NAPREDEK K. S. K. J. LETA 1930

Dasiravno so bile lani vsled depresije v obče slabe
razmere tudi za razne podporne organizacije, ima naša
Jednota vseno beležiti primeroma lep napredek v vseh
ozirih.

organizacija v odrastlem oddelku 22,377 članstva, v
mladinskem pa 11,678; torej skupaj 34,055.

Koncem decembra minulega leta jih je bilo v od-

svta naj dobe tudi svojo konvencijo,
tako delajo Slovaki. Seveda vse do v
nekaj letih, ako hočemo, da bo to
zanjmanja.

Končno bi rad omenil še eno zade-
vo, kar pa upam, da je že za isto
pripravljen kdo drugi, namreč, da se
Jednota zavzame za one, ki ne mo-
rejo plačati aasementa radi depresije

S tem sem z mojim poročilom
končal. Moje poslovilne besede si-
dejo, kô bodo vsi glavni odborniki go-
tovi s poročili.

Naj blagovoliijo sobratje nadzorniki

\$36,000. Tekom leta pa se je prejelo \$63,409.87.

Na glavnicah posojil na hipoteke se je tekom leta odplačalo \$12,250. Od
tega se je prejelo \$6,750 v prvi in \$5,500 v drugi polovici leta.

Na bančne vloge po 4% se
je vložilo: \$ 17,769.56

škodninsko-operacijskem skladu se je
koncem leta nahajalo \$332.95. Da je

bilo mogoče plačati poškodninske in
operacijske podpore, se je moralo de-
cembra meseca raspisati 50 centov
posebni aasement. Poleg tega pa se je

preneslo še \$1,000 iz sklada podpor
onemoglih. Vkljub vsemu temu pa je,
kako sem omenil, ostalo v tem
skladu samo \$332.95.

Da se je poškodninsko-operacijski
sklad tako znižal je vzrok ta, ker se
je tekom leta plačalo za poškodbe in
operacije \$46,690.

Če se razmere ne spremenijo, bo te-
kom prve polovice tekočega leta po-
treba soveti raspisati posebni aasem-
ent. Zato naj odbor pri tej seji
napravi potrebno resolucijo, s katero
se dovoljuje raspis posebnega aasem-

Zahvaljujem se stoloravnatelju sobratu John Zalarju za njegove krasne besede, s katerimi me je predstavil goriomenjenim društvom, me navduševal in bodril na delo za K. S. K. Jednoto. Zahvaljujem se našemu častitemu gospodu župniku Rev. M. J. Butala za lep in spodbuden govor kot navodilo glede mojega prihodnjega delovanja kot predsednik K. S. K. Jednote. Iskrena hvala našemu pevskemu zboru cerkve Matere Božje, kakor tudi našemu pevovodji sobratu John Kovačiču za krasno pesmico "Pozdrav." Najiskrenejša zahvala mojim starim prijateljem in sobratom Franku Jerina, predsedniku društva sv. Jožefa, Johnu Cankarju, predsedniku društva Marije Pomagaj, sestri Uršuli Jerina, predsednici društva sv. Ane in sestri Frances Terček, tajnici označenega društva. Hvala izrekam sploh vsem, kateri ste kaj pripomogli pri prireditvi tega večera, ki je bil najljepši v mojem življenju, kar naj vam ljubi Bog povrne. Vam hvaležni in vdani: Frank Opeka, glavni predsednik KSKJ. North Chicago, Ill., dne 30. januarja, 1931. DRUŠTVENA NAZNANILA Iz urada društva sv. štefana št. 1, Chicago, Ill. Prihodnja redna mesečna seja se bo vršila v soboto, dne 6. februarja. Ker bo nekaj važnih točk na dnevnem redu, s tem opozarjam in prošim vse naše člane, da se te seja gotovo udeležijo. Na tej seji bodo tudi obdarovali naši mladi junaki ali žogarji (ball players); dobili bodo srajce, oziroma lepe športne jopiče za njih trud in uspeh, katerega so naredili kot člani naše društvene žogometne skupine. Torej na svidenje na prihodnji seji! S sobratskim pozdravom, Joseph Gregorich, predsednik. Društvo Jezus Dobri Pastir št. 32, Enumclaw, Wash. Naše društvo zboruje vsako tretjo nedeljo v mesecu v društveni dvorani v Kraju zvečer ob pol osmi uri, in sicer točno; zato se vsi člani in članice prosi, da se v polnem številu udeležijo vsake seje. Vesel in ponosen bi moral biti vsak član, da se enkrat na mesec lahko snide s svojimi društvenimi brati in sestrami na seji; saj se vsi smatramo za eno skupno podporno družino! Upam, da bo ta moj klic pripomogel do večje in bolj redne udeležbe na sejah. Dalje prošim vsakega, da povesčta to, kar je najbolj važnega pri poslovanju društva; namreč da bo asistent plačlac (Dajte na 5. strani)

zložil in uglasbil Rev. Jos. Lavričar v treh dejanjih.

Prvo dejanje se vrši pred gradom, drugo dejanje pa v gradu pri Krki na Dolenjskem, katerega lastnik je oholi graščak in njegova bratčevica žena, ki sta prav malo priljubljena pri podložnih tlačanih.

Kakor je bila prejevala ljubezen vseh od nje, tako je velika zdaj skrb za deklico kdo jo reši zastraženo v skaloju od groznega zmaja?

Prihajali so junaki od vseh strani, da bi deklico rešili; a vsi so postali žrtve pošasti-zmaja na veliko žalost očeta in matere, ki sta stavila upe in nade samo v posvetno junštvo.

V tem brezupnem stanju jima pride pomoč odkoder sta se najmanj nadejala, ko se jima je ponudil preprosti menih samotar s pogojem da se pridruži tlačanom, ki molijo in prosijo Boga za rešitev njune hčerke.

Tretje dejanje se vrši pred cerkvijo sv. Kozma in Damjana na Krki. Ljudstvo z Krke in grajska družina so združeni v molitvi in prosijo Boga za rešitev. Kar nenadoma v veliko začudenje in veselje vseh pride menih z grajsko deklico ter jo izroči zopet nazaj očetu in materi.

Graščak in grajsčakinja ponudita plačilo, kar menih hvaležno odkloni, pač pa graščak na menihovo zahtevo opusti Krčane tlačanstva da postanejo svobodni od graščinskih dajatev in zahtev.

Končno zahteva menih od navzočih, da se zahvalijo Bogu za rešitev iz stiske, ki je mučila grajsko gospodo kakor tudi njej podložnega kmeta.

To je površno opisano o vsebini "Darinja". Zdj pa se par besed collinwoodskim rojakom in drugim širom Clevelanda: Zbor "Ilirija" ne bo prej imenovan spevoigra predelati zato da bi tekmovali z drugimi zbori, tudi zato ne da bi se proslavljali pevci in pevke v vlogah s svojimi glasovi; ne, nikakor ne! Prireditve "Ilirije" je samo napredek, ki ga ima zaznamovati collinwoodska fara Marije Vnebovzete s svojim zborom, ker ta fara je ena najbolj naprednih slovenskih far v Ameriki.

Tako se je izrazila o tej fari odlična oseba, ki ima skušnje in poslovanju in napredku na slovensko-ameriških farah.

Ker ima pevski zbor "Ilirija" vse farane za seboj, zraven tega pa še veliko tudi vnanjih prijateljev, zato je nastalo tako nizko vstopnino za to prireditve, da se bo lahko vsak udeležil iste kljub slabim delavskim razmeram.

Vstopnice se dobijo pri vseh pevcih in pevkah; pridno segajte po njih vsi, ker obilna udeležba je edino priznanje za ves trud in težkoče, ki se ima zbor boriti z njimi.

Večno lepa mila slovenska pesem in slovenska dramatika, ki ste nam še edino ostale zveste v boju proti potučenju naj nas pa še naprej razveseljete, tolažite, bodrite in učite v ameriški novi domovini.

Joe Debeljak.

TROJČKI

Včeraj zjutraj dne 1. februarja se je znana teta štokljva v naši collinwoodski naselbini osobito obnesla s tem, da je znano družino Mr. in Mrs. Geo. Panchurja, 829 E. 143d St. obdarila s trojčki, in sicer sta dva fantička in ena punčka.

Sobrat Panchur je marljivo opravljal zadnja leta tajniške posle društva sv. Jožefa, št. 169 KSKJ; zdaj je za blagajnik; bil je tudi delegat zadnje konvencije. Naše iskrene čestitke! Če bodo ugodno posnemali še ostali člani društva, potem se res enkrat lahko pripeti, da bodo naši sosedni Jožefovci dobili Zlato kladivo.

RAZNO

NASTANEK IMENA PARIZ Rumunec Oswald Neuschots je pojasnjeval nedavno nastanek imena Pariz v zvezi s kulturno boginje Izide, ki se je ba je zanesel iz Egipta v Grčijo, Italijo in Galijo, kjer se je ohranil več sto let. Po te teoriji bi izviralo ime Pariz od Bar-Iz, to je Izidina ladja, katero so nosili v procesijah, in grb Pariza (ladja) naj bi bila Izidina ladja. Dr. Brouta pa to razlago odločno odklanja, češ, da je gola fantazija. Tudi če bi bilo res, da se je zanesel kult boginje Izide tja, kjer stoji sedaj Pariz, kar pa ni verjetno, je izključeno, da bi bili Galci označili Bar-Iz. Sicer je pa znano, da je pomenilo v rimskih časih ime Parisii ljudstvo, naseljeno ob reki Seini, katerega glavno mesto je stalo na sedanjem otoku Cite in se je imenovalo Lutetia.

Če hočemo ugotoviti, kako je nastalo to ali ono krajevno ime, se zanimamo v prvi vrsti za narčaja v dotičnem kraju. Deblo bhares pomeni v indoevropskih jezikih kiti, vrh, višina, ražen, klas, veja. Od tod gotoko barin—ječmen, rusko borošno—žitna moka. V stari nemščini imamo izraz para za les in isi za orjak. Parisi bi torej pomenilo gozdni orjak. Če bi Pariz stal na višini, če bi se bili prebivalci odklikovali po visokih postevah in če bi bili gojili v prvi vrsti ječmen, bi lahko razlagali nastanek imena na ta način. Za to pa ni nobenega razloga.

Dr. Brouta je prepričan, da je treba iskati nastanek imena Pariz v starem imenu Loutouhezijska. To ime, iz katerega so napravili Rimljani Lutetia, izvira nedvomno od prvotnih prebivalcev Galije in Španije Iberov, ki so prispeli v paleolitični dobi iz Sahare. Španec Cejador je dokazal, da so se ohranili neokrnjeni ostanki iberškega jezika do dandanašnjih dni. To je baskitki jezik in Loutouhezijska pomeni v tem jeziku neobdelano močvirje. V iberščini je pomenil izraz par vodno ptico, zlasti raco. Izi pomeni lov. Parizi pomeni torej kraj, ki je ugoden za lov na race. Tako naj bi bilo nastalo ime Pariz.

"Velika Ljubljana" O bodoči veliki Ljubljani je predaval te dni na povabilo trgovskega društva "Merkur" ljubljanski podžupan g. profesor Evgen Jarc. Iz zelo zanimivega predavanja naj posnamevmo le sledeče: Ljubljana ima tri velike razvojne dobe. Prva je bila v začetku 18. stoletja, ko so v Ljubljani zgradili najlepše cerkve, rotovž z vodnjakom, semenišče in celo vrsto plemiških palač. Druga taka doba je bila po potresu 1895 in zdi se, da je tretja doba sedaj, ko se poraja nova in velika Ljubljana. Pred petdesetimi leti je štela Ljubljana 1300 hiš. Danes jih šteje 3000. Takrat je imela 28,000 prebivalcev, danes pa 60,000. Neposredna okolica Ljubljane, to so: Vič, Zgornja šiška, Sent Vid, Ježica in Moste, je štela leta 1880 1129 hiš in 7600 prebivalcev.

## La Salle Sallies

By La Sallita

Oglesby, Ill., which is south of La Salle, just across the Illinois River, has approximately 100 Slovenian families and no Slovenian Catholic church. For that reason the Rev. Odilo Hajnsek, O. F. M., missionary, conducted a mission for Oglesby Slovenes in the Polish Sacred Heart Church in Oglesby. This is the first time in the history of the Oglesby Slovenes that they were offered a mission in their own town, and we understand that the crowds were well satisfied, as was the Rev. Father Odilo.

When "Pinochle" Gende heard that the Young Ladies' Sodality was sponsoring a postoffice at its bazar, he asked whether or not it was one of those postoffices where you pay a dollar for a kiss. No, Pinochle, I'm sorry to state that it is not, but nevertheless you will enjoy our postoffice very much.

Joseph Brate has joined the ranks of KSKJers by enrolling himself in the Knights of St. Martin, No. 75. We wonder who the next one will be to join our great fraternal organization.

I hope that my article on the beatification of Bishop Baraga was perused by the readers of Our Page and that other contributors will be forthcoming with data and other valuable information concerning this great work which has been undertaken by the Slovenes of America.

Those who assisted in making the scenery for the play were Joseph Baznik, Louis Bregach and Frank Hrovat. They were untiring in their efforts to produce scenery that would be pleasing to the eye.

Credit should go to Louis Hrovat, who himself sold 102 tickets for the play. This was, what I would call, a real stroke of salesmanship, Louis.

On Sunday, Jan. 25, the newly organized Altar Society held a reception at the 8 o'clock Mass. This society was organized through the untiring efforts of the Rev. Father Bernard, and its president is Mrs. Frank Bruder Sr.

## EDITOR'S NOTE

Due to the necessity of publishing the minutes of the Supreme Board meeting, held during the week of Jan. 18, the Our Page section was obliged to cede one of its pages to Slovenian text this week.

We acknowledge the receipt of 15 articles, columns, etc., and regret that we have not sufficient space to include them in Our Page. We have a number of articles left over every week and we only ask our kind contributors to be patient, for their contributions will appear shortly.

Our Page is your newspaper. Read it! Criticize it! We are always open to suggestions. Your opinions and suggestions will aid in the compilation of a more interesting and better English section. Address your criticisms and remarks to Our Page, 6117 St. Clair Ave., Cleveland, O.

## SODALITY SHUFFLES CARDS

The Young Ladies' Sodality of SS. Cyril and Methodius' Church, Lorain, O., will sponsor a card party at Virant's Hall Sunday night, Feb. 8.

Games, music and dancing will be included in the many interesting features arranged for the evening.

The young folks are cordially invited to attend this event.

## FLYERS WIN AGAIN

Eveleth, Minn.—Eveleth Flyers continued their winning streak by defeating the strong City of Cloquet team, 6 to 0. The keeper of the KSKJ's soled down the ice to ring up the first score, giving his teammates a 2-0 lead as the first period ended. Peterlin scored two goals in the last period to put the game in the bag.

## BUTTE MASKS

They say "the handclasp is a little stronger, the heart beats truer and pals everybody" out Butte, Mont., way. If the saying is true, then the St. Ann's Lodge of Butte will meet with great success when it sponsors a masquerade dance at East Butte Hall Sunday evening, Feb. 8.

Added to the peppy music will be a cedar chest, filled with linens, to be awarded the lucky person. Don't fail to attend.

MEMO: St. Stephen's Social Club, Chicago, Ill., dance Feb. 11. Peppy music and "hearty" atmosphere.

## THANK YOU!

By R. G. Rudman

In the coolness of the evening, when one settles himself in the easy chair before the glowing fireplace, leisurely smoking his pipe (or a good old Pittsburgh stogie), it is impossible to drive away fond recollections of friendships established in my association with the members of our beloved KSKJ.

Never was this more strikingly displayed than during and after the last meeting of the Supreme Board of Officers in Joliet last week. A little diversion after a most strenuous day is admittedly the best tonic for jarred nerves. Particular thanks are due to Mrs. Tezak for the wonderful meals prepared; to the young couple whose name I am unable to recall for their "klobase" and entertainment; and last but not least to the members of St. Genevieve Society for their reception and dance. Along with these there were innumerable others who helped to make us feel at home during our stay in Joliet.

And then to climax the entire program, we were most cordially invited to accompany our prominent vice president, Mr. John Germ, to Cleveland.

And there I received the biggest thrill of my life! After returning from Mass—where incidentally I heard a wonderful choir, and where they have installed the first microphone in any Slovenian church in the country—we visited the home of Dr. Lausche. We were given the privilege of listening to the rehearsal of the artists who appear on the Slovenian radio hours every Sunday over Station WJAY. We, who live in the Pittsburgh district, immensely enjoy these programs, but to meet each of the artists individually was indeed a treat. We were certainly treated princely, what with refreshments, music and incidentals we could have stayed indefinitely. After the rehearsals were ended we returned to Mr. Zulich's home, where we listened to the broadcast. Words really cannot express the caliber of music produced by these Slovenian boys and girls. Suffice it to say that they were wonderful. The visiting guest, Mr. Germ, acquitted himself nobly, and it is no wonder the citizens of Cleveland would like to have him migrate from Pueblo, Colo., to their own city.

Sunday night the members of the Supreme Board who were in Cleveland, consisting of Messrs. Germ, Zulich, Decman, Dr. Oman and myself, attended a reception tendered in honor of Father Bombach, who had just assumed charge of the parish of St. Christine. It was a pleasure indeed to have made the acquaintance of such a splendid gentleman and priest and I extend to him my sincerest wishes of a happy and successful life in his new charge.

After then, shall we ever forget the impromptu gathering at the Zulich home? I personally never will. With the entertainment offered by Mr. Germ, Mrs. Miti Grdina, Marjanca Kuhar and the antics of a short gentleman from Wilkinsburg, the night was a complete success. As our good friend and ex-president of the KSKJ, Mr. Anton Grdina, said to his wife the next morning, we adjourned some time after midnight.

The following day was surely a hummer. We visited our good friends, Mr. and Mrs. Kuhar, where Marjanca insisted on doing a duet with Mr. Germ, but could not because their voices did not blend; the Sternad family, where we were entertained by Miss Sternad in wonderful style on her piano-accompanist; to Mr. and Mrs. Serpan, where we had to have our vest and coat buttons relocated on account of eating (?), too much; and finally to Knaut's Hall, where the greatest surprise of our trip awaited us.

At approximately 7:30 Monday evening we visiting supreme officers were co-guests with Mr. John Germ at a banquet tendered by the officers of the lodges of the KSKJ in the Cleveland district. Very beautiful speeches by Mr. Germ and Mr. Decman voiced the sentiments of the remaining officers. As for myself, I was at a loss of words to describe my actual feelings for the wonderful reception. At this reception we were also honored by the attendance of Mrs. Hochevar, our second vice president, who also gave a stirring speech. In addition to this we were also honored by the attendance of Mr. Ivan Zupan, editor of Glasilo, and his son Stanley, who looks after the affairs of Our Page, both of whom made splendid talks. It goes without saying that it was the greatest gathering I ever attended. And for Doctors Lausche, Selikar and Oman, thanks for the buggy ride. The next time I am in your city, I will surely give you an opportunity to reciprocate.

Sufficient thanks cannot be given to Mr. John Zulich and his wonderful wife and daughters, and also to Mr. Anton Grdina and his wonderful wife for the attention they gave us, and also for the trouble they were put to in our behalf. All we can say is: Thank you—and may God bless you!

St. Marys, Waukegan basketeers, will face the Howitzer Infantry in a return game scheduled for Feb. 8, 3 p. m., at the Mother of God gym. John Treven, captain of the Saints, who has been out of the lineup for the past month due to an injury, will appear in next Sunday's tilt.

## EXTRA! CONCERT IN BROOKLYN

Hear ye, hear ye, all of you Slovenes in or near Brooklyn. It will take place on Feb. 8, 1931. The singers will be Anton Subelj, baritone, and Rudolf Banovec, tenor. The concert will take place at the American Slovenian Auditorium, 253 Irving Ave., Brooklyn, N. Y. It starts at 4 p. m. sharp. The admission 75c a person. They will sing two duets from the following operas, "Brivec seviljski" and "Prodana nevesta." They will also sing many Slovenian songs. And now I'll be signing off until I see you all at the concert. So long! Nuyawker.

## BOWLING TOURNEY DATE IS SET

By St. Florian Booster

In the old days important affairs of state were always announced by a thundering volley of cannonade, generally out of due respect to nobility or achievement. Thus with a similar purpose I take this opportunity to touch off an official announcement on the bowling tournament, which is destined to reverberate through the annals of KSKJ sportdom as the greatest enterprise yet undertaken.

At the recent meeting held by the directors of the Midwest KSKJ Bowling Association the dates of the big bowling tourney were confirmed and designated to be held on April 11 and 12 at the Tower Recreation Alleys in South Chicago. This recreation center boasts of twenty bowling alleys, eighteen billiard tables, one complete 18-hole miniature golf course and an excellent grill. It is conveniently located on a main thoroughfare and is easily accessible by all means of transportation. It is just a short way from the St. George's Church hall, which will be the KSKJ headquarters during the tourney.

Attorney W. F. Kompare, president of St. Florian Lodge, and John Starcevic, bowling chairman of St. Michael Lodge No. 152, both of whom are directors in the Midwest Bowling Association, were officially sanctioned to take charge of all local arrangements. These energetic young fellows have already started preparations to eclipse the success of past tourneys, and it is hoped that with the co-operation of all the local KSKJ lodges, of which there are six, this pin-topping fiesta will be a memorable event both financially and socially.

There is every indication to believe that bowling competition in the coming tourney will be greater and keener. This year will see several new teams on the roster, both in the men's and ladies' divisions. A profound interest is being displayed by our younger KSKJ element, and judging from past observations, the social part of the tourney will have all the earmarks of another junior convention. All of you can rest assured that when you come to Boostertown in April you will find a royal welcome and an elaborate program of social activity.

## STEELTON IRONY

By The Buddies

The St. Peter's team forged into the lead by defeating the St. James' quintet by a score of 54 to 25. It was a comparatively easy victory for the St. Peter's five. The stellar players in this game were Billy Stefanik, Vic Simonic, Matt Cernogelj, Rudy Krasevec and Gump Gurup.

The game between St. John's and St. Lawrence's ended disastrously for the St. Lawrence quintet, who were defeated by a score of 38 to 21. The St. John quintet is getting to be a fast team.

It is rumored that Finks Simonic is coming back to take his old place on the St. Peter's team. Finks was on the Steelton High School varsity basketball team when he was forced to forego all high school activities for some unknown reason.

Three Slovenian boys are playing on the Steelton High School reserve basketball team. They are as follows: Charles Kocivar, Joseph Tezak and Anthony Siraus. Charles Kocivar is also coach of the St. Peter's team, while Joseph Tezak coaches and manages the St. Peter's reserve team.

## PACERS CLUB

At the meeting on Jan. 23 the young ladies of the St. Ann's Lodge of Chisholm, Minn., chose the name Pacers for their athletic club. The girls hope to make the name mean a lot. What does everybody think about it?

On account of various other activities the meetings were changed from Friday evenings to the second and fourth Mondays of the month. The next business meeting will be held Monday, Feb. 9.

The lunch committee for the next social meeting consists of Carolyn Baraga, Angela Mehle, Angelina Kerzic and Rose Setina.

Rose Turk, Lillie Pluth, Mary Baraga, Gazella Mlacinik and Jessie Janeczic are on the program committee. Sho' will be something snappy!

Come on, join the Pacers!

## A MESSAGE TO K. S. K. J. YOUTH

BY FRANK OPEKA SR.

Supreme President K. S. K. J. As supreme president of our Grand Carniolian Slovenian Catholic Union, I extend fraternal greetings to our KSKJ youth and appeal to you for your aid in the promotion of a program that will enlarge our Union, the oldest Slovenian fraternal group in America.

Let these words stimulate your energies for a great drive to expand our present fraternal organization into a bigger and better Union. In this effort you must bear in mind that the present spirit of good-will and sportsmanship must prevail. Continue the good work of promoting sports and encourage your Slovenian Catholic friends to join our ranks and carry on with us in this work that is so mutually beneficial. Your duty lies in keeping up our faith and native language; in keeping up the love and pride for our nationality. Do not disregard this, as it is one of the mainstays of our Union.

Each one of you can individually do your share in this great task and continue to add to our present monument, for in the end your labors and the labors of others shall collectively bring about a result that will be beneficial to all. Let there be new thoughts and new methods; build these onto our present foundation of fraternal spirit and policy of FOR GOD, FOR HOME AND FOR COUNTRY and unbounded success is assured our organization.

Forward, my youthful fraternal brothers and sisters, and extend the KSKJ spirit of fraternalism throughout the nation.

## KNIGHTS OF TRINITY

By Brooklyn Bombshell

Approximately two months ago—when Old Man Winter was just about starting to make things slightly uncomfortable for us—a most important meeting was in progress, which was attended by ten American Slovenian young men.

This meeting was held in the city of Brooklyn, far from the home of the KSKJ, far from the scene of actual Slovenian activities, but not so far in view of our ambitious yearning to be one of you, to be fully represented in the Union, to be able to voice our opinion, and last, but not least, to bring together the young Slovenes of Brooklyn so that we, too, may share the fruits which an organization of this sort is certain to yield.

Then followed days of hard work, extensive research, determination, meetings, co-operation and more meetings. Six weeks passed, until one bitter cold night ten young men, bundled in winter attire, proceeded to a doctor for their physical examinations.

At last things were forming into shape. Just a few mere obstacles to be hurdled. Finally we were granted the coveted charter. The satisfactory result was obtained. We were organized!

The Knights of Trinity is now a subordinate society under the jurisdiction of the Grand Carniolian Slovenian Catholic Union.

We're in, ladies and gentlemen—in to stay. Officers have been installed, new members are being enrolled and in the future you shall hear news from Brooklyn which has heretofore been rare.

We take this opportunity to wish you all the best of luck in the new year and also to assure the Glasilo of our willing co-operation to make the English part of our paper a most profitable undertaking.

## BOOST K. S. K. J. SPORTS!

## TO CHICAGO BASEBALL FANS

There is a grand surprise in store for the baseball players as well as the fans of the St. Stephen's No. 1 Sporting Club of Chicago.

A rumor has been passed that the boys will be wearing bright colored jackets this season. Measurements have already been taken. It won't be long before we see Chicago doing its best to get on top of the baseball list. Come on, Hank, Kornuts, Kegler and the rest, show the stuff you are made of.

St. Stephen's Booster.

—DEADLINE 8 A. M. SATURDAY—

## KAY JAYS WIN IN FIRST NET TRY

The Kay Jays basketball team clicked very well in its first game played against the S. S. C. U. Jubileers B team. The game was played in the Junior High School gym and it ended with the Kay Jays on the long end of an 8-to-4 score. Close guarding by both teams prevented the total score from being larger. The Kay Jays took advantage of the fouls called on the opposing team and put most of them in. "Triggs" Rose played the center position as a veteran of many years' experience should. He outjumped his rival every time, even though they were both of equally tall stature. Matt Frankovich, F. Mihelich and L. Mehelich played their positions as forwards very well, while F. Baraga, T. Champa and R. Gozvola played a stellar game of guarding. Several games are scheduled for the future and the Kay Jays will certainly have to be accounted for by the opposing teams. At least, the first game, being won, was a good start, so let's keep it up.

With the hockey team practicing every night for the past week, one can see that the boys are getting in trim. Manager-Coach Gregorich has been keeping the boys going at a hot clip for their first scheduled game with the Eveleth KSKJ Flyers on Sunday, Feb. 1.

A very large group attended our last meeting, held at the Recreational Building, which in itself was very encouraging. It is interesting to note that the boys are interested and willing to co-operate. Keep up that spirit and we'll get somewhere. Basketball and hockey were discussed as well as a Kay Jay gym team. After the regular meeting was over, the boys closed the evening by playing "500" and bridge.

Frank Champa Jr., Secretary.

## TELLS HOW "OUR PAGE" CAN BE IMPROVED

During the past few months attention has been called by the interested readers of Our Page and its reporters to a statement that some of the young folks and older folks have lost interest for the Our Page section of the Glasilo. It has always been my belief that the opinions of the older members of the KSKJ toward the English section of the Glasilo were unfavorable, but this last meeting of the supreme officers of KSKJ in Joliet proved otherwise. The writer was quite surprised to learn that these members were at one time the most interested readers of Our Page. Why have they, as well as the young members, become uninterested?

The answer is only this: The older members are looking into the future. They know that, after they have left this world, their sons and daughters will step into their places and will have to uphold the standards of our great Union. They judge the youth of today by the articles they read. Most of the articles that have appeared have only pertained to the activities of the members in sports, etc. Now, that isn't enough. The older members would like to see the younger generation read items, not only of the activities of the lodges, but also items that will make staunch men and women of our Slovenian youth.

Our Page is supposed to be a character builder. In order to be that, elevating stories, poems and editorials must make their appearance on these sheets. Therefore, I appeal to all you young men and women who possess any talent for story writing, etc., to start creating items of interest that will benefit both young and old.

There are so many scandalous papers, books and leaflets that fall into the hands of our Catholic youth and simply fill their minds with dirt and trash about our faith. Let's try to publish interesting, instructive and educational articles on "Our Page" for the benefit of our Slovenian youth, in order to keep them from losing their most valued treasure, the Catholic faith. If these articles make their appearance, the English section of the Glasilo will be held as a treasure and will be read and re-read by both young and old.

Of course, it is perfectly o. k. to submit writeups about the outcome of a baseball, basketball or bowling tournament. Everyone, I hope, is interested in athletics. Certainly, go right ahead and write about the activities of your lodges. We are all interested in activities of KSKJ societies. Anyone enjoys reading about a smart saying of Joe or Vincent. Of course, we'll laugh until tears roll down our face at any joke that appears on Our Page, providing it hasn't whiskers. But we must add articles to Our Page that will help to build characters.

Now, let's start the ball a-rolling for better and bigger uplifting articles on Our Page. You know, one can't please all, but I am sure we shall be able to please the majority of our readers after we know what kind of articles they enjoy reading. So, if the readers will kindly offer any comments or suggestions as to what sort of articles best appeal to them, we will try to give them what they want.

From time to time, after we learn what sort of articles you like best, you will hear from us again. M. B. K.

## MILWAUKEE TALKIE

By Wisecrax

We wish to make a correction regarding the wedding anniversary of Mr. and Mrs. John Pechar. The anniversary celebrated on Jan. 23 was not the silver anniversary, but rather the thirtieth anniversary. Oprosite!

St. John's Parish is holding a "domaća zabava" at Tamse's Hall on Sunday, Feb. 15. Every parishioner should co-operate, because the proceeds go to the church treasury.

A suggestion was made by P. H. Budd that the young ladies renew telegraph bowling. A good idea! Suppose each lodge organizes a team or two and sends the names plus the general averages to the editor? We feel certain that he will arrange these teams into classes and publish a schedule. This would enable the extreme East and the far West to make a contact. Let's hear some comment on this. The Milwaukee Warriors are ready for any team in their class.

Feb. 2 and 4 will be important dates in our lodge. Miss Mary Winkler celebrates her namesday and birthday all in one week. She is one of the popular young ladies of the lodge, and we can just visualize congratulations pouring on those days. We extend our congratulations and best wishes via press.

All aboard for Florida! Mrs. George Tame, with her son and daughter, Charles and Jane, has left for the southern lands of warmth and sunshine. Charlie says that it is so hot down there the people are harvesting roasted peanuts.

Joseph Matzelle has been participating on the pee wee golf courses of late. He is probably contemplating a golf tournament. At any rate, the other day he struggled with a supposed hazard until his collar began to lose some of its rigidity. Finally, in his exasperation he summoned the proprietor and demanded a reason for the terrible difficulty. With apology, the proprietor informed him that these were not the links, and that he had gotten off them a half hour ago.

At the twenty-fifth wedding anniversary of Mr. and Mrs. John Peterlin the other day, the Rt. Rev. Magr. A. C. Breig of St. Francis' Seminary celebrated a high Mass for them and the family. The couple was accompanied by Mr. and Mrs. George Ritonja Sr. A celebration was tendered to Mrs. Peterlin by the members of Slovenska Zenska Zveza, while a surprise party was given earlier in the week by Mesdames Jacklich and Stanzar.

At 9 o'clock the same day Father Gladek officiated at the marriage of Mr. John Razbojnik and Miss Mary Androjna.

## IN AND AROUND JOLIET

By The Kiever Kid

Mike Gregorash, the gentleman who carried away the bowling honors at the meet between St. Joseph's No. 1 bowling team and the S. N. P. J. team, has my compliments. His total number of pins for the games, 627, certainly is worthy of mentioning, and I earnestly hope he keeps up the good work and that he does likewise at the tournament.

A masquerade dance is to be held at Slovenia Hall on Tuesday, Feb. 17. It is being sponsored by the Holy Family Society, and judging by the way the tickets for the event are selling we're all in for another good time. There are to be ten cash prizes to the winners who will be picked out by competent judges. There is also a \$10 gold piece to be given as a door prize.

As this affair is to be one of the greatest pre-Lenten dances held at the hall, the Kiever Kid promises to be on hand (in disguise) to jot down all the important occurrences of the night.

## Notice to All Our Bowling Fans

On Feb. 8, in the afternoon, a contest will be held at the Hub bowling alleys in which six of our Slovenian societies will compete. This affair is to be one of the season's greatest bowling events and all our boosters are invited to be present and root for our teams.

The St. Genevieve's bowling team has my best wishes for a victory on that day.

## JSKJ OUT-PINS KSKJ

Joliet, Ill.—St. Josephs (KSKJ) lost to the JSKJ team after a close contest, losing by a margin of 14 pins. The feature of the match was the 1008 game registered by the JSKJ to beat the St. Josephs.

The St. Joseph No. 2 team, after trailing by a margin of 71 pins, came back in the third game with a game of 233 to collect enough pins to shade the JSKJ No. 2 team 109 pins and take the match.

The next series will be rolled on the Hub alleys Feb. 8.

## South Chicago Tid-Bits

By St. Florian Booster

No doubt that quite a few of our readers will be interested to know the outcome of Emil Baksic's initial comeback fight at White City just recently. We are sorry to report that Emil was outpointed in a furious six-round battle by a long and lean Norwegian named Martin Berg. The result is not at all detrimental to Emil's fighting prowess, for it proved that with a bit more training he will be hard to beat. He is scheduled to appear in several bouts in the course of this winter season.

Mr. Frank Link Sr. of Ave. L has been seriously ill for the past several weeks. We sincerely hope that he will recover soon again. Mr. Link is a pioneer member of St. Florian Lodge and has always been active in KSKJ affairs.

This item should interest North Chicago and Waukegan KSKJers. One of our local young fellows has gone into the cleaning and dyeing business on Tenth St. in Waukegan. He is none other than Tony Starcevic, formerly a crack bowler of St. Michael Lodge No. 152 in South Chicago. Here is an opportunity for the Waukeganers to fortify their chances in the bowling tournament.

Did you ever see a golf bug in January? Well, we found out that Ferd Klobucar, popular KSKJer and treasurer of Carniola Club, stole a march on Old Man Winter by golfing on an open air golf course on three different occasions. He claims to have shot close to par, but, still, we have our doubts.

Most of us are grooming ourselves for the big St. Valentine dancing party to be sponsored by St. Theresa's Sodality on Saturday evening, Feb. 14, at St. George's Church hall. Beautiful decorations and good music will lend a most alluring aspect to the occasion. Don't forget!
