Današnji evangelijski dlomek omenja cesarja Tiberija in Janeza, Zaharijevega sina. Tiberij živi v cesarski palači in ima veliko oblast. Janez pa se zdi nepomemben in nerazumljiv Jud, ki pridiga v puščavi. Vendar se Tiberija spominjajo le zgodovinarji, spomnim na Janeza pa bo živ, dokler bo živa krščanska vera. Janez je velik v potrpljenju in v vztrajnem pripravljanju Gospodove poti.

Janez je veroval, da je poklican. V samoti poščave je dozorel za oznanjevalca. Njegova beseda je bila neposredna, brez dvoumnosti. Bil je mož, čigar dušo je razplamtel nadzemeljski ogenj. Bil je mož besede, pridigar. Krst je bil posledica njegova pridiganja. Vsa njegova služba je bila v pripravi ljudi na Odrešenikov prihod. Uporabil je Izajievo izrek.

Njegovo sporočilo pa lahko pridigamo sleherni generaciji. Uporablja predstave iz fizičnega sveta, misel pa posega v duhovni svet. V zgodovini je človek pospeševal različne načine življenja, toda pot, za katero si moramo najbolj prizadevati, je pot, po kateri človek doseže svetost in resnico v vseh razsežnostih življenja. To je Gospodova pot. Človek, ki se je nanjo podal, bo velikokrat kot Janez Krstnik: glas vpijočega v puščavi. Vendar lahko ob tem upa na sporočilo najvišje resnice, ki mu bo v pomoč pri utrjevanju poti. Z njo bo napolnjeval doline nevednosti, nižal gore predsodkov in kljubovanja.

SVETO LETO

Izredno sveto leto usmiljenja je bilo uradno napovedano z *bulo Misericordiae vultus*. Začelo se bo 8. decembra 2015 na praznik Marijinega brezmadežnega spočetja, ko se bodo odprla tudi sveta vrata bazilike svetega Petra, ter se sklenilo 20. novembra 2016 na praznik Jezusa Kristusa, Kralja vesoljstva.

Jubilej usmiljenja je tematsko sveto leto

Jubilej Usmiljenja ni in noče biti veliko jubilejno leto 2000. Leto Usmiljenja v središče postavlja vero ter želi spomniti Cerkev na njeno primarno poslanstvo, da je namreč poklicana **biti znamenje in pričevanje usmiljenja v vseh vidikih svojega pastoralnega življenja**. Ravno tema usmiljenja je tudi pot dialoga z judovstvom in islamom ter pot preseganja težav, ki so javnega značaja.

Rupnikov znak svetega leta

P. Marko Ivan Rupnik je izdelal znak (logo) svetega leta usmiljenja. Geslo jubilejnega leta: Usmiljeni kakor Oče. Znak je prava mala teološka suma o usmiljenju. Prikazuje Jezusa, ki nosi izgubljenega človeka. To je bila pogosta podoba v starodavni Cerkvi, ki kaže na Kristusovo ljubezen do človeka, ko je z odrešenjem dopolnil skrivnost učlovečenja. Dobri pastir se tako globoko in s takšno ljubezni dotika človeka, da mu spremeni

življenje. S skrajno mero usmiljenja naloži nase človeštvo, njegove oči so prekrite s človekovimi. Kristus gleda z Adamovimi očmi in Adam s Kristusovimi. Vsakdo lahko tako odkrije v Kristusu novega Adama, lastno človeškost in prihodnost v Očetovi ljubezni. Umetnik je veličino Kristusove ljubezni do človeka umestil v podobo mandeljna, prav tako pogoste prvine starodavne ikonografije, ki predstavlja sobivanje dvojne narave v Kristusu: božje in človeške. Trije koncentrični krogi, ki prehajajo v vedno svetlejšo modro barvo, nakazujejo Kristusovo gibanje, ko človeka nosi iz noči greha in smrti, po drugi strani pa vedno temnejša barva predstavlja nedoumljivost Očetove vseodpuščajoče ljubezni.

Molitev papeža Frančiška za jubilejno leto

Gospod Jezus Kristus, učil si nas, naj bomo usmiljeni, kakor je nebeški Oče, in rekel si nam, da kdor vidi tebe, vidi Njega. Pokaži nam svoje obliče in bomo rešeni.

Tvoj ljubezni poln pogled je osvobodil Zaheja in Mateja zasužnenosti z denarjem, prešuštnico in Magdaleno iskanja sreče v ustvarjenih stvareh. Ganil je Petra, da je po izdaji jokal, in je zagotovil raj skesanemu razbojniku.

Stori, da bo vsak od nas prisluhnil, kakor da je njemu namenjena beseda, ki si jo rekel Samarijanki: 'Če bi poznala Božji dar!'

Ti si vidno obliče nevidnega Očeta, Boga, ki izraža svojo vsemogočnost predvsem z odpuščanjem in usmiljenjem. Stori, da bo Cerkev v svetu vidno obliče Tebe, njenega vstalega in v slavi bivajočega Gospoda.

Hotel si, naj bodo tvoji služabniki oblečeni v slabost, da bodo imeli pravo sočutje do

tistih, ki so v nevednosti in zmoti. Stori, da se bo vsak, h kateremu se bo približal kdorkoli od njih, čutil pričakovanega, ljubljenega in da mu je od Boga odpuščeno.

Pošli svojega Duha ter z njegovim maziljenjem vse posveti, da bo jubilej Usmiljenja leto Gospodove milosti in bo lahko tvoja Cerkev s prenovljenim navdušenjem revežem prinašala veselo sporočilo, azglašala zapornikom ter zatiranim svobodo in slepim vračala vid.

Po priprošnji Marije, Matere Usmiljenja to prosimo tebe, ki živiš in kraljuješ z Očetom in Svetim Duhom na veke vekov. Amen.

Kaj je Jubilej?

V judovski tradiciji je bilo vsako 50 letu jubilejno leto. V njem so bili Judje dolžni ponovno vzpostaviti enakost. Družine, ki so izgubile premoženje in svobodo so prejele novo možnost za enakopravno življenje. Danes je cerkev dala jubileju bolj duhovni pomen. Gre za splošno odpuščanje – odpustek odprt za vse. Je leto priložnosti za odvezo grehov in kazni, je leto sprave, spreobrnjenja in zakrumentalne pokore.

Kaj pomeni beseda »jubilej«?

Beseda je hebrejskega izvora »jobel«, ki pomeni ovčji rog, na katerega so piskali pri bogoslužjih med svetimi leti.

Zakaj se imenuje sveto leto?

Ker se navezuje na slovesne obrede bogoslužij in hkrati ker ima cilj svetost vseh ljudi.

Kaj so odpustki, posebej jubilejni odpustki?

Po nauku katoliške cerkve ima velik greh dve posledici: prikrajšanost v občestvu z Gospodom (večna kazen, pekel) in nezdravo navezanost na ustvarjene stvari (časna

kazen, prestajanje v vicah). Po spovedi Bog skesanemu grešniku podeli odvezo grehov in odpuščanje večnih kazni). Po odpustkih božje odpuščanje opravičuje tudi časno kazen za spovedane grehe, pomaga preseči z grehom nastali nered v človeku. Izraz jubilejni odpustek opisuje posebno milost, ki se ji človek lahko odpre in po njej popolnoma ozdravi v svetem letu.

Kako se lahko prejme jubilejni odpustek?

Z držo nenevezanosti na greh. S spovedjo. Udeležbo bogoslužji. Z dobrodelnimi dejanji in pokoro: na primer z romanjem v eno od jubilejnih svetišč v Rimu, Sveti deželi in po škofijah pri nas: Ptajska gora, Mariborska stolnica, Mati usmiljenja v Mariboru. Z vzdržnostjo vsaj en dan od kajenja in pitja alkohola, darovanjem sredstev v sorazmerju z osebno zadovo.

Kako se začne Jubilej?

Začetni obred je odpiranje svetih vrat. Gre za vrata, ki se odprejo samo med svetim letom, medtem ko so sicer zaprta. Taka vrata imajo štiri svete bazilike v Rimu, Sv. Peter, Janez v Lateranu, Sv. Pavel zunaj obzidja in Marija Velika. Odpiranje vrat simbolično sporoča vernikom posebno pot proti odrešenju. Sveta vrata drugih bazilik bodo odprta kasneje po odprtju svetih vrata bazilike sv. Petra.

Kateri je najstarejši katoliški jubilej?

Papež Bonifacij VIII je razglasil prvi jubilej 1300.

Je samo en tip Jubilejev?

Ne. Lahko je reden, ki se navezuje na vnaprej določene termine (nekoč vsakih 50, sedaj vsakih 25 let); izreden; poseben tj. vezan na prebivalce določenega mesta, province ali kraja.

Kdaj se zgodi izreden Jubilej?

Izreden Jubilej je napovedan za kakšen dogodek. Jubilej Božjega usmiljenja je napovedan zaradi 50. obletnice konca II. vatkanskoga cerkvenega zbara.

Kdaj so bili zadnji izredni jubileji? In kdaj prvi?

Zadnji izredni jubilej se je začel 25. marca 1983. Otvoril ga je papež Janez Pavel II, kot 1950 obletnica odrešenja Jezusa Kristusa na križu. Predzadnji je bil ob enaki priložnosti 6. januarja 1933. Prvi izredni jubilej je napovedal papež Sikst leta 1585 z napovedjo svojega pontifikata.

Kdaj je bil zadnji redni Jubilej? Leta 2000.

COOKING SESSION

Saturday, November 29th, was another FABULOUS day in the Kitchen at St. Gregory the Great. With 16 people participating in our Kitchen Secrets Cooking Session more traditional foods were demonstrated and sampled.

A special thank you goes out to Marija Volf who led our team of cooks as she demonstrated and helped our participants find the perfect touch to make Buhteljni. Her pleasant way of working with our group made the kitchen experience such a good time.

We can't thank Gospa Volf enough for taking the time and making the effort to come help us and share her tricks in the kitchen. The Buhteljni were awesome! Thank you also to Amalija Štadler who led the cooks in the kitchen as she demonstrated making zelje and žganci. There were a few people who were not fans of these dishes, but after making it and tasting it, they were pleasantly surprised and enjoyed this creation. Thanks Amalija for sharing your flair in the kitchen.

Our next session will be held in January, and we're almost full with only a few spots left. On January 16th, we will be making Perogies, so send me an email and hopefully we can fit everyone in. See you in the Kitchen! Heidy Novak (905-317-6002) novakh@sympatico.ca

BE THE FOLK IN FOLKLORE

Folklorna skupina "VENEC" was established to bring together people to help nurture fun, friendship and Slovenian folklore.

VENEC invites all interested in traditional Slovenian dances, singing, costumes and even playing instruments, to join their ranks. This group encompasses adults from throughout southern Ontario, from Niagara through to Toronto.

Our members have represented all the organizations and groups that call southern Ontario home. The mission of this group is work together to create one strong recreational group to represent the traditions of Canadian-Slovenians. Former members of dance groups, those looking to rekindle their youth, and those just interested in learning something new, along with a great group of individuals are invited to attend our practices on Sunday, **November 29th and Sunday, December 13th in the St. Gregory's Hall starting at 4:30pm.**

Old and new members (university age and older) are asked to help make this 6th season a memorable one learning some unique areas of Slovenia.

Bliža se božični čas in tudi okolica naše cerkve dobiva nekaj okraskov, drugi pa se pospravljajo. Cerkev zunaj in znotraj dobiva praznično podobo. Hvala Mirku, Joe-ju in Lojzetu, da so okrasili zelenje z lučkami. Prava loterija pa je v Kanadi najti mah na skalah. Z malo sreče se tudi to odkrije, če so okoliščine primerne za njegovo rast.

2ND SUNDAY OF ADVENT

Response: The Lord has done great things for us; we are filled with joy.

First Reading Baruch 5:1-9

The Lord reaches out to his people, who are challenged to welcome the Lord with joy and remove every barrier to his presence in their lives.

Second Reading Philippians 1:3-6. 8-11

When Paul calls the people of Philippi to mind and prays for them, he does so with joy. He urges them to increase in love for each other.

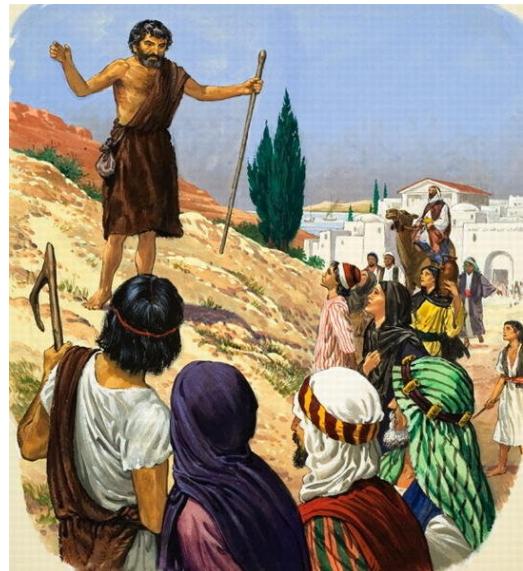

Gospel Luke 3:1-6

John the Baptist is firmly rooted in human history and geography as he is about to begin his ministry.

“Take off your dress of sorrow and distress, put on the beauty of the glory of God.”

Illustration

Fr Raymond E. Brown was a great twentieth-century New Testament scholar, writer and lecturer, whose books include his commentary on the Gospel of John and important works on Jesus' birth, passion and death. He once commented in a lecture that he had discovered that he shared with many of his New Testament colleagues a great passion for reading detective stories. He came to the conclusion, however, that this really meant he and his colleagues, when they thought they were relaxing with a good murder mystery, were taking their work home with them, because the art of

New Testament study is a bit like the art of trying to find clues in a good “whodunnit” type story. We have a kind of example of this with today’s first reading – not admittedly a New Testament text, but one that definitely needs a bit of unravelling.

The name “Baruch” heads the book from which today’s reading is taken, and there is a reasonably well-known Baruch in the Old Testament – the secretary to the prophet Jeremiah. It’s highly unlikely, however, that this Baruch wrote all of this very short book. Perhaps this Baruch wrote part of the book, but it looks as if today’s first reading came from a different source. Today’s passage shows every sign of having been written a considerable time after the exile, because the author refers to, but does not directly quote, a famous passage from the part of the book of Isaiah that was written towards the end of the Israelites’ time in exile. This is, of course, the passage applied to John the Baptist in today’s Gospel.

Gospel Teaching

Luke's Gospel introduces John the Baptist's ministry in much the same way as it introduced Jesus' birth. It provides a brief historical and political context, thereby rooting John's activity (as it did with Jesus' birth in the earlier episode) in the real situations of his time. So we are told that John began his prophetic ministry when Tiberius was in his fifteenth year as Roman Emperor, and Pontius Pilate was governor of Judaea – there's a chilling warning at an early stage, if ever there was one! Not only are we told when John got down to work, but we are given advance warning of Jesus' passion and death.

This is the first appearance of John the Baptist in this Advent season. He will reappear in next Sunday's Gospel as well. Next week, we will hear details of how he exercised his ministry and of what he said. This week, we read how he fulfilled prophetic words spoken six hundred years earlier: about preparing a way for the Lord, removing barriers between people and God, symbolised by filling in valleys and laying low mountains and hills. John is a prophet who urges his hearers to remove whatever distances them from God.

Baruch used similar imagery in the first reading, writing hundreds of years after the exile, but recalling the words of the prophet of the exile. Baruch's words are aimed at Jerusalem's citizens, to get rid of all sadness and mourning – presumably when this part of Baruch was being written, yet another disaster had befallen Jerusalem. So we have a two-part strategy here. In Baruch's words, this requires us to remove whatever is the opposite of the Good News of God's presence: so we are to do away with anything that prevents us recognising the approaching Lord – spiritual

"mountains", as it were, that block our view – and fill in the great gulfs that keep us at a distance from the Lord even if we are aware of his closeness.

Application

The beauty of prophetic, poetic images in the Bible is that they allow us to apply our own understanding of what they mean to our lives. It would be unhelpful to offer a detailed list of all the ways in which we could apply the references to mountains and valleys to our lives. We can say this much, however. Those mountains of Baruch, Isaiah and John the Baptist could represent anything that blocks our awareness of God in our lives. We have to identify these for ourselves. Likewise, the valleys might represent the gulf that exists either between ourselves and God, or between ourselves and other people. Mountains and valleys might be a good way of expressing what we need to get rid of, if we are to love God with all our energy, and our neighbour as ourselves.
