Dear Mici!

receive my affectionate greetings. Oh, Mici, I can't even describe to you how happy I am. Tonight when I came home from the farmland it was very hard when I didn't see Micka anymore.

Everybody here says hello and ask if you are coming back soon. We are all coming soon to Yankee. Write to me how the journey was, what dad and mum said and how things are.

I send you my warm greetings and thousands of heartfelt kisses. I think about you day and night.

May God be with you,

Say hello to your parents, sister and brothers.
