

AMERIŠKA IZJAVA NEODVISNOSTI

Številnim Američanom pomeni 4. julij—Dan neodvisnosti—umetni ogenj, družinski piknik, dan na deželi, začetek novega leta. Toda v zadovoljstvu polletnega praznika ne smemo pozabiti pomena in važnosti tega dne. Ta dan je obletnica svečanega podpisovanja Izjave neodvisnosti pred 179 leti.

Prvega julija 1776 je priplulo v newyorško pristanišče britansko brodovje z armado generala Howea. V devetdeset milj odda-

Kje si, hčerka, kje si draga, kje mudiš se zdaj? Ključeta Te oče—mati, vrni se nazaj.

Kje si, ljubljena sestra, kje je Tvoj obraz, tvoja mila govornica, ki jo pogrešamo ves ta čas?

Rada k vam bi se vrnila, poljubila vas srčno, smrti angelj moj je varuh čuva v grobu me zvesto.

Zalujoči:

JOSEPH in LOUISE, oče in mati brata in sestri
Cleveland, O., dne 1. julija 1955.

ljeni Filadelfiji se je v Državni hiši zbral Kontinentalni kongres, da se pogovori o virginjski resoluciji, ki je ugotavljala, da "te Združene kolonije so in da bi po pravici morale biti svobodne in neodvisne države." Sprejem te resolucije bi dejansko pomenil dejanje neodvisnosti. Izjava neodvisnosti, ki so jo sprejeli tri dni kasneje, je pojasnila ta korak vsemu svetu.

Konec dneva so pod vodstvom ognjevitoga Johna Adamsa iz Massachusettsa prevladali zastopniki, ki so za trinajst kolonij zahtevali neodvisnost. Dne 2. julija je prišel glasnik Georgea Washingtona z zlovesčo vestjo, da so Britanci napadli New York. Možje in kolonije, ki so še oklevale, so potegnile z ostalimi. Vseh 13 kolonij je tako soglasno sprejelo resolucijo.

"Drugi julij 1776," je zapisal kasnejši predsednik Združenih držav John Adams, "bo v zgodovini Amerike... dan največjega spomina. Prepričan sem, da ga bodo bodoči rodovi proslavljali kot praznik velike obletnice."

Dne 3. julija se je pričela razprava o Izjavi neodvisnosti, katero je sestavil Thomas Jefferson in katere namen je bil, da vsem vladam na svetu pojasni, zakaj so kolonije proglasile neodvisnost. Četrtega julija je bilo glasovanje. Zastopniki, ki niso glasovali kot poedinici, temveč za kolonije, so soglasno sprejeli Izjavo neodvisnosti.

Američani na splošno govore o 4. juliju kot o dnevu, ko je bila podpisana Izjava neodvisnosti. V resnici pa je tega dne izjavo podpisal samo predsednik Kontinentalnega kongresa John Hancock, in sicer zato, da postane listina s tem "uradna." Ostalih 56 članov kongresa je podpisalo izjavo, ki se je proglasila za "soglasno izjavo trinajstih Združenih držav Amerike" (ta-

krat so bile besede prvič uradno rabljene), šele 2. avgusta.

Prva zabeležena proslava Izjave neodvisnosti je bila 8. julija 1776, prvi ponedeljek po njenem sprejemu. Tega dne so se množice Filadelfijčanov zbrale na dvorišču Državne hiše, kjer je zdaj Trg neodvisnosti, da bi slišale vsebino listine. Zvonovi so zvonili in nastopila je tudi vojska.

Dne 4. julija 1777, na prvo obletnico izjave, je bila v Filadelfiji formalna proslava. Te prve proslave so pomenile začetek. Dan neodvisnosti je danes zakonit praznik v vseh Združenih državah ter po vseh ozemljih in posestih Združenih držav.

Izjava neodvisnosti je še vedno živa listina. Ko se je pred letom dni Vrhovno sodišče Združenih držav soglasno izreklo proti plemenskemu izločevanju v javnih šolah, so dobile tiste omembe vredne besede, s katerimi se začne drugi odstavek izjave, nov sijaj: "Menimo, da so naslednja dejstva samoumevna: da so vsi ljudje po stvaritvi enaki, da jim je Stvarnik podelil nekatere neodsvojljive pravice, med katerimi so pravica do življenja, svobode in iskanja sreče..."

Demokratski duh izjave prepleta vse naše politično mišljenje.

ZGODOVINSKI ROMAN

(nadaljevanje)

"Da, ampak—saj se že vračata!"

V resnici sta moža korakala proti Tlakam nazaj. Langer in Belingar sta jima šla naproti.

"Nu?" je nestrpnost zaklical gospodar in poveljnik.

"Tam po cesti gredo od Ljubljane sem. Čez pol ure bodo tukaj."

"Kdo?"

"Naši so. Na čelu jahajo huzarji, za njimi prihajajo pešaki."

Langer je prebledel.

"Ali se ne motiš?"

"Ne. Oba sva jih jasno razločila skozi daljnogled, ki ste nama ga dali."

In vrnil je gospodarju instrument. Molče se je Langer obrnil in odšel do pobočja, kjer se je v senci pasel njegov konj. Vrgel se je v travo in čakal, temno broč predse. Nato se je dvignil, se vzpel na konja in velem zatrobil v zbor. Godrnjaje in preklinjaje se je moštvo zbiralo v vr-

ste. Kmalu se je prikazal na ovinku pojezd huzarjev, na čelu—baron Dumontel. Ko so zagledali pred seboj dolinico, polno vojaštva, so se ustavili. Langer jim je zajahal naproti. Poveljnika sta se pozdravila.

"Kaj za vraga se je zgodilo?" je nestrpnost vzkliknil Langer.

Major Dumontel je skomignil z rameni:

"Premirje—že pred štirinajstimi dnevi je bilo sklenjeno, a zvedel sem zanj šele danes."

"In zdaj?"

"Po povelju se moram umakniti na Hrvaško. In vi, gospod Langer? Saj ste zbrali kar lepo število brambovcov."

"Samo prepozno!" je Langer klavrno pristavil. "Menda mi ni usojeno, da bi kdaj posegel v boj. Povsod me zasleduje ta prekleta smola."

"Nu, saj še ni vseh dni konec," ga je tolažil baron in skri-

vaj zatrll nasmešek. "Ne bojte se! Še se bomo pomerili s Francozi. In kaj storite zdaj?"

"Sam ne vem," je Langer dvignil ramena. Njegov široki obraz z dvojnimi podbradkom je bil ves rdeč od nejevolje.

"Pojdite z nami! Gyulay zbira armado na Hrvaškem. Tam počakamo, dokler se ne odloči, ali bo mir ali še vojna."

Langer je ves poživljen v novem upanju dvignil glavo.

"Saj bi res šel."

Tako se je zgodilo, da je čez

nekaj dni Langer zopet peljal svoje fante skozi Novo mesto. Pred hišami so stali ljudje, pozdravljali znance med njimi in izpraševali, kam in zakaj. Tudi pred Rozmanovo gostilno je stala gruča mož. Ženske so se sramežljivo skrivale za okni in hišnimi vrati.

"Hitro se vračate. Ali ste pobili dosti mesjejev?" se je s praga zbadljivo oglašil mestni stražnik Mihec Rozman, zanikrn, šaliv pijanček štiridesetih let in svetle kodraste brade.

"Ti boš prvi, jezik nesramni!"

je s koso zamahnil proti zbadljivcu dolgi Jože Cesar iz Bršljina, sin ubožnega lovskega čuvaja.

Stražnik se je nehote umaknil, brambovcu pa so se zakrohotali.

"Kar poščegetaj ga!" je škodoželjno vzpodbujal poleg stražnika stoječi pivec, bledega obraza in rdečega nosu—upokojeni

tobačni revizor, Nande Grošl, sunil v trebuh mladi kmet Setjuna, da se je Grošl sesedel na prag in se je vsa okolica veselo zasmejala.

MUSICARNIVAL

Rodgers and Hammerstein's incomparable "South Pacific" received its national "in-the-round" baptism last Monday night in Musicarnival's delightful setting—and took to it like bees take to clover.

From the moment that John Shafer lifts his rich baritone voice in "Some Enchanted Evening" until sparkling Mimi Kelly reprises the same melody in the finale, this production of "South Pacific" reflects all of the warmth and charm that has enabled it to attract three and a half million theatre goers.

In between, the audience roared with laughter at the antics of Juanita Hall, the original Broadway "Bloody Mary," and Lee Krieger, a veteran as the enterprising Sea-Bee, Luther Billis.

Stanley Grover, borrowed from the original cast of "Wish You Were Here" to spend two years with the road company of "South Pacific," demonstrated a fine singing voice and a real feeling for the tragic role of Lieut. Cable.

IN FLORIDA

Mr. Matt Petrovich sends greetings from Florida, where he is vacationing.

Cain Park Theatre Comes of Age

Cain Park Theatre will "come of age" with its 1955 season, celebrating 18 years since its first full-scale production of the "Warrior's Husband." Cleveland Heights unique outdoor amphitheatre is the only city owned and operated theatre on a non-profit basis in the United States. It will celebrate its young maturity with a playbill presenting four top musical comedies: "Guys & Dolls" (July 4-16); "Vagabond King" (July 18-30); "Where's Charley?" (Aug. 1-13) and "Wonderful Town" (Aug. 15-27).

Cleveland Summer "Pops" Concerts

Attractions of unusual interest will add freshness to the Summer "Pops" Concerts of the Cleveland Summer Orchestra, which will begin their Seventeenth Season in the Public Auditorium on Wednesday, July 6, at 8:30 p. m. Louis Lane, who has served as resident conductor of the series in recent years, will be the conductor of the entire series of concerts which will run through September 3 on Wednesday and Saturday evenings. The only interruption will be in the final week of July, when there will be no concerts. Each concert will have a different program, different soloists, and will be given in an air-conditioned summer setting, with tables covering the floor, refreshments available, and smoking permitted.

DUOMATIC APPLIANCES

Women are doing more laundering than ever before, yet they are spending less time doing it. A major reason for this trend is the latest addition to the domestic gas appliance field, the gas washer-dryer.

The Duomatic is a logical development after the automatic washer and the automatic dryer—a combination of both machines in one new gas appliance. Although its purpose is to save the homemaker time and work, it has a double effect—women

now do more laundering. Owners of combination washer-dryers report a 20 percent greater use of the Duomatic than of previous automatic washers and separate dryers, and up to three and a half times more frequent use than that of conventional washers combined with line drying.

The versatile Duomatic gas-washer-dryer can launder such items as chenille spreads, slip covers, draperies, pillows, and synthetic fabric coats and dresses in one continuous operation.

The new washer-dryer is a boon to the homemaker. It saves time by laundering automatically, and it saves money by laundering items that were formerly sent out to be cleaned. It saves space because it takes up the room of one appliance while it does the work of two.

Immigration and Naturalization

Question: I was born abroad, but I think I derived American citizenship through my father. I have practically no documents to prove this, and since I want to get my United States citizenship status established as easily as possible, I am wondering whether it might not be best for me to apply for naturalization in my own right.

Answer: The Immigration and Naturalization Service will not proceed with an application for naturalization where it appears that the applicant may already be a citizen. Wherever there is any possibility that a person is a citizen through derivation, he should first apply for a certificate of citizenship at the nearest office of Immigration and Naturalization Service. In Support of this application he must present marriage and birth records to prove his relationship

to the person through whom he claims citizenship is derived, as well as documents to show that the person was a citizen. At the hearing in connection with this application, the Service will determine whether citizenship has been proved. If the Service feels that the person is not a citizen, or cannot prove citizenship, it will advise him to proceed with naturalization.
