Tanzanija hoče dati Idiju Aminu trd nauk

MOSKVA, ZSSR. — Včeraj sta se kozmonavta Vladimir Kovalyonok in Aleksander Ivančenko vrnili iz vesolja, kjer sta delala v vesoljskem laboratoriju Saljut 6 skupno 139 dni, 14 ur in 49 minut, dalj kot katerakoli skupina pred njima.

WASHINGTON, D.C. — Cene vsakdanjih potrebščin na debelo so v oktobru porastle za 0,9%, enako kot v septembru, kar naj bi bil dokaz, da inflacija še ne popušta. Predsednik Carter sam je včeraj v New Yorku dejal, da se bo položaj preje poslabšal, predno se bo končno obrnil na boljše. "Ne izgubite poguma. Vstrajajte z menoj. Vstrajajte z mojim programom in mi homo uspehi. Jaz ne mislim izgubiti." Ko je dolar na tujih denarnih trgih okrepil svoje tečaje, so papirji na borzi včeraj znova padli zaradi rastočih obrestih.

DETROIT, Mich. — Chrysler Corporation je včeraj objavila, da je Lee A. Iacocca, ki ga je H. Ford pretekle poletje odstavil kot vodnika Ford Motor Company prevzel vodstvo Chrysler Corporation, ki je imela v prav končanem tretjem letošnjem četrtletju veliko izgubo.

VILLAHERMOSA, Meh. — Včeraj je prišlo tu do eksplozije plinovoda, pri čemer je bilo 52 ljudi mrtvih, 21 pa ranjenih.

LUSAKA, Zamb. — Rodezijske letalske sile so včeraj na padle rodezijsko gverilsko taborišče v bližini Lusake in napravile hudo uničenje. ZDA in Velika Britanija so Rodezijo svarile pred novimi napadi na oporišča gverilcev v Zambiji Mozambiku po onih, ki jih je izvedla pretekli mesec.

BAGDAD, Irak. — Tu je bila včeraj odprta konferenca vodnikov arabskih držav o zavzetju stališča bo sporazuma v Camp David in do Izraela. Sklicatelji so računali na obsočno Sadatovega mirovnega načrta, pa izgleda, v tem ne bodo uspeli, ker so zmerni na konferenci pod vodstvom Jordanije in Savdske Arabije proti povečanju razdora v arabskem svetu.

NEW YORK, N.Y. — Včeraj sta se tu sestala predsednik izraelske vlade Begin in predsednik Carter kljub prejšnjim zatrjevanjem, da takega srečanja ne bo, četudi bosta oba v New Yorku. Srečanje je bilo prijazno, predsednika sta se javno objela in izrazila upanje na dosego miru na Srednjem vzhodu, predno sta se podala na sedaj razgovor. Begin je izjavil po svojih razgovorih z državnim tajnikom Vancejem, da pogajanja dobro napredujejo.

Slab pridelek krompirja v Sovjetski zvezi

MOSKVA, ZSSR. — Ruski potrošniki so nejevoljni, ko vidijo v trgovinah toliko oglaševanja in propagande za nakup zelja. Skušeni, kot so, vedo, da to pomeni, da je bil pridelek krompirja slab in da ga ne bo na trgu dovolj. Namesto krompirja naj torej kupujejo zelje.

Idi Amin je zavzelo ozemlje enostavno priključil Ugandi. Tanzanija ni voljna tega sprejeti. Objavila je mobilizacijo svojih sil, ki se pripravljajo na obsežen nastop proti Ugandi. Tanzanijsko stališče in načrte je razložil poslaniku ZDA Jamesu Spynu sam predsednik republike Julius Nyerere. Dejal je, da bodo Tanzaniji "postregli Idi Aminu z njegovimi lastnimi zdravili" in mu dali "nauk, ki ga ne bo nikoli pozabil".

V Kartumu je sudanski predsednik Numeiry, ki je predsednik Organizacije afriške enotnosti, pozval obe bojujoči se državi, naj svoj spor končata mirnim potom.

Sen. Edward Kennedy skrbi Belo hišo

WASHINGTON, D.C. — Povečana kritika dela zvezne vlade od strani sen. Edwarda M. Kennedyja vznemirja Belo hišo, ker vidijo v tem delu senatorja pripravo na njegovo morebitno kandidacijo za predsednika ZDA leta 1980.

Sen. E. M. Kennedy je ponovno izjavil, da nima namere iskati demokratskega imenovanja za predsedniškega kandidata leta 1980, da ni nihče prav gotov, najmanj pa Bela hiša, da se ne bo premislil, če mu bo tako kazalo.

Glavni cilj velika podjetja

WASHINGTON, D.C. — Vodniki boja proti inflaciji pravijo, da bo 80% vsega napora usmerjenega na velika podjetja tako v pogledu nadzora nad cenami izdelkov kot v pogledu omejitve poviškov plač.

Nedavno smo prinesli poročilo o delovanju takoimenovane "potujoče univerze" na Poljskem, neke vrste "paprake univerze" ob pravih državnih vseučiliščih. Sedaj je napisal v mesečnik Kultura v Parizu v avgustovski številki Zygmund Ossowski, ki govori o političnem položaju na Poljskem. Tam govori, da je položaj "nikakršen", to se pravi "skrajno zanič", posebno v populnom zavoženem gospodarstvu ter tudi na vseh "drugih poljih".

Posebno protest izobraženec-dissentov gre vladi "na živce" in postaja najbolj aktualen problem teh mesecev. Vsak čas bi lahko nastal izbruh, toda — ta ni zaželjen ne pri vladi ne pri opoziciji. Eni in drugi se drže nekako v poziciji "empate", ravnovesja, ne eni ne drugi ne gredo v ekstrem in vedo, zakaj.

Vojna med Sovjetijo in Kitajsko ni izključena

WASHINGTON, D.C. — Ko prevladuje splošno mnenje, da ni stvarne nevarnosti za kak vojni spopad med obema komunističnima velevlastema, Sovjetsko zvezo in LR Kitajsko, v vodstvu obveščevalne službe ZDA take možnosti ne izključujejo.

Opozarjajo na slučaj, da bi Vietnam napadel Kambodžo s polno silo, LR Kitajsko pa bi ji prišla na pomoč s tem, da bi udarila na Vietnam. V tem slučaju je verjetno, da bi Sovjetska zveza udarila po LR Kitajski, na eni strani, da jo poniža pred svetom, na drugi pa, da pokežde svojim zaveznikom in prijateljem, da se smejo na njo zaneesti.

Kremelj je na splošno pri svojih oboroženih nastopih zelo previden, zato se bo za vojaški nastop proti LR Kitajski odličil skrajno nerad in le v slučaju, če bo smatral tak nastop za neobhoden.

Kuba pripravljena pustiti 289 jetnikov v ZDA

WASHINGTON, D.C. — Kuba je objavila, da je pripravljena pustiti 289 političnih jetnikov odhod v ZDA, če jih te sprejmejo. Prva skupina kubanskih političnih jetnikov je prišla s Kube v ZDA pred 12 dnevi. V njej je bilo 45 političnih jetnikov in 33 njihovih družinskih članov.

Zdaj je eden najvažnejših problemov mladina, ki se udeležuje predavanj na "potujoči univerzi". Zanimiva je taktika, s katero se vlada postavlja proti temu načinu opozicije. Drastično kaznuje lastnike stanovanj, ki jih dajejo na razpolago predavateljem. Sicer pa reakcija ni direktna, ni množičnih aretacij, temveč vlada dela slušateljem težkoče sistematično in počasi, toda z uspehom. Počasi predavatelji in udeleženci predavanj izgubljajo svoje civilne položaje.

ZAHVALA SENATORJA FRANKA J. LAUSCHETA

Moj najgloblja zahvala Ameriški Domovini in vsem njenim sodelavcem in piscem za prijazne besede, napisane v zvezi s poimenovanjem državnega poslopja z mojim imenom in za plemenito delo Slovenian American Heritage Foundation z mojo vključitvijo v njeno Dvorano slave.

Prav tako sem hvaležen Fredericku F. Krizmanu, sodniku Augustu Pryatelju, Edmundu J. Turku, Johnu Kovacicu, Anni Erste, Berthi Lobe in Augustu B. Pustu za njihovo delo pri Foundation za moje priznanje, seveda tudi guvernerju Jamesu Rhodesu in Georgeu V. Voinovichu za poimenovanje poslopja po meni.

Jaz nisem iskal teh časti: prišlo so po dobri volji drugih in so zato posebno dragocene. Jane in jaz jih bova vedno cenila in hranila v spominu nežne izraze meni.

Državljska vojna v Nikaragui pred obnovo?

MANAGUA, Nik. — Posredovanje med predsednikom Anastasom Somozo in njegovo politično opozicijo ni uspelo, ker Somozo ni pripravljen odstopiti, kar je ena glavnih zahtev njegovih nasprotnikov.

Ti zato nadaljujejo priprave na obnovo oboroženega boja proti Somozi. Oporočila za ta boj so v sosednji Kostariki. Somozo je objavil, da so njegove sile te dni zavrnilo poskus vpada gverilcev v Nikaragvo.

Zastopniki ZDA v Nikaragvi so opozorili vse državljane ZDA, da je nevarnost obnove državljanske vojne pereča, da do te lahko pride vsak dan.

KITAJSKJE IN VIETNAMSKE OBOROŽENE SILE SE BORIJO

Trenja in napetosti ob kitajsko-korejski meji so prešla v sredo v obsežen spopad ob meji v Cao Lang pokrajin, 135 milj severovzhodno od Hanoia. To je prvi večji spopad med obema državama v zadnjih 200 letih, za enkrat izgleda, da je ostal omejen, nihče pa ne more jamčiti, da bo pri tem ostalo.

BANGKOK, Taj. — Radio Hanoi je objavil včeraj, da je prišlo v sredo do kitajskega vpada preko meje v pokrajino Gao Lang Vietnam. Pri tem so bili na obeh straneh zapleteni v boj tisoči vojakov in pomožnih vojaških enot. To naj bi bil prvi večji spopad med oboroženimi silami obeh narodov v zadnjih 200 letih. Radio je poročal, da so imele vietnamske sile težke izgube. Do spopada je prišlo v času, ko sta glavna vodnika Vietnama na uradnem obisku v Sovjetski zvezi.

Spopad je najtežji in najbolj-sežnejši, odkar je prišlo med LR Kitajsko in Vietnamom do odprtega spora. Radio Hanoi nakazuje, da se bodo boji verjetno nadaljevali, ker da LR Kitajsko pošilja na mejo "tisoče" vojakov kot okrepitev, ki se ukopavajo na zavzetih položajih.

Vietnam pripravlja nastop proti Kambodži

V zadnjih tednih je bilo veliko slišati o tem, da Vietnam pripravlja obsežen vojaški nastop proti Kambodži, ki ga bo začel, kakor hitro bo končana sedanja monzumska deževna doba. Kitajski pritisk na severno mejo Vietnama ima verjetno med drugim namen zadržati vietnamski oboroženim silam nastop proti Kambodži. Značilno je, da so Kitajci "napadli" Vietnam v času, ko sta vietnamska vodnika na uradnem obisku v Sovjetski zvezi. Ko sta priletela glavni tajnik Komunistične partije Vietnama Le Duan in predsednik vietnamske vlade Pham Van Dong na moskovsko letališče, so ju tam pričakali kljub naletavanju snega predsednik ZSSR in glavni tajnik KP Leonid I. Brežnjevič, predsednik vlade Aleksej

Članek Ossowskega zaključuje: "Pričakovati je, da bomo čez kaki dve leti imeli že bogato poljsko literaturo, ki bo nastajala doma, pa bo doživljala izide v svobodnem svetu. Zeleti bi bilo le, da bi bila ta literatura boljše, kakor dozdej v domovini."

Vietnam v gospodarski stiski

Vietnam je v precejšnjih gospodarskih težavah, ko je bila letina slaba in jo je obsežno deževje s poplavami veliko uničilo. Hanoi je javno prosil svet za pomoč. V takem položaju je odprt spor s Kambodžo in s Kitajsko skrajno nevaren, in sovjetska podpora potrebna.

Kočljiv in pereč položaj utegne voditi do nevarnih razvojev tako v jugovzhodni Aziji kot morda ob več tisoč milj dolgi meji med Sovjetsko zvezo in LR Kitajsko. Na tej meji imata ob strani zbrani velike vojaške sile, ki razpolagajo med drugim tudi z jedrskim orožjem.

No. 161 Friday, Nov. 3, 1978

29. oktober 1918, začetek nove dobe v življenju slovenskega naroda

II.

Sarajevski umor je sprožil prvo svetovno vojno, ki so jo avstrijski Nemci odkrito oznanjali za boj proti Slovanom...

Cim večji je bil pritisk nemških vojaških oblasti v Sloveniji, tem jasnejša in odločnejša je bila volja za končno proglasitev neodvisne Zedinjene Slovenije.

Ko se je sestel maja 1917 avstrijski parlament na Dunaju, je dr. Anton Korošec prebral in imenu Jugoslovanskega kluba poslancev "Majniško deklaracijo"...

Slovinci so majniško deklaracijo navdušeno sprejeli in jo množično podpisovali, v vse slovenske dežele je prinesla živahnost politično dejavnost kljub vojni.

Ko so porazi na bojiščih prisilili Dunaj in Berlin k iskanju miru, je Dunaj sprejel Wilsonove točke in s tem konec habzburške monarhije.

Slovenija je postala svobodna, toda še ni bila zedinjena, italijanske čete so zasedale njen zahodni del za umikajočimi se avstro-madžarskimi četami.

Na nesrečo za korak, ki je bil premalo premišljen in izveden brez sprejetja določenih obveznosti od strani Srbije, ni vodil do zagotovitve pravičnih narodnih meja Slovenije.

Tako je 29. oktober 1918 prinesel neodvisnost le delu Slovenije, skoraj eno tretjino slovenskega narodnega ozemlja je ostalo izven meja Kraljestva Srbov, Hrvatov in Slovencev.

Zedinjena Slovenija je ostala še vedno le želja, pa tudi odločen cilj Slovencev. Prišla je druga svetovna vojna. Jugoslavija se je znašla na strani zahodnih zaveznikov, med tem ko so bili vsi slovenski sosedje na strani sovražnikov.

Bil je to v dolgi, nad tisočletni preteklosti slovenskega naroda najugodnejši trenutek za izpolnitev stoletnih slovenskih sanj, za ustanovitev svobodne Zedinjene Slovenije.

Mirno torej lahko rečemo, da je Komunistična partija napravila najugodnejšo, edinstveno priložnost za doseg stoletnega slovenskega narodnega cilja.

29. oktober 1918 je v slovenski zgodovini eden najpomembnejših dni, z njim je slovenski narod pretrgal svojo nad tisočletno povezanost in odvisnost z Nemci in Mađžari ter si ustanovil skupno državno zvezo s svojimi južnimi slovanskimi brati.

Belokranjci vabijo na veselo martinovanje

Belokranjske narodne noše pred značilno vaško hišo v Beli krajini.

CLEVELAND, O. — Belokranjski klub prireja svoje tradicionalno veselo martinovanje

Tone in Janez začeta z domačo harmoniko na odru. Za večer v veliki dvorani Slovenskega narodnega doma na St. Clairju.

Doma je bilo dosti težkega dela v vinogradih, zato smo to obilni južni na dan sv. Martina nekoliko pozabili. V tujini skrbi, da je naša belokranjska kličite 481-3308 ali 261-0386 ali katerega od članov našega kluba.

Hodil po koroški sem deželi

CLEVELAND, O. — Ne kričim preveč v sreči in ne v nesreči, ker vse se konča.

Tudi dnevi mojega bivanja na Koroškem so se iztekli. Pred zadnji dan sem pobral svojo razmetano revščino skupaj, na basal kovček, da je bilo vse pripravljeno za odhod.

Poslovil sem se od č. sestre prednice, ki je poskrbela, da sem bil tri tedne dobro "glajstan" in jo prosil, naj mi vsega ne zameri, če sem morda preglasen bil in se hribovsko v obbednici obnašal.

jo. Med drugimi smo tudi tole dali na dan:

Odpiraj okence, že dolgo čakam te, samo še en poljub mi daj, potem grem v tuj kraj.

Poljuba ne dobiš, le glej, da se zgubiš, poljubi so oddani že, oddano je moje srce.

Odpri okence in štrik mu vrgla je, poberi štrik, obesi se, najboljše bo za te.

Ko se je približala ura slovesa, smo postali resni in žalostni. Prijatelj France K. me je vprašal: "In se vidimo Janez še kdaj?"

"To je v božjih rokah, prijatelji! Ne verjamem, da se bomo videli še kdaj, vsaj jaz si ne upam tega misliti. Vidite, da sem v letih, kljukasto se držim naprej in vse to je znak, da me zemlja kliče." Tako nekako sem se poslovil.

Sorodniki in prijatelji iz Slovenije so me zadnji dan pred odhodom še enkrat obiskali in mi izrekli poslednji: "Zbogom Janez, srečno pot in spominjaj se nas!"

Kakšnih spominčkov si nisem kupoval, razen za na glavo zelen slammnik, malo po koroško spleten in "okrančan".

V prvem dopisu sem omenil nekega Janeza M., ki je bil vodnik "trojke". Čisto po svojih pothih je ubiral po Koroški. Sele zadnji dan je prišel, kakor je obljubil, da je naju spremljal nazaj v Ameriko.

Ko smo se "trojka" na letališču znašli z nogami na tleh, je Jože rekel: "Takole jaz pravim, ne vem, kako mislita vidva, lepo je bilo, ampak Amerika je le še Amerika." Skoraj v zboru smo vsi rekli: "Res — God Bless America!"

Na letališču me je čakala žena in naša prijateljica. Nasmehnjano obraza, s koroškim "juhu-hu" slammnikom na glavi sem podal ženi roko in jo — kot se spodobi — rahlo poljubil. Tistih zategnenih poljubov, ki jih vlečejo mladi, pri nas starih ni — ni časa.

Zena je bila mojega povratka veselja še toliko bolj, ker je mene veselega videla, vendar je kmalu rekla: "Janez, ta slammnik pa vzemi z glave — star si že in ljudje, ki te gledajo, bodo mislili, da se ti je zmešalo."

Soseda je pripravila za dobrodoščilo lepo gostijo, vendar prej, predno sem k mizi sedel, sem poljubil vrata domače hiše. Povesod je lepo in dobro, a doma je najlepše.

Končujem z mojim pripovedovanjem "Hodil po koroški sem deželi". Lepo se zahvalim vsem tistim, ki so mirno, brez godrnjanja čitali moje članke. Verjetno sem tu in tam kakšno po svoje bleknul, pa mi oprostite, če se je komu zdelo, da kaj ni bilo prav.

Očala res nosim malo manj kot od rojstva, pa ni s tem rečeno, da moram biti slep. Dobro

Od tam bo šla med člane MZA Joliet, po možnosti obiskala gl. odbornika dr. Franceta Puca Sr. v Westmount, Ill., in končala 29. oktobra v Chicagu, med tamkajšnjimi člani odseka MZA.

V Torontu, Kanada,

bo za weekend 4. novembra v Scarborough govornja pri vseh sv. mašah v naši župniji Immaculate Heart of Mary. 5. nov. popoldne pa bo na razpolago sredi popoldneva v slovenski župniji Marije Pomočnice kristjanov na Manning Ave.

MZA CLEVELAND jo bo imela med seboj 11. in 12. novembra.

Tako bo imela s. Silva priliko pogovoriti se z mnogimi rojaki, v raznih slovenskih središčih. Po svoje tudi velika milost, ker so med nami velike razdalje in srečanja pogostoma niso lahka.

V Torontu pride za Misijonsko nedeljo lazarisist g. Rok Gajšek, ki deluje na Madagaskarju, se mudi pravkar v Sloveniji zaradi zdravja in namerava tudi na naš kontinent.

Želimo, da bi oba slovenska misijonarja odhajala osvežena od nas in da bi hladna jesen tega kontinenta bila za južne prijatelje sprememba, ko sta v Afriki vajena redno precejšnje vročine.

MZA se približuje

kot CMA (Catholic Mission Aid) koncu preizkusne dobe, ki jo zahteva država Ohio za končno oceno o Charterju CMA-MZA. Poslovanje je potekalo vsa leta preizkušnje lepo in v redu. Po sodbi našega advokata A. Lipolda je bil njen razvoj zdrav in obetajoč. Molimo, da dobi organizacija pravico obstoja kot davkov prosta misijonsko-karitativna organizacija. Veliko dobrega bo še lahko storila za vse naše misijonarje (-ke).

Za kanadski Zahvalni dan dopoldne so se oglasili v Scarborough trije zambijski misijonarji: o. Jože Grošel, ki študira trenutno v Montrealu "communications" tja do aprila in se misli vrniti v Zambijo malo kasneje drugo leto.

G. Janez Mujdrica, ki študira v Torontu še dve leti bogoslovje in bo nato šel nazaj na teren. In g. Lojze Podgrašek, ki je prišel iz Zambije v Torontu za štiri leta bogoslovskih študijev.

O. Janez Mlakar se je že vrnil iz Kalifornije v Zambijo v svoj delokrog. Ker študirajo razni naši misijonarji v Zambiji razne dialekte, mislijo, da bodo kasneje delovali v zelo različnih okoljih.

Trije jezuitski misijonarji so ob srečanju dobili vsak po \$165 v kanadski valuti, kar je približno 150 ZD dolarjev, kot pomoč MZA vsakemu posamezniku za leto 1978. Tako smo preživel pri uric Zahvalnega dneva v prijetnem razgovoru o misijonski Cerkvi, kateremu je prisostvovala tudi glavna tajnica gdc. Ferjanova, ki je bila tiste dneve md nami na obisku.

Salezijanski glavni prokurator iz Rima, g. Tohill, na obisku v naši fari za dva dneva pri svojem bratu, je povedal, da bo g. Majcen, ki je tudi njegov osební prijatelj, drugo leto prišel na obisk v zaledje. G. Majcen deluje sedaj na Formozo.

AMERISKA DOMOVINA, NOVEMBER 3, 1978

George Voinovich, Edward Feighan

By JIM DEBEVEC

The American Home newspaper is proud to endorse two political candidates for this election: George V. Voinovich for Lieutenant Governor of the State of Ohio, and Edward Feighan for County Commissioner of Cuyahoga County, Ohio.

The readers of this paper are knowledgeable enough to determine which candidate they will support and vote for. However, we feel we must point out certain facts which have resulted from personal contact with the candidates which indicated to us strong ethnic feelings on their part.

The George Voinovich-James Rhodes team is running on a platform of "No New Taxes". We heard Voinovich speak Wednesday night at the Waterloo Slovenian Hall and he remarked that his Slovenian conservative background forced him to take this stand.

Speaking of the ethnic community, Voinovich said recently, "I know the problems faced by ethnic people here in Ohio. And I know the problems faced by the countries of their origin, especially those behind the iron curtain. I can assure you that these people will be addressed by the Rhodes-Voinovich administration in Columbus after the November election."

Voinovich has always backed the ethnics and can usually be seen at their functions. Voinovich is an honest govern-

ment statesman who has proven his trust to the people ever since he first sought office in 1966. His character is exemplary and warrants a future trip to occupy the number one chair—in the White House.

In speaking with Edward Feighan we have determined he is interested in the Slovenian people and their problems and ideals.

We talked with him on various occasions and on the phone and at the Fante Na Vasi concert at the Slovenian National Home recently, and he was at the Frank Lausche event, last weekend. His opponent we have yet to meet.

Feighan's uncle is Michael Feighan, now retired U.S. Congressman and presently living in Arizona. Michael Feighan was the person responsible for helping many refugees come to America after the war and had given this newspaper his personal phone number in Washington and told us to call him any hour of the day or night if need be to help the Slovenians. Last year he again came to the American Home in support of his nephew Edward Feighan.

Edward Feighan has indicated to us he will also work diligently with the Slovenians and other ethnics.

We urge our readers to vote for whomever they wish, but we also ask you to consider the facts which we have brought out.

Due to the election material which must be published this Friday, the report of the most successful event in Cleveland in 20 years - the Frank J. Lausche day of Oct. 28 - will be published next week.

Anyone wishing to contribute an article or comment about the activities, please submit it to our office no later than 12 noon, Wed., Nov. 8.

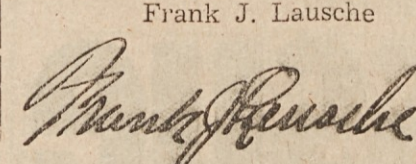

EXPRESSION OF THANKS BY SENATOR FRANK J. LAUSCHE

My deepest gratitude goes to the American Home and each of its columnists and participants for the kind words written in connection with the dedication of the new state office building in my name, and the generous deeds of the Slovenian American Heritage Foundation in placing me in its Hall of Fame.

I am also thankful to Frederick F. Krizman, Judge August Pryatel, Edmund J. Turk, John Kovacic, Anna Erste, Bertha Lobe and August B. Pust for their work in the Foundation's recognition of me; and, of course, to Governor James Rhodes and George V. Voinovich in having the dedication of the building in my name.

I did not seek these honors; they came through the good will of others, and, therefore, are especially precious. Jane and I shall always treasure and keep in our memory the tender expressions made in my behalf.

Frank J. Lausche

Pretty Flowers for Will

Editor:

Before you were born, there was a hit song called, "Jim". Naturally — it sold millions. The first line went, "Jim, never sends me any pretty flowers."

The Frank Lausche edition on Friday is your finest work. I knew it was going to be good, but not as good as it was. I'm sure you got a lot of satisfaction out of it and I'm happy with you.

That was brilliant what you said, that what was written would be found nowhere else and had been plucked from personal recollections. Frank will treasure this edition every day of his life.

The edition was talked about by everyone with whom I came in contact with.

Will Gliha,
Euclid, Ohio

Lausche - Godfather

Editor

I talked to a young lady on the phone last Friday afternoon, and I asked her if I please could have two Souvenir editions about Senator Lausche, as I want one to be sent to my son Col. Frank R. Strle in Saratoga, Cal. I'm sure he will be very happy to read all about his Godfather. It's been 55 years ago.

I'm sending you seven dollars to cover for mailing, \$2 for my two papers and the \$5.00 for your courtesy to me, and use for your printing of the paper, and I understand you send to missionaries.

Sincerely yours,
Mrs. Amelia M. Strle

How do you want to spend your tax dollars?

Is it the Dick Celeste way that would see taxes go sky high or is it another way?

George Voinovich, running for Lt. Governor, and Governor Jim Rhodes promise to keep the lid on taxes. Yes, there are plenty of ways that Dick Celeste can dig into your wallet. He has said that more taxes will be needed and you know what that means to you and your paycheck.

Debevec heads Dayton Yugoslav Club

Frank Debevec, formerly of Barberton and now sales representative operating out of Dayton, Ohio, has been unanimously elected president of the Yugoslav Club of Greater Dayton.

His installation took place at the annual meeting on Sunday, Oct. 22. Considering that the membership of the club is more than 90% Croatian, it certainly shows that his leadership ability is well recognized and appreciated.

The new president's major goal shall be the establishment of a Yugoslav Center of our own. A building fund is already in existence, which points to considerable interest in the project. We're looking forward to the inauguration of the center for the 10th anniversary of our organization in 1982.

Should anyone wish to get in touch with Frank, he can do so at the following address:

Misijonska srečanja...

(Nadaljevanje s 2 strani)

Fr. Tohill je bil 17 let provincial v Hong Kongu in pozna vse slovenske salezijance v Indiji, na Formozi in drugod na Daljnem Vzhodu. O g. Majcenu je ponovno poudaril, da je zelo dober misijonar.

S Filipinov se je ravno oglašil br. Rafael Mrzel z nekaj lepimi znankami in dodatkom: "Pred časom je tudi nas Filipince obiskal kratko msgr. Jezernik iz Rima. Našel je o. Roberta, brata Kramarja in mene. Ustavil se je tukaj za par deževnih dni, pa je bilo vseeno zelo prirčno.

Zdravje sem si malo utrdil. Tudi težave z zaposlenimi so vplivale občutljivo na utrujene živce. Toplota in vročina po svoji vplivata na nas vse. Rad se pogostoma spominjam preproste molitve iz mladosti: "Tvojo naj sladkost okuša, daj ji pokoj svoj." (5. okt. 1978.)

Ob letošnji Misijonski nedelji

upa katoliška Cerkev imeti novega papeža. Vse moli, pričakuje in upa, da bo Sveti duh pomagal do izvolitve moža, ki bo vodil Petrovo čolnico varno skozi valove nemirnih časov, kot jih cel svet doživlja.

MZA začnjenja deliti vsem našim misijonarjem pomoč za leto 1978. Nekateri so jo že prejeli, iz raznih virov, ki so po sodelujočih odsekih ali posameznikih na razpolago.

V Clevelandu so ravno rojakinje g. Jankota Slabeta z Madagaskarja nabirko končale, ki bo misijonarju prinesla okrog \$600 pomoči. Take vsote lahko vedno MZA doda redni pomoči. ki gre vsako leto slehernemu pionirju na terenu.

Vse kaže, da bo letos zopet mogoče poslati vsakemu po \$150 pomoči iz zbranega za vse. Mnogi dobijo potem še to, kar jim kdo osebno odloči. Nekateri imajo pa svoje sodelavce izven MZA, ki stalno za kakega posameznika pomoč nabirajo.

MZA priporoča ob 15-letnici organiziranega sodelovanja vsem v molitev in pomoč vse naše misijonarje. Za vse je bila ustanovljena in vsi morajo vedno čutiti, da zanje molimo, jim materialno pomagamo in jih iskreno v Kristusu ljubimo.

V BLAG SPOMIN

Tretje žalostno leto je zatonilo, odkar nas je zapustila za vedno ljubljena soproga in stara mama

ANGELA DROBNICK

Preminula je 3. novembra 1975

Zalujoci: sprog Joseph, sin Gabriel, vnuki in pravnuki ter ostalo sorodstvo.
