ANDREJ FRELIH.

Barberton, Ohio. — V Rittmanu, Ohio, je umri za pljučnico dne 30. dec. Andrej Frelih, doma iz Žirov. Bil je član Slovenskega samostojnega društva "Domovina". Pokopan je bil dne 1. januarja. Ker je bil tudi član društva "Kanarek" S. N. P. J., mu je to izkazalo zadnjo čast z obilno udeležbo.

Pokojnik zapušča vdovo z štirimi malimi otroci.

Dne 17. januarja je zopet posegla v naše vrste kruta smrt in nam iztrgala brata George Badovinaca, rojenega dne 3. oktobra, 1878 v Okucanah, Slovenija. Vzrok smrti je bilo vnetje sapanika. Pokojnik je bil član petih različnih društev. Tudi njega je članstvo spremilo na zadnji poti. — John Garber, predsednik društva Domovina.

JOHN ŠEBAT.

Johnstown, Pa. — Nagle smrť je za vedno zaspal dne 15. januarja moj edini brat Josip Šebat v starosti 42 let. Pokojnik je bil doma iz vasi Bodešče pri Bledu na Gorenjskem. Lepo se zahvaljujem društvu "Vボ" št. 53, katero ga je spremilo z zastavo in podarilo lep venec v zadnji pozdrav svojemu članu. Hvala tudi vsem posameznikom, ki so darovali vence in obiskali pokojnika na mrtvaškem odrvu ali ga spremili k zadnjemu počitku. Lepo se zahvalim delničarjem na Holmes ave. za njih požrtvovalnost. Pokojnemu bratu želim miren počitek. Za seboj zapušča žaljuča oceta in mater, dve sestri v Jugoslaviji in Marijo Zupan in svaka Johna v Johnstownu. — Marija Zupan.

JOE ALIC.

West Frankfort, Ill. — Ne-mila smrt je ugrabila iz naše sredbe brata Joe Alie. Pokojnik je bil streljač pri Old Ben Co. v rovu št. 8. Dne 17. jan. po-poldne je šel že zdrav na delo, ob sedmih zvečer pa je bil mrtev. Načrti je imel samo še 3 strele, ko ga je doletela nesreča. S stropa se je utrgala skala, ki ga je pokopala pod seboj in bila na mestu mrtev. Skala je bila težka eno tono.

Kojnik Joe Alie je bil rojen v Zabukovju pri Sevinci dne 7. aprila 1876. V Ameriko je prišel leta 1902. Pogreb se je vrnil dne 21. jan. na pokopališče Frankfort Heights. Ker je bil pokojnik pokopan civilno, so se udeležila vse tri društva, dasi je bilo slabo vreme. Pokojnik zapušča v starem kraju brata, tu pa dve hčeri, Avgusto Alie, staro 17 let in Gabrijelo, sedaj omogočeno E. F. Jaycox. Naše društvo izreka iskreno sožalje. — Martin Mlekuš, tajnik

ALI NI BOLJ PAMETNO POMEŠTI NAJPRVO PRED SVOJIM PRAGOM?

Člani Slovenske narodne podporne jednote se še spominjajo, kako je rev. Černe kričal o komišnih od obveznic v Amerikanskem Slovencu in pri tem zvito kazal na gl. odbornike S. N. P. J., ki so bili opravičeni kupovati obveznice za S. N. P. J. Direktno ni nikdar obdolžil teh odbornikov, ampak slikal je S. N. P. J. in njen gl. odbor, kakor da vladja v S. N. P. J. strašna korupcija. Uredništvo je rev. Černeta večkrat pozvalo, da naj imenuje krompičioniste v S. N. P. J., kar rev. Černe ni do danes storil. Razprava z njim je končala na ta način, da rev. Černe ne pozna razlike med besedama komišen (provizija) in popust (koncesija).

Pred nekaj dnevi se je pa vršila seja gl. odbora K. S. K. J. Na tej seji je bil navzoč tudi rev. Černe, neki časnikar, advokat, zdravnik itd., kar je posneti iz priobčnega zapisnika. Rev. Černe je privedel tudi s sabo zvestanca o obveznicah. Iz priobčnega zapisnika ni razvideti, ako je ta izvedenec podal kakšne nasvete, kako se ujamejo oni, ki prejemajo komišen od obveznic, ki jih kupujejo za svojo organizacijo. Tozadovna vprašanja in odgovori ne povedo ničesar novega, kar ni vsakemu intelligentnemu delavcu že znano.

Zanimiva je debata, ki se je razvila po teh vprašanjih in odgovorih.

Tako se n. pr. o tretji seji z dne 20. januarja glasi dobosedno:

Brat Zalar vpraša Rev. J. Cherneta, da z ozirom na priobčene članke v "Amerikanskem Slovencu", bi rad znan, če misli uradnike K. S. K. Jednote, da niso zmožni svojega posla?

Rev. Černe odgovori: Nisem mislil in bom podal to zadevno pojasnilo in izjavo ob času.

Zapisnik ne pove, če se je gl. tajnik K. S. K. J. zadovoljil. Zapisnik četrte seje z dne 20. januarja pa pove, da se je razprava o obveznicah nadaljevala.

Razprava o obveznicah prične šele po podanem počilu gl. nadzornika K. S. K. J. Zuliča. Oficijski zapisnik K. S. K. J., ki je bil priobčen v Glasilu K. S. K. J. z dne 1. februarja t. l., pripoveduje dobosedno:

"Br. Zulich konečno, predno zaključi svoje izvajanje, zahteva od gl. tajnika br. Zalarja, da mu prinese poslovno knjigo, v kateri se vknjižujejo prejemki za Jednoto. Nato vpraša gl. tajnika, koliko je nakazal za Royal Oak, Mich. bonde?"

Br. Zalar odgovori, da \$21,256.33.

Br. Zulich vpraša br. Zalarja, ako je prejel kot neko prizov ček za \$54.16 za Jednoto?

Br. Zalar odgovori, da se ne spominja.

Br. Zulich pa potegne vnovčeni ček iz žepa in dokaže navzočim, da je bil tak ček poslan za Jednoto, da je bil vnovčen in da nosi kot zadaj podpis br. Zalarja, ki ga je vnovčil. Obenem pripomni, da ga v poslovni knjigi ni mogel najti, ker ni bil vknjižen.

Br. Zalar in z njim br. Grahek izjavlja, da je morda to močče, kar povzroča, da se nahaja na banki več denarja, kot je vknjižen.

Br. Zulich izrazi dalje, da je to nepravilnost tajnika, kar je dokazano in zahteva, da se to prizna.

Br. Zalar izjavlja, da je to napaka, prva napaka tekom 18 let njegovega uradovanja."

V tretji koloni, na drugi strani in v isti izdaji Glasila K. S. K. J. se zopet glasi:

"Br. Zalar, gl. tajnik, pripomni k poročilu br. Zulicha, da je bila njegova napaka glede prinesenega čeka od Royal Oak Co. bondov. "Nikakor pa nočem, da bi se me sumilo kake tativne." Opozori, da so br. Zulich in z njim ostali odborniki podpisali račune in zapriseli pred notarjem. Sedaj pa pride s takimi izjavami na dan."

Br. Zulich odgovarja, da je vzrok tega nastopa to, ker se je v javnosti govorilo, da se pri bondih dela komišen. On pa želi, da se stvar prešteje in izčisti.

Br. Zalar odgovarja, da so se kupovali bondi in da je bil popust vedno objavljen."

Iz zapisnika je razumeti, ako se čita med vrsticami, da gl. tajnik ni prejel provizije (komišna) za obveznice Royal Oak, Mich., ampak bil je popust (koncesija) za K. S. K. J., o kateri gl. tajnik trdi, da je napravil prvo napako v osemnajstih letih, ker ga ni zanesel v knjige.

Zapisnik o tej seji, ki je priobčen v Glasilu K. S. K. J. z dne 1. februarja ne pove, da je rev. Černe izpraveval gl. tajnika K. S. K. J., zakaj ni te koncesije vknjižil v knjige in na kakšen način je bila izvršena pomota, dasi-

ravno se je rev. Černe v Amerikanskem Slovencu svoječasno šopril, da on odkrije korupcijo v vseh slovenskih bratskih podpornih organizacijah in je pri šopirenju posebno kazal na Slovensko narodno podporno jednoto.

Prosveta je povedala že enkrat, če kateri gl. odbornik katerekoli bratske podporne organizacije v državi Illinois, ki je pooblaščen kupovati obveznice za svojo organizacijo in je plačan za svoje delo od organizacije, prejme komišen ali koncesije in jih ne odračuni svoji organizaciji in jih sam spravi v svoj žep z namenom, da se okoristi, izvrši zločin poneverbe. Iz tega sledi, ako se je kateremu gl. odborniku dokazalo, da je pridržal komišen ali popust, ki ga je prejel od tvrdke, ki trži z obveznicami, se mu mora še dokazati, da ga je pridržal z namenom, da okoristi sebe.

Na seji gl. odbora K. S. K. J. je bil navzoč tudi odvetnik. Zapisnik seje gl. odbora K. S. K. J. z dne 1. februarja pa ne izkazuje, da je odvetnik ali kateri gl. odbornik omenjene bratske podporne organizacije to pojasa.

* Če je gl. član bratske podporne organizacije plačan, ne stori prav nobene razlike v činu, ako je bil komišen ali popust, ki ga je spravil v svoj žep brez dovoljenja organizacije, spravljen z namenom, okoristiti samega. Poneverba je v vsakem slučaju. Ako odborniki br. organizacije niso plačani, pa imajo pravico kupovati obveznice, in jim organizacija dovoli, da imajo pravico do komišna pri takih kupčijah, pa izvrše vseeno poneverbo, ako si pridrže popust (koncesijo) z namenom, da se okoristijo. Zakaj? Tvrda, ki kupuje z obveznicami, je dala popust bratski podporni organizaciji in ne gl. odborniku. To potrdi ček v takem slučaju, ki se glasi na ime organizacije in ne na ime gl. odbornika. Vselej je treba dokazati namen, zakaj se je pridržal komišen ali popust, pridržanje denarja je pa potem drugi dokaz, da se je res izvršila poneverba. To pojasnilo je bilo potrebno, da članstvo razume, kaj je dolžnost gl. odbornikov dokazati, ako doženejo, da si je gl. odbornik pridržal komišen ali popust in ga ni vknjižil v računske knjige, da ga lahko obožijo poneverbe.

Na kakšen način se dokaže namen za okoristenje samega sebe, pa v enem prihodnjih člankov.

SLIKE IZ NASELBIN

Kampanja društva "Cleveland".

Cleveland, Ohio. — Začetek leta ni prinesel tega, kar brezposečni delavec pričakujejo z vsakim novim letom. Marsikdo si predstavlja bodoče leto boljše, ko pa pride novo leto in pa začne misliti in računati, koliko si je prihranil ali pridobil, največkrat zaključi, da je ostal daleč za pričakovanjem. Edino kar vidimo danes, je, da smo z vsakim letom starejši in zaslужeni je manjši, preostanka ni, pač pa v mnogih slučajih obratno. Kot se čuje in čita po časopisu, je ogromna brezposebnost po vseh državah; tudi pri nas v Clevelandu ni samo izvzeti. Pa vkljub temu smo vedno židane volje. Predpost je tu in vsakovrstne zavade na vseh koncih in krajih. Društvenih prireditev in svetovne manjka, vedno kdo skoči v zakonski jartem. Vsega je v obliki, tako da bi se moral človek kar na več kosov razdeliti, da bi jih mogel vsaj malo poseti.

Zato je na društvo "Cleveland" št. 128 S. N. P. J. v Clevelandu razvilo kampanjo za nove člane skozi celo leto v oba dela. Društvo plača zdravniško preiskavo in da tudi prosto prispolnilo, poleg tega da še na grado za vsakega novega člana in članico, enako tudi za otroke.

Društvo šteje čez 400 članov, pa imamo tako malo število otrok v društvu, da bi me bilo kmalu aram se izraziti: 125 otrok! Ne vem, kje so ostali?

Ali so pri judovskih "inšurenčih", ali kje so? Pri nas jih ni! Zelo vesel bi bil, da bi v tekom letu vsi člani in članice tega društva vpisali vse svoje mlajše v tisto društvo, kamor sami spadajo. Potem pa ko vsaj mlajši dopolnijo 16. leto, skrbite, da prestopijo v članski oddelek. To jih ne stane nič. Ako pa se hočejo več zavarovati kot za \$600 posmrtnine in \$1.00 bol. podporo, se pa morajo podvrediti zdravniški preiskavi; drugače ne.

Nikar ne pustimo, da nam uidejo in se nam odturnijo. Vas ka družina! naj bo geslo. Vsi za enega, eden za vse. Tako bo vsaka družina ostala pod okriljem društva in jednoto (kot je moja). Upam, da ne bo glas vpijajočega - puščavi, pač pa da bo sleherni član storil to, kar mu je po rod pravilno. Želim, da bi te vrstice posnemali vsaj oni, katerim so v spodbudo. — John Gabrenja, tajnik.

Sezidajmo si dom.

De Pue, Ill. — Po dolgih trinajstih letih mojega bivanja v tej novi domovini me je prijetja želja, da bi se malo oglašila v našem listu Prospective. Ce bodo že moje vrstice gledale beli dan ali ne, ker moj je to prvi dopis. O delu ne bom poročala veliko, kar sem jaz tukaj, je zmeraj po navadi. Ce gospodje vidijo, da jim nosi lepe dobitke, malo bolj "zarona". Za nas delavec je pa tako kot povsed. Srečen je, kdor dela, ceprav težko, ker lahko dela tukaj ni. Kar je nas Slovence tukaj, že imamo po navadi že več let. Imamo tri svoja društva, samo to je za nas žalostno, ko ne moremo na članstvu napredovati. Ce precej ča- pa smo na enem samem mestu.

Ker se že vse, kar je slovenskega, naturalizira, je vložiti prticijo za naturalizacijo tudi na znani slovenski Kurent Pust.

Kot interesantna osebnost ni povabil samo dveh državljanov za priče, temveč celo društvo "Pionirji", kateri so sklenili, da ga udejajo v ameriško javnost dne 1. marca, to je ne večer, ko bo Pust obhajal svoj rojstni dan. Ta slavnost je preimenitava, da bi se vršila na kancilji, zato so jo "Pionirji" aranžirali v dvorani S. N. P. J. Tudi imen Kurenta Pusta ni nabito na kanciljski tabli, katere tako nihče ne pogleda, temveč bodo vse informacije podane slavnemu občinstvu v časopisu.

Angloški parlament otvorjen. London, 8. februar. — Angloški parlament, ki je počival dva meseca, je bil danes otvorjen z običajnimi srednjeveškimi ceremonijami.

ŽARKOMET

Koliko jih je, ki poljubujejo oslico?

Brisbane, modra plešasta glava, je te dni spet zapisal tole: "Stari Egipčani so častili bika. Bik je bil njihov najvišji bog. Perzi, ki so udri v Egipat, so navadno zaklali božanskega bika, ga spekl in pojedli. Zato so jih Egipčani smrtno sovražili. Aleksander Veliki je bil bolj pameten. Ogledal si je bika, se mu poklonil in rekel, da je to najboljši bog, kar jih je vi del. In Egipčani so z veseljem sprejeli njegovo načvilo. To nas uči, da moramo spoštovati vero vsakega človeka. Čim bolj se ali slišal, da bi bile razpisane nove volitve za prezidenta po enem neščnem incidentu, ko je prejed "mrvo sušil". Predsednik zborja konštirata, da je to vprašanje z dnevnega reda. Tako je ostalo vprašanje, če je Coolidge še prezident, nerešeno. Kdor si ga upa rešiti, naj ga reši v tej koloni. — Radovednež.

OUR FIRST ANNIVERSARY IN A DANCE.

I know there are quite a few lodges which are wondering what's wrong with the New Era, of West Park. I'll bet they think we're slow or dead; but don't worry, there's always a spark of speed and pep in every one of us.

At our last meeting we decided to celebrate, in honor of our first anniversary, with a masquerade dance. It will be held on Feb. 26, at 7:30 P. M.

and at the usual place, J. D. N. Hall on W. 130th and McGowan Ave.

The Hojer trio, the well known accordion players, will furnish us the music. There will be three cash prizes awarded to the winners. I only wish that every one will try and mask for that night. I know there will be a good time for every one present, because all of our previous dances were a success.

Our two other lodges of Cleveland are cordially invited to attend this celebration.

Members of the New Era, kindly return all admission tickets that are not sold by Feb. 23, to Sister Madiich, not later than the 25th. I hope none of you will have to return any.

Well, so long and am looking for another success.

Publicity Manager.

OUR FIRST ANNIVERSARY.

Springfield, Illinois.—On February 13, the Lincolnenites will formally observe the departure of the first year of our organization and with a confident spirit welcome our second year at a big public dance at Carpenters' Hall, Seventh and Adams Streets.

This hall will be resplendent with streamers of bright colors stretched across the entire hall and the whole in keeping with the season. We probably will have confetti and serpentine. A varied assortment of favors will be given, you know, crepe hats, horns, noisemakers, etc. And now add music, spirit, life, vigor to the scene and you can see that you will be thrilled even more than if you were on the Cannibal Island, stranded, and the natives were rushing at you, wouldn't you? hah! We say y'does.

The Original Rainbow Serenaders Orchestra will play at this function at which we want the young folks and the folks that call themselves old. In other words, we want everyone with us. Lately our social functions have been marked by a total absence of our elders. In the future let us endeavor to cooperate more closely together.

And to the members we want to say, try hard to sell the remaining tickets, and when you come up Sunday, bring some friends along with you. The latest report has it that about 75 per cent of the tickets have been sold.

Caution: Sunday night if the mortman on the car is slow, do not harm him, he patient. We will wait for you. For even if the doors and windows are thrown open immediately after six o'clock and sunbeams add sunshine and peaches which spell welcome from the Lincolnenites, appear. The main show stars off with a bang! at 8 o'clock, Central Standard Time, and lasts until 12:00 o'clock (?) Standard Time.

A few words about our last meeting, which was attended by about fourteen members. Let us all try harder to be there after this. No pleasure hour was held, because of the poor attendance. Future entertainments were also discussed.

Two young ladies, Misses Anna and Josephine Dollar, were initiated at this meeting. Unless the membership wakes up, few Lincolnenites will have gotten their 1927 members. Let us hustle, brothers and sisters!

I'm closing, let us advise that in the remaining hours talk, incessantly, only about our dance and our lodge, and in this way help the publicity committee and the branch.

Publicity Committee.

"YOUNG AMERICANS" NO. 564.

Detroit, Michigan.—The "Young Americans" Lodge 564 of the S. N. P. J. will give its first dance of the year. Since there are hard times here in Detroit now we thought of giving a big "Hard Time Dance" in order that everybody could come. Even if they have not an evening dress suit, they are welcome.

We have obtained a special dancing permit in order that we can dance from seven o'clock in the evening until two o'clock in the morning. The dance is to be held on Saturday evening, February 19, 1927; everybody can be merry until the end, because they will not have to worry about work.

The "Young Americans" will have one of the best orchestras in Detroit, the "Orioles". This music is suitable for old and young.

There will be five prizes and tickets will be given free with each paper cap purchased.

A good time assured for all; so come in "Hard Time Rage!"

So don't forget to come Saturday, February 19, 1927. Dancing from 7 P. M. to 2 A. M. The "Orioles" Orchestra. Everybody welcome!

Entertainment Committee, Chairman

Vincent Bence, Lodge 564.

FLASHES

Two corking events took place last week, and have been written into the history book for the Pioneers. One, a little supper in honor of our Supreme Officers, at which one heard most anything from jokes to very serious remarks. The other, a surprisingly well attended Bunco Party with splendid prizes and many of them.

We have already started the task of preparation for our next event. This is to take place on the evening of March 1st, and is to be known as "Pust" Night. For more information, see other articles in this and future issues.

The lodges at Springfield and Waukegan will celebrate their first anniversaries this month. Detroit celebrated its anniversary last month. We can't help thinking that it would be very interesting to see a new addition to our number at this time.

We recall a suggestion made by Brother Sular of Kansas, and we feel, as he does, that his town should not be without an English lodge. How about it? There are so many other places we can think of as logical points for lodges, and we call to them to awaken and join with us in this inspiring work.

Words cannot relate how prosperous and popular the Pioneer organization has grown, and nothing can keep it from creating a greater and more friendly spirit with each passing day.

RECOGNITION.

Chicago, Ill.—Perhaps you will say that we are conceited, and perhaps we are. However, we can't resist letting you "see ourselves as others see us," by presenting below the very nice letter we received the other day from Lodge No. 567 at Springfield, Illinois, through their Publicity Committee. It is addressed to all brother and sister Pioneers, and reads as follows:

"As our first anniversary approaches we desire to thank you for awakening in us a spirit to organize—organize our English-speaking branch. Also for the encouragement your countless successes with entertainments and stupendous membership increases gave us.

"We pledge ourselves that that enthusiasm shall not die down but rather that it shall quicken as the second year will be calendared.

"Furthermore, we shall endeavor to repay the kindness whenever we can."

Each of us, at some time or other, has experienced that feeling of "Oh, what's the use of it all," or that familiar, "if I don't, somebody else will." To an observer, it would seem that such feeling has been quite general among many of our English lodges of the S. N. P. J. But what we are trying to say here is that a letter like the one above would inspire the most discouraged to greater effort, for it proves that every action of ours is important and necessary though it may seem trivial and unnecessary to us at the time. Would that some means of closer and more personal contact between the lodges was available!

Publicity Committee, Pioneer Lodge No. 559.

THE BUSY BEES.

Cleveland, Ohio.—That's the stuff, boys! Write, write, and write more and oftener. Bro. Fifolt and the mysterious A. (well, I know who you are, anyway) have a swing in their pens that should keep filling columns after column on this page. Let the world know what Comrades are doing, be it sense or nonsense (as a certain newspaper's slogan says: "Everything that is fit to print"). Who would know anything about the meeting of the Entertainment Committee at Julia's house, if Bro. Fifolt and A. did not describe it so masterfully in the last issue of "Prosveta." The bad thing about that meeting was that only thirteen (we are not superstitious) got all the fun out of it. I wish I could read a letter about that meeting from the viewpoint of a girl member. Boys certainly had reason enough to enjoy it since each, if the report was correct, had the company of two and one fourth girls, while the girls could not enjoy even the company of quite one half of one boy. (That's pure mathematics). Well, to make a long story short, it is known that two more members will be writing for "Prosveta." If we can get now our Vice-President Catherine Oblik and our Secretary Cecilia Strielf to write again and oftener, we'll make anybody notice the "Comrades." I have no doubt that we have some more literary talent in our lodge. Don't, by any means, bury your talents. Bring them out and show what you know!

One of our members, who has been mentioned quite often on this page, has to all appearances begun to fulfill his destiny of being an eternal secretary. Our first secretary, Boris Paulin, is now also the first secretary and treasurer of the new Slovene Workingmen's Home in Collinwood. I hope that his new work will not force him to neglect the "Comrades."

On 23rd of January the dramatic society "Ivan Cankar" put up the English one-act comedy "Two Dollars, Please," whereas nearly all the

actors belong to different lodges of the S. N. P. J., three "Comrades" participated. Bro. Paulin and sister Anna Arzman enacted the parts of the anxious eloping couple. Sister Agnes Balant also was a bride, though not an eloping one. I shall dare to prophesy that hymeneal bells will, sooner or later, ring to our members. This is not personal at all, but is based only on the fact of the natural course of events.

Our new President, Anthony Kuselan, created at the last meeting a new office. The new officer is appointed for the duration of the meeting by the president. It is his duty to take notice of the behavior of the members during the meeting and to express his opinion about them at the end of the meeting. He has to second any motion when a member has done so but was not noticed by the record keeper. If a fair trial will be given to this, it should prove a good practice. But one thing I beg of those critics: Do not be too lenient! More power to you. (At the first meeting this new officer was sister Mary Krizmanic).

For the next meeting we have three points to remember: First, to be THERE. The date is the fifteenth of February of this very year; second, remember March 1st, the day of our anniversary dance; third, think up some good suggestion for our big picnic. Maybe we can get at the next meeting some reports from our representatives to the Collinwood and West Park lodges.

Let us have again a perfect meeting!—Comrade Reporter.

PIONEER'S CALENDAR.

Members and friends of the Pioneer Lodge please remember: March first is reserved for a grand affair, the novelty dance which will be given in honor of the first official celebration of his eminence the holy Pust by the Pioneers. The Entertainment Committee is at work, employing all the forces to introduce this new affair in proper way and form to the Slovenian public in Chicago. This affair will equal, if not excell in effulgence, the well organized occasion "A Night in Slovenia." It will feature also a mock . . . well, you'll see it on the Shrove Tuesday, March first.

An elucidative article will appear in the next two issues of the weekly Prosveta informing everyone interested in the Pioneer affairs and acquaint him with the meaning of the annual celebration of Pust (Shrove-tide, Carnaval, Shrove Tuesday) held throughout Slovenia. Watch for the subsequent articles. Prepare for the biggest masquerade ball ever held by an S. N. P. J. lodge in Chicago.

Publicity Committee, Lodge 559.

DOINGS OF THE "BADGERS."

West Allis, Wisconsin.—Our last meeting was not attended by as many members as our meetings usually are, but I think that the reason for that was the extremely cold weather which we had that night; although the weather conditions should not keep any of us from attending the meetings of our lodge.

The spirit that prevails amongst the members now is encouraging, because with a few exceptions the members take great interest in the lodge, and I think, that this year is bound to be real prosperous for us.

The "Badger Revelers," our lodges own orchestra, is doing just fine.

They played at the annual dance of our sister lodge "Sloga" No. 16, and they are going to play again on the 26th of February at the masquerade dance given by the Soc. Club No. 37 of J. S. Z.

A few of our members got together and represented in a group our lodge at the masquerade ball, given by "Sloga" No. 16 S. N. P. J., and we have done pretty good as with such a small effort we were able to get second prize.

Our idea in going to the ball was to advertise our lodge and I think we surely did that.

But this success has not turned our heads, because if the present plans are carried out the "Badgers" will carry off the first prize at the next masquerade ball.

I think that there is one more thing that I should mention here.

And that is the good time that we had at Brother Tony Kamniker's party. I know that those who were there will not forget the good time they had, for a long time. As most of us present were members of the "Badgers", we enjoyed ourselves in a real brotherly manner. Bro. Kamniker is still a young member of our lodge, although he has been a member of the S. N. P. J. for many years, but promises to become one of the most active and best members of our lodge.

It is impossible for me to command both brother and sister separately, but by grouping them so that everybody shall know who they are, I'll say that the "gang" from Milwaukee has us from West Allis beat a long ways.

So, I appeal to the bunch at West Allis, let's get started and show the Milwaukee bunch that we are not as bad as they think we are.

Well, I hope that all the members will be present at the next meeting as we will have to talk and plan about our next entertainment.

The date for the meeting is Feb. 11th at 8 P. M. sharp.

A "Badger."

We agree with the historian who says that "a dollar does not go so far now as it once did, but it certainly goes faster."

Two corking events took place last week, and have been written into the history book for the Pioneers. One, a little supper in honor of our Supreme Officers, at which one heard most anything from jokes to very serious remarks. COMRADES, READ!

I think that the Comrades are going to take the cake for being the liveliest gang in the whole circuit this year. We have already laid some plans for a dance, a picnic, and quite a few dances for our next season. Also we are annexing new members regularly. It gives me a grand and glorious feeling to know that at every meeting there is at least one new one signed up.

By the way, Mr. President, what say you write an essay for this page. Let the bunch know that you are still living, anything.

Everybody at the next meeting, Tuesday, February 15, old hall, S. N. D. room 2, 8 bells, P. M.—amen.

No excuse will be accepted for those absent:

So long!

What Is Religion?

By Col. Bobt. G. Ingerson.

II.

If this God exists, how do we know that he is good? How can we prove that he is merciful, that he cares for the children of men? If this God exists, he has on many occasions seen millions of his poor children plowing the fields, sowing and planting the grain, and when he saw them he knew that they depended on the expected crop for life, and yet this good God, this merciful being, withheld rain. He caused the sun to rise, to steal all moisture from the land, but gave no rain. He saw the seeds that man had planted wither and perish, but he sent no rain. He saw the people look with sad eyes upon the barren earth, and he sent no rain. He saw them slowly devoured the little that they had, and saw them when the days of hunger came—saw them slowly waste away, saw their hungry, sunken eyes, heard their prayers, saw them devour the miserable animals that they had, saw fathers and mothers, insane with hunger, kill and eat their shriveled babes, and yet the heaven above them was as brass and the earth beneath as iron, and he sent no rain. Can we say that in the heart of this God there blossomed the flower of pity? Can we say that he cared for the children of men? Can we say that his mercy endureth forever?

Do we prove that this God is good because he sends the cyclone that wrecks villages and covers the fields with the mangled bodies of fathers, mothers and babes? Do we prove his goodness by showing that he has

the skin of a ripening peach. Sometimes before this I had considered such skin very nice, had indeed called it "velvety," but now I felt that Francka's complexion was objectionable. I even began to suspect, though rather vaguely, that she was some sort of fraud; that now, after she had got me to go with her on this stupid walk, she was revealing herself as she really was.

Still, this face—this new, unnatural face of hers was not utterly devoid of charms; it was even pretty. I had never before seen such eyes—a pair of clear, moist lights; and such lips—so full, so beautifully curved. I was no longer light-hearted and passive by her side, but rather perturbed and keenly concerned, and because of this I felt no little ashamed of myself. I watched her closely to see anything that might be gaudy, awkward or stupid in her; I observed her wide, tasteless petticoat; the absurd manner in which her hair was arranged above her brow; the heavy, clumsy way of her walk; the almost wooden-like, graceless movements of her body; the affectation of her speech; her loud, pointless laughter. All this I detested in her and at the same time longed to take her in my arms and kiss her. I thought of how she had, doubtless, stood before her little mirror, fixing her hair, hoping that I would think her beautiful, that I would not consider her a stupid peasant girl but a fine, charming young lady. Perhaps she had sat up late in the night sewing that cheap, washed-out lace onto her waist and apron, and thinking about the beautiful walk she would have with me.

The dungeons against whose dripping walls the brave and generous have sighed their souls away, the scaffolds stained and glorified with noble blood, the hopeless slaves with scarred and bleeding backs, the writh-

ing martyrs clothed in flame, the virtuous stretched on racks, their joints and muscles torn apart, the flayed and bleeding bodies of the just, the extinguished eyes of those who sought for truth, the countless patriots who fought and died in vain, the burdened, beaten, weeping wives, the murdered millions of the vanished years, the victims of the winds and waves, of flood and flame, of imprisoned forces in the earth, of lightning's stroke, of lava's molten stream, of famine, plague and lingering pain, the mouths that drip with blood, the fangs that poison, the beats that wound and tear, the triumphs of the base, the rule and sway of wrong, the crowns that cruelty has worn and the robed hypocrites, with clasped and bloody hands, who thanked their God—a phantom fiend—that liberty had been banished from the world, these souvenirs of the dreadful past, these horrors that still exist, these frightful facts deny that any God exists who has the will and power to guard and bless the human race.

(To be continued).

It's no disgrace to be poor. The disgrace is not knowing why you are poor.

And when the final scorer comes, to mark against your name He writes not that you won or lost but how you played the game.

The boy who goes out into the world with but one arm, or one foot, to compete with those who have two is not as much at a disadvantage as the young man who goes out half educated.
