**O**n Sunday, October 29, 2000, the St. Vitus Alumni held their 13th Hall of Fame Day honoring two well-known ladies, Mrs. Josephine Ambrosic and Mrs. Frances Nemanich. These two fine ladies were inducted into the St. Vitus Hall of Fame.

The day began with 12 noon Mass in St. Vitus Church celebrated by The Most Rev. A. Edward Pevec. The concelebrants were Rev. Joseph P. Božnar and Rev. Victor Cimperman. Mass was meaningful and nostalgic thanks to Bishop Pevec's homily and to the St. Vitus Lira Choir who sang the old songs that were so familiar to those present.

Dinner and the ceremony followed in the St. Vitus Hall which was beautifully set up. The main table with its crystal and flowers and the rest of the tables with unique centerpieces made by Josephine Perpar won the prize for elegance. The Vice President and Program Chairperson, Josephine Perpar, and her committee were responsible for the decorating. Regrettably, Josephine was not present to receive her due recognition because of an accident resulting in an injury to her leg.

Mr. Joseph Baskovic did a great job as Master of Ceremonies. He is always there to help us out, thank you. And very importantly, a

delicious dinner was prepared by the famed Julie Zalar.

Mrs. Josephine Ambrosic was born in Cleveland 90 years ago. Her parents, Joseph and Frances Orazem, were active in St. Vitus Parish and the family lived on Carl Avenue for over 50 years. Josephine and her husband, Joseph, celebrated their 50th Wedding Anniversary on July 3, 1996. Joseph passed away on February 25th this year. Her son Joseph and his wife Patricia reside in Beavercreek, Ohio. Their handsome son, Jason, is 22-years-old and presently attending college.

Josephine's other son John, a graduate of John Carroll University, died at the age of 29 on March 5, 1980. He was later inducted into the John Carroll Athletic Hall of Fame in October, 1993. Family members are; sister Marie Orazem, Frances Novak (deceased), Ann Zak (deceased) and brother Joseph (deceased at age 1).

Josephine attended St. Vitus School. She worked for Richman Brothers for 20 years, and for several years helped her sisters Marie and Frances operate the Orazem Confectionery store in the Slovenian National Home on St. Clair Avenue. She is and has been involved and has been active for years in many parish functions, lodges and associations. Josie worked at the St. Vitus bingo fund-raisers on Friday nights and was chosen to be

on the St. Vitus Finance Advisory Committee and the Endowment Trust, and more. She has received many awards.

Frances Nemanich was born in Cleveland 89 years ago. She was the eldest daughter of the late George and Frances Kasunic, immigrants from Slovenia. Of this family of four boys and four girls, only Frances and widowed sisters Mary Leskovec and Rose Finan, and sister-in-law Irene Kasunic, remain.

Frances graduated from St. Vitus School, Willson Junior High and East Tech High School. Joseph Nemanich came to Cleveland from Soudan, Minnesota. Joe and Frances met at St. Vitus where both were members of the gymnastics and dramatic group known as "Orels." Married in 1932, they enjoyed 43 years together. At the time of Joe's death, he was National President of K.S.K.J. fraternal lodge.

Celebrating with her was son Joe and daughter-in-law Nancie, son Jim and grandson Jim, daughter Barbara and son-in-law Jack, with grandchildren Donald and Patricia and great-grandchildren Anthony, Claire and Grace.

Frances devoted 25 years working with Father Victor Tomc on behalf of the canonization cause of Bishop Frederic Baraga. Her efforts were recognized by the awarding of plaques in Mar-

quette, Michigan, and again in Cleveland. Remaining active into her 89th year, she is also involved in many parish functions, lodges and

different associations. She has been a devoted volunteer at the Slovene Home for the Aged, leading both the (Continued on page 5)

### Slovenian St. Nicholas

According to the Roman Catholic calendar, St. Nicholas Day comes on December 6th.

Historically St. Nicholas was a Bishop in the City of Smyrna in Asia Minor in the Fourth Century. Legend tells how he helped three young maidens, whose poor father could not afford dowries, by throwing money through the window into the house during the night. He was especially good to the youngsters and known for his gifts to the children.

Slovenians have a special admiration for good old St. Nicholas or "Sveti Miklavž" and so he became one of the most popular saints. He is traditionally pictured dressed as a Bishop. In one hand is a Bishop's Cane, in the other Golden Apples. This symbolizes the book of all the names of children who have been good throughout the whole year, and eligible for gifts.

On St. Nicholas Eve, children place containers such as straw baskets, plates, and even boots to hold the gifts he brings. But, before his arrival, Lucifer and his company of devils go from house to house rattling chains and making other horrible sounds scaring the children who were bad dur-

ing the year. Parents told the children for days before St. Nicholas' arrival to be good or else the devils would take them away.

To equalize the effect of their medieval devilish appearance, there are always angels with St. Nicholas. They are his helpers and reassure the children that everything is all right.

Meanwhile, the tradition of celebrating St. Nicholas Day is also popular with the Greater Cleveland Slovenian Community. The pupils of both the Slovenian parish schools – St. Vitus and St. Mary – usually present a short play with dancing and music in Slovenian preceding his arrival.

And so, this centuries-old tradition, with its origin in medieval passion plays, is still alive in American, among children of the Slovenian community.

**Tuesday, Feb. 1, 1955**

Matvež Hočevor drove Cilka and Tony to Dr. Ukmari. They still have sore throats.

**Wednesday, Feb. 2, 1955**

I worked on 12 of the heaviest pieces, which weigh 115 pounds each. Al lifted them with the towmotor.

**Thursday, Feb. 3, 1955**

I slept very poorly again. I woke at 3 a.m., dreaming that I was fighting a gigantic snake. The snake bit me and my cousin. I was glad that the enemy won - maybe it means I will finally be done with this job. I couldn't get back to sleep.

I ordered a radio for my father in Slovenia and a bag of flour for Cilka's mother.

**Friday, Feb. 4, 1955**

Again I only slept a few hours. All day I worked on 51 of the heaviest pieces. Al helped with the towmotor. I also got some help from Mac, a new worker.

**Monday, Feb. 7, 1955**

Bill Risher argued all day with one of the new workers. I worked on the newer, heavier pieces and produced

a lot of "scrap."

**Wednesday, Feb. 9, 1955**

Mac worked 3 days and quit.

**Thursday, Feb. 10, 1955**

Bill gave me a long sermon about the new, smaller pieces that I'm working on. Although I followed the "thread gauge" exactly, he said I cut the threads too deep. He had told us not to use the "taper gauge." He yelled at me, saying that after three-and-a-half years, I know less than I did before I started, that his shop will go out of business because I ruined 300 pieces, etc. He had never talked with me that long before.

I didn't care if he fired me right there, so I didn't remain silent. I told him that I was working exactly the way he and Al had taught me. That only made him angrier. He threatened to make big changes. He said Frank Lorber wasn't any better. Inspector Mirko Boh came by and supported me, saying that I was using the right gauge.

Everybody was upset, except for Anžič, who stayed calm: "Mr. Risher, I'm strong enough to work on those heavy pieces." Bill didn't take him up on his offer.

At quitting time, everyone was still upset. The other workers said I should have left the tapping machine a long time ago. Nobody else would stay with the most difficult job for 4 years. In the evening, Prof. Ovsenik visited again to comfort me, but today I didn't need any comforting. Today I stood up and spoke up for myself. It's when I suffer quietly that the pain becomes unbearable.

I'm thankful to inspector Boh for standing up for me.

## Celebrating John Petric's 90<sup>th</sup> Birthday

On Thursday, Nov. 30<sup>th</sup> we celebrate the 90th birthday of our dad, John Petric. Having dedicated his life to his faith and helping others, it seems only fitting that he was born in a house on St. Clair Avenue, near St. Vitus Church.

John married Mary Novak in June of 1936. By 1954 they were the proud parents of six children, three boys and three girls: John (Major U.S. Army), deceased, (wife, Linda), Mary (Cooky, Mrs. John Buchanan), Barbara (Mrs. Edward Kuzma), Tim (wife Mary), Veronica and Rudy (wife Toni).

John worked long and hard to support his family. He worked two jobs after buying the East 185 Street barber shop. His brother-in-law opened and manned the barber shop while John worked security at night at Addressograph-Multigraph and, with a little sleep here and there, also worked at his barber shop.

During the polio epidemic, John volunteered at City Hospital, cutting hair for those in iron lung machines. It was for these efforts that he was chosen "alias" Santa Claus, a pro-

gram sponsored by the *Cleveland Press*. John continued his acts of kindness at Euclid General Hospital and the Slovene Home for the Aged. Slovenian priests in the Greater Cleveland area were also recipients of John's bartering largess.

When he wasn't sleeping, at the plant or the barber shop, he could be found involved with St. Mary's parish, Holy Name Society, or the Catholic Order of Foresters. John was always selling raffle tickets, organizing fund-raisers, card parties, venison dinners, trips to Lemont, Illinois... you name it, he did it. Mary often said John could just turn his collar around and live at the rectory for all of the time he spent at St. Mary's.

Of course, he was no stranger to St. Vitus either. He was among the first group to raise funds for Blessed Anton Martin Slomšek. Recently, the Most Reverend Franc Kramberger, Bishop of Maribor, presented John with a medallion in appreciation for his many years of effort for the beatification process.

John could not have done all of this by himself. His children always knew that he

was a smart and talented man - he chose Mary for his wife. They celebrated their 64<sup>th</sup> wedding anniversary last June. Mary was always in the background, she too, working day and night, taking care of the house, raising and educating six children, caring for everyone's needs and performing the magic of stretching the dollar. Mary celebrated her birthday on the 27<sup>th</sup> of November. Happy Birthday, Mom.

John and Mary moved into "Little Slovenia," Gateway Manor in Euclid two years ago. Failing health and the need for more help than Mary could give, John moved into the Slovene Home for the Aged last May. It is here that a small party will celebrate his birthday, a life filled with self-sacrifice, of loving and caring and giving. He is a man who is rich with the love, admiration and respect of his wife and children.

Happy 90<sup>th</sup> Birthday John Petric, husband, father, grandfather, great-grandfather, friend.

*We love you Mom and Dad.*

## Young Women's Chamber Chorus of Slovenia Debuts in Cleveland

*Vox Ilirica*, the Young Women's Chamber Chorus of Slovenia, will make its American concert debut on Saturday, Dec. 2, at the Slovenian Society Home in Euclid, Ohio. Concert time is 7 p.m.

For the past 10 years, the young women of *Vox Ilirica* have delighted audiences across Europe with their repertoire of art songs, folk melodies and spirituals. Their Cleveland concert – the first stop on their American tour – will feature selections covering centuries of

choral music, from classical works by Jacobus Gallus and Bach to contemporary favorites by Eric Clapton and Edwin Hawkin. Much of the program is dedicated to art songs and folk arrangements from Slovenia by composers such as Adamic, Bucar and Marolt.

*Vox Ilirica*, directed by founder Maria Slosar Lenarcic, is considered one of the finest women's music ensembles in Slovenia. The award-winning chorus is made up of university and high school women from the

Slovenian town of Ilirska Bistrica. The name of the chorus is derived from the Latin variation of their hometown. Many singers have relatives in the greater Cleveland area.

A social will follow the concert. The evening is hosted by the Slovenian-American Primorski Klub. Tickets are \$10. The Slovenian Society Home is located on Recher Avenue, just off East 200 Street in Euclid. For more information, call (216) 692-1069.

*Growing Up in Collinwood*

# Our Slovenian Christmas

by JOE GLINSEK

(Continued from last week)

I had coveted an electric train for several years, but Santa disappointed me until I was 12. By this age, the thrill of watching a "Lionel train" going around in circles had lost its fascination. The cheap "tinny" wind-up trains I was given earlier had been more fun. How tight could I wind the spring? How fast could it go around a loop without derailing? Here were all the elements of what would today be called an "interactive toy."

I masked my disappointment, but the train was the "Main event" in the gift department that year, and there was little else. That's a happy (for some) ending to this story, though I must admit it was not my finest moment. By the following Christmas, the war had made it impossible to buy an electric train, and I sold my Lionel in its original box to the lady across the street, for much more than it had cost "Santa" the year before.

Everyone was happy, well almost. My parents must have been appalled, but they covered it well. I was very pleased with the inflated price; the woman across the street thought I was wonderful; and her little boy loved the train. Instead of the "thoughtful" (cheap) gifts I would have bought for the rest of the family, they

found nicer gifts under our tree. What could be wrong with this "win-win" deal? Today I know the answer to that question and realize that my father was a very patient man. And, the Lionel was a future "collectible" gone forever - a fate I richly deserved.

I still believe that Christmas Eve is a good time for exchanging gifts. This isn't dogma, but it worked for our family and old habits die hard. Christmas morning was busy enough with early Mass and a big breakfast, neither of which would be appreciated by a child anxious to open his gifts. As I slept on Christmas Eve, I dreamt of Santa's toys that I had already opened and enjoyed, and looked forward to a busy day playing with them under the tree.

Ah, yes, the Christmas tree. Although my father was our official decorator, it was my uncle Mike who bought the tree every year. Through my childhood and into my 20s he never once brought home a tree that could, even charitably, be called straight. You would think that Dad would have become exasperated enough to bring home a tree before he did - a good one. No, that was Mike's contribution and we knew that he loved the spirit of the season and the attention that his selections set in motion, tilted as they were.

Mom was always called "Mame" by her brother Mike. He would arrive

The one who does not have Christmas in his heart will not find it under the tree.

Perhaps the best Yuletide decoration is each of us being wreathed in smiles.

proudly displaying his latest disaster and announce: "Look, Mame, ain't this a good lookin' tree?!" Rolling her eyes slowly back into her head, only her exasperated expression replied, but Mike never took offense.

Dad's first job of decorating was trying to make the bare tree look presentable by viewing it from every angle before doing anything drastic like pruning, which could make it worse. Most often, he could screw our "tree-stand" on the trunk, skewing the angle to give the appearance of an "almost straight" tree. Yes, you read that right. The tree-stand was a giant, round, threaded steel nut with holes in its sides and a heavily flanged base. The holes were for a "spanner" or a bar that would turn the nut. Judging by its size and weight, it could only fit some massive machinery like a locomotive or railroad car, and was probably "rescued" from the NYCRR by Grandpa back in the 1920s. Dad trimmed the trunk to clear the ceiling, and using a bar he turned and forced the screw into the wood. The heavy mass of steel easily supported the tree, and it would be many years before we bought a proper tree with stand with a water reservoir.

Usually he could "adjust" it well enough to be placed at the living room window, where a Christmas tree is supposed to stand for all the world to see. But some years we had the tree in a corner of the living room, with only its best branch forward. The entire scenario became a funny family Christmas tradition. Thanks, Mike, wherever you are. ## Mlakar's Walk Down Memory Lane

by RAY MLAKAR

Hey, Ray is back with some fresh jokes, real knee slappers. It seems that Willie and Wanda were both complaining about their church. They said their pews were too hard, the sermons too long and the organ was too loud. Little Wally was quietly sitting listening to all the complaints from his parents and finally piped up, "What do you expect for a dollar?"

It seems that two friends were talking about the troubles they had when one said that his brother thinks he is a chicken. "Why don't you tell him that he isn't a chicken," his friend asks. "I can't. Our family needs the eggs."

Well, back to the memories. Every once in a while I will circle the old neighborhood around W. 130th and Bennington. I can recall that back in the early forties they redid Settlement Road as it was known then. The road was narrow and the County decided to improve it. They dug it up and up came all the old thick bricks which were about to be discarded, when Billy Kozely asked that they be dumped behind the big barn that housed the wine

presses. They had huge piles of the bricks behind the barn and Billy instructed Helen to have the bricks cleaned up so that when he came back from the war, he could use them to build up the back of the barn.

In time Helen hired me and Frankie Ferraro to use chipping hammers to chip away the old concrete that was clinging to the brick. We had to wear safety goggles because the chips would fly any which way.

We worked on that pile for more than a year. We chipped away all the old concrete that was on them, and then stacked the bricks neatly in the back yard. Unfortunately, Billy Kozely never made it back from the war and was killed on one of the far off islands. But many years later Helen's husband Johnny hired some brick layers to tackle that brick pile and use it to wall up the back of the barn.

Today it is still standing, well over 50 years since it was erected with the used bricks from West 130th St. Every time I pass the barn, I recall how Frankie and I chipped away at those bricks and back then I thought I was at San Quentin, making

small ones out of big ones. The pay was small and the blisters many, but now it feels good to look at that wall and say, "I had a part of building it." I am sure if Billy Kozely was around today, he would say, "Fellas, you did a swell job."

That is one side of the barn that will not have to be painted, nor will it in any way deteriorate. Yep, Ray can say he worked the rock pile. Half of what I made went to Ma, and then the other half I shared with Thomas' and Mlakar's Candy Stores. Guess we all gained in different ways. Kozelys now had a strong thick brick wall on the back barn and Ray had his share of cavities, and dentist Melvin Kuhar, with all the fillings and drillings had to work hard to restore Ray's cavities.

Well, time I close and count my blessings which should not take long. For one thing I got a new set of pearlies whites, 30 new teeth which no candy can destroy.

In closing, may the Good Lord bless and watch over all of our readers and keep them in good health and free of all cavities.

## Evening With Bishop Pevec

Thanksgiving is here, snow is in the air and holiday decorations are making their first appearance. All of these are signs that the Christmas Holidays are upon us.

There is certainly no better way to get into the Christmas spirit and prepare for this holy season than the Slovenian American Heritage Foundation's Annual Feast of St. Nicholas - Evening with Bishop Pevec.

The event will take place at The Center for Pastoral Leadership (Borromeo Seminary), 28700 Euclid Avenue in Wickliffe, Ohio on Friday, Dec. 1 at 7 p.m. The Glasbena Matica Chorus will lend their beautiful voices, providing music for the Liturgy, as well as a con-

cert of Christmas Carols following the Mass.

A reception will immediately follow the Mass in the Rappe Center, which is directly adjacent to the chapel. The featured speaker during the social will be Rev. Frank Godec of Immaculate Conception Church in Cleveland. He will discuss the Jubilee Year pilgrimage he conducted to Rome and Slovenia with a group of Slovenian Americans.

Those attending are kindly requested to bring appetizers or baked goods for the reception. Please drop them off in the Rappe Center prior to the Mass. Everyone is invited to attend what has become a most memorable evening.

must be practiced by us individually. Are we at peace with our families, our neighbors? This Christmas all of us ought to make a special effort — yes — even concession, to bring the comfort of peace to our homes.

The meaning of Christmas will be deeper, its friendship stronger, and its hope brighter because of what each of us has done personally to be worthy of it.

**A.M.L.A. extends to our entire Slovenian American community best wishes for a**

**VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR!**

We also cordially invite all readers of the "Domovina", who are not members of our Fraternal Benefit Society, to enroll as members to help us magnify the pride we have in our ancestry. The greater our membership, the better we will perform in our perpetual quest to ensure that what was founded in 1910 by a Cleveland group of proud and far-sighted immigrants from Slovenia will remain a part of the United States of America forever.

If you happen to be an elderly person, when insurance rates are unattractive or unavailable, we will appreciate your inquiry for the enrollment of younger members of your family.

While a Life Insurance certificate is the means for enrollment, our primary interest is in new enrollments to expand our membership base, and not necessarily high volumes of insurance. Certificates with face amounts as low as \$1,000 are issued on our 3 Pay, 5 Pay and 20 Pay plans that provide a lifetime of permanent coverage with a limited number of annual payments.

In order to take advantage of the most reasonable total cost of lifetime coverage, our Single Premium (one-time payment) plan is available in a minimum amount of \$3,000. There is also a minimum issue of \$5,000 for our Juvenile Term to Age 25 one-time payment plan, which is very inexpensive and makes an excellent supplement to a small permanent insurance plan for youngsters aged 15 and under.

In addition to our very attractive and competitive rates, we are also pleased to be able to offer a \$12.50 enrollment credit that is available to the premium payor which makes the first annual or one-time payment even more reasonable.

We hope that you will give us the opportunity to show you just how easy and reasonable it is to join with us in this endeavor to expand our membership base and maintain our excellent financial position for the preservation of our common bonds and ancestral pride.

Please feel free to call our Home Office at (216) 531-1900, Ext. 11 or 21. If the line is busy or no one is available, give us your name, telephone number and a brief message. Your call will be returned at the earliest opportunity.

Thank you for your consideration,

## CHRISTMAS IN AMERICA

In America, Christmas is both a religious and a secular holiday, filled with significance for both young and old. As we know it, Christmas is a time for family and friends. It is a time for giving thanks and opening presents. And it is a time of song and lights and joy.

And many of the ways in which Americans celebrate came from the early settlers, who brought European Christmas customs with them across the Atlantic.

But it hasn't always been such a festive occasion. For the Puritans of New England, Christmas was indeed NOT a time for parties. In fact, it was banned in Massachusetts from 1659 until 1681. During that time, a fine of five shillings was assessed against anyone who dared to observe the holiday.

Christmas was first declared a legal holiday in America in 1836 in Alabama.

## Slovenian Prime Minister Presents Cabinet to Parliament

LJUBLJANA, Nov. 25 - Slovenia's new Prime Minister, Janez Drnovšek, presented his new cabinet to parliament late on Thursday and said he hoped the center-left government would be in place by the end of next week.

Among the top jobs, Dimitrij Rupel will become foreign minister for the third time, and former Labor Minister Tone Rop becomes finance minister.

Igor Bavcar reclaims his old job of European Affairs Minister, as does former Minister of Economic Affairs Tea Petrin.

LDS, strongest party after the Oct. 15 elections, leads a

coalition of the former communist United List of Social Democrats, the conservative People's Party and the Pensioners' party Desus.

The coalition commands a comfortable majority in the 90-seat parliament.

European Union and NATO membership, as well as accelerated economic deregulation are the new government's top priorities.

Slovenia, which was the first former Yugoslav republic to break away from the federation in 1991 after a brief war, is on the fast track to EU membership and hopes to be ready to join by 2003.

## The Coming of St. Nicholas

(Reprinted from the Dec. 13, 1974 American Home newspaper)

by FRANK J. KRAINZ

As a young tot, my fondest memory of the Christmas Holidays was the coming of St. Nicholas, known to many of us as Sveti Miklavž. Every December 6th we children would wake up to find a plate filled with oranges and apples, with nickels or other coins inserted in the fruit, and the usual nuts.

And I still remember the

black stockings because as children we wore knickers or short trousers in those days. One year Miklavž also left a willow switch (stick) on my plate and I often wondered when he had the time to make it.

But now, as an adult, the greatest meaning of Christmas is the celebration of the birth of the Christ Child, when the angels said to the shepherds, "Peace on earth and good will to all men."

Frank Krainz is a former Mayor of Highland Heights, Ohio and now resides at the Slovene Home for the Aged.

## 12 DAYS OF CHRISTMAS

We are used to celebrating Christmas in America on just one day – the 25th of December. But in other countries, the holiday lasts a little longer.

Customs have varied over the years, but Christmas traditionally has been celebrated as a 12-day holiday. The holiday period begins at midnight Christmas morning and extends through the Feast of the Epiphany, January sixth. Actually, if you include the feast day, it would be a 13-day, 12-night holiday, with the Feast of the Epiphany long referred to as Twelfth Night.

No matter how you count it, Twelfth Night is recognized as the time the Three Wise Men reached the baby Jesus and brought him gifts. Because of that, many people exchange their presents at the end of the Christmas period, rather than at the beginning. Others do so throughout the 12 days. And it's customary for some revelers to leave their Christmas decorations in place the entire holiday.

"I heard the bells on Christmas Day  
Their old, familiar carols play,  
And wild and sweet the words repeat  
Of peace on earth, goodwill to men!"  
--Henry W. Longfellow

Probably the reason we all go so haywire at Christmas time with the endless unrestrained and often silly buying of gifts is that we don't quite know how to put our love into words. --Harlan Miller

## Nutty Coconut Triangles

Time: About 2 hours before serving or early in day.  
Yield: 2 dozen triangles.

**Ingredients:**  
 ½ cup butter or margarine (1 stick), softened  
 All-purpose flour  
 Light-brown sugar  
 2 eggs  
 1 teaspoon vanilla extract  
 ½ teaspoon baking powder  
 ¼ teaspoon salt  
 1 3½-ounce can flaked coconut (1 1/3 cups)  
 1 3-ounce can pecan halves (1 cup), chopped

1. – Preheat oven to 375°F. In small bowl, with mixer at low speed, beat butter or margarine, 1 cup all-purpose flour, and ½ cup brown sugar until well blended, occasionally scraping bowl with rubber spatula. Pat dough into 13" by 9" baking pan. Bake 15 minutes.

2. – Meanwhile, into large bowl, measure eggs, vanilla, baking powder, salt, ¾ cup packed light-brown sugar, and 3 tablespoons all-purpose flour. With mixer at medium speed, beat ingredients until well blended, occasionally scraping bowl. Add coconut and chopped pecan halves.

3. – Evenly spread coconut mixture over baked layer in pan. Bake 20 to 25 minutes longer or until golden. Cool in pan on wire rack. When cold, cut into 24 triangle cookies. Store in tightly covered container.

## Feed the Need: Partnership in Action

Warm clothing. Dry boxed or canned food items. Paper products. These and other items are normally donated around Thanksgiving and Christmas by many generous Greater Clevelanders to meet basic needs in our community. But what happens after the holidays? People still need food, warm clothing, and basic hygiene products.

Two local Catholic institutions and one local fraternal lodge have decided to group together and meet these ongoing needs after the holidays with a Food and Clothing Drive named "Feed the Need."

Parishioners from St. Vitus, students from St. Ignatius High School, and members of St. Anne Lodge #4 AMLA, are requesting support from local Greater Clevelanders to donate dry and canned goods along with basic winter clothing such as caps, gloves, and scarves and hygiene products such

as toilet paper, soap bars, baby powder, etc. during the weekend of January 13 and 14.

Also between now and Jan. 13 you can also drop off your donated items or donations at American Home Publishing, 6117 St. Clair Ave., Cleveland, OH 44103 during regular business hours.

On Saturday, Jan. 13 items may be dropped off in the vestibules of St. Vitus Church, 6019 Glass Ave., Cleveland before and after the 4 p.m. Mass.

On Sunday, Jan. 14, items may be dropped off in the vestibule of St. Vitus Church before or after the 9 a.m. and 10:30 a.m. Masses. They may also be taken to the church auditorium during the sit-down or take-out benefit dinner sponsored by St. Ignatius High School Marching Band from 11 a.m. until 1:30 p.m.

After you drop off the items, on Sunday, stop in

and enjoy a home-style dinner consisting of boneless breaded chicken (or pork roast), home-made soup, mashed potatoes, lettuce, home-style rice, pastry, bread roll with butter, and either coffee or milk. Cost is only \$12 (adult) or \$6 (child).

The St. Ignatius High School Jazz Band will play for your listening entertainment. Home-made pastry goodies to buy and take home will also be available.

The goal is to receive 500 pounds of donated food and dry products. Items will be given to the near east side and west side community neighborhoods through St. Vitus Food Bank and the West Side Catholic Center.

Interested individuals, companies, corporations, or other fraternal organizations seeking additional information on *Feed the Need* may contact either Stane or Mark Kuhar (440) 585-1360.

## Val Pawlowski says Thanks

Polka Radio Hostess Val Pawlowski was nominated for the Polka Hall of Fame Support and Promotion Award.

Val, in her seventh year of broadcasting, is heard every Saturday morning from 7 a.m. to 11 a.m. on WKTX 830 AM radio, delivering plenty of polka music and a lot of excitement for her Northeastern Ohio and Western Pennsylvania audience.

Val says, "This is the fourth time my dear listeners have placed my name in nomination for the PHF award. I truly appreciate everyone's support, after all, I believe our relationship together is a partnership between the audience, me, and program sponsors, who pay the cost of radio advertising,

tising, which enables me to keep on playing good polka music. -- Thanks to everyone for their support. The nomination is a real honor, but, I believe, it truly belongs to the people.

### LOUIS CIMPERMAN

Louis Cimperman, 86, of Brecksville, Ohio, a grocer who served the Slovenian community of Cleveland for over 60 years, died of complications from heart and kidney disease at University Hospital on Tuesday, Nov. 28, 2000.

For over 50 years he was the owner and operator of Cimperman Market at 1115 Norwood Road in the Slovenian neighborhood of Cleveland. In March, 1928, Cimperman's parents bought Sorsek Grocery at 6128 Glass Avenue and named it Cimperman Market, while recruiting their four children, Louis (14 at the time), Joseph, Rose, and Dorothy, to help run it seven days a week, 15 hours a day.

The Market was moved across the street in 1934 (to its Norwood Road location). After the death of his father in 1949, Cimperman became owner and operator. The Market remained a neighborhood institution for over 60 years, the center of the Slovenian community around St. Vitus Church. Cimperman worked with his sister Rose during all these years, while staying an active member of the Slovenian community of Cleveland for his entire life.

Over the years, Cimperman and the Cimperman Market weathered a number of hardships particularly difficult for immigrant small businesses operating without a financial safety net. For instance, Cimperman sustained the Market during the Depression years and during the WWII rationing shortages for meat and goods.

**CARST-NAGY**  
Memorials  
15425 Waterloo Rd.

Slovenian Community."

A misfortune more specific to Cleveland was the East Ohio Gas catastrophe of 1944. Cimperman watched as much of the neighborhood was destroyed instantly as he stood behind the butcher counter. Liquid gas also seeped into the basement of the Market and exploded, causing considerable damage, but the Market was operational a few days later.

Perhaps the most insidious hardship was the rise of large supermarkets in the suburbs. While many of the neighborhood grocery and meat markets disappeared, Cimperman continued making his freshly prepared meats until he was 80 years old. He faithfully adhered to his father's formulas to smoke sausages, using fruit and nut wood for flavor. His blood and rice sausages, smoked meats, *zelodec* (stomach sausage), bacon and ribs were sent all over the country.

He is survived by his wife of 54 years, Mary; son Louis Jr. of Atlanta, GA; daughters Patricia Siraganian of Bethesda, MD, Barbara Freelemyer of Gaithersburg, MD, and Marilyn Cimperman of Brecksville, OH; 11 grandchildren; and his sister Rose Cimperman.

Funeral services will be at 10 a.m., Friday December 1 at St. Vitus Church, 6019 Glass Avenue, Cleveland.

Funeral arrangements are being made through Zaks, 6016 St. Clair Ave. Donations may be made to St. Vitus Village, a permanent housing facility for seniors erected on St. Vitus property, right around the corner from the site of Cimperman Market.

### JOSEPH PENKO

Joseph Penko, 79 of Willoughby Hills, Ohio, passed away in Hillcrest Hospital on Thursday, Nov. 16.

Joseph was born in Cepen, Slovenia. He came to Cleveland at age 14.

He was a member of KSKJ St. Joseph Lodge #169, The Euclid Pensioners, Slovan men's chorus, and Glasbena Matica chorus. He was president of that group for five years. Mr. Penko also sang in the chorus at St. Mary Church.

For 65 years Mr. Penko maintained close ties with his ethnic heritage through a life-long involvement in

Slovenian cultural and fraternal organizations.

He was a US Army veteran of WWII where he served in Germany.

When he returned from the war he went to work at Grdina Hardware in the Slovenian neighborhood on St. Clair Avenue in Cleveland. In 1949 he and his brother-in-law Edward March bought the business. They relocated in Wiloughby, Ohio in 1960 and operated as Willo Hardware until 1984.

Mr. Penko and his wife, Frances, were members of St. Mary Church, and Immaculate Conception Church.

## – Vesti iz Slovenije –

Ta teden parlamentarni odbori obravnavajo predlagane člane za slovensko vlado – Danes naj bi glasovali o celotni vladi

Če bo vse šlo kot doslej, bo državni zbor danes glasoval o novi vladi dr. Janeza Drnovška. Dvoma ni, da bo vlada potrjena. Ta teden zasedajo pristojni parlamentarni odbori in zaslišujejo predlagane kandidate za posamezna ministrstva, le-ti pa predstavljajo svoja gledanja in načrte.

Novi zunanj minister (že tretjič) Dimitrij Rupel je pred odborom DZ za zunanjo politiko (podprlo ga je 17 od 19 navzočih članov) dejal, da so aktualni zunanjopolitični problemi Slovenije odnosi s Hrvaško (begunci, maloobmejni sporazum, meja), Jugoslavijo (nasledstvo) in Avstrijo. Povedal je tudi, da načrtuje reorganizacijo svojega ministrstva: "Želim štiri državne sekretarje (za mednarodno-pravne zadeve in EU, sosednje države, bilateralne odnose in za Slovence po svetu) in močan kabinet s poplašenci za aktualne probleme."

Poročilo v torkovem *Delo fax-u*: "Glavni zunanjopolitični cilj in pričakovanje Slovenije je članstvo v EU leta 2003 in Natovo vabilo leta 2002; zato bo najintenzivnejše diplomatsko delo bilateralno, z Brusljem, Parizom, Stockholmom in Washingtonom, je povedal kandidat za novega šefa diplomacije. V odnosih s srednjo in JV Evropo postavlja na prvo mesto določitev meje s Hrvaško, tudi zaradi članstva v EU. Glede ZRJ opozarja na previdnost zaradi protislovnih Koštuničevih izjav o slovenskem osamosvajaju. Za odnose z Italijo pričakuje, da bodo še vnaprej harmonični, čeprav omeni, da se utegnejo zaplesti."

Tudi Slovenija prisiljena ukrepati v zvezi s splošno evropsko zaskrbljenostjo zaradi tako imenovanih "norih krav"

Današnji *Delo fax* poroča: "V Sloveniji bo najpozneje 9. decembra (po objavi v uradnem listu) začela veljati prepoved uporabe limfnega tkiva sesalcev v prehrani ljudi, povsem prepovedana pa bo v prihodnje tudi uporaba mesno-kostne moke za hranjenje živali. Tako je sklenila vlada, potem ko je na včerajšnji seji obravnavala informacijo kmetijskega ministrstva o stanju in ukrepih v zvezi z bolezni jo norih krav (BSE) in trenutnih razmerah v govedoreji."

Poročilo nadaljuje: "Na podlagi ugotovljene stanja trenutno še ni razlogov za izjemne ukrepe, glede na ocene in predvideno zmanjšanje porabe in izvoza govejega mesa pa je pričakovati, da bodo ti najbrž potreben." Podatki kažejo na primer, da se je nakup govejega mesa od kmetov zaradi manjše prodaje tega mesa zmanjšal za 30 do 40 odstotkov, ponekod celo za 50%. Sindikat kmetov Slovenije zahteva takojšnjo popolno prepoved uvoza govejega mesa in izdelkov.

### Slovensko-jugoslovanski odnosi

V torek je prišel v Ljubljano iz Beograda Zoran Đindić, predsednik Demokratske stranke v ZRJ, sicer na čelu delegacije Demokratične opozicije Srbije (DOS). Srečal se je s predsednikom Milanom Kučanom, odhajajočim zunanjim ministrom Lojzetom Peterletom in prihajajočim Dimitrijem Ruplom. Beseda je tekla o obnovitvi odnosov in je Đindić izrazil upanje, da bosta državi sodelovali tako kakor nekoč.

ZEMLJA SE UMIRJA – Fotografija je pogled na močno gmoto enega od zemeljskih plazov, ki so v zadnjih dveh tednih prizadeli predvsem severozahodni del Slovenije. V zadnjih dneh ni poročil o novih premikih zemlje, nevarnosti so pa še. Za obsežnejše odpravljanje posledic plazov bodo čakali do pomlad. Glede bodoče usode Loga pod Mangrtom (fotografija) je toliko znano, da bo treba umakniti tisti del vasi, ki je v dosegu Predelice in Koritnice, nekam drugam, na varnejše mesto. Premakniti bo treba tudi del ceste čez Predel. Dolina Koritnice bo zaradi nevarnosti trganja mangrtskega plazu še naprej strogo zaprto območje.

## Moč narave in moč solidarnosti

Kaprun in Log pod Mangartom, imeni, ki sta zaznamovali letošnji november in bosta ostali v spominu mnogih ljudi kot kraj hude nesreče. Kaprun na Avstrijskem: človeški dejavnik, ki se je zanašal na dosežke lastnega znanja in tehnike; v ognju je zgorelo 155 žrtev. Log pod Mangartom: moč narave, ki je pokazala svojo nepredvidljivost in povsem spremenila ne samo podobo ene najlepših alpskih dolin, kar jih premore slovenska zemlja, marveč tudi duhovno podobo tam bivajočega človeka, ki kljub potresom, sedaj pa še plazovom, vztraja na domu prednikov.

Ti dogodki nas silijo k razmišljanju, kaj bi bili dolžni storiti za preprečitev nesreč in kako se v prihodnje obvarovati pred njimi. V tem trenutku je prva in neodložljiva naloga vseh - solidarnost. Naj vedo znanci in prijatelji, med katere sem prihajal tri desetletja, in tudi neznanci, vendar vsak s svojim imenom ter lastno in družinsko usodo, da smo jim v trenutku preizkušnje blizu, da jim bomo pomagali. Naj vedo, da se jih spominjam v molitvi, ki nas povezuje v eno družino in vzgaja za solidarnost; v molitvi, ki človeka uči, kako sprejemati preizkušnje in življenjske težave. Neštetočrat je človek prek trpljenja prišel do globljih spoznanj sebe, drugega in sveta.

Solidarnost ima posebne zakonitosti. Ne sprašuje najprej po vzrokih, še manj se ukvarja s krivdo. Ko vidi potrebnega, mu pomaga duhovno in gmotno. Solidarnost ne preračunava, kaj lahko da od svojega obilja, da bi lajšala hudo stisko bližnjega, marveč deli z njim vse, kar ima. Solidarnost ni samo hrana, obleka in denar ter streha nad glavo, je tudi poslušanje in spremljanje drugega, ki sta ga prizadeli nesreča in stiska. Solidarnost ni v enkratni pomoči in prepričanju, da je s tem zadoščeno dolžnost. Prizadeti bodo brez dvoma še dolgo potrebovali pomoč posameznikov, ustavnov in družbe. Solidarnost tudi v radovednosti, ki je pogosto spremljevalka našega zanimanja za drugega. Ko ji je zadoščeno, pozablja na stisko bližnjega. Pristno podobo solidarnosti je človeku pokazal Kristus, Božji Sin. Postal je človek, deležen vseh njegovih skrbiv; z vsakim izmed nas trpi in upa, joka in se veseli. Tako je ravnal v času svojega življenja, tako je navzoč med nami tudi v teh trenutkih. Od nje ga se moremo učiti pristne solidarnosti.

Solidarnost pa ima še druge razsežnosti, ki jih današnji človek pogosto pozablja. Gre za solidarnost s sedanjimi in prihodnjimi rodovi, z zemljo in vsem stvarstvom, ki ga je Bog zaupal človekovi skrbi. Vprašanje je, kdaj in katere na-

## Miklavž prihaja

CLEVELAND, O. - Zopet bomo praznovali god našega svetnika Miklavža. S svojo radodarnostjo se je ta dobrski škof v svojem življenju tako priljubil, da še danes živi med nami. Vsako leto nas osebno obišče in tako že dolgo dobro let ob tem času pripravljam čim lepši sprejem in prisrčno dobrodošlico.

S svetoviškega odra že odmevajo čudovito lepe melodije "Miklavževe operete" - nekatere angelsko nežne, druge parkeljsko razposajene. Želimo, da bi tudi vi z nami preživeli lepo popoldne in se ob očarljivih prizorih podali v pravljični svet, ki nam na svojstven način govori o miru in srčni dobroti.

Lepo vabljeni na Miklavževanje Slovenske šole pri Sv. Vidu, ki bo 3. decembra ob 3h popoldne v avditoriju.

Če se želite osebno pogovoriti s sv. Miklavžem, se pred prireditvijo ustavite v družabni sobi.

## Izpod zvona Marije Vnebovzete

CLEVELAND, O. - Žalostno je zapel navček v torek, 14. novembra, ko je prišla novica, da je odšla v večnost Ivanka Kete. Žalostna novica za nas, ki smo z njo delale, saj je nastala praznina.

Bila je predsednica našega Oltarnega društva po odhodu Adamičeve mame, popreje pa veliko let tajnica in zapisnikarica. Poznala je vse članice, se z njimi veselila, ko so bili uspehi in jokala, ko so one jokale.

Z vso vdanostjo je prenašala svoje težave in trpljenje, posebno z desno nogo, ki ji je slabo služila zadnja leta. Težko je hodila, a bila je prva v cerkvi vsako jutro. Imela je lep soprano in vodila ljudsko petje v vsej potankosti, saj je znala še veliko starih pesmi. Tudi litanije in rožni venec je molila pred sv. mašo. Zdaj je utihnil njen glas tu v naši cerkvi. Kot sta že pred leti s počojno Adamičovo mamo rade prepevale, tako upamo, da zdaj razveseljujeta nebesane in pojeta hvalo Bogu, Jezusu in Mariji.

Draga Ivanka, vse članice Ti želimo vso srečo v

nebesih, saj si le za to živelja, da prideš med nebesane. Hvala Ti za vsa dobra dela. Bog Ti naj poplača, me pa se Te spomnjamo v molitvi, kot tudi vseh pokojnih članic.

Ta nedelja, 3. decembra, je zopet prva nedelja v mesecu, ko bo deseta sv. maša darovana za žive in pokojne članice. Ob pol dveh pa bodo molitve pred Najsvetejšim in tudi blagoslov. Iz cerkve se bomo podale v šolsko sobo za sestanke, da se pogovorimo o našem delu v prihodnosti. Po sestanku bomo obiskale naše bolne in onemogočne farane po domovih in jim prinesle malo domačega priboljška, v spomin bližnjega sv. Miklavža, ter želele lepe božične praznike in vse dobro za Novo leto.

Pridite k sv. maši, k molitvam in sodelujte pri obisku vseh trpečih.

Lavriševa

## Belokranjski klub se zahvaljuje

CLEVELAND, O. - Belokranjski klub se najlepše zahvaljuje za lepo uspeli vinski praznik, ki je bil 11. novembra. Dragi prijatelji

ravne nesreče so posledica neodgovornega človekovega ravnanja. Nekaj je gotovo: s svojim ravnanjem je človek usodno posegel v naravo in njeni ravnovesje ter s tem ogrozil tudi lastno bivanje. Ozračje je zastupljeno, ozonska luknja se širi. Klimatske spremembe resno opozarjajo človeštvo, da ravna neodgovorno. Mnoge naravne nesreče so posledica teh sprememb, najbrž tudi zadnja. Tudi vode umirajo, živalske in rastlinske vrste izginjajo, človeka ogroža vse več bolezni, ki so posledica neodgovornega ravnanja z naravo. Človek, krona stvarstva in gospodar narave, je postal njen sovražnik in uničevalec. Biti gospodar pomeni predvsem modro in odgovorno gospodariti z zaupanimi dobrinami. Morda bi bilo bolj primerno reči, da je človek "gospod narave", in tako tudi ravnati.

(dalje na str. 16)

in znanci, ponovno ste se odzvali našemu vabilu - prisrčna hvala!

Zahvalimo se našim prijateljem iz Girarda, Ohio, ki nas vsako leto obiščejo in napolnijo avtobus, s spremstvom - tokrat - Tonyja Klepca ml. in Slavkota Strasar.

Iskreno se zahvaljujemo orkestru Staneta Mejača, ki nas je zelo lepo zabaval s svojimi lepimi melodijami skozi cel večer. Prav tako cvetličarni Jimmyja Slapnika, ki nam je podarila lepo število nageljnov, ki so nam krasili mize. Dalje, uredništvu Ameriške Domovine za objavljanje dopisov in vabil. Iskrena hvala tudi Radijski družini in Tonyju Petkovšku, za lepa vabila na njihovih oddajah.

Našim dobro poznanim kuharicam in fantom za baro gre posebna zahvala za izvrstno postrežbo.

In, končno, zahvala vsem vam, ki ste na kakršen koli način pomagali, da je naše Martinovo praznovanje tako lepo uspelo. Na svidenje zopet drugo leto!

na z darilom, katerega sem zate izbral. Ko boš nastopala kot največji angel, pa lepo poj, da boš mlajšim za vzgled.

Sv. Miklavž

Dragi sv. Miklavž!

Moje ime je Marija. Jaz sem deset let stara. Imam enega brata, mamo in ata. Jaz rada pomagam mami. Jaz sem zelo pridna, a tudi nagajiva včasih. V šoli sem pridna.

Rada bi imela igrače, rokavice, kinderjace, nove čevlje, hlače, punčko in novo obleko.

Pripravila bom kekse za te. Kako si? Hvala lepa.

Marija Grabnar

Moja ljuba Marija!

Hvala za pismo, posebno, da si se tako potrudila ga napisati. Tudi ti imaš lepo pisavo, tako kot tvoj brat. Brat je pisal, da rad pomaga očetu, ti pa mami. Gotovo boš postala dobra gospodinja in kuharica. Z veseljem bom poskusil kekse, sploh če mi jih boš ti spekla. Da si včasih nagajiva, je res, a vidim, da se trudiš, da bi bila dobra do vseh.

Jaz sem kar zaposlen. Imam veliko priprav za obisk na zemljo. Predvečer mojega godu bom hodil po hišah, kjer vem, da me čakajo slovenski otroci, v soboto, 9. decembra, pridem pa k tvoji fari sv. Marije Vnebovzete. Te bom priskal med angelci na odru. Marija, kar korajno naprej stopi, ko te bom poklical k sebi.

Sv. Miklavž

P.S.: Pozabil sem se zahvaliti bratu Danijelu za lepo risbo, katero mi je poslal. Narisal je hišo in smreke v snežni odeji. Ali je to mogoče njegova vremenska napoved za ta teden?

Dragi sv. Miklavž!

Jaz sem 5 let star. Imam eno sestrico, Andrejo. Kako pa si ti? Upam, da je vse v redu.

## Praznovanje v Sloveniji 200. obletnice rojstva pesnika Franceta Prešerna

Ljubljana (Delo fax, 28. novembra) – Kot smo daljnovidno napovedovali, bo Slovenija kulturni "šok" doživel ravno v času Prešernovega rojstnega dne – v dnevih okoli 3. decembra, ki jih bo okronala osrednja proslava v Cankarjevem domu (z naslovom *Pesnik je rojen*), čeprav natančnih podatkov o tem, kaj se bo dogajalo po kotih in kotičkih Slovenije, najbrž (še) ne ve nihče.

O proslavi so znani tri stvari: da je režiser Dušan Jovanovič, ki je skupaj z Borisom A. Novakom napisal tudi scenarij, da se bo prireditev začela ob dvajseti uri in da so vstopnice brezplačne za vsakogar!

Na zaslone nacionalne televizije bo 8. decembra prišla nadaljevanka o Prešernu, ki se bo zvrstila v petih petkih, 1. decembra pa jo bo slavnostno uvedel še dokumentarec o snemanju.

Tretjega decembra bodo na nogah tudi Žirovnčani – s prireditvijo *Vrnitev Prešerna*. Ta se bo s kočijo odpravil po kraji kulturne dediščine, pot pa zaključil v Vrbi, kjer bodo slavnostno odkrili spomenik z menda preurejeno okolico.

"Velika nedelja" pa bo praznična še v nečem: odprla se bodo vrata kulturnih ustanov, od knjižnic do muzejev, galerij in gledališč. Nekateri so pripravili posebne prireditve, drugi odprli za obiskovalce kar tako.

Dan odprtih vrat pripravlja tudi Narodna in univerzitetna knjižnica: obiskovalcem bodo omogočili vročilo knjig brez zamudnine, ogled zanimivega gradiva iz različnih zbirk, strokovna

vodenja, razstavo Prešernovih pisem, prodajno razstavo grafičnih listov in še kaj.

Programi ustanov ne bodo opevali samo Prešerna, ampak kulturo nasploh; tako bodo denimo v ljubljanski knjižnici Bežigrad v izvedbi Mavričnega gledališča uprizorili predstavo O Vinku in Vilenjaku, v Muzeju novejše zgodovine Celje bo na ogled razstava Živeti v Celju in Mamut v Hermanovem brlogu, Narodni muzej Slovenije pa bo odprl razstavo *Prešeren – pèvec, ne bògat al slovèc*.

Z njim bodo v tej ustanovi prikazali nekaj glavnih poti, "po katerih so prišli v muzej Prešernovi rokopisi in dokumenti o njegovem življenju".

Program sklada za ljubljanske dejavnosti obsega številne kulturne miniaturke; lahko bi jih imenovali od Artič do Šentjurja, nekatere so posredno povezane s Prešernom, druge malo ali sploh ne. Sklad je najstevilnejše usmeril na teden, ki prihaja.

Slovenska akademija znanosti in umetnosti (SAZU) za danes in jutri (30. no-

vembra in 1. decembra) pripravlja velik simpozij *Prešeren – kultura – Evropa*. Gre za drugi simpozij v kratkem času (naj spomnimo, da so se slovenski in tuji prešernoslovci februarja 1999 sestali v Kranju na simpoziju *Prešernova pot v svet*), referenti pa bodo tokrat razpravljali o temah, kot so Prešeren in krščanstvo, skladnja in verz pri Prešernu, Prešeren in Slomšek.

V Kranju so v torek odprli peto razstavo Likovni umetniki za Prešernovo mesto, seveda se bodo v kulturno najbolj delovni teden leta, če ne desetletja, uvrstile tudi nekatere predstavitev prevodov Prešernovih pesmi (ena takih je slovensko-hrvaška izdaja v založništvu mestne občine Kranj in Matice hrvatske iz Zagreba).

Prešernovo leto se izteka, a kljub obilici prireditvev in projektov ga marsikdo (še) ni občutil prav intenzivno. Celostne podobe leta (s sloganom "prešerno leto" vred) ni bilo pogosto opaziti, klobčič prireditve pa se je začel odvijati šele sredi aprila, ko so se končali roki za oddajo programskega predlogov in priročb nad izbranimi projekti.

Verjetno bi za uspešno in odmevno kulturno leto potrebovali vsaj nekaj let priprave in tega se najbrž na ministrstvu za kulturo zavedajo, saj se je enako zataknilo že pri na začetku napovedani osrednji prireditvi.

Razpisniki so namreč med ponudbami pričakovali kako dobro zamisel, ki bi jo zlahka pretopili še v proslavo. Ker se to ni zgo-

## Sv. Miklavž se dopisuje...

(nadajevanje s str. 15)

Rad pomagam atu okoli hiše. Jaz sem ponavadi zelo priden, ampak včasih moram malo nagajati. Rad bi imel en kamion za smeti pobirati – "garbič truck". Andreja pa bi že lela eno "Madeline" punčko. Bomo ti pripravili piškote in čaj. Upam, da ti bo všeč. Jaz komaj čakam, da prideš! Lepe pozdrave!

Niko Maršič

Dragi Niko,

Midva imava pa nekaj skupnega – ime Nikolaj! Ali tebe kdaj kličejo Miklavž? Vsako nedeljo vaju z Andrejo vidim pri slovenski maši v cerkvi – zelo lepo od vaju. Včasih se objemata, včasih pa sta pa malo nagajiva. Takrat morata pa mama in ata vaju pomiriti, kaj ne?

V nebesih se tudi angeli pripravljajo na Miklavžev večer. Že več tednov hodijo po zemlji in kukajo skozi okna, da bi videli, če so sobe pospravljeni, če je naloga narejena, če otroci molijo in če ubogajo starše. Čistijo si zvezdice in oblike za obisk na zemljo.

Angeli mi poročajo, da je veliko zvezdic narisanih zraven vajnih imen v nebeski knjigi. Zato bom vama skušal prinesi to, kar sta prosila. Niko, ti boš lahko doma po hiši smeti pobiral in jih nalagal v kamion, Andreja se bo pa lepo igrala s punčko. Bodita naprej ubogljava in lepo molita skupaj!

Sv. Miklavž

Dragi sv. Miklavž!

Moje ime je Maria Sedmak. Jaz sem stara deset let. Imam pet bratov in eno sestro. Jaz sem zelo pridna. Prosim, če mi lahko prineseš "Barbie Shop With My Cash Register" – blagajno. Rabim tudi rokavice, škornje, šavl, in kapo za v sneg. To je vse, kar si jaz želim. Hvala.

Z ljubeznijo Vas pozdravlja,

Maria Sedmak

Moja zlata Maria!

Kako si res pridna doma in v šoli. Tudi ti velikokrat ministriša z brati. In tako lepo govorиш slovensko. Hvala, da se tako trudiš.

Prosiš za Barbie blagajno. Le dobro vadi, kako delati z njo, saj bo slovenska šola rabila blagajničarko čez nekaj leti, ko se bo pridna ga. Elizabeta Zalik "upokojila".

Za v sneg se boš pa res morala dobro obleči – letos napovedujejo lepo zimo z veliko snega. Ali rada delaš snežene može? Ali raje se vležeš v sneg in delaš angleške z rokami in nogami? Bom naročil angelcem, ki pletejo, da ti naj naredijo kaj toplega. Ljubi te,

Sv. Miklavž

Dragi sv. Miklavž!

Moje ime je Pavle Sedmak. Jaz sem 13 let star. Jaz te lepo prosim za Game Boy igrico. Prosim za nogavice in škornje. Rabil bi tudi nove rokavice in kapo.

Prosim, da mi vse to prineseš. Jaz se bom pa potrudil in doma mami pomagal. Hvala lepa.

Pavle Sedmak

Predragi Pavle!

Hvala za tvoje pismo. Tako zelo si se potrudil. Tudi tebe velikokrat vidim, kako si dobrosrčen in pomagaš vsem in kako rad popaziš nečake in nečakinje. Vsi te imajo zelo radi. Pri maši pa pridno ministriša in lepo poješ.

Pavle, le pomagaj mami in očetu in bodi dober. Vedno prinašaš dobro voljo s seboj. Upam, da boš tudi srečen, ko boš prejel darilo. Čeprav boš nastopal kot parkelj, prosim, ne straši preveč male otroke.

Sv. Miklavž

Dragi sv. Miklavž!

Ime mi je Matjaž in sem včasih priden, včasih ne. Sem šest let star in imam eno sestro, Brianno. Prosim, če bi mi prinesel film "Tomažev božič v čudežni deželi", Tomaževu knjigo

za pobarvati in vlakce. Obljubljam, da bom priden in ubogal ata in mami. Hvala lepa,

Matjaž Frank

Dragi Matjažek!

Tako si že zrastel od lani! Upam, da mi boš lahko drugo leto napisal, da si zelo, zelo priden. Lepo se igraj z Brianno, in ubogaj starše, da si boš pridobil veliko zlatih zvezdic. Sveti Miklavž ima rad takšne otroke kot si ti, ki hočejo biti pridni. Zelo sem vesel, da s sestrico hodita v slovensko šolo, čeprav je od Madisona do Collinwooda kar daleč.

Vem, da boš dobr in lepi angel na odru, in komaj čakam, da se spet vidiva.

Sv. Miklavž

Dragi sv. Miklavž!

Ime mi je Brianna. Sem štiri leta starca in imam enega brata. Ponavadi sem zelo pridna, včasih pa tudi nagajiva. Rada pomagam mami in atu, kdaj pa kdaj pa podražim mojega brata. Obljubljam, da bom še bolj pridna drugo leto, zato te prosim, da mi prineseš oblekico, šminko, in "Barbie Rock 'n Roll House". Hvala lepa,

Brianna Frank

Ljuba Brianna!

Vesel sem tvojega pisma in sem slišal, da boš nastopala v mojem spremstvu kot angelček. Upam, da se me ne bojiš več. Lepo je, da pomagaš doma, Matjažu pa ne smeš več nagajati. On je tudi obljudil, da se bo poboljšal, zato se raje lepo skupaj igrata. Mogoče bosta lahko skupaj barvala in gledala filme, in delila druge igrače. Poskusil bom vama izpolniti želje, vidva se pa le držita obljube. Ne pozabite moliti "Sveti angel" vsak večer, predno gresta v posteljo. Moji angeli hodijo pod okno poslušati!

Sv. Miklavž

## Moč narave in moč solidarnosti

(nadajevanje s str. 14)

Na ta vprašanja je opozoril papež Janez Pavel II., ko je v nedeljo, 12. novembra, sprejel poljedelce iz vsega sveta ob jubilejnem letu 2000. "Bodite dobri upravitelji božjih darov ter napredujte v solidarnosti z drugimi ... Pazite na stvarstvo, ki vam je zaupano ... Prizadevajte si za solidarnost in sodelovanje, da boste s tem izpričali, da so dobrine sveta namenjene vsem. Varujte okolje, da boste svetu zagotovili življenje, vredno življenja za današnjega človeka in za prihodne rodove!"

Tudi človekovo poseganje na področje genske tehnologije odpira številna podobna vprašanja. Brez etičnega merila, ki zahteva, da mora znanstveni in tehnički razvoj služiti človeku, njegovemu celostnemu razvoju, se bo znanost obrnila proti človeku. Sklicevanje znanstvenih, političnih in zakonodajnih krogov, da so druge podobne ustanove (laboratoriji, etične komisije, zdravniška združenja, parlamenti) že sprejeli zakon ali določilo glede občutljivih področij raziskovanja, kot so npr. umetno oplojevanje, kloniranje, še ni merilo etične dopustnosti. Ali bo znanost za človeka priatelj ali sovražnik, je predvsem etično vprašanje. "Naš čas bolj kakor pretekla stoletja potrebuje takšne modrosti, da bodo vsa človeška odkritja postala bolj človeška. V nevarnosti je namreč prihodnost sveta, če se ne bodo prebudili modri ljudje." Kajti merilo novega humanizma je "človekova odgovornost nasproti bratom in nasproti zgodovini". Tako je zapisal koncil (Cerkev v seanjem svetu, 15, 55). Tudi to je vidik 'globalne solidarnosti' ali 'solidarne globalizacije'.

## LEMONTSKI ODMEVI

S praznikom Kristusa Kralja smo zaključili cerkveno leto in se na Zahvalni dan Bogu zahvalili za vse, kar nam je v svoji milosti naklonil. S prvo adventno nedeljo – 3. decembra – pa že stopamo v novo "leto božjega usmiljenja, v novo leto odrešenjske skrivnosti". Začenjammo znova. Za krščansko življenje je želo pomembno, da začenjammo znova in se poglabljamo v Kristusove skrivnosti. Vsako leto naj bi bili bliže Kristusu zlasti z obhajanjem sv. zakramentov.

Poleg božiča v tem mesecu pozdravljamo Marijo, brez madeža spočeto – Brezmadežna, zapovedan praznik, 8. decembra.

Ne moremo pa tudi prezeti sv. Miklavža, 6. decembra, ko otroci molijo k sv. Miklavžu v pričakovanju godu tega blagega svetnika.

Naši sobratje: 29. decembra goduje pater David Šrumpf. Rojstnega dneva ta mesec ni.

Sobratje umrli v decembru: p. Gabriel Estok, 4. dec. 1964; p. Rihard Rogan, 6. dec. 1994; p. Tomaz Hoge, 7. dec. 1990; br. Robert Hochevar, 7. dec. 1997; p. Hugo Bren, 8. dec. 1953; br. Humil Šavelj, 23. dec. 1963. Naj

jim Gospod da svoj večni pokoj in večno Luč!

Letos je bilo veliko obnovljenega tako v cerkvi Marije Pomagaj kot na posestvu našega samostana, zlasti na gričku poletnih piknikov. Prejšnji mesec so pripravili cerkvena okna za zimo. Asfalt dohodne ceste in ceste okoli samostana sta bili že precej razpokani, zato so jo v oktobru polili s katranom (sealer). Hvaležni smo vsem, ki z delom ali z gotovino pomagajo pri obnovitvenih delih in vzdrževanju. Spominjam se jih v skupnih in osebnih moličah.

V nedeljo, 5. novembra, na "Lemontskih vernih duš dan", smo se ob dveh pooldne zbrali na našem pokopališču sv. Frančiška in se, kakor vsako leto, nekliko pomenili o sobratih na božji njivi in zanje pomolili. Posebej smo se spomnili še škofa Gregorija Rožmana, ki počiva ob pokopališkem križu kot prvi med sobrati.

Nato smo se med molitvijo rožnega venca podali v cerkev, kjer je p. Bernardin daroval sv. mašo za naše rajne sobrate, sorodnike in dobrotnike. Po maši je bila kratka komemoracija v spomin škofa Rožmana ob prili 41. obletnice njegove smrti in v spomin vseh, ki so izgubili življenje z Boga in domovino.

Rev. Pavel Krajnik, STD, župnik slovenske fare Sv. Cirila in Metoda v Lorain, Ohio, je tudi letošnji zlatomašnik. Na božični dan leta 1950 je v Rimu prejel zakrament mašniškega posvečenja, sedaj pa že od leta 1975 vestno skrbi za župnijo, ki mu je bila dodeljena. – Dr. Krajnik, lemontski frančiškani se pri družujemo čestitkom z željo, da bi Bog še vnaprej naklanjal zdravje in s svojim blagoslovom vodil in obogatil delo v župniji.

"Slovenski dan" pod pokroviteljstvom Slovensko-ameriškega radio kluba, je bil letos v soboto, 14. oktobra. Petdeset let poteka, odkar je na božični dan leta 1950, rajni dr. Ludvik Leskovar s sodelavci pričel s tedenskimi slovenskimi oddajami na radijskih valovih. Sedanjemu predsedniku Radijskega kluba in vodji tedenskih oddaj, Stanetu Simirayhu in njegovim sodelavcem, iskreno čestitamo z

**UMETNIŠKA RAZSTAVA V SLOVENSKEM KULTURNEM CENTRU, LEMONT:**  
Razstava je bila odprta 12. novembra, trajala bo do srede februarja 2001. Na fotografiji zgoraj so od 12 sodelujočih slovensko-ameriških umetnikov (z leve): Marko Puc, Liz Puc, Breda Modic, Jaka Praprotnik, Lillian Brulc, Marija Bonnefil in Jean Pierre Bonnefil.

(nadaljevanje s str. 15)

dilo, so na ministrstvu šele jeseni predlagali režiserja, ta je sestavil koncept in priprave so se lahko začele ... Pred vrhuncem Prešernovega leta, ki je po številkah povezan s 450-letnico prve slovenske knjige, pa so se ustavile tudi številke finančnega vložka ministrstva. To je v leto kulturne vložilo 200 milijonov tolarjev.

### www.prešeren.net

Na internetu je v torek zaživel tudi tako rekoč uradna spletna stran Frančeta Prešerna – [www.prešeren.net](http://www.prešeren.net) – ki jo financira kulturno ministrstvo. Založba Pasadena je s sodelavci ustvarila medmrežni projekt o Prešernu, v katerega so vključeni njegovi bibliografski podatki, opis njegovega življenja, dobe, v kateri je živel, podatki o kraji, kjer je bival, ne manjka niti rodoslovno deblo, seveda ne tudi Poezije, pa kratek kviz, interpretacije pesmi, izjave sodobnikov in še inše.

Zajeten projekt so izdelali po vzoru svetovnih spletnih strani, prav zaradi internetnega značaja pa po mnenju ustvarjalcev stran ne bo nikoli dokončana. Čakajo na pripombe, popravke, dodatke ... Ni oveč, če omenimo, da bo v tednu dočakala angleško in nemško različico, v založbi Pasadena pa pravijo, da imajo zdaj ustvarjeno tehnično infrastrukturo za predstavitev drugih pesnikov in pisateljev. Kar bi bilo odslej cenejše in enostavnnejše delo.

## Šestnajsta umetniška razstava v SKC v Lemontu v 5. letih

**WHEATON, Ill.** – Odprtje skupinske razstave dvanajstih slovensko-ameriških umetnikov iz Chicaga in okolice je bilo 12. novembra, na dan obhajanja pete obletnice Slovenskega kulturnega centra v Lemontu. To je že šestnajsta umetniška razstava v našem domu. Na ogled bo do srede februarja 2001.

Ta skupinska razstava predstavlja zelo pestro sliko: stilistično, tematsko in tehnično. Vsi umetniki izražajo na svoj način svoje misli o zunanjih in notranjih doživetjih: Naj umetnost govori! Ta razgibanost še posebno pozivi naš Slovenski kulturni dom oz. center, v katerem se radi sestamo.

Po abecednem redu na razstavi sodelujejo sledeči: Jean Pierre Bonnefil in Maria Bonnefil, oba iz Matteson, Ill.; Erika Marija Bajuk, Wheaton, Ill.; Lillian Brulc, Joliet, Ill.; John Culik, Joliet; Lucija Dragovan, Joliet; Lois Fagan Keller, Chicago; Breda Modic, Pell Lake, Wis.; Jaka Praprotnik, Worth, Ill.; Liz Puc in Marko Puc, Westchester, Ill.; in Boris Žižek, Countryside, Ill. Vseh skupaj je razstavljenih 52 slik.

željo, da bi Bog še vnaprej blagoslovil to kulturno in versko dejavnost.

Petdeset let obstaja obhaja tudi Slovensko kulturno društvo Triglav v Milwaukeeju, ustanovljeno 17. novembra 1950 v cerkveni dvorani sv. Janeza Evangelista. Kmalu so si člani omislili Triglavski park za razvedrilo in za verske in kulturne prireditve, kar še zvesto nadaljujejo, zlasti, odkar so v odbor pritegnili mlajše moči.

Petdeseto obletnico so slovesno obhajali v nedeljo, 20. avgusta 2000, s sv. mašo, ki jo je opravil duhovni vodja društva dr. Jože Gole. Maši je sledil program: Frank Mejač je podal zgodovino društva, sledile so recitacije in pevske točke, zaključili so s slavnostnim banketom in družabnim večerom. Čestitke odboru in članom Triglava; Bog naj še vnaprej bogato blagosavlja delo živih, ravnim članom pa pri Bogu večni mir in pokoj.

Slovenski franciškani v tem letu (vsaj do začetka novembra) nismo izgubili nobenega sobrata. Bog nam je prizanesel. So pa naše sosede, Šolske sestre sv. Franciška Kristusa Kralja na Mt. Assisi izgubile dve

sestri, ki ju je Bog poklical k sebi po večno plačilo: sr. M. Almo Kosar in s. M. Dorothy Jurkovich.

Sr. M. Alma Kosar, OSF, je bila rojena 2. decembra 1909 v Boračevem v Prekmurju, v Sloveniji. Njeno krstno ime je bilo Veronika. Leta 1926 je prišla za očetom v Bethlehem, Pa, kjer so poučevale slovenske Šolske sestre. Želela je postati redovnica in je bila 15. avgusta 1928 sprejeta v noviciat. Po prvih zaobljubah je bilo sestrino delo v glavnem oskrbovanje samostanov. V konventu v Kansas City je dolga leta skrbela za hrano sester in otrok.

Leta 1993 je zbolela in prišla v sestrski bolniški oddelok v Lemont, kjer je mirno v Bogu zaspala 13. junija 2000. Sestra Alma je bila zvesta Kristusu po zgledu sv. Franciška in sv. Klare. Naj počiva v božjem objemu.

Sr. M. Dorothy Jurkovich je bila rojena v Jolietu 27. januarja 1917 in krščena v cerkvi Marijinega rojstva (Nativity) na ime Mary Ann. V kongregacijo Šolskih sester sv. Franciška Kristusa Kralja v Lemontu je bila sprejeta 15. avgusta 1932.

Od leta 1933 je poučevala v farnih šolah, ki so jih vodile Šolske sestre iz Lemonta. Lepo število jih je bilo tedaj. Versko življene učencev, je bila njena glavna skrb, za njo pa slovnica angleškega jezika, kar je več let poučevala tudi na Mt. Assisi Academy (High School za dekleta). Nekateri naši sobratje iz Slovenije, ki so bili tu v pomoč ob romanjih, so bili deležni njenega dobrega poznanja angleškega jezika.

Prav zaradi posluha za lep angleški jezik so ji predstojniki odredili prevajanje raznih dokumentov in pisanje zgodovine začetkov ameriške province.

Ko je v Kansas City zbolela, so jo poklicali v Lemont, kjer se je kljub bolezni, še vedno udejstvovala s poučevanjem, pisanjem in prevajanjem.

Umrla je 21. septembra 2000 zaradi neozdravljivega raka. Naj zvesta Kristusova nevesta počiva v božjem objemu in njegovem miru. — Sestram naše iskreno sožalje in spomin pri molitvah.

Za božične praznike želimo vsem vam, dragi rojaki, božjega blagoslova in miru svete noči.

## Znova izgnani "deseti bratje"

Na naše uredništvo (tj. tednik *Družina*, op. ur. AD) smo v zadnjih tednih dobili več klicev in pisem, da maršikje naši rojaki niso mogli sodelovati pri volitvah, ker so prepozno dobili volilno gradivo. Čeprav je vodstvo republike volilne komisije zatrjevalo, da bodo namenili posebno pozornost našim rojakom, ki bodo lahko uveljavili svojo volilno pravico, zgodba ni bila skoraj nič drugačna kot pri vseh demokratičnih volitvah doslej. Mnogi so dobili volilno gradivo šele po volitvah ali pa niso mogli pravočasno oddelati svojih glasovnic. Medtem ko lahko državljanji nekaterih evropskih držav (npr. Italijani, Hrvati, Nemci), ki bivajo zunaj svojih držav, brez večjih težav uveljavljajo volilno pravico, imamo v demokratični Sloveniji s tem že kar kronične težave. Volilna zakonodaja ostaja ista, ravnanje volilne komisije pa tudi ni nič boljše.

Zastavlja se vprašanje, ali je med strankami sploh volja, da bi prišlo do spremembe odnosa do rojakov na tujem. Če k temu dodamo še odločitev novoizvoljenih LDS-ZLSD oblastnikov, ki krojijo odslej slovenski parlament po svoji meri, da ukinje parlamentarno komisijo za Slovence po svetu, potem nam je slika prihodnjega odnosa nove oblasti do rojakov jasna. Pravzaprav ni nič drugačna, kot je bila v najtemnejših časih polpreteklosti. Takrat, ko so naši rojaki iz političnih razlogov bežali v demokratični svet ali pa zradi želje za boljšim kosom kruha na skrivaj – včasih pa tudi zaradi prisile – šli čez mejo, je domovina na te ljudi gledala mačehovsko. Tistim v zamejstvu je komunistična oblast dodelila vlogo širjenja komunistične propagande in jih tako razcepila v dva politično nepomirljiva tabora ter sprožila izčrpavajoče medsebojne prepire v korist večinskega naroda. Onim v zdomstvu in izseljenstvu (v Združenih državah Amerike, Kanadi, Franciji, Nemčiji in drugod) pa namenila Slovensko izseljensko matico, podaljšano roko Udbe, da je nadzvorala njihovo delo in ustvarjala razdore med že tako šibkim občestvom v tujem svetu. V domovini so bili dobrošli le kot folklorna posebnost na izseljenskih piknikih. Tretjim, ki so bili politični begunci in tudi nosilci ideje o Svobodni Sloveniji, so prilepili vzdevek "narodni izdajalci" in se o njih ni smelo pisati, kaj šele vnašati njihovo literaturo.

Tako vlogo so imeli naši rojaki iz sveta pri komunističnih oblasteh vse do demokratičnih sprememb. Ob iskanju podpore slovenski osamosvojitvi in prepoznavnosti na zemljevidih sveta pa se je pokazalo, kako pomembno je, da imamo ljudi na različnih, velikokrat zelo vplivnih mestih po svetu. Ko so naši rojaki organizirali velike protestne shode v Torontu, Clevelandu, Buenos Airesu, Sydneyu, Vancouveru in drugod smo lahko videli, kaj pomeni, če imamo koga v pomembni središčih po svetu in v zamejstvu. Tudi njihova pomoč jeseni leta 1990 poplavljeni Sloveniji (Savinjski dolini) in leta 1991 napadeni domovini je bila izdatna... Takrat smo vsi skupaj, rojaki po svetu in dobromisleči v domovini upali, da se bo odnos do njih spremenil. Tudi obljub je bilo veliko. Pa se je le malo zgodilo. Kaj šele, da bi jim domovina po vzoru Italije ali Hrvaške dala državljanstvo, volilno pravico, pokojnine in celo poslanca v parlamentu za svoje ljudi po svetu! To se zdi nekaterim poslancem v našem parlamentu preveč! Prišli smo do paradoksa, da ima npr. italijanska manjšina v Sloveniji kar trojno volilno pravico: v Sloveniji za zastopnika italijanske manjšine, za slovenskega poslanca (ti dve omogočajo slovenska zakonodaja) in še za poslanca v italijanskem parlamentu (to jim omogoča italijanska zakonodaja). Slovenci iz sveta pa po skorajda ustaljeni praksi zmede ne morejo izvoliti niti običajnega poslanca, kaj šele da bi imeli svojega poslanca kot zastopnika njihovih interesov v državnem zboru! Da sta bila nekoč Marjan Schiffrer in zdaj dr. Jože Bernik iz Chicaga izvoljena v slovenski parlament, je zgodil odločitev neke stranke, ne pa države. Ne moremo se izogniti trditvi, da verjetno ti Slovenci niso na pravi strani. Če bi namreč njihovi glasovi prispevali k izvolitvi sedanjih vladajočih strank, bi se te kaj hitro potrudile in jim brez administrativnih ovir, čez katere morajo sedaj, oskrbele vse pravice. To se je zgodilo v nekem drugem sorodnem primeru delitve državljanstev, ki ga Slovenci dobro poznamo...

## Znova izgnani "deseti bratje"

(nadaljevanje s str. 12)

Resne obravnave, kakšno mesto hočemo dodeliti našim rojakom v zamejstvu, zdomstvu in izseljenstvu, do zdaj v slovenskem državnem zboru še ni bilo, in je, kot kaže, še dolgo ne bo. Še vedno ni jasno, ali jim (po zgledu Italije in Hrvaške) damo samodejno tudi državljanstvo in s tem povezane pravice. Ne omogočamo jim posebnih ugodnosti, če bi želeli vlagati in sploh gospodarsko sodelovati z domovino. Slika je z eno prvih odločitev novega parlamenta, ki je ukinila pristojno komisijo, kristalno jasna: za nas ostajajo še naprej "deseti bratje", ki morajo iti po svetu in tam ostati. Brez pravic in brez doma! Slovenija se je odločila, da gre naprej brez Slovencev na Koroškem, Primorskem, v Porabju, v Evropski zvezi, Združenih dravah Amerike, Avstraliji, Argentini ... Bog se usmili take države, ki se še enkrat odpoveduje svojim sinovom in hčeram!

Izšla knjiga argentinskega rojaka arh. Marjana Eileta

## Moje domobranstvo in izgnanstvo

Buenos Aires, Arg. (Svobodna Slovenija, 16. nov.)

V založbi Mohorjeve je pred kratkim izšla nova knjiga avtorja iz Argentine. Arh. Marijan Eiletz je napisal knjigo svojih spominov pod naslovom *Moje domobranstvo in izgnanstvo*. V njej opisuje svojo mladost, predvsem pa svoje domobranstvo in pogledene nanj. V drugem delu pa svoje pregnanstvo v Argentini, svoje delovanje in tudi življenje skupnosti.

V vsem svojem delu skuša biti objektiven in prikazuje tako dobre kot slabe strani dogajanja.

### Pismo o predstavitvi

Dragi prijatelji!

Pišem pod močnim vtimom včerajšnje tiskovne konference, ki jo je imel Marijan Eiletz ob izidu svoje knjige - spominov - "Moje domobranstvo in izgnanstvo", ki je izšla pri Celjski Mohorjevi družbi.

Zbral se je zelo veliko ljudi, večinoma so to bili njegovi sošolci in prijatelji. Nekaj jih je prišlo celo iz Avstrije in iz Italije. Žal, med njimi ni bilo mlajše

generacije in tudi zgodovinarjev nas je bilo le za semme (Žajdela...).

V glavnem je bilo govorja o nastajanju knjige in k besedi so se javili le posamezniki, ki so govorili bolj o načelnih stvareh. Bistvo diskusije je bilo v tem, da so vsi po vrsti ugotavliali, da bi tovrstnih spominov moralno iziti več. Tako prihaja do anomalije, da imamo na eni strani celo množico "partijskih spominov", ki zagovarjajo eno "resnico", na drugi strani (domobranci) pa zija velika praznina. In prav to stanje bi bilo treba preseči, pravzaprav je to že skrajni čas, saj številni posamezniki te generacije, ki je na svoji lastni koži doživel ta čas, oblevajo za različnimi boleznimi, svoje pa naredi tudi smrt, ki nezadržno kosi.

To je samo še ena potrditev mojega prepričanja, da bi ljudje v tujini morali neprimerno bolj skrbeti za ohranjanje zgodovinskega spomina in predvsem pisati, pisati.

Tisto, kar je zapisano, se da še vedno dopolniti z

drugimi viri (arhivski dokumenti, dnevno časopisje). In prav tega se (upam, da nisem preostra ali celo nesramna) vaša generacija premalo zaveda. Zanašate se drug na drugega - čas pa beži in že preveč je takih, ki so svoje spomine odnesli s seboj v grob.

Z vsakim od njih odide kamenček iz mozaika, ki bi ga morali s skupnimi močmi sestaviti (mi v domovini in vi v tujini) - šele potem bomo lahko govorili, da imamo napisano našo, slovensko zgodovino. Knjigo, ki sem jo seveda takoj kupila, sem že zvečer začela brati in ker veliko ljudi, ki jih g. Eiletz opisuje, poznam, sem se tega lotila še z večjim veseljem.

Ob tem se mi sami zastavlja vprašanje, kakšno gradivo so uspeli zbrati v "Zgodovinskem odseku" pri Taboru in Vestniku? Ali gre za takšno gradivo, ki bi bilo vredno objave v kakšni ediciji "Virov oz. dokumentov"; če bi šlo za tako gradivo, se da v Sloveniji dobiti tudi sredstva za natis takšnega dela. Morda bi s tem še lahko nekoliko "popravilo" to vrzel in potem se bodo lahko začele tudi resnejše, znanstvene raziskave. In kar nekaj ljudi na že omenjeni tiskovni konferenci se je čudilo, kako to, da se naše zgodovinopisje s tem področjem ne ukvarja.

- Kako pa naj se, če ni na voljo arhivskega gradiva?

### Predstavitev v Trstu

V Peterlinovi dvorani Društva slovenskih izobražencev (DSI) v Trstu so 31. oktobra predstavili to Eiletzovo knjigo.

V imenu založbe je govoril Janez Dular, ki je med drugim dejal, da će bi izšlo več knjig, kot je Eiletzova, bi bila predstava o slovenski polpretekli zgodovini jasnejša in sprava bližja. Avtor predstavlja stališča protirevolucionarnega oz. domobranskega tabora, a jih ne vsiljuje in ima razumevanje tudi za nasprotno stran, je še dejal Dular.

Spremno besedo h knjigi je napisal zgodovinar Boris Mlakar, svoj esej pa je prispeval tudi pisatelj Jože Snoj. Odlomek iz knjige je prebral Livij Valenčič.

Kot je na predstavitvi dejal sam avtor, je to knjigo napisal, ker se je čutil dolžnega, da napiše spomine o vojni, da bodo otroci vedeli, kaj je on delal med vojno. Čutil pa je tudi dolžnost, da pove tudi o drugi, zamolčani resnici.

### ZDRAVNIK SVETUJE

## Alzheimerjeva bolezen

Alois Alzheimer je bil nemški nevrolog. Prvi je opisal presenilno demenco, ki se pojavi med 50. in 60. letom življenja zaradi degeneracije in atrofije možganov neznanega izvora. Za to demenco so značilne motnje spomina, pomnenja in reprodukcije. Poleg motenj spomina je moteno prepoznavanje, motena je orientacija v času in prostoru. Po odkritelju jo imenujemo Alzheimerjeva bolezen.

Vedno več je starejših ljudi, narodi se starajo in s tem je Alzheimerjeve bolezni vedno več. Strokovnjaki menijo, da je kriva za 75% demence pri ljudeh, ki so starejši kot 65 let. Bolezen delimo na tri stadije.

V prvem stadiju, ki traja dve do štiri leta, je bolnik vedno bolj pozabljen, vse pomembnejše stvari si zapisi, da jih ne bi pozabil. Pozablja imena preprostih vsakdanjih stvari, številki več ne pozna, ne zna povedati recimo ime živali, ne ve, kateri dan v tednu je, ne loči datumov. Ker se tega zaveda, je zaskrbljen in depresiven.

V drugem stadiju, ki ga imamo za zmernega in traja dve do štiri leta, pride do hudej izgube spomina. Bolnik ne prepozna sorodnikov in prijateljev. Morda se spomni preteklih dogodkov zlasti iz mladosti, ne ve pa, kdo ga je prejšnji dan obiskal. Izgublja se. Občutka za čas in kraj nima več. Ne zna se obleči. Slabo spi. Ni sposoben najti prave besede. Tudi računati ne zna več.

Resen je tretji stadij, ki traja od enega do treh let. Ničesar se več ne spomni, tudi najožih članov družine ne prepozna. Ne zna upoabljalni besed. Bolniki so popolnoma dezorientirani. Imajo tudi privide. Padejo v psihozo in imajo paranoidne blodnje. Ne morejo zadržati ne vode ne blata. Zanemarjajo osebno higieno, blodijo okrog, izgubljajo se. Nekateri izgubijo vse občutke za družbene norme, drugi obležijo v postelji. Tam jih mučijo preležanine. Pogosto se jih usmili pljučnica, ki je potem tudi vzrok smrti.

Diagnozo bolezni postavimo na podlagi simptomov, klinične slike in laboratorijskih preizkusov. Pomožne metode so EEF, računalniška tomografija in magnetoresonančno slikanje možganov.

Vzrok za Alzheimerjevo bolezen ni znan, teorij je veliko. Pisal so celo o zastrupitvah s težkimi kovinami, na primer z aluminijem. Ne smemo spregledati dednega dejavnika.

Ker ne poznamo vzroka bolezni, ne moremo predpisovati zdravil, razen tistih, ki izboljšujejo vedenje bolnika. Res pa je tudi, da se vsa svetovna farmacevtska elita trudi, da bi iznašla primerno zdravilo za to bolezen. Iznašli so zdravila, ki upočasnijo napredovanje bolezni.

Mnoge svetovno znane osebnosti: politiki, filmske zvezde ter športniki imajo to bolezen ali pa so že umrli zaradi nje. Eden najbolj znanih politikov je Ronald Reagan, ki ne ve niti, da je bil predsednik Združenih držav Amerike. Filmska zvezda Rita Hayworth je umrla stara 68 let, skladatelja Aarona Coplanda je pokopalo v 90. letu.

Za bolnika je najpomembnejša primerna nega. Socialno varstvo pa je pomembno tako za bolnika kakor tudi za njegove svojce. V zgodnejših stadijih bolezni, ko se bolnik še zaveda, svojega stanja, mu bo pomagala premagati anksioznost primerna prehrana, telesno razgibavanje in zapoštitev. Če se bolnik izgubi celo v znanem okolju, je primerno, da ima pločevinasto zapestnico, kjer je napisan njegov naslov, da ga mimoidoči lahko pripeljajo domov.

Bolniki z Alzheimerjevo bolezni so najbolje oskrbljeni doma. Svojcem lahko pomaga socialna služba s pomočjo dnevnega varstva, olajša breme družini, bolnikom pa omogoči, da žive doma čim dlje. Kadar bolezen močno napreduje in postanejo bolniki nepokretni, pa je treba poiskati pomoč v ustrezni zdravstveni ustanovi.

Uradni naslov:

MZA - CMA

17826 Brian Ave., Cleveland, OH 44119

Glavni odbor MZA-CMA, Cleveland

Ves proces pisanja je trajal približno leto dni, prisilno obujanje spominov pa je bilo zelo moreče in težko, bil je to emotivni napor. Eiletz upa v pozitiven odmev, pripravljen pa je tudi na "batine", kot se je

sam izrazil, tako z ene kot tudi z druge strani, saj v knjigi med drugim opozarja tudi na stvari, ki so se dogajale na domobranci strani in mu niso bile prav pogodu.

Ustanovitelj Misijonske znamkarske akcije g. Karel Wolbang je posvetil vse nas pri MZA sodelujoče in naše delo za misijone Brezmadežni Materi božji, katerega praznik bomo praznovali 8. decembra. Prav je, da v teh vrsticah napišem posvetilo:

*Brezmadežna Devica Marija, mati našega Gospoda Jezusa Kristusa in mati Cerkve, neomajno zaupamo v tvojo materinsko pomoč, ki jo razodevaš po čudodelni svetinji. Kot ljubeči otroci te zaupno prosimo, da nam in vsem tistim, ki ti jih danes priporočamo, izprosiš milosti in dobro, ki jih pričakujemo od tebe.*

*Daj nam velikodušno srce, ki se v nežnem sočutju razdaja trpečim in zapuščenim; zvesto srce, ki ne pozabi na nobeno dobroto in se ne spominja nobene hudobije, krotko in ponižno srce, ki ljubi, ne da bi pričakovalo plačila, in se tiho umakne pred drugim srcem, pred srcem tvojega*

#### Sina.

*Oblikuj nam srce, ki bo gorelo za slavo Jezusa Kristusa; srce, ki ga je ranila njegova ljubezen in katerega rana se bo zacelila samo v nebesih. Amen.*

To posvetilo lahko uporabimo za devetdnevnice za pravilo na veliki Marijin praznik Čudodelne svetinje, praznik Brezmadežne. "O Marija Brezmadežna spočeta, prosi za nas, ki se k Tebi zatekamo."

**Misijonar dr. Vladimir Kos** se je oglasil 14. novembra s pismom dobrotnikom sledeče vsebine:

"Iskren Boglonaj za tako velik misijonski dar ... A nič manj ne občudujem ljubezni do našega Gospoda, ki Vas in Vašega brata in Vašo sestro nagiba k tako požrtvovalnemu delu v župnišču. Vam pa je naš Gospod dal ne le svojo ljubezen do Cerkve, ampak tudi zanimanje in moč za misijone. S tem Vašim tako velikodušnim darom bomo na naši misijonski postojanki spet lahko odplačali nekaj dolgov, ki smo si jih nakopali, odkar smo zgradili dom za tiste ostarele Japonce in Japonke, ki jih druge ustanove nočijo sprejeti, najbrž zato, ker ne predstavljajo finančne zmogljivosti. Japonska vlada nam je do določene mere pomagala pri gradnji, a ostalo je naša stvar, ker smo privatna katoliška misijonska ustanova.

Poleg doma za ostarele imamo v neposredni oskrbi še zavetišče za najrevnejše otroke, od 2 in pol leta starosti do 16 ali 17 let. To oskrbo nudimo že 40 let, Bogu hvala! Tudi tu nam vlada pomaga do določene mere, ostalo je naša skrb in odgovornost.

Na obzoru je še advent, uvod v sveti božični čas. Vam in Vašemu bratu in Vaši sestri želim iz srca dosti, dosti novih milosti – naš Bog je neizčrpljiv! – in priporočam naše misijonsko delo z otroki in ostarelimi Vaši iskreni molitvi. Boglonaj vnaprej!

Vdani Vladimir Kos, misijonar."

Živimo v svetu, ki nosi toliko različnih in nasprotujočih si podob. Ali si lahko zakrivam oči pred trpljenjem, lakoto in zapostavljenostjo večine človeštva? Kako naj zaživi Kristusova vesela novica ubogim, ki ozdravlja bolne, osvobaja zatirane in prinaša Gospodovo usmiljene, če tudi jaz ne naredim tisto kar bi lahko?

Storimo "nekaj lepega za Boga," je rekla mati Terezija.

Vsem hvaležne misijonske pozdrave ob koncu cerkvenega leta in že v nastopajočem Adventu.

(nadaljevanje s str. 19)

Avtor knjige *Moje domobranstvo in izgnanstvo* je na koncu izrazil svojo misel o narodni spravi. Le-ta, je dejal, mora temeljiti na podlagi resnice, pravice, priznanja krivice, odpuščanja in ljubezni. Slovenska država ima možnost, da na podlagi nekega zakona postavi spomenik in grobničo, kjer bi bilo simbolično pokopanih nekaj partizanov in nekaj domobrancov.
