TICKET SALES REQUIRE ADDITIONAL PERFORMANCE OF "ACT YOUR AGE"

Joliet, Ill. — The demand for tickets for the Sodality play, "Act Your Age," is so brisk that another performance has been added. The original bookings were for a Sunday matinee, Nov. 19, at 3 p. m. and an evening performance at 8 p. m. There will be an additional performance on Tuesday evening, Nov. 21, at 8. Tho the play itself is a full length play of approximately three hours due to the number of young people who will attend, a social has been added after the evening performances Sunday and Tuesday.

The cast of six girls and three men has been preparing diligently and has entered into

the spirit of the play. The play is one of the most humorous ever presented on the stage of the Parish Hall.

The matinee performance Sunday afternoon will have as guests-of-honor the Sisters of Providence High School and the Sisters of St. Francis Academy. The Reverend Fathers and Brothers of Catholic High will also be guests. All four local high schools are represented by members of the cast. All in the Service are invited to be guests at all performances.

The Sodality Service Men's paper, "The Hail Mary" will benefit from the entire proceeds.

EDDIE RAMUTA BLASTS 637 TO FEATURE IN JOLIET MEN'S BOWLING CIRCUIT

Joliet, Ill. — The feature performance of last week's Joliet KSKJ Men's Bowling circuit session was the rolling of a 637 series by Eddie Ramuta on games of 231 (high for the evening), 202 and 204. The pick-up of the big three splits by Marty Slack and Eddie Carpenter drew the crowd's applause.

CITED, PROMOTED FOR VALOR

Cleveland, O. — Nicholas Opalic, son of Mr. and Mrs. Michael Opalic, 16012 Arcade Ave., has recently been promoted to captain and was given the following citation:

"For: During the engagement at Raids, France, 1st Lt. Nicholas Opalic, communication officer of CC"B" worked 18 to 20 hours a day maintaining wire communication with units of the front lines. During this time we were under practically constant Artillery and Mortar fire which frequently cut our lines. In spite of this we were seldom out of contact by wire due to Lt. Opalic.

"On July 23, 1944, in vicinity of Raids, we had a break in the line for two units. Lt. Opalic and crew were out to repair and were caught in a terrific concentration of Artillery and Mortar fire which later proved had broken our lines in two other places. The men were hesitant to continue with repairs and would have left the breaks unrepaired at the time if Lt. Opalic had not taken his wire vehicle, drove it himself and continued to work under very heavy fire. The crew seeing Lt. Opalic proceeding returned to the job, repaired the breaks with good communication resulting. Since that time no crew has gone out without repairing the lines before returning."

"Lt. Opalic showed complete lack of concern for his own safety and displayed a courage and loyalty which served as a source of inspiration to officers and men of this command."

Captain Opalic entered the service in March, 1941, and went overseas last Christmas. He has three brothers in the service, Sgt. George in France, Sgt. Michael in the Southwest Pacific, and Pfc. Daniel in India.

REV. L. BAZNIK OF CLEVELAND COMMISSIONED LIEUTENANT IN ARMY CHAPLAIN CORPS

Cleveland, O. — Two more priests of the Cleveland diocese left last week to train as chaplains in the armed forces — the Rev. Louis Baznik, who was commissioned a first lieutenant in the Army Chaplain Corps, and the Rev. Harold E. Meade, who was admitted to the Navy Chaplain School at William and Mary College, in Williamsburg, Va.

The two latest volunteers raise the number of diocesan priests serving with the armed forces to 51.

Assistant at St. Lawrence Church nine and a half years, Father Baznik was honored by 1,000 parishioners at a farewell program recently and presented a purse. The Rt. Rev. John Canon Oman, pastor, praised the departing priest for his work during the years in which the new church was built and paid for, and asked the prayers of the people for the new chaplain. The pastor also welcomed the new assist-

LETTER TO THE EDITOR

Somewhere in France. My exploits in Italy have expired, leaving behind me loyal Yugoslav friends, courageous and giving their support to Marshal Tito, many residing here for the past four years and anxiously waiting to return and resume their former occupations.

Talking with them in Slovenian and hearing their tales of disaster, cruelty, and their escapement has in more ways amazed me. It's unbelievable but hearing from them has convinced me that it's true.

In France, no contacts with Yugoslavs as yet, and hoping to meet them soon and again enjoy their companionship as before.

CHRISTMAS SEASON FOR DOMESTIC MAIL BEGINS IN NOVEMBER

Cleveland, O. — J. P. Nolan, Post Office Inspector, in charge of the local Post Office, gives the following rules regarding domestic Christmas mailing which begins this month.

The slogan of previous years to "Shop and Mail Early" is more important this year than ever before, as the number of trained employees available for distribution and delivering will be greatly reduced, and mail transportation curtailed due to war operations.

Seven hundred and eighty-nine experienced employees have entered the Armed Forces of our country, which has created an acute shortage of trained personnel in the Cleveland Post Office. Trucks and essential equipment are difficult, if not impossible to obtain. Train service is irregular and railroad storage cars, in which parcel post is usually transported, are now largely diverted to war needs. These conditions will be aggravated by added traffic during the Christmas season.

If the bulk of parcels and greeting cards is held back until the usual time — December 15 to 23rd — they simply cannot be distributed in time for delivery before Christmas. The mailing of gift parcels and greeting cards to west coast points should be completed by November 27th, and those for local delivery by December 8th. Parcels, of course, may be marked "Do not open until Christmas."

Because of their personal nature, holiday greeting cards are entitled to the best available service, that is first-class mail. Only first-class mail is returned and forwarded in the event of non-delivery to the address indicated.

In order that the services of inexperienced employees may be utilized to the fullest extent, mailers are asked to include the postal zone No. as part of the address on all mail matter. Patrons who have not yet ascertained the postal zone number of their relatives and friends to whom they intend to send gifts and greeting cards are urged to make up their Christmas mailing lists for local delivery now, and hand them to their mail carrier so that the post office may furnish the correct postal zone number for each address. The name of the person submitting the list should appear thereon for purpose of identification.

It will also be helpful if patrons will tie their greeting cards in bundles with stamp in the upper right corner instead of dropping them loose into mail boxes. Mail so prepared is ready for post marking immediately upon arrival at the post office.

The co-operation of the mailing public along the lines mentioned above will be needed more this year than ever before, and will be greatly appreciated by the officials and personnel of the Cleveland Post Office.

In certain combat zones a soldier's shoes may last only two weeks, but in other zones they may last two months.

A single Armored Division uses more than 800 tons of ammunition and 78,000 pounds of food for every day it is in action.

HELP THE KSKJ TO SCORE

LOW SCORES MARK LAST WEEK'S SESSION OF CHI STEVE BOWLERS

Chicago, Ill. — Low scores prevailed at the Steves' last week's bowling session. John Zefran of the Monarch Beers clipped a 589 series, high for the night, while only three over-200 games were rolled by Frank Bicek, 202, Frank Strupeck, 201, and Edwin Zebic, 213.

The Jerin Butchers, led by Frank Bicek's 520 and Rudy Jerin's 473, took three straight from the Gottlieb Florists, Victor Prah, 484, and John Terselich, 440, were high for the flowermen.

The other tilts of the evening were all edge wins, the

Tomazin Taverns winning over Park View Laundry, the Kosmach Boosters over Dr. Grill, Darovic Lawyers over the Fidelity Electrics, and the Monarch Beers over the Zeleznik Fuels.

High men were J. R. Tomazin, 527, Victor Mladic, 500, Vincent Novak, 514, Louie Kovacic, 481, Joseph Fajfar, 490, John Jeray, 464, Louie Zidarich, 497, Joe Osterman, 466, John Sluga, 485, Mike Trinko, 455, Frank Strupeck, 567, Carl Strupeck, 541, John Zefran, 589, Edwin Zebic, 502, Bill Necker, 516, and Louie Rabetz, 515.

GORSICH QUINT TALLIES TWO TO TIE FOR LEAD WITH AVSEC PRINTS IN JOLIET

Joliet, Ill. — In last week's bowling of the Joliet KSKJ Ladies Bowling League the Tezak Florists gave the Avsec Printers a tapping and walked away with two games. Helen Keith, high bowler for the Tezaks, came through with a nice 528 series including a 211 game.

The Gorsich Markets moved into first place to tie with the Avsec Printers when they won a pair of games from the Joliet Office Supply. Jo Ramuta was consistent and topped the pins to tally a 479 for the winners.

In the other 2 to 1 tilts the

Zema Drugs paced by Gen Laurich's 448 tripped the Bluth Grocers.

Ten Pin Chatter

Although the Tezaks have been comfortably settled in the cellar berth practically all season they moved out just long enough last night to take away two games from the top team Avsec Printers. The Tezaks are definitely on the march, so watch out Bluth Grocers, for you're next . . . The Peerless Printers and Paphesh Tavern postponed games will be rolled at a later date . . . Mary Salesnik didn't come out to bowl
