Režim perzijske province priznan

Obnova se je članov varnostnega sveta

Tehran, Perzijska, 23. apr.—Premier Qavam es Saltaneh je priznal vrhovne province Azerbadžan, ki je pred nekaj meseci proglašila avtonomijo. Predsednik te vlade je Jaafar Piševari.

Pričakuje se, da bodo vse sporne zadeve kmalu rešene. Vlada v Teheranu si je pridržala samo pravico imenovanja vojaških poseljnikov v Azerbadžanu, v vseh drugih ozirih pa se uklonila in pristala na zahteve Piševarejevega režima.

Predstavci province bodo vodili župane, sodnike, governerje in druge uradnike, toda centralna vlada bo imenovala generalnega governerja in vojaške poseljnice. Popolna politična svoboda je zajamčena predstavcem Azerbadžanu.

URADNO NAZNANILO

Navodila, kdaj in kako se volijo delegati in namestniki za trinajsto redno konvencijo

Prihaja čas, ko društva priznajo z volitvami delegatov za trinajsto redno konvencijo naše jednote, katera se letos vrši v mestu Eveleth, Minnesota, pri katerih se imajo člani, kakor društveni odborniki, držati naslednjih navodil, ko se bodo volili delegati in njihovi namestniki:

V smislu tretje točke pravil se imajo za redno konvencijo naše organizacije vršiti volitve delegatov in njihovih namestnikov med 1. majem in 30. junijem. Društvo, ki v času kot določajo pravila ne izvoli delegata, izgubi pravico do reprezentacije na konvenciji. Delegat ali delegati se lahko volijo na redni ali izredni društveni sej v omenjenem času.

Društvo, ki nima volitve delegatov, da društvo, ki štejejo mesec pred volitvami v konvenčnem letu sto ali več dobrostoječih članov, imajo pravico do enega delegata; društvo, ki štejejo dvesto petdeset ali več članov, imajo pravico do dveh delegatov in društvo, ki štejejo petdeset ali več dobrostoječih članov, imajo pravico do treh delegatov; nobeno društvo pa ne more na konvencijo poslati več kot tri delegate.

Društvo, ki nimajo zadostnega števila članov v svrhu izvolitve delegata, imajo pravico, da se združijo v doseglo potrebnega števila, nobena skupina društev pa nima pravice do več kot enega delegata. Društvo, ki že ne obstajajo polne štiri mesece ob času volitve delegatov, nima pravice do zastopanja na konvenciji.

Za dobrostoječe člane se smatrajo le oni, ki imajo točno plačan assessment in druge društvene ali jednotne prispevke.

Kandidatske sposobnosti za delegata, kot predpisane v četrtni točki pravil, so sledeči:

Delegat za redno ali izredno konvencijo sme biti le tisti član, ki je polnoleten, član jedote najmanj dve leti in član društva, pri katerem kandidira za delegata, vsaj šest mesecev; ki je reden (dobrostoječ) član ob času volitve; ki je prisostvoval najmanj štirim rednim sejam v letu pred konvencijo, ki ni bil sposoznan kriminališki, goljufije, poverbe ali žalivine od katere koli bratske podporne organizacije, krajevnega društva ali katerega koli civilnega sodišča in ki ni zastopnik kakšne privatne živilenske zavarovalne družbe, ali član glavnega odbora katere druge bratske podporne organizacije. Enake določbe veljajo tudi za namestnike delegatov.

Poleg delegatov volijo društva tudi namestnike delegatom, ki se volijo na isti dan in isti način kot delegate.

Vsek član, ki ima predpisane sposobnosti po določbah pravil, je lahko nominiran za delegata. Nominacija za delegata so javne, volitve pa tajne. Pravico do volitve imajo samo redni, aktivni—dobrostoječi člani, navzoči na seji. Na volilno listo morajo priti vsi, ki nominacijo sprejmejo in ki imajo predpisane sposobnosti. Društveni predsednik pa določi tri člane, ki niso kandidati za delegata ali namestnika, v poverilni odbor. Nadpolovična večina oddanih glasov odloča. To pomeni, da kjer so trije kandidati, je izvoljen oni, ki prejme več glasov kot njegov nasprotnik skupno, če takega števila ne doseže noben izmed kandidatov, tedaj se morajo vršiti očne volitve med kandidatoma, ki sta prejela največ glasov. Ista procedura velja za društva, ki volijo dva ali tri delegata in za namestnike delegatov. Društvo, ki imajo pravico do dveh ali treh delegatov, iste lahko volijo obenam.

Volitve delegatov ali namestnikov, ki bi se ne vrstile po predpisanih določbah 2., 3. in 4. točke pravil, bodo smatrane za neveljavne in tak delegat, če tudi bil izvoljen, ne bo priznan zastopnik.

Lokalne tajnike opozarjam na 3. točko pravil, katera določa sledete:

VEKU DESETIH DNI PO IZVOLITVI DELEGATA ALI DELEGATOV, MORA KRAJEVNO DRUŠTVO POSLATI GLAVNU TAJNIKU URADNO OBVESTILO O IZVOLITVI DELEGATA IN NAMESTNIKA. NJEGOVO POLNO IME IN TOČEN NASLOV.

Prosil in priporoča se, da naj društveni odborniki, kakor člani v splošnem paxi, da se bodo volitve delegatov vršile strogo v smislu pravil ter navedenih priporočil in da bo na sejah prevladovalo demokratično načelo, ki je temelj naše organizacije. Članstvo na sejah, ko se bodo vršile volitve, naj se da vsa prilika in pravica, da po svoji volji ter razsodnosti izvoli zastopnika ali delegata, ki bodo izraz želje večine. Ako bodo volitve izvršene v smislu tega priporočila, se lahko nadejamo, da bo med društvom in članstvom ohranjena dobra volja, zadovoljnost in vsestranski prijateljski odnos.

F. A. VIDER, gl. tajnik.

cestali na svoji seji. Izgleda, da bo perzijsko vprašanje ostalo na dnevnem redu celo po 6. maju, datumu evakuacije vseh ruskih členov iz Perzije.

Večina članov varnostnega sveta je zavzela stališče, da bo Perzija ostala pod močnim sovjetskim pritiskom tudi po evakuaciji ruskih členov. Možnost je, da bo več tisoč ruskih agentov ostalo v provinci Azerbadžan po evakuaciji sovjetskih členov. Člani sveta bodo morali razpravljati o zahtevi poljskega delegata, nato države v okviru Združenih narodov preigrajo diplomatske in ekonomski odnose z režimom španskega diktatorja Frančca.

Prebivalci province bodo volili župane, sodnike, governerje in druge uradnike, toda centralna vlada bo imenovala generalnega governerja in vojaške poseljnice. Popolna politična svoboda je zajamčena prebivalcem Azerbadžanu.

Tekio, 23. apr.—Člani vlade, katera predsednik je bil Kijuro Sidehara, so resignirali. Napoved je, da nova vlada, ko bo formirana, ne bo revidirala starejših in večjih obsegov. Novo vlado bo morda sestavil Ičiro Hatoyama, vodja liberalne stranke.

Marshall-zahteva preklic poročila

Ameriški letalci niso napadli kitajskih komunistov

Čungking, Kitajska, 23. apr.—Ameriški general George C. Marshall je pozval kitajsko komuniste, naj dokažejo ali pa prekličejo poročilo, da so ameriški letalci dvakrat napadli pozicije komunističnih sil pri Szepingpaju. Komunisti trdijo, da je bilo eno ameriško letalo streleno.

Poziv vsebuje poslanica, katero je Marshall naslovil generalu Enljau, poveljniku komunističnih sil. Sledila je preiskavi, ki je ugotovila, da ameriški letalci niso bili v bližini Szepingpaja in da nobeno ameriško letalo ne pogreša.

Marshall je poseben odpovedal predsedniku Trummu na Kitajskem. General Enljau je odgovoril na poziv. V odgovoru pravi, da še ni prejel uradnega poročila o ameriškem napadu na pozicije komunističnih sil, toda čital je v listih, da je bil napad izvršen.

Poročilo o napadu je objavilo glasilo komunistične stranke v Janunu. To se je glasilo, da so ameriški letalci metali bombe na pozicije komunističnih sil zadnjih petek.

Civilna vojna v Mandžuriji se je obnovila. Komunistične čete so okupirale Čangčun, glavno mesto to province, po porazu sil centralne kitajske vlade. Bojanjen je, da se bo civilna vojna razširila na druge pokrajine.

Marshall je konferiral z Enljajem in Kaišekom, načelnikom kitajske centralne vlade. Predmet razgovorov med njimi ni bil razkrivljen. Prej je bil objavljen razkrivljen. Prej je bil objavljen razkrivljen.

KAMPAJNA ZA TISOČ NOVIH NAROČNIKOV PROSVETE

Letos, 1. julija bo 30 let, odkar izjava Prosveta kot dnevnik. Prosveta je leta 1916 postala dnevnik vsled potreb jednote, kakor tudi vsled potreb sovenskega delavsko četrtcega naroda v tej deželi. Obe potrebi sta še danes prav tako nujni in aktualni kot sta bili pred 30 leti.

Na mestu je torej, da proslavimo to obletnico s tem, da dobimo Prosveti vsaj tisoč novih naročnikov za ta jubilej.

O tem je na zadnji seji razpravljalo tudi glavni odbor jednote in poveril izvršni odsek, naj za 30-letni jubilej Prosvete razpiše kampanjo za nove naročnike. Izvršni odsek je sklenil, da se

KAMPAJNA PRIČNE 1. MAJA IN KONČA 31. OKTOBRA

Te kampanje, ki bo trajala šest mesecev, se lahko udeleži vsak član ali članica SNPJ—čim več, tem bolje!

Vsa tekmovalca za nove naročnike je za svoje delo in stroške upravičen do 25 odstotkov od uplačane naročnine. To vsoto—od vsakega dolarja 25c—si lahko obdrži vsak tekmovalec, upravnemu Prosvete po posljive pravilno izpolnjene listke in ostalo naročnino, ki spada listu.

Poleg tega popusta—25%—od novih naročnin bodo tekmovalcem oddane tudi sle

PRIPRAVIMO SE NA VELIKO KAMPAÑO

Cleveland. O.—Pripravimo se, da pridobimo več kot tisoč novih naročnikov na dnevnik Prosveto, kakor je sklenil glavni odbor na zadnjem zborovanju. Upravnštvo je razposalo tozadnina pisma na vsa jednotina društva in menda tudi vsem stalnim zastopnikom. Saj jaz sem prejel tako pismo.

Torej glavni odbor je storil svojo dolžnost, enako uredništvo in upravnštvo, sedaj pa stoji agitacija in bodoči uspeh na zastopnikih in tajnikih, kateri tudi naročnikih, ki so pri volji pomagati pri agitaciji. Seveda, v poštev pridejo tudi glavni odborniki. Tisti, ki se ne bi sami hoteli direktno ukvarjati z agitacijo, pa lahko pomagajo drugim zastopnikom in agitatorjem. To bi rekli tako: vsak član SNP ali naročnik Prosvete ima kakšnega prijatelja, ki se ni naročnik na naš list, a mogoče že tisti prijatelj ali prijateljica čitala Prosveto, katera je še do danes najboljši slovenski delavski časopis v Ameriki, ter se ga skuša pridobiti na naročbo. Vsakdo lahko ve, da samo nekaj oseb ne more vsega izvršiti, v skupnosti pa je moč in uspeh, torej ved ljudi, več uspeha!

Zadnjic sem omenil, da bom pričel z mojo kampanjo že s prvim aprilom, kajti po mojem mnenju je april bolj ugoden mesec za agitacijo kot maj. Potem pa sem prisel do prepričanja, da je bolje, da ni nobene posebne kampanje (sicer pa moja kampanja traja že 29 let). Vendar pa sem v dobrem tednu pridobil sledče naročnike: Jennie Glazár, članica društva 748 SNPJ, Gregor Berguch, član društva 53 SNPJ, Frank Kavčič, Janez Ilc, Gorenja vas pri Ribnici, za katerega je naročila sestra mrs. Lušin, in Frank Urankar (5). Vsi so se naročili za celo leto.

Nekaj din poprej pa so se naročili: Leo Wolf (53), John Bartol (53) in Frank Zadnik. Te nove naročnike sem potem še enkrat obiskal in pozvezel, če točno prejemajo dnevnik Prosveto. Povsed sem dobil odgovor, da jo prejemajo v redu in da so z listom prav zadovoljni. Torej moja dolžnost bo, da ne bom prejemal samo denarja za naročino, temveč skrbel, da bodo vsi v redu prejemali časopis. Torej se lahko z zaupanjem obrnete name, kajti večni popotnik ima že mnogo let skušnje v tej stroki.

Ob zaključku teh vrstic kličem vsem, da se pripravimo na to veliko kampanjo, to je za ti soči ali več naročnikov na dnevnik Prosveto. Stopimo s korajem v to veliko tekmo! Za vse informacije se obrnite na moj naslov: 14214 Westropp ave. Anton Jankovich.

Predkonvenčne razprave

ŠE NEKAJ O
REPREZENTACIJI

Cleveland, Ohio.—Prosim, da minnesotska federacija SNPJ zavrnjo pove bratu Kobiju, članu št. 205 SNPJ, Duluth, Minn., da se je bil malo zmotil o "nekem" Barbicu, ko je citiral, da je ta fant za to, da bi jednota trošila denar brez potrebe.

Ozrimo se na zadnjo konvencijo—na plače delegatov. Predlog je bil večine in manjšine. Večina je bila za 11 dollarjev dnevnih in manjšina za \$12. Ta dopisnik je bil v istem odboru v večini, ki je bila poražena z 99 proti 149 glasovom. Če bi bilo tako kot so naši predlagali, bi prihranili na konvenčnih stroških \$4,056. To je ena izmed potrošnih brata iz Dulutha.

Druži, ta dopisnik še ni nujen, kako velika naj bo delegacija, ampak v glavo mu ne gre tista okrožna volitev, ki bi mizala vse stroške in bi bila velikanski profit za stare člane. Veste, prijatelji, jaz plačujem za pokojino in vem kako se lahko podpira stare člane. Plačevali smo za "insurance" \$2,50, ki nam ga je vsilila družba, toda družba je naveličala, ker je morala plačevati za nas socialno zavarovanje in tako smo šli z dežja pod kap. Potem je mesto kušalo pri družbi in sedaj je nova penzija, in sicer za stare malo ali nič, mladim pa veliko obeta. In koliko plačam, tovariš? Od vsakega dolarja, ki ga zaslužim, 5 centov, kar znese meščino \$12,50, preko tega ne smeši. To vam je dokaz, kako mora star član plačevati, če hoče, da bo neko nekaj dobil, ako ne bo šel prej v nebesa. Nekej dolarkov na stare dni. Pri SNPJ nekateri misljijo, da bi lahko pokojino plačevali, ako bi znižali delegacijo. Res? Kdor misli tako, se precej moti!

Član sem društva, ki šteje okrog 632 članov. Lansko leto smo imeli volitve delegatov za konvencijo, katera pa se ni vrnila. Po pravilih smo bili upravičeni izvoliti tri, izvršni odbor društva pa je priporočal samo dva, v tem odboru je bil uključen tudi dopisnik. Tukaj je posloven dokaz, da ni tisti Barbic vrnil propagande za veliko delegacijo, da bi zanj volila. Dopisnik bo živel do smrti že nekako, pa naj bo kjer koli, in z njim naj store njegovo bratje in sestre SNPJ kakor se jim zdi najbolje zanje in ne zanj.

Pred seboj imam tri zapisnice konvencij SNPJ, da pronađem, če sta bili zadnji dve najdaljši, kajti tako je zapisal br. Kobi. Konvencija leta 1925 je zborovala od 14. do 26. septembra, to je 12 dni in vmes je bila nedelja, torej skupaj 13 dni. Konvencija l. 1937 je zborovala od 17. do 28., vmes nedelja, skupaj 12 dni. Zdrževalna konvencija s SSPZ l. 1941 pa je imela vmes dve nedelje in je trajala 12 dni. Ako bi ne bilo potrebno radi priprav za združenje skupaj priti že v soboto, bi bila trajala konvencija le deset dni. Torej tudi gledate tega se je brat v Duluthu pomotil. Poleg tega je delegacija l. 1925 pričela zborovati že od tam do Vancouverja, kjer je št. 582, je okrog 35 milij. To bi bila lepa pot za zastopnike, da bi šli voliti delegate za konvencijo. Še dalj pa je iz Nanaima, ker je na otoku Vancouver v moru preko morskega zaliva, da pride v mesto Vancouver, od kjer bi potem nadaljeval po železnici 303 milje v Portland.

Kako se bi lahko znižala delegacija? O tem predmetu sem pisal že enkrat poprej in navedel Barbik. Za znižanje delegacije ne potrebujemo nobenih okrožij, temveč se enostavno spremeni število članstva, za koliko potrebujemo nobenih okrožij. Kako se bliža in ta dopis mora v poštni predel. Iz tega dopisa se boste lahko naučili, kaj vas čaka, ko boste volili po okrožjih — to je, če boste — Frank Barbic.

KONVENCIJA PRED DURMI A NOBENIH KONKRETNIH RAZPRAV

Milwaukee, Wis.—Na seji milwaukeeške federacije društva SNPJ se je razpravljalo tudi o pravilih SNPJ in toliko da je bil potem izvoljen odsek, kateri ima analogo pregledati pravila in podati priporočila delegaciji pri-

na konvenciji 276 zastopnikov ali 62 manj kot na 12. redni konvenciji.

Ako pa razdelimo tisoč na štiri zastopnike, bi volili še vsakih 250 članov enega delegata. Imeli bi 196 delegatov in 31 glavnih odbornikov, skupaj 227 zastopnikov. Po Gardinovi sugestiji, nameč na vsakih tri sto članov en delegat, vam številka pokaže 147 delegatov in 31 glavnih odbornikov, torej skupaj 178, kar bi bilo 160 delegatov manj kot jih je bilo na 12. redni konvenciji. Po Kobjevem načrtu pa bi imeli 98 delegatov in 31 glavnih odbornikov, če bi se vsi prisegli. To se pravi enega delegata na vsakih 500 članov.

Izkušenj vemo, če povisamo število članstva pri društvenih s 100 na 200, še ni s tem rečeno, da bo izvoljenih 245 delegatov, nameč če se vrši tako kot se sedaj z združenjem društev v svetu izvolitve delegata. Nekaterim se ne bo ljubilo, drugi pa ne bodo znali kako in kam. Izvoljenih bi bilo približno dve sto zastopnikov. Sedaj pa se vprašate, če bi bila to prevelika delegacija.

O. SMERNICA PROSVETE IN BILL OF RIGHTS

Milwaukee, Wis.—Mogoče se bodo čitalci spraševali: Kaj vrarga ima za opraviti ameriška ustava s smernicami Prosvete? Da, tudi meni ne gre v glavo ta jezuitska zmes, katero je napisal br. Molek v Prosveti z dne 10. aprila. Mislim, da je večini čitaljem znano, da je bil ta važen dokument; na katerem bi moral sloneti ameriška demokracija, spisan za časa federalizma. Seveda, tiste čase Amerika še ni poznala kapitalizma, imela pa je ljudi, ki so lastovali velikanska posestva, obdelovana po večini od sužnjev in pa tako zvezani sharecropperjev, ki pa tudi niso bili dosti na boljšem kot sužnji. Ti veleposestniki so igrali isto vlogo v iskoristjanju malih, kot jo igra danes kapitalizem.

Da očetje, ki so napisali "Bill of Rights," niso bili kapitalisti, rad verjamem in tudi priznam, da je vsebina tega dokumenta še vedno dobra, toda ameriška politična demokracija se je opirala na ta dokument le tedaj, kadar je to bilo v korist posedajočim slojem. To se je vršilo za časa federalizma ravno tako kot pod Rooseveltovem "new dealom," v katerega se je br. Molek tako zelo zanj.

Torej je trditev, da je "Bill of Rights" in ameriška politična demokracija eno in isto, prava jezuitska takтика zavajanja, katera se navadno poslužuje br. Molek, ako ne najde dlake v jazu. Da bi jo razcepil. Ko sem primerjal ameriško politično demokracijo z monarhističnim terorjem v Evropi in s fašizmom v Španiji in Rimu, nisem pri tem imel v mislih "Bill of Rights," ampak le tisto ameriško demokracijo, ki se spremeni tako karok jo potrebuje ameriški kapital za svoj razvoj in katero želi br. Molek zapisati v člen 36. jednotinah pravil, da tako spremeni delavski list Prosvete v navadno kropo.

Od Bellinghama do Seattlea je 118 milij, iz Hoquiamo ter Aberdeenina 135 milij, torej dobre štiri ure z avtomobilom, če vozite 55 milij na uro. Kdo bi plačal zastopnikom za vožnjo in dnevnične? Od zraka ne more nihče živeti dolgo in težko bi bilo vztrajati zastopniku, pa če je še tako navdušen v vnet za SNPJ in okrožne postojanke. V državi Oregon so štiri društva, v Oregon Cityju dve in dve v Portlandu. Ti dve društvi je pripravilo Blaž k priklopitvi k društvu v British Columbiji. Iz Portlanda do Bellinghamu je 303 milij in od tam do Vancouverja, kjer je št. 582, je okrog 35 milij. To bi bila lepa pot za zastopnike, da bi šli voliti delegate za konvencijo. Še dalj pa je iz Nanaima, ker je na otoku Vancouver v moru preko morskega zaliva, da pride v mesto Vancouver, od kjer bi potem nadaljeval po železnici 303 milje v Portland.

Ura se bliža in ta dopis mora v poštni predel. Iz tega dopisa se boste lahko naučili, kaj vas čaka, ko boste volili po okrožjih — to je, če boste — Frank Barbic.

hodne konvencije. Sestanek bo pri br. Primozichu.

Večinoma se strinjam z br. Joevom Uletom, članom društva 16 SNPJ, ki je priporočal, da morajo zdravi skrbeti za bolne. Obenem podpiramo sestro Krainz iz Detroita. Konvencija je že tako rekoč pred durmi, a do sedaj še ni bilo opaziti v glasili nobenih konkrenih v času primernih sprememb in izboljšav v prid splošnega članstva. Debata se samo o številu delegatov in plačah. Če je namen samo staro pravila potrditi in izvoliti vodstvo, potem rajši obrnite tisti denar za konvenčne stroške v druge dobre svrhe in izvolite delegate samo od federacij in končajte delo v nekaj dneh. Seveda, tak nasvet bi moral priti od zgoraj, ker tam to najbolj razumejo.

Naprej za razširjenje Prosvete!

S prvim majem se prične šestmesečna kampanja za razširjenje Prosvete. Idejo je sprožila znana jednotina agitatorica Mary Udovich iz Chicaga v "literarnem" kontekstu prošlo jesen. Mary je dejala, da bi se za 30-letnico Prosvete spodobilo, da bi imeli poštano ali živo kampanjo za razširjenje dnevnika. Ker se nam je ta sugestija dopadla, je prišla pred zadnjo sejo glavnega odbora, ki jo je svedoma odobril in naročil izvršnemu odseku, naj jo spravi v tir.

Cas je res, da imamo prvič po ustanovitvi dnevnika Prosvete res poštano, živo kampanjo za razširjenje lista. Prosveta je sicer najbolj razširjen slovenski list na naši novi domovini, toda je še tisoče slovenskih družin, yes, tudi še lepo število družin članov naše jednotne, kamor dnevnik Prosvete še ne prihaja. Razlog, da ne prihaja, ako že ne v sleherno, vsaj pa v pretežno večino slovenskih domov, je najbrže v tem, ker se nismo dovolj potrudili, da bi ga razširili.

Kot je rekla sestra Udovich, v zadnjih 30 letih, to je od ustavnove agitacije, nismo imeli še nobene kampanje za razširjenje Prosvete. Posamezni člani so sicer agitirali zanjo vsa leta, toda še nismo imeli organizirane akcije ali kampanje, v katero bi skušali zahtevati ali pritegniti vso organizacijo kot to delamo pri kampanji za nove člane. Enkrat, pred osmimi ali desetimi leti, je bila sicer sprožena, toda je ostala na mrtvi točki, brez kakšnega rezultata.

Sedanja kampanja pa ne sme ostati na mrtvi točki! Upamo, da bodo tega mnenja tudi naši aktivni člani in članice širom dežele in tudi v Kanadi, katerim sta jednota in Prosveta pri srcu. Prosveta ob svojem 30-letnjem jubileju zasluži, da ji ne pridobimo samo tisoč, marveč dva, tri tisoč novih naročnikov. Zakaj zasluži to?

*

Prvič, ker je Prosveta hrbitenica SNPJ. Sicer ne moremo demonstrirati črno na belem—matematično, toda smo trdno prepričani, kot je prepričanih tudi mnogo naših članov, da bi se jednota ne bila nikdar razvila v to, kar je danes: ne samo največja podpora organizaciji slovenskega delavstva v tej deželi, marveč tudi najbolj demokratična in z delavskim idealizmom in rodujbljem prezeta bratska ustanova.

Prosveta je bila tista sila, ki nam je od svojega začetka dajala inspiracije: vero v človeka in delavski razred, vero v socialno pravičnost in boljšo človeško družbo, vero v življenje na tem svetu in ne kje v mitičnih, po človeku ustvarjenih nebesih na "onem svetu"—nekje za brezkončnim vsemirjem! Slednje so sicer tudi lepe, tolažilne sanje, toda so do danes človeštvu več škodovale kot pa koristile, ker so ga uspavale duševno, ga tiščale v praznoverju in temi, da so preprosto ljudstvo lahko poljubno izkorisčali gospodarji sveta, privilegirani sloji in razni zajednici in valjeti v kuti in fraku. Kdorkoli uči preproste ljudske mase poniznosti in jih straši s peklom in hudičem na "onem svetu," tisti ni njihov prijatelj, ni prijatelj človeka. Prosveta ni tega nikdar delala in upamo, da tudi ne bo.

*

Drugič zasluži Prosveta, da prihaja v vsako delavsko hišo, ker je—delavski list: ker od svojega začetka stoji na braniku delavskih in splošnih ljudskih interesov. In sicer je eksponent delavskih interesov ne samo na gospodarskem in socialnem polju, marveč tudi v politiki.

Prosveta do danes še ni pozvala polovičarstva in upamo, da ga tudi ne bo, dokler bo izhajala: V mislih imamo ono polovičarstvo, ki na eni strani pripoveduje delavcem, naši se organizirajo v unijah ter se skozi nje bore za večji kos kruha, boljše delovne pogoje, na drugi strani jih pa uči političnega skebanja z glasovnicami—z uraganjem v volinjih kampanjah, naj glasujejo za to ali opono stranko gnilega, krivčnega kapitalizma, ki bruha iz sebe vojne, krize, fašizem in druga socialna zla.

In dokler bo delovno ljudstvo glasovalo za stranke ali pristaše, magari "progressivne" pristaše kapitalizma, toliko časa bo še tudi deležno vseh socialnih zla, ki jih poraja krivčno urejena človeška družba. Žal, da se ameriško delavstvo še ni otrelo tega polovičarstva in skebarije na volilni dan. Toda prihaja dan, ko se bo moralno odresti tudi te skebarije in si ustanovilo svojo lastno stranko s programom demokratičnega socializma, kajti drugače se bo v nekaj letih zopet znašlo v—"Hoovervillih," na industrijskem smetišču.

*

Tretjič zasluži naša Prosveta, da jo v tej kampanji razširimmo kot ni bila še nikdar razširjena, ker globoko simpatizira z našim herojskim narodom v starem kraju, ker veruje v njegovo pravico in nadvse epično borbo, ker veruje v njegove aspiracije in prizadevanje po zagraditvi poštene, socialno pravичne in lepše nove Jugoslavije, ki se dviga iz razvalin korupcije in izkoriscanja in neenakopravnosti in izdajstva pristašev starega reda—gnilega monarhizma, čaršajevstva in političnega klerikalizma, kateremu sta bila vera in Bog le sredstvo za izkoriscanje in držanje ljudstva v svojih pesteh.

Prosveta se za to svojo naklonjenost, za svoje globoke simpatije do naših herojskih bratov in sester v starem kraju, sploh do vsem partizanov, ki so umirili za svobodo, za pravico, za pravo, ne namisljeno ali polovičarsko demokracijo, za boljšo bočnost ne samo jugoslovenskega ljudstva, marveč vseh narodov—Prosveta se radi tega pred nikomur ne opravičuje, marveč je ponosna. Tudi se ne opravičuje, ako prinaša dolge kolone pisem in drugega informativnega in podučljivega materiala iz starega kraja.

Povedali smo tri razloge, zakaj Prosveta zasluži, da jo v tej jubilejni kampanji razširimmo kot ni bila še nikdar razširjena. Od vas, članic in članice, ki verujete v iste ideje in cilje in težnje

RAZNOTEROSTI Z NAŠEGA DRUŠTVENEGA POLJA

Cleveland, O.—Začetek kampanje za prispevke za otroško bolnišnico v Sloveniji, ki jo je v svojem področju pričela podružnica 48 SANSA in bo trajala mesec dni, je dober. V prvih dnevnih kampanjih so se odzvali slednici posamezniki in društva: društvo V. bo 53 SNPJ \$250, društvo Mir 142 SNPJ \$100, društvo Kras 8 SDZ \$100, Frank Turšič in žena (z Wilson Millard) \$40, Louis Lemut \$5, Mike Lah (namesto venca za pokojno Mary Jereb) \$5, ženski odsek SDD na Waterloo rd. \$100.

V soglasju glavnega odbora organizacije SANS je naša podružnica pričela s posebno kampanjo, ki se je pričela 15. aprila in bo trajala do 15. maja.

Torej začetek je tu. V tej kampanji so se izmučeni in se bomo morali odpoceti.

Naj omenim, da so po večini naši mladi fantje zopet doma.

Na bojni poljanah pa smo izgubili dva slovenska fanta, in sicer Alberta Kinka in Franca Možino.

Družinama izražam globoko sožalje!

Tisti, ki so se povrnili iz vojne, se štejejo med

srečne. Na nekaterih pa se o

pazi posledice vojne, kajti pre

stali so veliko mraza, strahu in

lakote. Mnogi pa so dali življenje za demokracijo vsega sveta,

Na zadnji redni seji dne 7. aprila je članstvo tudi razmotrivalo o otroški bolnišnici v Sloveniji, ki je v nato darovalo \$25 v ta

namen, kar bo poslan v glavni urad SANSA. Na dnevnem redu

je bila tudi debata o denarju, ki je bil nabran za 1. 1942 za prvo

pomoč v slučaju bombardiranja

te okolice. Denarja je ostalo

okrog \$245, katerega pa so se po

lasti nekateri voditelji v naselbi-

nini, doktori pa so bili denar njiho-

va last, ali kot da so ga oni sami

darovali. Ljudstvo je za to,

da bi se ta denar daroval za otroški

bolnišnico, dotedčni voditelji pa so

veliko mraza, strahu in

lakote. Mnogi pa so dali življenje

za demokracijo vsega sveta.

Vojne niso ljudstvu še nikoli drugoga pri-

nesle kot gorje in tugo. Pravega miru in demokracije ne bo

toliko časa, dokler bomo imeli tak

gospodarski sistem kot ga ima

mamo sedaj, in dokler ga bo

spremljala cerkvena propaganda,

ne moremo pričakovati bolj-

ših dni in časov.

Na koncu naj še omenim, da

bo ženski odsek priredil veselico

27. aprila. Imeli bomo eno

najboljših godb v tej okolici.

Torej ne pozabite te veselice!

J. Jerala.

AKTIVNOSTI DRUŠTVA 259 SNPJ

Meadowlands, Pa.—Po dolgem času se zopet oglašamo. Najprvo želim informirati članstvo 40-letnem jubileju, ki se bo vršil 10. novembra v obvez dvorani 259 SNPJ, da se bo vršila naša redna seja od sedaj naprej v spodnjih prostorih Matta Premra (Matt Premra's basement). Tako je bilo sklenjeno na zadnji seji.

V naših časopisih čitamo, kako po vseh naselbinah zbirajo denar za zgradnjo otroške bolnišnice v Sloveniji. Tudi naša redna seja od sedaj naprej v kampanjo za novo članstvo, klub temu, da smo eno pravkar skončili, v kateri, žal, nismo dosegli določene kvote.

Na tej seji smo tudi izvili poseben odbor za zbiranje prispevkov za otroško bolnišnico v Sloveniji. Kadar vas obiščemo, dajte nam ali odločili, da gremo v kampanjo za novo članstvo, klub temu, da smo eno pravkar skončili, v kateri, žal, nismo dosegli določene kvote. Upam in pričakujem od članstva 259 SNPJ, da bo vse želite sodelovati.

Na prihodnji seji, ki se bo vršila 12. maja, bomo izvolili delegata za 13. redno konvencijo.

V imenu društva 259 SNPJ izražam globoko sožalje družini Cokel, ki je izgubila 13-letnega sinčka. Ubit je bil od nekega brezvestnega avtomobilista, ki je pokončil življenje.

Ker je potreben spraviti skupaj \$150,000, moram tudi naznati, da je bilo sklenjeno na seji društva 476 SNPJ, ki se bo vršila 14. aprila, da tudi priredimo piknik 30. junija za isti namen. Zopet bomo rekle, "polka je ukazana, tla so namazana . . ."

Zahvaljujem se Petru Šteru iz Clevelandja za Adamičeve knjige, katere so že na potu v staro domovino.

nuštu, ki v mesecu pred pričetkom volitev šteje sto (100) ali več

društvočnih članov, manjša društva pa se lahko združijo za do-

sto članov in pošiljejo skupnega delegata. Pazite torej na do-

število in čas! Ni dovolj, če je društvo šteло sto članov me-

mica ali februarja ali kdaj prej, niti ne zadostuje 99 ali kako

manjša število—v smislu pravil mora biti najmanj 100 dobrostoje-

članov ob koncu meseca aprila za enega delegata, najmanj 250

dva in najmanj 500 dobrostoječih članov za tri delegate. Druš-

stvo, ki so štela zadnji mesec uprav 100 članov ali morebiti par več,

torej skrbno pozitiv, da do konca aprila ne padajo pod 100, ker

tem bi zgubila pravico do zastopstva na konvenciji.

viti, da ima glavni urad zagotovilo in potrebovno kontrolo nad

rajte to!—

Volite pred nam Nahajamo se že pri koncu meseca aprila in tukaj pred volitvami delegatov.

Naša pravila namreč določajo, da se volitve za redno konvencijo

v mesecu maju in junija tistega leta, v katerem se vrši kon-

vencijska doba naših volitev se torej prične prihodnjega prvega

leta in bo trajala do konca junija t. 1.

V tem oziru so naša pravila dokaj liberalna. Kajti za izvolitev

delegatov imamo na razpolago celo dva meseca. To daje vsakemu

članu dovolj časa, da se dobro pripravi in izbere iz svoje srede

a kako najbolj zaupno in sposobno osebo, da ga zastopa na kon-

vencijski, kar se upravičeno tudi pričakuje, da bo vsako društvo po-

močno storiti.

Vendar se po izdajanje z volitvami do zadnjega ni dobro in ni pri-

vredljivo zlasti za združena društva. Večina teh je oddaljena

tudi od drugega tako, da ne morejo obdržavati skupnih volitev.

Ko je večje število kandidatov, se rado zgodi, da pri prvih voli-

tivah noben ne dobi absolute večine glasov. V vsakem takem

kazetu morajo slediti ožje volitve, kar pomeni, da volitev ni mo-

mogoča dokaj izvesti na prvi seji, temveč se morajo nadaljevati

pot na prihodnji ali se mora vršiti celo več sej radi tega. Za

ta skupina društva je torej priporočljivo, da poskušajo izvesti

večje volitve takoj v prvem mesecu volitvene dobe in se tako za-

gorajo za vsak slučaj.

★ ★ ★

menovanje kandidatov Iz prejetih poročil je razvidno,

da nekatera društva, ki so se

društvo najprej svoje kandidatske volitve, to je, da izbere iz

sedeje ne soglaša z določbami naših pravil. Po našem volil-

sistem je upravičeno do kandidature vsak član, ki ga kdo

sprejme nominacijo in je drugače v smislu pravil spo-

ben in kvalificiran za delegata. To velja za združena društva

tako kakor za posamezna. Imena vseh kandidatov morajo iti

v volilno listo, neglede koliko jih je. Združena društva morajo

upravičiti pač to odgovornost, da se točno med seboj obvezajo o

kandidatih in sklep, da imena vseh kandidatov vsakega društva

sklep, ki se upraviči pridaje na volilno listo pri vseh društvin potem

kot koliko glasov je kateri kandidat prejel pri katerem društvu.

stvar. Prav za prav spada to med najbolj važne kon-

vencijske pravila. Je že res, da imamo precej dovršena pravila,

zavarovalni sistem, izvrstno upravo itd. Res je, da smo

izboljševali in poskušali našo dobro jednoto držati na višku

tudi v rabi je se mesta za nadaljnjo izboljšavanje in izpopolnitve.

Te vrste sugestije in razprave v našem glasilu so torej

posredka, toda nobena organizacija ni v vsem absolutno popolna

OFFICIAL NOTICE

Time and Manner of Election of Delegates and Alternates for the Thirteenth Regular SNPJ Convention

The time is rapidly approaching when local lodges will begin electing delegates for the 13th regular convention of our organization, which will take place this year, in the city of Eveleth, Minnesota. In electing delegates and alternates, membership, as well as lodge officers, must abide by the following procedure:

In accordance with Section 3 of the by-laws, the election of delegates and alternates for a regular convention of the society should be held between May 1st and June 30th, inclusive. In the event that a lodge fails to elect a delegate during the time as described in the by-laws, it loses the right of representation at the convention. Delegates or delegates are elected either at the regular or special lodge meeting during the determined period of time.

Section 2 of the by-laws provides that each local lodge having one hundred or more members in good standing in the month prior to the election of delegates to the convention, is entitled to one delegate; lodges with a membership of 250 or more to two delegates and lodges with 500 or more members in good standing to three delegates, but no lodge shall have more than three delegates at the convention.

Lodges that do not have the required number of members for election of a delegate may merge with another lodge in order to attain the required number; no group of merged lodges shall be entitled to more than one delegate. Lodges that are not in existence four full months at the time of the election of delegates, shall not be entitled to representation at the convention.

Members in good standing are considered those who have their assessment and other lodge and society obligations paid up to date.

Qualifications for candidacy as set forth in Section 4 of the by-laws, are as follows:

No member shall be eligible as a delegate or alternate to a regular or special convention of the Supreme Legislative Body who has not attained his majority, and who has not been a member of the Society at least two years, and a member of his local lodge at least six months. A member who is not in good standing at the time of election shall not be qualified as a delegate or alternate nor shall a delegate or alternate be qualified who has not attended at least one-third of the twelve regular meetings prior to the election. Any member who has been found guilty of fraud or embezzlement by any fraternal society or any lodge thereof or by any civil court at any time or who is a representative of any life insurance company or who is a member of the Supreme Board of any other fraternal or mutual benefit society shall not be eligible as a delegate or alternate.

Lodges shall, besides delegates, also elect alternates in the same manner as delegates.

Any member whose qualifications correspond with the by-laws may be nominated for a delegate. Nominations are open, elections by secret ballot. Only members in good standing and present at the meeting, shall be entitled to vote. All those who accept the candidacy and are qualified, must appear on the election ballot. For credentials committee, president of the lodge appoints three members who are not candidates for delegate or alternate. Final decision rests with the majority (more than half) qualified voters in attendance. This means that in those instances where there are three candidates, elected is the one who receives absolute majority of votes cast, that is, more votes than the other two combined. If such a majority is not attained by any of the candidates, then the election should be limited to those two candidates who received most votes. The same procedure applies for those lodges who are electing two or three delegates and alternates. Lodges who are entitled to two or three delegates may elect them simultaneously.

Election of delegates and alternates not conducted as prescribed by Sections 2, 3, and 4 of the by-laws, will be considered invalid, and such a delegate, even if elected, will not be acknowledged for representation at the convention.

Local lodge secretaries please take note of section 3 in the by-laws, which stipulates as follows:

WITHIN TEN DAYS AFTER THE ELECTION OF DELEGATES AND ALTERNATES, THE LOCAL LODGE SHALL CERTIFY TO THE SUPREME SECRETARY THE NAMES AND ADDRESSES OF THE DELEGATES AND ALTERNATES SO ELECTED.

It is requested and suggested that local lodge officers, as well as membership, watch that the election of delegates be conducted strictly as provided by the by-laws and suggestions set forth in this article. The entire procedure should be governed according to democratic principles, which are the basic foundation of our organization. So that the will and desire of majority will be prevalent, membership attending the meeting at which the election will be held should be given full opportunity to elect the delegates and alternates according to their best judgement. If the election shall be carried out in the spirit suggested, there can be no doubt that good will and amicable relationship will predominate among the membership and lodges.

F. A. VIDER, Supreme Secretary.

This and That: Sis. Markoff received a letter from Johnny and Julia Cepak, who are now living in Reno. We're glad to hear from you, Johnny and Julia.

Many Bursich is back in St. Louis and we are all looking forward in seeing you at our meeting. We are sorry to hear Barbara Loncaric has been suffering with the mumps. Here's hoping you will be well again real soon. We're glad to hear that Sis. Mary Petrovich, who has been very ill, has reported well. Hope you can attend one of our meetings soon.

Members are asked to be present at the May meeting to help the planning committee along with their plans. Since the Admiral will operate this summer, I'm sure all our members are in favor of a boat excursion down the ole Mississippi. The last time Spirits held a boat excursion all those who were present really had a grand time.

Members are again reminded to donate toward the drive, sponsored

Our Times

By Louis Beniger

TOP SECRET is the name of a new book that promises to become an important revelation of British machinations in World War II.

The book was written by Ralph Ingersoll, editor of the New York newspaper PM, who was an officer on the European theater headquarters staff.

Ingersoll makes many charges against the English command and against Winston Churchill. He charges the British of devising the strategy of the war for their own interests and scheming to obtain control of the American forces for their own benefit.

The British did this through various intrigues, and in many instances they succeeded in gaining control of our forces.

Ingersoll, according to book reviewers, doesn't pull any punches in naming persons involved in the British scheme.

WHILE the author has high praise for General Omar N. Bradley, and even for General Patton, he deflates General Eisenhower considerably for his indecision.

According to Ingersoll, Eisenhower was supreme commander in the European theater only in name, while British generals were really pulling the strings and scheming against our generals. They outmaneuvered him and outshamed him at nearly every turn.

Not so Bradley and Patton. In fact, Ingersoll says that Bradley proved to be our best general during the invasion of France and later when he crossed the Rhine at Remagen on his own initiative against the scheme of Montgomery, the British fox, who was known by the nickname, "The Master."

In short, Ingersoll shows that the British were trying to gain control of Europe while Russia was bleeding white and America was supplying the allied armies—and the British were getting the glory.

THIS WEEK the foreign ministers of the Big Four are meeting in Paris to discuss peace treaties for the defeated Axis satellite countries in Europe.

On the agenda at the conference will be Finland, Hungary, Romania, Bulgaria and Italy. While we were not at war with Finland, peace treaties will have to be made for the other three Axis satellites, also for Italy which was the Axis junior partner.

What concerns all of us—every Slovene and Jugoslav American—is the peace treaty that will be made for Italy.

It concerns us because of Trieste and the entire Istrian Peninsula where approximately 700,000 Slovenes and Croats live. This territory and the people must be reunited with Jugoslavia!

What are the prospects that justice will be done to our brothers in Primorje?

As things stand now, Russia is supporting Jugoslavia's justifiable claim, and so is France, while Britain, as always, is again scheming to sell our people down the river, and America is faithfully supporting the British plot.

This plot of the British imperialists and American monopolists must be thwarted in the interest of justice and world peace!

Lodge No. 130 Mourns Death of Mrs. Gornik

EVELETH MINN.—SNPJ Lodge No. 130 reports with sorrow the death of Mrs. Jacob Gornik, member of our lodge. MARY KORDAN, who is the manager of our successful Juvenile Circle at Salem, Ohio took an active part in the ESL 20th Anniversary drive as is evidenced by her enrollment of 17 of the total of 32 new members credited to Lodge 476. The remaining 15 were secured by Secretary Frank Hrvatin. The assigned quota of the lodge was exceeded more than four times. Congratulations!

SNPJ Wolverines

DETROIT, MICH.—On Saturday, April 6, was the Wolverine victory dance held in honor of those servicemen members who have returned home, and although we ran short of refreshments, a good time was had by all. It was nice to see so many familiar faces again, and although one may have thought the old Wolverine spirit had died down during the war, this dance certainly made you think to the contrary.

It felt good to be dancing those polkas and waltzes again at the Slovene Hall, and we wish to thank Pink's orchestra, at this time, for the fine music he furnished. Thanks are also in order for those members who cooperated so wholeheartedly in procuring what refreshments we had, in the ticket selling, bartending, lunch room and check room. True Wolverine spirit was shown at this dance. We Wolves appreciated the fine turnout of the Young Americans, our sister lodge, and sincerely hope that in the near future they give a dance for we will surely attend in full number.

A certain amount of the proceeds from this dance will be put aside for the necessary expenses incurred in organizing our softball team. All those interested will please contact our sports committee; namely, Larry, Eddie, or Al Bernick, who are going to do their best to organize a good team.

Attention all bowlers! Remember the Eastern Invitational tournament which will be held here in Detroit this weekend, April 27 and 28, and will be sponsored by the Young American Lodge 564 and Wolverine Lodge 677. How about it, folks? Another successful event is in the making!

Our next meeting will be held at John R Hall on 6 Mile and John R, the second Sunday in May, the 12th, at six p. m. We would like to see more of our members and returned G. I.'s attend our meetings because we are always open for suggestions and would like some new ideas regarding events to take place this summer. The latest is a Halloween masquerade ball.

We would like to bring to your attention, at this time, that all members should return the dance tickets that were not sold to either Sister Tony Bogatay, 9392 Pinehurst, Detroit, or Bro. Rudy Bernick, 4553 Rosalie, Dearborn, Mich. Your prompt action will be greatly appreciated.

We wish to express our sincerest wishes for a speedy recovery to "Jiggs" Bogatay, our good friend and booster, who is in the DelRay Hospital.

Thanks are also in order for Sister Millie Bernick, who kept our members posted on all the latest

N. Y. All Americans

BROOKLYN, N. Y.—The next meeting of Lodge 580 is scheduled to take place on Sunday, April 28, at the Slovene Hall, promptly at 4 p. m. Members are urged to attend as any number of important matters remain to be discussed.

A speedy recovery is wished for Gertrude Mutz, who is on the sick list at present. Katherine Stuart proposed her brother for membership and we hope to initiate him at this meeting. John Lenski will donate another couple of hundred yards of material for Jugoslav relief. Clothes donations, school supplies are always accepted by the local relief committee. Bring your donations to the Slovene Hall, downstairs.

Lodges 140 and 580 will merge in order to elect a delegate to the SNPJ convention. Meeting date for election will be given later.

On Tuesday, March 26, Jugoslav independence day program was held at the Metropolitan opera house.

This celebration inaugurated a \$5,000,000 health program for Jugoslavia. On this special occasion many notables performed. Actor Melvyn Douglas was the master of ceremonies. Schola Cantorum was a huge mixed chorus who opened the program; Carlos Salzedo played the harp, Lawrence Tibbett, Zinka Milanov and Louritz Melchior were the soloist; Zlatko Balkovic, Senator Glenn Taylor, Lt. Nada Kraigher, Sergej Makiedo and Louis Adamic were speakers. Skillful dancing was supplied by professionals such as Jane Dudley, Sophia Moshaw and William Bates and team Irina Baranova and Igor Youskevitch. Marshal Tito was scheduled to address the audience from Jugoslavia but transatlantic transmission difficulties prevented this.

The Slovenian American National Council is at present soliciting funds to construct a complete children's hospital in Slovenia. The quota is \$150,000. Certainly we can attain this goal. SANC has obligated itself to assume all expenses with this campaign, therefore, every penny raised for this fund shall be exclusively for the construction of the project and equipment.

On Saturday, April 6, at a small affair at the Slovene Hall in Brooklyn, \$547 was already contributed and forwarded. Everyone is urged to contribute toward this necessary and most worthwhile cause. This lodge secretary is willing to accept your donations at any time.

A letter from Lt. Frank Padar states: "The big news here is that the presence of the U. N. delegation here is causing a great many demonstrations and parades in the disputed Primorje area. There have been quite a few clashes between the Jugoslav and the Italian factions. There are flags and slogans on every building and both the Jugoslav and the Italian versions of the flag have a red star in the center. It has become so violent that both Trieste and Gorica are 'off limits' to allied troops."

All members and friends attending the Slovene Hall at any time are asked to look at our newly acquired bulletin board which is downstairs. This was made exclusively for the "Junior All Americans," Juvenile Circle 56, by Walter Derganc, member of Lodge 140. Thank you sincerely, Bro. Derganc.

JENNIE PADAR, 560.

NATIONAL BOWLING TOURNAMENT HUGE SUCCESS

The tenth annual SNPJ National Bowling Tournament came to a successful conclusion early Sunday evening, April 14, at the Linsz Recreation in Cleveland, Ohio. The SNPJ bowling champions of 1946 had been decided here during the two and half days of tournament activity. All that remained of the tournament program after that was the announcement of the champions, the presentation of the trophies, and later the distribution of cash prizes among the various winners.

The only title winners about whom there was any doubt at that early hour were the two all-events champions, but even of these there was reasonable certainty in the minds of the tournament officials that no serious threat would come from the scores of the last squad to those posted earlier in the day. That's how well the tournament committee in charge—John J. Spilar, secretary, and his two able assistants, George Jelinek and Joseph Mathews, had things under control. Less than a half hour after the tournament events had been concluded, most of the trophies, which had been on display at the alleys, were presented to the champions who had waited for this important climax to take place, and movies were taken of them, as well as photographs for the official organ.

A short time later, the Linsz Recreation, which had been taken over by a gathering of more than 500 enthusiastic and highly hopeful SNPJ keglers and hundreds of spectators during the past two days or so, was quiet and almost deserted. The only signs remaining of an SNPJ bowling tournament were the scores posted on the wall near the entrance and the three-man committee in their office, busily checking the final scores before hurrying off to the Slovene National Home on St. Clair Avenue, where many out-of-towners and local members had gone to wind-up a hectic week-end, there to eat, drink and be merry, and to say their farewells before departing for their homes. Thanks to the Cleveland SNPJ Athletic League—the committees, lodges and members, all had a grand time at the bowling tournament and at the Slovene National Home, the kind of good time that will make most of them anxious to be at the next big reunion of the SNPJ wherever it will be staged.

Not many spectacular scores were rolled in this year's national tournament. Only one former record was broken and that was the doubles mark of 1228 shot in 1942 by Robert Travnik and Elwood Blake of the Detroit Young Americans (564), and it was the same pair who teamed up again and smashed their own record by a margin of six pins, shooting a 1234 on the very opening squad, Friday night. The nearest any combination game to that total was the 1163 rolled by two other outstanding keglers, Rudy Pugel and Anton Verbick of the Milwaukee Badgers (584).

The Utopian champs, who were defending the title won last year, lived up to their season's reputation and proved themselves to be of championship caliber by blasting the maples to the tune of 1041-987-927 for a combined total of 2955, winning the SNPJ team title for the second year in a row. George Jelinek, holding down the anchor position, led his squad with a blistering 679 series on games of 244-216-219 for what was probably the best individual performance of the entire tournament. Jelinek also copped the tournament all-events title with a fine total of 1779, forty-two pins higher than the nine-game total credited to Joseph Mathews, his team mate and committee member.

France Preseren (34) of Indianapolis took the runner-up honors in the team event with a handsome total of 247. The Loyalties (580) followed with 2679, and after them came the Wolverines (677) supported by a 2602 total. The highly-touted Badger and Young American No. 1 teams, the Strabane 589 "Sharpshooters," the Pioneer 559 "Flashes," and others, who were expected to tumble lots of lumber in their quest for high honors and prizes, failed to penetrate the 2600 mark. The players were really tough.

Matt Levar of the Badgers (584) won the singles championship of the SNPJ with a splendid 664 series, including the near perfect 279 high game of the tournament. Close behind was Joseph Morolt of the Utopians (604) with a 658 total and a 265 high game. That's real shooting in any man's tournament.

In the women's division of the national bowling tournament, the Detroit Young Americans No. 1 team, rolling on the last squad Sunday afternoon, came through in terrific style to win the SNPJ championship for the first time. No other Detroit entry in this class was able to ac-

complish this feat in the seven years that they (women) have participated in the Society's national bowling classic. Strong opposition was furnished by a number of other teams, particularly by the "star-studded" Napredne Slovence (137) team of Cleveland who were competing against them on the same squad only a few lanes away, but the two powerful opening games of 820 and 849 enabled them to top the field in a very exciting finish. The Young Americans gave their supporters a genuine scare in the final game, when they almost threw opportunity out the window by slipping to a mediocre 728 total and with it saw their hopes of establishing a new record fade out of sight. However, they recovered enough of their form in the last two frames to beat the lassies Napredne Slovence team by 16 pins, and were well ahead of the defending champions of 1942 and 1945, the Badgerettes (584) and France Preseren (34), who had to be content with third and fourth places, respectively. It was a proud Detroit team that faced the camera after the tourney and accepted the beautiful trophy emblematic of the SNPJ championship of 1946.

The doubles event saw Jane Perko and Clara Medved collaborating nicely to assure a second title for the Milwaukee Badgers, shooting a combined total of 1050, only sixteen pins below the record high. In second place, 52 pins behind the leaders, were Sophie Krapes and Ruth Kreftel, representing the Hoosier Pals (575) of Indianapolis.

The singles championship of the SNPJ will be shared this year by two young ladies, Angeline Mosina and Dorothy Berkopes of France Preseren (34), Indianapolis, each getting a 532 series in this event. This is the first such tie recorded in national tournament competition. Both bowlers will receive trophies from the SNPJ. In addition to the singles crown, Dorothy Berkopes also led the tournament in all-events with a nine game total of 1574. Trailing her in second place was Clara Medved of the Badgers with a score of 1516. High game honors went to Valerie Debelak of the Cleveland Spartans (376) who rolled a beautiful 222 game. That in brief is the story of the SNPJ bowling champs of 1946.

The tournament social and housing committee, headed by Marie Stefanie, Molly Koren and Agnes Jeric, did their level best to please everyone and succeeded in doing a grand job despite many last minute difficulties . . . Bowling Taps

Most of the leagues have finished their schedules. Some very good scores were shot for the finale. In the Remic Mixed, Joe Giayan was easily pouring his pellet into the strike zone as he garnered a total of 668 on games of 187-224-237. A nice finish, Joe. Josephine Smanz also hit the pocket with unerring aim as she finished the season in a blaze of glory, cracking the high for the year among the lassies. She smacked the pocket for a total of 528 on games of 192-236-200. In the Ned Day home Tony Verbick was also on the beam when he splattered the setups for a total of 664 including a 279 game.

We are all looking forward to the Midwest tourney which will be held in our fair city May 4-5. The affair will be held on the Silver City Lanes which are operated by two SNPJers, Louis Evanich and Frankie Verbick. Sponsoring the affair will be the Jolly Allis gang from that "little" town of West Allis. Please co-operate and be on the alleys on time for your bowling. See you all there.
