**DELAVSKA TAJ-
NICA ZA ZAVA-
ROVANJE**

Zastopnik organiziranega delav-
stva se strinja z njenim načr-
tom za zavarovanje proti brez-
poselnosti

Charlottesville, Va. — Fran-
ces Perkins, načelnica zveznega
delavskega departmenta, se je
v svojem govoru pred člani In-
stituta za javne zadeve odprto
izrekla za zavarovanje proti
brezposelnosti in predložila nač-
rt, ki bi po njenem mnenju
premagal poteškoče, ki ovirajo
uveljavljenje te reforme.

Njen načrt predvideva zdru-
žitev industrijskih držav v po-
sebni grupi in imenovanje odbo-
ra, v čigar področje naj bi spada-
la uprava brezposelnostnega za-
varovanja. Države New York,
New Jersey in Pennsylvania
na primer bi tvorile eno grupo,
ker imajo slične industrije.
Druga grupa naj bi vključevala
novoaangleške države, tretja juž-
ne, četrta zapadne itd.

Take grupe držav, je dejala
Perkins, bi laglje upravljale
sklade brezposelnostnega zava-
rovanja kot posamezne države
in s tem bi bilo odpravljeno tu-
di raketirstvo privatnih zava-
rovalnic.

"Brezposelnost je industrijska
hazardna igra, katero je
treba odpraviti," je rekla de-
lavska tajnica. "Delodajalci
kopičijo rezerve, da lahko pla-
čujejo dividende in vsled tega
je potrebno, da prispevajo tudi
v sklad, iz katerega naj bi de-
lavci, ki izgube zaslužek ne po-
svoji krivdi, prejemale podpore."

Perkins je namignila, da bo
v doglednem času prišlo do fe-
deralnega zavarovanja proti
brezposelnosti, kajti to kažejo
eksperimenti v zvezi z izvajaj-
njem zakona federalne kontrole
nad industrijami.

skega prosvetnega biroja Ame-

**Ekonomski konferenca
zaključuje svoje posle**

Najbrž ostavi komisijo za seboj.
Sovjetska delegacija odgovori-
la Kanadčanom

London, 18. jul. — Mednarod-
na gospodarska konferenca do-
končava ta teden svoje posle,
prav za prav — nedelo. Vsi pod-
odseki majo predložiti svoja po-
ročila MacDonaidu, predsedniku
konference, najkasneje v petek.
Prihodnji teden, 27. julija, se
ekonomska konferenca razide in
najbrž se nikdar več ne snide.

Državni tajnik Hull, vodja ame-
riške delegacije, ne verjame
da bo konferenca brez vsakega
rezultata. On pričakuje, da kon-
ferenca pusti za seboj stalno ko-
misijo, v kateri bo zastopanih
okrog 15 držav in ki bo zborova-
la v Londonu ali Ženevi. Tej
komisiji bo poverjena naloga, da
sestavi razne valutne, carinske
in druge načrte, katere potem
predloži vladam v razpravo in
odobritev.

Sovjetski delegat Ozerskij je
včeraj objavil odgovor na obtož-
bo kanadske delegacije, da je
sovjetska konkurenca z lesom na
mednarodnem trgu nepoštena,
kajti sovjetski državni lesni
trust ne vključuje v ceno vseh
stroškov kakor to delajo druge
države.

Ozerskij je odgovoril, da so
v cenah všteti val resnični iz-
datki, ki jih imajo sovjeti s pro-
dukcijo. Obtožba, da so ruski
gozdarji sužnji, ki sovjete zelo
malo stanejo, temelji na laži.
Rusija je danes edina država na
svetu, ki nima brezposelnosti in
polažaj njenih delavcev se stal-
no izboljšuje.

**Post v Sibiriji; nov
rekord**

Litvinsko-ameriška letalca do-
spela mrtva v svojo domovi-
no

Novosibirsk, USSR., 18. jul. —
Wiley Post, ameriški letalec, ki je
sam na poletu okoli sveta, je
danes zjutraj poletel v Irkutsk
kamor ima dospeti zvečer. Tam
ostane čez noč in jutri zjutraj
je namenjen v Kabarovsk, ki je
njegova zadnja postaja v Sibiriji.
Post je v treh dneh preletel
polovico poti okoli sveta — o-
krog 7000 milj — in je brez ma-
lega 71 ur na dobičku v primeri
s svojim zadnjim poletom. V
Novosibirsku je počival le dve
uri. Uživa čisto malo jedil, da
je ves čas lačen in to mu poma-
ga krotiti spanec.

Kovno, Litvanija, 18. jul. —
Trupli Stephens Darius in Stan-
leyja Girensa, dveh čikaških
letalcev litvinske narodnosti, ki
sta zadnjo soboto poletela iz New
Yorka in se v pondeljek zjutraj
ubila v Nemčiji, ko jima je zma-
njalo gasolina, potem ko sta
srečno preletela 4000 zračne poti,
imata danes dospeti v Kovno.
Letalca sta bila samo še 400 milj
od cilja, ko ju je doletela smrt.
Edino logično pojasnilo njune
nesreče je, da sta v noči od ne-
delje na pondeljek izgubila
smer in potratila gasolin, nakar
sta iskala primeren kraj za pri-
stanek in sta smrekov gozd sma-
trala za travnik pa sta tresčila
v gosto lesovje nedaleč od Sol-
dina blizu poljske meje.

Na letališču v Kovnu ju je pa
vso noč čakala množica okoli
10.000 oseb. Litvinska vlada
je sklenila, da ju pokopije na
državne stroške in z vojaškimi

bega zdravja. Eksekutivni svet
unije je na Broachevo mesto

**ROOSEVELT SE NI
DAL SPLOŠNEGA
PRAVILNIKA**

Industrijske organizacije še ve-
no kolebajo med prepri glede
minimalne mezde in maks-
imalnega delovnega časa

Washington, D. C., 18. jul. —
Predsednik Roosevelt in njegov
federalni industrijski admini-
strator se še nista odločila za
splošen začasni pravilnik za vse
one industrije, ki še niso pred-
ložile prostovoljnih pravilnikov,
dasi beži čas. Poročila, da se
tak pravilnik pripravlja, se po-
navljajo že par tednov, toda
Roosevelt ima vsekakor pomi-
sleke in — strah pred industrij-
skimi magnati.

Nadaljnji pravilniki kapljejo
polagoma. Pravilniki oblačilne
industrije prihajajo v sekcijah;
vsaka krojaška in šiviljska
stroka predlaga svojega in vse
divizije se odločajo za 40 ur te-
denskega delovnega časa, dočim
se minimalna mezda razlikuje z
ozirom na krajevne razmere.

Podjetniki za dobavo gradbe-
nega materiala so se izrekli za
40c na uro minimalne mezde in
40 ur v tednu maksimalnega de-
lovnega časa.

Illinoiska asociacija čistilcev
in barvarjev oblek je postavila
v svoj pravilnik 44 ur maks-
imalnega delovnika in \$14 te-
denske minimalne mezde za od-
raščene trgovske pomočnike.

Voditelji "beauty shops" ali
lepotičarskih salonov imajo nač-
rt za 42-urni delovni teden in
\$15 tedenske minimalne plače v
državah na severu in \$14 na ju-
gu.

Administrator Johnson pri-
pravlja veliko kampanjo za pri-
tegnitev trmoglavih kapitali-
stov pod kontrolo vlade. Kam-
panja bo podobna oni za razpe-
ševanje Liberty bondov med
vojno. Natianli bodo velike
plakate s sliko srditega orja in
z napisom "We Do Our Part."
Ti plakati bodo nalepljeni na
tovarnah, katerih lastniki se
podvržejo federalni kontroli.

godno pogodbo za člane njego-
ve unije.

**Napoveduje zruši-
tev privatnih unij**

Delavski vodja pravi, da deloda-
jaki ne smejo zanikati delav-
cem pravice do organiziranja
v svojih unijah

Kansas City, Mo. — Martin
Francis Ryan, predsednik bra-
tovščine železniških izpredovni-
kov, je napovedal polom kom-
panijskih unij. Rekel je, da je
kongres postavil te unije izven
zakona, ko je sprejel načrt fe-
deralne kontrole nad industrijami
in da njegova unija dobi-
va dnevno številne prošnje od
članov kompanijskih unij, ki že-
le postati člani bratovščine.

"Bojazen pred odločitvijo je
zadrževala te delavce od vstopa
v svoje prave unije," je rekel
Ryan. "Ta bojazen je bila od-
pravljena, ko je kongres spre-
jel in predsednik Roosevelt
odobril zakon federalne kont-
role nad industrijami. Noben
delodajalec se ne bo drznil kr-
šiti tega zakona in zanikal de-
lavcem pravice, o katerih sta
kongres in načelnik ameriške
vlade izjavila, da so njihove."

"Zakon je tako sestavljen, da
ga lahko vsak razume. Nobena
železnica, ki hoče vzdržati kom-
panijsko unijo, nima za to le-
galne in moralne opore, na ka-
tero bi se naslanjala. Nikake-
ga razloga ni, zakaj ne bi de-
lavci, ki so uposleni v železni-
ških delavnicah, postali člani
pristne unije, ki jim edina la-
hko nudi protekcijo."

Javno prispevanje za Čermakov
spomenik se ni obneslo

Chicago. — Dne 10. julija je
bil v Chicagu "tag day" ali na-
biranje prispevkov na ulicah za
spomenik pokojnega župana Čer-
maka. Ženske so pa ves dan
nabrale komaj \$6200. Odbor
za spomenik bo zdaj iskal pri-
vatne prispevke od bogatih Če-
hov in demokratov.

Vrednost delnic poskočila

New York. — Delnice na li-
sti newyorške borze so v začet-
ku tega meseca porastle v tržni
vrednosti na \$36,348,748,000,
za več kot tri milijarde. Porast
vrednosti delnic od 1. aprila
znaša \$16,433,855,000.

Skoro vse industrije zazna-
mujejo porast vrednosti delnic.

**BRITSKI DELAVCI
SE ZANIMAJO ZA
"NEW DEAL"**

Rooseveltov program izzval ši-
vahne diskuzije med voditelji
britskega delavskega gibanja

London. — Ekonomski ekspe-
riment, ki ga v Ameriki ozna-
čujejo za "new deal", zlasti pa
zakon o vladni kontroli indu-
strije, je izzval šiuhvne diskuzi-
je v delavskih krogih na tej
strani Atlantika.

Veliko se govori o možnosti
uveljavljenja sličnega progra-
ma v tej deželi, kjer se je do-
slej vzdrževalo mnenje, da je
ameriško delavsko gibanje o-
stalo za desetletja zadaj za
britakim, v kolikor se to nanaša
na reforme, katerih cilj je iz-
boljšanje položaja delavcev.

Britski kongres strokovnih
unij, organizacija, ki sliči Ame-
riški delavski federaciji, stalno
obvešča pridružene organizaci-
je o napredku kampanje, kate-
ro je ameriška vlada podvela,
da izvlče deželo iz depresije.

Britski kongres je zlasti za-
interesiran v provizije federal-
nega zakona, ki prepoveduje
formiranje kompanijskih unij
in kršenje pravic delavcev do
organiziranja v svojih lastnih
unijah s strani delodajalcev.
Ernest Bevin, glavni tajnik u-
nije transportnih delavcev, odo-
brava stališče ameriške vlade,
ki je, da je brezposelnost na-
rodni problem in da jo je treba
pobijati na tej podlagi.

Kot program ameriške vla-
de, tako tudi Bevinov načrt
vsebuje zahteve za skrajšanje
delovnika, toda v tem osiru on
ne gre tako daleč kot ameriško
delavsko gibanje. Bevin meni,
da bi uveljavljenje delovnega
tedna 40 ur odpravilo brezposel-
nost v Angliji, kar je najbrž
realna, ker ima Anglija le
krog tri milijone brezposelnih,
toda poleg tega je on proti vsa-
ki nadaljnji redukciji mezd.

**Fašisti proslavljajo mori-
lce Rathenaua**

Odkriven spominske plošče mori-
licema. Katoliškim poslan-
cem so odvzeli mandate

Berlin, 18. jul. — V navzoč-
nosti Hitlerjevega štabnega po-
veljnika fašističnih sunkovnih
čet in velikega števila fašistov
so včeraj med slovesnimi cere-
monijami odkrili spominsko plo-
ščo v Burgsalenku na poslopju,
v katerem sta se leta 1922 sama
usmrtila dva mlada morilca nem-
škega zunanega ministra Ra-
thenaua, ki je bil žid. Ko sta mo-
rilca ubila ministra, sta gbežala
semkaj in se ustrelila, ko jima
je bila policija za petami.

Plošča ima napis: "Tu sta 17.
julija 1922 umrta dva mlada in
junaška Nemca, poročnik Erwin
Kern in poročnik Hermann Fi-
scher, ki sta se borila za narod-
no Nemčijo."

Ultranacionalistični časopis
"Deutsche Zeitung" je bil več-
raj na odlok Hitlerjeve vlade u-
stavljen za tri mesece, ker je pi-
sal, da je italijanski minister
Balbo, ki je povedel floto letal
v Ameriko, židovskega rodu. U-
rednik lista je bil poslan v za-
por.

Večje število katoliških po-
slancev in poslank v rajstagu
in pruski zbornici je moralo od-
ložiti mandate.

London, 18. jul. — "Daily He-
raid" organ delavske stranke,
poroča, da so bili zadnjo soboto
veliki izgredi med fašističnimi
četami v Hamburgu, ki so za-
htevale boljše plačo. Na odred-
bo Hitlerja je bilo 12.000 čet-
nikov odslovljenih in več sto vrše-
nih v zapor.

Cleveland, O. — Člane društva št. 477 prosim, da se udeležite redne seje, ki se vršijo vsakega dopoldne. Vsi naj bodo pripravljeni na zahtevo, da se udeležijo seje brez izjeme, če bodo tako sklenjeno na prošnji, kajti na dnevnem redu so vsi važni stvari, katerih seje, bo kaznovan v smislu društvenega zaključka.

Društvena objava
Edison, Kans. — Društvo "Karl Marx" št. 225 SNPJ je na svoji seji dne 9. julija sklenilo, da vsak pasivni član plača 15c v društveno blagajno. Ta sklep velja za mesec julij in naprej. Prosim, da to upoštevate. Pozivam tudi vse aktivne člane, da plačajo svoj asessment 25c v mesecu, kajti jaz ne morem za nikogar zakladati. Ako ne bo plačano, se bom v vseh slučajih ravnal po pravilih. Upoštevajte. Frank Jelovčan, tajnik.

Proslava 25-letnice
Akron, O. — Društvo št. 170 SNPJ obhaja svojo 25-letnico s piknikom v nedeljo, dne 23. julija, na katerega vabimo vse člane in ostale rojake. Vstopnina samo 15c. Član, ki se tega piknika ne udeleži, bo plačal 50c v društveno blagajno. Za ples bo igrala dobra godba — Akron Ramblers. (To je orkester, ki redno igra na radijski postaji WJW.) Pikniški prostor se lahko najde. Vzemite Waterloo rd. v Kenmore do 28. ceste SW, potem pa čez Belt Line R. R., pa boste kmalu na prostoru. Klarič in Frank Neznany. Martin Klarič, tajnik.

Izredna seja
So. Chicago. — Naznanjam članstvu društva Delavec št. 8 SNPJ, da se bo vršila izredna seja dne 24. julija v navadnih prostorih. Na tej seji bodo oddani dobrotki ali predmeti, ki so imeli biti oddani na pikniku dne 25. junija. Po seji bo mala zabava s prigrizkom in pijačo. Pridite vsi, da vidimo, kdo bo dobil omenjene predmete. Jos. Kosich, tajnik.

Društveno obvestilo
La Salle, Ill. — Društvo Sokol št. 98 SNPJ je na juljski seji sklenilo, da vsak član in članica plača po 50c v društveno blagajno za avgust in september. Ker imamo izredne stroške in treba je plačati najemnino za dvorano, druge poti ni. Frank Drnach, tajnik.

Glede asessmenta
Milwaukee, Wis. — Naznanjam članom in članicam društva št. 234 SNPJ, da lahko plačajo svoje mesečne prispevke pri blagajnici (ses. Schiretz) na 523 S. 5th street, ali pa pri tajniku na 1509 S. 2nd street. Prosim vse člane in članice, da upoštevate pravila. Zadnji dan za plačanje asessmenta je 25. v mesecu. — Jos. Chokel, tajnik.

Iz urada društva 270
Lyons, Ill. — Članstvu društva št. 270 SNPJ. Na prošnji seji je prišlo na dnevni red vprašanje, da se nekaj ukrene glede na

še društvene blagajne, ki bo kmalu suha. Vsak mesec imamo male izdatke. Pikniki ali veselice niso sedaj preveč uspešni radi slabih časov. Zato je bilo sklenjeno, da bo društvena godba. Vsak aktivni član plača 25c v avgustu in 25c v oktobru. Od tega so izvzeti vsi pasivni člani. Prostovoljne prispevke drage volje sprejemamo tudi od pasivnih članov v korist društvene blagajne. G. Vidas, tajnik.

Premestitev seje
N. Chicago, Ill. — Naznanjam članicam društva št. 119 SNPJ, da so naše mesečne seje zopet prestavljene, in sicer na soboto večer pred četrto nedeljo v mesecu. Prihodnja seja se bo torej vršila v soboto, 22. julija, pričetek ob 8. zvečer. Vse članice ste vabljene, da se udeležite v velikem številu. Rešiti moramo več važnih stvari; slišale boste tudi polletno poročilo. Vse na sejo! Antonia Bezek, tajnica.

Skupni piknik
Harmarville, Pa. — Društvi št. 472 in 713 SNPJ (Angleško poslujoče) priredita skupni piknik dne 9. julija na Oak Hill Gardens (Harmarville Park). Uljudno vabimo rojake, da se tega piknika udeležijo. Za plesalje bo igrala Jeričeva godba. Vso drugo postrežbo preskrbi pripravljali odbor. Pričetek ob 2. popoldne (novi čas). Vstopnina na osebo 25c. Otroci s starši prosti. Apeliramo na člane, da se pokažete v polnem številu. Člane bližnjih društev in ostale rojake vabimo, da nas posetijo na tem pikniku. Na svidenje dne 30. julija! Odbor.

Društvo št. 377
Renton, Wash. — Naznanjam članom društva št. 377 SNPJ, da sem bil na redni seji dne 9. julija izvoljen tajnikom, kar naj vsi prizadeti upoštevajo ter se obračajo v vseh zadevah, tiskajočih se društva, na spodaj označeni naslov. Pozivajo se vsi člani na prihodnjo redno sejo dne 13. avg. Opozorjam, da vsak član pazi, da bo imel asessment plačan ob pravem času, zato je vsak član odgovoren sam za sebe. Naj se nikdo ne zanaša na posebne opomine, niti ne, da bo za katerega založeno, ne da bi isto predložil društvu na seji. Ako je bil kateri navajen, da je bil tajnik zalagal za njega, naj bo sedaj opozorjen, da se to ne bo godilo, izvzemši kot gori omenjeno. Radi nenadne smrti bivšega tajnika so pri društvu nastale precejšnje nerednosti, zato je vsakega člana dolžnost, da se udeleži prihodnje seje. — John Lekse, tajnik, 615 S. Main st., Renton, Wash.

Tretji piknik društva 598
Niagara Falls, N. Y. — Društvo Bratska sloga št. 598 SNPJ priredi velik piknik v nedeljo, dne 23. julija, na Nogaševih farmi pri Cooperage tovarni in Hyde Park blvd. Na tem pikni-

ku bo obilo pečene jagnjetine in raznih pijač ter drugih jestvin. Sviral bo izboren Polonja orkester, ki je dobro znan v okolici. To bo tretji letošnji piknik našega društva. Na prvih dveh nismo videli sobratov iz Buffala, Oakvillia, Tonowande, Gowande in Lackawanne. Morda niso niti vedeli, da obdržava naše društvo piknike na dotične datume. Zato pa uljudno vabimo na naš tretji piknik vse Jugoslovane iz omenjenih mest, da nas posetite dne 23. julija v obilnem številu, mi pa smo pripravljeno poset vrniti. Za ta piknik vlada veliko zanimanje, ker se bodo vršile razne igre in tekme za stare in mlade z nagradami. Kažipot: Pridite na 13th st. k sobratu blagajniku: Ivan Lozme. 258 13th st. On vas bo vodil na piknik popoldne vsako uro. Na svidenje 23. julija! Marinko Radich, tajnik.

Vašna seja društva 312
Cleveland, O. — Uljudno vabim vse člane društva Vipavski raj št. 312 SNPJ, da se v velikem številu udeležijo seje dne 21. julija. Podani bodo račun in ukrepali bomo tudi o drugih važnih zadevah. Upam, da boste točni. Seja prične ob 7:30 zvečer. H. Stanich, tajnik.

Iz urada društva št. 16
Milwaukee, Wis. — Ker so s 1. julija stopila v veljavo nova enotna pravila, sprejeta na 10. konvenciji, je s tem marsikaj spremenjenega, tako tudi glede plačevanja asessmenta, ki je najbolj važno. Kdor ne plača prvi mesec, je suspendiran in zapade 5 dni bolniške podpore. Računa se od dne, ko plača zaostali asessment. Člani, plačujte asessment redno do 25. v mesecu, drugače se bo postopalo po pravilih. Društvo nima na rokah denarja, da bi moglo plačevati za člane ases. Torej je nemogoče, da bi se za koga plačalo iz društvene blagajne. Člane, ki dolgujejo društvu na asessmentu, se opozarja, da poravnajo takoj. Brezmiselno je, če se kdo jezi na društvenega tajnika v tem oziru, kajti on ne more pomagati. 20c, ki se jih plačuje na mesec, kakor je bilo sklenjeno na prošnji letni seji, se porabi samo za društvene prispevke. Sklep našega društva je, da tajnik opozori vse pasivne člane, da se zgledajo do 26. julija pri društvemem tajniku. Kdor je začel delati, mora plačati društveni asessment, ker drugače ne more biti več član društva in jednote. Pasivni člani morajo plačati vse zaostale mesečne prispevke za čas pasivnosti v posmrtninski sklad. Kdor ne more plačati vsega naenkrat, lahko plačuje na obroke. Člani, upoštevajte to in udeležite se mesečnih sej bolj pogostoma, za kar vam ne bo žal, kajti s tem si pridobite večje zupanje med članstvom in se bolj spoznate med seboj. Seje našega društva se vrše vsak prvi torek v mesecu ob 8. zvečer v 88 Turn dvorani v spodnjih prostorih. — F. Perko.

Spomini na konvencijo

Chisholm, Minn. — Minilo je že več tednov, odkar sem se vrnila s konvencije SNPJ. Kot novinka sem se znašla v drvenju in šumu velikega mesta kot je Chicago. Naučila sem se marsikaj od onih delegatov, ki so dali dobre nasvete kakor tudi od drugih. Nekateri so trčili čas na konvenciji in niso gledali za koristi članstva in jednote.

Med delegati in delegatinkami sem se počutila kot v krogu družine. Posebno me je zanimal večni delegat br. Šetina, ki sicer ni mnogo govoril, temveč večkrat zažugal s palico. V kratkem času smo se delegati spoznali med seboj.

Zanimale so me igre, ker sem že prej večkrat slišala, kako izurjeni so čikaški igralci. To izurjenost v resnici pokazali pri prizorih igre "Mrak". Postavila se je tudi mladina s svojo igro, ki me je zelo zanimala. Bratje in sestre, le tako naprej!

Nekega večera smo se odpeljali k br. Verderbarju, bivšemu tajniku SNPJ, kjer so nas z veseljem sprejeli. Br. Verderbar in njegova soproga sta nam vse razkazala. Njegov prostor je podooben parku, kakršnega ni daleč na okoli, na katerem se vrše razne prireditve. Razšli smo se v nadi, da se bomo še kdaj zdravi sestali skupaj.

Mladí Godina nas je vozil v svojem avtu in nam razkazoval in jasno tolmačil razne čikaške zanimivosti. Zanimal se je za me tudi bivši Minnesotčan, br. John Tranković, ki je uposlen pri telefonski kompaniji. Vozil nas je okoli ter nam v družbi Ludvika Riglerja, ki biva v Chicagu, pokazal več zanimivih stvari.

Imenitno smo se imeli na zabavi, na katero me je povabil klub Gopher. Ta zabava je bila prirejena za Minnesotčane, ki sedaj žive v Chicagu. V njih družbi sem se prav dobro zabavala.

Pri družini Smith, kjer sem stanovala, sem se počutila kot doma. Prav tako sem se počutila pri družini br. Vidra, tajnika SNPJ, kamor sem bila povabljena. Z Vidrove soprogo sva se pogovarjali o Minnesoti in mestu Ely, kjer je ona pred leti stanovala. Želim, da bi se enkrat skupaj sešli v Minnesoti.

Po konvenciji sem se odpeljala v družbi clevelandskih delegatov v največje slovensko naselbino v Ameriki, Cleveland, na obisk sorodnikov, prijateljev in znancev. Pozdrav vsem gl. odbornikom, delegatom in delegatinkam ter prijateljem.

Piknik kluba št. 27

Cleveland, O. — Klub št. 27 JSZ priredi skupno s pevskim zborom "Zarja" piknik na 6. avg. na Pintarjevi farmi, E. 260, severno od St. Clairja. Zavedajoč se naše delavske dolžnosti, vabimo vse, ki se zavedajo, da spadajo v delavski razred, da se istega udeležijo, da se v prosti naravi malo pozabavamo in razveselimo in pozabimo na bedo ki nas tare.

Zarjani kakor vedno nas bodo zabavali s svojim petjem, govorniki nas bodo poučili o pomenu delavske in politične organizacije in delavske solidarnosti. Oddana bo tudi krasna ura, domačega izdelka, dobitek od iste gre v korist Proletarcu.

Delavci in delavke, premislite dobro, zakaj nas tare beda in pomanjkanje. Zato, ker se v polni meri ne zavedamo svoje moči! Zato, ker še pretežna večina delavske mase čaka nekakšnega odrešenika ali Mojzesa, da ji bi vstvaril obljubljeno deželo. Delavci! Ali naj ovca pričakuje od volka, da bi ji pričaral lep zelen pašnik? Ali naj mi

delavci pričakujejo od naših krovosov, da nam vstvarijo nebesa na zemlji? Od nas samih je odvisno, da se rešimo verig, v katere smo vklenjeni. Organizirajmo se, ustanovljajmo socialistične postojanke. V slogi je moč, nesloga nas meče v žrelo nenasitnemu krvoloku — kapitalu.

Vsi na klubov in Zarjin piknik 6. avg. od blizu in daleč!

Odbor.

Protestni shod proti šolskemu atentatu

Chicago. — Prihodnji petek ob 8. zvečer bo v Auditoriju na Madison cesti velik protestni shod proti kapitalističnemu atentatu na čikaške šole. Atentat je prišel do vrhunca, ko je šolski odbor ukinil nižje srednje šole in Crane Junior College ter vse postranske aktivnosti, ki so potrebne za šolsko mladino posebno v velikih mestih.

Shod sklicujejo učiteljske organizacije in splošni odbor za ohranitev šol. Vstopnina na shod je prosta. Ker je za preprečitev te nakane čikaške plutokracije potrebno, da ljudstvo najglasneje protestira proti odredbi šolskega odbora, se čitatelje urgira, da se udeležijo tega shoda kot vseh demonstracij proti atentatu na čikaške šole.

Vabilo na piknik

Luzerne, Pa. — Komitej za osvoboditev Tom Mooneyja in W. Billingsa prireja piknik v nedeljo, 30. julija, na Lenavagovi farmi, Franklin Junction. Kazipot: Vzemite Ashley avtobus do St. Marys rd. Delavska zaveza nam veli, da pomagamo osvoboditi znana delavska boritelja, ki sta postala žrtvi razredne justice pred 16. leti. Na pikniku bi igral slovenski tamburaški zbor iz Forest Cityja. Na razpolago bo običajna postrežba.

Večerni izlet "Save"

Chicago. — Ko bo v soboto večer dne 5. avgusta večerno solnce — polna luna — posijalo, se bo pričelo življenje na Keglovem vrtu v Willow Springsu. Razlilo se bo po livadi pod cesto, v gozdičku in v dolini za progno. Na plesišču pa bodo rajali mladi in stari, vsi urnih peta. Z drugo besedo: To bo moonlight piknik socialističnega pevskega zbora Save, na katerega ste vabljeni vsi. Vstopnina niska — 25 centov — in "new deal" postrežba.—Savan.

V obvestilo društvom v Chicagu

Chicago, Ill. — Program kluba št. 1 JSZ za prihodnjo sezono je sledeči: Dne 29. oktobra slavnost tridesetletnice kluba št. 1 JSZ v dvorani ČSPS. — V nedeljo 26. novembra koncert pevskega zbora Save, odseka kluba št. 1 JSZ, v dvorani ČSPS. Dne 31. decembra Silvestrova zabava v dvorani SNPJ. — V nedeljo 4. februarja 1934 dramska predstava v dvorani ČSPS. — V nedeljo 25. februarja priredba prid Proletarcu v dvorani SNPJ. — V nedeljo 29. aprila 1934 koncert pevskega zbora Save v dvorani SNPJ.

Društva v Chicagu se uljudno prosijo, da pri aranžiranju svojih priredb upoštevajo gornji seznam.—Peter Bernik, tajnik.

Sporno vprašanje

Delegatom zadnje redne konvencije

Cleveland, O. — Vprašal sem gl. tajnika, kako tolmači nova pravila glede plačila assessmenta pasivnih članov v smrtinski sklad in glede izrednega assessmenta za odškodninski in operacijski sklad, pa sem prejel od njega odgovor, da upravní odsek tolmači to tako, da pasivni člani, ki postanejo aktivni po 1. juliju 1933, plačajo assessment v smrtinski sklad za ves čas pasivnosti, glede izrednega assessmenta pa, da je isti v veljavi tudi še za mesec julij, ker do sedaj še ni bil preklican.

Jaz za svojo osebo moram ugovarjati temu tolmačenju, to pa iz razloga, ker se ne more nobenega plačila zahtevati za nazaj, ako ni to izrecno navedeno v pravilih. Nadalje glede izrednega assessmenta istotako smatram, da je isti v dnevom, ko so stopila nova pravila v veljavo, to je s 1. julijem 1933, sam od sebe prenehal. Od tega dne plačujemo assessment po novih pravilih in torej je treba novi assessment ponovno razpisati, ako je dokaz, da je potreben.

Da ne bo članstvo — kajti članstvo je vendar jednota — oškodovano vsled napačnega tolmačenja — vsaj po mojem mišljenju je to tolmačenje upravnega odseka napačno — prosim brate delegate in sestre delegatinje zadnje konvencije, da pošljejo gl. odboru pred polletno sejo, ki se bo kmalu vršila, svoje mnenje, da se bo videlo kdo je v pravem. Večina je pač večina, katero je treba povsod upoštevati. Bratski pozdrav.

Ludvik Medvešek, bivši delegat in odbornik za pravila, 5.

Komentar upravnega odseka:

Ko je ena prejšnjih konvencij osvojila točko glede pasivnosti v pravilih, se ni takrat nikomur niti sanjalo, da bo leta 1933 do 8000 članov na pasivni listi; iz tega razloga je bila omenjena točka tudi tako liberalna. Čas pa so se izpremenili in zato je morala zadnja konvencija tudi točko radikalno izpremeniti. Točna definicija glede zaostalega assessmenta je izostala in vsled te pomanjkljivosti je moral nekdo tolmačiti vsaj do časa, dokler se ne snide gl. odbor. Upravni odsek jo je tolmačil v interesu skupnega članstva in v ta namen naj služi sledeče pojasnilo:

Aktuar (veščak v tem poslu) nam je svetoval še pred konvencijo, ko smo se posvetovali z njim, naj konvencija popolnoma opusti člen pasivnosti, ako pa se to ne da izvesti, naj se sprejme, da morajo pasivni člani, ko postanejo spet aktivni, poravnati assessment vsaj v smrtinski sklad, ako nečemo postaviti v nevarnost naše solventnosti. Isto izjavo je aktuar podal odboru za pravila ob času konvencije.

Torej, ako hočemo sedanje

članstvo — to je one, ki redno plačujejo — obvarovati pred izrednimi dokladi v smrtinski sklad, ki lahko pridejo, če ne bomo previdno ravnali, tedaj je naše tolmačenje na mestu; če pa je sedanje članstvo pripravljeno plačati izredne assessmente tudi za pasivne, je gl. upravni odsek zadnji, ki bo temu nasprotoval.

Ako bi se pasivnim članom odštela članaka doba za čas pasivnosti, potem bi ne bilo bojazni zaradi izrednih doklad, ki so neljube članom in prav tako tudi upravnemu odseku, tako pa ta privilegij postavlja smrtinski sklad v nevarnost. Pasivni člani ne plačujejo ničesar za časa pasivnosti vzlic temu, da ima gl. urad posla z njimi in je bila jednota do 1. julija t. l. obvezana plačati za njimi tudi pogrebne stroške do vsote \$250. Upravni odsek simpatizira z onimi pasivnimi člani, ki so bili vsled depresije prisiljeni postati pasivni. Marsikateremu članu smo pomagali, kolikor se je pač moglo. To naj pasivni člani upoštevajo. Poravnanje assessmenta v smrtinski sklad — ki ga član lahko odplačuje v obrokih, kolikor zmore — se ne sme smatrati za nobeno diskriminacijo, pač pa za veliko prednost pred redno plačujočim članstvom.

Če bo gl. odbor tolmačil to vprašanje drugače, naj pripomnimo le to, da smo kot odgovorni uradniki s tem svarjlo izvršili svojo dolžnost in ne bomo odgovorni za posledice.

Argument, da se ne more nobenega plačila zahtevati za nazaj, ne drži, ker tu se ne zahteva ničesar, pač pa je pogoj za pasivnega člana, če hoče postati spet aktiven in taki pogoji so zakoniti.

Glede izrednega assessmenta naj bo pripomnjeno le toliko, da zaključek gl. upr. odseka se je glasil, da je izredna doklada v veljavi do preklica. Nova pravila nimajo nobenega oprava s to doklado in tudi točka glede izrednega assessmenta je v pravilih ostala neizpremenjena.

Toliko v pojasnilo.

Za upravni odsek:

Fred A. Vider, gl. tajnik.

Federacije SNPJ

Seja federacije

Cleveland, Ohio. — V ponedeljek se vrši redna seja clevelandške federacije SNPJ v SND na St. Clair ave. ob 7.30 zvečer. Pozivajo se vsi zastopniki društev, da so gotovo navzoči, kakor se tudi vabi in želi, da se seje udeležijo vsi delegati zadnje konvencije iz Clevelanda in okolice, ker bo važno v korist članstva kot organizacije. Odborniki društev, katerim je organizacija in dobrobit članstva pri srcu, so tudi pozvani, da se udeležijo te seje, ker se bo razmotrivalo tolmačenje novih pravil, o katerih so že društva sama razpravljala na svojih sejah. Ne pozabite v ponedeljek 24. julija v SND na St. Clair ave. ob 7.30 zvečer.

Naše telo

Država brez strankarskega prepira.

Najnovejša raziskovanja so pokazala, da nimajo naši veliki možgani večinoma nič opravka z vodstvom notranjega obrata v našem telesu. Ohranitev nespremenjene sestave krvi, vzajemno razmerje med dihanjem, krvnim obtokom, izločevanjem itd. potekajo čisto nezavisno od volje pod vplivom sil, ki niso podrejene možganom. In to je dobro, ker se vršijo ti procesi tako najbolje.

Med temi nezavisnimi silami imajo največjo besedo znani "harmoni" in "samostojni živčni centri". Preden so jim prišli na sled, so odkrili celo vrsto svojevrstnih "avtonomnih regulacij" v telesu. Sem spada npr. dihanje, ki mu je v prvi vrsti namen spraviti ogljikovo kislino iz krvi in ji dovažati kisik. Človek sicer lahko poljubno globoko ali površno diha, a to do neke meje. Izkazalo se je, da eksistira v "podaljšanem hrbeniškem mozgu" center, ki obvladuje ves proces dihanja. Čim doseže količina ogljikove kisline v krvi določeno stopnjo, se ta center razdraži in dihanje se avtomatično spodbudi.

Podobno čudovito sodelovanje kažejo tudi procesi pri prebavi. Pri sprejemanju hrane se v prebavnih organih tvorijo snovi, ki spodbujajo želodec in črevesje k živješemu delu. Velik del krvi se pretoči v te organe, da si nabere hranilnih snovi. Tako se dogaja, da imajo možgani med prebavo prilično malo krvi, kar ima za posledico znano zaspanost po jedi.

Najvažnejši so pa pripomočki, s katerimi si organizem ohranja nespremenjeno sestavo krvi. Ne glede na temperaturo, ki se uravnava z znojenjem, večjim ali manjšim delovanjem mišic itd., mora telo skrbeti za to, da se koncentracija soli in hranil v krvi ne spremeni. To se dogaja lahko za vedno, s tem, da občutimo nedostajanje hranil in mogoče kot glad in žejo, ali pa brez naše volje z "notranjimi transakcijami". Tu odločujejo nove odkrite sile: harmoni in samostojni živčni centri. Harmoni se izločujejo iz žlez v krvi in povzročajo n. pr. porast ali padec krvnega tlaka, povečanje ali zmanjšanje sladkorja, pospešitev ali zadržanje rasti itd. Vsak harmon ima svojo protivno snov, ki učinkuje povsem nasprotno. Tako zmanjšuje insulin količino sladkorja v krvi, adrenalin jo poveča. Smotreno sodelovanje takšnih protivnikov ustvarja v organizmu ravnovesje.

Autonomni živčni centri so, kakor rečeno, prav tako zavisni od naše volje in so harmonom čestokrat celo nadrejeni. V teh centrih so "priključne postaje", ki preiskujejo potrebo telesa po posameznih solih in hranilih in sporočajo hormonskim žlezam svoja povelja, da vržejo v kri določene hormone, ki spravijo organizem spet v red in ravnovesje.

KAJ POROČAJO IZ NEMCIJE NOVEGA

Prvič: da je pruski prosvetni minister Rust izdal odredbo, po kateri se nemški učenci se mladini prepovedujejo študijska potovanja v inozemstvo, dokler ne dokaže, da je že dovoljno poučena o lastni domovini in da je sposobna kritično presoditi delo in stopenjo tujega ljudstva. Na isti način je prepovedano odpotovati v tujino dijaštvo po izmenjalnem sistemu. Skratka, hitlerjevski režim se strahno boji, da bi se nemška mladina iz tujine ne vračala z zreliimi nazori glede vrednosti hitlerjevskega hipernacionalizma.

Drugič: Državni komisar Hinkler je napovedal, da bo vlada strogo pazila na to, da bodo člani narodno-socialističnih organizacij in vsi, ki si to lahko privoščijo, obiskovali gledališke predstave. Torej obvezne poset gledališč . . . To je pa tudi edini način, da pridejo dela kakšnega Göbbelsa, Kubeja in drugih narodno-socialističnih veljakov, ki se v prostem času bavijo celo z "dramatiko", do svojega občinstva. In sicer do občinstva, ki ne sme niti živigati . . .

Le Brun, predsednik Francoskega parlamenta, ki je pred kratkim kritično Roosevelta zaradi njegove lutne politike.

Ženske popravljajo ravo

Plavalasje se ne delajo plavalaske

Prednost, ki jo dajejo moški okus ta čas plavalasem, je bila vzrok, da so se nolaske v pre mnogih primerih naveličale čakati na čas, ko prišla vrsta nanje, in so se ko hoči poplavalasile.

Temni lasje se pod spretnimi rokami spreminjajo v vse temnejšo plavavost, tako da se moderni pesnik vprašuje v njih verzih, zakaj je bila nam tako krivična, da je večini ne podgila temne lase. Neki se di moč, o katerem pravijo, se razume na ženske, pa predlagal anketo med prednostnimi pesniki, slikarji, družbenimi levi, da-li zasluži aka z umetno plavimi lasmi, ziv blondinke.

To je res težko določiti, obenem morda tudi zelo neumno. Nekdanji svet je strogo čil med naravo in umetno umetnost in narava pa sta danes tesno zvezali v službo nje moderni legi vnanjosti. Nam je že vse eno, da se barvajo purpurno ali zlato in dobivajo obrvi pa ustnice č drugačno obliko, nego jo je la narava, bi nam moralo vse eno, da dobivajo tudi lasi vsako leto drug barvni odten.

V ženski živi večna želja, bi bila videti vedno nova, spremljena, a če se spreminja prej pred vsem z ustvarjanjem novih oblačilnih mod, če se spreminja danes s posebnimi in kirurškimi posevki, ji ne moremo močiti, "ha hoče biti vsako malo drugačna tudi po svoji lasi.

Ko umetnost preveč preda, se postavi narava itak moč sebi za svoje pravice. To vidimo n. pr. v tem, da hajajo po letih moško ostrbi glav, spet nekoliko daljši lasi modri, a po sedanjem protinju umetnih plavih las ni č mja, da napoči skoraj doba, bodo naravni lasje spet v steh in ko bodo moda in uganili, da so tudi temni vredni vsega upoštevanja.

PORODI V NEMCIJI NA DUJEJO

Dožim je bilo v Nemčiji začetku stoletja vsako leto okrog 2 milijona novih rojstih, danes komaj še 900.000, kakor je povedal te dni neki konferenci minister Göbela.

To dela hitlerjevski vladni misli, da je rešitev nemškega ljudstva v njegovem močnem porastu, seveda velike skrbi išče sredstev, kako bi ljudje spet navdušila za razmnoževanje.

Kakor je dejal Göbela, vlada podpira to navdušenje pred vsem s tem, da bo vsakim otroku v družini s 10 imovitejšim in družinam s 10 otroki ali brez otrok pa 500.000. Tudi plače javnih učiteljev bo uravnava po številu otrok, podporo za vsako samce pa se bodo zmanjševali.

Zadeva društva št. 66
 Br. Mike Fatur, član društva št. 66, Trinidad, Colo., je bil zatožen pri društvu, da se je udeležil društvene seje za časa, ko je bil bolan, zakar mu je društvo odtegnilo 9 dni bolniške podpore, nasprotno pa mu je gl. bolniški tajnik odtegnil samo pet dni, namreč za dva prestopka.

Brat Fatur se je pritožil pri gl. bolniškem tajniku, da se mu godi krivica. Uvedena je bila osebna preiskava, katera se je vršila dne 11. junija t. l. in potem je bila vsa zadeva predložena gl. porotnemu odseku v razsodbo. Ta odsek je zadevo še natančneje preiskal in našel sledeče: Da je br. Fatur imel od zdravnika posebno dovoljenje, da sme hoditi na sprehod in da se tudi sme udeleževati društvenih sej. Nadalje predložena izjava dokazuje, da se je br. Fatur dne 6. februarja t. l. javil zdravega. Dognano je, da se je samo dne 8 in 12. januarja udeležil društvenih sej in to z dovoljenjem zdravnika.

Na podlagi tega je gl. porotni odsek soglasno zaključil, da br. Fatur ni kriv kršenja pravil in da je upravičen še do vsote bolniške podpore v znesku \$7.50, za katero je bil prikrajšan.

Starost živali in rastlin
 Doživljaji pogumnega zdravnika

Človek rad pretirava možnost trajanja svojega življenja in še vedno čitamo o 150-, 160- in celo 190-letnih starih. To so pa bajke. Prva meja za človeško življenje leži okrog 100. leta in še to doseže le redko število ljudi, ki jih lahko doseže cipresa? In kako malo je 100 let proti 3000 letom, ki jih lahko doživi tisa, ali 2000 letom, ki so določena cedram in kostanjem! Tudi o drugih rastlinah vemo, da morejo doseči lepo število let, hrasti, buke in lipe n. pr. tisoč, topoli 700, vrtnice preko 400 let. Iglato drevje učaka "komaj" 400 let, vinska trta 130 let itd.

Kar se tiče živali, ne kažejo takšne trdoživosti. Zelvi pripisujejo sicer 300 let, ačuki in slonovi 250 oziroma 200, papigi 150 let, kar je seveda dosti v primeri s človeškim življenjem, a nič v primeri z življenjem rastlinskih rekordov. Ujeda se z okroglo 110 leti držijo človeških meja, medvedje so s 45 leti in tigri ter levi s 25 leti dosti podi mejo. Med domačimi živalmi dosežeta velboid in konj 45 let, govedo 25 let (isto toliko ptice pevke), ovce in koze 15 let. Zanimivo je pri mravljah, kjer doživlja samica do 12 let, samec pa le 12 tednov.

Iz vsega tega je videti, kakor da je narava zelo krivično razdelila dolgot življenja med svoje žive stvore. Seveda pa ne gre toliko za dolgot, kolikor za notranje bogastvo kakšnega življenja. In v tem oziru nimamo baš mi ljudje nobenega razloga, da bi se potoževali.

Čedeži moderne kirurgije
 "Srčne operacije"

Pred časom je neki ljubosumni mož v Hamburgu oddal na svojo ženo več streljav in ena kroglica je obitkala v jetrih. Od tu je poročala v srce, ki ga je kirurg odprl, da jo je odstranil. Žena je pozneje umrla — toda zaradi bolezni na jetrih, ne v srce!

Na Dunaju je več šiber prebilo nekemu dečku srce. Otrok je polagoma umiral. Tedaj so mu odprli prsni koš in popravili srce s celo vrsto šivov. Deček je ozdravel.

Človek ni brezpogojno mrtev, če se mu srce ustavi: V Lilleu so odstranili neki deklici iz prsne votline kakor dečja glava debel izrastek. Med operacijo so morali srce, ki je bilo vse stlačeno od izrastka, ustaviti. In vendar se je deklica potem zbudila.

V Stockholmu so imeli sličnega primer. Tam so morali nekemu pacientu z vso hitrico odstraniti zagato v srce. Mlad zdravnik je izvršil to tvegano operacijo. Pacienta so uspavali, pljuča mu niso več dihala, srce so ustavili. Po operaciji so srce zažili — in pacient je spet oživel.

Sunek z nožem v srce je smrten, če se nož izvleče iz srca. Takšen človek umre od notranje izkrvavitve. A od bodljaja v srce ne umremo takoj, niti če se nož izvleče iz njega. Ljudje z najtežjimi srčnimi ranami so ostali na nogah še stotine metrov. Cesarica Elizabeth je s prebodehim seem lahko dospela še z nabrežja na ladjo in šele tu se je zgrudila ter umrla. Sodobna medicina pozna mnogo takšnih primerov.

Seveda umetnega srca ni človeku še nobena medicina dala v nadomestilo za poškodovano

in pokvarjeno naravno srce, pač pa se znanost bavi tudi že s podobnimi poskusi. O raznih ameriških, ruskih in madžarskih učenjakih smo čitali o takšnih poskusi. Američan Gibbs je poskusnemu psu nadomestil srce z gumnatim arcem, ki je utripalo redno s pomočjo električne aparature. Ruski eksperimentatorji so s silno preciznimi aparaturnami, ki so delovale kakor srce, obranjevali v živilih življenje še cele ure.

Znanost sicer še ni ustvarila homunkula, umetnega človeka, v svojih retortah, a zato se ji je posrečilo reševati ljudem življenje še v takšnih primerih, ko ga stara znanost ni mogla več rešiti. In to je za danes najvažnejše.

Well Worth Repeating

It is well worth repeating the fact that fraternal societies are carrying on their fraternal work through the present financial storms—without any government assistance—because they operate on fraternal, co-operative and mutual basis, and because they are operated in the interest of their membership and not for private gain. While, on the other hand, we noticed that the federal reconstruction finance corporation came to the assistance of the old-line commercial—private—insurance companies to the tune of more than eighty-two million dollars since its establishment in February, 1932, not one fraternal society has received a dollar from that source. And in spite of this—in spite of the most pressing demands for various loans upon the societies—all of the fraternal societies are still in existence and doing business.

Private insurance companies are operated primarily in and for the interest of the few, while fraternal societies carry on their fraternal work solely in the interest of their entire membership; therein lies the difference between the two.

Also Worth Repeating

Following are a few facts and figures that will well bear repeating:

"The fraternal societies on the American continent have paid more than four billions of dollars in benefits to their members and their beneficiaries. They have a membership of approximately ten millions of people, with insurance in force of over ten billions of dollars, and assets of more than one billion dollars."

When we let those facts and figures seep into our minds, we will recognize the importance and magnitude the fraternal societies play among the working people in this country, where social legislation is practically unknown. The entire work now in the hands of fraternal societies really belongs to state and federal protection, but until such time arrives, which eventually must, we as wage earners must protect ourselves through our fraternal societies which to us offer the best means of protection.

Look Up Former Members

We believe that the time is close at hand—at least in some localities—when we should see the members who became passive or suspended during the past two years because they were unable to meet their obligations. Invite them to come back into your branch. They need the protection the SNPJ is offering to them, and they will be glad to become again members of the branch they had been a member of, if they are approached and invited to come back to their old lodge and the Slovene National Benefit Society. Act now.

It may be pleasant to have an artistic temperament but you'll be more likely to succeed if you know how to handle a hammer and saw.

The man who merely does his duty should not expect applause.

Official Notice

DISCONTINUANCE OF SPECIAL ASSESSMENT

In accordance with the decision of the Administrative Committee at its meeting July 14, the members insured for disability benefit shall no longer be required to pay the 10c special assessment into the disability fund after August 1, 1933. Members shall resume payment of regular assessments beginning with August 1, which members and branch secretaries are requested to note.

That the special assessment was not discontinued with July 1, when the new by-laws became effective, is due to the fact that the disability fund maintained but a marginal reserve at the close of the month of June, and a large number of disbursements according to the old by-laws were anticipated during the month of July. Every argument that the special assessment was no longer in effect with the validity of the new by-laws is without ground, as the same section remains unchanged in the new by-laws. Any branch failing to remit the special assessment for the month of July shall be proceeded against according to the by-laws.

A number of questions regarding the new classes of insurance have been received by the Supreme Office, to which we hereby reply that the members will be advised in regard to this matter immediately upon completing all necessary preparations for the changes. Members are requested to defer any inquiries until such time.

FRED A. VIDER, Supreme Sec'y.

Kumer's Comments

Universal, Pa.—Perhaps it doesn't pay to be too self-conscious, and perhaps nobody noticed it anyway but an article which appeared in the Prosveta two weeks ago disturbed me no little bit. The haunting picture of the Rudolph Rosendals type, washing my teeth and crying "Curse! foiled again, but my chance will come and vengeance will be mine", has pursued me since.

No, Andy, I am not and I was not disgusted with the convention. I am sorry if you understood me to feel that way. In fact a person would have to be decidedly unfair to experience a feeling of disgust in the face of the convention's generally fine work—its decision to continue its progressive tendencies, its plan for reinstating old members and its change of benefit scales—to mention just a few things which were done at the convention. But since I am practically forced into an admission I may as well say that some things occurred which were not entirely to my liking.

In the first place it is somewhat mystifying to me to conceive where the Society will benefit greatly by the reduction in salaries which it effected of the Supreme officers and other employees who have never been overpaid—in comparison to the salaries of similarly employed executives and employes in any line of either private or public business. The total savings effected will not—I believe—compensate for the unconscious decline in incentive which will undoubtedly occur, resulting in a loss to the Society.

Another feature of the convention which was not entirely to my liking I had intended to "let well enough alone," but now I must explain—and therein lies a story:

At our last Federation meeting during a lull in the regular routine of business, readings were given of the reports of members of the Supreme Board regarding their work during the term of their incumbency. One report in particular caught the attention of the delegation. It was a masterpiece—no mistaking that; in fact for sheer artistry it was unsurpassable. So profound was its effect on the delegation present that one of the delegates jocosely made a motion that the author of the report be sent \$25 as a token of appreciation for his excellent work in the interests of the SNPJ. Incidentally the Convention delegates who were present could not have missed the attitude of the Federation members toward the author of this report.

Now one's literary expressions are not necessarily a true and complete criteria for one's character yet it cannot be denied that they do go a long way in showing what it is, and "tootin' your own horn" too much does not commend itself to a person of normal intelligence at any time. Yet this author was rewarded by the convention in being elected to one of the highest positions in the SNPJ—mind you, I'm not criticizing him—he didn't elect himself. I'm just trying to figure out with all the power of my puny mind to comprehend, how in the deuce the convention managed to put through the good work that it did, and also do this which was—well, let's hope for the best and expect—anything. At any rate perhaps the senior delegates did right in denying Youth more representation on the Supreme Board, if Youth could not show itself better fitted by presenting better material than—well, the author of the—d—me—my report for instance.

Max G. Kumer, Lodge 715.

Young Americans

Were you at the last regular meeting of the Young Americans Lodge? Were you satisfied with the number of members who attended? It seems that each month fewer and fewer members come to the meetings. Let's begin the latter part of 1933 by taking an active interest in the meetings and in the affairs of the lodge. It has been mentioned that many do not know the day on which the regular meeting of those, I would say that they are held on the second Wednesday of each month and begin promptly at 7:30 o'clock.

For several seasons, the Young Americans have had a girls' baseball team, and it is to the great disappointment of many that the girls are without a baseball team this summer. However, several members are playing on other teams in the Detroit League. Sisters Tillie, Agnes and Isabelle Wershniak are playing with the Bon Ton Club of Detroit. Tillie pitches and Agnes catches, while Isabelle plays right field. Sister Edith Nagel is on the Kelly Sisters team playing first base and shortstop. I know that I am not alone in hoping that our girls will have a team of their own again next season. (Detroit, Mich.)—"Snookle."

Here and There With Comrades

Cleveland, Ohio.—It seems that our articles were not the only ones missing in the last few issues of the Prosveta. It must have been the holidays that were to blame. So much planning, excitement and what not. This happened to be the cause of our absence from the paper, and since there won't be another holiday for a month and a half, the articles should be increased in each issue. So let's see all the old scribes back on these pages.

A few of the Comrades girls spent the July 4 week end visiting friends in Western Penna. These girls wish to thank their friends and relatives for the nice time they had while out there. While visiting at the Klanchar home in Belle Vernon, they had the opportunity of meeting Rambler Joe of Harmarville. The Federation Picnic in Herminia was also attended by these girls and there they met a lot of new folks; and wish to thank Frank Kolesha and Jack Prejza for chaffering them from one town to the other.

We were also asked to jot down a few items about our outing. We believe Bro. Jarc has written about everything that was important. The boys were all willing to teach the girls how to swim.

How about another outing in about a month or two? So many members were sorry they didn't attend last time that they are all planning to attend the next one. So let's speak up at our meeting and ask for what you want.

Our boys beat the strong Spartan team last Tuesday by the score of 6-2. This shows much improvement in the team, as the Spartans have just returned from Chicago where they claimed the SSPZ championship in baseball. Eddie Zaletel was the winning pitcher and he also showed his batting ability by hitting a home run during the 4th inning. "Grange" Laurich also batted out a home run and a double to bring in 2 runs for our side. July 29 our boys play the Pioneers at Gordon Park (No. 7).

Odds and Ends

Met the Strimlan family while visiting out their way. Forgive us for forcing ourselves on you, kind folks. ("Strings" belongs to the same family.) Frank Kolesha kept singing "I love you truly" time and again. Mrs. Smole is still an ardent fan at the baseball games. Thanks for the card, Max Traven and Anna. Louis Kosela gives a good idea of co-operation. Saint and Sinner.

FLASHES By Incognito

WE WANT every Pioneer to attend the July meeting Friday the 21st. Besides the usual business which will take in several important reports we will have dancing and refreshments. Rodman's seven piece orchestra will play. Our usual drawing shall be for \$5.00.

THE PIONEER meetings are conceded to be good meetings. They are valuable from the standpoint that you can always learn something by attending and they serve as a means of making the necessary acquaintances. However, we can still improve them greatly and are adding new features, discussions, debates, a mock trial and lectures of short duration, to fulfill the tastes and desires of everyone. So come to the meeting. We'll have something new every time.

ANOTHER PIONEER affair, the Moonlight Outing has been placed in the records as a success. The skies were clear and the moon showed up but the night was cool. Nevertheless, a fairly good attendance was had and to our satisfaction a good time. The crowd was entirely from the ranks of the young folks. Somehow the elders have completely stayed away.

NOW for the big Annual Pioneer Picnic on Sunday, August 20. The committee has begun to delve into the problems of amusement and prizes and reports that games and races with prizes shall be offered exactly as in the past. Those of our people who attended any of our past annual events know that we offer as complete a program with as much variety as has ever been witnessed.

SIMON TROJAE and Blas Novak are additional delegates for the Illinois Convention of the Continental Congress. They will represent the Slovene local No. 65, C.W.C.U. and Lodge Slavija No. 1, SNPJ. Other lodges are urged to make their selections this week and send them to Springfield Saturday and Sunday.

JOSEPH BRINOCAR writes that twenty two Slovene delegates have thus far reported and expects the number to reach 35. Chicago now has nine as we learn that John Rak

is to represent the Victorians of the SSPZ. All the Slovene delegates are asked to get together Sunday noon for a caucus and picture.

Last Friday Eleanore Vogrich has been operated upon for appendicitis. In another week she will be at home. Appendicitis seems to be rampant again. We have had three recent cases.

Slovene and Yugoslav workers are urged to join genuine labor union now. A great campaign is in progress to organize the workers in all trades and industries and the National Industrial Recovery Act gives workers the right to union membership and collective bargaining. Unless the unions become strong wages will remain low while commodity prices soar to high levels. Which will mean more misery for the workers.

We were sorry to learn of the injury to our new Supreme Officer Frank Barbich of Cleveland and hope he will soon be well again.

Jolly Allis

West Allis, Wis.—Our annual outing will take place at Army Lake Aug. 6. All members are invited and are urged to come. The lodge provides beer and the entrance free. The meeting place will be at Erman's, and promptly at 9:00 a. m. we will leave for the lake. Everyone is to bring his own lunch. What could be a pleasanter way of spending the day than at this lake with the lodge members swimming, boat riding, dancing, all kinds of games? And here's one time we aren't charging members any admission. One thing is important: Members, let me know if you are going and if you are taking any friends with you.

At our next monthly lodge meeting we would like to see as many members as possible present. In October we intend to have our big Fourth Anniversary dance. We will need all the members' opinion on the orchestra, hall and general management of the dance. A. Yersin.

STRUGGLERS

By Lindy

Cleveland, O.—The Strugglers wish to pay tribute to Bro. John Stonich, first president of SNPJ, who was laid to rest Monday, July 3. Bro. Stonich at the age of 70 was still a fighter for SNPJ. We all mourn his loss for it is a loss to everyone that knew him.

Records Broken
One of the largest crowds ever to attend a picnic in this city was shattered last Sunday when the United Singing Societies held their grand singing festival. A group of 500 voices was heard and the attendance was estimated over 5,000. Everybody had a grand and glorious time. It also resembled as if SNPJ convention was taking place with the following convention delegates present: Bolha, Brass, Zornik, Mecnik, Simcic, Trebec, Mermolja, Kafaric, Wick, Traven, Blatnik, etc.

On a Visit
While on a friendly tour of West Virginia and Penna over the Fourth,

I saw many things of interest. Working conditions still remain pretty bad in general, while in places things look a little better. Also visited three various reforestation camps and found them very interesting.

Good Work

Our good friend, Joseph Jarc, Comrade president, sure possesses a bag of news when he releases it. His column is great and we hope to see it oftener.

Seems as though in some lodges the members are not as active as they used to be. Of course, when one works for the interest of his organization it is perhaps natural that some will find fault very quickly. But just a word to you: Don't be a quitter, fight on. The English lodges hold the future of the SNPJ. Fall in line and continue to work as you have in the days gone by. It's for your interest and the SNPJ.

New Fraternal Prospects

There is a new type of fraternal insurance prospect on the insurance horizon whose promises to increase rapidly during coming months. It is the men and women who have never carried any fraternal insurance, who, possibly, have never been solicited to carry fraternal insurance, but who have sold to its value through the experience of friends and others during the past three of economic upheaval. They are slowly back to work—in the office, in the factory, many odd places of employment—not in unit numbers but spread over many diverse lines of business and industry in small groups here and there.

This is not any startling bit of information to some of the live, wide-awake men and women in the field. Some have been cashing this "prosperity trek" in handsome amounts.

The alert men and women in the fraternal insurance selling field have discarded old prospect files and are making out new. They have forsaken the beaten paths to one's and that one's door and are blazing trails in heretofore dormant or untried fields. Thinking people—and the great majority think when it comes to matters touching pocketbook—have learned that fraternal insurance is the safest, strongest, most dependable savings bank in the world.

These working men and women have through bitter and painful experiences, have seen business and financial institutions in which they had the most implicit faith crash around them. They have, as is known what it was to be financially embarrassed—yes, broke, flat broke. Through they have seen the fraternal benefit societies carry on unperturbed. They have noted the institution of life insurance is one that not had to call in the wrecking crew but the other hand, has continued to prosper add to its strength and stability.

These men and women are going back to work now. They are starting all over again provide protection for home and family. They have learned a sad and pitiful lesson which will not be forgotten during their lifetime. They are interested today in "safety first" they never realized its meaning before. They want "safety first" in the depository of savings, in providing for their old age and the protection of those they leave behind.

Fraternal insurance provides the answer all of these vital human problems, and proven its worth in the severest test any business could be exposed to.

Don't overlook the man or woman who want to add to his or her insurance, but, in all things, find those who have carried on but who have become convinced of its worth through the experience of relatives and friends. They are not difficult to find. They are back to work in the small plants and the big ones, a few today, a larger number tomorrow. With steady income once more assured, workers will be alert to securing those which only fraternal insurance can give.

Good Intentions

Capitalism isn't cruel although "It may have wrought considerable mischief and confusion in the last few years, but it did it with the best of intentions in the world. Capitalism, least in this country, set out to make every man rich and happy, in order that they may have more automobiles and electric irons."

So reasons the New York Times which says that it is the Hitlers and Stalins "that set out to ride over human beings and crush them. It is an easy way to sweep aside the terrible disaster which capitalism has brought to hundreds of millions of people but its premise is not true. Capitalism did not set out to make everybody rich, no more than the United States entered the World War to save democracy."

Capitalism is a social order, one of those that has appeared in history, and it is dominated by a class that own its main property. It has made that class rich and its promise that happy state to the working masses—like the farmer who attached an ear of corn to a stick and hung it just beyond reach of the mule's mouth. No matter how hard the mule pulled the load the corn remained the same distance from it. The prospect of a meal from the mule produce more. Eventually the mule was worn out and his prospective heaven lapsed but his owner in the meantime was fat and sleek.

The "good intentions" of capitalism and the good intentions of the mule owner—nothing more.—New Leader.

Most of the people bent on seeing life not see well by daylight.

(Continued from page 7)

our moral duty to support them whenever and wherever they are engaged in a just dispute.

4.

WHEREAS the Tenth regular convention of SNPJ in session in Chicago in May, 1933, enacted articles of the by-laws which cover the text and contents of the Resolution for Voice of the Members in Prosveta which was accepted at the Ninth Convention, therefore

BE IT RESOLVED that the above mentioned resolution is hereby repealed, said repeal to be effective July 1, 1933.

5.

WHEREAS the Tenth regular convention of SNPJ ruled that real estate loans to members shall be discontinued, and as this ruling precludes the renewal of old loans the terms of which are from two to five years, therefore

BE IT RESOLVED that the Tenth regular convention gives the Investment committee the power to renew all such loans if the value of the property has not decreased so much as to endanger the security.

Submitted resolutions on Soviet Russia and Yugoslav Day were rejected by the committee.

The Committee on investigation and review of the administration reported on cases of Lodge 518, Detroit, and Lodge 318, Baggaley, Pa. In the latter, Judicial committeeman Podboy was accused of falsification of the minutes in the trial of a member. The committee found Podboy innocent as the by-laws were not violated in any way, and considers the accused to be a victim of personal vengeance.

Election to decide the next convention city followed, and the city of Cleveland, Ohio, was selected.

SESSION 13 May 29, A. M.

Supreme president Victor Petek of the Yugoslav Benefit Union "Sloga" addresses the convention, and expresses greetings and best wishes in the name of his organization.

A formal charge in English against the Excursion bureau was presented to the Investigation committee by Delegate Vratarič of Lodge 204. (See pp. 214-215 of the Slovene minutes.) The committee read the minutes of its meetings held to investigate these charges, in which appear the testimonies of members of Excursion bureau, Zupancic, Olip, Alesh and Cainkar, and of Brothers Malovrh and Vratarič.

The committee reported to the convention that they audited the vouchers and books of the bureau (these were found to be poorly set up) and that apparently these were in order.

The committee recommended that the Society shall not engage in any similar enterprise in the future.

Motions and contrary motions on the report bring protests and explanations by members of the committee who state that the case is closed as far as they are concerned.

A motion by Zaitz that those concerned testify to the convention, which shall debate the issue, and that the time so taken up shall be made up by a special evening session, carries by majority vote.

The following brothers: Zupancic, Olip, Alesh, Molek, Cainkar and Zaitz made their individual reports and statements before the Convention, whereupon a motion that all concerned be cleared of any and all suspicion and the matter closed, was adopted.

SESSION 14 May 31, A. M.

Two resolutions submitted by the Resolutions committee were accepted as follows:

2.

BE IT RESOLVED THAT IF two or more lodges in a community desire to merge in order to decrease lodge and administrative expenses, they may do so if the members of each lodge vote in favor by two-thirds majority.

All the members must be notified in writing of the meetings, the purpose of which must be stated. Members who paid assessment for the previous month may vote on the question.

The united lodges shall retain one of the lodge numbers, but a new name shall be selected, as well as new officers if the officers of the lodge whose number is retained are not willing to function until the end of the term. All the assets and liabilities shall immediately be transferred to the merged lodge. Members who do not agree to the merger may transfer to any nearby lodge.

Report of Committee on Review of the Administration

All the supreme officers were called before this committee and questioned as to their respective departments, as were also the office employees, the janitor and the chairman of the supervising committee. On the basis of these reports, the committee prepared and presented six recommendations.

Report of Publications and Institutions Committee

A resolution submitted by this committee for the establishment of an SNPJ farm was rejected by the convention.

The minutes of the committee's meetings were read, in which it is stated that Godina, Cainkar, Molek, Alesh and others were heard in the matter of Prosveta daily with a view of determining the best course to pursue in order that the daily may be retained. A resolution to this end is read, and on motion of Zaitz copies of this resolution are prepared and distributed to each delegate.

The Appeals and complaints committee here reported on the cases of Valentin Podobnik of Lodge 234, Andrew Bigovich of Lodge 374, and delegate Drop of Lodges 23 and 200.

Follows a debate on the Prosveta daily. The resolution accepted is as follows:

WHEREAS the Prosveta daily was of greatest assistance in the development of the SNPJ, and is still the best means toward further growth, and

WHEREAS the paper is in a critical financial condition, and as the Tenth regular convention of SNPJ in session in Chicago in May, 1933, realizes the necessity that Prosveta daily be continued; to this end, therefore,

BE IT RESOLVED that

a) The Prosveta and printing departments be merged, and that the present system of voluntary subscriptions be retained,

that 5 members of a family who receive the weekly, may be grouped for one daily subscription (instead of only 3 members as at present), but if one member of the family ceases to be a member, he shall pay the difference towards the subscription if he desires his own paper, or the term of his subscription shall be shortened accordingly.

b) The supreme board may give financial aid to Prosveta daily from the administrative fund, if necessary.

c) The wall calendar may be discontinued for the benefit of the daily, if necessary.

d) Mladinski List may be merged with Prosveta and the reading matter of the former published in Prosveta, and the funds for issuing Mladinski List transferred to Prosveta.

The daily can not be discontinued except by two-thirds vote of the entire supreme board. The administrative committee and the business manager shall see that campaigns for new subscribers and advertisers are conducted at all times.

SESSION 16 June 1, A. M.

The Publications and Institutions Committee submits this resolution on the printing department which is given as it was accepted:

WHEREAS the SNPJ has always championed principles of organized labor and the Prosveta constantly advocates unionism and defends workers' rights, and

WHEREAS the present economic crisis has dealt a heavy blow to Prosveta since large numbers of members are out of work, and many subscribers have been so lost, while on the other hand, the printers' wages in these critical times are extremely high, especially if we consider the financial condition of Prosveta and its struggle for existence, and

WHEREAS it is in the interest of printers and the unions to consider the present situation of Prosveta and its subscribers, and to help to save the Prosveta, since they would gain nothing with its suspension but would lose materially, and since it is in the interest of the SNPJ and the labor movement generally to do whatever possible to save the daily, therefore

BE IT RESOLVED that the Tenth regular convention instructs the administrative committee not to sign the four year wage agreement with the printers' union because this term is too long, and because the wage scale disregards the situation of the Prosveta and of our members, and further

That the administrative committee undertakes such steps to save the daily as the financial condition of the paper demands, that is, if necessary, move the Prosveta to another city where the wage scale is lower.

Report of By-laws Committee

All sections of Articles XXVIII, LII to LXV accepted as recommended. Article LXVIII provides for class "B" 20 year paid-up insurance, and also that loans for assessment may be made to members carrying this insurance from their accrued reserves. This article accepted as recommended.

Five resolutions submitted by the Resolutions committee and accepted as follows:

WHEREAS social insurance and legislation against unemployment, sickness and accidents, and old age disability is extremely necessary to the workers in America, and

WHEREAS social insurance is the means through which the workers will eventually be relieved of maintaining their own benefit societies, as this social work will be in the care of the state, and as it is, further, a step forward on the path to the workers' ultimate goal, namely, the socialization of the means of production and distribution, therefore

BE IT RESOLVED that the Tenth regular convention of SNPJ approves the movement to bring about such legislation and recommends that the members of the Society support it morally and materially wherever possible.

AND WHEREAS the Continental Congress at its session in Washington, D. C., May 6 and 7, 1933, clearly showed the American workers and farmers the way to achieve the goal of social legislation and a new economic and social system in this Republic,

IT IS FURTHER RESOLVED that this convention approves the decisions of the Congress, and that the Society publications shall write in accordance with these decisions and declarations.

Lodge News Notes

HARMONIZERS LODGE

Roundup, Mont.—Since March 4, the president has been telling Congress what he wanted done, and Congress more or less willingly has been doing its part. Laws have been thrashed out and passed to save our nation at the brink of disaster.

On July 5 the Harmonizers Lodge, No. 700, SNPJ, passed a ruling that may help to save the harmony and good will among the Harmonizers. The main subject was the payment of dues. Hereafter dues may be paid on the meeting nights, and nights of 24th and 25th of each month are also reserved for that purpose. We hope that this arrangement may do away with all the misunderstanding and delay.

Another important discussing was, sponsoring a picnic, which interested our members and also the outsiders. We who live in this part of the Treasure State were blessed with lots of timber on our hills and coulees; we have lots of steers and sheep grazing on our plains and hillsides; we have lots of open country to make whoopee, and we have several Senior Lodges that would probably enjoy our tasty barbecues. The last but not least we may have lots of 3.2 to wash it down with, so think it over you girls and bring your plans for settlement at our next session which will be on August 2. As for the boys, they are to furnish man power and carry out your plans, so let's see if you can put our boys to work.

Members of Lodge Harmonizers are asked to attend all meetings regularly each month. All absentees will be called upon for reason of not attending.

The next meeting will be held August 2, commencing at 8 p. m. Members, don't forget that date!
Frank Polsak, Sec'y.

INTEGRITY WEEK BY WEEK

Chicago, Ill.—Along with the coming of better times, our members are taking advantage of their opportunities and are going on their much earned vacations. The "new deal" is a welcome stranger to our midst. Promises have been made with the intention of being broken, but there still are some who believe in their integrity.

Restoration of the normalcy of pre-depression days can be attained by the "fat pay envelope." Raise wages and broaden and deepen the foundation of returning prosperity. The stability of our buying power can effectively be sustained in no other way. In our program of recovery there is no sounder policy than the soonest possible wages increase. Where the choice exists it is sounder to restore wages than it is to increase dividends or to restore them. Capital like labor, is entitled to its hire but labor comes first in any reasonable program of recovery.

Not only in the raising of wages but through the continuation of a confidence in our "new deal" will we really be able to turn that elusive but much sought corner. As was stated previously our members have that confidence in our newest of new "eras." May we all do our bit and before we know it we will have returned to our former good times and things will be humming.

The delightful and ever charming "Cookies" has left on a two-week trip through the northwest and Canada. Integrity's writer M. Fleishacker is in Wis. . . . Rambling Joe just came back from that good old Buckeye state. . . . Trailors are making their annual trip to southern Ill. . . . All of you members, don't forget the beach party, if you really want an enjoyable time. Have been trying to get some inside information on the party but the committee wouldn't be prayed—for the only satisfaction I could get was "be there and see", so I guess all of us will have to be there and see. The date is—? — F. J. M.

BADGER NEWS

Milwaukee, Wis.—At our last regular meeting the following were elected as officers of the Badgers to fill the unexpired terms of the respective positions: Anton Kannikar, Pres.; John Spek, Vice Pres.; Edward Jerab, Treas.; Leo Schweiger, Sec'y.

This is to notify all Badgers that your assessment will be accepted only every Friday in the week between the hours of 6 to 9 p. m. and also on the 24th day of each month, the last day to pay your assessment. So please arrange to pay your assessment on those days, pay it on or before the 24th of each month, for failure to pay on time you are liable to suspension.

Please co-operate as much as possible with your secretary. My address is 816 W. Bruce (formerly Park St.) Leo Schweiger, Sec'y.

"FRIENDSHIP"—1928-1933

Forest City, Pa.—Whistles are blowing, flags flying, crowds cheering—what is the cause of all this excitement? A gallant ship is entering the fifth port, the port of "Higher Hopes and More Success." In bold letters can be seen the name, "Friendship." The crew stand at attention while the captain begins: "My worthy seamen, you have accomplished your task, you have brought our ship safely into port. Your efforts have not been in vain. I am proud of each and every one of you. For five years you have labored diligently and now you have earned a holiday. Each

one of you may lay aside duty, and spend your way to Lower Lake Forest City on Sunday, July 26. There will be entertainment for everyone, races, games, swimming, and all kinds. Trucks will leave the Naprej Hall at 12:30 o'clock. Men are requested to pay a fifty cents, and the ladies are requested to bring a substantial lunch. Bring your friends with you. I know you will enjoy your trip. That's all!"

We want you to follow the captain's advice, and take it from one who knows; it sure is good advice. Join with the crew of the "Friendship" in their greatest entertainment of the year.

VERONIANS

Verona, Pa.—Come on, you heads. Let's get out of this and start something. What's happened to the Veronians? No hears about them any more since Radojeic went away; the Veronians seem to pay no attention about being to contribute an article to Prosveta once in a while.

At the last meeting plans were made to hold a picnic at the hill Gardens. Now here's something, something for us to get together on and also to renew old acquaintances with the other lodges. The picnic will appear in the issue of the Prosveta.

Here's a couple of dates for Veronians to reserve: The Ramblers picnic July 30 at the Oakhill Gate and the Comets' picnic later will appear in the next issue of paper.

Congratulations Revs and Mrs. Sela on winning the first half of City League at Ambridge. Keep the good work and show them SNPJ mushball teams can do. The reins of Rafey and Busky Veronian boys also won the first in our district. With such success as Rafey, the Kerns and Poundling the ball over the lot our infield playing errorless with the superb pitching of Steve and Steve, our boys have a chance of winning the second. And then the snappy looking set that our boys have, representing Lodge colors of white and blue; what more could a mgr. ask? what do you say, gang, let's let our standings up among the lodges; in other words—Let's get up!

RAMBLERS' REPOSING

Harmarville, Pa.—The next thing will be held at the home of Anne Radojeich, 648 Elm Way, Harmarville, Pa., at 2 p. m. D. S. T., on August 20. The attendance at the last reposing was fair, but let's have a better score at the next meeting, Aug. 20.

Don't forget the Rambler Harmarville Senior Lodge joint picnic, which will be held on July 26 at the Oak Hill Gardens (from Harmarville Station), beginning 2 p. m. D. S. T. and continuing on. —John Jerric and his orchestra keep you stepping along the way with "hot polkas" and smooth waltzes and fox trots. Refreshments will be plentiful. The admission is only 50c per person. All you need to bring yourself and your quarters.

On to Springfield

Springfield, Ill.—The Central Congress, Illinois division, will be this Saturday and Sunday, July 28 and 29, in Springfield, in the Club Auditorium. One thousand delegates are hoped for by the writers. Twenty-two delegates were elected in Springfield, that the writer is of. —But an easy 35 delegates will be seated from the Capitol. Twelve these are Slovenes.

Those elected Sunday were: No. 47, John Ocepak, John Hodak and Mrs. Antonia Church; SNPJ No. 184, Mrs. Mary Kramar and Mrs. Mary Ostrosnik; JSZ No. 47, Aidich and Tony Per.

Are any Yugoslav delegates elected over the state besides Ocepak, Benid, and Springfield? Katalinich of Benid is plugging the Congress. But others are quiet. —What's the matter?

On to Springfield! Don't get about cats and floor space until you get here. We'll manage some somehow. An effort is being made to get Nat'l. Guard cots for the unemployed.

And Springfieldians, one kind son said she could take in two cots at their home over-ride, or four in an emergency. Can you have the emergency. Can you also, to take care of our visitors? If so, leave your name and address at Dom, with Cematars.

The Annual stockholders' meeting of the local Slovene National Bank will be held Sunday, July 29. New directors will be elected and annual reports made. Visitors are welcome. Remember, at 2 o'clock. —Joe G. Brumby
