### Kaj hočeš, da ti storim?

Človek čuti željo po pravilnosti in polnosti življenja. A naj še tako hrepeni po najboljšem, je vedno v sebi nepopoln in slab ter grešen. Zato v vseh časih in verstvih odkrivamo željo po rešitvi iz te uklenjenosti, željo po odrešenju. V vedno hujših časih sodobni človek toliko bolj išče izhod iz nešteti in na videz nerešljivih stisk, išče odrešenje.

Prerok Jeremija izraža veliko veselje ob spoznanju, da Bog odrešuje. Tudi mi moramo gojiti to veselje in upanje ob misli na Boga-odrešenika. Še dober človek ne more pustiti sočloveka, kaj šele svojega otroka, samega, kadar je le-ta potreben njegove bližine in pomoči. Kako naj bi torej neskončno bitje, Bog, stvarnik človeka, mogel le-tega puščati samega, sebi prepuščenega, brez odziva na njegove klice na pomoč! Že stara zaveza torej trdi, da je Bog naš oče in zato tudi naš rešenik:

»Zberem jih od koncev zemlje,« trdi besedilo. Bogu ni noben človek tuj. Ni kraja na zemeljski obli, ki bi Bogu uhajal izred oči. Dobro je, če razmišljamo o tem, kako so pred Bogom vsi ljudje enaki, enako potrebni odrešenja. Odtod sledi velika dolžnost za nas verne, da oznanjamo tistim, ki še ne vedo za Boga in da je odrešenik, to veselo vest, po kateri tako ali drugače hrepeni vsak človek.

Pismo Hebrejcem govori o Kristusovi odrešeniški duhovniški službi. Duhovniki vseh verstev imajo vlogo posrednikov, ki naj Bogu darujejo daritve, posebno tiste za ublažitve božje jeze in za odpustčanje grehov. To njihovo darovanje pa ne izključuje njih samih, saj so tudi oni grešniki. Zato tudi ne gre, da bi svečeniki sami sebe izbirali, ampak jih postavlja Bog. Ob vseh nepopolnostih duhovnikov in ljudi pa imamo velikega duhovnika Kristusa, ki je brez vsake hibe, obenem pa neizrekljivo razumevajoč, saj je tudi človek. »Ti si duhovnik vekomaj,« zaključuje berilo.

Evangelij govori o Jezusu, ki se je srečal s slepim Bartimajem. Ko je le-ta slišal za Jezusa, ga je glasno klical: »Sin Davidov, usmili se me!« Vedno znova je velika skrivnost, kako se srečata Bog in človek. Gotovo prvi prihaja naproti človeku Bog. A tudi človek mora narediti svoj korak, kot ga je storil slepi, ko je zaslišal za Jezusa, ki pa tudi ni šel tam mimo slučajno. Bog namreč v svojem delovanju ne pozna slučajev. Prav nalezljivo je navdušenje, veselje, pripravljenost slepega, ki se je takoj odzval, da bi bil deležen Kristusove pomoči: »Vrgel je s sebe svoj plašč, poskočil in prišel k Jezusu.« - »Kaj hočeš, da naj ti storim?« tudi nas vprašuje Jezus. Ne bojmo se mu povedati svojih želja.

## STARTING OUR NEXT FIFTY YEARS

As our parish starts the next fifty years, the property and buildings will require many repairs and improvements. The Parish Council has reviewed this and estimate the cost of repairs to be \$500,000 (or about \$60,000 a year) over the next 10 years for the 34 projects listed below.

We are asking for the assistance of parishioners in forming a committee (about seven persons) to help review these projects, prioritize them, produce specifications and designs and oversee/organize their completion. We would especially appreciate persons with experience in construction and maintenance. The committee would meet four or five times a year.

If you are interested in helping in any way, please contact Tony Horvat at 905 -515-5881 or [thorvat@cogeco.ca](mailto:thorvat@cogeco.ca) by Wednesday November 4, 2015.

## MISIJONAR FR. DANILO LISJAK, SDB

Mir in veselje v Svetem Duhu vsem vam, prijateljem pri sv. Gregoriju! Po petih letih smo spet skupaj. Lepo je priti med svoje. Ko sem odhajal, sem približno vedel, da odhajam v travnate stepe na sever Ugande med Acholi ljudstvo ob Nilu. Tako kot vi, ki ste pred desetletji zapustili svojo prvo domovino in si v »neznani« s pridnim delom ustvarili drugo – novo domovino.

Ko gledam film o vinogradu na katerem ste zgradili župnijsko središče, tudi sam mislim na majhno kapelo zaraščeno z visokimi slonovimi travami in se spomnim na začetke 2010.

Vse iz nič. Otroci v sosednji Catholic

Fundraising Primary School so nas gledali kot marsovce, saj je duhovnik med 23 letno vojno sem zašel le kvečjemu enkrat letno. Bili so rojeni v velikih begunskih taboriščih (dve na področju zdajšnjega misjona). Pljunili smo v roke in ljudje so pomagali na razne načine. Pogumni učitelj in hkrati katehist, praded zdajšnjega predsednika župnijskega sveta, je 1945 pripravil prvo skupino katehumenov za krst. Naslednje leto so ljudje darovali za nov misjon 42 akrov zemlje za šolo in kapelo. In potem še zemljo za 12 kapel, kjer je danes 7 osnovnih šol s 4 tisoč otroci in tri srednje šole in en VTC-tehnična. Te tudi redno oskrbujemo

Letos blagoslovljena nova župnijska cerkev, ki je zrastle nad ruševinami stare kapele.

pastoralno. Zadija leta smo krstili in pripravili 1500 otrok in 500 birmancev. Novo župnijsko središče s 1500m<sup>2</sup> uporabnih prostorov smo blagoslovili 6. septembra letos. Naš sobrat, salezijanec domačin Fr. Thomas je postal prvi župnik.

Misjonsko Središče Slovenije, dobrotniki iz Slovenije in zdomstva so nam pomagali. Čez 30 Slovencev je fizično pomagalo in učilo domačine, ki jim je vojna vzela znaje in voljo.

Naše družine so številne – od 5 do 10 otrok – živijo skromno v slamnatih kolibah in kuhajo v aluminijasti posodi na treh kamenih. So poljedelci in jih bujna vegetacija ne pusti križem rok, sicer bi jih plevel prerastel. Bodočnost je v šolah in pri vzgoji delovnih navad (taborišča so jih duhovno in moralno obubožala). Zato je le dobra kaheza in tedni verouka pri fari - 3 krat letno med počitnicami - edini odgovor in zagotovilo duhovne rasti in povezanosti v novem misjonu.

Prihajam kot berač v njihovem imenu. Pozidati moramo še dve kapeli (v eni podružnici mašujemo še vedno pod drevesom) in graditi novo sredno šolo za naše otroke (4 tisoč osnovnošolskih). Gradimo z našimi zidarji, da s

tem pomagamo družinam. Zato veliko prihranimo. Ena kapela bo stala 12 tisoč dolarjev. 12 učilnic pa okrog 100 tisoč. Če dobim kakšnega dobrega zidarja iz Evrope ali zdomstva, bo to velik dar, saj sam ne bi zmoget vsega. V novem misjonu je dobra, človeka vredna oskrba (self-contained rooms). Kar želim sebi, privoščim tudi gostu. Afrika (Uganda je anglesko govoreča) potrebuje učiteljev! Peter je rekel Jezusu in pravi tudi nam danes: Na tvojo besedo bom vrgel mrežo. Ubogi Afrike nam delijo veselje in srečo. Tega privoščim vsakemu od vas. Bodite veseli kristjani!

Hvaležni, Fr. Danilo Lisjak, Acholi Land-Northern Uganda

Veselo je bilo v nedeljo tudi pri **društvu Triglav** v Londonu. Po maši in dobrem kosilu je plesna skupina Mladi glas iz Toronta zaplesala kar precej plesov, nato so mladi zaplesali še z udeleženci v dvorani. Za zabavo, je ostali del popoldneva, poskrbel ansambel Europa. Mnogi so radi zaplesali ob zvokih poskočnih melodij. Ni manjkalo tudi žrebanje za dobitke.

## CWL - KATOLIŠKA ŽENSKA ZVEZA

As our general membership is ageing, we are having more and more difficulty recruiting volunteers to help in the many areas needed to create a success of our annual bazaar; therefore at our general meetings these past 2 months we spoke of whether we should continue with the bazaar. In quick summary, we spoke of all the pros, cons and possibilities.

The overall decision was that **our bazaar is an over 40 year tradition**. It brings our people together, whether helping or attending which builds a strong sense of community.....our Slovenian community. We need to work on this sense of community harder than ever if we are to remain intact for years to come. We will be asking for help ... we sincerely hope your answer will be "YES".

There will be a **food donation box** inside the entrance of the church for Hamilton Food Share.

Please consider donating.

## 30<sup>TH</sup> SUNDAY IN OT

Response: The Lord has done great things for us; we are filled with joy.

First Reading Jeremiah 31:7-9

The Lord has saved his people, gathering them from the ends of the earth.

Second Reading Hebrews 5:1-6

Gospel Mark 10:46-52

Bartimaeus, a blind beggar, is healed by Jesus.

*“His sight returned and he followed him along the road.”*

### Illustration

So many radio programmes today like to create interaction with their listeners. Twenty or thirty years ago programmes would largely consist of one-way traffic. Information or music was dished out according to the character of the programme. There were request programmes, but nowadays almost every programme seems to be based on requests or the listeners' intervention or point of view.

One of the favourite things of music programmes is to ask the listeners for examples of pieces of music that affected them greatly, perhaps the music they chose for their wedding, or the first piece that alerted them to the joys of a singer or performer, or a style of music they had been ignorant of till that point. Such moments become foundation memories of significance, to be recalled as vital stages of our past that have changed us for ever. It is as though our learning and formation in life is not so much a gentle slope of a gradual accumulation of

knowledge but a zigzag of ascending bends with moments of blinding vision as we turn a new corner and are brought up short by the panorama that confronts us.

### Gospel Teaching

We can imagine that Bartimaeus remembered his first meeting with Jesus for the rest of his life. Before their encounter he had been what we could call a professional beggar, sitting at the side of the road in his trademark cloak, waiting on the generosity of passers-by. Jesus is on his way to Jerusalem, where, in Mark's telling of his passion story, he will be handed over to the powers of state and religion, to suffer and die. He has been discussing this with his chosen disciples, who have shown a marked reluctance to accept what is to happen to him. They are much more interested in finding out what rewards might come their way for following him.

Bartimaeus shows them how a true disciple should respond to Jesus. He is blind. He does not have the natural gifts of the disciples. Yet he has the inner sight to know who Jesus is, and he has the courage to ask Jesus for what he wants. His refusal to be silenced by the crowd around him, who obviously consider him to be an embarrassing nuisance, reveals the courage and determination needed if we are to

follow Jesus. When Jesus stops and calls to him, his first gesture is to throw away his cloak, his sole security in life, his official licence as a beggar. Bartimaeus now has nothing. His request to Jesus is to see again. The disciple's ability to see the truth depends fully on Jesus. Once that sight is given, Bartimaeus is free to act like a true disciple and follow Jesus along the road, even though that road to Jerusalem will lead to suffering and death.

### Application

We find many obstacles that get in the way of our discipleship. We are preoccupied with our hopes and anxieties. Many of these may be like those of the chosen disciples; we too are concerned with our security and whether life is going to be kind to us. The true disciple, modelled on Bartimaeus, follows a different path. The true disciple tries to see more clearly, trying to base the truth of his or her life on that of Christ, who is "the way, the truth and the life".

Part of this immersion in truth is the long process of learning and experience that is our daily existence. But from time to time we too will be granted moments that offer us a significant step forward. They may be the difficult challenges that come with death, sickness or the loss of work and loved ones. They may require us to let go of the comfortable security with which we have cushioned ourselves. They may also be great moments of joy and elation when we are granted to see or hear things in a new way. What is common to all these moments is that they take us out of ourselves, and their after-effect is that we too are more able to follow Jesus along the way. The great thing is that we do not walk that way alone. We pursue our path in the great company of fellow pilgrims and believers, and we are supported by our risen Lord, always with us in his word and in his sacramental presence.
