več prinesel. In zjutraj, s tako napeto radovednostjo smo tekli pogledat, kaj je Miklavž prinesel. Le pogled: jabolka, oerhe, konjčka, punčiko ... pa ti poredni Miklavž — šibo je tudi prinesel. V tej razpravi bi rad pokazal, kako potrebna sta pri vzgoji — plačilo in kazni. Otrok še nima toliko pameti in toliko volje, da bi sam od sebe storil, kar je prav. Za dobro je treba večinoma nekaj truda, premaganja in vztrajnosti, kar se pa zdi otroku preveč. Kakor se grenka jedila posladi, da se jih rajše žveča s sladkorjem, ravno tako se hoče s pohvalo in plačilom otroku priljubiti pridnost in smisel za dobra dela. Ker pa je nasprotno zanj greh navadno mikaven, zato se mu mora greh zagreniti s kakim neprijetnim občutkom — s kaznijo. Iz tega sledi, kako je koristno otroku napraviti kako veselje, pa tudi potrebno božji namestniki pravico otroka primerno kaznovati, ako z lepa nič ne dosežejo. "Deček, ki je svoji volji prepuščen, dela sramoto svoji materi" (Preg. 15. 19).

"Ako zaleže dobra beseda, — odstrani šibo. Ako zaleže že lep pogled, potem ne rabi ostre besede." Naj končam svojo razpravo, v kateri sem dokazal, kako potrebna sta pri vzgoji: plačilo in kazni. Nekateri obsojajo vsako plačilo in pravijo: "Otrok mora delati iz ljubezni do Boga, to je prava vzgoja." Ti pozabijo, da tudi mi odrasli malo zastoj naredimo, zakaj bi tudi otrokom ne privoščili kakega plačila, da bodo bolj pridni. Se več je nasprotnikov kazni, češ, da je nepotrebna, ker je surova. Skušnja pa uči, da se brez kazni malo dobrega doseže, ker hudo vzraste samo od sebe, kot plevel. Ti, ki vsako kazni zametavajo hočejo biti modrejši, kakor Bog sam, ki dobro plačuje in hudo kaznuje. Pomnimo dobro besede našega velikega vzgojitelca, škofa Slovska. V vsaki hiši morajo biti tri reči: križ, molek, šiba. Versko gibanje v Ameriki. Darila sicer morajo otroka razveseliti, vendar pa ne smejo zabudati njihovih strasti, s sladkorjem se vzbuja sladkosnednost, s prstani in uhani nečimurnost, z denarjem pa lakomnost (denar naloži za otroka — "hranilnico.") Otroka pohvali na kratko brez hvaleisanja, če pa je domisljaj je hvale strup za srce, pohvali ga je poredkoma. Otroku se mora vcepiti zavest, da je Bog plačnik. Če nam bodo ljudje vse poplačali, kakšno plačilo bomo pri Bogu dobili. O kazni posebej. Kazen ima namen otroka dovesti do spoznanja, da greh nikdar ne ostane brez neprijetnih posledic. Zapovedi so brez moči, ako ni kazni za tistega, ki jih ne kaznuje. Kakšne morajo biti kazni? Zaslužene. Vsakega peče, če je kaznovan po nedolžnem. Poizveduj, zakaj je otrok kaj zagrešil: ali iz pozabljenosti in nevednosti, ali z malomarnostjo in lenobo, ali radi svojeglavnosti in hudobije. Kazen ne sme izostati, ako se kaže sprišenost, trdovratnost, lažljivost in upornost, če otrok predrzno nazaj odgovarja, z vratmi loputa, se po tleh valja, zmerja in kolne stariše. Ločiti je treba, koliko je bil otrok kriv. Vsi pregreški niso enaki. Kazen mora biti premisljena, zmerna, usmiljena, nepristranska in le poredkoma. Kazen bodi kot salata, kjer je več olja kot jehiša. Prva kazen je oster pogled, druga resna, kratka beseda, potem pridejo šele druge kazni: otrok ne sme iti iz hiše, ne dobi malice, se z njim ne spregovori cel dan nobene besede. Šiba je bolj potrebna za takega otroka, ki še nima toliko pameti, da bi kaj nase držal. Majhni otroci se materam smilijo in se jih boje udariti, 12 let stare pa prično tepati, takrat pa že šiba navadno nič več ne pomaga. Ne tepi po glavi, ne po golem životu, ne smetaj z pestjo po hrbtu, ne vleci za ušesa. Kazen ne sme biti nikdar — divja. Nek nemški pisatelj pravi:

WE MUST HAVE MORE SPORTS

K. S. K. J. LODGES SHOULD BE ENGAGED IN SPORTS THE YEAR-ROUND

The race for the baseball flag will soon be on, and no doubt, it will be a real fight from start to finish. The Eastern League is formed with eight teams in the process of formation. Reports are favorable from the camps, all claiming that they will have strong teams to fight for K. S. K. J. honors. The first games of the Eastern league will probably be played the first Sunday in May, and judging from the enthusiasm displayed record crowds will be on hand.

We are well pleased in the way our Cleveland people are supporting our sport program. Last week the Sacred Heart team of Barberton, O., defeated the St. Vitus, No. 25 in a thrilling game of basketball. Although the score was a bit one-sided, the game was a humdinger from start to finish, our boys showing that there is real fight in Slovenian blood.

The St. Clair Bath house, the scene of this battle was crowded to capacity, both young and old rooters cheering on. Barberton made the trip with seven cars of fans. Representatives of all K. S. K. J. lodges in Cleveland were on hand, all being well pleased and expressing the wish that basketball as well as baseball should be initiated into our sport program. We are sure that basketball would be well received by our K. S. K. J. people if all the Senior members would only witness one game. This we may readily say, judging from the complete satisfaction and interest shown by Senior members who were present at this, their first attendance at a basketball game.

There is no reason why we should not have a basketball league this fall. Eight lodges in the East will have baseball teams, surely these lodges could easily place a basketball team in the field, as the expense connected with the winter sport is not half as much as that linked with baseball. Further, if we adopt two games, a winter and a summer sport, then our boys will be in trim all year round. The result will be that we will obtain a membership of fine, young, American men, who will not only offer us their athletic skill, but also their views in everything pertaining to our Union.

It is not too early to start planning now. If you are a loyal K. S. K. J. you will give this proposal a hearty support, for a real honest-to-goodness sport program will swell our membership not only to 35,000, but far beyond that. Give us your support and strive to help us develop our Union into an organization that will be the pride not only of its members, but of the entire American Slovenian populace.

Yours for a bigger and better sport program,
Anton Grdina, Supreme President.

BARBS TOP CLEVELAND

Sacred Heart Team Takes St. Vitus Over; Record Crowd.

The basketball team of the Sacred Heart parish of Barberton, O., with a flock of rooters stormed the St. Clair district of Cleveland April 12th, and defeated the St. Vitus, No. 25's making it two wins of a three-game series.

Both teams were out for blood, making the contest a real fight from start to finish. The tallies were about even up till the last quarter when the Barbs went far into the lead.

A record crowd of K. S. K. J. rooters witnessed the game. Indications point forward to the organization of a basketball league, next fall. Rev. Bombach, coach of the Magic city team, was present with his new car. The final score was 24 to 13.

NOTICE

To The Members Of The Young Ladies Sodality, Chicago, Ill.

Dear Members: On April 20th, 7:30 P. M. you are kindly requested to please attend the regular and very important meeting of our Sodality. Meeting will be held in the usual place.

We ask, that all young ladies contemplating joining our circle, please come to this meeting, so that your names may be entered into our Register as candidates for initiation in December.

The month of May is fast approaching. It is the month of our Sodality Patron, — the Blessed Virgin Mary, and is it not only proper that we, the children of Mary, do something special to honor Her? Come and help us plan something we can do in Her Honor. Also plans for the proposed supper for mothers on "Mothers' day" will have to be discussed. Don't you think we can prepare this little supper for our mothers? I think we can. It is only something very small we can do to show our mothers that we appreciate their kindness to us, and your mother will love you all the more for this little sign of recognition. Help us plan for this great day. Our Reverend Pastor expects us to make this a gala day for our Mothers. Shall we disappoint our Pastor?

Trusting and hoping to see you all next Friday, I remain Always for the honor and good of our Sodality

Your Prefect.

P. S. There are going to be special refreshments prepared for us by Special Committee.

MID-WEST LEAGUE

Again I have the opportunity to appear in the columns of "Our Page." To date there has been only two managers who have sent in their names. The two are Mike Opeka of Waukegan, and Joe Verbiscar of Chicago. The rest who have not done so, please do it at the earliest convenient time. The time is short. Let's hear from you. Also, don't forget the fees which have been prescribed by the constitution and by laws of the league.

The two managers have not sent in their list of players, but I'm sure I'll have them in a week or so. Probably the teams are still in spring training and have not cut the roster.

I hope to hear from the remaining cities in the meantime. Don't forget May 1st is the last day to enter the league. Let's hustle so we may have a big and successful year.

Where are Milwaukee and West Allis? Don't they belong to the Union of ours? We do not hear any news of them.

Let's have the co-operation of all the members in the Union by putting this great American sport through successfully. Come then! That's the spirit.

Fraternally yours
Joseph L. Drassler, Sec'y.

OFFICIAL NOTICE

All members of St. Mary Magdalene Society, No. 162 K. S. K. J., Cleveland, O., are hereby notified that the May's regular meeting will be the second Monday instead of the first, namely, the 14th of May, instead of May 7th. This arrangement will be just for the month of May, as I will be out of town from 5th of May to May 9th, and the members at the regular monthly meeting in April, as a favor to me made a motion to have the meeting the second Monday, for which I express my sincere thanks.

All the young members are requested to be present at the above mentioned meeting. There will be quite a few discussions, in which our girls can be of help. Arrangements will have to be made as to the doings on our "Magdalen Day," which is to take place May 27th. So girls, come one, come all and show us older ones, that you are also reliable and that we can count on you as well, when it comes down to hard tacks. I will attend that they will not regret it.

Hoping to see all of you attending the meeting May the 14th, I beg to remain Sincerely yours,
Mary Hochevar, Secretary.

GOOD NEWS FROM EAST

By A. R. Klepec,
Manager St. Valentine Nine, No. 145.
Beaverfalls, Pa. — Here I am again. Well, we are all waiting for the opening of baseball season. By the time this is printed, the 15th will be gone and I hope we have a bunch signed up. I know we certainly will be in there, so look out all you other teams, as we have a bunch of Ruths, Cobbs and Sisslers on our team.

And say. What did I tell you last time about 20 new members. At start, there was six new members initiated on Sunday April 15th. And we expect to hold a special initia-

THE BOYS FROM PUEBLO, COLO.

Pueblo, Colo. — Attention, more current news from way out here in the far west. Alas, we have succeeded in making baseball a possibility that is, to have a team which will be composed of members only. We have enough material to make a satisfactory showing right off the bat. Beside material we have the best boosters and men who would be willing to do most anything to aid in the line of sport.

At a recent meeting of young men about one hundred in number the object of the sport movement was explained and the youths were very enthusiastic and promised to co-operate.

We also have our local progressive business men, who will, no doubt, do their utmost toward the promotion of all sports.

As for the team the boys favored Babe Skube as captain and Barney as manager, both experienced baseball men. Our players need a little polishing. It may take a long time before we get to the top, but we are going to build a strong foundation to begin with.

The boys want to thank Mr. Germ, Mr. John D. Butkovich and Peter Culig Jr., who devoted much of their time in getting things started.

This may sound like a lot of static, but we always tune in for more, so keep your eyes open and we will try to let you know through "Our Page" the latest news.

Fraternally yours
Peter Culig Jr.

JOLIET OUT TO WIN

With the K. S. K. J. bowling cup brought home, the Joliet K. S. K. J. Baseball team is out to add another trophy by winning the coming baseball championship.

All players of last year's team and all candidates for the team are asked to be present at the K. S. K. J. building Sunday afternoon at 2 P. M. April 22nd, when a stronger and better team will be organized.

Yours for Joliet:
Rev. M. J. Butala, President,
Louis Legan, Manager,
Joliet K. S. K. J. Club.

STARTING THE SEASON

Kansas City, Kans. — At our last meeting March 28th, the following officers were elected: Joe Novak, President; John Spehar, Vice President; Pete Gergich, Secretary, and Mike Majerle, Treasurer. The social committee is composed of Pete J. Veselich and Pete Bizal. The Door Marshall is Leo Mercel.

The manager of this year's baseball team is Pete Gergich who was elected by five votes.

We all hope that Master Gergich will have a successful season. At the meeting he said that he would try his very best and hoped that the rest will do the same. The captain was not named, but will be chosen at our first practice. More news next time.

Pete J. Veselich,
for Holy Family C. C.

THE GOODIES

Above you see Mr. and Miss Goodtime who, with the other Goodies will be present at the dance given by the St. Joseph Sports of Collinwood, O. The hop will be given in the St. Clair neighborhood, namely, in the Slovenian National Auditorium on St. Clair Ave., this next Saturday night, April the 21st. The Arcadians will be on the musical end.

The proceeds of this dance will be placed in a fund to carry the Sports' financially through the baseball season. The St. Joseph Sports team is one organization that has no one to depend on for financial aid, therefore, it is the duty of all Cleveland K. S. K. J. people to attend this dance, and in part show their appreciation for what the Sports, and the other pioneer teams started several years ago.

The Sports give one BIG dance a year, and this Saturday will be your chance to show whether you are strong for your Brother Clevelanders. Cleveland has three teams entered in the league this year; one must surely win. Come to this dance! Help the Sports; they will do the same for you. Cleveland MUST win this year, so let's adopt the slogan for all time: "ALL FOR CLEVELAND!" The Committee.

GOOD TIME WITH MAGICS

Barberton, O. — It won't be long now. Saturday April 21st is only a few days away.

April 21st! Yeh, what about it? Why, the St. Joseph Magics Baseball Club is holding their first big dance of the year.

Where is it gonna be? At the "Domovina" hall on Mulberry St.

Who's coming? Everybody is coming. Why not? It's going to be a real night of fun. All the Cleveland lodges are cordially invited to bring a gang down and show themselves up.

A little program will be given at 7 o'clock and after that,

WANTED! COMPETITION

Collinwood Lassies Start Ball ROLLING

We are all set, girls! The young ladies of the St. Joseph Sports, Collinwood, O., have organized an indoor team and are at present hoping for some K. S. K. J. competition.

Our Collinwooders are very enthusiastic about the game, because we do not want the boys to crowd us off the columns of Our Page. Boys are boys, and girls are girls. But why should we allow the boys to solely share the honors? Try and stop us now! Come on girls, let's go!

We would like very much to hear from the Magdalene Girls, the Therasas, St. Helen's and any other lodges who are active enough to start something.

Isn't it possible that we could form a league similar to the boys' league? Wouldn't it be great if we could play curtain raisers to our K. S. K. J. baseball games? Think it over, girls! Are we going to sleep and only dream of the good times we really could have?

Commencing with the next issue of Our Page we will eagerly scan the columns for news announcing the organization of girl's indoor teams.

Let's start now and do something big!

Mary Ann Zupanec,
Vice-Chairman St. Joseph Sports.

Chicago K. S. K. J. Boosters Organize.

Chicago, Ill. — Now that the bowling tournament is over, Chicago is turning its attention to baseball.

A Booster Club is being organized to promote sports and especially help finance the baseball team.

A large number of prospective ball players and boosters attended the meeting held last Thursday evening at the parish hall. It has decided to hold a bunco party in the parish hall Wednesday evening, April 25th, in order to secure the necessary funds for equipping the baseball team.

The boys are working hard to make this affair as well as the baseball team a success and therefore deserve the support of all K. S. K. J. lovers of sport.

Donations for prizes will be gratefully received by the committee, of which, the Peppy Joey Koscak is chairman.

Next boosters meeting will be held this Thursday and everyone is invited to attend. Let us put our shoulders to the wheel and help a good cause along.

NATIONAL FRATERNAL WEEK

Setting aside of a period in which to have the communities which make up this North American continent pause and learn of the accomplishments and aims of the fraternal benefit system, was inaugurated by the National Fraternal Congress of America three years ago. For the past two years one day has been fixed for this purpose. Profiting by this experience, however brief, the Congress this year has fixed a week, April 30th to May 6th, for this observance.

Last year there was a decided increase in the number of communities celebrating the event, and in the scope of the programs, and the notables who took an active part. This year it is the hope of the Publicity Bureau of the Congress, which has charge of the promotion work, that there will be a corresponding acceleration to the interest and in the numerical total of the Societies participating. It was to encourage this that a week has been set aside for the demonstration of the membership, financial and actuarial strength of the fraternal benefit system, and the high place it occupies in the life of each community and in the outside world as well.

For the development of this yearly observance of the worth and progress of fraternalism, no small amount of credit is due Mrs. Elizabeth Mehan, Chairman of the Publicity Bureau of the Congress. For days preceding the observance, and during the carrying out of the wide variety of program, Mrs. Mehan has given her time almost exclusively to the work. She has been in touch with the local celebration chairmen, by mail and by wire, advising, suggesting and directing, as her services have been desired. This year, as in the past, Mrs. Mehan has urged the many Societies making up the Congress to call freely upon the service of the Bureau for any assistance it is within its province to contribute.

The decision to carry the celebration through an entire week was a very happy one, and will make it possible this year to hold celebrations in a large number of communities where last year it was thought impossible. The omission of the observance in the past has many times been due to other activities having a prior claim on the hall or the services of the community fraternal leaders. With the choice of any date within the week at their disposal, this condition will not arise. Another advantage of the week being set apart, is the opportunity it will give to enlist the services of the clergy, as well as the laity, in advancing the cause. This may be done in union services, in union services, in which both the clergy and the laity would have an active part.

the spice of the program will be DANCING and real music, too.

Is that all there's gonna be? Not on your life! There's going to be (yum, yum) EATS

So, don't forget the date. Saturday April 21st at Domovina hall, Barberton. Come one, come all, whether you have to ride, walk or run, but be there, for a good time is assured to all.
