

VESTI IZ SLOVENIJE

GOZDNI TEDEN. IZSEKANJE GOZDOV.

GOZDNI TEDEN. IZSEKANJE GOZDOV. — V septembru so po vsej Sloveniji spet naganjali ljudi na delo za "gozdni teden."

ški gozdovi, ki so tam okrog kljubovali razdejaju srečno zaključene preteklosti, nudijo danes naš prepotrebn denar, naše temeljno sredstvo, da podizamo našo industrijo, da si nabavimo stroje za neštete tovarne, pa spet za nove tovarne in še enkrat za tovarne. Ko bodo naše nove tvornice stekle, ko bo v njih bučalo novo življenje in nam vsak dan na novo proizvajalo nove turbine, nove mašine, nove traktorje, nove lokomotive, takrat se bodo naši gozdovi zopet odpočili."

TO JE UNIČEVANJE. — To se silno lepo bere. Toda v resnici je to uničevanje gozdov. Govor ne pravi vsako leto. Za trenutne uspehe v komunističnem gospodarstvu bodo uničili bogastvo Slovenije, ki je v gozdovih za več rodov.

PROFESOR MELIK IN NJEGOVO PRILIZOVANJE. — Vseučilni profesor zemljepisja Anton Melik je napisal ob obojnicah, ko je bil del Primorske priključene Jugoslaviji lep opis dela Slovenije, obenem pa veliko prilizovanje sedanjem mogotcem, ki drže Slovenijo v svojih krempljih.

Trl na dan. Kot slišimo bo postal Ameriški slovenski kongres zastopnike na zborovanje na Madžarsko prihodnji mesec.

Madžari bodo gotovo postavili slavoloke, da počaste prihod zastopnikov slovenskega kongresa. Včasih so hodili Slovani v Prago ali v Varšavo, zdaj pa v Budimpešto.

Zosi želimo prijetno potovanja in lepo zabavo med madžarskimi tovariši. Apelirali pa bi nanjo, če nismo preveč vsiljivi, naj bi, ko bo že tako blizu, stopila v Ljubljano in pogledala, če že zidajo tisto otroško bolnišnico, za katero so zbrali po Ameriki do četrtn milijona dolarjev.

### ST. VITUS BULLDOGS PULL SURPRISE BY DEFEATING ST. ALOYSIUS 19-7

Last Sunday afternoon, our St. Vitus Bulldogs growled and also bit—as they also fooled all the dopesters and defeated a highly favored St. Aloysius football team 19-7. The game played at Thomas Edison Field before a nice crowd which at first seemed to favor the Aloysius team, but after seeing our Vitus boys going at their opponents with full speed and completely outplaying them, the hoes turned to cheers as our boys were losing 7-6 with only a minute and a half left to play.

Just then the gun went off ending this historic game and our boys justly came off the field to their coach Fred Križman and Father Tomc, who were cheering and hugging them. They were given a cheer for the losers and then knelt down in front of the crowd and said a short prayer of Thanksgiving. For many of the boys, this was their last game for St. Vitus, but we are sure that in the coming years they will be on High School and later college teams, but boys, never forget that one game and how you were happy and still found time for prayer!

### The Significance of Armistice Day

The significance of Armistice Day goes deep into the heart of this country. It marks our victory in the two most destructive wars the world has ever known. Of comparable importance, it should remind every American of the enormous human and economic wealth we have been forced to spend to maintain our liberties, and to defend those principles upon which the dignity of man depends.

Armistice Day should bring us another thought as well. This nation has never provoked a war. No people on earth is more peaceful in intention. None will do more to achieve a just and lasting peace for all countries. If ever we are forced to engage in war, it will be because we can find no other means of maintaining those rights and freedoms which make up the American tradition.

The United States must build and conserve its strength. That means, on the surface, that we must have a strong military force capable of dealing with aggressors, and a mighty industrial structure to back it up. But these things, vital as they are, represent a reflection of our strength rather than the substance of it. For the core of this nation's strength and power lies in the spirit of its people.

That spirit is the spirit of freedom. It is based on the knowledge that every American has inalienable rights which cannot be abrogated. The right to speak our minds, the right to own property, the right to engage in a business of our choosing, the right to be free of dictation by government—these and other rights constitute our strength. And that, too, is the significance of Armistice Day.
