigaret, sem si mislila. No, saj drugega veselja itak nima na svetu, sem mu jih privoščila. Niti on, niti jaz nisva takrat vedela, da jih ne bo več dolgo kadil.

Dolge so bile tiste ure zame. Zdelo se mi je, če cela večnost, kar je šel v mesto, pa ga še ni nazaj. Ne verjamem, da bi se spotoma nazaj kje zamudil, kot imajo točki lepo navado. Ampak pa take stvari jih je treba več, vsaj dva da sta, da drug drugemu korajžo dajeta in se potem drug na drugega izgovarjata: on je silil, naj bi stopila na enega. . .

Pa sem ga le dočakala. Prišel je, se vsedel na stol in molčal. Že spet, kakor opoldne, ko je šel prvič k zdravniku. Aha, zdaj pa ne bom čakala in umirala za tvoje besede, ampak bom kar začela. Nisem se mogla več pre-magovati. Kar planilo je iz mene:

"No, kaj si opravil v mestu?" On si pa priže počasi cigareto, ugasne žveplenko, pihne dim tja po oficu in reče prav počasi, pa razločno:

"Prec u špetau!" Natančno tako je rekel in teh treh besed ne bom pozabila, dokler bom živa. Prec u špetau! V meni je vse odnehalo, tako sem se prestrašila. Kar otrdela sem, doprla usta, da bi kaj rekla, pa nisem mogla nič. Saj morda pa nisem prav zastopila. Morda je pa drugače mislil, kot je rekel. Še enkrat sem poskušala:

"Kako si rekel?" "Zdravniki mi je ukazal, da moram takoj v bolnišnico! To se pravi ne danes, ampak takoj!"

Križana gora! Torej sem prav slišala že prvič! Pa zakaj? Iskala sem pripravnih besed, da bi izvela iz njega, zakaj da so mu ukazali v bolnišnico, pa ne, kadar bi se njemu zljubilo, ampak — takoj! In počasi mi je vse povedal, jaz bom pa vam, če bom mogla prav povedati, ki sem vsa zmešana.

## ANTON GRDINA in SINOV

A. S. Puškin:

# Kapetanova hči

"Seveda ne," je odvrnil Švabrin. "Svojo nesramnost mi plačate s krvjo; toda gotovo bodo na naju zelo pazili. Nekaj dni se morava delati, kakor bi bila vse pozabila. Na svidenje." S tem sva se razšla, kakor bi se ne bilo nič zgodilo.

Ko sem se zopet vrnil v kapetanovo hišo, sem sedel kakor po navadi poleg Marje Ivanovne. Ivana Kuzmiča ni bilo doma. Vasilisa Jegorovna je imela opraviti z gospodinjstvom. Polglasno sva se razgovarjala. Marja Ivanovna mi je rahlo očitala strah, ki so ga vsi prestali zavoljo mojega prepisa s Švabrinom.

"Kmalu bi bila omedlela," je rekla, "ko sem zvedela, da se hočeta biti z mečem. Kako ste čudni vi možje! Za eno samo besedo katera se pozabi čez teden dni, pripravljene ste drugega zaklati in ne žrtvovati samo svojega življenja, ampak tudi svojo vest in srečo onih, kateri... Toda prepričana sem, da niste začeli prepisa vi. Gotovo je Aleksej Ivanovič vsemu kriv."

"Zakaj tako mislite, Marja Ivanovna?"

"I, tako... on ima tako veselje, drugega smesiti! Jaz ga ne morem trpeti. Zelo mi je zopern, a čudno — za nič na svetu bi ne hotela, da bi mu ne bila po godu. To bi me strašno vznemirjalo."

"Kako pa mislite, Marja Ivanovna? Ali ste mu vi všeč, ali ne?"

Marja Ivanovna je prišla v zadrego in zardela.

"Meni se zdi," je dejala, "jaz mislim, da mu ugajam."

"Zakaj se vam tako zdi?"

"Zato, ker me je — snubil."

"Snubil Švabrin vas je snubil? Kdaj vendar?"

"Lansko leto; dva meseca pred vašim prihodom."

"In vi ga niste marali?"

"Kakor vidite, me. Aleksej Ivanovič je sicer pameten mož in iz dobre rodbine, je tudi imovit; toda ako pomislim, da bi ga morala pred oltarjem vpričiti vseh ljudi poljubiti... za ves svetu ne! Za nobeno ceno!"

Besede Marje Ivanovne so mi odprle oči in mi marsikaj pokazale. Sedaj sem razumel, zakaj jo je Švabrin zasledoval s tako trdovratnim obrekovanjem. Najbrž je bil zapazil najino obobjestransko naklonjenost ter sklenil, da naju hoče ločiti. Besede, ki so bile dale povod najinemu sporu, so se mi

zdele zdaj gnusnejše, ker sem spoznal v njih poleg grobega nedostojnega smešenja premljeno kleveto. Želja, da bi se maščeval nad držnim obrekovavcem, je postajala v meni še silnejša, in nestrpno sem pričakoval uместne prilike.

Ni bilo treba dolgo čakati. Ko sem drugi dan sedel in zlagal elegijo ter ravno grizei zlego, išoč pripravne rime, je pokrkal Švabrin na moje okno. Odložil sem pero, pograhlil meč in stopil k njemu.

"Čemu bi odkladala?" mi je rekel Švabrin, "nihče naju ne opazuje. Pojdijva k reki, tam naju ne bo nihče oviral."

Molče sva se odpravila. Spustila sva se po strmih stehi navzdol, obstala sva tik poleg reke in potegnili meča. Švabrin je bil bolj izkušen od mene, toda jaz sem bil močnejši in drzejši. Monsieur Beaupre, bivši vojak, me je podučeval nekoliko tudi v berenju. Z njegovimi nauki sem se sedaj okoristil. Švabrin ni pričakoval v meni tako nevarnega nasprotnika.

Dolgo nisva mogla drug drugemu do živoga; šele po dojemem časa, ko sem zapazil, da Švabrin slabi, sem silil nanj s hitrejšimi udarci, da sem ga potisnil skoraj v reko. — Mohoma sem zaslišal, kako me je nekdo glasno poklical. Ozrl sem se in zagledal Saveljiča, ki je hitel po strmi stehi naravnost proti nama...

V tem hipu sem začutil oster udarec v prsi, nekoliko pod desnoro ramo. Padel sem in se onesvestil...

## V.

### Ljubzen.

Oh deva moja, deva krasna! Ne moži dekle se mi premdajo; preprosi deva, mamico, očeta, očeta rodnega in rodno mater; pameti, razuma si pridobi, pameti, razuma — meni v doto.

Ruska narodna pesem.

Ako najdeš goršega od mene, me pozabiš, ako najdeš slabšega, se spomniš name.

Ista.

Ko sem se zopet zavedel, se nisem mogel dolgo razbrati in domisliti, kaj se je zgodilo z menoj. Ležal sem v neznanosti sobi v postelji in se čutil zelo slabega. Pred menoj je stal Saveljič s svečo v roki. Nekdo je previdno razvijal obveze, s katerimi sem imel prevezane prsi in ramo. Polagoma se mi je jasnilo v glavi. Spomnil sem se dvoboja in slutil, da sem bil ranjen.

V tem hipu so zaškripala vrata.

"Kako mu je?" je zašepetal mežen glas, pri katerem sem sadrgetal po vsem životu.

"Vedno v istem stanju," je vzdihnil Saveljič, "še vedno brez zavesti, in danes je že peti dan."

Poizkušal sem se obrniti, a se ni dalo.

"Kje sem? Kdo je tukaj?" sem dejal s težavo.

Marja Ivanovna se je približala k moji postelji ter se sklonila nadme.

"Kako se počutite?" je vprašala ležno.

"Hvala Bogu," sem odgovoril s slabotnim glasom. "Marja Ivanovna, ali ste vi? Povejte mi..." dalje nisem mogel in sem utihnil. Saveljič je veselo vzdihnil. Radost se mu je razlila po obrazu.

"Zavedel se je, zavedel!" je ponavljal ves iz sebe. "Hvala Bogu! — No, no, dragec Peter Andrejevič, v lep strah si me spravil! To ni šala; danes je že peti dan..."

Marja Ivanovna mu je pretrgala njegov govor.

# Stara mama

(POVEST)

Posebno privlačna na njem pa je bila lastnost, da se je povsem iskreno zanimal za vsako stvar in za vsakogar. Njegov duh je bil tako prožen kakor njegove misli, ki so v Oxfordu slovele, in medtem ko so se njegovi ženi skoraj vse stvari zdele precej puste, ni bila njemu nobena reč pod soncem premajhna.

Menil je, da se je oženil z ljubkim dekletom, in zares je nekaj časa tudi bila ljubka.

Ko jo je tako navdušeno zasledoval — nagon ji je namreč pravi, da jo bo toliko bolj željno zasledoval, čim bolj se mu bo izmikala — si je nadela rahlo dražest, ki se ji je dobro podajala. Spominjal se je celo dneva, ko je kar zapeljivo zarala, da bi se ljubimec ob tem žaru lahko ogrel in upal vsega najboljšega, a ta žar je kmalu ugasnil in z njim iskra v njenih očeh. Ljubezen bi ji mogla povedati, kako razpeti mreže; kako pa ga obdržati v kletki, se ji še sanjalo ni.

Gospa Klara je bolje kot kdorkoli vedela, da je Erik ljubij vezi duha mnogo bolj ko vezi mesa. To posebnost je podedoval od nje, in večkrat je povedala, da ljubi Erika zato, ker je pač Erik, in ne zato, ker ga je rodila. Izjavljala je, da ima Judito in Noela rada samo zato, ker sta zanjo ljuba in privlačna, in prav nič zato ker sta njena vnuka.

"Sveveda pa sem zelo vesela, da sta moja vnuka," je večkrat rekla, "ker smo si ravno zato lahko še bolj zaupni."

S svojo hčerko Millicent ni imela nič skupnega razen krvne vezi, in bili so časi, ko ji je še tega bilo žal, čeprav je kaj takega redko priznala.

Tako je bilo tudi njenemu sinu Eriku nemogoče, da bi postal vsakdanji človek, ki svojo ženo sprejme, ker je pač njegova žena. Nikoli niti za trenutek ni ravnal z Luizo kot s svojo lastnino, in temu se je čudila. Postopal je z njo s prav tako vljudnostjo in tako pridno tehtal njeno muhavost, kakor da nikoli ni bila njegova žena. Kadar ji je prinesel kak dar, in to je delal rad, je pričakoval, da bo pokazala kaj tistega veselja nad darom, kakršno je kazala pred poroko. Kar pa njo zadeva, bi najrajši videala, da bi ji življenje potekalo vsakdanje kakor v vsakem drugem zakonu. Ko ju je duhovnik povezal, da sta postala mož in žena, je v tej zadevi spregovoril poslednjo besedo, v kolikor se je tikalo Louise. Se sanjalo se ji ni, kaj je duhovni zakon. Od moža je pričakovala, da ji bo zvest in bo zanjo skrbel, saj je vendar izhajala iz ene najstarejših družin Anglije. Zdaj pa sta se hitro oddaljevala drug od drugega. Vezi so se zamotale in nista si vedela nič več p vedati. Na videz pa za tako početje ni bilo nobena pametnega razloga. Se je bila med vedno bolj hladno žerjavico iskra, a sapa, ki naj bi jo razpihala, je ponehala in se obrnila drugam.

Otrok nista imela — kar je bilo bolj hudo Eriku ko pa njegovi Luizi praznih rok.

"Nastikana žena," ji je rekla

krat povedala.

3. poglavje

Drugo pismo Štefana Deisla, ki ga je gospa Klara tako težko pričakovala, je dospelo naslednji teden.

"Ljuba Klara!

"Bog bodi zahvaljen za tvoje pismo. Vilo mi je novega življenja; in verjemi mi, bil sem ga potreben. Kajpada so same pravljice, kar trdiš o

statosti. Kdo si ne bi želel tehati in okoli skakati še enkrat, dobro prebavljati vsako jed in zvečer ostajati dolgo pokonci? Da me razvojaže in me pazijo, se mi zdi peklensko dolgočasno.

"Da, norec sem bil, da sem zavrnitev sprejel tako, vendar sem jo, a zdaj se temu ne da pomagati. Ti si mi odpustila, in jaz se le predobro zavedam, da sem imel škodo sam. Vendar pa Londona ne bi bil mogel prenašati vsa ta leta. Ima preveč ljudi, preveč hrupa, preveč umazanije. A bi le utegnil priti pogledat tebe, birmanca in vnuke, če mi boš dopuščala putika in revma. Veseli me, da se še spominjaš, kako rad sem imel tisto punčko Yudito. Najljubeznivejši otrok, kar sem jih kdaj videl. Sedemindvajset let, praviš? Zdi se nemogoče. Nikar ji ne pusti, da bi se kar v naglici poročila. Ima čisto prav, da čaka pravega človeka. Voditi naj se da nagonu, in ona ima pravega.

"Klara, tvoje pismo je bilo čudovito. Upam, da jih boš napisala še mnogo. Imam vsaj nekaj, kar nestrpno pričakujem. Saj nimam pol aucata mladih okoli sebe kakor ti. Imam eno nečakinjo, Moniko Lisle, grdo, pobožnjaško, dol-

gočasno žensko. Morda se je spominjaš.

"Cannes je veselo mesto, a kaj to pomaga meni? Prestar sem, da bi mogel uživati kaj več ko sonce in barvo neba. Le

kako moreš ti vedno biti tako mlada po duhu? Bob je imel navado reči, da boš umrla mlada, pa če bi tudi živele sto let, in imel je prav. (Dalje prihodnjik.)

### This and That from Washington

By Congressman Frances P. Bolton

At last a program has been presented to Congress that seems to have as its goal the real welfare and development of some of our Indians. A subcommittee of the Committee on Public Lands of the House of Representatives has under consideration H. R. 3472, which provides for a ten-year, \$10 million dollar rehabilitation program for Navajo and Hopi.

MUCH is being said of the need for us to stock pile strategic raw material and I for one am all for it. If we are to secure these from the various countries that benefit from ECA they must first be able to produce. It is, therefore, interesting to note that Turkey is going forward with the development of her coal, lignite and iron ore mines and with the transportation facilities that will get these products to her harbors. It isn't going to happen overnight but it has begun to begin.

That the new India under the leadership of Jawaharlal Pandit Nehru is one of courage and realistic action is evident in the accomplishments along several essential lines. Food is the fundamental need. In one area a start has been made on the reclamation of land hitherto left to the beasts of the jungle. Tractors and bulldozers have worked in frightening proximity to growing tigers and wild elephants. 60 tractors began work January 4, 1948 and some 7,000 acres laid out in blocks of 1,000 acres each with access roads were ready for plowing before the monsoon. The total acreage reclaimed last year was 25,000 acres, from which were produced 3,000 tons of sugar, 3,000 of sugar cane and 4,500 of fodder. Another 40,000 acres is expected to be reclaimed and ready for use before the next sowing season.

The Supreme Court of Pennsylvania has just recently ruled that anybody can picket a struck plant. This nullifies an amendment to the state's labor act making picketing lawful only when done by bonafide employees.

I wonder if you will find this record of the United States Supreme Court decisions so far this session as interesting as I do? 472 opinions have been handed down. Of these 44 were written opinions

### Pin and Off Orchestra Plays for Cub Scouts

The well known Radio Artists, the Pin and Off Orchestra, will play for the dancers at the Cub Scouts, Pack 100 Dance. This will be on Saturday, May 7 at the American Legion Hall. What a bargain, for only 50c donation!

### The Cleveland 500 Festival

The Cleveland 500's Fall Festival of operettas for this year is offering a longer season than in previous years, a season of six weeks will be given with six separate productions. Playing in the Music Hall instead of the Public Hall has enabled the 500 to present a longer season as it is impossible to get a six week period in the large hall for that length of time.

This year the proposed repertoire will include such favorites as SONG OF NORWAY, CARMEN JONES, NAUGHTY MARIETTA, CHOCOLATE SOLDIER, STUDENT PRINCE, VAGABOND KING. As in the past will be cast with stars of the stage, screen and radio. Negotiations for such people as Ira Fittina, who starred in the original SONG OF NORWAY, Billy Gilbert for the comic in CHOCOLATE SOLDIER, Ed Roeder, the baritone who thrilled Cleveland audiences when he last appeared here in DESSERT SONG in the '47 season, will undoubtedly be heard in VAGABOND KING, and many others are under way. CARMEN JONES will be done in conjunction with Karanui House, an all negro cast with most all of the principals from the original New York and Chicago Companies. The original sets and costumes from Billy Rose's show will probably be procured to add to the beauty and color of CARMEN JONES. Rosemarie Branotto, who is known throughout the operetta circuit as the finest Marietta, will soon be signed for the same role in NAUGHTY MARIETTA, a leading film lovely is being sought for the role of Kathy in STUDENT PRINCE. A state-wide search for talent to fill the many chorus and ballet parts will soon be under way, as before all those selected will be given union contracts and also be able to join the Chorus Equity or Actors Equity. The artistic direction and conducting of a large symphony orchestra will again be under the excellent direction of Isaac Van Grove, whose vast experience and knowledge of theatre give great opportunity for all the singing people of the city who will be selected for chorus, ballet and bit parts.

Ballet will be under the guidance of Joan Woodruff, who has done some of the most remarkable work with the local members of ballet schools. She has the profound talent of setting these youngsters to give their all and come through with sterling performances. The seasons kicks off on Oct. 7th for a ten-day run of SONG OF NORWAY, followed by a new production each week, starting on each Tuesday night, playing a Sunday Matinee and no performances on Monday or Sunday evenings.

### Numismatic Exhibition

The annual coin exhibit of the Western Reserve Numismatic Club, which started Monday, April 26th, thru Saturday April 30th, in The May Company's Third Floor Auditorium, covers 500 years of Numismatic History of the world.

The exhibit, main one for Northern Ohio, is one of many being given thru-out the country in conjunction with National Coin Week.

Joseph P. Sawicki (former Cleveland Judge) and Michael Coleman will lecture on the coinage at 2:30 p. m. Saturday.

The display includes currency that has a direct tie-in with local Cleveland history, plus money covering all parts of the world.

Odd and curious coinage is the most humorous of the exhibit. It includes the famous soul money of the West Coast of Africa. Soul money is made of a thin 12-inch bar. Five of the bars will purchase a buxom lassie as a wife (the money is still in existence).

It is said that if the bar breaks, the soul leaves the coin, but if the bar returns, the soul returns to the coin, thus its name.

Continental paper money used about the time of the Revolutionary period, Civil War tokens and wooden money of the depression period are part of the display of United States money.

There are also notes issued on early Cleveland banks.

In Greek coinage there is money issued during the time of Ptolemy the First about 320 B. C. and ending with the famous Cleopatra around 50 B. C. Other Greek coinage will include one of the 30 pieces of silver given to Judas, Jewish shekles and the Widow's mite.

General Chairman of the exhibit is Sawicki. President of the club is Fred Hahnen of Painesville.

ARLENE LOKAR  
Arlene Lokar, daughter of Mr. and Mrs. John E. Lokar, 10408 Huntmore Ave., a student at Shore H. School in Euclid, was the winner of the American Legion Essay Contest from city, county and district for writing on the subject, "The American Way. What is it?" Arlene won for the Junior High Class competing against all of greater Cleveland Junior High school classes. Arlene used the Four Freedoms to express the American Way. Her essay now is automatically entered in the state contest, the winner of which will win a trip to Washington, D. C., plus other prizes.

### Mickey Mars Featured in Boxing Show at Slovene National Home

Mickey Mars (Polensek), veteran 118-pound class warrior, will headline the amateur show next Friday night in the Slovene National Home. Mars, fresh from his knockout victory over Jimmy Cooper of Philadelphia, will meet cleveland Tommy DeSantis, Youngstown's bantamweight Golden Gloves titlist.

Mickey Mars in his victory over Cooper at the arena, demonstrated the ability to punch as well as box for which he has been widely acclaimed, although it is believed by the local fight bugs, that Mars will find more than a suitable opponent in DeSantis. Mickey is of Slovene extraction and makes his home in Collinwood.

Heavyweight Salvatore Bransio, well known competitor in local ring wars, will take on George Wolfe, Youngstown regional champ, in the semi-final. Seven additional bouts will be included to round out a top notch card.

Councilman Eddie Kovacic has acknowledged the request by the Cleveland Ambassadors of Sports, sponsors of the show, to act as ring judge, while brother John Kovacic of Norwood Men's Shop will be Master of Ceremonies.

The program begins at 8:15 p. m. with entertainment by the Four Steps of Harmony and Lou Trebar. All in all it promises to be a full evening of entertainment and long to be remembered by local sports fans.

### Army Citation Certificates Available

Holders of World War II military decorations have been slow to apply for certificates that attest to their awards. It was announced here this week by Lieut. Col. Claude P. Rowan, local unit instructor of the Army Organized Reserve Corps.

Medal winners are receiving certificates of the diploma type, which bear a replica of the particular decoration.

Nearly 1,000,000 servicemen and women decorated during the war have not received the certificates to which they are entitled. It is estimated that 4,300 are authorized to receive certificates for the Distinguished Service Cross, Legion of Merit, 12,000 for the Soldier's Medal, 300,000 for the Bronze Star, and 568,000 Purple Heart.

Winners of decorations should address their requests for certificates to The Adjutant General, Department of the Army, Washington 25, D. C., indicating the number, date, and headquarters of the general orders and of the complete citations, if available. In the case of decorations awarded posthumously, the next of kin may obtain the certificate.

Married on April 23rd in St. William Church in Euclid, O., was Miss Mary Katherine Seliskar to Mr. John Thomas Sweeney. The bride is the daughter of Mrs. James and the late Dr. James Seliskar.

### Vacationists Find Opal Worth \$3,000

Adelaide, Australia. — Two citizens of this town are able to boast a vacation that really paid off.

They visited an abandoned opal field in south Australia, rummaged around an old mine, and uncovered a giant stone.

It turned out to be almost pure opal and a Port Augusta buyer purchased it for \$3,000, the highest price ever paid in Australia for an uncut, light opal.

The program is being directed by Mr. Ivan Zorman who has been at the head of this musical organization for many years. Those who have attended previous concerts will remember the splendid performances rendered by the group, under the able guidance of Mr. Zorman.

Vera Glejko, who is well known for her fine piano artistry, and who is also a long time member of this association will be the accompanist.

Our soloists will be Carolyn Eudan, Josephine Levstek, Josephine Petrovic and Agnes Zagor. A duet will be sung by Tony Podobnik and Edward Kenick. Another duet by Frank Bradach and Ann Satret. A trio by Molly Frank, Louise Maklar and Emily Mahne. The Men's Quartet by Louis Belle, Frank Bradach, Wencel Frank, and Anton Smith.

Admission to this musical is \$1.00. Dancing will be held in the Annex following the concert and refreshments will be served.

## IF YOU CAN AFFORD TO SMOKE

Speaking before the Council of the New England State Medical Societies, Clem Whitaker had this to say about the medical care issue: "We have better medical care in this nation than in any other nation on the face of the globe—and we are well on the way, under our voluntary health insurance systems, to a solution of the problem of budget-basis protection for all who desire it."

"Certainly we don't need or want the assembly-line medical systems of sick Europe in healthy America . . .

"If a man can afford to smoke, he can afford health insurance; the cost is about the same. If a family can afford to go to the movies once a week, that family can afford the finest kind of prepaid health protection."

When it comes to costs, compulsory government insurance would in all probability be the most expensive possible method. One authority has estimated the ultimate expense at \$10,000,000 a year. Another believes the Federal program would necessitate a nine per cent payroll tax — and any worker or employer can figure what that would mean in these days of pyramided taxes of all kinds. In Britain, estimates of the cost of her "free" health system have proved woefully short of the actuality. In the light of all this—and in the light of the remarkable growth of the voluntary plans — what excuse can there be for starting this country on a road that can only end in socialization of medicine?

### ST. VITUS PARISH BOWLING LEAGUE

Flashing the team spirit that made them the 1948-49 St. Vitus Parish League Champs, the Jimmy Slapnik Florists team slammed the second highest team total of the season on the closing night of the league. Their 2839 series fell just 22 pins short of tying the high series held by the Norwood Men's Shop five. The Florists also took the evening high single game honors with their opening 975 game. Ed Avose paced the florists with his evening high 623 series which included 231 game. Ed was followed by Tony Stanic 201, 201, 200, 602. Bar; Lanchman 211, 563 Carl Kinkucka 584 and Ray Suhadolnik 488. The red-hot rolling brought in four points for the Florists who wound up the season 7 1/2 points in front of the second place team. Joe Marinko and Lou Zakrsek led the Orazem Confectionery team as they tried to stop the Florists with 555 and 501 respectively. The Orazems team fell into a 7th place tie as the season closed.

The second place Norwood Men's Shop team took two games and three points as they wound up the season against the Brodnick Bros. entry. Joe Gaver 535, Ed Kovacic 505 and Willie Kovacic 508 topped the Men's Shop scoring as they gained a four point hold on the second spot in the standings. Matt Milnar 201, 500 was the top man on the Brodnick team; which found themselves in tenth place when the bowling was over.

The Malensek Brothers team, had to put on a tremendous last game drive to take the last game and total pins from the Arctic Air Refrigeration five. The Malensek team was tied for third when the bowling started and things didn't look good when they lost the first two games. Their last game total of 914 game them two points for the night and a one point hold on the third slot in the team standings. Frank Usnik 200, 528 Hank Malensek 205, 524, Bob Koenig 207, 540 and Joe Vidmar 211, 545 sparked the Malensek team to their two point win. The Kollander Agency team came through with a three point win over the Norwood Appliance entry to climb into a tie for 7th place. Bill Pavan 234, 614 Ted Zak 216, 528 and Leo Kodranar 216 helped to drop the Appliance team out of a tie for third. Tony Brodnick 530 and Ed Kubel couldn't provide enough punch to keep the Appliance team from dropping two hills and the Norwood team had to settle for fourth place.

A three point loss at the hands of the Cimperman Market didn't effect the standing of the Clover Dairy team but it did lift the Marketers into a tie for 11th place which leaves the league missing a 12th place team. Dornis Schultz 259, 598 and Hank Szaymanski 521 lifted the Marketers out of the cellar on the last night of the league. Bob Meglich 549 and Herman Meglich 538 helped the Dairy men bring in one game and maintain their hold on sixth place.

A three point win for the A. Grdina and Eons team on the closing night lifted them to 9th place. Frank Skolar led the Grdina boys to their win with his 504 series. Marion Reboj came up with a 512 series for the Golden Gophers who could only take one of the games and fell into a tie for 11th place as the season closed.

The league tournament was called off this season due to difficulties which arose in coming to an agreement with the St. Clair-Eddy Alleys.

## The Weekly Wash as it Dries on the Line

Three teams are now in first place, the Zallers, Sveteks and Dave Shoes. Sunday is our last bowling Sunday so one of these three should be the CHAMPION of the 48-49 Bowling season. Last Sunday the Sveteks took two from the Home Equipment but it was only by the skin of their teeth. They took the first game by two pins and the second game by nine pins. Eyan Luksic, who is acting Captain in the absence of Ruddle Sulak, kept his teammates afloat with a 513 series and a high game of 189. On the losers' side Ed Grosel and J. Humar came through with identical scores 517. (Ed's Note: Are you sure you can stick the scorekeeper? For how much?)

The Zallers and the Dave Shoes battled it out and when the smoke had cleared, the Zallers were licking their wounds having suffered a double de-

feat. Ed Zagorc again flashed his usual form with a 512 series. Helping him was Felix Korosec who also had a 512 with a 193 high game. On the Zallers side Frank Mozina tried to pump and peddle his team along, but he found that he couldn't do it along with his 539 and 195 high game. This double loss on the part of the Zallers helped to complicate the standing by putting three teams into a three-way tie.

The Nottingham team took all three from the Holmes Ave. Market. Tony Colnar provided the big guns with a 557 series and a high game of 214. Joe Cerjak came over the 500 mark with a 510 series but his teammates were far behind from giving him the added push and help that was needed.

The Waterloo Beverages came thru with a double win from the Councilmen team. Blasting his way to the top on the winners we find Stan Robinson with a 532 series and high games of 203 and 202. This put the Waterloo men just two games behind the leaders.

(Ed's Note: I see the Council is still occupying the basement. Too bad, boys!)

## STRAIGHT FROM WASHINGTON

By **STEPHEN M. YOUNG**  
Ohio  
Congressman-at-Large

Washington. — Everett Dirksen, (R), Illinois Congressman, entered the House of Representatives in 1933. He retired voluntarily in 1948. Although a young man, his eyesight was failing. Doctors told him it was malignant — this being a polite medical term for cancer. Congressman Dirksen's constituents were inordinately proud of him and reelected him by overwhelming margins. He was one of the nation's great men and a most valuable Congressman. He was an influential member of the powerful Appropriations Committee. No doubt intensive reading of documents pertaining to appropriations affected his vision. Following his retirement from Congress, his eyesight rapidly improved. His present doctors report there is no indication of malignancy; that he never had cancer. The nation lost a splendid public servant because some doctor made a poor guess.

Dirksen is presently being suggested as the logical candidate for United States Senate next year. If Illinois voters elect him, he might well be the Republican Presidential choice in 1952.

## GOVERNMENT DOCTORS?

Regarding socialized medicine, there seems to be more heat than light. The bill most talked about in the Congress actually does not provide socialized medicine. It simply proposes a small contributory tax about the same way as Social Security taxes are imposed. Funds so collected would be returned to the states which maintain group medical plans. Medical men in any given area would be free to participate or not, just as they wish. Individuals would be free to choose their doctors within the group or to ignore the plan completely. There is no socialization involved. Uncle Sam simply serves as a collecting agency, allowing states to do the actual administering. No doctor would be an employee of our Government. Our Government, however, under the provisions of this law, would seek to educate and provide more doctors and also to encourage some medical men to go to rural areas where medical care is lacking. This would come through a Government subsidy plan.

## NEW STATES

The Public Lands Committee has recommended the admission of Alaska and Hawaii into the United States. Alaska contains fewer than one hundred thousand inhabitants — Hawaii, approximately five hundred thousand. Think what would happen if the vote of one Senator from Alaska or Hawaii or Puerto Rico (Puerto Ricans are also seeking statehood) were to defeat the ratification of an important treaty affecting the policy of our nation, or defeat some important bill for the public welfare.

## NO BETTER TERMS ANYWHERE

New York State contains more than fifteen million people. Alaska, if admitted to the Union, would have two United States Senators, one for each fifty thousand people — fewer than live in a Cleveland ward. Yet votes of United States Senators from Alaska would offset those of New York's Senators.

Dr. Nicholas Murray Butler, President of Columbia University once stated, "Under no circumstances should Alaska, Hawaii, or Puerto Rico be admitted as a State in our Federal Union. To do so would mark the beginning of the end of the United States as we have known it. Our country consists of a sound and compact area, bounded by Canada, by Mexico, and by the two oceans. To add outlying territory thousands of miles away, with what certainly must be different interests, might easily mark the beginning of the end."

**TRUMAN'S PLACE IN HISTORY**  
President Truman has played a great role in reversing the foreign policy of this nation. By his bi-partisan foreign policy he has carried out the one world thesis of Wendell Wilkie. We have gone a long way since George Washington advised a struggling young nation against foreign entanglements. World War II left us the most powerful nation on earth. With that power goes a responsibility we must not ignore. The Truman doctrine stopped the march of Communism in Greece and Italy. The North Atlantic Treaty, signed in Washington on April 4th, employs the power of the United States to prevent another European war rather than to become involved after it had started. If the North Atlantic Treaty preserves peace, halts Communist aggression by the Soviet Union in Europe and over here in the Americas, who can deny but that once again, in a time of supreme national peril, the American way has produced a President with wisdom and courage to meet the emergency?

People everywhere, even in the Soviet Union, yearn for peace. A President whose leadership achieves peace in this turbulent world by stopping Soviet aggression in its tracks is assured his niche in history and in the hearts of people the world over.

## New Improved Ways

To Clean, Protect and Prolong the Life of Your FUR COAT, the cold, fresh air of our modern vault will keep your fur coat in perfect condition. Not only is our vault kept at the correct cold temperature, but the humidity is regulated so that it is exactly right for furs. Excessive dryness, such as is produced in your household refrigerator, would dry the natural oils from your furs. In our vault the humidity is correct to maintain the original lustre and beauty of your coat. The dampness of summer humidity often causes mold and mildew to grow in furs of beautiful coats. Here there is no dampness to wilt your coat, no chance for mildew to harm it.

Every fur and woolen garment is fumigated before being placed in our vault. This process also destroys moth eggs, so that when your coat is delivered from our refrigerated storage vault, it is as sterile as it is beautiful.

Let us clean your coat, too, by our polarized method, employing the finest of cleaning equipment, then in the fall we can deliver it to you promptly on the first cold day glazed beautiful with all the lustre that nature gave the wild animal that first wore the fur. Bring your fur coat, and other winter garments for cleaning, and safe storage, to our store nearest to you. — For pick-up anywhere in the City

### LAURENTIAN ATHLETIC CLUB BOWLING

The Laurentians brought their 1949 bowling season to a thrilling climax Sunday afternoon. So close was the race that prize money rode on every ball. Lou Tekautic paced the kaglers with his 17 average and also his high series of 808. Frankie "Baldy" Rajar's 235 survived as a high game. Comparing this season with those of the past, a vast improvement as well as new interest has been shown in this indoor sport. Here's how they finished:

- WOODCHOPPERS — 48 pts.
- MIXERS — 44 pts.
- AGITATORS — 44 pts.
- EAR BENDERS — 44 pts.
- LUCKY STRIKES — 32 pts.
- FORTY NINERS — 31 pts.

Cash awards will be given out at the May monthly meeting. A Bowling Tournament is in the making. This will be a swell chance for those bowlers in the lower brackets to make some prize money. Watch for details.

### EASEBALL

With the weather cooperating, the Laurentians will begin their practice for the Class B Baseball Team this week. Such veterans as Bill Zagar, Bill Hrovat, Tony Lausche, Frank Rajar, Lou Supan and rookie Vic Namoski are raring to go.
