DO YOU WANT A CAREER!
 DRESSMAKING - DESIGNING - MILLINERY
 May be your road to success. Study under Madame Jeanne Darvas who studied in Europe and holds five degrees and who is now at your service. She has many years' teaching experience, and her graduates are working all over the country or have a business of their own. Because of the great demand, the Darvas School has added professional millinery to its course of study. Madame Jeanne Darvas established this school under her own name in 1910. Her honest effort to teach the public and her knowledge of the craft and trade of teaching won her recognition in this city and state.
