Joseph Sterk, Prominent Orel, Wins Three Medals For Gymnastic Skill

Last Sunday at the Catholic Polish American Falcon's district meet held on John Adams Field Joseph Sterk, mainstay of the Orel gymnastic classes, carried off the major honors of the tournament when he won two gold medals for ability on the parallel bars and on the horse and one silver medal for placing second on the horizontal bars.

Mr. Sterk's remarkable performance is even more amazing when we find that he was opposed by 400 other participants who came from the entire state of Ohio and part of Pennsylvania. There were four Nests (Clubs) of the P. A. F. in the meet; two from Ohio and two from Pennsylvania. 150 members of the Cleveland Falcons also competed. Many notables, including the speedy Stella Walsh, who by the way set a new record for the 80 meter sprint in this meet, were present: from this we can infer that Joseph was up against stiff competition and had no easy time in copping the medals.

In the parallel bar event Sterk was opposed by twenty other competitors, all veterans and graduates of the Falcon school. By his skillful slow motions exercise on the parallel bars, however Joseph won the favor of the three judges and the large audience that watched this feature of Sunday's meet and was presented the gold medal, emblematic of the parallel bar championship. He likewise won a gold medal for his excellence on the horse, and won quite easily in a field of thirty inferior opponents. In competition for the horizontal bar championship, Joseph gave a series of giant swings and rolls which seemed to please the people but which did not meet with the approval of the judges who gave the gold medal to Mr. Jack Vajcek of Pennsylvania an old and seasoned performer. Sterk, nevertheless, won the silver medal for second place over the other ten entrants.

As a member of the Orels, Joseph Sterk has accomplished a great deal in the success that this organization has attained. Although working without compensation, he spends all his spare time down in the St. Vitus school gym, doing one thing or another in working for the furtherance and progress of Orel propaganda. He has been directly responsible for the wonderful showing of Orel Junior Boys in the last few exhibitions, and he has introduced very many new novelties, chief among which are: rings, ladders, girl's tap dancing, girl's tumbling, boxing and wrestling. While attending East Tech., Mr. Sterk made a phenomenal showing on the horse, so much so that the instructor in the gym department appointed Joe as his first assistant. He has been connected with the Falcons scarcely one month, which adds to his remarkableness in winning three medals at their meet. For his outstanding showing, Mr. Sterk is in line of the honorary position of the district captain of the Falcon's organization. Retracing our words we find that Joe was the only Slovene to win recognition at the meet, which sheds much glory upon the Cleveland Slovenes and we find

MEMORANDUM WINS RECOGNITION

League Sending Out Copies Of Memorandum To Leading Newspapers Of Country

Results of the Yugoslav Nat'l Defense League campaign are already coming in and show that the labors of the club are not in vain. The Memorandum which was framed at a Mass meeting held last fall in the Slovene Nat'l Home in protest to the scandalous treatment of the Slovenes by the Italian Government, is being sent to the leading newspapers, libraries, countries, congressmen and leading institutions of the country. Mr. J. B. Mihaljevich of the Mihaljevich Steamship Agency 6201 St. Clair Avenue has reported that he is sending out over two hundred and eighty copies and is using all his time in the handling of the correspondence of the League.

To date acknowledgements have been received from the following institutions: Congressional Library in Washington D. C., Libraries of New York City, Detroit Chicago, St. Louis, Pittsburgh, Duluth, San Francisco and Boston. The legation of Greece and the Legation of Bolivia and from the Polish Embassy in Washington, from Congressman Pittinger of the Eight District of the State of Minnesota and a most interesting letter from Professor Michael Pupin of Columbia University, inventor of the "relaying system" which made possible long distance telephony.

The governments of England, Germany, Austria, France, the Vatican City and Il Duce, Benito Mussolini have all received copies of the neatly bound Memorandum and comments from them are expected in the near future. "Republic" a popular American Magazine is extremely interested in the movement and has requested Mr. Louis Truger to submit an article explaining the entire phase of the situation. With the thoroughness that the committee has set to work to spread the propaganda it is not surprising that such great results are coming in and that at the end it will accomplish its purpose.

REV. MILAN SLAJE EMBARKS FOR EUROPE

SLOVENE SCHOOL BEGUN AT LORAIN, OHIO

A Slovene School for American born Slovenes was organized at Lorain a few weeks ago and the first class took place June 24th in the Slovene National Home. Directors of the Home offered the use of one of their rooms as a classroom for the students. Mr. Louis Seme on 1789 East 39th Street is the instructor of the students and he foretells an interesting hour for all those who choose to attend. Every mother and father should urge their children to come to class and thereby obtain an idea and knowledge of Slovene culture and Slovene tongue.

ILLINOIS UNIVERSITY GRADUATE

At the graduation exercises of the Illinois State University, Joseph Zalar Jr. son of the secretary of the KSKJ, was awarded a diploma as a Bachelor of Science student. He is sojourning at the home of Mr. and Mrs. Ray. Grdina in Cleveland at present.

SLOVENE BOY DROWNS

Louis Heglar, 11 years old, residing at 14301 Thames Avenue, was drowned last Thursday June 2 at the White City Park Beach. His parents report that they did not allow him to go swimming, but after borrowing a pal's bathing suit he went into the fateful waters. When he did not return at night, the police were notified and soon found the lad's clothing on the shore. They at once started to drag the lake for the unfortunate boy's body.

Bozidar Jakac's Impressions of America

In the June 14th edition of the daily "Jugoslovan" there is an interesting interview with Bozidar Jakac, who has just recently returned to Yugoslavia from America. In this interview Jakac gave his impressions of America and its inhabitants and it is interesting to know what this artist thinks of us.

The first part of the interview deals with the impressions the writer received from the dwelling of Jakac. It describes in detail his many souvenirs from all parts of the globe; it tells of Jakac's three month sojourn to Africa in 1928. Then the interesting part comes when he tells that he made up his mind to see America and find out how Slovenes lived there and the conditions of America. A free translation of the remaining interview follows:

Impressions? The same as I wished for to myself. We have nothing to receive for our Yugoslav spirit is far richer than the Anglo-Saxon, but we have much

Subdued!

Mr. Louis M. Kolar certainly does not believe in National Holidays, especially in Independence Day; for on the day set aside to celebrate Independence, he celebrated by losing his freedom—when he married Miss Frances Marie Jeric. However he is entirely satisfied with the circumstances. Mr. Louis M. Kolar is the editor of the "New Era" English section of the S.S.C.U. organ. Oh well, another editor gone wrong. Congratulations!

ORELS ENJOY OVERNIGHT PARTY

At the Orel outing last Sunday July 5th the members had such a raring good time that they forgot entirely that they were to return that night and slept out the night in Madison on Debevec's hay loft. Their failure to return that night upset the whole neighborhood, relatives worrying if anything happened to the excursionists and the telephone exchange wires were kept hot by incessant calling of the anxious, and even the newspapers downtown were flooded with calls asking if they had any report of a big accident at Madison. As it is no one will tell us the reason for the extended night stay but rumors are floating around that the roads on return were muddy preventing the huge truck from making the trip home.

LORAIN PLANS SINGING ORGANIZATION

Mr. Louis Seme has issued a call to the Slovene young men of Lorain who are interested in singing to get together and organize a sorely needed singing society. It is Mr. Seme's wish that the club be organized for the club would have the National Home at its disposal and moreover the lack of a singing group has been felt very hard.

ZARJA TO PARTICIPATE IN PLAIN DEALER FLOWER PAGEANT

At the Plain Dealer Flower pageant which will be held this summer the singing society Zarja has been asked to help in the singing. As this is one of the highlights of the summer season for the whole of Northern Ohio it is a worthy distinction to be invited to sing at it.

SLOVENE ENTERS NAVAL SCHOOL AT ANNAPOLIS

William F. Petrovic, a born Clevelander, merited the honor of being the first Slovene to be received into the United States Naval Academy at Annapolis. He obtained his elementary education at St. Vitus Parish School under the guidance of the sisters of Notre Dame and also at St. Mary's School, West Park under the teaching of the Charity Sisters. He completed his preparatory course at Collinwood High School.

SLOVENE INJURED

While on a trip to Springfield Illinois from Virden, John Gorican was driven down by two alleged drunken drivers and was seriously injured. The automobile in which he was making his trip was completely demolished while he received a broken leg and several other internal injuries which will probably be a hindrance to him all his life.

GIRL TENDERED SURPRISE PARTY

Last July 4th, Miss Mary Piks of East 53rd Street was tendered a surprise party by her parents on Piks' farm in Painesville Ohio. About twenty couples were at the festivities and the excellent service given the guests brought into play real fun. Roast Lamb was served the guests while ice cream was serve as a dessert.

WATER MISHAP

The heat wave which took such an immense toll of dead throughout the country also brought to a close the life of Arthur Ercul, 18, of Chicago who broke his neck while swimming at Belmont Beach.

EMIGRANT CONGRESS OPENS AT LJUBLJANA

Hearty Welcome Is Given Americans As They Arrive In Jugoslavia

MR. ANTON GRDINA SELECTED PRESIDENT

Emigrant Congress Opened Among Gay Festivities At Ljubljana On June 26

On June 26th at 9:15 in the morning the cohort of Americans who left for the Emigrant Congress arrived in Ljubljana where they were most heartily welcomed. On the way from Jesenje to Ljubljana all houses bore flags and at all the places that the train stopped, huge throngs cheered them.

Ljubljana itself was decorated in flags and a huge throng was gathered at the station to welcome the travelers. When the tourists' train came to the terminal a band was there to greet them with the National Anthem. The Americans stepped off and with Mr. Grdina at their head marched through the avenues which were banked by a huge crowd joyously throwing flowers on them. All the leading heads of the government were there to greet them and offered them the hospitality of the city and the country. A large parade then formed with two bands at its head which marched through the streets of Ljubljana to the Worker's Home where the Emigrant Congress was to open.

At ten o'clock in the morning with the hall filled to capacity the first session of the Emigrant Congress was opened. As a principal speaker Mr. Price the American Ambassador at Belgrade to Jugoslavia enthused over the convention. Then a telegram was sent to King Alexander and a cablegram to President Hoover. After some more speeches, the meeting elected Presidents of the Congress and Mr. Anton Grdina was elected as one of its Presidents. The session then adjourned to continue with a meeting at Zagreb. In the afternoon an elaborate banquet was tendered the guests which was attended by all the Jugoslav elect. That afternoon at six the tourists were again given a huge ovation at the station as they left for Zagreb. Mr. Bozidar Jakac accompanied them on this trip to film the proceedings with a movie camera.

Slovene School to Hold Picnic

Picnic On Mocilnikar's Farm Sunday to Be Gala Affair With Racing And Dancing

Slovene School of the Slovene National Home will celebrate its respite from the classrooms with a picnic on Mocilnikar's farm to be held this coming Sunday, June 12th. These annual picnics of the Slovene School have become known as the liveliest and happiest picnics of the summer season. Members of the committee are always working earnestly to provide an interesting and diversified program for their patrons in order to attract as many people to the affair as possible, as this is the only occasion on which they are able to raise funds to reimburse the treasury and in this way carry on the expensive work of teaching through the winter month hundreds of children to love and speak their mother tongue.

Mocilnikar's Farm is a very appropriate place to hold picnics; it provides for the smallest desire of the patrons. It has cozy nooks and shady lanes where one may do what he pleases. There are numerous tables, all under large trees providing ample protection from the sun, where one may refresh himself and enjoy the spirit of a happy crowd. A dance hall, with plenty of ventilation, where it is never warm, is provided, where one can dance in a cool breeze to his heart's desire.

For the thirsty children of the School Mr. Potokar of The Double Eagle Bottling Company has donated one hundred cases of pop.

A very interesting program has been arranged which will keep the picnickers in motion all the time. The Cleveland Sokol's children will offer a calisthenic exercise to start off the program, while immediately after dances will be given by the older girls of the Slovene School in the national costumes. Handicap races for children of all ages will follow, under the supervision of Mr. Fr. Truden and Mr. Joseph Fifolt, both well versed in this line, both being scout masters. Money prizes will be awarded to the winners of the various events.

Slovene School children and their parents will leave for the farm at 12 M. from in front of The Slovene National Home, at 1:30 p. m. another truck will leave for the farm carrying anybody who desires to go and the fee is only 15 cents.

Mr. Valentine Turk will serve the music to all who dance and dancing will last until the last of the throng has left. There will be refreshments for the hungry and the thirsty, and anything that one desires.

In case old Neptune should wade his trident and release rain from the clouds, the same program will be held in the Slovene National Home on St. Clair Ave.

You are bound to be amused and entertained for one whole afternoon if you but go out to Mocilnikar's Farm Sunday and see what the pupils and teachers have in store for you.

We Are Not Inferior

A charge has been hurled at us. It is a very ridiculous attempt on the part of one who classifies himself "a real Slovene" to deride the movement of preserving Slovene in America by teaching the younger set to respect and feel proud that they are Slovene. This is all the sadder because it comes from one of our own. The charge reads:

"This continuous talk of telling the young Slovene people to be proud of their nationality is an admission on the part of the 'blowers' that they feel 'inferior'."

If we teach the young Slovene people to be proud of their nationality and respect Slovene we absolutely do not consider ourselves inferior to any other group in America. We are doing nothing more than all other nations of America, who maintain institutions in which they teach, by various means, their young to be loyal to the mother tongue and to spread and perpetuate its individualities.

America is a melting pot of all nations; each separate nation has to care for its own individuality and as long as that is maintained America will be safe and sound. There is no "American" nationality; it is a country of all nations, where all are equal and all can practice their own lawful beliefs and customs.

In American schools children are taught America's glorious history, and shown how to be good citizens, respectful of America. Do the United States teach this because they consider themselves inferior to other countries? No, but because they attempt to show that they have reasons to consider themselves great and equal to the mightiest. That is exactly what we do. We do not feel inferior, but rather show that we are as good as anyone. If we would not teach our younger set the Slovene, then, we should feel that we are ashamed of our mother tongue and consider it inferior to other nationalities.

Anybody that fights for Slovene ideals and is proud to call himself a Slovene is not a "blower". On the other hand anyone that seeks to suppress Slovene and to deride it has no right to call himself a "Real Slovene" and is deceiving only himself if he says he is.

It is the man who is not afraid to say "I am a Slovene" no matter where he is that is highly respected and not the one who tries to kill his own nationality

Starry Adventure

This character study of a dreamy beauty-loving boy who is always looking for the "Starry Adventure" begins in childhood, continues through the friendship and loves of adolescence and young manhood, and ends with one love that proves to be the "Starry Adventure."

Indian, Mexican and Spanish customs make a colorful setting for this study.

Cold Blue Moon

The story of the conversation of an old Southern mansion into a riding and hunting club is told by "Black Ulysses" in a series of fragmentary anecdotes. Though these at first seem disconnected, they impart, as one reads, the flow of life on the plantation, both in the "Big House" and in the negro cabins.

This is the third novel of the trilogy concerning "Black Ulysses," the former volumes of which were "Rainbow Round My Shoulder" and "Wings on My Feet."

Bitter Tea of General Yen

Megan Davis, a carefully reared Bostonian, goes to China to meet her sweetheart, a medical

missionary. They find that "in China everything is built on the most important thing in a man's life, i. e., his social relations." She gains much of her insight into Chinese life and character thru General Yen, who rescues her from a coolie. The author's style is such that it "must have been modelled on that of the Chinese artists who draw a landscape on silk with half a dozen strokes and supply perspective and atmosphere by sheer magic."

YOUNG PRIEST DIES

June 25th marked the passing of Rev. Anton Bratina, pastor of the Slovene parish of St. Peter in Steelton Pennsylvania. He was still very young being 29 years old.

Rev. A. Bratina was born in Steelton. He finished his theological studies at the Benedictine Seminary at Beatty, Pennsylvania and was consecrated into the priesthood on August 6, 1927. Rev. A. Bratina was well loved by his parishioners especially among the younger set. Although he was born here, he was an enthusiastic Slovene and was fast developing into a leader of the young Slovenes. In his sudden death the Slovenes have lost a faithful priest, a true Slovene and a leader.

AN OUTING EVERYONE MUST ATTEND

The very popular singing club "Zarja" (producers of Slovene Operas) is having an outing on July 26th.

The committee is very busy preparing all sorts of games. Dancing and bathing will also be on the program.

Everyone is urged to set aside this date for a good time and watch this column for further announcements.

SPARTANS

The popular Spartans S.S.P. Z., had a recent outing at Zakrajsek's farm in Madison, Ohio. It may be noted that the swimming pool provided no end of entertainment.

The accordion music for the dancing was furnished by Mr. Tony Trinko.

As far as the games are concerned—there was the favorite baseball, and a few other novelties that afforded general merriment.

Our people there are good and nationality minded, the motherland should interest itself in them a little more and have a closer relation with them, interchange ideas with them, send them reports and have a warm feeling for them. We could have immense benefits from them if we would recognize them at all times and not only when we ask something of them.

Farewell Party

Rev. George T. Hovanec, who has been with St. Mary's parish in Collinwood for several years and who has been a leader and companion of the young people of that parish, has been assigned to a Slovak parish on E. 93 St. and Aetna avenue.

The parishoners and especially younger members of St. Mary's feel saddened by this news. Rev. T. Hovanec possessed a kind understanding and a genuinely honest and upright quality which at once commanded respect and endeared him to whomever he came into contact.

The young people, especially, felt that he was their comrade, and last Wednesday, July 8, 1931, they surprised him with a farewell party at the Slovene National Home on Holmes avenue.

The Young Ladies' Sodality and the Junior Holy Name Society co-operated very diligently to make the evening a success, and veritably, it was so.

With Mr. Joe Perusek's ingenious skill for scheming, Father was really surprised when he learned that the evening was planned in his honor.

The hall was beautifully arranged and seats were set for about one hundred-fifty guests.

Mr. Frank Drassler was the toastmaster and the speakers were, Miss Josephine Bernot, president of the Sodality, Mr. Charles Tereck, Mr. Joe Perusek, seminary friends of Father Hovanec and Rev. Vitus Hribar.

In his farewell speech, Father Hovanec explained how hard it was for him to leave his friends, especially the younger people who had co-operated so perseveringly in their club activities. He hoped that they would continue

WEDDING ANNOUNCEMENT

Mr. and Mrs. John Kanecki wish to announce the marriage of their daughter, Claire, to Mr. Rudolph Skedel, which took place Saturday, June 27, 1931 at the Holy Name Church at eleven o'clock. Rev. Gallagher performed the ceremony.

The church was decorated very exquisitely to honor the solemnity of the occasion. There was the usual white runner in the aisle and the altar was adorned in palms and gorgeous flowers.

The charming bride was attired in a lace-bodiced gown of white satin and carried a bouquet of calla lilies and roses.

The maid of honor was Miss Alvina Skedel, sister of the groom. She wore a blue net gown. The bridesmaids in attendance were Miss Emma Skedel, sister of the groom and Miss Helen Goken, cousin of the bride. Miss Skedel wore a pink net gown and Miss Goken preferred a coral net. All of the attendants of the bride carried beautiful bouquets of roses.

The best man was Mr. Victor Paulenich, cousin of the groom and the ushers were, Mr. Leo Dardy and Mr. Eddie Turk.

In the evening, a reception was held for two hundred guests at the Polish National Home on Fullerton avenue.

The couple will make their home at 3423 East 140 St., Cleveland, Ohio.

The guests presented Father with a desk fountain pen set for his remembrance from them.

BRIDGE

Messrs. John Stritof and John Alich were the guests of Misses Anne and Mary Orenick at a bridge party held at their home at 15908 Arcade avenue, Tuesday evening, July 7, 1931.

It is a well known fact that the Orenick sisters are very charming and hospitable hostesses.

SIMMS FIRST TO SCORE IN NEW STADIUM

Kayo Impresses Visitors

Very little can be said of Frankie Simms' fight at the new Stadium because it came to an abrupt end in the first round had died away, the kayo was a typical without any doubt, long count and what not. More to the point would be to say that the referee's toll was not necessary.

Simms Gets Big Ovation

After the first three preliminaries were run off the crowd which up until now seemed somewhat chaland except in laughing at Battling Bozo's funny antics swarmed up when Cleveland's heavy belter, Frankie Simms, crawled through the ropes with his manager Charlie O'Connell. Frankie's popularity was evident for he easily drew the largest ovation of any of the preliminary scrappers.

The opening bell found the 20-pound Simms tapping a left, right off on Joe Vincha's jaw. A few cautious maneuvers on the part of both and then the Clevelander grazed the Bostonian with a stinging left hook. He received an unimportant blow and worked himself in closely by retaliating with a right hook that landed on Vincha's ear momentarily, rocking him. Simms unlike other times remained cool and proceeded to throw a well timed left which landed flush followed by his powerful right and it was all over. Announcer Manning stated the time as two minutes and four seconds.

SCHEDULE MAKES GAMES COUNT

Early Start May Decide Title

FIRST THREE IN PLAY-OFF IN GROUP 1

First Two in Group 2. — Play Two Rounds

They're off and may the best team win. Beginning with Sunday, July 12, the Interlodge with its two newly formed divisions is starting anew. All previous wins and losses are to be forgotten, except in using them as records in comparing the strength of the clubs. The schedule as drawn, by some strange coincidence brings together four teams that met in the early opening games. Although, it must be made clear that the schedule maker did not assign the games. This was left to the fate of chance, the names of the teams were written on cards and Justine Post, a belle from Collinwood, drew them from a hat.

Loyalites - Pioneers

It will be remembered by the rabid Interlodge fans that the Pioneers edged the champs of '31 in the season's opener. This, however, is not a positive indication that they shall do it again because the Loyalites (Jindrich Clothes) appear stronger at this writing than they were when they annexed the title. The Pioneers in view of their splendid record during the first round are the favorites to win. The S. N. P. J.'s on the other hand if they win, which is not at all improbable, will stamp themselves as certain contenders. The fray is to be played at White City, Monday, with Makovic and Jarckewicz or Sodja as the duelists. The snappy receivers, Habian and Gryzbowski will supply the ginger behind the bat as in their customary style.

Will Washingtons Win Again?

Another interesting contest is the one booked for Gordon Park Tuesday, bringing together the Glavan Ge. Washingtons and the Slov. Young Men's Club. The former appears to be one of the weaker clubs in the upper bracket. Nevertheless, like a worm that eventually turns the Cherry Tree Choppers surprised St. Clair and the nearby neighboring world when they easily defeated the S. Y. M. C.'s, a feat which is remarkable for the reason that no other club won as handily. The G. W.'s have a great inner and outer defense but lack a strong pitching staff. Wieners Kubilus, their best moundsman, how-

ever, has been coming along nicely and if he can hold up his end the team should be in the thick of it. The S. Y. M. C.'s need no introduction. Everyone is admitting they must be defeated by any and all teams which aspire to play in the autumnal classic. The clubs may have a break due to Fr. Yerse' sore arm which practically leaves the S. Y.'s without a dependable hurler. Their batting punch may overcome this handicap. This is to be seen before the first trio of games is played.

Orels - Comrades Wed.

Playing before an almost certain record crowd the Orelmen will attempt to reverse a previous defeat at the hands of the Comrades (Globokar Real Estate). The Gymnasts contend their early loss was all a mistake; that their aggregation clicking like it is now is going to give their former conquerors a better battle. Their pitching ace, Iggie Jeray, has been working splendidly and turning in a real bit of slab work. Iggie will have to extend himself because facing him will be an array of hard hitters. The S. N. P. J.'s are just getting started, many of their veterans are perking up. The hot weather and the seriousness of the race will find them like all other clubs fighting hard.

Second Group Interesting

A very interesting experiment is the sub-dividing of the league which brings the four teams, not as skilled as the upper six, in a championship fight of their own. The clubs are to play two rounds at the end of which the first and second will play for the championship of Group Two. A cup will be given the winner. Sunday morning at Gordon Park the Progressives will meet the Collinwood Boosters. This should be a very good game. Gulic and Trebec are the likely mound choices.

Betsy Ross may come to life now that all previous games have been discarded. The Flagmaker's first assignment is the tough Clairwood outfit. The latter is the only near town club, the others hailing from Collinwood, Euclid and Nottingham. The probable date for the meeting of the two is likely to be Thursday. Origin-

Comrades 9 - Betsy Ross 0

The Comrades pounded out a total of fifteen hits, good for nine runs, in drubbing the Betsy Ross, 9 to 0. Jarc gave the Flagmakers three hits, struck out eleven and issued nine walks. Turk bagged three out of four to pace the winners. Habian clouted his second homer in as many games. Jarc hit safely three out of five and Smole, Fabian and Zalokar each crashed two safeties apiece. C. Starman connected safely twice, while Yasbec garnered the other hit. Holowenko, granted fifteen hits, struck out four and walked three.

PIONEERS DEFEAT PROGRESSIVES

The Pioneers finished the first round of Interlodge playing by easily defeating the Progressives, Wednesday evening in Gordon Park by the score of 10 - 1.

Metz Cetinsky, on the mound for the Pioneers was never in any serious difficulty and permitted but two hits in the eight innings in which he worked. The lone run for the Progressives was scored in the ninth inning off Anslow on an error and two infield hits.

The feature of the game was the long home run poled out by Danny Pavlovic in the second inning with Barbic on base. The ball cleared the center-fielder and was one of the longest drives made on these grounds.

ENTERTAINS FIGHTERS OVER WEEK-END

Mr. and Mrs. Jas. Kotnik were guests to Joey Spiegel, sensational Uniontown lightweight, Dan Mancini a heavyweight and Ace Rogers, government aviator.

Mrs. Kotnik is sister to Joey Spiegel.

DOLJACK DAY

Everybody invited to the Doljack Day meeting, Monday, July 20, at St. Clair Bath House. — Our slogan "We must not fail."

ally it was to have been Sunday but Betsy Ross postponed the fray.

Two rounds in both divisions shall be played, at the end of which the second and third place clubs will play one game to decide which is to play against the first place team for the Interlodge title.

CLAIRWOODS RALLY TO WIN, 6 - 5

Score Five Runs in Last Inning to Surprise Washingtons

SIMON GRANTS 6 HITS

Although the Clairwoods are classed as a second division club, they have scored two unexpected victories at the end of the first round. It seems they make a promise and keep it. Twice they have told their highly touted opponents that they were in for a drubbing and both times the S. D. Z. club made good. Their first victims were the Comrades, who fell by a 4 to 2 count. This defeat should have served as a warning to other clubs not to take the youngsters too easily. And again the Clairwoods came thru. Conceded an eight to one chance against the G. W.'s the S. D. Z. youngsters after trailing throughout half the game by a 5 to 1 score, put on a spirited ninth inning rally that netted them five runs and victory.

The Clairwoods were first to score tallying but one marker in the opening frame, although they had the bags loaded twice. Strainic led with a single and advanced to third on Phillip's double. J. Zupancic walked, filling the bricks. Kogoy flied to deep left field, Strainic easily scoring. Hrovat walked again loading the paths, but Opalek tightened up and struck out Novak and retired Zust on a long drive to center field. Opalek then rowed them down in order until the final frame. The G. W.'s scored in the third on Brezovar's circuit clout and added two more in the 4th on one hit, one error, a walk and a sacrifice. Sandwiching a walk and a three bagger in the sixth frame the Cherry Tree Choppers again tallied twice but were stopped after that.

Starting the ninth inning and four runs behind, J. Zupancic led with a double, but was out at the plate after Brezovar, who had muffed Kogoy's fly, quickly retrieved the ball and pegged it home. Kogoy had meanwhile taken second base. Hrovat and Novak both came through with a single apiece. Kogoy scoring, Zust walked filling the bases. Opalek singled, Hrovat scoring and Novak sneaked home as a dispute was going on at the plate. E. Zupancic was out, Kastelic to Scheller, Zust crossing the plate and tying the score. With two out and the winning run on third

Simon won his own game by sending a fast one into left field. Strainic struck out to end the inning. Simon held the G. W.'s helpless in their half of the ninth.

Simon gave but six hits, walked six and struck out seven. Opalek was nicked for nine hits and issued six passes. Strainic and J. Zupancic each clouted out two hits.

Opalek got two of his team's six hits. Brezovar hit a long homer.

SPIEGEL MAY MEET CHATTERTON IN LOCAL BOUT

While on a visit in Cleveland to witness the championship fight, Joey Spiegel, Uniontown and Pittsburgh flash, stopped in the Journal office to say hello. To date Joey who was the former national lightweight champion, has engaged in seventeen fights as a pro winning them all. His manager is angling for a fight in Cleveland with Frankie Chatterton. He was accompanied by Dana Mancini, Pittsburgh's prominent heavyweight who fought Christner, Griffiths, Gagnon and others.

Mancini was to have fought Risko at the Stadium but rejected the \$1000 offer as too small against a fellow like Risko.

TEXAN A. C.

In a hard fought game the Texan A. C. were given a 8 to 3 defeat by the Red Sports. Larry hurled a nice game for the loser's allowing only five hits and fanning 17 batters. Bakitis and Larry being the heavy hitters each connecting twice for the loser's.

PIONEER - LOYALITE GAME CALLED OFF

The Pioneer - Loyalite game which was scheduled for Monday at White City was called off due to the death of Mr. Gryzbowski, father of Hank and Joseph, members of the Loyalite team.

A ninth inning rally in which Johnny Sphe's Yankees scored five times gave his team a 9 to 4 victory over the Crisafi for Council in a class C tussle. Billy Powers proved to be the power for the winners with a triple and homer.

A 5 to 2 verdict was registered by the Zuric Conf. in C over the Knapp Billiards. Pagnard and Ferko hurled for the Zuris and held the opposition to six hits.

In a slugging bee the Slov. Mchts., lost to the St. Michael's 13 to 10. Kocian, Phillips and Zupancic each collected two blows for Joey Kogoy's team.

Scoring 8 runs on 6 hits the Cook Coals of D defeated St. Andrews, 8 to 1. Podnar held the Saints to 3 hits and also whiffed 12. This was the eighth straight the Coals won this year.

The Schneider Sports lost a close one to the Imke Barbers, 7 to 6 in a six inning fray.

The strong Kozan Shoe Repair swamped the Connolly Sports, 18 to 2.

A 4 to 2 setback was handed to the 23rd Ward Democrats by the Gable Bills.

Primo Carnera Marsh went on a slugging spree for the Kibler Club by smashing 2 homers and also a double. The Kiblers topped the Kilbane Playboys, 2 to 3. Marsh announced after the game that he will definitely sign with the Kiblers.

Billy Drenser, former Madison background star, of the Rotbart Champs, stepped into the hall of fame when he crashed one into the left field bleachers at League Park, Sunday. He is the second sandlotter that ever accomplished such a feat. Bobby Comors a few years ago turned the trick. But even Billy's hard smash wasn't able to bring victory to his team as they lost to the Quacker Sugars, 13 to 4.

The first amateur who belted the sphere into the bleachers was Steve Deal of the Grdina Under-18's. The ball however, bounced back into the playing field. The umpire did not see the ball go into the bleachers. The left fielder of the opposing team admitted after the game that the ball did fall into the bleachers. Thus Deal was deprived of the honor. Unofficially he was the very first to turn the trick back in 1927.

The Brazis Bros. of B were able to score in every inning in their game with the St. John's S.C. and the final count was 23 to 3. R. Kalster was the outstanding hitter for Gribben's team by lacing out six hits among which were a homer and triple, and also scored six times. The weather must agree with the young bludgeoner.

In another class B battle the Berichon Fords edged out the Bartunek Clothes, 7 to 6. The Fordmen registered four runs in the ninth to triumph over the Bartunek's.

The Superior Tire Service had a field day against the Steinmetz Undertakers, when they chalked up an 18 to 1 win. Mlinar again shone for the Tiremen by holding the losers to 2 hits and also getting 17 of them via the air route.
