The Bells of St. Mary's

ST. MARY'S SODALITY

"O Mary, we crown thee with blossoms today, Queen of the Angels, Queen of the May."

To the strains of this traditional hymn shall Mary, our Heavenly Mother be crowned Queen of the Month of May in the church that is named in her honor.

The newly organized Junior Sodality and the school children will form a living Rosary.

Father Tome will be the guest speaker. Mary Svigel, assisted by Justine Pékol, will crown the Blessed Virgin.

All Sodality members are requested to meet at the study club room at 6:30 p. m. There will be a social in the study club room after the May Crowning.

ST. MARY'S P.T.A. NEWS

The regular monthly meeting was held last Thursday, May 8, 1947 in the study club rooms. The attendance at this meeting was greatly improved over the other meetings and we are striving to make our meetings interesting as well as educational and very sociable.

When it comes to being social I think our group is to be listed close to the top of the list. Our next affair shall be a Card Party to be held on Sunday, May 25, 1947 at 7:30 p. m. in the Basement Hall.

Another red letter day for our P.T.A. is to be on Sunday, June 15, at 3:00 p. m. This is the date of our POT LUCK SUPPER for the members and their immediate families.

The election of officers took place at our last meeting and the following members will be installed as new officers for the year of 1947 and 1948 term.

As a special treat at our last meeting for this term on June 12th we will have open meetings as any one interested may attend and later they may join us and be members too.

THE THRILL OF A BASEBALL GAME

Two weeks ago, Friday, May 2, Father Cimperman arranged for the school children to see a baseball game. We even had a chartered streetcar.

At 11:15 a. m. the children and P.T.A. members left to board the streetcar, while Father and a few bodyguards trailed behind.

On the way the conductor told a few boys how to operate the car; but personally, I think they gave him a headache.

When we arrived at the Stadium, we all sat down to wait for the game to begin. We waited for an hour without any doubt that it would rain.

At our last Euclid Vet's meeting quite a few things were discussed for our on-coming Festival on August 1, 2 and 3.

Such as: The Rules for Miss Euclid. Who's gonna be Miss Euclid for you to decide.

Can you guess what Ronald Alle brought? He brought a glove to catch ball. Lawrence Tiefenbach saw his first major game and we can say the same for Joe Zernic.

Prizes, street dancing, gaiety, laughter and concessions will be in store for all who attend.

One of our members at our last meeting suggested that a series of Socials should be held at least monthly for all members of the Euclid Vet's Club and their girls.

Mr. and Mrs. John Pizem, Jr. of 1373 E. 52 St. announce the engagement of their daughter, Florence, to Mr. Frank Petz.

Mr. and Mrs. Rudolph Hecovar of 6707 Edna Ave. announce the recent engagement of their daughter, Mary, to Mr. Frank Brodnik.

A certain conversation speaker, waxing wroth at the wasteful squandering of the nation's natural resources, beligerently challenged his listeners with: "I'll venture to say that not a man here ever lifted his finger to conserve timber."

"I have," piped up a little fellow in the front row. "What have you done, my friend?" rejoined the slightly mollified speaker.

"Well," explained the little man, "I have used the same toolpick twice."

Bill Grogan's Goat

Bill Grogan's goat was feeling fine. Ate three red shirts from off the line; Bill took a stick, gave him a whack; And tied him to the railroad track.

The whistle blew, the train drew nigh. Bill Grogan's goat was doomed to die; He gave three groans of awful pain. Coughed up the shirts and flagged the train.
