Indijska solna revolta se nadaljuje

Velike množice v pohodih in navalih na državne soline. Sluščinčad se je pridružila kampanji

Kalkuta, Indija, 20. maja. — Solna revolta v Indiji je še vedno v polnem razmahu. Velike množice satjagrahov (prostovoljcev) navaljujejo na državne soline razcepljeni v skupine, da imajo policija več posla z njimi. Fizičnih spopadov včeraj in danes ni bilo, aretacije pa so neprenehoma v teku. Nacionalisti se zdaj koncentrirajo v pohodih na soline v Dharsani in Vadali.

Akciji pasivne revolte in bojkota so se zdaj pridružili tudi sluge, kuharji, brivci in natakarji. Njihov posel je, da postrežejo samo onim, ki nosijo obleko iz domačega platna in gandijako čepico; vsi gostje v angleških obehakih so bojkotirani.

Indijska vlada zelo omejuje poročila o indijski kampanji. V časopisih, ki še izhajajo, ni sploh nobenih vestí o revolti.

London, 20. maja. — Minister za pobljanje brezposelnosti Thomas je včeraj poročal v zbornici, da je nadaljnjih 27,000 delavcev izgubilo delo v tekstilnih tovarnah v Manchesteru radi bojkotne kampanje v Indiji. Bila je vroča debata glede Indije in ekstremni levčarji ter toriji na desnici so enako ostro napadali vlado. Prvi so zahtevali, da vlada takoj podeli svobodo Indijcem, drugi so pa ravnali, da je treba z železno pestjo zadušiti indijske "boljševike".

Graf Zeppelin nad Atlantikom

Seville, Španija, 20. maja. — Nemški zrakoplov Graf Zeppelin, ki spet reže zrak proti Ameriki, je danes nad južnim Atlantikom v smeri proti Braziliji. Doslej je bila plovska brez kakšnega incidenta.

Lewis se pripravljaja na boj

Delegatje na konvenciji Tennesiške delavske federacije obsodili uporne voditelje rudarjev v dvanajstem distriktu

Chattanooga, Tenn. — (F. P.) — Da se stara rudarska unija, kateri načeluje John L. Lewis, pripravlja na boj proti reorganizirani uniji, ki je bila stvarjena v Springfieldu, na vseh konvencijah delavskih unij, je razvidno iz izjave, ki jo je podal Lawrence Dyer na konvenciji Tennesiške delavske federacije, ki se je vršila v tem mestu. Dyer je zastopal staro rudarsko unijo in je znan Lewisov pristaša.

Njegov napad na reorganizirano rudarsko unijo je baziral na izjavi, da je Frank Farrington, bivši predsednik dvanajstega rudarskega distrikta, zastopal na konvenciji v Springfieldu kot agent Peabody Coal Co. To je bil tudi vzrok za porod dualne unije, je dejal Dyer.

Reorganizirana rudarska unija ni imela na tej konvenciji nobenega zastopnika, da bi zagovarjal njeno stališče, zato je bil Dyerjev predlog, da se obsodi akcija upornih rudarskih voditeljev v Illinoisu, sprejet soglasno. Niti eden delegat se ni oglašal, da bi zagovarjal uporne voditelje.

Sprejetje predloga na konvenciji državne delavske federacije, pomeni, da bo federacija nasprotovala akciji reorganizirane rudarske unije v slučaju, da bo poslala svoje organizatorje na premogovno polje v državo Tennessee.

Krajši delovnik za ženske in otroke

Bivši guvernér države Alabame se strinja s programom državne delavske federacije

Tuscaloosa, Ala. — (F. P.) — Osem ur dela na dan je dovolj za ženske in otroke, ki so upoštevani v tekstilnih tovarnah v državi Alabami, so izjavili delegatje državne delavske federacije na svoji konvenciji, ki se je te dni vršila v tem mestu. Delegatje so sprejeli resolucijo, da legislatura sprejme zakon o osemurnem delu. Država Alabama nima sedaj nobenega zakona za omejitev ženskega in otroškega dela. Nadalje bo organizirano delavstvo insistiralo, da se sprejme zakon proti ponočnemu delu za ženske in otroke.

Druge zahteve državne delavske federacije so: delavska odškodninska postava za proteklo leto v dvor; proste učne knjige za delavske otroke in ustanovitve delavskega biroja v državnem departmentu za poljedelstvo.

Delegatje je nagovoril bivši guvernér države Alabame in sedanjí predsednik državne univerze, ki je izjavil, da se strinja s programom, katerega je federacija sprejela. Nadalje je dejal, da odobrava akcijo Ameriške delavske federacije, ki je uvedla organizatorično kampanjo v južnih državah med tekstilnimi in drugimi delavci.

Na konvenciji je nastopil tudi Paul J. Smith, načelnik kampanjskega odbora Ameriške delavske federacije, ki je poročal o doseganju delu in uspehih pri unifikiranju delavcev v južnih državah.

Ženska soc. kandidatka za guvernérja

Los Angeles, Cal. — Soc. stranka v Kaliforniji je na svoji konvenciji imenovala Kate Crane-Gartz za guvernérsko kandidatko. Upton Sinclair, sloviti socialistični pisatelj, je bil nominiran za podguvernérja.

Socialistična stranka v državi Kaliforniji zaznamuje lep napredek v članstvu v zadnjih šestih mesecih. S Crane-Gartzovo in Sinclairjem na čelu volilne liste se obeta zanimiva volilna kampanja.

NORRIS ZIGOSA DRŽAVNEGA PRAVDNIKA

Predložil je zahtevo, da senat sprejme njegovo resolucijo

Washington, D. C. — (F. P.) — Senator Norris je te dni zahteval v senatni zbornici, da senatorji sprejmejo njegovo resolucijo, ki se tiče postopanja distriktnega državnega pravdnika Roverja, ki odlašča za obravnavo obožbe o razkljanju senata, katero je že potrdilo vrhovno sodišče, proti T. W. Cunninghamu, aktivnemu voditelju Varejeve politične mašine v državi Pennsylvania.

Cunningham se je postavil proti robu senatni zbornici in s tem je kršil zakon, ker ni hotel odgovorjati na vprašanja, katerega mu je stavil senator Reed, načelnik komiteja, ki je preiskoval politično korupcijo v zvezi z izvolitvijo Vara sveznim senatorjem. Distriktni državni pravdnik Rover zavlačuje to zadevo že tri leta.

Reed je pri zaslišanju vprašal Cunninghama, od koga je dobil velike vaote denarja, o katerem je slednji priznal, da je bil porabljen v volilni kampanji l. 1926. Na to vprašanje je Cunningham odklonil odgovor. V tem času je Cunningham nasledil Vareja pri kontroli republikanske politične mašine v Pennsylvania. Rover, kateremu je bila izročena prosekucija radi žalitve senata, pa ni storil ničesar, da se Cunningham pritrja pred sodišče.

Briandov osutek evropske unije

Avtor poudarja, da federacija ni naperjena proti Ameriki niti proti Rusiji

Paris, 20. maja. — Briandova brošura spomenice, ki se bavi s federalno unijo Evrope in ki je bila predložena vladam 26 evropskih dežel, vsebuje okrog 6000 besed in se deli v pet poglavij.

Uvodoma Briand naglašuje potrebo unije, pa naj bo še tako elementarna, samo da bo načelno moralna unija in se posveti solidarnosti evropskih narodov. Nato se vrstijo načrti sistema njegove federacije. Navedeno se podrobnosti organizacije, omaroma konstitucije. Na čelu federacije je prezident, stalen odbor in stalen sekretariat z sedešom v Ženevi, kjer se shajajo v rednih sestankih.

Briand je takoj v začetku postavil tri odločne poudarjene rezervacije: Prvič, da se federacija Evrope razvije v Ligi narodov in alcer na podlagi nekakega pokrajinskega pakta, ki ne sme biti naperjena proti nobeni etnični grupi ali drugim deželam na zunaj, kot n. pr. proti Združenim državam Amerike ali Sovjetski uniji; tretjič, da federacija ne sme na noben način omejiti ali učinkovati na suverene pravice ali politično neodvisnost posameznih dežel.

Nadalje Briand navaja sledeče sugestije: Predsednik in člani federalnega odbora se vrste po rotacijskem redu, to je, da je vsaka dežela zastopana. Odbor lahko ed časa do časa povabi predstavnike sunanjih dežel na konferenco, kadar so važne zadeve na dnevnem redu. Prvi koraki unije so ekonomski. Federacija naj upelje za vse dežele etnotno denarno valuto, svobodno trgovino in naj odpravi potne liste, tako da bodo državljanji vseh dežel v uniji svobodno potovali po vseh krajih v mejah federacije. Kontrola industrij in kartelov. Avtomatično znižanje carine. Kooperacija pri velikih javnih delih, kot so železnice, ceste in kanali. Skupen režim pošte, telegrafa, telefona in radiopostaj. Organizacija finančnega kredita za dežele, ki še niso razvite.

Dalje skupno reševanje gotovih delavskih problemov in medevropske emigracije; skupno reševanje socialnih in zdravstvenih vprašanj ter pobljanje nalezljivih bolezni. Potem so sugestije glede kooperativne šolske vzgoje in izobrazbe ter razvoj interparlamentarne organizacije, ki bi časoma postala permanentna kot nekaka federalna postavodaja.

Končno Briand vabi v imenu francoske vlade vse dežele, da odgovore najkasneje do 15. julija in pošljejo svoje ugovore in sugestije.

Kolikor je do danes odmevov, je Briandov načrt naletel na odpor v Angliji, Nemčija je hladna in Italija se naravnost norčuje. Prijazni odmevi se pa slišijo iz Jugoslavije in drugih dežel, ki so nakonjene Franciji. Nemški nacionalisti in italijanski fašisti najbolj napadajo načrt. Nasprotni so tudi francoski šovinisti, dočim ga levčarske stranke (socialisti in radikalni socialci) odobravajo.

Somomer na koru v cerkvi

Budapešta, 20. maja. — Ana Ioerino se je obesila na koru v cerkvi v Bekescabi med poroko svojega nezvestega ljubimca s drugim dekletom. Ko je bila poroka končana, so svatje zagledali njeno truplo.

Socialisti v New Yorku pomagajo brezposelnim

New York. — Socialistična stranka je odprla svojo kuhinjo na 55 W. 25th St., kjer brezposelni delavci dobivajo hrano brezplačno. Kuhinja je pod upravo ženske sekcije soc. stranke, ki skrbi, da nasiti vsak dan okrog 700 delavcev.

Predsednikove napovedi se nečlo gresniliti. Zavožena politika republikanske stranke

Washington, D. C. — (F. P.) — Predsednika Hooverja tarejo nadloge. Karkoli podvzame, je še naprej gotov, da bo nalezil na zapreke. Odklonitev Parkerja v senatu ga je zelo potrla in imel je že pripravljeno ostro kritiko na senatorje, ker so zavrgli njegovega ljubljence, na organizirano delavstvo in na zamorske organizacije, ki so razkrinkavale ne baš lep Parkerjev značaj, a se je premislil, ker je prejel migljaj od pristašev njegove administracije, da je najbolje, ako molči.

Ista slaba sredi spremlja njegove optimistične napovedi. Komaj je podal javnosti optimistično poročilo o vračajoči se prosperiteti, pa je prišla slaba vest, da je Kanada pričela s carinsko vojno, nakar je sledil spet polom na newyorški borzi in dalnice industrijskih korporacij so padle.

Velike neprilike administraciji dela tudi Claudius Huston, načelnik narodnega odbora republikanske stranke. Huston, ljubiet elektrarnega trusta in špekulant s tujim denarjem, je povzročil pravi škandal, ko je javnost izvedela o njegovih izgubah. Hoover je na tihem šelel, da bi Huston podal resignacijo iz načelnikstva odbora republikanske stranke, kar pa se ni zgodilo. Huston je celo javno zagoril, da bo priznal na dan razkritja o škandalih stranke pri sednji predsedniški kampanji v slučaju, da bo Hoover zahteval od njega, naj se umakne s prominentnega mesta. S tem je Huston sprti usta predsedniku in njegovim pristašom, ki so morali pogoltniti grožnjo in se niso upali niti protestirati prot Hustonovi predrznosti.

Pa to še ni vse. Administracija dobiva udarce od progresivnih senatorjev, ker se je spustila v obrambo trusta elektrike, ki izteza svoje krepilce, da dobi pod svojo kontrolo izkoriščanje vodnih sil pri vladnih napravah.

Polom, ki ga je doživela ameriška delegacija na mornarični konferenci v Londonu, ker je sklenila pogodbo, katere ne ustreza nikomur, je druga stvar, ki kratki spanec velikemu inženirju in zagovorniku robustnega individualizma. Kaj naj torej Hooverjevi pristaši stori, da se izognejo blamaži? Pa so iznašli novo stvar, da odvrnejo pozornost ljudstva. Poslužili so se Palmerjevega trika. Odredili so preiskavo komunističnih aktivnosti, da tako preslepe ameriško javnost, ki še odprto govorjra radi zavožene politike republikanske stranke.

Couzensova predloga sprejeta

Washington, D. C. — Senat je te dni sprejel Couzensovo predlogo, da se ustanovi posebna komisija, katero bodo tvorili odvetniki in računski izvedenci, ki bodo imeli nadzorstvo nad trustom elektrike. S tem bo odvzeta oblast dosedanjim komisijam, v kateri so bili vojni tajnik, tajnik za notranje zadeve in tajnik za poljedelstvo. Couzensova druga predloga, ki vsebuje določbe o vladni regulaciji cen elektrike, ne bo prišla na glasovanje v tekočem zasedanju kongresa.

Socialisti v New Yorku pomagajo brezposelnim

New York. — Socialistična stranka je odprla svojo kuhinjo na 55 W. 25th St., kjer brezposelni delavci dobivajo hrano brezplačno. Kuhinja je pod upravo ženske sekcije soc. stranke, ki skrbi, da nasiti vsak dan okrog 700 delavcev.

Trimesečna kampanja
Leadville, Colo. — Iz urada društva št. 278 SNPJ: Na seji dne 12. maja je navzoče članstvo razmotrivalo o vprašanju kako bi bilo možno povprešiti napredek pri društvu. Sklenjeno je bilo, da naše društvo da za dobo treh mesecev — za junij, julij in avgust — znižano pristopnino. Kdor bo v tem času pristopil v naše društvo, bo plačal samo \$1 pristopnino, društvo pa bo plačalo \$2 ali pa še več.

Torej sedaj se nudi lepa prilika tistim, ki mislijo pristopiti v naše društvo. Bratje in sestre! Sedaj je na noge, da pridobimo napredek našega društva v bodočih treh mesecih, bo naše društvo gotovo ob koncu naše kampanje beležilo lep napredek.

Naprej za večjo in močnejšo Slovensko narodno podporo jednoto!

Joe Gruđen, tajnik.

Ali gl. odbor SNPJ sledi zaključkom konvencije?

White Valley, Pa. — Kakor je dosedaj vsaka konvencija SNPJ napravila nekaj reform, tako jih je tudi deveta in s tem naložila gl. odboru, da jih fiktivno izvaja. Prvo in najvažnejše vprašanje, ki naj bi v organizaciji napravilo spremembo, sta bila predloga starostnega zavarovanja, katero je dal gl. odbor po naročilu konvencije članstvu na splošno glasovanje. Članstvo je seveda zavrglo oba predloga, prvega največ zato, ker ni bil popoln; članstvo naj bi plačevalo 10c mesečno v starostni sklad za nekaj, za kar naj bi na stara leta prosjalo. To pokazuje, da članstvo SNPJ ni za prosjačenje; se rajši udamo usodi; zato je predlog št. 1 propadel. Predlog št. 2 je pa članstvo zavrglo največ vlad industrijske depresije, brezposelnosti, nizke plače, pred nami pa temna bodočnost, ker nič ne vemo kaj nam prinese. To so glavni vzroki, vlad katerih je članstvo odglasovalo proti. Je pa 9. konvencija SNPJ odprla še eno pot k starostnemu zavarovanju. Sprejela je namreč resolucijo, ki se dobesedno glasi:

Resolucija v prid socialni zakonodaji.

Ker članstvo SNPJ tvori v pretežni večini delavstvo, ki si služi svoj vsakdanji kruh z delom svojih rok, in ker postajajo gospodarske razmere v deželi vedno opasnejše za delavstvo radi velike brezposelnosti in radi pomanjkanja socialne zakonodaje širom Amerike, in

Ker je socialna zakonodaja velika življenska potreba za ameriško delavstvo, zato je naloga deveta redna konvencija u pravnim funkcionarjem jednoto, da zasledujejo delavstvu naklonjeno zakonodajo, posebno z ozirom na starostno zavarovanje, brezposelnostno podporo in slično, ki pride pred državne zbornice in kongres Združenih držav, in daje navodilo članstvu prizadete države ali držav, na kak način pospešiti sprejem te vrste za delavstvo koristne in potrebne zakonodaje.

Resolucija je bila soglasno sprejeta na prošli konvenciji, odkar je že preteklo leto dni. Sedaj pa pride vprašanje, je li že gl. odbor storil kakšne korake v smislu te resolucije? Pazno, čitani vse zapletenosti gl. kakor tudi gl. izvrševalnega odbora, urednikove članke itd. in nikjer ni opaziti kakšne započete akcije, da bi bila že prilika zanjo. Pravilno in socialno je, da za kogar se delavec izgara, da tisti tudi skrbi za njega na stara leta. SNPJ ima danes že mnogo starih članov, ki so se izdelali ali izgurali v ameriških industrijah in s tem pomagali obogatiti Ameriko in čez pet ali deset let nas bo pa še več, to se pravi, vedno več starih članov. Če smo res že sami toliko bankrotni, da si ne moremo ustanoviti pokojninskega sklada v krogu SNPJ, pa poj-

dimmo na delo in zahtevamo pokojnino od tam, od kjer nam po vseh človeških pravicah tudi gre. Gl. odbor naj takoj stopi v stiko s tistimi unijami in organizacijami, ki delujejo za sprejem socialnih zakonov, bodisi v posameznih ali pa skupnih državah ameriških. Obenem naj bi pa tudi Prosveta šla na rok in seznanjala članstvo o socialnem gibanju.

Socialni zakoni države New York, dasi še nepopolni, nam lahko služijo za vzgled v tem, da si delavstvo, ako hoče, lahko veliko pridobi.

Joe Britz, član društva št. 232.

Večerinka "Ženskega odseka"

Detroit, Mich. — Razni napovedani pikniki v maju so zmurčili brez umetnega ledu, in nič ne kaže, da nam bo v prihodnjih tednih vremenski bog kaj bolj naklonjen; še bomo imeli trdne dneve. S tem se je pa sezona zabave v dvoranah podaljšala kakor nalašč v dobro Ženskem odseku, kateri noče zamuditi te prilike. Sklenil je, da priredi domačo zabavo, večerinko, v soboto, dne 24. maja na 116 Six Mile rd., v prostorih pevskih društev. Dobiček zabave bo za SND. Vabljeni so vsi Slovenci in Slovani. Potreba izborna.

Ženski odsek SND stalno napreduje v članstvu, in to je komaj začetek naše agitacije.

Vsa vznamena kažejo, da bo še rastel ter bo važen faktor za SND. Pristopajte v naš ženski delokrog. Delo nas vseh so naši skupni interesi v dobrobit doma. Da pa ne bode kakšnih nesporazumljenj ali neprilik pri raznih naznanilih, kakor se je to že pripetilo, je naš odsek na vzhodni strani pri ustanovitvi sprejel ime "Ženski odsek" SND. Tako je zapisano v naših pravilih, in do sedaj še ni spremenil imena. Gospodinjski klub pa obstoja na zapadni strani mesta in je to organizacija zase. Toliko v vednost vsem dopisovalcem.

Ne pozabite, da se plesna zabava prične ob 7. zvečer. Vstopnina 25c.—**Frances Gorup.**

Proslava

McIntyre, Pa. — Društvo št. 361 SNPJ priredi plesno veselico ob 12 letnici svojega obstoja dne 30. maja na praznik Kinčanja grobov. Članstvo se bo zbralo v McIntyre dvorani ob 10. dopoldne, tako tudi drugo občinstvo, nakar sledi pohod po naselbini z godbo na čelu. Popoldne ob 2. se začne ples in splošna zabava za stare in mlade.

Ob tej priliki nas bo posetil naš gl. podpredsednik br. A. Vidrih, ki bo imel glavni govor.

Godba bo prvovrstna, tamburaši iz Homer Cityja. Vstopnina je samo 50c za moške in 25c za ženske. Uljudno vabimo vsa okoliška brataška društva in ostale Jugoslovane, da posejijo našo naselbino na omenjeni prireditvi. V enakih slučajih se tu tudi naše društvo odzvalo. Uljudno vabljuje tudi vse ustanovne člane, kateri žive v bližini, da vidijo sad svojega dela. Serviralo se bo vse, kar je pač na takih prireditvah v modi.

Na svidenje dne 30. maja!
Veselični odbor.

Seja za dvorano

Greensburg, Pa. — Dvorano, kjer so obdrževali seje društva št. 223 SNPJ, so nam podrli, ker je ravno tam bila zgrajena nova državna cesta. Za dvorano so nam plačali. Ker sedaj nimamo dvorane in se potikamo z društvinih sejami po privatnih stanovanjih ter oddaljenih dvoranah, smo se kljub slabim delavskim razmeram začeli zanimati za grajenje nove dvorane.

Prva zasedna seja se vrši v nedeljo 25. maja ob 2. popoldne v Tušnikovi dvorani. Dvorano v resnici potrebujemo za društvene seje in razne prireditve. Ako bi se tudi oddaljeni člani društva št. 223 SNPJ te seje udeležili, bi slišali kako nam obo govornik

rastolmačil zavedo, o kateri se bo potem razmotrivalo, da se čimpreje uresniči naše želje in da tako kmalu pridemo do svoje dvorane, ki jo tako potrebujemo.

Mat. Mavrovich, predsednik.

Velika skupna prireditev

Pittsburgh, Pa. — Dne 29. maja zvečer v tukajšnjem Slovenskem narodnem domu bo nekaj zelo razveseljivega za vsakogar, ki so bo potrubili, da bo navzoče. Na ta dan bomo malo pozabili na vsakdanje jamranje. Kajti tega dne prirejajo vsa tukajšnja in okoliška slovenska društva od vseh jednot in svez veliko skupno veselico v prid Slovenskega narodnega doma. Dobiček gre v kritje stroškov za prizidavo.

Obenem se bo tega dne obhajalo 20letnico Slovenskega doma. Zato pa nikar ne pozabite skupno veselico v Slovenskem narodnem domu. Godba bo izvrstna in pripravljajni odbor bo preskrbel, da ne bo nihče lačen in ne žejen.

Na svidenje dne 29. maja.

Pittsburgski tekci voznički so se vrnili na delo, čim so izvoljevali unijsko mezdno in pogodje.

Veselica društva št. 21

Pueblo, Colo. — Društvo "Orel" št. 21 SNPJ priredi plesno veselico dne 31. maja zvečer. Veselica bo za odrasle ali starejše ljudi. To bo takozvani "invitation dance". Razdale se bodo povabilne karte članom in prijateljem. Slučajno, da kdo ne prejme take karte, vseeno lahko pride. Veselica se vrši v društveni dvorani kot navadno. Igral bo br. Joe Peček. Preskrbljeno bo za vse, da bo vsakdo zadovoljen.

Člani in članice, pridite na to društveno veselico v obilnem številu.

Godba bo domača, zabava tudi domača in prijateljska. Vstopnina je tako nizka, da je ni vredno omenjati. To bo menda zadnja veselica te vrste v tekoči sezoni. Za vse članice in članice bo na tej veselici neka posebna novost, katere do sedaj še nismo nikdar prej imeli.

Na svidenje 31. maja!
Tajnik.

Piknik čitalnice

Cleveland, O. — V nedeljo, dne 25. maja se vrši piknik SN čitalnice na Modlinkarjevi farmi. Čitalnica Slovenskega doma obstoji že devet let. Vestno in častno vrši svoje kulturno delo. Ker gre tu le za kulturno stvar, je upati, da se tega piknika udeležijo veliko rojakov in rojakinj ter da tako pomagajo gmotno in moralno k uspehi čitalniške prireditve.

Čitalnica ima lepo zbirko knjig, upamo pa, da se jih bo lahko še več nabavilo, ako bo nedeljski izlet dovoljno izpadel. Pomagajmo vsi, da bo dobiček čimvečji. Odbor bo skrbel, da bo postrežba na pikniku zadovoljiva in da bo dovolj zabave za vse.

Na svidenje!—**M. Mravič, predsednik.**

Pozočilo

Collinwood, O. — Dne 10. maja se je vršila zabava društva št. 53 SNPJ. Tisti, ki so bili zelo vneti za zabavo, so menda posejili na datum, dasi smo precej v listih oglaševali. Ni dovolj, da se roko gro dignes, treba je tudi s tisto roko potem delati v korist priredbe. Članice so delale prav pridno, ker so bile gotove, da so bomo odzvali v velikem številu. Pa se nismo, zato tudi dobička ne bo.—**F. Barbič.**

Prva veselica društva št. 699

Ambridge, Pa. — Mladinsko društvo "Revellers" št. 699 SNPJ priredi veliko plesno veselico v soboto, dne 24. maja v Hrvatski dvorani na 339 Merchant st. Začetek ob 8. zvečer. Vstopnina za moške 50c, za ženske pa 25c. To bo prva veselica tega novoustanovljenega angleško poslujočega

društva. Ustanovljeno je bilo dne 6. aprila t. l.

Uljudno so vabljeni vsi rojaki in rojakinje iz te okolice, da se prve veselice, ki jo prireja naša mladina, vsi prav zagotovo udeležite. Pripeljite tudi svoje prijatelje in znance, da se vsi skupaj z nami zabavajo prav po domače. Godba bo izvrstna in zabave bo obilo za vse. Pripravljeni smo poset vrniti. Za obilen poset na naši prvi veselici dne 24. maja se vam že vnaprej zahvalujemo. **Veselični odbor.**

Izlet treh društev

Waukegan, Ill. — Zimska sezona je za nami, predstave v dvoranah so prestale in nastopili so gorki dnevi. Kakor oživi vsa priroda, čim jo obalje pomladansko solnce, toliko bolj pa so nas starejše člane SNPJ oživili mladi člani društva "Little Fort" št. 568 SNPJ, ki so povabili starejša društva, društvo Sloga št. 14 in žensko društvo št. 119 SNPJ, s namenom, da bi vsa tri društva priredila skupni piknik.

Presenečeni smo akcijo našega angleško poslujočega društva

z radostjo poslušajli in si takoj izvolili pripravljajni odbore. S tem nam je naše mlado društvo pokazalo, da se zaveda gesla, da v skupnosti je moč in uspeh, kar nam je pač dobra garancija, da bo SNPJ še dolgo, dolgo živela.

Skupni piknik naših treh društev se vrši dne 16. junija v Možintovem parku. Takrat bo zabave dovolj za vse. Za plesateljice bosta igrali dve godbi, popoldan in zvečer. Poleg tega bo na programu kegijanje in baseballska igra. Za prvenstvo se bodo v tekmi kosale kar tri skupine. Nekdo izmed piknikarjev pa bo tako srečen, da bo za 25c vstopnino dobil kar desetdolarški ceklin.

Društva in klube prosimo, da ne prirejajo piknikov na ta dan. Pripravljajni odbor.

Zopet na agitacijo

Farrell, Pa. — Radi slabega zdravja sem bil prisiljen prekiniti moje potovanje za Prosveto do 16. maja. In ko mi je žena izpraznila žepo ter pomagala nekoliko smanjšati revmatizem, sem jo s seboj odšel po mojih starih postih, ker drugače se mi lahko kaj neprijetnega pripeti.

Pred par leti si je tukaj zvršilo končal življenje član društva SNPJ Wlekozi in pred par tedni pa rojak Matevž Steblaj. Spominjam se, ko me je k prvemu društvu poslal, da sem ga varoval pred morebitnimi nezgodami in kako se je on norca bril, češ, da ga nekaj v vrstu ščegoce. Steblajevi družini moje sožalje.

Anton Zidanšek.

Veselica društva št. 640 in 13

Bridgeport, O. — Baseballski klub mladinskega društva št. 640 SNPJ priredi plesno veselico v soboto, dne 24. maja v dvorani v Boydavillu. Ker vemo, da imamo v naši mladini izvrstne baseballarje, se potrudimo, da posetimo njih veselico v velikem številu. Drugo plesno veselico to društvo priredi dne 14. junija.

Se nekaj. Društvo Edinost št. 13 SNPJ priredi izlet na Kandačevo (prej Simončič) farmo v nedeljo dne 25. maja, pričete ob 1. popoldne. Pohitimo vsi na ta piknik, ki se bo vršil na prijaznem hriščku. Zabava bo imenitna. Pripravljenega bo vsega dovolj, da se bo lahko vsakdo dobro počutil. Vstopnina je prosta za vsakogar.

Na veselo svidenje na plesni veselici dne 24. maja zvečer in na pikniku dne 25. maja!

ZAHVALA ZA PRESENEČENJE!

Presenečenje, ki sem ga doživela dne 10. maja 1930 mi ostane v vednem spominu. Moj mož pravi: "nočaj bodo pevake vaje in grem s hčerko na vaje," izgovorjeno in storjeno. Ko sem stopila v dvorano, je bilo vse tema in tiho, sin mi pa reče, "je stopi notri, nič se ne boj, mogoče so žarnice zgorele." Ko stopim naprej v dvorano, so se kar naenkrat razsvetile vse luči in po dvoranah je zagrmelo iz gl. "Surprise" in jaz od presenečenja nisem vedela kaj vse to je, na kar mi povedo, da so naredili naše vrle žene od S.N.D. nam članicam, ki odputujemo v stare domovino, "Surprise Party." Valed tega se na tem mestu najlepše zahvalim ženam članicam S.N.D., da so se potrudile in tako izvrstno obložile mize z okusnimi jedili. Iz srca me veselijo, ko sem videla, da imam še veliko, veliko prijateljev in prijateljic, kateri so nam napravili tako krasno odhodnico pred odhodom našim v staro domovino. Bada bi bila izpogovorila par besed v zahvalo, pa saj veste, kako smo ženske bolj strahopetne kadar je treba hitrega poguma. Ostanete mi gotovo v vednem spominu. Še enkrat moja najljubša hvala vsem skupaj.

Sedaj pa še nekaj, nikar ne pozabite priti vsi dne 24. maja zvečer na 6 Mile Road, kjer zopet prirede žene S.N.D. malo veselico in domačo zabavo, da se še enkrat pošteno zavrtimo, ko nam bodeta igrala dobro znana Homec mladenci. Vse se bo vrstelo in plesalo, staro in mlado in za točno in dobro postrežbo bodo pa skrbele članice S. N. D. ma.

Mary Jurca, Detroit, Mich. (Adv.)

ZAHVALA

Najlepša hvala vsem najinim sorodnikom, prijateljem in prijateljicam, ter znancem, ki so nama ob priliki najine petindvajset letnice zakonskega življenja priredili sijajno domačo slavnost — Surprise Party. — Tem potom izrekava srčno hvala vsem skupaj za krasne darove, ki ste jih nama poklonili, naju bodo vedno spominjali vaše požrtvovalnosti in znani prijateljstva. Nemogoče je nama popisati kar sva čutila in čutila, ko ste naju tako prijetno iznenadili v tako velikem udeležbi in to sorodniki, znanci in prijatelji, osobito pa rojak in rojakinja mr. in mrs. John in Alojzija Vogrič iz Chicago, ki sta pas po dolgih 25 letih zopet iznenadila s svojim obiskom ravno pred 25 letnico in sta bila navzoča kot tovariš in tovarišica pri najini prvi poroki, ter ravnotako tudi sedaj ob najinem srebrnem jubileju, sta nama pripela cvetlice na naša prsa. Rojak Ravnikar je pa izvršil neoficijelne poročne ceremonije. Ni nama mogoče, da bi se osebo ali poimenko zahvalila vsem udeležencem, ker udeležba je bila velika in preveč prostora bi vzelo, da bi vsakega udeleženca posebej z imenom imenovala. Bodite uverjeni vsi navzoči, da ostane tisti dan zapisan globoko v naših arhiv do konca najinega življenja, kot simbol lakrene prijateljske ljubezni. Skušala bova vsaj deloma povrniti v vsakem slučaju. Forej lepa hvala vsem skupaj. Mary in Silvester Kramaršič. La Salle, Ill.—(Adv.)

MEMBER OF THE FEDERATED PRESS

Datum v objavi, na primer (Feb. 25-26), poleg valnega linisa na naslovni strani, da vas je s tem dnevom postala sodobna. Ponovite jo praviloma, da se vam list ne ustavi.

Merilo napredka v jednoti

Prepiri v tem in onem društvu ki izvirajo iz malenkostnih osebnosti in plitvih predsodkov in iz katerih se rade izcimljajo društvene afere ter obtožnice, so slab znak napredka. Dogaja se, da društvo trpi radi kake krajevne afere, ki nima stikov z jednoto — na primer radi preprirov okoli narodnega doma ali razkolov v delavski organizaciji — in jednota ima škodo.

Najslabše je, kadar prepirne stranke perejo svoje lokalne afere v glasilu in se še hudeje, če ne dobe toliko prostora v listu kolikor ga zahtevajo. Sklicevanje na svobodo tiska in demokratičen princip je v teh slučajih zelo rečna prevetva. Nočejo pomisliti, da glasilo spada vsam članom in društvom in širše članstvo se ne zanima za stvari, ki se tičejo le nekaj skupin članov v tem ali onem kraju.

Interesi jednote in članstva v splošnem zahtevajo, da se vsi spori, ki niso načelnega in splošnega pomena, poravnajo doma in se ne obešajo na javen zvon. Namesto, da društva ali skupine društev oglašujejo svoje frakcijske prepire v glasilu, naj raje poročajo, kaj so te ali one skupine ali frakcije storile za gromotni in kulturni napredek svojega društva in jednote.

Dobro bi bilo, da dopisniki v "Ljudskem glaslu" razpravljajo o vprašanju: Zakaj je resolucija o svobodi /kritike veliko bolj upoštevana kakor pa resolucija o ustanavljanju društvenih knjižnic? Danes, eno leto po deveti redni konvenciji, je to vprašanje na mestu.

Za izobrazbo delavcev

V eni prihodnjih srednjih števil — morada se prihodnje sredo — začne Prosveta prinašati daljšo razpravo o evoluciji rastlin, živali in človeka. Razprava bo črpala iz knjige "The Science of Life", katero sta spisala George P. Wells in Julian Huxley in kateri je pred kratkim izšla v Londonu in New Yorku.

Prosveta je že veliko pisala o razvoju, toda informacij in poduka te vrste ni nikoli preveč. Resnica o razvoju človeka je že tako veličastna in dobro utrjena, da je potrebno, da se tudi naši delavci ponovno in ponovno seznanjajo z njenimi podrobnostmi. Resnica je samo ena in ta je na strani evolucije. Čitajte zadene članke v Prosveti in opozorite druge, naj čitajo in — premišljajo.

Boga civilizirajo!

Iz Londona poročajo, da je mednarodna komisija za revizijo biblije odredila, da se izpremeni besedilo znanega svetopisemskega reka: "Kajti jaz, tvoj gospod in Bog, sem ljubosumen Bog, ki kaznujem grehe očetov na otrocih tretjega in četrtega kolena". Komisija je črtala besedo "ljubosumen" in jo zamenjala z besedami "ljubeč in usmiljen".

Arthur Brisbane, ki je komentiral to vest, je zapisal: "Popraviti bi treba še nekaj več kot to, kajti Bog, ki je ljubeč in usmiljen, ne bo kaznoval nedolžnih otrok za grehe njihovih dedov in pradedov. Že dolgo je bila mnogim vernikom zagonetka, kako more biti vsevedni in vsemočni vladar nebes in zemlje ljubosumen. To je bilo naravno. Ideja človeka o bogu se je razvijala z njim (človekom). Kakršen je bil človek tak je bil njegov bog. Pastir čred v Mali Aziji je bil ljubosumen, krut in neusmiljen — in prav tak je bil Jehova, bog starih Hebrejcev. Mehkejši narodi v Aziji so imeli bogove mehkega srca. Grški filozof je resnico povedal, ko je zapisal, če bi kamele imele svojega boga, bi imel štiri noge in grbo na hrbtu. Ko pa se je človeku širilo znanje o vsemirju, se je moral izboljšati tudi njegov pojem o bogu. Vsemirje, ki samo v našem kotu meri 140 milijonov svetlobnih let, je postalo preveliko za ljubosumnega boga. . . Ako bi bili prej začeli popravljati sv. pismo, bi bili lahko rešili milijone življenj in nepopisano trpljenje. V bibliji so tudi besede: "Ne drži čarovnika ali čarovnice pri življenju." Danes vemo, da čarovnikov ni in nikdar jih ni bilo! Toda kralj James, ki je verjel omenjenim besedam v sv. pismo, je dal usmrtili stare ženske, ki so bile obtožene, da so jezile metle nad morjem in povzročile vihar, ki je poznal ladje na dno. Na tisoče žensk je bilo strahno mučenih in sežganih, obešenih ali utopljenih — samo zato, ker je sv. pismo ukazovalo: Pekončaj čarovnice . . ."

Triumf tenorista Banovca

Nedeljski koncert g. Svetozarja Banovca, ki se je vršil v prominentni dvorani glasbe v Chicagu, se odlikuje po mojstersko dovršenem nivoju izvajanja narodnih pesmi in opernih arij. Vedro in veselo je naš odlični solisti prednašal koncertne komade, štirindvajset po številu, s precizno fino pa je pokazal kakovostne vrline svojega izvežbanega glasu v odlomkih iz oper ter se s posebno odliko pokazal u metnika v ariji iz Massenetove opere "Manon". S tem opernim odlomkom je bil višek njegovega nedeljskega triuma dosežen.

Banovčev nastop je bil siguran, zanosil in simpatičen. Avdienca, broječa had tisoč oseb, je njegov prikupljivi nastop toplo sprejela. Po absolviranju prvega koncertnega komada je občinstvo spontano aplaudiralo odličnemu gostu. Dasi je bila melodijska prvih šestih narodnih pesmi dokaj tuborna in enolična v tonu in tempu, je g. Banovec podal njih interpretacijo s takim čuvstvom, da je občinstvo ob koncu vsake pesmi z radostjo vznideno odobravalo njegovo izvajanje. Veliko bolj posrečen bi pa bil ta del koncerta, če bi vseboval vsaj dve živahniji, vselejšnji narodni skladbi; s tem bi bila enoličnost intonacije presejana.

Naš umetnik nam je vrlo dobro podal Pavličovo "Večerno", Lajovičovo "Serenado", Vilharjevo "Cvati, cvati ružice" in Kojšičovo "Pod oknom", višek v narodnih pa je dosegel z "Metuljčkom". In zdelo se je, da naš umetnik stopnjema pridobiva na sili in krasoti glasu ter globokem izražanju čustev; vrline njegovega glasu je pridobivala stopnjevalni momentum. Koncert je trajal okrog pol drugo uro, pa se je človeku zdelo, da je po odpevu slehernega komada naš lirski tenorist komaj začel. Bil je še tako sveže razpoložen in čil; čutil je zmago svoje pesmi, zmago svojega glasu na njegovem največjem koncertu v Ameriki, s katerim je prvi nastopil pred ameriško publiko, in je triumfiral.

V zaključnih komadih nam je Banovec podal štiri operne odlomke. Iz Smetanove "Prodane neveste", iz Puccinijeve "Tosca", iz Flotove "Marthe" in iz že omenjene Massenetove "Manon", s katero si je priboril največji vенеč svetle. Kot nalašč mu je vprav v tem hipu bil podarjen krasen lavorjev venec, okrašen s trakovi narodnih trobojnic.

Svetozar Banovec je s svojim nedeljskim koncertom prodri skoz debelo steno priznanja. Predstavil se je ameriški javnosti s svojim milim, lepim, bogatim in izvežbanim glasom, in pokazal se je umetnika. S tem pa je Banovec predstavil tudi naš kot kulture narod. Banovčev koncert v Chicagu je bil kompleten uspeh, moralno in umetniško, na katerem mu toplo in iskreno čestitam.

Koncerta se je udeležilo precej ameriškega občinstva, prednjačili pa so seveda slovenski, odnošajo jugoslovanski posetniki. Pet največjih čikaških dnevnih, kot je bilo zastopanih po svojih

kritikih, in vsi so se izredno laškavo izrazili o svojstvenih vrlinah, ki jih poseduje umetnik Banovec. Glasbeni kritik čikaških "Daily News", Morris Rosenfeld, je dal Banovcu sledeči poklon:

"Svetozar Banovec, vodilni lirski tenor ljubljanske opere, nam je podal zanimiv recitativ prošle nedelje v Orchestra dvorani. Nastopno je pel jugoslovanske pesmi, Pavličovo, Lajovičovo, Vilharjevo in venček Drobničevih. V teh selekcijah nam je odkril liričen tenor dokajne sile in dobro treniran glas. Pokazal je lahkoto in izurjenost v petju še posebno v težkih skladbah, v katerih so se pokazale tudi druge umetniške kakovosti in vrline. Spremljala ga je Jasna Blafka Bjankini, odlična solopianistka."

Kritik Goldberger od dnevnika "Herald-Examinerja" piše o nedeljskem koncertu: "Svetozar Banovec, član ljubljanske opere v Jugoslaviji, je prošle nedelje podal na svojem koncertu v Orchestra dvorani številno jugoslovanskih, par angleških in štiri odlomke iz oper. Njegov glas se odlikuje po mehodolžnih vrlinah, ki blagodejno vplivajo na slušalca. Jasna Blafka Bjankini je podala tri piano-sole in je spretno spremljala umetnika."

Edward Moore, kritik čikaške "Tribune", je dal Banovcu krasno priznanje s sledečim komplimentom:

"Svetozar Banovec, koncertni in operni pevec iz Ljubljane, Jugoslavija, je v nedeljo recital v Orchestra Hallu in nam odkril liričen glas s prefinjajočim viliškom. Pel je in se vedel kot dovašen in izkušen umetnik. Spremljala ga je Jasna Blafka Bjankini, briljantna solopianistka."

Karleton Hackett, kritik čikaške "Posta", ocenjuje Banovčev koncert sledeče:

Svetozar Banovec, vodilni tenor ljubljanske opere v Jugoslaviji, je na koncertu v Orchestra dvorani pokazal, da poseduje izvežban glas. Odlikoval se je v opernih odlomkih in v jugoslovanskih komadih. Banovec ima lep glas."

Kritik Lorgnette za "Chicago Daily Times" izrazilo piše:

"Sicer ne vem kje je Ljubljana, toda vem pa dobro, da Svetozar Banovec, tenorist tamkajšnje kraljeve opere, poseduje čudovito ljubezniv glas, katerega smo slišali v Orchestra Hallu prošle nedelje."

Našega umetnika je izborno spremljala Jasna B. Bjankini, aoproga hrvatskega Čikažana, ki je priznana pianistka. Podala nam je tri skladbe, ki so nam prišle. Nedeljski Banovčev koncert se je vršil pod avspicijo čikaških jugoslovanskih pevskih zborov, par dni pred koncertom pa je slovenski pevski zbor "Prešeren" sodeloval in kot vzrok navedel "prepozno obvestilo." Vsi ostali jugoslovanski pevski zbori v Chicagu pa so častno in složno sodelovali, da je bil nedeljski Banovčev koncert briljanten uspeh. S tem so pokazali popolno umevanje in pomen tega koncerta, ki je za naš življenjski veličanskega pomena.—L. Beniger.

Tretji Banovčev koncert v Milwaukee

Tretji Banovčev koncert v Milwaukee v SST dvorani se bo vršil to nedeljo, dne 25. maja. Njegov prvi koncert prošlega septembra nas je prepričal o vrlini njegovega glasu, o njegovi nežnosti in fini interpretaciji.

Drugi njegov koncert se je vršil izključno v korist tukajšnje organizacije Slovenskega narodnega doma. Naš pevec Banovec je pokazal, da se odlikuje v plemenitosti ter da je velikodušen. Saj ga tudi v tem njegova pesem najbolj razodeva. Skromna in mila duša je naš Banovec, Kder ga vidi in sliši ga nehoče valjubi.

Njegov tretji milwauki koncert bo presezal prejšnja dva v tem, da se nam bo sedaj predstavljal že kot človek poznavaoče ameriške razmere, kajti v tem času se je g. Banovec že docela vključil v naše razmere. Naša dolžnost je, da posetimo njegov nedeljski koncert v velikem številu. On širi našo pesem v tej deželi in nam daje ugled. Vaak narod se čeni po njegovi lastni kulturi. In baš petje je tista prva in kulturna pomoč, ki daje narodu močnega zamaha med ostalimi narodnostnimi skupinami, da dobi potrebno priznanje.

Program nedeljskega Banov-

čevega koncerta bo bogat in raznoličen. Začetek koncerta je zoren ob 8. zvečer v South Side Turn dvorani. Napolnimo to dvorano, da prepričamo našega umetnika o naši iskreni želji, pomagati mu moralno in gromotno. Zato pa vsi na Banovčev koncert v nedeljo, dne 25. maja zvečer!

Vstopnice so po 75c za osebo. Kder želi številko rezerviranega sedeža, plača 25c posebej. Vstopnice si lahko nabavite takoj pri Obzoru na 442 National ave., pri V. Petku na 475 National ave., pri J. Matohu na 401 Greenfield ave. in pri Fred Zevlu na 432 — 54th ave., West Allis. Pripravljalni odbor.

LJUDSKI GLAS

Malo pojasnila

Clairton, Pa. — Kot član društva št. 426 SNPJ želim na tem mestu podati svoje mnenje glede tukajšnjega prosvetnega odbora vseh jugoslovanskih podpornih društev. Ta so HBZ, SNPJPJ in arbska. Vsako društvo je izbralo po dva zastopnika. Društvo št. 426 SNPJ zastopata brata J. Dugina in Ilija Strinich. Naše društvo jima je dalo polno moč, da delata za dobrobit društva in ostalih jugoslov. društev. Podala sta poročilo. Kot član SNPJ sem vprašal, da prineseta kopijo zapisnika centralnega odbora te kolonije, da slišijo bratje in sestre SNPJ kaj se je ikrenilo. Tega nista storila. Brat John Dugina se protivi in me napada, češ, da jaz, Nikola Cvitanovich, sam vprašuje za to.

Lahko dokazem, da so tudi ostali tukajšnji člani SNPJ vprašali isto, da se prinese kopija na sejo društva št. 426 SNPJ. Brat Dugina me je napadel na seji centralnega odbora. Zakaj pa br. Dugina tega ne pove na seji našega društva SNPJ? Jaz nisem nikdar bil proti centralnemu prosvetnemu odboru v tej koloniji, nego sem še celo njegovo delo podpiral, da jugoslovanska društva skupno delujejo v tem pogledu.

Toliko v pojasnilo tistim, ki so bili napačnega mnenja glede te zadeve.— Nikola Cvitanovich, član društva št. 426.

GLASOVI IZ NASELBIN

Zelo važno!

Chicago, Ill. — Blagohotno opozarjam dotično članico društva "Nada" št. 102 SNPJ, ki me je pisano obvestila, da noče več plačati aasementa in pusti društvo, da mi sporoči svoje ime. V pismo je pozabila navesti svoje ime, t. j. pismo je brez podpisa in sedaj ne vem, ali je to pismo sploh od kake članice društva "Nada" ali ni. — Prosim tudi članice, da redno in ob pravem času plačujejo svoj aasement, da ne bo nepotrebnih in nič kaj pri ljubljenih suspendacij.

Katarina Bernik, tajnica, 2453 S. Central Pk. ave.

Skupni izlet v Penni

Clairton, Pa. — Po dolgem času in trajni agitaciji za skupno sodelovanje med okoliškimi Jugoslovani je končno to gibanje vendarle uspelo v toliko, da so se vsa jugoslovanska podporna društva v tej naselbini zedinila, da prirede skupni piknik v nedeljo, dne 25. maja popoldan v Shady parku, Clairton, Pa.

Ob tej priliki bo nastopilo več govornikov. Za društvo št. 426 SNPJ je povabljen br. Anton Zornik iz Hermine, Pa., ki nastopi kot glavni govornik. Upam, da vsi tukajšnji Jugoslovani kakor tudi iz vseh bližnjih naselbin posetijo ta skupni piknik, da s tem pokažemo, da smo vsi skupaj jugoslovanski narod.

Mike Cebanček.

tudi v bodoče, da bo imel Slovenski dom dovolj dohodkov.

Poročamo mi je bilo, da se klasi po državi Oregon in Washington neki slopar, ki pobira milodare, češ, da je pri delu ponesrečil. Baje pripoveduje, da je prišel s pomočjo Pogorela v Ameriko, zdaj pa nabira prostovoljne prispevke pri Slovincih, ker angleško ne zna, da se bo melo vrniti k družini v domovino. Hodil je okoli rojakov na pacifičnem obrežju že lani in ponekod precej nabral. Dne 18. aprila se je bil oglašil v Oregon City in je pobiral milodare.

Dejal je, da mu je Pogorelec dal naslovo Slovencev in imel je tudi priporočila nekih jednot. Ko mu je rojak Grikman rekel, da ga hoče popeljati k Pogorelcu, ki se baš mudi v mestu, je dejal, da ga je že videl v Californiji in ga bo zopet v Portlandu, kjer živi. Pravil je zopet, da mu je Pogorelec v Ameriko pomagal, toda že drugi dan, ko je dobil delo, ga je pobilo in od takrat je pohabljen. Vlada mu bo dala vozni listek za preko morja, nekaj pa bi rad nabral, da pride domov. Pri neki dobri družini ga je kar nenkrat minila vsa ohromelost in je urnih krač pobrisal iz Oregon City.

Kot mi je bil opisan, je slopar srednje velikosti, bolj suh, dolgega obraza in siromajno oblečen, star kakšnih 40 let. Pravi, da je doma nekje v Gorenjski, toda po govoricah bi bil prej Primorec. Pravil je ponekod, da se piše Cesar, drugod je bil Tomšič ali Kajzer. Po opisu soditi je morda rnjak, ki sem ga bil srečal v Fresno, Cal., ki je imel že mnogo opravkov po ječah, in mi je v nekaki naglici dopovedoval, da bo začel drugo življenje, prav tisti, ki se je mudil zdaj v Oregon City. Jaz mu nisem verjel, in ko me je vprašal, v katero smer pojdem, sem mu navedel napačno smer. Na ta način bi ga bil skoro zasledil v Oregonu.

Opozarjam rojake, naj bodo pozorni napram takim sleparjem. Na Jugozapadu se nahaja zdaj cela "ban-da" sleparjev, in tudi Slovinci so zraven.—Matija Pogorelec.

Uradni popravek

V poročilu gospodarskega odbora z dne 25. aprila se mi je vrnila ne ljuba pomota v tem, da sem pomotoma izpustil podpis tretjega odbornika, br. Johna Olga. Članstvo in prizadeti naj blagovoljno napako oprostiti in vzeti ta popravek na znanje.—Joseph A. Stakovich, tajnik-zapisnikar.

Popravek

Johnstona, Pa.—V seznamu zastopnikov društev na konferenci "Zveze slovenskih podpornih in kulturnih društev za Johnstona in okolice" je bilo pomotoma izpuščeno ime zastopnika Josip Kaplerja, ki je zastopnik mladinskega društva "National Star" JSKJ, kar naj se vziame na znanje.—Andrej Vidrič, tajnik.

Dr. F. Debevec:

Tuberkuloza dece

Imuniteta je stopnja notranje odpornosti. — Zdravljenje otroške jetike se vrši v prvi vrsti v zvišanju te imunitete ali notranje telesne moči. Le notranje ali biološko jak, močan organizem je sposoben vsvarjati zdravilne kemične sestavine, ki so torej činitelji telesne odpornosti ali imunitete (imun—nedotakljiv). Zvišavanje notranje moči se izvršuje le polagoma, ne skokoma. Ozdraviti čez noč tuberkulozo (dece ali odraslih) je nemogoče.

Zdravnik, ki so mu dovedli otroka z znaki začetne jetike, ima presoditi: Ali je otroče zdravljenja potrebno ali ne? Če se odločitev glasi: Je potreben, potem je treba še rešiti vprašanje: Ali naj se bolniček zdravi ambulantno ali v zavodu? Kateri, kakšen zavod potem pride v poštev? Navadni domovi, kolonije za obče slabotno dečo (torej; okrevališče "opovravilišče", "Erholungshaus", bodial v planini ali na morski obali) ali pa zdravlilišče (sanatorij) ter bolnica? V okrevališču spada le šibka deca brez vsake tbe ali k večjemu z neaktivno jetiko bronhialnih žlez; sleherni aktivna tuberkuloza žlez ob pljučnih linah pa naj pride v zdravlilišče; neozdravljive vrste otroške jetike naj se sprejme v bolnico, če doma ni primernih prostorov.

Žal, vsled finančne nemožnosti zdravit decu v dragih sanatorijih, pa tudi vsled splošnega pomanjkanja primernih otroških, čeprav preprostih zdravlilišč mnogokrat, največkrat ne preostaja drugo, ko da se zdravljenje skuša izvesti ambulantno (izmenoma doma) ali pa v kakšni bolnici. Mnogo, mnogo bo še treba storiti na tem polju!

Omenimo najprej splošne načine zdravljenja. Kako je s prehrano? Vemo, da jetika izčrpa organizem. Dnevna hrana naj nudi v presežku telesa — zlasti otrokemu! — vse, kar je potrebno za reden, pravilen notranji (biološko-kemični) obrat organizma. Hrana naj bo mešana, ne prenostranska. Svežih hranljiv (zelenjave, sadja, itd.) naj nikoli ne zmanjka; za dalje časa, več dni vkup. Ni primerno, da razvajamo takšno dečo s pretiranimi mermi dragih sladkaj. Dajajmo jim navadne, okusno pripravljene jedvine: mleko, mlečno kavo, druge mlečne jedi in izdelke, testenine, dobre juhe in prikuhe, malo mesa, sočvija, na kruh marmelade, smetane, medu, ako je pri hiši, jabolka in drugo sadje itd.

Po dve žlici nepokvarjenega ribjega olja dnevno (majhni deci po 2 mali žlički) je priporočljivo dajati. Komur je ribje olje preveč zopno, da ga niži z juho, limonado ali sličnimi tekočinami ne more uživati, naj jemlje nadomestila: jemat, ovomajtino, radiomalt, oleosan itd., znabit tudi sam zgočen vitamin D (kemična snov, ki pospešuje tvorbo kosti, nahaja se v ribjem olju in nadomestkih). Dandanašne poznamo že celo vrsto dobrih izdelkov, ki vsebujejo vitaminske snovi v obilni meri, bodisi že omenjeni vitamin D (n. pr. vigantol, radiostal itd.), kakor tudi ostale doselej poznane vitamine: A (ovira razne kužne bolezni, prehlade), vitamin B (krepi živce), vitamin C (soroden prejšnjemu).

Naravno, pretiravati pomena vitaminov ne smemo; gotovo pa je, da je ravno pravilno sestavljena hrana predpogoj, da otrok raste in uspeva, a v boleznih okreva.

Poleg primerne prehrane je bolnemu otroku s početno jetiko potrebno ležanje na zraku. Zmotno je naziranje, da izključno planinski zrak ali obmorsko podebje zdravilno vpliva na dečo, ogroženo po jetičnem okuženju. Če bi bilo res tako, potem bi tisočero otrok po večjih mestih nikdar ne okrevalo po odigranem prvem okuženju. Čist planinski zrak je seveda učinkovitejši ko s prahom in dimom prepojeno ozračje okrog tovarn in po hrupnih ulicah. Toda v stiski si bomo poiskali solčni balkon ali zračno, mirno sobo z odprtimi okni, lepouredili ležišče za obobelo ali vsaj po jetiki ogroženo deklico ali fantka, mu prinesli igračke, žive igračke bo pa bolniček sam gledal z balkona dol: ptice, muco, kužeta itd.

Deca, ki ni ostro (akutno) bolna, ki ima le malo povišano toplino ali sploh ne, naj leži na zraku vsaj od 10.—12. ure dopoldne, od 2.—4. ure popoldne; po obedu naj ne samo leži, temveč tudi zaspi.

Deca, po zdravniku odbrana za okrevališče v planinah ali na morski obali, bo ondot seveda imela boljše podnebje zdravilne činitelje ko doma.

Kaj pa solnce? Koristno je, zna pa tudi škodovati, ako ga nezname pravilno izrabiti. Bolna deca z vročino ne spada pod solčno pripeko. V pravi meri pa se lahko v njem koplje neaktivno bolna deca ali le splošno slabotna deca. Nadalje tudi ni prav, da takoj od kraja puščamo takšnega otroka po ves dan pod solčnimi žarki. Lahko bi se zgodilo, da se vsled hude vročine in dražive bolnih ognjišč okuženje razširi, bolezen poslabša. Solnčenje naj se izvaja počasi, korak za korakom: Najprej treba obevati stopala, potem koleni, bedra, truh in ledja, prsa in gornje ude. Vsaak dan del telesa ved in dalje časa. Šele čez dober teden dni smemo solnčiti vse telo naenkrat, razen glave. Ta naj bo vedno zasenčena. Isto, kar glede solnčenja, velja tudi za kopanje: le neaktivno bolna deca ali splošno slabotna deca se lahko po malem koplje in solni na prostem. Dejansko bolno dečo zmvajmo vsaj tedensko na domu z mlačno vodo oziroma — pozimi — s toplo vodo. Za očičenje telesa je potrebna primerno topla voda in milo.

Umetno obevanje je prihranjeno za simo zli za slučaj, da iz drugega vzroka pravo solnčenje ni možno. Tudi umetno obevanje se vrši polagoma. (Zdravje.)

Those who would give up essential liberty to purchase a little temporary safety deserve neither liberty nor safety.

Ben. Franklin, *Letter to Historical Review*

Ten Largest Lodges

The Youth Movement of the Slovene National Benefit Society is a little over four years old. During that time the number of English Speaking subordinate lodges has grown to SIXTY-EIGHT. This is indeed a remarkable showing in this comparatively brief period. A splendid achievement for the younger generation.

The total membership of the ten largest English Speaking local lodges of the Slovene National Benefit Society is now about two thousand, counting both departments. This is a larger membership than many fraternal societies in the United States have in twice the number of their local branches.

The lodge having the largest membership is Lodge Pioneers No. 559, Chicago, Ill., which is also the pioneer in our Youth Movement. Its total membership is now 454.

It is a healthy fraternal society, the Slovene National Benefit Society, that can make such a showing. There are other local branches that have substantial membership reaching nearly the 100 mark, which in the near future will qualify in the BIG TEN largest English Speaking lodges category.

The names of the ten largest English Speaking local lodges referred to above, having over 100 members, with three exceptions, are as follows:

Name	Adult	Juvenile
1. Pioneers, Chicago	370	64
2. Comrades, Cleveland	239	22
3. Young Americans, Detroit	205	21
4. Badgers, Milwaukee	187	10
5. Strugglers, Cleveland	182	67
6. Sunflowers, Arma, Kans.	180	31
7. Loyalties, Cleveland	117	—
8. Little Fort, Waukegan	97	—
9. Golden Eagles, Girard	97	—
10. Integrity, Chicago	95	3

The above tabulation is based on figures compiled in April, 1930, after the Jubilee membership campaign was closed. Lodges having the largest juvenile membership have advantage to a more rapid growth in the adult membership over those with a small juvenile membership, unless the former keep on increasing their adult membership.

The importance of a large juvenile membership in a local lodge cannot be overemphasized. The steady growth of a local lodge largely depends on a large juvenile membership.

Is your lodge ready to enter the new Juvenile Membership Campaign that will start in July?

Remember that the Society is offering some valuable prizes for securing new juvenile members. Try to increase your lodge membership in both departments. You can do it. There are many of our young people willing to join your lodge. Why not talk them into it? Do it now and help your lodge grow in number and prestige.

Progressives' Second Anniversary

Euclid, Ohio.—Two years ago the Lodge Progressives started with barely fifteen members. It now has a total membership of 64. It has grown through the efforts of all the members. Some members of course worked harder than others. Very soon the membership will reach the 100 mark.

Progressives have organized both girls' and boys' basketball teams. In two years much progress has been made on these teams. Our Second Anniversary is going to be celebrated with joy, for we have made such a rapid stride toward being a model English speaking lodge.

We owe plenty to Comrades, Loyalties, Strugglers, Zavedni sosedje and Cleveland Federation. They organized us and put us on our feet. To our senior Lodge "Zavedni sosedje" we are greatly indebted for foreseeing the need of an English speaking SNPJ Lodge here. After seeing the need they did everything within their power to help us.

Now on Sunday afternoon at 2:30 p. m., May 25, our vaudeville show will begin. There will be music, dancing, clowns and black faces presented on the stage. It's the very best talent Euclid village and Nottingham have. In the evening there will be dancing. The tickets are fifty cents, and it will admit you in both afternoon and night. Refreshments will be served downstairs all day. Everybody is invited to come. Amelia A. Kanta.

Jots from Jolly Allis

West Allis, Wis.—Our lodge membership is not increasing as rapidly as we would like to see it. Suggestions were made at our meeting last Tuesday to put on a drive and have prizes well worth working for, to be awarded to those bringing in their quota of applicants. Wouldn't it be nice to have about 10 or 20 new members initiated at our next meeting? Think about this, members. I'm sure there are many people in West Allis who would be willing to become members of our progressive and beneficial organization.

After our business meeting, May day play was celebrated with great gusto by playing farmer in the dell, drop the handkerchief, etc. The great enjoyment that it afforded the members proves that we are still kids at heart. The impromptu waltz contest was also exceedingly popular, and the unique prizes went to Bro. F. Martinsek and Sis. M. Novak. We discovered some marvelous new dancing talent in our midst.

The committee for picnics, July 20, will be selected at our next meeting. All suggestions and ideas from the members will be appreciated as this is to be one of the biggest affairs we have so far sponsored.

We received tickets for the Slov. Dom's picnic which will be held June 29 at Kozmuth's Grove. This picnic is being backed by three of West Allis's biggest organizations and the proceeds will go toward the building of the future Slov. Auditorium. I hear that there will be races, games, dancing, and amusements galore which will be well worth the price of admission. Let's attend in full numbers and show the Dom that we are all with them. By Dixie.

In a Nutshell

I could point to a philanthropist or two—even to their statues—whom Posterity should ever turn from admiring the way they spent their money to considering the way they got it, will probably compare very unfavorably with Guy Fawkes.—G. Bernard Shaw.

FLASHES

By Inognito

A final notice to all dance lovers. The Ham Bone Chewers feel confident that their dance will be something new for you. They have the best of music. "The 9 Original Harmony Kings" will play their languid melodies. How can you tell if what they promise will be carried out if you don't attend their dance on May 24 at the SNPJ Hall? Tickets are 50 cents.

Another Pioneer meeting was held last Friday with 91 members attending. What keeps our members so occupied on the third Friday of every month? Surely the doings of our lodge should be inducement enough to make one look forward to our meetings. Two girls were initiated and several more were nominated.

Coming to a final agreement on athletics, the boys and girls are coming out with all their athletic spirit to make this season the best in baseball. The boys are scheduled to play their first league game on May 30, at West Allis, Wis. Come on boys, let's get together and show your lodge what you can do. Alice Artach is quite confident that her girls will be a big showing this year. We not only want players but rooters also. Let's give them the right backing.

One other outstanding topic discussed last Friday was the Annual Prize Picnic. Several members stressed the necessity of cooperation in making July 20 an outstanding date in the history of the Pioneer affairs. Tickets are being circulated quite rapidly. Sell your tickets and ask for more. Cause your customer may win the NEW 1930 FORD WHICH WILL BE GIVEN AWAY FREE at Bergmann's grove. Fun for all, the old and kiddies.

It is a national custom to fly streamers on July 4, but this year the Pioneers will fly streamers and spread merriment when they leave for Detroit on July 12. A committee of three, Sylvia Hometz, Rose Koren and Donald J. Lotrich are already on the go making preparations for the trip. Several trips are being planned and among these is a visit to Springfield, Ill., to see the Lincolnites.

The Chicago Federation of SNPJ Lodges will hold their next meeting Thursday, May 22, at the SNPJ Hall. Every lodge in the district should become affiliated.

Times are mighty hard. That is one reason why we must help one another all the more. Many of the Pioneers are out of work. If any one knows where jobs may be secured notify the officers.

Svetozar Banovec, our leading tenor from Ljubljana, had an attendance estimated at one thousand at last Sunday's musical recital at Orchestra Hall. He made good, leaving a favorable impression with his listeners, many of whom were other than Jugoslavs.

Stalwarts' Sayings

By the Bachelor

Kenosha, Wis.—Again, a 100% attendance at our last meeting, Friday, May 9, with 6 new applicants for membership. It looks like a "Banner year" for our Stalwarts in our drive in making our lodge one of the leading English-speaking lodges of the SNPJ. Keep up the good work, sisters and brothers, "bring them in," the more the merrier, as we need them now more than ever before. Let's make our "dreams" a reality by not letting up in our membership drive.

At our last meeting, the following were elected on the entertainment committee: Mary Repsel, Gasper Turk, and Cy Harris. All of them have a vast experience in that line and we can look forward to a year, chock full of pleasing socials, etc. A little co-operation on the members' part in selling tickets, etc., is all that is necessary in their carrying out their great program of social activities.

Also, this same meeting night, Rudy Penza was elected coach and Alex Polizek Mgr. by the girls for their indoor baseball team. The girls need good judgment in selecting the said brothers, as both are well qualified for the position. Hope you make a championship team out of our girls, brothers.

Ludwig Presterl, motorcycle speed demon, will be one of the five who were selected by the Wisconsin Motorcycle Association to tour the U. S. on said moving apparatus in demonstrating the latest safety ideas and correct way of riding. Brother Pre-

sterl is also a top-notch in the motor-drome racket and will give a special exhibition in this art on Labor day at Kenosha.

Stalwarts' "big 4" of the golfing world, Emil Chubril, Eddie Helms, Earl Erdman and Frank Mäuser, will meet the famous Waukegan four at the Glen Flora golf links, Sunday, May 25. The way these boys are "clicking eagles and birdies," means that Waukegan boys are in for a hard battle. These same golfers will be our color bearers in the SNPJ's National Golf Tournament.

Mel Maertz, Ken Knudsen and Sis. Beaupre are frequent Waukegan visitors. It is rumored they are to be joined by Brother Vincent Pink to establish one of the leading schools of Voice Culture in the Middle West, on Market st. of said city. All of these foregoing brothers will broadcast over Kenosha's radio station May 26 in the Slovenian language of how Voice Culture is a boom to man and woman. They recently gave talks on this subject before the Woman's Club of Kenosha.

Mgr. John E. Mauser is whipping his indoor team into fine form for the coming baseball season. With 30 recruits out for the team it looks like their cooperating with John in having a team that will give all the other SNPJ teams some tough competition. Boy, if we play, as we show in practice, it looks like a winning combination.

Frances Cuden and Frances Masoc recently came and visited our lodge via the airplane route. Both were here at the request of our girls to start a physical culture class consisting of Waukegan and Kenosha girls. Both of these girls won the highest award at a recent physical culture contest held in the Mid-West, at Springfield, Illinois.

Our Stalwarts are planning to send two bus loads of picnickers to Detroit on July 13. The reason why the date of the Young Americans' Annual Picnic, Don Lotrich and his Pioneers will be there also. Boy, wouldn't an indoor baseball game between the Pioneers and Stalwarts go over big at this picnic? How about it, Don? Let's make arrangements.

Sun-o-Visions

By Gumshoe Slim

Cicero.—The only exciting event that shall occur this week for the Sunglars of Cicero is a meeting of their Athletic committee, Thursday evening, May 22, at 2558 Central Pk. ave., for the object of preparing the so-called athletic "insurance" policies, so that we will be able "to put athletics on the spot" by getting the public to give financial support to our athletics.

"Noisy" is giving Gumshoe Slim real competition. With this new reporter in action, the awakening Sunglars will be pepped into greater activity which fruits will soon ripen into a bigger and better Sunglars Lodge for the American-Slovene residents of Cicero, Berwyn and Lyons. More power to you, "Noisy," be sure to create enough noise so that they will hear you in this vicinity, then let the public watch the "smoke" and see us grow by leaps and bounds.

Us Sunglars should remember that the number of applications for membership increases with the number of people that we interview. We should make it a habit of interviewing prospects for the purpose of becoming "live wires" in our lodge. This type of calling will materially wear out the soles of our shoes instead of the seat of our trousers and will in a small way help to ergate prosperity for the shoe dealers. In substance, the moral is, "Make prosperity in America by getting members for the Sunglars Lodge!"

To those who are inspired by poetry, Gumshoe Slim will quote the poem "TO-DAY," so that we get started to-day with those new prospects.

We have to-day, let's not forget, In all our life we never yet, Have seen tomorrow, nor can we borrow.

Just one brief hour from yesterday, Of yesterday we've had a plenty, If three score years, or only twenty, Have flitted by, no use to cry About our wasted yesterdays.

Today is ours to use or waste Across Life's page a line is traced, For which we'll sorrow, perhaps tomorrow, Unless we do our best today.

Tomorrow like a mist defies Our grasp. It may hide a surprise Of weal or woe, but we saw To-day, we reap our destiny."

The Pathfinders' News

By the Observer

San Francisco, Calif.—Thanks to the Entertainment committee and the rest of the members, who were largely responsible for such a splendid success of our recent "May dance," The Pathfinders should congratulate themselves for being able to draw such a big crowd. We have noticed that among those present there were many new faces. Some were from down town, others from nearby "Boy Cities," a couple even came from Hollywood. No, they were not the movie stars, just plain Mr. and Mrs. Stonieh. Early in the evening the gathering was rather unpromising, but after 9 o'clock it began to increase to such an extent that before 10:30 p. m. the box office was sold out, vividly the Pathfinders' popularity is growing and holding its own.

Bros. Gustin and Kolbesen, who were in charge of the bar upstairs did rushing business. They told us that for the first time in history of Slovenian Home the bar checks were sold by the "Bar Lentha." Thanks to the generous patrons, Sisters Lottie Plese and Mary Rus were our flower girls. You know those "cute little things" who pin a rose on your coat lapel and smilingly tell you that the cost of raising roses and carnations is very high this year. Of course our Scotch instinct rebelled, but when we were informed that it is all for sweet charity, we didn't mind to part with the shiny half a dollar. Sister Mary Klemenc and Bro. Frank Matiasich Jr. were in charge of our Coffee Shops, which explains our query why so many young men and girls, too, acquired so suddenly the coffee drinking habit. Then take for instance Bros. Kastelle and "Yank" Vidmar, the "May Pole" makers, who have tried and partly did succeed in making us act like kids. Just imagine how one feels dancing around the "May Pole" in such a crowd. But then, it was all in fun, so we didn't mind so much; on contrary, we rather liked it.

The Observer congratulates the Entertainment committee for their good work, which was done in such an effecting way. Everyone of them did their best in making the evening a more pleasant one. In observing their movements we have noticed that certain member of that committee, was rather bashful of doing anything, else except being seen in the company of the fair sex. In answer to our inquiry he told us that he is a member of the Entertainment committee and that he is doing his best in entertaining the young ladies. Pretty soft, eh? Too bad we didn't have his job.

Our next big day is going to be on Sunday, June 22, when the United Slovenian societies of San Francisco will hold their annual excursion to Madrone Park, Contra Costa County. The admission, which includes the transportation to and from the park, is one dollar. Get your tickets from our secretary. Remember the Pathfinders must have their quota of attendance.

Observations

By Herman Rugel

Detroit.—The last monthly meeting held on Sunday, May 11, reminded one more of a Bucky Harris' Club room meeting than a fraternal meeting. Baseball was discussed from all angles till it was appropriated with a beautiful cash sum.

After the meeting the first official game was held at 6 mile and Dequindre roads. The enthusiasm shown by the members at this game was great. It's a good "propotion," as "Amos and Andy" say.

The manager, Tony Kapler, was wagging his score card in the same manner as that of "Connie Mack." So don't be surprised if we have a team something like the "olophants." The sports committee are determined to back up Kapler to the full extent.

The time is nearing for the JSF convention that is to be held on May 30, 31, and June 1. Remember, Young Americans and Wolverines, our Fraternal Society was founded on this basis. See to it that you are in touch with us the last days of this month. Watch what steps will be taken to better the welfare of the working class. It will be interesting to hear the main issues discussed and the viewpoints as they are seen through the eyes of the most progressive Slovene leaders. It's these men that take the most important steps to further and better the progress of the largest, but not the oldest Slovene organization which is none other than the Slovene National Benefit Society.

Get your reservations for the banquet which will be held on Friday, May 30, Decoration Day. For last minute reservations call Arlington 2308 M. or Hemlock 7496 W. Remember, no tickets will be sold at the

door, so see to it that you are prepared.

Saturday and Sunday nights there will be programs scheduled. These will be played and acted by our own members and also by the out of town visitors.

Dancing to follow on each night. So let's get prepared for the three most busy and happiest days of this year in the Slovene Workers' Home at 437 South Aartillery street.

Integrity Ramblings

Chicago, Ill.—The Badgers of Milwaukee claim that they soon will have part ownership in the North Shore Line. The Integrity Ramblers will soon submit their claim for the National traveling title of the SNPJ lodges. The Integrity Red Peppers have made various trips which have taken the Ramblers to various parts of the United States. Let us host the name of Ramblers throughout the world.

Have you adopted the slogan of the Ramblers? Here it is: "Follow the Red Peppers and assure yourself a good time." The Red Peppers play at 22nd and Lincoln on Saturday, May 24. Don't forget that the Red Peppers is your orchestra and it is your duty to support them.

The Red Peppers peppered the Milwaukee Gopher crowd to a frenzy. By their hot, snappy foxtrots they turned the crowd into a group of toddling wonders. Steps of various sorts were displayed by a colorful house full of high-steppers. The Ramblers who attended were well pleased with the Hospitality of the Milwaukee Gophers and their friends.

The Integrity Ramblers are looking forward to championship baseball teams this season. Practice is very regular and selections for berths are being made rapidly. The Ramblers won the other SNPJ lodges to be aware of some strong competition. The Ramblers mean it.

Remember Integrity's important dates. The picnic on August 1 and the annual dance on November 1. Rambling Joe.

"Cardinal Blasts"

By the Mystic Trumpeter

Bridgeport, Ohio.—At our last meeting the lodge voted to join the SNPJ Federation which is being started here in our valley. It is something that will be of benefit to the lodges and individual members as well, and another boost for our locality.

Don't forget our next dance, May 24. Come and meet the crowd and enjoy yourself. And the 25th a picnic, the first of the season given by Edinost No. 13 on Kandare's farm, located on the hill right above Boydsville, where there will be plenty of fresh air. See you there.

I wonder what is the matter with our sister members? Lately their attendance at our meetings have not been so good. What is wrong, girls? Has Dan Cupid got the best of all of you? Get a leave of absence from your beaux and come to the meetings. We need you. Or you can go one better than that. If he is a member, come together, and if he is not a member, it is your duty to see that he becomes one. Make him one of the family. After our next meeting, don't forget we are going to make whoopee, and how!

Members and friends are sorry to learn that sister Julia Prokes had to undergo an operation for appendix. Pay her a visit and help shorten the long hours known to all patients. Wishing you a speedy recovery, Julia. We wish your presence.

Again let me remind you: BE A BOOSTER, ATTEND YOUR LODGE DOINGS AS THEY ARE YOUR DOINGS. HELP ONE ANOTHER OUT. Don't forget we have a ball game every Sunday.

PIONEER PICNIC

Chicago.—The Pioneer Picnic will soon be here. It will be held at Bergman's grove at N. Riverside, Ill. We'll all have a wonderful time. You'll have a chance to get the 1930 new Ford car, given away as a gate prize. (The winner must be present at the Grove to get it.)

How to reach the grove:—Take any car to 48th ave. and 22nd street, and then any La Grange car to the grove. Take Douglas park Met. "L" branch to 48th avenue, and then any La Grange car to Bergman's grove, Desplaines ave. and 25th street. Pub. Committee.

"Hearts of America"

Kansas City, Kans.—At the rate we are going it shouldn't be long to reach the hundred mark. Why stop for one member? Surpass others by securing two members, maybe three. There are many Slovenes here to choose from, and they would make very fine members. There are many wanting to join, but are just waiting to be asked. So don't stop at anything. Keep plugging and secure a new member for the "Hearts."

Wedding bells rang for two of "Hearts" members, Bro. Philip Lokinac and Sis. Mary Sambol. Sister Sambol was a charter member of the Hearts. Congratulations to you both, wishing you the best of happiness. Hoping that your activities will be shown in the future as in the past.

"Hearts" public picnic to be held June 22 is being well arranged. Here's hoping to see some of the Sunflowers of Arma, Kans., Rangers, Roses and also Spirites of St. Louis, and all other neighboring lodges.

Private party for Hearts members, by the losing side securing the least number of members during the last campaign, is being arranged. All Hearts keep posted for this event.

Since the new English speaking lodge of the Croatian Fraternal Union started, it seems that we'll have very strong competition. Now, Hearts, your place is to lead the English speaking movement in K. C. This alone can't be done by one, but must have cooperation of all.

Our handsome Pilot is doing well with his open Cord front drive. Sorry to hear of your accident. If there is any chance, we will try and change the course of Kaw river for you.

A few of the Hearts' members are planning to attend the Pioneer Picnic in Chicago to be held at Bergman's Grove July 20.

Hearts are out for their indoor team this season, expecting to cop all honors this side the Kaw river.

What would happen if politics would vanish from this earth, especially here in Kansas City? What would happen if some of the Sunflower male members were not so touchy toward our loving "Hearts"? Better be careful, Alfred and Bill.

All members are requested to attend in full numbers the next meeting which is to be held June 12 at 8 p. m. Publicity Committee.

The Revellers' Column

Ambridge, Pa.—The Revellers appreciate the congratulations extended to them from St. Louis, Mo. We did not think that anyone so far from us would take any interest of our affairs. We certainly are glad to know that they do. I wish to compliment Kaye Dellbeck on her fine article printed Wed., May 7. To date the Revellers are living up to their name to the last letter.

"We're the Revellers Always full of cheer, Everwhere we go We always show Why we're called the Revellers.

We're always, always happy, carefree and gay The blues are always pushed away We're joyful of none As we walk along For we're the Revellers of Ambridge town.

On May 10, we traveled to Aliquippa and to the dance at the Slovenian Hall there. Did we enjoy ourselves? Revellers always do. The Aliquippa chapter of SNPJ received us cordially and provided the means for our enjoyment. Everything they did for us we appreciate. The Revellers outbid Aliquippa for the prize cake of the evening. Christine Zorman was the busiest Reveller that evening, and the most popular. Ask Bro. Grosdeck about her dancing.

Aliquippa, why don't you get together and organize an English speaking lodge? Ambridge is willing to help, and wishes you success.

On May 24, the Ambridge SNPJ Revellers sponsor their first dance. A real time is assured to all participating. We are providing the opportunity and it is up to you to grasp it. To the out-of-town guests coming we give this advice. Don't make the mistake and go to other dance than that of the Revellers. That night there will be more than one dance in Ambridge. Inquire for the Croatian hall near Fourth and Merchant streets. It can be easily found for it is on the main thoroughfare in Ambridge. We want at least 200 SNPJ out-of-town members of this district to come. Won't you?

At our second meeting we accepted two new members. At the third meeting we will receive at least six applicants. Keep on growing, Revellers!

What's the matter with some of our young Slovenian folks in Ambridge? Why don't you get a transfer from "Nas Dom" Lodge to the Revellers? There is no added expense and everything can be easily arranged. You certainly are not taking advantage of a great opportunity.

Fraternally, The Revellers.

High Spots

Chicago.—Folks, you and I are only human, so it must be our feelings are probably the same in at least one respect. Don't you, whenever you attend a dance, seem rather fascinated by the crowd? Well, I do. That's if the crowd is of a sociable and enjoyable nature.

The Hambone Chewers are a sociable and enjoyable crowd, which you really should meet.

The opportunity will present itself of their coming dance, where you not only will make friends, but keep them probably as your companions. And will you please remember to tell the old folks that a "domafa zabava" will be held in the lower hall where polkas will be the popular tunes of the evening.

For you, none other than that well known and much loved orchestra The Nine Original Revere Harmony Kings will doctor a hot red color.

Follow the crowd to the Hambone Chewers' Dance May 24 at 8 p. m. Admission 50c, at Lawndale Auditorium, 27th and Lawndale, Be there. Joe Gasperich, member Pioneers 559 and LOHBC.

Lodge News Notes

PROGRESSIVES' PROGRESS

Euclid, O.—On May 25 the Progressives, No. 641, SNPJ, will celebrate their second anniversary. Two years ago, when this lodge first organized with only 18 charter members, the folks around wouldn't believe that we would last very long. Well, as our name signifies, we sure made some progress and are still going on, as the first two years are the hardest.

To everyone who can attend, we extend an invitation to our Anniversary Vaudeville and Dance, May 25, at the Slovenian Home on Rechar ave. This is the first time we are having a vaudeville show in the afternoon we are sure that you will enjoy it. Refreshments will be served and music for dancing will be supplied by the Strugglers' Four Harmony Aces. Everyone please attend.

The boys' baseball team is out for practice every evening. Although some of them are getting all banged up I hope they recover soon and pave their way to victory.

SUNGLARE SIGHTS

Cleora, Ill.—On June 13, after its regular meeting, the Sunglare Lodge will journey to a Forest Preserve for its first "wilder" roast. The boys on the entertainment committee for June ask you one and all to come and help make a success of it. Everybody welcome. The meeting will be held at Vacek's Hall, 2301 S. 56th ave.

With all the practice and material our ball team should be getting along fine. Well, it is. Every man on it will do his best, play square, cooperate with the others, and be the best material the Sunflowers have for his position. The managers will pick their men fairly, giving all a chance. So far practice has been irregular; but now, we hope, they'll get together more often.

The Sunglare Lodge wants a winning ball team, but it also wants a fair playing team. We want a reputation as the cleanest, peppiest, gamest, and fairest players in our league. Go to it boys, and build along the idea.

VERONIAN PICKUPS

Verona, Pa.—"All aboard, everybody set, all right, let's go! Toot, toot! Honk, honk! We're on our way, and we will soon be there, Revellers, to help make whoopee on your dancing day.

All members who are going to Ambridge are to get in touch with Vick and Red before to-morrow, so that all final arrangements can be made. The meeting that took place last Sunday was swell with the members turning out in large numbers. Mat Kern, one of our star track men, proposed two new members. Let's see if we can get some more new members for our next meeting. Imagine the girls beating the boys in a mush ball game recently. No, not by the score, but in a debating contest during the game. The game was going along fine till the girls couldn't regain the side.

Michael Lipsky.

BEACON BABLE

Cleveland, O.—The Beacons' Dance went over big. A large crowd was at hand. Sorry the neighboring lodges missed the fun that lasted till the wee hours of the morning.

We have another champ in our midst, none other than our vice-president, Sis. Mary Abram. She exercised her vocal cords to win her title. Our champ hot-dog eater was seen devouring some pups. He must practice to be in good shape for our weiner roasts. The first one is on June 21. All lodges are requested to keep this date open and come to help Beacons raise a racket.

Sorry to hear about the failure of the Bachelors' Club. I'm sure that the Old Maids' Club had nothing to do with it. The Collinwood Bachelors are going to be surprised in the near future. Beware!

"The Fatal Necktie," a playlet to be presented by the dramatic club of the Beacons, is just the thing for one interested in thrills. On June 12 Brother Ajnik will demonstrate his villainous ambitions. Don't forget the Beacons' meeting. Come to meet the "Old Maids."

LODGE YOUNG AMERICANS

Detroit, Mich.—The Young American Lodge will hold its big picnic on Nine mile rd. between De Quindro and Ryan on July 13. Music will be furnished by the Dancing Commanders.

KEYSTONE TROJANS NO. 709

Broughton, Pa.—At our last meeting it was decided that our Lodge holds a party on May 29 at 8 p. m. It's going to be a get-together affair for the present members and their friends who wish and are interested in joining our Lodge. The party will be interesting. Plenty of fun for everybody. Games, music and other entertainment. This party will be held at the Slovenian Home on Rechar boulevard. We are also going to have

a speaker or two from other lodges. This party will be held for the sole purpose to entertain our members and their friends. No admission will be charged.

Come one and all and have a good time with our jolly crowd of young folks on May 29 at 8 p. m.

Fraternally,
Louis Schmittner.
Lorenz Schmittner.

LODGE CRUSADERS

Lorain, O.—Four members were elected to serve on our publicity committee at our last meeting held May 12. They are: Joe Breachak, Frank Udovich, Mildred Kovac and Theresa Udovich.—A lunch was served by M. Kovac.—Our wiener roast will be held on May 31 at 7:30. Every member is requested to be at the Slovenian National Home at the appointed time. Come and let's all have a real good time that nite. A cottage has been given to us for use on that nite.

To all the girls: An indoor baseball team has been formed, and all girls are requested to come to the Oakwood Diamond on Wednesday at 8:30 p. m. "Polly."

THOSE BEACONS' SWEATERS

Newburgh, Ohio.—Well, our new sweaters bearing a "Beacon Light" with the word "Beacons" sewed on and also our initials on the left pocket, are here at last and they've been worth the waiting. Boy, wait till we start strutting in earnest! Many were the favorable comments heard from all sides at the dance on May 19, but "they ain't seen nothing yet!" It will indeed be a rare sight when we ALL wear them at the same time!

Windy.

LODGE BEACONS

Newburgh, Ohio.—Folk, be sure to put a great big ring around the date, May 25, on your calendar. That happens to be the day on which the great picnic is going to be held at Raymond street in Maple Heights, on the Slovenian grounds. Several lodges are sponsoring the affair and have every desire to put it across without being involved in financial difficulties as a result. They would like to see every lodge in Cleveland belonging to the SNPJ, there that day. Red-hot music will be served, so come and get your share!

Windy.

BADGERS' MAY BALL

Milwaukee, Wis.—Well, folks, do you want to spend an enjoyable evening? You sure do, don't you? Come to the Badgers' Third Annual May Ball at the good old South Side Turn Hall, Saturday night, May 24.

Entrancing music to flow from the instruments of Joey Carver and his Original Harmony Kings. And boy, what music! Dreamy waltzes, hot, peppy trots and what not. Will I see you there? Sure I will.

Stalwarts, Jolly Allis, and all other lodges are cordially invited. Don't forget the date. "Bones."

LODGE NO. 703

Roundup, Mont.—The members of Lodge "Harmonisers" No. 700, SNPJ, sincerely thank Bro. Max Polak Sr. for the donation of a frame for our charter, and also Bro. Mike Krive Sr. for the donation of a gavel.

STRUGGLERS

Review Of Our First Trip
Collinwood.—The Strugglers' first trip this year, in company with the Comrades, was to Girard, Ohio, to attend the Golden Eagles' Second Anniversary Dance. Our trip there was a knockout, we had more than a party on wheels.

At 8 o'clock p. m. we assembled on a Twin Coach and started our party by singing our way thru the city, having our Harmony Aces' leader, Louis Simmonck, with his accordion as accompaniment. I believe we made a good job out of it as we attracted much attention. On the country roads, our local talents predominated with their display of oratorical, acrobatic, dance and vocal abilities; they were

Banovec in Concert

Five prominent Chicago critics participated at Mr. S. Banovec's concert at Orchestra Hall last Sunday, and all five agree that our artist possesses a lyric voice of rich qualities.

Edward Moore in the Chicago Tribune writes:
"Svetozar Banovec, concert and operatic tenor from the Opera of Ljubljana, Yugoslavia, gave a recital at Orchestra Hall, revealing a lyric voice with a thrilling top to it, and the manner of an accomplished and experienced artist. He was assisted by Jasna Blaska-Bjankini, accompanist, and a brilliant solo pianist."

Morris Rosenfeld for the Chicago Daily News writes as follows:
"Svetozar Banovec, leading Yugoslav tenor, gave a song recital at the Orchestra Hall and devoted a large part of his program to songs from his native Yugoslavia. His first group included songs of Pavle, Lajovic and Dobrosic. In these selections he disclosed

a lyric tenor voice of considerable power and good training, a facility in singing the difficult texts of his songs and other artistic qualities. He was assisted by Jasna Blaska-Bjankini, solo pianist and accompanist. The Chicago Herald-Examiner published a similar account by Albert Goldberg, and Karleton Hackett in the Chicago Evening Post adds that Svetozar Banovec, leading tenor from the Royal Opera, Ljubljana, Yugoslavia, has a good voice, but asks in parenthesis, "since when has Yugoslavia been a kingdom?" This eminent critic evidently needs some elucidation on his geography.

Loretta in the Chicago Daily Times compliments our artist with the following enthusiastic lines:
"I do not know where Ljubljana is, but I do know that Svetozar Banovec, who is the tenor in his Royal Opera company, has a marvellously sweet voice and was heard here last Sunday. . . ."

Life As an Investment

The weighing of advantages and disadvantages is the process upon which you are about to enter in making the choice of your life work. You are thinking of making an investment of your life, the decision as how you are going to invest your life, which is but another way of saying the choice of your life work. In the first place you have but one life to invest, for a lost life cannot be lived over again.

The great importance of your decision as to what your life work is to be may, with added emphasis, be brought home to you by calling to your attention the fact that many failures are attributed to the selection of the wrong vocation. Some people are fortunate in discovering early in life the vocation in which they belong. Others go through the harrowing experience of finding themselves either through choice or circumstance engaged in work for which they are not adapted and in which they are therefore probably doomed to failure.

The fact that a man is a failure in one line of work does not by any means imply that there is not some other business or profession in which he might successfully engage. History is full of examples of men who failing in one type of work for which they were not suited changed to another and succeeded. There are the classic examples of Lincoln who was unsuccessful as a merchant, but who became a President of the United States; Patrick Henry, who made a complete failure as a business man but who was a splendid statesman, and of Grant who was not able to run a tannery but whose name will go down in history as a remarkable general.

Progressive Patches

Euclid, O.—Back on the job again. Just got back from our monthly meeting and have quite a bit of news for you. We made an agreement quite a while ago to bring at least one or more new members to the meetings. We lived up to this rule until our last meeting when no new members were initiated. And to think that this is Our Anniversary Month!—Bro. Sezon made a motion that we all go out advertising-like and bring more new members. That's a good idea, Chuck. Now let's live up to it.

The Progressives are going to and fro those days like nobody's business. Why? Well, because May 25 is not far off. The Progressives' 2nd Anniversary Vaudeville and Dance. Plenty of fun and cats; music by the Strugglers' Four Harmony Aces.

Summer is with us again and once more we can have our wonderful outings. The Progressives have selected June 15 for their first excursion. The destination is Summit Beach. We are all looking forward for a good time.

Where were the "Three Lebars" on the night of our meeting? They never showed up. Now girls, don't you tell me that you had a flat tire.

Why doesn't "Lily" write anymore? Surely this weather hasn't turned your thoughts to love. Hope to hear from you soon, "Lily."

Your canned "Pesches."

AN INSTALLMENT

Milwaukee.—Orders from headquarters and the committee rushed to their assigned places to get busy. So started that evening on May 10, the night of the Gopher May Ball.

Attendance was grand at this memorable affair. Friends from far Sheboygan and Chicago, and near West Allis and Milwaukee, all assembled for a wonderful time. Thanks to all present. Splash! A big tear for absentees.—Can those Red Peppers ever turn out "hot" music! And how, yet. Did you ever try eating Red Peppers? I mean the vegetable, 'cause we wouldn't want you to try to eat the players, as we would miss these astounding melody-makers. But, if you ever eat the vegetable, you know how it makes your mouth burn. Well, that's just how these lads make your feet burn. Ah, but they do play a soothing refrain to relieve your feet, and they played beautifully. The waltz, which contest was won by Anton Hodnik and Mary Winter. Last we forgot, Bro. Bolka didn't forget his "Walk-a-tonsa Stomp," either.

Midnight, and Home, Sweet Home. The crowd still surged on, reluctant to leave. Here and there was heard, "Do we have to leave, already?" 'S too bad but orders were orders. A sudden mad rush to the wardrobe, and the crowd dispersed. What a difference the now prevailing silence did make as contrasted with the booming of the orchestra, the merry laughter and the loud haw-haw.

As though this wasn't enough many went to other private parties in the city, but we hope everyone enjoyed himself to the utmost at our affair, and again we say many thanks to all attendants.

Visiting Kansas

For the past 22 years the Kansas Federation of SNPJ lodges has been celebrating Labor's only true holiday, May First. Year ago the various halls in which these celebrations were held were not large enough to accommodate all of the Yugoslavs desiring to participate in these festivities. The mines were operating steadily and our brothers and sisters were conscious of their duty and joined in with the rest of their brothers in the celebrations. But the dastardly world war that has played so much havoc with all the workers of the world has also reached down into Kansas where our folks reside. Coupled with the strikes of the coal miners and their battles for a decent wage and their subsequent setbacks because of irresponsible leadership in the past ten years, our folks suffered tremendously. Mine after mine would shut down operations and with the closing of the mines many idle men had to shift to other sections of the country to earn their livelihood.

Lack of work, the only means workers have of obtaining their bread and butter, just naturally made the people weary and shifting. And that has continued for many long years, so that conditions in this territory of Kansas today are bad. The general depression through the country tends to make Kansas all the worse.

Homes and real estate have lost their value. Homes with lots ordinarily valued up to \$3,000 can be purchased for \$500. But what are you going to do with a home when you have no job? In some instances sorry homes have actually been abandoned because the people had to shift

Life As an Investment

to other localities in search of work. Such are the disheartening conditions of our people in this grand old state. It is wonderful to note, nevertheless, how many have withstood all of these horrid setbacks.

Jugoslavs in general are not spend-thrifts. Nay, they are a saving lot. While work was plenty and wages were steady our people saved and put aside for these rainy days. They have been waiting, always hoping that the time will come when they will prosper again. They feel that the "sun must shine again after the rain." They add that "it has been raining long enough."

The writer had occasion to visit with these folks on May First 1930. Brother Anton Sular, one of the most active SNPJ workers in this section, explained that the attendance was better than has been customary for the past few years. In spite of exceedingly warm weather many did come from the surrounding towns. All of the speakers laid stress that the workers should bind together more solidly and manifest their will more clearly when conditions are so deplorable. It is hoped that the halls for the future will again become taxed with overflowing crowds.

On the following evening the Sunflowers held a Memorial meeting for the late Brother Leksha. A splendid audience was present to hear the many voices sing praise for the work of our deceased brother. The active members and guides of the Sunflowers resolved that the memory of Frank Leksha shall always remain with us in the Sunflower lodge, because they promise to carry on the work where our dear boy has left off. From the earnestness of expression there is every reason to believe that the Sunflowers will continue to grow stronger every day.

The ambitious man, the man in whose soul there is no instinctive urge to make his life count, will not find his slumber disturbed at night by comparing what he is accomplishing with what he might accomplish. On the other hand he who has within himself the spirit of conquest which constitutes the motive power of every man and who accomplishes anything worth while in life is restlessly unhappy in a form of existence, where, in the large part of his time must be given to tasks that are inferior to his powers.

You should not make any investment of your life unless you intend to be a permanent investment. No banker will invest in a security because it offers temporary profits.

Securities that are hard to obtain are often most profitable, and again those which yield the smallest return in the beginning as a rule are the safest in a long run. One danger of an investment without considering future return is that a temporary investment may eventually become permanent. Pick out some old man who has spent his life clerking in a store and ask him if he began his work as a clerk with the intention of always remaining a clerk. The chances are he will tell you that he started with the idea of remaining in that work only a short time. He slipped into a rut, however, and stayed there. Some other vocation would have been more fitted for him, but the longer he remained behind the counter the more difficult it became for him to change.

It is of relatively slight importance what your situation is now; what your situation will be in ten, twenty or thirty years from now is the thing that really counts.

In choosing a vocation in which to invest your life, you should direct your thinking that you owe it to yourself, to your family and to your society.

John Kopach.

Strugglers, Comrades, Golden Eagles

Collinwood.—We were off to the land of the Golden Eagles of Girard. It was seven p. m. as we were unable to get started on time due to the fact that more wanted to help the Eagles celebrate their 2nd anniversary than we thought. So we had to jam in the bus like sardines and head west eight miles to the bus terminal. With our star accordion serenading us, Louis Simmonck received a hearty applause. We won't forget his neat piece of work. With the bunch were Peanut, Linda, Snops, Budwust, Angelbar, Leona, etc. Ajax was the mixing link. Their supply of "kotajka" was large. Women were in minority. Even the bus driver got so nervous from seeing "Tom Mix" Modie, Stanko Kromar and Lindy re-hearing the "death march," that he headed the wrong way. Regaining consciousness we returned and headed for Girard. Finally, after a series of Perusek's No. 2's and Podpader's No. 5's with only five stops, we drove up in front of the Slovenian home in Girard. We were greeted by a delegation of the Eagles headed by Bro. Cigolle and Sis. Yakevich. We were escorted into the hall. (How many went up into the hall and how many down? Canary Koss can answer this question.) We danced and made whoopee to the remarkable tunes of the Golden Eagles' band. It took us fully an hour to gather ourselves together for our return trip. We arrived back at 3:30 a. m. Not yet satisfied by calling it a day we wound up at Tolar's home, there we ate, sang and some dozed away, but when daylight came, oh how happy (maybe tired) we were. Then some journeyed to Podpader's farm and entertained a large crowd with a wild west "radio show." (Pictures on display at Mandol's.)

The Prevention of Tuberculosis in Children

By Dr. John J. Zaveritnik, SNPJ Supreme Medical Adviser.

The white plague known as "Tuberculosis" still claims more victims than does any other disease. We learned that infection with tubercle bacilli is much more prevalent, especially among children.

The childhood type of tuberculosis is diffuse or nodular lesions in the lungs and associated tracheo-bronchial lymph glands that result from the first infection of pulmonary tissue with tubercle bacilli. Infants and young children are very susceptible to this disease.

Tuberculosis in infants under 3 months is rare. One may say that the younger the child at the time of infection, the more likely will the disease become active. Also the older the child at the time of infection, the more likely will be the lesion healed or become latent.

The child who has withstood the first or primary infection has sufficient resistance to keep the process from becoming active. If this resistance against tubercle bacillus is maintained at all times the child will not develop the disease, but if this resistance is lowered by measles, whooping cough, influenza, etc., the latent tuberculosis may become active. Diseased tonsils, adenoids, recurrent bronchitis, frequent head colds, may also bring about a decrease in resistance.

Hereditary transmission of tuberculosis is rare. Early signs of tuberculosis in children are—undue fatigability, which means the tendency to tire early; underweight; failure to gain weight, and the history of poor health of the mother. Also with history of exposure to an active tubercular individual, and a positive tuberculin test.

An infant should be at once isolated from a mother who has tuberculosis, because the mother may infect the child with the tubercular germ. Children of the creeping age usually put fingers and objects into their mouths more or less habitually, and should be kept away from any individual who has active tuberculosis and is harmful thru his bad habits, because the tubercular germ is found in stool, urine, perspiration, pus from bone and gland discharges, contaminated linens, walls, floors, carpets, dishes, spoons, drinking cups, etc.

The breast milk of a tubercular mother may have tubercle bacilli, and it is not advisable to have the baby nurse from the breast. Cow's milk may have Bovine type of tubercle bacilli, in spite of the commercial pasteurization or sterilization. Therefore, all milk should be boiled or pasteurized at home before it is fed to infants and young children. Children convalescing from any illness, especially from intestinal disturbances should not have raw or unboiled milk.

To prevent tuberculosis every measure must be resorted to increase the child's resistance. The chief aim in treating a child with tuberculosis is to aid and increase his natural defensive powers, reinforcing his vital energy, and rendering his tissues as unfavorable as possible for the growth and spread of tubercle bacilli.

The important factors of prevention of tuberculosis are diet, rest, fresh air, and sunlight. Suitable nourishment is essential to recovery. The child should be on a nutritious, easily digestible high-fat, protein diet, and a low carbon-hydrate diet. The fat is best given in the form of bacon, unsalted butter and cod liver oil. Infants should receive breast milk or cream should be added to usual milk mixture. At one year beef juice and scraped beef may be given daily. At two years semi-solid food and one quart of rich milk given daily. At school age three regular meals of ordinary plain, wholesome, varied, mixed food should be given. The food may consist of the following:

For breakfast—cereal cooked in 10 oz. or more of rich milk with butter added, or 10 oz. or more of cocoa, or rich boiled milk with bread, toast, or rolls and butter.

For the noonday meal—sandwiches with chopped eggs, cheese, or fish, beef juice, beef and mutton.

The evening meal should consist of potato puree with gravy or butter, small amount of green vegetables, salads, and orange juice.

The child should slowly masticate all food and at the same time avoid over-excitement, worry, or other emotional disturbances.

All acute cases of tuberculosis should have sufficient rest. A fresh

The Prevention of Tuberculosis in Children

moving air is of great value. Beds should be outdoors whenever the weather permits. A roof or sleeping porch well ventilated, or a sunny room with windows in best with a southern exposure. Fresh air by day and night is a most important factor in recovery.

Ideal climate is best at two thousand feet elevation. Tubercular children should be moved from a dust-laden atmosphere from the city to the country. Seashore climate is the best, especially from June to September.

Walking and other exercises should be supervised. A child may begin active exercise on the level in open air in the morning at a slow rate of about 1 1/2 mile an hour, with frequent pauses for rest. A child should walk in upright carriage and breath thru the nose, should rest one-half hour before meals. Mild sports may be indulged later on when the resistance is built up. Sea bathing should be encouraged when the child has good resistance. The child at beginning should remain in water only 5 minutes a day. Later 5 to 10 minutes. Body should feel warm when the child comes out of the water.

Baths should be given twice a week for five to fifteen minutes. The water should be 90 to 95 degrees Fahrenheit.

Clothing should be of open texture, light, loose, and suited to the climate and season. Underwear and socks or stockings should be of pure combed wool or silk, or a mixture of wool and cotton and worn in summer and winter. The day clothing should be removed and at night as little clothing as possible should be worn.

Helio-therapy or sun baths consist in graduated exposure of the body to direct rays of the sun for an increasing period daily until resistance so acquired permits a long exposure to light and air. During the winter months quartz ultra-violet ray is used for increasing the resistance of the child.

From 5 to 10 per cent of school children have, have had, or are predisposed to tuberculosis. The tuberculous and pre-tuberculous pupils should be recognized and should receive immediate attention for prevention treatment, especially when a poorly nourished and poorly developed child has a positive tuberculin reaction but no open lesion. When prevention treatments cannot be obtained at home, institutional care is advisable. These institutions are called Sanatoriums, and are located outside of the city, near seashores, or elevated farming country, or in the mountains.

BREEZES

Euclid, Ohio.—Oh, what a wonderful treat is in store for you Sunday, May 25, at 2:30 p. m. Progressive Chorines will be at their best. They'll not pep into the vaudeville show. Come and see who these reputed pretty girls with "H" are.

And our boys will be boys. What the Progressive girls may leave undone will be more than half fulfilled by the boys. They sure are good.

Progressives' next picnic trip will be to Summit Beach Sunday, June 15. Make your reservations early.

The club "Ljubljana" and lodges belonging to the Hall association in Euclid are having a big fair Saturday and Sunday, May 31 and June 1. Everybody is invited. There will be a fish pond there too. Bring the kiddies along!

The following week, Sunday, June 8, the Cleveland Federation is having a big picnic at the Euclid Hall. All Cleveland SNPJ members come and get acquainted with your neighboring lodges.

Progressive's boys are starting a baseball team. Girls, come out to the games and root! Rooters give the players ambition.

Detroit went over big with our boys, evidently. John Cvetie says, "Let's go to Belle Isle." It makes me wonder why?

Progressive monthly meetings are getting better and better. Order is observed.

SNPJ DEFEATS WESTSIDE A. C.

Waukegan.—Snaps pound out seventeen hits for fourteen runs to defeat Westside A. C. in a game played in December atmosphere both pitchers were ineffective. Trailing only the sixth inning, the Snaps staged a seven run rally which closed all doubt as to the outcome of the melee. Zupancic with a double and two singles led the hitters. T. Mesec continued his heavy hitting with two triples.

Next Sunday the SNPJ team tackles the fast Lake Bluff aggregation at Lake Bluff.

PIONEER GIRLS

Sports, especially indoor-ball, is again brought to your attention.

The ball practices are held every Friday evening at 6:45 p. m. at 18th and Keeler ave., at Mason school grounds.

Thus far, quite a few loyal, enthusiastic girls have been getting into shape for the Midwest League, but the more interest, enthusiasm and action shown, the more chance there is in building up a winning team.

Therefore, girls, show your Pioneer spirit and let's see action.

Let's pitch in and play ball!

Alice Artach.

WAUKEGAN SPORTS

Waukegan.—Look out, Milwaukee, Kenosha, and Chicago, the Sports Club is rarin' to go with the indoor baseball team. The bunch from last year are all hot to go, with Lefty Schuster managing and always ready to help his brother in the box. It looks like the other teams will have to put some winning teams on to defeat our boys.

ParKy.

STALWARTS' ATHLETICS

Kenosha, Wis.—Our Stalwart indoor baseball girls crashed into the win column here Sunday, May 11, when they lowered the colors of the "Royal Girls"—a lodge team—by a score of 8 to 0. Tillie Rodmond on the mound was invincible. Twenty batters fell via the strikeout route, due to the terrific speed ball hurling that she dished out. Chain lightning infield work that was displayed by Elizabeth Pavlic, Mary Reppel, Helen Rodmond and Evelyn Meissner was a revelation and drew the applause of the spectators.

Ann Hlavacek proved to be the hitting star of the game with 5 hits out of 5 times at bat. The "home run" wallop of hers in the eighth inning, bases being loaded at the time, was the longest drive ever made by a girl in the Nash Stadium. It's to be "chalked down" in the cities ledger of playground ball championship records. It was some drive.

This season the girls will be under the management of Alex Pohozak and coached and tutored by Rudy Penza. With these two talented brothers at the "helm," there is no reason why the Stalwart Lodge should not have a champion girls' indoor baseball team.

PIONEERS BASEBALL NEWS

Chicago, Ill.—The coming season is almost ready to open and the fellows are slow coming out to practice. The first game is to be played May 30 at West Allis, Wis. Please, come out to practice so the Pioneers can have at least 10 men to go up there.

There are a few new faces coming out for practice that show good prospects. Ed Hudale, the basketball star, his brother Joe, and Stanley Dollar and John Artach are the new men. The old members who are com-

ing out are John Peternall, the pitcher, Ed Gardner, Joe and Frank Buric, Frank Vidgar, and a few of last year's members who are going to try to push the Pioneers to the top this year.

There are seven teams in the League this year, meaning we will play 12 games, almost every Sunday. Therefore please come out for practice. Election of manager and captain for the following year will take place at Frank Zaveritnik's home Monday, May 26. Be there to choose a man of capability.

Jack Groser, Chairman.

Revealing the 'Revellers'

Ambridge, Pa.—Once more the Revellers blew things wide open. This time it was at the dance sponsored by the SNPJ Lodge "Gross" in West Alliquipa. They were led by Anthony Grandovic Jr., Pres. of the Revellers. Boy! He did it to the queen's taste. He took their prize cake at the auction sale. Girls, what do you think of our President? I think he is a real go-getter. I wouldn't be a bit surprised if some of you thought lovely things of him that night.

Little bashful Louis and Joey were there also. I wonder how they got along? Say boys, from what I hear, our blue eyed blonde, M. R., got along fine. And the brunettes, Christy, Gertrude, Anna, Frieda, and Mary, all had things well under way also. Our Rudy brought home a souvenir. Ask him how it feels to be sleeping under a red lantern. Michael S. and Anthony G. were there with their musical merry-makers. Charles G. and Christy took the prize for the "Bobby Jones."

I extend my heartfelt sympathy to Schunkey Rosenberger and Jackals Licker, because they had to work that night, for I know if those two (?) had been at the dance, there would be more than one broken-hearted lady now.

Say, by the way, you will get a chance to see all of the Revellers at their first dance on May 24, which I know will be a gala affair. One of the largest halls in Ambridge has been secured for that night. The Revellers have arranged with one of the best Collegiate Orchestras of Pennsylvania, the "Student Tramps," who will entertain you at this initial dance of ours. They will make you feel romantic, peppy and all the other good things included. Refreshments of all kinds will be had. All neighboring lodges are cordially invited, so come and make this dance a real SNPJ affair. When you get here don't forget to let us know where you are from, and after that just let the Revellers show you a good time. That is something we are always happy to do with a leader like Toh.

The "Revellers' Revealer."

SPECIAL NOTICE

Kenosha.—If there is a Midwest girls indoor league, the "Bachelor" will see it that the winners will receive a "cup" or a "shield". Also a prominent Kenosha jeweller will give an individual medal, or what the girl who wins the most valuable player honors.

Rudie Derganz.

NOTICE! NOTICE!

This is to inform all that the Slovene male chorus "Proleter" of Chicago will hold a spring concert at the Slovene Home of La Salle, Ill., on Sunday afternoon, May 25. Songs and selections by ensemble, quartet, trio and orchestra will be rendered. After the concert dancing will follow.

GOPHER NEWS

About thirty five Chicago Gophers, as well as a number of Integrity, Sungrazers and a number of Chicagoans attended the Milwaukee Gophers' First Annual May dance on May 10. The Integrity Red Peppers entertained the crowd, and everybody enjoyed themselves.

The Chicago Gophers are planning an outing for the Forrest Preserve. All members will be notified as to where it will be held.

In Memoriam

Detroit, Mich.—I have known Frank Lekha intimately for many years. And was one of his friends. So the news of his death was a great shock to me as well as all the members of the SNPJ. We all admired his work and devotion to build up our organization. We appreciate his sincere work and hope to follow in his footsteps, doing the utmost for the Society in his memory.

Rest in peace, Bro. Frank, and some day we too will join you. Farewell, dear friend.

Vincent Straus,

President Wolverine Lodge No. 675.

West Mineral, Kans.—I was greatly shocked when I heard of the death of Frank Lekha. I have known him only seven months, since the time the supreme lodge met, to discuss matters of organizing a lodge for the young people. I knew right then that

we all had a friend in him. He always seemed to be jolly. About a month later he organized our lodge "The Kansas Rangers" at Chgozkae, Kansas. What would we have done without him? He who organized our lodge. I know it will be a great loss to the Sunflowers. Although I haven't known him long, I know I'll never forget all he accomplished during his short life. I last saw him at Frontense, Kansas, the night the Sunflowers held their third anniversary dance. I'm sure that no one ever dreamed he would leave so soon. In the short time I'd known him I found a friend in him and surely wish I'd known him longer.

Nothing but our sad feeling can describe how bad we'll miss him.

Hedvig Zalokar,

A Kansas Ranger.

SPRING

The winter's dead beyond recall,
The daffodils are here.
The snow lifts its lovely head
And I've thrust for beer.
All blankness now is history,
Gone is the wintry tale
I know it by the song of birds
And by the smell of paint.
The miller, sweeter days have come
And summer's on the make;
I've proof that's most convincing,
For I've just stepped on a rake.
The sweetest time of year's at hand:
The thrush at sunrise chatters
And chirps every man you meet.
Has house paint 'in his ears.
A certain scent is in the air
That makes the season real.
My neighbor bears a pile of grass
And looks a rhymer best.
Ah, spring, my sweet, you can't fool me
I know you from afar:
You bring the urge to dance, to sing
And overhaul the car.
The gentle season now has come
The frosty days are o'er;
The lambs now gambol in the park—
And I must paint a deer.
There's now an end to howling winds,
We're through with winter's tricks
I know because department stores
Are selling baby chicks.
The balmy season has arrived.
These are the signs so true:
I have a head cold, sore throat, croup,
Pneumonia and flu.
I know that spring is here at last,
I hear the robin pipe.
And I've the yearly normal urge
To write this sort of tripe.

HELLO, BADGERS AND BADGERENTERS

Hi Olive, Ill.—Here I am away down South in the Backer State. I am enjoying myself fairly well, but just the same I'd like to be up there with you Badgers and Badgerenters, enjoying your good times which I read about in the Prosveta every week.

I am also very glad to hear that our Sis, Anna Perme will soon again be able to attend your meetings and I also wish her a fast and speedy recovery.

I am congratulating the Boys of the Bowling and Basketball teams for the good work they have done for our Lodge. Keep it up and I hope you make just as good a baseball team.

Come on Badgers, don't let the girls beat you out of that baseball club, get together and organize.

May your next meeting be a great success and bring a bunch of new members.
