LETO (VOLUME) XXV.

## Mr. Louis Pirc, urednik Ameriške Domovine umrl

Minuli četrtek zvečer, dne 29. junija je na svojem domu zadel od srčne kapi nagloma preminil starosta naših ameriških slovenskih urednikov g. Louis J. Pirc, urednik "Ameriške Domovine." Navedeni dan je še kakor običajno delal v svojem uradu, toda počutil se nič kaj dobro. Ko so ga pripeljali z avtom popoldne domov, se je takoj vlegel v posteljo, želel si je malo počitka. Par ur zatem so ga pa domači našli mrtvega v postelji ravno tako kakor se je vlepel.

Mr. Pirc je bil rojen v Vavta vasi pri Novem mestu na Dolenjskem dne 4. julija 1888, torej bi bil letos 4. julija njegov 51. rojstni dan. Očeta je bil izgubil v rani mladosti in še kot malega dečka ga je mati prinesla v Ljubljano, kjer je pozneje tudi študiral in dovršil 6. gimnazijo. Bil je zelo nadarjen in že v rani mladosti si je služil kruh s tem, da je pomagal drugim dijakom pri učenju.

Kot 17-letni fant je pa odšel v Ameriko, kjer je upal dobiti boljšo bodočnost sebi in da bo lahko pomagal svoji dobrì mamici. Ustavil se je pri Frank Sakserju, kjer je dobil delo. Leta 1906 je prišel pa v Cleveland kot urednik k tedanji "Novi Domovini." List je pa kmalu zatem prenehali izhajati, nakar je odšel Mr. Pirc zopet nazaj k Sakserju. Leta 1909 je odšel v Rock Springs, Wyo., kjer je dobil delo pri Krščnikovi veltrgovini in vodil šolo za poduk angleščine. Tam se je tudi poročil z gdč. Kalishovo.

Kmalu zatem je pa zopet prišel v Cleveland, ker so rekli naši vrli pionirji, da tako naselbina kot je Cleveland, ne sme biti brez lista. Ustanovili so novo podjetje in nov list, "Clevelandka Amerika." Za urednika je bil postavljen Mr. Pirc in manager je bil njegov svak Mr. Edward Kalish.

Podjetje je še precej dobro uspevalo in kmalu sta preku-pila podjetje od delničarjev in postal lastnika lista in tiskarne. To je bilo vse do leta 1919, ko je James Debevec kupil pri podjetju delež od Mr. Kalisha in nova druga sta dala listu novo ime "Ameriška Domovina." Izhal je trikrat na teden vse do leta 1928, ko je začel izhajati list vsak dan.

Bil je ustanovitelj in dolgoletni urednik Slovenske narodne čitalnice, ustanovitelj in dolgoletni glavni odbornik Slovenske dobrodelne zvezze, odbornik Slovenske narodne zvezze, velik pobudnik, delničar in direktor Slovenskega narodnega doma na St. Clair Ave. Bil je član in ustanovitelj društva Ribnica št. 12 SDZ, član in dolgoletni predsednik društva sv. Janeza Krstnika št. 37. J. S. K. J. ter ustanovni član samostojnega društva Kranj.

Pokojnik je veliko dobrega storil za našo ameriško slovensko metropolo, pred vsem pa našim ljudem za pridobivanje državljanstva. Celih 28 let je vodil to šolo in pripravil okrog 18,000 prisilcem do doseg ameriškega državljanstva.

Eno sliko njegovih učencev so pred leti poslali v Washington, D. C., kajti Pirčeva šola za državljanstvo je bila tedaj največja izmed vseh v celoti Ameriki.

Cerkveni pevski zbor mu je v zadnji pozdrav in slovo zapel dve ganljivi žalostinki. Pogreba so se udeležili poleg številnega članstva označenih društev in številno njegovih znancev tudi: prejšnji zvezni senator Bulkley, kongresnik Sweeney, župan Burton, mestni sodniki Lausche, Hull, Petraš in Merrick, šerif O'Donnell in okrajni inženir McWilliams; našo jugoslovansko vlado je zastopal častni konzul Cerezin, našo Jednoto pa oba uredniška Glasila.

Tako so se pogreba udeležili tudi gl. uradniki SDZ, uradniki obeh naših slovenskih bank in Častna straža SDZ.

V pogrebski vrsti je bilo nad 70 avtomobilov, trije avtomobili so vozili okrog 90 vencev, katerje je pokojnik prejel v zadnji pozdrav.

Na pokopališču so pri odprttem grobu pokojniku spregovorili nekaj besed zastopniki ka mu bodi ameriška gruda!

### Sijajen pogreb

Pokojnik je ležal v mrtvaški kapeli Grdinovega pogrebnega zavoda, kamor ga je prišlo pokropiti na tisoče ljudstva.

V nedeljo dopoldne mu je zapel mlađinski zbor "Slavčekov" pri krsti ganljivo žalostinko.

Ravno en dan pred pokojnikovim 51. rojstnim dnevom, 2. t. m. smo ob najlepšem vremenu in ob mnogobrojni udeležbi spremili urednika Pirca na Kalvarijo, kjer se bo za vedno odpocil od trudopolnega dela in delal družbo svoji soprogi, ki je pred njim odšla v večnost že pred 19. leti.

Sprevd se je pomikal iz Grdinove mrtvaške kapele v cerkev sv. Vida, kjer je bila ob 10. uri darovana peti sv. maša zadušnica, katero je daroval domači župnik Msgr. Ponikvar ob asistenci Rev. Slapšaka in Rev. Barage. V sanktuariju so bili tudi Rt. Rev. kanonik Oman, Rev. Bombach, Rev. Virant, Rev. Andrej, Rev. Baznik, Rev. Čelešnik.

### LISTNICA UPRAVNISTVA

V pondeljek, dne 3. julija smo bili od pošte v Springfield, Ill. obveščeni, da se tam nahaja zavitek zadnje izdaje našega lista, kamor je bil pomotoma zamenjan in odposlan. Dognalo se je, da je bilo nekaj listov določenih za Waukegan, Ill. v Springfield, Ill. odposlanih. Dotični naročniki so torej zadnjo številko Glasila za nekaj dni kasneje prejeli. To naznajamo na tem mestu v pojasnilo prizadetim. Krivda ni bila na naši strani.

### SE ENA NOVA SLOV. BOLNIČARKA

Na drugi strani današnjega lista vidite sliko nove slovenske bolničarke Miss Rose Koprivec, članice društva Marije Pomagaj št. 190, Denver, Colorado.

Družava Colorado se pa letos postavlja še z eno slovensko bolničarko, in to je mlajša hčerka našega gl. Jednotinega predsednika brata Germa, Miss Lillian Germ iz Pueblo, Colo. Navedena je prejela svojo diplomo dne 6. junija t. l. Sliko iste najdete na današnji Our Page.

Sobrat Germ je bil v krogu svoje soproge 29. junija gotovo tudi vesel in ponosen, ko je prisostvoval pri poroki svoje starejše hčerke Evelyn. Njen ženin Mr. John H. Sajbel je tudi fant slovaške narodnosti, rojen in vzgojen v Pueblo, Colo. Tudi sliko te neveste vidite na današnji Our Page.

Vsem tem naj veljajo naše iskrene čestitke.

društev, kamor je pokojnik spadal. Mnogi so si vračajoči domov od Mr. Pirčevega groba brisali solze, ker so ga imeli radi.

Pokojnik zapušča sina Louisa in hčerko Mildred poročeno Gray, katerima izražamo naše globoko sožalje. Pokojniku naj ostane v analih ameriške Slovenije najblažji spomin! Lahko.

Vsem tem naj veljajo naše iskrene čestitke.

### DUHOVNIŠKA VEST

Zadnje dni je bil imenovan za pomočnika, ali kaplana pri cerkvi sv. Jožefa v Jolietu, Ill. Rev. Mihael Cepon. Rev. Cepon je dovršil svoje študije v škofijskem semenišču v Moundrein, Ill., ter je pel svojo novo mašo letos dne 16. aprila v Waukeganu. Zdaj so pri cerkvi sv. Jožefa v Jolietu vsi trije duhovniki, ki so bili rojeni v Ameriki. Župnik Rev. Butala je Jolietčan, prvi kaplan Rev. Kuzma je tudi Jolietčan in drugi kaplan Rev. Cepon pa iz Waukegana, Ill.

### LETOSNJE ŽRTVE PRA-ZNOVANJA 4. JULIJA

Včerajšnji ameriški praznik Proglasenja neodvisnosti je pri obhajjanju istega povzročil v deželi 550 ponesrečnih ali smrtnih slučajev. 50 oseb je bilo ubitih med avtomobilsko vožnjo, 167 jih je utonilo med kopanjem, 28 jih je povozil vlak, ustreljenih 30 in ponesrečenih v zrakoplovu 8, od strele ubitih 10, drugi so našli smrt na druge načine. K temu je treba še pristeti na tisoče ranjenih.

### ODER SE PODRL

#### Waukegan, Ill., 4. julija.

Ko se je nocoj na igralnem prostoru tukajšnje višje šole vršila patriotska slavnost 4. julija katere se je udeležilo okrog 20,000 oseb, in ko je ljudstvo na lesenem odu vstalo pri pesmi ameriške himne, se je oder na enem delu udal, ali podrl vsled prevelike teže. 50 oseb je bilo pri tem ranjenih, katerim se je takoj nudilo zdravniško pomoč, 5 izmed istih, bolj opasno ranjenih se pa prepeljali v bolnišnico; med prizadetimi je tudi 49 letni Slovenec John Kramer.

### DUNAJSKI KARDINAL NAPADEN

#### Dunaj, 4. julija.

Ko se je 2. t. m. dunajski kardinal Theodore Innitzer mudil na svoji vizitaciji cerkvene občine v Koenigsbrunnu, so razburjeni domačini napadli njegov avtomobil, z jaci obmetali škofa in ranili njegovega šofera. Napad se je izvrnil v sledi tega, ker je kardinal Innitzer potegnil z nazaj, ko so Nemci zavzeli Dunaj.

### SLOVENSKE ŽRTVE V SPANSKI VOJNI

Iz Trbovelj poročajo, da je poročala Delavska politika, da je padlo v Spaniji 12 trboveljskih rudarjev, vsi ki so šli tja. Trboveljanci so pa dosedaj vedeli, da so padli le trije. Isto tako piše omenjeni list, da se je na strani rdečih borilo v Spaniji 17,000 Jugoslovjanov, med temi 450 Slovencev. Padlo pa je 230 Slovencev, torej nad polovico. 100 Slovencev živi v taborišču Champ de Gurs na Francoskem, kamor so še bolj nove ali mlade naselbine in mogoče brez slovenskih duhovnikov; tam je bolj težko pridobiti kaj članov za našo Jednoto.

### Primeren odgovor na gornje vprašanje glede naše mladine

K. S. K. Jednoto, je takoj prvo nedeljo v cerkvi med pridigo omenil, da za nas, katol. Slovence je samo ena organizacija — K. S. K. Jednoto. — Izvzete naj bi bile samo velike družine, ki rabijo več podpore v slučaju bolezni ali smrti. In še tem je potem pojasnil, katera organizacija je to in katera ne.

Spominjam se tega gospoda prav dobro ko je večkrat v cerkvi omenil, da je kot duhovnika njegova dolžnost podučiti vse svoje farane o vseh stvareh, da bodo znali kaj je prav in kaj ne. Tako je tudi iz tega namena vedno pripočeval katoliške organizacije.

Opazujem naše slovenske naselbine po Ameriki potom časopisa in kako lahko se opazi tiste naselbine, kjer so delovali naši duhovniki pred 40 in še več leti; te naselbine so še vedno zelo živahne v cerkvenem oziru in tudi na društvenem polju. V takih naselbinah tudi naša Jednota lahko posluje. Vse drugače je pa, kjer so še bolj nove ali mlade naselbine in mogoče brez slovenskih duhovnikov; tam je bolj težko pridobiti kaj članov za našo Jednoto.

### Zatorej tudi jaz prosim vse naše častite gg. duhovnike, da bi vsaj par dobrih besed privočili za našo Jednoto. Jaz sem prepričan, da bi ena sama beseda iz ust duhovnika več zalegla, kakor pa 100 besed uradnikov naših društva. Na ta način bi se tudi večala cerkevna društva in bratovščine.

Zatorej tudi jaz prosim vse naše častite gg. duhovnike, da bi vsaj par dobrih besed privočili za našo Jednoto. Jaz sem prepričan, da bi ena sama beseda iz ust duhovnika več zalegla, kakor pa 100 besed uradnikov naših društva. Na ta način bi bolj lahko obdržali našo mladino v naših katoliških vrstah.

Ali imate že svojega otroka zavarovanega pri naši Jednoti?

Pristopajte h K. S. K. Jednoti!

### Zile črnega premoga

Že pred 100 leti so ob prilici k iskanju železne rude odkrili Lipi in Dolu nad Frankolovom večje plasti premoga. Te plasti so do zadnjega ostale neizrabljene. Sedaj so pa začeli rudarski inženirji iz Celja meriti zemljišče za morebitno upovstvo rudokopov, kar bi bilo vsekakor velika pridobljitev za Frankolovo.

Kakor oreh debela toča je padala 9. junija nad Vranjaskim. Vse je uničeno. Strela je udarila v treh krajih. Zgorelo je gospodarsko poslopje posestniku Ivanu Virantu V Trnavi blizu Gomilskega ter Posestniku Grči v Kaplji.

Pod voz je padel. V Rajhenburgu se je zgodila te dni huda nesreča, katere žrtev je postal Žani Kostevc, uslužbenec pri rudniku Trbov. premogkopne družbe. Rajni je bil v povojnem letu za kočičaža in ga menda ni bilo dneva, da ga nista videli peljati se skozi Rajhenburg. Usodnega dne so ga poslali s težkim vozom na potovanje in utonil.

Bučka na Dolenjskem. — V Dol. Raduljih je umrl že prijetni Janez Železnik. — V sredo 7. junija, je 5 letni Lojzek Venetov iz Dul hidil okrog domače hiše in pri tem zašel v bližino vodnjaka, ki je nekaj metrov globok, ter se prekucnil

## O izletu v Joliet in Lemont

---

Hitro se priglasite! Bolezen je naležljiva, pravijo. Res tako zgleda, ker se je prijela tudi meni. Ko sem čital navdušene dopise uradnikov brata Frank Mattoha predsednik in tajnika Pezdirca o potovanju v Chicago-Joliet-Lemont s posebnim vlakom me je zagrabila misel, da bi še sam sedel z njimi na vlak s tako veliko družbo članov in članic in še drugih, ki se lahko pridružijo potnikom. Take prilike pa res ne smemo pustiti, da gre mimo nas. Kdo ne bi rad videl osrednji zapad in pri tem še vse te dogodke, ki so v zvezi s tem posebnim izletom v osredni zapad.

#### O izletu v Joliet in Lemont

Histro se priglasite! Bolezen je naležljiva, pravijo. Res tako zgleda, ker se je prijela tudi me-  
ne. Ko sem čital navdušene dopise uradnikov brata Frank Mat-  
toha predsednik in tajnika Pez-  
direca o potovanju v Chicago-Jo-  
liet-Lemont s posebnim vlakom  
me je zagrabilo misel, da bi še  
sam sedel z njimi na vlak s tako  
veliko družbo članov in članic in  
še drugih, ki se lahko pridružijo  
potnikom. Take prilike pa res  
ne smemo pustiti, da gre mimo  
nas. Kdo ne bi rad videl osrednji  
zapad in pri tem še vse te dogod-  
ke, ki so v zvezi s tem posebnim  
izletom v osredni zapad.

Za malo vsoto vošnje tja in  
nazaj, odrasle \$7.65 in za otroke  
pod 12 letom pa \$3.65, je vred-  
no, da se podvizamo za ta izlet,  
osobito še za to, ker ne bomo  
prav nič zamudili delavnega ča-  
sa. Odpeljali se bomo tak čas, ko  
bi se imeli vleči v posteljo v so-  
boto večer ob 11:30 iz Terminal  
postaje, nazaj pa se pripeljamo  
v pondeljek zjutraj ob 5:30, še  
predno bo doma skuhana kava.  
Kar bomo zamudili je nedelja in  
ta bomo praznovali v sijajni pro-  
slavi celi dan; prvič v Jolietu pri  
otvoritvi novega Jednotinega doma,  
potem pa bomo imeli izlet  
še v Lemont, ki je tudi za mnoge  
veliko pomemben kraj in ki nas  
spominja na slovenske Brezje.

spominja na slovenske Brezje.  
Takole si predstavljam sam:  
Mislite si, da se bomo vsedli  
na velikem ljubljanskemu kolo-  
dvoru na gorenjski vlak, ki nas  
bo odpeljal preko Šent Vidskega  
kolegija (semenišča) naprej mi-  
mi prijaznih postaj, dokler ne  
dospo do zadnje postaje pod Bre-  
zjami božjepotne Marijine cer-  
kve. Tako si bomo domišljali,  
ko se bomo vozili nekaj ur in  
veselo med seboj razgovarjali,  
dokler ne bo eden ali drugi za-  
dremal na mehkemu sedežu. Kar  
na enkrat se nam naznani, da se  
bližamo Chicago, kmalu za tem  
pa nas popelje naprej v Joliet,  
ki je središče za dan 23. julija.  
Lemont, je samo še 13 milij od  
Jolieta. Potem redne avtobusne  
vožnje smo tam kadar hočemo.

Pa še ena prilika se nudi za one, ki bi radi tam ostali za nekaj več dni, kot je sporočil odbor. Kdor želi ostati tam več dni, lahko će hoče 10 dni, naj doplača na vliku še \$3.15 in lahko ostane dalj časa na počitnicah in obiskih. Mnogi so me že večkrat vpraševali za take prilike. Tu jo imate poslužite se je, srečali boste tam od vseh krajev znance in prijatelje in vaše potovanje bo zapisano v zgodovini.

Ker je zbolel blagajnik Mr. Anton Korošec, ki je imel v oskrbi vožnje listke se je obrnil na mene, odbor, da naj prevzamem to opravilo iz usluge za vse te, ki bi se izleta želeli vdeležiti. Vozne liste toraj lahko dobite pri meni vsak čas, bilo po dnevnu ali ob večerih vsakega dneva. Listke dobite v uradu na E. 62 street ali tudi North American Bank, kjer se nahajam redno ves čas, ko je banka otvorjena za poslovanje. Kadar nisem sam navzoč me nadomestujejo drugi. Vstopnice lahko dobite vsak čas, ne požurite se, ker čas je določen do 15. julija, da se jih oglaši 300. Take prilike ne smete zamuditi, če hočete biti deležni

## OD HIŠE DO HIŠE

VAŠKA POVEST  
Napisal Franc Jaklič

Stari invalid je bil kakor strt, ko je slišal tak odčten dvom o svoji vojni časti, ko je začutil žgoci zasmeh tistim svetinjam, ki so bile vse njegovo premoženje, ves njegov ponos.

"Tiste svetinje so tako, tako." Te besede so mu zvenele po ušesih in ga rezale v srce in pekle v duši. Srce mu je hotelo razkleniti prsi. Ko je prenašal trpljenje, ko ga je trla bude, so bile njegove oči suhe, a sedaj... O-tiral si jih je, da bi ne pokazal solz, da bi se Rohne ne veseli njegove bolečine. Naredi se trdnega in reče: "Ti, moje svetinje pusti v miru!"

"Kaj meni mari tvoje svetinje! Kakor sem reklo: sklenjeno je, da greš od hiše do hiše. Gruntar te ima dva dni, bajtar en dan..."

"Ako pa ne grem?"

"Kakor hočeš... Ako se ti boje zdi, se pa kar stegni!"

Po teh ne baš prijaznih besedah odide Rohne, in Barbič je bil sam s svojimi tožnimi mislimi. Žalost in togota sta mu napolnjala dušo, in ko bi bil mogel, ko bi bil še tako krepak kakor je bil nekdaj, stril bi bil njega, ki se je rogal njegovemu vojaškemu ponosu, napovedal bi bil vojsko vsem tistim, ki dvomijo o njegovi vojni časti. In kako je bil žalosten!... Tista kroginja, ki ga je bila podrla na Laškem, ga ni takoj pekla, ga ni tako bolela, kakor zasmehljive besede Rohnetove. ... Takrat si ni želel smrti, ker se je bal tuje zemlje, ker je hrenpel po domovini; a sedaj, ko bi tisti hip stopila preden božja dekla, bi se ne pomislil več, ampak rad bi šel ž njo.

Z rokami si je tiščal prsi, da je krotil razburjeno srce.

"Boril sem se za domovino.... Najboljše moči mi je vzelo vojaško življenje.... Moja kri je pojila sovražno zemljo.... In za vse to samo zasmehovanje! Kaj morem jaz zato, če smo izgubili laško zemljo? Ali nismo zmagali? Zmagali smo tako, da smo dobili cesarsko pohvalo.... Oj, to zasmehovanje! To boli! Ah, da ga nisem počil po celjustih!"

In stari invalid se je zagnal proti vratom in je hotel planiti za njim, da bi si ohladil jezo, a opotekel se je in se je moral nagniti k zidu, da ni pal....

Zamahnil je onemogel s pestimi:

"Ha!... Kaj si pa ti storil, in vi drugi v vasi?... Ko sem jaz stradal v taboru, ste vi sedeli pri polnih skledah; ko smo mi stražili v temnih nočeh in nismo smeli zatisniti trudnih oči, ste vi spali brez skrbi; ko sem bil jaz sredi dežja težkih svincenih krogelj in me je peklo vroča laško solnce in me je podrla sovražnikova kroginja, ste vi sedeli v senči in se kratkočasili.... In sedaj se rogaš mojim svetinjam!..."

Zgrudil se je in težko sopal. Ako se je nekoliko oddahnil, je zopet nadaljeval sam pri sebi:

"In potem, ko so mi dali pri vojakih slovo, nisem šel domov, na vas, kjer bi bil lahko s prekrizanimi rokami posadel, kadil tobak in misil na fantovske norčice, šel sem med papeževe vojake.... Za papeža sem se jaz bojeval, takrat, ko ste vi mirno gledali drug drugega in kresali komate, da je bilo dovolj smeha in nič dolgega časa.... In vse moje delo ni vredno nič?... Ljudje se posmehujejo s krvjo zasušenim vojnim svetinjam, vojna čast jim je neumna beseda in toliko, kakor zadnjemu beraču, bodo dajali mene, in žlice mi bodo štelji...."

In vse tiste solze, ki so se mu nabrale v teku let, so privrele sedaj na dan in močile lica starega, onemoglega vojaka, ki ni imel več toliko moči, da bi si služil kruh, in katerega pošilja sedaj občina od hiše do hiše....

"O, ko bi ne bilo po smrti nič, ko bi se stopilo v večnost, kakor se stopi v temno klet, kamor ne sine najmanjši žarek luči... ko bi bilo s tem korakom vsega konec, kako lahko bi se prestopilo! A tako... Človek mora vztrajati in prenašati, kar mu je odkazala Previdnost. Vztrajati do konca... Ko me je zadebla smrtonosna kroginja, je bilo moje življenje na niti, a ni bila božja volja, da bi umrl.... Njegova volja je torej da prenašam sedaj zasmehovanje, poniranje. O, Bog že ve, da sem bil mlad, da sem bil neunesen, nor, grešnik...."

In stari invalid si je osušil mokrica, zmencal oči, in vračala se je mirnost, hladnokrvnost, kakor bi šel nasproti novim, neizgibnim bojem, katerim je vedel, da se ne more izogniti, v katerih ga čakajo zmage ali pa porazi. Zbudila se je kljubovalnost.

"Nalač jih bom nosil, - svoje vojne svetinje!... O saj vem!... Zavist vam narekuje zasramovalne besede in pači obraz v zasmeh.... A jaz, sam jaz sem tak v vasi, da sta me odlikovala cesar in papež.... Samo jaz sem tak, Anton Barbič!..."

In stari invalid je bil zopet stari Barbič, ki se ni bal nikogar, ki se ni hotel poniževati pred nikomer, Barbič — sam svoj gošpod!

Ta zavest ga je okrepila. Iz pod postelje je privlekel zabojček in vzel zavitek, iz katerega je usul poleg nekaterih spominških tujih novcev in svetinjic tudi dve vojni svetnji. ... Že dolgo ni imel pripetih na junaških prsih teh vojnih svetinj, ker se mu je zdelo, da bi jih onesčaščal, ako bi jih nosil prepogostokrat. Nosil jih je le o slovenskih prilikah: kadar je bil v kraju vojaških nabor in so prišli častniki, kadar so imeli vojaki vaje.... Takrat se je pokazal Barbič s svetinjami in po žilah se mu je pretekala kri burneje, saj se mu je zdelo, da ima vse vojaščvo uprte oči na njegove prsi, in da vsi hrepene doseči takoli odlikovanje, kot krasni nješča.

A sedaj sta že dolgo ležali v zabočku svetinji in počivali. Zato se mu je zdelo, da je zatemnel njeni lesk, da so trakovi izgubili svežo barvo....

A on je bil vojak in je znal zlikati gumbe, da se je lahko ogledal v njih službojoči častnik, in solčni žarki so kar odsakovani na gladko zlikani sabljici. Nikdar ni bil kaznovan zaradi zanemarjene puške, zanikarnih črevijev ali gumbov. O, vojak Barbič se je znal postaviti, on se je znal ubrisati, da ga ni blilo pred nikomer sram!

Zato sta se morali svetiti tudi svetinji, na katerih se je leskata čast in junaštvo njegovo. O, le naj jih bodejo v oči te njegove rojake!... S tem se bo najhuje maščeval za zlobno posmehovanje in zaničevanje....

Sedel je, poiskal sukneno ziplato in mehkega pepela in jih začel drgniti. In kolikor bolj so se svetile svetinje, tem zadovoljnje je veselejši je postajal njegov obraz. Zdelo se mu je, da se vrača mladost, in njegov duh se je vdignil iz tesnega prostora in je zril v preteklost. Zibal se je nekaj časa ob najprijetnejših trenutkih vojaškega življenja, ob slovenskih hipih pred začetno bitko, ob hrupnem veselju po doblijeni zmagi, dasi je imel kroglo v rami, in ob tisti slovenski priliki, ko je bila zmagovali armadi prebrana cesarska zahvala. In takor je takrat vsakemu vojaku, tako je tudi sedaj zakopljalo srce staremu invalidu ob spominu na cesarjeve besede: "Moji sinovi!"... s katerimi se je začenjalo pismo....

## VELIKA KUHARICA

Po dolgoletnih izkušnjah in preizkušnjah je Felicita Kalinšek svojo veliko Kuharico vnovič spopolnila in predelala. Ta izdaja je sedaj osma, kar pomeni za slovenske razmere več kakor še tako gostobesedna reklama.

Na včetek 700 stran je strnila edilina in primarna avtorica vse stare in najnoveljajoča dogmatna kulinarska umetnost. Svoj je obdelava nad vso preglejno. Izbrana receptov je izčrna. TO JE NAJPOPOLNEJŠE DELO, KI GA IMAMO NA TEM PODROČJU. Oprema knjige je razkolna. Nasložite je slik v besedilu, 34 pa je novih barvanih tabel, ki jih je naslikal Dragotin Humeck....

Vsaka gospodinja, ki se zaveda svoje odgovornosti za zdravo in pravilno prehrano družine, si mora to knjigo omisliti. Vsaka gospodinja se mora namreč prizadeti umetnosti, kako bo svojim domaćim nudila zdravo hrano v potrebnih izbihr in menjavi. Vsaka gospodinja bo hotela tudi svoje goste izmenaditi s posebno izbranimi jedili. Za vse to ji bo najboljša vodnica in učiteljica ta SLOVENSKA KUHARICA

Četudi je omilj knjige v vseh pogledih ne samo vsebinsko, ampak tudi tehnično popolnejši od vseh doseganjih izdaj. Je cena knjige sedaj znižana.

### TRACES EMIGRATION OF SLOVENIANS; SLOVENIAN DAY TO MARK PROGRESS

#### By Ludwick Zupancic

Pittsburgh, Pa.—During the period from the '80s to the present time some 250,000 Slovenians emigrated from the little province of Slovenia in northern Jugoslavia to America. They settled in various parts of the United States, but concentrated most heavily in the industrial states such as Pennsylvania, Ohio, Illinois and Minnesota. The cities of Pittsburgh, Pa., Cleveland, Milwaukee and Pittsburgh are great centers of Slovenian people. Of the 415,000 Slavs living in Allegheny County about 25,000 are Slovenians.

The Slavic people are composed of nine nationalistic groups, namely, Bulgarians, Croatians, Czechs, Carpatho-Russians, Poles, Russians, Serbians, Slovaks, Ukrainians and Slovenians. We are members of the largest family of white people on earth.

Slovenia is a beautiful country where nature very lavishly bestowed upon her scenic grandeur of unsurpassed magnificence. Fertile valleys run between rugged mountain peaks. The people are hardy, diligent and industrious. Because of hard times engendered by overcrowding, lack of industrial development and intensified by tyrannical oppression and religious persecution, thousands were driven to America. In their homeland when they were provided with enough to eat they were happy indeed. Our folk love to sing and when they came to this country they brought with them plaintive melodies of the Balkans, sweet haunting loveliness caught up in lilting tunes. The Slovenian proudly boasts of an almost complete absence of illiteracy in his native land.

America is a nation of nations. It is a combination of a hundred tongues, a fusion of countless cultures. The best in each is being absorbed and assimilated. From this great melting pot is emerging a smoothly functioning government, its people working harmoniously.

We Slovenians are inseparably molded into this great nation which we are helping to create. We have lost our identity as Slovenians. That is as it should be. Yet we keenly realize that the ranks of our elders are now rapidly thinning, and that they are our last tangible connection to the land of our forebears. By our blood, our tongue, by our very spirits we are bound firmly together. We want to dance and sing and rejoice together again as of old.

As the years come tumbling down upon us we shall need, more and more, an annual Slovenian Day. We want our mothers and our fathers to meet and greet each other. To recall old times and reminisce about the old country.

To my mother and to yours, that is the purpose of Slovenian Day. To meet new people, greet old friends and shake hands with their own kind of folks.

The first Sloven

## An American Catholic Speaks of Intolerance - - - - -

A Radio Address by Frank J. Hogan

(Continuation)

But what of the other charge—the charge that the Jews are in league with the Bolshevik tyrants of Russia? This is something that must be brought out into the open, because some Americans have swallowed this falsehood hook, line and sinker. While I do not presume to speak for my fellow-Catholics, just as no other man except the Pope himself can ever speak for all Catholics, I can as an individual American Catholic raise my voice. Therefore I warn against the spread of this lie.

It is charged that the Jews financed the Russian revolution. Let us get the facts straight. Until the year 1917, Russia was misruled by the tyranny of the czars. All Russians except the nobility were oppressed. And in the effort to turn the wrath of the Russian people away from their real oppressors, the czarist government guided their thoughts into thoughts of hatred against their fellow-sufferers, the Jews of Russia. Pogrom followed bloody pogrom. The Russian Jews were suffering the lash of the tyrant.

Naturally, the Jews of Russia were anxious to see this barbaric government overthrown. Naturally, they were revolutionaries—revolutionaries in the best sense of the word. Anyone who would have expected them to be otherwise would have insulted the human race. They were revolutionaries just as the American Sons of Liberty were revolutionaries in 1776 against the tyranny of George the Third of England.

The Jews under the heel of the czar were like the American patriots. Like them, they wanted to displace a tyrannical ruler. Like them, they wanted to set up in his place a real democracy, a democracy that would grant to them political and religious freedom and equality. They supported the Russian revolution, but note, the first Russian revolution, that of 1917, known to us as the Kerenski revolution. And the Jews and non-Jews outside Russia also gave them all of

their sympathy, just as Catholics and non-Catholics outside of Mexico and Spain gave their sympathy to Catholics persecuted by the present Mexican and Red Spanish governments.

Let us go back to our chronology. On March 15, 1917, the czar of Russia was forced to abdicate. On March 19, 1917, the new democratic government of Russia, headed by the non-Jew Alexander Kerensky, was recognized by the government of the United States. On April 2, 1917, President Wilson publicly described the then Russian government as a true democracy. This revolution, the first Russian revolution, was a democratic revolution. It was the democracy which we in this country had hailed as one of the great events in the history of the liberation of mankind from the heel of the oppressor.

In a statement issued as recently as Nov. 28, 1938, Alexander Kerensky who, I again remind you, is not a Jew, declared that, far from being a Jewish movement, or a movement fomented and financed by Jews, the revolution of March, 1917, was—I quote his exact words—"a revolt of the whole Russian people against the czarist camarilla headed by Rasputin, which sought to betray Russia and the Allies into a separate peace with Germany." The Jews, Kerensky went on to say, "the Jews occupied no more prominent part in the Russian liberation movement than did Russians, Letts, Poles, Estonians, Georgians, Armenians and other nationalities comprising the people of Russia. Russian democracy never made a distinction between any of them. They were all regarded by us as citizens and their participation in the building of a free Russia was welcomed."

So much for the democratic government of Alexander Kerensky. This was the government that was in turn overthrown by the ruthless hordes of Bolsheviks intent on setting up a regime that would set class against class, atheism against religious, and dictator-

ship against democracy. Were Jews supporting this second revolution? Let us again look at the record.

One: Most of the millions of Jews in Russia before the revolution were trades people, members of the class whom the Bolsheviks attacked most violently. These people had most to lose by the victory of the Bolsheviks. Fully half of the Jews in Russia were declassed by the Soviets after the second revolution.

Second: Most Jewish workers in Russia were organized in an association called the Bund, which fought the Communists until the very end.

And third: The orthodox Jews and the Zionist Jews, by their very faith in God, by their love for family, or by their aspirations for a homeland, were diametrically opposed to all that Bolshevism stands for.

These categories covered almost every Jew in Russia—and every one of these categories considered the Communists and their revolution the enemy to all they held dear.

Was it so strange, then, that only two and six-tenths percent of the membership of the Petrograd Communist Party in 1918 were Jews? Was it so strange that this group of people, which had and still has every interest in the preservation of democracy, should have refused to co-operate with the Communists? True, there were some Jews who supported Communism just as there were also Christians who supported Communism.

Let us go on to the main accusation—namely, that Jews today rule the Soviet Russian dictatorship. I refer to this accusation only because it has been aired to the world, not because it has any intrinsic value, not because it deserves the attention of serious-minded Americans.

I have before me a study on this subject written by Father Joseph N. Moody, professor at the Cathedral College in New York, and an eminent Catholic scholar. This statement, issued under the imprimatur of the Archbishop of St. Louis, the

Rev. J. J. Glennon, says—I quote the words of Father Moody:

"The position of the Jews in Soviet Russia has been frequently misrepresented. The Jews as a whole had no love for the czarist régime, and most of them were to be found in the parties of the opposition, the constitutional democrats or the social-democrats. The Socialist Party in Russia before the revolution included only sixty thousand of the five million Jews, while the number of Jews in the Bolshevik group was negligible. While the revolution of March, 1917, which overthrew the czar, was welcomed by the Russian Jews, most of them resisted the Bolshevik attack in November against the provisional government. All three Jewish worker organizations declared against the new movement; the opposition of the Jewish middle class, who saw themselves ruined by the Communist experiment, was even more pronounced. This opposition was reflected in the assassination of Uritsky, the head of the notorious Cheka, or secret police, by the Jew Kannegriesser, and in the attempt on the life of Lenin by the Jewess Dora Kaplan.

"The Jews suffered severely from both sides in the civil war. . . . The only Jew in the present ruling clique is Kaganovich, the commissar for transportation."

These were the words of Father Moody. They are supported—as if they needed to be supported!—by the list published in the 1938 edition of the Statesman's Year Book. That list shows that the only man in power who is a Jew is Kaganovich. Stalin is not a Jew—nor the is president of the Soviet Union, Kalinin.

Facts? These are the facts, stubborn and revealing facts.

You and I know that democracy, Christianity and Judaism, are all three bound together by the silken strands of justice. You and I know that if there is an attack upon any one of these, then both the others will suffer.

Although the false charge that the present Communistic activities operating from Russia, and seeking to stir up world strife, are Jewish, must be met, because they are so obviously circulated to stir up prejudice and cloud reason, that charge—that charge, my friends—must not be allowed to sidetrack consideration of the humanities of the moment. The cry that some Russian Jews are Communists will not be accepted by any sane person as justification for the beating up, in Germany, of peaceful men, women, and children, the confiscation of the property of law-abiding citizens, the pauperization of a whole class, and the depriving it of a means of livelihood. Such inhumanities cannot be justified by any voice or any pen seeking to influence a nation of free men.

And it is against the spreading of the fertilizer of race hatred and religious bigotry here, here in our America, that I protest this Sunday afternoon. We are justly proud of calling our country the land of the free. But, my friends, the United States of America will not remain free for any of us unless it remains free for all of us. Let us, you and I, hand it on to posterity as it was handed down to us—the freest of the nations of the earth.

## CLEVELAND EDITOR EXPIRES

Cleveland, O.—Burial rites for Louis J. Pirc, 51, co-editor publisher of Amerika Domovina, Slovenian daily, were held July 3, in St. Vitus' Church.

Mr. Pirc, who expired June 29 following a heart attack, was a central figure in the development of the local Slovenian colony as was attested by the number of people who paid respects to the cultural and civic leader. Among those attending the funeral services were ex Senator Robert Buley, Mayor Harold H. Burton, Congressman Martin Sweeney, Sheriff Martin O'Donnell, Judge Frank J. Lausche, Judge Frank J. Merrick, Judge Hull and County Engineer McWilliams. Burial was in Calvary Cemetery.

In addition to his editorial duties, Mr. Pirc found time to teach classes in citizenship and helped thousands attain the coveted certificates of American citizenship.

Surviving him are a daughter, Mrs. Mildred Gray, and son Louis Jr.

#### ONLY A DAD

Only a dad with a tired face, Coming home from the daily race, Bringing little of gold or fame To show how well he has played the game, But glad in his heart that his own rejoice To see him come and to hear his voice.

Only a dad of a brood of four, One of ten million men or more Plodding along in the daily strife,

Bearing the whips and scars of life

With never a whimper of pain or hate

For the sake of those who at home await

Only a dad, neither rich nor proud,

Merely one of the surging crowd,

Toiling, striving from day to day,

Facing whatever may come his way;

Silent, whenever the harsh condemn,

And bearing it all for the love of them.

Only a dad, but he gives his all To smooth the way for his children small,

Doing with courage set and grim

The deeds that his father did for him.

This is a line for him I pen, "Only a dad—but the best of men!"

1 cup evaporated milk diluted with 1/2 cup water, 2 tablespoons butter, 4 tablespoons flour, 6 hard-boiled eggs, 1 cup milk, 4 eggs.

Combine the flour, salt and pepper; gradually add the milk; and mix to a smooth paste. Separate the eggs; beat the yolks thick; and stir in the milk and flour mixture. Whip the whites until stiff; and pour in the egg yolks, not quite folding in the egg white. Transfer to a warm frying pan containing a tablespoon of melted butter. Cook slowly, frequently lifting up the omelet around the edges so that the uncooked egg may precipitate. When cooked through and through and brown on the bottom, place in the oven or under the broiler for a few minutes to set the top. Then cut the omelet at right angles to the handle; fold over; and transfer to a hot platter. The flour used in this omelet keeps it from falling down.

#### Devilled Eggs on Toast

4 eggs, 3 tablespoons butter, 1/4 cup flour, 1/2 teaspoon salt, 1/4 teaspoon paprika, 1 teaspoon meat sauce, 1 1/2 cups milk, 1 cup chopped full milk cheese, 4 slices of toast.

Cover the eggs with cold water and bring to a boil, boiling hard for ten minutes. In the meantime make the sauce by melting the butter, stirring in the flour, seasonings and gradually the milk. Then add the cheese; and finish cooking in a double boiler, stirring occasionally until the cheese is melted. Shell the eggs, cut in halves and place two halves on each slice of toast. Pour the cheese sauce over and dust the eggs with paprika.

#### Shirred Swiss Eggs

2 tablespoons butter, 4 thin slices Swiss cheese, 4 eggs, 1/4 teaspoon salt, 2 tablespoons cream or top-milk, 3 tablespoons chopped Swiss cheese, dash of paprika.

Melt the butter in a shallow baking dish, lay the slices of cheese on the bottom of the dish, breaking the eggs onto the cheese and sprinkling with salt. Pour the cream or top-milk over and strew the chopped cheese and the paprika on top. Bake in moderate oven until the whites of the eggs are set and the cheese is melted. Serve in the dish in which the cooking was done.
