Primarne volitve v Clevelandu

Prihodnji torek, 28. septembra, imamo v Clevelandu primarne volitve. Prvkrat po dolgi dobi imajo celo republikanci priložnost izbirati med dvema kandidatoma za mestnega župana. Ni še posebno dolgo tega, ko je bilo na republikanski strani težko dobiti enega samega! Nihče namreč ne kandidira rad, če je prepričan, da ne more zmagati. Vnema za kandidaturo na republikanski strani se je pojavila šele pred nekaj leti, ko je spor v demokratskih vrstah omogočil izvolitev Carla Stokesa za župana.

Primarne volitve so vedno važne, pri njih namreč stranka, oziroma njeni volivci neposredno odločijo, kdo bo njihov kandidat pri glavnih volitvah.

Republikanci imajo za župana dva kandidata. R. Perka, okrajnega avtorja, ki je že dvakrat poskušal priti v mestno hišo, pa mu je obakrat spodletelo, drugič z le par tisoč glasovi. Bil je prepričan, da bo letos sreča na njegovih strani. Nemara bi tudi bila, če bi Carl Stokes ponovno kandidiral. Z njegovo umaknitvijo se je položaj za republikanskega kandidata bistveno spremenil. Tega se zaveda tako R. Perk kot njegov tekmeč G. Voinovich, državni poslanec 53. volivnega okrožja, ki obsegata severovzhodni del Clevelandu in Euclid.

Republikanska kandidata poudarjata bolj vsak svoje sposobnosti in cilje, kot pa napadata drug drugega. Očitno nočeta razkola v stranki in med njenimi pristaši, ki bi lahko uniščili že tako ne ravno najboljši izgled za zmago, ki ga bo republikanski kandidat imel pri glavnih volitvah v novembra.

Pri demokratih je položaj veliko bolj zapleten in volivni boj živahan, tu in tam kar naravnost oster. Od treh kandidatov je najmrnejši Patrick Gerity, bivši policijski načelnik, ki nima nobene obsežnejše organizacije, pa tudi nobene podpore v glavnem strankinem odboru. Je bolj osameli ptič, ki poudarja potrebo po redu in odločnosti oblasti pri njegovem vzdrževanju. Tak volivni program se je v nekaterih mestih kar dobro obnesel, vendar P. Gerity nimata kakih posebnih izgledov za zmago.

Glavni boj se vrši med predsednikom mestnega sveta A. Garofolijem, ki je uradni kandidat demokratske stranke, in med Jamesom Carneyjem, ki je imel na svoji strani večino glavnega izvršnega okrajnega odbora demokratske stranke, pa je propadel na glavni širši seji okrajnega odbora, četudi s sorazmerno malo razliko, kot strankin uradni kandidat.

A. Garofoli je mlad, pa mu je vendar uspelo doseči predsedstvo mestnega odbora, ko je bil James Stanton izvoljen za kongresnika. Že tedaj je pokazal svojo spremnost, podjetnost in vztrajno delo, še bolj pa pri organizaciji svoje zmage nad Carneyjem na seji širšega odbora demokratske stranke. Podobno kot pred njim James Stanton tudi A. Garofoli ni mogel ustvariti mirnega, delovnega odnosa z županom Carlom Stokesom. Dejansko je skoraj ves čas, kar je Garofoli na čelu mestnega odbora, bil ta v stalnem boju z županom C. Stokesom, kot je bilo to pod Garofolijevim prednikom.

Predsednika mestnega sveta je v njegovem boju z županom podpirala večina mestnega odbora, katere jedro tvorijo pripadniki narodnostnih skupin, kot so jo nekdaj pod župani F. J. Lauscheton in njegovimi nasledniki vse do R. Locherja. Črnska skupina, ki je v prejšnjih razdobjih bila del "manjšinskih skupin" z večino v mestni hiši, je tokrat s par izjemami trdno stala za županom C. Stokesom, katerega je podpiralo tudi par belih mestnih odbornikov iz mešanih belo-črnih vard.

James M. Carney je kot A. Garofoli odvetnik, le da je precej starejši in tako lahko kaže na svoje pretekle uspehe in dosežke. Ti so posebno očitni na gospodarskem polju, kjer je J. M. Carney odlično uspel ter si ustvaril lepo premoženje. Glavni del tega je v sami mestni sredini. Njegovo zanimanje za mesto Cleveland je torej tudi s tega vidika popolnoma razumljivo in utemeljeno. Lahko se sklicuje tudi na svoje delo v državni zakonodaji in v izvršnem odboru demokratske okrajne organizacije, katerega podpredsednik in vplivna glava je zadnjih 20 let.

Oba kandidata, Garofoli in Carney poudarjata potrebo po končanju sporov med mestnim svetom in mestnim županom ter njegovo upravo, oba zagotavljata, da bosta vse storila, da bo ta cilj dosežen. V tem pogledu vendar zasluži Garofoli prednost, ker ima precejšnjo skušnjo v delu mestnega sveta, pa tudi dober pregled dela mestne uprave.

Oba kandidata trdita, da je v mestni upravi treba napraviti red in skrbeti, da bo mestni javni denar res dobro in koristno, pa tudi varčno uporabljati. V tem pogledu ima Carney brez dvoma več skušnje, ker se je zadnjih 20 let skoraj izključno ukvarjal z gospodarskimi posli in njihovim vodenjem. Vprašanje je le v tem, kdo od obeh ima resnično voljo "napraviti red" v mestni upravi in jo bo imel

tudi teda, ko se bo dela treba stvarno lotiti. Kar je v privaten gospodarstvu samo po sebi razumljivo in v redu, je v javni upravi često iz političnih vidikov komaj mogoče.

Po vsem sodeč bi imel Carney kot župan boljše izglede za uspešno sodelovanje s črnim delom prebivalstva kot njegov tekmeč A. Garofoli, ki ga črni volivci poznajo kot nasprotnika župana C. Stokesa.

Za demokratsko stranko in njene volivce je posebno važno, kateri od obeh kandidatov bo močnejši pri glavnih volitvah 3. novembra, ko se bo treba boriti za zaupanje volivcev z neodvisnim črnim kandidatom Pinkneyjem in zmagovalcem republikanskih primarnih volitev.

Vsem volivcem priporočamo, da gredo v torek za gotovo volit, da glasujejo za oba predloga (issues), ki sta predložena volivcem v odobritev, in da dobro premislijo, kateri od županskih kandidatov obeh strank bi bil boljši in uspešnejši mestni župan.

V 23. vardi priporočamo volivcem v ponovno izvolitev preskušenega mestnega odbornika E. J. Turka.

BESEDA IZ NARODA**Glasovali smo — za srenjsko reformo!**

NEW YORK, N.Y. — V nedeljo, 19. septembra, po deseti maši smo se spet zbrali njujorski srenjčani v cerkveni dvorani k mestnega župana. Ni še posebno dolgo tega, ko je bilo na republikanski strani težko dobiti enega samega! Nihče namreč ne kandidira rad, če je prepričan, da ne more zmagati. "O Vrba, srečna vas domača, kjer hiša mojega stoji očeta..."

In ko sva odhajala nazaj v Ameriko, sva sklenila, da se zopet vrneva in s Cankarjem sva molila:

"Zbogom, ti zemljica naša, ti naša siromašna, ljubezna mati, naše veselje in naša sladka skrb."

Zbogom, pa ne pozabi nas v svojih dolgih sanjah, kakor tudi mi ne bomo pozabili nate!"

Ce se je komu oko zasolzilo ob tem sklepku Petra in Marjanca pripovedovanja, naj se tega čustva ne sramuje. Jaz sem si izbrisal solze iz oči, stisk v srcu se dolgo ni popustil. Kdor zemljo domačo je kdaj zares objel, jo iz tega objema ne more izputiti.

Pa naše nedeljske ure so namenjene, da s svojo besedo in pesmijo govorimo o tem objemu, ki nas z rodom trdno drži, da ostanemo zvesti svoji materi, ki v svoji besedi z nami živi, živi... da smrti ne bi nikdar doživel.

In k taki molitvi se je nagnila lepa narodna pesem: Mati piše pismo belo..., ki sta jo lepo zapebla Marinka Ravnikar-Zupančičeva in Karel Klezin. Klavirsko spremljavo je dal Franjo Kostanjški.

Njej je sledila Razlog-Ipavčeva: Bodl zdrava domovina... Bodl zdrava domovina... ki sta jo v duetu občuteno podala: gospa Marjanca Kalanova in dr. Ludve Puš, ki je hkrati igral klavirsko spremljavo.

Vsa ura je bila polna domovinskega sentimenta in temu je prilil še nekaj goriva Zdravko Kalan, ko je podal svoja doživetja obiska — njemu in nam — najsvetejše zemlje. Osveta se v Buenos Airesu in Argentini. Najina starša sta Slovenska. Zapustila sta Slovenijo, ker nista hotela živeti pod komunisti. Zdaj živimo v Ridgewoodu in smo ameriški državljanji. Oba govoriva slovensko, angleško in španško! In kaj sva? Prva beseda, ki sva jo slišala, je bila slovenska. Prva beseda, ki sva jo izgovorila, je bila slovenska. Že kot otroka sva začela misliti in govoriti slovensko. Vedno sva čutila, da sva Slovenca. In, ko sva se primerila z drugimi v Argentini, sva zmeraj ponosna, da sva Slovenska. Lani sva prvi obiskala na deželo, kjer sta se rodila njena starša in kjer so se rodili, živeli in umirali naši predniki. Obisk Slovenije naju je samo učil v najini slovenski zavesti. Vzljubila sva zemljo, njene krašote in njene ljudi. Čutila sva, kot je čutil veliki Slomšek, ko je pred 150 leti zapisal.

Preserovna Zdravica, ki jo je Marija Babnikova s svojima bratoma podala kot zborno recitacio, je lep sklep našemu zdravju slovenski zemlji, ko nam je Zdravko Kalan trenutek prej spletel venec njenih prelesti, ki ni mogel se izogniti nekatrim utrgom i njenih bolesti. Po kratkem prijateljskem govoru smo se počasi razhajali in v srečo nosili svojim čustva, ki so oživel, ter govorili, da se bomo v nedeljo, 17. oktobra, spet zbrali, da pozdravimo predvsem našo pesem.

Zato bomo slišali "Zvon" iz bridgeportske soseske in naši "Fantje z Osme" se bodo v njejne odmeve pomešali. Verjetno nam bodo obojni dali lepo nedeljsko uro in veselje.

Ni se bilo oznanjeno, vendar v razgovoru s kaplanom Bertrandom Kotnikom sem zvedel, da bomo v nedeljo objavljeno, da bomo 3. oktobra imeli dan duhovne obnove, ki se bo začela že pri prvi maši s programom do srede popoldneva.

MISIJONSKA SREČANJA IN POMENKI

71. Spremembe in prošnje.

PRINCETON, N.J. — Po Dejavskem dnevu, ki smo ga praznovali v ZDA v ponedeljek 6. septembra, so se odprle naše šole in cel narod je začel spet normalno živeti in delati. Počitnice so za nami. Potrebovali smo jih vsak na svoj način, da bo naše delo v letu pred nami bolj plodno, naši živeci mirnejši in izraba naših talentov in sil bolj učinkovita. Telesno in duhovno osveženi smo se vrnili vsak v svoj delokrog.

Namenoma sem letos v teh člankih počitniške mesece pisal delavce, ki čitajo te vrstice, da največ o vprašanju misijonskega sodelovanja v zaledju. Zadnja misjonarka, ki sem srednji junija o njenem poklicu poročal, čeprav samo deloma, je bila uršulinka Ksaverija Lesjakova iz Južne Afrike (57). Njen življepis bomo nadaljevali, ko dobimo vse potrebne podatke. Nadaljevali bomo v kratkem z misijonarjem o. Jožetom Cukletom iz Indije. Daljnji Vzhod je v glavnem že bil obdelan. Vsi drugi pridejo polagoma na vrsto. Važno je, da je vsak pričakan, kot ga poznamo. Tako bomo ob objavljanju sprememb in novih poročil, takoj priklicali lahko v spomin misijonarjevo osebnost, značaj, problematiko delokroga, vrsto apostolata, ki ga vrši, in podobno. Najprej se moramo z našimi pionirji seznaniti, šele potem pa mogoče podpreti jih zares uspešno in spremljati njih širjenje božjega kraljestva z ljubezni. Nihče namreč ne more ljubiti, kogar preje sam osebno ne spozna.

Danes se bom dotaknil najprej sprememb in izrekob raznih tudi kako prošnje.

Loretinka Magdalena Kajnčeva je na novem službenem mestu v Loreto Convent, v Asansolu, West Bengal, India. V Ranchiju ni bilo možno začeti z dispanzerjem. Sedaj spet pioniri med sirotami in bolniki in se delo lepo razvija (2. sept.). Vsi vemo, da je položaj za misijonarje v Indiji na splošno težak in da Propaganda za širjenje vere v ZDA že od začetka leta 1970 na izdaja več čekov za to državo. Pošiljanje pomoči zavisi zato vedno od iznajdljivosti posameznikov. Bodimo previdni, ker so čekti ponovno že bili ukradeni. Pisma s čeki v Indijo naj bodo vedno priporočena.

Medicinska zdravnica sestra Agnes Žužek je končala svoje poslanstvo v Thika, Kenya. Oglasila se je iz novega službenega področja v Etiopiji, ki je nam bolj znana kot Abesinijska. Študira 4 mesece težak nov jezik domačinov, v glavnem mestu Adis Abeba. Nato bo odšla v njihovo bolnico, 130 km jugozapadno od prestolnice, v Attal Hospital, Gurage. (5. sept.)

Misjonarka Deodata Hočvarjeva se vrne v Djakarto, Indonezija, sredi oktobra. Prav tako se vrnejo s kratkega oddiha v zaledju, misjonar Stanko Pavlin v Hong Kong, p. Radko Ruđež v Zambijo. Oba prav kmalu. Uršulinka Frances Novakova iz Sijama ima svoj prvi dopust celo leto in je trenutno na obnovitvenem tečaju v zapadni Evropi ter Angliji. V domovini je trenutno tudi gdž. Zinka Hercegova, ki je zadnja leta delovala v Lusaki, Zambija. Misjonar Ivan Oballa želi kmalu nazaj v Tanzanijo, a mora preje s sobratom Andrejem Zarnikom, ki je bil pred nekaj leti posvečen v mašnika v Argentiniji, spraviti v življenje prvo hišo za njihove družbene poklice v domovini. Iskanje novih mis. poklicev je g. Oballa glavni posel, kar je na dopustu v zaledju. Deluje in hodi ven iz Torina.

Dr. Janež doživlja na Formozi novo napetost, odkar Amerika skuša urediti svoje odnose do Rdeče Kitajske. 1. septembra lepo prosi nas vse, da mu ne pismo brez nujne potrebe in nikdar na njegovo slovensko ime.

Zahodna Nemčija in Francija objavili nove proračune

PARIJ, Fr. — Pred kratkim je objavila svoj državni proračun bonnska vlada. V njem sleduje stabilizacijo gospodarstva in napoveduje boj inflaciji. Francoski proračun je samo deloma podoben nemškemu.

Obe deželi sta včlanjeni v EGS

in morata torej to vpoštovati tu-

di pri javnih proračunih.

Nemčija se ne boji brezposelnosti kot se jo Francija. Zato Francija poudarja rast proizvodnje, posebno industrijske, dočim gleda nemška gospodarska politika najbolj na stabilitet. Več sličnosti kažejo oba proračuna na strani dohodkov.

Obe državi gledata namreč na to, da je gospodarstvo na obeh

strane reke Ren prilično enako obremenjeno.

Francoski proračun znaša okoli \$40 milijonov, nemški pa le okoli \$30 milijonov. Pomisliti je pa treba, da je Nemčija federalna država, dočim Francija federacije ne pozna. Zato je tudi državni proračun večji v Franciji, kot je v Nemčiji, kjer je treba odrediti dohodke tudi federalnim enotam.

Argentinski generali planirajo prehod v demokracijo

BUENOS AIRES, Arg. — Ministrski predsednik general Lanus je, obdan od vseh vodilnih generalov na televiziji, napovedal argentinski javnosti same prijetne zadeve: Volitve v parlament bodo 25. marca 1973, 25. maja 1973 bo pa posle prevzela

civilna vlada, odgovorna parlamentu. Volivna kampanja se bo začela sredi oktobra 1972.

Argentinska politika bo torej imela dosti časa, da se zopet pripravi na dobo svobodne demokracije.

Vse to je lepo, toda argentinski generali so ljudje, ki se lahko tudi premisijo.

ALEXANDRE DUMAS:

Grof Monte Cristo

"Ko budem pri svojem dedu," nadaljuje Valentina, "potem, prijatelj, se bodeva lahko shajala v prisotnosti tega ljubega, častitljivega pokrovitelja, če nama zveza, ki sta jo zasnovali najini senci morda nevedni ali razdraženi vsled odpora, ostane še draga kot porok bodoče sreče. Ah, pravijo, da srca, ki so se razvnela sredi ovir, v varnosti pogosto omrznejo. Zato počakam, da me Morrel poželi od mene same."

"O," vsklikne ta ter poklekne pred starcem in Valentino v resničnem oboževanju, "kaj sem storil v svojem življenju tako dobrega, da sem si zasluzil to srečo?"

"Dotlej," nadaljuje njegova izvolenka s svojim čistim, resnim glasom, "dotlej hočeva spoštovati voljo mojih staršev in potrežljivo čakati."

"Zato," pravi Valentina in ljubezni pogleda svojega izvolenca, "zato nobene nepremišljeno več, prijatelj! Ne kompromitirajte one, ki ima enkrat nositi vaše ime čisto in neomadeževano."

Morrel položi roko na srce.

Noirtier jih gleda z ljubeznim pogledom, zvesti Barrois, ki mu ni bilo skritega ničesar, si smešljaje obriše z razgretega čela velike znojnje kaplje.

"Ah, moj Bog, kako vroče je dobremu Barroisu!" vsklikne Valentina.

"Ah, gospica, to prihaja od tod, da sem tako tekel; toda gospod Morrel — to moram priznati — je skoro letel."

Noirtier se ozre na mizo, na kateri je stala karafa z limonado in poleg nje kozarec. Kar je v karafi manjkal, je izpil Noirtier pred pol ure.

"Pij, Barrois," pravi njegova mlada zapovednica, "to te okrepeča!"

"Ah, da, gospica, žeje skoro muiram in pač rad bi izpil koz-

rec limonade na vaše zdravje."

"Torej pij in se kmalu vrni."

Barrois vzame krožnik in komač pride v prednjno sobo, že na dušek izprazni časo, ki mu jo je nalinila Valentina, ne da bi zaprl vrata.

Valentina in Morrel se bodočeta vprico Noirtiera posloviti, ko se naenkrat začuje glas zvonca.

To je bilo znamenje obiska.

Valentina pogleda na uro.

"Dvanajst je, ded, in sobota," pravi; "gotovo prihaja zdravnik in sicer na obisk k tebi. Ali se mora Morrel odstraniti?"

"Da," odvrne Noirtierovo oko.

"Barrois, pridi notri!" zakliče Valentina.

"Tako, gospica."

"On vas pelje do vrat, in zdaj, gospod častnik, nobenega koraka več, ki bi bil lahko nevaren nujni sreči."

"Obljubil sem, da hočem čakati," odvrne Morrel, "in ostal bom mož-beseda."

Ta hip vstopi Barrois.

"Kdo je zvonil?" vpraša Valentina.

"Gospod doktor d'Avrigny," pravi Barrois, opotekaže se.

"Kaj ti je?" vpraša Valentina.

Stari sluha ne odgovori in prestrašeno pogleda svojega gospoda, dočim išče njegova roka opore, da bi se ne zgrudil.

"Toda on pade," vsklikne Morrel.

Res je Barrois vidno trepetal na celiem telesu, poteze njegovega obraza so se krčevito spačile in naznanjale silen življeni napad.

Noirtier gleda z grozo ta žalostni prizor.

Barrois stopi nekaj korakov proti svojemu gospodu.

"O, moj Bog, moj Bog, o moj Gospod!" zastoka. "Kaj mi vendar je? Bolečine čutim in že več ne vidim... V mojih možganih žari tisoč ognjev... O, ne dotikajte se me... ne dodotikajte se me!"

Res so postale njegove oči steklene in zmedene, in glava se je sklanjala nazaj, dočim je ostalo telo otrpnilo.

Valentina vsa omamljena zakriči, Morrel jo vzame med svoje roke, kakor da jo hoče čuvati pred neznanou nevarnostjo.

"Gospod d'Avrigny," zakliče Valentina ihte, "ne pomoč!"

Barrois se zasuče okoli svoje osi, stopi tri korake naprej, se spodtakne, pade k Noirtierjevin nogam in opre svojo roko na njegovo koleno, še vedno kriče:

"Gospod, o moj dobr gospod!"

Priklican po tem kriku, se prikaze med vrati gospod Villefort.

Morrel izpusti na pol omedelo deklico iz svojih rok in izgine za zastor v ozadju sobe.

Bled, kakor da vidi strupeno kačo, upre prokurator svoj pogled v ubogega Barroisa.

Noirtier skoro umrje vsled strahu in nestrnosti; njegova duša hiti na pomoč ubogemu starcu, ki mu je bil bolj prijatelj kakor sluha.

Zatekle žile na čelu in skrčenje nekaterih očesnih kit, ki so še živele, vse to je znacilo straten boj med življenjem in smrtjo.

Barroisove oči se bile tope in zalite s krvjo, njegovo telo spakeno, in njegove roke so tolkle ob tla, dočim so mu noge otrpnilo.

Pred ustmi mu je stala lahka pena, in dihal je bolestno.

Villefort je okamenel tako

popolnoma, da ne opazi Morrela.

Villefort.

Za nekaj trenutkov nemega opazovanja, tekom katerega je postajalo njegovo obličejo bolj in bolj bledo in se njegovi lasje bolj in bolj ježiti, plane k vratom in zakliče:

"Doktor, doktor na pomoč!"

"Milostiva gospa," zakliče Valentina, hite na stopnice in kličoč svojo mačeho, "pridite, o, pridite hitro in prinesite s seboj svojo rešilno sol."

"Kaj se je zgodilo?" zakliče gospa Villefort.

"O, nitro, hitro!"

"Toda za božjo voljo, kje je Toda kje je doktor?" vpraša doktor? Šel je k tebi. Vidiš, to

LETTERS TO THE EDITOR

Primary elections are important

The citizens of Cleveland will go to the polls on Tuesday, Sept. 28, 1971, to cast their votes in the Primary Elections.

Contrary to the opinion of some, the Primaries are very important; in fact, they are of vital importance. Because of legislation passed some years ago, a candidate receiving 51% or more of the votes cast at the primary elections, is automatically elected and need not appear on the ballot at the regular elections in November.

Clevelanders will be voting Tuesday, September 28, for candidates to City Council and for the Mayor of Cleveland. If you are concerned about yourself, your family and community, you will do your civic duty on Tuesday and go to the polls to vote for the man who you feel will best represent your Ward as its Councilman, and for the man who you believe will best serve the people in Cleveland, regardless of their political or religious affiliation.

Ward 23 is comprised of a number of ethnic groups that have made this ward, which is in the heart of our near downtown district, one of the most stable and well maintained because of the individual efforts of its residents. These efforts, tho, must have strong support from those who are elected to serve the community in alert representation at planning, de-

veloping and community betterment projects. If you are concerned that our Ward 23 will be given all this consideration, which it rightfully deserves, then please do not fail to go to the Primaries and vote for Joseph Lamont for Councilman in Ward 23.

Joe Lamont is well known in the community. He has lived here all his life, and is the owner and operator of Lamont's Pizza Place at E. 63rd and St. Clair Ave. He is a Democrat and has been active in our neighborhood; he was among the first to give full support to the Perry Home Owners Association; he has promoted projects that have enhanced the community; as an avid sportsman, he helped organize the small fry in the Perry Little League and also managed the teams; he is always ready and willing to promote various undertakings that he believes will attract the young and teach them to perform worthwhile deeds while enjoying themselves.

A vote for a man whose heart is in the community will assure the Ward 23 residents the best representation in City Council — and such a man is Joseph Lamont, Democrat. Your vote will be appreciated!

Chapel Dedication Committee Expresses Heartfelt Thanks

Washington, D.C.—To all the several thousands who joined in the preparation of the great

Slovenian Pilgrimage to the Dedication of the Chapel of Our Lady of Brezje in the National Shrine of the Immaculate Conception we wish to express our heartfelt thanks.

Our special gratitude goes to all those who enhanced the magnificent celebration with their specific, individual and group contributions to the preparation and execution of the various Dedication events. We

are misleading. The endorsements are misleading because they imply that Domino and Spreckels supply more "strength, energy and stamina" than any other refined sugar, the FTC said. In a proposed complaint against the Amstar Corp., the FTC said the sports leagues were paid undisclosed sums to make Domino and Spreckels their "official sugar." The firm denied that any of its advertising is misleading or deceptive.

Oklahoma City, Okla.—Luther Eubanks, a federal judge whose hobby is gardening, took great pride in his yard. Then a helper turned the wrong valve and sprayed the

yard and flower garden with weed killer instead of insecticide. "It looks just like fall," the judge said.

* Pueblo, Colo.—Togetherness ended for the 18-year-old Meisel triplets when they graduated from South High School. Not only is their choice of schools different but also their choice of professions. Jonathan will attend Southern Colorado State College in Pueblo but his two sisters are leaving the nest.

Babette will enroll for airline training in Denver and Suzette will enter the Associate Art School at St. Paul, Minn.

* Vancouver, Wash.—It has been a rainy year in the Pacific Northwest, so Mrs. Steven Bearnes figured there had been a "little mistake" on her water bill. The city of

Vancouver's utilities department billed her \$1,309.60 in June. A check showed it was a key punching error — and not a leaky faucet — that raised the bill from the correct \$14.00.

* Idaho City, Idaho—This town, the center of a former gold-mining area said to have produced more wealth than the Klondike, housed 30,000 people at its peak. Today, with mining ended, 185 people live here.

program. The many honored guests from the United States, Europe and Latin America, particularly Senator Frank J. Lausche, added so much to the distinction of this great American Slovenian event. To the one hundred

and fifty pilgrims from Slovenia who joined us in the Dedication festivities goes our special appreciation for the great sacrifice they made in order to honor this American monument to Slovenian Christianity.

Personal messages to the Dedication pilgrims by President Richard Nixon and Pope Paul exalted the historic significance of the Slovenian Chapel in the

American National Shrine as a monument to the twelve centuries of Slovenian Christianity and a pledge for its future. For this we owe them very special thanks on behalf of all the Slovenian people everywhere.

READER SHARES BEST JAM RECIPE

The time for good buys in grapes is here. Don't know what to do with the grapes? Make some jam which will last all year long.

Good home-made jam tastes like a million! Our reader shares her favorite recipe with us.

QUICK AND EASY GRAPE JAM

by MARGARET KASTELIC

13 cups of grapes
10 cups of sugar

Wash and stem the grapes. Mix the grapes and sugar together. Let this mixture stand two to three hours or until the sugar is dissolved, stirring occasionally.

Put this mixture into an extra large kettle and bring to a rolling boil, stirring constantly.

Boil for exactly 12 minutes. Put through a strainer, and pour into jars.

Put on the paraffin while the jam is hot.

This jam will keep for years without crystallizing.

CAN'T KID CONSUMERS

The slogan "we care", which has attached itself to many worthwhile endeavors, has in a particular automobile agency, backfired. The consumer is not dumb and can immediately spot the difference between a phony gimmick and a sincere attitude of a sincere business.

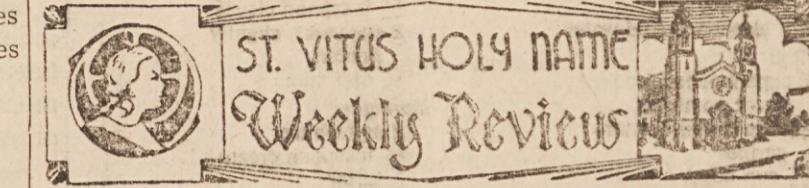

For example, an auto dealer in Detroit advertised that he really cared what his customers thought and asked them to write him with their questions, comments, complaints, etc.

According to a story in the Wall Street Journal, one couple who had purchased a "lemon" of the make of car advertised by the dealer, wrote him. A detailed account was given of their car's faults, which included a window that cracked as they drove down the dealer's ramp. Repair bills had totaled \$1,100 over a two year period.

The "sincere" dealer replied with a form letter stating, "we respectfully decline any factory participation as you requested."

Whatever that answer is supposed to mean is not clear at all. It indicates that the "we care" dealer didn't even take the trouble to read the complainant's letter.

Consumers find that action speaks louder than words and the phoneys will be and should be disregarded.

Southern Favorite Updated

An old-time southern favorite, sweet potato pie, is adapted for individual serving in delightful Sweet Potato Tarts. An up-to-date shortcut, dependable pie crust mix, assures tender, flaky pastry.

SWEET POTATO TARTS Makes 12 miniature pies

Pastry:
One 10-oz. pkg. Flako
Pie Crust Mix
4 tablespoons cold water

Filling:
2 cups mashed, cooked
sweet potatoes
1/4 cup butter or mar-
garine
2/3 cup sugar
1/4 teaspoon salt

Meringue:
2 egg whites
1/4 teaspoon cream of
tartar
4 tablespoons sugar

Heat oven to hot (400°F.). Empty contents of package into bowl. Sprinkle cold water by tablespoons over mix; stir with fork until just dampened. (If necessary, add another teaspoon of cold water to make dough hold together.) Form into ball. Divide dough into 12 equal portions; shape each to form a ball. Pastry line muffin cups by pressing pastry balls against bottom and sides of medium-sized muffin cups, 2 1/2 inches in diameter.

For filling, beat together sweet potatoes and butter. Add sugar, salt, cinnamon, nutmeg and cloves. Gradually stir in egg yolks and milk. Fill each pastry-lined muffin cup with filling. Bake in pre-heated oven (400°F.) about 15 minutes. Reduce oven temperature to moderate (375°F.) and bake an additional 20 minutes. Remove from oven and cool 5 minutes.

For meringue, beat egg whites with cream of tartar until frothy. Add sugar a little at a time, beating well after each addition; beat until stiff and glossy. Spoon a heaping tablespoonful of meringue on center of each pie; swirl. Return to preheated oven (375°F.) about 8-10 minutes or until slightly browned. Cool. Remove from muffin cups.
