#### Reagan ponosen na ameriško zasedbo Grenade - Ugotovitve javnega mnenja pričajo o Mondalovem nazadovanju

WASHINGTON, D.C. - Preteklo sredo je predsednik Ronald Reagan priredil sprejem za nekatere študente medicina, ki so jih bili pred letom dni zasedbo Grenade rešili ameriški vojaki. V svojem nagovoru je Reagan močno branil napad na Grenado in dejal, da vojaki ZDA, ki so v akciji padli - bilo jih je 19 - niso umrli zaman. Prvič je Reagan v tem nagovoru omenil 241 ameriških vojakov, padlih v atentatu v Bejrutu ter rekel, da so bili ti vojaki junaki, ki jih bodo ZDA vedno imeli v časten spomin.

V sredo je bil Reagan tudi v Columbusu, Ohio, kjer se je udeležil volivne zborovanja v areni na univerzi Ohio State. V areni je bilo zbranih 12.000 poslušalcev, večinoma Reaganovi pristaši, med njimi zelo veliko študentov. Zanimivost letošnje volivne kampanje je za poklicne politične analitike prav ta, da ima Reagan tolikšne podpore prav od študentov visokih šol. Običajno so ti študenti liberalno usmerjeni in naklonjeni demokratski stranki.

Ta teden se je mudil Walter Mondale v podeželskih državah ameriškega srednjega zahoda. Trdil je v svojih številnih govorih, da bi on več pomagal ameriškim farmarjem kot bi Reagan. Svojim poslušalcem je povedal, da jih je dovolj v ključnih zveznih državah, da mu lahko prinesejo zmago 6. novembra, prav na isti način, kot so l. 1948 prinesli zmago Harryju Trumanu. Včeraj pa se je Mondale zopet ustavil v Clevelandu. Obe politični stranki namreč smatrata Ohio za pomembno državo v kampanji. Vsi znaki pa kažejo, da ima tudi v Ohiu Reagan veliko prednost pred Mondalom.

Najnovejše ugotovitve javnega mnenja potrjujejo trditve Reaganove kampanje, da je začel predsednik zoper napredovati zoper Mondale v dneh po predsedniški debati, ki je bila preteklo nedeljo zvečer. Izidi teh povpraševanj se v odstotkih sicer razlikujejo, brez izjeme pa kažejo, da je Reaganova prednost od 10 do več kot 20 odstotkov. Splošno mnenje političnih analitikov je, da Mondale sedaj nima nobene možnosti na uspeh v volitvah 6. novembra. Vprašanje je le, pravijo, ali bo Reagan zmagal z ogromno ali veliko večino.

#### Preiskava o lanskem atentatu na vodilnega filipinskega oporečnika končana - Atentat naj bi vodil poveljnik vojske, gen. F. Ver

MANILA, Fi. - Ta teden je posebna 5-članska komisija, ki jo je bil imenoval filipinski predsednik Ferdinand E. Marcos z namenom, da preiskuje atentat na vodilnega oporečnika Benigna S. Aquina, do katerega je prišlo lani, končala s svojim delom ter izročila poročilo Marcosu. Štirje od 5 članov komisije soglašajo z ugotovitvijo, da je bila v ozadju atentata zarota, ki jo je vodil doseđani poveljnik filipinskih oboroženih sil, general Fabian C. Ver, kateri je tudi Marcosov sorodnik. Peta članica in načelnica komisije s to trditvijo ni soglašala in je predsedniku Marcosu izročila svoje ločeno poročilo, v katerem pravi, da so bili v atentatu udeleženi le šest vojakov in nek oficir.

Gen. Ver je že odstopil in zahteval hiter sodni postopek, v katerem, pravi, bo dokazal, da v atentatu ni sodeloval.

Opazovalci političnih razmer na Filipi-

nih menijo, da bo poročilo posebne komisije povzročilo nove težave za Marcosa, da pa ni še mogoče govoriti o padcu njegovega režima. Oporečniki na Filipinih zahtevajo demokratizacijo političnega sistema v državi in seveda odhod Marcosa. ZDA sicer podpirajo proces demokratizacije, imajo pa tudi zelo tesne odnose z Marcosom. Filipinsko otočje je pomembno za ZDA v vojaško-strateškem oziru, ker imajo ZDA na Filipinih več oporišč.

#### Poljske oblasti aretirale policista, ki je osumljen sodelovanja v ugrabitvi duhovnika, aktivista v Solidarnosti

VARŠAVA, Polj. - Poljska televizija poroča, da so oblasti aretirale policista, ki je osumljen sodelovanja v ugrabitvi 37-letnega duhovnika in aktivnega podpornika sedaj prepovedanega delavskega gibanja Solidarnosti Jerzyja Popieluszkega. Trije neznanci so baje ustavili avtomobil, v katerem se je peljal Popieluszki pretekli petek v severni Poljski, in ga odvedli. Eden od neznancev je bil oblečen v policijski uniformi. Od ugrabitve ni nobenega sledu o Popieluszku.

Predstavniki poljskega režima so takoj po ugrabitvi obljubili temeljito preiskavo, v sredo pa poročali, da so aretirali uslužbenca notranjega ministrstva, ki je bil odsoten od dela v času ugrabitve in ne more pojasniti, kje se je nahajal. Usoda Popieluszkega ob tem poročanju še ni znana, vendar nekateri opazovalci poljskih razmer menijo, da je duhovnik že mrtev. Lech Walesa je dejal, da nosi odgovornost za ugrabitev poljski režim, v Vatikanu pa je papež Janez Pavel II. dejal v splošni avdienci, da ga je ugrabitev Rev. Popieluszkega zelo prizadelo.

#### V helikopterski nesreči v El Salvadorju ubiti 4 vodilni in sposobni poveljniki vojske ter 9 drugih oseb

SAN SALVADOR, El Sal. - Pretekli torek zvečer je helikopter el salvadorske vojske, na katerem je bilo 13 potnikov in članov posadke, med njimi 4 vodilni poveljniki vojske, treščilo v goro blizu tega mesta. Vsi na helikopterju so bili ubiti. Med žrtvami je podpolkovnik Domingo Monterrosa, ki so ga imeli za sploh najsposobnejšega vojaškega poveljnika v vojski. Ameriški vojaški svetovalci v državi, ki skušajo posodobiti el salvadorsko vojsko, priznavajo, da je smrt Monterrosa ter 3 drugih poveljnikov hud udarec. Enote, katerim je Monterrosa poveljeval, so v zadnjih mesecih dosegle znatne uspehe zoper gverilske skupine, kar so gverilski poveljniki sami priznavali.

Kot kaže, gre za navadno nesrečo, gverilski radio pa trdi, da je bil helikopter sestreljen. El Salvadorski predsednik Jose Napoleon Duarte je dejal, da vojska ne bo nič demoralizirana zaradi te nesreče ter da je sam pripravljen nadaljevati s pravkar začeti neposrednimi pogajanjimi z gverilskimi poveljniki.

#### - Kratke vesti -

**State Department ima podatke, ki pričajo o novih nevarnosti za Američane, kateri živijo v Libanonu.** Menda pripravljajo teroristi nove napade na državljane ZDA.

**Sirijska vlada ni pripravljena pristati na neposredna pogajanja z Izraelom glede umika izraelskih enot iz Libanona.** Izraelski umik mora biti brezpogojen, pravi Sirija.

**Misijonska srečanja in pomenki****638. USMILJENKA SR. CECILIJA RODÉ**

je 8. septembra pisala iz Irana tole pismo: »Spet imam nekaj znamk. Bila sem na dolgem potovanju. V Argentino so me klicali zaradi pokojnine. 1. junija sem bila tam. Nazaj grede sem se ustavila v Sloveniji, kajti koncem julija smo imele sestre naše province zbor v Beyrouthu. Torej sem čakala na ta provincialni zbor v Sloveniji tri tedne. Lepa je zemlja slovenska! Saj Slovenijo najmanj poznam. Prvič v življenju sem videla Bled in Bohinj! Sestre lepo delajo, a so povečini starejše. Mladih ni veliko, kot povsod po svetu. Ko sem prišla domov v Isfahan me je Bog prosil za veliko žrtev.

Sestra misijonarka Filipinka, stara komaj 43 let, je šla na duhovne vaje v Tabriz, kjer sem jaz leta delovala. Ko se je avtobus bližal Tabrizu – vozila se je ponoči, v spremstvu treh sosester –, se je avtobus zaletel v drugega, ki je prihajal od nasprotni smeri. Veliko je bilo ranjenih, naša sestra pa takoj mrtva. Tako malo nas je in nas Bog še tako preizkuša. Včasih je težko sprejeti, da je to božja volja, pa vendar je.

Še vi malo molite za našo rajno sestro Auroro. Bila je zelo dobrega srca, zelo vesela značaja, zelo dobra do ubogih. Bog ji povrni vse v nebesih. Sprejmite lepe slovenske pozdrave od sestre Cecilije Rodé. Lepe pozdrave vsej MZA in gdč. Ferjanovi.«

Novi naslov za s. Rodé je tale: Mission Catholique, Av. Cheikh Bahai, B.P. 489, ISFAHAN, IRAN.

Kanosijanka sestra Anica Miklavčič

je poslala v treh mesecih

dve pismi in nekaj kuvert prvega dneva (FDC). Prosi, da bi ob 50-letnici njenega redovnega poklica molili zanjo. Skrbi vse, kaj bo z njimi, ko leta 1997 Rdeča Kitajska prevzame mesto Hong Kong pod svoje varstvo. Škof jih je lepo miril, naj vztrajajo na položajih in se ne dajo begati. Sestra moli za edinost Cerkve na Kitajskem, kjer komunizem neti razdor med »nacionalno« Cerkvijo in onimi, ki želijo ostaniti Rimu in papežu zvesti.

G. Pavlin je sestri omogočil in dal na podobice natiskati molitev za 50-letnico redovnih zaobljub. Upajo, da bo Hong Kong postal most združitve cele Kitajske s Cerkvijo svobodnega sveta na zahodu. Iz Clevelanda sta jo obiskali dve rojakinji: Ančka Mihelič in Jožica Dolenc. Bilo je kratko, a prijetno srečanje.

Sr. Anica je bila predstavljena v novo hišo, kjer deluje sedaj med ubogimi. Prosi, da bi tudi *Ameriško Domovino* pošiljali v bodoče na njen novi naslov:

Sr. Anica Miklavčič,  
Caritas Social Centre,  
20, Tin Wan Street,  
Aberdeen, Hong Kong.

Pozdravlja vse v MZA in se vsem priporoča v molitev, ko svoje vsem obljublja. Sestra Miklavčič je napravila svoje zaobljube pred 50 leti v Trstu.

Novi naslov ima sedaj tudi Fr. Ralph Roberts, S.S.S., Blessed Sacrament Community, P.O. Box 1664, Sta. Cruz Church, Manila, Philippines.

Brat Rafael Mrzel, S.D.B.,

se je oglasil sredi maja iz Filipinov, od koder zadnje me-

sece prihaja vedno toliko poročil o demonstracijah in nemirih. Omenja, da je včasih večkrat pisal pozno zvečer, kar sedaj ne more, ko lovi prve ure za potrebno spanje in jemlje še zato zdravila. S srcem ima težave in ne gre mnogo ven, dasi upa na boljše čase, ko si zdravje malo utrdi. Tudi v bolnici je bil en teden, Bogu hvaležen, da je bil zdravnik, kot zdravila za božji lon. Potem nadaljuje:

»In moji brezdomci? S pomočjo, katero ste mi poslali za novo leto, dragocenih \$500, je bilo dejansko pomagano kar mnogim. In nekateri so bili res v skrajni potrebi. Na primer delna pomoč študentom – sirotam. Eden je končal administrativno fakulteto s summa cum laude. Nekaterim sem pomagal do službe z dokumenti; precej pomoči je šlo za bolne in še za razne obupance iz najrevnejših naselbin. Res, da ni mogoče deliti na veliko, pa mnogokrat tudi manjše usluge in vsote rešijo človeka v kritičnem stanju. Pri reševanju težav v materialnem oziru je možnost veliko večja za vpliv na človekovo duhovno življenje. Posebej pristržno zahvaljeni vsi, ki se žrtvujejo v zaledju in pomagajo lajšati breme najpotrebnejšim. Vedno naročam, da imajo dolžnost moliti za dobrotnike. Sam se resno spominjam pred Najsvetejšim v tabernaklju vseh dragih dobrotnikov.

Prisrčna zahvala tudi za *Ameriško Domovino*, ki me redno najde, čeprav po dolgem potovanju 3 do 4 mesecev. Prilagam tudi kot navadno nekaj znamk. Pozneje kaj več, ko bom morda mogel več naokrog. Za sedaj še nikamor ne grem, a gre na bolje. Vsem prav tople pozdrave v Gospodu, hvaležen Brat Rafael Mrzel.«

According to the itinerary, flight 527 - JAT DC 10 was scheduled to depart from Cleveland Hopkins airport on Sunday, July 15 at 8:40 p.m. I received a call from Kollander Travel to check baggage at American Airlines counter before 8 p.m. The plane was supposed to arrive around 10:30 p.m.

The plane did not arrive until 3:00 a.m. Other passengers also scheduled to board the plane waited at the airport. We had another delay and finally the plane was ready for takeoff at 9:30 a.m. on July 16.

Upon boarding we were told there was a malfunction of engine two. We then flew to Detroit to pick up additional passengers. We had another two-and-one-half-hour delay.

We did finally arrive at Zagreb airport at 2:30 a.m., Yugoslavia time. Four from our group were bused to Hotel Lev in Ljubljana.

### Ljubljana

The Capital City of Slovenia began many years ago at a junction connecting the Danubian Plains and Central Europe with the Mediteranian. It grew from a small settlement near the ruins of Roman Emona. It was a center of Napolen provinces, and one of the administrative centers of the Austria-Hungarian empires. The present populations is around 300,000.

One of the landmarks is the Assumption of Mary Fran-

ciscan Church, built in 1473. The present church was built in 1646 and renovated in 1935.

Nearby is a monument honoring the greatest Slovenian poet, France Preseren, 1800-1849.

Ljubljana castle fortified in ancient times had been a Roman stronghold. In Tivoli park stands a monument honoring Primoz Trubar, 1508-1588. He was a writer of Slovenian ABCs and a Protestant catechism in 1550.

Leaving Hotel Lev we had an early start on a sightseeing tour. We joined another group which became a bus load. Our tour guide was Frank Bozic. John Luciano was the driver of the Kompas tour agency.

As we drove along we could see the forests and mountains in the background. Nearby we saw fertile fields and valleys which gave us a comfortable and relaxing ride. We passed many small towns and noticed cattle grazing and white snow capped mountains. Along hairpin turns we encircled Karavenko mountains.

Our first stop was at Klagenfurt, capital of Corinthia. We did some strolling and shopping, and had lunch.

We continued on enjoying a beautiful day. We passed through a series of small tunnels. This has been called a highway of miracles by many tourists as it was built for safety. Then we passed through a long tunnel four miles long, the highest point being 4,000 feet. A well built castle

sometime in the 15th century was constructed to protect the roads.

### SALZBURG

Salzburg is the Capital of the Province of the same name. It lies on the northern slopes of the Alps, almost at the center of Austria. The population is 145,000. It is headquarters for many ecclesiastical and secular groups.

Salzburg's stature as a center of learning is enhanced by its "Mozartium" influence. He was born here in 1756. During the summer, over 40,000 tourists visit from all over the world.

On a sightseeing tour we saw the Abbey and Benedictine Monastery founded by St. Rupert in 696.

We had our overnight stay in Salzburg. Following a hearty breakfast, amid overcast skies, we ventured along Lake Mondsee. We were in the Alps in upper Austria. We saw many small and large farms.

We stopped and visited Linz, the most industrial center in Austria. Over 30,000 are employed in the chemical factory. This is the most important port on the Danube River.

Leaving Austria we entered the border of Czechoslovakia with a delay of about two hours. We noticed a change of vegetation and saw many red flags along the highway. We took a rest stop in the town of Tabor and walked around the square. We traveled on and saw many more small towns, and flags, and entered Prague for our overnight stay.

# Pittsburgh Trip Is An Arts Success

By Madeline Debevec

On Tuesday morning, a group of Greater Clevelanders interested in folk art boarded a 7 o'clock bus at John Carroll University and traveled to Pittsburgh to tour the Duquesne University Tamburitzans Institute of Folk Arts and the nationality classrooms at the University of Pittsburgh.

The group arrived at Duquesne at 10:15 and received a warm welcome from the administrative staff, who served the visitors some freshly baked pastry and coffee. The Clevelanders then split into two groups and received a tour of the facilities, named after the Tamburitzans, born at Duquesne in 1937 after following a circuitous route of predecessors in Austin, Tex. and St. Paul, Minn.

From a handful of students in 1937 to a major ensemble of 40 performers, the Tamburitzans now attract students from all over America and from a variety of ethnic and religious backgrounds.

The Tamburitzan Cultural Center includes a rehearsal hall for both the performing ensemble and the community school program; a wardrobe department, library and administrative offices.

Following the tour, a delicious home-cooked ethnic luncheon was served, including chicken paprikash, stuffed cabbages, dumplings, green beans, cucumber salad palachinke (crepe suzettes).

After lunch, the group ven-

tured to the University of Pittsburgh and toured some of the 18 nationality rooms in the school's 42-story Cathedral of Learning. The rooms were gifts to the university from the nationality groups of Allegheny County.

Lithuanian, Romanian, Polish, Irish, Hungarian, German, Italian, Greek and Czech-Slovak were among the nationalities represented. The Yugoslav Room, which featured a coat of arms from universities at Ljubljana, Zagreb and Belgrade and a bronze statuette of "Post-War Motherhood" by Volta Braniš, is paneled in Slavonian oak, said to be the finest in the world for cabinet work.

Besides Dean Dr. Wm Ryan of John Carroll, several faculty members, including Dr. Helene Sanko and Frances (Adler) "Tanny" Babic,

toured with the group. "Tanny," the JCU Slovenian instructor who grew up in the Newburgh area, planned and organized the trip. Fellow travelers included:

Father John Kumse, Jackie Hanks, Katherine Dissauer, Antoinette McGrath, Dorothy Urbancich, Doris Sadar, Mary Batis, John Habat, Eleanore Rudman, Nancy Walden, Eda Vovk Pusi, Faye Starman, Val Mervar, Mary (Grubish) Pierce, Ann Shimrak, Virginia Luty and Mr. and Mrs. Kostjancic.

The group departed from the University of Pittsburgh at 4 p.m. and arrived back at JCU at 7:30.

Dr. Ryan mentioned on the bus that he was enthusiastic to begin a similar venture of nationality classrooms at John Carroll.

Katherine Dissauer, Val Mervar and Faye Starman were among the Cleveland-area residents attending Tuesday's tour of Duquesne University and the University of Pittsburgh.

Admiring some of the Tamburitzan artifacts at the Duquesne University in Pittsburgh Tuesday, Oct. 23 were (left to right) Eleanore Rudman, Eda Vovk Pusi, Madeline Debevec, John Habat, Dorothy Urbancich, and Doris Sadar.
