LETO XLIII. — VOL. XLIII.

## KONCEM TEDNA

LADNI uradniki v Washingtonu so bili svoje čase zelo teptični glede angleške obambe. Mislili so, da Hitler bo v par dneh razbije angleško letalsko silo, nakar bi poslal vojsko. Odkar se je pa iz Anglije polkovnik Donovan, ki ga je bil tje poslal ameriški tajnik Knox, se je nenj nekoliko spremenilo in poznavao Angliji 50-50 možnost, da se ubrani Nemcem.

NENJE ameriških vojaških strokovnjakov je, da bo cel Hitler z okupacijo zadne Afrike, kjer bo zasedel angloske kolonije. Tukaj bi ustanovil zavetja za področje, s katerimi bi prežal angleške ladje, ki vozijo po oceani iz Južne Afrike. Po bi začel pritiskati v Afriki jugu ter se polastil angleških kolonij. Ker Anglija ne more poslati tje ojačenj, ne bo Hitler tukaj dosti sitnosti.

ROGOVINSKI tajnik Hopkins, Rooseveltov ljubljencec, bo kmalu odšel iz kabineta. Demokrati voditelji pritiskajo Roosevelta, da odslovi Hopkinsa, ki je igral na čikaški demokratiški konvenciji tako čudnogo napram Farleyu. Tudi se bo Hopkins odpovedal uradu, pa bo ostal še vedno pri Rooseveltu in sicer kot izničar njegove osebne knjižnice v Hyde Parku.

OLITKARJI pravijo, da bi postavili 6 proti 5, da bo Roosevelt izvoljen. Toda s stavami obojne živahnosti, kot je bilo, na primer, leta 1936.

KAJ se govori v Washingtonu, da bo poslala Anglija nekaj težkih bojnih ladij v Sines, kot v ojačenje ameriškega vpliva tam. Anglija ima nekaj težkih bojnih ladij, ki jih mora pri obrambi ne more računati.

MOŽNI vojni tajnik Johnson, demokrat, ki se je muškunil iz urada, ko je Roosevelt imenoval vojnim tajnikom republikanec Stimsona, dobil namig, da bi ga Roosevelt dobil nazaj v Washingtonu. Kak primeren urad. Johnson je rekkel, da bo obiskal Roosevelta in se bosta pogovorila. Morda se namreč hudi, če se je moral umakniti demokratski republikancu v uradu vojne tajnika.

TLER je naročil finančnemu ekspertu Hjalmar Schachtu, da napravi načrt za bodočo svetovno trgovino. Schacht je bil načrt že pripravljen, katerem bi se ustanovili štiri trgovski sindikati, ki bi imeli vsi trgovino v rokah in sicer ruski, ruski, japonski in ameriški. Po tem načrtu Zed. ne bi smele z drugimi državami trgovati kot z Evropo in na ameriškem kontinentu, to je v zahodni in južni Ameriki.

RIKAJUJE se masnih aretacij državnikov v Estoniji, Poljski in Litvi. Rusija jir bo poslala češ, da so kovali s pomočjo Anglije in Zed. državno vojsko proti Rusiji.

PLOMATI so mnenja, da se Rusija pripravlja za nov pohod na Finsko. Ob meji se zbirajo rusko vojsko. Finski vojskotalji so odločeni za boj ra-

## Važno glede registracije

Vprašalne pole lahko dobite v našem uradu in jih tudi za vas izpolnimo

Kot smo že poročali bodo nedržavljeni dobili na poštnem uradu vprašalne pole, katere je treba izpolniti in vrniti nazaj na poštni urad. Na teh polah je 15 vprašanj, na katere je treba odgovoriti. Vlada je izdala te vprašalne pole radi tega, da bo šla registracija hitreje od rok.

Da olajšamo našim ljudem in jim prihranimo pota, smo se obrnili na clevelandskega poštnega mojstra, Mr. F. M. O'Donnella s ponudbo, da bi te vprašalne pole naši ljudje lahko dobili v našem uradu. Mr. O'Donnell je uvidel, da bi se s tem prihranilo veliko dela pošti, obenem bi bilo pa bolj udobno za naše ljudi, pa nam jih je včeraj poslal par tisoč.

Torej tisti, ki niste državljeni, moški in ženske, v starosti nad 14 let, ki se morate po novi postavi registrirati, dobite te vprašalne pole lahko vsak čas v našem uradu. Te pole lahko vzamete domov in jih izpolnite, potem jih morate pa sami nesti na bližnjo poštno postajo, kjer boste prisegli, da so vaši odgovori resnični, vzeli vam bodo odtise prstov in to bo vse. Ker boste torej nesli na pošto vse odgovore spisane, ki jih želi imeti vlada, bo šlo na pošto naglo izpod rok, ker vam tam ne bo treba nič odgovarjati in poštnim uradnikom ne bo treba vas izpraševati.

Tudi za one nedržavljanke, ki niso izpolnile še 14. leto, je treba to polo izpolniti, toda to lahko store zanje njih starši ali varuhi. Tem mladoletnim ni treba potem hoditi na pošto in tudi odtise prstov jim ni treba dati.

Tistim našim rojakom, ki sami ne bi znali odgovoriti na stavljen vprašanja, bomo iz prijaznosti izpolnili to vprašalno polo v našem uradu. Pomnite, da se mora podvreči tej postavi vsak nedržavljan, ali pa bo kaznovan. Postava je postava in treba je ubogati. Za nekatere bo to nerodno, zlasti za naše stare ljudi, zato smo pa storili te korake, da bomo našim ljudem kolikor mogoče olajšali to sitnost.

Torej te vprašalne pole lahko dobite že sedaj v našem uradu. Pošta jih bo pa sprejemala po 27. avgustu. Časa za registracijo boste pa imeli vse do 26. decembra. Toda prej ko opravite, prej boste rešeni obveznosti.

Vprašanja so čisto lahka. Največ bo sitnosti pri vprašanju "kdaž ste prišli v to deželo in s katerim parnikom." V tem imamo skušnjo in vemo, da so naši ljudje, zlasti starejši, to že pozabili. Treba bo pač odgovoriti po najboljši možnosti. Pomnite, da za to delo ne bomo nič računali! Smatramo, da smo zato tukaj, da pomagamo našim ljudem, če le moremo in kjerkoli moremo. Obenem pa tudi želimo, da bo dobila vlada Zed. držav sodelovanje od strani našega naroda, da bo imel pri vladi še naprej kredit in ugled.

**Važno! Vsi odgovori, ki jih boste dali v našem uradu na stavljen vprašanja na teh polah, bodo ostali strogo tajni. Na to se lahko zanesete.**

Anglija, katero so začeli Nemci z vso silo napadati v zračni vojni. Nemci skušajo dobiti trdna tla pri pristanišču Dover, ki je najbližje francoski obali. Če bi mogli tukaj izkrcati vojske, bi se ti kmalu razlili po vsej Angliji.

## FRANCOZI SO UNIČILI 982 NEMŠKIH LETAL

Vichy. — Francosko letalsko ministrstvo je izdalo v javnost, da so francoski letalci uničili Nemcem od 10. maja do 10. junija 982 letal, a sami so jih izgubili 306. V teh 306 letalih je bilo 589 mož posade, o katere usodi se še ne ve.

## Da ustrezemo naročnikom

V slovenski naselbini ob St. Clair Ave. to je vzhodno od London Rd., pa do Nottingham Rd. smo ta teden začeli dostavljati list po raznašalcu. Dozdaj smo ga pošiljali po pošti, ker se za nekaj naročnikov ni izplačalo imeti stalnega raznašalca. To je bilo pa za naročnike nerodno, ker so dobili list še drugi dan. Jezili so se in godrnjali. Sedaj se je pa prilagodilo toliko novih naročnikov, da smo lahko najeli raznašalca in list dobijo sedaj naročniki že kmalu popoldne isti dan, ko izide. Prijazno prosimo naše naročnike v tem okolišju, da na to opozore svoje sosede in prijatelje, ki še niso bili naročeni na naš list, največ iz vzroka, ker niso dobili lista še isti dan, ko izide. Tako je zdaj ustrezno vsem: naročnikom, ker list dobijo isti dan in nam, ki smo dobili lepo število novih naročnikov, katerim se tem potom iz srca zahvaljujemo za naklonjenost.

## Rockefeller v vladni službi

New York. — Predsednik Roosevelt je ustvaril nov urad "posredovalca med republikami Južne in Srednje Amerike in med Zedinjenimi državami." Takoj nato je pa imenoval za ravnatelja tega urada Nelson Rockefellerja, ki je vnuk znanega ameriškega multimilijonarja John D. Rockefellerja. Rockefeller se že več let zanima za kulturno in ekonomsko življenje v južnih ameriških republikah. Njegova plača bo znašala na leto \$1.00 (en dolar), torej je to le bolj častna služba. Plačano pa bo dobil transportacijo in povrnjene stroške, ki bodo direktno v zvezi s to službo.

## Kardinal je proti obvezni vojaški vežbi

Philadelphia. — Ameriški kardinal Dougherty, ki je praznovanja, se je ob tej priliki izjavil, da je proti obvezni vojaški vežbi v Zed. državah. Kardinal je mnenja, da je ameriški narod dovolj patriotičen, da se bo v dovolj velikem številu odzval prostovoljno za vojaško službo.

## Kakih 2500 nemških letal je prihrumelo nad Anglijo

Nemški bombniki so včeraj bombardirali predmestje Londona. Od onih nemških letal, ki so v četrtek bombardirala londonsko zrakoplovno pristanišče, se ni vrnil niti eden domov.

London, 17. avg. — Nemška letala so danes še pred dnem bombardirala kraje po Valeski. Iz dveh mest se poroča o žrtvah. Anglije in Skotske so se pa nemški letalci danes izognili. Napad po Valeski je trajal več ur.

Včeraj so pa nemški letalci napadli londonska predmestja na obeh bregovih reke Teme. Napad je bil eden najsilnejših, kar traja zračna vojna med Anglijo in Nemčijo. Središče Londona samega je pa ušel napadom.

Letalsko ministrstvo naznanja, da sicer še ni na razpolago uradnih števil, toda sodi se, da so pri včerajšnjem napadu Nemci izgubili najmanj 70 letal. Angleži sami so izgubili v boju 17 letal, toda od teh se je deset pilo-

tov rešilo. Bilo je mnogo človeških žrtev, toda natančneje število se še ne ve. Tudi mnogo hiš je bilo poškodovanih.

Od desetih popoldne do treh popoldne ni vlada dovolila nobenih vestí iz Anglije. Nemci so napadali v skupinah po 150 letal. Toda ena sama angleška zračna eskadrila je uničila 11 nemških bombnikov Junker tipa.

Kar se tiče četrtkovega napada Nemcev na londonsko zrakoplovno pristanišče poroča angleško ministrstvo sledeče: "Trideset nemških bombnikov je danes napadlo angleški zrakoplovni pristan Croydon. Od teh se ni niti eden vrnil domov, da bi lahko poročal o tem napadu."

Včeraj in danes je poslal Hitler najmanj 2.500 letal nad angleško otočje.

## Anglija ponuja Zed. državam pristanišča na njenih posestvih ob Ameriki v zameno za bojne ladje

Washington, D. C. — Anglija, ki bi rada dobila kolikor največ pripomočkov v boju proti Nemčiji, je ponudila Zed. državam gotova pristanišča v njenih posestvih ob ameriški obali. V zameno za to ugodnost naj bi pa dale Zed. države Angliji 50 ali več starih rušilcev. O tej ponudbi se že razgovarjajo v Beli hiši.

Anglija bi dala ta pristanišča Zed. državam v najem za 99 let. Za Ameriko bi bila ta pristanišča velike važnosti, ker bi od tukaj ameriške bojne ladje varovale vhod v Panamski prekop.

## Willkie govori na radiu

V Elwood, Ind. se bodo vršile Janeš velike ceremonije, ko bo predsedniški kandidat Wendell L. Willkie uradno obveščeno, da ga je republikanska stranka izbrala za predsedniškega kandidata. Njegov sprejemni govor bo oddajen po vseh radijskih postajah, začeni danes popoldne ob štirik.

## Pozdravi od "1000 otkov"

Mr. in Mrs. Christ Mandel Sr. ter Mrs. John Dolenc pošiljajo lepe pozdrave vsem Clevelandčanom od "1000 otkov v Kanadi." Ti otki se nahajajo v reki sv. Lovrenca in jih je cela veriga.

## Vrnitev iz bolnišnice

Mrs. Marjana Puc, 1087 E. 64 St., se je vrnila iz bolnišnice. Lepo se zahvaljuje za obiske. Prijateljice jo sedaj lahko obiščejo na domu.

## Pozdravi iz božje poti

Iz Lemonta, Ill. pošiljajo najlepše pozdrave vsem prijateljem in znancem sledeči: Mrs. F. Branzel, Rose Ribar, Mary Zupančič, Mrs. M. in Alice Starck, Mrs. A. C. Kotar, Mrs. Klemenčič in sinček, Mrs. Oglazek in Tom.

## Seja Zadruga

V pondeljek večer ob 7:30 bo seja direktorija Slovenske zadružne zveze; v torek večer ob osmih je pa seja ženskega oddelka.

Ta prekop je za Zed. države neprecenljive važnosti, ker tu skozí prehaja ameriška bojna mornarica iz Atlantskega oceana v Pacifik in obratno, da tako eno brodovje brani atlantsko in pacifično obalo.

Vprašanje je samo, če ameriška bojna mornarica lahko pogreši te rušilce, ki so bili zgrajeni za časa prve svetovne vojne, torej so že zastareli. Kljub starosti pa bi jih Anglija lahko porabila pri svoji obrambi okrog otočja. Vprašanje je tudi, če te rušilce ameriška vlada lahko odstopi Angliji brez dovoljenja kongresa.

## Demokratski senatorski kandidat je povabil na debato Mr. Burtona

John McSweeney, demokratski kandidat za zveznega senatorja, je včeraj povabil na javno debato njegovega protikandidata, clevelandskega župana Harold H. Burtona. McSweeney je predlagal, da bi oba kandidata nastopala v predstoječi kampanji skupno pred isto avdienco, da bi volivci potem lahko sodili, kateri izmed obeh kandidatov ima boljše načrte in kateri je bolj zmožen za urad zveznega senatorja. Oba kandidata naj bi nastopila pred volivci v vseh 22 kongresnih okrajih po državi.

Enaka debata se je vršila pred dvema letoma med bivšim senatorjem Bulkleyem in pozneje izvoljenim senatorjem Taftom. V tisti debati je bil Bulkley porazen, ker ga je Taft primoral priznati, da podpira novi deal, kar se ohijskim volivcem očitno ni dopadlo.

## Dež je na potu

V Clevelandu je vladala včeraj vročina, ki je bila osem stopinj nad normalo. Vremenski prerok naznanja, da pride nad Cleveland danes popoldne in zvečer nevihta z dežjem. (Enako nam obljubuje redno vsak dan od zadnje sobote).

## Kaj pravite?

Križana goša, kako smo jih pri sosedovih raztogotili, ker smo se jih upali vprašati za pojasnilo, zakaj da ne verujejo v nezmotljivost papeža. Otepljejo okrog sebe kot krava z repom. Na vse mile viže se umičejo, samo pravega odgovora pa ne dajo. Mi jih vprašamo eno, oni odgovorijo pa čisto nekaj drugega. Zdad so mesto odgovora klobasali nekaj o Japoncih in Kitajcih, ki vendar pri tem važnem vprašanju nimajo prav nobenega opravka. Pišejo nekaj o revolverski žurnalistiki, katera fraza je uredniku najbrže ostala še od časov, ko je bil udinjen pri Zottijevem listu, ki je bil znan kot izdajalec jugoslovenskega naroda. (Ne bi bilo napačno tudi tiste čase malo pogreti).

Mi smo že obupali, da bi izvlekli iz Enakopravnosti določen odgovor, zakaj ne verjamejo v nezmotljivost papeža. Dvakrat smo jih že vprašali, pa le ni nič. To so vam naprednjaki in svobodomislec! Korajžo imajo zapisati, kako so brezverni, toda če jih vprašate za kake dokaze, ki bi jih prali radi te njih nevere, se pa ustrašijo in gledajo ko zaboden vol.

Tok dajte vendar narodu določen in jasen odgovor na to važno vprašanje! Če zapišete, da nekaj ne verujete, boste vendar imeli toliko poguma, da boste tudi zapisali, zakaj da ne verujete. Ali pa morda ne veste, zakaj ne verujete in da ste svobodomislec kar tako radi lepšega? Pravite: prepuštimo taka verska vprašanja drugim. O, kakopak! Zakaj pa drugim? Saj ni nihče drugi trdil, da ne veruje v nezmotljivost papeža kot vi. Torej ste prizadeti samo vi in vi ste dolžni narodu odgovora, vsaj tistim, ki vas podpirajo, pa imajo to vero v svojem srcu.

Torej pustite Japonce in Kitajce kjer so, pojdite vase, zberite ves svoj pogum in povejte: mi ne verujemo v nezmotljivost papeža iz tega in tega vzroka in razloga... Potem pa lepo navedite vse tisto, ki vas je pripeljalo do prepričanja, da je papež zmotljiv. Potem bodo naprednjaki videli, da ste res njih glasilo, ki tudi pristane na to, kar zapiše in se ne skuša umakniti kot poreden otrok pred očetovo šibo.

Obenem pa imate lepo priliko, da si pridobite v svoj brezversni tabor nekaj novih pristašev. Obljubili smo vam, da vam bomo sledili, ali šli z vami v tisti vaši neveri, če nam dokažete, da katoličani nimajo prav, ker verujejo to, v kar vi ne. Take lepe prilike bi ne smeli spustiti iz rok.

Le kaj si naprednjaki mislijo o vas, ki si ne upate zagovarjati svoji nevernih naukov? Prav posebno ponosni ne morejo biti na tak "dosleden" list.

V takem slučaju bi vsak človek, ki da količkar na svojo čast, odgovoril in brez strahu povedal in pristal na to, kar je zapisal, ali bi pa rekel, da se mu je zaletelo in ni mislil tako, kot je rekel ali zapisal. Če ima človek principe, pa naj bodo taki ali taki, pri njih mora stati, če hoče veljati za značajneža. Salobarde pa zaničuje vsak človek.

Enakopravnost piše, da ne mara biti več filijalka Prosvete. Se reče, mi ne vidimo prav nobene razlike med Prosveto in Enakopravnostjo. Oba sta brezverska lista in oba rečta. Razlike bi bilo morda nekaj le v tem, da prisegata vsak na svoj rdeči evangelij. Prosveta piše za svoje ideale in principe, Enakopravnost pa kot nanese trenutek.

Dober prodajalec ali agent je bil oni, ki je prodal premožnemu Eskimu ledenico. Ali oni, ki je prodal nekemu Indijancu električno brivno britev, čeprav Indijancem ne rase brada ali brki.

Na neki banki so oni dan debelo gledali, ko so dobili v roke ček, ki je nosil pri podpisu sledeče: "Vam iz srca udani N. N."

Čikaška Prosveta prinaša zadnjo sredo sledeči uvodnik: "Žalostna vest: Dostojnost Napredka je mrtva! Naznanjamo žalost vest; da je Vatro J. Grill, urednik Napredka, glasila SSPZ moralno in intelektualno bankrotiral dne 7. avgusta 1940, kar pomeni toliko, da je mrtev za vso našo dostojno javnost. In z bankrotiranim oziroma moralno in intelektualno mrtvim urednikom je nadaljnja polemika z naše strani nemogoča!"

"Kadar urednik glasila podporne organizacije, ki hoče biti resen, stvaren in dostojen v svojih razpravah in polemikah, pače tako nizko, da se posluži revolver-žurnalizma — da titulira urednika Prosvete v enem listu z "gospodom," v drugem listu pa z "bratom," kakor da sta v uredniku Prosvete dve osebi! — da obdolži urednika Prosvete, da nekaj "zavija in potvarja," sam pa v isti sapi na debelo zavija in potvarja smisel stavka iz uvodnika v Prosveti od 31. julija t. l.: "Ako se zakoniti in odgovorni predstavniki obeh organizacij ne morejo zediniti za združitev na pogojih enakopravnosti, bratskih interesov članstva in načel, tedaj je bolje, da ostanemo vsak zase" — s tem, da citira štirikrat in z debelimi črkami samo konec stavka, pogojnik tega konca stavka pa ignorira v vseh štirih ponovitvah — tedaj je jasno, da je takšen urednik moralno (etično) in intelektualno popolnoma bankrotiral!"

"In vsaka nadaljnja resna polemika s takšnim bankrotirancem je nemogoča!"

## BESEDA IZ NARODA

### Pomembna slavnost v Newburghu

Preteklo nedeljo smo imeli v Newburghu slavnost, ki nam bo ostala za vedno v spominu. Lep spreved se je vil po naselbini in kar tri godbe so igrale vesele korčnice. Bile so: godba sv. Lovrenca, sv. Vida in sv. Stanislava. Krasne uniforme so krasile naše mlade fante, da so prav navdušeno pihali vsak na svoj instrument, no pa kaj bi pa tudi ne, saj so za njimi stopala zala, mlada slovenska dekleta. Prav imenitno so se postavili.

Lepo je bilo videti kadetke od podr. št. 25 SZZ, od sv. Kristine št. 32 in njih mladinski oddelek in pa tudi od št. 47 so prav živahno stopale. Zelo ljubke so bile deklice mladinskega oddelka tukajšnjih društev spadajočih k SDZ. Nova uniforma jim je prav lepo pristojala. Raznovrstne uniforme so krasile spreved.

Torej slavnost, ki smo jo vsi tako težko pričakovali je minila. Naša nova cerkev je dokončana. Veseli smo, ko nas je ta dan posetilo toliko naših rojakov tudi iz oddaljenih krajev, da je bila slavnost popolna. Ogledali ste si lahko novo cerkev in narodni dom. Povem vam, da je fara sv. Lovrenca zelo raztresena in da spadata pod našo faro še dva narodna doma, eden je na Jutrovem, na Prince Ave., kjer je največ rojakov iz Notranjskega in Primorja. V tem domu imajo tamkajšnja društva svoje društvene seje in zabave.

Tudi slovenska pesem se tu glasi, ker imajo odrasli zbor Cvet in pa mladinski zbor Kanarčki. Oba ta zbora pojeta pod vodstvom Mr. Louis Semeta.

Tretji dom je pa v Maple Heights. Tudi tam imajo več društev, ki spadajo k raznim organizacijam. In tudi tukaj se čuje slovenska pesem, kjer prepeva mladinski pevski zbor Krajički pod vodstvom Mr. Ivan Zorman, kar nam obljubuje, da se bo še dolgo glasila naša lepa slovenska pesem. Tukaj imajo tudi starejši pevski zbor Planina, katerega spretho vodi Mr. Zupanc. Prav lepo napredujejo in nam z lepimi koncerti vzbujajo sladke spomine na srečne večere, ko smo še v domovini poslušale večerno petje fantov na vasi.

Torej v fari sv. Lovrenca so kar trije narodni domovi, ki so tudi vsi na dobri in trdni podlagi. Komaj pa zaključujemo eno slovesnost, se že pripravljamo druga in ta bo v nedeljo 18. avgusta, ko bo sin nam dobro poznane Rusove družine ponovil svojo novo mašo, katero je daroval lansko leto na Bledu v Jugoslaviji.

Znano vam je, da sta bila lanskoo leto odšla v domovino oče in mati Rusova, da sta bila navzoča, ko je njiju sin prvič zapel Glorio v cerkvi na Bledu. Lahko si mislite, kako veliko veselje je bilo to za sina in njegove starše. V nedeljo bo ponovil novo mašo v cerkvi sv. Lovrenca, da bomo lahko navzoči vsi farani. Torej napolnimo cerkev in se veselimo z našim novomašnikom, njegovimi starši, sestrami in sorodniki.

Ob tej priliki prosimo Boga, da bi bil sin naše fare dober in zvest delavec v vinogradu Gospodovem. Naj On blagoslovi njegovo delo. Pozdravljen novomašnik, Rev. Gabriel Rus v čast svojim staršem in ponos naši fari. S svojo navzočnostjo v nedeljo pokažimo spoštovanje in ljubezen do njega in stanu, katerega odgovornost je prevzel. Po sv. maši pa se posedimo krog miz, da obedujemo z novomašnikom predno odide na delo kamor ga kliče Bog. Napolnimo dvorano Slovenskega narodnega do-

ma na 80. cesti. Posebnost je tudi v tem, da bo Rev. Gabriel Rus prvi, ki bo pel novo mašo v naši novi cerkvi. Pozdrav, Apolonia Kic.

### K nastopu mladinskih zborov

Da nastopijo združeni mladinski pevski zbori v nedeljo v Gordonu parku je bilo že poročano od strani odbora Slovenskih narodnih domov. Zapeli bodo štiri pesmi, in sicer: "My Country Tis of Thee" v slovenskem jeziku, katero je predstavil Mr. Ivan Zupan, urednik glasila KSKJ. Mr. Zupan je dal na svoje stroške tiskati po en izvod za vsakega pevca, za kar se mu v imenu Združ. mlad. pev. zborov iskreno zahvaljujem.

Druga pesem je: "Večer na morju." Spesnil Oto Zupančič, komponiral Karlo Adamič. Besedilo je šanjava prožno, ki ob lepem večeru vabi pesnikov duh ven na morje, kjer bi se zazibal v prijetni sen, v čolnu na morsk gladini. Kompozicija je svoje vrstna, ki nas zelo spominja na bizantinsko glasbo. Teče prožno kot barkarolica.

Tretja pesem je "Jugoslovenska." Pesem so peli štajerski fantje in sem jo zapisal v svojo zbirko leta 1921. Je značilna v tem, da je besedilo mešano: slovensko, hrvatsko in srbsko. Besedilo in melodija je narodno. Jaz sem jo samo priredil.

Zadnja: "Men' vseeno je." Besedilo in melodija je narodno. Ne pa, kar je bilo pomotoma poročano, da so mojega izvora. Jaz sem jo samo priredil. Pesem sem uvrstil v program radi brezskrbne, vesele melodije in besedi, ki pričajo, da slovenski narod ni bil nikoli pohlepen za bogastvo, samo da je bilo življenje veselo in je bilo dovolj. Če pa ni bilo veselja, pa tudi joka ni bilo. Sprejemali so mirno, veselje in žalost.

"Men' vse eno je, imam d'narce al' pa ne. Če imam d'narce, pijem vince, če pa d'narcev ni se doma sedi..."

Dodatno k temu, prosim stare mladih pevcev, da jih pošljejo v soboto ob 2. uri v Slovenski narodni dom na St. Clair Ave. na vajo, ki bo trajala do 4. ure, ako bodo točni, ako ne, pa malo preko 4. ure. Drugo bodo izvedeli na vaji. Pozdrav, L. Seme.

### S clevelandskega hriba

V nedeljo 18. avgusta bo dobil clevelandski hrib prvi blagoslov našega novomašnika, g. Gabriel Rusa, kateri bo obnovil novo mašo za obletnico, ko je prvič stopil pred oltar Gospodov v stari domovini na Bledu. V nedeljo pa bo zapel pri sv. Lovrencu v newburghu ravno isto "Glorio."

Torej jutri bomo imeli priliko ga videti pri sv. Lovrencu in sicer ob desetih dopoldne. To je prvi novomašnik iz naše slovenske naselbine na clevelandskem hribu. Zato pa mislim, da je naša dolžnost, da ga v nedeljo počastimo in korakamo pod našo zastavo dr. Naš dom št. 50 in pod zastavo podr. št. 47 SZZ. Saj vendar nismo kupili zastave, da bi služila samo mrtvim, naša zastava ima odprto pot po vsej Ameriki, ker nas ne bo nihče ustavljal, kadar bomo z dobrimi nameni korakali za njo.

Tu apeliram na naše članstvo, društva Naš dom št. 50 SDZ, da se v nedeljo udeležite v polnem številu korakanja ob desetih dopoldne in s tem bomo pokazali, da nismo kaki strahopetneži, ki se ne upamo pokazati pod našo zastavo. Ženam pa, ki morate

kuhat, bi pa svetoval, da to storite že prej, magari v soboto. Saj v tej vročini itak nismo prijatelji z vročo jedjo.

Saj bi še kaj več napisal, a ker je ravno ponedeljek in mi še vedno brnijo zvonovi po glavi, zato bom bolj kratek. Najbolj me je ugal tisti Janez Kočevar, tam iz Maple Hts., ki me je tako silil s tistim ječmanovcem in drugo pijačo. Tudi Jaka me je bil nekaj podkopal in pa še veliko drugih, ki pa ne morem vseh tukaj opisat.

Najbolj mi je žal, ker sem si bil kupil nedeljski vozni listek za poulično, a sem se samo enkrat peljal. Od desete maše me je peljal domov gl. preds. SDZ, brat Joe Ponikvar. Kasneje pa me je pripeljala Mrs. Rozi Frank, ki tudi nikdar ne prezre nobene slavnosti, pa naj bo že verska ali posvetna. Hvala lepa obema.

Še nekaj moram povedati. Navzoče ljudstvo se je izražalo, da je naša cerkev v resnici lepa in da jim ni prav nič žal kar so darovali za novo cerkev. Opazil sem, da večeraj ljudje niso veliko molili, kajti oči so jim švigale z ene strani v drugo in so cpazovali umetno delo. Še sam sem bil ene trikrat pozabil, da imam mašno knjigo v rokah, pa upam, da mi Bog ne bo tega zameril.

Pa še nekaj se mi je prigodilo v cerkvi in to pa zato, ker še nimamo tistih obešalnikov za klobuke pri klopeh. Lepo sem položil svoje pokrivalo na klop za seboj in nanj pozabil ter se čez nekaj časa vsedel nanj. Vse bi bilo dobro, če bi ne bilo pokrivalo iz slame, tako pa je dobilo veliko znamenje. V tistem času sem si zaželel, da bi bil ženska in bi se mi ne bilo treba odkrivati v cerkvi in poleg tega še kazati tako "luno" na glavi kot jo imam jaz. No, pa naj bo saj skoraj vsi svetniki plešasti.

Moja želja je, da bi imeli v klopeh v cerkvi tudi obešalnike za klobuke. Takoj darujem 50 centov za moj obešalnik. Ker je vse moderno, naj bodo pa še obešalniki za klobuke. Še ostali možki tako naredite, pa bomo imeli take "knofe" da jih ne bo rja požrla in če jih hočejo imeti tudi ženske, pa naj si jih kupijo, ampak saj vem, da one jih ne bodo kupile prej kot, če bo narejena postava, da se morajo tudi ženske v cerkvi odkrivati.

Torej farani fare sv. Lovrenca, ne pozabite na jutranjo slavnost. Prizide vsi, ki vam je mogoče. Pozdrav,

France s hriba

### Namen slovenskih narodnih domov

Naši slovenski narodni domovi so bili ustanovljeni z namenom, da bi pospeševali kulturno in socialno življenje med Slovenci v Ameriki. V Clevelandu imamo devet narodnih domov. Da jim pomaga pri tem delu, zato je bila ustanovljena Federacija jugoslovenskih narodnih domov.

Federacija je bila mnenja, da je treba skupnega delovanja in skupnih prireditev naših organizacij, da se pride tem potom do boljšega razumevanja med članstvom in društvi, katerih delovanje je kulturnega ali socialnega pomena.

Zapomniti si moramo, da so narodni domovi last vsega naroda in ne last ene ali druge skupine in zato so obvezani delati za korist splošnega naroda in prirejati predstave od časa do časa. Če imajo narodni domovi, kakor tudi Federacija, kakšne napake ali pomanjkljivosti, ni s tem rečeno, da se to ali ono opusti. Dolžnost tistih, ki vidijo pomanjkljivosti je, da podvzamejo ne samo kritiko, ampak da začnejo s konstruktivnim delom, da se popravijo te pomanjkljivosti.

Kako naj to stori? S tem, da se člani in delničarji udele-

žejuje delniških kakor tudi društvenih sej in tam podajo svoje dobre nasvete in podprejo predloge, ki bodo splošne koristi. S tem bi bile popravljene pomanjkljivosti in organizacije kakor tudi narodni domovi bi na ta način lahko dosegli svoj socialni in kulturni cilj. Vsak Slovenec, ki je sam ali potom društev pomagal pri ustanovitvi narodnih domov, ima dolžnost, da ne samo kritizira in podira, ampak da pomaga po svojih najboljših močeh, da pridejo naše organizacije in domovi do popolnejšega uvaževanja.

Uradniki, direktorji, to so ljudje, ki so izvoljeni od ljudstva. Oni radi ustrezajo vsem, kolikor jim je pač mogoče. Zato pa svetujem vsem tistim, ki bi radi razširili kulturno delovanje, da o tem razmotrivate na svojih društvenih sejah in potem na delniških sejah, da se na ta način pomaga do splošnega napredka našega naroda.

Federacija je imela svoje seje — mlada je še, saj obstoja komaj leto in pol. Nemogoče je, da bi bila že sedaj velikan, zato pa potrebuje podpore vsega naroda, kateri lahko pomaga s svojimi dobrimi nasveti. Je mogoče marsikaj kar smo prezrli in ravno tu je potrebno, da deluje ves narod in pove uradnikom, da to popravijo. Zavedajte se, da živimo v zelo burnih časih in preganjanje tujezemcev je na vseh koncih in krajih. Nikar se ne varajte, v vsaki luknji vidijo volhne in ker ne razumejo jezika, ki se govori v naših domovih, bo sumničenje doseglo tudi nas.

Iz tega razloga je treba, da smo odkriti in da se pokažemo javnosti z našimi deli, z deli, ki kličejo po svobodi in napredku splošnega slovenstva. Med nami je potrebna sloga. Potrebna je federacija, da skupno nastopimo, kadar bo potreba postaviti se za pravice naroda, naših domov in naših organizacij, ki zborujejo v naših narodnih domovih. Potrebovali smo domove za naša zborovanja, prireditve itd. Domovi pa morajo delovati drug z drugim za splošno korist in federacija nudi to vsem. Posameznik nima pomena, v skupnosti in edinstvi je moč organizacije in naroda. Slovenci ljubimo svojo kulturo, v tem smo si edini in v tem nas vežejo iste želje in cilji. Torej pomagajmo drug drugemu, ne podirajmo, ampak zidajmo.

Upam, da mi cenjeni čitatelji ne bodo zamerili, ker pišem tako na dolgo in široko, to delam zato, ker vidim vsak dan kako nesloga tlači narode, ko bi vendar morali ravno sedaj bolj skupno delovati. Vse ustanove so naše — narodne. Treba je društev, da je življenje pri naših narodnih domovih in treba

je domov, da vzbude zanimanje pri družtvih. Kje so naše vadne organizacije, kje dramska društva... Daj podpora se! Daj podpora hočeš, da bo v tvoj ponos slovenska izobrazba, naša sem, naša kultura.

Malo preveč sem zanesel na Federacijo, ki je že lani to pomagala do vprizoritvenega dne v Gordonu tako bo tudi letos in sicer deljo 18. avgusta ob treh dne. Zapomnite si vsi, te prireditve nima noben meznik ali skupina narodni dobička. To je le v kolonju našemu narodu s tem takimi nastopi vzbujamo manje za naše kulturno delovanje med splošno javnostjo čitamo v časopisih kakor ali ona skupina vprizoriturno prireditve in tudi venci ne smemo zaostajati, kažimo kaj zmoremo.

Da se pa to velikansko izvrši, je treba sodelovanje 500 članov raznih in organizacij. Da se ta dan so člani pevskih rovin in godb žrtvovali teri večer. Veliko je truda predno se sestavi ren program. Ni samo nekateri mislijo, da so peli. Ne — vaje je bil teden za tednom. Stotina pod vodstvom Ivomana in Louis Semeta, odraslih pevcev in podvodstvom g. Šublja. Vsako teh zborov podvodstvom svojih učiteljsko: Kogoj, Zorman, in sedaj pa skupno pod vodstvom g. Šublja.) Ravno tako ne delo pa je imel tudi z godbami sv. Lovrenca. Vida. Tukaj se je učilo no sto mladenčev, da je kulturno udejstvovanje vencev splošni javnosti ogromno delo.

Premnogokrat slišimo, da naš narod vse sodeluje pri raznih prireditvah, tako da tera naša kulturna družala prenehati s svojim njem, ker niso imela nančne podpore. Tak briznost vzame pogum kakor tudi igralcem. te, da se pripravljajo certe in nastope po več in kadar kaj prirede, dobro stori, če vidijo, da se baha s svojo kul pripozna to pesem in Pevska in dramska družakujejo in upajo, da v bodoče malo bolj podjim šli na roke. Saj tajo vedno boljše programe videli v zadnjih letih, da sonce slovenskih Ameriki šele vzhaja.

Torej program jutrine ob treh popoldne, pili bosta skupno godbo

### BODI JIM MATI MARIJA

Mati duhovnikov si o Marija, na novomašnike svoje poglej, svetu zavladala je hudobija, pot do rešitve Marija povej.

Noč je, nad nami ugašajo zvezde, temne, nevarne življenja so ceste, Ti o Marija srce nam odpri in novomašnike varuj vse dni.

Vodi jih vsak dan ljubeče k oltarju, varuj pogube jih v grešnem viharju, z njimi veseli se, z njimi žaluj, z njimi za duše se s peklom bojuj.

Ker so Brezmadežna Tebe ljubili, so novomašniki svet zapustili, Jezus dali življenje so v dar, s sveto radostjo odšli pred oltar.

Tebe za mater so svojo izbrali, Tvojemu Sinu srce darovali, vodi Marija jih s svojo roko, ko duše bodo vodili v nebo.

Bodi njim mati, Marija v življenju, tolaži podpiraj jih v križu trpljenju Tebe in Tvojega Sina srce, naj novomašniki srečni slave.

KRISTINA — LAVRANSOVA HČI

VENEC

Nekaj mladih fantov je popevaje poskakovalo krog kupov žerjavice, godci pa so že odšli k počitku in ljudje so se večidel že razšli. Tu pa tam je katera žena hodila okrog in iskala moža, ki ga je pijača bog ve kje zvrnila po tleh.

"Kam sem neki položila ogrinjalo?" je zašepetala Kristina. Erlend ji je položil roko okrog života ter oba ogrnil v svoji plašč. Tesno objeta sta odšla v zelinjak.

Tamkaj jima je dahnal nasproti spomin in vroči vonj rastlin podnevi, od hladne rose ublažen in vlažen. Noč je bila zelo temna, nebo nad vrhovi dreves pa pokrito s sivimi oblaki. Slišala sta, da so še drugi ljudje na vrtu. Erlend je stisnil dekle k sebi in jo šepetaje vprašal:

"Ali te nič ni strah, Kristina?"

Mimogrede se je spomnila, da je izven te noči neki drugi svet — da je to, kar dela, blazno. Toda bila je tako čudovito brez moči. Še tesneje se je privila k možu ter nerazločno nekaj šepetala — sama ni vedela kaj.

Dospela sta do konca steze; vrt je proti gozdu zapirala kamenita ograja. Erlend ji je pomogel gor. Ko je na drugi strani skočila na tla, jo je prestregel ter nekaj časa držal v naročju, preden jo je spustil na travo.

Dvignila je obraz in sprejela njegov poljub. Položil ji je roke ob sence — tako lepo se ji je zdelo čutiti, kako so se ji njegovi prsti zarili v lase — zdelo se ji je, da mu tudi ona mora storiti kaj ljubeza, in zato mu je oklenila glavo, da bi ga poljubila, kakor jo je bil on poljubil.

Ko ji je položil roke na prsi in so mu prsti zdrsnili čez grudi, ji je bilo, kot da ji hoče razgaliti srce in ga vzeti v roke. Prav narahlo je je razstrl gube svilene srajce in jo tamkaj poljubil — vžgalo jo je do srčnih korenin.

"Nikdar bi te ne mogel zaliti," je zašepetal Erlend. "Bog ne daj, da bi kdaj potočila eno samo solzo radi mene. Nikoli si nisem mislil, da bi katero dekle moglo biti tako dobro, kot si ti, Kristina —"

Potegnil jo je v travo, pod grmovje; tamkaj sta sedela, oprta s hrbtom ob zidino. Kristina ni spregovorila besedice, če je pa Erlend prestal z ljubkovanjem, je iztegnila roko in se dotaknila njegovega obraza.

Cez nekaj časa jo je Erlend vprašal: "Ali nisi, ljuba, nič trudna?" In ko se mu je Kristina prižela k prsim, jo je ovil z rokami in zašepetal: "Le zaspi, Kristina, le zaspi pri meni —"

Polzela je vse globlje in globlje v temo, toploto in srečo na njegovih prsih.

Ko se je spet zavedela, je ležala zleknjena v travi, lice pa ji je počivalo v njegovem naročju, na rjavi svili njegove obleke. Erlend je sedel kot prej in se naslanjal s hrbtom ob kamenito vrtno ograjo, njegov obraz je bil siv od jutranjega somraka, njegove široko razprte oči pa so bile nenavadno vedre in lepe. Videla je, da jo je vso

SLOVENIAN CATHOLIC DAY, AUGUST 25

Sunday, August 25th, will be a big day for Catholics of Slovenian extraction. The Holy Name Societies of the four Slovenian Catholic parishes are sponsoring "Slovenian Catholic Day" at Brae Burn Gardens, 25000 Euclid Avenue. The program is scheduled to get under way at 1:00 p.m.

Besides games there will be two well-known speakers who will speak in Slovenian and English. Rt. Rev. Canon J. J. Oman is Spiritual Director of the four united societies. Jacob Resnik is president and Frank Hochevar is secretary.

According to Anton Grdina, who is general chairman of the affair, all necessary arrangements have been made. The four parishes are all cooperating to make this affair a success. The whole proceeds are to be used for the beautification of Bishop Frideric Baraka.

Dancing to the tunes of Lou Trebar's orchestra is also on the program. DR. VINCENT OPASKAR, JOSEPH J. GORNICK, Publicity Committee

SOCIAL MEETING TUESDAY

Tuesday, August 20, is Social night. As a special feature we are asking Lawrence Bandi, one of the organizers of this Holy Name, to our Social. He is at present at the Benedictine Abbey of the Holy Cross in Canon City, Colorado, but is coming home for a ten-day visit. This is his first vacation in three years. We hope that all the old members will drop in during the evening and say hello to him. We would like to see a big crowd at this Social, as we are certain that he would like to meet all his old friends.

SLOVENIAN CATHOLIC DAY

The United Holy Name Societies of the four Slovene Parishes are having their annual picnic at the Brae Burn Gardens, 25000 Euclid Ave., Sunday, August 25.

The St. Vitus HNS has challenged any team of the Slovene parishes to a base ball game to be played that Sunday. To date, no response. We hope some one takes it up.

Our Society is asked to take care of several stands at the picnic. Let's have many workers respond to the appeal. The time of our duties will be given next Saturday. If you care to help, see Dr. Opaskar at Tuesday's Social Meetings.

MALESEK WINS THIRD

For the second time in one week St. Vitus Holy Name was scheduled against St. Paul's. It also marked the second defeat for our opponents. After the 4th inning when we went ahead 6-3, Malesek coasted to victory for his third triumph of the year. Fred Slapar was in great form behind the plate and featured his long range hitting in the 3rd inning. With men on second and third bases, Fred drove out a very long fly that looked like extra bases but the left fielder played deep and managed to catch the ball, but both runners were on alert and scored on the play. We might add that Al Kopone was the runner who scored from second base.

Eddie Schultz and Al Cimperman returned to the line-up after an absence of one week.

GOLF

The entry fees for the golf tournament are accepted at Pohar's station or at the board meetings on Tuesday evenings.

Chairman Art Alleh expects to have the largest tournament on record for the Holy Name Society and would like to have the boys enter now.

Tournament date—September 15.

GLIMPSE AT 7412

Unofficial: about 74,120 people were disappointed Sunday night when they learned the results of the St. Vitus Lawn Fete. Several vacations all planned out for this week-end just won't be... that St. Vitus Band gave the Fete a real big-time circus touch while playing Saturday night behind the tented grounds and the lights blaring... should have repeated all Sunday night... missing: young Tony Orehek who breezed for the wide open spaces in Canada and New England... Rudy Klemencic, his sidekick proudly showing his pictures from the CMTC at Fort Benjamin Harrison.

Mrs. Karlinger, official book-keeper, had no time to do the book-keeping. Mrs. Grabe came all the way from Indianapolis to see the big day... she was with Mrs. Lenaric of Norwood Rd... Dany Postotnik had friends galore... as soon as he received a quart of that precious liquid... the bar quartet got started earlier than usual and it was nowhere near the bar... the Misses Klemencic and Erbeznik, blond and luscious umph girls who set some kind of a record selling tickets for the Lawn Fete, requested that their names be not published... Vlada Gregoric, who ran the pitch-penny stand, was kept busy to the very closing time Saturday night... "stuff" and Herman Ogden earned a week's wages at the same stand... "It's a boy" said Mike Kolar, who was running Joe Kuhel's Liquor stand... Congratulations, Joe, and sorry you could not be around... the Candy stand girls were bawled out for short-circuiting the electric lines which kept the north side in total darkness for an hour while Tony Urbas with the (?) of electricians and engineers finally made the repairs... Madeline nor the girl friend had anything to say... Andy Sirc kept the foams foaming... as did Herman Ogrenic... Mr. Klemencic took it on the chin in the form of complaints from customers and workers... Tony Baznik worked behind the scenes... and Mr. Frank Kuret did some fine singing with the bar quartet which was not near the bar... Mary Hrovat had ideas about how things should be run at the Fete... the Baraga Glee Club was well represented both evenings... after all that work, the U. L. committee is planning to go to the mountains or seashore to take a much needed rest. And so are we.

"Kaj pa morava iti," je dejal kmalu nato Erlend, "preden se prebudijo ljudje."

"Ali si kaj pomislila," jo je vprašal Erlend, "kakšno bo z nama v prihodnje?"

"To morate vi odločiti, Erlend," je odgovorila Kristina. "Tvoj oče, kajne," je vprašal čez nekaj časa, "je blag in pravičen mož, kot trdijo na Gerdarud. Misliš, da se bo hudo upiral razdreti dogovor z Andersom Darrejem?"

"Oče je tolikokrat dejal, da ne mara svojih ročera nikdar siliti," je odgovorila Kristina. "Dogovor je sklenil zlasti zato, ker ležihta posestvi tako ugodno drugo ob drugem. Vendar moj oče gotovo ne mara, da bi bila zbog tega ob vse veselje na svetu." Zbudila se ji je slutnja, da morda stvar ne bo šla tako gladko — vendar jo je zatrla.

"Teda bo morda laže šlo, kot sem si nocoj ponoči mislil," je rekel Erlend. "Bog mi pomagaj, Kristina — zdi se mi, da te ne morem izgubiti — ako te ne dobim, ne bom nikdar več vesel."

BOOSTERS TUMBLE

ST. JOSEPHS The St. Vitus Boosters were engaged in a first place battle last Sunday, August 11th, with St. Joseph's of Collinwood in the Ohio KSKJ Softball League. St. Vitus proved to be victorious to the tune of 15 to 6, thus leaving them undefeated.

Tony Valencic was in his usual good form on the mound and also garnered a homer with two on in the first inning. "Babe" Mismas hit a homer in the third.

The big offensive came in the sixth, when the Boosters sewed up the contest with 6 runs. Turk, Kostansek and Gilha pushed across two runs each in that inning.

"Boogie" Dolenc, manager of the St. Jecs, started at bat for the losers, driving in five of the six runs with a homer and two singles. Hraster of the same team made some really good catches in the outfield.

St. Vitus' next game will be Sunday, August 18, at Gordon No. 6, 2 o'clock versus Barborton.

SODALITY SYMPHONY

HAPPY BIRTHDAYS!

August is the month of anniversaries all right, all right! Monsignor Fonikvar and our Sodality director, Rev. A. A. Andrey, both celebrate birthdays this month... on August 21st and 20th, respectively! It seems only yesterday that the Sodality was extending felicitations to our priests, but in reality another year has gone by and again we say: A happy and blessed birthday Monsignor Po-

YOUNG MEN'S HOLY NAME SOCIETY NEWS AND REVIEW

About You and Me Joe Kozar, the present Holy Name treasurer, has just returned from a 4,000 mile tour of the east. He visited New York City, Albany, Philadelphia and Pittsburgh. During the trip he made a survey of the employment situation and reports that the outlook is promising.

Home on vacation for the past two months is Anthony Piric, a past president of the Society. Tony is a student for the Priesthood at St. Nazianz, Wis., with the Salvatorian Fathers.

At the last meeting Joe Novak introduced a new member, Blackie Krall, to the Holy Name Society members. Blackie needs no introduction to Colliwoodites as he is one of the most active young men in this part of town.

Last spring the Holy Name Society sponsored a social at which we met an accordion "Wizard," Edward Kuznik. His polkas fresh from Star Kri set our feet to a Polka-ing. Eddie has studied more than a half dozen languages and is a master of an even dozen musical instruments. Eddie appeared on the Burt's Amateur Program last Sunday.

Ej Planisek acquired part of his sun tan at Coney Island in New York recently. He took a nice collection of snapshots at the World's Fair. Some of Eddie's shoe leather was spread over Baltimore's sidewalks during two days spent there.

A five-year attendance record has been shattered this summer at the monthly meetings. It was the smart thing to stay away from meetings during the summer months. Three times as many members attended this summer as last. This may indicate real progress for the coming Fall and Winter seasons.

OUTING

The annual Young Ladies Sodality and Young Men's Holy Name Society outing is to be held at Zak's Farm this Sunday, Aug. 18. The truck will

NEWBURGH NEWS

While the new St. Lawrence Church bells were ringing the Knights were being drowned by the Monarchs at Garfield Park. He's pitched well for the Knights and it was a matter of luck of who would come out as the victor of the game. As for the Knights, they had to put the handicapped and utility players in to play for a quartet on the team was playing in the St. Lawrence Band.

This Sunday is the day the eliminations start. The boys are not too glad of it because of so many defeats. So tomorrow I'll see you at Garfield Park, diamond No. 1, where we play the Holy Name Club.

The team, one and all, is glad that Father Baznik is back safe and sound. So long, Anthony Valencic

NEW SAINT LAWRENCE CHURCH At last the long awaited day has come. It has come and gone but will never be forgotten. After many years of waiting, our new church is almost completed and what a beautiful structure it is. The exterior of the building is very simple and plain, but it is the interior that is something unusual. As one enters the church, it resembles the museum of art, such as the paintings, that they would win high esteem. On each side of this beautiful building are six eye-appealing windows, they are windows of St. Augustine, St. Joseph, St. Ann, "The School Children's Window," "The Calling of Children, St. Anton, Bishop Baraga, the Blessed Virgin Mary, St. Francis, the Holy Family, the Lost Son, the Last Scene of Calvary and in the Baptism Room, windows of St. Elizabeth and John the Baptist.

Beautiful Painted Ceiling The ceiling is an art in itself. The paintings are of saints and many different symbols painted on almost 300

nikvar and Father Andrey. God willing, may we all be here to say and hear the same next year.

OUTING TOMORROW!

The St. Vitus Young Ladies Sodality is holding an outing tomorrow at Lasko's Farm. Junior and Senior Socialists will meet in front of the school building and will leave promptly at 8:30 a.m. for the farm via the customary conveyance... a truck! A nominal fee of 35c is requested to cover transportation costs. A program of fun has been arranged by the Social Life Committee. Games and prizes are in order. The outing is exclusively for St. Vitus Socialists. And, oh yes... don't forget the lunch!

During our regular rehearsal on Tuesday, August 6, the girls of the Baraga Glee Club were surprised by a visit from our former director Father Jager, who was recently transferred to Barborton. A short discussion was held and then we sang "God Bless America" and dedicated it to Father. This is our newest song and we have been practicing it during his absence.

We then sang a couple of Slovenian favorites and we really felt honored with Father's directing. Our only regret of the evening was the short rehearsal.

At the present time we are contemplating our fall program. We already have two very special invitations, but we'll let you know more about them a little later.

We hope to see more of our former director, Father Jager, at our future rehearsals.

leave the school grounds at 10 a.m. A ball game, horse shoes, swimming, dancing, singing and a wiener roast as a finale are on the day's program. DON'T FORGET YOUR BATHING SUITS AND CAMERAS.

SPORTS Stan Perusek is giving a good imitation of the Sphinx. He refuses to have anything to say about the big game Sunday. Stan is the captain of the Collinwood Base Stealers. The Base Stealers have challenged the Holmes Ave. Bench Warmers captained by Joe Novak.

When Joe was questioned concerning the line-up of Sunday's game at Zak's Farm, he just said, "I have no way of knowing who Perusek intends to use against me Sunday, so I can't possibly say who I will send to the mound tomorrow."

Joe is sure to have a line-up that will match Perusek's player for player.

This game is to be played at the combined Young Ladies Sodality and Young Men's Holy Name Society Outing tomorrow.

SODALITY BROADCASTING COMBINED OUTING: On July 18 the Young Ladies Sodality and the Young Men's Holy Name will hold their annual combined outing. The place is at Zak's Farm. Lunches are to be prepared by the girls, making enough to serve two. The boys are to provide the transportation and the liquid refreshments. All are to meet in front of the church at 9:30. A good time is assured to all, so start making your plans to attend now.

COMING EVENT: The Young Ladies Sodality is planning to start its fall session off with a fall dance. This is to be a "Mexican Fiesta" held at the Slovenian Hall, Holmes Ave., on September 22nd. Music to be by Johnny Pecon's Orchestra, admission thirty cents. Tickets are now on sale and can be purchased from any of the Socialists.

to be said in the new church. In the afternoon at about 2:15 the parade had begun. This parade was a sight of beauty! The line of parade began at the SND on 80th St. The line began with the St. Stanislaus Band in red uniforms, then came the Polish costumes, among this band I have seen in a group of 50 men were two sisters by the name of Wozowski, a fine tribute to them. Then came the SWU drill team juniors of No. 25 in gold and blue satin and No. 15 in blue and white satin then followed the women drillers of No. 50 and No. 32, the Band of St. Vitus in red and gold uniforms, the flags of lodges, the St. Lawrence Band in red and gold uniforms followed by our parish drill teams of No. 17 and No. 15, the women in Slovenian costumes, Young Ladies of St. Lawrence, St. Christine's Holy Name, SDZ juveniles and closing the parade were the parishioners. The parade was around neighboring streets and into the church which was opened to all. The sermon was given by Father Slaje; then came the singing of the litanies and Benediction of the Blessed Sacrament. Then the church was open for inspection and the beginning of the three-day Festival at which 5,000 attended and enjoyed themselves. How long the crowd stayed I don't know for I retired late after an exciting and happy day.

I wish you all could have attended this affair for it was one that comes

very seldom. For those of you who could not attend, I wish you the near future for it is worth seeing.

Thanks are extended to drill teams and to all who attended this affair. We thank the Lord for the perfect we had, couldn't have been better. This 11th day of August will be remembered by a better day could not have been to Bless and open our eyes on the Feast of Our Patron Saint Lawrence. Again I wish you all.

A New Church Is Upon this rock you shall build your church, said our Lord to St. Peter. And many years later it was turned and St. Lawrence had its start.

But a few years of slavery and we paid it, started anew in August, same. And now our church is completed and I wish you all the best. The church was blessed and was said, and it all came to pass. So now the church is here and we will pay it. So true when our Lord said, rock my church shall be built. So to the people of St. Lawrence, we will always be with you. Church, we will always be with you. 11th of August your church was born. Unw...
