CLEVELAND, O., 16. MARCA (MARCH), 1938

LETO (VOLUME) XXIV.

PRVO KAMPANJSKO POROČILO

Da bo več zanimanja v sedanji naši predkonvenčni kampanji je nam sobrat glavni tajnik obljubil pošiljati vsak drugi teden poročilo o poteku iste.

Prvo poročilo smo pričakovali z nekakim strahom in božnijino, češ, v sedanjih slabih časih in v dobi kampanj skoraj vseh naših podpornih organizacij bo malo uspeha; pa je bila naša bojazen neupravičena, kajti glasom prvega uradnega poročila smo pridobili 177 novih članov in članic obeh oddelkov (104 za odrasli in 73 za mladinski oddelok). To število tvori novo pristopilo članstvo od 1. februarja do 12. marca. Vsled določbe gl. odbora se namreč šteje v dobro sedanje kampanje tudi novo članstvo meseca februarja. Lahko po vsej pravici trdim, da je gornje število zelo lepo in zadovoljivo za začetek naše kampanje.

Kako se je delovalo po o krožjih naših glavnih odborov in odbornic, je tabelica tukaj označena.

POSNEMANJA VREDNA DRUZINA

15 članov iste spada h K. S. K. Jednoti

Prva vrsta od leve na desno: Matilda 13 let, Bernard 7, Joseph Krall, oče; William 4, Angela Krall, mati; v naročju drži hčerko Marto, Anna 9 in John 11.

Gornja vrsta od leve na desno: Angela 25, Edward 19, Frank 22, Joseph Jr. 24, Raymond 20, Frances 17 in Albert 14.

Pueblo, Colo. — Dokaj krajnjih društev naše Jednote se ponaša z velikimi družinami, ki spadajo vsi, od prvega do zadnjega k naši K. S. K. Jednoti. Že večkrat smo videli slike takih družin v Glasili, tako tudi čitali laskave opise o njih izpod peresa našega urednika pod gornjim naslovom: "Posnemanja vredna družina."

Dasi so take družine dandasnes redke kakor bele vrane, smo pa tem bolj na iste ponošni.

Tudi naše društvo sv. Jožeta št. 7 se ponaša z nekaj takih vrlih družin; o nekaterih je bilo že poročano, druge pa pridejo sčasoma na vrsto.

Med vsemi takimi družinami pri našem društvu imenada tudi pri drugih zavzemajo prvo in odlično mesto nad vse posnemanja vredna družina zakonske dvojice Josipa in Angele Krall (Kralj), ki šteje 8 (osem) zdravih in čvrstih sinov in 5 (pet) hčera, torej 13 (trinajst) skupaj, vse so člani našega društva.

Le poglejte jih na gornji sliki, kako so čvrsti! Saj bi človek skoro ne spoznal, kateri je oče in sin; ali mati in hči, ko bi jih prej ne poznal. Oče in mati izgledata tako še mladeničko in dekliško, kot pred davnimi dnevi (27. leti), ko sem imel čast, da sem bil povabljen na njih ženitovanje kot godbenik. Prav luštno je bilo tisti dan! Pa kaj bi rekkel, samo tisti dan!! Dva dni skupaj smo se veselili. Kdo bi si bil res tedaj mislil, da bom letos, v letu 1938 na tem mestu opisoval njih številno družino kot tajnik največjega društva tukaj v Pueblo, Colo. in sploh na zapadu, katero ima pod svojim okriljem zavarovano proti vsem nezgodam.

Naš Jože Krall, po domače Vidmarjev Jože se je rodil v Mali vasi št. 2, fara Dobrepole na pepelnico l. 1885. V Ameriko, in sicer v Pueblo, Colo. k svojemu stricu Antoniu

nu je prišel leta 1906. Še isto leto je pristopil v naše društvo in danes tako tudi vse njegova družina kar je res posnemanja vredno!

Leta 1911 si je izbral za svojo življensko družico lepo slovensko dekle gdč. Angelo Pelc, po domače Komendarevo Angelo iz vasi Hinje pri Žužemberku, ki je prišla v Ameriko semkaj v Pueblo k svojemu ocetu in sestri leta 1909. Temu srečnemu zakonškemu paru se je narodilo 13 lepih, zdravih in čvrstih otrok.

"Bili so veseli in tudi žalostni dnevi v našem življenu; toda več veselih kot žalostnih," je rekel s prijaznim nasmehom prijatelj Jože. "Pa kaj bi ti pravil, saj itak sam več mojo in našo zgodovino. Naj te moje skromne besede čuje vsaka slovenska katoliška hiša, vsak katoliški fant in vsaka dekle, da je dolžnost vsakega posameznega katoliškega Slovence in Slovenke, da je pred vsem član katoliške podprtne organizacije, da vsak zanjo ajo gitira v svojo mojo močjo. In ta organizacija je najstarejša in najmočnejša jugoslovanska katoliška podpora organizacija, naša K. S. K. Jednota, ki je ob enem mati vseh drugih jugoslovenskih Jednot v Ameriki."

Le poglejte jih na gornji sliki, kako so vse ceste in ulice okrašene z svastika zastavami in Hitlerjevimi slikami.

Hitler je imel zvečer z balkona Imperial hotela daljši govor, ko se je Dunajčanom zahvaljeval za tako sijajno sprejem. Vesel je, da ga večina avstrijskega naroda tako spoštuje. Zaeno je Avstrijo obljubil, da jim bo Nemčija sprostitev. Prijetljivi so vse vseh zadevah; nemško vojaštvo bo od slej branilo Avstrijo pred kaškim napadom.

SLIKE V MILLVALE, PA.

V Millvale, Pa., so ponovno zaprosili za slikovno predstavo. Mr. Grdina bo kazal slike pri fari sv. Nikolaja v nedeljo 20. marca zvečer. To bodo kazane slike Pasijona in Evharističnih kongresov ter slike iz domovine, ki dosedajo še niso bile kazane. Prijetljivi so vseh zadevah; nemško vojaštvo bo od slej branilo Avstrijo pred kaškim napadom.

Lov na tigre v džungli

Lov na tigre je priljubljen sport indijskih maharadž. Ta zabava je zares kraljevska ker zahteva velike stroške in je pogosto popolnoma brezuspešna, kajti tiger je zelo budna zver, ki ima bistro oko in tenak sluh.

Tigra love na dva načina: z nastavljanjem vabe ali pa z gonjo domaćinskih lokostrelcev. Prvega načina se poslužujejo ponajveč odlični lovci, maharadže in Evropejci, drugega pa pravtovo domače prebivalstvo. Lov na vabo se pričenja že navse zgodaj zjutraj. Kadar opazijo v bližini krivočnega gozdnega potepuha, napode lovci v kotlino za vabo kakega bivola. Gladni tiger ga kmalu zavaha in se vrženja. Naglo ga raztrga in se prične nato gostiti z njegovim mesom. To traja po več ur.

Medtem se približa maharadža s svojimi pomagači, ki ob kolijo na sladko uživajočega samogoltneža. Sam maharadža sedi navadno na slonu, njegovo spremstvo pa se danes poslužuje težkih avtomobilov. V kilometerski oddaljenosti od zveri, ki po svoji gostiji mirno počiva, posejajo lovci na primerna mesta. Ko so dobro proučili položaj, se začno polagoma in na vso moč previdno peš pomikati proti zveri. Vsakršen šum, vsakršen glas utegne biti usoden za njihovo življenje. Maharadža in njegovi pribojniki drže v rokah puške, pravljene za streln. Brez dovo-

ljenja svojega gospodarja, ki je navadno izborni strelec, ne sme ničesar sprožiti. Prvi strelec za knezovo predpravico. Samo v izjemnem primeru dovoli maharadža prvi strelec kašemu odiščemu gostu. To pa ni nikakršna samovoljna mučavost indijskih mogotcev, kajti prvi strelec je skoraj vselej odločilen za lov, zato mora streljati samo zanesljiv in odgovoren strelec. Če je prvi strelec zgrešil, tedaj jo zver z velikanskimi skoki ubere v gosto džunglo in prisadevanje lovcov je brezuspešno. Še hujše pa je, ako je tiger samo ranjen. V tem primeru se često ves besen vrže na bližnjega preganjalca in treba je izredno močnih živev in zanesljivega očesa, da podere pobesneno zverino. Skoraj vse lovce je bil priden in prav mnogo je pisal, tako o glasovini zgodovini kot o zgodovini umetnosti in arheologiji; na njegove članke naletimo vse povsod. V letih 1921-24 je bil tudi hocrarni profesor za starejšo umetnostno zgodovino itd. na ljubljanski univerzi.

22. marca 1920 je umrl v Makolah duhovnik Mihail Lenovšek. Pisal je pesmi, drame itd. Glavno njegovo delo je pa izdajanje Sloščkovih spisov, do leta 1876 počasni. Bil je tudi politik in je bil deželnji poslanec okraja Maribor (okolina) — Sv. Lenart — Slov. Bištrica. Rojen je bil 15. avg. 1844 v Rogatcu.

18. marca 1933 je umrl v Ljubljani dr. Josip Mantuan. Umetsnosti in glasbeni zgodovinar; rojen je bil 1. dec. 1844 v Kobaridu. Študiral je v Gorici in na Dunaju ter je bil slednjic notar v Ribnici. Bil je tudi dober pesnik in je izdal "Poezije" in "Kitico mojih." Ni imela slovenska zemlja zlepja zaslужnega moža, kot je bil Rudolf Maiser!

KAMPANJSKI GLASOVI**MOJA PROŠNJA IN APEL**

Vkljub temu, da smo že precej spodbudnih besed čitali od strani sobrata glavnega tajnika kakor tudi od sobrata urednika, vendar se čutim tudi jaz dolžnega, da napišem teh par vratic v spodbudo in večji napredek v tej predkonvenčni kampanji.

Dragi mi sobratje in sestre! Čas kampanje, kakor vam znano, je zelo kratak, zaradi tega je potrebno, da gremo nemudoma do dela in da storimo vse, kar največ nam je mogoče, da pridobimo kolikor največ mogoče novega članstva. Seveda, v prvi vrsti prosim vas, dragi mi društveni uredniki, da imamo vedno tako, da se radi izgovarjam: Kar društveni uredniki naj se potrudijo! — Pa to ni pravilno! Res, da je v prvi vrsti dolžnost urednikov, vendar bi pa velikokrat posamezni člani ali članice tudi lahko veliko pomagali; urednik ali urednica ne more vseh ljudi poznati v naselbini, zlasti v večjih naselbinah; vi imate svoje sosedje, svoje sorodnike in svoje prijatelje: nagovorite jih, ako še niso člani ali članice naše dične K. S. K. Jednote naj pristopijo saj k organizaciji kot je K. S. K. Jednote bi moral spadati vsak zaveden katoličan in katoličanka. Zaradi tega torej, dragi bratje in sestre, apeliram na vse skupno članstvo naše dične KSKJ., da gremo vsi skupaj na delo in da v tej kampanji pokažemo, da nam je naša Jednota res pri srcu in da delujemo kolikor največ mogoče za njeni rast in napredek.

Seveda, v prvi vrsti prosim ona društva, katera so pridejena k mojemu ali 4. okrožju namreč društva št. 23, 110, 111, 123, 158, 168, 183 in 243. Apeliram pred vsem na vas urednike in urednice imenovanih društev. Apeliram in prosim tudi vse skupno članstvo teh društev, da gremo vsi skupaj na delo in da skušamo v tej kampanji pridobiti prvo mesto ali da vsejeno bomo zadnji.

Pričakujem od vas, bratje in sestre, da boste vpoštevali to moje prošnjo in da boste storili vse, kar vam je največ mogoče, se vam že naprej za to zahvaljujem.

S sobratskim pozdravom,

Joseph Lekšan, 3. podpredsednik KSKJ. in načelnik 4. okrožja.

Malog zgodovine

Prvi naši tukajšnji naseljenici so bili iz bivših avstrijskih trgovskih ladij pobjegli mornarji-Dalmatinci, ki so pozvali pozneje za seboj svoje sorodnike in prijatelje, kateri so ostajali prva leta pri njih, se privadili tukajšnje gvorice in tukajšnjega načina dela, in prihranili prvih par stotakov denarja, na kar so jim pomagali njihovi starejši sorodniki in prijatelji kot garantje, poroki, da so dobili na razpolago zemljo, katero so začeli obdelovati na lastno pest. Nekaterim posebno pridnim delavcem so dali gospodarji estancij zemljo tudi brez garancije, brez poroštva, zlasti če so jih že več let poznali kot vestne in sposobne ljudi. Kateri so prebivali prve težave gospodarjenja na lastno roko, so dobili tudi kreditov, posojila od nekaterih bank. Izseljeni in domovina

Naravnost neodpušljiv greh je kako malo da se je brigala domovina za izseljence v Rosario in okolici. Avstrija še kolikor toliko, saj so bili naravnost pogostni obiski avstrijskega ministra v Buenos Airesu med našimi čakarjerji po kampu, v Rosariu je vzdrževala Avstrija svoj karijer konzulat, v Acebalu je imela oficijelna konsularna agenta (Drinković), in po vseh kolikor toliko važnejših krajih svoje oficijelne in tajne konzularne zaupnike, ki so skrbeli za avstrijsko patriotsko čuvstvovanje tukajšnjih izseljencev. Iz naše ožje domovine, zlasti iz Bosne in Hrvatske, so prišli med nje domači zastopniki samo takrat, kadar so potrebovali denarne pomoči za "ubogi narod" v domovini. Izvzemši misijo pod vodstvom dr. Janda in pozneje odpadega, sedaj že pokojnega hrvaškega župnika Zadravca, ki jo je 1. 1913 poslal v Argentino hrvaški Sabor, se ni zmenil za te ljudi noben hrvaški intele-

Brez svojega duhovnika
Naravnost neverjetno je, da je bila ta množica naših izseljenecov, ki že samo po svojem številu odtehtajo marsikatero škofijo, vsa dolga leta in je še danes brez svojega stalnega izseljenskega duhovnika, čeprav so sami izseljeni na vse strani in kakor so pač najboljše vedeli in znali, prosili zanj in ga žele — po mojem čisto naravno vedno manj — čeprav

Povojni stiki domovine s tukajšnjimi izseljenimi so tako bolča in še tako sveža rana, da je za enkrat še ne kaže razgrinjati. V tem pravcu je torej moje poročilo hote nepopolno. Toliko vendar lahko napišem, da se je naše državno zastopstvo v Argentini razvijalo vse prepočasi, da zlasti zadnja leta nima na razpolago ne dovolj osobja ne dovolj sredstev, da zadnjih časov pa mu je manjšalo tudi potrebne agilnosti in dovolj širokogradne uvidevnosti. Poleg tega pa niso menda nikjer druge neugodne domače politične razmere tako živahno in na tako svojevrsten način odjeknile, kakor med tukajšnjimi izseljenimi, ki jih je naša jugoslovensko orientirana domača javnost sploh prezrla in se zanje v ničemer ni brigala. Povdjam, da iz raznih vzrokov še ni umestno obširnejše in javno razpravljalni o teh zmendenih kočljivih in sramotnih razmerah. Toliko naj vendar še ugotovim, da so se pojavili med tukajšnjimi izseljenimi razni samozvani in pustolovski "vodiči," ki so si znali osvojiti to zapuščeno ljudstvo, ki je bilo v svoji nemoči veselo, da se je le kdo ponudil na kogar bi se moglo nasloniti, s pomočjo koga bi se moglo uveljaviti ali vsaj pokazati med tujim sve-

Kakšni ljudje, da so v takih razmerah res postali vsaj za nekaj časa nesporni ljudski voditelji tega našega dobrega ljudstva v Rosario in okolici, naj bo posebno otipljiv dokaz "Biografiji Južne Amerike," knjižica ki jo je tak nesporni "voditelj hravatskega naroda v Južni Ameriki," kakor pove podpis pod njegovim sliko na prvi strani, napisal in zelo uspešno prodajal po pet pesov za komad. Knjižica ni politične vsebine, vendar sem povsem prepričan, da se ni doslej še nikomur posrečilo spraviti na tako majhen prostor toliko takojšnjimi izseljeni brez posebne njihove krivde, marveč po krivdi domovine že uničenega in zamujenega! SHEBOYGAN LODGE PREPS FOR ANNUAL MIDWEST JUNIOR CONVENTION

Sheboygan, Wis.—The coming Midwest KSKJ bowling tournament to be held here April 30 and May 1 was one of the chief topics at the recent meeting of Queen of May Society. The society has plans well in hand and announces that teams are organized and are now practicing.

Recently the writer witnessed a bowling session at the C. and M. Alleys, where Albina's team bowed with Louise's and Johanna's against Anna's. What a contest!

One would think that 16-pound balls were nothing but Easter eggs the way the girls rolled them. The boys in the gallery almost strained their voices cheering. If the spirit will be half as lively at the tournament, then look out for the roof of the Eagles' building! And why not?

While signing up members for the various teams, it was noticed that some of the older members are not very enthusiastic about American sports. I wondered if they didn't also have sports and contests, only in a slightly different form in our never-to-be-forgotten Jugoslav villages where they were boys and girls.

Some of our youngsters should inquire of their elders if they didn't participate in contests in Slovenia. No doubt some of their free-for-alls are filed away as memorable events of their youth. Those were their young days and happy days.

Our youths have sports where they measure each other's skill and ability in a friendly manner. And why not? If they don't have proper recreation, they will probably get into mischief. That is why sports are recommended so highly for everyone.

TO OPEN EASTERN DUCKPIN TOURNEY WITH GALA DANCE

Pittsburgh, Pa.—On April 23, the first day of the Eastern KSKJ duckpin tournament, the Pitt KSKJ Boosters will hold a dance in Eagles' Hall, 51st and Carnegie Streets.

All the boosters, bowlers, friends, neighbors are invited to attend this dance. The admission is only 25 cents.

Frank J. Sumic, president of the Pitt KSKJ Booster Club and athletic representative of Zone 7, and Martin Berdik, assistant secretary Pitt KSKJ Booster Club, were elected to take charge of this dance with Justine Lokar as treasurer. The boys have promised a grand time to all who attend and it will help to take care of acquainting you with the bowlers and their friends. Do not fail to attend this dance! Remember, it is not only for the bowlers, but for everybody who wishes to attend. The orchestra, as yet not selected, will be a good one.

TO SHOW LIFE OF ST. ANTHONY

New York, N. Y.—A sound effect moving picture with English titles, "The Life of St. Anthony," will be shown in St. Cyril's Church, 62 St. Mark's Pl., March 20, at 8 p. m. The film depicts the life and death of this great Saint of the Franciscan Order. St. Anthony of Padua is known to practically every Catholic, especially for his effective intercession in behalf of those who pray to him. Many of our young Catholic people have a special devotion to him. To these this picture will be a source of happiness and continued encouragement in their devotion; to others it will prove to be a picture of inspiration and hope.

CLEVELAND LADIES AUGMENT SCORES; MARIE GORNICK HITS 226 HIGH

Cleveland, O.—When KSKJ ladies meet to stage a match game, one can always expect to see a seesaw series. Such was the case at the recent roll-offs at Pozelnik's Alleys.

The Euclid Recreations (C. and M.), so far undefeated, held a 19-pin margin with games even as they went into the final against the Pintar Meats (Magdalens). The St. Claires were inspired by Marie Gornick's tally of 226, but the Boulevard girls closed the series with an 805 count to win the match. H. Mestek and M. Perdan chalked up 191 and 196, respectively. J. Skufca tallied a 498 series, including a 201 game to score the evening's high. Ann Budan, with 488, including a 172 game, led the Pintars.

Consistent bowling gave Theresa Gihla of the Perko Meats a 492 count to place second in series rating, while M. Zmarzly joined the famed class by clipping a 200 count.

If all 150 games were given special mention (as is the rule for ladies' bowling) 25 names would be listed.

Dr. Perkos (St. Ann) took two of three from St. Helens, and Perko Meats (St. Ann) earned two of three in a close match with Par A. C. (St. Ann).

At the two-thirds mark with games even and only eight points separating them, the Kunstels (Magdalens) peppered the pins to win the deciding game from the Norwood Appliances (St. Ann). The Newburg girls were handicapped without the services of Angela "Gallagher" Winter, who is on the sick list.

Joe Pozelnik posted 53 and Rose Chadic, member of the KSKJ Athletic Board, 51 for the high scorers.

HOOSIER KAY JAYS BOWL IN ABC

Indianapolis, Ind.—During the weekend of March 6 and 7 the local Link-Belt Co. sent 40 teams to the A. B. C. meet at Chicago. Included in these teams were four St. Aloysius' members. Joseph Bajec, one of the members, led all individuals by spilling the maples for a score of 583. Other lodge members who attended the meet and their respective scores were: Frank Komlanc 501, Anthony Somrak (lodge president) 499 and Victor Somrak 446.

On Tuesday, March 7, a local KSKJ team went on a scoring spree while rolling in the Pritchett Recreation circuit. Anthony Brianik, a first year bowler, took high honors for the evening with a 710 score. This total, which was two pins short of the season's league record (712), was rolled with games of 242, 235 and 233. A team member, Joe Turk, who belongs to the local KSKJ, also joined the select group with a score of 602. Not to be outdone by the fellow members of the lodge, Mary Turk posted a 566 the same evening for the high individual score in the Tuesday Night Ladies' League.

The scores of the local roll-off and names of members who qualified for the teams to be sent to the Midwest bowling meet at Sheboygan, Wis., will be published as soon as they are checked by the officials in charge. So watch the Our Page and see who will represent the local lodge in its bid for the high honors at the meet.

PLANS FOR PENNSY BOOSTER ASSOCIATION DUCKPIN MEET SET

Canonsburg, Pa.—With plans definitely set, the Western Pennsylvania KSKJ Associated Booster Clubs are fully ready to handle the second annual duckpin tournament that will be held in Ambridge April 23 and 24. Already this tournament has a greater boost than the tournament had last year. One by one the lodges of western Pennsylvania have decided to give it its support and are doing all in their power to make this another great event for the KSKJ in western Pennsylvania. Its support has spread beyond the lines of Pennsylvania, crossing into the state of Ohio, a great center for KSKJ membership.

To date teams have been promised from Aliquippa, Ambridge, Canonsburg, Presto, Beaver Falls and Girard, O. Many of these centers participated in the tournament last year and have promised even greater participation than last year. Every blank has already been mailed and the prizes will be of a very valuable nature. This tournament, which is known as the Pennsylvania duckpin tournament, is under the sponsorship of the KSKJ Associated Booster Clubs, an organization formed among the booster clubs of western Pennsylvania to promote a bigger and better KSKJ in Pennsylvania. As previously announced and as conducted last year, the tournament is open to all KSKJ members. This organization has done more for KSKJ in western Pennsylvania than any other such body. Its co-operation is unparalleled and deserves the support of all other KSKJ lodges if we are to have a true KSKJ spirit. The greater the attendance at this tournament, the greater will be the name of KSKJ among the Slovaks in this section. Though the group is small, the work accomplished in behalf of a bigger and better KSKJ has been of huge dimensions. It is the only organization that has kept a live contact among the KSKJ lodges in Pennsylvania. It has even gone so far as to participate in KSKJ affairs of other lodges in Ohio. The affair last

year was a huge success and the committee in charge will undoubtedly see greater success than last year.

With Ambridge again as the bowling site, KSKJ members will again have the opportunity of seeing displayed some real KSKJ hospitality. This little busy center of KSKJ activity is as well equipped as any other town in this section to handle such a great event. The fond memories of last year still remain with most of the bowlers and there is no doubt they will return again, for their enthusiasm is of an unstopable nature.

After the bowling is completed at the alleys, the KSKJ ladies of Ambridge will again serve the banquet, which will be held at the Croatian Hall. The banquet of last year is not forgotten, for it was one of the times that KSKJ members went away from the banquet table satisfied and their pockets loaded enough to do them for the next two days. Immediately after the banquet a dance will take place and one of the leading bands of western Pennsylvania will supply the music.

For \$1.25 each participant will have entry fees paid, team event bowling paid, a dance and the banquet. These fees will cover all the expenses that one will be subjected to for that day. Other forms of entertainment are also to be arranged for in the near future. Teams wishing to make entries are asked to send their blanks to Pete Svegl, Maplewood St., Ambridge, Pa.

Joes' 2961 Series Tops Clairwoods

Cleveland, O.—It may have been good bowling or maybe it was because of a new backer that the KSKJ St. Joseph's pinsters sporting the colors of Drenik's Erin Brew uncorked a barrage of pin spilling for a 2961 count over the Clairwoods SDZ 2877, and won two of three in a recent match at Pozelnik's.

Marz's 666 series and Baraga's 622 paced the Brews, while Shuster and Kogey, with 611 and 600, respectively, led the losers. Shuster also included a 259 single.

Joliet, Ill.—St. John the Baptist Society, No. 143 will hold its regular monthly meeting Sunday, March 20, at 2 p. m. in the old school hall. All members are requested to attend this meeting.

All members of our society are reminded to fulfill their Easter obligations and to give me their reports.

FRANCICH LEADS AS FIRST PRE-CONVENTION DRIVE REPORT IS POSTED

177 New Members Enlisted as Campaign Gets Off to Fast Start

If a good start is an indication, then the current Pre-Convention Membership Drive sponsored by the Supreme Officers is on its way to success.

The first report, officially released March 11, showing an enlistment of 177 new members, 104 adults and 73 juveniles, includes results achieved by every supreme officer. Heading the list is Supreme Officer Frank Francich, whose section enrolled 21 members. Following are Officers Math Pavlovich and Ivan Zupan, with 14 and 12 new members, respectively. (See Page 1 for official tabulation.)

As the campaign will be in force but two months and will close April 30, all officers are losing no time in lining up their sections for concerted action to augment the Union's membership total.

In outlining the campaign at its January meeting, the Supreme Board pointed out that the drive would be an opportunity for lodges to increase their number of delegates to the convention in Eveleth, Minn., next August. The campaign awards are very attractive and should serve as an inducement to individual members to give co-operation to the drive.

ENDORSE FINAL PLANS, CHOSE SITE FOR EASTERN JAYS' BOWLING TOURNEY

Cleveland, O.—Complete plans for the Eastern KSKJ bowling tournament to be held here May 7 and 8 were made at a meeting of the Ohio KSKJ Booster Club last Sunday.

The two-day classic will be rolled on the St. Clair-Eddy Recreation Alleys, according to the arrangement of the club. Although bowling will not start until Saturday, the club decided to consider the St. Joseph's KSKJ Band concert May 6 in the Slovenian National Home, St. Clair Ave., as the official opening for the meet.

Will Resume Social Nite Idea After Lent

New York, N. Y.—The "social nights" idea, inaugurated for the members of the Young Ladies' Sodality and the Holy Name Society of St. Cyril's Parish has met with complete approval of all, as witnessed by the attendance at our first two affairs.

These nights were instituted as a sort of "get acquainted affairs," and it is working well. The members of these societies also put on a very successful pre-Lenten dance on Feb. 19. More of this kind of spirit and interest will be displayed by our young people of New York City to insure our parish a bright and interesting future. During this Lenten season our activities have been toned down, but after the penitential season is over, we will start the ball rolling once more toward better and happier events.

In closing, I might mention the series of sermons on marriage, which Father Edward is conducting in English at the 10 o'clock Mass each Sunday. This series should prove both interesting and instructive for our young folk, who are contemplating marriage in the near future. And since they are conducted in English all should make it a point not to miss one of them.

Anthony J. Grdina, veteran bowling promoter, was elected bowling chairman and will shortly announce his committee.

Publicity: Stan Zupan, chairman; Lawrence Leskovec, Anthony Grdina, Joseph Gornik, Anton Klancar, Michael Zlate and Anton Hosta.

The next meeting has been set for March 27, 2:30 p. m., in the Glasilo office.

PARISH QUINT OUTPINS KAY JAY JOSEPHS

New York, N. Y.—Avenging a former defeat, the St. Cyril's Parish quint outbowled the St. Joseph's KSKJ team with a 114-pin advantage in a match rolled March 6. John Zalek and Tine Capuder were high for the Joes, while Father Edward and Charles (La) Guardia were tops for the Cyrils. The parish team will soon meet the hustling Knights of Trinity.

MARK ANNIVERSARY

Sheboygan, Wis.—Mr. and Mrs. John Prisland recently marked the 30th anniversary of their marriage and were recipients of the well-wishes of their many friends.

Mrs. Prisland, a former KSKJ supreme vice president and charter member and organizer of Queen of May Society, No. 157, is supreme president of the Slovenian Women's Union.

JUVENILE DEPARTMENT

FOR GOD, HOME AND COUNTRY

By FATHER KAPISTRAN

The secular press has been often called to task for overstressing lurid crime details in headlines and prominent columns. This criticism was prompted by a sense of morality and truth.

Now a non-Catholic woman deplores the same fault as something UNPatriotic.

Mrs. Ruth Bryan Owen Rohde, former minister to Denmark, calls attention to the extra work to which the U. S. diplomatic service is put because it must correct false impressions of the United States made upon foreigners by American newspapers.

She says that 59 per cent of clippings from Swedish, Danish and Finnish newspapers which she collected for one month concerned crime in this country.

An important fraction of the remaining articles gave prominence to such American events as: tree sitting, dance marathons, frog races, and pie-eating contests.

Any American would protest against any such picture of American habits. Yet, the press of our country is alone responsible.

The public press, both as a mirror of our Yankee life and as a photograph to others, does very little good toward increasing our own self-respect or gaining the respect of other nations.

We are told that the Catholic hospital in Shanghai, which cares for 400 insane people, is bankrupt due to the war.

There is a story behind this report which only Catholic papers have told.

It is the story of a Catholic Chinese, Loh Pa-Hong.

This Chinese man of Catholic action was a man of God. Frederick Williams in America says of him: "He was a Catholic, a soldier of Christ in a pagan land, seeking everything for Him."

His family had been Catholic for 300 years.

A sodalist of the Blessed Virgin, he built hospitals, asylums and schools.

The hospital for the insane at Shanghai, mentioned in the press reports, is St. Joseph's Hospital of the Sisters of Charity, built by Loh Pa-Hong.

Under pagan rule, the insane were driven like mad dogs into the countryside to starve and die.

Loh Pa-Hong changed this. He built and supported the hospital.

The war bankrupted the project.

Loh Pa-Hong was lately killed by his own countrymen who misjudged his efforts to restore order in Shanghai in cooperation with the Japanese who had taken possession of the city.

Both China and Japan have lost a great man.

BREAK ENTRY RECORD, AIM OF SHEBOYGAN

Chicago, Ill.—Sheboygan, that pleasant community where the Midwest tournament will be held April 30 and May 1, is a buzzing and making plans for the annual classic, according to reports received by the local Midwest KSKJ Bowling Association headquarters.

The Sheboyganites, hosts for the pinfest, are aiming to enter 30 teams and are shooting at a total entry mark that will top last year's record turnout when the entry deadline, April 15, rolls around.

The Indianapolis Hoosiers will again roll in the meet and, from reports, intend to augment their last year's bid.

Two ladies' teams will represent Cleveland, O., it is reported, and a men's team is also being planned.

Joliet, Chicago, South Chicago, Waukegan, North Chicago, La Salle and Milwaukee will all send teams, and from advanced information some of the records are slated for a tumble.

URGES MEMBERS TO AID CAMPAIGN

Your efforts in this behalf will be worthwhile, since attractive awards are made for each new member sponsored. For further details as to classes of policies available and prizes in connection with the drive, please see the secretary, Robert Kosmerl.

KAY JAY TEAM CLIPS 3155 TO SET NEW RECORD

Lorain, O.—A new record was set in the local church league when the C. and M. Kay Jay team of SS. Cyril and Methodius' Parish rolled 3155 over the St. John quint's 2800 last week. The tally, it is believed, is a new high for a KSKJ quint. Leading the Jays was Steve Cerne, who spilled 729 in the series.

Plans are under way to bring the locals to Cleveland for a match with KSKJ teams there.

AT LEAST 15 NEW MEMBERS, JOSEPH'S AIM

Brooklyn, N. Y.—"Let's go on record for at least 15 new members before the next convention," is the plea made by Joseph J. Klun, secretary of St. Joseph's Society, No. 57, in urging members to support the current pre-convention drive.

"Let's get some new members and show Supreme Officer Loker, our campaign director, that we are 100 per cent with him."

The secretary reminds that attractive awards are given for new members, and that he will gladly give information. John Zakely, new member, was admitted at the recent meeting.

The secretary also announces that Jerry's Starlight Orchestra has been engaged for the society's dance April 23 in the Slovenian Auditorium. "Starokrajske" polkas will be featured. Prizes will also be awarded for bowling.

To the one who sells the most tickets or books or both, those mailed to members this week, a prize of one month's assessment will be awarded. It is hoped that all tickets will be sold, and those unsold be returned before the dance. Detailed information is given in the letter sent to members.

John Anzlovar, Michael Majetic, Peter Routar and Adolph Supen, on the sick list, have the well-wishes of the members.

PLAN TRAVEL TO BOWLING MEET

Indianapolis, Ind.—The St. Aloysius' Society, No. 52, held its monthly meeting on March 7 at the school hall. The attendance was good as this meeting had a double purpose. First, the lodge business affairs in general, and second in regard to completing the plans of the lodge to have bowling teams to represent it at the Midwest bowling meet at Sheboygan, Wis.

The special committee also gave its report on the big card party which was held Feb. 20 for the benefit of the bowling teams. The party was a huge success, and the lodge officers wish to extend their sincere thanks to all members and others who have helped to make this first social activity of the lodge for the year such a success.

MOURN LOSS OF MEMBER, STAR COLLEGE ATHLETE

Aurora, Ill.—Friends from Burlington, Sycamore and Aurora were very stunned to learn of the death of Elmer Gorenz, age 19, a member of St. John's Society, No. 11, on Feb. 24, due to a ruptured appendix.

Elmer was born in Aurora May 18, 1918, and later the family moved to Burlington, where his father is engaged in farming. He graduated from the Burlington High School, where he received honors in basketball. Preceding his death he was a student at the Northern Illinois Teachers' College at DeKalb, where he was preparing for the career of a basketball coach. He played center on the college basketball team and was the team's high scorer.

John Anzlovar, Michael Majetic, Peter Routar and Adolph Supen, on the sick list, have the well-wishes of the members.

COMMUNION NOTICE

Brooklyn, N. Y.—It was decided at St. Joseph's, No. 57, meeting that all members receive Holy Communion in a body at the 10 o'clock Mass in the St. Cyril's Church, 62 St. Marks Pl., New York City. This Mass will be said for all living and deceased members.

Members will meet in the church basement at 9:45 a. m. and will then march to church. After Mass breakfast will be served in the church basement. Father Edward, who will be with us, is looking forward to have a 100 per cent attendance.

The officers are trying just as hard to see that every member will be present. Since it's the duty of every good Catholic to perform his or her Easter duty, I'm sure that we will be present 100 percent. Please bring your society badge.

In the event that some member has no badge as yet, kindly drop a penny post card to the secretary and he will have one on hand for you.

As a convenience, members can pay their assessments in the church basement after the Mass.

PARENTS AND PAGANISM

By Blanche Jennings Thompson
(Condensed from The Commonwealth in the Catholic Digest)

(Continuation)

Perhaps you know that your children do not read very well. Do you know why? One reason is that current fad—the pictorial magazine. Your children and even you yourself are returning to the habits of your primitive, picture-reading ancestors.

It is easier to read pictures than print, easier to get news from the radio than to read it. A muscle that is not used becomes atrophied. So with mental skills. We learn to read by reading. We lose the power by not reading.

The implication is unmistakable. Some of the pictorials, notably the more expensive ones, either ostensibly created for fostering a love of art or frankly for the sophisticated, are definitely vicious. No parent should have such things in the house. It should not be necessary to say that if parents read only magazines, their children are not

Following a comic strip with sedulous devotion, reading and re-reading the pictures and losing more and more the power to read anything more difficult than the simplest vocabulary. Spelling and grammar, moreover, are adversely influenced. You have only to examine a week-end crop of "funnies" to see why. Personal conduct is keyed to the lowest standards.

Another dangerous reading type is the crime or detective story. We have actually developed a national disregard for the criminal aspects of murder, in our abnormal interest in its mechanics. We have begun to regard murder as a species of entertainment. Clever comedians have made drunkenness funny. We laugh at a drunken man and forget the tragedy of his condition. We are movie-trained to regard speed as entertaining and an utterly criminal disregard for the rights and persons of others as evidence of cleverness.

Seventh and eighth grade pupils list as their favorite reading the awful "funnies," "criminal stories" (the adjective is their own invention to a need), "modernistic love stories," True Confessions, True Romances, and movie magazines. In spite of occasional optimistic reports, based upon questionnaires submitted to children, to the effect that young people are still reading the classics, the fact remains that a very large number of children read only those classics required by the school, or those actually read with them by parents.

Let individual parents, parent-teacher groups, teachers' associations, sodalities, women's clubs and fraternal organizations write to the firms that use offensive advertising, to the magazines that carry such advertisements, to the radio stations that carry programs dangerous to children. Let them use pressure upon local police to clean up the newsstands. Let them protest movies prejudicial to the welfare of children, and conversely, let them not forget to praise publicly every step in the right direction taken by individual merchants, managers, police or others. An aroused public can work wonders.

Most important of all, unite in neighborhood, school or church groups and agree upon norms of conduct for your children: hours for parties, matters of dress, use of the family car. Then stick to them so that the child cannot counter with, "Why can't I? Betty can!"

Sacrifice your own sophisticated tastes upon the altar of your children's welfare. Make good literature attractive to them, and with patience you may save this generation from the poison of paganism.
