Program Z. K. D. - S. D. D. Waterloo Rd.

V nedeljo popoldne ob 3. uri pada "Zveza Kulturnih Društev Slovenskega Delavskega Doma" na Waterloo Rd. pestri koncert z varietnim programom. Morebitni čisti preostanek te prireditve bo porabljen izključno le za potrebe odra, kulis in opreme. Od nedensjske prireditve Z. K. D. SDD je tudi odvisno, ali so nam v naši naselbini kulturne organizacije še potrebne, ali je njih delo dokončano? Statuettes klub SDD obstoja izmed same mladine in malo drugih sličnih skupin je k našim prireditvam pomagalo do boljšega uspeha organizacije kjer je bil klub povabljen k sodelovanju. Pred tedni je ta klub priredil svoj ples z namenom, da bi se od uspeha prireditve nabavilo raznih potrebščin katere Statuettes rabijo za popolnejše predstave.

Kaj je bilo s tem plesom, obiskani bil z nad tristo oseb izmed mladine in med tem je bilo tudi okrog deset odraslih oseb moškega in ženskega spola, ako ta obisk realiziramo pridemo do zaključka da sličnega kluba ne potrebujemo več, ker ga nismo pripravljeno podpirati, ohranimo pa povrniti nekaj kar je klub že storil za naše organizacije. Dramsko društvo Verovšek deluje na kulturnem polju že na vrsto let in skoraj, da je zrastle z naselbino, rade volje se je odzval temu ali onemu povabilu tej ali oni organizaciji za sodelovanje s prireranjem iger, ali nam je Verovšek še potreben temu ni bil dokaz na zadnjih igri podani po Verovšku in ako so eni in isti igralci dobri v igri ki jo poda z sodelovanjem Verovškovi članov, ta ali ona organizacija, kaj je torej narobe z Verovškom samim, zakaj niso njegove zadnje predstave obiskane? Pevski zbor Jadran deluje v Collinwoodski naselbini že na leta in je bil vedno in vsakdar pripravljeno z svojim zborom sodelovati pri vsaki prireditvi organizacij kamor je bil povabljen, koncerta ki ga je priredil v zadnjem mesecu zbor za svoj lastni obstoj pa bi bilo bolje da ga ni, bi vsaj morala članov ne bila skoraj "da vničena," ker so morali peti le malemu številu posetnikom in vsa žast tem. Ne bi omenjal vsega tega, toda potrebno je, eden mora in ker nihče drugi ne pa naj boden jaz ta. Imenovane kulturne organizacije so vedno z dobro voljo sodelovale z vsemi drugimi društvi in organizacijami, zakaj bi jim ob priliki ne povrnili in s tem odbržali te naše kulturne organizacije, kajti ko enkrat te razpadejo, jih nihče več ne bo spravil k življenju. Dober vzgled nam je od onih kulturnih organizacij nekaj cvetočih katerih se danes z vsem trudom, ne da več spravitvi k aktivnemu življenju. Z razpadom kulturnih društev pa od tega lahko pričakujejo u-

Prvi del programa sestoji: "Baladni prizor" podan po Statuettes klubu (živa slika v popolnoma novi obliki). Mladinski pevski zbor pa zapoje pesmi "Bratci veseli vsi," "Ko sem k njej prišel (solo E. Trlep), "Nocoj pa oh nocoj," "Živeli," nastopi pevski zbor Jadran "Jadranova Himna" z sodelovanjem Statuettes kluba v živi sliki, "Studenci" in Vesela tovaršija" vse pesmi poje mešan zbor.

Drugi del programa pa sestoji: dramsko društvo Verovšek poda veselo šalo-igro v 1. dejanju z imenom "Nezakonsko Dele" vloge pa so sledeče: Matev Bobnar župan (Andy Božić), Lojska njegova hči (Jenni Prime), Reza nečakinja (Frances Henikman), Lorenc njen mož (Tony Prime), Prvi hlapec pri Bobnarju (John Zajec), mlajši Bobnarjev hlapec (Louis Crnić) igro vodi Joe Godec in ker je ta igra vele-komična vam vsekakor ne bo dolgočasno na tej prireditvi. Ako se vam ne bo dopadel en del programa, pa smo gotovi, da se boste zabavali v drugem delu, zatorej pričakujemo, da posetite to prireditve v nedeljo, to je jutri popoldne v Slovenskem Delavskem Domu.

Zadružne aktivnosti

Leto se nagiba h koncu; združničarji se pripravljajo na vse zaključne aktivnosti, osobi to pa glede božične razpadeja, katere se prične drugi teden v četrtki in konča na predbožični dan. To bo to pot povsem nekaj izrednega, zatorej pazite na naše oglase v obeh listih.

Vsi smo pridobili na skušnjah in kot organizacija bo tudi Zadruga poročala o teh in promet-

božni in do ekstremnosti vraževerni. Kmečki voditelji pod vrhovnim poveljstvom bivšega premierja dr. Julius Maniu-a, podžigajo s pomočjo grško-pravoslavne duhovščine vero, da je bil potres "božja kazen, s katero je Bog kaznoval rumunsko ljudstvo za njegovo zvezo s hudičem." Maniuov smoter je, da bi pripravil kmete do neke vrste "civilne resistance" ali odpora, s katerim naj bi se preprečilo nacijske načrte organiziranja Rumunije kot baze nemških dobav. — Nameni tega prizadevanja so sicer v tem oziru hvalevredni, vendar pa meče stvar nekam čudno luč na rumunsko duhovščino, ki je tako voljna in pripravljena, farbati neuko in nepismeno rumunsko ljudstvo. Če bi bilo to ljudstvo malo manj praznovno, pa malo bolj prosvitljeno, bi se seveda smejalo bajkam o "zvezi s hudičem," tako pa mu ne preostane drugega, kakor da se s še večjo pokoro, pomanjkanjem in odpovedjo zavaruje proti rogaču. Kdor zna, — zna!

nem letu na delniški seji, katera se bo vršila v Slovenskem domu na Holmes Ave, 26. januarja 1941 ob 1. uri popoldne.

Vabljeni so vsi delničarji in društveni zastopniki delničarskih društev. Udeležite se polnoštevilno, da bo vse delo za bodoče leto začrtano pred vami in po vaših direktivah.

Direktorij vedno in povsod skuša rabiti navodila teh delniških sej in čimveč jih je navzočih, tembolj pridejo dobre ideje na dan, katere se lahko uporabijo v preiskavi v bodočem letu.

Glede spomladanske veselice ili plesne zabave ni še nič konkretnega, bo pa nekaj tako ali tako, ako se bo dalo dobiti primeren datum. Zna biti nekaj posem novega, ampak naj bo kakorkoli, pazite na morebitna nananila o tem.

Sedaj emi zbirajo darila in nekatera bodo še precej dragocena. Kaj ko bi se odločili, da kuite svoji soprogu delnico Slovenske Zadrzne Zveze. To bi bilo zelo prikladno in zraven bi omagali samim sebi in organizaciji, ki vam bo delila popuete na nakupu koncem vsakega leta. Cena delnice je nominalna: samo \$20, vpisnine ni nobene. Zaveden delavec lahko stori nekaj dobrega za svoje ideale, zraven pa lahko poda lepo darilo v obliki delnice. Kdo bo prvi?

Direktorij vas vse skupaj vabi na veliko razprodajo in se za zaprej priporoča v tisto solidarnost naklonjenost, katero ste izkazali tekom leta organizaciji.

"Slovan" se zahvaljuje!

Euclid: — Jubilejni koncert pevskega zbora "Slovan", ki je bil predvajan 8. decembra v Slovenskem delavskem domu na Waterloo Rd. je dosegel v gmotnem in moralnem oziru — sijajen uspeh. Koncerta se je udeležilo nad 600 ljudi, dočim je tudi za večerni ples dospelo lepo število naše mladine.

Prijetna dolžnost nas veže, da se ob tej priliki zahvalimo za vednemno obištvu za ogromno ideležbo. S svojo navzočnostjo ste dali pobudo "Slovanu" za nadaljno kulturno udejstvovanje. Upamo, da ste odnesli prijetne vtise iz tega koncerta!

Dalje se zahvalujemo Statuettes klubu za mojstrsko živo sliko. Mr. Vinko Coff je s to sliko ponovno dokazal, da poseduje bujno razvito domišljijo in umetniški talent.

Iskreno zahvalo zaslužijo tudi naši trgovci in društva, ki so nam tako liberalno priskočili na pomoč s svojimi oglasi v programno knjižico. Niso bogataši ti trgovci, a vzlic temu jih vedno dregamo pod nos s svojimi oglasi.

Nekateri godrnjajo (kdo bi jim zameril) pa kljub temu dajo, ker se zavedajo, da gre za kulturne namene. Zato jih pa tudi mi ne smemo pozabiti. Podpirajmo jih s tem, da kupimo naše potrebšchine izključno pri njih.

Zahvalo naj sprejmejo še sledeči: Chas. Wick and Son, za brezplačno oznanilo našega koncerta na radio. Društvo "Prijetelj" št. 215 SSPZ za dar v svoti \$1.00. Mr. J. Steblaj in L. Kafferle za maskiranje. Joe Godec in njegovi pomagači za pomoč na odru. Bartenderji: Šore in G. Nagode, ki je vztrajal do konca. Mrs. Coff in drugi za pomoč pri serviranju. Ženske za pomoč v kuhinji. Mr. John Lokar ml. (Lindy) za pomoč pri legalnih zadevah. In končno vsi, ki so na kakršenkoli način pomagali Slovanu pri tej prireditvi.

Kot že poročano, je bil celi koncert posnet na gramofonske plošče. Posnel ga je Mr. Bohinc,

od tvrdke Norwood Appliance and Furniture Co. 819 E. 185th St. Phone: KEmore 5700. Ploščice so izredno čiste in glasne, ter baje zelo poceni. Kdor želi imeti lep spomin na "Kovačevega študenta" in na "Slovana" vobče, naj si jih takoj nabavi!

Ford odklanja zahteve avtnege delavstva

Fordov odvjetnik pravi, da hočejo unijski voditelji zato organizirati Fordovo delavstvo, da bi dobili od njega nad milijon na leto v prispevkih.

DETROIT, 12. decembra. — Ford Motor družba je danes zavrnila zahtevo United Automobile Workers (CIO) unije za dovoljenje, da bi se vršile med njim delavstvom National Labor Relations Board volitve.

Tozadevno odklonitev je podal I. A. Capizzi, odvjetnik Fordove družbe, ki je dejal, da je motiv organiziranja 100,000 Fordovih delavcev "lakomnost unijskih voditeljev, ki bi radi dobili od Fordovih delavcev nad milijon dolarjev letno v unijskih prispevkih."

"Unija je storila vse, kar je bilo v njenih močeh, da bi ustvarila nezadovoljnost med Fordovim delavstvom," je rekel Capizzi. "Fordovi delavci niso še nikoli zahtevali od unije pomoči v upravljanju in uravnavanju svojih zadev. Kljub temu pa se silijo delavce z vsemi mogočimi pripomočki in s propagando strahu, da se pridružijo uniji."

KDAJ JE ŽENSKA NAJZANIMIVEJŠA

Uredništvo nekega ameriškega lista je svojim čitateljem postavilo vprašanje, v kateri dobi je ženska najzanimivejša. Višek lepe ženske je bil v času naših dedov pri starosti 20 do 25 let. Francoski romanopisec Balzac, ki je mnogo razmišljal o tem vprašanju, je prišel do zaključka, da je žena najzanimivejša pri tridesetih letih svojega življenja. Približno istih sodbo imajo Američani, ki so odgovorili amerškemu listu, da je ženska najzanimivejša med 30. in 35. letom svoje starosti. Za to starost se je izjavilo 80,000 čitateljev, medtem ko si je drugi največji odstotek bralcev izbral ženske v starosti 24 let, nekaka manjša skupina čitateljev pa se je celo izrekla za osemnajstletne mladenke.

KOLIKO CASA TRAJA POTRES

Mnogi ljudje menijo, da je sila kakšnega potresa odvisna od njegovega trajanja. To je zmotno. Potres, ki traja samo dve sekundi, lahko povzroči dosti večje nesreče kakor takšen, ki traja cele tedne ali pa mesece. V Peruju so imeli pogosto potrese, ki so trajali po več mesecev in niso napravili škode. Seveda ni šlo za neprekinjene

JUGOSLOVANSKA UMETNOST V AMERIKI

Zgodilo se je doslej prvič v zgodovini, da je otvorila operno sezono v Ameriki na dveh od največjih operah na svetu naša rojakinja, hrvaška operna pevalka Zinka Milanova.

Morda se takšna redkost ne bo primerila nikoli več, pa imajo vsi Jugoslovani popolno pravico od tega, da se ponašajo s tem, zlasti pa vsi ameriški Jugoslovani.

Po uspehih v "Aidi" na čikaški operi, je "zagrebški slavček" svetovnega slovesa Zinka Milanova odprla dne 2. decembra tu di sezono na newyorškem Metropolitanu z naslovno vlogo v

Humor kislih kumar

Nedavno je bilo že rečeno, da se skušajo nekateri smejati tudi takrat, ko jim padajo po plečih skeleče batine, o katerih pravijo, da so samo še nanje čakali in da so jim te batine v radost in uteho. Iznajdljivost teh kislih humoristov je čudovita. Evo nekaj primerov:

Neki širokoustnež je nekaj kvasil, pa stopi nekdo k njemu ter mu pripelje krepko zaušnično. Oklofutani pa v sveti jezici plane pokonci, stopi k onemu, ki mu je pripeljal zaušnico, ga krvavo pogleda in vpraša: "Ali si mislil zares ali za špas?"

"Zares!" odgovori vprašani. "Sreča tvoja," se oddalnje oklofutani, "da si mislil zares, kajti špasov jaz ne poznam!"

Tudi Italijani so mojstri v humorju kislih kumar. "New York Times" poroča, da je Columbia Broadcasting radio-sistem prejel v četrtke večer poročilo italijanskega radia, ki na znanja, da je angleški vojni kampanji v Afriki "odzvonilo" in da Angleži sami vedo, "da je že izgubljeno."

"Mi pa gremo naprej!", pravi A. D.

Kakor Italijani v Albaniji in v Egiptu! ...

potrese. So dežele, kjer se potresi redno ponavljajo in trajajo z majhnimi posledki šest do deset mesecev. Najkrajši potresi trajajo eno do tri sekunde, in baš ti so najhujši. Na Siciliji je strašen potres v petih sekundah uničil Messino in 60,000 človeških življenj. Zadnji potres v Anatoliji tudi ni bil daljši in je terjal tisoče žrtev.

ŽELEZNA CESTA

ROMAN

"Udaril me je, opsoval me je!" je zahropila. In navdušenje tiste najsvetejše ure njenega življenja je izginilo, kakor da ga nikoli ni bilo. Vsa strast njenih zlih, grehtonih let je po bliskovito udarila na vrh. "Preklete! Preklete! Za to mora umreti! V njegovi krvi si umijem roke! In v obraz mu pljunem, ko bo umiral!"

Tako je sigala predse, ko se je opotekala po cesti proti svoji hiši. Nobeno človeško sovraštvu ne vzplameni tako mahoma in tako grozno kakor sovraštvu izgubljenke ženske! V duši, ki je pravkar še trepetala od blaženosti zavesti svoje dobrotne moči, se je bliskalo na tisoče peklenških misli. In nato je prišla prava misel, krona vseh, kakor da jo je poslal sam satan z dna svojega brezdana.

"Tako mi Boga! Napraviti hočem iz Allie prav to, kar sem postala jaz! To, kar je on udaril, to, kar je opsoval!"

Zene v Beauty Stantonovi ni bilo več. Kar je soplo v tej uri, ki so bili razdeljali njeno življenje. Osveta — samo beseda! Umor — nič za njo! Življenje, neustrašljivo, brezumen vrtinec človeških strasti! Razum, plemenitost, ljubezen, ženstvo, materinstvo, vse dedščina njenega splošnega, vse mahoma zgorela v nenavni vročici, ki je bila okužila njeno telo in njena čustva. Nobena tigra, noben ljudožre, noben divjak, nobena živa stvar razen polnokrvne ženske, vedoč, kako globoko je pala, ne bi bila zmožna te smrtne, neotlažljive žene po uničevanju, ki je davdala Beauty Stantonovo. Tako maščujeta življenje in priložnost svojo žalostno usodo. Njeno sovraštvu je bilo neizmerno. Oči, ki je bila gola in z nasmeškom na obrazu krenila po Bentonskih ulicah ali v smrt sredi Jalove pustinja, da je šlo za mo-

ža, ki ga je ljubila, je skrivala v svoji duši nedoumno, skrivnostno strast propale ženske; najmanjši vzrok jo je mogel izpremeniti v plamen, v bič, v pustošečo silo. Ogenj — nasproti možu; nasproti svojemu lastnemu spolu — led.

Stantonova je dospela do svoje hiše in je stopila vanjo. Veselica poslednje bentonske noči je bila že v polnem razmahu. Beauty se je postavila v senco stene in je uprla pogled v široka vrata.

"Prvi, ki se približa, dobi ta ključ!" je siknila.

Noge so klecale pod njo. Trepetala je po vsem telesu. Svetloba luči v dvorani se ji je zdela rdečkasta. Prežala je. Več moških je prišlo iz hiše. Po ulici se je malomarno približala visoka postava in je zavila proti vratom.

Ognjena krogla v prsih Beauty Stantonove se je razletela. V prišlecu je bila spoznala njega, ki je bil v Bentonu najbolj brezumen, najbolj nasilen in najbolj nevaren: Larryja Kinga.

Stantonova je stopila korak naprej. Prvič, odkar je poznala cowboya, se je zgodilo, da v njegovi prisotnosti ni čutila tiste čudno mrzle groze, s katero jo je sicer navdajal.

Njene oči so se paste ob pogledu nanj. Visok, mršav, miren in zal, z zardelim, rjavim obrazom, igrajočimi sinjimi očmi in naježenimi rdečimi lasmi, je bil ves podoben temu, kar je bil — stasitemu, rdečelasemu vragu, ki se ne boji nikogar in ničesar in je v svoji hladni, brezobzirni divjosti že živ zapisan peklu.

Larry King je bil videti napol pijan. Stantonova je umela čitati v obrazih mož, ki so posejali njeno podjetje; in to, kar je zdaj videla v Kingovih očrtah, je priložilo k orgiji njenega sovraštvu poslednjo, najvišjo omotico radosti. Da so ji bili na razpola-

go vsi bentonski peklenški, bi bila vendarle izbrala prav tega cowboya, streljača in pohajkovačca.

"Larry, novo dekle imam," ga je ogovorila. "Stopite noter." "Dober večer, Miss Stanton." Iz njegovega glasu je odmeval vpliv alkohola, razgret paglavski nasmešek mu je zletel preko obraza.

Brez obotavljanja je krenil za njo. Zdaj pa zdaj, kadar je začutila dotik težkega samokresa, ki mu je mahal ob boku, se se je razlila po njenih žilah rahla zona. Hodnik je vodil v velik prostor, iz katerega so bila vrata v plesno dvorano. Med gosti je videla nekaj neznanih obrazov, ki so se ji zdeli čudno mrki in pereči, toda v vročini svojega razburjenja ni dosti pazila na to. Iz velike dvorane je po stopnicah odvela Larryja na ovinek prečnega hodnika.

"Vzemite ta ključ!" je šepnila.

Roka ji je trepetala. To je bil njen odgovor na Nealov udarec in povko — njen kljubovalni odgovor vsemu trhlemu svetu. Več ni mogla reči; ustnice so ji otrpnile. Iztegnila je roko in pokazala proti vratom.

Počakala je, dokler ni videla, da je ponosna, zala cowbojeva postava obstala pred pravimi vrati. Nato je zbežala.

Še mnogo minut po tem, ko je bila lepa, goloroka žena zaprla in zaklenila vrata, je sedela Allie Lee v brezmejnem, drhtečem blaženstvu in s kopnenjem čakala svojega dragega.

Ta mali prostor se ji je zdel najkрасnejše zavetje, in vendar je bil poln čudne tesnobe, prav tako kakor ozračje prve sobe, v kateri je ležalo Ancilffovo truplo. A dih smrti ni bil tisto, kar je preletavala, je prihajala od drugod.

Ta prostor ni bil človeško bivališče. Zdelo se je, da vobče ni

in turobni spomin na moža, ki sta bila umrla zanjo; vse, kar je še dihalo v njej, je bilo drhteče upanje in skeleče kopnenje.

Koraki onkraj vrat so jo zdramili iz tega nervoznega sanjavega razpoloženja. Nekdo je prihajal po hodniku. Njeno srce je divje poskočilo — in zastalo. Koraki so šli mimo vrat. Začula je težak, opit moški glas in votli, cvrkotajoči smeh dekleta.

Vsi udje so ji opovedali pokorščino. Vročična napetost kopnenja je bila prehuda za njene moči. Njena čustva so se izprevrgla. Previsoko se je bil vzpel njen up v svojem poletu!

Collinwood Chatter

Could you beat it — Brenda and Cobina both had dates! Well, you could've knocked me over with a feather. But they promised (the both of them) to go with me tonite to the dance held by the J and J Club at the Slovene National Home on 65th and St. Clair. The music will be by Johnny Pecon.

Boogy Woogy fans all attended the dance given by the Strivers Lodge 671 CFU... Jo Klein and her girlfriend looking very chic in their gray outfits... Bill Jerse coming alone... most becoming was Sophie Volk in her black dress and coming with a certain someone lately... "Ace" Jerse looking quite handsome... Razy Zimmerman as happy as ever... Mary Leskovec and Jennie Jalovec having no time to stand around... saw Babe Kosce taking Jo Zaletel home after the dance... Ann Jalovec and Lillian Legan also seen leaving with escorts... the Knesovecs still going pretty strong... Bob Greenwald doing very well on the dance of the moment... Ottis Rufo continuously sweeping girls off their feet... and I was there too and dancing with all the prettiest girls too.

Reminder: Don't forget the dance tonite. And also make it a date for Jan. 1 to be at the National Nome. The dance will be held by the Maccabees Red Jackets. The music will be by Lou Trebar.

So until next week I'll be at broadcasting station trying to keep the static out of your radios.

Yours as ever,

some and keeping the Collinwood girls busy — Ed Slejko coming again to our dances but doesn't give the girls enough breaks. Stephie Branisel looked as if she enjoyed herself, also the Mohoric sisters seemed to be doing okey. There were many more there, but that would be telling too much.

Another coming dance is the Christmas dance on Dec. 25, which will be held on Waterloo. The Vadnals will bring out their sweet music. Admission only 25c. So until next week,

ing to present a comedy by the name of "O' a Polona." I'll not tell about it because I'd spoil it for you who are attending it. It's fun seeing the children perform.

We, Euclidites, certainly would be very much disappointed not to see any of the Collinwoodites, Clevelanders come to see these children because we attend concerts and dances in Collinwood and Cleveland. I didn't mention Newburgh and Barberton and West Park on that list because people seem to come from way out there rather than those that live so close.

News for the kiddies — Santa will distribute candy and pres-

ents right after the concert. For those "saw hoppers" and the "boogy-woogy dancers," Jankovich will swing out the tunes. Dancing will start at 7:30 p.m. How about seeing some of you columnists who write "Gadabouts from Geta-bouts," "Collinwood Chatter," "Seeing Eye," "The Sidewalks of Cleveland," at the dance to give the public first-hand news of everyone having a grand time, and last but not least, Elsie Desmond. And for the rest of you reporters, I must compliment you in behalf of Euclidites on your interesting write-ups on different occasions. I'm sure you'll have a grand time and aside from that you'll be helping a good cause.

So all, young and old, make it a date on Sunday, Dec. 22 at Slovenian Society Home on Research Avenue, if not for the concert then for the dance.

Use Double Care

Cleveland, O. — The peak season for automobile accident fatalities is approaching. The hazards of driving at this time of the year can be easily seen when we consider that mileage is sharply reduced in winter months but despite this the traffic deaths soar. Even the heavy traffic of spring and summer months cause fewer fatalities.

It takes a lot more skill and caution to drive or walk safely during late fall and winter months. There are more hours of darkness. The early hour of darkness increases the danger of accidents since it comes during the rush hours—the peak time for traffic. Everyone is hurrying from office and factory to be on their way toward home. To the hazards of the heavy traffic rush during the hours of dusk are added the handicaps of cold weather with its fog and rain—and a little later snow and ice. Pedestrians take chances to get out of the inclement weather and because of these same conditions it is much harder for the motorist to see them or stop in the event of an emergency.

Every motorist must use double care and each pedestrian must be extra cautious to keep his name from being added to Cleveland's traffic toll during the balance of the year.

SPIRIT OF CO-OPERATION

Tonight, two outstanding English-speaking lodges in Slovene community on St. Clair avenue are holding their annual meetings — SSPZ Spartans and SNPJ Comrades. Both groups are pioneers, locally, in their respective societies of the movement which began during the twenties, to organize youth within the folds of fraternalism.

As friendly rivals, they have done much towards eliminating friction and misunderstanding which from time to time still exists among older members of the parent societies. They have helped in creating a spirit of true comradeship in the ranks of the liberal thinking element in the community. In this manner a basis, locally at least, has been laid for closer relationship in the future.

A significant gesture further in this direction will take place tonight when Comrades and Spartans, after the conclusion of their official labors will meet in a joint social. The scene of the happy festivity will be the lower hall in the Slovene National Home. There will be plenty of refreshments, solid and liquid, for mere asking. Also a short amateur program and music for dancing.

We have a feeling that the two groups will have one of their best attended annual meetings in years and that their joint social will be an event not soon to be forgotten.

Congratulations to those responsible for the venture, and may long reign the spirit of co-operation exemplified by it.

ZUMBERAKS EDGE SPARTANS IN FINAL MINUTE OF THRILLER

Gruback's Tally in Remaining Seconds Gives CFU Five Decision; Croatians Erased From Undeclared List As Mazeikas, Sukesen Lead Rout

With teams showing the same pep and spirit of Inter-Lodge teams of yester year, the performance given last Wednesday night at the St. Clair Center gym was of mid-season caliber. Naturally, the Spartan-Zumberak thriller which the Croatians won 36-34, held the spotlight for the evening, but the Lithuanian upset of the previously undefeated Croatians and the improved St. Joseph's team gave the fans a great share of delight.

Serbians 24, St. Joseph's 11
The Serbs rallied in the fourth period to beat a young improving St. Joseph's quintet. It took Yanchar's 11 points to swing the decision.

Zumberaks 36, Spartans 34
With the Zumberaks leading all the way, the Spartans rallied in the final minutes of play to tie the score up, and manage seconds later to knot the score up after the Croatians had moved ahead again. The final few seconds of the overtime period found Gruback's long shot breaking up another tie for a CFU victory. Johnny Korman had 10 points for the losers.

Lithuanians 41, Croatians 20
The Croatians, unbeaten in two previous tilts, were knocked

out of the undefeated column by a fighting Lithuanian squad. In staging the biggest upset of the current I-L season, the Liths took command from the very start and never once relinquished the lead. Mazeikas and Sukesen had 13 and 11 points respectively for the winners.

Schedule for Wednesday, December 18, 1940:

Lithuanians vs Spartans 7:15
Croatians vs St. Josephs 8:00
Zumberaks vs Serbians 8:45

Unity Council Plans Yule Program

Spurred by the highly successful dinner and lecture given by it in honor of author Louis Adamic in Guildhall recently, Cleveland Council for American Unity is again planning a public affair in its endeavors to bring about better understanding and closer cooperation between old and new stock Americans.

A Christmas dance Thursday evening, Dec. 19 in the Ukrainian National Home, 253 W. 14th Street just a bit south of the W. 14th St. and Fairfield intersection) will be the vehicle, this time. A good turnout is expected.

Nicholas Oleksyk is chairman of the entertainment committee, which is working on plans for the affair. Other members of the committee are Miss Felicia Pakeltis, Enrico Molinari, Alexander Babyak, Steven Penich, Miss Mary Bielek, Miss Irma Kruse, Mrs. Helen Diamondescu, Miss Maria Rusynuk, Miss Marie Ratica and Mrs. Theodore Andrica.

The Slovene community is already represented in the Unity Council and more are expected to join. If you are one of those who wish to learn about the work done by this group, make it a point to be present at the Council's Yule dance. The affair will be informal.

Xmas Fun for Kiddies at St. Clair Recreation Center

A real Christmas treat is in store for the young and old in the community Monday, December 23rd at the St. Clair Recreation Center, 6520 St. Clair Avenue, according to Mr. Martin Antonic, director. Several outstanding community performers will appear on the program. Tentatively here are some who will entertain that evening: Frank Yankovich and his orchestra; Girls' Sextet vocalists who appeared on the recent Cleveland Press Xmas show at the Public Auditorium; Slovene Radio Quartet always a big hit; Fred Bozic in his usual inimitable strong man act. — Other acts which are certain to please are being planned.

Admission for the adults is free. The children, however, will qualify for a free admission only after they have memorized three rules — word for word. It is suggested that the children call at the cashier's desk at once and ask for these rules so that they will be certain to get in free to the big Christmas show Monday, December 23rd. The program will begin at 8:00 p.m.

As one of the Hi Hats says: "You all remember the good times we had together at our previous affairs, so let's all get out and really celebrate once more, before our Christmas holidays. This is the first dance the Hi Hats are holding since last December and we all want to close this year with a bang."

Get them gal friends and wives out, says the committee in charge, and celebrate a real Christmas present with the Royal Hi Hats on Saturday, December 21 at Twilight Ballroom. The price of admission is 35c and there will be souvenirs given at the door. The time? — Oh yes! 8:00 til ??

Slovene Girls in International Institute Program Tomorrow

On Sunday, December 15, 1940 at 4:00 p.m. the International Institute of the YWCA will open the Yuletide Festivities with the portrayal of the "Christmas Season Customs." The various nationality groups of the Institute will participate in this celebration.

The girls of the Yugoslav (Slovene) Club have selected as their presentation a playlet entitled, "St. Nicholas Eve." St. Nicholas Day comes on December 6, and many of you no doubt still remember the excitement which prevailed throughout the homes the night before. Every child was setting out a plate — the biggest that he could find, for good St. Nicholas to fill.

Some of the other groups taking part in the program are: Swedish group presenting "St. Lucia's Day"; Polish group, presenting "Xmas Scene"; and English group, which will present "12th Night Celebration." Beautiful Christmas carols and songs will be rendered by a vested choir.

The program planned is very interesting and entertaining and open to the public at no admission charge. It will be given in the lounge of the YWCA, East 17th and Prospect Ave.

Sparkles

"Slovan" certainly presented a wonderful operetta, "Kovačev student," last week, Sunday. The chorus which consists only of men was very effective. I'm sure everyone will agree with me that their time was spent well.

Frank Yankovich entertained youngsters in the evening with some swell music. I sure saw many of my friends enjoying themselves such as Helen Koshel — Frank Dacar dancing right through the evening — Jonney Slocar and Vida Skapin certainly know how to swing to music, keep it up kids — Mary Jane Parker looking very sweet — Jack Zay sure knows how to "Boog It" — Andy Silla not dancing at all, why? Yule Party for SNPJ Juniors Next Friday

On Dec. 20, Circles 2, 12, 13, and all other St. Clair juvenile members of the SNPJ will give a combined Christmas party at 7 p.m. in the lower hall of the SNH, 65th and St. Clair Ave.

There will be music for dance lovers, (accordion) a Christmas tree, games with prizes, and some community singing. I am sure there will be fun for all.

What's a party without eats? There sure will be plenty of refreshments; ice-cream, candy, popcorn balls, cookies, and pop. Donations from the Cleveland Federation and the treasuries of the juvenile circles will cover the expense.

All who attend this party are asked to bring a gift (the gift must not cost more than ten cents). The gifts will be exchanged at the party.

Perhaps good old Santa might drop in to see how we are getting along. I am sure all the little children will enjoy seeing him there.

We do want this party to be a success so please, all you juvenile members of the SNPJ, do not forget to let Dec. 20 open for this party.

We not only want the children of the SNPJ to come but also their mothers and dads. Won't you come, mother and dad, to see what fun your children can have? There will be fun for both young and old.

Jolly Jesters, Circle 2, also wish to remind you that their mother lodge, Napredne Slovenke, No. 137, are going to hold a dance Jan. 4, at SNH on St. Clair Ave. Here is another day you won't want to forget. I am sure that you all remember the swell time we all had at the Orange Dance they gave last year. Don't forget to put a big red circle on your calendar for Jan. 4.

Will be seeing you at the Xmas party and Napredne Slovenke dance. So be sure and be there.

— Mary Tratnik, president Jolly Jesters.

Euclid Bits

Jingle Bells, Jingle Bells, it seems that's what we hear these days because Santa is coming and guess where he is stopping to give you the greatest entertainment and a grand time? It's at the "Skrjancki" concert. Before I go further on giving you the dope on the concert I would like to explain how and when and who belongs to Skrjancki. It's composed of children between 5-16 years of age, sopranos, altos, and second sopranos. Their singing is marvelous. They sing Slovene songs with heart and soul, which their dads and moms are very proud of. They give concerts about twice a year, that is, on Mother's Day and for Christmas. This year, besides the concert they're go-

New Nationality Code Will Go Into Effect Jan. 12

Federal Law on which Experts Worked for Seven Years Clarifies Citizenship Questions and Eliminates Confusion

On Jan. 12 the new nationality code on which Government experts have worked for seven years and which was signed by President Roosevelt on Oct. 14 will go into effect. The code is considered the most important piece of federal legislation concerning naturalization and loss of citizenship ever enacted by the Congress of the United States. The passing of the new law means the end of confusion which existed until now in regard to many problems in relation to U. S. citizenship.

This act not only will affect aliens who came here from foreign countries but also makes possible the granting of citizenship to the original inhabitants of this hemisphere, the Indians, Eskimos and Aleutian Islanders.

"Overshadowed by more dramatic acts of Congress, such as conscription, registration of aliens and the appropriation of billions for national defense, the new code has received comparatively little notice," writes Miss Marian Schibsky, expert of naturalization law in the winter issue of Common Ground magazine.

"It is nevertheless an event of considerable importance. To bring order and brevity to the mass of laws and regulations governing naturalization in the United States, to eliminate confusion and duplication, is an achievement that may in years to come be spoken of as re-Roman law by Justinian.

Makes Some Changes
While the new code for the most part re-enacts and clarifies existing laws, a number of changes have been introduced. The provisions regarding naturalization of Indians is one of particular interest.

"Until now only white persons and persons of African ancestry hitherto have been deemed eligible for naturalization. The new code extended this privilege and descendants of races indigenous to the Western Hemisphere. Up to now American Indians born in Canada, Mexico or some other country in the Western Hemisphere have been held ineligible," Miss Schibsky says.

The new code also prescribes the scope and nature of examination to be accorded alien petitioners for citizenship. This will make for improvement on the type of questions deplored

by the late Col. Daniel W. McCormack, former commissioner of immigration and naturalization, such as "How many legs has the Constitution?" or "How many stars are on a quarter?" The provisions covering expatriation and loss of American citizenship are more stringent than in the past, according to the new code. Formerly a naturalized citizen who resided for more than two years in the country of his former allegiance, was presumed to have forfeited his American citizenship.

As interpreted by the courts, however, the presumption related to the loss of the right to diplomatic protection as a citizen rather than a loss of citizenship itself.

Clarifies Status
Under the new code a citizen by naturalization loses American nationality after he has resided in the country of his former allegiance two years, provided that under the laws of that country he reacquires its nationality through such residence; if not, he loses it after three years of continuance residence in that country.

The code provides for loss of citizenship by anyone who commits any act of treason against the United States, or who bears arms against it, or who enters foreign military forces if there by nationality in such foreign country is obtained, or who accepts employment under a foreign government for which its nationals only are eligible, or who votes in a foreign political election.

"The new code may seem to the general public long and involved document, but by comparison with the numerous acts on citizenship and naturalization which it supersedes, it is brief and crystal clear and has brought order and system into past confusion," Miss Shibley writes.
