Entered as Second Class Matter December 12th, 1923, at the Post Office at Cleveland, Ohio, Under the Act of August 24th, 1912. Accepted for Mailing at Special Rate of Postage Provided for in Section 1102, Act of October 3rd, 1917. Authorized on May 22nd, 1913.

9. član K. S. K. Jednote pa- del za domovino

Tajnik društva Marije Vnebovzete št. 77, Forest City, Pa., brat Fr. Poterjoy nam poroča, da je dne 13. febr. Mrs. Bokal prejela iz Washingtona, D. C. žalostno vest od vojnega departmanta, da se njenega sina Edwarda od 2. febr. t. l. pogreša nekje v Severnem Atlantiku, kjer je utonil v vojaški službi kot prostak ali Pvt.

Pogrešani Edward, sin večletnega blagajnika gori navedenega društva brata Antona Bokala Sr. in član društva je bil star 22 let. Lani v juniju je dovršil višjo šolo v Forest City, Pa., dne 12. sept. 1942, je pa odšel k vojakom; za minuli Božič je prišel še domov na pordnevni dopust.

Bokalova družina ima še enega sina v ameriški armadi Antona ml., doma sta pa še dva druga njegova brata in šest sester.

Društvo št. 77 ima dosedaj v armadi 20 svojih članov-vojakov.

To je po našem računanju deveta žrtev naše Jednote v sedanji vojni. V prihodnji izdaji bomo morda priobčili sliko pogrešanega Edwarda Bokala. Ohranimo mu blag spomin!

Dr. Čok je predložil zahteve Slovencev pri drž. departmentu

Dr. Ivan Čok je bil te dni sprejet pri pomožnem tajniku državnega oddelka, Mr. Berleyu. Kot predstavnik Slovencev in Hrvatov iz Julijske Krajin ter kot predsednik Jugoslovanskega odbora iz Italije, je objasnili upravičene želje in zahteve naroda, ki ga zastopa. Skliceval se je na memorandum, ki ga je poslal predsedniku Rooseveltu o tem vprašanju. Iz razgovora z g. Berleyem je dr. Čok, kot nam piše, uvidel, da ameriška vlada naše vprašanje proučuje in da mu posveča posebno pažnjo.

POTOPLJENE LADJE ZAVEZNIKOV

Washington.—Kakor poroča mornarični department, je bilo v zapadnem Atlantiku letos tekom februarja po podmorničkih osišča potopljenih šest zaveznških tovornih parnikov, kar znači najnižje mesečno število v primeri s 30 potopljenimi parniki meseca januarja.

Računa se, da je bilo od napada na Pearl Harbor po sovražnih podmornicah na mesec povprečno potopljenih 45 naših tovornih ladij. Skupna izguba zaveznških tovornih parnikov od začetka vojne do 1. februarja letos pa znaša 645, všteti vsa svetovna morja.

STARCU ZRASTLI NOVI ZOBJE

V premogarski naselbini Bentley na Angleškem živi upokojeni 75-letni premogar Tom Morris. Zadnji čas je nosil in rabil umetno zobovje, toda zdaj ga je pustil, ker so mu začeli rasti povsem novi zobje.

Roosevelt—10 let pred- sednik

Washington.—Dne 4. marca je predsednik Roosevelt ob navzočnosti kakih 250 vladnih uradnikov v Vzhodni sobi Bele hiše obhajal deseto obletnico svojega predsedništva. V ta namen je prišel v Washington župnik cerkve iz Rooseveltovega domačega kraja Hyde Park, da je opravil cerkveno opravilo v Beli hiši.

En ministrant je držal križ, drugi pa ameriško zastavo. Predsednik, njegova soproga, podpredsednik Wallace in predsednik vrhovnega sodišča Stone so sedeli v prvi klopi, kjer je predsednik ves čas klečal in pobožno molil. Cerkev je bila polna.

Bile so opravljene molitve za mir, za predsednika, za družabne pravice, za ameriške vojake, za naše sovražnike in za vse narode sveta.

Predsednik Roosevelt bo vsled tega ostal znan v ameriški zgodovini, ker je prvi predsednik v svojem uradu tri termine, ker je prvi, ki se je tekom vojne podal v inozemstvo, prvi, ki je nastavljal kako žensko v svoj kabinet, ker se je vozil v aeroplanu, ker je uvedel socialno zavarovanje, ker je uvedel zakon za varnost bank, ker je izdal svoj znani načrt starih svobod in ker se zanima za dosego svetovne demokracije.

NOVI NAČIN POKOPA- NJA UMORJENIH SRBOV

London.—Semkaj iz Srbije je došla vest, da je izdal ondi poveljujoči nemški general novo odredbo glede eksekucije prebivalcev, ki so nasprotni nemškemu režimu. Tako se bo v bodoče s prizadetimi žrtvami nemškega terorja bolj na "regimentalen" način postopalo. Dne 28. oktobra, 1941 je imel glavni stan nemškega 125 pešpolka nalogo trupla ustreljenih Srbov politično petrolejem in sežgati; to se ne bo več vršilo. Po novem načinu bodo morali na smrt obsojeni izkoptati si skupen grob in pred eksekucijo stati ali klečati poleg njega.

Na vsakega obsojenca bosta oddala svoj strel dva vojaka ali v srce, ali pa v glavo, nakar bo še nemški častnik nesrečno žrtev s strelom iz svojega samokresa pogodil.

V POMOČ AMERIŠKIM VOJ- NIM UJETNIKOM

New York.—Ameriški Rdeči križ je najel prejšnji belgijski parnik Charitas, ki bo ta teden odplul iz Filadelfije proti Marselju na Francoskem. Ta parnik, kateremu je obljubljena varna prevoznja bo imel nato-vorjen živež in darila za naše vojne ujetnike v Nemčiji in Italiji.

QUENTIN ROOSEVELT RANJEN

Washington.—Vojnemu departmentu se iz Severne Afrike poroča, da je bil ondi ranjen pravnik pokojnega predsednika Theodore Roosevelta, poročnik Quentin Roosevelt, vendar ni rana nevarna. Njegov oče je brigadni general tudi v Severni Afriki.

V ZNAK DOMOLJUBJA

Župan Lausche pojde v Anglijo

Angleško ministerstvo za informacije je uradno povabilo našega clevelandskega župana, rojaka Frank J. Lauschea naj pride kmalu na Angleško, kjer bi imel govorniško turo po večjih mestih Anglije in Skotske.

Angleška vlada smatra našega župana za najbolj zmožnega načelnika kakega ameriškega industrijskega mesta, ker se osobito zanima za vojno produkcijo.

Župan Lausche se je mudil dne 5. marca v Washingtonu, kjer se je vse uredilo za njegovo odpotovanje enkrat koncem aprila. Potoval bo na kaki bojni ladji. Zaeno bo naš rojak-župan obiskal razna vojaška ameriška taborišča v Angliji, mogoče pa pojde tudi pogledat naše Yankees v Severno Afriko?

Slovenski Američani smo lahko ponosni, ker imamo tako priljubljenega in znanega župana v naši clevelandski prestolici, ali v ameriški Ljubljani.

SABOTAŽA NA FRANCOS- KEM

London.—Kakor poroča sovjetsko radio izvestje Monitor, se sabotaža na okupiranem francoskem ozemlju vedno bolj širi. Te dni je bila vržena bomba v glavni stan nazijev v Brestu, kjer je bilo 18 nemških pripadnikov ubitih. Blizu Cretza so pa patriotični Francozi iztirili tovorni vlak raznih potrebnih z 22 vagoni.

NAJBOLJ ZLOBEN NEMŠKI GENERAL UBIT

Washington.—Tukajšnjemu vojnemu poročevalnemu uradu je došla radio vest iz Londona, da je bil zadnje dni v bitki pri Harkovu ubit tudi nemški ge-

neral Theoder Elke, načelnik nemške tajne policije. Kot tak je nadzoroval vsa nemška koncentracijska taborišča in bil jako surov ter neumljen; zato je bil znan kot najbolj osovražen nemški general.

Nova slovenska bolničarka

Miss Margaret Habyan

Tudi naša slovenska ameriška dekleta iz Minnesote se posvečajo lepemu stanu bolničark. Najnovejša izmed teh je gđc. Margaret Habyan iz Eveletha, najmlajša hčerka Mr. in Mrs. John Habyan, večletnega agilnega tajnika tamkajšnjega društva sv. Cirila in Metoda, št. 59 KSKJ, ki je dne 24. februarja graduirala kot izkušena bolničarka (nurse) v Kahlerjevi bolničarski šoli v Rochester, Minn.

Naša nadebudna sestra Margaret Habyan, ki spada že več let k društvu sv. Cirila in Metoda, št. 59, je bila rojena na Evelethu, Minn., kjer je dovršila tamkajšnjo ljudsko in višjo šolo, zatem pa še Junior kolegij, nakar se je podala v sloveče zdravniško mesto Rochester, Minn., in sedaj dosegla svoj zaželjeni poklic. Ostala bo v Rochester kot bolničarka v veliki Colonial bolnišnici.

Iskrene čestitke naši novi slovenski ameriški bolničarki in mnogo uspeha; tako naj veljajo naše čestitke tudi njenim, gotovo ponosnim staršem.

Potres v Clevelandu

Cleveland, O. 9. marca — Eden najmočnejših potresov v 20 letih je sinoči oplasil na tisoče Clevelandčanov ob 11:26. Potres, ki je bil sicer dokaj močan, pa vendar ne posebno hud, je bilo čutili v Clevelandu in po večini po vsem severnem delu države Ohio in v zapadnem delu države Pennsylvanije. Potres so čutili v Ohio celo doli v Columbusu in Daytonu.

Seismograf v John Carroll univerzi, ki zaznamuje potrese, je pokazal, da je trajal potres dve sekundi in pol. Središče potresa je bilo nekako 20 do 30 milj južno od Clevelanda. Vzrok potresa je bil, kot pravi seismolog Rev. Joliat, ker je najbrže počela zemeljska skorja kakih 20 milj pod površjem.

Dr. J. J. Nassau, profesor zvezdoslovja na Case šoli je rekel, da je bil to najhujši potres, ki ga je še kdaj čutil Cleveland. Potres je bil ves čas v močnih stresljajih.

Kot trdijo poročila iz raznih krajev mesta, je bil potres silnejši na vzhodni strani mesta. Ljudje sprva niso vedeli, kaj naj to pomeni, pa so začeli klečati uredništvu časopisov in policijske postaje. Tam so zvedeli, da so doživeli precej hud potres.

Pa tudi zahodno od Ohio so čutili potres. Iz Detroita poročajo o precej močnih stresljajih. Čutili so ga tudi v Toronto v Kanadi in v Pittsburghu, Pa. na vzhodu. Tudi iz Buffalo, N. Y. poročajo, da so ga čutili nekoliko.

SREBRNA POROKA ZNANE- GA PARA

Sheboygan, Wis.—Predzadnjo sredo, 24. februarja sta Mr. in Mrs. John Prislund obhajala 25-letnico zakonskega življenja. Mrs. Prislund je predsednica Slovenske ženske zveze, ki jo je tudi ona ustanovila; bila je tudi prva glavna uradnica KSKJ. Njen soprog vodi že več let predsedništvo tukajšnjega društva sv. Cirila in Metoda, št. 144 KSKJ.

Slavljenca imata tri otroke; sin je v armadi Strica Sama, hčerki pa sta obe poročeni. Imata tudi tri vnuke. Našemu odličnemu paru pri tej priliki prisrčno čestitamo in želimo vse najboljše tudi zanj!

VELIKA NESREČA V ZA- KLONIŠČU

London.—Ko so se 3. marca nad Londonom pojavili nemški bombniki, je prestrašeno ljudstvo začelo tekat v podzemski zaklonišča. Pri tej priliki se je pa v enem teh zaklonišč pripe-tila velika nesreča. Ko je neka mlada žena tekla po stopnicah s svojim detetom naprej, je po nesreči padla malo pred spodnjem prostorom zaklonišča, ki ni bil zadostno razsvetljen, tudi stopnice niso bile zagrajene. Za njo je hitela dolga vrsta ljudi, ki pa ni mogla naprej, vsi so se navalili drug vrh drugega na onem prostoru in se na ta način zadušili; število mrtvih znaša 178, največ žrtev je bilo otrok.

Velika zmaga zaveznikov v Avstraliji

Zavezniki glavni stan v Avstraliji, 4. marca. — Zaveznška zračna armada je planile z vsilo silo na japonski konvoj ladij ter dosegla eno največjih zmag v tej vojni. Zaveznška letala so pogreznila Japoncem 10 bojnih ladij ter vseh 12 ladij za prevoz vojaštva. Najmanj 15,000 japonskih vojakov, ki so se vozili na treh transportnih ladjah je utonilo, ali so bili pa pobiti skoro do zadnjega moža in 55 bojnih letal so izgubili Japonci v tej bitki.

Pri vsem tem so pa izgubili zavezniki samo en bombnik in tri bojna letala. To je bila ena največjih zmag, kjer so stopila v boj letala proti ladjevju.

Zavezniki so napadali japonsko ladjevje ves dan v terek in še v sredo kljub slabemu vremenu. Japonci so vozili ojačenja na Novo Gvinejo, ko so jih zaveznška letala opazila še v pondeljek in jih napadla. V pondeljek so zavezniki potopili Japoncem štiri ladje iz konvoja, druge pa v terek in sredo.

Zavezniki glavni stan trdi, da je bilo v transportu najmanj 15,000 japonskih vojakov, ki so imeli ojačiti čete na Novi Gvineji in da so našli smrt v tem napadu vsi do zadnjega moža.

Japonska letala so skušala braniti flotilo, toda zaveznški letalci so jih klatili kot hruške. Letalci so iskali japonske ladje ter jih iz nizke višine pošiljali s dobro namerjenimi bombami na dno morja, ali jih pa poskovali tako, da ne bodo dolgo ostale na površju. S to zmago zaveznikov so izgubili Japonci že 510 ladij od napada na Pearl Harbor.

35-LETNICA POROKE

Chicago, Ill.—Odlični slovenski par Mr. in Mrs. Frank Grill, lastnik pralnice "Parkview," praznujeta te dni 35-letnico, kar sta se zela. Vzgojila sta dve hčerki, ki sta poročeni, in dva sina, ki sta zdaj pri vojakih. Starejši, Charles, je bil doma poslovodja pralnice, sedaj pa je sergeant; mlajši, Dr. Frank Grill, je pa vojaški zdravnik v činu prvi poročnik. V nedeljo, 7. marca je bila za slavljenca slovenska sveta maša v cerkvi sv. Stefana; naročila sta jo sinova.

Obema slavljenca iskreno čestitamo in jima želimo, da bi ju Bog ohranil zdrava, vesela in srečna še mnogo let!

SREČNI RIBIČI

Gloucester, Mass.—Nedavno se je z ribolova na visokem morju v to luko vrnila ribiška ladja "Olivia Brown" z bogatim plenom ujetih rib. Ti ribiči, devet po številu, so bili v letu 1942 zelo srečni, kajti vrednost njih skupnega plena je znašala \$68,625, ali \$7,625 na vsakega posameznega ribiča. To je bil tudi najboljši ribolov tekom zadnjih 300 let, odkar se to mesto največ bavi z ribarjenjem.

DOPLSI

O TEM IN ONEM IZ PITTSBURGHA

Pittsburgh, Pa.—Po dveh mesecih se zopet oglašam s par vrticami. V starem kraju so rekli, da Valentinov dan, ko se ptički ženijo, oznanja pomlad...

Aprila meseca bo dve leti, ko sem prejela zaželjeno pismo od moje sestre, ki je pri nunah na Reki (Fiume). V tem pismu pravi, da je prišel škof ter jim povedal, da je dobil povelje, da morajo 3. aprila vsi zapustiti mesto...

Te dni bo šlo od nas zopet veliko fantov in mož k vojakom, pa se bodo spet odigravali prizori, kakor poje o njih naša narodna himna:

Draga mati je posila, Roke okol vrata vila, Je plakala draga mila: Tu ostani ljubi moj!

Hudo nam je pri sre, ko se poslavljajo mladi fantje, še težje pa je, kadar morajo iti tudi družinski očetje:

Otroci so zavpili: "Kaj bomo zdaj storili, Ko sta smo zgubili? On vsak dan delal je za nas In lepo učil nas."

"Otroci, molite, Boga ne pozabite, Ker On je stvarnik naš In pomočnik!"

"Mi bomo molili, Te angeli varihu zročili, Da bi te varoval povod, Koder hodil boš."

"Vsak dan bomo molili, Boga srčno prosili, Da bi srečno zmagala Demokracija."

"Za vse vojake bomo molili, Goreče Boga prosili, Da bi se zdravi, veseli Vrnili nazaj Vsak v svoj ljubljeni kraj!"

Končno pa želim srečno in veselo godovanje vsem Jožetom in Pepcam, kjerkoli se nahajajo! Pozdrav vsem čitateljem tega lista!

Ivana Keršul.

GLAS IZ GILBERTA

Gilbert, Minn.—Ker zelo rada prebiram dopise v našem Glasilu, zato sem se tudi jaz namenila sestaviti nekaj vrtic.

Dosti se piše iz starega kraja. Če je vse res—Bog daj, da ne—bi bilo že polovico istega strašno. O tem se bomo prepričali in naredili pravo sodbo šele po vojni, ali po tem strašnem klanju.

Čudno, prav malo ali nič se pa ne bere, da bi se komu smilili tudi naši sinovi, ki na raznih sovražnih frontah tudi strašno trpijo ter prelivajo svojo kri. Včasih kdo trdi, da je sladka smrt za domovino; jaz pa mislim, da je ravno tako grenka, ali pa še bolj, če sin—edinec daleč od svojih umira v hudih bolečinah, ali se potaplja na visokem morju...

Pred seboj imam neki ilustriran tednik, kjer so razne slike iz vojne. Jako ganljiva je slika bojev na Salomovih otokih in na Guadalcanalu, ko pokopavajo naše ameriške fante, ubite od Japoncev.

Ban Šubašić je opozarjal ameriške Hrvate na njihove dolžnosti napram Ameriki. Vse hrvaške sile morajo biti na razpolago ameriškim Zedinjenim državam; v drugi vrsti pa borbi Srbov, Hrvatov, Slovencev in Bolgarov ter njihovi osvoboditvi. Hrvati, ki so ponosni na svoje ime in svoj slovenski značaj, se morajo nasloniti na Balkan, na katerega bodo vsi Srbi, Hrvati, Slovenci in Bolgari živeli v svobodi — optri na Rusijo in na druge slovanske sile na svetu.

Pozdravnim govorom so sledili trije referati. Predsednik Butković je v prvem referatu razložil položaj v Zedinjenih državah in borbo hrvaškega napada v Jugoslaviji. Obsodil je ubojstva, ki so jih zagrešili ustaši nad bratskim narodom in izjavil, da je bodočnost južnih Slovanov nerazdružljiva in da morajo živeti v enotni svobodni narodni skupnosti.

Drugi referat—o Hrvatih v domovini—je prečital ban Hrvatske, g. dr. Ivan Šubašić. Napravil je globok zgodovinski pregled demokratičnih tradicij hrvaškega naroda in njegovih bojev za zmago demokratičnega načina vladanja, od najstarejših časov pa do danes. Pokazal je, da je že najstarejša organizacija rodbine, vaškega življenja, župe, banovine in

čistijo šolske prostore ali pa perejo brisače; to je prav lahko delo. Za to sem tudi jaz prosila šolski odbor, da bi si s tem zaslužila saj, za zdravila, ker imam hudo nadušo, a so mi prošnjo zavrnili, češ, da lahko živim z \$37 na mesec, katere mi pošilja moj sin-vojak. Čudno, druge tudi dobivajo od sinov tako podporo, pa vseeno delajo v šoli in ne rabijo nobenih zdravil! V šolskem odboru so trije Slovenci in trije druge narodnosti. Pomislite, pa je bil baš en Slovenec zoper mene. To je dokaz, kako se naš narod drži znanega gesla: "Svoji za svojega!" Pa ne smem reči, da so povsod in vsi taki, se dobijo tudi dobra slovenska srca, ki so mi že večkrat pomagali in vsem tem najlepša hvala!

S pozdravom, Frances Tanko, članica društva št. 196.

Kongres ameriških Hrvatov

Chicago, (JIC) — Dne 20. in 21. februarja je bil prirejen v Chicagu kongres ameriških Hrvatov, katerega se je udeležilo 927 registriranih delegatov.

Kongresu so prisostvovali ban Hrvatske, dr. Ivan Šubašić, minister na razpoloženju, g. Sava Kosanović, g. Zlatko Baloković, predsednik Slovenskega Ameriškega Narodnega Sveta, g. Etbin Kristan, predsednik občine Chicaga, mayor Kelly in senator Claude Pepper iz Floride.

V svojem pozdravnem govoru je predsednik kongresa, g. Butković, naglasil lojalnost Hrvatov napram Zedinjenim državam in podaril, da je cilj kongresa vseh Hrvatov zrušiti fašizem ter podpirati borbo in odpor bratov v stari domovini.

Mayor Kelly je v svojem govoru hvalil lojalnost Hrvatov mešča Chicaga in dejal, da delajo sijajne napore v prid Amerike in so v vzgled vsem narodnim skupinam, iz katerih se sestavlja to veliko mesto.

Ban Šubašić je opozarjal ameriške Hrvate na njihove dolžnosti napram Ameriki. Vse hrvaške sile morajo biti na razpolago ameriškim Zedinjenim državam; v drugi vrsti pa borbi Srbov, Hrvatov, Slovencev in Bolgarov ter njihovi osvoboditvi. Hrvati, ki so ponosni na svoje ime in svoj slovenski značaj, se morajo nasloniti na Balkan, na katerega bodo vsi Srbi, Hrvati, Slovenci in Bolgari živeli v svobodi — optri na Rusijo in na druge slovanske sile na svetu.

Kongres je poslušal nato čitanje resolucij, v katerih se med drugim povdarja udanost in zvestoba Hrvatov ameriški domovini in njenim demokratičnim ustanovam; ustanovljen je stalni odbor za koordinacijo vojnega napora ameriških Hrvatov; kongres protestira pred Ameriko in pred vsem svetom proti brezvestnemu žaljenju časti in imena ameriških Hrvatov in hrvaškega naroda v domovini; nadalje obsoja kongres na najostrejši način zloglasnega izdajalca Pavelića in njegove ustaške tolpe; protestira proti kvizlinškemu režimu in njegovim zločinom; zahteva, da jih zadene zaslužena kazen in da se Jugoslaviji povrnejo neokrnjena vsa njena ozemlja in vse imetje, narodno in zasebno;

Kongres protestira proti vsem aneksijam na škodo Jugoslavije, proti aneksiji Istre in Gorice; posebno tudi proti aneksiji Dalmacije in Hrvatskega Primorja ter Medmurja — hrvaških ozemelj, katere ja zločinski kvizling in zločinec Pavelić na izdajalski način izročil sovražniku; hrvaški narod želi živeti v skupnosti z jugoslovanskimi narodi, Srbi, Slovenci in po možnosti tudi Bolgari, v svobodi in enakopravni državi, zgrajeni na principih federacije in demokracije; kongres pozdravlja vse bore za svobodno Jugoslavijo, ki s svojim junštvom pomagajo zaveznikom; predlaga, da se osnuje skupni odbor Amerikancev jugoslovanskega porekla, v katerem naj se združijo predstavniki centralnih organizacij vseh ameriških Hrvatov, Srbov in Slovencev in Bolgarov, ki so iskreno pripravljene odstraniti vse, kar v teh težkih dneh slabi lase ameriškega naroda; forum hrvaškega kongresa prevzema nalog, pozvati na skupno delo vse omenjene jugoslovansko-ameriške centralne organizacije; ameriški Hrvati ustanove stalni odbor, ki bo najvišji forum za reševanje vseh problemov citiranih v resolucijah. Ta odbor bo mogel razpustiti edinole sklep kongresa ameriških Hrvatov.

KAJ SE GODI V ITALIJI

Poroča J.I.C., N. Y. Nedavno je moral Mussolini na zahtevo nemškega poslanika Mackensena preklicati izjavo svojega prijatelja in najboljšega propagatističnega sotrudnika Virginio Gayde. Kaj je v ozadja te zadeve

V svoji izjavi je Gayda med vrticami popočno odkrito in priprosto priznal, da je osiše obzogeno in poraz v tej vojni neizogiben. Toda čemu je tako Gayda govoril? Ali se mu je zdel vojaški položaj osišca in morda prav posebno italijanski vojaški položaj obupen? Ali je hotel le izraziti splošno občutljivega italijanskega naroda? Morda je sprevidel, da se Italija nahaja v hudi zadregi, iz katere se to mogla rešiti le, ako zapusti osiše še predno je docela se izgubljeno.

Tako ali tako, Gayda je govoril resnico. Položaj Mussolinija, ki se je ponizal do pokornega in slepega Hitlerjevega hlapca, je obupen. Pred dvema letoma se je predzrnil napasti Francijo, ker je mislil, da bo brez težav in žrtev nagrabil ogromnega plena. Toda to so bile samo prijetne sanje, iz katerih so se surovo prebudili Angličani — udarili so ga naprej po prstih, potem pa preko glave in zdaj je Italija uničena v gospodarskem, političnem in vojaškem pogledu.

Neki Italijan je pred kratkim v Rimu šel v kavarno, vzel časopis in prečital naslovno stran, potem pa besno vrzel časopis na tla in odšel. Vprašali so ga, zakaj je prebral le prvo stran, na kar je odgovoril, da je iskal oznanilo smrti

"Toda posmrtni oglasi izhajajo vendar na zadnji strani." "To je že res, toda za tega moža bi bil izšel na prvi strani." Mussolini je nekaj pripisoval vse uspehe italijanske politike in vojne izključno le samemu sebi. Zdjaj bi moral isto tako pripisovati sebi tudi vse italijanske neuspehe. Teh neuspehov je vsak dan več — italijanska vojska doživlja poraze na vseh bojiščih. Dozdaj so se dogajali daleč onkraj italijanskih meja in narod je le duševno trpel. Danes pa udarci že padajo na italijansko ozemlje, a med narodom nastaja panika, a med narodom nastaja panika. Britanske podmornice se vzpno na površino morja in s topovi obstreljujejo železniške vlake, električne centrale in druge objekte na italijanski obali. Italijanski narod je v precepu alternative — brezpopojne podaje ali popolne propasti.

OFFICIAL NOTICE

FROM THE OFFICE OF THE SUPREME SPIRITUAL DIRECTOR

Dear K. S. K. J. Members:

The time for performing your Easter Duty will begin on the first Sunday of Lent, March 14 and will continue until Trinity Sunday, June 20. Most of the societies have general Communion. A great turnout at the society Communion is not only an indication of the society's strength, but is a good example to the rest of the parish. Those who do not receive with the society must give satisfactory proof to the Society Officers of having received. Testimonial certificates have been sent to each Secretary for every member of the KSKJ. These are to be used as in the past, in whatever manner is approved by the Pastor.

Due to the fact, that the members of some of our lodges, especially in large cities, are not all members of the same Parish, the usual Easter Duty Report has been amended to include the names of more Pastors. Each Pastor will testify only in regard of those belonging to his Parish. On page 2 of the Easter Duty Report, there is place for the names of those members who have not performed their Easter Duty. Heretofore, we generally had to write back for these names and addresses. The reason why the member hasn't received is also to be given if this is known. For those in the Service it is sufficient to mention the number only.

The Society Officers are cooperating with us in excluding from membership those married outside of the Church, but there may still be some who are slow in taking action in these marriage cases. For that reason page 3 of the Easter Duty Report has place for the names of those who have violated the Church Marriage Laws. We are to be notified at once of any violations of the Church Marriage Laws. This request for the insertion in the yearly report of any such violation is to remind the Society Officers of their responsibility in this regard.

We hope that all our members will remember their duty to God in this time of crisis. With so many boys and young women in the Service there should be daily prayers by every Catholic for victory and the safe return of our soldiers. In fact, instead of just one Holy Communion during the Easter time frequent Communion would move God to bring us a speedy victory. Now is the time not to forget God so God will not forget us.

Fraternally yours,

REV. M. J. BUTALA.

The Jerin Butchers may lack meat but they had plenty of punch in downing the Zeleznikar Fuels twice. Although Frank Gottlieb with 579 and Louie Rabetz with 556, topped the best efforts of the winners, namely, Vincent Novak, 515 and Carl Strupeck 504, the teamwork of the Butchers enabled them to subdue the Fuels.

Banich, 517, sweated for the lost cause.

Kosmach 2, Korenchan 1

COMPETITION TIGHTENS AS JOLIET SWINGS INTO SECOND HALF OF SCHED

Joliet, Ill. — March not only brings strong winds, but also strong competition in the Joliet Ladies' KSKJ Bowling League. Moving well into the second half of the season, we have the Peerless Printers and Schlitz Beers tied for first place, with the Verbiscer Press behind them by just two games.

The Verbiscer Press put on the steam to defeat the Allen's Orange Crush three games. All members of the winning team hit good scores to total series in the 400's. Mae Mutz topped the winners with a 480 series. Gen Laurich marked up three good games to total a series of 460. Captain Vida Zalar scored high for the losers with a 484 series.

A regular nip and tuck battle was staged on alleys 9-10

as the Peerless Printers took two games from the Schlitz Beers. As a result of their two wins, the Printers moved up to a first place tie with Schlitz. Agnes Govednik went on another high-scoring spree to lead the winners with a 508 series. Jule Camp did some good climbing each game to help her team along and total a 449 series. Mary Salesnik cleaned up the alleys good and proper the first game to chalk up a nice 213 game. It was Mary's first 200 game this season in the KSKJ league. She's been working up to it with her good scoring each week, and finally broke the ire last Thursday. Mary was high for the losers with a 519 series. Bernadette

YOUR FEDERAL INCOME TAX

Items Exempt From Tax

There are also exempt from tax amounts received by gifts, bequest, and devise, but income derived from any amounts or property so received is subject to the tax.

Interest on obligations of a State, Territory, or any political subdivision thereof, or the District of Columbia, or possessions of the United States, is exempt from tax and, also, the interest on obligations of the United States issued prior to March 1, 1941, to the extent provided in the Acts authorizing their issue. For the manner of reporting such interest the instructions accompanying the return should be consulted. The same applies to interest on obligations issued prior to March 1, 1941, of a corporation organized under an Act of Congress if such corporation is an instrumentality of the United States.

Amounts received through accident or health insurance or under workmen's compensation acts for personal injury or illness, and damage received on account of such injuries or illness, are tax exempt and need not be reported as income.

Pensions and compensations received by veterans from the United States for services in time of war are exempt, and pensions received from the United States by the family of a veteran in time of war are also exempt.

Amounts received as a pension, annuity, or similar allowance for personal injuries or sickness resulting from active service in the armed forces of any country are also exempt.

Also exempt and not required to be reported is the rental value of a dwelling house and furnishings provided a minister of the gospel as part of his compensation.

Persons in the military or naval service at the close of the taxable year, below commissioned grade, are exempt from tax on their compensation received for such service, up to \$250 in the case of a single person and \$300 in the case of a married person.

Credit for Dependents

A taxpayer is entitled to a credit for each person other than husband or wife, whether related to him or not, and whether living with him or not, who during the taxable year was dependent upon and received his chief support from the taxpayer, provided the dependent was either (a) under 18 years of age, or (b) incapable of self-support because mentally or physically defective.

The credit for dependents is based upon actual financial dependency and not mere legal dependency. It is not necessary that the dependent be related to the taxpayer, but the taxpayer must have provided more than one-half of the support, or there is no dependency.

The term "mentally or physically defective" includes not only those who are mentally afflicted and physically crippled, but also persons who, by reason of old age or impaired health, are incapable of self-support. The state of mental or physical defect need not be of a permanent nature, but if it existed for only a portion of the year, then the credit for dependent can be claimed only for that portion of the year during which the dependent was supported by the taxpayer.

A person may not acquire a credit for dependents by reason of support of a person qualifying as a dependent if, as a result of such support he acquires a head of family exemp-

tion, but may acquire a credit for dependents by reason of additional persons qualifying as dependents, whom he supports. Thus, if a person claims head of family exemption on account of support of an aged mother or father, incapable of self-support, or a child, he would not be entitled to a credit for such dependent; but if he supported more than one such person he could claim credit for such additional persons provided they were under 18 years of age or incapable of self-support.

Credit for dependents may not be divided between two persons filing separate returns, but must be taken by the one contributing the chief support. A credit for dependent may be claimed by a father who provides the support for his children living with his divorced wife, if the support is provided as the result of a court decree or as the result of an agreement between husband and wife.

The credit for a dependent, allowable to a taxpayer filing on Form 1040, is \$350 and is proportionable with the number of months of dependency. Thus, for a child born on July 1, the credit allowable would be \$175 (for six months), and if a child became 18 years of age on July 1, the credit allowable would be \$175. One-half a month or less is not counted as a month; more than one-half a month is counted as a month in calculating the credit.

A credit of \$385 for each dependent on July 1 of the year is allowable to a taxpayer using Simplified form 1040A.

Normal Tax and Surtax

The Federal income tax payable on the taxable income is divided into two parts, known as normal tax and surtax. The sum of these two taxes, in all ordinary cases, represents the total tax due. The exceptions arise in cases where there have

been specified capital gains or losses, in which case an alternative computation is permitted provided there are net long-term capital losses; or in cases where the taxpayer holds bonds with a tax-free covenant (bonds in which the issuing corporation pays part of the income tax on the interest), in which case a deduction of the amount paid by the corporation is allowable against the tax computed on the return.

The surtax is computed at variable rates, depending upon the amount of the surtax net income. The surtax net income is the amount of the net income of the taxpayer (gross income less deductions) less the personal exemption and the credit for dependents. This is the amount shown on line 23 of the income tax return, Form 1040.

On the first \$2,000 of surtax net income, the surtax is 13 per cent of the surtax net income. On surtax net income over \$2,000 and not over \$4,000, the surtax is \$260 plus 16 per cent of the surtax net income above \$2,000. On surtax net income over \$4,000 and not over \$6,000, the surtax is \$580 plus 20 per cent of the amount of surtax net income above \$4,000. The rate increases as the amount of surtax net income increases. The computation of the tax for each income block is given in a table accompanying the return form.

The normal tax is calculated on the "balance subject to normal tax," which is shown on line 26 of the income tax return, Form 1040. The balance subject to normal tax is the surtax net income less the earned income credit, less interest received on certain types of U. S. Government bonds and bonds of Federal instrumentalities, and less dividends on share accounts in Federal savings and loan associations issued prior to March 28, 1942. The computation of the earned income credit is set forth in Schedule E of the return Form 1040, and in Instruction 25 accompanying the return form.

The normal tax is 6 per cent of the "balance subject to normal tax," whatever the amount.

For persons filing a Simplified Return the normal tax and surtax, as well as the earned income credit, have been consolidated into one computation which is set forth in a table on the back of the return for each size class of income to this table to determine the correct amount of tax due. Any individual whose total income for the year is not in excess of \$3,000 and was wholly from salary, wages, or other compensation for personal service, dividends, interest, or annuities, may use a Simplified Return (Form 1040A).

Earned Income Credit

In arriving at the amount of tax due on the taxable income of individuals, a credit, known as "earned income credit" is allowable against income in computing the "normal tax." The amount of earned income credit is entered on line 25 of the return Form 1040, and the computation of the earned income credit is shown in Schedule E of the return form. The manner of computation is set forth in Instruction 25 accompanying the form. The earned income credit is defined by law as 10 per cent of the earned net income, but not in excess of 10 per cent of the net income; but this definition is subject to certain qualifications. There are three major qualifications.

First, if the taxpayer's net income (that is, the amount shown on line 19 of the return) is not greater than \$3,000, then the earned income credit is taken as 10 per cent of the net in-

come; that is, the entire net income is considered as earned net income.

Second, if the taxpayer's net income exceeds \$3,000, then the earned income credit is taken as 10 per cent of the net income or the earned net income, whichever is the smaller, but in any case at least \$3000.

Earned net income is defined as the "earned income" less the "earned income deductions." "Earned income" is earnings from employment, that is, earnings from wages, salaries, professional fees, tips, bonuses, and the like. The "earned income deductions" are the ordinary and necessary expenses incurred in connection with such employment. (The amount of such expenses must be explained by an itemized statement.)

Ordinarily, the earned net income is the amount carried into the return on line 1 of Form 1040. If, however, the taxpayer is in business for himself and is reporting most of his income on Schedule H—Profit (or Loss) from Business or Profession—a maximum of 20 per cent of his share of the net profits of such trade or business may be considered as earned income in arriving at the amount of earned net income.

Third, the maximum earned income credit which any taxpayer may take is \$1,400. This maximum would occur when both the net income and the earned net income were \$14,000 or more.

For persons filing a Simplified Return, it is necessary to compute the earned income credit, as this has been consolidated into the computation of tax shown in the table on the back of the return form. It is necessary only to refer to this table to arrive at the correct amount of tax due. Any individual whose total income for the year is not in excess of \$3,000 and was wholly from salary, wages, or other compensation for personal service, dividends, interest, or annuities, may use a Simplified Return (Form 1040A).

Personal Services

The first item of income to be entered in the Federal income tax return is "Salaries and Other Compensation for Personal Services." This item includes, in general, all earnings and compensation from employment, and other income of a personal nature, such as prize winnings and the like. Compensation for personal services includes commissions paid to salesmen, compensation for services on the basis of percentage of profits, commissions on insurance premiums earned by insurance salesmen or agents, bonuses whether in cash or securities or goods, the value of board and lodging (where such is not provided for the convenience of the employer), earnings paid for groceries, goods, or services (at the market value of such goods or services), and the like.

It includes the salary of a clergyman, as well as marriage fees, baptismal offerings, sums paid for saying Masses for the dead, and other contributions received by the clergyman or priest, and not paid to the church. The rental value of a parsonage supplied is, however, exempt and need not be included; but if no parsonage is furnished and instead an allowance for a parsonage or quarters is given, the amount of this allowance must be included as income.

Transportation charges paid by the Government on account of the transportation of families of military and naval personnel are in the nature of ad-

Bluth had a nice 178 her second game.

The Joliet Engineers dropped two games to the Tezak Florists. Neither team bowled up to par. Dot Zlogar paced the winners with a 421 series. Jo Stephen had a lot of tough luck with splits all night and totaled only a 394 series, which was high for the losers.

The last place Joliet Office Supply team trounced the Hickory St. Markets three games. After a long last place engagement the Joliet Office Supply team is slowly moving out of the pit and into the open again. The three-game victory is credited to Mayme Umek's consistent good bowling and her 497 series. Donna Wilhelm got back into her old stride again by hitting a series of 433. The Hickory Markets have really been down on their scoring the last couple of weeks. Gen Golobitsh was high with a 409 series.

SPLITS: Jule Camp cleaned off the 2-3-7-9 and 5-7; Florence Benedick the 5-7; Betty Martincich the 4-7-10.

HIGH GAMES: Ann Mutz 163; Mary Salesnik 213; Mayme Kren 174; Mae Mutz 167, 178; Vida Zalar 182; Margaret Dolinshek 164; Jule Camp 167; Agnes Govednik 168, 183; Bernadette Bluth 178; Betty Martincich 166; Mayme Umek 187.

With all the teams neck and neck there should be some good close battles fought in the remaining games.

Schedule for March 11: Schlitz Beer vs. Joliet Office Supply; Tezak Florist vs. Verbisser Press; Allen's Orange Crush vs. Hickory St. Markets; Joliet Engineers vs. Peerless Printers. The Snoop.

ditional compensation and must be reported as income; but the allowances for quarters and for subsistence are exempt.

Persons in the military or naval service of the U. S. at the close of the taxable year, below commissioned grades, are exempt from taxation on compensation received during the year for such service up to \$250 in the case of a single person and \$300 in the case of a married person, and the exempt amount may be excluded in showing compensation received.

Old age and retirement pensions, except those paid by the U. S. to war veterans, must be reported, but where the employee has made contributions toward the pension fund, only a portion of the pension is considered as income. (For the manner of treatment of such compensation see Instruction 7 of return Form 1040).

The earnings of a professional man, such as a lawyer or doctor maintaining his own office would not be entered under Item 1 as compensation for personal services, but under Item 9—Net Profit (or Loss) from Business or Profession. For purposes of the earned income credit (Item 25 of the return form), however, his professional income is considered as compensation for personal services.

The ordinary and necessary expenses incurred in connection with one's employment may be deducted in arriving at the net amount of salaries and other compensation for personal services. The amount of such expenses is shown on the same line the income and the net amount is entered. An itemized statement of such expenses must, however, be attached to the return.

A SOLDIER WRITES

As a member of the KSKJ now stationed somewhere in the South Pacific area with the U. S. Air Force, I thought that I would drop a few lines to greet Our Page and our fighting men all over the world.

My branch of service is one of the most noble of causes to serve our country. I was inducted into the Air Corps at Jefferson Barracks, Mo., by Major Cummings. After being sworn in we were told that a tough task is ahead of us. Also that vacation was over and that it was time to dig in, for the harder we would work the sooner victory would be ours, and the sooner we would return home. After a period of hard drilling I was appointed director of a hundred voice choir. We sang High Mass every Sunday at the St. Louis Cathedral and also had the pleasure of singing on the Ave Maria Hour, NBC network. Subsequently late last summer we hit for the South Pacific.

To my Chicago bowling friends! Hats off to Mr. Terselich who came through with ten teams, a fine showing, inasmuch as so many boys are in the armed forces. To all the bowlers and their friends, greetings, and keep the sport rolling.

To all KSKJ members! Keep them flying, and think of the boys in the service, for we are thinking of you back home. And don't forget that a line or two from home is worth a million.

STREAMLINED TOWBOAT

Mark Twain's shade will look down in amazement when the first streamlined towboat to sail the historic Mississippi waterways goes into active service this month.

Gone is the ornately carved woodwork and the gilt paint, and in its place are streamlines of steel.

The new ship, the "Sohioan," was built for The Standard Oil Company of Ohio to serve as a towboat in the transportation of petroleum products on the Mississippi waterways. With 2400 h. p., the "Sohioan" is the most powerful diesel towboat on the river, and will handle from ten to twelve barges, each loaded with 9,000 barrels of oil—the equivalent of four miles of tank cars.

Embodying many new principles in river boat construction, models of the boat were tested in a test tank at the Stevens Institute of Technology at Brooklyn, N. Y., before construction was begun.

The towboat, which is welded throughout and air-conditioned except in the engine room, is 160 feet long, has a 38-foot beam and draws 6½ feet of water. She will use crude oil for fuel.

In order to maneuver the "Sohioan" and her barges, which will total nearly 1000 feet in length, the ship is equipped with triple screws and with six backing and three steering rudders.

White Front Liquors Trim The Eagle Team Twice

The White Fronts kept up their consistent winning ways by taking two games from The Eagle store team on scores of 800, 949, and 885 to 770, 847, and 900. The White Fronts were paced by John Azman's 565 and John Bluth's 534 series while The Eagle team was led by John Culik's 546 and Joe Zalar's (Sr.) 533 series. It was the strong finish of John Culik and Joe Zalar Sr. that helped the Eagle team to salvage the last game by a margin of 15 pins, and John Azman's 236 game helped the White Fronts in their 949 game.

Strikes and Taps . . .

The Avsec team came thru with flying colors to top the previous first place (tied) Slovenic Coals . . . thus taking undisputed possession of the top rung . . . the two team's members really "ribbed" one another . . . and got help from the spectators also . . . the verbal barrage was very thick . . . reminded one of the famous London fogs . . . John Culik's "back-up" was in the groove . . . working almost perfectly . . . his average going up lately . . . Roy Keith, after a few weeks absence on account of work, came up with a nice 508 series . . . he really throws a "contortionist's" screw ball, a perfect wide sweeping round-house . . . with his good control . . . we were glad to see Johnny Mutz back . . . had to work on the night shift for five weeks . . . one of our former bowlers, Bob Vranesic of the U.
