— Te vesti so bile pripravljene včeraj popoldne —

Indira Gandhi ubita v atentatu — Njen sin Rajiv sestavlja novo vlado — Atentatorja sta Sikha — Poulični izgredi

DELHI, Indija — Preteklo sredo popoldne je bila ubita 66-letna predsednica indijske vlada Indira Gandhi. Atentatorja sta bila člana njene osebne straže. Bila sta po narodnosti Sikha in menda sovražila go. Gandhi, ker je bila junija letos odredila srdit in krvavi napad vojske na sikhsko versko svetišče v Amritsarju. V napadu je menda ubitih več kot 1000 Sikhov. Poročila o atentatu si nasprotujejo, vendar je bila ga. Gandhi večkrat ranjena. Bila je v nezavesti, ko so jo prepeljali v bolnico, vsa prizadevanja zdravnikov so bila zaman.

Indira Gandhi je vodila indijsko vlado vsega skupaj 16 od zadnjih 18 let. Njen oče je bil Jawaharjal Nehru, ki je pa bil predsednik vlade od indijske neodvisnosti 1947. leta vse do svoje smrti l. 1964. Indira Gandhi je prvič postala predsednica vlade 1966. leta. Bila je močna in odločna osebnost, ki je gojila tesne odnose z ZSSR, ni pa dosti marala ZDA.

Vodstvo vodilne kongresne stranke je izbralo edinega še živečega sina Indire Gandhi, 40 let starega Rajiva Gandhija, za novega predsednika vlade. Rajiv Gandhi nima dosti političnih izkušenj, ker ni postal politično aktiven, dokler se ni z letalom smrtno ponesrečil pred 4 leti njegov mlajši brat Sanjay Gandhi. Ga. Gandhi je bila namreč izbrala Sanjaya Gandhija za bodočega voditelja Indije. Po Sanjayeve smrti pa je vplivala na Rajiva, naj on postane politik. Rajiv Gandhi je bil v službi kot pilot potniških letal, njegova žena je Italijanka.

Opazovalci indijskih političnih razmer so deljenega mnenja o Rajivu Gandhiju. Neki trdijo, da ne bo kos svoji nalogi, drugi pa menijo, da je zelo inteligenten, čeprav za politika precej pasiven, in bo vreden naslednik svoje matere.

V raznih indijskih mestih je po atentatu prišlo do pouličnih izgredov, v katerih so hindujci napadli sikhe. Kot kaže, bo policija in vojska sposobna tem izgredom napraviti konec. Državni tajnik ZDA George Shultz se bo udeležil pogrebne obreda v imenu ZDA.

Volitve bodo v torek, 6. novembra — Vse kaže, da bo zmagal z zelo veliko večino premagal Walterja Mondala

WASHINGTON, D.C. — Konec letošnje volivne kampanje bo prihodnji torek, 6. novembra, ko bodo predsedniške volitve. Najnovejše ugotovitve razpoloženja volivcev potrjujejo, da je prednost predsednika Reagana skoraj rekordno visoka pred demokratskim tekmečem Walterjem Mondalom. Nekateri politični analitiki menijo celo, da bo predsednik dobil več kot 60 odstotkov vseh oddanih glasov ter da ima možnost zmagati v vseh 50 zveznih državah.

Republikanski strategji želijo, da bo Reaganova zmaga ogromna, ker upajo, da bo s tem izvoljenih veliko več kongresnikov, senatorjev in guvernerjev. Republikanci bodo najbrž ostali v večini v zveznem senatu, demokrati pa v predstavnikiškem domu.

Walter Mondale še vedno trdi, da bosta on in Geraldine Ferraro zmagala na volitvah, vendar je ta možnost sedaj povsem izključena.

Jutri bo pogreb od poljskih policistov ubitega duhovnika Rev. Popieluszkega — Zarota stalinistov zoper gen. Järuzelskemu?

VARŠAVA, Polj. — Potapljači so po večdnevem iskanju našli truplo od treh uslužbencev poljskega notranjega ministrstva ubitega duhovnika in vnetega nasprotnika komunizma, 37 let starega č.g. Jerzyja Popieluszkega. Oblasti so aretirale trije tajne policiste in jih obtožile umora. Vse kaže, da je v režim v skrbeh radi možne ostre reakcije poljske javnosti. Tako je režim dovolil, da je obdukcijo nad truplom Popieluszkega vodil patolog, ki ga je imenovala poljska Cerkev.

V pogovorih z zahodnimi novinarji, govorijo predstavniki režima gen. Järuzelskega, da je odgovornost za umor rev. Popieluszkega pri stalinistih, ki nasprotujejo v njih očeh populistovski politiki, ki ga vodi Järuzelski do oporečnikov in duhovščine. Pravijo, da iščejo tiste, ki bi naj bili v ozadju zločina, ki so ga zakrivali 33-letni stotnik Grzegorz Piotrowski, 29-letni poročnik Waldemar Chmielewski ter 32-letni poročnik Leszek P e k a l a .

Pogreb č.g. Popieluszkega bo jutri, v soboto. Opazovalci poljskih razmer menijo, da bo udeležba ogromna, ker je bil Popieluszki simbol odpora proti komunizmu več milijonom Poljakov.

— Kratke vesti —

Kmalu pogajanja na vojaški ravni med Izraelom in Libanom o umiku izraelskih enot iz južnega Libanona. Združeni narodi bodo igrali posredovalno vlogo.

Ekonomisti govorijo o obrzdanju ameriškega gospodarstva, vendar o kakem zastoju ni še mogoče govoriti. Inflacija bo zelo počasi napredovala, dolar je še vedno premočan v primerjavi z drugimi valutami, trgovinski primanjkljaj ZDA bo letos rekordno visoko — več kot 130 milijard dolarjev.

V Santiagu, Čile se je ponesrečil atentat na čilskega samodržca gen. A. Pinocheta.

Še o razstrelitvi partizanskega spomenika na Muljavi pri Stični

V torkovi A.D. smo poročali o razstrelitvi omenjenega spomenika 4 padlim partizanom. Prejeli smo kopijo članka, objavljenega v *Dolenjskem listu* z dne 18.X.1984. Članek ima naslov »Kdo je razstrelil spomenik?« in podnaslov »Gnusno dejanje organi za notranje zadeve še raziskujejo«. Sledi tekst v celoti: »MULJAVA — Po dokaj skopem poročilu republiškega komiteja za informiranje je ozadje razstrelitve partizanskega spominskega obeležja na Muljavi pri Stični še zmeraj zavito v skrivnost.

8. oktobra okoli 22. ure je bilo v Muljavi slišati močno eksplozijo, ki je raznesla obeležje, ki ga je v spomin na smrt štirih partizanov, ustreljenih 29. decembra 1944 iz sovražne zasede, postavila krajevna organizacija ZZB Muljava v neposredni bližini vasi. Omenjeno granitno obeležje je bilo sestavljeno iz granitnega podstavka in marmornate plošče, na kateri so bile izpisane tele besede: 'Po izdajstvu so 29. decembra 1944 tukaj pod streli iz zasede belogardistov izgubili življenje Alojz Bučar, Milan Kušar, Ivo Alič in neznani tovariši.«

V naslednji, torkovi A.D. bomo objavili dodatne podatke oz. članke. Ur.

Po obisku Ljubljanskega okteta in predstavnikov SIM

Poročali smo v našem listu o nedavnem obisku v našem mestu Ljubljanskega okteta, ki je podal 19. oktobra res izvrsten koncert v Slovenskem delavskem domu na Waterloo Rd. Glasbeno so bili pevci na višini, posebno v prvem delu koncerta, ko so zapeli več narodnih pesmi. Izstopala sta tu solista bariton Boris Bobek in basist Aleksander Sila. Drugi del koncerta je bil bolj narodnozabavnega značaja in za moj okus manj privlačen, čeprav bi se lahko vsi naši harmonikarji precej naučili od Toneta Puciharja, ki se je izkazal v tem delu koncerta in tudi pozneje, ko so člani okteta igrali za ples.

Odbor Slovenskega doma za ostarele je povabil okteta, da zapoje tudi za stanovalce te ustanove, ki v veliki večini ne morejo več na koncerte in druge prireditve. Pred krajšim nastopom je bilo kosilo, med katerim smo imeli priliko mlade fante srečati in se z njimi pogovoriti. Bili so zelo utrujeni po res naporni turneji, a kljub temu prijazni. Predvsem so nekateri omenili lep sprejem na koncertu v Fairfield, Conn. Med plesom po koncertu v SDD so prišli na oder tudi Fantje na vasi iz Clevelanda in sta zbora skupaj zapela nekaj znanih pesmi. Bil je prijeten trenutek, predvsem ganjeni so bili mnogi staronaseljenci; nekateri teh so »Fantje« prvič slišali.

Isti čas sta se mudila v Clevelandu tudi predsednik Slovenske izseljenske matice Matjaž Jančar in urednik *Rodna gruda*, Jože Prešeren. Gostovanje okteta ter obisk Jančarja in Prešerna sta bila pod sponzorstvom Progresivnih Slovencev Amerike, ki so tudi organizirale sprejemni oz. posvečevalni večer v SDD v četrtek, 18. okt., zvečer. Nisem bil na ta pomenek povabljen, a sem govoril z nekaterimi, ki so bili navzoči. Menda sta predstavnika SIM poudarjala pripravljeno Matice, da krepi sodelovanje z ameriškimi Slovenci. To sicer ni nič novega, kaže pa se, da skušajo to sodelovanje pospeševati. V glavnem odboru PSA imajo pri tem vso podporo. Druga zanimivost je v tem, da so pri Matici povsem sprejeli dejstvo, da ni več mogoče dosti računati na slovensko govoreči del naše skupnosti. V svojih zadnjih javnih govorih, govori generalni konzul SFRJ v Clevelandu, ga. Zofka Klemen Krek, večinoma angleško. Tako je govorila tudi na koncertu Glasbene Matice 20. oktobra, morda bo tudi tako na poslovnih slavnostih, ki bo na njen čast v Slovenskem narodnem domu 25. novembra. Kako bo na tej slavnosti, bom poročal, ker se je nameravam udeležiti.

Prebitek koncerta Ljubljanskega okteta — zbirali so tudi prostovoljne prispevke in menda precej nabrali — je bil namenjen posebnemu skladu za nakup opreme (»Treadmill«) za ljubljansko bolnico. Ta oprema, ki bo nabavljena v ZDA, menda stane \$55.000. Zanimivo je tu, da so akcijo sprožili v Sloveniji, kar pomeni, da še vedno »fehtajo« denar pri ameriških Slovencih. Predlagal bi, da bi Slovenija manj sredstev žrtvovala za podporo »osvobodilnih« gibanj po svetu, in bi lahko seveda koristno opremo kupila sama in brez tega za moj okus sramotnega beračenja. Drugi namen akcije pa je — in ta je po vsej verjetnosti za slovensko vlado najpomembnejši —, združiti čim več ameriško slovenskih ustanov in posameznikov v nekem skupnem prizadevanju. Dvomiti ni, da bo zdajšnji akciji za »treadmill« sledila druga,

Naš spomenik

CLEVELAND, O. - Že stari narodi so postavljali spomenike ljudem, ki so se izkazali v borbi proti sovražniku, jih častili in proslavljali. Tak spomenik so postavili tudi branilec Termopil. Na tem spomeniku je sledeč napis: »Popotnik, sporoči Špartancem, da ležimo tu mrtvi, ker tako je veljal ukaz domovine.«

Junija letos je minilo 40 let, odkar se je preko 130.000 zavezniških vojakov izkrcalo v Normandiji; to je bila največja invazija v zgodovini. Te obletnice se je udeležil tudi naš predsednik Ronald Reagan. Z njim je bilo še šest zavezniških predstavnikov, da se spominjajo zmage in praznujejo vse tiste, ki so izgubili življenje in pokazali junaštvo znamenitega »D-Day«.

Tam je preko 10 tisoč postavljenih belih križev in spomenik, kjer so predstavniki zavezniških držav polagali vence in se spominjali padlih za svobodo. Med temi predstavniki so bili še vojaki, ki so bili ta dan preživeli. Z žalostjo so se spominjali svojih soborcev, ki so izgubili življenje. Marsikomu, ki je gledal na vse to in se spominjal, solzne so bile oči.

Slovenci in Slovenke! Kje imamo mi tak spomenik? Spominjska kapelica na Slovenski pristavi, to je naš spomenik! Na kapelici je tudi vzdana plošča, komu je posvečena. Tam bodo to nedeljo popoldne molitve. Spominjali se bomo vseh, ki so izgubili življenje za svobodo. Vi vsi, ki ste mladi in že tu rojeni, vaši starši so vam pripovedovali o junaštvu teh mladih ljudi za svobodo. Pridite, da se tudi vi poklonite spominu teh!

Ve, slovenske mladenke, pridite, prinesite šopke, dvignite jih visoko, skupaj vsi, v pozdrav vsem!

O volitvah

Pretekli torek sem v A.D. pisal o nekaterih za Slovence zanimivih kandidatih, ki tekmujejo za razna mesta predvsem tu v Ohiju. Danes bi rad to poročanje končal, obenem pa bralcem svetoval, da gredo na volišča prihodnji torek, 6. novembra, in izpolnijo svojo državljansko dolžnost.

V okraju Cuyahoga bomo volili dva od treh okrajnih komišnerjev. Gre za republikanca Vincenta Campanello in Virgila Browna. Pripadata zmerno konservativni struji

tretja, itd.

Med obiskom v našem mestu sta Jančar in Prešeren govorila tudi o novi reviji v angleščini: *Slovenia International*, ki jo načrtujejo za prihodnje leto. Kot kaže, bo ta revija splošno informativnega značaja in torej ne kaka angleška *Rodna gruda*. Izhajala bo kot četrtletnik, poleg splošno informativnih člankov in ogromno slik, bo revijin glavni namen spodbujati zanimanje za Slovenijo v angleško govorečem svetu. Torej ne bo namenjena izključno ali predvsem izseljencem in njihovim potomcem, čeprav računajo na veliko naročnikov prav med temi. Namen revije je torej propagandni in ekonomski. Ko bo izšla prva številka, bomo o njej seveda poročali.

Belokranjci vabijo na veselo — Martinovaje —

Belokranjski klub prireja svoje tradicionalno martinovanje, ki bo v soboto, 10. novembra, ob 6.30 zvečer v veliki dvornani Slovenskega narodnega doma na St. Clair Ave.

Tako med svojimi prijatelji in znanci vsaj enkrat na leto obujemo spomine na naše vinske gorice in našo sončno vinsko deželico, Belo krajino, ki je še vedno močno zasajena z žlahtno vinsko trto. Že od davnih časov smo doma težko delali v vinogradih skozi celo leto, ali ko je grozdje dozorelo je bilo veselja ob trgatvi in prešanju vinskega mošta. Za praznik Sv. Martina so naše mamice obložile mize z raznimi dobrotami; tako smo z našimi sosedi in prijatelji nagnili kozarček žlahtne vinske kapljice na čast Sv. Martinu in na zdravje naših vinskih prijateljev, da bi še več let skupaj martinovali v veselem razpoloženju.

Tudi letos upamo, da bo naš vinski praznik lepo uspel. Vabimo vas, dragi prijatelji, pridite, da boste zopet z nami obujali spomine na našo sončno Belo krajino. Takoj po okusni Martinovi večerji bo kratek nastop ansambla Toneta Klepca iz Girarda, Ohio. Zapeli nam bodo nekaj vinskih pesmi, kar bo njihov prvi tovrstni nastop. Za ples in zabavo igrajo Dušan Maršičevići Veseli Slovenci.

Za rezervacijo miz, pokličite 481-3308 ali 289-0843. Vstopnice imajo tudi pri Tony's Polka Village na E. 185. cesti. Pri vhodu pa bodo vstopnice samo za ples (po 9. uri zvečer).

Nasvidenje!

— ANSAMBEL TONETA KLEPCA —

republikanske stranke, oba sta sposobna, imata pa močna demokratska tekmeca. Kot kaže, je Campanella na boljšem. Ugotovitve javnega mnenja kažejo, da vodi pred Mary Boyle, inteligentna poslanka ohijske zakonodaje. Brown, ki je črnc, ima več težav, ker ni tako priljubljen med črnci zaradi svojega mirnega in nevsiljivega značaja. Demokratski kandidat je 34-letni Benny Bonnano, nekdanji član clevelandskega mestnega sveta in sodelavec bivšega župana Kucinicha. Bonnano je zelo ambiciozen in je okrajno komišnerstvo le začasna postaja za pospeševanje svoje politične kariere. 64-letni Brown nima višjih političnih ambicij.

Za mesto okrajnega zapisničarja se tekmuje 34-letni demokrat Basil Russo in 67-letni republikanec Thomas

L. McSweeney. Eden ni vidno boljši od drugega. Za okrajnega blagajnika se pomerita 58-letni Francis E. Gaul, demokrat, in 41-letni republikanec Richard Sander. Boljši je Gaul, Sander je pa tudi sposoben. 60-letni okrajni inženir Thomas J. Neff ima republikanskega tekmeca v 51-letnem Ronaldu Stackhousu. Neff je menda boljši. Okrajni šerif Gerald McFaul ima nasprotnika v republikancu in bivšemu šerifu Ralphu Kreigerju. McFaul je dobro povezan z mnogimi Slovenci in je v mojem mnenju vidno boljši od Kreigerja.

Odrpta v okraju Cuyahoga so mnoga sodniška mesta. Dva sta predvsem zanimiva. Donald Nugent nasprotuje Herbertu Whitingu. Oba sta zelo sposobna, Nugent je morda malce boljši. Za mesto sodniškega 8. ohijskega apelacijskega sodišča kandidirata Basil M. Russo in Blanche Krupansky. Dejal bi, da je Krupansky boljša.

Končno, v mnogih mestih in okrajih so razni predlogi. Večinoma zahtevajo od vas več denarja ali vsaj nadaljevanje dosedanjih davkov. V Clevelandu bi pa omenil predlog, ki bi spremenil mestna pravila in dovolil ustanovitev poseb-

The Catholic Church Reaches the Slovenes

On the proposal of the Yugoslav bishop conference Pope Paul VI founded the Slovene ecclesiastical province on November 22, 1968. At its foundation it comprised the archdiocese of Ljubljana and the diocese of Maribor. The diocese of Koper, revived and territorially rounded off after the final delimitation between Yugoslavia and Italy, joined it on January 8, 1978.

Dr. Alojzij Šuštar, the archbishop of metropolitan of Ljubljana, defines its

significance in an extensive article. His ideas may be summarized into three points:

1. The Slovene ecclesiastical province realizes and represents the universal Church, that is why it must be one, holy, catholic and apostolic and connected with the universal Church.

2. It realizes and expresses historical, national, linguistic, geographical, cultural and other peculiarities of the local Church.

3. It asserts its position and

its special mission as one of the group of other partial Churches and ecclesiastical provinces.

Church History in Slovenia

An extensive article on the history of the Slovene ecclesiastical province was contributed by dr. France Martin Dolinar. He emphasizes the present Slovenian territory was Christian even before the arrival of the Slavs in the 6th century. This is shown by numerous archaeological remains, martyrs from the area and works of religious writers.

After the Slavs settled in the area the Christianity was accepted by Prince Borut of Carantania and the whole of Carantania became Christian during the reign of his nephew Hotimir (751-769). Christianity was spread in Carantania by Irish monks, among whom the best known are St. Virgil and Bishop Modest. The Slovene territory to the south of the Drava river accepted the Gospel of Aquileia.

Prince Rastislav of Moravia invited the holy brothers Cyril and Method to evangelize and teach in their native language. Pope Hadrian II gave no credence to German bishops' calumnies and approved their work (liturgical books in the vernacular language.) Cyril died young in Rome, while Method became the archbishop of Srem, Pannonia and Moravia. Svetopolk, the Prince of Moravia, forfeited both the political and the ecclesiastical independence of his country. A Latin diocese was founded in Nitra and pupils of the holy brothers were dispersed to the south. The Slovene language was

preserved in prayer formulas (the Brixen monuments, around 1000). Henceforth Slovene religious life was determined by Salzburg and Aquileia until Joseph II's reforms.

The first parishes gradually developed from the primeval parishes. The systematic division into parishes was accomplished in the 11th and 12th centuries. For example, the parish of Volče in the region of Tolmin is mentioned as early as 1015, and there were already 25 parishes in Carinthia in 1043.

After 1100 the first archdeaconries appeared. There were nine of them: Salzburg, Upper and Lower Carinthia, Pomurje, Aquileia, Carniola, Savinjsko, Upper and Lower Furlania and Tolmin.

Those were the times when the Slovenes suffered numerous misfortunes. Natural disasters (earthquakes, diseases) came one after another and the frequent Turkish assaults are of particular importance in this connection. The differences among the social classes were constantly increasing.

In the beginning of the 16th century Protestantism spread among noblemen and citizens. The first two books printed in the Slovene language, "The Spelling-Books" and "The Catechism" (1550) were written by Primož Trubar (1508-1586). The publication in 1584 of the Bible in Slovene, translated by Jurij Dalmatin (1547-1589) represents the climax of the protestant literature.

The Catholic revival was led by bishops Tomaž Hren (1597-1630) in Carniola, Jurij

Stobej (1584-1618) in Styria and Martin Brener (1585-1616) in Carinthia.

The influence of Joseph II on Slovene religious life was significant. He shut down a number of monasteries (13 in Primorska, 14 in Carniola, 10 in Carinthia and 32 in Styria) and fraternities. From 1782 to 1785 he thoroughly reorganized the parishes. On the proposal of Herberstein, the bishop of Ljubljana, he adopted the borders of dioceses to the borders of countries and districts. The Slovene territory was divided between the metropolis of Salzburg and Gorizia.

The establishment of the new State of the Serbs, Croats and Slovenes after the first world war brought a painful fragmentation of the Slovene territory. After the second world war there were considerable changes, especially on the western frontier. On Oct. 17, 1977 Paul VI united three apostolic administrations into the revived and enlarged diocese of Koper.

Numerical data about the Slovene ecclesiastical province were collected by Canon Rafko Lešnik. With a small exception in the diocese of Maribor, the borders of the Slovene ecclesiastical province are the same as those of the Republic and of the state.

According to the 1981 census Slovenia has a population of 1,884,047. Characteristic for the movement of population in the last decades is the increase in the urban population and the decrease in the rural population.
