Apel na slovensko javnost širom Amerike.

Iz urada tajništva "Jugoslovanske Matice" za Ameriko.

Lansko leto v decembru se je ustanovila v Clevelandu podružnica "Jugoslovanske Matice" za Ameriko, katere naloga je bila poročati javnosti o življenju naših bratov v Juljski krajinji in Primorju.

Na vse slovenske časopise apeliramo, da bi poslana jim poročila priobčevali, ker le na ta način bodo storili svojo dolžnost in vršili svojo nalogo.

Rev. Matija Jager: Orel slovenski javnosti.

Članek, ki sem ga poslal slovenski javnosti v imenu Orela — pridoben tudi v Glasilu št. 25, z dne 19. junija 1928 — se zdi, da je vzbudil zanimanje. Znamo-

ne je to, da je med našim narodom vendarle še precej idealizma, smisla za to, kar je lepo, plemenito, vzvišeno.

Pa tudi grotne opore potrebuje in prosil Orel. Kajti dasi deluje za vzvišene ideale, pa deluje vendar na tej zemlji, kjer ne gre brez materijalnih sredstev.

O tudi naš narod tu v Ameriki bi se izkazal, da je resnično del istega naroda, da je tudi on dovzeten za lepo, za dobro, za plemenito!

Ni torej nobenega dvoma, da je Orel ne le vreden, da obstaja in deluje, ampak vreden, da se zanj slovenska javnost tudi zanima in ga vsestransko podpira.

A Orel se ne vsiljuje, Orel ne sili nikogar, ker ve, da načela prepričljivo vse dobro misleče, da načela morajo zmagati Orel le povzroča svoja načela, zraven pa najvidnejše prošnje naklonjenosti.

Amerikano-slovenskem duhu! Čez 250 je trenutno mladine v Orlu ... da v vojsko že težko zmaguje veliko delo: vodi in veže, bati te maso.

2. septembra na Pintarjevih farmah: velika javna telovadba in piknik. Tada je Orel pokazal, da tudi sedaj v poletju ne počiva, ampak intenzivno dela in se vežba.

"Gotovo je in sploh znano, da gospe učiteljice v ljubljanskih nunskih (uršulinskih) šolah, kar pravo ljubezen do domačega jezika vtiče, marsikaterega učitelja v ljubljanskih normalnih šolah prekašajo."

Če pa tudi Akademija in Materinska proslava vzbudili veliko priznanja in navdušenja. Pokazale ste obe priveditvi, da Orel dela resnično za visoke, plemenite ideale, da dela krepko, vztrajno, energično, držno!

Leto 1909 je dobil škofjeloški samostan tudi svoje učiteljice, ki imajo leta 1910 pravo javnosti. Gojenke učiteljice stanovalje v zavodu, in škofjeloških dekletih in omlin iz bližnje okolice dovoljuje stati, da smejo bivati pri svojih starih, da bi mogle tako hčerke škofjeločanov doseči s čim najmanjšimi stroški do javne učiteljske službe.

Ta zaslužena sestra uči že celih 33 let samo v Jolietu; dšasiravno je stara že okrog 60 let, je še vedno čila in trdna, posebno še sedaj ko je postala prednica. Patronage. Pod tem imenom razumevamo nagrado, ki jo zmagovita stranka daje za politično podporo, najsihodi imenovanje pristavev za javne službe, podelitev koncesij ali druge usluge. Sistem "patronage" obstoja sedaj v jako manjšem obsegu kot pred uvedbo takozvanega "merit system," po katerem se mora kandidat za kako javno mesto podvreči tekmovalnemu izpitu. Večina uradništva, bodisi federalnega, državnega ali mestnega, spada sedaj k "Civil Service," ali "patronage" ima še vedno veliko polje, zlasti kar se tiče najvišjih uradniških mest. Vladna patronaža, zlasti glede podelitve kontraktov, je tudi znana pod pridevkom "pie."

CULTIVATING SPORTSMANSHIP

A few words on true sportsmanship, the cultivation of which was hoped for when our Union adopted an athletic program. Considering participation in athletics as an ideal method of improving one's physical condition and the font of clean and wholesome recreation, the cultivation of sportsmanship which leads therefrom is perhaps the most important for it deals with the mental attitude of the individuals.

Sportsmanship lies in the realm of attributes which are not completely definable. Perhaps, that is the reason why it is so difficult a task to cultivate it. In my opinion, to practice true sportsmanship is to play the game FAIR. Sportsmanship belongs on the playing field or at any place where a contest is in progress. Oft times sportsmanship is confused with sociability, the result of which eats to and destroys the very core of amiable relationship.

Our boys have been working hard to make 1928 go down in the history of K. S. K. J. athletics. The baseball season is half completed. Two more months and we will have our annual classic, the K. S. K. J. baseball series. To date games have been played fairly satisfactorily. I refer to no team in particular, but it is my opinion that a spirit "to win at all costs," is very prevalent. That, on the other hand is apparently natural for the majority of our baseball teams are self-supporting, and consequently seek dividends on their financial investment.

The spirit to win should not be hampered. Fight, and fight hard to win, but play the game clean. Your opponents are your foe, but ONLY on the field. Do not forget the game is played to a set of rules which have been compiled to give both sides a fair consideration. Rules are not perfect in as much as they cannot touch all phases of the games—that is the time when sportsmanship is given its play. A game may be played to strictly conform with the rules, and yet may not even have a touch of sportsmanship displayed. At times arguments ensue which is only natural and expected. However, the adjustment of such incidents should be executed on the playing field by the officials of the game and teams. If the matter is not settled on the field then it is the duty of the team officials to adjust the dispute at the proper time and place. It is a sorry sight to see a visiting team depart from a locality in a spirit of dissatisfaction and contempt. Visiting teams should be treated as guests before and after the game; on the field with true sportsmanship.

Again, these remarks are not directed to any team in particular, but are intended as a hint to all the teams to remember that we are striving to characterize our K. S. K. J. teams as being those, who fight hard in a spirit of true sportsmanship.

Anton Grdina, Supreme President.

ELECTRICITY

It is interesting to note that some great discoveries have been made by small occurrences. For example, the discovery of electricity was made by Galvani one evening as he was in his laboratory with some friends. On a table, where there was an electric machine used for the experiments, there had been placed, by chance, some recently skinned frogs intended for broth. One of Galvani's assistants put the point of his instrument near the internal crural nerves of one of the animals. Immediately, all the muscles of the limbs seemed to be agitated with strong convulsions. This phenomenon was the beginning of a series of important electrical discoveries.

WAUKEGAN AND JOLIET RAIN OUT

The St. Joe's Baseball Club and a large number of fans made a trip to Joliet on Sunday the 17th of June. Both ball clubs were disappointed, because the game was called. Wet grounds and rain prevented the meeting of the two teams on the ball field. The two teams, that is Joliet and Waukegan, will meet in a twin bill when Joliet makes the trip to Waukegan next month.

In the name of the ball club, the St. Joe's of Waukegan, I wish to thank Mr. Joseph Zalar, our Supreme Secretary for the hospitality shown to the players as well as the fans. All credit is due Mr. Zalar for the reception as well as the meals, for he saw to it that the members from Waukegan were treated well.

News was also received from Rockdale, which we are sorry to say, has not entered a ball club into the league. The rea-

THE ART OF FLYING

As hundreds of us are getting the thrill of a first flight in an airplane, our interest in this remarkable invention grows and we ask what makes it fly. An airplane has about 20 instruments which must, at some or at all times, be watched by the pilot. The most important of these, the control stick which tilts the wings, helps to get the plane off the ground.

In starting, the wings are tilted to receive the resistance of the air when the plane speeds across the ground. This force of the air grows greater with the increased speed until it is great enough to lift the plane into the air. The air also tends to push the plane backwards, but this force is overcome by the speed of the plane.

At last, the pilot, after his plane has reached a speed of about 75 miles an hour, is in the air with his control stick at his side to make his plane follow whatever direction he wishes it to take. During a pilot's flight, although the control stick and rudder are his mainstay, they would be of no use if they weren't aided by the motor, ailerons and other important parts of the plane.

son they could not do so, they themselves know only. We would like to have had them with us, but it was impossible for them to enter a team. Word was heard from Milwaukee that they would enter, but there was nothing more done to come into the league as yet. Fraternally yours

Joseph L. Drassler, Secretary Mid-Western K. S. K. J. League and Waukegan St. Joe's K. S. K. J.

BRIDGEPORT NEWS

Work Slack; Coal Strike Still In Effect.

The coal strike is still in existence and by the present outlook there is no chance for settlement. What will be the outcome is a difficult question to answer. In the last few weeks the schools, public and parochial have ended their season for the year of 1928. The school year was a very successful one, especially for the K. S. K. J. members, in whom we take much pride. The spelling contest of the Valley which was held under the auspices of a local newspaper, offering nine prizes. One was won by our member Agnes Pollie.

At the graduation exercises of St. Anthony's Parish, there were four prizes awarded to our members, they are: Miss Agnes Pollie for Christian Doctrine, Justina Gregoric for Conduct, and Angela Brescel and Anna Gregoric. At St. Joseph's juvenile class, Joseph Smrekar carried the honors of the school for the first prize. We have reasons to be proud of the Catholic Schools as well as our organization. If parents and children would follow the advice given by the pastors of the various parishes, there is no doubt, that education to our children would be more attractive than it has been in the years gone by. The greatest trouble with too many people is that they find work for the child as soon as he gets out of school. Let us hope that the opening of the next school season will mark another successful opening also that proper encouragement will be given to a child in order that he may be able to compete with his class.

The St. Ann Society No. 123 has announced that they will celebrate their 20th Anniversary this coming fall. We have hopes and wishes that this Anniversary will be enjoyed with happiness. The members of St. Barbara Society, No. 23 and their baseball team are still plugging along. Facts are facts and the boys of our baseball team deserve every credit. Of course, this includes their faithful followers who are helping our noble organization in this vicinity and elsewhere.

Let us always remember that there is no organization that can offer as much for the money and be as true to the membership, as the K. S. K. J. has been in the past. The policy of our fathers must be preserved and carried on and exercised with proper fraternal spirit to which we have pledged ourselves when the solemn oath was taken. Now in conclusion I wish to take this means of expressing our sincere thanks to all the baseball teams whom we have visited abroad, during the first half of the season, namely: Beaver Falls, Cleveland and Barberton. The courtesy shown at each of the above named cities will certainly be remembered by all participating in the trips and we will endeavor, in return, to offer them a pleasant time, some day.

Above all let us all get busy and perfect ourselves so we will be worthy to carry the name of K. S. K. J., the only and real Slovenian Catholic Fraternal Organization in the United States and thus by getting more members and swelling our membership to thirty-five thousand for the 35th Anniversary. Anton Hochevar.

ALL ABOARD

FOR BRIDGEPORT, O. Cleveland Looks Forward To July 8th Trip.

The Cleveland Presidents have been squeezing in practice sessions between the spasmodic showers which have made the fifth city a permanent landing place. The boys are working hard to be in trim for their next big game July 8th which will be staged at Bridgeport, O., versus the K. S. K. J. team of that locality. The Clevelanders are looking forward to the game because it will be their longest trip of the year. If distance lends to realization than the Presidents should have a time as enjoyable as the Pittsburgh trip. The team does not intend to travel alone—not on your life. Bridgeport came to Cleveland with a flock of rooters which almost outnumbered the Cleveland fans on the field.

To show Bridgeport that Cleveland is also in the game, preparations are now in the making. It is expected that at least two busses will make the trip. This will be an opportunity for some folks who never made a trip with a peppy crowd to a peppy town. The Magdalene girls are thinking earnestly of making the ride to the Ohio River town.

According to present plans, the Clevelanders will leave either late Saturday night, July 7th, or early Sunday morning, July 8th. The fair, roundtrip, will be in the vicinity of \$4 to \$4.25. All K. S. K. J. fans are invited. Watch the next issue for details of this big trip. In the meantime save your shekels and plan on going with Cleveland and the 50,000 strong.

Tattle Tats.

The Mary Magdalene-St. Vitus crowd will be a happy lot when the busses roll over St. Clair Ave. a bit east and toward Bridgeport on July the 8th, when Cleveland and Bridgeport meet on the latter's field.

The trip is open to all, not only members, so anyone contemplating making the trip is asked to make reservation EARLY. Roundtrip, about \$4 or \$4.25. Reservations can be made at Grdina's Funeral Home on E. 62nd St. or at the office of Glasilo, 6117 St. Clair Ave. In making reservation by mail, enclose check or P. O. money order.

Not only are the Slovene lodges, parish and groups in Collinwood expanding, improving and increasing in every way but also the business enterprises are following the trend of progress.

The Grdinas & Sons Furniture has caught the Collinwood spirit of expansion and annexed a spacious addition to the branch store located on Waterloo Rd.

The doors were thrown open to the public Saturday evening June 23rd, the Grdina Co. acting as host to thousands of patrons. Albert Kausek and his "Rhythm Aces" scored another hit with his band. B. Hacc also entertained. Alternating, both groups played continuously from 6 to 12. Refreshments were also served.

Nottingham is also expanding. The people of that local-

Bigger and Better.

Collinwood Membership Increases; Secretary Resigns, Treats Club to Basket.

Every day in every way our St. Joseph Sports club is getting bigger and better. With members joining at every meeting we hold, our attendance records are being broken continuously. At our last meeting, Felix Verhotz, our chairman did not notice the large attendance for we did not hold the meeting in our regular meeting place. Perhaps if we held the meeting in the usual place, Felix would have felt at home.

Miss Alice Kolenc has resigned as secretary and is succeeded by Miss Virginia Urbas. The latter, we all know, will make a very pleasant secretary. We thank Miss Kolenc for all her efforts to the good of the club, and hope she will come back to the club after her honeymoon. We wish her the best of luck and also take the opportunity also to thank her for the basket she presented to the club, at the last meeting. The boys will not forget Miss Alice or the basket. Felix can explain more clearly as he has part of the contents of the basket in his possession.

Don't forget to be at the next meeting which will be held July 3rd, 7:30 p. m. If you fail to attend you will miss the rest of the basket.

Mary Ann Zupanic, Vice-Chairman, St. Joseph Sport.

THANKS AGAIN

Valentines Again Entertain Out Of-Towners. In behalf of the SS. Cyril and Methodius Baseball Team, I wish to extend our appreciation and sincere thanks to the St. Valentines lodge of Beaver Falls, Pa., for their hospitality show to us on our visit to their city.

Thanks to Mr. Nikola Klepec for his efforts in making our stay a pleasant one; Beaver Falls has them too; also Barbara, Anna, and the rest of them. We just couldn't get the boys to leave.

We shall endeavor to repay Beaver Falls for their hospitality when they come here in the near future.

ity may justly be proud of the new La Salle theater building which graces E. 185th St. and La Salle Rd.

Among the Slovene tenants of the theater building, are Dr. Anthony Skur, M. D. and Dr. Urnkar, DDS. Both will soon be members of the SS. Cyril and Methodius lodge of Nottingham.

PITTSBURGH, PA.

And This Side, There And All Around Beaver Falls Too.

The Presidents will long remember their trip to Pennsylvania. Despite the blue laws the boys had an honest to goodness time of their lives.

"Buckeye" Stepic did the boys a favor and caught all the mud and rain as it came through the back of the truck—looked like a mud guard when we arrived at Pittsburgh. "Smiling" Ed Fjbian couldn't decipher where he pick up the big lump, on his head. The boys say they found him sleeping under the bed, Sunday morning. Hard wood is pretty solid.

"Windy" Krainz amused the driver and the boys with his famous "no-stop" talks. With his looks and talk he should be able to sell anything, even vacuum cleaners.

"Cue-humbers" Mihelcic had his characteristic smiling lemon look. Weeners, as he is also known, walked around in his stocking feet to the dismay of the inhabitants of some small town several 100 miles from home. Good thing it was Sunday, and the blue laws in effect, or surer than the dickens the dog-catchers would have made a haul.

The boys all had a "crash" on the Pittsburgh girls. That's not all, they also had a "crash" on Buckeye's skull tent.

"Greeney" Perko was forced to tears after he unintentionally (?) leaned his elbow on Buck's new Stetson.

It is good thing "Fat" Krajc and M. Stepic were separated six arms lengths.

The rest of us were well satisfied and know that when any one wants a good time just take along the above lads and they will make two-pair look like a full house of jokers.

As this will be the first visit of our esteemed Supreme President in our mids, we want the co-operation of every individual member to give our distinguished visitor a worthy reception and show our appreciation for his great efforts and work that he is doing for the K. S. K. J.

We want every member of the K. S. K. J. to be present at every part of the program and for the benefit of those who may not be able to read Slovenian text of the program published elsewhere in this issue, I want to call attention of every member to the following main events of the day:

On Sunday morning at 9:30 we will all meet at the Slovenian Home and from there escort our distinguished visitor to the church where we will attend in a body the 10 o'clock mass. Immediately after mass we will go to the church hall, there to enjoy a banquet which will be prepared for the members of the K. S. K. J. and other invited guests. At 8 o'clock in the evening there will be a play given at the Slovenian Home, under the auspices of St. Joseph Society No. 122 K. S. K. J., and thereafter Brother Grdina will make an address to the audience. To the evening program are invited all Slovenes of Rock Springs and vicinity.

No doubt you all realize the importance of this event which will do much good for the future progress of the K. S. K. J. in our city. Now, let us all get behind this movement and put it over in such manner that will be a credit to ourselves as members and of benefit to our lodges as well as to our K. S. K. J. as a whole.

Fraternally yours, Matt Leskovec, Secretary of arrangements committee.
