Plaćajte asesment pred 22. decembrom

Znano vam je, da se običajno meseca decembra vsakega leta zaključujejo letni računi in da nam bo leta mogoče točne zaključiti—posamežno še letos, ki je leto pred konvencijo—apeliram na članstvo, da ta mesec plača svoje prispevke nekoliko prej kot običajno, in sicer tako, da bo društveni tajnik iste prejel najzadnje pred 22. decembrom. Tajnike pa prosim, da pošljete asesment v gl. urad tako, da ga prejmemo vsaj do dne 30. decembra 1932. Članstvo, kakor društvenim tajnikom, sem zelo hvaljen za kooperacijo v tem oziru v prejšnjih letih, katera je bila 99%, in tako bom tudi sedaj, če vam bo mogoče ugoditi prošnji.

Washington, D. C., 13. dec. — Ako se Velika Britanija ne premisli v zadnjem momentu in revidira svojega stališča, bo morala poravnati svoje obligacije brez vsakih rezervacij 15. decembra, ali pa defaltirati, pravijo poučeni krogi.

Vplivni elementi v kongresu, kakor tudi v administraciji, bo odklonil pladilo \$35,550,000 na britanske vojne dolgovne, ako ne bo Anglija umaknila vseh rezervacij in se država dogovorila glede plačevanja obresti in glavnice, ki je bil sklenjen med obema državama.

Odkirovitev sprejetja piščila s pridržki, ki jih je sugestiral Velika Britanija v svoji noti ameriški vladi, se bo tukaj smatralo za default. Anglija bi s tem priznala, da neće priznati svojih finančnih obligacij in s tem bi bil njen kredit omajan. Tečaj funta bi padel, tega pa Velika Britanija ne sme dopustiti.

Voditelji kongresa urgirajo Hooverja, naj odkoni piščilo z rezervacijami, ki jih vsebuje britska nota. Manevri britske vlade, katerih cilj je črtanje njenih dolgov v Ameriki, ne bodo uspeli, je mnenje uradnih krogov. Namen Velike Britanije je, dobiti nekakšno garancijo v Ameriki, na kateri podlagi bi se lahko obnovila pogajanja za revizijo vojnih dolgov navzdol.

Včeraj se je doznaalo, da se je tudi Litvinska pridružila državam, ki zahtevajo revizijo vojnih dolgov. Informirala je ameriško vlado, da ne more plačati obroka v znesku šest milijonov dolarjev, ki zapade 15. decembra.

V oporoki je rečeno, da mora biti ta denar porabljen za oskrbo psa in mačke, da bosta imela udobno življenje do smrti. Premoženje, ki ga je zapustila vdova, se ceni na \$50,000. Povločno tega bo dobila njena adoptirana hč, pet tisoč vdonini bližnji sorodniki, \$20,000 pa pes in mačka. Ako bo od te vsote še kaj ostalo po smrti psa in mačke, je rečeno v oporoki, teden naj se preostanek izroči društvu proti trpinčenju živali.

Vatikan apelira na Ameriko

V svojem apelu poudarja, naj Amerika pokale velikodusnost napram svojim delnikom

Vatikansko mesto, 13. dec. — "Osservatore Romano", vatikansko glasilo, je včeraj objavilo članek, v katerem apelira na Ameriko, naj bo velikodusna proti svojim evropskim delnikom, ki se nahajajo v veliki stiski. List opozarja, da so Združene države po vojni opomnile smagoviti narode, da sta kráčanska ljubezen in pravljnost neraspruzljivi. Slično izjavo je podal pa-pi Pi.

"Amerika je nastopala proti poraženim narodom na sličen način kot Krištof namestnik", piše list. "Evropski narodi so sedaj poraženi ekonomiko in glas velikodusnosti ne sme biti tihodan kot ni bil tihodan včeraj, ko se je zavzel za narode, ki so bili poraženi v vojni."

Mir, razorditev in mirna rekonstrukcija ekonomskega življenja so v svesi z trvami, ki jih sedaj zahteva Evropa od Amerike, pravi vatikansko glasilo.

List navaja tri argumente: prošnjo zavezniških držav glede revizije vojnih dolgov, ameriške razorozlitvene zahteve in Nemčijo, ki ne more plačevati reparacij.

Voljni izid pokazuje, da ljudstvo odobrava socialno zakonodajo

Farmarska konferenca v Washingtonu

Delegati, ki so prišli s vseh strani Amerike v kabinet, zahtevajo vladno pomoč

Washington, D. C. — (FP) — Nekaj delegatov in 25 poljedelskih držav, ki predstavljajo načrte farmarjev, se je zbralo v Washingtonu na zborovanju, katero je sklical Farmers' National Relief konference. Prisotni so vključili načrte farmarjev, ki so izboljšali prilagoditev v sestavljanju novih mirovnih paketov s Ameriško vlado.

Statistika, ki jo je objavil svesni poljedelski departmanti, kaže, da značajo dolgovi ameriških farmarjev v skladu s tistimi miliardami doljarjev. Radi niskih cen pridelkov, ki ne krije niti stroškov proizvodnje, groži monopoli farmarjem bankrot, ker ne morejo plačati davkov niti obveznosti na dolgo.

Farmarji zahtevajo, da konferenca razglasil moratorij za njihove dolgovne ter podvzame korake proti evropskim in prodajanjem farm na javni dražbi. Kotelo tudi, da kongres uredi odnos med cenami, ki jih farmarji dobijo za svoje produkte, in cenami, katerih mora plačati v bolnišnicah.

"Obnovitev odnosa med Kitajsko in sovjetsko Rusijo ne potrebuje nikakega pojasnila," je dejal Litvinov. "Kar zahteva pojasnila, je prelom odnosa med državami in o

Razprave o dnevniku Prosveti

O dnevniku in drugam

Lealy, Wash.—Prigibno počitljivo naročino na dnevnik Prosveta, vsoto \$4.80, ker čitam, da je v finančnih zadregah. Ista uposa pa je zadeba tudi vse čitalce, namreč vse delavce. Naša jednota bo imela prihodnjo spomlad svojo redno konvencijo v maju. V mislih imam načrt, da se bi konvencija odložila za dve ali štiri leta (To je proti pravilom—ured.), da se bi tisti denar porabil v podporo Prosveti in članom, ki ne morejo plačevati asemonta. To bi bila najhitrejša in sigurna pomoč Prosveti in članstvu v splošnem. Kot se mi zdi, ne bo itak več kot še ena konvencija, ker v šestih letih ne bo več članstva v jednoti, to je, ako jih bo toliko črtalni vsaki mesec kot jih je bilo v septembra.

Moje mnenje je, da se bi bolj pobrigali za stare in dobre člane, za tiste, ki so dolgo vrsto let plačevali asemont zase in družino. Ko so finančno izčrpani pa jih društvo in jednota postavita na cesto in tako je vsega bratstva konec. Apeliram na urednika, da poda obširno pojasnilo o tem. Na primer, mladim članom se da nagrada, ko pristopijo v društvo, starega člana pa na cesto. Tukaj je preprič, ki ga je treba popraviti. To je, da mladina vidi kako se godi starejšim članom; ko so fizično in finančno izčrpani, se jih enostavno izključi iz društva in jednote. Treba je pravilno in pošteno zavarovanja, to je 20-letno zavarovanje in mirna Bosna.

Tukaj delajo veliko cesto iz Spokane v Seattle, Wash. Cesta bo koristila vsem ondotnim okrožjem. John Kajic.

"Popolna depolitizacija"

Detroit.—V Prosvetu z dne 23. nov. piše brat Joško Penko in daje vsakojaka navodila, ki bodo po njegovem mnenju in prepričanju ohranila dnevnik Prosveto.

Njegovo glavno priporočilo je, da Prosveta pisanje spremeni, da bo nam v ponos in da bo še dolgo živel. Tukaj naj navedem njegovo izjavo: "Urejevanje lista naj bo strogo neutralno stališče in popolna depolitizacija."

Ne vem zakaj se je Joško Penko toliko trudil, da je porabil skoraj dve in pol koloni dragocenega prostora v Prosvetu. Kar Penko želi z dnevnikom Prosveto, bi bil lahko povedal s par vrsticami, to je nekako takole: "Jaz, Joško Penko, ne maram takega lista, ki piše resnik in ima načela ter piše o delavski politiki (o vsaki drugi politiki naj že piše). Zato želim, da se pisanje v Prosveti spremeni, da bo soglašalo s clevelandskima dnevnikoma in narod bo potem ponosen na Prosveto. Ker je pa že en list, ki ima princip in značaj, zato jaz, Joško Penko, želim, da Prosveta izda ameriški slovenski koledar, da bom s tem prikrajšal Proletarac, ker tudi Proletarac je tak list, ki se ne bo boji nikomur resnicu povedati v obraz, pa če je že tako velik nadnjak. Zato mu jaz, Joško Penko, želim pogin."

Tako br. Penko, to bi bilo dovolj in odkritosrčno, brez zaviranja in dolgovzelnih besed, češ, da so v Prosveti osebni napadi in da Prosveta ne da prostora napadenemu za zagovor. To ni resnica in tudi brat Penko dobro ve, da je v Prosvetu še vsak dobil zadoščenje, akot se mu je kritika godila, zato ni prav kaj takega podtkati Prosveti, kar ni resnica.

Tudi bivši gl. odbornik br. Berger želi naložiti vse na dnevnik, izčrpanje upravnega sklada in tiskovine, ki jih jednota potrebuje. Upam, da je br. Bergeru znano, da je bil in je dnevnik Prosveta prostovoljno, ne obvezan kakor član Prosveta. Tisti, ki so naročeni na teden in na tehnike drugih podpornih organizacij, so obvezani plačevati teden, ampak tisti, ki smo naročniki na dnevnik, ga plačujemo prostovoljno. Ako vzamemo obseg lista za merilo, potem mi plačujemo več kakor tisti za teden.

Dnevnik Prosveta so ustavili prostovoljno počitovalni člani SNPJ. Da je dnevnik delal in še danes dela več agitacije

še najbolj, ki želijo, da bi se Prosveta zadavila s to drobnitko, katera jo sedaj ovira. Čitatelji in člani zvesti dnevniku, ne dopustimo, da bi se to zgodilo.

Nekateri dopisniki priporočajo nabiranje novih naročnikov. Najboljša ideja, vprašanje je, kje dobiti danes v tej depresiji nove naročnike. Drugi zoper priporočajo zmanjšanje moči v upravljanju in upravnosti in zmanjšanje plač. Zadnje nima za sedaj nikakega pomena, ker le konvencija ali članstvo potom apostega glasovanja imata to moč. Gotova stvar je, da konvencija bo gotovo zmínila plač do goteve meje, in sem prepričan, da na splošno vse osobe v gl. uradu se pripravlja na to.

Nabiranje novih naročnikov sedaj ni priporočljivo; lahko si pa ustanovimo nabiralni fond, kateri so porodili veleuml—zdaj pa skočite iz nebodičnikov, ker jih je njih lastna spaka pokazala, da so načrti bedaki 20. stoletja. Slabai so od kanibalov, ker so počeli gospodarstvo, ki nese zlata jajca.

Kako naj bi se Prosveta rešila z nekako "trgovsko živobo," ker je trgovstvo samo preko ušes v blatu? Do sedaj je niso siepiči vodili tiste, ki gledajo. S tem pa ni rečeno, da se tukaj zanika, da mora imeti Prosveta tudi dober red in vsoraz gospodarstvo. To se razume in ako ima kateri član oziroma naročnik v tem pogledu koristne ideje, se ga bo govorito z veseljem poslušalo.

Po mnenju nekaterih dopisnikov bi se finančni problem Prosvete prav lahko rešil, ne s plačanjem naročnine, ampak z oglaševanjem načina, ki bo s tem pomagala način, kot je gori omenjen, društva bi bila lahko ponosna na ta korak, kateri bi bil storjen v prid dnevniku. Tako po konvenciji bi upravnštvo razpisalo kampanjo za pridobivanje novih naročnikov. Upravnštvo naj bi dovolilo prosto 6-mesečno naročnino za vsakega doletnega naročnika (istim včetom) ali pa 3 mesečno prosto naročnino za vsakega enoletnega naročnika.

Društvo priporočam ta načrt, da bi ga pri svojih društvenih sejih vzel v pretres, tajniki pa bi takoj poročali v glasilu o rezultatu, in sicer potom nazzanila. Upravitelj Prosvete naj bi si gmotno pomagal način, kot je gori omenjen, društva bi bila lahko ponosna na ta korak, kateri bi bil storjen v prid dnevniku. Tako po konvenciji bi upravnštvo razpisalo kampanjo za pridobivanje novih naročnikov. Upravnštvo naj bi dovolilo prosto 6-mesečno naročnino za vsakega doletnega naročnika (istim včetom) ali pa 3 mesečno prosto naročnino za vsakega enoletnega naročnika.

Glenco, O.—Vsak član SNPJ, posebno pa naročniki dnevnika Prosvete, bi se moral bolj zanimati, da Prosveta ostane dnevnik, ne pa kot nekateri priporočajo, da bi Prosveta izhajala iz dnevnikov ali trikrat na teden. Potem bodo nasprotniki hitro zapovedali: "Zdaj jo bo pa kmalu kaže vse!"

Kot se razvidi iz poročila in apele upravnika Prosvete, se nahaja dnevnik Prosveta v težkem položaju. Bratje in sestre! Ali nisi na pomoč? Jaz pravim, da je! Tudi Proletarac je bil leta 1919 v slabem položaju, pa je dobil 3.000 dolarjev podporo iz "millijondolarskega" sklada. Zato je se ne bi dal tudi Prosveti ravno iz istega sklada? Saj se je zahvaliti Prosveti, da se je toliko denarja nabrajal v dotedni sklad, ker je Prosveta agitirala po šestkrat na teden. Proletarac pa le enkrat na teden, zato je toliko bolj upravičena do podpore ravno iz istega sklada.

Sodobno tem priporočam društvo. Frank Bostjančič, društvo št. 54.

Nepravilnost in Prosveta

Cle Elum, Wash.—Prosveta si je zadnje čase dovolila malo komično farso, da sama sebe izrašuje zakaj izhaja in si tudi skuša "slagati" iz kart količina bo še živel, ne da bi postala kleikalna ali kramarska prostitutka.

Opazil sem, da se ravno v tej najnovnejši diskuziji izliva izpod peresa nekaterih dopisnikov pravci nazadnjački smrad in duševna gobost, na kateri je že slovenski narod največ trpel—neutralnost. Bo že menda res, da se mnogo članov ne ve zakaj je Prosveta bila originalno ustavljena. Mnogi se danes misijo, da bi se v uredniki sobi zamašila vrata, tako bi ti zjutraj prihitele, ako bi jim kdo predložil nov roman "Beračevih skrivnosti." Prosim vas, nikar sam se smetišti potem pa v isti senci pisati, da se naj vsaka kritika v Prosveti preneh.

Mnogo, mnogo Slovencev živi širok Amerike, ki izrecno zahtevajo svobodomiselno informativno in podučno štivo. Ti so jednoti v Prosveto ustanovili in zaradi teh izhajajo. Nekateri dopisniki nastopajo sicer precej drzno, ali njih senca je tragično amena, ker misijo, da se vse slovensko dejanje in nehanje odigrava tam pri Euclid ave. in drugi sloveni, ki žnajo mi-

sliti, ne eksistirajo zato, ker jih niso še videli.

Neki dopisniki je razvili program z več točkami. V eni teh točk obsojava neutralnost—in aksi bi se pri Prosveti to uvedlo, je njen obstoj zasiguran! (Na to se je že v uredniku članek vrednost, da je kriva kriza. Seveda bi bila lahko vseeno bolj razširjena, čemur je pa kriva nezavodnost članstva. Nekateri niso tako ne-

savetni, imajo pa zopet svoje osebne ambicije, kot jih je imel A. Kobal, ki je zblizil otroke s starši. O, saj se poznamo!

Da bi pa delali v resnici za SNPJ in za list Prosveta, jih je pa malo,

pa še tisti s časoma zgubijo ko-

ražajo, ker jih vsi obmetavajo z blatom.

Uredniku in upravitelju Prosvete pa vse priznanje, posebno uredniku za njegove članke in drugo članki.

Potrebno je tudi, da Prosveti

ni naročniki in čitalci več store

z ozirom na oglaševanje, katere naj

pričimbijo za Prosveto. Opom

nijo naj trgovce, da oglašajo v

dnevniku Prosvetu. Potem pa,

kadar kupujejo, naj trgovce tudi

povedo, da so čitali njegovo oglas

v Prosvetu. To bo mnogo pom

gal. Tretji faktor je ta, da mora imeti Prosveta dobre poročalce

ali dopisovalce v raznih na

čselinah, ki bodo stalno ali vsaj

redno poročali v njene kolone o

lokalnih razmerah, društvenem

življenju, kulturnem in delav

škem gibanju, tako tudi o gospo

darskem razvoju. Prosveta bi

za taka poročila povrnila poštno

pošto. Poročalci pa bi morali biti

zanesljivi. Zastopniki in poročalci

bili se ne smeli vtikati v domače ali lokalne razmere.

Poročali bi le resnico kakršna je v

kratkih poročilih.

Poleg tega sem tudi prepričan,

ako bi se zavrsili za Prosveto vse

on, kateri so trdno prepričani,

da jim je kot dnevnik potreben,

da bi Prosveta dobila v 30 dneh

6.000 novih naročnikov, četudi

polnočno pravila in sprejetje za

časno.

ra, da bi naredili Prosveto za

Bankrotirana Amerika!

Kakor poroča Federated Press, je ekonom dr. Royal Meeker v Amherstu, Mass., izračunal, da značajo vsi dolgov Združenih držav — privatni, občinski, državni in federalni — kolosalno vsoto 171 milijard dolarjev v tem momentu. To pomeni, da se ves ta dolg porazdeli na vse prebivalce v republiki, deco in odrasle, pride na vsakega \$1400. Letne obresti od tega dolga po pet odstotkov značajo okrog \$70 na prebivalca ali \$350 na družino s petimi osebami.

Dr. Meeker je takole porazdelil omenjeno vsto dolga: špekulantje dolgujejo borzianom \$30 milijonov dolarjev, podjetniki in farmarji dolgujejo bankam v komercialnih dolžinah nove tri milijarde in 500 milijonov, konzumentje dolgujejo trgovcem (nakupi na plačevanje v obrokih) dve milijardi, posojila na zavarovalne police (life insurance) tri milijarde in 400 milijonov, korporacijski bondi 64 milijard in 682 milijonov, vknjizbe na farme sedem milijard in 600 milijonov, druga posojila na farmsko imetje ena milijarda in 800 milijonov, vknjizbe na stavbišča in poslopja v mestih 26 milijard, občinski in državni dolgorvi (bondi) 16 milijard in federalni dolgorvi (bondi in kratkoročne note) 18 milijard in 508 milijonov dolarjev. Skupaj \$171,020,000,000.

Vsi dohodki Amerike, privatni in javni, ki so pred krizo leta 1929 značili okrog 90 milijard dolarjev letno, so letos padli na okrog 50 milijard. Večji del tega pada predstavlja delavske mezde, ki so se v zadnjih treh letih skrčile za več kot polovico. Samo v jeklarski industriji so mezde povprečno padle na \$11.99 tedensko in v tektilni industriji na \$10.96. Ako je torej treba \$70 na prebivalca za letno odpeljovanje obresti od vseh dolgov — skupna vstoletna obresti znači \$8,651,000,000 od vseh dolgov Amerike — pozrejo same obresti tukaj kolikor danes prejema skupno v medzi 16,318,710 jeklarskih delavcev!

Na drugi strani je silno padla vrednost imetja v Združenih državah. Tako zvano narodno bogastvo je danes veliko manj vredno kot je bilo pred tremi leti. Na primer vrednost ameriških farm je bila leta 1929 ocenjena na 43 milijard dolarjev. Od tega časa je deflacija pognala cene farmskih pridelkov za 63% navzdol in farme so povprečno izgubile malo manj kot polovico svoje vrednosti; težko, če so danes vredne 25 milijard dolarjev — kljub temu je na farmah sedem milijard in 600 milijonov dolarjev dolga. Marsikateri farmar ne more več plačevati obresti. Nič bolje se ne godi lastnikom hiš in stavbišč v mestih. Ti so na podlagi gornjega poročila začlenjeni bankirjem za 26 milijard dolarjev. Vrednost hiš in stavbišč pa je tudi padla za 35% do 50%. Marsikateri hišni posestnik ima več dolga kot bi mogel danes dobiti za svojo hišo, če bi mogel dobiti kupca z gotovino.

Vse to pomeni, da Amerika danes dolguje tukrat več kot pa ima letnih dohodkov. Same obresti potrebujo malo manj kot eno petino vseh letnih dohodkov. Z drugimi besedami: današnji dolg Amerike znača 75 odstotkov vsega jenega narodnega bogastva kolikor je danes vredno.

Nad temi številkami mora strmeti vsakdo, ki se kolikor zanima za ameriško narodno gospodarstvo. Te številke jasno kažejo, kam je zajadrala Amerika s svojim kapitalističnim gospodarstvom. Na rob bankrota! Ako pride na slehrga prebivalca po \$1400 dolga in polovica teh prebivalcev — če ne več — je tako propadla, da nima niti centa dohodka, kaj je drugega kot bankrotno stanje?

Razume se, da dober del vseh teh dolgov ne bo nikdar plačan. Milijarde so že propadle in milijarde propadejo, predno se vrne prospiteta "izza oglia". Razume se tudi, da je bil ogromen del tega dolga postavljen na fiktivno (izmišljeno) vrednost. Vrednost, zlasti zemljishko, so umetno nabilo na papirju in na tej podlagi so šli na trg "zlati" bondi, ki so jih pokupili lahkoverni ljudje, največ oni, ki upajo, da bodo "jutri kapitalisti". Denar, ki je bil na ta način posojen, ne bo v večjem delu nikdar vrnjen.

Milijarde bodo izgubljene tudi v knjižbah na farme in na hiše v mestih. Koliko bo izgubljene v propadlih korporacijskih in občinskih bondih, ne ve nične. Se nekaj: v procesu deflacji narašča dolg kot kvass. In ta proces je v teku že tri leta!

(Dalej v drugi koloni.)

LJUDSKI GLAS

Se strinja z Barbićem

Hermine, Pa. — V Prosveti z dne 7. t. m. vidim v angleški sekciiji, da se br. Herman Prešern iz Yukoma, Pa., ne strinja z bratom Barbićem in Jontezom, ki kritizirata našega Linda iz Cleveland. Herman je bil naprednega mišljenja in upam, da je tudi Herman: ako je ni, pa bo. Herman je še mlad in najbrž ne razume, kako lahko ljudje postanejo samopoštni v škodo delavskih načel.

Barbić in Jontez sta upravljena do kritike napram Lindetu Lokarju. Delegatje zadnje konvencije SNPJ so vojili Lindetu, ko se jim je predstavil kot delavski prijatelj. Če zdaj mestari z demokrati na podlagi prestiža SNPJ, to pomeni, da je zlorabil zaupanje delegatov, ki so ga izvolili. Politični manipulatorji že vedo, kako izrabiti odbornika velike organizacije kot je SNPJ in ki imajo vpliv pri svojih rojakih. Barbić in Jontez pojasnjujeta, da bi ne bilo nujne hudega, če bi Lindy to delal kot privatna oseba, kajti naša jednota daje svojim članom osebno svobodo političnega in verskega prepričanja; toda Linda to dela kot predsednik svojega društva in gl. odbornik SNPJ — in to je nekaj drugega, česar člani ne smejo dopustiti, če nočajo, da bo naša jednota, ki je delavska organizacija, služila za stavaž raznim lokalnim mašinam kapitalističnih strank.

Bratje, bodimo previdni. Iz malega raste veliko. Če bomo to dopustili, se pri SNPJ lahko zgodi takor se je zgodilo pri rudarski uniji UMWA. Ako bi člani te unije pošljali na svoje zbrane sposobne in previdine delegate, ne bi bil njen predsednik Lewis nikdar postal diktator in s tem uničil unijo. Skrbmo, da pridejo na našo prihodnjo konvencijo previdni, sposobni in razredni zavedni delegate — in nič se nam ne bo treba batiti, da bo naša jednota krenila s prave poti, ki je bila vso dobo obstanka SNPJ pot njenega napredka.

Anton Zornik, št. 87.

Nismo že v žaliju!

Cleveland, O. — Minuli teden sem zapisal, da John Lokar ml. in skupinica njegovih zagovornikov na razumejo navadne angloščine. Da sem zadel, kažejo njegov "odgovor" in pa dopis njegovih prijateljev od društva št. 643 in 229 v isti številki. Se zmerom trdijo, da jaz in Barbić "napadav" Lokarja iz osebnih motivov. Ker sem o tem že pisal pretekli teden, in to dovolj jasno v dobrì angloščini, se bomo tega skušal po moči izogniti to pot. Lajnat veden eno in isto postane predolgostno.

Ivan Jontez, št. 53.

Federacije S. N. P. J.

Vzhodnoohijska federacija

Bellaire, Ohio.—Iz urada tajnika društva pridruženih in nepridruženih v vzhodno ohijsko in zapadno W. Va. federacijo SNPJ se službeno raznjava, da se vrši seja federacije dne 18. dec. ob eni uri popoldne na Boydsville, Ohio. Na tej seji bo poleg važnih reči, katere bodo na dnevnem redu, tudi volitev federacijskega odbora za leto 1933.

Zatoj je neobhodno potrebno, da pridružena društva, posebno še nepridružena pošljajo svoje zastopnike na sejo, da z zdrženimi močmi začrtamo še boljšo stezo in cilj, po kateri se bo vodila za dobročinstvo leta federali.

Zveza čakaških društev

Chicago, Ill. — Zaradi radiodnevih ljudi moram pojasniti, da bo zveza čakaških društev SNPJ priredila pleso veselico na Silvestrov večer, dne 31. dec. 1932 v jednotni dvorani na 2657 S. Lawndale ave., Chicago, Ill. Po zvezi tistih, ki vprašujejo in gorovijo po hišah, da ne vedo kam iti na Silvestrov večer.

Bratje in sestre! Federacije SNPJ niso ustanovljene za koristi posameznika ali za koristi oziroma mastne plače federalnih odborov. Ustanovljene so zato, da se v prvi vrsti pomaga bednemu članstvu SNPJ, posebno v tej krizi in če je kaj v blagajni se pomaga drugim ustavom, katere so v federalijskih pravilih in da se razmotrica in pomaga društu društu do boljšega skupnega delovanja za napredki društev in SNPJ. Teh treh stavkov se drži vzhodnoohijska in W. Va. federacija. Da ne moremo pomagati vsem ustavom, katere imamo v pravilih, ni krivda federacije, am-

pak njeni blagajni, katera občuti tudi krizo.

Bratje in sestre, da si federacijska blagajna nekoliko opomore, da bomo v večji meri pomagali tam, kjer je največja sila, vas veže bratska dolžnost, da se vsa društva SNPJ v tej okolici pridružijo k federaciji in da pomagamo vsem skupaj po svojih močeh tistim članom, kateri nas prosijo pomoci.

Zato vas pozivam, da se gotovo udeležijo vse društva brez izjemne dne 18. dec. ob eni uri popoldne na Boydsville, Ohio.

Louis Pavlinich, tajnik.

Pravila delovne skupnosti

Chicago, Ill. — Zaradi radiodnevih ljudi moram pojasniti, da bo zveza čakaških društev SNPJ priredila pleso veselico na Silvestrov večer, dne 31. dec. 1932 v jednotni dvorani na 2657 S. Lawndale ave., Chicago, Ill. Po zvezi tistih, ki vprašujejo in gorovijo po hišah, da ne vedo kam iti na Silvestrov večer.

Omenjena zveza čakaških društev SNPJ vas ujedino vabi, da se gotovo udeležite to plese veselice, katera vas bo razveselila v teh slabih časih. Veselični odbor vam jamči enakopravnost in svobodo. Tam boste tudi videli plesalec "starega kalibra," mora jih že niste odkar ste zapustili svojo rojstno domovino. Te

vrste plesalci "starega kalibra" bodo diržali eno roko za ušesom, kot miadi rekruti pri salutiranju. "Plesne polovice" bodo pa prav veselo plesale, morda tudi malo s peto zapotopale. Drugi plesalci "starega kalibra" se imenujejo madžarski čardáši. Te vrste plesalci drijajo eno roko ob boku, "plesne polovice" pa držajo plesala z eno roko okoli vrata, kot tam berita.

Povrh tega, kot se ališi, je pevski zbor "Prešeren" obljubil, da nam bo eno zapel v slovo temu letu.

Kot sem informiran, ljudje težje čakajo naše Silvestrove zavade kot pa otroci Miklavž. Zato vas lepo prosim, da boste naša vredna zavoda, saj smo vsak dan bližje. Vsaka oseba sme pripeljati s seboj ne več kot 3 prijatelje. Če imamo kdo vec kot 3, potem mora vložiti pršnjo pri vstopu dvorane oziroma pri oknu, kjer se bodo vstopnice prodajale in vam bo priložna gotovo takoj odobrena. Moram še omeniti, da sedaj imamo garderobno sobo lepo opremljeno, lepo kakor pa v La Salle hotelu. Naš odbor bo tudi presenetil tiste, kateri bodo odali tam suknje, klobuke, mreže in druge predmete. Gospa in gospodine bodo pa še bolj "gorzete." Tam bo izvrsten krojač, ki bo pazil, da bo vsaka gospa in gospodina dobila vse "spiegano" kar bodo oddale v garderobo, predno odidejo veselo domov. Za fante in može pa imamo že enega črnca na rokah, da nas bo za silo po hrbtnu "okratali," predno zapustimo dvoran.

Vstopnice so samo 35c in jih dobiti pri tajnikih društev, kateri spadajo v zvezo in pri Paul Bergerju na 2653 S. Lawndale ave. Za pub. odbek. Leo Bruce, društvo 89.

Resna beseda o vprašanju dnevnika

Pise Vincent Cainkar

Nekako mesec in pol je od tega, kar je upravnik Prosvete priobčil svoj članek in nas opozoril na gospodarsko stanje našega dnevnika ter kaka je perspektiva, oziroma kaj se nam obeta z ozirom na bodočnost istega. Iz njegovega pojasnjevanja je pač lahko vsakemu jasno, da se nahajamo v kritičnem položaju in da je treba nekaj ukremiti, ako hočemo ohraniti dnevnik, in to prav kmalu.

Priobčitev je bila, na mestu. Kajti tuk pred konvencijo smo in dobro je, da to stvar presestamo in prebavimo ter prideamo na konvencijo s konkretnim predlogom. In nekaj dobrega rezultata je to že prineslo. Prvič je dober rezultat v tem, ko so kmalu nato prišli tudi drugi in priznali, da je tudi pri njihovih listih kriza in silna negotovost glede bodočnosti, in da ni slabušno pri nas, ki nismo biznismani, kar se tako rado navaja za vzrok in se nam predbaciva, kadarkoli se pojavi pri nas kakšna potežka. Dobri rezultati se nadalje pokazali v tem, da se je članstvo začelo bolj zanimati za svoj dnevnik ter nekako poskušati nadomestiti, kar je v preteklosti zanemarilo.

Iz razprav, ki so nam bile dosedaj poslane, pa je tudi razvidno, da so nekateri upravniki napačno razumeli in so pod tem, kakov da smo ga pri dnevniku že popolnoma — zavzeli in da mislimo vsak čas pretehati z izdajanjem. Eni so vedeli tega resno v skrbih, eni bi pa očvidno radi videli, da bi prenehali. Toda to se ne bo zgodilo — vsaj tako kmalu se moramo dosledno izpolnjevati.

Ko razpravljamo o vprašanju dnevnika, bi nas morali voditi samo dobri nameni in zvišeni principi. Kajti mi nismo privatno podjetje in nimamo dobitkovih motivov. Organizirani smo v jednoti zato, da si medsebojno pomagamo gmočno in moralno in da se s pomočjo organizacije izobražujemo in bolj efektivno šrimo svobočno in socialni napredok. Vsaj tako je zapisano v načelni izjavni in ustavi jednote, na katero smo vsi prisegli in kar smo obljubili, da moramo dosledno izpolnjevati.

In okoli bodočnosti našega dnevnika se sučejo samo štiri resna vprašanja, namreč ali nam je dnevnik potreben, kakšen najbo, ali se nam izplača, in kako ga ohraniti? To je važno in tega se moramo držati kot vodilnih momentov pri razpravi o bodočnosti našega dnevnika. Vse drugo so malenosti in več ali manj postranske stvari, katerih bo lahko rešiti potem, ako rešimo to vprašanja kakor je treba.

Ali nam je dnevnik potreben?

To je vprašanje, katerega si moramo zavzeti najprej, kadar razpravljamo o izdajanju dnevnika v bodoče. In na to dobimo najbolj pravilen odgovor, ako se male ozremo nazaj; izdajamo ga že sestnaj let in v tem času smo se lahko pripravili, kaj nam je koristil in na podlagi tega sodimo, da li nam je potreben ali ni.

Ako si zavzamemo to vprašanje strogo z eksistenčnega stališča, to je, če nam je dnevnik potreben za oboj jednote, moramo priznati, da nam za to ni absolutno potreben. Jednota je eksistirala predno smo imeli dnevnik in bo gotovo tudi, ako ga ukinemo. Toda jednota potrebuje dobro sredstvo za svojo propagando in zaenkrat ni boljšega sredstva za to kot je dnevnik. In fakt je, da smo z dnevnikom kako uspešno dirili naše ideje ter utrdili ugled jednote in da nam je baš to največ priporočilo do tolikšnega napredka. Upravni odborniki, ki so imeli priliko opazovali porast našega članstva od bliže, to najbolje vedo in nam lahko potrdijo. In ni dvoma, da nam bo dnevnik lahko služil kot najboljši agitatorski sredstvo tudi v bodoče — za precej let še, zato je že samo iz tega razloga priporočljivo, da ga ohranimo.

Poleg propagandističnega dela, od katerega ima jednota direktno koristi, pa vrši dnevnik še velikega drugačega, kar nam koristi indirektno. To je predvsem izobrazba. Je že res, kajkor argumentirajo nekateri, da imamo v Ameriki za izobraževanje dovolj drugih institucij na razpolago in da to ni nalog bratovških podpornih organizacij. Toda mi smo si dali to za svojo nalog, ko smo se organizirali v SNPJ in smo tako zapisali tudi v našu ustavo. Namenska organizacija je, podpirati gmočno in duševno ter podvzgrevati kulturno. To se pravi, da je poleg denarne podpore izobraževanje ena naših največjih nalog. In tako je prav. Sač dobre duševne hrane tudi potrebujemo in upravičeno je, da za to tudi nekaj žrtvujemo. Izobrazbe ni nikdar preveč — vsaj delovno, da v dnevniku ne, in z dnevnikom se vrši izobrazba med delavstvom najbolj efektivno. In nič nas ne sme ovirati, ako druge organizacije tega ne vrše in ako v glasilih pristno ameriških in verskih podpornih organizacij ne vidimo nikoli nobenega članka za emancipacijo ali napredek delavstva. Denar klijub temu troši za razne svrhe, ki niso večji strogi podporne in ki članstvu tudi nič ne koristijo. Vemo, da bratske podporne organizacije tudi prispevajo h kampanji starih političnih strank, in to težke tisočake, in da verake podporne organizacije gmočno podpirajo cerkev in darujejo za versko propagando. Ako se bomo najprej pravilno poučili, kje so nedostatki in kaj je prava potreba ter kake so možnosti, in potem bomo razpravljali na društvenih sejah in v našem listu premisljeno in trezno in vestno. Vsaka potreba porodi svoje iznajdbe. Samo z ozirom na našo organizacijo in našo ustavo.

Those who would give up essential liberty to purchase a little temporary safety deserve neither liberty nor safety.

Editorial Comments

Retrospecting

LAST WEEK we delved once more into the precepts of our organization, dwelling chiefly on the point of the right and only meaning embodied in our organization's principles, its provisions and relative interpretations. We pointed out the definite program which is based on the Declaration of Principles and the corresponding rules by which the official publications and members are governed. In this issue we may add and stress the all-important fact from which no member or lodge can deviate, namely, the fact that what is considered as liberty for a member to do privately, outside of lodge, he cannot do in the lodge or in the name of the lodge to which he belongs. No member has the right to use the Slovene National Benefit Society for his personal ambitions or for the advancement of ideas which are not a part of the organization. Differences of opinion should be aired freely at all times and controversies should be carried on rationally, leaving out all irrelevant profitabilities and matters of purely private nature. But it seems that these latter elements enter most often into argumentation and are most difficult to avoid, at least by those members who lack the necessary training and who are apt to think that they have the absolute right to utter anything and everything. And so they, in their erroneous way of thinking, hurriedly scribble their thoughts on the paper which they hastily mail for publication. It never occurs to them that by so doing they are jeopardizing the paper for which they write.

Vox Pop

JUST NOW Voice of the Members column apparently has again its run. And not a small number of the belligerents taking part in the controversy attempt and do violate its rules and regulations. For instance, it has been told time and again that articles intended for Voice of the Members rubric must not exceed the prescribed 500 word limit as determined by the 9th regular convention in a resolution which is still valid. It is also repeatedly and all too often overlooked that each and every product for that column must be properly signed with full name in pen and ink giving lodge affiliation, and that such pieces should not be mixed with lodge notices on the same sheet of paper. In spite of that, violators of these rules who are very eager to have their masterpieces published in the Vox Pop column, we are not delighted to say, are not few. Let it be understood, therefore, that no contribution intended for the Members' Voice column should exceed the 500 word limit, that it must be properly signed, must be written on a separate sheet of paper, and must be devoid of irresponsible phrases, which, if printed, would imperil the official organ, thereby causing unnecessary trouble and making it untenable. Most of these rules, we are inclined to believe, are violated unintentionally, through sheer carelessness, but some members violate them intentionally to embroil the point at issue and to win the membership to their side.

Official Notice

PAY YOUR ASSESSMENT BEFORE DEC. 22

You are already informed of the fact that the annual reports and statements of the Society are compiled at the end of the December month each year. In order that it may be possible this year—especially in view of the coming convention—to close the books earlier than usual, we appeal to the members to pay their dues to their Branch secretaries not later than December 22! Secretaries are urged to remit the lodge assessments to the Supreme Office not later than December 30, 1932. The cooperation from the members and secretaries in this respect, which has been 99% complete in the past years, would be greatly appreciated again this year.

Branches in arrears with any assessments or accounts with the Society are asked to settle in full before the end of the year if at all possible. Secretaries who were sent notices to that effect, among whom some have considered them personal proceedings of the Supreme Secretary, should bear in mind that the Supreme Secretary must abide by the decisions of the By-Laws, Supreme Board, and Administrative Committee, and cannot, even if he so desired, fulfill the personal requests sent him. It must also be stated that no special benefit can be granted until the monthly remittance is in the Supreme Office. As members of the organization, we are not only entitled to its benefits, but also responsible for its obligations, which, if fulfilled, will assure us of all the rights and privileges emanating from the Society.

Fred A. Vider, Supreme Secretary.

Wolverine News

Detroit.—The Wolverine Lodge held its annual meeting for the election of officers on Dec. 4. It proved to be a spirited meeting with much discussion as to ways and means of economizing for the coming year.

We had as visitors Bro. Eugen, President of the Young Americans, Bro. John Spolyar of Lodge 121, and Comrade Lewis Kroese of the Socialist Branch 115. All these visitors gave short and interesting talks.

The election of officers was not as spirited an affair as one might desire. There seemed to be a dearth of candidates for each and every office. A short while ago, the English Sub-Branch 114 sponsored a debate between the boys and girls of the club on the question, "Resolved, That Women Shall be the Future Rulers of the World." I understand that the girls came through with a moral victory. For the last two or more years in our lodge there have been no girls as officers or on committees, with the exception of Valma Obod. For the coming year of 1933, the Wolverine Lodge will give its girls a chance to show their ability in ruling.

The officers as elected for 1933 are as follows: Pres., Ann Rausnik; Vice Pres., Charlotte Austin; Fin. Sec'y., Valma Obod; Treasurer, Daniel Obod; Rec. Sec'y., "Gwen" Obod; and Sergeant-at-Arms, John Dobrak. Included on the entertainment committee are four girls and one of the editors is a girl.

We trust that Pres-elect, Ann Rausnik, and her supporting cast will receive full support from every member of the Lodge and make 1933 a banner year, or as much as it will be possible to do so under these uncertain economical conditions. Here we also wish to state that Fin. Sec'y., V. Obod, and Treasurer, Daniel Obod, have moved from their home at 6425 Kellerman and can now be reached at 1055 Lawrence. Those who have not paid their dues may do so at the latter address.

The Wolverines Sports Club conducted a "chicken shoot" in November and it seemed that all those present enjoyed the shoot. However, quite some of our friends complained that they knew nothing of the affair until it was over, so to accommodate these people and also at the request of those present the last time, the Wolverine Sports Club will hold another "shoot" Christmas Day, Dec. 25, beginning at 2 p. m. and continuing as long as desired. The "shoot" will take place at the same place, Bro. Frank Snyder's home, 1229 Waterman. At the last contest there was only one girl, Lenore Obod, who was willing to try her skill with the boys, and let it be said here that she put some of the boys to shame. However, since then three or four more girls have expressed the desire to shoot.

Ambridge, Pa.—An open letter—Dearest Twinge: In your most recent letter you extended an invitation to attend the Reveliers-Nas Dom New Year's Eve Frolic at the Croatian Hall in Ambridge. Gladly, I accept. We, too, have often attended the Revels social in the past. At this moment a long train of thoughts is centered on my mind, reminiscent of those by-gone, delightful occasions. The attendance, embracing, as they were, the cream of the younger SNPJ element of Penna, always brought forth a flood of introductions. It would be pleasant to revisit Ambridge on Dec. 31 and renew acquaintances; don't you think so?

Then there is the approved calibre of orchestra music. Therein lies one of the principal reasons why Revelier affairs draw such patronizingly huge crowds. I feel that the Ambridge lodge is justified in its pride of band selections. Much more can be said in praise of the Slovens conducted events in Ambridge. In conclusion, I want to add that I'll be awaiting the Dec. 31 date. In the meantime, I remain,

As ever yours, H. N. R.

On Nov. 27 Bros. Kervan, Spec and Liker dropped into Burgettstown to attend the Cavaliers' meeting. The Reveliers presented an invitation that the Cavaliers consolidate with the Reveliers in forming the required hundred membership requisite to convention representation. The invitation was accepted. The Aliquippa (the Excelsiors having also accepted a like plan), Burgettstown and Ambridge lodges have concluded the preliminary steps necessitated in the merger.

With the coming annual meeting date, Friday of Dec. 16, it would not be inappropriate for the Reveliers to give some thought to the election of officers for 1933. There is no need to go into spasms of words about the

and if we can get ten girls who wish to shoot we will have a contest just for the girls. Let's see enough Young American and Wolverine girls at this affair, so that we may do so.

As a special attraction for this shoot, there will be a contest between the Wolverine and Young American respective five-man rifle teams. I have word that the Wolverines are so proficient with the rifle, that there are members who are shooting out candles, shooting a swaying string in two, and even shooting the bullets back into the empty shells, while the Young Americans are practicing behind closed doors, even the press not being allowed to witness the practice. All in all, both team-captains have promised plenty fireworks for the occasion. The only thing I hope is that no member has a grudge against the official, as I have my hair pulled just where I desire it, and I have no desire of having some participant part it for me elsewhere. Those who have no wish to witness the actual shooting may sit upstairs and get the reports over the radio as very inaccurately given by our dozen spectators.

Adolph Arltitt.

The Detroit SNPJ Federation held its bi-monthly meeting Friday, Dec. 4, to discuss the by-laws. There was much discussion as to whether the Supreme Board should be given power to amend the by-laws in an emergency affair when this affair comes up too close to the convention to permit a referendum. Most of the delegates seemed to think that this might result in harmful changes and tend to lead toward a dictatorship. Bro. Grum will probably discuss the meeting with more detail in some other part of the Prosveta.

If I'm not mistaken, neither the Wolverines nor the Young Americans have ever held an affair to celebrate the going of the old year and the coming of the new. This year will be different though. On Dec. 31, both lodges will hold a combined New Year's Eve Frolic at the Slovenian Workers' Home, 437 S. Livermore. The hall will be appropriately decorated and there will be plenty of confetti, streamers and noisemakers. The orchestra to be featured will be a six-piece orchestra, "The Masked Wolverines." I'll be seeing you there.

On Dec. 30, Cupid won a decision from another Wolverine, the victim this time being Jacob Rocks, although the little fellow was ably assisted by the charming Jennie Prasnik. "Rocky" has now joined the ever-growing list of Wolverines who are trying to prove the popular old adage that "Two can live as cheap as one." Congratulations to the groom and a wish that only happiness shall be the lot of the bride.

The Reveliers' Column

Ambridge, Pa.—An open letter—Dearest Twinge: In your most recent letter you extended an invitation to attend the Reveliers-Nas Dom New Year's Eve Frolic at the Croatian Hall in Ambridge. Gladly, I accept.

We, too, have often attended the Revels social in the past. At this moment a long train of thoughts is

centered on my mind, reminiscent of those by-gone, delightful occasions. The attendance, embracing, as they were, the cream of the younger SNPJ element of Penna, always brought forth a flood of introductions. It would be pleasant to revisit Ambridge on Dec. 31 and renew acquaintances; don't you think so?

Then there is the approved calibre of orchestra music. Therein lies one of the principal reasons why Revelier affairs draw such patronizingly huge crowds. I feel that the Ambridge lodge is justified in its pride of band selections.

Much more can be said in praise of the Slovens conducted events in Ambridge. In conclusion, I want to add that I'll be awaiting the Dec. 31 date. In the meantime, I remain,

As ever yours, H. N. R.

On Nov. 27 Bros. Kervan, Spec and Liker dropped into Burgettstown to attend the Cavaliers' meeting. The Reveliers presented an invitation that the Cavaliers consolidate with the Reveliers in forming the required hundred membership requisite to convention representation. The invitation was accepted. The Aliquippa (the Excelsiors having also accepted a like plan), Burgettstown and Ambridge lodges have concluded the preliminary steps necessitated in the merger.

With the coming annual meeting date, Friday of Dec. 16, it would not be inappropriate for the Reveliers to give some thought to the election of officers for 1933. There is no need to go into spasms of words about the

Detroit.—Last week I promised I would write upon a theme never before seen in our Prosveta. Since then many important things have happened, and if you don't mind, reader, I'll write upon, "Why Women Left Home in 1932."

After the last Wolverine lodge meeting I was given quite a talking to; all constructive criticism, I assure you. Several members stated that I was constantly contradicting myself in the weekly writings. They said "Yes," and if I would have said "No," we would still be there discussing. But I preferred saying "Yes" to this and "Yes" to that and so I keep on writing the way I see best fit.

Perhaps some of you readers think I am contradicting myself? Often times I give you both sides of the story, the good as well as the bad side, and thus you may come to the conclusion that I am wrong like those rabbits.

The Wolverine members went a bit quisquies at their Dec. meeting. The four highest offices were won by the girls. These officers should prove to be hard workers, and in my opinion you selected an intelligent group to lead your lodge in 1933. Here's hoping for a bigger and better success in 1933.

The Soc. Club 115 Sub-Branch was

OUR ANNUAL meeting comes Friday, December 16, Pioneers. It has been the custom of members to attend at least one meeting a year, and that, the annual meeting! So here's your time. It's no laughing matter to steer the ship in its proper course during these troubled times. However, we gain encouragement from large attendances because they show your interest in the lodge.

We will elect officers for 1933. The lodge provisions are also up for readjustment. It is important therefore, that every member attends. Promptly at 8:00 p. m. the signal to convene is given and if we are attentive it can be concluded before 11:00 p. m. In between we shall have the usual monthly poll. Seven dollars is in store for some lucky members.

Seven dollars is in store for some lucky members.

Entertainment for the meeting was originally postponed but since a postponement could not be effected, we will have a 30 minute ministerial show put on by the Clevere Bethel Girls. Ann Golub of Clevere worked two months to line up these girls and the only available date is Friday, Dec. 16, 1932, so we have scheduled them even if it is the annual meeting.

About eight inches of snow gave the Pioneer Winter Party its winter appearance. A fairly good sized crowd attended, but somehow the depression is telling its story at social events and the more we economize the less others have to spend. The income wasn't anywhere near normal. But we understand and knowing that few are earning any money at all we necessarily are contended with smaller profits.

The Federation Xmas Party shall be held Sunday, December 18. A good program, produced in its entirety by the young boys and girls, students of the Pioneer Slovens School, will start promptly at 3:00 p. m. Last year the Juvenile play attracted many people. This year's program includes another play, written by Katka Zupancic expressly for the Pioneer School. You will enjoy watching the young relate what they have learned in so short a time.

An added feature of the Xmas Party program will be the Tamborica (string orchestra) of Socialist Club 30 JRP composed of 25 young boys and girls. Their ability in handling string instruments has been displayed on previous occasions with ovations. In the evening Johnny's Merrymakers will play and dancing will continue until midnight.

Each of the two Pioneer teams disposed of their opponents in the preliminaries of the Donat League last week at the Boys Club. They are scheduled Tuesday night of this week and also Tuesday, Dec. 23, when the league formally begins. On Saturday, Dec. 17, 1932, the boys will travel to the Wilson YMCA for a big bonfire. At the Boys Club the admission is 10 cents and our members are urged to witness these games. Buy your admission tickets from Oscar Godina.

Baldies Jack Grosser, Joseph and Edward Hodale and John Pottersoll, Louis and Adolph Klanek and Joseph Kravcik compose a good second squad. We are still looking for one or two players to add to this squad. New suits have been secured. Entry fee to the Evening American has been

paid by one of our backers, John Secka.

Help towards the payment of suits is being generously given. Frank Zordani went out Saturday night and taxed 35 people 5 cents each. Leo Gratzner stopped 21 people for the nickel tax. Dorothy Piskutak had no trouble in promoting the cause by taxing 10 customers. And Francis Serpe and Doris Colwell "nailed" 7 and 6, respectively. However, that is only the start. More resorts will be made as they come in.

James Jachino writes us from his Nokomis home that the farmers are just as bad off as the city workers. He adds that he'd like to get back to Chicago and into a Pioneer basketball uniform. We would like that very much ourselves and the many of Jimmy's friends would hall him upon his arrival.

Cheer up, folks, only 28 banks closed in the U. S. last week. Only a few months ago twice that many closed in one day. So the improvement is still gradually downward. Well, why shouldn't it be when they place the greed for profit above service.

Integrity News

Chicago.—The Integrity Lodge No. 631 of SNPJ has lived another year, to celebrate its anniversary, this being the fifth, will be celebrated at the SNPJ Auditorium on Sunday, January 29, 1933. This will be the greatest celebration that ever has taken place at the Auditorium. The doors will swing open at 2 p. m. and at 3 p. m. the three-act mystery play will be staged by the Integrity members.

The play is very thrilling and exciting from start to finish. Singing society "Preseren" will also be present to offer us some nice singing which we all enjoy. Several speeches by leading men. After the play dancing takes place, music by the Monarch Melody Boys. Price 40c.

Invitations are extended to all neighboring and local lodges to be present at Integrity's Fifth Anniversary event, Jan. 29. All members must cooperate in order to make it a success. We will need all the help available. So do not hesitate if you are called upon to lend a hand.

Don't forget to invite your friends to come and help you celebrate our lodge's Fifth Anniversary day. It shall be a great day long remembered by all those who attend.

Coming January, the railroads will ask the Railway Labor Board to reduce the wages of the 60 per cent of lucky devils who still are working on the railroads, 20 per cent.

The anticipated saving of \$300,000,000 in wages ought to go a long way toward maintaining the wage scale of the watered securities held by insurance companies. If in addition to the contemplated labor wage cut, ways and means can be found of reducing the wages of the unemployed railroaders too, the solvency of the insurance companies is definitely assured.

—American Guardian.

Inasmuch as most good things are produced by labor, it follows that all such things ought to belong to those whose labor has produced them. But it has happened in all ages of the world that some have labored, and others, without labor, have enjoyed a large proportion of the fruits. This is wrong, and should not continue. To secure to each laborer the whole product of his labor as nearly as possible is a worthy object of any good movement.

Socialized Medicine

The world moves—slowly; but it moves.

After many years a large section of the medical profession has come to the conclusion that much of the glamour thrown about the Old Family Doctor is so much bunk, and that medicine, as practiced today, is just another trade.

Every year the newly-hatched doctors take the noble Hippocratic Oath in which they pledge themselves to uphold the highest ideals. And every year, after the internes leave the hospitals to try to make a living, they find themselves thrown into a bitter struggle for existence in which the Ethics they were lectured on in medical school seem to have become a sour jest.

Healing the sick, and keeping people well, constitutes one of the noblest of services.

But securing patients, collecting fees and in other ways making a living at medicine is something so different from the ideal profession that it is a shock for many when they begin bucking the game.

Healing and prevention of illness is, in actual practice, reduced to the vending of wares and the doctor is all too often compelled against his own sensibilities to become a merchant and to indulge in merchant's devices to get and keep trade.

As I See It

By Abebe

A Chicago daily featured a story of a Russian family of quantity found living in isolation on a farm on the outskirts of Chicago. They know not of radios, automobiles or movies, to mention only three of the things generally considered essential to good living. But the thought comes, are they, after all, missing very much?

They have never seen beautiful Lake Shore Drive or peered into shop windows on Michigan Avenue, but neither have they seen a line of ragged, unkempt men filing slowly for soup and a hunk of bread or the shacks on Harrison Street fumously belching smoke from crooked chimneys on the coldest day of the year. They never rode in an auto, but neither do they ride in a Blue Island Avenue street car. And they don't have to push and fight through crowds in the loop stores to do their Christmas shopping.

Crowds
I don't know whether it is because people have so much time or so much money that there are such crowds everywhere in the loop. What, I wonder, will be the toxin for this itch of gift buying at Christmas time that the future will bring? Whatever it may be, I fear it will be ineffective against the traditions of this oldest holiday.

Slovene School
Christmas time is a pleasant time. Of that there is no doubt. It is the hurry and scurry by most of us before Christmas that can be unpleasant. Things are in such a state at the Pioneer Slovene school. The children are enjoying it because they like excitement, but it's hard on those in charge to prepare a three-set play with a necessarily large cast in a short period of time.

But it is really not for us to share in the bustle of preparation. We're interested in the finished product which we shall see next Sunday, December 18, at 3 o'clock at SNPJ Hall. The play was written by Katka Zupancic who is also chief coach, and with other features promises us a pleasant SNPJ Christmas day.

All Aboard, Badgers 584!

Milwaukee.—For a grand and glorious evening of fun and frolic! The depression put a damper on our usual string of New Year's Eve jamborees, so the Kaffee Klatchers are inviting you to bring all your friends to a monster "New Year's Eve Party" at Delcik's Hall, December 31.

Let's make this a real get-together, just like we used to have in the good old days. The admission price has been set to suit the size of every purse—35 cents will entitle you to the best New Year's Eve you ever spent.

We've ordered a carload of confetti, serpentine, balloons, hats, caps and noisemakers so we can bid 1932 a lusty farewell and give 1933 a hearty reception.

The Kaffee Klatchers are famous for their kitchen talent so you can all look forward to a tempting menu. Pivo? Vino? Pa' so how! Manufactured by Badgerland's champion vino makers.

Even the hall will be decked with gay springs of the season to reflect the holiday spirit.

The Spirit of our Society

Annual Xmas Party Promises a Variety of Entertainment and Joy

Chicago.—This coming Sunday, December 18, 1932, the Chicago District Federation is sponsoring its annual Xmas Party for the Juvenile members of lodges 1, 102, and 559. It has been an annual custom for a good many years to remind the children at Christmas time that they were members of a Fraternal Society which seeks to hold their interest. And since Christmas time means gift time, and a gift the best means for continued memories, especially among children, the distribution of toys, clothing and other useful things has turned out to be an appropriate experiment. Times have been growing worse right along, but still these three lodges feel the necessity of continuing the old tradition of gathering the young boys and girls together, having them display their vocal and musical talents, presenting them with gifts and luncheon and giving them a general good time.

Play is Main Attraction

There is not a single young boy or girl who does not like to appear on the stage before the public. Some are talented and make many friends. Others less able get credit for their courage while the real youngsters generally are so east that the people applaud from admiration. It was not until two years ago that any organized group studied the Slovene language with intentions of presenting plays, recitals, etc. Under the auspices of the Pioneer Lodge these

young folks have now participated in several large programs with satisfactory results. The play Sunday will therefore be the feature of the afternoon program. Last year parents who wanted to see the young "do their stuff" and it is hoped that the parents will again come in large numbers to see the young perform.

Katka Zupancic is Author of Play

"John Bric and His Children" is a new play, the work of Katka Zupancic, instructor of the Pioneer School. It will be on the stage for the first time. It is a drama of the present day life, the kind our people enjoy. Other features of the program will include Socialist Club No. 20 JSF, Tamborica (string orchestra), consisting of about 25 young boys and girls, an address by Ivan Molek, editor of Prosveta, a duet recital by Aleš Matasic, accordion solo by Leo Vider, Hawaiian and popular melodies by Clare Starika and others.

The Admission Is Reasonable

For 25 cents SNPJ members can gain admission. Non-members will have to pay 40 cents. Children accompanied by parents are free. Here is then, in part, what is going on Sunday and we hope everybody interested in promoting the spirit of our Society will attend. "It is the young who arise to be glorified."

No. Chicago, Ill.—Any person who has a humane interest in the welfare of society as a whole is, no doubt, interested in the recent report of the committee of 25, which was sponsored by the New York Academy of Medicine and financed by some of our leading philanthropic and educational institutions for the purpose of ascertaining the cost of medical service, and to analyze the system of health protection.

This report, the result of five years of study and research, was signed by twenty-four members of this committee, a large majority. It divulged, first, the cost of medicine, medical practice, dentistry, hospitalization, etc., it then recommended communal organization for health protection, and suggested taxation and insurance as the means to bring this about. It was from a humane standpoint, the most significant recommendation since the advent of the machine age to co-ordinate the faculties of the giver and the user.

To those of us who have been aware of the problem of health protection, this is not news, only approval of general principle. In many European countries, as I have previously pointed out, similar theories have been practically applied. During the course of my own study I have learned of the playgrounds and vacation homes which mutual societies are creating for their members in the interest of health. The beautiful island in the harbor of Helsinki, the capital of Finland, is used as a place for recreation and where medical care is given to the children of the members of these mutual societies. In Hamburg, Germany, they have a Recuperation Home on the seashore for sick members. In the field of medical service are such societies as the "Voharding" in Hague, where 75,000 families are organized to get access to the best that scientific medicine offers. In Denmark the political state regulates health protection and administers medical care through the able functioning of a Department of Health. Last year saw the opening of the first general hospital in the United States organized upon a mutual basis and owned by the consumers, at Elk City, Okla. Dr. J. P. Warhase has said, "Medicine has too much to offer for human good to be left to the chaotic circumstances of business. The doctor must be protected and from economic concern. To leave him depressed economically when the health of the community is good, and to teach him to look toward the incidence of disease with hope for his economic prosperity are neither fair to doctor nor to patient."

December 8 the annual meeting was held; the results are: John Ayk, president; Anthony Bubnic, vice president; Max F. Traven, secretary; Victoria Megee, treasurer; John Teucar, recording secretary. Audit committee: chairman, Miss Mary Vadnjal; members, Mary Bubnic and Mrs. Mary Vadnjal. Meetings will be held every second Thursday of each month as in the past. Forward!

Cleveland.—I thank the Strugglers Lodge members for the beautiful present they presented to me on my recent re-election as President. Words fail me as I want to thank you. The gift will always be looked upon as a treasure. May I also add that it was your inspiring co-operation that made the Strugglers stand in front, and I assure you that I will work even harder the coming year than I ever did before. Thanks also to my many friends that have expressed their congratulations through the mails and otherwise.

The New Board

"Lindy" Lokar and Josephine Podolec were re-elected for their seventh straight term. Frank ("Kanary") Koss re-elected as Sec'y. Florence Yeray, very active in Strugglers and Dramatic Club "Verovsek" soon return into Strugglers' camp. Both have been on the sick list and we hope that they are soon up and around again. May health remain with them always.

Do It Now

Once more I remind you. What have you and your lodge done to be eligible to send a delegate to the next convention? Remember the time is short and you must be represented. If you don't have the required quota of 100 adult members, then combine with some other branch. Hurry, for your vote is needed at the next convention.

Sister Bartol

who is at present at the City Hospital and who has been under doctor's care for some time, is on her road to recovery. Friends and Struggler members are urged to pay her a visit. She has always been a Struggler defender, therefore the more than deserves your visit.

Personnel and Pelan

Two Strugglers members, Sister Pelan and Bro. Wm. Perusek will soon return into Strugglers' camp. Both have been on the sick list and we hope that they are soon up and around again. May health remain with them always.

Harmful

Personal attacks based on unfounded facts have no meaning. They do no harm to the one they are directed to. But we see that they are severe blows to the fraternal organization itself. At present our biggest task is to keep the SNPJ on the top in standing. This is no time to sling mud.

Ambridge Ho!

All roads on Dec. 31 will lead to Ambridge, Pa., the home of those active Revereys. It will be a joint affair given by Nas Dom and the Revereys. All of you that know what a good time is in store for you will attend. The memory of our past visits into "Koski's" camp may find us there again if finances permit.

Victorious Again

Those champion Svetek Struggler bowlers sure put up a strong fight to win all three games from the Girard Golden Eagles. The score was close and all through the game loyal sportsmanship held sway. Several bowlers turned out to help the boys win. Bros. Marolt and Jeleric were high men on Svetek's five, while Bill Cukta rolled high for the Eagles. Watch for date of return match to be rolled in Youngstown, Ohio.

Cleveland.—We're at it again. Diving our hand into the Beacon social bag, we again extract an affair that is going to be a humdinger. This time it is a social that goes under the monicker of Beacon's Card Party. The date of the big event is Saturday, Jan. 28, 1933. There will be prizes galore for the participants who will be fortunate enough to rack in high scores, low scores, table winners or what have you? And as this is the depression period we're actually giving away admission tickets for the price of only 25¢.

Lest We Forget

Verona, Pa.—Today's item is chosen in lieu of others in that the venerable Koska inserted an identical paragraph preceding the last writeup. An expression is herein desired to offset any thought pertaining to plagiarism which some may inadvertently obtain.

Prolific outputs with similar aims, slowly converge into a dilemma where by wavering is encountered for fear of duplicating previous pen prints, then again, amateur plagiarism may involuntarily occur.

Lodge reporting serves specialty development, it simultaneously creates one-track mind insofar as the work is concerned, often causing repetition. The reporter entrusted with this duty, is responsibly tasked with preparing enticing and imposing articles which ultimately generate interest and gains prestige regarding the manifold functions.

The foregoing, as is evident, bears no reference to professionals, only those stationed within the fraternal press contributing category, who assume the duty gratis with no compensation other than a respective local command. The composing privilege may be either knowingly or unwillingly abused, depending upon available material or else personal transgression. The moral and cultural upbuilding follow in the wake of appropriate expression, with doubtful compositions, including self opinionated topic discussions, unvaryingly guiding across a precarious route southward.

A popular lodge correspondent is in all essentials, a resourceful personable to inject suitable material at hand, incidentally picturing to as to be distractively void. It is advisable in centers where replenishment exists, to select alternately those with necessary requisites, thus enabling a continued report. This makes possible a smooth entrance into the press thru proper means which is preferable to clamoring and demands re-

in that the officers are elected for the ensuing year and your selection plays a decided factor in future progress. Choose the 3 delegates this month to attend, with whatever instructions you may want brought up.

The Senior and Junior committees has chosen Bridgeville as the site for the Western Penn. Fed. Dance on Feb. 11. This joint affair should be held in Bridgeville.

It appears that the Morning Stars from Pittsburgh would prefer having the dance held at the Slovens Hall in Pittsburgh. We all know that the Slovens Hall in Pittsburgh is a suitable place for this affair, but the Federation has selected Bridgeville Hall because the last Federation dance was held in Pittsburgh.

All the Junior as well as the Senior lodges are asked to reserve February 11, in order to make the Federation dance a great success. Your cooperation and patronage will be very much appreciated as this dance is held to aid the unemployed members of the SNPJ.

FEDERATION DANCE

EXCELSIORS

W. Aliquippa, Pa.—At the meeting of Dec. 4, twenty-five members were present, which was the best attendance of the whole year. The officers of 1932 have worked hard, and we, the Excelsiors, wish to thank them for their work. Election of new officers took place; the following were elected: Pres., Anna Vukovich; Vice Pres., Frank Derglin; Sec'y., Mathilde Derglin; Adm. Sec'y., Mike Sakrak; Auditing Committee, Josephine Sirivc, Mary Smukler, Mary Somonich; Pres. of the Sick Committee, Anna Gilev. I am sure the new officers will do their best to help the lodge. For the year of 1933 meetings will be the second Thursday of each month at 7:30 o'clock, at the Slovens Hall. Be sure to attend all meetings.

Campus

It certainly looks bad for our boys in our membership campaign. You boys will have to step on it or it will mean a party. Don't forget, we have only a few weeks left and let's hope we will have responded.

Cupid

Old Dan Cupid shot straight his arrow into the hearts of Miss Anna Neemer and our own Lawrence Andolshek, and united them into one. The Bobcats are wishing them a very happy and prosperous life.

Two Years

Yes! Two years have elapsed since the organization of "Gowanda Boosters." Two successful years in which we have been fortunate in acquainting ourselves with the members and friends of the various lodges. Added to that is the realization that our members have the interest of the lodge at heart just as they had in the beginning, if not more so. What will next two years bring is, of course, unknown to us, but we hope to accomplish much through such cooperative members as we have at present.

Second Anniversary

Just 30 days remain before the red-letter day of Boosters Lodge—on Jan. 14. We extended our plans and will give the program with radio stars, beginning at 8 p.m. sharp. On Jan. 14 the S. W. Home will be the Mecca of Slovens enthusiasts. Will you be present? Save the date.

MUSKETEERS' MUSING

Moon Run, Pa.—The Musketeers certainly have tough breaks in picking dates for their dances. Recently Bro. Koska informed us that the date for the Federation dance was Feb. 11; therefore we will have to drop that date and help the Federation. What happened to Koska's red-heads?

He hasn't mentioned them in his recent articles. Oh! Maybe they have all turned blond or brunettes, or something.

The Beacon, Badgerette.

Clarendon, Pa.—All Members of Roamer Lodge No. 693 SNPJ take notice! Your presence is requested at our annual meeting on Monday, Dec. 18, at the home of John Regan. Meeting is to be called at 7 p.m.

JOLET HUSTLERS

Joliet, Ill.—The last and most interesting meeting of the year is to be held Friday, Dec. 18, at 8 p.m. sharp, at the home of Bro. Sternberg, 1616 No. Wilson st. It is the solemn duty of every Hustler to be at this meeting, as there will be election of officers for the coming year. Also which lodge you wish to combine with in order to be represented at the coming convention, and many other items which need dusting off and solving, and that cannot be done by one or two members, but by all. So if you have the least bit of interest in your lodge, you will be at this meeting. Come on, Hustlers, let's put it on record as the best attended meeting of the year.

John Regan, Pres.

It you care to make a date for your local lodge, you'll stand and, of course, if you don't, it's a damn shame. You'll stay away as you have been doing for the past year. If you want the Roamer to continue as an individual lodge you'll have to be there anyway and express your opinion. Let's all be there on the 18th.

John Regan, Pres.
