HOLANDSKA VLA- DA POBEGNILA

Pariz, 14. maja. — Predstavnik poveljstva oborožene sile je danes priznal, da so nemške čete okupirale Sedan, mesto v bližini belgijske meje v utrjeni francoski coni. Sedan leži 140 km severnozahodno od Pariza. Vrhovno poveljstvo je nekaj ur prej priznalo, da so Nemci v prodiranju preko južnozahodne Belgie prekorili mejo in intradili francosko ozemlje.

Rokavski zaliv, 14. maja. — (Poročilo listu Chicago Daily Times). — "Tu je povest o revoluciji na Holandskem, ki bo morda oropala holandski narod svobodo," pravi reporter Richard Busvine. "Poročilo posjeman je nekega pristanišča ob Rokavskem zalivu v upanju, da ga bo list dobil predno po preporočno. Ko sem zapustil Amsterdam, so se tam vrstile poulične bitke med lojalnimi Holandci in izdajci, Hitlerjevimi pristaši. Tri dni je vladala velika napetost v mestu. Taktika "trojanega konja" se je pričela v soboto, ko so holandski naci in Hitlerjevi agentje pričeli streljati na ukaz iz Berlina, da strmoljavijo vlaudo kraljice Viljemine. Vso noč je trajala civilna vojna v največjem holanskem mestu. Vzrok, zakaj niso nemški letalci bombardirali Amsterdam v soboto in nedeljo, je bila domnevna, da bodo rebeli osvojili mesto za Hitlerja. Poulične bitke so nadaljevale v nedeljo. Nihče, ki ni bil direktno zavojevan v civilni vojni, si ni upal na ceste. Sele proti večeru je policijska sila potolačila revolto."

Montreal, Kanada, 14. maja. — Pod vodstvom vojakov v uniformah je 200 stavkarjev navašljalo na steklarino Consumers Glass Co. v Ville St. Pierru, predmestju Montreala. Vojaki in stavkarji so udrli v tovarno, da izčnejo iz nje delave, ki se niso hoteli pridružiti stavki. V bitki, ki je sledila, je bilo več oseb ranjenih.

V Pariz dospela poročila pravijo, da so Francozi gospodarji situacije. Veliko število nemških tankov je bilo uničenih v včerajšnjih bitki. Vrhovno poveljstvo je priznalo, da nemške motorne kolone prodriajo v drugih krajih Belgie in na Holanskem.

Premier Churchill dobil zaupnico

Parlament zaključil
zasedanje

London, 14. maja. — Winston Churchill, ki je včeraj prvi nastopal v parlamentu kot predsednik nove angleške vlade, je dobil soglasno zaupnico v parlamentu in zborinci lordov. Z uključenjem laboritov in liberalcev v svoj kabinet je bila opozicija proti Churchillu v parlamentu zdroljena z izjemo ducata neodvisnih laboritov, katerih vodja je James Maxton. Samo Maxton je kritiziral novo vlado v teku debate, dočim jo je Loyd George, angleški premier v času svetovne vojne, odločno podpiral.

Churchill je govoril samo osem minut. Parlamentu je povedal, da se Velika Britanija bori za ohranitev svojega imperija. "Obeta se dolga in kravna borba predno bo ta vojna končana," je dejal. Ponuditi vam ne morem ničesar razen krv, solz in trpljenja."

Dosej je Churchill imenoval 19 oseb za člane svoje vlade. Izbrati mora še nadaljnjih 10 ministrov in večje število tajnikov. Najvažnejša oseba, ki je stopila v novo vlado, je Ernest Bevin, vodja unije transportnih delavcev. Bevin je dobio pozicijo delavskega ministra. Značilnost je v tem, ker sta dva najbolj vplivna delavska voditelja v Angliji prevzela načelo mobilizacije vseh narodnih industrijskih virov za produkcijo vojnih potrebskih. Bevin bo sodeloval v teh naporih s Herbertom Morrisonom, načelnikom delavske stranke v Londonsu, ki je bil sinči imenovan za ministra začetka. Konferenca delavske stranke v Bournemouthu je prejšnji dan z veliko večino odobrila vstop laboritov v vlado.

Parlament je po govoru premierja zaključil svoje zasedanje. Ponovno se bo sestal 21. maja, če ne pride kaj izrednega. Ako bo vojna situacija zahtevala, se bo sestal prej.

Pariz, 14. maja. — Britanske bojne ladje pa so bombardirale nacističke letala, ki so dovzala vojaške čete v Belgiji in Holandiji.

"Intenzivne operacije v zraku se nadaljujejo," se glasi komunikacijska zveza. "Za doslej prejetih poročil se doznavata, da so Nemci izgubili najmanj 40 bojnih letal. Naše izgube so malenkostne."

Berlin, 14. maja. — "Največja bitka v zgodbini med nemškimi napadnimi divizijami na eni strani ter angleškimi, francoskimi, belgijskimi in holandskimi na drugi strani je v razmahu," pravijo nacistički krogi. Po mnenju teh krogov je nemška kampanja na Holanskem že zaključena z nemško zmago. Nemške vojaške divizije, ki prodriajo od vzhoda, so že dosegle nemško oboroženo silo pri Rotterdamu, kar pomeni, da je bila Holandska presekana na dvoje. V nekaj dneh bo vsa dežela pod kontrolo britanskih divizij.

FRANCIJA ODRE- DILA INTERNACIJO VSEH NEMCEV

Država se hoče zavarovati proti puču

BERLIN GROZI Z RE- PRISALIJAMI

Pariz, 14. maja. — Nemška vojaška letala so ponovno invadile francosko ozemlje in poročila se glase, da so spustila na tla s padali več vojakov na ožemlju južnozahodno od Pariza. Policijska preiskava ni ugotovila prihoda nemškega vojaštva, toda avtoritete so vseeno takoj storile korake, da preprečijo take operacije in se zavarujejo proti aktivnostim "pete kolone".

Sleheni Nemec v starosti 17 do 65 let, ki biva v Franciji, bo interniran v prihodnjih dveh dneh, se glasi vladno naznanilo. Letaki s tem naznanilom so se pojavili v vseh pariških krajih.

Nova odredba, ki je bila uveljavljena, ko so avtoritete dobile informacije, da so nemški prebivalci v Belgiji in Holandiji pomagali Hitlerjevinim letalcem pri spuščanju vojakov, bo učinkoval najmanj 50.000 oseb sam v Parizu in distriktu Seinu. Večino Nemcev v drugih francoskih krajih bo tudi prisadeti.

Nemci v Parizu in okolicu bodo internirani danes. Dobili so že ukaz, da morajo priti v veliko športno arena. S seboj smejo prinesi le 70 funtov prtljage, živila za dva dni ter jedilno posodo. Domneva je, da bodo vasi poslanici v koncentracijska tabernica. Nemci bodo morale v sredo priti v Velodrome d'Hover, kjer se vršijo dirke z bicikli, slično prtljago.

Premier Reynaud je sinoči namanil, da bo vsak Nemec, ki se spusti z letala na francosko ozemlje v tujini uniformi, ustreljen. Odlok ne bo spremenjen zaradi Hitlerjeve grožnje, da bo za vsakega v Franciji ustreljenega Nemca ustreljen deset francoskih vojnikov.

Nemški letalci so se včeraj pojavili nad več francoskimi mestoma. Dva vlača, potniškega in tovornega, so Nemci obstreljevali s strojnico.

Berlin, 14. maja. — Za vsakega nemškega "parašutista", ki bo ustreljen v Franciji, bodo Nemci ustrelili deset francoskih vojnikov, se glasi nota, katero je nemška vlada poslala preko ameriškega in švedskega poslanstva v Pariz, London, Bruselj in Haag. Naciji trdijo, da so "parašutisti" regularni nemški vojaki in kot taki nosijo posebne uniforme.

Angleška zagotovila
japonski vladni

Zasedla ne bo holandskih otokov

Tokio, 14. maja. — Velika Britanija je včeraj ponovno zagotovila Japoncu, da ne bo okupirala holandskih otokov v Vzhodni Indiji. Ona, kakor Japonska, želi, da ostane na krmilu sedanja administracije na holandskih otokih.

Robert Craigie, angleški poslanik v Tokiju, je dal to zagotovilo Haciru Ariti, japonskemu zunanjemu ministru, ko se je oglasil v njegovem uradu. Ministru je povedal, da je holandska oborožena sila na otokih dovolj močna, da vzdrži status quo. Iz tega razloga ni potreben angleški intervencija. Zagotovilo je pomirilo japonsko vladu, ki je bila v strahu pred raztegnitvijo evropskega konflikta na Pacifik.

Uradni krogi nočijo komentari

Uradni krogi nočijo komentari poročil iz Belgradu, da se Jugoslavija in Grčija bojita invazije, če bo Italija odločila za vstop v vojno.

Armeda 700.000 mož je bila že mobilizirana. Ti krogi naglašajo, da so demonstracije proti Veliki Britaniji v Italiji znamenje, da bo šla slednja v vojno na strani Nemčije.

Sicer pa ne vemo prav nič, kaj nam prinese jutrišnji dan, ker kontrasti, enkrat večji in drugič manjši, so na dnevnem redu. Pred kratkim je malo manjšalo, da ni prišlo do konfliktu. Nemci so hoteli imeti kontrolo nad plovbo po Donavi.

Naša politika je zadnje čase precej dobra glede neutralnosti. Zadnje izjave naših državnih poslaništv v Franciji in v Rimu menijo, da bi vedno tako počrnila, kateri je jasno, da bi rada zasedla del Jugoslavije. Gotovo je, da, da vpliv Sovjetske Rusije na Italijo je zelo velik, da bo izrazil želje Jugoslavije po takih sličnih strogih cenzuri, ki bo bolj izrazljivo v Jugoslavijo.

Velika jugoslovanska oborožena sila je zbrana ob meji Italije in Nemčije, ob Jadranskem morju in Albaniji. Nekaj vojaških divizij je koncentriranih ob meji Ogrske, preko katerih bo morda Hitler poslat svoje čete v južnozahodno Evropo. Utrjevanje območnih trdnjav je v teku v vsej črti. Jugoslovanska letalska sila straži obrežje Jadranškega morja podnevi in ponoči in opazuje kretanje italijans

Seveda vabimo na to prosilavo in ples vse članice iz okolice in od druge. Vstopnina je samo 25¢. Plesali bomo polke. Nekateri smo mogli že stare, toda za ples smo že vedno mlade. Cleveland, O. — Namenili sem se, da napišem par vrstic kot obvestilo članom društva Vipavskega raja 312 SNPJ kakor tudi celotni slovenski javnosti v Clevelandu, da priredi naše društvo svoj piknik dne 16. junija na izletniških prostorih društva SNPJ.

Vreme je postalno toplejše in sezona piknikov je pred nami. Narava nas zopet kliče v zeleno gozdčice in livade — ven na sveti zrak, da se ga naša pljuča po dolgih zimskih mesecih zopet poštefu našrakajo. Sicer je to moje vabilo že malo zgodaj, ker je do piknika se približno mesec dni; ampak ravno to je moj namen, da vas obvestim o pravem času, da si napravite načrt in si rezervirate nedeljo 16. junija za piknik Vipavec.

Naše društvo že ni več let predilec piknika, udeleževali pa smo se v polni meri piknikov drugih društev in kulturnih ustanov. Zato je pričakujemo tudi mi vaše naklonjenosti in upamo, da nas posetite na prej omenjeni dan na izletniških prostorih SNPJ. Kar se tiče postrebe, bo vse dobro preskrbljeno, tako tudi za ples, za katerega bo igral Jankovichev orkester. Ker imamo na teh pro-

stori tudi prostor za balinčanje, bi bilo priporočljivo, da bi se zbrale skupine balinčarjev in bi poskušili, kdo zna bolj "rešito" udariti, toda o tem več potenze.

Društvene vesti

Diamondville, Wyo. — Naše društvo 253 SNPJ je zelo nešreno. V štirih tednih je izgubilo dva dobra člana in uradnika: predsednika Johna Petka in tajnika Franca Lumberta. Br. Naše društvo bo tudi v bodoče znalo ceniti bratko naklonjenost sosednjih društev in vršalo solidarnost ob enakih prilikah. Torej bratje in sestre, prijatelji in pravki v kegljanju, na svidenje 25. in 26. maja!

KAKO NAM ATLETIKA KORISTI

Vsi tisti člani, ki se sedaj žeje na atletiko v jednoti in godajo, ker jo nekoliko finančno podpiramo, bi morali biti navzoč prednemu soboto in nedeljo v Waukeganu, Ill., kjer se je pod pokroviteljstvom naše atletske lige za sredozapad vršila kegijaška skupina. To bi bili videli ogromno zbirališče ljudstva in veliko prijetljivje in pobratimijo našega mladega sveta iz vseh krajov sredozapadnih držav in celo iz Pensylvanije! Pa toliko živahnosti in navdušenosti!

Včasih smo bili res nekam hudi, ko je naša mladina začela uvažati razne športne igre v aktivnosti naših društev. In res je tudi danes, da se brez športa lahko prebije ter bi denar, ki ga potrebujemo za atletiko, prav prišel bolj potrebnim članom. Toda kje nam boljše sredstvo za pridobivanje in ohranitev mladine naši organizaciji? In organizacijo pomlajevati ter jo obdržati na številčnem višku, kar največ mogoče nam je neobhodno potrebno. Tega se moramo zavedati in na to delati vsi!

MLADINSKI KROŽKI MATERAM

Zadnjo nedeljo je bil praznik, ki je posvečen materam in naši mladinskim krožki po raznih krajinah imeli v spomin tega posebne predmete, med temi tudi pred kratkim ustanovljeni krožek skupnih članskih društva SNPJ.

Lepo in dobro je vzgajati otroke v spoštovanju in hvaležnosti staršev, zlasti do delavskih mater, katerih trpljenja, velike obveznosti in pozitivnočnosti ne morejo otroci nikdar preveč hvaležno naplačati. In važno je, da zaenjo s tem vzgajamo že v rani mladosti naših otrok spoštovanje in udanost tudi do naše skupne matere, ki je velika dobrtnica in častna voditeljica nas vseh!

Kakor rečeno, mladinski krožek članskih društva postoji še le skoraj doba. Torej od tega krožka ni bilo pričakovati, da bo spoščen kaj posebnega pokazati že sedaj. Zato pa smo bili toliko bolj prijetljivo iznenadeni zadnjini petek zvečer, ko je prvič javno nastopil in izvajal lepo zamišljen program v počast materam. Pripravljanje gre društvo, ki ga podpirajo in vzdržujejo, za dobro vodstvo pa seveda največ upravitelju Simonu Trojarju in njegovima pretnima pomočnicama Mariji Omahen in Ani Sannemann, ki sta v tem tudi trudili z malčki ter pripravili do tak lepega uspeha cele starosti.

Cikasi člani smo tako imeli poleg prijetnega užitka tudi lepo priliko, da se prepričamo, kaj se da narediti iz naše mladine in tako važna naprava za organizacijo so mladinski krožki. Zato je zaenjo spel na tiste starše, ki imate za krožek dorasle otroke, da jih se niste vpisali, da to storite čim prej mogoče. Tudi vi

boste lahko veseli uspeha ter s ponosom gledali na sodelovanje svojega otroka pri aktivnosti krožka. In končno bomo imeli od tega koristili vse skupaj, to je vi in vaši otroci ter društvo in jednota.

USPEHI ZDRAUŽITVENEGA DELA

Kakor smo našemu članstvu že poročali, smo odborniki SNPJ in SSPZ zadnje čase imeli več konferenc za združenje teh dveh organizacij. In kakor je razvidno iz zapisnika, ki je bil priobčen zadnjo sredo v glasilu obeh organizacij, so bila pogajanja uspešna.

Zapisnik pa zaenjo prida tudi, da združitev ni tako enostavna stvar in ne tako lahko kakor nekateri trdijo in demagogirajo, pač pa je zvezana s prav resnimi problemi in številnimi komplikacijami. Vendar pa smo po več posvetovanjih in pogajanjih prišli do združega sporazuma na vseh točkah in vprašanjih in do združenja bo sedaj lahko prišlo, samo če so tudi člani in društva zato. Glavna odbora obeh organizacij sta izvršila to glavno in najtežje delo ter dobro nadelala pot za združenje, ostalo pa mora storiti članstvo in bo lahko storilo, samo ako res hoče.

ZDRAVEGA ARGUMENTA PROTIVNI

Našli se bodo skoraj gotovo tudi sedaj nasprotniki združenja, kakor se lahko najde pri vsaki drugi stvari, pa če je še tako dobra. Protargumenti, ki smo jih do sedaj slišali, so vsi nicedvi in ne drže. Znižanja bolniških podpor pri tej združitvi ne bo. Zavarovanje za operacije in odškodnine ostane kakor je in ravno tako vse druge zavarovalnine. Torej kdor bo dvojno plačeval, bo tudi dvojno dobival. In zaradi združenja tudi ne bo nobenega zvišanja prispevkov. Kakor že povedano, se ne bomo združili samo radi združenja, temveč zato, da s tem kaj pridobimo, da bo članstvo obeh organizacij na boljšem. In na boljšem bo, na podlagi tega sporazuma prav gotovo, ker bo manj upravnih stroškov in manj nepotrebne medsebojne kompeticije, združena organizacija pa bo večja in zato močnejša ter bolj trdna in imela bo lepo bodočnost.

Torej ne bo, kakor je bilo ob združitvi pred dvajsetimi leti, na katero se nekateri sklicujejo in trdijo, da so bili oškodovani. Sicer pa nikdo ne bi bil oškodovan radi združitve niti tedaj, temveč radi napak, ki so se naredile. Ce bi bili bolj poslušali izkušene ljudi, ki so opozarjali na napake in nevarnosti, kakor pa demagoge, bi ne bil nikdo prikrajšan v ničemur. Ako pa na široko odpre vrata kromičnim bolnikom in simulantom in takim, ki se jih že drugod odpravili, in če se poleg tega še združi z izčrpano blagajno, potem moraš pričakovati izredne doklade, znižanja in tako dalje. Nič takega se to pot ne bo zgordilo, in če bi se zahtevali takci pogoji, se SNPJ ne bi hotela združiti. Obe organizacije sta sedaj tudi v dovolj dober gospodarskem stanju in zdravega argumenta proti združenju na podlagi sedanjih dogovorov sploh ni!

In zaradi združenja tudi ne bo nobenega zvišanja prispevkov. Kakor že povedano, se ne bomo združili samo radi združenja, temveč zato, da s tem kaj pridobimo, da bo članstvo obeh organizacij na boljšem. In na boljšem bo, na podlagi tega sporazuma prav gotovo, ker bo manj upravnih stroškov in manj nepotrebne medsebojne kompeticije, združena organizacija pa bo večja in zato močnejša ter bolj trdna in imela bo lepo bodočnost.

Torej ne bo, kakor je bilo ob združitvi pred dvajsetimi leti, na katero se nekateri sklicujejo in trdijo, da so bili oškodovani. Sicer pa nikdo ne bi bil oškodovan radi združitve niti tedaj, temveč radi napak, ki so se naredile. Ce bi bili bolj poslušali izkušene ljudi, ki so opozarjali na napake in nevarnosti, kakor pa demagoge, bi ne bil nikdo prikrajšan v ničemur. Ako pa na široko odpre vrata kromičnim bolnikom in simulantom in takim, ki se jih že drugod odpravili, in če se poleg tega še združi z izčrpano blagajno, potem moraš pričakovati izredne doklade, znižanja in tako dalje. Nič takega se to pot ne bo zgordilo, in če bi se zahtevali takci pogoji, se SNPJ ne bi hotela združiti. Obe organizacije sta sedaj tudi v dovolj dober gospodarskem stanju in zdravega argumenta proti združenju na podlagi sedanjih dogovorov sploh ni!

Napredne Slovenke

Cleveland, Ohio. — Ze zadnji teden sem se namenila poročati o važnih sklepih, seje društva Naprednih Slovensk 137 SNPJ. Toda ta teden sem obogatela še za eno veselo in za društvo častno poročilo, to je, da je naš kegijaški team odnesel prvenstvo zadnji teden v waukeganskega turnirja.

Ze pred odsodom v Waukeganu me je vprašala voditeljica teame Mary Primosh, kateri izmed kegijačev bo kupal ali trofeje izročena, oziroma katera jo bo lahko hranila na svojem domu. Taktat si nisem niti predstavljala, da bodo naša dekleta rešenočno prinesla v Cleveland kupo za prvenstvo med šenskimi teami. Me uradnice in tudi ostale članice smo na naša dekleta zelo ponosne in čestitamo jim iz-vsega srca.

Kot je razvidno iz Prosvetinega uradnega poročila, so dekleta igrala v sledičem redu: Antonia Tanko 540 točk, Antonia Zagari 505, Ann Slapnik 465, Mary Primosh 433, Josephine Zakrajsek 409. Nalogi premisljati in varovati naše zmagovalce je pa prostovoljno prevzel sestra Anna Erste. Njena dobra volja in materinsko varstvo je moglo tudi dobro vplivati nanje in jim pomagalo do uspeha. To je bila sestra Erste ponosna s tako petorico kot so naša dekleta! Zanimalo bi bilo, če bi ena ali druga kaj napisala, kako so imeli le v Waukeganu. Torej čestitke in hvala tudi sestri Erste.

Sedaj pa k mojemu glavnemu poročilu, k slavnosti 30-letnice našega društva, katera se bo vrnila zadnjo nedeljo v oktobru. O proslavi sami bomo še pozneje poročale. Glavno sedaj je, da bomo izpeljale našo društveno kampanjo dovolj uspešno. Zavetamo se, da nas bo jednotna najbolj vesela in da bomo storile za društvo največjo uslugo, ako bomo pridobile v tem času deset novih članic, bomo storile že precej dobro delo. Od sedaj naprej bom vsak mesec poročala o naših uspehih.

Federacija društev SNPJ bo imela letos, 2. junija, veliko otvoritev svojih izletniških prostorov. Sedaj so v teku velike izboljšave, ki se morajo izvršiti v tem mesecu. Na naši seji smo razpravljali, kako bi se dalo kaj prispevati v raznim starim počitkovom za spalne kabine, kuhinjsko posodo in podobnim. Priglasite so se za nekatere članice, da imajo marsikaj takih stvari, ki bi bile za farmo priljubljene. Tako so se že priglasile sestre Candon, Mežnarčič in Zakrajšek. Nekatere imajo na razpolago postelje, stole, mizice, lonche, krožnike, skodelice in podobno. Včasih bi se radi inebili k kakih predmetom zato, ker so iz mode ali slično in ne vemo kam bi oddali to staro robo. Kot dobre gospodinje pa vemo, da na farmi vse prav pride, posebno če kdor stvar daruje. Ko booste to določite in sedaj v času temeljitve čičenja v hiši, ne pozabite, da sedaj imamo prostor, kamor vse to lahko oddamo. Ako ne morete sami tja pripeljati, sporočite meni ali pa uradnik federacijske farme, kaj imate.

Tončka Simčič, tajnica.

Društvo Tabor 139

Cleveland. — Najprvo bom članstvo društva Tabor 139 SNPJ vprašal, kaj je pravica? Pravica je, da se da priznanje človeku, ki je naredil dobro delo za društvo. Mož se je trudil dan za dnevom, kako bi društvo čim bolj koristil. Ob 25-letnici je imel v mislih lep program za napredek društva, toda njegov predlog je propadel, ker je bil strah, da bo luknja, gledalo pa se ni toliko, kaj bi koristilo društvo.

Letos obhajamo 30-letnico našega društva. Ko je bilo na dnevnu rednico vprašanje, kaj bomo imeli za to pravilo, je bilo soglasno zaključeno, da si nabavimo zastavo. Bratje in sestre, imate dober društveni odbor, ki gleda za vaše skupne koristi. Mi delamo za vse enako, kar se vidi posebno takrat, kadar je član v potrebi. Prav tako tudi jednota rada prispeči na pomoč tistim, ki so v stiski in ne vidi rada, da je kdo izključen; če kdo nima za asesment, mu rada pomaže.

Dolžnost pa je tudi vsakega člena in članice, da se zanima za društvo in jednoto. To najbolje pokaže s tem, da se udeležuje društvenih sej, kakor tudi s tem, da pomaga in se udeležuje društvene priredbe, kadar se vrati. In tudi za društveno blagajno moramo gledati, kajti brez te ni mogoče nikomur pomagati; zato moramo gledati, da kaj notri dobimo, da bomo lahko v sili pomagali. Zatorej vas prosim, da se vsi udeležite prihodnjih seje, ki se vrati v nedeljo, 19. maja, ob 10. dopoldne. Naj nikogar ne manjka.

Frank Stemberger, predsednik.

WEDNESDAY, MAY 15

Rules Governing Prosveta Policy

This year is an important election year for all Americans. It will be doubly important because of the many vital national problems and because of the war situation in Europe which directly and indirectly affects our national life.

It can be expected that scores of political aspirants of varied political affiliations, riding on this or that platform or lack of it, will seek election to local, state and national public offices. Among them, as in the past, will also be several of our own members and their friends who will seek support in the columns of our organ.

What has always been the policy of our official organ in such matters?

We can make a clear-cut statement which will leave no doubt in the minds of our members—that is, that the Prosveta must observe the rules of the Society and that its columns are open only to bona fide labor organizations with a true democratic program and their candidates.

The SNPJ issues two regular publications, the Prosveta and Mladinski List, which serve mainly to expand the Society's jurisdiction and, further, for the education and information of its members. The Executive Committee has authority to make all technical changes regarding the two publications, but neither the Executive Committee nor the Supreme Board can alter the decisions of the supreme legislative body—the Convention.

The Eleventh Convention of the SNPJ, held in Cleveland in 1937, specifically stated that the official organ Prosveta must strictly adhere to its "Resolution Governing SNPJ Publications," which reads in part:

"The Prosveta shall, above all, serve as propaganda for the SNPJ, and, secondly, education for labor principles and culture in the light of the freethought principles and industrial democracy. The Prosveta shall support the industrial union movement, cooperative movements, and political action of all the labor organizations democratically inclined, which sincerely lead the way to the organization of a mass party of workers and farmers in the United States on the basis of a production-for-use program."

It is clear, therefore, that any political aspirant affiliated with any of the two major parties, or any other political party not democratically inclined, ipso facto precludes himself from any direct or indirect support in our organ. All that the organ can and may do is to mention his candidacy as a news item without giving him any support and without stating his party affiliation. Our members are urged to observe these rules and not to advertise any but labor candidates in the organ—candidates whose party advocates true labor democratic principles.

The Reveliers' Column

AMBRIDGE, PA.—May 26 is the date of the Reveliers 10th Anniversary Dance. We want to see all of you with us that night. It is Sunday evening, the hall is large, the music will be pleasing. The rest is up to you. May we count on you?

It is interesting to note that Ohio will have an SNPJ Day on July 28 at Cleveland. Here's success to you Ohio members.

The Rosmarin Singing Society members are truly grateful to all of you who came to their concert on April 28. Your support enabled to continue their work. Especially do we thank Frereen singers of Pittsburgh and Mrs. May, their leader and instructor, and to the many Slovenes who came with these singers from Pittsburgh. Aliquippa friends again showed their loyal support. To all

of you thanks. A good word really should be put in here for the well-liked music played for us after the concert by Jack Persin and his band.

The writer had the pleasure of meeting John Ujeich, now of the Morning Stars of Pittsburgh. BOWLERS SPECIAL—A meeting

(Continued on page II)

Badgerland News

MILWAUKEE, WIS.—The bowling season is now over and for the Badgers it went out with a bang. The Badger teams failed to bring home the bacon at the Waukegan tournament but nevertheless gave a good account of themselves.

The Badger girls lost the championship and the beautiful trophy by only a one pin margin. Olga Remic's 539 total was enough to give her the singles championship. The Waukegan committee deserves the highest of praise for the grand job they did in conducting the tournament. Next year the tournament will be in Detroit, and we hope to see all our friends there.

Congratulations to Mr. and Mrs. John Wegel and Mr. and Mrs. A. Vidor who recently became the proud parents of baby boys.

Our Junior All Star Chorus will journey to Chicago Sunday, May 19, where they will offer few musical numbers at the Chicago Singing Festival. This group has gone a long way since their inception and I am sure our Chicago friends will enjoy their singing as much as we do here in Milwaukee.

On Saturday, May 18, the Badger Athletic Club will hold a dance at Sostarich's Hall. The proceeds will be used to further the athletic activities in the Badger lodge. Our athletic treasury is very low at this time and funds must be raised. There will be continuous music from 8 p. m. until the wee morning hours. For a good time and a good cause we'll see you there.

And don't forget the meeting Friday.

FRANK OBLUCK,
Lodge 584.

Spirit-o-Grams

By Whoait

ST. LOUIS, MO.—Reading the accounts of the SNPJ Bowling Tournament at Waukegan makes us feel that we did miss out on something really worthwhile. We would have taken part if it were at all possible for us to do so. We have had a late start in bowling this season, but next year if all is well, we will come through with flying colors and offer some of the top scoring SNPJ some stiff competition.

The Spirits' boys' team played the Kacin's Grocery team May 8 at Airway Alleys. Kacin's Grocery's players are: Hamel, J. Kacin, Newberry, Toenges, C. Kacil. Spirits' team: S. Hrvatin, Youngman, Spiller, E. Hrvatin, A. Kacin, Kacin Grocery won by a small margin.

Members please note that our regular monthly meeting will be held on May 17 at 8 p. m. If you have not checked in your tickets from the last dance please do so immediately.

There are rumors that the girls are forming a softball team this summer. Voice your opinion at our meeting Friday and see if we can get this thing going.

What's being done about new members lately? Fun is fine, but we can spend a little of our time in securing new members. Make a list of your friends and then the first chance you have tell them about what the SNPJ has to offer. You will not only be doing your organization a favor, but you will be doing your friend a favor as well.

Mother's Day passed and I hope none of you forgot her, not with expensive gifts, just some token of appreciation. Mother's day is really every day.

Sister A. Dometrovic will be a June bride and the lucky groom is to be Bro. P. Kokal. We do all wish these two swell kids much luck and happiness.

We are glad to hear that Sybil Youngman is well on the road to recovery after her recent operation.

We saw a fine picture of a big string of fish with Frank Kokal posing with them. That was some dandy fish you had there, Frank. Give us the name of the place you bought them; we promise not to tell anyone.

SNPJ Lodge 41 Plans Two Dances in May

IRWIN, PA.—Once again SNPJ lodge 41 of Pleasant Valley, Pa., is sponsoring a series of dances and picnics during the coming summer. The dance committee has been working very hard to make these affairs big successes.

The first of these dances will be held Sunday, May 19, at the Pleasant Valley hall, and the second on Wednesday eve, May 29 (Decoration Day Eve), at the same place. The dance committee has secured the services of Frank's Trio to furnish the music for these two dances.

All neighboring lodges and friends are cordially invited to attend these gain affairs. Let's be seeing all of you dance lovers at the Pleasant Valley hall on May 19 and May 29.

Dance Committee,

FRANK JELOVEN, Lodge 41.

Little Fort Lodge News

WAUKEGAN, ILL.—The National SNPJ tournament is over, and there is no doubt that this tournament was the most successful ever staged. The Waukegan lodges are looking forward to participate in the National tournament to be held in Detroit in 1941.

Our sincere thanks to Sister Sylvia Kirk, and all the rest of the bowlers committee, in making this tournament so successful.

The next meeting of the Little Fort Lodge will be held this coming Sunday, May 19, at 2 p. m. Members please plan to attend as the bowling committee will give an approximate profit of the tournament. There will also be an interesting social and the \$2 bank drawing. All members interested in playing softball for the lodge this season please attend this meeting as a practice date will be set and plans will be arranged for the coming season.

Bro. Frank Jasovic of the Little Fort lodge was the winner of the portable radio in the drawing.

The "Jolly Juveniles" held their first softball practice last Sunday morning under the able guidance of Bros. Shes and Zainer. This is the start of this lodge's program in giving these juveniles various summer sports and recreation and thereby making them jolly members.

Don't forget that the membership drive is still on members, let's reach that 200 goal. Your reward is \$2 for each and every new member secured, not including a transfer.

Our bouquet of the month goes to Sisters Frances Menec and Mary Michalaki, winners of the doubles event in the National Tournament. To the Cleveland lodges who took all the prizes in the Waukegan tournament we say we'll be seeking revenge in "WE," Lodge 588.

Detroit Talk

DETROIT, MICH.—The big SNPJ bowling tournament is over and the bowling balls are stored away with the mothballs until next season. Bernick displayed some fine skill in bowling; with a score of 684 in the men's singles, I should say he did. I am sure that you have the most sincere congratulation from all the Young Americans. (I regret very much that I was unable to attend this great event due to illness.)

John Ponarid of Broughton, Pa., the original home of many Young Americans, visited Detroit. We are also looking forward to the day that Ludwig Zupancic and Frank Bruce come to Detroit. With so many of us wishing you two come up, why not try to make it sometime in the near future.

Clear the road to Barberston! The Young American "Foursome" is headed that way for the dance which will be held May 18. Better start early,

boys, you know how strict John Law is (and Neil). I hope that the dance will be a most successful one. I wish to say the same for the J. Z. Jrs. of Library, who are going to hold a Spring Dance at the South Park Lodge May 19.

You J. Z. Jrs. and Keystone Trojans can expect to see some of your former members in town for Decoration day. Brothers Peterlin and Hribar have been planning to make this trip for quite some time. TWINKLE, 584.

So. Ohio SNPJ Feder. Report, Minutes

UHRICHSVILLE, O.—The Southern Ohio SNPJ Federation meeting was held on March 31 at the Slovene Home in Barberston, O. The meeting was called to order at ten, in attendance were all officers except the treasurer, and the minutes of the previous meeting were approved.

The report of the treasurer showed that there was in the treasury as of March 31, 1940, the sum of \$563.35. On motion, a sum of \$2 was donated to help the workmen organization paper. A motion was passed that members who ask for aid from the Federation shall receive only two months' dues and in no case shall this rule exceed over four months in one year. An amendment was added to this rule that after two months the member must appeal to the Supreme Office for help.

A motion was adopted that the secretary and treasurer keep \$25 on hand to meet current bills. It was decided that the investigation committee shall inspect books and records every third meeting or twice a year.

It was also decided that each member who intends to go to Cleveland on July 28 on the special bus from Barberston and Akron, must pay in full for his ticket in advance. Representatives and members of all SNPJ lodges in this area were urged to help make

Federation Items

OAKDALE, PA.—At the April 21 conference held at Strabane, Pa., the E. S. Federation of SNPJ Lodges of Western Pennsylvania awarded prizes to lodges and individuals who were winners in the membership campaign conducted from April 1 to December 31, 1939.

The sum paid amounted to one hundred dollars and the total number of new members secured was ONE HUNDRED SEVENTY-SIX. Lodge winners are as follows: 1st, Jolly Jrs. 669, Sygan; 2nd, Pioneers 589, Strabane; 3rd, Comets 715, Universal.

Individual winners in the order from the 1st to 12th: John Barufaldi (Sygan), Frank Samus (Strabane), Louis Kumer (Universal), Ida Daniels (Sygan), James M. Maglich (Imperial), Gertrude File (Ambridge), Frank Opka (Imperial), Joseph Moskun (Burgettstown), Louis Koska (Ambridge), Frank A. Ambrozic (Library), John Pletser (Sygan), and Jos. Stafanic (Verona).

The fifth annual Pennsylvania SNPJ Day will be held at Firemen's Park, Morgan, Pa., on Sunday, June 23, and sponsored by the two Federations of Western Penna. The committee for this affair are L. Kumer, M. Kumer, F. Podboy, J. Maglich, A. Cipic, A. Rednak, J. Ambrozic, J. Dolenc, L. Kaucic and Sis. B. Ambrozic. Plans have been laid and the committee is now in action. For details watch the Prosveta.

SNPJ E. S. Fed. of Western Pa., JAMES M. MAGLICH, Secretary.

Jolly Allis Lodge

WEST ALLIS, WIS.—So ends another SNPJ Bowling Tournament. Congratulations to all the winners, especially to that record-breaking Jolly Allis duo, John Terakan and Al Sak, who topped the doubles record of 12 years standing. Congratulations to the bowling committee of Waukegan who did such a fine workmanlike job of running the tourney. The boys wearing the Jolly Allis colors are to be congratulated also for placing in every tournament they entered this year. These include the City and State, the SNPJ and several handicap tournaments.

Those howling Wolverines from Detroit can keep right on howling, but the official scores from the SNPJ indicate that the Jolly Allis have the right to retain the Jolly Allis-Wolverine trophy. So take it easy, brothers. Even if you sent your "fifth column" here to scout us and undermine our moral by bowling so badly, the boys caught on to the trick and were so much more determined to win.

Congrats to Eddie Gorenja who got his first 600 series, a 623 bowling with the Jolly Allis Flips in the SNPJ tourney. With the aid of this fine series the boys flopped into not such a bad 2632 score.

The girls' baseball team is starting to practice, so anyone interested get in touch with Jean Singer or the Sec'y.

Best wishes and happiness to Agnes Smerigle who became Mrs. Frank Jirich on April 27.

John Gole has moved into a new home and has been busy repainting it. This accounts to a great extent for the absence of the Jolly Allis from these pages in the past few weeks. The entertainment committee of Elsie Sayre and Alma Demshar made things a lot more enjoyable after the meeting. On the entertainment committee next month is, believe it or not, "Snippy," who finally made a reappearance at the meeting. Assisting "Snippy" in his comeback will be "Adie." Well, as the hat said to the hatrack, "I guess I'll be going on ahead." So long.

THE OLD MAN OF THE MOUNTAIN, Lodge 686.

Lodge 318 Meet Sun.; Slov. Hall Ben. Dance

HOSTETTER, PA.—All the ladies of SNPJ Lodge 318 are notified to attend a meeting held at the Pipetown Slovene Hall on May 19 at 4 o'clock p. m.

We mustn't forget to remind our friends from far and near to attend our dance to be held May 25, featuring the ever popular orchestra of Joe Kramer Jr. and his Slovene Trio from Brownsville (it can be heard over station WNBS, Uniontown, every Saturday afternoon at 3:15). This is a benefit dance of our Slovene Home.

Detroit has quite a conspicuous with their eagerness for the 1941 tournament.

The dance on Saturday evening was a complete success. We danced until we perspired excessively and were tramped on for keeps. Jennie and Louie Kosela, with Angeline and Mrs. Kubel came in for the dance; they left minus Angeline. Lou and the writer had a pleasant conversation, and he's the same real guy. He'll get back into the swing of things, that is, after he and Jennie are thru honey-mooning.

We retired Sunday at 5 a. m. That day many, many more of our friends came in to participate in the tournament and festivities. The Executive Board members Cinkar, Gradisic, and Vider were there; Beniger of the editorial staff and other SNPJ employees were in evidence. We had enjoyable chats with many of them, and we even took time off to "raise hell" with Beniger and give Vider "some work" for the Executive Committee.

My Week

By Louis Beniger

Events of the past few weeks in war-torn Europe have plainly shown to what extent a mad dictator will go. Within a month five independent democratic peace-loving countries have been reduced to the status of slavery, and new victims are already listed to be attacked.

With the Nazi scourge enveloping most of Europe the conflict has been brought much closer to our own shores. But our toris and boubons on the right and our "radicals" on the left still preach that the European war is none of our business, that it is an "imperialistic" war on both sides. Fortunately, these naive groups are in the minority, and President Roosevelt is far-sighted enough to see the impending danger. He is offering the victims moral and economic aid and at the same time is trying his best to keep America out of war, and he knows the value of being prepared for any eventuality.

Preparedness today more than ever before is the only salvation. We must be ready to guard our liberties at home and to defend them. The present critical situation is such that there can be no dilly-dallying about this question. Every American who values his freedom and liberties must sympathize with the victims of the Nazi scourge, and should awaken to the cause of a real peace for all—a peace that will spell democracy for all nations and not slavery!

H. RUPERT, Lodge 755.

Silver Stars

YUKON, PA.—May greetings, my friends. With the snow and rain a subject of the past you have it no more as an excuse for staying away from the meetings. Be sure to come to the next meeting of the S. Stars, which will be on June 9, where plans will be made for the S. S. to attend the Harmarville Ramblers' affair next month.

Also, you do not want to miss another meeting like this last one, where there were far too few members to imbibe in the beer which seemed to come out of nowhere. We wonder where Willie and Moe were then. Just imagine Willie being missing at a meeting where there was free beer. Ethel Mackovich really looked frightened when asked to come up front to be initiated, but it only turned out to be the SNPJ vows, which are anything but only.

There seems to have been some misunderstanding in my last opus to this paper. Paul Brandstetter was not listed under the wedding bells but as a new S. S. member, he says he did not and does not have any intentions of taking unto himself a (shem) partner.

Congratulations to Flood City on their 10th Anniversary. You haven't forgotten, we hope, that you are coming to Yukon on July 4 for the gigantic 30th anniv. affair. The program which we gave in a previous article will appear in future issues.

The Silver Stars have joined the Fraternal Society and Trade Union which has been organized partly for the purpose of doing away with those ideas of the people who are trying to do away with our SNPJ and other fraternal lodges. Our Lodge adopted three resolutions drawn up by the Union, which we have been asked to impart to you. The first resolution deals with the anti-alien bills (more than 70 are pending now before Congress) as anti-democratic, and demands the naturalization laws be amended by reducing the fees and moderating other requirements.

The second resolution deals with the law requiring each applicant for state assistance in Pennsylvania to sign a pauper's oath; this law threatens to wipe out thousands of small home owners, and other anti-labor laws which would serve as weapon in breaking strikes, etc. The third resolution deals with the bituminous mining industry which is responsible for the death rate in this industry to be 11.5 times greater than in the 30 manufacturing industries. This resolution supports the Federal Mine Inspection Bill (S. 2420). Our lodge adopted these resolutions and sent them to proper public representatives and officials.

THE PIONEER FLASHES

Donald J. Lotrich, 559

CHICAGO.—All Pioneers are asked to attend the next meeting of the lodge, Friday, May 17, at the SNPJ hall. A detailed report of the National Turners and the Pioneer winners will be given. Information on our Moonlight Picnic will also be had. Nine dollars in cash will be available for some lucky member and refreshments will be served. Our friend Joseph Owen, who has spent four weeks in Mexico recently, will tell us about conditions and the environment and beauty of Mexico.

Louis and Jennie Kosela send a card of thanks to all the Pioneers who participated at their wedding. Mary Jontz has now reported well. On the sick-list are John Sodnik and Anna Pogorelec. Dr. J. F. Nachtman has announced his wedding for June 1. He is quite a favorite with the Pioneers, which will mean that a good many will witness his wedding ceremony. Leo and Tony Gremic are now down in Jenny Lind, Ark. The SNPJ Juvenile Circle 26 gave an interesting program to commemorate Mother's Day Friday night. A fair number of our members were in attendance.

The Keystoners do not ask only you to give us a helping hand, but we do ask you, your friends, relatives, your best girl friend and boy friend—to come on down to the Keystoners' Athletic Dance Saturday, May 18, at the Slovene Home in Sharon. We are featuring one of the best orchestras available in this area—it's Jake Persin and his orchestra from Warren, Ohio. The price of admission is only 25 cents. By attending this dance you will be helping a good cause—our athletic team.

Juvenile Circles

Circle "Voice of Youth" Give First Dance Saturday, May 18

MIDWAY, PA.—Our Juvenile Circle, "Voice of Youth," No. 22, is holding its first dance in the SNPJ hall here, Saturday, May 18, featuring the delightful music of Jackie Martinic and his Jolly Boys.

We cordially invite all the nearby lodges, clubs, circles and friends to attend this big affair, for it will be quite different than any other dance held in this hall. We are having a big surprise for all, also a large "guess cake"; we are only letting you in on this little secret so you will have plenty of time to try and guess just what will be in the cake. To top it all, the music mentioned above will provide an added attraction.

Admission will be as usual, so start planning now to share the fun with Juvenile Circle "Voice of Youth" this Saturday. Remember the good time we had Sunday at our Mother's Day program? It will be just as enjoyable at our dance.

SNPJ Jr. All Stars Chorus Chicago Bound Sunday, May 19

MILWAUKEE, WIS.—Hurray! The SNPJ Junior All Stars chorus has been invited to appear at the Spring Singing Festival in Chicago Sunday, May 19, and render a few songs on the program.

All of us had breakfast at Fort Dearborn with the exception of Shorty Zadell. He got stuck in the revolving door, funny sight at first, but when efforts to extricate him were not immediately successful, it became serious. He'll have a sore leg for a while.

The trip is over, but will be remembered for some time. Not much sleep was obtained en route. Card playing, gab conversation and reading occupied the attention of the Comrade members. Pop Zalokar fishing for card opponents, snared many. He is ready for another trip next week.

7th National Bowling Tournament Results

WAUKEGAN, ILL.—The 7th National Bowling Tournament is now past but will never be forgotten because of the record breaking entry and the many visitors who came out to visit our town of Waukegan. It was a lot of work, but when we think of what it all means to us, the enthusiasm it brought amongst our members and the many new members we gained and will continue to gain because of this, we consider the job well worth.

The prize money is all ready to be sent out, except for a few members who filled in at the last minute and we will have to check up before we release the money. When this check-up is finished we will send the money to the lodge secretaries who will in turn divide it among the members.

I wish to thank the committee for their generous help throughout the tournament and especially the girls who helped me so willingly with the bowling schedule. These girls were Mitzl Troha Michalski, Frances (Tish) Mese, Frances, and Mayme Kirn, Louise Zelesnik Bagdon, Alene Ogrin and Alma Gantart.

Much thanks also goes to the different lodges who worked to send out so many teams to make this tournament what it turned out to be. The tournament is now over and we all had a lot of fun—so on to Detroit in 1941.

Here is the result of the tournament together with the prize money, medals, and trophies.

SNPJ FINANCE COMMITTEE

Meeting of March 9, 1940

The meeting was called to order by Chairman Petrovich at 9 a.m. Brother John Vogrich is unable to attend because of sickness. All other members are in attendance. Minutes of the Feb. 7 meeting of the Committee are approved.

Brother Petrovich states a report on some of our holdings has been received from the First Boston Corporation and that he has submitted another list to them for analysis, this latter list consisting of our industrial holdings. The Committee will take up this matter later in the session.

If you saw someone flitting 'round the halls of the Karcher hotel in pajamas; or getting down in the middle of the street on all fours to light a cigarette from the ground; or pulling some other wacky stunt, it wasn't Boss Obod; no, it wasn't Stan Zupon—it was Albert Albin Alphonse Alfred Alexander Alouishes (take your pick). Peteren.

If he was whirling dizzily round 'n' round with a revolving door, finally getting his foot caught and almost broken in the thing, you can bet it was Shorty Zadel.

If you heard a quartet of girlish voices (all out of tune) singing the Wolverine pep song in front of the Young Americans; or the Y. A. song when near the Wolverines, they were the Buckeyes girls being devilish.

If she was the only girl in the whole feverish, exciting whirl who had sense enough to retire at a reasonable hour Saturday night, it was Staff Matzel.

If you saw a bill-board walking, you weren't suffering from hallucinations or delirium tremens. That was Blondie Obranovic plastered with tags, pins and bills boasting Detroit at the 1940 tournament site.

You're crazy! That guy in the striped overalls and stuff wasn't a convict. Oh no, he wasn't the engineer from the Clevelander's Nickel Plate special, either. Nyah, nyah, that was Tony Steffler.

The Illinois Bond Collection Service made another offer for the balance of our Tessville Special Assessment Bonds. Brother Zupan moved that we remain at our previous decision. The motion was carried unanimously.

We have \$60,000 to invest.

Brother Lotrich called attention to the fact that the First Boston Corporation has decided to become a dealer in FHA insured loans. The importance of so high a corporation going into this field is worthy of note.

The First Boston Corporation stated that the FHA loans were so closely bound up with our government that, as dealers of government bonds, they felt it desirable to go into this field.

A discussion followed in which every angle of the FHA loan and the analysis in the American Investors Union magazine were considered. Almost everything stated in the magazine article was known to those of our Committee. Hence, no charge was made in the opinion of FHA loans.

Brother Lotrich also reported of the scarcity of FHA loans in the Chicago area. Premiums of 3 and 3½ points are asked on loans already made. The Committee discussed this loan situation and the question was brought before us whether we should go into the regular line of mortgages without government insurance. Agreed that we will not enter that field at this time.

If they looked like the happiest couple in the place and obviously newly wed, you're right. Twas Jenny and Lou Kosela.

If they were greeted wildly and with a barrage of clicking cameras upon their arrival at the bowling alleys, they were that popular Penny group, Mike and Louis Kumer, Gish and his bride, and Johnny Rak.

If she looked like Joan Crawford and was busy with tournament work, she was Sylvia Kirn.

If they were both having a good time and seemed to be known and liked by everyone, they could have been no other than the couple who created all the excitement by eloping in Milwaukee, Anne and Tex Bolka.

If you thought she was the best dancer in the place on Saturday night, she was Ann Kopach; or it might have been Jennie Luketic if she was blonde; then again it could have been pretty brunette Tillie Cerne of Cleve.

If we looked like a fashion plate of what the well dressed young man is wearing, it was Bart ("Jako Slabo") Yamnik.

If they hung around looking like a couple of hungry wolves (no pun, F. Kern) while those girls were eating breakfast in that grill, they were Triple Threat Travnik and Slappy Maxie Culcar.

If you yelled "Hey!" and he looked around with a steely glint in his eye, it was Snippy Kostanjevec 'cause that form of address is his pet peeve.

If it was a noisy hotel room and the fellas were flocking in and out, it drove until way after the crack of dawn, it was Lenny Alpern's sleeping quarters and it is ever thus when he is bunking in a hotel—much to his sorrow.

If you heard someone accusing him of being a wallflower, it was Oscar Godina—and would you believe it?

If they were bowling in the doubles event and looked like they could use a bowl of wheaties and all the while they were demanding a chicken dinner, they were E. Hrast and E. Hudec who were trying to do their best while Bertha and Tony were lending moral support in the spectators' gallery.

If you thought you saw an apparition, don't be troubled about the condition of your mind. That really was Julie and Ann Bogatay who appeared upon the scene contrary to statements handed out before the big event.

If it was a fellow with a bulging chest, it wasn't a freak. It was how Frank Kern looked Sunday p.m. because he won a bowling match from Julie!!

If she looked the essence of animation she was Ange Kuhel.

If she was bowling Sunday morning looking wide awake, refreshed and glowing, she was Jo Kiarich and she didn't have a wink of sleep the night before.

If you thought she was the most attractive, sophisticated looking blond around her was Mayme Kirn.

If he insisted on showing you his battle scarred arms he was Lefty Lotrich and the scars were a fake, so you shouldn't have believed him when he told you he got 'em!

If you were wondering who was the "cream of the intelligencia" that some people were talking about that was—shh, shhh, taint nothin' at all, so le's jis let it ride.

If you saw a fellow wandering along the streets of downtown Waukegan muttering something about starting a "business in this town," that was Lefty Kovach looking high and low for a shoe shine boy.

If the train ride was longer this report would have been longer. Take it up—Johnnie!!!

ROSE MARY ROSSA, 590.

bowling contingent, just off the train, sadly in need of sleep but with a determined glint in their eyes. And they did carry off a nice slice of the tournament prize money.

If you saw someone flitting 'round the halls of the Karcher hotel in pajamas; or getting down in the middle of the street on all fours to light a cigarette from the ground; or pulling some other wacky stunt, it wasn't Boss Obod; no, it wasn't Stan Zupon—it was Albert Albin Alphonse Alfred Alexander Alouishes (take your pick). If you saw a bill-board walking, you weren't suffering from hallucinations or delirium tremens. That was Blondie Obranovic plastered with tags, pins and bills boasting Detroit at the 1940 tournament site.

Mortgagors who have FHA loan No. 6 in Cleveland are in arrears with their payments. The property is appraised at \$5500 and the St. Clair Savings and Loan recommend that we accept at least one payment each month. The recommendation was unanimously adopted.

The Illinois Bond Collection Service made another offer for the balance of our Tessville Special Assessment Bonds. Brother Zupan moved that we remain at our previous decision.
