

OUR GOVERNMENT

The Founding Fathers established our present form of government, and made possible the American way of life in order to promote justice and to secure the blessings of liberty for themselves and for posterity.

Ours is the best government on the face of the earth. Our people enjoy more liberties than those of any other land.

many homes. All of us must meet the needs of our government with just as much solemnity and resignation as comes into the homes of those who have given their sons to battle and die for liberty.

YOUR FEDERAL INCOME TAX

What is Income Tax?

The Federal income tax is, as the name implies, a tax levied upon incomes, and it is payable in relation to the amount of income.

Though the return is a voluntary statement, any person who willfully makes a return which he does not believe to be true and correct in every material matter is subject to the penalties provided by law.

The first requirement of the law is the filing of an appropriate return. For individuals generally, this must be done by March 15 following the end of the calendar year.

Under the present law every single person, and every married person not living with husband or wife, having a total income (earnings, together with other income) of \$500 or more, and married persons living with husband or wife throughout the taxable year, who have an aggregate income (total earnings of both husband and wife, together with other income) of \$1,200 or more, regardless of the amount of her income, must file a return.

WM. KOMPARE ALDERMANIC CANDIDATE

William F. Kompare

So. Chicago, Ill. — With political factions in Chicago squaring off for an intensive mayoralty and aldermanic campaign, comes the word that William F. Kompare, prominent local attorney and civic leader and former K. S. K. J. supreme officer, has announced his decision to become a candidate for the office of Alderman of the 10th Ward, at the primary election on Feb. 23.

Attorney Kompare's background of 20 years of public life and unselfish civic endeavor, justifies his selection as an ideal candidate. His activities have carried him into many channels. Just recently he was re-elected for the 15th consecutive time as president of the Knights of St. Florian Society, No. 44, and is generally recognized as the "Father of K. S. K. J. Booster Clubs," for it was his idea that gave stimulus to the formation of Booster clubs in our Union.

Aside from fraternal efforts, Mr. Kompare has been secretary of the South Chicago Bar Association for many years. His patriotic efforts and cooperation with the local draft boards and draftees, has won him the respect of the community. He was recently cited for his work by the U. S. Government.

Chicago elections are operated on a non-partisan basis, with Aldermanic candidates devoid of all party affiliations. Though both major parties have endorsed certain candidates, it is felt that Mr. Kompare's position is extremely favorable, considering his popularity, qualities of leadership, and his unwavering honesty of purpose.

Mr. Kompare received his early education at the local St. Patrick's grammar and high schools. He attended Northwestern University and received his law degree, cum laude, from the Chicago Law School. He is married and lives with his wife and family at 9641 Exchange Ave. His daughter, Jaqueline, is an honor student at the University of Chicago.

OUR DOLLARS MARCH TO WAR

Almost every man, woman, and child in the United States will be affected directly or indirectly by the new tax law which was signed October 21 by President Roosevelt.

As everyone knows, taxes have been increased to help pay for the war. During this fiscal year (July 1, 1942, to June 30, 1943) Uncle Sam expects to spend \$80,000,000,000 for war purposes.

In 1943, Uncle Sam expects to collect \$25,000,000,000 in taxes. Of this sum, \$8,000,000,000 will be collected under the new tax in the following ways:

Individual income taxes — Rates will be higher and exemptions will be lower. A married person with two dependents whose income is \$3000 a year and who now pays a tax of \$29.20 will pay a tax of \$135, and a special Victory tax of \$118.80.

Victory tax — Everyone who earns more than \$12 a week will pay a tax of 5 per cent beginning January 1, this tax will be held out of pay envelopes by employers.

Excise taxes (those on goods and services) — Beginning Nov. 1, these have been raised on many things including cigarettes, cigars, liquor, telephone service, travel tickets, and telegraph, cable, and radio messages.

All these tax dollars will go marching off to war. However, even these will not be enough. The Treasury has asked Congress to pass another tax bill to raise an additional \$6,000,000,000.

Corporation taxes — These will be higher. The excess profits tax will rise as high as 90 per cent. (One tenth of the excess profits tax will be returned after the war.)

Good wishes for the new year. HEALTH enough to make work a pleasure. WEALTH enough to support your needs.
