CLEVELANDSKE NOVICE

RAZNE VESTI

Clane in članice naših krajevnih društev ponovno opozarjamo na glavne letne seje, ki se bodo vršile tekom meseca decembra.

Zadnji torek je bila v našem mestu zaključena 12. kampanja v prid Community fonda, ki je navzlic splošni depresiji dosegla svoj cilj.

Zadnje nedeljo popoldne je pevski zbor "Zarja" ponovil znano komično opero "Gorenjski slavček" v malem gledališču mestnega avditorija.

Mati Jones umrla. Washington, D. C., 1. decembra.—Sinoči okrog polnoči je na svoji farmi v bližini tega mesta umrla ena izmed najbolj znanih in zaslužnih zagovornic ter prijateljic delavcev Mrs. Mary (Mother) Jones, stara sto let.

Kakor že poročano, bomo prihodnjo nedeljo, dne 7. decembra, v Clevelandu obhajali takozvani "Primorski dan" pod pokroviteljstvom Jugoslovanske Narodne Obrane.

Smrtno kosa. Zadnjič smo poročali o nenadni smrti v naši naselbini občeznane rojaka John Blatnika, po domače Turkov John.

Letošnji Zahvalni dan (27. novembra) bo v zgodovini clevelandskih Slovencev zapišan z zlatimi črkami. Ta dan se je vršilo slovesno blagoslovljenje vogelnega kamna za novo cerkev sv. Vida, ki bo stala na E. 61. cesti ter Glass Ave.

Imenovanje novega delavskega tajnika

Washington, D. C., 29. novembra.—Ker je bil dosedanji delavski tajnik James Davis iz Pennsylvanije pri zadnjih volitvah izvoljen za zveznega senatorja, je predsednik Hoover na njegovo mesto imenoval William Nuckless Doak-a iz Washingtona, D. C.

Novi delavski tajnik je star 48 let. V svojih mladih letih je delal pri neki železnici v West Virginiji. Ker se je vedno zanimal za strokovno organizacijo železničarjev, se je tekom let povzpел do predsedništva uni-

Ko je bil Mr. Doak obveščen o nepričakanem imenovanju, je to takoj brzojavno sporočil svoji že 86-letni materi, živeči v Bristol, Tenn.

Pokojnica se je tekom zadnjih 60 let vedno navdušeno borila za pravice delavcev, osobito pri kaki stavki ali mezdni sporih.

BARAGOVA STOLETNICA

Piše Rev. Bernard Ambrožič, O. F. M., urednik "Svetilnika"

Še o delu "Baragove Zveze"

Zopet bom pisal kar tako, kot mi ravno beseda na misel pride. Saj če človek premišlja in si skuša predočiti, kaj bi vse lahko vzela v svoje področje kaka za-

Zbiranje Baragovih spominov. Starine, ki so bile v kaki zvezi z Barago, imajo gotovo za nas vse prav veliko vrednost.

Zdi se, da se po smrti velikega Baraga niso prav zavedali, kako važna bi utegnila nekoč postati njegova zapuščina.

Ko smo zbirali za Baragovo razstavo, je bilo treba stikati od osebe do osebe, da smo nekaj zvedeli, kje je to in kje je ono.

Toda v Marquettu se dobi prav malo spominov, ki so v zvezi z Barago. Pravili so nam, da je leta 1925 romal velik zaboj s takimi predmeti v Rim na misijnsko razstavo, ki jo je tam priredil o priliki jubilejnega svetega leta.

Pozneje se je misijnska razstava izpremenila v misijnski muzej, ki je menda sedaj nastanjen v Lateranu, in vsi predmeti razstave, ki so se bili zbrali v celega sveta, so romali v muzej.

Vsi člani vaše družine bi morali biti zavarovani pri naši Jednoti. Solventnost mladinskega oddelka naše Jednote znaša 160.54%

ditil Baragova proslava kot se je priredila letos v Marquette. — Ameriški delegatje bi dali domovini in njenemu škofu natančne informacije o vsem, kar se je letos naredilo in se še bo na tem polju, in trdno sem prepričan, da bi se domovina z vsem srcem zavzela za prav isto misel, ki je naša letos tu med nami tako ugodna tla.

Rev. Franc Berjak: SREČNI BODIMO! (Nadaljevanje) Nad slehernim človekom, tudi nad najbolj srečnim, stoji neprenehoma ta blede žena s koso, vedno pripravljena, da vsak hip zamahne.

"V arcu, v katerem je lakomnost zavzela mesto, ni niti trohice prostora več za pravdomost." (Sv. Leon). Kaj žuda potem, če takim nesrečnejem velja beseda prerokova: "Zavoljo tega, ker ste oropali ubogega, boste z izrezanim kamnom hiše zidali, pa ne boste v njih prebivali; najprijetnejše vinograde boste zasajali, njih vina pa ne boste pili."

bogatejši. A bil je prevzetan bahač, ki je mislil, da mu bogastvo ne more miniti. Večkrat je v svoji prevzetnosti rekel: "Prav nič drugega mi ne manjka, kot koščene mize." Pa so prišle slabe letine. Vratila se je nesreča za nesrečo. In nekdanji močni bogatin je popolnoma ubožal.

NEVESTE NA OBROKE V mestu Damasku vlada med mladenci, ki so godni za ženitev, nemalo razburjenje. V Damasku imajo staro navado, da mora moški, ki se hoče poročiti, izvoljenko odkupiti od njenega očeta.

PRVI IZLET V STARO DOMOVINO POD POKROVITELJSTVOM K. S. K. JEDNOTE SE BO VRSIL TEKOM POLETJA PRIHODNJEGA (1931) LETA. Kdor je torej namenjen potovati v staro domovino na obisk, naj se blagovolji pridružiti izletnikom K. S. K. Jedinote.

Kakor je pa važno, da zainteresiramo domovino za to našo vzvišeno stvar, tako je tudi potrebno, da naša neslovenska Amerika, še več zve za naše težnje. Letos, ko je šlo samo za prve poskuse, smo z veseljem in ponosom opazovali, da ni nič lažjega, kot ameriške katoličane brez razlike narodnosti seznanjati z našim Baragom.

Bogastvo varu Veliki dvornik bagdadskega kalifa je bil silno bogat. Oblečil se je v svilo in škrlat, prirejal je sijajne gostije. Nekeč ga je obiskal prijatelj iz mladih let. Že dolgo se nista videla. Bil ga je vesel. Napravil mu je imevitno pojedino. Prijatelj je kar strmel nad sijajem, ki ga je gledal. Ves začuden je vzkliknil: "V celni naši deželi ni tolikoga bogastva, kot je v tvoji hiši."

6. Niti za hip bogatin ni gotov, koliko časa bo bogastvo njegovo. Z izgubo življenja izgubi tudi vse premoženje. Vse, kar smo slišali o negotovosti življenja, velja torej tudi o negotovosti bogastva.

KITAJSKI JEDILNI LIST Dosti se govori o čudnih in netičnih jedilih z daljnega vzhoda. V resnici pa ni tako finih kuharjev, kot so Kitajci. Riž pripravijo na sto načinov. Med glavnimi jedmi ponujajo po restavracijah posladkorjeno sadje.

Anglija 16 velikih bojnih ladij, 52 križark, 140 rušilcev, 52 podmornic. Amerika 18 velikih bojnih ladij, 32 križark, 309 rušilcev, 122 podmornic. Japonska šest velikih ladij, 34 križark, 101 rušilec, 69 podmornic.

K Baragovi stoletnici (Nadaljevanje iz 1. strani) pa morebiti uspela kaka organizacija, recimo Baragova Zveza. Zvedel sem tudi, da je bil velik zabor takrat poslan v Rim iz Keshine, Wis., kjer je indijanska organizacija v oskrbi franciskana. Med tistimi stvarmi je bilo skoro gotovo tudi kaj od našega misijonarja Čebulja, ki je precej časa deloval med Indijanci v Keshini.

V eni reči današnji svet prav posebno išče in domneva srečo, v bogastvu. Bogat in srečen biti — to je mnogim istovetno! Kolika zmotnost! Črv v jabolku bagdadskega dvornika je pomenljiva podoba bogastva in njegove sreče.

2. Bogatin v hlepenju po vedno večjem bogastvu tako lahko postane nepošten. Samo to mu je čisto mar, da si pridobi premoženje; ne briga se pa zato, kako si ga pridobi. Kaj ni zanimivo dejstvo, da je ogromen del svetovnega bogastva v rokah — Judov. V Združenih državah Severne Amerike imajo trije milijoni Judov v posesti več premoženja kot vseh 110 milijonov drugih prebivalcev.

7. "Kateri hočejo obogatiti, padejo v skušnjava in v zadrgo hudičovo, in v veliko nepridnih in škodljivih želj, katere potope človeka v pogubljenje in končanje." (1 Tim 6, 9.) "Korenina vsega hudega je lakomnost. Nekateri, ki so po njej hrepeneli, so zašli od vere in se zapletli v velike nadloge." (1 Tim 6, 10.)

"Otoloci sionski, sloveči, v najčistejše zlato oblečeni, kako so čislani enako prstenim posodam, dela rok lončarjevih." (Jer 4, 2.) Zato kliče apostol bogatinom, ki so zaverovani zgolj v svoje bogastvo, pretresljivo resne besede: "Glejte zdaj, bogatini! Jokajte in tulite zavoljo svojih nadlog, ki bodo nad vas prišle. Vaše bogastvo je strohnelo. Vaša oblačila so molji snedli. Vaše zlato in srebro je zarjavelo. Nabrli ste si zaklad jeze za poslednje dni." (Jak 5, 1-4.)

"NATAKARICAM" POLJUBLJANA ROKE V eni največjih trgovskih ulic Berlina je skromna restavracija, v kateri čaka tujca čudno presenečenje, ko stopi prvič v njo. Vidi namreč, kako gostje poljublajo natakarcam in raznaškam jedilni roke. Obed stane v tej restavraciji eno marko. Dobi se v prvi vrsti boršč, znana ruska narodna jed v obliki čorbe. Poleg tega pridejo na mizo še druga tipična ruska jedila.

Obliki lani na katoliškem shodu sprejete Baragove resolucije. Od teh prvih početkov je treba sedaj vztrajno naprej zidati. Marquetteški škof nam je odločno obljubil svoje sodelovanje. Ako bo spoznal, da se dalje ne menimo več mnogo za letos podzeto delo in hočemo vse le nje mu prepustiti, je prav verjetno, da bo stvar zopet zaspala. Druga stvar je ta, da na podoban način zainteresiramo tudi ljubljanskega škofa, ker je bil Baraga doma iz njegove škofije. Tudi ljubljanski škof bo imel pri tem delu veliko in odločilno besedo. Treba je torej v tem oziru stopiti v prav tesne stike z domovino, da bomo delovali z roko v roki. Očitno je, da letošnja Baragova stoletnica ni vzbudila v starem kraju v naši domovini tistega zanimanja, ki je razgibal naš narod tostran morja. Primeroma prav malo se je pisalo tam o tem pomenljivem dogodku. Sicer je že ukotrenjena navada — in to se zadnje čase precej glasno poudarja — da tam "preko" ne opazijo hitro raznih pojavov, ki tu pa tam vsaj malo razgibljuje Slovence v Ameriki. Vendar ne smemo vse krivde zvrniti samo na domovino, saj se tudi mi ne potrudimo prav preveč, da bi imeli stalne zveze z njo. Kar se tiče Baragovanja, pa je tudi naravno, da se je na tej strani morja spočelo živahnejše delo za veliko Baragovo misel. Baraga je skoro vso moško dobo svojega življenja preživel v Ameriki in pustil v njej neizbrisne sadove svojega velikega dela. Spomin nanj je tu vse bolj svež kot doma in prav za prav je naša naloga, da njegovo veličino zopet enkrat postavimo pred oči domovine. Prihodnjo pomlad se pripravljamo izlet naše Katoliške Jedinote v Slovenijo. Kaj ko bi ob tisti priliki stopila posebna delegacija ameriških katoliških Slovencev pred ljubljanskega škofa prav tako, kot je stopila letos pred marquetteškega? Prepričan sem, da bi se dala tam v beli Ejubljani še stokrat lepše pri-

NAPIŠITE VEDNO POVRATNO ADRESO Vsa pisma in tudi dopisnice bi morala imeti povratno addresso ali naslov pošiljatelja, ako hoče pošiljatelj, da se mu pismo vrne, če ga ni mogoče dostaviti naslovljencu. Brez povratne addressa se pismo preda "uradu za mrtva pisma" v Washingtonu. Poštna uprava ima izkušnjo, da nerazumno veliko število pisem konča v tem pokopališču pisem. Ravno vsled pomanjkanja povratne addressa približno 20 milijonov pisem in 450,000 paketov se predaja na leto temu uradu. Ta naprava daljnje poskuse, da najde naslovljenca ali odposiljatelja in približno 80 odstotno "mrtvih pisem" se vniči. Paketi pa se prodajajo na dražbi. Poštna uprava računa, da le strošek božičnih dopisnic, ki se ne morejo dostavljati, znaša za pošiljanje \$325,000 na leto, ako vračunamo stroške kart, papirja in znamk. Dostikrat ta pisma vsebujejo tudi denar, ki se seveda spremeni v dar vladi, ako se najde ni naslovljenec, ni odposiljatelj. Vsakega januarja Dead Letter Office dobiva tri do štiri milijone teh božičnih izgubljenih pisem, dodatno k rednemu številu drugih običajnih "mrtvih" pisem.

8. "Korenina vsega hudega je lakomnost. Nekateri, ki so po njej hrepeneli, so zašli od vere in se zapletli v velike nadloge." (1 Tim 6, 10.)

VESTI IZ JUGOSLAVIJE

Izseljevanje v Francijo. V kroniki naših dni menda ni žalostnejšega poglavja, kakor je izseljevanje naših najtrdnjših in najkrepkejših delovnih moči v inozemstvo. Tuji premogovni revirji in tuji gozdovi izsesavajo zdravo silo našega narodnega telesa. V škofjeloškem okraju se je izselilo v teku letošnjega leta 44 moških, večinoma fantov, ki brez zadostnih jamstev hite iskati srečo po svetu.

Prva dva slovenska igralca dobila spomenik na grobu. Dne 1. novembra je bil na ljubljanskem pokopališču odkrit na grobnih spomenik prvima našima igralcema Ignaciju Boršniku in Antonu Verovšku, prvima živima zgledoma slovenske igralske umetnosti. Spomenik je en meter širok steber iz podpeškega apenca, visok 3.3 m. Z zarezo po sredi je razdeljen v dve polovici—dva delavca iste umetnosti. Ob stebru na tleh sta dve kocki, na katerih sta vklesana križa in imeni.

Divji napad. V Vrhovi v bistriškem okraju so imeli mrliča. Po lepi slovenski navadi so ga šli pokropiti tudi Vrečko Leopold, Ozimič Stefan in Brumec Anton, vsi trije delavci v tovarni strojil v Majšpergu. Malo so se zakasnili, ker je mrliča treba stražiti dalje časa. Po polnočni prvega novembra so se skupno vračali na svoje domove. Med potjo so jih iz neznanega vzroka, pravijo, napadli fantje. Ker je bilo teh premalo, so začeli streljati na one prve, ki so mrtvemu izkazali pieteto. Tako je mesto dežja, ki nam ga nebo v prazniških ni naklonilo, morala ptujsko polje poškopiti—človeška kri. Vsi trije so dobili rane od strelcev. Ozimič je laže ranjen v hrbet, težke poškodbe pa sta dobila Vrečko in Brumec, ki sta ranjena v nogo in trebuh. Vse tri so morali prepeljati v ptujsko bolnišnico.

Z nožem sunil brata v prsa. Dne 8. novembra dopoldne so v ljubljansko bolnico pripeljali hudo poškodovanega 27-letnega posestnika Valentina Benedika iz Luž, občina Selce. Na Vseh svetih dan je Benedika njegov nekoliko slaboumni brat sunil z nožem v prsa in ga nevarno ranil. Ranjeni Valentin je mnenja, da mu je slaboumni brat stregel po življenju, ker se je hotel polastiti denarja in imetja. Valentin mu je pred leti izplačal njegov delež, toda brat je denar kmalu zapravil in sedaj je od Valentina zahteval, da mu še da denarja. Ker mu Valentin ni ugodil, ga je začel sovražiti. Na Vse svete se je napil in ga brez povoda napadel. Po storjenem zločinu je pobegnil. Morda je slaboumnej izvršil samomor. Valentinovo stanje je kritično.

VESTI IZ PRIMORJA

Fašisti napadajo goriškega nadškofa in slovenske duhovnike. Kakor javljajo zagrebške "Novosti," se je goriški nadškof msgr. dr. Sedej začel zavzemati za preganjane slovenske duhovnike v Julijski Krajini. Ob priliki konstituiranja goriške provincialne uprave ga je prefekt pozval na kosilo, pri katerem ga je fašistični pokrajinski tajnik Avenanti zaprosil, naj duhovščini prepove slovenske pridige, nakar mu je nadškof odgovoril: "Jaz sem katoliški škof in moram skrbeti za duše svojih vernikov. Sicer vas pa opozorim, da sem Slovenec." Nato je, kakor piše omenjeni list, začel "Popolo di Trieste" gonjo proti dr. Sedeju. Goriška policija je v zadnjem času označila pet slovenskih duhovnikov kot politično sumljive. — Se je v spominu, kako je moral slovenski duhovnik valed fašističnih groženj zapustiti Krkavec; fašisti so mu grozili s smrtjo in ga tudi dejansko napadli. Fara je ostala mnogo časa brez duhovnika. Pogosto so prihajale k tržaškemu škofu msgh. Fogarju odposlansstva s prošnjo, naj pošlje v faro du-

hovnika. Škof ni mogel faranom ustreči, ker sploh ni imel duhovnika na razpolago. Nedavno je tržaško-koprski škof imenoval za župnega upravitelja v Krkavcu novomašnika Sancina iz Škedenja. Fašistom, ki jih ščuva učiteljstvo, slovenski duhovnik ni bil po volji. Ko je duhovnik pričel moliti rožni venec v slovenskem jeziku, so fašisti jeli razgrajati po cerkvi. Zvečer so počakali cerkovnika, ki je pravkar odzvonil avemarijo, in ga napadli. Pretepli so ga tako močno, da je moral leči. Natepli so še tri druge farane, ker zagovarjajo slovensko službo božjo. Najbolj žalostno pri vsem tem je to, da ščuva fašiste učiteljstvo, pri katerem so zastopane celo učiteljice! Se nedavno je v Ponjanu padel pod fašistično kroglo Slovence, ker se je potoeval za to, da bi ostalo še nadalje cerkveno petje slovensko. Danes morajo zopet v Krkavcu slovenski verniki z golimi prsi braniti pravice cerkve. Jutri se to lahko pripeti drugje in če ne bodo oblastva odločno posegla vmes, bo iz Primorske kmalu nastal lllprava Callesova Mehika.

Preprečen roparski napad. V okolici Bal v Istri je dobila neka vdova po pošti 10,000 lir penzije z zastanki po svojem sinu, ki je padel v vojni. Zvečer je prišel na dopust domov njen drugi sin, ki služi pri vojakih v Puli. Ko sta že počivala, je začela starka močno trkati na vrata. Ko je odprla, sta jo napadla dva maskirana človeka s pozivom: Denar ali življenje! Tačas se je zbudil sin in skočil materi na pomoč. Pograbil je revolver in streljal. Roparja sta padla na tla mrtva. Sin je šel nato sporočiti orožniški postaji, kaj se je zgodilo. Orožniški brigadir se je nemalo začudil, ko je spoznal v enem roparju svojega predstojnika, orožniškega maršala, v drugem pa poštarja. Oba sta Sicilianca.

SREČNA RIBIČA

Ko sta dne 4. oktobra dva farmerja lovila ribe v Seneca jezeru blizu Geneva, N. Y., sta našla na obrežju v pesku dva polna soda 40 let stare viske. Prva žrtev bohinske Save. Bohinj, 28. avgusta. Danes je izredno toplo vreme izvabilo v vodo okromno število kopalcev — saj je jezero imelo 22 do 24 stopinj Celzija. Tako se je hotel med opoldanskim odmorom ohladiti tudi 24 letni delavec Franc Dolinar, doma iz Gorij, uslužben pri tvrdki Slavec, ki gradi cesto k jezeru. Podal se je k Savi pri vasi Polje, pa je nevezje plavanja začel pregloboko. Tovariši so kmalu prihiteli na pomoč, a bilo je že prepozno. Poklicani zdravnik dr. Wacek je mogel konstatirati le smrt. Rajni zapušča ženo in enega otroka.

Smrt pod kolesi lokomotive. Slovenska Bistrica, dne 1. septembra. Davi dne 1. septembra v mraku je šel Ivan Pirnat, delavec iz Videža pri Slovenski Bistrici, v Poljčane na delo. Pri cestnem prevozu v bližini kilometrskega kamna, na katerem je označen kilometer 302, je v mraku opazil med obema tiro-ma kolo, ki ga je pobral in odpeljal, misleč da je padlo iz službenega voza ter se je pri tem tudi odlomilo eno pedalo. Ko se je pa zdanilo, so našli na progi tudi strašno razmesarjeno truplo, ki je bilo od leve rame preko prs k desnemu kolku popolnoma prerezano z obleko vred.

Na kraj nesreče je prišla takoj sodna komisija iz Slovenske Bistrice. Iz listin, ki so jih našli pri truplu, je komisija ugotovila identiteto ponesrečenca, ki je železniški delavec Simon Smodej, rojen 10. oktobra 1901 na Vrhlogi. Kakor so ugovili, je bil Smodej z 12 delavci na izletu v Rogoški Slatini. Ponoči so se vračali s kolesi. Pri prehodu ceste pa je Smodej ho-

tel najbrže po bližnji preko tračnic, kjer ga je dohitel vlak iz Maribora. Kolesa so mu odrezala tudi roke in pri padcu si je razbil lobanjo. Na telesu ima več težkih poškodb. Smrt je nastopila takoj. Nesreča se je zgodila pred četrto uro zjutraj.

Pes rešil gospodarju življenje. Trbovlje, 1. septembra.—Prav zanimiv slučaj pasje zvestobe svojem gospodarju se je te dni zgodil posestniku Alojziju Cestniku v Knezdólu. Ta ima precej obširno posestvo, zato mu pa tudi večkrat, posebno ob poletne mčasu, primanjkuje delovnih moči. Primorah je bil radi tega, ker so bili vsi drugi zaposleni pri drugem delu, napreči konje in hiteti na travnik po otavo, ker se je pripravljalo k dežju. Voz je bil kmalu naložen. Požene in je tudi sam opiral, kjer je bilo treba. Na nekem mestu pa mož vozu ni bil kos. Voz se je prevrnil na gospodarja, da je samo nekoliko glave gledalo izpod voza.

Bal se je, da bi konji potegnili. Z zadnjimi močmi je zaklical na pomoč in potem omedlel. Njegov pes se je pri tem zaletel pred konje, nanje lajal in jih ni pustil potegniti. Zato so zbegnani konji potegnili na stran, pri tem se je voz še enkrat preobrnil in gospodar je tako bil prost. Na pomoč došli sosed Bizjak Gašper se je tudi moral psu umakniti, tako se je pes zaganjal v konje. Sosed je imel opravka samo še z nezavestnim gospodarjem, ki si

LA SALLE SALLIES

On Thursday, December 4th, the Young Ladies Sodality of St. Joseph's Catholic Church...

The YLS is also sponsoring a retreat for the girls of St. Roch's parish. This retreat will begin Friday evening, December 5th with services in the church.

Old Man Stork paid La Salle a visit recently and left two boys, future KSKJers, at the following homes: Mr. and Mrs. Lawrence Urnlich of 14th and Creve Coeur Sts.

We will let you in on the latest bowling score piled up by Miss Gale Trselic. Gale rolled a 162 for high game and we consider this very good for one who has had as little practice as the majority of the girls have had.

With the young KSKJ boys talking of having a pee wee golf tourney it might be well to add that the Young KSKJ Ladies ought to begin to take an interest in pee wee golf.

The Holy Family Society No. 5 KSKJ was augmented with another new member recently. Miss Edith Spelch has joined the ranks of the KSKJ Sallies and we sure do give her a hearty welcome.

Oh! Me! Oh! My! What a mistake take you have made. Klever Kid! I did not happen to be in Chicago on November 16th, but I was thinking the same distance to the West of La Salle as Chicago is to the East.

SLOVENIAN YOUTH

Written in the Interest of Our Race By RALPH F. ROSEBAE

Slovenian youth find the fruits of any other nationalistic group is necessarily the product of environment and education.

Education of the child begins at the mother's knee. The young child learns to lip its first words through the mother's voice, learns to repeat the prayers that mother speaks in the language she knows.

WEATHER STOPS K. S. K. J. INTER-CITY MATCH

Chicago-Joliet Bowling, Pee-wee Golf Match Billed for Sunday, December 7th

OUT-OF-TOWN VISITORS ALSO First of Inter-City Combination Matches Will be Novel as Well as Thrilling Entertainment

A combination of snow sleet and rain upped incident weather into the Midwest and the proposed Chicago vs. Joliet double bill, pee-wee golf and bowling matches went the way of postponement.

Bowling Starting Sunday The double bill will get under way with the St. Stephen's (Chicago) tangle with the Knights of St. George (Joliet) in a pin-piling contest to be staged at 2 o'clock Sunday afternoon.

Bill to be Repeated in Chicago The double bill combination bowling and miniature golf match scheduled for next Sunday, December 7th in Joliet is the first of a home-and-home decision between Chicago and Joliet.

SPINTERS AT KERIN'S BY AMBITIOUS Thursday nights find the boys of St. Stephen's lodge anchored in Kerin's alley with enough ambition to roll a perfect game.

Miller's Garage: Crack team of keggers. Anchor man must have something 'against those pins' the way he leans against the lumber.

By the Twins of North Chi-Wauk Mat 'Bib' Siana returned to his home in North Chicago after spending a month in Rochester, Minn., where he submitted to an operation.

We were delighted by the visit paid us by the popular Repenshek brothers of Sheboygan, Wis.

The girls on probation will be solemnly received into the Young Ladies Sodality, Monday, December 8th, the feast of the Immaculate Conception.

Advent. On the first Sunday of Advent we are asked to rouse ourselves from the sleep of sin and fortified with faith, hope, charity and good works, begin a new life, modeled after that of Christ our Redeemer.

Notice: Canonburg, Pa. The boys came down, filled with the good old KSKJ spirit and were all set to take the Waukegan lads into camp.

Wanted Games The newly organized D. S. D. basketball team of Joliet, Ill., would like to book games with out-of-town teams, such as Chicago, Waukegan, La Salle and South Chicago.

WITH THE EDITOR

With the advent of winter we are prone to add to its discomfiture the importance of the present unemployment conditions and the relative influence they may exert on the future.

Conditions are not pleasant, however, there is some consolation in a recent publication of statistics showing that of the 45 million breadwinners in the U. S., three million are unemployed.

The Hanleys and Carideos have checked their football logs for the season. Perhaps now, KSKJ sports fans will not have anything to divert their attention, save KSKJ sports.

KSKJ bowling is in a class by itself. Preparations, which the officials hope will lend way to KSKJ's biggest bowling classic are underway.

MILWAUKEE TALKIE By Wisecraz The Thanksgiving frolic sponsored by the Jolly Allis was the main event of the week.

In one corner we spotted Vincent Pink from Waukegan and his crowd; in another the Frederick demoiseles from Sheboygan with their attendants.

The Milwaukee crowd possesses no Semitic characteristics, as far as we know, but we give them credit for their business vision.

Among the workers there was hustle and bustle with no thought for dancing. Vinc Podiagar held his own at the box office.

Our newly organized junior orchestra has made its second public appearance and seems to meet with approval.

We congratulate Mr. and Mrs. Charles Ernst, 9 1/2 St., on the occasion of their silver wedding anniversary.

Death claimed one of our well known younger members, Mr. Frank Matitz Jr.

Election of officers for the Junior Lodge will be coming soon, and we strongly advise the re-election of the group now in office.

The lodge is young. Let's all work hard with the officers and put our lodge on the map. We want no petty strife, but with noble purposes in mind, cooperate and make our lodge the finest of its kind in the country.

KSKJ FLASHES IN 1930 DEBUT WEDNESDAY

Jo Laurich Will Lead Attack for KSKJ Lassies Against Mystery Team

GRDINA AGAIN BACKS KSKJERS

Chauncey Dehler, Flash Coach, Hopes for Unexpected As Blue and Gold Enter Formidable Nine-Team League

Eight teams will lineup Wednesday night, December 3d at the St. Clair Bathhouse to start the first round of play in the Cleveland Girls Inter-Frat Basketball League.

The KSKJ will be represented by the Grdina Flashes, the girls who made a strong bid for honors in the 1929-1930 circuit.

Coach Chauncey Dehler has three veterans in Jo Laurich, league high-punter, Pauline Laurich and Jo Zalar, around whom he hopes to build a formidable outfit.

Reserves Have Punch Of the new players Agnes Steils is being groomed for center and is making a strong bid for that position.

The Flashes are scheduled to take to the floor at 9:15 matching baskets with the highly rated Silver Masks. As the masks are expected to be well in the league running, the Flashes will be given an opportunity to show their mettle.

All league games will be played on Wednesday nights. Admission to the games will be free unless otherwise advertised.

IN AND AROUND JOLIET By the Klever Kid You may brag about the famous people you know.

You may boast about the great people you have met; Heroes, heroines and men who are wise.

Millionaires and our president, and yet Fame, power and wealth and glory vanish fast.

Mr. Martin Musich, one of our oldest Slovenes passed away November 20th at the age of 69.

It, certainly is worth going to a party if you can walk home with a \$10 gold piece as a prize.

Congrats, folks! A pretty baby girl was the result of a visit by Mr. Stork at the home of Mr. and Mrs. Frank Korevec.

Mother Tongue 'Tis noble, though we oft abuse it, Is always called the mother tongue.

Pee-wee golf tourney! Wonder what it means. I can't knit, but I am a fair p. w. golf player, so on with the tourney.

MORE ON 'ZAPUNICA'

I received a letter from Chicago last week running thus: "Dear La Sallita: Your big word 'Zaupnica' which you introduced to us in Our Page is haunting me day and night."

"Zaupnica" in that sense means an expression of confidence you put in somebody. "V zapunko ravnih sejs fia, da so temu ali onemu dali zaupnico."

So you see it is like this. You can have confidence in somebody or you have no confidence in him. You may keep this to yourself and need not give expression to your own personal convictions.

Did you understand me, Mr. Whatyoucallit? But I can tell you more about this big word. You can use the word in many different ways.

Since I began to show my extensive knowledge of our mother tongue, I feel inclined to give a longer lecture.

The word "zapunica" is composed of two words. One is "za" which is a preposition. The other is "upanje." (There is a third word in Slovenian for the same meaning and this is "mada.")

Readers please take notice! The above explanation is for the benefit of the readers at large as well as for Mr. Whatyoucallit of Chicago.

We are interested to know of the surprise party in honor of Antoinette. Come on, Teeney et al-Mail Bag.

Our KSKJ bowlers are improving in great style, with hardly a week going by that we haven't at least 10 to 15 games in the 200 class.

CHIPPY CHI CHIPS By CHIPSO WANTED: A man to take care of horses that can speak German, and doesn't drink or smoke.

Hear Ye! "V tretlje gre rado," reads a Slovenian proverb and that is what I will apply to the abrupt finish of "Sequel to Sink or Swim."

Mother Tongue 'Tis noble, though we oft abuse it, Is always called the mother tongue.

Pee-wee golf tourney! Wonder what it means. I can't knit, but I am a fair p. w. golf player, so on with the tourney.

disadvantage to the progress and advantage of individuals in a nationalistic group within the United States.

This writer is a product of a Slovenian home, one of an unusually large family in which the Slovenian language dominated, and in which the customs and ideals of the native country were faithfully pursued.

This writer has also observed youth of other nationalistic groups whose outward appearance of dress, mod etc. were of the latest type; whose beauty of feature was worthy of great admiration, but whose spoken word was coarse and uncultured.

This writer agrees that Slovenian nationalism should be preserved. The question, however, arises, in view of the situation above outlined. How should such an end be attained? To some extent it may be preserved in the home, but the influence of the home alone is not strong enough.

The KSKJ and other similar societies are the greatest bulwark of Slovenian nationalism attainable. The KSKJ has long seen the wisdom of organizing Slovenian youth. It has established a junior department and has made it comparatively easy for juniors to transfer to the adult department. It has allotted for the benefit of youth two pages in its official organ Glasilo.

This section is edited in the English language and is known as Our Page. No need to overlook the fact that Slovenian youth has eagerly accepted this advancement.

The columns of Our Page are steadily filled by contributions of youthful writers, who write in the English language, in the American style, but who never seem to forget Slovenian nationalism. And what is more important, Our Page is eagerly anticipated and read, not only by youth but by adults, who are certain criticisms recently written in a contemporary Slovenian newspaper.

Youth is the personification of gaiety. Youth always has and always will be given to frivolity and even folly. Youth leaves behind in the school room, ponderous and educational themes. Away from the school room it seeks lighter entertainment. Is that not as it should be? How can youth be serious? How can youth have the experience of the adult? It is only with the accumulation of years that we realize the responsibilities and seriousness of life.

That realization comes but too soon in our lives. How many adults, if such could be possible, would eagerly seize the opportunity to have the carefree irresponsible thoughts of youth again?

One should not criticize youth for being young. One should not criticize the contributors of Our Page for writing that which interests them and their fellow youth. Their lack of years and experience prevent writing that which is entertaining to the adult. But, since it has been truly said that Our Page is not the sole property of youth, let the adult give of his experience and advanced knowledge by contributing items of a more serious, educational and entertaining nature, so that youth may profit thereby.

This writer is certain that the editors and contributors of Our Page will gladly lend such opportunity and give unto such contribution such respect, attention and edification as the same shall merit.

Let it not be understood that this writer is against the idea of fostering and preserving the Slovenian nationalism. To the contrary, this writer is heartily in favor of it and would be willing to lend his cooperation in such respect.

SPECIAL ASSESSMENT

Due to the fact that an unusual large number of accident, disability and operation claims have been paid in the past months, the fund apportioned to said claims, is exhausted.

According to the By-Laws of the KSKJ a special assessment will be levied to replenish the fund. Said assessment will be in the amount of 50 cents for each member of the adult department, and will be payable during the month of December, 1930.

Joseph Zalar,
Supreme Secretary.

A FOOT OR TWO!
By the Joliet Joker

I want you to hear a poem
Of the wild and woolly West,
It took me a while to compose it,
And, no doubt, it's my best,
It contains outlaws and crooks, sheriffs and such,
And a lot of other things, too—
And remember while you read it,
It is the best that I could do.

REVENGE

The little town of Mapler
Shivered in the afternoon heat,
The whole town was deserted and
noiseless,
The stables, stores and the streets.
At the end of one of the streets
Rose Thunder Mountain, high and steep,
And descending the mountain was a man
Who was no other than "Bad Eye Rand."

Rand was coming back to Mapler
To get revenge on Sheriff Stapler,
For the sheriff had caught him robbing
a bank of Rio Ring,
And gave him a term of five years at
Sing Sing.

And now he was back, clever as ever,
With a scheme in his mind, no doubt,
And when he had entered the little town
He headed for Sheriff Stapler's
hangout.

He level his guns, kicked open the door,
And gazed out on an empty floor,
No doubt the sheriff had moved out
And did not stay here no more.

He slammed shut the door and started away,
To the saloon, where he was sure
to find his prey,
And outside the saloon, on the street
of Mapler,
Stood the horse that belonged to
Sheriff Stapler.

Once more he kicked open a swinging door,
But did not gaze on an empty floor,
The orchestra played, and the dancers swayed
As they looked in Rand's eyes unafraid.

He pulled out his six-shooter that never fails,
And gazed over the crowd;
And as his eyes fell on the sheriff
He gave a very slight shroud.

With words like the roar of a car
He ordered the sheriff against the bar,
And then pulled the triggers of both his guns
And sheriff went to the Land of the
Suns.

And Rand, the outlaw with a curse,
Leaped through the door and on the
sheriff's horse;
The crowd ran after him shouting and
shouting,
As he disappeared on Thunder
Mountain.
