

DRUŠTVENA NAZNAMLA

Društvo sv. Jožeta, št. 2,
Joliet, Ill.

Vabilo na sejo.

Cenjeno članstvo našega društva s tem priazno vabim na prihodnji sejo dne 7. septembra, to bo v nedeljo ob eni uri popoldne v stari šoli. Na dnevnem redu bo več važnih stvari tako komo tudi slišali poročilo naših odbornikov, kako je izpadlo naš skupni piknik 10. avgusta.

Tudi moram poročati o zadnjih sejih, katere so se udeležili naši člani mladinskega oddelka v letu 1941, zmagovalci kegljaškega odseka. John Mutz ml. je prejel trofejo, katero jim je pokazal in tudi še posebno nagrado v denarju za vsakega posamez. Kar se tiče trofeje, bo ista v uradu tajnika, tako da jo imajo priliko videti vsi drugi člani in članice, kadarkoli to želite.

Na zadnjih sejih je tudi bilo branjo ime Marko Kristich, 2320 N. Broadway St. Če bi bil Marko na seji, bi bil dobil \$7, pa ga ni bilo, torej bo na prihodnjih sejih čakalo nekoga \$8. Bomo videl, kdo bo dobil to na prihodnjih sejih. Torej najboljše je, da se vsi udeležimo te važne seje, bomo lahko videli in slišali, kakko naše držstvo obstoji.

V Glasilu smo tudi videli z dne 20. avgusta, da bo v Jolietu v nedeljo dne 27. in 28. septembra KSKJ Golf Tournament. V tem odboru so John A. Mutz, predsednik; Robert L. Kosmerl, Louis Filak, Rev. Michael Cepon in Frank Petan odborniki. Vsem želimo dober uspeh. Prav gotovo se bo še več o tem govorilo na prihodnjih sejih. Na svinjenje!

Z bratskim pozdravom,
Louis Martincich, tajnik.

Vabilo na sejo. Dva smrtna slučaja pri društvu

Vsi sled sklepa zadnje seje z dne 3. avgusta tem potom obvezamo naše članstvo, da naj se polnoštevilno udeleži prihodnje seje dne 7. septembra v navadnih prostorih. Ker imamo neko kako važno točko za rešiti, zato jih pridite VSI na to sejo!

Dne 15. avgusta je umrl naš sobrat John Može, ki je bil dobro pozan v Milwaukee in okolici. Pokojnik je pristopil v naše društvo 4. junija, leta 1916; bolhal je nad leto dni in pol. Najprvo so mu odrezali en prst na nogi, potem pa še nogo nad kolenom, toda vklub temu se ni hotela rana zacetiti vsled zastupljenja, kar je nesrečnika spravilo v grob.

Pogreb se je vršil 18. avgusta, iz Ermenčevega pogrebnega zavoda s sv. maše zadušnico v hravski cerkvi sv. Avguština v West Allis, katero je daroval Rev. B. Jerković. K večnemu počitku smo ga položili na Calvary pokopališče.

Pet dni zatem, 20. avgusta smo vsled smrti zgubili še enega našega člana in sicer Josipa Certaliča, ki je bolhal vsled jetike od marca, 1936 do svoje smrti. Pokojnik je bil član našega društva od 12. februarja, 1928.

Na mrtvaškem odu je ležal v John Jelencovem pogrebnom zavodu. Pogreb se je vršil 23. avgusta in sicer iz cerkve sv. Matija, nato pa na Calvary pokopališče. Cerkvene obrede je izvršil Rev. J. P. Heller.

Za oba pokojnika je prišlo precejšnje število naših članov in članic molit in ju kropit. Prvo označeni umrli (Josip Certalič) zapušča soprogom, sina in hčer; drugi (John Može) pa zapušča soprogom, hčer, sina in zeta.

Družinama naših pokojnikov izrekam v imenu našega društva iskreno sožalje. Vama pa naj Bog podeli večni mir in večna luč naj Vama sveti! Na

zopetno svidenje gori nad zvezdami!

Sobratski pozdrav,
John Oblak, tajnik.

Razpis posebnega društvenega asesmenta

S tem naznanjam članstvu našega društva, da je bilo na seji dne 10. avgusta sklenjeno, da vsak naš član in članica plača 50 centov doklade v društveno blagajno.

Gotovo je vsem znano, da društvo ni imelo zadnjih par let nobene prirede, da bi bilo kaj dohodkov za pokritje stroškov pri društvu, ki so vedno na dnevnem redu. Torej izvolite tak sklep društva spoštovati, da morate do novembra tega leta plačati 50 centov izrednega asesmenta.

Toliko v pojasnilo vsem članom, da ne bo potem kakega morebitnega nesoglasja med nami. S pozdravom,

Frances Derglin, tajnica.

Društvo sv. Cirila in Metoda, št. 144, Sheboygan, Wis.

Vabilo in naznanilo

Društvo sv. Cirila in Metoda bo praznovalo svojo 30-letnico obstanka v nedeljo, 7. septembra, 1941, na ta način, da se društveniki korporativno udeležijo sv. maše ob osmi uri, z nami se bodo udeležile sv. maše tudi članice društva Kraljica Majnika, št. 157 KSKJ. Sv. maša bo dajovana za žive in mrtve člane društva.

Pridite v dvorano en četrtek pred osmo uro, da se tako razvrstimo in odkorakamo v cerkev skupno s sestrskim društvom Kraljice Majnika. Kako sem članstvo vabil na to slavnost že pred dvema tednovima, vas danes še enkrat vabim, da ja ne bo nobeden pozabil se udeležiti te sv. maše skupno z društvom tako, da bo nas vsaj toliko, če ne več kakor bo pa žensk; naj se ta dan vsak član pridruži, da bomo vsaj enkrat vsi skupaj!

Nadalje naznanjam, da je smrt posegla v naše društvo in si je za svojo žrtvijo izbrala našega sobrata Jakoba Babucha, ki je bil član društva 25 let in štiri dni; pristopil je namreč k društvu 20. avgusta, 1916, nas je pa zapustil za vedno dne 24. avgusta, 1941. Naj mu Bog deli večni mir in pokoj, preostalom pa izrekam v imenu društva sožalje.

V nedeljo, dne 7. septembra imamo pa tudi svojo redno društveno sejo, na katero ste vabjeni, da se iste udeležite bolj številno kakor je navada, da se vam potem ne bo treba jeziti: to in to ni prav naredilo. Zdaj je sezona piknikov pri kraju, torej imate več priložnosti za seje kot v sezoni piknikov.

Nadalje naj bo naznanjeno, da se meseca septembra pobira posebni asesment 50 centov za pokojnega člena Jakoba Babucha, kar se potem plača za pogreb pokojnika v žnesku \$100. Tak prispevek za pogreb društvo plačuje že odkar, je bilo ustanovljeno, to je zadnjih 30 let, naj zato nobeden ne godrja zaradi teh 50 centov, kajti enkrat pride tudi na tebe vrsta prej ali slej, ker smrt ne gleda, ali si star ali pa mlad; ko se ji ljubi, pa te pokliče, kateri se ne moreš ustaviti.

Se enkrat vabim na veliko udeležbo v nedeljo, 7. septembra ob osni uri pri sv. maši.

S sobratskim pozdravom,

John Udovich, tajnik.

POPRAVEK

V predzadnjem izdaji Glasila, št. 33 je bila priobčena mrtvška objava za pokojnim sobatom Matija Bezekom iz Joljeta, Ill. V isti je bilo izpuščeno, da pokojnik poleg drugih sorodnikov zapušča tudi sina Matthewa; kar naj bo s tem popravljeno.

DOPISI

OKLIC JUGOSLOVANSKEGA POMOŽNEGA ODBORA (Slovenska sekacija)

Ker so nas pričakovali, so nas prvi sprejeli: Joe Birk in Mr. in Mrs. Popovič, tam je bila fina večerja že pripravljena. Tako smo bili do pozne ure popokneu, ker vsak je imel veliko za povedati.

Drugi dan smo bili zgoda pokonci, da smo šli še druge rojake in prijatelje obiskati, ker veliko je bilo takih, katerih nismo videli že odkar smo šli iz starega kraja. In ker je bil neki piknik isti dan, je bilo precej veliko prijateljev, ki so prišli z avtomobili, da nas seboj vzaime.

Na redni seji dne 23. avgusta je bilo sklenjeno, da se začne meseca septembra nabiranje prostovoljnih prispevkov in sicer se bo obiskovalo vse Slovene v Chisholmu in okolici.

Bratje in sestre! Cujte glas domovine! Razprostite roke, odprite srca in položite mali dar domovini na oltar. Domovina, raztrgana in potepetana vas kliče na pomoč. Zavedajte se svoje narodne in moralne dolžnosti napram zatirancem v domovini. Ne izgovarjajte se: češ, kadar se bo odprlo, bom že svojim kaj poslal. To je vse lepo in hvalevredno; toda polemiliš malo, kaj pa sirote, ki bodo zgubile starče, ali brate in sestre ter druge ožje sorodnike, ki nimajo nikogar v Ameriki, da bi tudi njim kaj poslal.

Dragi mi rojaki! Tudi oni so naši bratje in sestre; tudi oni potrebujejo vaše pomoč. Rojaki! Apelira se na vas, da kadar vas ta odbor obiše, darujte vsak po svojih močeh. Imena darovalcev bodo priobčena v vseh slovenskih listih. Nabранa svota bo šla izključno našim rojakom v pomoč, ki danes stradajo in umirajo za naš rodno domovino; saj kri ni voda!

Z rodobljubnim pozdravom,

IZ MINNESOTE

S pota. — Dne 28. avgusta je na Ely, Minn., umrla menda najstarejša Slovenka te naselbine Mrs. J. Wolotz, starca nekaj nad 80 let. Rojena je bila v okolici Bleida na Gorenjskem in je prišla s svojimi starši še kot deklica v St. Cloud, Minn. v Stearns okraj, kamor so se že okrog leta 1860 začeli naseljevati naši rojaki. Započa pač hčera in sina John-a, ki so ji v njeni dolgi bolezni stregli. Nedavno sem to pionirko obiskal, a me ni več poznala. Bodi ji ohranjen blag spomin.

V St. Mary's bolnišnici v Duluthu se nahajata že par tednov Mr. in Mrs. Joseph Skul vsled ponesrečbe z avtomobilom; tako je ondi tudi rojak John Jakše, vsi trije so iz New Dulutha in spadajo v KSKJ. Želim jim da bodo enkrat okrevati.

Na 313 House St. v New Duluthu se pa še vedno polagoma zdravi 82 let stara Miss Ana Lampe, sestra pokojnega znamenega indijanskega misijonarja Simon-a Lampe-ta. Svoječasno je zadobila hude poškodbe vsled padca, toda zdaj je pa že mnogo boljša. Vkljub visoki starosti, je še precej živahnova razpoložena, ker ima dobro postrebo. Pozdrav,

Matija Pogorelc.

NAŠ OBISK V CLEVELANDU, OHIO

Brooklyn, N. Y.—Pred par tedni smo se napotili v Cleveland, O., z Mr. in Mrs. Martin Stare in njih otroci, Mary in Stella. Pot je bila jako zanimiva po ribih in dolinah, in pa tudi kar čez hribe, ko smo se vozili po Pennsylvania Turnpike, ker ta pot vozi čez tunele. Ker je bila dolga vožnja, smo bili precej trudni, ali vse tisto se je kmalu pozabilo, ker smo bili lepo sprejeti in zabavani, in upamo, da ne bo to zadnja pot, ker slišali smo velikokrat, kako lepo je kako so prijazni ljudje v Clevelandu.

imata ves teritorij danes le 60,000 prebivalcev in večjo polovicijo njih tvojijo Indijanci in Eskimoveci. Najnoviješo kolonizacijo je vlad poskusila z naseljevanjem dela bogate poljedelske zemlje z Amerikanci, ki so bili v bedi radi nezaposlenosti.

V zadnjih letih pa so mero-dajni ljudje toliko v Združenih državah, kolikor v Kanadi zahvaljuje, da je treba utrditi Alasko v svrhu obrambe. Zanimivo je spominjati, da je bila Rusija svoje čase tako voljna odstopiti Alasko ravno za to, ker je smatralo njen obrazmo za nemogočo. Moderne iznajdbe pa so to vse spremene. Pri mestih Unalaska, Kodiak in Sitka je ameriška mornarica že na delu razširjenja zračnih, podmorniških in mornariških baz in trosi na tem desetkrat toliko, kolikor je Seward plačal za Alasko. V zadnjem času je pretinja Japonske in čim dalje večje sodelovanje med Združenimi državami, Angleško, Kanado in Sovjetsko Rusijo še bolj pospešilo tamošnje utrjevanje.

Največje pomanjkanje Alasca je bilo v pogledu prometnih in prevoznih sredstev. Gradnja dobrih cest je bila večkrat predlagajo. Velikansko podjetje, o katerem se je večkrat govorilo, namreč gradnje motorne ceste, ki bi spojila Alasko z Eeuos Airesom potom direktno proge od Fairbanksa v Alaski, čez Kanado, Združene države, Mehike, Centralne in Južne Amerike, se uresničiti v bližnji bodočnosti. Ta panameriška cesta bi bila 17,000 milj dolga in 11,000 milj bi raje v zraku.

Tretji dan smo šli še okrog, da smo se sestali s prijatelji in za večerjo nam je priredil Mr. Birk jako lep sestanek, da smo se lepo in hvalevredno; toda ne bo šel iz spomina. Ne bom več rekel do pozne ure, ampak kar do zadnje ure drugi dan smo bili skupaj. Tretji dan sem tudi že jaz misil, da res v Clevelandu eden ure naprej pomika.

Cetrti dan je bilo v pogledu prometnih in prevoznih sredstev. Gradnja dobrih cest je bila večkrat predlagajo. Velikansko podjetje, o katerem se je večkrat govorilo, namreč gradnje motorne ceste, ki bi spojila Alasko z Eeuos Airesom potom direktno proge od Fairbanksa v Alaski, čez Kanado, Združene države, Mehike, Centralne in Južne Amerike, se uresničiti v bližnji bodočnosti. Ta panameriška cesta bi bila 17,000 milj dolga in 11,000 milj bi raje v zraku.

Podatki o rudarstvu za leto 1940 so nadaljen dokaz o vrednosti tega redko naseljenega ozemlja. Ne le, da je bila produkcija zlata večja kot kdaj prej, razun in prvi letih delitve zlata, marveč se je začelo izkopavati v večji meri tudi platino, kositer, antimoni, živo srebro, srebro in premog. Obražbeni program je seveda pospeljal eksploriranje teh potrebnih rud.

S tem naj bo izrečena lepa zahvala za gostoljubnost vsem našim prijateljem, posebno pa Mr. Josip Birku in Mrs. Birkovi, potem Mr. in Mrs. Popovič, Mr. Viktorju Vidergar in Mr. Maksu Leonardi. Lepa hvala tudi bratom Česen za njih prijaznost, ker so nam šli tako lepo na roke. Ponovna lepa hvala vsem skupaj. Upamo, da bo tudi nam enkrat dana prilika Vam vrniti Vašo gostoljubnost in prijaznost.

Mr. in Mrs. Ignac Nakrst, tudi v imenu družine Martin Stare.

Rusko-ameriško sodelovanje utegne prispeti k razvoju Alaske

Največja pesem Amerike, kupljena od Rusije leta 1867, ima obširna nerazvita naravna bogastva.

Obljuba ameriške vlade, da bo vsesmed pomagala Sovjetski Zvezni v njeni borbi proti napadu nazistične Nemčije in njihovih podrepnikov, zoper prinaša v ospredje Alasko, največji teoretični razvojni potencial severne Japonske trdnjave in baze pri Horumishiro. Alaska je v črti skozi severni tečaj bližnja Evropi kot katera druga točka Združenih držav in to je z ozirom na razvoj avijacije tako važno.

Na tak način nov sporazum med Združenimi državami, Veliko Britanijo in Sovjetsko Rusijo utegne indirektno povzročiti največji razvoj Alaske v njeni zgodbini.

Na 4. strani današnje številke Glasila nad tablico glavnih uradnikov v 5. vrsti vidite zadnjo sveto premenjeno na \$8,000,076.00, kar znači od ustanovitve naše Jednote do 31. julija t. l. skupno izplačano podpora. Torej nekaj nad OSEM MILIJONOV DOLARJEV!

Ta svota se je zvišala za en milijon od 31. januarja 1939, ali v dobi dveh let in pol, oziroma 30 mesecov. Če računamo skupno izplačano podporo v teh letih, pride na eno leto povprečno \$400,000, na mesec \$33,333.00, na dan pa \$1,111.00.

Največ tega izplačanega milijona je šlo za posmrtnino, temu je sledila bolniška in pa operacijska podpora in razne druge, približno \$50,000.00 se je pa izplačalo v pomoč nad 70 let starim našim članom za vse njih asesmente. To je torej važna odprta knjiga naše Jednote za dobo zadnjih dveh let in pol, in v skupni svoti pa za dobo njenega 48. letnega poslovanja. Poleg vseh teh izplačil je ostala Jednota še vedno nadsolventna in premore še vedno približno 5 milijonov dolarjev čistega premoženja.

V bednem stanju naših bratov in sester, osobitno pa v smrtnih slučajih se je s to denarno pozmočjo zbrisalo marsikako solzo iz očes in utešilo prizadete. Iz tega se lahko izprevidi veliko vrednost in pomen bratske podporne organizacije.

Osem milijonov dolarjev je že lepa svota skupno izplačane podpore toda ta svota je v resnici mnogo večja, kajti nekatera društva v zvezi z našo Jednoto imajo svojo lastno bolniško blagajno že od nekdaj. Če bi se to podporo zraven prišeli, bi se število milijonov gotovo povečalo.

Naj nas torej ta dejstva in ti dokazi vspodbujajo k večji agitaciji, osobito v sedanjem kampanji! Brez skrbi in lahko rečete vsakemu prosilcu ali kandidatu za pristop: "Le pristopi k naši milijonski podporni organizaciji, kar Ti ne bo nikdar žal!"

VELIKA VAŽNOST KATOLIŠKIH ŠOL

Tekoči teden se bo zbrala ameriška mladina po skoro tri-mesečnih počitnicah zopet v svojih šolskih prostorih, da začne zajemati potrebne nauke za izobrazbo in življence. V Clevelandu samem se bo priglasilo v javne šole kakih 140,000 otrok, v katoliške šole pa do 57,000 otrok.

Marsikdo izmed vas želi danes, da bi imel v svoji mladosti več prilike za višjo izobrazbo, da bi pozneje v življenu si služil tudi boljši kos kruha in tudi bolje lahko vzgojil svojo mladino.

Kar se tiče javnih šol v Ameriki so popolnoma brezverske. Sliši se sicer včasih beseda Bog, toda otrok, ki pojava v javno šolo, odraste brez vsakega znanja o Bogu, verskih resnicah, o pomenu življenga na tem ali onem svetu.

Takozvana javna šola v Ameriki je danes nedvomno eden glavnih vzrokov tako grožčega in perečega mladinskega problema, ki dela državam toliko morečih skrb in jim povzroča foliko nepotrebnih stroškov. O tem so vsi, ki se s tem problemom bavijo, prepričani, če tudi jim je vera osebno deveta brig in se celo proti njej bore.

Med evropskimi državami je na primer Francija že pred več leti prva uvedla brezverske šole. Zato je pa tudi prva začela žeti grekne sadove. Poslušajmo, kaj pravijo skušeni možje o sadovih vzgoj v brezverskih šolah:

Ko so v letu 1882 v francoskem parlamentu glasovali za upveljavo brezverskih šol, je Jules Simon v senatni debati izjavil: "Mene, starega profesorja, je groza postave za šolo, v kateri ni mesta za Boga." Skoro 20 let za Simonom sta se oglašila Deherme in Payot, oba slovečni vzgojitelji. Prvi je rekel:

"Res, mi smo svobodili duše iz okov verske morale a nadomestili je nismo. To je velika bolečina našega časa." Drugi pa je izjavil: "Ljudje so katolicizmu hrbet obrnili, a se vidi, da niso našli nadomestila zanj. Nobenega voznika ni več, zato konji sami vodijo voz."

Najgrenkejši sadovi mladinske vzgoje brez Roga so se pokazali na kriminalnem polju. Statistika je pokazala takoj po uvedbi javne šole, da je število zločinov poskočilo od 113,000 na 280,000 letno, dati si bila tedaj doba križ. Mladina je bila pri tem zlasti "častno" zastopana. Med leti 1889-1891 je bilo v Parizu 40,000 dečkov in 13,999 deklic pod 16. letom aretiranih radi nemoralnosti. In samomori med tako mladino so začeli prihajati na dnevni red.

Preiskovalni sodnik Guitot je podal izjavo: "Nikakega dvoma ni, da gre porast mladinskih zločinov na račun novotarij javnega pouka, ker je bila mladina oropana edinega uspešnega vzgojevanja—verske moralne vzgoje." Sodnik Boujeau je pa dejal: "Brezverska vzgoja je brez dvoma glavni vzrok mladinske podivjanosti."

Citat zgoraj omenjenih so prišli iz ust "modernih prosvit-

ljencev," ne iz ust katoliških mož. Govorili so kot trezno misleči rodoljubi, ki jim je blagor domovine najvišja postava. Celo socialistični poslanec Allard je leta 1910 v parlamentu rekel: "Ker sta Boga ubili, je legla z njim v grob tudi edino potrebna morala. Kar lepo priznajte ... Iz otroka 18 let starega ste napravili apaša ..."

Poznani liberalni kritik Gohiar, sourednik "Figara" je zapisal z gremkin sarkazmom sledče: "Vse smo laizirali. Bahamo se, da smo izvezde pogasili, vero v Boga zatrli, kraljestvo razuma zgradili. Celih 25 let smo za to potrebovali. Če pa zdaj štejemo zločince med mladino, pa lahko triumfalno zaklčemo: 'Morala razuma je zmagala . . .'"

V Clevelandu imamo Slovensci štiri izvrstno in moderno urejene katoliške slovenske šole, v katerih poučujejo zelo izobražene šolske sestre, ki se glede poučevanja lahko kosajo z najboljšimi ameriškimi učitelji; tako so tudi skoro v vseh naših večjih slovenskih naseljih farne šole; samo naše slovenske šolske sestre reda sv. Frančiška oskrbujejo sedem takih šol, drugod so pa druge redovnice.

Slovenskim staršem, ki želijo, da dobijo njih otroci v resnici temeljito vzgojo ne samo v vseh posvetnih zadevah, pač pa zlasti v spoznanju Boga in večnih resnic, svetujemo, da vpišejo svoje otroke v slovenske katoliške šole. Sedaj je čas za to!

Pomnite, da vsa slovenska mladinska inteligencija, kar jo imamo v Clevelandu in mnogo iste iz drugih krajev, vse naši slovenski zdravnik, zobozdravnik, odvetniki, umetniki, inženirji in drugi profesionisti so prišli iz slovenskih katoliških šol.

Josip Starc:

LISJAKOVA HČI

POVEST

V tem napoči čas velikega odmora. Matere in hčere gredo iz dvorane ter iščejo mož in očetov. Po dve tri skupaj dohajo v gostilniško sobo, kjer se sedaj vse izpremeni. Možje, ki so prej svobodno kramljali po svoje, so se ločili, zakaj vsak je imel skrb za svojo rodino. V splošni gneči se pokaže med zadnjimi tudi Klotilda, katero pod pazduho vodi nadporočnik Ahnenfels. Nič se jima ni mudilo, zato nista silila naprej, ampak mirno sta čakala zadi ter se prav živahno in glasno menila in smejava.

On je upri črne oči in njo, karor bi jo hotel prebstati, ona pa je povzdignila svoje medle oči proti njemu, da ji je videl v dna razburjene duše. Ko so se ljudje nekoliko razšli, da se ni bilo treba riniti, zapazi ona moža in prosi Ahnenfelsa, naj jo odvede v njemu. Lovro je bil ves srečen in ni vedel, kako bi zahvalil prijaznega kavalirja.

"Gospod nadporočnik, prisetite k nam," povabi ga vlijedno k sebi; in ko prideta še dva druga častnika, s katerima se je seznanil že prej v dvorani, ponudi tudi njima prostor kraj sebe. Tako je imela Klotilda po nerodnosti svojega moža tudi pri večerji tri kavalirje, da so se ji dobrkali. Bili so vsi prav dobre volje; sedaj so se šalili in se dražili, sedaj je kdo podal kako, da si so moral smejati. Lovro je bil vesel, karor še ni bil vse svoje žive dni. V velikem blaženstvu je naročil Šampanca in ž njim gostil nove znance, ženine častilce, dokler ni iz dvorane zazvenela godba ter mladih nog in mladih srce zopet zvabila na plesišče.

VI.

Drugo jutro je Lovro Mrak ob navadni uri prišel v prodajalnico, zgovoren, da ga pomočniki in učenci niso še pomnili takega. Nikogar ni priganjal na delo, sam se pa tuđni lotil pravega posla, ampak sedaj je sedel k pisalni mizi, sedaj zopet vstal in hodil po prodajalnici. Kadar je prišel kdo kaj kupit, vsakomur je vedel prijazno besedo, in če je bil star znanec, mu je rekel tudi kakšno za smeh.

V tem je njegova žena še trdno spala. Ráovedena teta je že često pogledala čez ulico, ali pri Mrakovih so bila okna dobro zagrnjena. Hote ali nehotote je morala potreti. Da bi lažčakala, je vzel košek in šla na trg kupit kaj malega, zaenodno in to je bilo imenitejne—pobrat novice. Srečevala je to in ono ženico svoje vrste, ki so rade povpraševale in še rajši pripovedovali, poleg tega pa znale tudi kaj dodati iz svoje domiljije, da jim novice niso bile presuhe. Ali tudi z vsemi kuharicami veljavnejše gospode ljubljanske je bila teta Brigita znana in v vsako je vedela začeti pogovor.

"Kaj pa gospa? Kaj pa gospodične?" je vpraševala, "ali so zdrave? Ali so bile sinoči na strelišču? Ali so priše pozno domov? Ali se kaj bliža najstarejši? Ali je bila gospa pri imela koga v mislih?"

Tako in podobno je izpraševala sedaj to, sedaj drugo in zvedela vse, kar je že zelela. Prišedši domov, je odložila košek in zopet pogledala čez okno, toda pri Mrakovih je bilo še zmeraj vse zagrnjeno. Pogledala je na uro, kazala je že pol 11. Sedaj ni mogla več strpeti, pa je stari dekli hitro dala potrebna naročila zaradi obeda in zopet šla zdoma naravnost čez ulico k Mrakovim v prvo nadstropje. Najprej se je oglašila v kuhinji in ko so ji rekli, da gospa še spi, kramljala je s kuharico in jo izpraševala, kdaj

nego mokar, če zalača milnarje z litom, potem pa moko? "Trst prodaja? Rada bi vedela, ali bo gospod adjutant Ahnenfels odšel še jezdaril mimo njene gokna. Upam, da ne. Meni se vse dozdeva, da ga bo odšel pot vodil na Stari trg. Ali ne misliš, da bo tako, Klotilda moja?" Je vprašala teta in se poredno zarežala.

"Ne vem, kako bo," jo je zavrnila Klotilda bolj tih in skrila svoje lepe oči v blazino, kakor bi jo bilo sram. Cutila je, kako ji je rdečica zalila obraz.

"Kdo je?" se oglaši Klotilda v postelji.

"Ja sem, jaz," odgovori teta tih, zapre vrata za seboj in hiti po prstih k postelji.

"Dobro jutro, draga Klotica moja!" jo je pozdravila še zmiraj tih, "ali sem te vzbudila? Ne budi huda."

"Dobro jutro, teta," ji odzdravi nečakinja, "zakaj naj bi bila huda; saj bedim že dalj časa, pa se mi nikakor ne da vstati. Po glavi mi kar šumi od sinočne zabave, pa je tako neznamo prijetno sanjati o lepih trenutkih. Teta, bodite tako dobiti in odgrnite zagrinjala, da vidiš."

"Res je tako; vsi govore enako, kakor bi se naučili drug od drugega," dostavi premetena Brigita, nato pa se zopet poredno nasmeje in doda: "Sicer pa je meni dovolj, da mi kaj skrivaš, in ugenila sem vse. Nič se ne boj, ne bom siliha vate, da mi razodenesh kaj več, kar se je go-dilo sinoči v tvojem srcu. Ali to ti rečem, če boš kdaj potrebovala sveta ali pomoči, name se smeš popolnoma zanašati. Samo to bi še rada čula, kako se je vedel Mrak na parketu?"

"Tako, da se ni mogel bolj," je odgovorila Klotilda in je bila zopet dobre volje. "Dokler sem ga potrebovala, je bil pri pri meni in ko mi je bil odveč, pustil meje samo ter odšel v gostilniško sobo med ljudi svoje vrste, da nas ni motil. Ce bi me bil vprašal, kaj naj storiti, ne bila bi mu vedela svtovati bolje."

"Ali kako je gledal tvoje kavalirje? Ali se je kaj grdo držal?"

"Nikako ne, ampak na vso moč je bil ljubezniv ž njimi in jih je naposred še pogostil Šampancem."

Teta Brigita je kar plosnila z rokami in odprtih ust strmešljala predsed. Nato se je zadovoljno zasmajala in rekla:

"Kaj? Šampanca jim je natalk! Oh, ti božji volek, ti! Ne, ne, da je Mrak takšen butec, tega si nisem mislila! Klotilda, za takšnega moža te pač lahko zavida vsaka gospa! Pri takem možu se da živeti; le znatni je treba. Ali saj tebi tega ni treba praviti; sicer pa ti rečem znova, name se lahko zanašaš vsekdar. Ako bi me kdaj potrebovala, vedno ti bom na pomoci."

V tem je Brigita vstala, odmaknila stol in se poslovila: "Sedaj pa z Bogom! Nočem te zadrževati. Skoro bo poldne in se vedno si v postelji. Srečno!"

Po teh besedah ji stisne roko in se kakor slaba vest zmuze skozi vrata.

DOBRA VOLJA PREMAGALA LJUDOŽRCE

Pred nedavnim je sporočil že 78 letni sir Murray svojim rjavokožnim prijateljem na Novi Gvineji, da bo stopil v pokoj in se preselil na Škotsko na svoje posestvo: čez nekaj dni nato je prejela vladu britiske Nove Gvineje prošnjo z 12 tisoč podpisov. Vsi podpisanci so bili domačini, ki so vladu nujno prosili, da ne smejo potrditi upokojitvene listine sira Huberta Murraya, zato kaj Murray je njih kralj.

To zares ni bila samo kaka

igra, ki bi jo bil Murray spravil na dan, da bi se s tem proslavl. Nikoli ni iskal časti zase. Zadovoljen je bil, če je bilo dobro rjavokožnim ljudem, ki so mu bili podložni in ki je kot prvi prodrl v njih ozemlje.

ZEMLJA VEDNO TEŽJA

Strokovnjaki, ki take reči študirajo, nam zatrjujejo, da naša zemlja vsako uro postane za 400 gr težja. Učenjaki si to stvar razlagajo, da zemlja svojo privlačnost vedno privlači nase iz vesoljstva razne dele drugega stvarstva, katerih človek z navadnim očesom niti ne zapazi ne. Človek vidi tu in tam le večje meteorje. Poleg teh večjih meteorjev pa je vse polno malih meteorjev, ki niti ne zare ne, kadar padajo na zemljo. Ti so tako lahki, da si njihovo težo že kar težko mislimo. Njihov premer znaša včasih le eno stotinko milimetrov. Teh malih teles je pa toliko, da jih je vsak dan 100,000 milijonov, kateri skupaj tehtajo samo kakih 10 kilogramov.

Kakor nekateri učenjaci so dalo in ugibajo, je od začetka preteklo že 1,700,000,000 let. Če je torej to res in je v teh milijardah let vsak dan pridobil toliko teže, bi bila od začetka do danes zemlja pridobila vsega skupaj 6 milijard ton teže. Ta kača teža se človeku zdi nekaj strašnega. Če pa posmislimo, da vsa naša zemlja tehta 6 sekstantov ton, je pristek 6 milijard ton nekaj tako malenkostnega, kakor bi možu, kateri na svojih plečih nosi tovor 70 kg, naložili še en delček enega grama.

Skoda, da takrat, ko je Bog zemljo ustvaril, nikomur ni prišlo na misel, da bi jo bil takrat stehal. Dandanes bi bili lahko presojali, kaj so taki učenjaki računi vredni. Tako pa vse to učeno modrovranje nima nobenega pomena, ker kaj takega nične ne more kontroliратi. Vse je le gola domnevna. In vendar nekateri zahtevajo, naj bi ljudje verjeli domnevam.

DAVNE FILOZOFSKE SOLE

V starem svetu (okrog 300 pr. Kr. — v dobi helenizma) je filozofija nadomestovala omnikancem vero. V filozofiji so iskali pravil pravega življenja. Tako so nastale razne filozofske šole.

1. Sola kinikov, imenovana po atenskem gimnaziju Kin-

sages. Ustanovitelj te šole je bil Antisten, ki je trdil, da se mora človek povrniti k naravi, da hoče biti srečen. Pridaš te šole je bil znameniti Diogen. Tej šoli je bila najblížja

2. šola stoikov, ki je imela

svoje ime po "stol" (Stoja po-kile — pisana lopa v Atenah).

Ustanovitelj te šole je bil Zenon, rojen na otoku Kipru. Učil je, da dostreži človek do sreče, če je, dospe človek do sreče, če

človek uživaj, kolikor le moreš! 3. Šola epikurejcev, ki ima ime po svojem ustanovitelju Epikuru. Učil je, da naj išče človek srečo v samem sebi, zlasti v duševnem delu, a njegovi učenci so dali pozneje temu nazoru drug pomen, namreč: človek uživaj, kolikor le moreš!

4. Šola peripatetikov, ki ima ime po svojem ustanovitelju Aristotel, za njim Tevrast, ustanovitelj znanstvene botanike.

EIGHT MILLION DOLLARS!

Eight Million Dollars is a neat sum and many things can be accomplished with that amount. Especially is that so if the amount is administered by an organization such as the KSKJ.

To get to the point, the KSKJ did disburse that amount AND IN BENEFITS, too! On Page 4 of this issue, under the roster of Supreme Officers, is a notation showing the amount of benefits paid by the KSKJ since its organization. From time to time the figure is augmented, and this past week was changed to read \$8,000,076.00 benefits paid since the organization of the KSKJ to July 31, 1941.

The figure is a record that portrays an alleviation of many hardships. It is an amount that indicates the KSKJ is doing its just share in aiding its members. It is an assurance that the KSKJ is a benefit organization. The publication of this fact should remind all members that the KSKJ is really a powerful organization in dispensing benefits. Every member, if he thinks enough of his friends, should see to it that they will join this mighty fraternal Union.

URGES BROOKLYN JOSEPHS TO AID IN GOAL OF 40 FOR 40TH JUBILEE

Brooklyn, N. Y. — When you meet friends at various places, don't forget to remind them about the 40th anniversary of St. Joseph's Society, No. 57, and also the 40th anniversary campaign for new members. Remember our goal, at least 40 new members by Oct. 19, 1941. In the event that you don't find any prospects for membership, remind them about the affair. When they attend the affair, give the prospects to your officers and they will do the rest.

1000 TURN OUT TO HELP LORAIN C. & M. CELEBRATE 25 ANNIVERSARY

Lorain, O. — Attended by over 1000 well-wishers, the 35th anniversary celebration of the Lorain C. and M. lodge on Aug. 31, will not be forgotten in KSKJ circles.

The all-day program began with a colorful parade at 10:30 a. m. and concluded with a giant picnic in the afternoon and evening. The main feature of the day was the blessing of two new flags by the Rev. M. Slaje. One was a lodge flag replacing the one now tattered and torn, the other the national emblem. Acting sponsors to the new banners were Mr. and Mrs. John Cerne Jr.

The banquet attended by officers of the lodge and local civic dignitaries was the meeting place of many visiting and local friends. Addresses were delivered by Mr. Louis Zeleznikar of Joliet, Ill., by Mayor Van Wagenen and Judge Cook. Attending the festivities were also Supreme Officers Mrs. Mary Hochevar, John Pezdirtz and Ivan Zupan, in addition to our local Supreme Board member Miss Mary E. Polutnik.

The well-arranged sports program headlined the afternoon picnic. Beginning with a double-header softball game between the Lorain C. and M. team and the Collinwood St. Joes, followed by the Ambridge, Pa. - Lorain game, the event saw the Collinwood Joes beat the local C. and M. No. 2 team 3 to 0. In the second tilt Whitey Perritt hit a homer with the bases loaded in the last inning to give the local C. and M. team a 6 to 5 edge over Ambridge, Pa.

To complete the day there were novelty races, games, drill team exhibitions and band concerts. Receiving a big hand of applause was the St. Joes band from Collinwood. A very amusing act was the one put on by Steve Halabuck and

SOLDIER WRITES AGAIN

Cheyenne, Wyo. — Dear readers of the Glasilo: After having sent my first article, I have been asked by readers to write on the social life of the soldiers in a typical army town or city. I had contemplated writing such an article and in which way you as members of the KSKJ can help the morale of the boys in service.

I will try and explain this situation from a personal viewpoint and try to make it as general as possible. When a young man of draft age enters the military service he leaves behind him folks, family and his many friends not thinking that when he enters an army camp he will be among complete strangers. It is very depressing on the young man who has never been away from home; this all enters in the transformation of a civilian into a soldier.

The first few weeks in camp are the hardest for a new recruit, because he is very much homesick and his places of recreation are very limited. The articles carried by his local newspapers are found out to be without much foundation. The athletic programs are still in their embryo stage, and the only diversion is the post theatre where he might attend for a nominal charge.

His mind goes back to pictures of army hostesses dancing with the soldiers but most of these places are still to be built. He also looks forward to his first trip to town expecting a reception he would get in his home town, but finds out he's in another army town where the only thing they care about a soldier is if he has a dollar in his pocket and most of the women found in these towns have the same thing in mind. That's not saying that all girls are alike but try and find the nice girls. Many of the men that entered service came from nice families and can't seem to understand the coldness towards them that's being shown them in most army towns.

After a soldier has spent some time in the army he looks forward to his first furlough so he can get back into civilian surroundings. I spent my furlough with my brother I. J. Stepiich and uncle and aunt Mr. and Mrs. Joe Shustar Sr. and Joe Shustar Jr., and you can rest assured that they made my stay in Pueblo, Colo., very enjoyable. It is a memory that I will cherish for a long time.

I have tried to bring home a moral in this article. If you are a member of the KSKJ and live in the vicinity of an army camp, invite one of the boys to your home for a visit, because someone might invite your own son.

FINDS SOLDIER'S LIFE PLEASANT

Cheyenne, Wyo. — Pvt. Anton Perusek, who is taking his military training as a selectee at the quartermaster replacement center, finds a soldier's life in America more pleasant than the 15 months of service he underwent in the Yugoslavian army prior to the invasion of his country by Nazis. Pvt. Perusek, who came here from Cleveland, Ohio, served in the Yugoslav army in 1937 and 1938 and upon his discharge was paid the equivalent of \$2.65 in American money.

A native American, Perusek was compelled to serve in Yugoslavia despite the efforts of the United States consul who sought to have him deferred because he was born at Slavy Fork, W. Va., and moved to Europe with his parents when he was 3 years old.

Comparing his military experience here with that overseas, Perusek finds conditions considerably different. In Yugoslavia his day started at 4:30 a. m. and ended at 9 p. m. The American selectee's workday starts at 5:45 a. m. and ends at 4:30 p. m. Then, too, he is free to leave the post for recreation whereas in Europe he

PLAN BIG DANCE IN EUCLID

Cleveland, O. — Plans for a big dance are in the making for SS. Cyril and Methodius Society, No. 191. The annual affair will take place Sept. 28, in St. Christine's Hall.

As a special feature a contest will be held for the old timers to determine what couple is most adept in tripping the light fantastic in the old-fashioned way.

For both, young and old, Johnny Pecon's popular orchestra will provide the tunes for dancing.

Ali Ohio—yes, and Pennsy Kay Jays—are asked to reserve the date and are extended a most cordial welcome.

A DEFINITION OF PATRIOTISM

The following beautiful definition of PATRIOTISM was given many years ago by the Rev. L. J. O'Hern, D.D., at a Field Mass celebrated at the Training Station, U. S. Navy Yard, on Flag Day. It may be considered timely to call it to the attention of our readers.

"Were I asked for a definition of Patriotism, I should define it as Love of Country, and Loyalty to its life and interests—love tender and strong; tender as the love of a son for his mother, strong as the pillars of Hercules; loyal, generous and disinterested shrinking from no sacrifice, seeking no reward save the Nation's honor and the Country's good."

"It is that return of affection which every loyal citizen is bound to make to the State, for the benefits received from and through her.

"It is like the filial devotion which a grateful child offers to its parents.

"It is, therefore, not a matter of mere sentiment, but a duty building to faithful service. Consequently an unpatriotic citizen is like an unworthy son, who lifts his hand

Jennie's pride and joy are her autograph and clipping books.

It will be a matter of only a few weeks before Jennie's cast comes off and she will rejoin her "buddies" on the drill team.

Jennie is also a member of the KSKJ, and her many friends were treated to a surprise last Sunday, when she was driven to and made an appearance at the 35th anniversary celebration of the local C. and M. society. Needless to say, her vibrant personality that radiates courage and determination, captivated many.

The young men are looking forward to a complete recovery for Jennie, and even now are asking her to "save a dance for me."

COLLINWOOD YLS TO MAKE DEBUT WITH "GAY NINETIES DANCE"

Cleveland, O. — The Young Ladies Sodality of St. Mary's in Collinwood will make its summer debut into the dance world at the Slovenian Workingmen's Home on Waterloo Rd., on Sunday evening, Sept. 7. Johnnie Pecon has been booked to furnish the music for this occasion.

Inasmuch as this is a "Gay Nineties Dance," Johnnie has promised to play some tunes dating right back to the gay 90's. You will recall "Casey Would Dance with the Strawberry Blonde," and then there's "I'll Take You Home Again, Kathleen," and many others.

As the feature of the evening prizes will be given to the best Barber Shop Quartet. So get those fellas together and sing us an old timer.

Why, even Casey will be there with Daisy, "On a Bicycle Built for Two," and I'm not fooling.

SUPREME BOARD MEETING OF THE GRAND CARNIOLIAN SLOVENIAN CATHOLIC UNION (K.S.K.J.) HELD JULY 28 AND 29, 1941, IN THE KSKJ BLDG, JOLIET, ILL.

(Continuation)

REPORT OF ASSISTANT SUPREME SECRETARY

Rev. Spiritual Director, members of the Supreme Board: From the report given you by Bro. Supreme Secretary Joseph Zalar, it is evident that our Union in the past six months has shown a progress with which we can be satisfied. The increase in finances and membership is sufficient proof, and our Union now has over 37,000 members, highest total in its history.

If our members will continue to uphold the ideals of the organization as in the past, then we can be assured that in the near future our Union will have a membership of 40,000.

The progress of the current campaign indicates that we shall meet with successes. Our membership is becoming acquainted with the fact that our organization offers the best type of insurance in the fraternal field.

The close of the current membership drive is yet distant, but we must not wait until the closing hours, for we are faced with competition. Now that economic conditions have improved, let us utilize the opportunity to increase our membership.

Harmony and good spirit prevails among the Supreme Board officers and subsidiary officials. It is my hope that it will continue, for in that manner we may look forward to progress.

May you be successful in your deliberations.

LOUIS ZELEZNICKAR, Assistant Supreme Secretary.

The report of Bro. Zeleznickar is unanimously accepted.

REPORT OF SUPREME TREASURER

Rev. Spiritual Director, members of the Supreme Board:

Since we have a central system of bookkeeping in the Home Office, and since Bro. Zalar has already given you a report for the first half of the current year, I shall not repeat the report.

The financial report shows that we have increased our assets \$125,460.89 in the Adult Department, and \$10,008.08 in the Juvenile Department. If we compare the figures with those of the first six months of last year, \$95,341.56 in the Adult Department, and \$9,251.63, Juvenile Department, it is revealed that we show a gain of \$30,119.33 in the Adult Department, and \$756.45 in the Juvenile Department over the first six months of last year.

At this time I wish to state that our financial status is in the very best of condition, especially the bonds. On Dec. 31, 1939, we had delinquent bonds in the amount of \$241,908.23, representing 7.1 per cent of total bonds held, but on Dec. 31, 1940, we had \$156,660 in delinquent bonds, or 4.26 per cent of the total held. In one year we decreased the amount of delinquent bonds held by \$85,248.23 and thereby increased our solvency.

If we shall continue to progress financially as we have in the past, and if members with certificates "A" and "B" would exchange them for new type certificates, I am certain that it would be possible to give our members dividends or waive assessment payments from time to time. At this time I appeal to all members who are not 60 years of age and who have certificates "A" or "B" to exchange them for new certificates. By doing so such members would be protected in the event of adverse economic conditions, because their reserve would assure them continued membership in the KSKJ. Exchange for new certificates would also increase our solvency and at the same time accelerate the time when it would be possible for our organization to give dividends or waive assessment payments at times; a condition which would ease our work in signing up new members.

The current "On to Chicago!" campaign was initiated as a pre-convention drive as well as a means of marking the 25th anniversary of the Juvenile Department. The campaign has set aside very attractive prizes for the winners, among them \$150 special award to all who would write \$25,000 to June 30, 1941. the winners to be guests of honor at the next Convention in Chicago. After the aforementioned date the prize will be decreased \$10 every two months for those who attain the quota, so the sooner one makes quota, the larger the prize. By the final month of the campaign (March 1942) the prize will be only \$100.

To June two active secretaries have attained quota. They are Louis Martinich, St. Joseph's Society, No. 2, Joliet, Ill., and John Hladnik, St. Mary's Society, No. 79, Waukegan, Ill. I thank and commend the winners for winning the prize of \$150. I also extend thanks to those who have already written fair amounts of new insurance, and hope that by the close of the campaign many members will be entitled to the special awards.

In conclusion, I thank Bro. Joseph Zalar, supreme secretary, and Bro. Louis Zeleznickar, assistant supreme secretary, as well as all Supreme Officers for the co-operation and courtesy tendered me. Thanks also to subsidiary lodge officers and to the Home Office employees for their co-operation.

Wishing you success in your deliberations,

MATT SLANA, Supreme Treasurer.

The report of Bro. Treasurer is unanimously accepted.

REPORT OF SPIRITUAL DIRECTOR

Our organization is conforming to its motto: All for Faith, Home, and Country. With very few exceptions, our members are performing their religious duties. The testimonials issued by the societies are evidence that there are only a few members who have not testified as to their performance of Easter Duty, and most of them are members who reside in distant parts making it difficult for secretaries to contact them.

To date I have received testiinials from 103 societies, and from the remaining 77, I hope to have reports at an early date.

According to the ruling of the last Supreme Board meeting I ordered the printing of complaint forms to be used in reporting those who do not conform with the Marriage Laws of the Church. The forms have been sent to lodge secretaries with instructions. The following is a sample of the form:

A member may be expelled from membership in the Union — Section 19, No. 4: For marrying a divorced person. — Section 19, No. 5: For being married by anyone except a priest of the Roman Catholic Church and contrary to the rules of the Roman Catholic Church.

This complaint may be made by member or officer of this Union. This complaint should a) be sent to the Supreme Spiritual Director, b) be filed with the Secretary of the lodge with which the accused member is affiliated. The Secretaries of the subordinate lodges are reminded that in all such cases they must take action exactly in accordance with Section 19 of the Union's By-Laws.

At this time I inform you that the form has already proved effectual, for my office has already received notification that some members were married by civil service, and the cases were settled by Secretary Bro. Zalar. The membership at large is hereby informed that its officers, especially Secretary Bro. Zalar, are vigilant that members are conforming to their religious duties as specified by the Union. If there are cases in some communities that some members do not perform their religious duties or that some members are parties in a civil marriage, the Supreme Board should not be held culpable; the fault in such instances lies with the local lodge officials and members. Merely file reports on those who break rules, and the Supreme Board will do its duty. The Supreme Board is 100 per cent Catholic. We need the complete co-operation of the membership and we can make the Union 100 per cent Catholic.

Since my last report to this Board, I also attended programs sponsored by St. Francis and St. George's Societies.

REV. M. J. BUTALA, Supreme Spiritual Director.

The report of Rev. Father Butala is unanimously accepted. In recognition of the office he holds, the assembly signifies its acceptance by a rising vote.

REPORT OF SUPREME MEDICAL EXAMINER

Bro. Dr. Oman states that he will give a detailed report, which will include the past six months, in his annual report at the next January meeting. As the present By-laws of the Union are so all-inclusive relative the business of the supreme medical examiner, Bro. Dr. Oman reports that not one complaint is on his file. He further emphasizes that it is the first time during his tenure of office that he has no complaint to forward.

The Central Sick Benefit Fund, as everyone knows, has its usual periodic slump at this time of the year, but as in the past in the next half year will make its usual increase to normalcy.

In the past six months the following 134 deaths and their causes were recorded: Heart trouble, 49; pneumonia, 15; consumption, 12; cancer, 11; automobile accidents, 4; accidents at work, 5; natural causes, 3; miners' consumption, 3; stroke, 2; suicide, 2; influenza, 1.

From the foregoing, Dr. Oman states it is apparent that the number of deaths has decreased which may be attributed to modern medical science.

The report of Bro. Dr. Oman is unanimously accepted.

By FRANCES JANER
1110 Third St.
La Salle, Ill.

Today's issue of the cooking school presents a series of recipes that have been submitted by Mrs. Antonia Jenich, Milwaukee, Wis., a member of St. John the Evangelist Society, No. 65.

Tom Thumb Cookie Bars
½ cup Spry, ½ teaspoon salt, ½ cup brown sugar, firmly packed, 1 cup sifted flour, 1 cup brown sugar, firmly packed, 1 teaspoon vanilla, 2 well beaten eggs, 2 tablespoons flour, ½ teaspoon baking powder, ¼ teaspoon salt, 1½ cups shredded coconut, 1 cup nuts, coarsely cut.

Combine Spry and salt. Add ½ cup brown sugar and cream thoroughly. Add flour and blend. Spread mixture in 8 by 12 by 2 inch pan-greased with Spry. Bake in a moderately slow oven 325 degrees for 15 minutes or until delicately brown.

Add 1 cup brown sugar and vanilla to beaten eggs, beating until thick and foamy. Then add 2 tablespoons flour, baking powder, salt, coconut, nuts and blend well. Spread over baked mixture. Return to oven, moderately slow, and bake 25 minutes longer. Cool and cut in small triangles or rectangles. Makes 3 dozen bars.

Stuffed Potatoes
6 large Idaho potatoes, 1 tablespoon butter, 1 cup milk, 1 teaspoon salt, 1 chopped onion, ½ lb. ground steak with suet. Bake potatoes until done. Make hole in top and carefully spoon out the inside. Mash the potato well and add milk, butter and salt. If the potatoes are large, 1 cup of milk will not be too much. Brown meat and chopped onions in a little butter. Re-fill shell with potatoes and meat, topping with the potatoes the meat has replaced and bake for 15 minutes at 350 degrees.

Beef Casserole
1 pound chopped or ground beef, ½ cup uncooked rice, 1 green pepper, chopped, 2 cups potatoes diced, 2 medium sized onions, 1 quart tomatoes, salt and pepper.

Put meat, potatoes, rice, sliced onions, chopped green pepper, salt and pepper into a bowl and mix well. Arrange in baking dish and pour tomatoes over the top. Bake at 325 degrees for 1½ hours, or until well done.

Casserole of Frankfurters
2 lbs. frankfurters, 4
