## GLOSLOVSK JEĐNOTE

OFFICIAL ORGAN  
OF THE GRAND CARNIOLIAN SLOVENIAN CATHOLIC UNION

Entered as Second Class Matter December 12th, 1933, at the Post Office at Cleveland, Ohio. Under the Act of August 24th, 1912. Accepted for Mailing at Special Rate of Postage provided for in Section 1102, Act of October 2d, 1917. Authorized on May 2nd, 1912.

NO. 44 — STEV. 44

CLEVELAND, O., 3. NOVEMBRA (NOVEMBER), 1943

VOLUME XXIX. — LETO XXIX

## 25. KAMPAJNSKO POROČILO

### PRVA ARMADA VPISALA \$100,000.— ZAVAROVALNINE

Armada generala Germa je druga armada, ki je vpisala nad \$100,000 zavarovalnine. Tretja armada je bila prva, ki je tako vsoto že prej dosegla, sedaj se torej s to častjo ponaša tudi prva armada, ki je vpisala \$102,000 zavarovalnine. Čestitamo!

Iz zanesljivih poročil je razvidno, da sta generala druge in sedme armade neprestano na delu, da tudi njih armade dosežejo čast, s katero se sedaj ponašati armadi generala Germa in generala Math Pavlakovicha. Vse okoliščine kažejo, da ne bo dolgo, ko bosta druga in sedma armada dosegli po \$100,000 zavarovalnine. Čuje pa se, da generala Žefran in George Pavlakovich ne bosta zadovoljna samo z dosegom \$100,000 zavarovalnine, ampak njih namen je poraziti prvo in tretjo armado.

Tudi poveljniki četrte, pete in šeste armade delajo načrte, da tudi njih armade dosežejo častno mesto \$100,000 zavarovalnine.

Od posameznih divizij se bolj malo sliši. Vse je nekaj preveč mrtvo! Tekom kampanje so samo tri divizije že dosegle predpisano kvoto. Te divizije so:

Divizija št. 45, East Helena, Mont.; divizija št. 206, South Chicago, Ill., in divizija št. 156, Chisholm, Minn.

Kaj pa je z ostalimi divizijami? Kapitani, kje ste? Čas hitro poteka. Še dva meseca in kampanja bo zaključena. Kapitani na delo!

Armade so sedaj razpostavljene po naslednjem redu:

3.....	\$110,500
1.....	102,000
7.....	99,000
2.....	90,000
6.....	69,250
4.....	52,000
5.....	40,250

Treatja armada je še vedno na prvem mestu. Katera armada se bo s to častjo ponašala prihodnjih?

## KONFERENCA V MOSKVI ZAKLJUČENA

### VAŽNE TOČKE SPREJETE

**Washington, 1. novembra.** — Konferenca velesil v Moskvi je zaključena in državni odbrek naznanja, da je bil dosežen in podpis najpomembnejši zgodovinski pakt, v katerem so se Zedinjene države, Anglija, Rusija in Kitajska sporazumele, da bodo sodelovale, da uredujejo vse življenjske teme za časa te vojne ter da vzdržijo bodoči svetovni mir z "generalno mednarodno organizacijo." Ta sporazum za bodoče sodelovanje je bil istočasno dan v javnost v Washingtonu, Londonu in Moskvi.

**Nemčija mora izročiti vojne zločince**

Nemčiji se naznapi, da bo moralna vsaka vlada, ki bo vzpostavljena v Nemčiji in s katero se bo sklenilo premirje, izročiti vse nemške častnike in druge osebe nacijske stranke, ki so odgovorne ali da so sodeciovali pri vojnih zločinah, poslane v dežele, kjer se jih bo sodilo in kaznovalo po postavah dotednih osvobojenih držav.

**Brezpogojna vdaja osiških sil**

Te velesile so se sporazumele na sledenec:

1.—Brezpogojna vdaja vseh osiških sil, s katerimi so te velesile zdaj v vojni.

2.—Izjava, glasom katere se zavezujejo državne, Velika Britanija, Rusija in Kitajska, da bodo ostale v tesni zvezi tudi po tej vojni ter vzdržale svetovni mir in varnost.

Zavezujejo se, da bodo one, ki so zdaj v vojni proti skupnemu sovražniku, delovale skupno v vseh zadevah, ki se nanašajo na razočitev sovražnika.

Dalje se zavezujejo, da bodo delovale skupno, ako bi katera sovražna sila kršila mirovne pogoje.

Nadalje se zavezujejo, da bodo organizirale čim prej mednarodno organizacijo, h kateri bodo lahko pristopile vse miroljubne države, male in velike, ki so pripravljene sodelovati za vzdrževanje svetovnega miru in varnosti, kar bo praktično nekakšna Liga narodov.

Na teh točkah so se sporazumeli: državni tajnik Hull za Združene države, zunanjji minister Eden za Veliko Britanijo in zunanjji komisar Molotov za Rusijo. Dogovori so trajali od 19. do 30. oktobra. Za Kitajsko je podpisal pogodbo poslanik Foo Ting-Seung. To, da je bila tudi Kitajska vključena v ta sporazum, je presenetilo vsevjet in Washingtonu so to pozdravili z največjim veseljem.

Ena najbolj značilnih točk te konference je ta, da je Rusija končno pristala na to brez vsakega pridržka, da se mora Nemčija brezpogojno vdati. S tem je odstranjena vsaka možnost, da bi Nemčija in Rusija sklenili separaten mir.

**Rusija ni obvezna iti v vojno na Pacifiku**

Vzajemna pogodba pa v nobenem iziru ne obvezuje Rusije, da bi se udeležila vojne na Pacifiku. Niti ni prišlo v javnost ničesar glede zahteve Rusije po Baltiških provincah, vzhodne Poljske, Besarabije ali Finske.

**Vsaki državi, malii in veliki, se prizna suverenost**

Pakt pa prizna suverenost (samostojnost) vseh mir ljubečih držav, malih in velikih. V preteklosti je Moskva trdila, da so Baltiške province del Sovjetske Rusije, torej niso samostojne. Nobenega znemanja ni, če so na konferenci obravnavali ruske meje v tistih krajih. Najbrže pride zadeva na vrsto poznaje.

Izmed vseh točk, ki so bile sprejeti in podpisane na konferenci v Moskvi, je gotovo naj-

Vabilo na sejo

Cenjeno članstvo našega društva vladno vabim na prihodnjo redno mesečno sejo, katera se bo vršila v sobotu večer, 6. novembra, točno ob osmih v navadnih društvenih prostorih.

Dalje prosim vse članstvo, kateri ste zaostali dolžni na svojih mesečnih prispevkih, da bi skušali poravnati dolg kakor hitro mogoče. Leto se bliža proti koncu in prihodnji mesec bo treba zaključiti knjige za vse leto. Na razpolago bom članstvu na tej seji še od pol sedme ure naprej v cerkveni dvorani.

Na zadnji seji bi morala dobiti nagrada sestra Terezija Miketich, toda ker ni bila na vzoča, se nagrade ni izplačalo, bo pa za to sejo nagrada \$2 v obrambnih znakah.

Sporočam celokupnemu članstvu, da je 25. oktobra umrl sočan Jakob Petrich. Vsemu članstvu ga priporočam v blag spomin, žalujočim ostalim sinovom in hčeram pa izrekam v imenu vsega članstva naše iskreno sožalje.

K sklepu še enkrat vabim celokupno članstvo na prihodnjo sejo dne 6. novembra! Na sviljenje!

Vabilo na sejo.—Obisk znanega Chicagana—Smrtna kosa

Na zadnji naši seji dne 3. oktobra nas je obiskal prvi glavni podpredsednik KSKJ brat John Zefran, ter je pri tej prilici prav lepo govoril v prid sedanju "V" kampanje mladinskega oddelka. Zaeno je pripomnil, da vladu lep red in sloga pri našem društvu, o čemer je prepičan in je zaeno obljubil, da nas še obiše, kadar mu bo prikljucno.

Naše članice, Mrs. Ann Solomon in Mrs. Mary Weselic so precej boljše in poškodbe, katera sta prejeli zadnjič v avtomobilski nesreči, niso tako hude, kakor je bilo najprvo poročeno, pač se še nahajajo v St. Francis bolnišnici in članice jih lahko obiščete, če je vam mogoče. Zelo vesele smo, da jim gre na bolje.

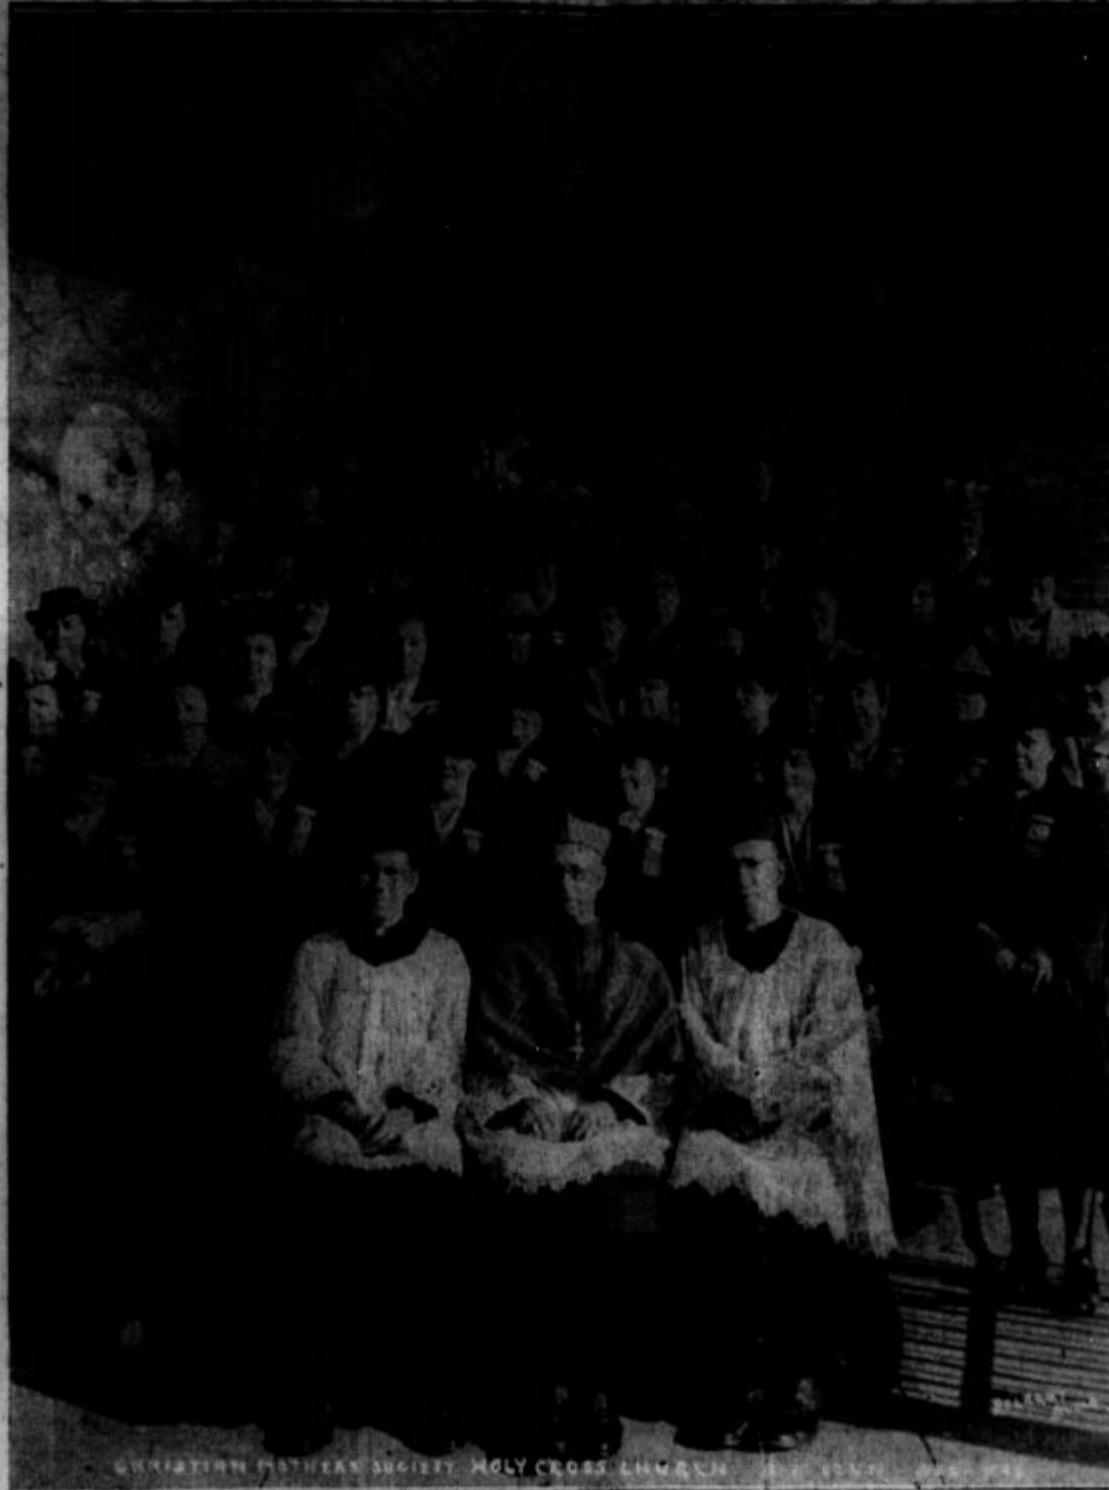

Kaj pa s tikiteti za vojni bond? Ali ste že prodale ali kupile vsaj eno knjižico? Če jih želite še več, jih lahko dobite pri naši tajnici Mrs. Rogin.

Imamo samo še dva meseca, da dosežemo kvoto predpisano našemu društvu v sedanji kampanji za mladinski oddelki. Torej prosim članice, vsaka naj pridobi vsaj enega člana ali eno članico za društvo, pa bomo prav lahko dosegle kvoto

Torej ne pozabite dne 14. novembra pri sveti maši ob osmimi v cerkvi Marije Vnebovzetja na 57. in Butler cesti. Vabilo vse članice tudi one v Etna in North Side in iz druge okolice, katerim je možno priti.

ki je preminul dne 2. novembra,

1928 v starosti 49 let.

K tej 15-letnici naj mu veljajo te naše skromne vrstice:

Hladna jesen v naravo že petnajstič je prišla, listi so porumeneli, vetrni z njimi se igra.

Let 15 je dolga doba, marsikaj se spremeni; le ljubezen je neugasljiva, pa gori do konca dni.

V srcih nosimo ljubeče: gles, spomin in pogled Tvoj, dokler nit življenja steče, da vsi gremo za Teboj.

Cvet mladosti hitro mine, nikdar več nazaj ga ni; komaj dobro se zavemo — že večerni mrak preti!

Večni nas bo zopet združil, Kristus je besedo dal, isto tudi je potrdil, ko je sam od smrti vstal.

Do tedaj pa v miru božjem le počivaj, sladko spi, dok ne bomo zopet skupaj v svetem raju, v večnosti!

**Pomoč od naših sovražnikov**

*Za ONA, napisal PETER LIPA*

**Washington.** — Brezposojna predaja, katero zahtevajo Zedinjeni narodi, nikakor ne pojmeni, da nameravamo popolnoma in niciči sovražne narode. Nasprotno, prav zelo verjetno je, da bomo postopali velikodušno.

Tega nas je naučila brezposojna predaja Italije in njena vojna napoved Nemčiji pod vodstvom maršala Pietri Badoglio. Več kot vrjetno je tudi, da to lekcijo študirajo z največjo vmeno odgovorni državniki v prestolnicah Rumunije, Madžarske, Finske in Thailanda—in brez dvoma tudi v Nemčiji sami in na Japonskem.

Predsednik Roosevelt in premier Churchill sta letos spomladi po svoji konferenci v Casablanki izjavila, da se bosta Amerika in Velika Britanija tako dolgo borili proti osišču, dokler ne bo dosežena s strani teh nasprotnikov brezposojna predaja—to je, dokler ne bodo odgovorni voditelji teh sovražnih držav pripravljeni, da izjavijo:

"Prepričani smo, da nam ne boste nič hujšega storitev, ki je trpljenje, katero nam prinaša vojna. Zategadelj, ako hočete prenehati sovražnostmi, mi smo pripravljeni storiti vse, kar nam boste ukazali."

Zahtevati toliko, se morda vidi nekoliko trdo in kruto.

Kritiki oporekajo, da se bo vsa

ka vlad raje borila do konca, dokler bo le mogla izdržati, nego da pristane na take pogoje, ki zahteva, da se njihova delna popolnoma ukloni volji zmagovalca. Kritiki trde radi tega, da zahteva brezposojne predaje, ne le da bo skrajšala vreme, temveč da jo bo celo podaljšala.

To bi seveda utegnilo biti res, aki bi Zedinjeni narodi nastopali z isto brezobzirnostjo kot osišče, ter se obenem tako malo brigali za svoje obljube. Osišče ni nikdar zahtevalo od svojih žrtev, da se morajo predati brezposojno. Taktika osišča je bila drugačna—nuditi čim ugodnejše pogoje, enostavno za dovoljenje, da nemške čete okupirajo njihova ozemlja.

Cim pa je bila okupacija izvedena in je s tem bilo tudi konec vseake možnosti odpora, je bilo nacistom tudi nepotrebno še nadaljnje vsoščevati omenjene velikodušne pogoje. Verjetno je to, da bodo Zedinjeni narodi, ki ničesar ne obljudljajo, postopili mnogo bolj prizanesljivo.

Badoglio tega ni razumel. Ko so njegovi predstavniki stopili v zvezo z našimi, so prinesli predloge, da Italija kar takoj prestopi z ene strani na drugo.

Dobil so odgovor, da je to nemogoče. Zločinci ne morejo preiti na stran policije krstkom, in kadar koli se jim zdi, da zločin ni več dosti dobra kupčija. Jasno je seveda, da se more pripetiti, da se jim zločin izbriše, ali pa, da je obtožba manj huda, ako njihova podpora v boju proti Nemcem starim tovarišem to opravičuje, toda v koliko bo to zares štel, to je stvar edinole državnega pravdnika, ki bo sam o tem odločal.

Ko je Badoglio videl, da mu drugega ne preostaja, se je odločil za brezposojno predajo.

Za našega stališča je ugodno in koristno, ravnavati z njim velikodušno. On je imel takrat v svojih rokah vrhovno povelenstvo nad italijanskimi oborožnimi silami, tako da jim je mogoč ukazati, da nam pomagajo v boju proti Nemcem. Cim je bilo jasno, da se je predal in takoj postal podjeten našim ukazom cim najbolj mogoče.

Dokazalo se je, da nam italijanska armada ne more mnogo pomagati, toda Badoglio nam je privede in tudi italijansko mornarico. Tudi ako bi nam bilo popolnoma nemogoče porobljati italijanske ladje—katere pa so nam v nekaterih slučajih koristne—je vendar zdaj sigurno, da Nemci ne bodo mogli s pomočjo teh ladij podaljšati vojne. To nam je brez dvoma prihranilo precej človeških življenj.

Zdaj pa smo Badogliju privilejili toliko, da je smel Nemčiji napovedati v ojno. Njegovo upanje je, da bo mogel na podlagi te vojne napovedi preskrbeti nekaj ugodnosti svoji deželi.

Interesi Italije bodo manj ogroženi, ako se mu bo posrečen, da nam uspešno pomaga v tej vojni.

Samo še 58 dni (do 31. decembra, 1943) bo trajala naša "V" kampanja mladinskega oddelka! Ista se vrši povodom Jednotega zlatega jubileja, in sicer začetkom aprila prihodnje leto. Ob istem času bo pa še otvorjena kampanja zmage za odrasli oddelek, trajajoča menda samo tri mesece, do 30. junija.

Uradno bomo obhajali ta jubilej v juliju, ker v aprilju je še neugodno vreme. Morda bo do tedaj tudi sedanje nesrečne vojne konec? Dal Bog!

Do 26. oktobra letos smo v sedanji kampanji dosegli \$563,000 novih zavarovalnin. Ta vsota bi bila prav gotovo lahko večja, ako bi vsa naša krajevna društva sodelovala; žal pa, da temu ni tako! Izmed celokupnega števila istih je bilo do danes samo 134 agilnih ali delajočih, ostalih 45 pa še vedno počiva.

Že parkrat smo omenili, da pridemo enkrat s številkami teh društev na plan. Naj nam ne zamerijo, ker to vršimo danes in sicer vsakemu takoj prizadetemu društvu v dobro, saj imajo ta zaspana društva še 58 dni časa, da zamujeno popravijo in nadomestijo. Vsaj enega novega člana ali članico naj v tej dobi pridobijo za društvo, pa bo domovina rešena in jih ne bo treba na "črno" tablo pisati!

Društva, ki naj izvolijo ta naš zadnji opomin vpoštovati, so slediča: Št. 13, 14, 17, 20, 30, 38, 41, 43, 47, 51, 58, 61, 62, 74, 88, 95, 103, 121, 122, 124, 126, 131, 133, 135, 144, 158, 161, 166, 179, 180, 182, 187, 188, 198, 202, 211, 214, 220, 221, 224, 235, 238, 248, 250 in 251.

**JESENSKA ROŽA**

Skromna, osamela, rožica jesenska  
vrtec moj domači, ti mi le krasijo,  
v letni dobi pozni cesti si začela,  
tebi rad prihajam, da me zveseliš.

V letosnji že dobi, druge cvetke gledal  
rad sem, iste trgal si za šopek svoj;  
da bi tebe vtrgal, to se ne spodobi  
zadnjo ki pred zimo kaže vrtec moj.

Tudi meni zima se življenga bliža —  
Let cvetočih ni več — Naj li bom vesel? —  
Pač pred smrtjo svojo bom naprosil sina:  
v krsti da mi rožo eno bi pripel.

Ivan Zupan.

**Moskovska konferenca ra-  
zodeva vznemirjenost  
nacistov**OFFICE OF WAR INFORMATION  
FOREIGN LANGUAGE DIVISION  
Washington, D. C.

Iz nacistične propagande zvezni vznemirjenost nacističnih voditeljev zaradi boljšajočega se sodelovanja med zedinjenimi narodi, ki se zrcali v prihodu v Moskvo z u n a j i h ministrov Cordell Hull in Anthony Eden, ki so prišli na konferenco treh zunanjih ministrov, z Vječeslavom Molotovom.

Nacisti ponavljajo svojo sta-ro pesem, da Anglo-Amerikan-ci ne morejo ničesar odreči Stalini, ker so preslabi. Da so prodali Evropo, ali pa, da jo prodajajo. Da je njihov poskus "pseudo-do-

boljševizacije boljševizma" tako sramotna prevara, da ji noben pameten človek ne more verjeti. Nacisti prav posebno poudarjajo, da ni nobenega resnega nesoglasja med Anglo-Ameri-kanci in Rusi v vprašanju temeljne politike, katere cilj je popolno uničenje Nemčije.

Agentura nemškega zunanjega ministrstva NPD, ki pošilja nacističnim predstavnikom v inozemstvu "navodila" preko radija, je citirala Dr. Sehmida, govornika zunanjega ministerstva, ki je tudi v svoji časnarski konferenci govoril v smislu istih smernic. Te propagandistične ideje so bile uporabljene tako za zunanjih svet kot za Nemčijo samo. Iz prejšnje propagandne politike nacistov pa je razvidno, da nekoliko različno naglašajo motiv 'grožnje boljševizma', kadar govore različnim vrstam slušateljev.

Poleg Kitajske, Indije in Srednjega Vzhoda ter Severne Afrike, dobivajo pomoč tudi skoraj vse druge evropske države: Belgija, Finska, Francija, Velika Britanija, Grčija, Nizozemska, Island, Norveška, Poljska, Rusija, Španija, Švica in Jugoslavija. In, v prvih mesecih vojne so društva Rdečega križa poslala mnogo potrebnosti v Litvjanijo in druge Baltiske države, v Rumunijo, Madjarsko in v druge pokrajine, ter pomagali velikemu številu poljskih vojakov in civilistov, ki so se zatekli v te dežele.

Od vseh potrebnosti največ se je razdelilo oblike — v svoti od \$20,000,000. Za tem pridejo zdravilne in sanitetske potrebe, katere so stale približno \$13,500,000.

Na tretje mesto pride hrana, v vrednosti več kot \$8,000,000. Pokrivala in posteljnina so stale več kot \$3,750,000; ambulance in druga vozilna sredstva stanejo približno \$600,000. In denarna pomoč, ki je bila razdeljena raznim državam iz fondov Rdečega križa znaša \$2,145,000.

Velike količine teh potrebnosti je bilo preneseno v parnički, ki jih je vzel v zakup Rdeči križ. Prvi tak parnik je bil zakupljen v juniju 1940. leta, in je odplul s potrebnostmi v vrednosti nad \$1,000,000 za razdelitev med begunce v neokupirani Franciji. Kasneje so bili zakupljeni še drugi parniki za podobna samaritanska potovanja. Pomoč v manjših količinah je bila poslana po rednih trgovinskih potih.

Poleg zgoraj omenjenega ameriški Rdeči križ je tudi omogočil, da se da pomoč civilistom na otokih in bazah Združenih držav. Sem spadajo Filijski otoki, zona Kanala, Portoriko, Kuba in Kurakao. Stroški Rdečega križa za potrebnostne namenjene tem krajem znašajo \$750,000; poleg tega je bilo še kupljeno iz državnega fonda za \$320,000 potrebnosti, ki jih je razdelil Rdeči križ.

Pričakovati je treba še drugih poskusov, da se razbijajo moskovska konferenca. Washingtonski opazovalci smatrajo na podlagi prejšnjih izkušenj (po ožar Reichstaga, Katynski grobovi, groblje v Vinici), da ne bi bilo prav nič presentativno, ako poskusili propagandno akcijo velikega stila, da bi le potopili moskovsko konferenco.

Pripravljenost sklepanja miru bi vrhu tega (bodisi, da je pokazana le od nemške propagande ali s strani nemške diplomacije) mogla imeti po mišljenu teh opazovalcev še drugačen namen, namesto nov, brezupen poskus, prepričati javno mnenje v zavezniških deželah, da sodelovanje z Rusi, ali pa celo koncesije napram njim, prav zares niso potrebne, ker je slovenski kmet in delavec izognan in izčrpan do zadnje kaplje. Z razoranega obraza in iz koščenih rok delavnega slovenskega človeka še se bere njegova nenavadna žilavost in vztrajnost pri delu ob težkih, zelo težkih prilikah. Nenavadna demokratičnost slovenskega meščana, ki ne pozna prepada med seboj in delovnim slojem svojega naroda, je izraz tiste mlade, neizčrpane slovenske narave. Slovenska križ narekuje vedro, veselo naravo. Beseda Cankarjevega Kurenta o vese-

Zadnji podatki, ki jih je priobčil amerikanski Rdeči križ nam pokazujo, da je v času od 1. septembra 1939 leta do konca junija 1943 leta bilo izdano \$73,942,424.52 za vojno pomoč inozemstvu s tem, da se pomaga civilistom v deželah, ki so prizadete po vojni. Od te celokupne vsote \$34,817,145.46 so stroški Rdečega križa, \$39,625,279.06 dolarjev pa je bilo izdano iz državnih fondov. Toda tudi stvari, ki so bile kupljene iz državnega fonda je razdelil Rdeči križ.

Beseda o slovenski križi je beseda o slovenski družini. Vravimo jo tuje primesi, ohranjajmo jo mlado, zdravo in veselo! Ustanavljajmo čistokrvne slovenske družine! — Slovenska križ je plemenita križ! Naj se neoskrnjuna in čista pretaka po žilah slovenskega narodnega telesa, krepi naj jo hrana čiste slovenske omaine, preraja naj sleherni naš ud! Njeno srce, ki naj nikdar ne preneha biti, bodi krepka, nezmagljiva in, ponosa slovenska narodna zavest.

lih slovenskih ljudev, o ljubstu pesmi in smehu, priča to, priča o tem slovenska ljubezen do narave, petja in žive barve, dokazuje to blagoglasna melodija slovenske govorice. Krvavelo je slovensko narodno telo v tisočletju in več zgodovine, izkravelo nikdar. Starejši narod bi bil ob slovenskih prilikah najbrž že davno izkravvel.

"The Spirit of a Rejuvenated KSKJ"

## FROM THE OFFICE OF THE SUPREME MEDICAL EXAMINER

In the course of my duties as Supreme Medical Director for the past seven months, it has been my privilege to observe and study a variety of claims for surgical and sick benefits, and therefrom deduce that there are still many officers and members who do not fully comprehend what constitutes a valid claim for benefits under the by-laws of the K. S. K. J.

In order to eliminate a prevalent cause of friction and disappointment among the membership, I desire to call attention to some of the more frequent irregularities encountered.

Primarily; in order to qualify for benefits under the existing by-laws of the K. S. K. J., a member must be TOTALLY DISABLED, Sec. 34, para. 12.

Secondly; a member receiving sick benefits, must exert every effort to promote recovery, and thus shorten the period of disability. To this end, he is required to be under the care of a licensed Doctor of Medicine. See Sec. 20, para. C., and Sec. 34, paragraphs 12 to 16.

Under no circumstances will certificates signed by irregular practitioners, such as Osteopaths, Chiropractors, Naprapaths, etc., be acceptable for surgical or sick benefits.

Thirdly; he must also comply with all other rules as set forth in the current by-laws of the K. S. K. J. governing the member on sick benefits.

I would also strongly urge that the Secretary occasionally review the by-laws and acquaint himself with all phases of surgical and medical benefit payments.

His advice and explanation will often avoid much disappointment among the claimants and disharmony among the membership.

## SGT. GLIHA WRITES OF EXPERIENCE

Somewhere in Africa, Oct. 18, 1943

Dear Mr. Zupan:

I'm writing this to tell you about the most pleasant experience I've had so far in Africa. Recently, my friend Ralph Biziak, who is at the field

here with me, said he heard that there were Slovene soldiers of the Yugoslav army nearby our camp who were brought here after the Allied armies occupied enemy territory and liberated them and who were now with a British unit. I was on pass one day last week and as soon as I saw a British military policeman, I questioned him as to the whereabouts of these Yugoslav soldiers. As luck would have it he knew where they were stationed and after thanking him, I hurriedly went to the place: A guard at the entrance let me in and when I told him who I was looking for, he pointed to a mechanic under a truck. I walked to the truck and stood there a few seconds, thinking I was about to meet a soldier and a citizen of Slovenia. Then the fellow came out from under the car and as he looked at me curiously, I said in English, "Hello, how are you?" To my delight he answered, "Jaz sem prav dober, hvala lepa." He said he couldn't speak English, but that he did understand what I said. He told me his name was \_\_\_\_\_, that he was twenty years old, and that his home is in Ljubljana. I found out from him that among the Yugoslavs who were there, a \_\_\_\_\_ of them were Slovenes. After talking with him for a few minutes, a dozen more Slovenes gathered around us and it was heartwarming to see them. They mentioned among other things that the British treated them very well and emphasized that several times. When it got

Pittsburgh, Pa. — Mrs. Ann Solomon and Mrs. Mary Welsel, members of Society No. 81, who sustained injuries in an automobile accident two weeks ago, are on the mend and although they are both detained in St. Francis Hospital, their injuries are not as serious as was first reported. ## DIVE BOMBER WILL FLY AS "SPIRIT OF KSKJ"; RESULT OF BOND DRIVE

Joliet, Ill. — The KSKJ is really in the war. Over 3,000 members are in the armed forces, while members at home are keeping up the home front.

The KSKJ's purchase of War Bonds has won recognition for the Union. In the Third War Loan Drive the KSKJ purchased \$300,000 War Bonds which were credited to the school children of St. Joseph's Parish.

As a result of the drive the Treasury Department com-

mended Ven. Sister Secunda, principal, and notified her that the school could name three

dive bombers. The names chosen were "Victory Joe," "Spirit of KSKJ" and "Immac-

ula."

Thousands witnessed the christening ceremonies Oct.

17 at the Municipal Airport, Chicago. Photo above shows Supreme Secretary Joseph Zalar in the cockpit of one of the christened planes with Capt.

Merle Else, who completed 119 missions in Southern Pacific.

Ven. Sister Secunda was ac-

companied to the ceremonies by school Sisters' Attendants,

8th grade pupils, were Mary

Ann Residori, Marie Theresa

Culik, Lillian L. Todorovich.

Representing the KSKJ at

the memorable event were Su-

preme Officers Joseph Zalar,

Matt F. Slana, and Mrs. Jean

Tezak.

Helen Metesh's team took

two games from Clare Carpen-

ter's team. Dolores Klobuchar

and Irene Felix were dressed

as twin farmers with big straw

hats, plaid shirts, etc. Dolores

pitched three good games for

a 345 series. Irene Felix had

a little trouble toppling over

the pins. Mary Buthala with

patchworked pants and pig

tails hit a couple of nice

games. Helen Metesh was con-

sistent in hitting games in the

100's to total a 306 series. Dol-

ores Chanoski in her pretty lit-

tle boyish outfit kept up her

good scoring to top her team

with a 393 series. Clare Car-

penter's dark rimmed glasses

didn't seem to help her much

in the first two games, but a

change of pace in the final

game marked her up for a 145

game and a total series of 354.

A new bowler on the team who

looks good is Theresa Ambrose.

She scored a 314 series last

Thursday.

No prizes were given for the

best costumes, but all the girls

deserve a hand for being such

good sports.

## REMINDS PITTSBURGH MEMBERS OF MASS TO BE OFFERED FOR DECEASED

Pittsburgh, Pa. — Mother of Seven Sorrows Society, No. 81, members are reminded not to forget November 14, when a Mass will be offered for the Poor Souls in memory of all our deceased members and at which the members are requested to receive Holy Communion in a body. None of us know when we might be numbered among the many Poor Souls, and we will be very grateful if the members receive Holy Communion in a body for us. Then, too, there are many members of different lodges in the different

parts of the world who would be deeply grateful to have an opportunity to receive Holy Communion with their brothers and sisters — which opportunity is denied them, at least for the present. The time of the Mass is 8 a. m. in St. Mary's Assumption Church, 57th and Butler St., Pittsburgh. All our members are requested to attend — those in Etna, No. Side, etc., too.

We have only two more months to reach our quota in the Juvenile Campaign, so please try to get some new juveniles for our lodge!

Joliet, Ill. — The bowling of session of the Joliet KSKJ Men's Bowling League. Slovenic Coals 796 849 782 Tezak Florists 880 860 817

The Tezak Florists by clean-sweeping their series with the leading Slovenic Coals crept up to within a game of the pacemakers. The second game which the Tezaks won by 11 pins was due to the last frame strikes of John Kren, Rudy Ramuta and George Karl, as the Slovenics blew two easy spares.

Rudy Ramuta's 615, George Karl's 549 and John Kren's 525 series topped the Tezak scores while John Azman's 545 and Rev. Butala's 525 series were tops for the Slovenics. Peerless Prints 760 806 758 White Front ... 833 808 911

The White Front Liquors by toppling the Peerless Prints thrice went into a second place tie with the Tezak Florists. The second game in this match was a real humdinger with Doc Zalar striking out for a 215 score to win by two pins for the White Fronts on a seemingly lost cause, as the Peerless team went into the last frame with a good lead of three marks. Doc Zalar's 570, John Bluth's 548, and Lou Fabian's 530 series were tops for the White Fronts while Frank Ramuta's 519 and Tony Lilek's 512 were tops for the Peerless team.

**Coast Guard Recognized as the "First" Service**

When Major General Forest said we win wars by "gittin' thar fustest with the mostest," he must have had the United States Coast Guard in mind.

This oldest of the naval services, established in 1790, boasts an enviable record of being the first military unit to be on hand when the nation has participated in wars of defense.

The first men to land at Guadalcanal, Africa, Sicily, and Italy were Coast Guardsmen who forged ashore under enemy fire in landing barges that have since proved to be a specialty of this pioneer outfit.

The Coast Guard was the first service to be commissioned by George Washington, and was the first service to do any actual fighting for the United States when, in 1798, it participated in the undeclared war against France.

The first ships to patrol continental waters, the first organization to carry the news of Dewey's victory in Manila, the first in percentage of losses in World War I, the first to meet the enemy in this war are other records of the Coast Guard.

Returning from a 28,500 mile tour of Pacific waters, Vice Admiral Russell R. Waesche reported, 'The Coast Guard has established a most enviable reputation in the eyes of the Pacific command. There is no thought of coming home until they have finished the job in hand.'

**SECRET OF SUCCESS IS CONCENTRATION**

The secret of success for many men and women can be summed up in one word—concentration. There are numerous instances of men less than ordinarily capable who have come from "behind" to receive the "blue ribbon" because they have cultivated this one characteristic of focusing their energy and thought in one direction. It is a restatement of the old principle that "No man can serve two masters," and it is as true in business as in any other field.

Consider this: The sunlight which falls on your hand, is just pleasantly warm, but concentrate that same sunlight through a convex lens into a pin-point of light and you can start a forest fire.

A jack-of-all trades may do just as great a total volume of work—but what a difference in the reward! Decide on a goal and then let nothing draw you from your course. The air navigator who follows the beam is the one who arrives in safety and on schedule, whereas if he followed his own inclination or judgment, he might never arrive.—Selected.

**DAD SHOULD BE LEADER IN FAMILY DISCUSSIONS**

Last week we suggested the conversational or discussion method as the ideal way to tackle the problem of family education. We noted that this was Our Lord's favorite way of teaching. Now, this educational method has its own definite technique. The rules are very simple but they must be followed.

The first attempts at the use of this technique are often very wooden and anything but inspiring, but the stiffness wears off very quickly and soon the total effect is so pleasing to the members of the group that these round-the-table discussions are anticipated with delight.

Now for the rules. Of course, we take it for granted that the father will be the leader in the group. In his absence the mother takes over. The leader should do less talking than the other members of the group. He must keep the conversation to the point, draw out the bashful individuals and gently but firmly make the talkative ones do more listening. But don't squelch them.

The leader must be prepared to discuss a specific topic chosen from a book, pamphlet or periodical which is available to all members of the family. For instance, he could take a story or article from the page of this paper written specifically for "Young Catholics." If some of the children are of high school age, he can change off with some other page, preferably the first.

Now the success of the discussion depends on the questions the leader jots down as he reads the article in preparation for the discussion. Since here is the crux of the whole technique, note well these points: (1) the questions are formulated after each thought unit, whether it be a paragraph, two paragraphs, or only a sentence. Never at the end of the entire article or chapter; (2) the questions may not suggest their own answers; (3) the questions may not be answerable with "Yes" or "No"; (4) they are not test questions; (5) the questions should crystallize the thought in the paragraph just read and thus open discussion.

Vitally important is that last point. The purpose of the questions is to open discussion and when that end is achieved the questions themselves are of no more importance than the skin of a baked potato. The questions open the discussion and in the contact of minds which follows is the real transfer of knowledge and power.

For the benefit of readers who wish to know the reason for the above rules, we can say briefly that the rules are based on two psychological facts: (1) mental training consists primarily in learning to focus attention on a given idea as long as is necessary and then to pass on to another idea and then to another in an orderly way; (2) most people fear being thought ignorant or stupid and even members of an intimate family circle often experience this fear when asked a question. This fear causes many adults to shun membership in the usual study club. In a properly conducted discussion group this embarrassment is never met.

Experience has taught that it is best to have a definite time limit for the discussion. When the time is up, stop at once no matter how heated the discussion. This creates an appetite for the next meeting.

It is also common experience that when a discussion group really hits its stride, questions

will pop up which no one in the group can answer. Dad must never fluff an answer. Have a reference book handy such as the Catholic Dictionary or the National Catholic Almanac or the three volumes of Radio Replies, all inexpensive. If these do not clear up the problem, appoint someone to ask the pastor or a clerical friend. But be sure to get an answer.

**POST OFFICE SOLICITS CO-OPERATION**

Cleveland, O. — The 250,000 overseas Christmas parcels mailed by Clevelanders were promptly handled and are now on their way to destinations.

The next gigantic task of the local post office is to promptly and expeditiously handle Christmas mails.

Six hundred and fifty-four trained employees of the Cleveland Post Office are in the Armed Services of our country, and the task of handling the Christmas mails will be greater than ever before.

Clevelanders will contribute materially in the prompt handling of Christmas mails if they will use the Delivery District Numbering System in addressing their gifts and greeting cards.

If you have not already ascertained, and are not using the Delivery District number of your friends and relatives to whom you intend to send gifts and greeting cards, please hand your Christmas mailing list for local delivery to your mail carrier before Nov. 15, and the post office will furnish the correct delivery district number for each address without charge. This number should then be included as part of the address on your Christmas mailings, as for example:

John Doe,  
15200 St. Clair Ave.,  
Cleveland 10, Ohio.

Be sure to place your name and address on your list so that it may be promptly returned to you.

**NOTICE SERVICEMEN**

Chicago, Ill. — With the discharge of many servicemen because of age or medical reasons the serviceman is anxious to preserve his discharge papers or to frame them and have a copy to keep on his person for various reasons. Some have paid three dollars to have photostatic copies made. This is not necessary and a burden for the returned soldier or sailor.

In Illinois by law: Recorders — Chapter 115, Section 7—1943 Statutes. "Certificates of discharge or honorably discharged members of the military, aviation and naval forces of the United States shall be recorded by each Recorder, free of charge in a separate book which shall be kept for the purpose."

Photostat copies can be ordered and both the original and photostatic copies will be returned in a few days. Consult the Recorder of Deeds of your County for this information. In Cook County consult Edward J. Ke
