

A. Garden:
Tesnejši stik organizacij in združitev

Kljub dejstvu, da je vprašanje združenja naših podpornih organizacij v ospredju že nad 15 let, tekmo katere dobe si je SNP že veliko prizadevala z integriranjem raznih podpornih organizacij za uresničenje tega idealna, stojimo še vedno pred situacijo, ki nam daje malo upanja, da pride do tega koraka v bližnji bodočnosti. Dejstvo je, da se je zanimanje za združenje med članstvom vseh organizacij zelo ohiadilo zadnjih par let. Akoravno izgleda, da smo danes bolj oddaljeni od združenja raznih jugoslovenskih podpornih organizacij kot pa pred leti, je vseeno dejstvo, da bo do združenja moralo priti prej ali slej.

Upoštevajoč to situacijo z vido sedanjosti in bodočnosti, je vprašanje, kako priti do bližnja vseh organizacij, ki se bodo končno morale združiti, gotovo zelo važno. Interesi članstva in vseh podporne organizacije zahtevajo, da se najdejo pota, potom katerih bi se prišlo do medsebojnega zbljanja, ker nikakoga dvoma ni, da bi bilo v korist vseh organizacij, ako bi bilo med njimi voč sodelovanja, z ozirom na gotovo notranja in zunanja vprašanja, tikajoča se posamezne organizacije in vsega članstva. To zahtevajo tudi nove po vojni nastale razmere, pred katerimi stoji vse organizacije, razmere, ki znajo pristeti v dogledni bodočnosti večje posledice za naše podporne organizacije, kot si jih pa moremo predstavljati. Bodočnost zahteva od nas, da poščemo nova pot in metode, ki nas bodo vodila do medsebojne kooperacije v vedno večjem obsegu in nas privedejo, ko bodo razmere zrelejše, v končno združenje.

Se o naloganju jednotnega premoženja

Chicago, Ill. — Br. Ludwig Spolyar, član društva št. 121, v št. 79 "Prosvete" v razpravi o bodočih pravilih SNPJ svetuje organiziranje gospodarskega odska. On piše: "Po mojem mnenju bi bilo boljše, ako bi mi meli samo enega člana v tem dseku kakor pa tri. Ta član bi imel stalno tedensko plačo; njegova dolžnost bi bila dobivati informacije in proučavati vrnost raznih bondov in družil vrednostnih papirjev. Ta odbornik ali uslužbenec bi posredoval gl. izv. odboru, a gl. izv. odbor odloči z dvretjinsko vino glasov, kateri bondi ali pa druga investicija je varnejša in boljša za organizacijo." Na to priporoča, da konvencija povablja gl. odbor, da najame zastopnika, ali kakor druge korporacije imenujejo takega člena agenta s stalno tedensko plačo.

Vidi se mi važno te vprašanje sproščiti že pred konvencijo, vprašanje združenja in tesnejšega sodelovanja naših raznih podpornih organizacij, ker konvencija bo moralazaveti definativno stališče glede tega. Zdrževalni odbor ni imel uspeha zadnjih osem let in zelo dvomim, da bi ga imel v bodočnosti kaževe, ne glede kdo je v odboru. Brezmiseln je imeti torej kakšen odbor še v bodoče, ako ni v preteklosti ničesar konkretnega dosegel in ako nima njegovo delo nikake perspektive, vsaj v bližnji bodočnosti, ako se sledi še nadalje tradicionalnim metodam. Odpraviti zdrževalni odbor, ne da bi jednota poiskala druga sredstva za končno doseg tega namena, bi to pomenilo, da bi se jednota pridružila negativnemu stališču ostalih organizacij, t. j. proti združenju ali pa popolno indiferentnost, kar pomeni isto.

Ako shuo se kaj naučili iz preteklosti, moramo priznati, da bo treba poiskati novih poti in metod, predno pride do nadaljnega združenja. Zgornja suggestija, da se poskus organizirati skupno federacijo naših podpornih organizacij, naj bi bil naš prihodnjih korak. Ne gleda, da bi uresničenje te ideje pomenilo velik korak v življenju naših organizacij, še sam na sebi, je važno pri tem tudi to, da je vstavljanje take organizacije absolutno potreba, predno je mogče pričakovati, da pride do nadaljnega združenja. Nesmiselno je pričakovati zadnjega toljko časa, dokler bo obstajal sedanji sentiment nezaupnosti in neke čudne ljubosumnosti. In

zelo je dvomljivo, da je posameznemu odboru možno premestiti to situacijo in obrniti obstoječi sentiment v drugi tir. Za doseg tega je potrebno, da članstvo in glavni odbor vseh tistih organizacij, ki so ideološko blizu, da misel o združenju si same razna utopijo, skupno sodeluje in skupno pošlejo način za končno amalgamacijo.

Za mojo osebo sem popolnoma prepričan, da, ako članstvo in gl. odbori raznih organizacij niso zmožni vzvariti si ene skupne ohlapne organizacije, v kateri bili aktivni in se na ta način bližili ter skupno prišli do nasvetov, kaj je dobro, boljše ali potrebno za izboljšanje njih organizacij in za pospešitev interesov članstva — ako ni mogoče priti do tega, je vsako govoritev o združenju potrata časa in energije.

Prepričan sem tudi, da nam je skupna organizacija potrebna še z drugega stališča, kot za dosego nadaljnega združenja. Vsača organizacija mora resevati svoje notranje probleme — naravnov; in ako bi se o identičnih problemih skupno razgovarjali na sejah skupne federacije, ki bi se vrstile ob času do časa tako po okrožjih kot po centralnem odboru, bi bil rezultat teh sej gotovo v korist vseh. Drugič, naše podporne organizacije so, poleg podpornih, tudi kulturne in delavake. In namen te federacije bi moral vsekakor biti tudi, pospeševati naše delavsko interesu in sicer ter izboljšavati našo kulturno stran življenja... Vseeno, na prihodnji korak naj bo: delati za realiziranje skupne federacije naših podpornih organizacij, ker, ako ni mogoče doseči, je še toliko težje dosegiti vsako nadaljnjo združenje.

Zadnjč sem že omenil, da naj se v bodoče posojuje članom na njih posestva. Zakon države Illinois nam dovoljuje posojevati na posestva do 49% na vrednost posestva, torej nekaj manj kot do polovice prave vrednosti. O tem smo že debitirani na par konvencijah. Zavorniki protipredloga so vedno navajali, da bi organizacija imela v tem preveč komplikacij, dela in nepotrebnih sitnosti. Rad priznam, da bi se odločimo, da posojujemo v bodoče na mala posestva, s tem nastalo več dela v gl. odboru. Ali to nas ne sme ovirati, ker lahko uredimo, da bodo tisti, katerim se bo dalo posojilo, trpej nastale stroške. Tudi argument je bil, da bi se ne moglo izvajati tako, da bi bili vsi člani enakopravni; posebno se je naglašalo, da bi jednota veliko izgubila, če bi posojevala denar na posestva v krajinah, kjer ni stalne industrije. Mislim, da bi se vsem temu lahko izognili s tem, da določimo, da se posujejo članom v mestih, katera imajo stalno industrijo, in pa določeno število prebivalcev. Razumljivo je, da bi to ne zadealo naših farmerjev, ker za nje bi ta določba ne veljala. Pa pa bi odločeval gospodarski odbor, ravno tako za naše društvene in narodne domove. Gotovo je, da bi bilo to nam ložje izvesti, če bi mi imeli lastno banko, ali da enkrat jo ne moremo imeti, ker nam jo ne dovoljuje zakon države Illinois.

Na zadnjih konvencijih je predložil odbor za jednotne ustanove načrt za ustanovitev banke, katero bi se ustanovilo potom jednotnih društev in posameznih članov. Konvencija je zavrgla načrt, menda največ radi osčnosti, nekaj pa tudi radi tege, ker smo zelo radikalni in nemamo priceti z buržuačnim podjetjem. Mislim, da je tako naziranje nam v kvar; kdor ima malo pogleda v gospodarstvo, mi bo to priznal. Odkar sem član gospodarskega odbora, sem mnogokrat opazil, kako nam je lastna banka potrebna, ker potom banka lahko naredimo za članstvo in organizacijo mnogo več, kot pa tako. Buržauzo podjetje lahko mi izrabimo v svoj prid. Zakon za banke ni tako strog, kakor je za bratske podporne organizacije, ker bankam ne narekujejo zakonov za varovalne kompanije, kot jih bratskim podpornim organizacijam. Proti njim je naperjen skoro vsak novi zakon. Radi tega priporočam delegatom bodoče konvencije naj razmišljajo o tem in mogoče bo prihodnja konvencija popravila napako zadnje konvencije.

bral boljšo osebo kot pa konvencija.

Mnogokrat sem že naglašal, da naj bi bila v nakupovanju bondov in v jednotinem gospodarsku sploh pravila jasna. Intak naj bodo tudi bodoča pravila, ako hočemo dobro zavarovati jednotne interese. Pustimo na stran vse eksperimente, kateri se nam svetuje.

Gospodarski odbor se je tokom obstoja izkazal, da je koren za jednoto. Čemu ga je potrebno reorganizirati? Marzato, ker imajo nekatere kompanije urejeno tako, da je vse investiranje premoženja poverjeno eni osebi? To se mogoče izplača velikim korporacijam, katere lahko najame veliko število osebja, katero pripravlja vse podatke za nakupovalnega agenta. Tega mi je zaenkrat ne premoremo, zato je za nas veliko bolj priporočljivo, da ostanemo pri treh članih gospodarskega odbora, na konvenciji se pa paži, koga se izvoli v ta odbor, glavnemu upravnemu odboru se pa potom pravil naloži, da vse uvede preiskavo, če je pritožba proti nakupu kakih bondov; če pronajde, da je pritožba utemeljena, ne sme bond izplačati.

Zadnjč sem že omenil, da naj se v bodoče posojuje članom na njih posestva. Editorial Notes

Interesting events will take place in Chicago Sunday, April 14, when East will meet West, in the SNPJ bowling and basket ball tournaments. On that day the victorious Strugglers' basket ball team will arrive over the New York Central railroad and will be acclaimed in Chicago together with the bowling teams and their fans accompanying the Eastern contestants to witness the final and decisive battle for the SNPJ 1929 championship pennant.

Our Cleveland contenders will be met at the La Salle street station at 5 o'clock Sunday morning, April 14. They will be greeted by voluntary delegations of the many Chicago SNPJ locals which are enthusiastic about the event. Enthusiasm—a word that signifies power within us—is the magnetic force that impels us to great deeds. Many of our greatest achievements and successes have been performed under that influence of enthusiasm which we call earnestness—the element of success without which nothing can be effectually done.

It is the duty of every Chicago SNPJ member to participate at these events Sunday, April 14, and to afford our guests every opportunity to make them feel at home. Let us show our fraternal visitors that they were gladly awaited here in Chicago. The old reliable Slovene hospitality should be manifested aplenty at this occasion. They should be shown that this element within us has not yet vanished from our hearts, and that we know how to genuinely receive them even in this great cosmopolitan city, sometimes branded Sodom and Gomorrah.

This will be one of the many opportunities to show our guests from

25TH JUBILEE CELEBRATION

Indianapolis, Ind.—Don't think the "Adrians", No. 575, have been asleep; you will have to change your thoughts as the article will prove. "Adrians" are always busy.

The "Adrians" have joined with the members of the Lodge "France Preseren" to celebrate the 25 year anniversary of SNPJ Saturday, April 13, at 7 p. m. There is to be a dance at the National Home. The Supreme President Vincent Caiskar is to speak before the dance starts.

The "Adrians" have been learning and rehearsing two plays. The play, "Jesus had petelinom," to be presented by the girls, and "Postna skrivenost," presented by the boys. Both plays are directed by John Metelich. The boys claim that their play will be the most successful of the two, while the girls are making a like claim.

Come Sunday, April 14, at 7 p. m. to the National Home and tell us whose play is the most successful.

Don't forget! Saturday night a dance and Sunday a play. Let us all come!

Frank Stroy, Pres. Lodge No. 575

IMPORTANT MEETING!

Cleveland, Ohio.—The next meeting of the whole committee on arrangements for the Silver Jubilee of the SNPJ will take place next Monday evening, April 15, at the National Home, St. Clair ave. Representatives please be on hand at 8 o'clock.

A. Garden, Secretary, C.F.

Strugglers Special All Aboard!

Collinwood, O.—After a long absence from this page I again come to life to give you some facts, hoping our Publicity Committee gives us upmost co-operation, also. Some one has to start, so I guess I will.

Saturday night, April 13, at 9:45 p. m. the Cleveland SNPJ members will gather at the Union Station with one of the best basketball teams in the history of Ohio's basketball annals. Outside of a few injuries the team will be in shape, ready for the greatest battle of the SNPJ sports in its history, to bring back the emblem—SNPJ champions. The players eligible to compete are: Albert Evert, Benny Wise, Vidi Vidival, Johnny Barbic, Anthony Adomites, Robert Bracken, Steve Cabala and Johnny ("Kopek") Peck. The team will be under my personal guidance with coach Whity Singerman and trainer Ed Marret. Official scorer for Strugglers will be our dear "Sawdust" Marolt. Accompanying the team will be press writers of all Cleveland's leading papers. A gala affair this will be for our basketball champs. In this group will also be our girls' bowling team in its high regalia. It will also be after SNPJ honors, the girl bowlers competing in this tournament bowling the strong Pioneer stars of Chicago. A battle royal is expected. The girls bowlers are as follows: The Four "Joes," namely, Jo Dolsak, Jo Podpadec, Jo Lokar, Joe Smith, ("Sugar") Helen Cetina, Anna ("Andy") Zupanec, and Mildred ("Milk") Perusek. What a gang this will be plus over fifty Strugglers—plus fifty Comrades, plus 50 Loyalties! And who is else? Let's go!

Spring, the glorious Springtime, is here, when flowers are in bloom and birds sing their heavenly melodies, and trees are clad with velvety foliage, and the whole Nature is back to its own. This is the time of rejuvelation, when old and young alike enjoy the great out-doors. And in such pleasant surroundings, youthfulness and enthusiasm, we should afford our visitors and equal amount of pleasure, making them feel at home in our midst.

Life lives only in success, the measure of success depending on the character of the achievement. To some of us it is a beautiful but fragile bubble—to others, a volatile and fleeting shadow. But to the laborers in field of human activity life is a mission—a sphere of manifold allotment in which the man who has done the most good ranks far above the one who has counted the most years. Success in any undertaking is the result of hard labor and sincere intentions. Let us make a real success out of the two Sunday events, the bowling and basket ball tournament.

Two accordian players will accompany this group, plus our tenor and base stars. The twins, Lily of the Valley, Comrades Suzie and, if any more come I guess I will call up and hire another train. Reservations are coming in bunches. Round trip fare is only \$7.00. And you will be back Monday morning. Don't worry. The Gold Dust Twins will be your chaperons. Yours till we reach Chicago and back 200 strong! Let's go!

Johnny Lokar, Pres.

P. S.—Tickets can be secured at Union Station till 9:30 p. m., from me in the lobby.

HAIL YE SENTINELS!

So, Chicago, Ill.—Each and every "Calumet Sentinel" is requested to be present at the regular meeting to be held Monday, April 15, at the Calumet Park Fieldhouse. The meeting will be opened, promptly, at 8 o'clock, so be sure to be punctual.

A full number is greatly desired as matters of vast importance will be discussed. Richard Zavertnik, who will represent us in the coming convention, will be with us. It is up to you on this appointed time to speak up and make suggestions as to what our representative shall do for the benefit of the Lodge.

Don't shirk when you are needed but make up your minds to be here. We will not accept excuses, so if you do not intend to come, better have a good reason handy. If you can't be separated from your friends, bring them along. You won't be sorry, for we have a grand surprise in store for all members present, also their friends. A novel entertainment has been arranged which will take place immediately after the meeting. Refreshments and dancing will be the chief features! What say? Could anything be better?

Show what you're made of, Sentinels, each of you, by attending in full number. By so doing you will boost and help the Lodge along splendidly. Are you lucky? Well, some one will be. One member will return home with a light heart, smiling countenance, and a heavy pocket. \$4 will be "given away" at this meeting as Zora Yurkas was not present at the previous drawing for \$5. So, it behoves you to come.

As a final appeal, please be present and bring along a new member. Yours for a better "Calumet Sentinel" Lodge.

An active Juvenile member.

COME AND MAKE WHOOPER!

Pittsburgh, Pa.—In the coming Spring Dance we expect as much loyalty from the members to the members as we expect from the members to the Society. Let's show our loyalty 100%. Let's put the Spring Dance over in the manner that will make us all proud.

All arrangements have been completed, and members of the committee assure us that they have put forth their utmost efforts to make this event the best ever held. Let's show our appreciation for their work! Let's be loyal to our Lodge and our associates! Let's have a real happy-go-lucky good time! See you at the Dance!

F. J. Kress.

BADGERS!

Milwaukee, Wis.—Badgers, don't forget Friday, April 12, 1929. What's going on? Why, the meeting, of course, and don't you forget to be there.

Did you ever get a real treat? Well, if you didn't you'll certainly get one at this meeting, for the "Harmony Honey's" are on the refreshment committee. Now if you're really good I'll tell you a secret, but you mustn't tell any of the "Harmony Honey's" that I told you.

After all business has been discussed we are to have a real honest-to-goodness doughnut party. Now what do you think of that? The Badger girls are going to show their ability in the art of cooking. So don't forget what's in store for you Friday, April 12. C U there.

Stanny Muskatene.

BRIDGEPORT CARDINALS.

Bridgeport, O.—"Bridgeport Cardinals" will make whoopee on April 20 at 7 o'clock at the Boydville hall. The music, I hear, is to be furnished by the SNPJ orchestra. Plenty of action is promised for this "Whoopee Dance"—I wish also to announce that the Bridgeport Cardinals are going to celebrate their First Anniversary July 4th. More details will be furnished next week. A Warbler.

Stalwarts—Western Cage Champs

The start of the game was delayed somewhat because teams traveling a great distance were delayed. The first game started at 7:41 p. m. and was played between Milwaukee "Badgers" and SNPJ Sports club of Waukegan.

This game started with a bang with Joe Meseec of Waukegan ringing the first basket. The game then became sluggish. It was not long before L. Glavan of the Badgers turned the tide. At the half Milwaukee had a comfortable margin over Waukegan. In the second half, F. Meseec tried to rally his team with his speed playing but it was only a short spurt. After the battle had been finished, Milwaukee came out the victor by a score of 20 to 12.

Substitutes, Waukegan: John Meseec for J. Novack; F. Korenchen for Joe Meseec. For Milwaukee: T. Pogorelc and T. Marinsek for Joe Oblick and J. Glavan; J. Pogorelc for Marinsek.

F. Meseec was chief scorer for the SNPJ Sports Club making two baskets and a freethrow; S. Zupanec, two baskets, and J. Meseec one basket and two freethrows.

L. Glavan starred for the victors. His tally was two baskets and three freethrows; he was followed by L. Pogorelc with two baskets and one freethrow; J. Glavan and J. Pogorelc each made two baskets.

La Salle arrived about 8:30 and, being tired from their journey and the majority of the first team on the sick list, they withdrew from the competition.

The Stalwarts defeated the Badgers by one point for the championship. This was a hard fought battle of the championship type. At no time the score varied more than three points.

First the doughty warriors of Kenosha would lead in the scoring, then the quintet from Milwaukee would steal it away. During the last stages of the game, just before the popping of the gun, Badgers made their last supreme effort to score.

After five attempts the Badgers had failed to sink a basket to win the bacon; the game ended.

A. Penza, better known as the "Svede," was the star for whirlwind basketeers of Kenosha. The Kenosha play was somewhat dimmed by spectacular long shots by L. Pogorelc of Badgers.

The game was refereed by Mr. F. Morgan and Mr. J. Davis, members of the Wisconsin Federation of Athletic Officials. Many commented that the refereeing was the best that had been seen for a long time.

The press wish to thank the Stalwarts for their excellent basketball training while playing on the Aurora High School state basketball championship team of Minnesota in 1923. Since entering the Badgers he became the backbone of the team. Congratulations, "Doc."

On Sunday, April 14, the basketball and bowling championship games will be held in Chicago to prove who is supreme in SNPJ athletics. Come out to cheer your winner. In this column next week an All-Star SNPJ basketball team will appear. Come and support your team with this one.

As Seen from the Sidelines

Chicago, Ill.—The Integrity Lodge, No. 631, will hold its monthly meeting Thursday evening, April 11, at 1617 North Clybourn Ave. The meeting will begin promptly at 8:00 p. m., so everyone is asked to be on time.

The Integrity "Sports" Flashes will distribute the prizes on May 9. Pass the word along to your friends.

Before a large crowd assembled in the Central High School gymnasium the Stalwarts of Kenosha posed out the strong Badger team of Milwaukee in the Middle West SNPJ basketball tournament, held at Kenosha, Wisconsin, on Saturday evening, April 6, by a score of 15 to 14. The Kenosha five had an advantage over the Badgers, because the former played only in the final game. La Salle team forfeited their game to Kenosha while the Badgers beat the Waukegan quintet by a score of 20-12. The Badgers are to be congratulated for the showing they made in the final game.

The two outstanding stars of the tournament, on whom most of the spectators will agree, were A. Penza of Kenosha and Louis ("Doc") Glavan of Milwaukee. Penza carried the bulk of the work both in floor-work and scoring to help his team come through as the victor. His work at this tournament easily entitles him to the candidacy of an all-SNPJ star. Louis ("Doc") Glavan, easily the outstanding performer on the Badgers team seemed to be the sweetest ball player on the court. His knowledge of basketball was displayed on full array at the tournament. His fast, clean passing, dead shooting, and his superb guarding entitle him to a position on the All-Star SNPJ team. "Doc" Glavan received his basketball training while playing on the Aurora

Topics of the Week

The next regular meeting of the Sunglare Lodge shall be held Friday evening, April 12, at Mustang's Bungalow on Leland avenue, near Ogden avenue, Lyons, Illinois. Reports of Committees. Instructions to delegates. Entertainment after the meeting.

Investment of Surplus Funds.

Investment of surplus funds of our Society are now under the control of the Investment committee and invested in such securities as provided by article XI, section (h) and article XIII, section 2 of our by-laws. Past experience has proved the advantages and the wisdom of the policy to have investments under the control and superintendence of the Investment committee as safer and better securities at lower purchase prices have been obtained by this committee than under the old method when investments were under the direct control of our supreme officers. However, this section is still limited as to kinds of securities that our surplus funds may be invested.

WHAT'S "OLD GANG" DOING NOW?

Pittsburgh, Pa.—Saturday, April 13, 1928, you can meet that "Old Gang" of mine when the "Morning Stars" have their "Whoopie Dance." They also hope to meet all SNPJ gangs and their friends who also are cordially invited.

Some time ago some wise cracker of Sygan threatened to bring a big delegation from his home town and likewise all the live ones from Canonsburg to awaken us. Here and now we hope he makes good his expansive boast.

The Slovenian Auditorium on 57th and Butler Streets will also be able to hold a crowd from Bridgeport and Greensburg, also many others who wish to get acquainted with us.

Even when you're ten little miles from town you may hear the melodies strains of the Varsity Ramblers' who will be the attraction. You may start with the blues, even "Fay down and go boom," be lonely, cursing the wedding chimes when you see "the remains of your gang," but when you hear Whoopie, under an April moon, your troubles will vanish like bubbles, even if your lover never comes back.

The Piper.

AN EXPLANATION

Canonsburg, Pa.—This is to serve as an explanation to a couple of disgruntled members who find that certain matters have not turned out to their anticipations. The author of the article which appeared last week knows very well that our senior members have co-operated with us to the greatest extent, therefore I think it wouldn't affect our lodge in anyway to hold our meeting a week later, in order to co-operate with our senior members when they work to put over an affair. The senior members have held a concert at 2 o'clock April 7 and everyone knew Anton Subelj was to be the attraction. The matter did not receive mention for simple reason that we knew nothing of it until afterwards, and as far as that is concerned there are some things which should have been brought before the meeting. Be it understood that no one person has used authority in bringing about the change.

I think we would do better if nature of our local articles is changed, for articles of a controversial nature lead to complicated situations and are undesirable. Real actual work and less knocking, I think, is what we should attempt to do—always. I am.

John F. Kutch, SNPJ Booster.

P. S.—Attention, Morning Stars. We are holding a Dance on April 13 and 27. Therefore it is impossible for us to visit you on April 13. Accept our invitation for April 27 and we will visit you on your next affair.

CHIPS OFF THE OLD BLOCK.

St. Louis, Mo.—Listen, dear readers, and you shall hear of Sunday night and its Anniversary cheer. Everyone wanted the dance to last, but it ended, and now it's paged in the past.

The songs concluded and orations said, the music began, then, suddenly dead. The dance hall was crowded, full, every square inch. No one was trampled—it's a cinch. Everyone laughed, became happy and gay, we all happened to forget, there dawns yet, another day.

Lodge 107 surely had a good bait, to land all the fish and hold 'em so late. Now everyone join me in saying—Listen! I don't mean praying: "Hip, hip, now all together cry—THREE CHEERS FOR THE PLA-

NESKI RAJ!"

"Spirits," remember: On the 12th of April it has been said—we're having our session, predicted not to be dead. Come one, come all, for something unforseen. Don't be afraid, you should be bold, but don't look so hard, don't act so tough, the officers are good, but they MIGHT get rough.

I hope my articles interested you, but my next will have a poem to help me through, composed by me, but for the Lodge. It isn't a comic or any hedge-podge. You will hear from me again. Just Dorothy.

Thoughts and Propaganda

Cleveland, Ohio.—Since new inventions and discoveries are heaped upon us in such a number that it is difficult to keep track of them, it is not surprising—albeit it may be an injustice to the smaller fry—that only the more startling of them receive due recognition by the general public. One really has to be an Einstein, Edison, H. Ford or Shaw, Wells or Dewey to break into the headlines without any difficulty; but for a budding genius it is necessary to hire a publicity agent or to resort to some subtle trick at wire-pulling in order to succeed in having the spotlight turned upon him or his pronouncements. It is really very unfortunate, this unappreciative attitude, for who will say that the world would not be a better place to live in if it were not for its over-dose of sophistication?

Similar thoughts were splashing through my mind in reading in the recent issues of our official organ Bro. A. Družina's contributions, in behalf of the Loyalties Lodge. And if it were not for certain far-fetched insinuations, especially in the last official Prosvesha, I, of course, would not attempt at this rebuttal, for it is the last thing on my part to insist on conformity of thought because that would actually mean mental stagnation. However, when one is attempting to analyze a given situation—and that in behalf of an organization and with an air of authority—one should be careful, first, to view the conditions such as they actually exist and, second, to keep one's own prejudices as far back as is humanly possible. Otherwise the attempt will result in a distorted picture from which the uninitiated reader will get an erroneous impression of the true conditions, and which may properly be considered an unethical imposition upon the mind of the young reader. And to jingle with high sounding words and meaningless phrases is certainly not scholarly.

In grinding his ax Bro. Družina states: "It seems that our chief concern in the policies has not been the social welfare of our members, nor the future of the organizations, but the interests of the particular party that the organization happened to be affiliated to or sympathized with . . . (and) our first and last concern has been the reformation of a world outside of the Slovene colonial life." Further on we read: "The policies of the Slovene fraternal organizations have not encouraged an organic stabilization of the social life of the Slovene immigrants . . ." It took Einstein ten years to prepare his twenty formulas about matter, energy—and what not—and which have a meaning only to about four or five scientists of the entire world. How long it took Bro. Družina to discover his "formulas" about our fraternal organizations (it should be stated SNPJ, for the sake of clarity) I do not know; but I am certain no one will be able to understand them on their face value, including the author. I was always under the impression that there are at least a few of our organizations, including the SNPJ, which have been trying to do just the things Bro. Družina is accusing them of not doing; and as far as my knowledge of our "colonial" life, as Bro. Družina terms it, goes I thought and still think that our fraternal organizations have been the chief stabilizing force in our social life in the New World. It is also entirely new to me to be told that we have not concerned ourselves with and about the "future of our organizations." Either some of us who have been concerned to a great extent about this question or Bro. Družina have been sound asleep for a good while; otherwise such statements could not be made or given a credence. And why give this distorted and totally untrue picture of ourselves, that is, of the SNPJ—or any other organization for that matter—to our young generation? I grant there is much in our public life or in organizations that needs criticism; however, there is a wide gap between a healthy criticism and the subtle propaganda of Bro. Družina's.

It would be infinitely more praiseworthy on the part of the author to come out straight with his central ideas, which is contained in the first of the above quoted sentences, instead of beating around the bush. I have no ax to grind on anybody, but it seems necessary to inform the readers what it is all about. And before doing that I do not want to convey the impression that Bro. Družina is a vicious, insincere or dishonest person. Quite the opposite is true. And my disagreement with him in this case is entirely a matter of principles and not of personality. What I object to most severely is the untrue statements, regardless by whom they are made of whoever or whatever they may concern, especially if garbed in subtle phrasology the tendency of which is to create a bewildered confusion.

And now to the point: The SNPJ has been created largely by people of progressive or distinctly socialist views. These two types of our people were and still are the most active element in the organization, carrying the brunt of the work that has to be done within every organization.

And since every organization, just like an individual, has an outlook upon life, be this passive or active, which is but a reflection of the viewpoint of its active membership, it so happens that the policies of the
