NAŠIM KANADSKIM DRUŠTVOM V POJASNILO

Od već članov in tudi od društva iz Kanade prejemo zadnji čas pritožbe, ker je glavni odbor KSKJ še lanskega decembra članstvu vseh naših kanadskih društev znižal \$2 dnevno bolniško podporo na \$1.

O tej zadevi je poročal brat glavni tajnik na zadnji polletni seji glavnega odbora in sicer dne 23. januarja popoldne, kar je bilo na podlagi zapisnika v Glasilu priloženo.

Morda niso vsi kanadski člani te točke v zapisniku čitali, zato jo prinašamo na tem mestu še enkrat kakor sledi:

"Nato prečita brat glavni tajnik Josip Zalar pismo kanadskih društev, zaradi znižanja zavarovalnine bolniške podpore z \$2 na \$1, ter daje na to sledeče pojasnilo:

"V Kanadi imamo deset krajevnih društev. Pretežna večina je zavarovana po \$250 in \$500 posmrtnine, nasprotno pa je bila velika večina članstva zavarovana po \$2 bolniške podpore.

"Število bolnikov se je bolj in bolj množilo. Opazilo se je, da v nekaterih slučajih se ni bolnike nadzorovalo, kakor bi se jih moralo. Nekateri bolniki sploh ni bilo mogoče obiskavati, ker so preveč oddaljeni od društvenega sedeža.

"Ko sem uvidel, da se od meseca do meseca več bolniške podpore zahteva, tako da so izplačila tisoče dolarjev presejala dohodke, sem o tem obvestil glavni odbor. Preostajalo nam ni drugega, kakor bolniški asessment zvišati ali pa zavarovanje bolniške podpore znižati. Zvišati asessment, nam ni kazalo, pač pa je odbor soglasno sklenil, da se vsem članom in članicam kanadskih društev zniža bolniško zavarovalnino iz \$2 na \$1. To se je storilo v smislu pravil, člen 47, stran 46, točka 12. Ta sklep je stopil v veljavo 1. decembra, 1931.

"V dokaz, da je bil glavni odbor primoran ta korak podvzeti, naj služijo sledeče številke:

"Članstvo kanadskih društev je plačalo leta 1931 bolniškega asessmenta skupaj \$8,348.10, bolniške podpore pa se je v istem času izplačalo \$18,049.88 ali \$9,701.78 več kakor je znašal bolniški asessment, ali \$2,634.31 več kakor pa so kanadska društva plačala vseh asessmentov skupaj.

"To je dovolj jasen dokaz in dovolj močan vzrok, da je bil glavni odbor primoran podvzeti korak, ki ga je podvzel, če je hotel varovati sklad kakor tudi članstvo centralnega bolniškega oddelka visokih doklad in posebnih asessmentov."

Ker je v tem pojasnilu označen člen 47. jednotlivih pravil, točka 12, v smislu koje je glavni odbor to ukrenil, prinašamo tudi isti odstavek dobesedno in sicer:

"Pravice vsakega člana do bolniške podpore, poškodniške podpore, operacijske podpore, podpore za delno in popolno nezmožnost, poravnave, izrednih podpor, kakor tudi od vseh drugih podpor plačljivih iz bolniškega sklada, poškodniškega sklada, ali iz sklada izrednih podpor, se lahko prekinejo potom tozadevnega naznanila poslanega iz glavnega urada društvu, kamor tak član pripada, in to prekinitje stopi v veljavo z zadnjim dnem meseca, v katerem je gori omenjeno naznanilo poslano ali pa na kak poznejši dan, označen v tem naznanilu. Z dnem prekinitja se tak član ne smatra zavarovanim ali v dobrem stanju v gori omenjenih zavarovalniških oddelkih in od tistega časa društva ne smejo pošiljati za takega člana nadaljne asessmente v te zavarovalniške oddelke."

Ta točka pravil je bila sprejeta potom resolucije na zadnji konvenciji v Waukeganu in je stopila še isti dan in veljavo. (Glej konvencijni zapisnik stran 11, prvi stolpec.)

Dodatno k temu se omenjamo, da je tudi J. S. K. Jednota na zadnji seji glavnega odbora določila, da se do preklica navenovi član ali članica kakega kanadskega društva ne more zavrovati več kot za \$1 dnevne bolniške podpore.

Upamo, da bo to pojasnilo zadostovalo vsem onim, ki hočejo sedaj v Glasilu svojo tozadevno nevoljo stresati. Glavni odbor je postopal v tem oziru na podlagi Jednotinih pravil in v svrhu zaščite centralnega bolniškega sklada.

ST. JOSEPH

Let us take a brief glimpse into the life of St. Joseph, to whom the month of March is dedicated.

He lived an interior and recollected life—in the world and yet not of it—and in this St. Joseph is the model for all living in the world. He was a humble citizen and earned bread for the little household at Nazareth by the labor of his hands. How toilsome the days and nights that found him at his work and how heavy and trying the burdens it brought with it, and yet St. Joseph toiled on resolutely and courageously to the end, knowing it was God's will he was performing, and that He would be his strength to accomplish it.

He was the head of the Holy Family, and as such St. Joseph exhibited those virtues and that wisdom that commanded the respect and confidence of his precious charges. We know, too, how much he must have been growing in everything by the union he enjoyed with Jesus and Mary; how he became wiser by converse with Him who is the "wisdom of the Father," and purer and humbler day by day by association with our Blessed Lady, fair spouse of the Holy Ghost and the humble handmaid of God who had exalted her humility.

We should love St. Joseph as Heaven loves him and honor him as God has honored him.

He is the friend of the Sacred Heart; as such let us beg St. Joseph to obtain for us the grace of imitating his humility, purity and holiness, that one day we may share the honor, glory and happiness he is now enjoying in Heaven.

Mothers' Society to Hold Card, Bunco Party

On next Tuesday, March 8, the Mothers' Society of St. Stephen's Parish, Chicago, shall hold a mid-Lenten bunco and card party. As in previous bunco parties and entertainments given by the Mothers' Society, the total receipts will be turned over to the parish treasury.

The members of the Mothers' Society are to be recommended for the unified effort spent to make this party a "grand slam," as the bridge players call it. They have spent months in collecting gifts, and not only collecting them, but also in making beautiful needle work, which would delight the heart of any housewife or young maiden. Every Tuesday evening during the past two months they congregated in the parish school rooms in making these beautiful things for you to win. So they hope that each and every member of the parish will put in his or her appearance at the school hall next Tuesday, to compete for these prizes.

This bunco party will also serve as a legitimate and delightful relaxation from the rigors of this penitential season. We hope to see many of our parishioners there, especially our younger folk, who take such great delight in walking off with the beautiful and unusual prizes, which are to be offered at this party. The dent on your "depression" pocket-book will be very slight indeed, only 35 cents. So na svidenje next Tuesday in St. Stephen's Committee.

NOTICE

Rankin, Pa.—The members of SS. Peter and Paul Society, No. 91, of Rankin, Pa., will receive Holy Communion in a body at the 8 o'clock Mass Sunday, March 13, in St. Mary's Church, Rankin. Members are kindly requested to assemble in the meeting hall underneath the church a half hour earlier, so that we can proceed into the church in a group.

Father Bekavac, our pastor, has requested that all members who can possibly do so, come to confession in the afternoon of the day previous so as to avoid crowding at night. There will be additional priests hearing confessions, as a mission will be held at that time and there will positively be no excuse for any of our members not performing their Easter duty on that day.

The next meeting, as you know, will be held on March 13. It will be called to order promptly at 2 p. m. All members are asked that they attend this meeting, particularly those who are in arrears in their payments of assessments. For the benefit of those who did not attend our last meeting, I wish to advise that any member who is in arrears and does not appear before the meeting to present an excuse will be suspended from the society without notification. The officers of our society have been accused of being too lax in their duties and commencing immediately steps will be taken to enforce the ruling adopted at the last meeting. It is not the duty of the secretary or any other officer of the lodge to go from home to home begging the members to pay their dues. Every person should know his responsibility. Either fulfill your obligations, or accept the consequences.

Unfortunately, the Easter Communion cards were not received from our spiritual director in time to distribute them among the members during the last meeting. For this reason, it is important that all who receive Holy Communion on March 13 return to the meeting hall, where a roll call will be made of the members present. Those who cannot be with us on that day can obtain their card from the secretary, Frank J. Habich, at his home or by calling on Father Bekavac at the parish house.

I wish to take this opportunity of extending best wishes to the entire membership of the KSKJ for a blessed and happy Easter.

R. G. Rudman,

President and Acting Secretary.

PLAN TWO PLAYS

The Waukegan Slovenian Dramatic Club is planning on presenting two plays in the near future. One is to be a Slovenian play and will be of especial interest to all Waukegan Slovenes. More details of it will follow in later editions. The second play will be in English and will introduce the younger element of the dramatic club in a presentation that is sure to please those that attend the affair, which is scheduled for Sunday, April 17.

The club is sponsoring these affairs so as to create a greater interest among Waukegan Slovenes and to attract them for the purpose of providing entertainment for the local people who enjoy dramatic work. Besides dramatics the club plans on organizing a singing club of

A CHANCE TO EVEN THE SCORE

Preparations are under way for what is expected to be one of KSKJ's greatest affairs, the fifth annual KSKJ bowling tournament in Waukegan, Ill. Outside the intrinsic benefit of the tourney to the KSKJ, only those who will attend or participate will receive the immediate benefit in the form of sportsmanship and conviviality.

The annual tourney is just as much a part of the KSKJ as Our Page. Consequently, anything extended for the Page is likewise extended for the tourney. And it is with this in mind that the Page, which is primarily devoted to KSKJ activities, requests clubs, societies and other groups not affiliated with the KSKJ that have been using Our Page as a medium to consider an opportunity to

even the score.

The KSKJ Midwest Bowling Association issues a booklet program for

PROGRAM RATES

Waukegan, Ill.—At the last meeting of the local committee for the KSKJ annual bowling tournament a resolution was passed for the printing of the tournament schedule and that the advertisements were to be sold at the following rates:

Full page ad for \$9.

Two-thirds page ad for \$6.

A one-third page ad for \$3.

If there are any out-of-town advertisers or boosters who would care to purchase advertising space in said schedule, kindly send money orders or certified checks, with the wording of their rented space, to the undersigned before March 15.

every tourney. To defray the cost of the booklet and to alleviate other incidental expenses, the program gives boosters and advertisers an opportunity to show KSKJ people that a Kay Jay affair is worth support. The announcement of advertising rates by the Waukegan program committee in this issue of the Page is an opportunity for those who believe "one good turn deserves another."

This plea is not made to KSKJ lodges and Kay Jay booster clubs, because it is understood that any lodge with Kay Jay spirit will see to it that its name will appear on the tourney program, even if it is not physically represented at the tourney. A big ad, a small ad—or even a small ad will do the trick.

DEBUTANTES WILL COMPETE IN BALL

The lid is off again—the Knights and Ladies of Baraga announce the coming of the Debutante Ball, to be held on Saturday, May 7, at the South Side Turn Hall. The trustworthy dance committee is working during its spare time for the betterment and success of the Debutante Ball. There are hundreds who are anticipating the announcements of this big social event, since it is not only famed among Slovenes of Milwaukee and West Allis, but also by many other nationalities as well. The same procedure will be used to appoint the "debutantes" from the various lodges as in the past. We have received an early response from the Yugoslav Orchestra, which is made up entirely of young people who are dramatically and musically inclined. They have selected Miss Sophie Stopar as their "debutante," and her escort Mr. Stanley Kopac. We are to have in our hands by March 10 all the selections from the various organizations, and shall print all names of entrants for the convenience of voters so that they may be able to take their selections in advance.

ST. FRANCIS HAS FORTY MEMBERS

Hold First Official Meet; Malli Heads New Booster Club

Joliet, Ill.—St. Francis de Salle Lodge No. 29 organized a booster club Monday evening, Feb. 22, for the purpose of promoting the better interest of the members of St. Francis.

The meeting was opened by Frank Mali, chairman of the organizing committee, who explained the ideals and standards of the organization. He also outlined the order of procedure for the club.

Included in the order of business was the election of officers, the following being elected for the ensuing year:

Frank Mali, president; Helen Rozich, vice president; Rudy Pullman, secretary; Ann Marchek, recording secretary; Anton Fabian, treasurer; John Torker, first trustee; Frank Klanchar, second trustee; Mary Zugel, third trustee; John Umek and Ann Mlakar, publicity managers; Louis Papesh, sergeant-at-arms.

Forty members pledged themselves to be loyal boosters of the St. Francis Booster Club at the first business meeting of the recently formed St. Francis Booster Club held last week. Much enthusiasm for the progress of the club was evident.

The membership is small, but we are all eager and willing to boost for the club. What we want now is that each member try and bring a member, as St. Francis Society has over six hundred members and all are eligible to join the booster club.

The date for the regular monthly meeting was set for the first Monday night of each month, but was later changed. All members will be notified by mail.

Ann Mlakar, John Umek,
Publicity Managers.

While this is on the press, the "Join the Booster Club" drive being conducted in Joliet will close with a big booster meeting on Monday, the 29th. News of plans made at this meeting will be covered in the issue next week.

Advocate Attendance

At the regular monthly meeting of St. Ann's Society No. 139 KSKJ many important items were brought before the members. A large attendance at meetings was stressed as one of the most important points in the development of the local lodge affiliated with the KSKJ. Miss Frances Mrezar was admitted as a new member. The officers are ever on the alert for more new members.

Sunday, March 6, at St. George's Church.

The members will meet in the church hall at 7:30. They are asked to wear their lodge badges.

Louise Likovich,
Secretary.

FROM THE FAR WEST

The St. Joseph's Lodge, No. 7, held its annual dance for members and their families on Feb. 9. This was a pre-Lenten social and was well attended. Music was furnished by Andy Perko and his Peanut Vendors. Refreshments were served later in the evening.

The reorganized Holy Name Society gave a Slovenian play entitled "Andrej in njegov zločin" in the St. Joseph's Hall. A dance followed the presentation.

The Young Lady's Sodality of St. Mary's Church organized a choir which is directed by Miss Angela Grahek, a member of the St. Joseph's Lodge, and an assistant, Miss Evelyn Germ.

The Christian Mothers held a reception on Feb. 2 at St. Mary's Church. In the evening a play and a dance were held and were enjoyed by the Christian Mothers, Holy Name and Young Ladies' Sodality.

To all our enthusiastic readers we wish to apologize for missing a week of our news. We assure you this will not happen again.

PRACTICE FOR MEET

BEWARE, ye last year's champs! This year you are going to compete with five sportive challengers, which does not mean perhaps.

For the past few weeks the knights have been putting in some strenuous practice at the Studio Bowling Alleys for the Midwest KSKJ bowling tournament to be held at Waukegan on April 9 and 10. The way the ball whizzes down those alleys is enough to give anyone the heebie-jeebies. So, Baragites, if you want to get the thrill of your life, come down and watch them bowl the next time you are advised of the bowling date. It will also be more encouraging to the bowlers to know that we are all backing them up and will help them to "bring the bacon home"—or why not come prepared to learn a few points on bowling. "Practice makes perfect," has always been the best motto for everyone.

And now for the girls who share a very prominent place—as keggers go. Their practice nights are Thursdays, whereas the knights' is on Tuesdays. We have some real women bowlers, who are the envy of both men and women. Some of our petite young maidens have very envious score averages.

We feel that the champs and challengers will have to go some if they will want to outdo us. Come on, knights and ladies, we are all for you. You do the bowling and we will do the cheering.

E. E. J.

NOTICE

The Dramatic Club of Waukegan-North Chicago will hold its meeting on Saturday, March 5, at 7:30 in the evening. All members are urged to attend, as there are many important matters to discuss. After the business meeting a surprise will be given by the young men for all the members. Do not fail to be there.

An old Negro woman was taking the last look at the remains of her departed husband. "Po' Rastus, I hope you have gone where I spec' you ain't."

MUSIC FESTIVAL

You haven't forgotten about the music festival to be sponsored by the Yugoslav Orchestra of Milwaukee?

This organization is again coming to the foreground of events. The festival will be the greatest ever to be presented by any group in Milwaukee. The sponsors are very ambitious, prosperous and trustworthy, so you can depend on a great day and you certainly will not regret participating in the festival.

The contest is open to any singing club in the Midwest. Contestants must have their entries in not later than March 25. There is no definite specification as to the size of a contesting club. Select any song and send it in immediately. In case two groups choose the same song, the first club will have priority and second will be requested to make another choice.

The committee in charge will greatly appreciate your most hearty co-operation in sending in your entries and asking for more information.

Any song will be accepted and the contest is open to all clubs. Do not wait till tomorrow. As Maurice Chevalier would say, "I'm not going to do it tomorrow; I'm not going to do it next week, but I'm going to do it right now!"

More information can be obtained by writing to Joseph P. Matzell, 1035 W. Walker St., Milwaukee, Wis.

HONOR PASTOR

Waukegan, Ill.—On Tuesday evening, Feb. 23, a surprise party was held by the church choir in honor of the Rev. M. J. Butala's nameday, in appreciation of his faithful and untiring work in our parish. He received three beautiful gifts.

The guests numbered about thirty. The table was artistically decorated by the young ladies of the choir. Cards were the entertainment of the evening, prizes being won by Jennie Cesnovar, Catherine Butala and Mary Jappel. A very enjoyable time was had by all.

WAUKEGAN PREPS FOR KSKJ BOWLING TOURNEY

CONFIRM PIN MEET

Midwest KSKJ Bowling Association Sets Entry Deadline April 2

At a recent meeting held by the directors of the Midwest Bowling Association, the dates of the fifth annual bowling tourney were confirmed and designated to be held on April 9 and 10 at the Waukegan Recreation Alleys in Waukegan, Ill. This recreation center boasts of 16 perfectly conditioned bowling alleys, a large billiard emporium and an excellent grill. It is very conveniently located on Genesee St., in the business district, and easily accessible by all means of transportation. It was the scene of the second annual KSKJ tournament held in February, 1929.

The deadline date for entries was set for April 2, at which time all entry blanks must be filed with the secretary of the bowling association, Frank P. Kosmach. Assurance was received from the Supreme Board that a substantial sum of money will be forthcoming for the purpose of augmenting the prize list. This means that the ladies will be given a full set of prizes in all the events. Prize money for the past forty events will also be available.

The goodfellowship prizes will again be a consoling factor to mediocre bowlers who will not rate for medallions. In some cases of last year's tourney, the goodfellowship prize winners received more remuneration for their low scores than the fellows what rated high in the Class A competition. We want to impress emphatically that the coming pin classic will not be a tournament of champions. It will embrace all classes of bowlers, and will mete out the awards fairly and squarely. The rules and regulations governing the tourney will be the same as those which guided the past tourneys.

There is every indication to believe that bowling competition in this pin-topping fiesta will be greater and keener than ever before. This year will see several new teams on the roster, both in the men's and ladies' divisions. A profound interest is being displayed by our younger Kay Jay element, and judging from past observations, the social part of the tourney will have all the earmarks of another "junior convention."

There can be no doubt that socially this event will supersede past endeavors. Three of Waukegan's KSKJ lodges, St. Joseph's, No. 53, St. Mary's, No. 79, and St. Anne's, No. 127, have jointly undertaken the responsibilities for this affair. The program of entertainment will open Saturday evening, April 9, when a large booster banquet and dance will be presented on a lavish scale. It is hoped that at this function various booster clubs and Kay Jay organizations will be fully represented. It is planned to have each respective group reserve a section or table and participate in the festivities.

The program of the evening will include several prominent KSKJ speakers, roll call of booster organizations, presentation of Our Page writers merit awards and a variety bill of KSKJ musical and dramatic talent from the representative Kay Jay groups in attendance. During the course of the program, a delicious dinner will be served by the Waukegan la-

FORM WAUKEGAN BOOSTER CLUB

51 JOIN AT FIRST MEETING, ELECT OFFICERS; NEXT MEETING MARCH 14

A conspicuous date in the history of the young Waukegan-North Chicago Slovenes was in the making on Feb. 24 at the Mother of God School clubroom when the Waukegan Booster Club was organized for the purpose of promoting Kay Jay athletics and Kay Jay social activities. The first call for boosters was answered by 51 spirited young members of the three KSKJ lodges of Waukegan and North Chicago.

The meeting was opened by Math Slana Jr., president of the St. Joseph Society, No. 53, who took it upon himself to get the meeting under way. He started the ball rolling by stating the purpose for this gathering and telling the young members the opportunities that such a club could offer. Miss Pauline Treven, member of the KSKJ Athletic Board, also gave her conception of this club and how it can be formed so that harmony will reign among the members.

The officers elected for the coming year are: Dr. L. F. Kompore, president; Pauline Treven, vice president; Math Slana Jr., treasurer; Jennie Opeka, secretary.

Besides these principal officers, a committee was chosen to appoint the officers on the social and athletic committee. These following members were chosen on the committee: John Umek, Dr. L. F. Kompore, John Hladnik, Pauline Treven, Marie Suhadolnik.

They have been vested with the power of appointing two committees that will function for a period of three months.

The Rev. Math J. Butala is the spiritual adviser and general counselor for the booster club. The Rev. Butala briefly stated the aim of the club and the unity with which such a club should be run, if it purposes to function with the proper spirit and co-operation. A committee of two, namely, Math Slana Jr. and Joseph Zorc, was appointed by the president to get together and write the by-laws for the club and have them ready for the next meeting so that they may

Owing to the unprecedented enthusiasm already stirred up by this affair, it will be necessary to make reservations in advance to insure accommodations. Kay Jay groups planning to attend in a body are urged to make arrangements with the banquet chairman, Ed Kompore, 2008 E. 93d St., South Chicago, Ill. Tickets for this affair will be \$1 per person.

Sunday, April 10, will be another banner day. The bowling tournament will go into full swing, with many enthusiastic Kay Jay rooters on the sidelines. The event will be climaxed by another big get-together dance in the Mother of God Church auditorium, during which time prize winners will be announced and the goodfellowship prizes will be drawn.

Anyone who plans to attend this year's tourney in Waukegan can rest assured that you will find a royal welcome and an elaborate program of social activity awaiting you. Let's go, Kay Jays!

be voted upon and, if approved, put into use.

A resolution was adopted and passed to the effect that the dues of the club shall be 10 cents a month and the meeting shall take place in the Mother of God School clubroom every third Monday of the month at 8 p. m. sharp. Inasmuch as the next meeting comes during Holy Week, it has been agreed that the next meeting shall take place on March 14. After all business will be taken care of at the meeting a bunco and card party will feature the remainder of the evening.

Remember, fellow members, it has been decided that every member shall try to bring a new member into the KSKJ Booster Club, one who belongs to a KSKJ lodge in Waukegan or North Chicago, but who has failed to join the booster club to date.

DOUBLES TO PRELIM JAY ANNI-MEET

Waukegan, Ill.—The fourth annual mixed doubles tourney will be held April 3 at the Mother of God Parish bowling alleys as a preliminary wind-up to the KSKJ bowling tourney.

The affair has always proved to be a popular one with the members of the Mother of God Parish and this year the committee plans on a program that will be worth while participating in: bowling in the afternoon and early evening, followed by a dance and distribution of prizes.

Last year's champions of the Mother of God Parish are: Victor Jereb and Therese Svete.

TRINITY KNIGHTS FORM PIN TEAM

The Knights of Trinity have organized a bowling team, something many people have been patiently waiting for a long time. No doubt, now that the team will make its debut, many a challenge will be sought by numerous bowling outfits. The team will make its first bow in the very near future, when it clashes with the Acorn A. C. of Brooklyn. The players are John Ribic, Stanley Erhatic, Charles Guardia and two of the Staudohar brothers, John and Joe. They ought to give their opponents a fairly good run for their money, as each one bowls the average of 180.

To the victor belong the spoils. Such was the attitude taken by the knights as they bowed to their basketball conquerors, namely, the Madison Flashes, by the score of 37 to 32. Although it was a very snappy game from start to finish, the knights simply could not check the onslaught of the Flashes, who really were convincingly true to their name. The knights vowed vengeance, however, when they booked the victors for a return game on March 10. They promise to make the second tussle an entirely different story.

WILL TRY TO ANNEX FOURTH CHAMPIONSHIP

When pinsters line-up April 9 to 10 for the annual KSKJ pin tournament at Waukegan, Ill., undoubtedly, the same boys who for three successive years won first honors for St. Stephen's No. 1, Chicago, Ill., will again defend their title.

In last year's tourney at South Chicago, the boys from St. Stephen's not only placed first for the third time, but they also rang up a new high of 2894 pins for three games, a record that can be broken only by pin splitting of the St. Stephen's pace.

In the second game they bowled over an even 1100 pins, a mark that is seldom reached by the best of bowling teams. In this game Zabkar got 248 pins, Zefran 240, Hrastar 210, Kosmach 208. Rezek, who acts as the heavy artillery for the crew, had to be satisfied with a "mere" 194 pins. However, Rezek was not to be denied when the glory was passed around, and before it was all over, he piled up a nice total of 645 pins for the three games.

TO ENTER TOURNEY

Cleveland St. Vitus, No. 25, Will Make 5th Bid for KSKJ Pin Honors

"Cleveland will again be represented at the annual KSKJ bowling tourney," announced Tony Grdina, and to confirm his statement he added, "and that is absolutely definite."

The Cleveland boys who have been adding national atmosphere to the tourneys since 1927, when the first tourney was held in Chicago, will again represent St. Vitus No. 25 and will wear the shirts of Grdina Morticians.

"Our boys," said Tony, "have been tripping the pins all season, and if they can carry their 2800 average to Waukegan, we may perhaps cause a little worry for the KSKJ pinsters."

In the last four tourneys, the Clevelanders landed near the top. The first meet found them holding third place, the second on the seventh rung. In 1929 they fell short six pins in placing first, while last year they won fourth place, a position worth envy, since the leader clipped a merry pace.

Five of the following names will be marked on the scoreboard when Cleveland lines up in Waukegan, April 9 and 10: Tony Grdina, Stanley Kromar, Jim Stepic, Frank Stepic, Tony Mihelcic, Frank Krantz and Harold Lausche.

The St. Vitus boys are now in the Cleveland Interlodge League and would like some additional competition, such as match games with Lorain, Akron, Barberton and Girard.

Milwaukee Lodge Will Form Baseball Teams for Knights, Ladies

A special meeting will be held by the Knights of Baraga for the purpose of organizing a baseball team. This meeting will be held Friday, March 4, in the church hall at 8 p. m.

John J. Jenich and Rudolph Maierle are putting forth their utmost efforts to organize an A1 team for the Knights and Ladies of Baraga, No. 237 of the Kay Jays.

All the knights are requested to be present at this important meeting, and other Kay Jays of Milwaukee and West Allis are cordially invited to attend.

This already sounds like a challenge to Waukegan, Sheboygan and Joliet Kay Jays.

No, the ladies haven't been forgotten, for a meeting will be called for the Ladies of Baraga in the very near future. Now watch for the notice of the date and place.

Oh, boy! Milwaukee's coming to the front, and it won't be the beer that made Milwaukee famous. Picture this, "The KLB that made Milwaukee famous."

You will hear and see more after March 4. Remember Friday at 8 p. m. in the church hall.

JOLIET GRADES TRIP WAUKEGAN

The St. Joseph Grade School basketeers of Joliet downed the strong Mother of God five of Waukegan in two games Feb. 22 at De La Salle gymnasium.

The heavyweights copped 25 to 24 and the lights coasted in with a 23 to 15 victory.

Pitt Pin League

Pittsburgh, Pa.—The results of games last Wednesday brought forth the finest group of upsets, setbacks and surprises yet. Notre Dame, weak, powerless, but full of pep and grappens, vanquished the league leaders with a shutout.

Comes a wail of woe from St. Mary's side, which where ruthlessly set back by the much wrangled Villanova rookies. There must be something good in the cellar, for Mt. Carmel, after winning two games from the Dukes, assuring a tie for the underground position, completely laid down in the third game.

Games March 2;
Koby's: Mt. Carmel vs. Holy Cross.

Hall: Duquesne vs. Villanova.

Golob's: Notre Dame vs. St. Mary's.

MAP OUT PROGRAM

Three Waukegan Lodges Combine to Prepare for Tourney

The Waukegan branch of the Midwest KSKJ Bowling Association is working full steam ahead to make the fifth annual KSKJ bowling tournament, to be held in Waukegan April 9 and 10, bigger and better than ever.

The three KSKJ lodges, St. Joseph's No. 53, St. Anne's No. 127 and St. Marys No. 79, are working together on a program that will be chock full of entertainment and pep.

This year may be depression year, but the aim of the Waukeganites is to put the damper on depression and to make the affair as successful as ever.

A booster banquet is planned for the night of Saturday, April 9, as an opener for the tourney. Come on, you boosters, let's hear from you. The Waukegan association is ready to serve your demands, and if you won't enjoy your stay at good old Waukegan someone else will not be to blame.

The scene of action will be the Waukegan Recreation Parlor, where 16 newly set up and refinished alleys await the onslaught of the oncoming KSKJ pin maulers.

No doubt the boys will be out for records this year. We've had a depression of everything and in everything, but here's one year the boys won't allow a depression in pin spilling.

For those who will not participate in the bowling, a varied program of dancing and entertainment will be provided, so that all will be taken care of.

The local association, headed by these officials: Matt Slana Jr., president; Joseph Zorc, secretary; Pauline Treven, treasurer, is planning to make the tourney worthy of the old KSKJ sporting spirit.

To make the event a thorough success will require the operation of all KSKJers of co-operation of all KSKJers of nearby towns who are planning on boosting the tournament.

Let's hear from you, Chicago, South Chicago, Joliet, La Salle, Milwaukee, West Allis, Sheboygan and Cleveland. We're ready to meet you at the fifth annual KSKJ tourney at Waukegan on April 9 and 10.
