Official Organ of the GRAND CATHOLIC SLOVENIAN CATHOLIC UNION of the UNITED STATES OF AMERICA. Maintained by and in the interest of the Order. Issued every Tuesday. OFFICE: 6117 St. Clair Ave. CLEVELAND, OHIO. Telephone: Randolph 3912.

IZ URADA DUHOVNEGA VODJE.

Dragi mi bratje in sestre: Zopet se nam približuje velikonočna doba. V tem času je dolžnost vsakega dobrega člana naše dične K. S. K. Jednote, da izvrši tozadevna pravila in določbe naše organizacije. Ta dolžnost nam veva, da moramo prejeti zakrament sv. pokore (opravititi spoved) in sv. obhajilo. Tega ne zahteva samo naša Jednota od vsakega posameznega člana, ampak tudi naša mati sv. katoliška Cerkev nam naravnost zapoveduje, da prejmemo te sv. zakramente v postnem, oziroma v velikonočnem času. Ta doba traja po nekaterih škofijah od prve postne nedelje do nedelje Presvete Trojice; po drugih škofijah pa od četrte nedelje v postu do nedelje Presvete Trojice.

Ako hočete živeti in ostati kakor se spodobi vsakemu praktičnemu katoličanu, morate opraviti versko dolžnost (prejeti sv. zakramente kakor gori označeno) v gori navedeni dobi. Ako tega ne storite, niste samo mrtev član K. S. K. Jednote, ampak še več: vi ste tudi mrtev član sv. katoliške Cerkve. Na ta način ne pripoznate več Kristus kot svojega učenika in vodnika. S tem se sami izobčite iz nebes. Ako umrete, se vam bo prepovedalo katoliški pogreb. Iz tega lahko razvidite, da je zamerjenje velikonočne dolžnosti v zvezi s slabimi posledicami. Te dolžnosti so velikega pomena, od katerih je odvisno vaše izveličanje.

Žal, da moram na tem mestu poročati, da mi lanskó leto ni vpslalo poročilo o opravljeni velikonočni dolžnosti enajst krajevnih društev K. S. K. Jednote, kar jim ne dela nikakega ugleda in nikake časti. Napram tem društvom se bo podvzelo potrebne in važne korake. Jaz zahtevam letos, da mi vsako krajevno društvo pravočasno dopošlje uradno poročilo o opravljeni velikonočni dolžnosti. Na to naj osbito tajniki in tajnice društev pazijo, da opravijo vsi člani svojo versko dolžnost v velikonočnem času. Le pošljite mi imena vseh onih, ki te dolžnosti ne bodo izvršili; vse drugo bom rešil jaz kot duhovni vodja Jednote.

Naj bi ne bilo ni enega med vami, ki bi zanemarljivo važno dolžnost! Mi vsi smo otroci naše velike K. S. K. Jednote in katoliške Cerkve. Bodimo vneti, živi in aktivni člani tudi v tem oziru, ter pokažite to tudi z našimi dejanji. Če se bomo vedno ravnali po navodilih, katere nam daje naša dična K. S. K. Jednota in naša sv. mati katoliška Cerkev, ne bomo hodili samo po pravi poti do zveličanja, ampak s tem bomo delali tudi za vedni procvit naše organizacije.

Blagoslovi naj Bog vsakega posameznega člana in članico. Mnogo uspeha naši dobri podporni materi K. S. K. Jednoti! S sobratkami pozdravi

Rev. Kazimir Cvercko, O. M. C. duhovni vodja.

From The Office Of Spiritual Director.

Dear Brothers and Sisters of K. S. K. J.
Again the Easter Season is approaching, and with it comes the obligation for every good member of the great K. S. K. J. of fulfilling the rules and by-laws of the organization. The laws which I refer to are the reception of the Sacraments of Penance and Holy Communion. This is not asked of each member exclusively by the organization, but Holy Mother the Church makes it obligatory to receive the above Sacraments during the Easter Season. (This Season in some dioceses is from the first Sunday of Lent to Trinity Sunday — in other dioceses from the fourth Sunday of Lent to Trinity Sunday). If you wish to be considered a practical Catholic, you must receive the sacraments during the above specified time. If, however, you do not receive the sacraments during this time, then you are not only a dead member of the K. S. K. J., but even more, you are a dead member of the Catholic Church. You renounce Christ as your Leader, you exclude yourself from heaven, and when you die, you renounce the right of being buried from the Catholic Church. Hence, to neglect your Easter duty is not a small matter. It is of great importance. Your eternal salvation depends upon it.
Sorry to say, but eleven lodges of the K. S. K. J. did not send in their reports last year, which does not speak well for these lodges. Action, and great action will be taken in regard to these lodges. I want every lodge for this coming year to send in their report, and the Secretaries should see to it that all the members of their respective lodges make their Easter duty. The names of those members who do not make their duty should be sent in to the above headquarters and we will take care of the rest.
Let there be no one amongst you who would overlook this important duty. We all are children of the great K. S. K. J. and of the Catholic Church. Let us be living members and show by our actions that we are such. If we do the things that the great K. S. K. J. and Holy Mother Church ask of us, we will not only be on the right road to salvation, but our organization will grow steadfastly.
With God's blessing upon each member and success to the Great K. S. K. J., I am
Fraternally Yours,
Rev. Casimir Cverek, O. M. C., Spiritual Director

Section 5. FORFEIT OF GAMES
CLAUSE 1.—All league games in which non-members play contrary to Section 1 of these by-laws shall be declared forfeited by the Board of Directors.
CLAUSE 2.—All games in which a forfeit is claimed must be protested by the manager claiming forfeit within 48 hours of playing of said game. Said protest is to be filed with the President of the league who will forward same to Board of Directors for solution.

Section 6. UMPIRES, GROUNDS, ETC.
CLAUSE 1.—The home team shall furnish an A. A. A. Umpire, whenever possible or upon failure to do so each team will have the right to choose an umpire.
CLAUSE 2.—The home team shall provide the regulation grounds, furnish official league baseballs and be responsible for the conduct of the game.

Section 7. FINANCES
CLAUSE 1.—Each team represented shall pay a registration fee of \$5 annually into the treasury, not later than April 15th.
CLAUSE 2.—Each team shall deposit an additional \$5.00 annually in the treasury not later than April 15th, said money to be forfeited upon the failure of the team to complete its season and to be refunded upon its completion.
CLAUSE 3.—The Registration fee and forfeit money is to be used to defray the necessary expenses, and the traveling expenses of the delegates to the annual meeting in case no provision is made for same by the Union.

Section 8. RECEIPTS
CLAUSE 1.—The proceeds of each game shall be retained by the home team, except as specified in Section 10, Clause 2 and 3 of these by-laws.

Section 9. TRANSPORTATION
CLAUSE 1.—Each team shall furnish its own transportation.

Section 10. POSTPONED GAMES
CLAUSE 1.—Postponed games are to be played in the place where scheduled if prior to the visiting team's arrival.
CLAUSE 2.—A game postponed after the visiting team's arrival for the first of the two-game series is to be played as part of the double-header at the place where second game was scheduled, and the gate receipts split 50-50%, unless otherwise agreed upon by the teams concerned.
CLAUSE 3.—If a postponed game is the last of a series then said game is to be played on a 50-50% basis on grounds where originally scheduled, unless otherwise agreed upon by teams concerned.

Section 11. AMENDMENTS
CLAUSE 1.—These by-laws may be amended by a majority vote of all teams at the annual meeting.
Accepted and adopted at the Eastern Baseball Convention, held at Cleveland, O. March 11th, 1928.

League Entries Close April 15.
Now that the baseball conventions are over, and we are organized in the East and West, we also begin to hear the sounds of balls and bats in the training camps of the south, thru our daily sport pages. Let's make also our own "Our Page" a page of baseball news, lets hear from all our teams' training camps, lets hear about our rookies, and our old-timers, how they are forming into shape. Will our rookies turn into second Babe Ruths, Cobbs, Speakers, Collins or Walter Johnsons.
To date, we hear that we will have seven teams lined up at the starting post, when the gong rings, for our coming campaign in our Eastern K. S. K. J. Baseball league. Lets not stop with only seven teams in this league, see if we can't make this a banner year for entries of new teams into our fold. The more teams we have, the merrier the chase for "Miss Championship" will be.
How about the localities where there are no baseball teams representing our lodges? There is plenty of baseball talent all over this country, all I think they need, is a little encouragement and some work and "presto," we have another team to boost our K. S. K. J.
Lets make our baseball teams known all over, not only in our own organization, but to the outsiders also, for it is the outsiders who we want to get interested, and brought under our banner. To the younger generation we can offer sports of almost any kind, and also a good, big and clean Catholic organization, while to the older folks we can offer enjoyment by their own fraternal brothers and sisters, and also the environment of a Catholic organization that nobody in this world has to be ashamed of. So lets all go out and work, each person in his or her own way to boost our K. S. K. J.
I also want to inform all managers of teams intending to get under our colors, as well as those teams that are not fully organized yet, that the entries into our Eastern league close April 15th.
So get busy everybody and see if we can get more than our intended number of teams, for don't forget, the more teams in the race, the more notice we create, and when we make people sit up and notice us, we are bound to benefit by it, by getting more members, which means a bigger and better K. S. K. J.

Midwest League News

Teams Making Preparations For Big Season.
Readers and followers of baseball watch the columns of Our Page. Also managers of baseball teams of the Midwest League and teams that wish to enter the league. I'm sure there will be plenty of information in Our Page.
The lodges who have not organized teams and are working and planning to build up a team, your principles and fundamentals, also vital information were in the last edition of Our Page. The Constitution and By-Laws have been printed and that is giving you a great deal of "dope" in regard to the teams and players who are eligible. Take the constitution and by-laws, read them carefully and get the correct sense of them; they are necessary and all games pertaining to the championship will strictly adhere to the ruling.
Rules to be used in the game are those which are being used in Major Leagues and in organized baseball. Adopting all of this, will mean a great deal to all teams concerned. It will do away with unnecessary argument and there will be no need of an alibi.
The time from now until May first the closing date of entries will be short. So I'm asking all teams so far, represented in the Midwest league to send in their lists of names of all eligible players, the entry fees and whatever is being prescribed to be held as records. It will make matters much easier for me if all of this is in my hands at the proper time. Do not wait until the latter part of April or a few days before closing time.
From South Chicago the news in the last edition of Our Page, certainly is glad news to me. I realize from the way the boys are starting out, they give me an impression of a very enthusiastic lot. They take it seriously in putting out a ball club this year. Good luck to you, South Chicago. I'm also sure that Chicago has been preparing right along. Sheboygan has had some difficulty, but I hope that everything has been leveled out. I'm sure they will be with us in the coming season as they have been since baseball has been taken up in the Midwest K. S. K. J. section. The newly organized teams may have some difficulty in signing up men, but wishing such teams good luck. As for Joliet and Waukegan, these two outfits will have little trouble if any in signing up their men. Both teams have been in the playing field since baseball was introduced into the K. S. K. J.
Again I'm asking you, send in your entry, your list of men, which is required, according to the by-laws, have all this sent in ample time.
If it will be necessary, Waukegan will again be represented by two teams, if the conditions will permit it to do so. I hope that before the close of March, I will be permitted to have the lists of some teams published.
Midwest, lets hold our own. Don't forget, baseball first introduced into K. S. K. J. was where? In the Midwest, this ought to give you some help in boosting the Midwest much more. Boost your section, lets have as many young people join

as possible. The anniversary year is "1929." The quota for the campaign until that year is 3,500. Bring out your ball clubs, your sports and that figure can be raised to 4,000 and possibly more.
Fraternally yours

Fans And Team Wait For Season Opening
Since the baseball convention I have been trying to get myself into shape to write a few lines to let my friends know that I got home safe. I also hope that the other boys did likewise.
In the first place I wish to take this opportunity of expressing my sincere thanks to all who made my time in Cleveland a pleasant one, and in particular Brother Anton Grdina, Joseph Grdina and Frank Hochevar family.
The pleasant weather that rushed in for a few days, put the pep up to high pressure, and the report of our convention success, certainly made every one wish that we would have a chance at the bunch down on St. Clair in the near future. When we do meet, I hope it will be a pleasant meeting; of course some one will have to loose, but let us hope that such will be accepted with the proper spirit.
Since the difficulties have been aired at the convention, don't you think that Pittsburgh is not mentioned often? We hope we will soon meet and forget the old grudge of the past, so we can shake hands with the boys and work for real sportsmanship in our baseball league for the benefit of the organization.
On the way home after leaving Akron, I observed the conditions of the ground, and the conductor yelled out "Barberton." It incited my curiosity because we were down in the hollow, and hills on each side, not knowing of the settlement of the Slovenians in that section. I am in hopes that President Rev. Bombach will furnish us with level baseball grounds when we arrive there. The locality looks very pleasant, just like the boys with their leader.
Since the convention I had the pleasure to attend a meeting of a group of boys contemplating to organize a baseball team at Cannosburg, Pa. It was indeed a pleasure to see the interest shown at that meeting, and by all appearances Cannosburg looks like it will have a bunch that will mean business when they get on the field. Go to it! I may again add that the baseball team is the very means of getting new members. At this particular meeting 10 boys signed their application to join St. Jerome's Society of that place. That is a boost and is all promising that more will follow. Cannosburg has a large field to cover for the organization, and I am sure if all the boys will follow the advice of their officers, a success will be most apparent resulting in gratification for yourself and the K. S. K. J.
And now again, all for the 35,000 for the 35th anniversary
Fraternally yours
