Nikaragvejci ubili ameriškega vojaka, pilota helikopterja, ki je baje kršil zračni prostor Nikaragve

CIFUENTES, Hon. — Preteklo sredo je prišlo do incidenta na meji med Hondurasm in Nikaragvo, ko so nikaragveški vojaki sestrelili helikopter, ki ga je pilotiral 27-letni vojak ZDA Jeffry C. Schwab iz Jolieta, Ill. Schwabu je uspelo prisilno pristati na honduraški strani meje, Nikaragvejci so pa streljali naprej in Schwaba ubili. Honduraški vojaki, očividci incidenta, potrjujejo, da je helikopter res bil v nikaragveškem zračnem prostoru, a je bil pilot ubit po pristanku na honduraški strani meje.

Predstavnik ameriške vojske je priznal, da je morda močan veter vzrok, zakaj je helikopter prišel v Nikaragvo, a ni nobenega upravičljivega vzroka, zakaj naj bi Nikaragvejci streljali čez mejo v Honduras. Helikopter ni imel orožja, je poudaril tiskovni predstavnik Bele hiše Larry Speakes, ki je rekel, da je predsednik Reagan obsodil sestrelitev helikoptera in izrazil sožalje Schwabovi družini.

Nikaragveška vlada je izjavila, da je helikopter kršil zračni prostor Nikaragve in da so vojaki streljali, ko je bil helikopter še v zraku. Nikaragva ni priznala, da so vojaki streljali čez mejo v Honduras in pilota ubili, ko je že bil pristal in zapustil helikopter. Nikaragva sicer obžaluje, da je do tega »neljubega incidenta« prišlo. Daniel Ortega, ki vodi komunistično usmerjeno vlado v Nikaragvi, je izrazil željo, da bi ZDA incidenta ne smatrane kot povod za napad na Nikaragvo. Ko so novinarji v Washingtonu vprašali državnega tajnika ZDA Georgea Shultzza o možnosti kakega ameriškega povračilnega napada, je Shultz odgovoril, da o tem ni govorila.

Nek ameriški novinar je obiskal kraj incidenta na nikaragveški strani meje in govoril z vojaki, ki so streljali na helikopter. Ti potrjujejo, da so res streljali na pilota, ko je že bil pristal v Hondurasu.

Kissingerjeva komisija o srednji Ameriki izročila svoje poročilo predsedniku Reagangu

WASHINGTON, D.C. — Preteklo sredo je Kissingerjeva komisija, ki jo je bil lani imenoval predsednik Reagan z nalogo, naj proučuje ameriško politiko do držav srednje Amerike, končno izročila svoje poročilo Reagangu. Poročilo poudarja, da predstavlja »marksistično« v srednji Ameriki nevarnost za ZDA ter da bi njih zmaga na tem območju bila nevarna za vso latinsko Ameriko. Komisija je predlagala, naj bi ZDA začele prihodnje leto pošiljati veliko več pomoči državam srednje Amerike. V petih letih naj bi ZDA poslale skupno vsoto 8 milijard dolarjev. Komisija je tudi predlagala več ekonomske in vojaške podpore El Salvadorju, pripomnila pa je, da morajo ZDA pritiskati na El Salvador, naj le-ta spoštuje človečanske pravice in ukrepa učinkovito zoper desničarske morilskih skupin, ki da so zelo aktivne v državi in delujejo ob vsaj prikriti podporo višjih civilnih uradnikov oz. vojske.

Tiskovni predstavnik Bele hiše Larry Speakes je dejal, da predsednik Reagan soglaša z nasvetom komisije, naj ZDA namenjajo več gospodarske pomoči srednji Ameriki, da pa v predsednikovem mnenju el salvadorska vlada vedno uspešneje kljubuje aktivnostim desničarskih morilskih skupin in da skuša spoštovati človečanske pravice tamkajšnjega prebivalstva.

George Shultz bo imel sestanek s sovjetskim zunanjim ministrom Andrejem Gromikom

WASHINGTON, D.C. — Prihodnji teden se bo mudil v Stockholm, Švedska ameriški državni tajnik George P. Shultz. V istem mestu bo tudi sovjetski zunanjim minister Andrej A. Gromiko, ki je hkrati vplivni član vodilnega sovjetskega politbiroja. Shultz in Gromiko bosta imela sestanek in je Shultz dejal včeraj v intervjuju z evropskimi novinarji, da upa na izboljšanje odnosov med ZDA in ZSSR.

Shultz je bil vprašan tudi o možnosti srečanja med predsednikom Reagonom in sovjetskim voditeljem Jurijem Andropovom. Shultz je dejal, da ni mogoče izključiti vsakršne možnosti takega srečanja, vendar bi ZDA želele vedeti vnaprej, da bo srečanje koristno.

V Moskvi je Andropov baje dejal, da bo ZSSR pristala na obnovitev pogajanj o zmanjševanju orožja na evropskem prostoru, a le pod pogojem, da ZDA najprvo odstranijo vse rakete Pershing II. in »cruise«, ki jih je začela postavljati v raznih NATO državah.

Okolišine smrti ameriškega generala še vedno nepojasnjene

SAN ANTONIO, Tex. — Preteklo sredo zjutraj so našli obešenega 48-letnega rezervnega generalmajorja Roberta G. Ownbyja. Generalovo truplo so našli na stopnišču stavbe na oporišču Ft. Sam Houston. Njegove roke so bile zvezane, na sukničju pa je bila pripeta izjava, natipkana na pisalnem stroju, v kateri je bilo povedano, da je bil general »obsojen na smrti in usmrčen« radi zločinov, ki jih naj bi storila ameriška vojska.

Preiskovalci še niso ugotovili, ali gre za samomor ali je bil general res ubit od neznanih oseb. Generalovi sodelavci in prijatelji vsi poudarjajo, da o samomoru sploh ne bi smelo biti govora, ker je bil gen. Ownby dober in miren človek ter dober mož in oče. Preiskovalci pa menijo, da bi si lahko gen. Ownby sam zvezal roke in napravil samomor. Poudarjajo tudi, da doslej ni prevzela odgovornosti za »usmrtitev« gen. Ownbyja nobena skupina.

**Obisk kitajskega ministrskega predsednika
ocenjujejo kot zelo uspešen — Nov začetek
v kitajsko-ameriških odnosih**

WASHINGTON, D.C. — Ta teden se je mudil na uradnem obisku v ZDA kitajski ministrski predsednik Žao Zijang. Imel je sestanke z vodilnimi ameriškimi funkcionarji ter s predsednikom Reagonom. Obe strani sta poudarjali, da želijo izboljšanje odnosov in da sta pripravljeni sodelovati v prid tega cilja, ki bo koristen za obe državi.

ZDA se zanimajo predvsem za boljše trgovinske odnose. Ameriška podjetja bi rada prodrla na ogromen kitajski trg. Kitajci potrebujejo sodobno tehnologijo, težava pa je v tem, kako morejo Kitajci plačati za ameriške izdelke. Predmet pogajanj je na primer sporazum o ameriškem sodelovanju v razvoju kitajske jedrske industrije. Ameriška stran računa, da bi lahko samo na tem področju prodala Kitajci izdelke v skupni vrednosti 20 milijard dolarjev tekom 20 let.

Med pobudami, ki jih je sprožil Žao, je bil predlog, naj bi prišlo do neposrednih pogajanj med ZDA in Severno in Južno Korejo. ZDA takih pogajanj oz. stikov niso napsotovale, poudarile pa so, naj bodo prisotni tudi Kitajci.

Jugoslavija v I. 1984

I. del

Proti koncu tega meseca bo prišel na obisk v ZDA Mika Šipiljak, predsednik predsedstva SFRJ. Imel bo sestanke z vodilnimi člani Reaganove administracije, v Belo hišo ga je povabil tudi predsednik Reagan. Državnika bosta govorila predvsem o gospodarskih težavah SFRJ ter o tem, kako lahko ZDA pomagajo jugoslovanskemu režimu, da premaga te težave. Jasno je namreč, da prihod konservativne Reaganeve vlade na oblast januarja 1981. leta ni pomenila nobene spremembe v dosedanji ameriški politiki do Jugoslavije, v politiki, ki je ostala bistveno nespremenjena vse od predsednika Truma. Truman je prišel do zaključka, da je v ameriškem interesu, ako Jugoslavija uspešno kljubuje Moskvi in ne postane del sovjetskega imperija. Čeprav komunistična dežela, je bila SFRJ v očeh ameriških vlad vse do Reaganeve vsaj neodvisna. Vsi predsedniki od Truma dalje so se bali posledic na Balkanu, ako bi Jugoslavije ne bilo več. Splošno mnenje je bilo — in je še danes —, da bi sovjetske in Sovjetski zvezi podnjene sile zasedle jugoslovanske kraje in tako prišle do Jadrana in do Italije. Radi tega je najboljše za ZDA, ako ostane Jugoslavija še v bodoče neodvisna in ozemeljsko nespremenjena, četudi komunistična. Tako ameriške vlade. Iz tega seveda sledi, da je v osnovnem ameriškem nacionalnem interesu, da ZDA pomagajo Jugoslaviji finančno v kolikor mogoče. Težko je verjeti, da jugoslovanski voditelji tega osnovnega ameriškega gledanja na SFRJ ne razumejo. Obratno. Ker to stališče dobro razumejo, računajo na skoraj brezpogojno ameriško gospodarsko podporo.

Izgledi za obstoj umetne jugoslovanske državne tvorbe pa niso preveč rožnati. Vem, da o tem pišejo opazovalci jugoslovanskih razmer vse od druge svetovne vojne do danes. In SFRJ še diha. Morda bo živila še veliko let. Morda pa ne. Osebno sem mnenja, da je Jugoslavija kot država obsojena na smrt. Problemi, s katerimi se soočijo njeni voditelji, so v bistvu nerešljivi. Kakšni so ti problemi? Zakaj so nerešljivi?

Najbolj vidne težave v SFRJ danes so seveda gospodarske. Zadnjih pet let je Jugoslavija v resnejši ekonomski krizi. Življenjski standard pada iz leta v leto, prišlo je do dejanskega racioniranja nekaterih osnovnih potrebščin, inflacija je okoli 50 odstotkov na leto in nič ne kaže, da bo dosti nižja letos. O teh težavah obširno poročajo tako v jugoslovanskem kot v zahodnem časopisu. Kljub tem težavam pa še ni prišlo v SFRJ do notranjih nemirov, kakršnih smo bili priča na Poljskem. Kosovo je bilo poglavje zase in bo obravnavano v drugem delu tega uvodniškega članka. Ker pa odgovorne osebe v jugoslovanskem vodstvu tudi za letos napovedujejo nadaljevanje ekonomskih težav ter neugodne premike v zvezi z življenjskim standardom prebivalstva, ni mogoče izključiti, da bi šli ljudje na cesto. Možno je, da je potrebna samo iskrica in bi se lahko požar razplamtel. Če se bo ta iskrica kje v SFRJ letos pojavila, tega ni mogoče predvideti.

Jugoslovansko vodstvo še vedno ni pripravljeno pristati na kakšno obsežnejšo spremembo obstoječega politično-gospodarskega sistema. V prejšnjih uvodnikih je bilo že poudarjeno, da brez take spremembe v smer demokratizacije tako gospodarske kot politične v zahodnem pojmovanju tega koncepta ni mogoče pričakovati, da bodo v SFRJ prebrodili sedanje težave, vsaj dolgoročno ne. Volje za kaj takega pa ni v današnji Jugoslaviji opaziti.

ANA GABER:

Slovenci dosegli prvo mesto na Mednarodni razstavi

CHICAGO, III. - Mesec decembra je najbogatejši v praznovanjih slovenskih navad in običajev. Kar smo prinesli lepega iz rojstne domovine, to prikazujemo na tujem številnim drugim narodom z javnimi predstavami in razstavami. Upamo trditi, da so uspehi v teknu dveh desetletij zelo lepi in vidni. Nas Slovence so dobra spoznali mnogi slovanski in drugi narodi in to samo z javnimi nastopi na mednarodnih razstavah — Folks Fair International — in v — Museum of Science and Industry — v božičnem času pri predstavah »Christmas around the World«.

Tudi ne smemo pozabiti poslednjih nastopov dr. Ludvika Leskovarja, ko je v osrčju Chicaga predstavljal Slovence v zvezi z zelo uspešnimi nastopi folklornih plesalcev. Z vsem tem smo nekako »prisilili« obveščevalna sredstva bodisi radio ali TV, da Slovence imenujejo, predstavljajo in prikazujejo. In čudo — prečudno! V teknu zadnjih let je ocenjevalna komisija že drugič na mednarodni razstavi v dneh 10. in 11. decembra v Donnelly Hall priznala prvo mesto Slovencem poleg Švedov in Afro-Amerikancem. (V Chicagu imamo namreč črnskega župana.)

Zahvala in prošnja

CLEVELAND, O. - Že par let ima na drugo nedeljo v januarju Misijonska Znamkarska Akcija božični sestanek. Za ta sestanek je pripravljen tudi mali srečolov, ki naj bo začetek nabirke, katera se pred božičem sprazni, ko odpošljemo pomoč misjonarjem. Hvala vsem, ki ste pokupili te listke, kot tudi vam, ki ste jih razpečali. Ta srečolov je prinesel \$493.00. Bog vam vsem povrni! Bog povrni pa tudi vsem, ki ste prišli k litanijam, blagoslovu in v tako lepem številu na sestanek. Hvala tudi g. Urbaniji za tako lepe misli.

Poleg zahvale je zopet nova prošnja. Gotovo ste opazili, da je v koledarju prireditve kosilo MZA 1. aprila. Za kosilo imamo posebno stojnico za ročna dela. Da bo ta stojnica založena lepo, prosimo, da v teh dolgih zimskih večerih, ko delate za družino razna ročna dela, namenite kaj tudi za misijone. Če bo kozarec vode dan z ljubeznijo poplačan, koliko večje plačilo bo pripravljeno tem, ki bodo veliko ur vložili z misljijo, da hočejo narediti dobro delo.

Naj ljubi Bog blagosloviti delo MZA v tem letu 1984., vas vseh, ki pomagate, pa ngradi z ljubeznijo do vseh duš.

Odbor MZA -
Cleveland

Četudi so gospodarski problemi v SFRJ še tako resni, niso za nadaljnji obstoj države tako nevarni, kot so nacionalni in zunanjopolitični. Tem problemom bosta posvečena drugi in tretji del tega uvodnika prihodnji torek in petek.

**Plesalci SARC v Chicagu**

Plesalci Slovensko-ameriškega radio kluba (SARC) v Chicagu so nastopili 11. decembra 1983 na »International Folk Fair« v tem mestu. Na sliki jih vidite, ko so se zbrali pri slovenskem kulturnem paviljonu na tej prireditvi. Druga slika je na str. 3. Za obe slike se A.D. zahvaljuje ge. Corinne Leskovar.

Ustavimo se nekaj časa pri »International Folk Fair«. Mestna uprava je preložila čas razstave od prvih dni novembra v predbožični čas — ki je vsestransko neprimeren. Naši voditelji oz. voditeljice kulturnega in kuharskega paviljona in plesnih folklornih nastopov so bili v veliki zadregi in bojanzi.

Vremenske prilike so bile že v začetku decembra zelo neugodne — dež in sneg. Toda z velikim upanjem so šli na delo. G. Adi Kranjc, vsakoletni načrtovalec kulturnega oddelka, je imel že pripravljen ves načrt razporeditve predmetov in kupljen manjkajoči material poleg mnogega cvetja. Poleg velikega umetniškega čuta ima tudi zelo radodarno roko. Skupno z go. Metodo Fischinger že leto za letom nosita glavno skrb, žrtvujeta, zbirata umetniške predmete in naprosita predstavnike Slovencev — največ mladino, da tujcem tolmačijo in predstavljajo slovenski narod in to kar za dva dni.

Povedali so, da so se množice ustavljalne pred paviljonom in iskale in našle napis SLOVENIJA. Celo ena izmed Slovencov mi je priznala, da je pred slovenskim kar obstala, ko je zagledala nekaj prelepega: skupino deklet v narodnih nošah, okrog njih razporejene mizice s slovenskimi prti in obložene z malimi umetniškimi izdelki iz lesa, kovine, keramike. Okusno in privlačajoče!

Slovenska skrinja, stoli, zibelka, kmečka zelena peč, velike oljnate slike (delo ge. Fischinger) obešene v ozadju, številni leseni poslikani krožniki, obilno cvetje s šopki rdečih nageljnov — vse je dihalo domačnost, lepoto, okus, skromnost pa vendar izrednost. Če bi bilo naprodaj, bi vse pokupili. Slovenska narezana potica je bila tako vabljiva, da so žene pridno kupovale kuharsko knjigo — izданo v angleškem jeziku v priredbi Slovenske ženske zveze.

Obiskovalci so se zanimali za razstavljenje knjige, spraševali za zemljevid Slovenije. Članica SŽZ je delila brošuro »The Slovenians«, katero je pred leti pripravil dr. Leskovar s slikami naših najlepših krajev in s kratko zgodovino Slovencev združeno s kulturno zmogljivostjo. Brošuro so delili takrat pred predstavo takozvanega Slovenskega dne, katero sem jaz sprejela z občudovanjem in s hvaležnostjo. Le na tak način nas bo svet spoznal!

V nedeljo popoldne je bil na drugem kraju v istem poslopu nastop slovenskih folklornih plesalcev pod vodstvom naše Corinne in njenih pomočnic. Po številu štirideset mladih — se otrok in odraslih —, vsi v lepih narodnih nošah. Vzbudili so občo pozornost v njih spremnem izvajanju. Prednjačili so pari s prekmurskimi plesi in s prelepoto prekmursko nošo. In to potomci — otroci naših prekmurskih ljudi!

Mali plesalci so se vrteli po melodiji »Na planinah sončeve sijе« veselo in poskočno, morda še bolj zato, ker so jih na glasbilah spremiljali njih kolegi po starosti (Marjanca Gorenc, Marko in Mihec Magajne). Gledalci in obiskovalci celotne razstave so plesalce nagradili z burnim ploskanjem — v največje veselje otrok.

Prav kulturni paviljon s svojo privlačnostjo, izvedbo narodnih plesov v okusno izdelanih narodnih nošah, ljubki otroci in lepa dekleta, so pritegnili številne tuje ocenjevalce, da so izjavili: Slovenci najboljši! In tudi: »Na najbolj pristen in estetski način prikazujejo Slovenci kulturo svojega naroda!«

Iz opisovanja teh višin moramo stopiti na vsakdanja realna tla. Razstavlajoči narodi morajo pokazati tudi svojo kuhinjo, kaj jedo. V ta name so postavljeni posebni kuharski oddelki, v katerih postrejejo žene in dekleta svoje narodne jedi. V slovenskem je največje povpraševanje za kranjske klobase s kislim zeljem, manj za obložen kruh z

Drobtinice, sladke in žaltave

CLEVELAND, O. - Dobro jutro tebi, novo leto 1984! Srečo želim vsem, ki bodo moje drobtinice potrežljivo čitali tja do konca letosnjega decembra, ko bomo rekli »lahko noč« letu 1984.

Vroče je bilo lansko poletje in suho tudi, da so rastline žeje ne vpile: Vodo! Na pročelju našega Slovenskega doma za ostarele na Neff Rd. sem jaz zasadil nekaj sadik cvetja. Pomerlo bi bilo, če ne bi bil dnevno zalival.

Pa me enkrat pri zalivanju obišče stara ženica M., ki stane nedaleč proč od tega starostnega doma. Prav lepo me nagovori: »Si pa priden! Vidim od doma, vsak dan zalivaš, zato pa tako lepo vse raste in cvete.«

J.P. — »Je tako, če bi tri dni prenehal z zalivanjem, posebno tukaj, kjer je zemlja slabia in sonce se v steno upira, bi četrti dan le suhljat pobral.«

M. — Pa ti kaj plačajo? Bi bil neumen, če bi jim delal zastonj, ko toliko denarja dobijo notri.«

J.P. — »Nihče me ni najel in nobeden me ne bo plačal. Sam sem se prištulil temu vrnjanju. Delo ni težko, imam delo na vrtu z rožami za razvedrilo. Vem, da pride veliko denarja v dom, vem pa tudi, da ga gre veliko ven.«

M. je malo mencala sem in tja, potem pa mi pritajeno reče: »Ali veš, da je tale dom malo bolj naprednih?«

J.P. — »Prav, ker je napreden in napredujejo — prav zato rad malo pomagam.«

Vem, kam je ženica namigavala, jaz pa sem namigovanje »naprednih« zaobrnil v drugo stran.

Ne vem, kaj in kako je bilo v domu predvčerajšnjim, za danes smo pa lahko veseli, da starostni dom imamo in da ga tudi ohranimo.

Vsaka sobota se daruje v domu sv. maša in duhovnik je v domu na željo stanovalcev vsakomur vsak čas dobrodošel. Menda ni temu dejstvu potrebno še kaj več pripisovati.

Vabim na srnjakovo kosilo!

»Venison - Chicken Dinner« se bo letos pripravilo v Slovenskem društvenem domu na Recher Ave. v Euclidu in sicer v nedeljo, 22. januarja. Serviranje bo od 2. do 5. popoldne. Jedli bomo samo dobre jedi s »ta velikimi« žlicami, t.zv. »Family Style«.

Pokroviteljstvo nosi župnija Marije Vnebovzete — pričakujemo pa, da se bo povabilo odzvalo vse ljudstvo, ki jim je pri srcu, da dom obstaja in napreduje. Vstopnice za to kosilo so v predprodaji in so po \$8. Dobijo se v župnišču Marije Vnebovzete, brivnici J. Petriča na E. 185. cesti, imajo jih tudi domovi prijatelji.

Torej, 22. januarja popoldne si rezervirajmo čas za naš starostni dom ali, po angleško, za »Slovene Home for the Aged« na Neff Rd.

Menda je bilo na sredo večer pred novim letom. Med novicami na televiziji je bilo povedano, da se je sveti oče Janez Pavel II. mudil v tamkajšnji jetnišnici celi dve uri. Pokazana je bila slika — do solz ganljiva — kako se je papež vsedel poleg svojega attentatorja, sedečega potrepljal po kolenu in mu ponudil roko.

Naj bi bilo to rokovanje za lep zgled meni in, prijatelj, tudi tebi — nam vsem, ki se

morda za malo več kakor prazen nič postrani gledamo!

Veselo presenečenje sem za božične praznike doživel. Obiskal me je možakar, mi povoščil praznike, potem pa mi podal zavitek in pripomnil: »Za koroške študente — pretej, če je prav.«

Štel sem in našel 100 po desetdolarskih bankovcih. Ni sem vajen jaz velikega denarja, zato mi je kar toplo postalo.

»Počakaj,« mi reče prijatelj, »ti bom povedal, kako sem jaz do tega prišel, da sem ti danes ta dar lahko z veseljem prinesel.«

V poletju 1981. leta sem bil s pevskim zborom Korotanom na turneji po Primorski in Koroški. Ko so se v Šmihelu na Koroškem ljudje shajali skupaj za koncert, sem jaz pred dvorano zunaj sem in tja kolovratil. Pridejo tudi trije mladi fantje, kot skavti običeni. Ogovoril sem jih. Kmalu smo bili v živahnem razgovoru. Povedali so mi, da vsi trije obiskujejo Slovensko gimnazijo, med šolskim letom so pa v domu oskrbe Mohorjeve.

Govorili so mirno in prijazno v tako lepi slovenščini, da se moram jaz skriti pred njimi. Nič koliko vprašanj so mi stavili — o pevskem društvu Korotanu, o slovenskem življenju v Ameriki nasploh. Takrat sem sklenil pri sebi: takim fantom se splača pomagati in hočem pomagati. Po vrnitvi domov v Ameriko sem pričel v skriti lonec metati desetake,

Slovenija lepo predstavljena širši javnosti

Med sodelujočimi pri slovenskem kulturnem paviljonu na chicaški »International Folk Fair« 11. decembra 1983 so bili, z leve proti desni, Mary Žerdin in Nataša Velkavrh, Adolf Kranjc in Metoda Fischinger, ter Cindy Mikec in Diane Pecharich.

kadar mi je možnost dopuščala.

Moja misel je: Če ni vzgoja salezijancev pri fantih, in šolskih sester pri dekleh prava, kdo naj potem še vzgaja?«

Z njegovim privoljenjem sem to v »drobtinice« zapisal.

Za božične praznike so se špomnili študentov v Mohorjevih domovih sledči:

Po \$5 — g. Janez Varšek; ga. Frances Meglen.

Po \$10 — g. William K. Dre; g. Štefan Rezonja; g. Vili Bitenc; ga. Marija Vavpetič; ga. Caroline Michelich; ga. Milka Bohinc; g. Lojze Pečič; ga. Iva Zajec; NN. žup. Marije Vnebovzete.

\$15 — družina Antona Osredkarja.

\$20 — N.N., Euclid, Ohio.

\$25 — družina Janeza Korošca.

\$70 — g. Frank J. Kuhel.

\$75 — g. in ga. Lojze Burjes

(dalje na str. 4)

se mora obrniti v dobre narodove namene. Torej nihče ni plačan, vsak dela zastonj. Ga. Fischinger je zbrala okrog 20 dobrovoljk, ki so nekaj dni pred razstavo pripravljale, kuhalne in pekle v kuhinji župnijske dvorane.

Ob tej priložnosti v veliki slogi delajo skupaj angleško in slovensko govoreče faranke in se prijateljsko spoznavajo. Može pa speljejo velike množine hrane in peciva na razstavnih prostorih.

Letos je k potrebnemu uspehu veliko pripomogla predprodaja štrudeljna že doma. Dobiček dela so žene poklonile domači fari, za Baragovo in Slomškovo zadevo, za potrebe knjige v tuhých jezikích za slovenske bogoslovce (Pariz).

Priključitev Slovencev v mednarodno čikaško razstavo je pred več kot 20 leti sprejela v svoje sponzorstvo fara sv. Štefana kot slovenska fara — in, kar vidimo, ne v slabo svojemu imenu.

Pravilen je slovenski rek: Le v slogi je moč.

Iz zapadne strani

CLEVELAND, O. - Mesec december je velikega pomena. Pri društva in klubih so letne seje in volitve odborov. Naj opisem moje vtise o društvi, kamor spadam.

Na seji Podružnice št. 21 SŽZ smo pogrešale članice. Uradnice so pohvalno na svojem delu.

Seja Slovenian National Art Guild 21. novembra je bila zelo lepo obiskana. Poslušali smo glavno govorico Olgo Petek, ki je govorila o tem, kako smo obhajali obisk sv. Miklavža v Sloveniji. Podala je resnično sliko, kajti v mlađih letih sem bila za angelja in par drugih deklet tudi — to je bilo namreč v Sokolskem domu ali v Orlovskem domu v moji vasi Žiri —, nosile smo sladkarije in šibe. Miklavž je bil oblečen kot škof, parkelj pa je ropotal z verigo — to so spomini, ki segajo nazaj 75 let. Ne vem pa, kako obhajajo doma sedaj 6. decembra. Obenem z udeležbo na seji Art Guilda, sem si ogledala trgovino, ki jo lastuje slikarka Vlasta Radišek. Zelo veliko založbo ima in poleg vsega tudi uči. Moj poklon!

Seje Kluba upokojencev v Nevburgu-Maple Hts. so en mesec v Nevburgu, drug mesec pa na Maple Hts. Na letni seji smo pogrešali tajnika Andyja Rezina, ki je lani umrl, njegovo mesto je prevzela žena Josephine Rezin. Klubov predsednik John Tavčar in ostali uradniki delujejo složno. Vsak leta se člani kam popeljejo na skupne izlete. Za mene in mojega moža je bil najlepši in najpomembnejši tisti v l. 1967, ko je 44 članov skupaj potovalo v Washington, D.C. (Mnogi so že pokojni.) Ogledali smo Belo hišo in »Capitol Building«, bili smo na grobu predsednika Johna F. Kennedyja — moj mož je nas slikal, kar je danes lep spomin — ustavili smo se v veliki katedrali, a takrat še ni bilo slovenskega olтарja. Zanimivo je tudi, da

Spominski darovi:

\$15 je darovala ga. Marija Boh v spomin na pokojno družino Mirota Boha; \$10 pa je daroval g. John Petrič v spomin na umrlega Jožeta Čampa.

Vsem darovalcem prisrčna zahvala — in Bog povrni!

danesh vstop v Belo hišo menda ni več tako prost, kot je bil takrat. Res hvala Bogu, da spadam v ta klub upokojencev, saj vedno najdem na sejah moje priatelje.

Lepa hvala gre Pauline Stepic, ki me popelje na seje. Pauline zasluži tudi čestitke, saj je bila izbrana za »Ženo leta« od Federacije slovenskih narodnih domov!

Letna seja Društva Soča št. 26 ADZ je bila slabo obiskana. Vidim pa, da je povsod tako in ne samo v našem društvu. Uradniki smo vsi prevezeli odborniška mesta še za eno leto. Naš član, Joe Pultz, bo »mož leta« od našega Slovenskega doma na Denison Ave.

Dne 17. decembra sva na povabilo Marie Pivik obiskala glavni urad ADZ oz. AMLA, ki je sedaj na South Waterloo Rd. Prostori so res lepi. Srečala sem stare znance, med njimi tudi prof. Vinka Lipovca in prijazno soprogo; včasih smo se kaj pogovorili v uredništvu Ameriške Domovine. Tudi sedanji voditelji pri ADZ imajo veliko priateljev. Le tako naprej!

AMERIŠKA DOMOVINA, JANUARY 13, 1984

Where to Now St. Clair Avenue?

By STANE J. KUHAR

The current status on St. Clair Avenue is reaching a cross-road that will ultimately signal either a revitalization or demise of this business section that is located in the heart of the near northeast side of Cleveland.

An overview of this area would be appropriate to understand the structure of the area.

The geographic boundary of this area is defined as being from E. 40th Street to 79th Street on St. Clair Avenue. This area encompasses approximately four-to-five square miles. The population density is around 12,000. The income picture is, on the average, lower-middle to middle-income. The cultural mix consists of East Europeans (Slovenian, Croatian, and Albanian), Puerto Rican, and Blacks.

The main social institutions are the Slovenian National Home, Hough-Norwood Medical Center, Gannett-Goodrich Center, Edward Kovacic Recreation Center, and St. Vitus Auditorium.

The area has two public elementary schools, one junior high school, one senior high school, and five elementary parochial schools.

The main religious persuasion is Roman Catholic, with various Protestant denominations, such as Baptists and Latter-Day Adventists, comprising the remaining religious beliefs.

There are two main community groups who act as public representatives of the defined area. They are St. Clair-Superior Coalition and Perry Homeowners Association.

The main form of communication of community and business events is by three local newspapers: American Home (Ameriška Domovina) Slovenian and English newspaper, the Perry News, and the St. Clair Suburban News.

The area has a broad mixture of businesses, ranging from heavy manufacturing (Cleveland Twist Drill, Sifco, Inc., Horsburgh & Scott, etc.) to light manufacturing (Petriquin Paper Co., Day Glo Color Corp., etc.) to retail stores (Shēliga Drugstore, Susnik Furniture, Inc., Norwood Men's Store, etc.). Other specialty stores, such as Tivoli, Inc., also meet other consumer wants and needs. The financial needs in the area are served by three financial institutions: AmeriTrust Co., Broadview

Savings and Loan, and Central National. Other financial-like-kind concerns (i.e. insurance or fraternal organizations) that have some impact in this area include Catholic Order of Foresters, KSKJ (American-Slovenian), AMLA (American Mutual Life Association), and Buckeye Union Insurance. The only credit union in the area is the St. Paul (Croatian) Credit Union.

This section on St. Clair Avenue in the past five years has seen many plus and minus signs. The plus signs have been general developments of the following: Frank Sterle's Slovenian Country House Restaurant, Hofbrau Haus Restaurant, Day Glo Color Corp., Wendy's, Shēliga Drugstore, American Home Publishing Co., and many other large and small business concerns. The minus signs have been various disregards by some business persons to invest any monies in the area they are making a profit. The lack of even some general maintenance on various properties exhibits a callous misunderstanding of the residents in this area by some businesses.

The general lack of leadership by the business persons in the area partially explains why there are not more services or new products offered in the area. For example, medical services, food (bakery, etc.), and other professional services, such as jewelry and apparel, are in need. A case in point involves all financial institutions and concerns. The only financial entity that has made a serious attempt to be involved in the business and/or residential development in the area has been Central National Bank.

Another explanation for the hesitation by some businesses to become established or expand has been the perceived attacks and constant complaining by the St. Clair-Superior Coalition. A further insult from this organization is that when the complaining ends, the Coalition then asks the same businesses for funds to its organization. The Coalition sometimes forgets that it does not speak for many of the residents living in the St. Clair area. Nor does it represent many of the diverse opinions and viewpoints of these residents. In fairness, however, to the Coalition, is the fact that the vacuum created by the business persons in a leadership position in this area has produced many negative perceptions about businesses making a livelihood on St. Clair Avenue.

So, you may be asking, what can be achieved?

There are, I believe, seven essential tasks to be accomplished in the next few years. They are:

1.) Establish a joint committee of persons representing various businesses, community groups, religious institutions, and other perceived persons who are respected or influential in the area. The committee is to determine long and short range goals and objectives.

2.) Initiate a marketing survey of residents in the area to determine the actual wants/needs of the area so that new or different services/products can be provided in the area. Two candidates to perform the survey are Case Western Reserve University or Cleveland State University.

3.) Obtain a commitment from Mayor Voinovich and Councilman Ciolek (D-13) to devise and provide a master plan to relieve the chronic parking shortage for retail customers on St. Clair Avenue. Series of workshops on obtaining financial assistance for small and large businesses in the area should also be provided by these two gentlemen.

4.) Determine a campaign theme for the area to achieve identity within Greater

Cleveland. For example, the area could stress its East European background by becoming the "Balkan Hamlet."

5.) Implement a permanent business education program at all school levels in the area similar to Junior Achievement's "Project Business". This should be of particular interest to Jerry V. Jarrett, chairman and chief executive officer, AmeriTrust Co., since his recent speeches and interview(s) have placed a paramount importance on education. And he is correct. An ignorant and poorly educated generation of students about our economy and business will only place more burdens on a society that is already engulfed with a myriad of social problems.

6.) Develop a strategy plan for business and residential development for the oncoming decade and century. One without the other will result in failure since continuity and sense of purpose for the area will not be achieved. More diverse age, income and professional groups of persons must be attracted to the area to achieve a broader base in the area.

7.) Implement a comprehensive financial package for the funding of business and

'People' Make the St. Clair Area Happen

By MICHELLE COMELLA

Being a first-time reporter and a visitor to the neighborhood, my opportunity to explore the St. Clair business community has been a unique experience full of revelations.

After being introduced to many of the area's entrepreneurs and residents, I nervously set out to interview some of them. Impressed by everyone's genuine interest in my activities and by their neighborhood pride, I began to delve into the history, hopes and opinions of the many family-based operations.

Many of the older shops can trace their roots back to the early 1900's. Take, for instance, Anzlovar's Dept. Store at 6214 St. Clair Ave., it was founded in 1911. With its contents ranging from sewing goods to clothing for persons of all ages, it is now about the only store of its kind in the neighborhood.

Norwood Men's Shop, originally Gornik's, has been under Mike Thomas' ownership for 15 years, but has been established for much longer. When asked about his feelings concerning the St. Clair community, Mr. Thomas echoed

the thoughts of many by pointing out the beautiful personalities of its residents.

Rick, from the Corner Hardware at 6421 St. Clair Ave., further explained this aspect when he discussed with me his belief that the people here possess pride in the neighborhood, honesty, and concern for one another (very special characteristics in my opinion).

Jim Zdesar, owner of the recently opened St. Clair Sporting Goods at E. 62nd (formerly Melaher's), summed up my impressions and those of the individuals I met when he simply stated, "I love it!"

The St. Clair business community immediately surrounding the American Home Publishing Co.'s offices is filled with treasures of all types. A melting pot of traditions and new ideas, it is characterized by a general feeling of pride and concern for each member.

(Michelle is a senior at Regina High School and is working as a reporter for the American Home for one week as part of a career-study program. She has already been accepted at St. Mary's College in Indiana.)

Mahnic Seeks State Senate

State Representative Frank Mahnic, Jr., D-13, announced his candidacy for the State Senate. Representative Mahnic is currently completing his third term in the Ohio House of Representatives and will seek the Senate seat in the 22nd District. (This district includes the southeastern and southwestern suburbs of Cuyahoga County and the entire county of Medina.)

During his six year tenure, Mahnic has been the chief sponsor of the legislation which has provided major reforms in the area of utilities, hazardous and solid waste sites, health care and education.

He has also sponsored legislation which has provided new programs and benefits for the elderly, expanded present benefits and programs for Ohio's seniors.

Mahnic will emphasize his record as a State Representative where he has maintained one of the highest constituent contact rates in the Ohio House. This has resulted from his high accessibility to his constituents. "A legislator should be knowledgeable and available. He should provide assistance and service if and when his constituents desire or need such from the State," he said.

FRANK MAHNIC JR.

Mahnic stated that the issues his campaign will address include fiscal responsibility. He also emphasized, "Ohio must retrain and redirect its work force to prepare for the jobs and opportunities of the future."

He is a combat veteran and a recipient of honors as a result of active duty in Vietnam. Representative Mahnic attended Holy Name High School, Cuyahoga Community College, and Case Western Reserve University where he majored in political science.

He is married to the former Elsa Busetto. The 37-year-old Representative and his wife have two daughters, Lisa and Jennifer.

Memo From Madeline

Edmund Turk Appointed Muny Court Judge

by Madeline Debevec

Former Cleveland Council President Edmund J. Turk has been appointed to the Cleveland Municipal Court bench by Gov. Richard Celeste.

Turk, 59, left council in 1973 to become chairman of the Public Utilities Commission of Ohio under former Gov. John Gilligan. Turk has been in private practice since 1975 and also has served as vice president of the Ohio Civil Service Commission since 1980.

Turk was named to the unexpired term of Judge Clarence Gaines who moved to another municipal court seat in the November election.

Congratulations, Ed! We are all delighted to hear the good news.

We received several calls and visits this week from persons concerned about the welfare of our community.

We were asked to share the following messages with you:

Dr. Karl Bonutti, economics professor at Cleveland State University and a liaison to Cleveland City Hall, stopped by and delivered his message in person:

"Our Cleveland Mayor (**George Voinovich**) is asking for our support. His outstanding record of the past four years makes us all proud of our Slovenian heritage and warrants our support."

The small tax increase of .5 percent — which will not affect those who can least afford it, our pensioners — will assure continuation of his programs to rebuild the economic base of our community."

The following is a candid and factual report on the city's financial situation from Cleveland Mayor George V. Voinovich:

Questions and Answers on Issue 1

Why do we need a tax increase in 1984? After all, just three years ago we passed an increase raising our payroll tax from 1.5 to 2 percent.

Cleveland's substantial progress is being threatened by slumping revenues. You know the cause as well as I — widespread unemployment, wage concessions, factory closings, a steel industry fighting for its very survival.

Every one of these factors chipped away at the income the city desperately needs to operate. Every worker laid off, every dollar given up through concessions, every

factory closed down deprived our city of money it needs to provide the services you're entitled to.

I'm talking about basic things such as police and fire protection, waste collection, health services, street repairs, snow removal. And I'm also talking about research and development programs which translate into the expansion of existing business and industry and the creation of more jobs.

How serious is the economic picture for the city?

Extremely serious. Unless something is done quickly, we'll be more than \$17 million below what we need to operate the city properly next year.

If things are so serious, how is it the city has been doing quite nicely providing all the services we expect?

By cutting back to the bare bones. By pinching every penny. By bird-dogging every taxpayer dollar to make sure we're getting as much mileage as possible from it. Here's a short example of how we've managed thus far:

We've cut overtime pay by 53 percent — slashing it from more than \$10 million in 1980 to \$4.8 million today. Last year alone we slashed the payroll, cutting it by more than 330 city workers.

Bishop Baraga Mass Jan. 19

January 19 will mark the 116th anniversary of the death of Bishop Frederic Baraga, the first Bishop of Upper Michigan and famous as the "snowshoe" Priest of the Indian Missions.

To commemorate this event and to pray for the canonization of Bishop Baraga, Most Rev. A. Edward Pevec, Auxiliary Bishop of Cleveland, will be celebrant at a Pontifical Mass at Ascension of Our Lord Catholic Church at West 140th Street and Puritas Avenue on January 19 at 7:00 p.m.

Music will be furnished by the Ascension Choir, AMLA West Park Singers, and Mladi Slovenci. Father Allen F. Bruening, Pastor of Ascension, will deliver the homily.

This Mass is open to the public and all are invited to attend. Refreshments will be served after Mass.

Bishop Baraga, a native of Slovenia, came to this country

One need only look at the success of such an entity in the Buckeye-Woodland area.

This article should provide and generate food for thought and, in the long run, provide new or different ideas to revitalize the stagnating St. Clair area. If the various businesses, financial, governmental, and religious institu-

tions do not act in the near future, then this eastern corridor to downtown Cleveland will become another slum area in Cleveland. This vital link along Cleveland's "northeast coast" could, conversely, offer many unlimited opportunities with a revitalization program that would make this area a jewel in Cleveland's crown.
