JOLIET KEGLERS STOCKING FULL OF SCORES IN ANNUAL CHRISTMAS SINGLES SWEEPSTAKES

Joliet, Ill.—The Joliet K. S. K. J. Men's Bowling League pinners were really blistering the pins in their quest for the many fine prizes awarded to the winners of the Christmas Individual Handicap Sweepstakes. The Eagle Store team chalked up the season's high team series of 2790 on games of 924, 948 and 918. Andy Kludovich marked up the high series with 587 mapsles and George Gasperich hung up the high single game with his 244 score.

Ten Pin Chatter . . .
The bowlers were really "on" . . . thus we witnessed

the best bowling scores ever turned in for a handicap sweepstakes . . . the leading prize winners (of the Christmas "spirits" and "hats") were: George Gasperich 663, Tony Buchar 649, Andy Kludovich 648, Doc Zalar 645, Ed Stukel 645, Roy Keith 633, Hank Adamich 633, Ed Stark 615, John Kren 608, Rev. Butala 602 . . . it is interesting to note that among the first ten grand prizes we find the names of four Eagle Store team bowlers . . . they really bowled like an inspired team . . . coming up with doubles, turkeys, and four or five in a row . . . they looked like the Chicago classic league bowlers . . . the Eagles flew high, wide and handsome . . . it was just bad luck that the Zema Drugs had to roll a nice 2633 series against the Eagle team . . . but that's bowling . . . you never know when a team will get hot . . . and when it does, the pins begin to fly . . . we welcomed two new bowlers into the league . . . ex-servicemen Eddie Kludovich and Eddie Dolinshek . . . who came up with better than average scores . . . next week we have the Christmas party for the members of the men's and women's KSKJ Bowling League . . . the standings:

FRANK ZNIDAR NEW JOES SECY.

Cleveland, O. — On Dec. 20 the annual meeting of St. Joseph's Society, No. 169, was held and I made one of my rare appearances there. In the last few years I haven't attended the lodge meetings often as I was in the N. S. Navy and took an active part in other organizations.

I was rather surprised at the lack of attendance at the meeting on the part of the younger and English-speaking members. It wasn't like it used to be years ago when I was more active in the KSKJ. But just as myself, I believe the other folks have the same excuses that I have.

But something happened at the meeting that should encourage all the younger members to attend more often from now on — that was the election of Frank Znidar as president of the lodge. All the younger members should attend and give all the support they possibly can to our young leader, as Frank promised that he will try and work out a program that should appeal to the younger members and also a picnic for this summer.

It is quite an honor for him to be elected to such a high office, and I believe that he will fulfill his duties to the utmost. I had the honor of being initiated with Frank into the Knights of Columbus and have known him for years and consider him as a real gentleman. Frank is only 23 years old and that should make him outstanding as president of the largest Slovenian lodge in the world. The membership of St. Joseph's Society, No. 169 K. S. K. J. is over 1,500 members.

Regular meetings are held on the third Thursday of every month at the Slovenian Hall on Holmes Ave. Let's have a big attendance and see Frank Znidar installed along with these other officers: John Pedirtz, vice president; Joe Ferra, financial secretary; Mary Jerkic, treasurer; Frances Leskovec, sick benefit secretary; Anna Grajzar, recording secretary.

VALENTINES TO ELECT OFFICIALS

Beaver Falls, Pa. — Members of St. Valentine Society, No. 145 are reminded that a meeting of utmost importance will be held the second Sunday of next month, Jan. 13, 1946.

At the last meeting we tried to elect our officers for 1946, but this was a complete failure, mostly due to the lack of interest shown by our members. I would like to see all members present, especially all the younger class. No society can function without its members' support. So all out on Jan. 13, 1946.

Best wishes for a Happy New Year!

KSKJ EMPLOYEE WEDS ARMY MAN

Mr. and Mrs. Ralph J. Ambrose

Joliet, Ill. — On Dec. 1, Josephine Slapnicar, daughter of Mr. and Mrs. Joseph Slapnicar, 617 Summit St., became the wife of Ralph J. Ambrose, son of Mr. and Mrs. Frank Ambrose, 511 Bluff St., at a nuptial High Mass in St. Joseph's Church with the Rev. M. J. Butala officiating at the ceremony. Mrs. Anna Fandak sang "Panis Angelicus" by Cesar Franck at the Offertory, and Anthony Rozman joined in the singing of the remaining Mass.

Miss Bernice Slapnicar was the maid of honor and the best man was Pfc. William Bevan of Los Angeles, Calif., a nephew of the bride. The wedding breakfast and reception was held in the home of the bride's parents and guests were present from St. Louis, Mo., Rockford, Chicago and La Salle, Ill., and Los Angeles, Calif.

The new Mrs. Ambrose is a member of St. Genevieve Society, No. 108, and has been employed in the KSKJ Home Office for eleven years. Mr. Ambrose was recently discharged from the army after three and a half years of service, two of which were spent in the China-Burma-India theater.

BUTTE SECRETARY URGES ATTENDANCE

Butte, Mont. — In the Nov. 28, 1945, issue of the Glasilo I mentioned the fact that our society was going to hold its annual meeting on Dec. 9, 1945 for the purpose of electing new officers and to try to rectify the shameful condition which exists and has existed in our society for the past three or four years.

The condition, as you all should know by now, is the failure of our members to attend our monthly meetings. For the past three and four years we have an attendance of from seven to twelve members present at our monthly meetings. I ask each and every one of you, is that fair? None of you wish to attend the regular meetings and still when the officers and the few members present at the meetings decide on something or some issue, you go around criticising them for it instead of attending the meetings and doing your criticising there.

In the same issue I also announced that I was resigning the office of secretary, as I could no longer devote enough of my time and attention in carrying out the work that the office calls for. I asked all the members who possibly could, to please attend the meeting so that another secretary could be elected. Did any of you attend? No, just the faithful seven to twelve did.

Our next meeting will be held on Jan. 13, 1946 at 2 p. m. in the Holy Saviour School hall for the firm purpose of

ROSE CARPENTER TALLIES NEW INDIVIDUAL HIGH SINGLE IN JOLIET LADIES' LEAGUE

Joliet, Ill. — After last week's pin circuit, we find a new name heading the individual hi-single honor roll in the Joliet KSKJ Ladies' Bowling League. She is none other than Rose Carpenter, captain of the Gorsich Food Mart, who really had the groove as she powdered the setups for a neat 524 including a 220 game—both good for the special evening's awards.

The Avsec Printers took two from the Gorsich Food Mart—one by three pins. Dot Zlogar was the good supporter of the Printers with a score of 477. Rose Carpenter did best for the losers.

The Joliet Office Supply snatched two games from the Bluth Grocers, the cellarites. For the winners Jo Ramuta splattered the maples for a superb 516 series. Marge Cohil led the losers with a 395.

Vida Zalar blitzed the wood for a 501 series, but it was not sufficient for the Peerless Printers, for they lost two to the pace setting Papesh Tav-

Last summer Louis Erhartic went the way of all Knights and took the long step in the right direction by marrying the girl of his dreams. Fifteen years ago, when the society was founded by Fred Arko, with the aid of nine other charter members, the Knights boasted only two married men but since then all the boys got married with the exception of one. His name we'll keep a secret until he takes the final plunge.

Prospects of starting a juvenile branch of the organization in the very near future look bright and once the ice is broken we should have a fair squad of future heirs in the organization.

PEACETIME MANUFACTURING NEEDS USED FATS! CONTINUE SAVING EVERY DROP TO HELP SPEED UP PRODUCTION OF PACKAGE AND LAUNDRY SOAP AND OTHER THINGS YOU WANT—

You saved used cooking fat for war needs, — continue saving it to help yourself and your family regain the peacetime plenty of America.

YOU CAN BRING CHEER TO VETS

While most of us are busy re-establishing ourselves as civilians in civilian industry, there are still many military and veterans' hospitals being built and admitting new patients every day. For these men there are many hours, even days and years ahead, that will need to be filled with pleasant pastimes.

Perhaps you feel there's nothing you can do. You're wrong. Your very presence in the hospitals, or your simplest effort to entertain a group of ambulatory patients outside the hospital, will win a heart warm in response. Of course, you will have to clear your program with the hospital authorities—usually the recreation director. He'll tell you how much you are still needed!

One of the most successful programs that have been carried on in military hospitals by civilian volunteer recreation workers was developed during the war around the natural interest and fun most Americans get from a deck of cards.

With a group of your own friends and fellow workers,

you can organize a little troupe to help entertain the veterans in nearby establishments by playing cards with them. Perhaps within the group you can develop some "specialists" who are familiar with pinochle, expert at poker, bridge, or plain old-fashioned Casino, so that you can be preferred for special preferences.

And here's another idea. Hospital workers report that the boys love card tricks. If you show a simple card trick or two to a group, there is bound to be at least one of the boys who will respond with a trick of his own, and before you know it, the entire group will be involved in demonstrating their own tricks or attempting to do the ones they have seen.

Not all card tricks require sleight of hand, either. The Association of American Playing Card Manufacturers at 420 Lexington Ave., New York 17, New York, has prepared in mimeographed form some simple card tricks with diagrams which anyone can do. Write to the Association for a copy.

FATHER FLANAGAN'S U. S. SENATE PRAYER

(Editor's note: Father Flanagan's prayer before the Senate of the United States Nov. 29, 1945.)

We are this day in the presence of Almighty God, our Lord and Creator, and with humble and contrite hearts, recognize our entire dependence upon Him.

Dear Lord, help us to pay proper homage and reverence to Thee. We thank Thee for all the graces and blessings Thou has bestowed upon us as individuals and as a body, representative of a great nation. We know, it is only through Thee, Dear Lord, we can observe worthily the duties and responsibilities that are expected of us as a properly constituted body, to insure peace and tranquility to our nation and restore order out of chaos in this postwar era.

There are many perplexing problems, Dear Lord, that are disturbing our national and world peace. These come from conflicting powers, with sufficient influence that they are capable of upsetting the much-bewildered minds of our people. There are many selfish

interests at the bottom of these disturbing factors.

Dear Lord, if our nation is to continue being great and maintain its leadership among the distressed and wearied nations of this war-torn world, it must eliminate selfishness and greed from its citizenry, and base its strength and verity on that great foundation of love, love for Thee, O Lord and love for our fellowman for Thy sake.

With love and sacrifice, wounds will be healed, injustice rectified, human dignity upheld, and peace secured under the moral guidance of Thy Commandments.

May the God of love inspire this splendid body of the Senate and guide it in the solution of its many and important problems, that this great nation may be blessed and become an outstanding example by dispensing Christian love and Christian justice to its people. True democracy guided by such spiritual principles is the only safe and sane solution for world security.

All this we ask through Jesus Christ, our Lord. Amen.

THE ART OF GETTING ALONG

In these days of pressure and strain, it is a good idea to stop for a minute and take a personal check on the uncommon art of "getting along." In this connection, a craftsman of the Tomlinson Co., North Carolina, noted for his ability to take things in his stride, was asked for some thoughts on the subject. Here are his suggestions:

Sooner or later, a man, if he is wise, discovers that life is a mixture of good days and bad, victory and defeat, give and take.

He learns that it doesn't pay to be a sensitive soul — that he should let some things go over his head like water off a duck's back.

He learns that he who loses his temper usually loses.

He learns that all men have burnt toast for breakfast now and then, and that he shouldn't take the other fellow's grouch too seriously.

He learns that carrying a chip on his shoulder is the easiest way to get into a fight.

He learns that the quickest way to become unpopular is to carry tales and gossip about others.

He learns that most people are human and that it doesn't do any harm to smile and say "Good morning," even if it is raining.

He learns that most of the other fellows are as ambitious as he is, that they have brains that are as good or better, and that hard work and not cleverness is the secret of success.

He learns that it doesn't matter so much who gets the credit so long as the business shows a profit.

He comes to realize that the business could run along perfectly well without him.

He learns to sympathize with the youngsters coming into the business, because he remembers how bewildered he was when he first started out.

He learns not to worry when he does not make a hit every time, because experience has shown that if he always gives his best, his average will break pretty well.

He learns that no man ever got to first base alone and that it is only through co-operative effort that we move on to better things.

He learns that the fellows are not any harder to get along with in one place than another, and that "getting along" depends about 98 per cent on himself. — The Blue Bell.

You Are Right, Bud

By Beck

In loving memory of our dear mother who passed away one year ago today
Dec. 31, 1945

MRS. ROSE BROZENIC

There is a son and daughter who misses you sadly, And finds the time long since you went away. And tries to be brave and content — though our hearts are broken.

The tears we shed in silence, with sighs of loneliness.

For you were ours, and we remember

Though all the world forgets.

Your absence has left a loneliness the world can never fill.

Sadly missed by her son and daughter
