K 42 LETNICI NASE JEDNOTE

Prihodni četrtak, dne 2. aprila bo obhajala naša K. S. K. Jednota dvainštiridesetletnico svojega obstanka; ustanovljena je bila namreč 2. aprila leta 1894.

Dasiravno niso obhajanja takih obletic tako važna v širšem smislu, se moramo kot hčere in sinovi naše podporne matere spominjati vsakega njenega rojstnega dneva, torej tudi njene 42 letnice.

Lepo število let že šteje naša dobra, podpirna mati, ki za sluzi častno priznanje, da je mati vseh drugih slovenskih podpornih organizacij v Ameriki.

Koncem februarja 1936 je štela naša K. S. K. Jednota 34,563 skupnega članstva, njeno skupno premoženje je pa znašalo \$3,630,168.19.

Vse to naj nas ta dan navdružuje k zavesti, veselju in ponosu da smo njeni člani.

Ob rojstnih dnevih so v navadi za slavljence primerna darila. Kakor nalašč! Z jutrišnjem dnevom bo razpisana jubilejna kampanja našega mladinskega oddelka, ali Zlata kampanja K. S. K. J. boosterjev.

LISTNICA UREDNISTVA

POZOR TAJNIKI IN TAJNICE DRUŠTEV!

Znano je, da so pri več društvih razna srečanja ali žrebiranja v navadi; seveda, ista se vršijo v korist blagajne.

V zadnji izdaji Glasila je bila na Our Page na 7. strani priobčena tozadevna poštna postava (18 U. S. Code 336).

Od tedna do tedna dobivamo od društev med raznimi naznanji tudi opombo o kakem srečanju; tega nikakor ne smemo tiskati v listu, in zato take stvari izpuščamo, kar društvom morda ni po volji.

POROČILO O POVODNJI

Washington St. Skupna vsota v mestu bo segala v stotine milijonov škode.

Dovolite, da vam podam kratko sliko usodnega dneva povodnji. Od severne strani pride v mesto Johnstown, v normalnem času bi rekel neznaatna reka Stony Creek, ki se izteka malo od sredine mesta v takozvano Conemaugh reko, katera je bila zelo kruta in usodna že leta 1889 na dan 31. maja.

sv. Patrika 17. marca ob 11. uri dopoldne pa je začela voda sumljivo naraščati. Povedali so, da voda dosega že par hiš v bližini naše tovarne.

mestu, ponekod celo v prvo nadstropje. Delavci, ki so bili bolj daleč na delu so le s težavo prišli na svoje domove.

Do srede zjutraj je voda precej upadla in ker je bil precej prijazen solnčni dan sem šel ob vodi, da si ogledam razdejjanje.

Med rešilnimi posadkami je bilo opaziti tudi pijanost, ki je tudi prispevala svoj strah in beganje žen, ki so morale policiji svoje otroke v varstvo.

Skodo cenijo nad četrtilijarde, toda prave škode in trpljenja ne bo mogoče nikdar ugotoviti.

V pojasnilo

Pred nekaj tedni smo v posebnem uvodniku omenili glede pošiljanja stare obleke v domovino.

Carinski predpisi za staro obleko iz Amerike

Po zakonu o občni carinski tarifi, člen 9, toč. 17. je prosto od carine:

Uporabljena obleka, perilo in čevlji, katere stvari pošlje kdo kot darilo siromašnim osebam iz inozemstva.

Kot siromašni se imajo smatrati oni, ki ne plačujejo neposrednega davka več kot 120 dinarjev brez dopolnilnih in samoupravnih prizvezov in tisti, ki od nesamostojnega dela nimajo več kot 2000 dinarjev mesečno prihoda.

Tzadnje prošnje, kolkovane s 5 in 20 Din in 2 Din za priloženo pismo, s katerim je pošiljal iz Amerike avizirana, se imajo nasloviti na carinarico, pri kateri se vrši carinska manipulacija.

Problemi priseljencev

Ako se ne morejo najti zapiski o zakonitem prihodu Vprašanje: Dvakrat sem zaprosil za "prvi papir" in vsakičkrat so mi odgovorili, da ne morejo najti zapiska, ki bi potrjeval, da sém bil zakonito pripuščen v Združene države za stalno bivanje.

zim prošnja na Form 659. Kaj je to?

Odgovor: Ako ste prišli v Združene države pred dnem 3. junija 1921 in ste od tedaj neprestano živeli v tej deželi, morete zaprositi za registracijo (certificate of registry), dasi ste prišli nezakonito ali se vaš prihod ne more ugotoviti.

Inozemci, ki so zahtevali oprostitve od vojne službe

Vprašanje: Nekaj inozemec je za časa svetovne vojne zahteval, da se ga oprosti od službe v ameriški vojski vsled njegovega inozemskega državljanstva.

Odgovor: Zakon izrecno izključuje od ameriškega državljanstva le one inozemce, ki so bili državljani nevtralne države in so se odrekli "prvega papirja," da bi se izognili vojni službi.

Posebno naturalizacijsko s pri-čevalo Vprašanje: Postala sem ameriška državljanka leta 1920 vsled naturalizacije svojega prejšnjega moža.

Odgovor: Treba je vložiti prarčnjo na Commissioner of Immigration and Naturalization.

Kerr Bill

Vprašanje: Ali je res, da zakonski predlog sedaj pred kongresom, ki se naziva Kerr Bill, določa registracijo vseh inozemcev in je v splošnem naprejana proti radikalnim elementom?

Odgovor: Kerrova predloga v oni obliki, v kakršni je bila predložena reprezentančni zbornici, ne vsebuje niti ene določbe o registraciji.

Prvo označeni skebi skušajo pred vsem uničiti moralo med stavkarji; takozvani "plemiči" se pa se poslužujejo terorja, da bi v sredi stavkarjev zanetili več korajžje od nasilja, kar bo med publiko ali ljudstvom zanetilo misel, da je treba policijske ali vojaške zaštite, ali celo proglas vojne stanja od strani gubernerja.

Tukaj je nekaj krvavih stekvic, katere je povzročila Bergoffova agencija tekcm devotih minulih večjih stavk: Skebi ubili 17 stavkarjev;

Agencija stavkokazov

(Spisal Ed. Levinson)

Če hoče kak tovarnar razbiti ali ustaviti štrajk med svojimi delavci, ne obesi pred tovarno tablice: "Iščemo delavce," ampak brzojavij agenciji stavkokazov.

Dandanes je najbolj znana agencija stavkokazov pod vodstvom "gentlemana" Pearl L. Bergoffa (žida), ki ima časten naslov "Rdeči hudič."

Člani te čudne agencije imajo svoje posebne častne (?) naslove. Stavkokazi ali "openšoperji" so "finks." Te dokupljene in prodane duše jemljejo organiziranim delavcem kruh iz ust za Judežev groše.

V vsakem slučaju kjer nastopa eno izmed teh nečednih podjetij, ima isto gotov denarni dobiček najsibo že stavka dobljena ali ne.

Leta 1934 so imele te agencije tekcm raznih stavk 42 življenj na svoje vesti, ker je bilo toliko stavkarjev ubitih, od julija 1935 pa do konca leta pa 13. Baš te agencije so lani povzročile, da je bilo v Omaha, Neb. in Terre Haute, Ind., proglašeno vojno stanje.

Te agencije poslujejo vsled tega tako svobodno, ker jih postava nič ne ovira. Pri državnih investigacijah povodom delavskih sporov se je že večkrat navedene agencije obsojalo, toda ničesar proti njim ukrenulo. Samo država Wisconsin zahteva, da se morajo imena teh špijonov registrirati pri oblastih.

stavkarji ubili 6 skebov; ko so ti stavkokazi tekcm stavke vzeli pocestne kare, je bilo 21 oseb do smrti povozenih; stavkokazov ubitih v barakah po stavkokazih pa 4.

Polje za profesionalne stavkokaze je obširno. Skoro v vsakem večjem mestu so privatne detektivne agencije, kjer je lahko dobiti vse tri gorioemneje "častne" vrste teh skebov.

Pinkertonova narodna detektivska agencija, Inc., ima svojo podružnico v vsakem večjem mestu, kjer lahko najamete najboljši prebrisane ogleduhe in špijone.

Najbolj razvpita je "R. A. and I." agencija v New Yorku (Railway Audit and Inspection Co.) pod vodstvom bankirja Browna na Wall St.

HUGE JUVENILE MEMBERSHIP DRIVE IS ON

Follow Seniors' Work is President Opeka's Plea

Explains Continuous and Arduous Work Leads to Success

Waukegan, Ill. — The report of Supreme Secretary, Zalar at the January meeting of the Supreme Board on the recent Vice-presidential membership campaign was received with enthusiasm.

The leaders, vice-presidents of the KSKJ, with the aid of society officers and active members, recruited many members under the banner of the KSKJ. These people worked earnestly and enthusiastically sacrificing their time and even money for the benefit of the Union. They all deserve the highest commendation.

To commemorate the 20th anniversary of the founding of the juvenile department in the KSKJ, the Supreme Board decided at its semi-annual meeting to sponsor a membership campaign to augment the membership total of the juvenile department. The campaign will be guided by the young members of our Booster clubs.

At this time I appeal to you, young brothers and sisters, to join this drive and to follow the example of our vice-presidents who made such a commendable record in the recent campaign.

The Supreme Board, young members, has delegated to you a responsible work. Now it is your duty to show you are worthy of the trust placed in you.

Let your aim be: Continuous and arduous work in recruiting new members until every Slovenian Catholic child is enrolled in the KSKJ. As your president I wish you every success. May your work bear fruit!

FRANK OPEKA, Supreme President.

STEVES ENTER TWO BROTHER PIN QUINTETS

Chicago, Ill.—When teams of St. Stephen's Society, No. 1, toe the line in the forthcoming Midwest touring two quintets wearing the Steves' colors will be brother teams.

In a recent report it was stated that the Prah brothers would carry the society and family banners into pin scramble. A recent addition to the roster of teams is the Bogolin brothers team.

The Prah's will line up in the following order: John, secretary of St. Stephen's, Victor, Peter Jr., Ludwig, and Tony. When the roll call for the Bogolin brothers is announced, the following will answer: John, treasurer of St. Stephen's, Tony, William, Henry, and Peter. Both teams have shown a fine brand of pin smashing in recent match games.

At present eyes are turned to the brother quintets. Members are proud of the lineups, and hope the teams will go places in the big tourney.

In the line of general preparations, things have been humming in this locality. The tourney has aided the Stephens to sign up some new members in the pin-fest nears. As the date for the pin-fest nears, teams are being formed into strong combinations. The Stephens will be well represented, according to the sport club chairman, who claims no less than 20 teams will don the locals' colors.

Young members are urged to attend the next meeting of the society April 4, in the church hall. It will be the last meeting at which plans for the bowling tournament and the sports club dance can be discussed. Young members, co-operate with the old members and make everything a success.

Louis Skull Named Campaign Manager

Joliet, Ill.—Meeting Date! Bowling Tournament! Golden Booster Campaign! Twentieth Anniversary Celebration of the Junior Branch of St. Francis Society! All these are in store for members of the St. Francis De Sales, No. 29.

We remind and urge all members to attend our next meeting to be held April 5. It will be the last before the bowling tournament.

The tournament is to be held in Chicago on April 26 and 27. All members interested in bowling, both men and women are asked to attend this meeting for we will select the teams which are to represent our society. No member will be selected unless he is present at the meeting.

At our last meeting Louis Skull was named Booster Campaign Manager for the K. S. K. J. Golden Booster Campaign for juvenile members and we hope that he has the full cooperation of all our members.

Our 20th anniversary celebration of the juvenile branch will be held at Eloquentia Hall on May 3d, at three P. M. At this time the winner of the Junior Queen contest will be named and duly honored. The following girls are contestants for the honor of being crowned Junior Queen: Ida Flanders, Lillian Potochnik, Mary Pekol.

So if any one of these girls or members who have tickets for this event approaches you, be a sport and buy a ticket for it counts as 25 votes. Tickets are 25c each and the girls selling the most will naturally have the most votes and be the Winner! We also have members who are assisting the girls sell tickets and we hope that all our friends will not refuse to help keep our juvenile department on the top!

RESPONSE TO EASTERN PIN MEET STAMPS TOURNEY NATIONAL EVENT

Entries Close April 17; Ohio Boosters Meet Sunday To Complete Plans

BULLETIN

Word received from representative bowlers last week from two Illinois communities has added to the national flavor of the forthcoming KSKJ bowling tournament in Cleveland, according to a report issued by Chairman Anthony Grdina.

La Salle, Ill. will be represented, if by no other Jay than Frances Jancer, bowler and veteran O. P. reporter. Chairman Grdina reports that Waukegan, Ill., has requested entry blanks. The number of out-of-state representations promised to date for the tourney is eleven, extending from the Atlantic coast to the Midwest.

Cleveland, O.—Finishing touches to the plans for the annual Eastern KSKJ bowling tournament booked for May 2 and 3, on local alleys, will be made April 5, when the Ohio KSKJ Booster Club meets at 2:30 p. m. in regular session in the Glasilo office, 6117 St. Clair Ave.

The tournament, according to reports from club officials, will be a success, judging from the response of local and out-of-town KSKJ groups. In addition to the welcome reports pouring into the chairman's office, plans, arrangements and preparations have been made with scrutiny to assure a smooth running tourney, all to the convenience of the participants and guests.

Plans have been made to make the event the outstanding KSKJ athletic get-together and junior convention in this locality. Among the features will be the commodious layout of a 24-alley meeting place with plenty of elbow room for several thousand.

The St. Joseph's KSKJ 20-piece band, clad in blue and gold, will add a little color to the event. Plans call for a parade to open the Sunday afternoon session.

To assure plenty of room for bowlers and guests both halls of the Slovenian Home on Holmes Ave. have been engaged. A 12-piece orchestra will furnish the music for the dancing at the reception following the close of the tourney Sunday night.

WIN LAURELS IN THIRD TOURNEY

Waukegan, Ill.—Two weeks after the organization of the St. Mary's No. 79, girls' basketball team Jan. 19, 1934, the organizers Angie Gerchar and J. A. Cankar entered the team in the first annual KSKJ Midwest tournament. Though there was not much time for preparation, the St. Mary's made a fine showing and placed in the finals, bowing 36 to 22 to the local St. Anne's in the champion play-off.

In their second try at tournament play the St. Mary's girls were eliminated in the first tilt, losing 18 to 15 to Joliet.

During the past season the team, spurred on by its first year's showing and its setback in the previous year, hired a high school coach to pound the group into shape. The playing of the girls improved considerably and they went into the recent tournament, opened the meet by taking over the St. Stephens' girls of Chicago 26 to 13, and defeated Joliet 30 to 12 in the finals for the crown.

That the St. Mary's blue and gold team placed first in KSKJ competition is not surprising, for the quintet has a long list of games played. Bookings paired the locals with every girls' team in Lake County, with one or more wins chalked up with each team. In the nine games played the St. Mary's girls were setback only once, and that by a 10 to 7 count registered over them by the Lake Forest girls whom the Jays defeated 26 to 13 in a later tilt.

In the memory book of the local girls the game with the Ramblers is outstanding. The Jay combination scored out a 22 to 21 victory after a hard tussle.

The team plays boys' rules. In many practice sessions they scrimmaged with the boys team of the society.

Secretary Zalar Proclaims Official Campaign Opening

Success of Drive Depends On KSKJ Boosters' Aid

Joliet, Ill. — The Supreme Board at its recent meeting voted for the inception of a campaign to augment the membership list of the juvenile department.

In accordance with the ruling I hereby officially announce the opening of the campaign which will start April 1, and continue to Dec. 31, 1936.

The campaign will be under the guidance of KSKJ boosters, and consequently shall be known as the "KSKJ Golden Booster Campaign."

PREDICT MIDWEST MEET RECORD BREAKING EVENT

Bowling Entries Close April 15.

Chicago, Ill.—From all indications at the present writing, it appears that the Ninth Annual Tournament of the Midwest K. S. K. J. Bowling Association, which will be held in Chicago on Saturday and Sunday, April 25th and 26th will be the greatest event in the history of sports in the K. S. K. J.

The local societies have already lined up more than twenty-five teams, and reports from Waukegan, Joliet, South Chicago, Milwaukee and other points, show a greater enthusiasm than ever before. There is no doubt left in anybody's mind that the number of entries will far exceed those in any of the past tourneys.

Just a word to those societies who have not as yet lined up their teams. The last date for receiving entries is April 15th, and as this is only a few weeks distant, it can readily be seen that much time does not remain. Entry blanks have been mailed to all secretaries of societies in the jurisdiction covered by the Tournament Association, and additional blanks can be had by writing to the Secretary, Frank P. Kosmach, 1804 W. Cermak Road, Chicago, Illinois.

All games will be bowled at the Southwest Recreation Alleys, 1653 Blue Island Avenue, a short distance from St. Stephen's Hall, which will be the center of the social activities during the tournament. Don't forget—the deadline for entries is April 15th, but if you possibly can do so get yours in before.

JOSEPH GORNIK TO LEAD ST. VITUS IN CAMPAIGN

Cleveland, O.—Joseph Gornik, former vice-president and a perpetual active member of St. Vitus Society, No. 28, was elected to lead as society manager in the big juvenile membership drive scheduled to open April 1.

Mr. Gornik, at present trustee of the society and member of the Ohio K. S. K. J. Booster club social committee, will have as his committee the officers of the society and members, Charles Vendar, Wm. Gilha, Leo Virant, Chas. Winters and Anthony Sternisha Jr.

PLANS FOR DUCKPIN MEET IN PITTSBURGH COMPLETE

Pittsburgh, Pa.—Plans for the 3rd annual duckpin tournament to be held at the local Laurence alleys, 53rd and Butler Sts. April 18 and 19 are complete.

It is the duty of every manager elected by his lodge to send his entry to the tournament chairman as soon as possible to avoid all delay. The closing date for the filing of entries is April 10.

Managers are also requested to inform which doubles and singles bowlers can bowl Saturday, April 18, between 2 and 9 p. m. It is the aim of the committee to schedule the singles and doubles for Saturday in order to reserve Sunday for the team events.

To boost Entries
All Pittsburgh societies are at work lining up teams, and from reports, entries are topping last year's record in all cases. The Pitt secretaries have pro-

The program for the drive is published in this issue of Glasilo. All campaign managers and KSKJ boosters are asked to read and to study the program, and immediately get to work.

The KSKJ has done much for its young people. Large sums of money have been spent in aiding the young people to follow the various sport programs, all to the benefit of the young people.

Therefore, let there be not one booster who is a real booster fail to join this drive in recruiting new members for the Union.

I also appeal to Brother Frank Barich, athletic commissioner, and to all members of the Athletic Board that they unite in this work in gaining new members for the KSKJ.

Brothers and sisters, the success of the campaign depends on the KSKJ boosters. Thousands of eyes are directed to you, and senior members are anxiously awaiting to see what you will do in this responsibility. It is even said by some that the campaign will be a "fizzle." It is up to you, young people, to show that you can be trusted with this responsibility and that success can be made a reality.

If however, have faith in you, as have others who know you. It is this faith that makes me anticipate your support and a crowning success in the campaign.

THE CAMPAIGN IS ON! Therefore, boosters, let's go! All for a bigger and stronger juvenile department! Wishing you success.

JOSEPH ZALAR, Supreme Secretary.

CONTINUE WITH PLANS FOR EAST DUCK PIN MEET

Canonsburg, Pa.—Although somewhat disturbed by the most devastating flood in the history of Western Pennsylvania, the Associated Boosters Clubs are continuing their efforts towards making the Eastern Duck Pin Tournament one of the outstanding events of the year. As to what extent the flood has affected plans for the tournament will be known in a very short time.

The committee is very much pleased at the response given by the various lodges of the district. Competition will be keener than ever and the bowling scores will undoubtedly be a neck and neck race. Team entries are pouring in every day, and it is hoped that the number of teams competing in the tourney will be well over forty. Any lodges desiring information should get in touch with Chairman John Golobic, Jr., 5730 Butler Street Pittsburgh.
