My dearest sweetheart!!!

I love you more and more and you are always on my mind, so I am writing you right away and sending you my warm greetings and kisses. I received your letter yesterday and the one from Novak's wife, too, and I am thankful for that. I expect next Sunday you'll come here so do come here if possible.

Yesterday we came home at 9 o'clock in the evening, we stopped at Gruje's farm in Raton and we got quite drunk. I thought about coming to Yankee again. Mici, when I left Yankee I told You I would send You some money. So I will wait until Sunday: if you come here I'll give it to you, if you don't I'll send it.

Now accept my greetings which I'm sending you from my honest heart. Mici, I don't think I could ever scorn you because I know that your heart is the kind of heart I always wanted. Greet your parents, the whole family, the Novaks and all the others.

May God be with you, you are my everything.

Write to me please.
