PITT READY FOR THIRD DUCKPIN TOURNEY

Over 70 Quints to Bowl in Midwest

HOST CITY READY FOR VISITORS; ANNOUNCE TOURNEY, SOCIAL PLANS

CHICAGO WILL BID FOR PIN LAURELS

Women Take Interest in Ninth Meet

Chicago, Ill.—With the ninth annual midwest KSKJ pin tourney less than two weeks away, and with more than 70 teams from nine cities expected to vie with each other for bowling supremacy, interest in the forthcoming bowling classic is rapidly mounting to fever pitch here, where the tournament will get under way April 25 and continue through April 26.

Since several tourney records of the past are expected to totter during the 1936 event, including the highest team total of 2930 pins established in Waukegan in 1932, bowlers from the Windy City are vigorously priming themselves for the opposition. The more expert players are acting as "teachers" for their less adept brothers, which fact caused one observer to remark that "soon we will have a kindergarten for embryo students of bowling."

Despite the fact that Chicago will pin its hope to cop the coveted five-man team event this year on two powerful teams composed of seasoned men, even the least experienced local team entered in the classic has a chance to come out on top. For in every sporting contest a surprising mastery of the game at the crucial moment by the most inexperienced contestant may prove more potent than the skill of the accomplished artist.

Besides the five-man team event there will also be individual match games, doubles, events for men and women past 40, and a division for the youngsters. Five of the nine cities represented already claim victories in one or more of the various events of former meets, and in the forthcoming tournament threaten to eclipse their past records.

The men may dominate the tourney, but it is also the women who will share the spotlight. Team entries for women have surpassed those of former years, proving that the wives this year will not sit back while the husbands play. So keen is their interest in the meet that several impressive marks for individual games have been made during the "trial" games. It is not too light to predict that when the bowling event is over and not a few husbands come home empty-handed, their wives will smile victoriously.

WHERE MIDWEST PIN HONORS WILL BE DECIDED

KLB LEAP YEAR

DANCE A NOVELTY

Milwaukee, Wis.—The date for the KLB social, April 19, is drawing near, and the affair promises to be novel in every respect, guaranteeing all an evening of genuine entertainment.

The program, billed as the Leap Year dance, giving the young ladies a chance to invite the men, is booked for the South Side Turn Hall, featuring the Moze Trio, which promises a list of novelty dances to be played in the inimitable style of the triplets.

Since the last report of this social, many knights have been hoping for an invitation, so ladies, get busy and invite them.

The admission is 25 cents. Bring your friends and come early, so we can all have a marvelous, rollicking good time.

Hospitality, Congeniality to Rule at Pittsburgh

Pittsburgh, Pa.—The time is fast approaching when the pins will be toppling over at the duckpin tournament in Pittsburgh. Such preparation and such enthusiasm as is seen among the Pitt Boosters would encourage everyone to become a member of this group, who surely have the spirit of KSKJ at heart. It is our hope that each and every one of you will have the opportunity of bowling in this tournament. You will enjoy every minute of your stay in Pittsburgh, and the balls rolling down the alleys will sound like music to your ears.

The members of Society No. 50 have responded 100 per cent and have entered about fifteen teams in the tournament. St. Joseph's Society, No. 41, is being represented by about four teams; Mother of Seven Sorrows Society, No. 81,

will have about five teams; Canonsburg reports 100 per cent entry, as does also Ambridge, and a number of others whom I can't think of at the present time.

The bowling alleys were crowded to capacity this past week—everybody getting ready for the tournament.

The committee is doing its utmost to make this the best bowling tournament of them all. The program is being compiled in such a way that not one moment will be wasted—but each one filled with more merriment than the next. Young and old alike will enjoy this sport.

There will be souvenirs for every individual who attends this tournament, so that even if you are not a winner of one of the prizes you will have a remembrance of the tournament to carry home with you. Bowling is more or less a game of luck, although some still think it is ability to deliver the bowling ball properly. But whatever it is, each one of you has an equal chance to win one of the beautiful prizes.

The flood disaster in Pittsburgh has cleared up completely and you will hardly find a trace of the damage. Pittsburgh is really being rebuilt, and those of you who have been here before will note a great change in this so-called Smoky City. The trip to Pittsburgh will really be a beautiful one—what with the mountains and the scenery that you will behold as you travel.

The supreme officers and the members of the athletic board are cordially invited to attend this tournament. We are ready to meet and greet you—don't delay—get ready for your trip now and you will agree that the best hospitality and service was accorded you by the western Pennsylvania boosters.

Frances Lokar.

Cleveland, O.—Mr. and Mrs. Rudolph Champa are now parents of twins, and the new arrivals are members of the KSKJ. Mrs. Champa, formerly Josephine Zalar, is a member of Mary Magdalene Society.

DROP JUVENILE EVENT; DONATE TO FLOOD FUND

Pittsburgh, Pa.—The Western Pennsylvania KSKJ Association of Booster Clubs has dispensed with the juvenile bowling tourney as an added feature to the national duckpin tournament to be held here April 18 and 19.

The sum allotted for the prizes for this venture has been turned into the Supreme Office for flood relief.

It is the duty of every KSKJ member in the Pittsburgh and Johnstown area to notify the resident supreme officers (Matt Pavlakovich, F. J. Lokar, Mrs. Agnes Gorishek and R. G. Rudman) if they find any KSKJ families or members in dire need of assistance in the recent disaster.

DOES IT?

Your society should play a part in making your community a better place to live in!

MOVIES TO RECORD EASTERN PIN MEET

Cleveland, O.—A picture of the eastern KSKJ bowling tournament billed for local alleys May 2 and 3 will add to the record files of the meet predicted as one of the outstanding KSKJ promotions in eastern circles.

Several hundred feet of movies will be taken while pin-crashers mow the maples down, according to an announcement made by Stan Zupan, secretary of the Ohio KSKJ Booster Club.

Movies will also be taken at the social function booked for the two halls on Holmes Ave. Anton Grdina Sr., who has toured the states with a variety of films, and an expert cameraman, has consented to film the event.

"KSKJ smile is worthwhile," says the secretary, "and it's about time someone pictured it so others can see it."

The pictures, it is planned, will be given to the Athletic Board to be shown in other parts of the KSKJ world.

AMATEUR BILL TO FEATURE ST. ANNE'S PROGRAM SUNDAY

Waukegan, Ill.—Final preparations are in full swing for the St. Anne's Society, No. 127, amateur show which is to be given Sunday, April 19, in the school auditorium. This is the first entertainment of its kind to be given by this society or any other local church organization. The performance is to begin at 7:30 p. m.

The committee in charge, Mrs. Frank Novak, Mrs. Joe Palbecki, Mrs. Anton Miks and the Misses Mary and Jennie Cepon, announces it has a complete list of acts, including songs by quartets, solos and duets, musical selections on piano, accordion and guitar, tap dances, comedy skits by both Slovenian and English groups, monologues and many others. The Actors' Guild is also presenting a duologue and a one-act skit, under the direction of Miss Marie Grom, as its contribution to the show.

There is to be a "Major Bowes," master of ceremonies, and a full evening's entertainment is assured; \$25 in prizes will be given away to the winners, for which the audience will be the judge.

Every member is obliged to buy a ticket for this event, and these may be purchased from

the various committees or at the door. A good number of tickets have already been sold, so that a capacity crowd is expected.

Steelton Society to Hold Stag Party Sunday

Steelton, Pa.—The St. Aloysius' Lodge, No. 42, will hold a "Stag Party" in the lodge hall on Sunday, April 19. The party gets under way at 6 p. m. The committee is working hard to make this event a success.

The advance sale of tickets is pointing to a large turnout of members. The tickets are selling at 75 cents apiece. If you don't have your ticket yet, see a member of the committee. Come one, come all.

JOLIET BOOSTERS SET BENEFIT BILL

Joliet, Ill.—Plans for a social affair for the benefit of the Joliet KSKJ Booster Club and the club's baseball team will be discussed at the meeting April 27.

All boosters are invited to attend. Suggestions will be in order. A special invitation is extended the baseball players.

Pittsburgh, Pa.—Every detail and consideration has been arranged for the greatest duckpin tournament to be held here April 18 and 19. All units preparing the program report that their end is coming well into shape, and that all is in readiness for the opening squad to toe the foul line.

The bowling event proper is to be up-to-date in every convenience. The handling of teams and posting of scores promises to be run in the up-to-the-minute fashion. In order to facilitate this action, all teams and bowlers are asked to send their entries in by Friday at the latest. This will enable the officials to know just how to

schedule the teams. Last minute entries make it very inconvenient for all.

The social to be held Saturday night is ready to receive the guests. Let it be known that, due to the size of the hall, the affair is intended as an entertainment for the bowlers only. The admission is 25 cents. The music to be furnished by the Habich brothers promises to be the best. A light lunch and refreshments will be served.

Visitors who plan to spend Saturday night here are requested to notify John Golobic, 5730 Butler St., at the earliest possible time. Visitors and bowlers who will arrive Saturday afternoon are asked to report at the Lawrence Recreation Alleys, 5300 Butler St. Those coming Saturday night are to report at the Slovenian Eagles' Home, 5130 Carnegie St. Sunday before 10 a. m. visitors are to report at the Slovenian Auditorium, 57th St., and after 10 a. m. at the Lawrence Alleys. Those with reservations for the banquet are to report at St. Mary's Hall.

The Western Pennsylvania Association of KSKJ Booster Clubs urges you to make the necessary plans to attend the tourney in every detail convenient to those in charge, in order to assure the best of accommodations in all respects.

All is ready; now it is up to every member to make this tournament a success! The responsibility now lies in the hands of KSKJ boosters! Let your good-will and enthusiasm, congeniality and spirit have a free hand! Be the best sport and champ booster yourself.
