ZSZ ENGLISH SECTION

AT MERCHANT'S PARK IN DENVER

The first game is over and our boys were defeated by the Kansas City Life team, 9 to 5, but they covered themselves with glory as they out hit this team of College stars who were leaders in the Elitch league which is composed of some of the best semi-pro players in Denver.

The crowd in the stands were all for the WSA team of Chicago and were thrilled by the way our boys came up from behind several times to worry their opponents, tying them up in the seventh inning.

OUT WHERE THE WEST BEGINS

Out here in Denver, Colorado, we have a "Western Slavonic Week" because a Chicago delegation, with two

baseball teams, is our guest. The Supreme Board is in session for their semi-annual meeting. Pueblo will be hosts to the visitors, and many other towns are anxiously hoping that the Chicago folks will find time to call on them.

While the rest of the WSA world is busy working on the Victory Campaign, and doing other things for the good of the Association, many of us Out West are engaged in a good will affair that is going to do a world of good for the WSA. All eyes are focused on WSA in Colorado.

Mike Popovich and his group of 14 boys arrived in Denver Thursday afternoon about 3 p. m. and all reported a most enjoyable trip. The boys look good, well and are happy and eager to play their baseball. They can hardly wait to get around to see things, do the visiting, especially in our beautiful mountains.

The other group from lodge No. 33 had trouble with their conveyance before they got out of Chicago but proceeded to Denver by bus arriving here at 10:45 p. m. a bit tired, but jolly, healthy and happy—and confident to do real good in the tournament. Their spirit and enthusiasm is excellent.

Friday morning the gang turned out feeling fine and immediately got busy for a stiff practice at 9th and Wash. In the evening a general meeting was held at the Slovenian Hall.

AN INTERESTING CONTEST LETTER

We are happy to publish a letter from Mary Jane Grande, who was a juvenile delegate at the last convention and who is an alert, active worker for the juvenile department.

Dear Mr. Miroslavich: Well, I hope you won't get tired reading this for I am afraid it's going to stretch a little.

First of all, I want to thank you, Dr. Shier, all the officers, supervisors and help for the swell picnic at Elitch's Gardens. We all enjoyed it very much and had a very nice talk with some of the Supreme Officers, especially Mr. Matt Kochevar.

Now, I'll describe the trip my parents, sisters and I took. Starting Monday, July 10, to begin the day it was very sad one for sis and I, for our pet cat "tootsie" died that morning.

I stopped at Mr. and Mrs. C. Jakopich and they and the whole family were very hospitable. We stayed there over night, then we saw Mr. and Mrs. J. Savoren, but sorry I didn't see Johnnie, Jr. the delegate to first juvenile WSA convention.
