Cleveland State University opens a new Slovenian center

Members of the Slovenian community and representatives of Cleveland State University gather after signing a memorandum of understanding on April 10 to create the Slovenian Studies Center. The center will offer courses in Slovenian culture and language. The five-year program is a collaborative effort between CSU, the government of Slovenia, Lakeland Community College, Bowling Green State University and Kent State University. The agreement was signed by CSU President Michael Schwartz, Consul General Zvone Žigon and Lakeland Community College Provost Frederic Law. BGSU was represented by Dr. Timothy Pogacar, right, front, president of the Society for Slovene Studies.

The Veteran Did It

It is the VETERAN, not the preacher who has given us freedom of religion.

It is the VETERAN, not the reporter, who has given us freedom of press.

It is the VETERAN, not the poet, who has given us freedom of speech.

It is the VETERAN, not the campus organizer, who has given us freedom to assemble.

It is the VETERAN, not the lawyer, who has given us the right to a fair trial.

It is the VETERAN, not the politician, who has given us the right to vote.

It is the VETERAN who salutes the flag.

It is the VETERAN who serves under the flag.

God bless them all!

TV3's Dick Russ committed to fair reporting and justice

In the news business, reporting and delivering information fairly and accurately is of the utmost importance. When a loved one has a disability, making sure the individual is not denied his or her basic rights or independence is essential. Dick Russ, this year's recipient of the *Ben M. Bonanno Excellence in Advocacy Award*, is a strong supporter of both of these ideals.

A familiar face in northeast Ohio, Russ has been reporting the news for more than 30 years. Currently he serves as managing editor and news anchor for WKYC-TV3, which he joined in 1999. Prior to that, Russ spent 20 years at WJW-TV8 in Cleveland, where he hosted the Noon News.

His outstanding values and professionalism have earned him membership in the Ohio Broadcasters Hall of Fame and the Silver Circle Award from the National Academy of Television Arts and Sciences, recognizing more than

Dick with his brother Russell

a quarter century of exemplary service to the television industry.

Russ became involved in advocacy because of his desire to help his late brother, Russell, who had an intellectual disability. "Dick always treated his brother with respect and dignity. He never talked down to him because of his disability. Russell wasn't shy about expressing his opinion on current events, and in many cases,

the general public. Dick always told me he respected his brother's views and outlook on life because it was from the heart and very pure," reflected Joe Benny, Russ' best friend of 25 years.

"[A person with disabilities is] first and foremost a person like any other, with the same inherent human dignity," said Russ. "It is very difficult for many people to move out of their 'comfort zone' and look beyond the sometimes different exterior of a person who has a disability. What I'd like people to understand is the wonderful person they are likely to find when they make that leap and really get to know someone they would have otherwise overlooked or even avoided," he added.

GAS IS CHEAP

On May 4 the average price of a gallon of gasoline in Ohio was \$3.55. – Awful.

Consider prices of the following items on the same day, as in "Price Per Gallon." Beyond awful.

- Diet Snapple drink: \$1.29 per 16 oz bottle -- \$10.32 per gallon
- Lipton Ice Tea: \$1.19 per 16 oz. can -- \$10.17 per gallon.
- Ocean Spray: \$1.25 per 16 oz. container -- \$10.00 per gallon
- Brake fluid: \$3.15 per 12 oz. -- \$33.60 per gallon
- Vick's Nyquil: \$8.35 per 6 oz. -- \$178.13 per gallon
- Pepto Bismol: \$3.85 per 4 oz. -- \$132.20 per gallon
- Scope: \$0.99 per 1.5 oz. -- \$84.48 per gallon
- Evian Water: \$0.99 per 9 oz. -- \$21.19 per gallon of "Naïve" (Evian spelled backwards).
- Ink in Computer refill cartridges: \$5,200 per gallon.

Perhaps it is time to drink the gasoline and put water in the car's fuel tank. Good luck.

Slovenian Museum & Archives News

In March, the Government of Slovenia, Office for Slovanes Abroad provided Slovenian Museum and Archives (SMA)'s first significant donation. This has prompted major individual contributions from members of the SMA Board of Directors, and the Richman Foundation has answered our request for financial assistance with a sizeable grant. We hope that as you learn about the important work that SMA is doing, and the dedication of its volunteer members, you will respond generously to our appeal for donations. You can play a key role with us to preserve and enrich the intricate fabric of life that so defines our community – by becoming a founding member of the new Slovenian Museum and Archives.

Work is being done on creating an office and repository which will offer a secure and controlled environment (temperature and humidity) in which to accept archival materials very soon. In March, our telephone and internet systems were installed and thanks to Don Craven, Manager of 55 Public Square, LLC, our office and depot are furnished. The remaining architectural plan will be implemented in phases, concurrent with the development of SMA.

With the launch of the Slovenian Studies Center based at Cleveland State University in May, SMA will work in concert to render invaluable services to historians, researchers, ethnographers, students and genealogists. SMA will be a unique resource center for academic and genealogical endeavors.

SMA's success depends upon dedicated volunteers. Whether it's helping to organize our collection, or

assisting with our development efforts, SMA needs your participation. If you have the time and inclination to lend a hand, please contact SMA at the above captioned number (216) 361-5600. Please indicate your primary areas of interest. There are opportunities for everyone's time and talent.

Join in SMA's mission to preserve and share Slovenian ethnic identity and its various migration experiences in a sophisticated, multi-functional and interactive dwelling. SMA will provide an educational, cultural and literary resource for families and will include a library, museum, cinematheque and archives.

SMA needs you. Support SMA's valuable work by contacting us, checking your local Slovenian news source for news about our developments and upcoming events and providing your tax deductible donation to SMA in care of Friends of Slovenian National Home while SMA awaits its 501(c)(3) status.

My Days as an American Home carrier

Editor,

In recent editions of the *Ameriška Domovina*, I read that the last issue of this fine Slovenian newspaper will be published in August of this year.

I'm reminded of my grade school years in the 1930s at St. Lawrence School. My brothers, sisters, and I delivered the papers to neighborhood customers, door-to-door. The stack of papers was delivered to our home on E. 81st St., at around noon.

Oh, how we wished that the driver, (I think Mr. John Fortuna), would arrive before we ate our lunch. We would each count off the number of paper for our des-

ignated street, and hurry to get it into the homes of the anxious customers – the women, who in those years were more apt to be the "stay and work at home moms."

I remember especially their anticipation of receiving the Thursday edition, the day on which Monsignor Oman's "Newburske Novice" appeared.

In 1935, President F. D. Roosevelt passed the Social Security Act. It affected us "kids." And my Dad submitted my name for membership.

Throughout my grade school years and into my Freshman year at Holy Name High in 1937, I continued to deliver the Ameriška Do-

movina to a handful of customers who lived several blocks from our home.

The articles relating to the tragedies and massacres suffered by the Slovenians in the mid-forties, recall sadly for the survivors the cruelty and injustices of wars and Communist rule. My first cousin, the late Archbishop Franc Perko, was growing up in those years.

The A.D. will be missed. You have kept up a great tradition for the Slovenian people. Thank you.

Dick Russ...

(Continued from page 1)

Often Russ' professional life and personal life connected, as he presented stories featuring people with disabilities. In 1981 Russ and his brother appeared together in a major television series called *Pilgrimage of Hope*, which traced their travels to the Sanctuary of Our Lady of Lourdes in Lourdes, France. "To this day people still talk about the inspiration and hope those stories gave them and their loved ones affected by physical and intellectual disabilities," said Benny.

According to Cindy Norwood, executive director of the Center for Mental Retardation (CMR) Dick has called attention to everything from demeaning slurs directed toward individuals with Down syndrome to the inadvertent discriminatory treatment of a man with autism by a local high school. "Dick is a wonderful journalist, news editor and reporter, but first and foremost, he looked out for his brother — his best buddy and friend," said Norwood. In order to

honor his brother, Russ created his stage name by using an abbreviation of his own first name (Richard) and his brother's first name (Russell).

While Russ believes "there is a much greater awareness of the inherent dignity of people with disabilities" and that "advocacy groups and individuals have done a remarkable job of beginning to put people with disabilities on a more equal footing in terms of access to education, employment, health care, and so on," there is more work to be done." There are still so many of our people who remain outside the system of supports, and information, and services," Russ explained.

"When I think about the incredible richness that my brother, Russell, has brought to my life and to those of so many around him, I want others to experience these kinds of extraordinarily rewarding relationships. Just one person forming a relationship with someone who has a disability greatly enriches both in ways not always possible between two people who do not have such

challenges. It reaffirms the dignity and worth of the person with the disability, provides a basis of understanding that can lead to action and advocacy, and most importantly, forms a human bond that can be transformational. It's not an exaggeration. I've been there, I know," said Russ.

"I believe the struggles and the triumphs that Dick and his mother and father faced in the 1950s to give Russell a 'normal' and happy home life at a time when people with disabilities were shoved into a corner or placed into an institution and forgotten about, speaks volumes about Dick. He is a true advocate for people with disabilities," said Benny.

While Russ plays an active role in many community organizations, his commitment to helping those with disabilities is evident. In addition to CMR, Russ is an active volunteer for North Coast Community Homes, Dancing Wheels, the Jewish Family Service "Association, and Catholic Charities, among others.

Washington Plays; We Pray

by RUDY FLIS

This evening I met a young man I hadn't seen in years. He looked happy and healthy and he was with three of his six children. When we shook hands good-bye, my heart went out to him and all other young families who struggle to support spouse and children. How they do it amazes me. Life in these United States becomes more expensive each day; if you need food and fuel, and who doesn't?

Those who make the laws of our country, U.S. Senators and U.S. Representatives, all let us know they realize it isn't easy for today's working families. They all tell us there is a problem, and it comes from across the aisle, the other party. That may or may not be true, but it's easy to see the problem's origin, and it's easy to see people struggle, but what is not easy to see is positive action to correct the problem, in our land of plenty.

We have plenty of laws; we have plenty of regulations, and we have plenty of gas, and we have plenty of food, -- if we have the money. The poor don't have plenty of money. Washington does, and plenty of waste to go with it. The rich in Washington play, while the struggling masses pray. It is horribly sad.

Will it get better? I doubt it, with three losers running for president. Pray, plead and beg Almighty God to hear our prayer, and fill our nation's capitol with competent, decent and wise leaders. With God, miracles are possible. God help us, -- and the rest of the world.

Shannon Zajec Kicks Way to Top of NFL Youth competition

Shannon Zajec, 11, of Highland Heights Ohio, recently traveled to the RCA Dome in Indianapolis to compete for the national championship in the NFL Youth Football's Pepsi Punt, Pass and Kick (PPK) competition.

The competition, established in 1961, boasts over 4 million annual participants from all across the country, but only 32 make it to the NFL PPK National Finals. The competition started with Shannon, a sixth grade straight A student at Mayfield Middle School, competing against peers throughout the state in local, sectional and regional competitions.

Shannon earned two first place finishes before moving

on to the regional finals at Cleveland Browns' Stadium where she punted 77 feet, 5 inches; passed 66 feet, 10 inches, and place-kicked 84 feet, 7 inches to become the 10/11 girls Cleveland Browns champion.

Her winning total placed her in second place among all 10/11 year-old girls from across the United States.

Sharon, along with her parents Bob and Dorene of Highland Heights, traveled to Indianapolis January 11-14 on an all-expense paid trip provided by the National Football League.

Shannon is the granddaughter of Karl and Ann Zajec, and Ed and the late Nancy Grosel of Euclid, OH.

Congratulations to all!

Brezje Observance May 23

On Friday, May 23, at 7:30 p.m., everyone is invited to meet at Our Lady of Lourdes Shrine on Chardon Road in Euclid, Ohio for our annual May devotions in honor of Our Lady of Brezje, Patroness of Slovenia. The next day, May 24 is the actual feast day of Our Lady Help of Christians, long observed by Slovenian people here and abroad.

The annual observance sponsored by the Ohio Federation of KSKJ Lodges came about at the 1976 International Eucharistic Congress in Philadelphia where the Slovenian participants resolved to celebrate the feast day of Marija Pomagaj

with a vigil prayer service in the evening before the feast day.

Rev. Joseph Boznar, Pastor of St. Vitus Church, is planning the liturgical program. It is anticipated that various Slovenian clergy will be joining him to participate in the devotional.

The prayer service will include the recitation of the Rosary in conjunction with a candlelight procession, Benediction, and the singing of the Slovenian Litanies to the Blessed Virgin Mary.

Please reserve this evening for devotion to Mary, Our Lady Help of Christians.

Story of Memorial Day

Memorial Day, originally called Decoration Day, is a day of remembrance for those who died in our nation's service.

There are many stories as to its actual beginning, with over two dozen cities and towns laying claim to being the birthplace of Memorial Day.

There is also evidence that organized women's groups in the South were decorating graves before the end of the Civil War: a hymn published in 1867 "kneel Where Our Loves are Sleeping" by Nella L. Sweet carried the dedication "To the Ladies of the South who are Decorating the Graves of the Confederate Dead."

While Waterloo, N.Y. was officially declared the birthplace of Memorial Day by President Lyndon Johnson in May, 1966. It is hard to prove conclusively the origins of the day. It is more likely that it had many separate beginnings.

Memorial Day was officially proclaimed on May 5, 1868 by General John Logan, national commander of the Grand Army of the Republic, in his General Order No. 11, and was first observed on May 30, 1868, when flowers were placed on the graves of Union and Confederate soldiers at Arlington National Cemetery.

The first state to officially recognize the holiday was New York in 1873. By 1890 it was recognized by all of the northern states. The South refused to acknowledge the day, honoring their dead on separate days until after World War I (when the holiday changed from honoring just those who died fighting in the Civil War to honoring Americans who died fighting in any way.)

Memorial Day is now celebrated in almost every State on the last Monday in May to ensure a three day weekend for Federal holidays, although several southern states have an additional separate day for honoring the Confederate war dead: Jan. 19 in Texas, April 26 in Alabama, Florida, Georgia, and Mississippi; May 10 in South Carolina; and June 3 (Jefferson Davis' birthday) in Louisiana and Tennessee.

In 1915, inspired by the poem "In Flanders Fields," Moina Michael replied with her own poem:

*It seems to signal to the skies
That blood of heroes never dies.*

She then conceived of an idea to wear red poppies on Memorial Day in honor of those who died serving the

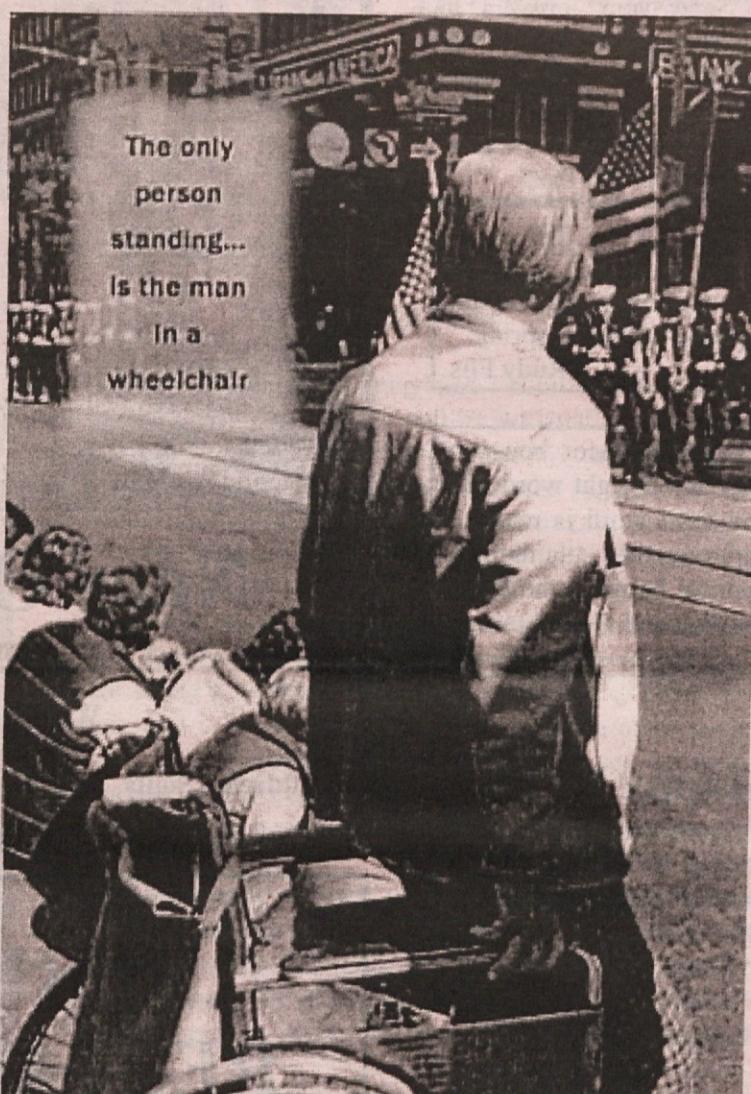

nation during war. She was the first to wear one, and sold poppies to her friends and co-workers with the money going to benefit servicemen in need.

Later, a Madam Guerin from France was visiting the United States and learned of this new custom started by Ms. Michael and when she returned to France, made artificial red poppies to raise money for war orphaned children and widowed women. This tradition spread to other countries. Shortly before Memorial Day in 1922 the VFW became the first veterans organization to nationally sell poppies. Two

years later their "Buddy" Poppy program was selling artificial poppies made by disabled veterans.

Traditional observance of Memorial Day has diminished over the years. Many Americans have forgotten the meaning and traditions of Memorial Day. At many cemeteries, the graves of the fallen are increasingly ignored, and neglected. Most people no longer remember the proper flag etiquette for the day.

Some people think the day is for honoring any and all dead, and not just those fallen in service in the United States.

DSPB Tabor Gathering

Spring is finally here, and the nature is again coming alive. Slovenska Pristava in Harpersfield is bursting with blossoms and greenery, beckoning to the great outdoors.

DSPB Tabor invites all members, and all other Slovenians to gather at Orlov vrh on Father's Day, June 15 for the 12 noon Memorial Mass, to be offered by Fr. Franci Kosem, pastor of St. Jude Parish in Elyria.

We are remembering the sacrifices of our martyred Domobranci, and all other

victims of godless communism during and after WWII.

Owners of Slovenian "narodna nosa" are most cordially invited to attend this Memorial celebration in costume, to make it all the more festive.

A delicious dinner, prepared by Sophie Mazi and helpers, will be available After Mass. Liquid refreshments will be on hand.

Please join us in this remembrance of our fallen heroes, and spend a pleasant afternoon with friends, and enjoy the beauties of nature.

8 Heartfelt Eulogy for Kristina Rihtar

The following Eulogy was given at the funeral Mass for Kristina Rihtar on Friday, April 25 in St. Vitus Church by her daughter Margie Lavrisha.

Kristina Rihtar enjoys a sunny afternoon at Slovenska Pristava with grandson Daniel Lavrisha in this undated old photo.

son for 11 years. Advancing communist forces in Slovenia in May, 1945 forced my parents to make the most difficult decision of their lives. Expecting to return in two weeks, they decided to flee their home and leave 7-week-old Joe, behind with our Teta Francka. It wasn't until 11 tear-filled and aching years later that they were reunited. God healed this wound in Mama's heart by giving her a long life. He blessed her with old age which provided the opportunity for Mama and Joe to care for each other. Mama was able to spend private time alone with her son to love him and tell him all those things she longed to tell. While Joe got to care for Mama to love her and hold her in a way he never had as an infant and young child.

How beautiful it is that we are able to worship with family and friends, and as a Catholic body, brothers and sisters in Christ, to celebrate a core belief of our faith, that mama has passed into glory. She is now in paradise. We believe that she now lives with her heavenly Father, which is our great consolation and comfort. We, also, rejoice that now she has met her earthly father, her father who was killed as a soldier in WWI before she was born. We praise in thanksgiving that now, she is able to embrace him for the very first time.

How beautiful it is that she is now reunited with all those she loved that went before her – her mother, her brothers and sisters and all her relatives and friends.

How beautiful it is that now Mama is reunited with her husband, our Ata, whom she loved so much.

How beautiful it is that now Mama is healed of all her wounds, especially what she called "the irreparable wound," the wound of being separated from her newborn

you. And I will plead to God for each of you.' Oh, my daughter, Mary, truly intercede for all of us now, so that one day we will truly all be together with you again."

Mama's earthly life may be over, but we celebrate the beginning of her eternal life. We celebrate the gift and blessing her life was to each of us and to you in which ever way she touched you. In her book of memoirs, her final chapter is titled, "The Cup is Full." In it she leaves us with a challenge that I'd like to share with each of you. By hearing her own words, you will get to know and understand the woman who was our mother. May the way she lived her life inspire all of us to learn more of God's love and understanding to guide us in life's difficult choices. She writes:

"Children, raise your own children into good, decent, religious people. This is the most important. And this: Love one another. Like my mother told us back home many times: Love one another. By this, people will know that you are brothers and sisters. Help one another if anyone needs anything. Pray in your families. Don't ever forget or forsake God. Everybody needs Him. Do you remember what Ata said before he went for his operation which ended his life? He said, 'Whatever God wants, let it be.' My children, I am ready for everything. God is also for me my greatest support. that is why I am also always quite happy even during these times when I am alone."

"Oh, how Ata and I sometimes thought of how we were going to live when we would be alone, after the children were grown. We thought that we would treat

ourselves a bit and travel around by car since Ata enjoyed driving so much. But it was not granted for the two of us. I thank God that I at least have you, my children, who help me with my needs. As for the future, I ask God only this, that I not be so sick, and for so long, that I would not be able to perform basic daily functions for myself." [I'm going to add that Mama told me frequently during these last months, that she never wanted to be a burden to us, and she never was. Even when she was her weakest and frailest, even when she lost her eyesight, she still had her faith to comfort her, her humor to lighten her burden, and her amazing strength to endure all things. In her quiet way, this was mama.]

She ends with:

"So, now I have finished these memoirs. I do not know how much, and if at all, it will ever be of any use to you. They were written in my love for you, my children, and for your children, for my great-grandchildren, for the love of my husband, for my mother, brothers and sisters, for my childhood and the years of my youth, for my vocation as a wife and mother, for my love for my homeland, Slovenija, for the place of my birth, Domzale, and also the love of my new country, America."

--Signed: Mama

Mama never wanted us to forget that we are Bozji Otroci, children of God, and that we are Slovenians. From her youth she was guided by this Slovenian motto: Bog, Narod, Domovina: "God, family, homeland." May we, too, live by these same principles. So, that one day, as is written in the Gospel of Matthew, God will say to each of us as He must have said to Mama as she saw him face to face: "Well done, my good and faithful servant," and He will welcome us into paradise where we will experience the everlasting joy of being reunited with our loved ones. A place, as is promised in the Book of Revelation, where, "He will wipe away every tear, and death shall be no longer, nor mourning, nor crying, nor will there be pain any more."

Mama was able to say good-bye to each of us during her last days. Her heartfelt farewell was her usual good-bye, "I love you. Zbogom in nasvidenje," go with God until we see each other again. But this time she knew it would be her final good-bye, so she added, "I'll see you in heaven." That was her final desire for each of us. Yes, Mama, we love you, too. Zbogom in nasvidenje, and with God's grace and your intercession, we commit ourselves to that same desire. We will see you in heaven.

Pretekli torek, 20. maja, naj bi prispel v Slovenijo in prevzel posle veleposlanika ZDA v tej deželi 55-letni Yousif Ghafari, ki se je rodil 27. septembra 1952 v Libanonu, 6. septembra 1978 pa postal ameriški državljan. Živel je v Michiganu, ustanovil in vodil podjetje, ki se ukvarja z arhitekturo, inženiringom in svetovalno dejavnostjo. Predsednik Bush ga je leta 2005 imenoval za člana odbora za tuje štipendije v Fulbrightovem programu, leta 2008 pa je bil izvoljen za podpredsednika tega odbora. Ni torej Ghafari poklicni diplomat, 8. aprila pa je uspešno prestal zaslišanje v podoboru za evropske zadeve (načelnik tega je predsedniški kandidat Barack Obama) odbora zveznega senata za mednarodne odnose, nato je bil potren od samega senata. V Sloveniji so na splošno zelo visoko cenili Ghafarijevega prednika Thomasa Robertsova, ki mu je bil mandat potekal lanskega avgusta. Še to: Ghafari je poročen in ima z ženo tri otroke.

Stranke se pripravljajo na parlamentarne volitve – Dva bloka, eden desno-sredinski, drugi levo-sredinski, znotraj vsakega spori

Kot kaže so politične stranke bolj ali manj že izbrale svoje kandidate za prihajajoče jesenske parlamentarne volitve. Razni časniki in TV postaje objavljajo izide javnomenjskih raziskav in anket. V zadnjem času so te precej enake. Na volitvah naj bi trenutno največ glasov prejeli Socialni demokrati (predsednik Borut Pahor) in Slovenska demokratska stranka (preds. Janez Janša). Trenutno tudi kaže, da bi stranke opozicije, tu gre za SD, Zares in LDS,

skupaj lahko dobole več glasov kot stranke sedanje vlade in parlamentarne večine (SDS, NSI, SLS in DeSUS). Ankete sicer tudi kažejo, da volilci niso ravno toliko navdušeni za stranke, kajti izidi govorijo, da je skoraj tretjina volilcev še neopredeljenih.

Ker so pa znotraj tako bolj desnega karkor bolj levega bloka strank razni spori, ni še jasno, kako oz. katere stranke bi lahko sodelovale v koaliciji po volitvah. V levo-sredinskem bloku se za voditeljski položaj in s tem možno mandatorsko vlogo v novi koaliciji soočata Borut Pahor in Gregor Golobič iz stranke Zares. Na desnem polu so težave znotraj Nove Slovenije, kajti član njene izvršilnega odbora Marko Štrovs zahteva izredni kongres stranke in s tem tudi odstavitev predsednika in vladnega finančnega ministra Andreja Bajuka. Štrovs tudi želi, da bi NSI prevzela nekdanje ime Slovenski krščanski demokrati. Trenja so še znotraj SLS, ki zavzema zelo močno stališče v bran slovenskih interesov v zvezi s Hrvaško.

Novi predsednik SAZUja

Dr. Jože Trontelj je prevzel svoje dolžnosti kot novo izvoljeni predsednik Slovenske akademije znanosti in umetnosti (SAZU). Trontelj je doktor medicine in doktor znanosti.

V Sloveniji skoraj 70.000 tujih delavcev – Letos na Brniku kar 1,7 milijona potnikov

Podatki kažejo, da je trenutno v Sloveniji zaposlenih več kot 70 tisoč delavcev iz tujine in da velika večina izhaja iz držav bivše SFRJ. Nekateri pa živijo z izredno slabimi razmerah, predvsem tisti iz Bosne. Na letališču Brnik naj bi pa letos odpotovalo več kot 1,7 milijona potnikov, lani jih je bilo 1,524,028.

Draga AMERIŠKA DOMOVINA!

Kot je bil nam bralcem AMERIŠKE DOMOVINE dano na znanje, se naš časopis po dolgih desetletjih poslavljajo iz naše slovenske skupnosti.

Zelo mi je težko, kot številnim naročnikom, ki nas je AD dolga desetletja povezovala v eno slovensko družino, ne samo širom Cleveland, ampak lahko rečem, po celi svobodnem svetu.

Številni priseljenci, ki so prihajali še iz stare Avstrije in pozne Jugoslavije so po večini že odšli v novo večno domovino - domov k Očetu. Družila jih je vera in narodnost-narodna zavest, četudi so bili živeli pod tujo oblastjo. Ni jim bilo lahko, a so tu v Ameriki, kljub težkim razmeram ustvarili svoja Slovenska - ne Avstrijska ne Jugoslovanska naselja, gradili farna občestva, narodne domove in ohranjali našo slovensko kulturo. Le redkokdaj jim damo priznanje za njihovo narodno in versko zavest za njihov pogum, narodno in versko prepričanje. Lahko so nam v zgled dela za skupnost. Hvala jim!

Nov val Slovencev, ki je moral zapustiti dom in ljubo domovino, da so ohranili golo življenje radi komunističnega nasilja, se je nato razkropil širom sveta. Nam, ki nam je bilo dano, da smo prišli v Ameriko in v ta obstoječa naselja, smo bili veseli, ko smo tu našli rojake, ki so razumeli (ne vsi) naš kruti, težki položaj begunstva. Kot slovenske fare, je bil časopis Ameriška domovina v neizmerno oporo in pomoč. Kdo hoče le malo pomisliti, bo dojel velike zasluge tej tiskarski ustanovi, ki je s tiskano besedo poročala objektivno resnico o komunističnem nasilju in prevari, ter povezovala in družila svoje rojake.

Naj na tem mestu izrazim svojo iskreno hvaležnost vsem, ki so skozi dolga leta delovali, bodisi pri upravi ali uredništvu, najpreje Jim Debevcu starejšemu in njegovim pomočnikom kot npr. prof. Vinko Lipovec, ki je dolga leta urejal, tedaj še dnevnik, in skupini dopisnikov, med njimi pisatelju Karlu Mauserju, pesniku Marijanu Jakopiču, kakor tudi vsem ostalim, ki so s svojimi prispevki uredništvu pomagali za stvarno poročanje dogodkov tistega časa in medsebojnega društvenega obveščanja, ter vsem naročnikom in podpornikom časopisa.

Ni nam dano, da bi zaustavili tok časa, ki neu smileno kljubuje našemu združstvu - naši slovenski skupnosti. Vidim nujno potrebo za lastni časopis, a obenem ne vidim (zaenkrat) izhoda, kako in kje najti rešitev. Morda je krivda časa, ali napredka, ali naše lastne volje do medsebojne povezanosti. Ali še kdo rabi skupnost? Morda imaš ti, dragi bralec, idejo, kako najti izhod?

Ob vsakem slovesu je človeku težko, a čutim, da se ob poslavljanju, lastniku Ameriške domovine g. Jim Debevcu in ge. Madeline iskreno zahvalim, da sta toliko časa vztrajala pri napornem obratu našeta časopisa Ameriške domovine in obenem Vam želim bolj mirnega in veselega življenja v pokoju. Enako tudi uredniku dr. Rudolphu Suslu. Pogrešali vas bomo in AMERIŠKO DOMOVINO.

Maj 2008 Ivan Hauptman

G. Ivanu Hauptmanu se v imenu lastnikov Jamesa in Madeline Debevec in v svojem za tako lepe besede iskreno zahvalimo.

Tonetu Oblaku za 85-letnico

Naš dragi rojak Tone Oblak visok jubilej že praznuje.

Med vojno junak, garač, poštenjak, se Bogu za vse zahvaljuje.

Svet Gregor patron mu čuval je dom na hribčku prelepem dolenjskem, ko pretrese mir strel: glej, Maček, Kardelj morita v raju slovenskem!

Nedolžna zdaj kri k nebu kriči,
Dolenjska moli in joče
in Tonček naš mlad za vere zaklad
z domobranci boriti se hoče.

Res, mlad domobran postavi se v bran
tiranom rdečim, sebičnim:
za narod, Boga, se v borbo poda,
zvest idealom resničnim.

Dobrotni Gospod ga je čuval povsod
in prišel je v svobode deželo,
kjer si dom je zgradil, ženko vzorno dobil
in zagrabil za narodno delo.

Sprejmi pozdrav z dolenjskih planjav
in od vsakogar tukaj med nami!
"Zahvaljen za vse!" Ti kliče srce:

Pripoved prisilnega mobiliziranca v nemško vojsko

- III. del – konec –

Zbrani zunaj mesta smo nadaljevali naše "potovanje", v tem predelu Holandije tudi tudi po nasipih mimo polderjev.

V ravninskem svetu preglednem daleč naokoli je bilo zelo nevarno, da nas izsledijo lovci, zato smo sedaj hodili samo ponoči, podnevi pa počivali. Namestili smo se bodisi po raznih šolah bodisi na kmetih po srednjih.

Vendar so nas lovci tudi ponoči iskali. Kar nekajkrat na noč je letalo odvrglo svetlečo smrečico, ki je razsvetlila pokrajino kot sredi dneva. V trenutku smo popadli v zaklon na vse strani ceste.

Smrečici smo rekli "božično drevo", čeprav pomensko čisto nasprotje od pravega božičnega drevesca, ki nam prinaša mir in radost, ta zgoraj na nebu pa smrt.

Prepešačili smo mimo večjih krajev kot Bergen op Zoom, Brede ter po cca treh tednih prišli v bližino mesta Tilburg. Tu smo dočakali zračni desant. Okrog poldneva so se pojavila transportna vojaška letala, ki so v razdalji od nas cca tri kilometre spuščala padalce.

Na stotine in stotine padal se je odpiralo pred nami, kot bi gledali film, kar je trajalo več ur. Bili smo brez vsake municije, kar je bila prava ironija in imeli smo veliko srečo, da se nismo znašli v centru zračnega meteza. Bilo je tam ogromno mrtvih.

Po pristanku padalcev so prijadrala velika jadralna letala prvezana z dolgimi "zajlami" na bombnike. Tudi iz teh so poskakali padalci, medtem so se jadralna letala odvezala in pristala, bombniki pa nazaj v Anglijo po novo pošiljko. Dva jadralna letala sta zgrešila cilj in pristala na večjem travniku pred nami. Iz vsakega je izstopilo od pet do deset angleških vojakov, ki so jih Nemci zajeli.

V letalu se je nahajal tank z municijo. Nemci so hitro pobrali vse jestvine v njem in med nas vojake delili čokolado in druge dobre, nato pa

se hitro oddaljili od letal. Za slučaj prisilnih pristankov je bil v notranosti tempiran eksploziv, da onesposobi uporabnost letala.

Bil sem zadolžen, da odvrnem vsakogar, ki bi se letalu približal. Zaščiten sem bil v manjšem zaklonu v oddajenosti cca 50 metrov, ko sta se pojavila dva mlada Nemca radovedna, kaj je v letalih. Strogo sem ju opozoril na nevarnost eksplozije in da ne smeta naprej k letalom, kar seveda nista upoštevala.

Že po nekaj minutah brkljanja tam okrog je eksplodiralo in pri pričista popadala negibna. Pri kasnejšem pregledu obeh je bilo ugotovljeno, da sta bila zadeta od drobnih šrapnelov, eden direktno v čelo, eden pa direktno v srce.

Po nekaj dneh se je vzpostavila frontna črta, kjer smo se po potrebi premeščali in vkopali v strelske jarke. Trajalo je kak teden, da je prišlo do razmejitvene situacije. Noči so bile v glavnem mirne, podnevi je pa stalno nekaj streljalo.

Iz moje puške so letele krogle v velikem loku preko travnikov in taka ni mogla nikogar zadeti. Iz dneva v dan pa je bilo po travnikih vedno več poginulih krav s štrelečimi nogami v zrak. Kmetje so v času desanta v naglici zapuščali domove in živino pustili na paši. Kazalo je, da so se Angleži naveličali puškarjenja, pa so lepega dne navalili najprej z minami, nato pa s strojnicami na juriš preko livad. Bili so sicer v premoči proti nam, a nemško nevidno strojnično gnezdo jih je pokosilo in zavrnilo.

Z belo dvignjeno zastavo so prišli sanitejci in na nosilih odnesli ranjence, mrtve pa pustili.

Ko se je znočilo, je prišlo do maščevanja. Z žarometi osvetljeno nebo je sipalo granato pri granati okrog nas.

Nahajal sem se tedaj v plitvem jarku slabo zaščiten. Veden sem za dobro zaščiten rov na nasprotni strani ceste, a kako do njega v snopu granat. Izkoristil sem kratek predah dolg kakih deset sekund, dovolj, da sem

Ta dopis je eden od treh, ki jih je posredoval dr. Metod Milač. Pripravlja je Jože Arhar, dr. Milačev sošolec iz časa v Škofovih zavodih pred vojno. Objavljen bo v nadaljevanjih, nato bo sledil dopis od drugega tovrstnega mobiliziranca, na koncu pa dopis izpod peresa g. Arharja o mobiliziranju kmetov v mesecu maju 1945. Prepričan sem, da bodo ti izvirni dopisi zanimali marsikaterega bralca in se zahvaljujem dr. Milaču za njegovo uslugo.

preskočil v ta rov.

V njem so bili trije Nemci, govorili smo o situaciji napada. Kmalu pa je topniški napad prenehal in Angleži so stopili na plan. Ker sem bil pri vhodu rova, sem zagledal angleškega vojaka z naprjeno puško vame. Povelje "get up" me je ojunčilo, da sem se dvignil iz luknje, medtem ko se Nemci niso prikazali.

Vojak je naperil puško v notranjost, pa sem mu s kretnjami roke dopovedal, da so notri vojaki. Na moj prigovor, da bo Anglež streljal, so se ojunčili in zlezli iz rova. V soju daljnih žarometov so nas postavili k zidu neke kmečke pristave.

Eden od mladih Nemcov je jokal, misleč, da bomo streljani. Kmalu je ugotovil, da je to samo zaščita in da so nam pobrali vse, kar je bilo vrednega: ure, prstane, meni tudi fotoaparat iz tornistra. V koloni so nas odpeljali v zaledje na njihov štab in pri tem preiskovali številna trupla padlih tako Angležev kot Nemcov. V trenutku sem pozabil na vse težke preživete dneve, navdajala me je sladka misel, da sem rešen.

Nastopili so dnevi vojnega ujetništva, najprej kakih dесet dni v Dieppu. Prehrana je bila v tabo-

Soča v Gorici. Sodeloval je pri snemanju in izdelavi filma TRST, ki so ga poslali na pariško mirovno konferenco.

Kmalu je tudi končal študij na ljubljanski pravni fakulteti in se zaposlil na uradu za informiranje pri vladni Ljudske republike Slovenije.

Ob ustanovitvi Slovenske izseljenske matice 1951 je postal tudi njen prvi glavni tajnik. Kmalu se je vrnil v Trst – kot novinar. Vedno bolj se je vključeval v novinarske vode. Zaradi odličnega znanja tujih jezikov je bil zelo iskan sogovornik in tudi določeni dopisnik ameriške TV-družbe CBS s tega konca Evrope.

Leta 1975 je pričel z delom generalnega konzula Jugoslavije v Clevelandu, ki ga je opravljal do leta 1981. To je bilo tudi eno najbogatejših obdobij v njegovem življenu in delu.

Med slovensko skupnostjo v Clevelandu, Ohiu in širše na celotnem območju ZDA je pustil močan in neizbrisni pečat, mnogi ameriški Slovenci se ga še danes spominjajo.

V tem času je obogatil mnogo številnih Rodne grude s kvalitetnimi fotografijami ameriških slovenskih izseljencev. Ko se bo pisala zgodovina slovenskih izseljencev v ZDA, bo v njej mnogo Stanetovi fotografi.

Stan Lenardič je bil prvi od vrste v začetku generalnih konzulov Jugoslavije in nato Slovenije, ki sem jih bil srečal in spoznal bolj od blizu. Napravil je vtič zelo intelligentnega in privatno tudi razgledanega človeka, ki pa je bil vnet zagovornik vlade oz. sistema, ki mu je zvesto služil.

Pripoved prisilnega mobiliziranca v nemško vojsko

(NADALJEVANJE S STR. 13)

ru minimalna, telesna higiena pa vzdrževana s posipanjem protimrčesnega praška pod perilo.

Tam sem kot prostovoljec odhajal v luko, kjer smo pretovarjali iz ladij prispelo prehrano za Francijo. Srečavali smo se z dobrotami, o katerih smo dolgo samo sanjali. Nihče nas ni kontroliral in smo si lahko privoščili marsikatero dobroto.

Ob minimalnih dnevnih obrokih smo bili pošteno lačni. Skrit za kamionom sem ob ostrem robu traverze odprl pločevinko mleka in pil, pil do one-moglosti. Privoščili smo si sladkih rozin in čokolade, oboje sem si nabalal pod obleko. Na srečo sem imel novejše vojaške hlače, ki so se na spodnjem robu spenjale, tako nisem ničesar izgubil. V taborišču sem delil dobre tudi ostalim.

Po cca. dveh tednih je napočil čas transporta v Anglijo. Vkrcali smo se na manjše vojaške ladje namenjene za transport pehote. Z njimi je prispevala v Dieppe anglo-ameriška vojska. Pripete so bile ob bok ena na drugo, pet po številu. S prehodom z ene na drugo smo napolnili celoten konvoj.

Bila je že noč, ko so ladje krenile in izplule iz

luke. Ko so prestopile mejo valobrana, jih je pričelo premetavati kot orehovo lupino. Vhod v trup je bil tesnovarno zaprt, sicer bi valovi zalili notranjost.

Na sredini trupa je bil postavljen velik sod, ki je bil do jutra napolnjen z izbruhanim.

Želodčni krči in bolečine so prenehale, kakor hitro smo zapluli v angleško pristanišče. Tam smo takoj v luki šli pod prho, se oblekli v sveže perilo in ujetniške uniforme in se počutili prejnjene. Uniforme so bile stare nošene, vendar čiste in cele od angleške vojske. Za razpoznavni znak ujetnika pa so imeli na hrbtnem delu bluze velik izrez v velikosti kilogramskoga hlebcain zaštitim z živo rumeno krpou.

Namestili so nas v lagerjih, ki so služili za zbiranje angloameriške vojske pred napadom na Normandijo. Dolge barake s polkrožno streho so bile opremljene z nadstropnimi posteljami, posebna ločena baraka pa s skupnimi tuši in strnišči na vodno izplakovanje. Večkrat so nas premeščali iz lagerja v lager, vedno ponoči in v civilnih vagonih. Nad hrano se nismo pritoževali, kruh je bil vedno bel.

Nameščeni smo bili ločeno, v enem delu nacisti, v drugem pa antinacisti, med njimi Slovenci, Čehi, večina Avstrijev, proti koncu pa tudi mnogo Nemcev, ki so prehajali k nam iz nacističnega oddelka. Ločila nas je vmesna ograja. Z delitvijo je bila verjetno zamišljena že delna prevzgoja nacistov.

V februarju in marcu 1945, pa tudi kasneje so prihajali v lagerje oficirji jugoslovanske vojske in novačili Slovence za partizanske enote. Večina se je prijavila, vsi smo bili prepričani, da se vojna končuje in bo meseca maja, če ne prej, končana.

Tako se je sicer tudi zgodilo, a je kljub temu mnogo prekomorcev iz prve pošiljke padlo na partizanskih bojiščih. Jaz sem bil v skupini, ki se je preoblekl v aprilu mesecu in so zaradi konca vojne zavlačevali s transportom, oziroma vrnitvijo v domovino.

Vkrcali smo se v Liverpoolu enkrat junija. Takrat so bile v Atlantiku še nemške podmornice, zato so ladje plule v konvojih zaščitene z lovci in križarkami.

Pred Gibraltarjem sta se dve ladji odvojili in smo zavili v Sredozemlje, ostalih deset ladij pa je nadaljevalo pot proti jugu Afrike. Domov smo prispevali z vmesnimi postanki v Napoliju, v Bariju, nato v Splitu in Trogirju ter končno na Reki, od tam pa s tovornimi vagoni prispevali v Ljubljano.

Po nekaj dnevih bivanja v takratnem Marijanšču nas je vojaška oblast odpustila domov z napotkom, da nas bodo v slučaju potrebe poklicali na služenje. ■

Ur. AD: To je konec prve od treh tovrstnih prispekov po zaslugu dr. Metoda Milača. V naslednji številki se bo pričela objava drugega, tokrat gre tudi za prisilnega mobiliziranca v nemško vojsko, a tokrat na vzhodno fronto. Avtor je Mišo Briški.

Nepoznani lik škofa Rožmana

STANE SNOJ

Buenos Aires, Ar. – V lanski 49. številki je katoliški tednik *Družina* poročal o velikem slavju ob predstavitvi knjige *Ljubljanski škofje* v prostorih galerije Družina. Govoril je nadškof Alojz Uran in dejal, med drugim, da je ljubljanska nadškofija dobila s to knjigo "dostojno predstavitev svojega poslanstva po svojih pastirjih".

S tem besedami je pozdravil, kot je dejal, "življenjsko delo" avtorja te monografije Franceta M. Dolinarja in dodal, da knjiga predstavlja za nadškofijo "krono vsega dogajanja ob 300. obletnici posvetitve baročne stolnice, ki bo v letopis zapisano z zlatimi črkami".

Da si ljubljanski škof je zaslужio neko pozornost in so vredni našega spomina, je v predgovoru v knjigo zapisal tudi kardinal Franc Rode. Poleg drugega je zapisal, da nam skrbno zbrano gradivo dr. Dolinarja daje priložnost, da pobliže spoznamo in pravilnejše vrednotimo zgodovinski pomen ljubljanskih škofov... Prispevek dr. Dolinarja je po mnenju kardinala odločilen, da jih narod ohrani v hvaležnem spominu in jim da mesto, ki si ga s svojim duhovnim poslanstvom in kulturnim prizadevanjem zaslужijo.

Knjiga *Ljubljanski škofje* pa ni le knjiga o življenju škofov, ampak, kot je dejal avtor Dolinar, "odstira pomemben del slovenske nacionalne zgodovine, ki se zrcali v štiridesetih osebnostih ljubljanskih škofov".

ljanskih škofov, knezoškofov, nadškofov in metropolitov in v devetih osebnostih ljubljanskih pomožnih škofov.

Življenjske zgodbe škofov so po besedah avtorja tako tesno vpete v versko, cerkveno, družbeno, politično in kulturno zgodovino osrednjega slovenskega prostora in so v tolikšni meri postale njen sestavni del, da bi bila brez njega slovenska nacionalna zgodovina bistveno osiromašena in v nekaterih pogledih celo ne razumljena.

V sklopu tega slavja je bil objavljen v *Družini* štev. 51 še dolg intervju z Dolinarjem, v katerem je avtor v nekaj besedah po vrsti predstavil vse ljubljanske škofe. Poglejmo, kakšno oceno je zaslužil škof Rožman:

... "Ko gledam celoto, ko gledam teh 34 osebnosti na sedežu ljubljanske škofije, lahko mirno zagotovim, da so bili v svojem času prav ljudje na pravem mestu. Nedorečena ostaja le vloga škofa Rožmana, o katerem zgodovina še ni izrekla zadnje besede. Njegova pastoralna vloga pred drugo svetovno vojno ni sporna. Razmere med drugo svetovno vojno pa so ga zmedle in mu zameglile jasno presojo. Zdi se, da so bile pretežko breme za njegova ramena."

Zgodovinar Dolinar je "skrbno zbral vse gradivo", kot je zapisal kardinal Rode. Zato ne bo imel težav, da konkretno pove razloge, zaradi katerih je zaslužil škof Rožman:

V čast slovenskemu pionirju letalstva

Edvard Rusjan – slovenski lkar

Po njem so pred kratkim poimenovali mariborsko letališče

Celovec – Pred kratkim je slovenska vlada sklenila imenovati mariborsko letališče po Edvardu Rusjanu. Kdo je torej bil ta slovenski letalski pionir v viharnih časih osvajanja višin?

Lanski sklep slovenske vlade, da naj se osrednje letališče države na Brniku severno od Ljubljane imenuje po osamosvojitelju in nekdanjem disidentu Jožetu Pučniku, je v delih slovenske javnosti povzročila nemalo negodovanja. Eni so odločitvi nasprotovali iz političnih razlogov, spet drugi pa so menili, da je treba zračna vstopna vrata v državo poimenovati po osebi iz letalskega sveta, najprimernejši za to naj bi bil Edvard Rusjan. Od 15. junija naprej se po njem vendarle imenuje drugo največje letališče v Sloveniji, Aerodrom Maribor, je sedaj odločila slovenska vlada.

Rusjan, leta 1866 v Trstu rojen očetu Slovencu in materi Furlanki, je bil eden izmed neustrašenih letalskih pionirjev, po nekaterih seznamih 12. človek na svetu na sploh, ki je letel z motornim letalom.

Le dve leti potem, ko je bratoma Wright decembra 1903 prvič uspelo, da se je letalo z lastno močjo dvignilo s tal, je letalska mrzlica zajela tudi mladega Edvarda in njegovega brata Jožeta. V delavnici očeta, ki je bil po poklicu sodar, sta se lotila avionske tehnike in pridobivanja znanja.

Trajalo pa je še do 29. novembra leta 1909, da se je Edvard Rusjan s svojim doma konstruiranim letalom EDA 1 prvič povzpzel v zrak (težko bi rekli, da v višine, saj je letel le nekaj metrov nad tlemi).

Led je bil prebit, poskus je uspel, in Edvard

Edvard Rusjan

Rusjan je v prihodnjih mesecih ob pomoči svojega brata Jožeta (in sestre Luise, ki je šivala letalska platna) izdelal tehnično vse bolj dodelane, a tudi drzne modele EDA, obenem pa sta v svoji vnemi porabila vse domače prihranke.

Rešitev je tedaj ponujal zagrebški poslovnež Josip Merćep, ki je bil pripravljen z bratoma izdelovati in prodajati srbska letala. Edvard in Jože sta se preselila v hrvaško prestolnico, novim izzivom naproti, in se kmalu podala na promocijsko turnejo po Balkanu.

Prvo in zadnjo. Kajti Edvard se je 9. januarja 1911 klub slabim pogojem, pihal je močen veter, pognal nad srbsko prestolnico. Njegovo letalo je zajel sunek vetra, zrakoplov je strmoglavlil in pod sabo pokopal ob vznožju slavne trdnjave iz turških časov Kalemeđan komaj 25-letnega Edvarda Rusjana.

Njegova letalska kariera je tako trajala le nekaj več kot ko leto dni, a s svojo drznostjo in tehnično iznajdljivostjo vzbujala prvi slovenski letalski konstruktor občudovanje še danes.

Zanimivo za uradno prvega slovenskega letalca pa je tudi dejstvo, da nikdar ni vzletel ali pris stal na ozemlju današnje

– Nepoznani lik škofa Rožmana –

(NADALJEVANJE S STR. 14)

rih ostaja vloga škofa Rožmana nedorečena. Naj pojasni, kaj naj bi po njegovem mnenju moral ljubljanski škof med drugo vojno storiti ali opustiti in v čem naj bi ga razmere zmedle in mu zamegile jasno presojo.

Ker smo naleteli na podobne nejasnosti glede osebnosti škofa Rožmana pred leti, na primer, tudi v knjigi o Rožmanovem simpoziju v Rimu, se zdi, da v nekaterih cerkvenih krogih v domovini še vedno ni jasno, da je divjala med vojno pri nas pod videzom OF komunistična revolucija. Tega niso hoteli videti nekatere katoličani že tedaj in so s komunisti sodelovali, danes pa se zdi, da kak vernik to kolaboracijo še vedno odobrava. Nasproti Rožmanovi načelniki drži postavljajo Kocbekov pragmatizem, ki pa se je izkazal za utopijo.

Kocbek je ob koncu življenja svojo napako priznal v osebnem dnevniku, kot lahko beremo v razpravi z naslovom 'Kocbekovo očiščevanje', ki jo je napisal v spominiskem zborniku kulturnik Tine Hribar. Naslednji odstavki so vzeti iz str. 150 zbornika o Edvardu Kocbeku *GLOBOKO ZGORAJ*.

"...Odlsej je Kocbek v svojih zapiskih vse pogosteje sooča in spopada s satanizmom, prepoznamen

prav kot takim. Njegovo obžalovanje, da se je prepustil boljševikom, katerih nepresežni lik je (bil) satanski lik Kardelja, je vse globlje. Pod vprašaj se mu postavlja celotna življenjska pot:

"Kupa grenkobe se je zvrhala. Najbridkejše ure v mojem življenju. Prvič v življenju mi je iz globine žal, da sem se rodil kot Slovenec in prvič po tridesetih letih mi je postalo iz vseh vlaken mojega človeka žal, da sem se odločil za partizanstvo. Komunizem je resnično satansko maščevalna in infernalna sila." (Kocbek 2004: 148-149)

To strašno obžalovanje, Kocbeku se je zapisalo 9. feb. 1976, ni samo obžalovanje, ampak tudi že kesanje. V nasprotju z običajnim potekom pri Kocbeku pokora sledi kesanju, saj se je pokora, kakor smo videli, zgrnila nadenj že poprej. V pričočem obžalovanju kot kesanju gre za samega sebe zavedajoči se premislek, toda le na ravni razumskega sklepa, kajti čustveno Kocbek tega prepoznanja ni zmogel več posvojiti. Si ga osmisli in ga kot pripoznanje vpeti v nova spoznanja. Tik pred prepoznanjem, 3. februarja, Kocbeka spet obidejo samomorilne misli:

"Vznemiril sem se, kakor že dolgo ne. Okoli poldneva so mi potekale grozovite ure. Šlo mi je na jok, prevzemal me je obup, nekaj blaznega, po smrti koprnečega se je razvijalo

v meni." Kocbek nima več moči, da bi se s diskurzivno analitično metodo posamično distanciral od svojih nekdanjih aktivistično revolucionarnih stališč..."

"... prvič po tridesetih letih mi je postal iz vseh vlaken mojega človeka žal, da sem se odločil za partizanstvo..." je leta 1976 zapisal Kocbek.

Kljud času, ki je pretekel od tedaj, pa se zdi, da so v Sloveniji ljudje, ki za to Kocbekovo izjavilo že ne vedo. Morda si tako lahko razlagamo tudi dogodek ob veliki cerkveni slovesnosti na Sv. Višarjah leta 2004. Tako so se slovenski verniki poklonili spominu duhovnika prof. Lambertta Ehrlicha, ki so ga med vojno in revolucijo, v znamenju OF, umorili komunisti.

Na isti prireditvi pa je glavni govornik še vedno neprizadeto govoril o 'partizanski epopeji'. Kocbek se je nazadnje kesal... njegovi pristaši pa še vedno očitajo škofu Rožmanu, da je svaril pred komunističnimi revolucionarji, ki so se skrivali za tako imenovanim narodno osvobodilnim bojem. Koliko časa bo še trajalo to sprenevedanje?

Za poznavanje mišljena in čutenja škofa dr. Rožmana bi bilo koristno, če bi več Slovencev vedelo, kako je škof Rožman preživel svoje zadnje ure na bolniški postelji. V tretjem delu Kolariceve knjige najdemo o tem pričevanje zlatoto

(Dalje na str. 16)

Republike Slovenije – prve letalske poskuse je izvajal v Gorici, ki je kasneje pripadla Italiji, zadnjič pa je poletel v srbskem Beogradu.

Primorski Slovenec z zahodnega roba slovenskega prostora pa bo s svojim imenom odslej zato krasil letališče na vzhodnem koncu slovenske države.

Misijonska srečanja in pomenki

1623. Iz Malavija v Afriki se je oglasil misijonar

jezuit p. Lojze Podgrajšek, ki je bil lansko leto na misijonskem pikniku in imel sv. mašo za začetek piknika. Pismo je bilo pisano za Veliko noč, a preden pride do mene vzame več časa.

"Dragi dobrotniki in lep pozdrav iz Malavija! Dolgo mi je vzelo, da Vam pišem iz nove postojanke tu. Z mojim zdravjem še kar gre, vsak dan tudi hodim, le občasno me zmoti nepričakovani dež, da sem ves moker, ko se vrnem."

Za naše šolsko poslopje se pogajamo za zemljo. V ta pogovor sta vključena dva vaška poglavarija, ker je zemlja ob robu mesta in spada v vas. Vključeni so tudi tisti, ki tam pridelujejo koruzo. V tej deželi je zemlja zelo dragocena, ker je poljedelstvo glavna dejavnost večine ljudi.

Vprašanje, kje bom dobil pomoč za gradnjo šole, mi je že nekaj sivih las dodalo. Obračam se na organizacije, ki podpirajo "tretji svet" in vse dobre ljudi, ki so pripravljeni pomagati, kar že vnaprej iskrena hvala!

Poleg priprav za gradnjo se v popoldanskih urah in večerih tudi posvečam študentom, ker me je škof postavil za študentskega duhovnika v petih univerzitnih šolah. Malavijska univerza je razsejana po celi deželi – nekaj je na jugu, nekaj tu v središču, nekaj na severu. Meni je dodeljeno: agronomija (878 študentov), elektrotehnična (957), višja medicinska (695), za naravoslovje (1474), in za medicinsko tehniko (413). Šole so precej oddaljene, ena je 7 km, druga 11 km, tretja 14, četrta 8, peta 30 km. Tedensko opravim sv. mašo in vodim razne skupine, kjer se pogovarjam o verskih vprašanjih. Dvakrat mesečno je razlaga krščanskega nauka in kar zadeva mlade. Lepo je delati z mladino, samo čutim, da ni dovolj duhovnikov ne sester ne bratov, ki bi veliko pomagali, a vendar naredim nekaj za mlade vernike.

Sirote so ostale v Zambiji in za te bom še pomagal v tem letu, kasneje bodo morale same najti drugo pomoč, ker jaz bom moral pomagati in skrbeti za malavijske sirote.

Tukaj je življenje zelo pestro, napeto, zahtevno. Teden mine kot en popoldan. Že pol leta sem tukaj in težko sledim, ko tako čas beži.

Dragi dobrotniki, prijatelji, hvala, da ste brali te vrstice. Vesel bom Vašega odgovora, ko boste imeli priliko zanj. Za konec Vam voščim vesele velikonočne praznike. Kristus je naš moč, on je naš Zveličar, v Njem imamo upanje in življenje, v Njem so premagani vsi dvomi, vsa vprašanja, vse nadloge, vsa črnogledanost, tudi ves strah, v Njem je polnost našega upanja in pričakovanje večnega življenja. Splača se hoditi za Njim, saj je On naš vodnik, ki zagotovo usliši in nam daje potrebne poguma in vztrajnosti.

Vsem še enkrat iskrena zahvala za vse darove za moje delo v Malaviju. Bog Vam vsem za vse obilno poplačaj že tu na svetu z dobrim zdravjem in z neomejnimi darom vere in zaupanja v Boga!

Z Bogom in lepo pozdravljeni, Vaš hvaležni Lojze Podgrajšek."

Vse smo zvedeli, kaj dela naš znani misijonar, ki ima zares veliko dela, da mu čas tako hitro teče v večnost. Prav je, da mlade navdušuje, jih vodi k pravemu življenju po veri, jim razlaga vso lepoto božje. Ko vključujemo v naših molitvah naše misijonarje, vključimo tudi te študente, da bodo sprejeli potrebne

Razstava o slovenskih godbah v Ameriki – Ravno danes zvečer ob 7. uri bo slovesnost ob tej razstavi, ki ga je organiziral Polka Hall of Fame and Museum na 605 E. 222 St. v Euclidu (tj. stara euclidska mestna hiša). Javnost je vabljena, sicer bo razstava odprta do konca leta s številnimi fotografijami in drugimi predmeti, od glasbil in uniform do različnega tiska. Ure muzeja so od torka do petka od 12. do 5. pop., ob sobotah pa od 10. dop. do 3. pop. Fotografijo zgoraj je posredoval Lou Sadar in kaže godbo Triglav, ki je bila aktivna v Collinwoodski naselbini. Fotografija ima datum 1. 1920.

mašnika Antona Merkuna:

"...Vstopil sem in pozdravil: "Hvaljen Jezus!" Prevzvišeni odgovori: "Hvaljen Jezus!" Nato pravi prevzvišeni s tresočim glasom: "To je zelo lepo, da ste prišli." Potem nadaljuje: "Jaz strašno trpim, strašno trpim." Nato nadaljuje počasi s podudarkom: "Molite, molite, molite..." Potem pove, v kak namen naj molimo: "Molite zame in molite za moje preganjalce, zaradi katerih moram toliko trpeti. Molite žalostni del sv. rožnega venca."

Msgr. Matija Škerbec je po smrti škofa Rožmana napisal članek, v katerem je skušal orisati škofov značaj in njegovo delo. Zapisal je tudi tale stavek: "Tudi o komuni-

stičnih nasprotnikih, ki so ga tako osebno obrekovali in sovražili, se nikdar ni izrazil s kako nevoljo, skušal je vse prej opravičiti kot obsojati."

V isti knjigi tudi bremo: Dne 12. decembra 1. 1943 je v ljubljanski stolnici imel tisto zgodovinsko pridigo o komunizmu, ki jo je končal z besedami:

"In ko že več govoriti ne bom mogel, se mi bo iz umirajočega srca še dvignila poslednja prošnja, tista, ki jo za svoj narod vsak dan ponavljam: Razsvetli, Gospod, zaslepljene, da spoznajo časno in večno nesrečo, v katero jih peha brezbojni komunizem, da se obrnejo in spreobrnejo. Privdej jih, Gospod, nazaj k resnici in v božje kraljestvo."

Ko je 1. 1949 prvič obiskal Slovence v Argentini, je na slavnostni akademiji v Buenos Airesu med drugim dobesedno rekel: "Za tiste pa, ki so povzročili, da smo morali oditi po svetu, za vse, ki so nas preganjali, za vse, ki so pozabili na svojega Boga, prosimo, da najde-

jo pot resnice. Jaz sam nisem noben večer pozabil dati blagoslov tudi svojim sovražnikom v domovini. Če imamo mi resnico in nas ona dviga, potem naj ta odpre pot tudi tistim, ki so v zmoti."

Bog daj, da bi blagoslov tega velikega škofa in gorečega Slovenca kmalu obrodil svoj sad, da bo vrnjeno dobro ime takoj njemu kakor vsem, ki so pravi čas in mnogi za ceno življenja spoznali in se uprli, v težkih medvojnih letih, zaroti komunizma med nami. ■
