Flag Day 1942

For many years Americans have observed June 14—Flag Day—as an occasion to repledge their allegiance to the flag of the United States and the principles for which it stands. The President of the United States has already issued a Flag Day Proclamation calling upon Americans to arrange for fitting celebrations in honor of our flag.

Flag Day of 1942 has a special significance in that twenty-five nations other than our own joined with us in the fight against the Axis dictators. Despite differences in form of government, in language, and in religion, these nations are fighting side by side with us, and the fate of one affects the fate of all. These nations have pledged their support to the ideals set down by the leaders of our government. Throughout our country the communities are arranging for Flag Day observances, and our membership is earnestly requested to cooperate with the special observance being worked out by local Defense Councils and the mayors and other officials of cities throughout the country.

Therefore, let us, the Legal Reserve Fraternal Insurance Societies of the United States of America, by our Flag Day observances, demonstrate that we do appreciate the sacrifices made by the men in the armed forces of America, and the service they are rendering our cause.

In the Air -- On the Sea

Lt. Frank Slavec

Sailor Joe Slavec

Lafayette, Colo. — The story of two brothers who were born in Yugoslavia and came to this country and Lafayette, Colorado, only eleven years ago, now occupying prominent roles in the Army Air Corps and U. S. Navy hoping to contribute to an overwhelming victory over the Axis enemies, was retold today following receipt of information regarding two of our AFU members—Lt. Frank Slavec of the U. S. Air Corps, and Sailor Joseph Slavec of the U. S. Navy. The two young patriots are members of Lodge 21 of Denver, Colorado.

Of the two air men Frank was the luckier as far as getting an education was concerned. Frank graduated from the University of Colorado in 1940 — only nine years after landing in America! After teaching school for a short while, he volunteered as an aviation cadet and on May 23 of this year, he graduated from Kelly Field, Texas, as a navigator. In accomplishing this remarkable record he achieved his life's ambition — that of wearing the silver wings of the U. S. Flying Forces. Lieutenant Frank Slavec is now awaiting further orders.

Joe enlisted in the U. S. Navy on his 22nd birthday — Feb. 12, 1942. Following a short training stretch at San Diego Naval Training Station he was transferred to Pearl Harbor. Latest reports indicate he is in the Torpedo school, Submarine base at Hawaii. Joe writes that he enjoys the Hawaiian atmosphere to the fullest extent.

"The Lafayette Leader," in a story concerning Lt. Frank Slavec, Sr., and the rolling waves of the Gulf of Mexico, says: "FRANK SLAVEC, GUARDIAN ANGEL OF SKY RIDERS." Dated Kelly Field, Texas, it reads:

First of his military objectives attained, a young man has swerved his aerial course toward battle horizons. Graduated from the Kelly Field, Texas, Navigation School last week was Frank Slavec of Lafayette.

Already a veteran of the air wearing the silver wings of a navigator, the lieutenant moves toward tactical duty or service as an instructor. He is well versed in his role as a guide for America's bombers. He worked in an aerial classroom, perfected his technique at finding his position by observation of planets. As a navigation cadet he grew smart in using his radio to find the way home, calmly calculated his speed and direction by observing the earth as it slid beneath him. With only a map he found his way across country, learned to direct his bi-engine ship safely to port.

Such officers as he charted the flight of planes which jarred Japan's war industry, jarred the complacency of an emperor. The navigator is the genius who knows how bombers must fly to reach an objective, how fast to fly to join in rendezvous with other bombers, all of which must reach a target at the same instant in order to profit greatest by surprise attack.

Hundreds of hours in ground school, cloud banked hours thousands of feet in the sky, have qualified him to serve well, have earned for him the respected title "guardian angel of Uncle Sam's sky riders."

Our AFU is proud of the two Slavec brothers. They are the sons of Mr. and Mrs. Victor Slavec, Sr., and have always been outstanding workers and members of our society. Several of the younger members of the family have contributed fre-

American Slav Day

Congress has proclaimed Sunday, June 21, American Slav Day on which we, Michigan, and American Slavs are called upon to rise to new and greater standards of devotion and tireless work.

Let's all meet at Belle Isle to fulfill our pledge, at the Congress on April 25, that 10% of our monthly wages will go for the purchasing of War Bonds to finance the war of our country and all the United Nations against the Axis.

On June 21 let's all give to the American and Allies Reliefs so that the brave fighters of Bataan and Corregidor, of the Red Army and Yugoslav Chetniks, of underground Poland, and Czechoslovakia will know that they are not forgotten, that their feats of heroism inspire us to greater war efforts.

It will begin at 1 p. m. Sunday, June 21 at Belle Isle. Don't forget the date. Let's all attend!

Mrs. K. Krainz

quently to the pages of this paper. Congratulations, and may the silver wings of Lt. Frank Slavec, and the rolling waves carry Sailor Frank Slavec to a quick victory over the Axis enemies. Our wishes for their best of fortune throughout their fine service!

Smith, young son of Mr. and Mrs. Louis Smith of East Helena, Mont., graduated from Cathedral High School in that city at impressive ceremonies, May 29th, 1942. The commencement exercises took place at St. Helena Cathedral. Graduate Smith is an active member of the AFU just like his dad who is secretary of Lodge 43 at East Helena. He was also a delegate to the Third Juvenile Convention of our AFU at Ely, Minnesota. Congratulations, Louis!

Napredok Notes

Euclid, O. — The news that we get about this present World War is indeed terrifying. Each day there is a call for more men to join the armed forces. Our lodge, Napredok, No. 132, AFU, has so far sent six of its members. As I see it, more will be called in the near future. In this way one can see that our lodge is also doing its part to help America win the war.

To be sure we should all think about the war and what we can do, but we must not forget our own daily duties. One of them is our loyalty and work for the betterment of our lodge and union. This year again, Napredok will celebrate "AFU Day," with a picnic, which will be held June 21 at Stusek's Farm. Here's your chance to help your lodge.

At the picnic we will try to forget a little of our daily worries and our hard work by chatting with our friends and having a little fun. I will tell you more about this later, so watch the paper for complete details.

Napredok is working hard, too, getting new members for the Juvenile Department. Though many of the members are responding quite well, we could use more of you in the present campaign. We can win the prize if you all cooperate with us. Our juvenile membership is quite large; we have at present 155 members. Before the campaign is over, I expect this number to be greatly increased. With the help of all our members we can do it.

Members, I invite you all to attend our coming meeting, which will be held Friday, June 12, at 7:30 in the evening. At this meeting final plans for the picnic will be made. I will also give you complete details about the campaign and the part that Napredok is playing. The more that attend, the better plans can be made. So plan to attend the meeting on Friday and the picnic.

Greetings to all the AFU members from Napredok lodge, No. 132.

John Tanko, Sec'y

Great efforts are wasted unless they are perfectly aimed and concentrated.

Pledge to the Flag

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, One Nation indivisible, with liberty and justice for all."

In pledging allegiance to the Flag of the United States of America, the approved practice in schools, which is suitable also for civilian adults, at lodge meetings, is as follows:

Standing with right hand over the heart, all repeat together the following pledge:

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, One Nation indivisible, with liberty and justice for all."

At the words "to the Flag," the right hand is extended, palm upward towards the flag and this position is held until the end, when the hand, after the words "justice for all," drops to the side.

However, civilian adults will always show full respect to the flag, when the pledge is being given, by merely standing at attention, men removing the head-dress. Persons in uniform should render the right hand salute.

Lodge 132 Reports

Euclid, O. — Hello folks, this is your Napredok reporter jotting down a few lines for it has been rumored that the people are looking for the Napredok news.

Well, the bowling season is over with the Cavaliers and the Bums ending the season in sixth and seventh places respectively.

Now to forget bowling for a while and center our attention on a baseball team. Practice has been going on for two weeks already. A squad of twenty-five have turned out for a chance to play on the first or second team. Next week I'll be able to write more about the league we are forming. We also wish to thank all the backers who have donated money for our baseball suits. I'll also have the full list of backers for you.

Due to the draft, we have lost a great lodge member. He was a leader of the younger people of the lodge and was always willing and ready to do any job he was called on to do. He saw to it that there was fair play in any work with which he was connected. But now, he is in the army. He left Saturday to join our armed forces and I'm sure everyone joins me in wishing Frank Sesek the best of everything and good luck.

Mark Sunday, June 21 as a day for fun and enjoyment because that is the day for Napredok's picnic. There will be a two-piece orchestra for dancers. Two ballgames will be played for the sport-minded people. One of the games will be the Napredok regulars against Barberton (we hope). The other will be the Napredok Yannis against the married men of the lodge. Let's have everyone turn out and make this picnic a great success.

Friday night, June 12, at 7:30 there is a regular meeting to discuss further plans for the picnic. Here's hoping we see you at the meeting Friday night and don't forget, reserve Sunday, June 21, for the Napredok picnic, at Stusek's Farm.

FROM SOMEWHERE IN THE PACIFIC

Bound Brook, N. J. — Radio Station WRCA recently received the following letter:

"By way of introduction, I am the captain of a small British vessel operating in the Central Pacific Ocean writing on behalf of all of us here embarked. The nature of our business and our identity had better remain unknown. The purpose of this letter is to acknowledge the recent appeals of your announcer on behalf of the International Red Cross Society in a tangible form.

"In the remote parts of the world where we are operating there is no local Red Cross to which we could hand our small contribution. We have therefore decided to send the money to the mainland to be forwarded with this letter to you, and we request that the remittance be handed or sent to the nearest branch of the American Red Cross Society. No acknowledgment is desired."

Western Pennsylvania Federation of AFU lodges in conjunction with Lodge 149, Strabane, Pa., will commemorate American Fraternal Union Day with a picnic at Drenik's Park, Sunday, July 4th, 1942.

What You Buy With WAR BONDS

The Aerial Camera for use on Scout and Observation and Reconnaissance planes is essential to both the Army and Navy air forces in planning battle formations and in obtaining information on enemy fortifications and movements. They look something like a cannon, and cost about \$3,400 apiece.

The aerial cameraman can plot wide territories in bold relief so that Army or Navy Intelligence can make accurate measurements of enemy territory. We need many of these cameras so necessary to the air arms of the Army and Navy. You can help buy them with your purchases of War Bonds. Invest at least ten percent of your income every pay day, and help your country go over its War Bond quota.

Gold Keys Presented Duquesne U. Tamb. Orch. Ends Season

Pittsburgh, Pa. — The Duquesne University Tamburitzza Orchestra finished its season with a banquet honoring its graduating members.

Amelia Pentek of Lackawanna, New York, and George Sporic of McKees Rocks, Pa., received their degrees at the commencement exercises on Sunday, May 31.

Joseph Floriani of Ahmeek, Michigan, will complete his work for graduation during the summer. A serious illness forced him to stop work for one semester, so that he was not able to finish with his class.

Two outstanding awards were made at the dinner for the seniors. Amelia Pentek received a key for having maintained the highest average of the graduates. Her standing for her years at Duquesne University was B-plus.

Edward Sambol of Lawrenceville, Pittsburgh, won the annual improvement award. This key is given to the Tamburitzza who makes the greatest progress during the year.

John Bauman of Milwaukee, Wisconsin, has just become the first Tamburitzza to get into the Advanced Corps of the Reserve Officers Training Corps.

A high spot in the past season of the Duquesne Orchestra was Charlene Posgay's winning of a trip to New York and an appearance on the Fred Allen program.

This year brings the total of graduates of the Tamburitzza department to seven. Of this number Miss Pentek is the first girl.

The Orchestra played its final concerts in Lackawanna, New York, and Hamilton, Ontario. They were received with great enthusiasm by the Slavs in that part of Canada.

The group gave two shows in Hamilton, playing to approximately 3000 people. On the second evening they performed in the largest theatre in the city.

Activities for Lodges In This Emergency

Always in the front rank in time of national emergency, fraternal benefit societies and its members are doing their part in the war of the United Nations.

Some lodges, at a loss in knowing where they can be of the greatest benefit to the cause of war, may find the answer in any of the following suggestions:

- 1. Invest local lodge funds in U. S. War bonds.
2. Enlist in your local Red Cross.
3. Plan entertainments, dances, card parties, etc., to raise money to purchase bonds.
4. Aid in the selling of Defense Bonds and Stamps through booths in stores, lobbies of hotels or public buildings or on the street.
5. Remember the boys from your subordinate lodge who now are in the Army and Navy, at least write them occasionally and perhaps send cigarettes and other articles.
6. If you have not already done so, enlist and offer your services to fully cooperate with your local air raid warden, auxiliary fire department, auxiliary police, fire watchers, first aid, etc.
7. Encourage the members to save and not to spend.
8. Help build up public morale and confidence in ultimate victory.
9. See that our membership committee is active in bringing in new members, building up your lodge, and enlisting their services in this national emergency.
10—(Suggested by Fidelity Life Assn.) in conservation campaigns; knitting sweaters and assistance to Red Cross; maintaining community health standards; gifts to soldier members; entertainment of soldiers and aid to U. S. O.; reporting of subversive activities; aid to needy families whose boys are in the service; planting community gardens; sponsoring Americanism programs; cooperating in civil defense work; holding special patriotic celebrations on national holidays; encouraging thrift; building public morale and confidence in ultimate victory.

From the Cleveland, Ohio, United Slav committee, word has been received that President Roosevelt intends to proclaim an All-Slav Day, June 21st.

Official U. S. Treasury OHIO WAR BOND QUOTAS FOR JUNE
WASHINGTON, D. C., June 1.—Henry Morgenthau, Jr., Secretary of the Treasury, today made known June War Bond quotas for the 3,070 counties in the nation to all State and County War Savings Staffs.
The June quota for the State of Ohio is \$42,722,500.
The county quotas, based upon a substantial increase over May quotas, are expected to reach ten per cent of income when the nation goes on a billion-dollar-a-month War Bond basis in July to help meet the war cost.

Idle Chatter

June meeting of Lodge 162, falls on Monday, June 15. Don't let the fact that third Monday follows second Sunday confuse you.

If Lodge 162 is to maintain its place among the leading lodges of our American Fraternal Union, it is imperative that every member show enough interest in the lodge to attend the monthly meetings.

At the past few meetings, ways and means to raise funds for the lodge treasury have been discussed. Thus far none of the proposed suggestions show any signs of bearing fruit.

Of course, we're referring to our present Juvenile campaign and the cash prizes that will be awarded at the close of the contest. If each adult member of 162 will enroll just one member into our Juvenile department, it will put us in very close range of the first prize of \$100.00.

Thus far Lodge No. 39, in Roslyn, leads Washington in the Juvenile membership drive. Say, wait a minute! Something is very wrong here.

So, come to your lodge meeting on June 15 and bring in the new members. Yes, I'll have mine and I hope you will have yours.

Lodge 162 welcomes into its fold Anne Margaret Gustofson, who became a member at our last meeting. Mrs. Gustofson is the former Anne Sasek. Anne was married very recently to Corporal Frank Gustofson and she has left for California where she will join her husband.

Two more members of 162 have joined Uncle Sam's Army. The latest two to leave are Frank Sinkovic and Frank Mrzlikar, Jr. This brings our total to four.

Leading 162's juveniles with War Bonds and Stamps are Maxie and Nancy Manowski. The two youngsters have pooled their savings and are now the proud possessors of three crisp new War Bonds and are lacking just a few dollars of owning their fourth one.

Jus' this 'n that: Seattle received a large shipment of gas masks which are to be distributed throughout the county. They may have come just in the nick of time, as complete preparedness for all emergencies is so vital.

On June 1, Wm. F. Devin became Seattle's 44th mayor, in a dramatic outdoor inaugural in Victory Square.

The new mayor drew a present-day inspiration out of the replicas of the historic shrines at Victory Square, the home of Thomas Jefferson and the Washington monument, which he said, "stand on the very ground where the pioneers erected the first university."

"Today, like then," he continued, "our people are willing to give, work, sacrifice, cooperate to win this war."

Weather these days is supposed to be a deep dark secret. But, golly me, the way the heavens have opened up and showered us with rain and more rain, day after day, it's time someone complained.

July 11, 18, and 25 are the dates selected for barn-dances to be sponsored by Betsy Ross, Lodge 186, AFU. The lodge will celebrate its 15th anniversary with a dance Nov. 28th, 1942.

Till next time, 'bye! Mary G. Balint, Sec'y 162, AFU, Enumclaw, Wash.

Mr. Jack Petrich, Mr. Frank Ruparich, and Mrs. Mary Arko. The program was concluded with vocal selections rendered by Miss Olga Praznik, accompanied by her brother William Praznik.

In behalf of all banquet chairmen and committees I hereby express my sincere thanks to all fine co-workers and other girls who so willingly gave their time and cooperation to help make our 40th anniversary banquet such a splendid success.

Mrs. Josephine L. Benchina, Publicity Chairman, Lodge 30, AFU.
