ZATIRANJE KOMUNISTIČNIH STRANK

Borba proti komunizmu je danes bolj aktualna, kot je bila kdaj koli poprej. V teku enega stoletja te borbe se je položaj spremenil v korist komunizma. Medtem ko je z Marksom komunizem bil šele v povojuh, je danes, 100 let po Marksu, sistem pod katerim živi ena tretjina celokupnega prebivalstva sveta. Poleg tega je postala sila, ki je glavni politični faktor v deželah, ki še niso komunistične, kakor je na pr. Italija ali pa Francija. Po proračunih ameriške obveščalne službe je na svetu vкупno 19,000,000 članov komunističnih strank, medtem ko jih je po proračunih Moskve 25,000,000. To pa so samo člani, to je oni, ki plačujejo članarinu, so aktivni v gibanju itd. Kje pa so tako zvani "sopotniki?" Kje so vsi tisti komunisti, ki v raznih deželah sveta, v katerih je delovanje komunističnih strank prepovedano, nastopajo ilegalno ali pa v okviru strank, ki so legalne?

Tako po drugi svetovni vojni se komuniste v mnogih deželah ni preganjalo. V mnogih deželah, ki so se nahajale v vojni, so jim priznali, da so bili najbolj požrtvovalni in najbolj pogumni borce proti nacizmu. To je razumljivo. Sovjetska zveza se je nahajala v vojni proti Hitlerjevi Nemčiji in komunisti so ji v tej vojni, neglede kje so se nahajali, pomagali kolikor so mogli. Za njo so bili pripravljeni žrtvovati svoja življenga. Na tisoče komunistov je umiralo po zaporih ali pa so bili streljani z zadnjimi vzhiki Stalini in Sov. zvezi. Kar treba priznati je, da so za idejo, ne glede kako jo ocenjujemo, bili so pripravljeni žrtvovati svoje življenga. Kaj pa demokrati, tisti, ki se danes trkajo na prsa, češ da so se borili za demokracijo? Zal, se danes z idejo demokracije najbolj bahajo oni, ki so v času vojne bili nacistični kolaboratorji. Ko je v Spaniji divjala civilna vojna, je na tisoče komunistov pohitelo tja, da bi se borili "za stvar." Kaj pa z onimi, ki se borijo proti komunizmu? Ali je kdo prostovoljno pohitel v Grčijo ali pa na Kitajsko, da bi se boril "za stvar?" Kaj še!

Zadnja leta se je komunizem začelo zatirati po starih metodah, ki so v veljavi že desetletja. To je s policijsko silo in vojaštvom, z obravnavami na sodniji in z v parlamentnih sprejetimi zakoni. Na takšno borbo se bolj zanjo, kot pa na borbo z idejami.

V naši deželi so odsodili enajstorico vodilnih komunistov. Sedaj skušajo z Mundt-Fergusonovo zakonsko predlogom spraviti komuniste v podzemlje. Proti-komunistične zakonske predloge se nahajajo v mnogih parlamentih zunaj Amerike. V Avstraliji na pr. hočajo prepovedati delovanje komunističnih strank. Komunisti pa pravijo, da se bodo borili naprej tudi podtalno. V Panami delajo na podobnemu zakonu. V mnogih deželah južne Amerike so že prepovedali delovanje komunističnih strank in na stotine komunistov vrgli v zapore. Na Japonskem se je zadnji teden oglasil gen. MacArthur, ki je "svetoval" Japoncem, naj prepovejo delovanje komunističnih strank. Rekel je, da je potrebno omejiti nekatere svobodščine, da bi se zaščitilo demokracijo. Pred leti je pojem demokracije bil drugačen, veljal je tudi za komuniste. V deželah, kjer imajo fašistične sisteme, je seveda, že zdavnaj prepovedano vsako komunistično gibanje.

Ce je mogoče ali pa ne s policijskimi metodami zatreći komunizem, je veliko vprašanje. Znani komentator Sterbenz je na primer v Pressu imel članek o pol stoletja poskusov, da bi se zatrlo komunistično stranko na Japonskem. To vprašanje je sedaj aktualno, kajti če je gen. MacArthur svetoval, naj se zatre komunizem, je njegova beseda prav tako vpoštovanja, kot je včasih bila beseda japonskega mikada.

Sterbenz omenja kronološki pregled poskusa zatreja japonske komunistične stranke. Pravi, da čeprav se stranko skusa zatreći že blizu pol stoletja, se jo še vedno ni, celo prav sedaj je s svojih 35 poslancev in 3,000,000 glasov, ki jih je dobila lani, najmočnejša. Čeprav japonski komunisti pravijo, da imajo le 90,000 članov, Sterbenz računa, da jih imajo 350,000.

Japonske komuniste se je začelo preganjati že leta 1900, ko so bili aktivni v strokovnem gibanju. Tedaj je cesarski parlament sprejel zakon, s katerim se je skušalo s policijskimi metodami zatreći strokovno gibanje. Leta 1901 je bila ustanovljena japonska Social demokratska stranka, ki pa je bila takoj s policijskimi metodami zatražena. Leta 1903 so japonski radikalci začeli proučevati marksizem in ustanovili Socialistično stranko leta 1906. Leta pozneje je bila Socialistična stranka prepovedana,

Po 22 letih na obisku v rojstni domovini

Milan Medvešek

47

Vlak je potegnil s postaje belokrajinske metropole in počasi puhal proti Gradacu, kjer je doma naša "udarnica" za pridobivanje novih članov SNPJ Mary Udovich, in nato dalje proti Podzemju v Črnomelj. Na desni strani, proti severu, se razprostirajo Gorjanci, na drugi strani Gorjane pa je Novo mesto in zraven Žabja vas. Čutil sem bližino rojstnega kraja in v notranjost mi je sili nemir. Zopet mi je pogled uhajal po vrhovih Gorjanc in iskal sem vrha sv. Jere, katerega so pozneje prekrstili v Trdinov vrh. V času vojne se je v Gorjanu odigrala marsikatera kravava drama; v območju velikih in globokih gozdov so partizani delali načrte za napade na krutega okupatorja in v te gozdove so se umikali pred italijanskimi in nemškimi napadi.

Vlak je že brzel mimo Rupert vrha, vasi Škrjanč, skozi Šmihel in se bližal Kandiji. Pred menoj je nenadoma stal problem, katerega sem že reševal pred odhodom v staro domovino in ga še do tistega trenutka nisem rešil. Z mojo ženo Ann sem se posvetoval doma, kaj naj storim, ko se bova srečala z materjo — ali ji naj stresem samo roko ali tudi poljubim? "Seveda boš poljubil svojo materto, ko prideš domov!" je Ann skoraj užaljeno dejala. Pojasnil sem jih, da se v naši družini nismo nikdar poljubovali, niti tedaj ne, ko smo z bolestjo v srcu drug za drugim odhajali v tujino s trebuhom za kruhom.

Štirje smo se podali v Ameriko. Dva sta v Clevelandu, najmlajši izmed nas, "ameriških" Medvešek, pa počiva na vojaškem pokopališču Arlington, blizu prestolnice Washingtona. In jaz sem se prvi po mnogih letih vračal domov! Taka je usoda mnogih slovenskih druzin.

Kandija! Že je vlak vozil po železniškem mostu nad krasno Krko, katero sem tolikrat preplaval in se večkrat sanjal o njej v tujini. Že vedno je takot, da je bila, že vedno se ovija okrog Novega mesta kot ženin mlade neveste.

Novo mesto! Nervozno sem zgrabil kovčega in z mnogimi drugimi potniki izstopil. Na domačih tleh! Na postaji je bilo precej ljudi, toda nihče me ni poznal in jaz ne nikogar. Pač! Zagledal sem novomeškega fotografija Guida Dolenca, kateri je zgledal skoraj tak kot pred 22 leti, toda on mene ni spoznal in jaz se mu nisem dal spoznati.

Zavil sem kot največji tujec v notranjost postaje, se nekaj časa oziral naokrog, če bi bil kje kakšen izvošček, ki bi mi odpeljal kovčega, toda sem ga zastonj iskal. Stopil sem v pisarno in vpršal mlado uradnico, kje je garderoba. Pokazala mi je vrata garderobe in dejala, naj potram. In trkal sem in trkal, toda nihče se ni prikazal. Neumno se mi je zdelo, da bi še nadalje izgubil čas s čakanjem, ko se mi je tako mudilo domov. Vstopil sem v čakalnico. V njej je čakalo na vlak nekaj oseb, dva vojaka pa sta

odnosno zatrta. Podtalna borba se je nadaljevala do leta 1911, ko je japonska vlada "razkrila zaroto," da se strmo-glavi vlado. Ustrelili so 12 anarhistov, 13 pa vrgli v zapore. Leta 1914 so bili splošni pogoni na komuniste, odnosno radikalce in socialiste. V teku ruske revolucije so japonski levni socialisti, bili že v podzemlju. Leta 1925 je japonska vlada zatrla Farmersko-delavsko stranko, ker je v njej pronašla "komunistično zaroto." Komunisti so se zopet organizirali in ustanovili Delavsko-farmersko stranko, to je samo obrnili ime. Leta 1928 je tudi ta stranka bila zatrta. Leta 1929 je bil splošni pogon na komuniste, toda komunisti so nadaljevali svoje podtalno delovanje. To se je nadaljevalo do vojne, v dobi vojne, po vojni pa je komunistična stranka zopet prišla na površje, dokler ni zadnji teden gen. MacArthur "svetoval," da se jo ponovno prepove.

Sterbenz meni, da tudi tekoča MacArthurjeva čistka ne bo uspešna. Ni rešitev za deželo, ki ima nezadovoljno delavstvo. Že po tem je razvidno, kakšen ogromen problem je vprašanje zatreja komunizma, naj bo tudi s policijsko silo. Tudi krščanstvo so skušali zatreći, toda bolj ko so ga zatirali, bolj se je vkoreninilo v množicah ljudi in je danes po 2,000 letih še vedno tu. Edino učinkovito orožje proti komunizmu je ideja, ki bo boljša za današnje razmere na svetu, kot pa je ideja komunizma. Ko bo svet našel takšno idejo, naj bo to demokracija, krščanstvo, liberalni kapitalizem itd., bo vprašanje komunistične nevarnosti rešeno.

Cas je prišel, da se vrnejo v solo, ker jih je prisla učiteljica klicati. Imel sem priliko, da sem govoril z njo in jo vpršal, če imajo kaj težav s šolskimi potrebnimi.

"Prej je bila bolj trda, sedaj pa že dobimo malo več. Seveda, to še ni dovolj," mi je rekla.

Povedal sem jih, da imam na-

kladal iz ene roke v drugo. Žal mi je bilo, ker nisem sporočil svojega prihoda. Končno sem prisel v mesto! Najprvo sem opazil, da pokopališča pri pošti ni več, v tamkajšnji bližini pa je veliko vojaško poslopje.

Pred Špiljko jevo kavarno je bilo precej ljudi, kateri so čakali na avtobuse. Čutil sem nihče oči na sebi in vedel, da me opazujejo. Srečal sem nekaj oseb, katerih obrazi so mi bili znani, to pa je bilo tudi vse. Ena roka mi je bila že čisto trda, toda kovčega nisem hotel preložiti pred očmi radovedne že. Mimo mene sta šla dva moška srednjih let in eden je naglas dejal, da sem ga slišal: "V starih časih so drugi nosili njih kufre, danes pa jih morajo sami!"

Očitno sta me imela za "buržuja"!

V SEMBIJAH NAD VASJO

Bilo je v jeseni leta 1949. Mati sem obljubil, da bom tisti dan doma. Dopoldne sem imel par obiskovalcev, kateri so pozvedovali pa svojih v Ameriki, proti poldnevnu pa je prišel Max Marinčič v uniformi zaščitnika. Službo ima v gozdu, kot so jo včasih imeli logarji. Fant je lepe postave in ima v Clevelandu dve sestri: Mrs. Cesnik in Mrs. Segulin.

Pogovarjala sva se od zadnje vojske, koliko so trpeli,

ameriški, da pozivem, kaj v šoli najbolj nujno potrebujejo. Odgovorila mi je, da bi vse dobro prišlo, kar dobijo in da bo tudi nekaj lepega od nas in končno za otroke. Obljubil sem jih, da bom napravil, kar bo v moji moči. Nisem ji mogel obljubiti dosti, ker tukaj nadlegovat ljudi ni lahko, posebno s takšnimi rečmi. Seveda sem imeli že prej nekateri v načrtu, da bi nekaj takšnega storili.

Po moji vrtniti smo šli takoj na delo, organizirali smo se in vsak je bil pripravljen nekaj pomagati. Vsota je bila nabranja in v kratkem času so bili odposlanji zvezki, svinčniki, peresniki, radirke, črnilo in razne druge šolske reči, pa tudi nekaj sladkorčkov. Bilo je poslano do vso, da bo včasih imeli logarji.

Pristopil sem v bližino kuhinje in kar strmel, ko sem videl, kaj so vse naše pridne kuharice pod vodstvom Mary Medvešek pripravile. Delo je tudi teklo gladko. Strežnice in rediteljice pripravile, ker so včasih imeli otroci in kaže, da so jih zareže oči, ko so tam delili. Prav gotovo so nam otroci za to hvaležni in jim bo našel za vedno v spominu.

Drugega ne bi želel pristavljati, kot to: rad bi videl, kakšno veselje so imeli otroci in kaže, da so jih zareže oči, ko so tam delili. Prav gotovo so nam otroci za to hvaležni in jim bo našel za vedno v spominu.

Apeliram na rojake, kateri so tukaj, naj se skupno spomnijo otrok svojih in drugih vasi in jih razveselijo s kakšno pošiljko. Gotov sem, da nobenemu ne bo žal!

Joe Dogvan.

Še o oljoritvi nove dvorane na Recher Ave.

Euclid, O. — Datum 23. aprila leta 1950 bo ostal zapis v zgodovini tukajšnjega jugoslovanskega naroda. Ceremonija se je pričela točno ob 1. uri, kadar je bilo napovedano. Zaradi bolezni Frances Rupert je doletela čast našo spoštovanju Antoniju Svetek, da je prerezala trak. Gospodčno pa je zarađali bolezni v družini Elsi Dežman nadomestila naša postavna Miss Ogrin, hčerka Mr. in Mrs. Ogrin.

Potem sem se zopet podal v zgornje prostore. Pri vrati, kjer so pobirali vstopnice, je bil velik naval in pritisk. Tisti, ki so bili postavljeni za čuvanje reda, so res imeli železne žive. Ko sem vstopil v malo dvorano, je že zopet igrala domača godba. Delavci so bili na mestu, pri trošnih listkih pa je žena delala, kakor po tipkah.

Na nasprotni strani v zgornji dvorani je drugi kuhinjski oddelek zopet bil prezaposlen. Ameriški zaradi spremnih rok naših žensk, je vse šlo gladko izpod rok.

Naša programska knjižica je bila precej obširna, tako da se jih je razpečalo lepo število pod vodstvom Mary Yapel in Amalije Stergar.

Rdeče nagelne so imele pod svojim vodstvom mlada dekleta od Adrie. Ker je rdeče nagelne državna roža, so bile zelo zaposlene. Ravno tako so bili zaposleni mladi euclidski Bonnabets, ki so prišli kar po vojašnici.

Zupan mesta Euclida Mr. Kenneth Simms je izrazil zahvalo, da se je v Euclidu postavilo tako krasno zgradbo. Ko pa je pokazal guverner naše države Frank Lausche je vse zvršalo. Guverner je že po prvi besedah spravil navzoče v dobro voljo s svojimi dovitpi, posebno iz svojih mladih let.

Potem pa je v resnih besedah nadaljeval govor v slovenščini in angleščini. Žel je navdušen aplavz.

Mickey Mars to Headline Ambassadors' Boxing Card

Mickey Mars (Polensek), newly crowned National AAU champ, will headline the Cleveland Ambassadors of Sports' second annual show Thursday night, May 11th, at the Slovene National Home. Mickey has come a long way since he fought for the Ambassadors in last year's show. He copped the Plain Dealer Golden Gloves championship, and after an impressive showing in the Chicago tournament, Mars went on to Boston to win the AAU crown.

Mickey is managed and trained by the very capable Pat Yates, president of the Amateur Boxing Trainers Association and is also acting in the capacity of matchmaker for this event. Mr. Yates must be remembered

for the terrific card presented by the Ambassadors last Spring. Mars' opponent next Thursday night will be Tommy Salmey, well-known crowd pleaser in the amateur ranks. Other bouts: Dick Anderson, Golden Gloves Welterweight champ of 1950 vs. Willia Finney; Nickie Nakon vs. Tommy Bivins; Sammy Shale vs. Robert Buford; Joe Bulich vs. Dick Stewart; Tommy Salem vs. Sammy Baumman plus three supporting bouts to round out a well matched program.

All seats \$1.50 are on sale at Tino Modic's Cafe and Jack's Confectionery. Edward J. Kovacic will be the Master of Ceremonies.

A Review of Jadran's Operetta

On April 23, 1950, Jadran Singing Society presented the operetta "Grof Cigan" in a lovely gay, and romantic fashion. The whole performance was very well received by the capacity audience and was considered a huge success.

I must say I have never seen such an animated performance. Everyone just seemed to live his part, including the chorus which also lent such beautiful color in every act. Much of this can easily be attributed to the excellent directorship of Florence Yeray-Slaby and Vladimir Maleckar. Directing is a new job for Florence but she certainly proved that her excellent acting and directing are of equal balance. Vlad needs to be congratulated too, for his fine conducting of orchestra and chorus.

Many times Florence Unetich and Tony Prime have had leading roles together, but this time their whole performance was unsurpassable by any past work. Congratulations to you both!

The antics of Marko and Branko, as played by Joe Primc and Stanley Godnavec, were perfect, especially when threatening weak Grof Atems, as played so very well by Pete Tomsic. At times I thought Pete was going to make his eyes pop out.

Stephanie Cesnik-Tolar and Stanley Godnavec as the two gypsy lovers were at their best. Their love duet well deserved the warm applause it received.

The old gypsy woman Mara, played by Frances Godnavec, was very adequately done. Sitting on stage brewing her stew and smoking her pipe made Frances look as if she had been a gypsy all her life.

The second act sweethearts, Leona and Stotnik Globokar, set everyone in a dreamy romantic mood. Isn't love grand! I'm sure Ruth Vidrich (Leona) and Anthony Mihelich (Stotnik Globokar) both have a bright future to look forward to in the future Jadran productions. Ruth showed she has what it takes in that she learned her role in ten days before the performance.

After a ten-year absence from the stage, Anton Novak, who took the part of Grof Dolski, made an impressive comeback. I hope we will see him again in other Jadran operettas.

Other parts that were effectively taken by other Jadran members were Baron Tobia Topolski, Michael Pinculic, Pl. Ho-
